

UFO HUB

1
00:00:14,180 --> 00:00:12,020
I'm George Noory and I'm the host of

2
00:00:16,880 --> 00:00:14,190
Coast to Coast AM radio which is a

3
00:00:20,390 --> 00:00:16,890
nationally syndicated radio show that

4
00:00:22,340 --> 00:00:20,400
goes worldwide George Noory has been at

5
00:00:25,009 --> 00:00:22,350
the broadcasting business for 45 years

6
00:00:26,630 --> 00:00:25,019
I've been in it for a long long time

7
00:00:28,070 --> 00:00:26,640
and it's something that I've always

8
00:00:31,490 --> 00:00:28,080
wanted to do but it's been a

9
00:00:33,830 --> 00:00:31,500
metamorphosis for me it has changed not

10
00:00:35,900 --> 00:00:33,840
only am I doing radio but I'm doing some

11
00:00:38,660 --> 00:00:35,910
extensive television I'm on the History

12
00:00:41,540 --> 00:00:38,670
Channel quite regularly during their

13
00:00:42,950 --> 00:00:41,550

ancient aliens show I'm doing beyond

14

00:00:46,069 --> 00:00:42,960

belief which is an internet-based

15

00:00:48,910 --> 00:00:46,079

television show I'm doing speeches all

16

00:00:51,380 --> 00:00:48,920

around the country private events and

17

00:00:54,290 --> 00:00:51,390

it's all encompassing arm you know I've

18

00:00:57,410 --> 00:00:54,300

written several books now I wanted to

19

00:00:59,810 --> 00:00:57,420

develop myself as a media mogul somebody

20

00:01:02,540 --> 00:00:59,820

who is involved in all facets of the

21

00:01:05,090 --> 00:01:02,550

media not just radio not simply

22

00:01:06,800 --> 00:01:05,100

television but a combination of all of

23

00:01:10,250 --> 00:01:06,810

it and that's what I've been doing over

24

00:01:12,560 --> 00:01:10,260

these years this metamorphosis for me

25

00:01:15,350 --> 00:01:12,570

when I got into broadcasting started at

26
00:01:18,560 --> 00:01:15,360
a very young age I was 11 years old and

27
00:01:20,570 --> 00:01:18,570
I always wanted to get into the media

28
00:01:23,899 --> 00:01:20,580
I wanted to uncover stories that were

29
00:01:26,120 --> 00:01:23,909
unusual and strange and I figured the

30
00:01:28,700 --> 00:01:26,130
only way I could do that was to be a

31
00:01:30,499 --> 00:01:28,710
radio person or a television person

32
00:01:32,300 --> 00:01:30,509
because those were the people who could

33
00:01:34,429 --> 00:01:32,310
get to the people who were involved in

34
00:01:36,590 --> 00:01:34,439
the news stories and you could get to

35
00:01:39,469 --> 00:01:36,600
them quite easily I had an out-of-body

36
00:01:41,390 --> 00:01:39,479
experience when I was 11 years old I

37
00:01:43,819 --> 00:01:41,400
didn't know what it was I went to the

38
00:01:46,609 --> 00:01:43,829

library figured it out that it was

39

00:01:49,069 --> 00:01:46,619

astral projection and I was hooked on

40

00:01:51,050 --> 00:01:49,079

the strange and the unusual I started

41

00:01:53,899 --> 00:01:51,060

talking to my mother about that who was

42

00:01:55,639 --> 00:01:53,909

into this in a big way and she said well

43

00:01:58,219 --> 00:01:55,649

you know let me get you some more books

44

00:02:01,130 --> 00:01:58,229

on that so she got a book called we are

45

00:02:03,050 --> 00:02:01,140

not alone by Walter Sullivan who was the

46

00:02:05,929 --> 00:02:03,060

late New York Times science writer and

47

00:02:07,429 --> 00:02:05,939

it talked about his theories that we

48

00:02:10,609 --> 00:02:07,439

aren't alone in the universe that

49

00:02:12,930 --> 00:02:10,619

there's more to this planet than what we

50

00:02:15,030 --> 00:02:12,940

think and I read that book and I was

51
00:02:17,610 --> 00:02:15,040
just obsessed with the possibilities

52
00:02:20,040 --> 00:02:17,620
that there were extraterrestrials out

53
00:02:21,750 --> 00:02:20,050
there somewhere I didn't even get to the

54
00:02:24,960 --> 00:02:21,760
part yet whether we were being visited

55
00:02:27,210 --> 00:02:24,970
or not and from that point on I said I

56
00:02:30,840 --> 00:02:27,220
wanted to get into broadcasting this is

57
00:02:34,260 --> 00:02:30,850
what I want to do and my entire career

58
00:02:37,680 --> 00:02:34,270
was focused toward doing this in the

59
00:02:40,260 --> 00:02:37,690
broadcasting field I have interviewed

60
00:02:42,240 --> 00:02:40,270
thousands of guests in my career doing

61
00:02:46,470 --> 00:02:42,250
coast to coast which now has spanned

62
00:02:49,950 --> 00:02:46,480
nearly 12 years and of all of those

63
00:02:51,990 --> 00:02:49,960

guests they're all great guests and I

64

00:02:54,360 --> 00:02:52,000

enjoy them all for their uniqueness and

65

00:02:57,090 --> 00:02:54,370

what they bring to the audience but

66

00:02:59,460 --> 00:02:57,100

there was one person who is really the

67

00:03:03,150 --> 00:02:59,470

strangest of all of them his name was

68

00:03:06,210 --> 00:03:03,160

Benjamin creme and Benjamin represented

69

00:03:09,410 --> 00:03:06,220

somebody called the Maitreya who a lot

70

00:03:12,180 --> 00:03:09,420

of people thought is the Antichrist and

71

00:03:14,250 --> 00:03:12,190

he's on the air with me right and he's

72

00:03:15,900 --> 00:03:14,260

all of a sudden getting messages from

73

00:03:19,350 --> 00:03:15,910

our listeners they have that capability

74

00:03:21,870 --> 00:03:19,360

we have that feedback and it was George

75

00:03:24,390 --> 00:03:21,880

I'm getting sick I don't feel good

76

00:03:25,320 --> 00:03:24,400

what's he doing to us and I went I'll

77

00:03:27,479 --> 00:03:25,330

come on

78

00:03:29,460 --> 00:03:27,489

and I kept continued to interview the

79

00:03:32,220 --> 00:03:29,470

guy and it came across as a very nice

80

00:03:34,020 --> 00:03:32,230

elderly gentleman talking about the

81

00:03:36,210 --> 00:03:34,030

Maitreya and things like that did not

82

00:03:36,870 --> 00:03:36,220

talk about evil or anything but it was

83

00:03:39,840 --> 00:03:36,880

weird

84

00:03:42,720 --> 00:03:39,850

and sure enough during the course of the

85

00:03:46,860 --> 00:03:42,730

interview I was starting to get sick I

86

00:03:49,050 --> 00:03:46,870

never get sick and I couldn't continue

87

00:03:51,210 --> 00:03:49,060

the interview I had to tell him and he

88

00:03:53,220 --> 00:03:51,220

was on the phone thank God he wasn't in

89

00:03:56,130 --> 00:03:53,230

the studio and I had to say Benjamin

90

00:03:59,850 --> 00:03:56,140

we've got to move on I mean I just don't

91

00:04:03,540 --> 00:03:59,860

feel well as soon as he was off we went

92

00:04:05,310 --> 00:04:03,550

to a commercial I was fine and then all

93

00:04:08,009 --> 00:04:05,320

of a sudden people were sending an email

94

00:04:10,170 --> 00:04:08,019

saying oh I feel better thank God you

95

00:04:12,479 --> 00:04:10,180

got rid of him and so I don't know what

96

00:04:14,940 --> 00:04:12,489

it was but in terms of all the thousands

97

00:04:18,320 --> 00:04:14,950

of people I've interviewed scientists

98

00:04:22,170 --> 00:04:18,330

ghosts investigators Bigfoot hunters

99

00:04:24,900 --> 00:04:22,180

current events people benjamin creme was

100

00:04:26,560 --> 00:04:24,910

the strangest of all of them i have

101

00:04:28,630 --> 00:04:26,570

always thought that we

102

00:04:30,490 --> 00:04:28,640

had extraterrestrials in this universe

103

00:04:33,100 --> 00:04:30,500

you know there's there's a number of

104

00:04:35,080 --> 00:04:33,110

different theories about what they are

105

00:04:36,210 --> 00:04:35,090

and where they come from whether they're

106

00:04:40,240 --> 00:04:36,220

angelic

107

00:04:44,010 --> 00:04:40,250

demonic other dimensions or as I believe

108

00:04:47,020 --> 00:04:44,020

a planetary system in this universe many

109

00:04:49,720 --> 00:04:47,030

planetary systems in this universe the

110

00:04:53,020 --> 00:04:49,730

universe is way too vast the primordial

111

00:04:54,760 --> 00:04:53,030

soup which has created us and everything

112

00:04:56,680 --> 00:04:54,770

else in this universe is the same all

113

00:04:58,630 --> 00:04:56,690

over the place there's nothing different

114

00:05:02,530 --> 00:04:58,640

it's just a matter of getting your

115

00:05:05,260 --> 00:05:02,540

earth-like planet close to its star so

116

00:05:07,510 --> 00:05:05,270

it doesn't get too hot or too cold it's

117

00:05:09,040 --> 00:05:07,520

got to have liquid water but once it has

118

00:05:11,170 --> 00:05:09,050

all those ingredients in there

119

00:05:14,020 --> 00:05:11,180

I think the formula for life is very

120

00:05:15,930 --> 00:05:14,030

easy and it clicks in and I think that's

121

00:05:19,840 --> 00:05:15,940

what's going on in this universe I think

122

00:05:23,200 --> 00:05:19,850

that there are billions of earth-like

123

00:05:25,450 --> 00:05:23,210

planets with possible life on it like us

124

00:05:27,790 --> 00:05:25,460

and if they are ahead of us you know

125

00:05:30,520 --> 00:05:27,800

we're only 4.5 billion years old the

126

00:05:32,440 --> 00:05:30,530

universe is 14 billion years old the

127

00:05:35,410 --> 00:05:32,450

universe this one that we're talking

128

00:05:39,190 --> 00:05:35,420

about and so jumpstart a civilization by

129

00:05:41,620 --> 00:05:39,200

two million years or two billion years

130

00:05:43,660 --> 00:05:41,630

and if they are growing at the same

131

00:05:46,780 --> 00:05:43,670

technological rate as we have been

132

00:05:49,590 --> 00:05:46,790

they're way ahead of us and so there's

133

00:05:52,720 --> 00:05:49,600

no reason not to believe that

134

00:05:54,910 --> 00:05:52,730

extraterrestrials and UFOs have been

135

00:05:58,360 --> 00:05:54,920

able to travel have learned how to

136

00:06:01,420 --> 00:05:58,370

travel by I think bending space and time

137

00:06:03,700 --> 00:06:01,430

so it's instantaneous and that's what

138

00:06:06,580 --> 00:06:03,710

they've been doing and so I truly

139

00:06:08,740 --> 00:06:06,590

believe from the bottom of my heart that

140

00:06:12,220 --> 00:06:08,750

there are extraterrestrial beings out

141

00:06:15,220 --> 00:06:12,230

there on other planetary systems in this

142

00:06:18,160 --> 00:06:15,230

universe this is beyond other dimensions

143

00:06:22,450 --> 00:06:18,170

and other multiverses but they're here

144

00:06:24,640 --> 00:06:22,460

and they're making a presence since I

145

00:06:26,230 --> 00:06:24,650

was a little boy I have always looked in

146

00:06:29,470 --> 00:06:26,240

the skies to see if I could see

147

00:06:32,080 --> 00:06:29,480

something interesting or unusual and up

148

00:06:34,390 --> 00:06:32,090

until one moment I was never able to do

149

00:06:36,850 --> 00:06:34,400

that but I had a speech in San Jose

150

00:06:38,950 --> 00:06:36,860

California several years ago in an

151
00:06:39,999 --> 00:06:38,960
individual his name was Ed Grimsley he's

152
00:06:43,089 --> 00:06:40,009
an expert

153
00:06:44,439 --> 00:06:43,099
night vision goggles always came up to

154
00:06:46,480 --> 00:06:44,449
me and said look you got to go up there

155
00:06:48,309 --> 00:06:46,490
on the roof with me and look at what's

156
00:06:51,879 --> 00:06:48,319
up there and I said what are you talking

157
00:06:55,540 --> 00:06:51,889
about it he said George there are UFOs

158
00:06:58,029 --> 00:06:55,550
flying everywhere that you cannot see

159
00:07:00,459 --> 00:06:58,039
with the naked eye but you can with

160
00:07:02,619 --> 00:07:00,469
these night-vision goggles and I said

161
00:07:04,239 --> 00:07:02,629
alright let's go so we went up there on

162
00:07:05,489 --> 00:07:04,249
the roof there was 20 other people up

163
00:07:08,200 --> 00:07:05,499

there and he's got these

164

00:07:11,559 --> 00:07:08,210

third-generation night-vision goggles

165

00:07:13,659 --> 00:07:11,569

where the sky looks green and I'm seeing

166

00:07:15,820 --> 00:07:13,669

stars everywhere and he's pointing

167

00:07:19,299 --> 00:07:15,830

things out he's saying okay now look up

168

00:07:22,929 --> 00:07:19,309

there you're gonna see a UFO and sure

169

00:07:25,299 --> 00:07:22,939

enough I did this was not an insect it

170

00:07:28,450 --> 00:07:25,309

was not a bird it was not a satellite

171

00:07:32,980 --> 00:07:28,460

this was an object and I saw two of them

172

00:07:35,649 --> 00:07:32,990

that would make 90-degree turns stop way

173

00:07:39,399 --> 00:07:35,659

up there a couple hundred miles and keep

174

00:07:41,529 --> 00:07:39,409

going stop make another turn we don't

175

00:07:44,709 --> 00:07:41,539

have conventional aircraft or spaceships

176

00:07:46,559 --> 00:07:44,719

that do that it was unbelievable edy

177

00:07:48,189 --> 00:07:46,569

Grimsley says these are

178

00:07:50,529 --> 00:07:48,199

extraterrestrials they're up there

179

00:07:54,790 --> 00:07:50,539

they're up there all the time I saw two

180

00:07:57,519 --> 00:07:54,800

of them that night unbelievable Edgar

181

00:08:01,119 --> 00:07:57,529

Mitchell who is Apollo 14 astronaut

182

00:08:04,689 --> 00:08:01,129

walked on the moon is so convinced that

183

00:08:07,119 --> 00:08:04,699

we're being visited he has told me

184

00:08:09,249 --> 00:08:07,129

several times he said George I never saw

185

00:08:11,139 --> 00:08:09,259

anything on the moon all right I don't

186

00:08:13,449 --> 00:08:11,149

want you to believe that I never saw

187

00:08:16,509 --> 00:08:13,459

anything on the moon however I know a

188

00:08:18,489 --> 00:08:16,519

lot of people in high up in military in

189

00:08:22,089 --> 00:08:18,499

government and they have told me

190

00:08:25,389 --> 00:08:22,099

personally edie were being visited we've

191

00:08:28,749 --> 00:08:25,399

been visited these these creatures these

192

00:08:30,759 --> 00:08:28,759

crafts they are real and they're coming

193

00:08:32,620 --> 00:08:30,769

here and when you hear that from an

194

00:08:35,259 --> 00:08:32,630

astronaut a person who doesn't have

195

00:08:37,120 --> 00:08:35,269

anything to gain he's not out making

196

00:08:39,909 --> 00:08:37,130

money he's not trying to sell a book

197

00:08:42,670 --> 00:08:39,919

he's just telling you the way he hears

198

00:08:44,199 --> 00:08:42,680

it it's an amazing story and you've got

199

00:08:47,019 --> 00:08:44,209

to start saying there's got to be

200

00:08:49,629 --> 00:08:47,029

something to this too many people have

201
00:08:53,020 --> 00:08:49,639
reported seeing too many things whether

202
00:08:55,570 --> 00:08:53,030
it's at Roswell or Rendlesham in England

203
00:08:57,580 --> 00:08:55,580
or abduction cases where people claim

204
00:08:59,710 --> 00:08:57,590
that they're being picked up that

205
00:09:03,460 --> 00:08:59,720
they've got lost time there's way too

206
00:09:06,820 --> 00:09:03,470
many things going on and even if 98% of

207
00:09:07,960 --> 00:09:06,830
them were man-made or fictitious created

208
00:09:11,260 --> 00:09:07,970
in their own brain

209
00:09:13,450 --> 00:09:11,270
you still got 2% of a lot of cases out

210
00:09:16,900 --> 00:09:13,460
there that are totally unexplainable and

211
00:09:21,070 --> 00:09:16,910
that alone is a reason why we should be

212
00:09:22,590 --> 00:09:21,080
investigating this full-time if I had an

213
00:09:24,910 --> 00:09:22,600

opportunity to meet other

214

00:09:27,820 --> 00:09:24,920

extraterrestrial races I would take that

215

00:09:29,710 --> 00:09:27,830

opportunity in a heartbeat now does that

216

00:09:32,620 --> 00:09:29,720

mean I have to leave the planet and I'll

217

00:09:34,390 --> 00:09:32,630

never come back I'm not so sure I'd want

218

00:09:35,620 --> 00:09:34,400

to do that I care too much about my

219

00:09:38,830 --> 00:09:35,630

family and my kids

220

00:09:41,560 --> 00:09:38,840

and I'd miss them but if I could go off

221

00:09:44,530 --> 00:09:41,570

and come back in six months or so or

222

00:09:46,630 --> 00:09:44,540

they visited us here absolutely I would

223

00:09:49,510 --> 00:09:46,640

do that in a heartbeat and of course my

224

00:09:52,410 --> 00:09:49,520

big question to them will be do you

225

00:09:56,080 --> 00:09:52,420

believe in God where did you come from

226

00:09:59,200 --> 00:09:56,090

because I think every being in this

227

00:10:02,160 --> 00:09:59,210

universe is going through and trying to

228

00:10:04,900 --> 00:10:02,170

answer that same question who are we

229

00:10:07,780 --> 00:10:04,910

what are we doing here and what does

230

00:10:11,410 --> 00:10:07,790

this all mean we are not alone as Walter

231

00:10:13,300 --> 00:10:11,420

Sullivan wrote many years ago and we

232

00:10:16,810 --> 00:10:13,310

must continue to try to get that answer

233

00:10:21,130 --> 00:10:16,820

in my entire career in broadcasting

234

00:10:24,760 --> 00:10:21,140

which again spans 45 years I have never

235

00:10:27,880 --> 00:10:24,770

been approached by anybody to either do

236

00:10:30,280 --> 00:10:27,890

a story or not do a story or threatened

237

00:10:32,050 --> 00:10:30,290

it just doesn't happen and a lot of

238

00:10:33,370 --> 00:10:32,060

people say well government's doing this

239

00:10:35,050 --> 00:10:33,380

and they're doing that I'm sure we're

240

00:10:36,880 --> 00:10:35,060

being monitored I'm sure there's

241

00:10:39,850 --> 00:10:36,890

somebody every night listening to coast

242

00:10:42,070 --> 00:10:39,860

to coast taking notes about the topics

243

00:10:45,130 --> 00:10:42,080

and the guests and then going back and

244

00:10:47,140 --> 00:10:45,140

reporting to other people but never have

245

00:10:49,660 --> 00:10:47,150

they ever approached me through

246

00:10:52,420 --> 00:10:49,670

management or through anybody else to

247

00:10:54,910 --> 00:10:52,430

say look your topic is too hot stay away

248

00:10:57,940 --> 00:10:54,920

from this or get off this topic it

249

00:11:00,700 --> 00:10:57,950

hasn't happened I was raised a Catholic

250

00:11:03,010 --> 00:11:00,710

and I went to catechism I learned

251

00:11:06,400 --> 00:11:03,020

everything about the Bible I learned

252

00:11:08,980 --> 00:11:06,410

what they taught us about God and Jesus

253

00:11:11,290 --> 00:11:08,990

and later on in life I came up with my

254

00:11:14,470 --> 00:11:11,300

own theories my own thoughts my own

255

00:11:15,690 --> 00:11:14,480

belief of what was out there do I

256

00:11:16,840 --> 00:11:15,700

believe there's a higher power

257

00:11:20,400 --> 00:11:16,850

absolutely

258

00:11:22,750 --> 00:11:20,410

something something created this

259

00:11:24,640 --> 00:11:22,760

incredible wonderment that's out there

260

00:11:26,680 --> 00:11:24,650

in the universe I don't know how it

261

00:11:29,920 --> 00:11:26,690

happened and I'm still looking for those

262

00:11:31,810 --> 00:11:29,930

answers as so many of us are but I did

263

00:11:34,330 --> 00:11:31,820

change I changed over the years from a

264

00:11:37,480 --> 00:11:34,340

little boy who believed that God was

265

00:11:40,360 --> 00:11:37,490

sitting in a cloud and angels were up

266

00:11:42,910 --> 00:11:40,370

there with harps to something a little

267

00:11:45,460 --> 00:11:42,920

more metaphysical that there's a force

268

00:11:48,220 --> 00:11:45,470

out there there's an energy out there

269

00:11:51,120 --> 00:11:48,230

that we're all tapped into that has

270

00:11:54,990 --> 00:11:51,130

created life for whatever reason and

271

00:11:57,640 --> 00:11:55,000

that it is just out there by the

272

00:12:00,430 --> 00:11:57,650

millions by the millions so my

273

00:12:00,970 --> 00:12:00,440

metamorphosis from a kid to where I am

274

00:12:06,700 --> 00:12:00,980

now

275

00:12:09,940 --> 00:12:06,710

has changed in what it is but it stayed

276

00:12:13,330 --> 00:12:09,950

the same in terms of it is there I have

277

00:12:16,510 --> 00:12:13,340

never doubted those possibilities our

278

00:12:19,180 --> 00:12:16,520

life was not an accident it was not a

279

00:12:22,330 --> 00:12:19,190

fluke of nature there's too much of an

280

00:12:25,540 --> 00:12:22,340

intelligent design in this universe or

281

00:12:27,760 --> 00:12:25,550

in other universes to simply say this

282

00:12:30,070 --> 00:12:27,770

was a roll of the dice this was just an

283

00:12:31,990 --> 00:12:30,080

accident Wow look how that works

284

00:12:34,000 --> 00:12:32,000

life doesn't work that way as I've

285

00:12:35,790 --> 00:12:34,010

always said on coast-to-coast there are

286

00:12:38,890 --> 00:12:35,800

no coincidences

287

00:12:41,620 --> 00:12:38,900

everything everything is happening for a

288

00:12:44,620 --> 00:12:41,630

reason and that's the same thing with us

289

00:12:50,770 --> 00:12:44,630

we have been created for a specific

290

00:12:52,510 --> 00:12:50,780

purpose it was not a mistake we happen

291

00:12:54,180 --> 00:12:52,520

to be living on a planet right now that

292

00:12:56,650 --> 00:12:54,190

is going through some incredible change

293

00:12:59,140 --> 00:12:56,660

we happen to be living on a planet that

294

00:13:01,600 --> 00:12:59,150

has people who want to manipulate and

295

00:13:03,970 --> 00:13:01,610

control and take advantage of other

296

00:13:07,210 --> 00:13:03,980

people I don't think that's ever going

297

00:13:10,630 --> 00:13:07,220

to stop what we need to do as people is

298

00:13:14,050 --> 00:13:10,640

band together and continue to fight the

299

00:13:17,140 --> 00:13:14,060

good fight for truth and honesty and

300

00:13:19,900 --> 00:13:17,150

justice and for the well-being of

301

00:13:21,460 --> 00:13:19,910

humankind and I think we can do that

302

00:13:24,850 --> 00:13:21,470

I think this planet is going to go

303

00:13:29,070 --> 00:13:24,860

through some incredible horrible times

304

00:13:32,830 --> 00:13:29,080

earth changes man-made disasters Wars

305

00:13:36,340 --> 00:13:32,840

famine but we've got to get together as

306

00:13:38,470 --> 00:13:36,350

a whole and keep battling this for us to

307

00:13:41,050 --> 00:13:38,480

exist on this planet I mean it's a

308

00:13:43,930 --> 00:13:41,060

gorgeous planet and I would hope to god

309

00:13:46,870 --> 00:13:43,940

that we can continue here for hundreds

310

00:13:48,910 --> 00:13:46,880

of millions of years I don't think we

311

00:13:51,460 --> 00:13:48,920

will but we might as well make it the

312

00:13:53,110 --> 00:13:51,470

best we can while we're here and so

313

00:13:56,860 --> 00:13:53,120

while we go through this roller coaster

314

00:13:59,440 --> 00:13:56,870

of life and trust me we will we will

315

00:14:02,380 --> 00:13:59,450

have moments of horrible moments and

316

00:14:05,020 --> 00:14:02,390

then we will have times of great moments

317

00:14:07,300 --> 00:14:05,030

we need to continue to get together as
