

**UFO** **HUB**

1  
00:00:15,049 --> 00:00:12,530  
my name is Dolores cannon I guess my

2  
00:00:18,320 --> 00:00:15,059  
official title for this conference is

3  
00:00:21,620 --> 00:00:18,330  
I'm the director of it I inherited it

4  
00:00:23,599 --> 00:00:21,630  
last year although I've been involved

5  
00:00:27,230 --> 00:00:23,609  
with the UFO conference since its

6  
00:00:30,740 --> 00:00:27,240  
inception 27 years ago I've always been

7  
00:00:32,930 --> 00:00:30,750  
involved with it but the man who was was

8  
00:00:35,900 --> 00:00:32,940  
putting it on that I worked with died a

9  
00:00:39,080 --> 00:00:35,910  
few years ago and they were going to let

10  
00:00:42,860 --> 00:00:39,090  
the conference die and I said no nobody

11  
00:00:45,229 --> 00:00:42,870  
wanted to run it it's a big job and so

12  
00:00:48,770 --> 00:00:45,239  
they said it will die unless I took it

13  
00:00:51,350 --> 00:00:48,780

over and I've got a lot going on in my

14

00:00:53,689 --> 00:00:51,360

life I didn't need anything extra but I

15

00:00:55,970 --> 00:00:53,699

couldn't let it was Lou parish was the

16

00:00:59,060 --> 00:00:55,980

one who began it I couldn't let Lou his

17

00:01:01,630 --> 00:00:59,070

dream die so I said no I'll take it over

18

00:01:04,969 --> 00:01:01,640

so this is my second year of running it

19

00:01:09,500 --> 00:01:04,979

no my work in the metaphysical field

20

00:01:13,399 --> 00:01:09,510

goes back 45 years I began doing on my

21

00:01:16,840 --> 00:01:13,409

hip hypnotist a hypnotherapist and I

22

00:01:20,060 --> 00:01:16,850

specialize in past life regression and

23

00:01:21,920 --> 00:01:20,070

healing and this is what I teach now all

24

00:01:24,289 --> 00:01:21,930

over the world because I developed my

25

00:01:26,390 --> 00:01:24,299

own technique that is different than any

26

00:01:30,740 --> 00:01:26,400

other hypnosis technique in the world

27

00:01:33,469 --> 00:01:30,750

but when I began in the 1960s nobody was

28

00:01:35,960 --> 00:01:33,479

doing any of this so it's why they say

29

00:01:38,560 --> 00:01:35,970

I'm a pioneer because I began before

30

00:01:41,600 --> 00:01:38,570

anyone was involved in reincarnation

31

00:01:43,580 --> 00:01:41,610

past lives there was no metaphysics

32

00:01:47,300 --> 00:01:43,590

there was no New Age there was nothing

33

00:01:50,060 --> 00:01:47,310

when I began I was doing hypnosis but it

34

00:01:52,160 --> 00:01:50,070

was the simple kind just four habits

35

00:01:54,710 --> 00:01:52,170

stop smoking lose weight

36

00:01:57,920 --> 00:01:54,720

that's all hypnosis was used for in

37

00:02:00,950 --> 00:01:57,930

those days and that's when I began when

38

00:02:04,100 --> 00:02:00,960

nobody was doing anything so it's been

39

00:02:05,870 --> 00:02:04,110

an uphill battle for 45 years because

40

00:02:09,619 --> 00:02:05,880

people didn't know about this they

41

00:02:11,119 --> 00:02:09,629

didn't believe in it and I perfected my

42

00:02:13,949 --> 00:02:11,129

own technique because there was nobody

43

00:02:16,679 --> 00:02:13,959

to teach me how to do that past life

44

00:02:19,640 --> 00:02:16,689

into past life regression and over the

45

00:02:23,459 --> 00:02:19,650

45 years I found a way to heal people

46

00:02:26,459 --> 00:02:23,469

instantly by using hypnosis and their

47

00:02:30,869 --> 00:02:26,469

own minds and this is what I'm teaching

48

00:02:33,449 --> 00:02:30,879

now all over the world but it was 20 28

49

00:02:36,420 --> 00:02:33,459

years ago that I got involved in the UFO

50

00:02:38,369 --> 00:02:36,430

field but that time I'd already had five

51  
00:02:40,470 --> 00:02:38,379  
books written and it was an uphill

52  
00:02:42,479 --> 00:02:40,480  
battle to get my books published because

53  
00:02:44,940 --> 00:02:42,489  
they all said what are you talking about

54  
00:02:47,750 --> 00:02:44,950  
past lives we don't know anything about

55  
00:02:50,039 --> 00:02:47,760  
those things and so I've always been

56  
00:02:52,589 --> 00:02:50,049  
having to wait for the rest of the world

57  
00:02:55,830 --> 00:02:52,599  
to catch up with me now it's being

58  
00:02:59,009 --> 00:02:55,840  
accepted as normal but not back when I

59  
00:03:01,440 --> 00:02:59,019  
began now they're all thinking well yeah

60  
00:03:05,990 --> 00:03:01,450  
this is we understand it but not when I

61  
00:03:09,240 --> 00:03:06,000  
started out but it was back in the 80s

62  
00:03:11,699 --> 00:03:09,250  
is when Alou Farish was a good friend of

63  
00:03:14,909 --> 00:03:11,709

mine and he was very much involved with

64  
00:03:18,449 --> 00:03:14,919  
UFOs and I was always interested in UFOs

65  
00:03:21,210 --> 00:03:18,459  
but I was not involved with them and he

66  
00:03:23,640 --> 00:03:21,220  
called me he wanted me to come to a

67  
00:03:27,149 --> 00:03:23,650  
meeting they were having a MUFON which

68  
00:03:29,069 --> 00:03:27,159  
is a mutual UFO network and he wanted me

69  
00:03:33,390 --> 00:03:29,079  
to meet the other investigators and I

70  
00:03:36,719 --> 00:03:33,400  
thought will it be interesting and began

71  
00:03:38,909 --> 00:03:36,729  
to find out about their work and then

72  
00:03:41,819 --> 00:03:38,919  
they asked me if I wanted to come in and

73  
00:03:43,860 --> 00:03:41,829  
do hypnosis but suspected abductees and

74  
00:03:45,809 --> 00:03:43,870  
those were in the days when the

75  
00:03:48,179 --> 00:03:45,819  
abductees were just beginning to find

76

00:03:50,580 --> 00:03:48,189

out about nobody knew about those either

77

00:03:54,659 --> 00:03:50,590

everybody was hiding all these things

78

00:03:56,939 --> 00:03:54,669

and everything was frowned upon and Lou

79

00:03:59,969 --> 00:03:56,949

asked me if I wanted to come in and best

80

00:04:02,580 --> 00:03:59,979

talk to these people and he said you've

81

00:04:04,979 --> 00:04:02,590

been involved in the bizarre for so long

82

00:04:07,259 --> 00:04:04,989

we don't think you'll be frightened I

83

00:04:11,159 --> 00:04:07,269

said no I wasn't frightened I was just

84

00:04:14,399 --> 00:04:11,169

extremely curious but I had my technique

85

00:04:16,229 --> 00:04:14,409

takes people into other lives so I would

86

00:04:18,659 --> 00:04:16,239

have to developed a technique to keep

87

00:04:20,759 --> 00:04:18,669

them in this life to explore their

88

00:04:24,149 --> 00:04:20,769

experiences on UFOs

89

00:04:27,200 --> 00:04:24,159

so the first session I ever had was with

90

00:04:29,930 --> 00:04:27,210

a MUFON meeting of estate directors

91

00:04:32,240 --> 00:04:29,940

the investigators 25 of them and they

92

00:04:35,120 --> 00:04:32,250

wanted me to put this young woman into

93

00:04:37,999 --> 00:04:35,130

trance in front of all of them so they

94

00:04:41,120 --> 00:04:38,009

could all ask questions not the ideal

95

00:04:43,279 --> 00:04:41,130

situation but it worked beautifully

96

00:04:46,400 --> 00:04:43,289

they didn't know it was the first time

97

00:04:51,439 --> 00:04:46,410

I'd ever done a UFO case and after that

98

00:04:53,510 --> 00:04:51,449

Lou and Jerry Blackburn would take me to

99

00:04:55,249 --> 00:04:53,520

different cases they'd heard of and they

100

00:04:58,040 --> 00:04:55,259

were always there when we were doing the

101  
00:05:00,710 --> 00:04:58,050  
investigations and we began to find out

102  
00:05:03,200 --> 00:05:00,720  
a lot of fascinating interesting things

103  
00:05:07,040 --> 00:05:03,210  
and that was about the time that Lou

104  
00:05:09,469 --> 00:05:07,050  
decided to start the UFO conference back

105  
00:05:12,640 --> 00:05:09,479  
in the eighties so I've been involved

106  
00:05:15,980 --> 00:05:12,650  
with the whole beginning even though

107  
00:05:18,830 --> 00:05:15,990  
nobody in those days well if we had 50

108  
00:05:22,010 --> 00:05:18,840  
people's put 50 people in one room at

109  
00:05:25,339 --> 00:05:22,020  
the same conference that's how we began

110  
00:05:27,879 --> 00:05:25,349  
and there's nobody knew anything about

111  
00:05:30,110 --> 00:05:27,889  
this stuff and it was just a curiosity

112  
00:05:31,790 --> 00:05:30,120  
that's about the time that Whitley's

113  
00:05:36,379 --> 00:05:31,800

Freiberg was one of the first to come

114

00:05:38,300 --> 00:05:36,389

out with his book communion and but

115

00:05:40,640 --> 00:05:38,310

that's when I got involved but doing the

116

00:05:43,040 --> 00:05:40,650

investigation so I've been doing it

117

00:05:46,430 --> 00:05:43,050

about 28 years and I've written four

118

00:05:49,040 --> 00:05:46,440

books on my cases the main one that I've

119

00:05:51,350 --> 00:05:49,050

written is called the custodians that's

120

00:05:54,890 --> 00:05:51,360

my whole history of what I found out

121

00:05:57,170 --> 00:05:54,900

doing the UFO investigations and I

122

00:05:59,600 --> 00:05:57,180

believe now I have found the answer to

123

00:06:03,529 --> 00:05:59,610

any question that anybody would want to

124

00:06:07,390 --> 00:06:03,539

ask about UFOs and I have never in all

125

00:06:09,920 --> 00:06:07,400

of that time ever found a negative case

126

00:06:13,249 --> 00:06:09,930

because I work differently than the

127

00:06:15,490 --> 00:06:13,259

other investigators do they keep the

128

00:06:19,490 --> 00:06:15,500

person in the light levels of trance

129

00:06:22,370 --> 00:06:19,500

where the emotions the conscious mind is

130

00:06:25,610 --> 00:06:22,380

very active and there's a lot of fear I

131

00:06:27,740 --> 00:06:25,620

don't in my technique that's what makes

132

00:06:30,830 --> 00:06:27,750

it so different I work in the deepest

133

00:06:32,870 --> 00:06:30,840

possible level of trance when you go

134

00:06:35,899 --> 00:06:32,880

into that level the conscious mind is

135

00:06:38,659 --> 00:06:35,909

totally out of the picture and they

136

00:06:40,420 --> 00:06:38,669

cannot interfere and you get the

137

00:06:42,580 --> 00:06:40,430

conscious mind out of the picture

138

00:06:45,160 --> 00:06:42,590

you go into the deep subconscious you

139

00:06:47,770 --> 00:06:45,170

get the real story of what happened and

140

00:06:50,370 --> 00:06:47,780

it's not at all what they think happened

141

00:06:53,560 --> 00:06:50,380

and it's not at all what they remember

142

00:06:56,530 --> 00:06:53,570

so that's why my cases and my books are

143

00:06:59,260 --> 00:06:56,540

different because we probe deeper and we

144

00:07:01,990 --> 00:06:59,270

get to the real information that's why

145

00:07:03,880 --> 00:07:02,000

I've never found a negative case because

146

00:07:06,910 --> 00:07:03,890

I've always found the reasons why these

147

00:07:09,640 --> 00:07:06,920

things are happening once you find out

148

00:07:12,670 --> 00:07:09,650

the reasons there isn't any fear because

149

00:07:15,940 --> 00:07:12,680

it all makes perfect sense I don't

150

00:07:19,210 --> 00:07:15,950

believe the key to the answers with the

151

00:07:22,330 --> 00:07:19,220

UFO phenomena is spirituality that's

152

00:07:26,020 --> 00:07:22,340

limiting it too much it is definitely

153

00:07:28,590 --> 00:07:26,030

not religion because it defies religion

154

00:07:32,860 --> 00:07:28,600

it goes way beyond religion but

155

00:07:35,760 --> 00:07:32,870

spirituality is limiting it also it has

156

00:07:39,010 --> 00:07:35,770

to do with the person their beliefs and

157

00:07:41,740 --> 00:07:39,020

the psychic phenomena is beginning to

158

00:07:44,500 --> 00:07:41,750

come back everyone has psychic abilities

159

00:07:47,140 --> 00:07:44,510

and these are beginning to increase

160

00:07:49,330 --> 00:07:47,150

they're beginning to return I think it

161

00:07:52,720 --> 00:07:49,340

has more to do with that part and it

162

00:07:55,330 --> 00:07:52,730

does spirituality but my work in

163

00:07:57,940 --> 00:07:55,340

hypnosis and all my I've written 17

164

00:08:00,400 --> 00:07:57,950

books we still don't call it

165

00:08:02,440 --> 00:08:00,410

spirituality even though we have found

166

00:08:05,140 --> 00:08:02,450

the source of God we know where God

167

00:08:07,150 --> 00:08:05,150

comes from we know I know where the ETS

168

00:08:08,830 --> 00:08:07,160

come from I know their assignments

169

00:08:11,170 --> 00:08:08,840

they've had on earth since the beginning

170

00:08:12,300 --> 00:08:11,180

of time but it still doesn't go back to

171

00:08:15,790 --> 00:08:12,310

spirituality

172

00:08:18,610 --> 00:08:15,800

maybe I'm cutting corners but that's not

173

00:08:20,740 --> 00:08:18,620

what I found this is something that

174

00:08:22,840 --> 00:08:20,750

people are always saying when are we

175

00:08:25,090 --> 00:08:22,850

going to have open contact when are they

176

00:08:27,610 --> 00:08:25,100

gonna land on the White House slant lawn

177

00:08:29,500 --> 00:08:27,620

and announce they are here what are we

178

00:08:31,390 --> 00:08:29,510

going to have that happen it won't

179

00:08:33,730 --> 00:08:31,400

happen because it's not allowed to

180

00:08:37,930 --> 00:08:33,740

happen this is what people don't

181

00:08:43,390 --> 00:08:37,940

understand the main rule that the ETS go

182

00:08:45,970 --> 00:08:43,400

by is the law of non-interference once a

183

00:08:48,520 --> 00:08:45,980

civilization has been started and

184

00:08:51,550 --> 00:08:48,530

established you cannot interfere in the

185

00:08:53,680 --> 00:08:51,560

development of that civilization they

186

00:08:56,530 --> 00:08:53,690

have to go stumble through there

187

00:08:59,170 --> 00:08:56,540

whole thing and make their own mistakes

188

00:09:01,060 --> 00:08:59,180

they cannot interfere because you

189

00:09:04,330 --> 00:09:01,070

interfere then that changes the course

190

00:09:07,660 --> 00:09:04,340

of history they have to find the answers

191

00:09:09,790 --> 00:09:07,670

for themselves that's why my book the

192

00:09:11,920 --> 00:09:09,800

three waves of volunteers shows how they

193

00:09:15,460 --> 00:09:11,930

have been having people come in to help

194

00:09:17,500 --> 00:09:15,470

but the energy but if they were the

195

00:09:19,930 --> 00:09:17,510

lands you see that would change the

196

00:09:23,110 --> 00:09:19,940

whole course of history it's not allowed

197

00:09:25,210 --> 00:09:23,120

to happen you watch enough Star Trek

198

00:09:28,840 --> 00:09:25,220

movies to notice they can't that's where

199

00:09:31,360 --> 00:09:28,850

that all comes from you remember Gene

200

00:09:35,250 --> 00:09:31,370

Roddenberry's Star Trek was not fiction

201  
00:09:38,920 --> 00:09:35,260  
it's real that's the main law was

202  
00:09:42,160 --> 00:09:38,930  
non-interference they have already had

203  
00:09:43,750 --> 00:09:42,170  
meetings with the government and over

204  
00:09:45,580 --> 00:09:43,760  
many years and they've helped them with

205  
00:09:47,320 --> 00:09:45,590  
the development of projects of course

206  
00:09:49,060 --> 00:09:47,330  
the government didn't appreciate it so

207  
00:09:51,460 --> 00:09:49,070  
they stopped working with the

208  
00:09:53,100 --> 00:09:51,470  
government's this is all in my books

209  
00:09:55,590 --> 00:09:53,110  
they've really explained these things

210  
00:09:59,530 --> 00:09:55,600  
but they will never be open

211  
00:10:03,130 --> 00:09:59,540  
communication not now because we're not

212  
00:10:07,120 --> 00:10:03,140  
ready for it yet we have to find our own

213  
00:10:09,910 --> 00:10:07,130

answers and stumble around through it

214

00:10:12,580 --> 00:10:09,920

until we've worked it out ourselves the

215

00:10:14,350 --> 00:10:12,590

only way they can possibly interfere is

216

00:10:16,630 --> 00:10:14,360

if we get to the point that we're going

217

00:10:19,660 --> 00:10:16,640

to blow up the world then they would

218

00:10:21,790 --> 00:10:19,670

have to stop us because if we destroyed

219

00:10:25,180 --> 00:10:21,800

the world it would send reverberations

220

00:10:27,750 --> 00:10:25,190

throughout the galaxy now this has

221

00:10:31,000 --> 00:10:27,760

happened at least three times in history

222

00:10:33,640 --> 00:10:31,010

that they have stopped governments and

223

00:10:36,550 --> 00:10:33,650

civilizations from proceeding because

224

00:10:38,530 --> 00:10:36,560

they were getting to that point Atlantis

225

00:10:41,860 --> 00:10:38,540

was the last one there was three more

226

00:10:43,540 --> 00:10:41,870

before that but it had to be stopped

227

00:10:46,870 --> 00:10:43,550

because they were going too far they

228

00:10:49,380 --> 00:10:46,880

were misusing power and the greed and

229

00:10:52,570 --> 00:10:49,390

the power of the people is what does it

230

00:10:55,090 --> 00:10:52,580

so they have to start all over again by

231

00:10:56,980 --> 00:10:55,100

destroying the civilization they don't

232

00:11:01,570 --> 00:10:56,990

want to do it this time because it takes

233

00:11:04,600 --> 00:11:01,580

too long to rebuild a civilization it to

234

00:11:06,700 --> 00:11:04,610

start from nothing each time one was

235

00:11:07,180 --> 00:11:06,710

destroyed they left enough people to

236

00:11:10,030 --> 00:11:07,190

begin

237

00:11:13,180 --> 00:11:10,040

again but this time they said it can't

238

00:11:15,310 --> 00:11:13,190

do that it's taking too long but they

239

00:11:18,760 --> 00:11:15,320

can't interfere we have to do it

240

00:11:21,880 --> 00:11:18,770

ourselves which is hard

241

00:11:23,770 --> 00:11:21,890

we'd be easier yeah I let you fix it but

242

00:11:27,270 --> 00:11:23,780

we're the ones that created the mess so

243

00:11:32,490 --> 00:11:27,280

we have to fix it they don't trust us

244

00:11:34,600 --> 00:11:32,500

actually afraid of us we're so violent

245

00:11:37,210 --> 00:11:34,610

if you think you're afraid to them

246

00:11:39,580 --> 00:11:37,220

they're afraid of us remember we

247

00:11:42,730 --> 00:11:39,590

developed from animals and so we had

248

00:11:45,370 --> 00:11:42,740

that animal nature and we're gonna have

249

00:11:48,250 --> 00:11:45,380

to get over that violence and get away

250

00:11:51,370 --> 00:11:48,260

from that before they can ever trust us

251  
00:11:52,630 --> 00:11:51,380  
with anything so they can't just step in

252  
00:11:54,130 --> 00:11:52,640  
and say well we're going to fix your

253  
00:11:57,610 --> 00:11:54,140  
problem that we wouldn't learn anything

254  
00:11:59,860 --> 00:11:57,620  
from that children don't learn anything

255  
00:12:02,950 --> 00:11:59,870  
from that either or adults if you de

256  
00:12:04,420 --> 00:12:02,960  
solo said well I'll fix it for you okay

257  
00:12:06,610 --> 00:12:04,430  
then somebody's going to come along this

258  
00:12:10,560 --> 00:12:06,620  
time and fix it the next time it gets

259  
00:12:16,690 --> 00:12:10,570  
broken you have to learn yourself and

260  
00:12:18,400 --> 00:12:16,700  
their wisdom is it's it is fantastic so

261  
00:12:24,750 --> 00:12:18,410  
they they know what's better than we

262  
00:12:31,060 --> 00:12:27,760  
well I've been working in the UFO field

263  
00:12:33,970 --> 00:12:31,070

for so long that I feel I understand the

264

00:12:36,460 --> 00:12:33,980

ETS better than most people and I know

265

00:12:38,080 --> 00:12:36,470

their motives I know why they're here I

266

00:12:40,660 --> 00:12:38,090

know what they're doing and to me

267

00:12:42,490 --> 00:12:40,670

they're wonderful gentle people that's

268

00:12:45,640 --> 00:12:42,500

why I've never found any that have been

269

00:12:48,730 --> 00:12:45,650

negative I found many different types of

270

00:12:52,000 --> 00:12:48,740

beings but they've told me they are

271

00:12:54,700 --> 00:12:52,010

forbidden to harm a human being their

272

00:12:58,360 --> 00:12:54,710

councils over the laws and regulations

273

00:13:00,280 --> 00:12:58,370

and they're not allowed to and once you

274

00:13:02,050 --> 00:13:00,290

understand the reasons they're coming

275

00:13:05,670 --> 00:13:02,060

there's nothing to be frightened about

276

00:13:09,910 --> 00:13:05,680

at all but the movies and the TV like to

277

00:13:12,850 --> 00:13:09,920

create that fear and fear is the

278

00:13:14,860 --> 00:13:12,860

strongest emotion that a human has if

279

00:13:16,920 --> 00:13:14,870

they're afraid of something they don't

280

00:13:19,270 --> 00:13:16,930

understand it they're afraid of it and

281

00:13:20,870 --> 00:13:19,280

that's what they think it has to be

282

00:13:23,480 --> 00:13:20,880

something bad because they don't

283

00:13:26,270 --> 00:13:23,490

understand it once you understand it

284

00:13:28,910 --> 00:13:26,280

anything becomes clear and there's

285

00:13:31,250 --> 00:13:28,920

nothing to be afraid of but I guess a

286

00:13:33,710 --> 00:13:31,260

message I could leave with people is

287

00:13:36,560 --> 00:13:33,720

that they've been coming since the

288

00:13:39,740 --> 00:13:36,570

beginning of the worlds into creation of

289

00:13:42,430 --> 00:13:39,750

the world if they wanted to harm us they

290

00:13:45,890 --> 00:13:42,440

sure could have done it a long time ago

291

00:13:48,760 --> 00:13:45,900

they've told me we can't do anything as

292

00:13:51,740 --> 00:13:48,770

bad to you as you do to yourself

293

00:13:54,670 --> 00:13:51,750

so they're really not here to harvest

294

00:13:56,600 --> 00:13:54,680

they're watching us they're studying us

295

00:13:58,580 --> 00:13:56,610

trying to figure out how in the world

296

00:14:01,340 --> 00:13:58,590

could we have gotten in this big mess

297

00:14:03,260 --> 00:14:01,350

that we're in but they have the law of

298

00:14:07,840 --> 00:14:03,270

non-interference so they can't interfere

299

00:14:12,320 --> 00:14:07,850

all they can do is watch and studying us

300

00:14:14,990 --> 00:14:12,330

we're called the grand experiment but to

301  
00:14:17,600 --> 00:14:15,000  
me it's a beautiful thing when you

302  
00:14:20,390 --> 00:14:17,610  
understand it and that's why I've

303  
00:14:22,460 --> 00:14:20,400  
written so many books about it and I

304  
00:14:24,200 --> 00:14:22,470  
feel very comfortable with them and the

305  
00:14:27,470 --> 00:14:24,210  
whole subject and everything that's

306  
00:14:30,680 --> 00:14:27,480  
going on with it and if you hear people

307  
00:14:33,680 --> 00:14:30,690  
talking about being a fear horror and

308  
00:14:36,680 --> 00:14:33,690  
evil and all of that they don't have the

309  
00:14:39,140 --> 00:14:36,690  
real story as I said earlier other

310  
00:14:42,680 --> 00:14:39,150  
investigators work in the lighter levels

311  
00:14:45,290 --> 00:14:42,690  
of trance in that level you're going to

312  
00:14:47,570 --> 00:14:45,300  
have fear because the emotion the

313  
00:14:50,480 --> 00:14:47,580

conscious mind is very emotional and the

314

00:14:52,730 --> 00:14:50,490

emotions are right there you remove that

315

00:14:57,860 --> 00:14:52,740

you'll find out what's really going on

316

00:15:00,320 --> 00:14:57,870

and they're here to help us and they

317

00:15:02,180 --> 00:15:00,330

want us to be better they want us to

318

00:15:06,290 --> 00:15:02,190

have a good world a better world

319

00:15:08,740 --> 00:15:06,300

that's their goal so I guess that would

320

00:15:11,750 --> 00:15:08,750

be a good message to live with people

321

00:15:14,570 --> 00:15:11,760

don't believe what Hollywood says in the
