

**UFO** **HUB**

1  
00:00:15,020 --> 00:00:11,720  
well the Ozark Mountain UFO conference

2  
00:00:16,760 --> 00:00:15,030  
began back in the 1980s it's been going

3  
00:00:19,670 --> 00:00:16,770  
on for 27 years

4  
00:00:23,359 --> 00:00:19,680  
it's the oldest UFO conference in the

5  
00:00:27,250 --> 00:00:23,369  
United States and when we began back

6  
00:00:29,570 --> 00:00:27,260  
then we had 50 people in one room and

7  
00:00:32,810 --> 00:00:29,580  
those in those days we brought people

8  
00:00:35,569 --> 00:00:32,820  
from Washington who were the older ones

9  
00:00:38,000 --> 00:00:35,579  
the ones with the blue book project and

10  
00:00:40,069 --> 00:00:38,010  
The Grudge project and of course all

11  
00:00:42,920 --> 00:00:40,079  
they wanted to talk about was there's no

12  
00:00:46,220 --> 00:00:42,930  
such thing as UFOs it's been proven it's

13  
00:00:47,810 --> 00:00:46,230

not real and the audience got mad even

14

00:00:49,940 --> 00:00:47,820

though with just 50 people they said

15

00:00:51,770 --> 00:00:49,950

what do you mean we know it's real

16

00:00:55,189 --> 00:00:51,780

they said you're just saying this to

17

00:00:56,660 --> 00:00:55,199

protect your retirement and of course

18

00:00:59,240 --> 00:00:56,670

they're at lot none of people aren't

19

00:01:03,529 --> 00:00:59,250

even alive here anymore but I said if

20

00:01:06,620 --> 00:01:03,539

nothing else it showed us the beginnings

21

00:01:11,240 --> 00:01:06,630

and where it all started way back with

22

00:01:14,359 --> 00:01:11,250

Project Blue Book and at the end of that

23

00:01:16,490 --> 00:01:14,369

show they had the first TV footage of

24

00:01:18,800 --> 00:01:16,500

the we had shot of the UFOs that came in

25

00:01:21,710 --> 00:01:18,810

over the schoolyard I've been there and

26  
00:01:23,870 --> 00:01:21,720  
I saw where it is and of course this was

27  
00:01:26,960 --> 00:01:23,880  
the most fantastic thing at that time

28  
00:01:28,609 --> 00:01:26,970  
and they were keeping him anonymous but

29  
00:01:31,219 --> 00:01:28,619  
that was the very last thing they showed

30  
00:01:34,370 --> 00:01:31,229  
and the people said that's what we want

31  
00:01:37,030 --> 00:01:34,380  
to know that's real where the other was

32  
00:01:40,280 --> 00:01:37,040  
all denying and it ever happened so

33  
00:01:43,010 --> 00:01:40,290  
doctor ever since then we have not done

34  
00:01:45,380 --> 00:01:43,020  
the negativity that it doesn't exist we

35  
00:01:48,649 --> 00:01:45,390  
focused on what really happened

36  
00:01:50,330 --> 00:01:48,659  
and we've had wonderful videos from all

37  
00:01:53,450 --> 00:01:50,340  
over the world we've had people that

38  
00:01:55,490 --> 00:01:53,460

have had interaction and word and the

39

00:01:59,060 --> 00:01:55,500

crop circles I've investigated them

40

00:02:02,450 --> 00:01:59,070

myself since in early 90s so we're going

41

00:02:05,630 --> 00:02:02,460

at what is real not the negativity in

42

00:02:09,199 --> 00:02:05,640

the controversy and all of that so now

43

00:02:12,920 --> 00:02:09,209

that when Lou died I've taken it over

44

00:02:13,729 --> 00:02:12,930

the last two years and I can only see it

45

00:02:16,280 --> 00:02:13,739

getting bigger

46

00:02:19,459 --> 00:02:16,290

last year when I took it over was the

47

00:02:21,259 --> 00:02:19,469

first time it was entirely sold out the

48

00:02:24,380 --> 00:02:21,269

biggest crowd they've ever had it was

49

00:02:27,319 --> 00:02:24,390

700 people this year I think we're going

50

00:02:29,360 --> 00:02:27,329

to top that and we had to make extra

51  
00:02:31,819 --> 00:02:29,370  
room for these people that we know are

52  
00:02:35,240 --> 00:02:31,829  
coming in otherwise it was already sold

53  
00:02:39,949 --> 00:02:35,250  
out before we started but that is the

54  
00:02:43,160 --> 00:02:39,959  
problem outgrowing the venue it has

55  
00:02:45,140 --> 00:02:43,170  
always been at this hotel and they would

56  
00:02:47,240 --> 00:02:45,150  
like us to keep it here because it's

57  
00:02:50,179 --> 00:02:47,250  
very important for the town of Eureka

58  
00:02:53,390 --> 00:02:50,189  
Springs brings in revenue for the whole

59  
00:02:55,629 --> 00:02:53,400  
town but if it keeps growing I don't

60  
00:02:59,839 --> 00:02:55,639  
know if we can keep it here or not but

61  
00:03:02,750 --> 00:02:59,849  
right now it's like a tradition for the

62  
00:03:05,780 --> 00:03:02,760  
whole area and I do want to honor Lou

63  
00:03:08,780 --> 00:03:05,790

farish's wishes and what he wanted and

64

00:03:12,020 --> 00:03:08,790

I'm keeping it pure I'm keeping it to

65

00:03:16,640 --> 00:03:12,030

what is real and we don't want the

66

00:03:18,289 --> 00:03:16,650

negativity and the the naysayers and all

67

00:03:20,449 --> 00:03:18,299

of that we're trying to keep it at the

68

00:03:23,420 --> 00:03:20,459

real information that's what he wanted

69

00:03:26,830 --> 00:03:23,430

as he always said he was a healthy

70

00:03:29,589 --> 00:03:26,840

skeptic because he always thought he

71

00:03:32,059 --> 00:03:29,599

knew was real but there was always that

72

00:03:34,429 --> 00:03:32,069

skepticism I want to know what more

73

00:03:35,059 --> 00:03:34,439

proof we should know can't prove it

74

00:03:38,240 --> 00:03:35,069

anyway

75

00:03:40,250 --> 00:03:38,250

but we've tried to keep it that way the

76

00:03:43,069 --> 00:03:40,260

search for information and knowledge

77

00:03:47,030 --> 00:03:43,079

dealing with the whole conference so I

78

00:03:49,219 --> 00:03:47,040

can only see it getting bigger other

79

00:03:51,379 --> 00:03:49,229

ones have started up but they haven't

80

00:03:55,030 --> 00:03:51,389

succeeded but this one has stood the
