

UFO  **HUB**

1
00:00:13,129 --> 00:00:10,970
my name is Marc passio I'm an

2
00:00:15,230 --> 00:00:13,139
independent researcher a public

3
00:00:17,570 --> 00:00:15,240
presenter and a radio talk show host

4
00:00:19,519 --> 00:00:17,580
from Philadelphia Pennsylvania well I

5
00:00:21,740 --> 00:00:19,529
first decided to start taking this

6
00:00:23,689 --> 00:00:21,750
information to people after I went

7
00:00:27,290 --> 00:00:23,699
through what I would consider a personal

8
00:00:29,630 --> 00:00:27,300
spiritual awakening process that pretty

9
00:00:33,560 --> 00:00:29,640
much lasted probably a period of over

10
00:00:36,020 --> 00:00:33,570
eight years after I had come out of the

11
00:00:40,130 --> 00:00:36,030
dark occult involvement with dark

12
00:00:42,590 --> 00:00:40,140
occultism and the ideology that I

13
00:00:44,720 --> 00:00:42,600

developed when I was involved in that

14

00:00:48,080 --> 00:00:44,730

was what I would consider satanic

15

00:00:50,720 --> 00:00:48,090

ideology and I became involved in that

16

00:00:53,600 --> 00:00:50,730

because in my youth I had received a lot

17

00:00:56,090 --> 00:00:53,610

of religious indoctrination from family

18

00:00:58,910 --> 00:00:56,100

members and school teachers etc who had

19

00:01:00,500 --> 00:00:58,920

basically accepted you know a lot of the

20

00:01:02,299 --> 00:01:00,510

status quo and a lot of the

21

00:01:03,619 --> 00:01:02,309

indoctrination that they had been

22

00:01:05,090 --> 00:01:03,629

through as children without any

23

00:01:08,600 --> 00:01:05,100

questioning and then just passed that

24

00:01:10,969 --> 00:01:08,610

along to other people and that kind of

25

00:01:12,890 --> 00:01:10,979

upset me and when I really started

26
00:01:14,810 --> 00:01:12,900
asking questions that they had no

27
00:01:17,060 --> 00:01:14,820
answers to it made me realize that this

28
00:01:19,640 --> 00:01:17,070
system that they were propagating was

29
00:01:22,880 --> 00:01:19,650
really one that was not really based in

30
00:01:24,530 --> 00:01:22,890
truth that it was based in control and I

31
00:01:26,990 --> 00:01:24,540
sought out the exact opposite of

32
00:01:30,440 --> 00:01:27,000
religion at that point and I found it in

33
00:01:34,520 --> 00:01:30,450
the form of Satanism now the main tenets

34
00:01:36,890 --> 00:01:34,530
of Satanism are putting the self

35
00:01:39,380 --> 00:01:36,900
essentially up on a pedestal above all

36
00:01:44,210 --> 00:01:39,390
others and it's about the ego the ego

37
00:01:48,100 --> 00:01:44,220
essentially is the focus of this

38
00:01:50,270 --> 00:01:48,110

religion you could say and it's about

39

00:01:52,670 --> 00:01:50,280

serving the interests of the self at the

40

00:01:55,160 --> 00:01:52,680

expense of anyone else doing whatever

41

00:01:57,469 --> 00:01:55,170

you can to get a leg up on someone else

42

00:02:00,530 --> 00:01:57,479

even if it means that you know they have

43

00:02:03,350 --> 00:02:00,540

to suffer you know if you can profit and

44

00:02:07,550 --> 00:02:03,360

that's fine the other aspect another

45

00:02:09,410 --> 00:02:07,560

aspect of Satanism is moral relativism

46

00:02:11,540 --> 00:02:09,420

it's this notion that there is no such

47

00:02:13,820 --> 00:02:11,550

thing as objective right or wrong that

48

00:02:17,000 --> 00:02:13,830

right and wrong can be essentially may

49

00:02:19,010 --> 00:02:17,010

up at the whims of people at the whims

50

00:02:20,810 --> 00:02:19,020

of humanity you know whatever we want to

51
00:02:23,300 --> 00:02:20,820
decide is right for us is what's right

52
00:02:24,740 --> 00:02:23,310
and whatever is somehow bad or

53
00:02:27,980 --> 00:02:24,750
distasteful to us well that's what's

54
00:02:30,620 --> 00:02:27,990
wrong has nothing to do whether harm is

55
00:02:33,440 --> 00:02:30,630
being caused to anyone or not it's just

56
00:02:36,350 --> 00:02:33,450
all about what are my preferences likes

57
00:02:37,940 --> 00:02:36,360
dislikes whims etc that's moral

58
00:02:40,190 --> 00:02:37,950
relativism that's what I would consider

59
00:02:43,100 --> 00:02:40,200
the second main tenet of this religion

60
00:02:46,870 --> 00:02:43,110
the third main tenet is social Darwinism

61
00:02:50,150 --> 00:02:46,880
that's applying the idea of Darwinistic

62
00:02:53,420 --> 00:02:50,160
evolutionary paradigm in the realm of

63
00:02:57,020 --> 00:02:53,430

animals you know in their instinct and

64

00:02:59,840 --> 00:02:57,030

of survival mechanisms taking that into

65

00:03:01,610 --> 00:02:59,850

the human social realm and saying we

66

00:03:03,650 --> 00:03:01,620

should act like that we should act like

67

00:03:06,800 --> 00:03:03,660

you know essentially the beasts in the

68

00:03:08,949 --> 00:03:06,810

field that whatever is required for us

69

00:03:11,990 --> 00:03:08,959

to do in the social realm for our

70

00:03:14,990 --> 00:03:12,000

betterment and survival we should act in

71

00:03:17,030 --> 00:03:15,000

that instinctual capacity so that's

72

00:03:19,250 --> 00:03:17,040

applying again that's that Darwinistic

73

00:03:21,710 --> 00:03:19,260

model of quote-unquote evolution I

74

00:03:23,120 --> 00:03:21,720

always say that it's evolution in quotes

75

00:03:25,840 --> 00:03:23,130

because it's not real evolutionary

76

00:03:28,430 --> 00:03:25,850

progression it's just the survival of

77

00:03:31,430 --> 00:03:28,440

physical genetic material which isn't

78

00:03:33,020 --> 00:03:31,440

what evolution is truly about real

79

00:03:34,880 --> 00:03:33,030

evolution is about the progression of

80

00:03:37,220 --> 00:03:34,890

human consciousness toward greater

81

00:03:40,220 --> 00:03:37,230

levels of awareness complexity and

82

00:03:42,080 --> 00:03:40,230

morality but they're taking this

83

00:03:44,300 --> 00:03:42,090

Darwinistic model and then applying it

84

00:03:47,509 --> 00:03:44,310

in the human social domain and hence the

85

00:03:49,699 --> 00:03:47,519

term social Darwinism then the fourth

86

00:03:51,530 --> 00:03:49,709

major tenet is the notion that you know

87

00:03:53,630 --> 00:03:51,540

well hey since there's no such thing as

88

00:03:57,710 --> 00:03:53,640

right or wrong and we get to make that

89

00:03:59,990 --> 00:03:57,720

up and since we should apply this dictum

90

00:04:02,330 --> 00:04:00,000

of survival of the most ruthless in the

91

00:04:04,460 --> 00:04:02,340

human social domain as we have this

92

00:04:07,250 --> 00:04:04,470

notion of survival of the fittest or

93

00:04:10,400 --> 00:04:07,260

most ruthless in the animalistic domain

94

00:04:12,110 --> 00:04:10,410

and the animal kingdom well we could

95

00:04:14,210 --> 00:04:12,120

take that to its logical progression in

96

00:04:16,729 --> 00:04:14,220

the four fourth major tenets which is

97

00:04:19,250 --> 00:04:16,739

eugenics the idea that man ultimately

98

00:04:21,199 --> 00:04:19,260

gets to decide who goes on and who does

99

00:04:23,450 --> 00:04:21,209

not go on who propagates their genes and

100

00:04:25,370 --> 00:04:23,460

who does not propagate their genes who

101

00:04:27,320 --> 00:04:25,380

lives and who dies it's the idea that

102

00:04:29,390 --> 00:04:27,330

man can become God in the term

103

00:04:31,670 --> 00:04:29,400

and you know what ultimately is going to

104

00:04:33,980 --> 00:04:31,680

go on here and control everything so

105

00:04:36,860 --> 00:04:33,990

that's what Satanism is at its core

106

00:04:40,719 --> 00:04:36,870

ideological foundation when I became

107

00:04:43,279 --> 00:04:40,729

involved with it um after I had this

108

00:04:46,300 --> 00:04:43,289

awakening to what religion was which is

109

00:04:48,649 --> 00:04:46,310

a control system I didn't have the

110

00:04:51,499 --> 00:04:48,659

framework and knowledge to understand

111

00:04:53,570 --> 00:04:51,509

religion as Astro theology which would

112

00:04:55,820 --> 00:04:53,580

have really helped in my awakening

113

00:04:57,800 --> 00:04:55,830

process and would have laid a lot of the

114

00:05:00,379 --> 00:04:57,810

anger that I was experiencing and

115

00:05:02,450 --> 00:05:00,389

feeling instead of all that anger got

116

00:05:05,540 --> 00:05:02,460

eventually converted into hatred and

117

00:05:08,059 --> 00:05:05,550

rage at being quote lied to not

118

00:05:12,469 --> 00:05:08,069

deliberately but by wrote by family

119

00:05:14,930 --> 00:05:12,479

members and teachers etc when I became

120

00:05:18,499 --> 00:05:14,940

involved in Satanism to pursue the

121

00:05:20,659 --> 00:05:18,509

antithesis of the religious ideology I

122

00:05:22,459 --> 00:05:20,669

realized that it wasn't just individuals

123

00:05:25,580 --> 00:05:22,469

who are interested in espousing these

124

00:05:29,059 --> 00:05:25,590

tenets individually in their lives or

125

00:05:31,159 --> 00:05:29,069

studying some occulted knowledge to gain

126

00:05:32,689 --> 00:05:31,169

some sort of an advantage just in their

127

00:05:35,149 --> 00:05:32,699

personal lives but it was a group of

128

00:05:37,430 --> 00:05:35,159

people very eclectic grouping of people

129

00:05:39,439 --> 00:05:37,440

from all walks of life and all social

130

00:05:43,279 --> 00:05:39,449

institutions that were working together

131

00:05:46,459 --> 00:05:43,289

toward a common agenda that agenda was

132

00:05:48,499 --> 00:05:46,469

the advancement of their personal power

133

00:05:51,290 --> 00:05:48,509

at the expense of everybody else's

134

00:05:53,659 --> 00:05:51,300

rights and freedoms and they didn't make

135

00:05:55,249 --> 00:05:53,669

any qualms any bones or qualms about it

136

00:05:56,779 --> 00:05:55,259

they said you know we're going to

137

00:05:59,480 --> 00:05:56,789

enslave people if that's what it takes

138

00:06:03,499 --> 00:05:59,490

for us to prosper in and rule the

139

00:06:05,680 --> 00:06:03,509

roost so to speak so at that point when

140

00:06:08,320 --> 00:06:05,690

I recognized hey this is all people in

141

00:06:10,850 --> 00:06:08,330

positions of power in our society

142

00:06:15,129 --> 00:06:10,860

politicians lawyers bankers judges

143

00:06:17,659 --> 00:06:15,139

police officers military people teachers

144

00:06:19,490 --> 00:06:17,669

people involved in education at all

145

00:06:24,559 --> 00:06:19,500

levels people involved in medicine at

146

00:06:27,559 --> 00:06:24,569

all levels entertainment you name the

147

00:06:30,230 --> 00:06:27,569

social institution in humanity and there

148

00:06:32,529 --> 00:06:30,240

were Satanists involved in it and it

149

00:06:37,129 --> 00:06:32,539

very influential levels of power at that

150

00:06:39,469 --> 00:06:37,139

when I recognized that the Satanic

151
00:06:40,550 --> 00:06:39,479
ideology had essentially infiltrated

152
00:06:44,240 --> 00:06:40,560
every social in

153
00:06:45,590 --> 00:06:44,250
and walk of life I decided I don't want

154
00:06:47,360 --> 00:06:45,600
to be involved in this because I'm not

155
00:06:49,100 --> 00:06:47,370
about slavery I may have been about

156
00:06:50,990 --> 00:06:49,110
wanting to increase personal power for

157
00:06:53,990 --> 00:06:51,000
myself but certainly was never about

158
00:06:56,690 --> 00:06:54,000
slavery ever and when I realized that's

159
00:06:58,100 --> 00:06:56,700
what the agenda was I decided I can't

160
00:06:59,900 --> 00:06:58,110
personally be involved in this anymore

161
00:07:02,060 --> 00:06:59,910
people will think well didn't they want

162
00:07:04,820 --> 00:07:02,070
to try to keep you in the fold and the

163
00:07:08,150 --> 00:07:04,830

answer is no these individuals didn't

164

00:07:09,500 --> 00:07:08,160

care they couldn't care less when I said

165

00:07:11,629 --> 00:07:09,510

I didn't want to be involved anymore it

166

00:07:14,240 --> 00:07:11,639

was like well go ahead then you think we

167

00:07:16,700 --> 00:07:14,250

need you they were kind of grooming me

168

00:07:19,400 --> 00:07:16,710

in these early stages to exploit my

169

00:07:21,469 --> 00:07:19,410

communications capabilities and you know

170

00:07:25,129 --> 00:07:21,479

grew me up to higher levels within the

171

00:07:27,770 --> 00:07:25,139

hierarchy but I was still involved in a

172

00:07:29,659 --> 00:07:27,780

very very very low capacity what you

173

00:07:33,200 --> 00:07:29,669

might even call just cursory or

174

00:07:36,080 --> 00:07:33,210

introductory capacity so my level of

175

00:07:39,469 --> 00:07:36,090

involvement was not great at all I'm and

176
00:07:42,650 --> 00:07:39,479
I make again no claim that it was I kind

177
00:07:45,800 --> 00:07:42,660
of just got a sneak peek in the door is

178
00:07:48,550 --> 00:07:45,810
the way I look at it and recognized it

179
00:07:50,960 --> 00:07:48,560
for what it was early on and then

180
00:07:52,550 --> 00:07:50,970
started to put down that ideology and

181
00:07:56,210 --> 00:07:52,560
that took time to put it down and get

182
00:07:58,219 --> 00:07:56,220
past that worldview um but they didn't

183
00:07:59,630 --> 00:07:58,229
want to keep me in the fold once I said

184
00:08:02,360 --> 00:07:59,640
I didn't want to be involved it was like

185
00:08:04,430 --> 00:08:02,370
well we don't need you for what we're

186
00:08:06,740 --> 00:08:04,440
doing you know if you wanted to be

187
00:08:09,740 --> 00:08:06,750
involved we would use you we would use

188
00:08:11,240 --> 00:08:09,750

your talents and capabilities but you

189

00:08:13,490 --> 00:08:11,250

know we're not going to twist your arm

190

00:08:15,650 --> 00:08:13,500

to stay with us and it's not like I knew

191

00:08:17,960 --> 00:08:15,660

where bodies were buried so to speak so

192

00:08:21,670 --> 00:08:17,970

this isn't like I had any information on

193

00:08:24,379 --> 00:08:21,680

crimes that they had committed literally

194

00:08:26,060 --> 00:08:24,389

other than poisoning the ideology of

195

00:08:31,219 --> 00:08:26,070

people out there by propagating their

196

00:08:33,909 --> 00:08:31,229

entire worldview but I over the next

197

00:08:38,839 --> 00:08:33,919

then probably seven to eight years

198

00:08:41,180 --> 00:08:38,849

slowly over enormous suffering put down

199

00:08:44,079 --> 00:08:41,190

the Satanic ideology by having to admit

200

00:08:47,180 --> 00:08:44,089

I was wrong about buying into it and

201
00:08:48,530 --> 00:08:47,190
that was a time consuming process in the

202
00:08:51,140 --> 00:08:48,540
process that was filled with a lot of

203
00:08:54,350 --> 00:08:51,150
personal suffering for me but eventually

204
00:08:57,230 --> 00:08:54,360
I decided I was going to

205
00:08:58,850 --> 00:08:57,240
expose what this hierarchical network

206
00:09:00,949 --> 00:08:58,860
that is operating throughout the world

207
00:09:03,079 --> 00:09:00,959
is all about and how they essentially

208
00:09:06,650 --> 00:09:03,089
propagate their techniques of mind

209
00:09:08,210 --> 00:09:06,660
control over the human population by

210
00:09:10,639 --> 00:09:08,220
getting them to buy into different

211
00:09:14,030 --> 00:09:10,649
aspects of this ideology which I just

212
00:09:17,030 --> 00:09:14,040
explained so essentially that's what I

213
00:09:19,790 --> 00:09:17,040

do I consider myself now ad occultist of

214

00:09:22,009 --> 00:09:19,800

occulted information and a do Cultus of

215

00:09:23,990 --> 00:09:22,019

the knowledge about how the world really

216

00:09:27,139 --> 00:09:24,000

works and the ideology that really

217

00:09:29,750 --> 00:09:27,149

controls this planet do I feel that the

218

00:09:31,699 --> 00:09:29,760

whole satanic agenda with a whole

219

00:09:33,230 --> 00:09:31,709

satanic religion is a dominant and

220

00:09:35,120 --> 00:09:33,240

enough threat to the entire human

221

00:09:37,730 --> 00:09:35,130

population that people really need to

222

00:09:40,850 --> 00:09:37,740

sit up take notice of what it is and how

223

00:09:42,769 --> 00:09:40,860

it operates and understand what is going

224

00:09:45,430 --> 00:09:42,779

on regarding it and the answer is

225

00:09:47,569 --> 00:09:45,440

absolutely yes I do

226

00:09:49,550 --> 00:09:47,579

these are the people who are ultimately

227

00:09:52,430 --> 00:09:49,560

in all the positions of power in the

228

00:09:54,019 --> 00:09:52,440

world and their ideology is the same

229

00:09:56,840 --> 00:09:54,029

they can have slightly different

230

00:09:59,180 --> 00:09:56,850

viewpoints on it but essentially what is

231

00:10:02,810 --> 00:09:59,190

running the world is an ideology and

232

00:10:05,600 --> 00:10:02,820

that ideology is those four basic tenets

233

00:10:07,250 --> 00:10:05,610

that the self has to be put up on the

234

00:10:09,920 --> 00:10:07,260

pedestal above everything else and it's

235

00:10:11,930 --> 00:10:09,930

a mimimi world you know what's good for

236

00:10:13,730 --> 00:10:11,940

me is what's good and right and if it

237

00:10:16,189 --> 00:10:13,740

doesn't serve my interests or agenda

238

00:10:18,380 --> 00:10:16,199

then it has to be eradicated doesn't

239

00:10:20,930 --> 00:10:18,390

make a difference what's moral you know

240

00:10:24,340 --> 00:10:20,940

morality can be thrown out the door I'll

241

00:10:28,670 --> 00:10:24,350

get to decide what's moral or not and

242

00:10:31,130 --> 00:10:28,680

you know my class of people those who

243

00:10:33,490 --> 00:10:31,140

resonate with me or my ideology should

244

00:10:36,710 --> 00:10:33,500

be the ones who come out on top and

245

00:10:38,870 --> 00:10:36,720

ultimately we'll put down anybody else

246

00:10:41,240 --> 00:10:38,880

you know that and those are the main

247

00:10:43,189 --> 00:10:41,250

tenets you know we're going to control

248

00:10:45,259 --> 00:10:43,199

things here we're going to decide what's

249

00:10:47,180 --> 00:10:45,269

right or wrong for ourself in other

250

00:10:51,019 --> 00:10:47,190

words make our own law that's a man

251
00:10:52,880 --> 00:10:51,029
wanting to be God and we're going to

252
00:10:55,460 --> 00:10:52,890
rule the pecking order of humanity

253
00:10:56,600 --> 00:10:55,470
because we're superior somehow you know

254
00:10:59,060 --> 00:10:56,610
whether they consider it their

255
00:11:03,480 --> 00:10:59,070
genetically superior their superior in

256
00:11:08,269 --> 00:11:03,490
their mental faculties etc

257
00:11:10,739 --> 00:11:08,279
so not to understand that is to invite

258
00:11:12,660 --> 00:11:10,749
extreme harm and suffering into our

259
00:11:15,359 --> 00:11:12,670
lives because these people are

260
00:11:17,429 --> 00:11:15,369
psychopathic and Psychopaths don't stop

261
00:11:20,189 --> 00:11:17,439
coming you know they don't stop until

262
00:11:21,960 --> 00:11:20,199
they're made to stop so unless we

263
00:11:24,900 --> 00:11:21,970

understand how these people's mind

264

00:11:25,590 --> 00:11:24,910

operates that's knowing the mindset of

265

00:11:29,100 --> 00:11:25,600

the enemy

266

00:11:30,359 --> 00:11:29,110

you know we're involved in a game of

267

00:11:32,759 --> 00:11:30,369

chess that we don't even know we're

268

00:11:34,169 --> 00:11:32,769

playing you know that's where most

269

00:11:36,720 --> 00:11:34,179

people are at they don't even know a

270

00:11:41,910 --> 00:11:36,730

game is going on and they're being

271

00:11:43,530 --> 00:11:41,920

beaten mercilessly already so the

272

00:11:47,730 --> 00:11:43,540

psychopathic mindset is what's

273

00:11:49,319 --> 00:11:47,740

ultimately running this agenda and a lot

274

00:11:52,669 --> 00:11:49,329

of people have bought into that mindset

275

00:11:56,100 --> 00:11:52,679

at a lower level and they're essentially

276

00:11:57,119 --> 00:11:56,110

they're playing into what I call mini-me

277

00:12:01,769 --> 00:11:57,129

Satanism

278

00:12:04,710 --> 00:12:01,779

in the public domain in the mainstream

279

00:12:07,439 --> 00:12:04,720

and people don't even know it's Satanism

280

00:12:09,600 --> 00:12:07,449

you know if somebody has the attitude my

281

00:12:12,840 --> 00:12:09,610

life is all about my hedonistic pursuits

282

00:12:16,129 --> 00:12:12,850

a pleasure you know whatever benefits me

283

00:12:18,559 --> 00:12:16,139

at the expense of anybody else okay and

284

00:12:22,439 --> 00:12:18,569

I don't care about what's right or wrong

285

00:12:24,199 --> 00:12:22,449

that's Satanism and most people don't

286

00:12:26,400 --> 00:12:24,209

even understand that that is Satanism

287

00:12:29,429 --> 00:12:26,410

they don't even understand they have

288

00:12:31,619 --> 00:12:29,439

subscribed at a low level to a dark

289

00:12:35,609 --> 00:12:31,629

religion that is operating in their

290

00:12:38,269 --> 00:12:35,619

midst in their presence so to remain

291

00:12:42,150 --> 00:12:38,279

ignorant of this religion in this agenda

292

00:12:45,059 --> 00:12:42,160

that it is a rapidly progressing in our

293

00:12:47,789 --> 00:12:45,069

world is to really invite negative

294

00:12:49,530 --> 00:12:47,799

consequences into our life only by

295

00:12:51,629 --> 00:12:49,540

exposing this and becoming knowledgeable

296

00:12:53,220 --> 00:12:51,639

about it are we going to understand

297

00:12:54,840 --> 00:12:53,230

what's really going on we're going to

298

00:12:56,910 --> 00:12:54,850

see the events that are happening

299

00:13:00,869 --> 00:12:56,920

happening in our world in a different

300

00:13:04,949 --> 00:13:00,879

light in a new light and one where you

301
00:13:06,809 --> 00:13:04,959
know the light of truth shines on this

302
00:13:08,549 --> 00:13:06,819
darkness that is taking place so that we

303
00:13:10,499 --> 00:13:08,559
can recognize it for what it is and then

304
00:13:13,470 --> 00:13:10,509
take action to do something about it

305
00:13:16,710 --> 00:13:13,480
is there essentially any evidence that

306
00:13:18,889 --> 00:13:16,720
there may be an offworld race or Intel

307
00:13:21,900 --> 00:13:18,899
agents involved in the Satanic

308
00:13:23,699 --> 00:13:21,910
hierarchies agenda possibly running

309
00:13:25,860 --> 00:13:23,709
things here on the earth to keep

310
00:13:28,679 --> 00:13:25,870
humanity in the situation of slavery

311
00:13:30,840 --> 00:13:28,689
that we are in and my answer to that is

312
00:13:33,689 --> 00:13:30,850
I'm open minded to that possibility

313
00:13:36,389 --> 00:13:33,699

I'm not going to definitively say yes

314

00:13:38,670 --> 00:13:36,399

off world intelligences intelligences

315

00:13:40,920 --> 00:13:38,680

are still interacting with this planet

316

00:13:43,110 --> 00:13:40,930

and controlling the entire agenda here

317

00:13:44,579 --> 00:13:43,120

but I'm not also going to rule that out

318

00:13:47,939 --> 00:13:44,589

as a possibility either

319

00:13:49,949 --> 00:13:47,949

I think non-human intelligences have had

320

00:13:52,170 --> 00:13:49,959

interaction with humanity particularly

321

00:13:55,590 --> 00:13:52,180

in our ancient past and may have even

322

00:14:00,210 --> 00:13:55,600

been responsible for our origins as we

323

00:14:03,300 --> 00:14:00,220

exist now however I think more likely

324

00:14:07,220 --> 00:14:03,310

than not if I were pressed to give an

325

00:14:11,790 --> 00:14:07,230

answer to this I would lean toward the

326

00:14:13,949 --> 00:14:11,800

speculation that the progeny of the

327

00:14:16,889 --> 00:14:13,959

beings that have had interaction with

328

00:14:18,929 --> 00:14:16,899

our species in the ancient past is what

329

00:14:22,019 --> 00:14:18,939

you are seeing today as the generational

330

00:14:24,900 --> 00:14:22,029

bloodline rulers of the modern day

331

00:14:26,780 --> 00:14:24,910

ruling class not so much that it is

332

00:14:28,980 --> 00:14:26,790

being directly controlled by

333

00:14:31,829 --> 00:14:28,990

extraterrestrial non-human or offworld

334

00:14:33,900 --> 00:14:31,839

intelligences however with that having

335

00:14:36,030 --> 00:14:33,910

been said that is speculation and I'm

336

00:14:40,319 --> 00:14:36,040

not saying I'm holding fast to that

337

00:14:41,819 --> 00:14:40,329

position I am open-minded to many

338

00:14:43,290 --> 00:14:41,829

different positions when it comes to

339

00:14:44,910 --> 00:14:43,300

that and I am open-minded the

340

00:14:48,019 --> 00:14:44,920

possibility that there is direct

341

00:14:50,759 --> 00:14:48,029

involvement with non-human intelligences

342

00:14:52,559 --> 00:14:50,769

directly controlling things here do I

343

00:14:54,420 --> 00:14:52,569

have any direct evidence of that the

344

00:14:57,090 --> 00:14:54,430

answer would have to be no I do not but

345

00:14:59,220 --> 00:14:57,100

if you look at a lot of the ancient

346

00:15:00,900 --> 00:14:59,230

writings of the world to talk about the

347

00:15:03,360 --> 00:15:00,910

origins of humanity from many different

348

00:15:05,610 --> 00:15:03,370

ancient cultures you will see that they

349

00:15:07,410 --> 00:15:05,620

do talk about non-human intelligences

350

00:15:10,530 --> 00:15:07,420

interacting directly with human beings

351
00:15:12,629 --> 00:15:10,540
also possibly being directly involved in

352
00:15:16,319 --> 00:15:12,639
the creation of humanity as a species

353
00:15:19,759 --> 00:15:16,329
itself and then interbreeding with us

354
00:15:25,710 --> 00:15:19,769
okay possibly to propagate their own

355
00:15:27,900 --> 00:15:25,720
genomic you know a gene pool but I feel

356
00:15:29,610 --> 00:15:27,910
more likely than not that those

357
00:15:31,320 --> 00:15:29,620
bloodlines became

358
00:15:33,329 --> 00:15:31,330
the dark occultists that are operating

359
00:15:35,130 --> 00:15:33,339
in the world today rather than them

360
00:15:37,950 --> 00:15:35,140
being separate from us and controlling

361
00:15:40,910 --> 00:15:37,960
us from the outside they're right in

362
00:15:43,050 --> 00:15:40,920
there among us having interbred with us

363
00:15:46,170 --> 00:15:43,060

generationally for thousands of years

364

00:15:48,000 --> 00:15:46,180

and their bloodlines are what is are

365

00:15:51,269 --> 00:15:48,010

what are ultimately in control now in

366

00:15:53,250 --> 00:15:51,279

the modern day I started studying the

367

00:15:55,380 --> 00:15:53,260

light aspects of the occult the positive

368

00:15:57,150 --> 00:15:55,390

aspects of the occult people have to

369

00:15:58,769 --> 00:15:57,160

understand that the occult occult

370

00:16:01,050 --> 00:15:58,779

acknowledged or hidden knowledge is not

371

00:16:03,300 --> 00:16:01,060

one thing

372

00:16:05,630 --> 00:16:03,310

it is simply information about how the

373

00:16:08,780 --> 00:16:05,640

human psyche works and operates and how

374

00:16:11,010 --> 00:16:08,790

the laws of nature work and operate and

375

00:16:13,530 --> 00:16:11,020

those are the two main bodies of

376

00:16:15,450 --> 00:16:13,540

knowledge that comprises occultism or

377

00:16:20,190 --> 00:16:15,460

essentially the realm of hidden

378

00:16:22,560 --> 00:16:20,200

knowledge so when you look at the how

379

00:16:25,769 --> 00:16:22,570

the information is used as a control

380

00:16:28,260 --> 00:16:25,779

mechanism by Darko cultists they use it

381

00:16:30,570 --> 00:16:28,270

to create a power differential over

382

00:16:34,110 --> 00:16:30,580

other people who are ignorant about how

383

00:16:36,480 --> 00:16:34,120

those mechanisms work in our lives the

384

00:16:39,960 --> 00:16:36,490

same information could be used for

385

00:16:41,880 --> 00:16:39,970

positive motives and the upliftment of

386

00:16:44,490 --> 00:16:41,890

humanity if we share that information

387

00:16:47,610 --> 00:16:44,500

and try to bring it to people's

388

00:16:49,550 --> 00:16:47,620

awareness such that we can raise the

389

00:16:51,840 --> 00:16:49,560

collective level of human consciousness

390

00:16:54,720 --> 00:16:51,850

so that is what I would call light

391

00:16:57,329 --> 00:16:54,730

occultism and that is what deeply

392

00:16:59,040 --> 00:16:57,339

studies the realm of consciousness and

393

00:17:01,140 --> 00:16:59,050

the different aspects of our

394

00:17:04,319 --> 00:17:01,150

consciousness and helps us to understand

395

00:17:06,960 --> 00:17:04,329

who we are and how we work how our

396

00:17:08,910 --> 00:17:06,970

psyches operate when we come into better

397

00:17:11,100 --> 00:17:08,920

knowledge of the self we can't be

398

00:17:13,439 --> 00:17:11,110

controlled as easily because we truly

399

00:17:15,689 --> 00:17:13,449

know who we are as spiritual beings

400

00:17:17,520 --> 00:17:15,699

having a physical experience here in

401
00:17:19,290 --> 00:17:17,530
this realm and understanding that what

402
00:17:22,199 --> 00:17:19,300
does happen here the experiences that we

403
00:17:24,150 --> 00:17:22,209
under grow that we undergo are part of a

404
00:17:24,900 --> 00:17:24,160
growth and learning process and they do

405
00:17:28,860 --> 00:17:24,910
matter

406
00:17:30,480 --> 00:17:28,870
so it's not about just a total spiritual

407
00:17:32,940 --> 00:17:30,490
daze and thinking that nothing that

408
00:17:35,700 --> 00:17:32,950
happens in the physical domain matters

409
00:17:38,160 --> 00:17:35,710
you know it's about understanding the

410
00:17:40,650 --> 00:17:38,170
true nature of the spiritual essence of

411
00:17:42,990 --> 00:17:40,660
our being but also having your feet

412
00:17:45,240 --> 00:17:43,000
firmly on the ground here in on the

413
00:17:46,950 --> 00:17:45,250

earth and the physical domain and doing

414

00:17:51,240 --> 00:17:46,960

things to create positive and lasting

415

00:17:55,230 --> 00:17:51,250

change right here and now that is what I

416

00:17:58,890 --> 00:17:55,240

would call a light occultism or positive

417

00:18:02,970 --> 00:17:58,900

usage of the knowledge that has been so

418

00:18:04,710 --> 00:18:02,980

far hidden from us and in the modern day

419

00:18:07,860 --> 00:18:04,720

you know in the ancient world obviously

420

00:18:10,560 --> 00:18:07,870

during very draconian times a cultists

421

00:18:13,440 --> 00:18:10,570

who are of a positive aspect hid that

422

00:18:17,820 --> 00:18:13,450

knowledge to prevent it from being

423

00:18:21,090 --> 00:18:17,830

completely lost in draconian times now I

424

00:18:23,760 --> 00:18:21,100

don't feel there's any valid reason for

425

00:18:26,910 --> 00:18:23,770

continuing to occult knowledge which is

426

00:18:30,090 --> 00:18:26,920

why I consider myself as a quote-unquote

427

00:18:32,220 --> 00:18:30,100

light occultist I instead of even looking

428

00:18:35,310 --> 00:18:32,230

myself as a light occultist I consider

429

00:18:38,640 --> 00:18:35,320

myself what I call a do cultist someone

430

00:18:40,830 --> 00:18:38,650

who is un hiding this information that

431

00:18:43,500 --> 00:18:40,840

has been hidden up to this point because

432

00:18:45,210 --> 00:18:43,510

we're in a time of opportunity where

433

00:18:47,970 --> 00:18:45,220

this information can be revealed and

434

00:18:50,520 --> 00:18:47,980

exploded onto the world to create true

435

00:18:53,040 --> 00:18:50,530

transformation and consciousness right

436

00:18:57,120 --> 00:18:53,050

here and right now did some of these

437

00:18:58,620 --> 00:18:57,130

ancient mystery schools in the past was

438

00:19:00,090 --> 00:18:58,630

the knowledge that they were hiding the

439

00:19:01,440 --> 00:19:00,100

this spiritual knowledge of

440

00:19:03,870 --> 00:19:01,450

consciousness that we're talking about

441

00:19:05,790 --> 00:19:03,880

here and the answer is yes absolutely

442

00:19:07,560 --> 00:19:05,800

and that's half of the equation the

443

00:19:09,450 --> 00:19:07,570

other half was that they were hiding

444

00:19:11,790 --> 00:19:09,460

knowledge about how natural law works

445

00:19:15,570 --> 00:19:11,800

the laws of morality which ultimately

446

00:19:18,120 --> 00:19:15,580

govern the behavior of human beings and

447

00:19:20,730 --> 00:19:18,130

ultimately bring us the experience that

448

00:19:22,350 --> 00:19:20,740

we are going to have to deal with and

449

00:19:24,210 --> 00:19:22,360

undergo in what we call the human

450

00:19:27,480 --> 00:19:24,220

condition as a result of the behaviors

451
00:19:30,390 --> 00:19:27,490
that we choose those two things are the

452
00:19:33,270 --> 00:19:30,400
two biggest bodies of knowledge that

453
00:19:34,770 --> 00:19:33,280
comprise occultism in general and yes

454
00:19:37,140 --> 00:19:34,780
this is the knowledge that the mystery

455
00:19:39,000 --> 00:19:37,150
schools adding possessed and the

456
00:19:41,550 --> 00:19:39,010
positive mystery schools at some point

457
00:19:44,370 --> 00:19:41,560
like I said when times became very

458
00:19:46,080 --> 00:19:44,380
draconian and dark occultists were so

459
00:19:48,870 --> 00:19:46,090
entrenched in the power structure that

460
00:19:52,200 --> 00:19:48,880
it was punishable by death even to talk

461
00:19:53,970 --> 00:19:52,210
about some of these topics you know they

462
00:19:55,450 --> 00:19:53,980
took that into hiding a lot of that

463
00:19:57,610 --> 00:19:55,460

information

464

00:19:59,710 --> 00:19:57,620

in order to protect it and not only that

465

00:20:02,440 --> 00:19:59,720

in order to protect themselves so they

466

00:20:06,850 --> 00:20:02,450

couldn't even live and act as the

467

00:20:09,009 --> 00:20:06,860

stewards for that body of data so I do

468

00:20:12,730 --> 00:20:09,019

understand some of the reasons for

469

00:20:14,470 --> 00:20:12,740

hiding it however I don't think we're in

470

00:20:17,350 --> 00:20:14,480

that position today we're in a position

471

00:20:21,820 --> 00:20:17,360

again as I said of opportunity where we

472

00:20:24,269 --> 00:20:21,830

can speak freely still and bring this

473

00:20:27,279 --> 00:20:24,279

information out out of the realms of

474

00:20:29,950 --> 00:20:27,289

concealment and bring it out to people

475

00:20:31,659 --> 00:20:29,960

who want it at this time in place and I

476

00:20:34,090 --> 00:20:31,669

think that's a moral obligation to do

477

00:20:37,749 --> 00:20:34,100

that because of the precipice that we're

478

00:20:39,820 --> 00:20:37,759

on as a species and as a culture and if

479

00:20:41,980 --> 00:20:39,830

we don't do that now there's going to be

480

00:20:45,100 --> 00:20:41,990

severely negative consequences that will

481

00:20:47,109 --> 00:20:45,110

result so I think the people who are in

482

00:20:49,299 --> 00:20:47,119

a position of knowledge in that regard

483

00:20:51,129 --> 00:20:49,309

have a moral obligation and a

484

00:20:53,739 --> 00:20:51,139

responsibility to share that knowledge

485

00:20:57,340 --> 00:20:53,749

as widely and as freely as they possibly

486

00:21:00,190 --> 00:20:57,350

can right now my opinion seems to differ

487

00:21:02,889 --> 00:21:00,200

many people think that the dark forces

488

00:21:04,659 --> 00:21:02,899

are on their last leg I don't

489

00:21:06,279 --> 00:21:04,669

necessarily see it like that I think

490

00:21:09,580 --> 00:21:06,289

that they're still very firmly

491

00:21:14,230 --> 00:21:09,590

entrenched in our world that being said

492

00:21:16,509 --> 00:21:14,240

I think that they are concerned but I

493

00:21:18,279 --> 00:21:16,519

don't think they're so over the top

494

00:21:20,409 --> 00:21:18,289

concern that they think they're somehow

495

00:21:24,070 --> 00:21:20,419

completely losing their grip or control

496

00:21:26,619 --> 00:21:24,080

of humanity because I don't think enough

497

00:21:28,570 --> 00:21:26,629

people are waking up in mass I'm not

498

00:21:30,249 --> 00:21:28,580

saying that to discourage anybody or to

499

00:21:32,769 --> 00:21:30,259

instill fear in anyone I'm just being

500

00:21:35,409 --> 00:21:32,779

honest about how I perceive the dynamic

501
00:21:37,269 --> 00:21:35,419
that is unfolding right now I think our

502
00:21:38,859 --> 00:21:37,279
numbers are paltry the people that

503
00:21:41,109 --> 00:21:38,869
understand the truth the people that

504
00:21:43,659 --> 00:21:41,119
understand natural law the people that

505
00:21:46,810 --> 00:21:43,669
understand the occult again not saying

506
00:21:48,460 --> 00:21:46,820
this to depress anybody but I think the

507
00:21:50,619 --> 00:21:48,470
overall percentage of people that get

508
00:21:53,639 --> 00:21:50,629
that prerequisite and required

509
00:21:56,950 --> 00:21:53,649
information for true transformation are

510
00:22:00,340 --> 00:21:56,960
absolutely paltry and I think if we're

511
00:22:03,279 --> 00:22:00,350
going to make any real positive lasting

512
00:22:05,529 --> 00:22:03,289
change in the world where it needs to

513
00:22:06,159 --> 00:22:05,539

change not in some other dimension or

514

00:22:11,379 --> 00:22:06,169

men

515

00:22:13,690 --> 00:22:11,389

realm but then bring that and bring that

516

00:22:15,909 --> 00:22:13,700

into the realm of actions so that we can

517

00:22:18,609 --> 00:22:15,919

change things in the here and now in the

518

00:22:20,830 --> 00:22:18,619

physical domain the numbers that we need

519

00:22:23,200 --> 00:22:20,840

to create some type of a transformation

520

00:22:25,210 --> 00:22:23,210

like that are certainly not there yet

521

00:22:27,789 --> 00:22:25,220

I'm not saying they can't get there

522

00:22:29,710 --> 00:22:27,799

either if I didn't think there was any

523

00:22:32,289 --> 00:22:29,720

hope I would just shut my mouth and not

524

00:22:36,070 --> 00:22:32,299

say a word you know I wouldn't continue

525

00:22:38,320 --> 00:22:36,080

to even speak I do think there is a

526

00:22:41,259 --> 00:22:38,330

possibility for change even at this late

527

00:22:44,619 --> 00:22:41,269

hour but many many many more people

528

00:22:47,560 --> 00:22:44,629

would have to step up step up in step up

529

00:22:50,769 --> 00:22:47,570

to the plate put themselves onto the

530

00:22:56,080 --> 00:22:50,779

battlefield of information and get to

531

00:23:00,489 --> 00:22:56,090

work and we need many many more teachers

532

00:23:04,149 --> 00:23:00,499

of natural law out there you know I put

533

00:23:05,970 --> 00:23:04,159

out that call an enormity of times and

534

00:23:07,989 --> 00:23:05,980

I'm going to continue to call for that

535

00:23:09,729 --> 00:23:07,999

because that's the only thing that's

536

00:23:11,950 --> 00:23:09,739

going to transform human consciousness

537

00:23:14,470 --> 00:23:11,960

is a deep understanding of natural law

538

00:23:16,869 --> 00:23:14,480

principles how natural law works and

539

00:23:18,489 --> 00:23:16,879

aligning our behavior to it and unless

540

00:23:19,899 --> 00:23:18,499

we have more people teaching that we're

541

00:23:22,359 --> 00:23:19,909

not going to have more people receiving

542

00:23:24,190 --> 00:23:22,369

it so more people need to learn that for

543

00:23:25,570 --> 00:23:24,200

themselves and then start to be a

544

00:23:28,450 --> 00:23:25,580

teacher of that information to other

545

00:23:31,419 --> 00:23:28,460

people we do that in massive enough

546

00:23:33,729 --> 00:23:31,429

numbers we can change the game here on

547

00:23:35,049 --> 00:23:33,739

earth if we don't do that nothing's

548

00:23:38,710 --> 00:23:35,059

going to change and things are going to

549

00:23:42,279 --> 00:23:38,720

get rapidly worse I would say the thing

550

00:23:46,269 --> 00:23:42,289

that led to the deeper awakening in me

551
00:23:48,249 --> 00:23:46,279
was personal suffering in my life that

552
00:23:49,180 --> 00:23:48,259
is what I think most people who have a

553
00:23:51,460 --> 00:23:49,190
really hard

554
00:23:54,430 --> 00:23:51,470
ito attachment to their former belief

555
00:23:57,460 --> 00:23:54,440
systems generally eventually awakened

556
00:24:00,159 --> 00:23:57,470
from unfortunately you know it's not

557
00:24:03,789 --> 00:24:00,169
it's what I call the way of maximum pain

558
00:24:06,159 --> 00:24:03,799
is the way I chose as an individual poor

559
00:24:07,930 --> 00:24:06,169
choice I do what I do now to try to

560
00:24:12,070 --> 00:24:07,940
prevent few people from going down that

561
00:24:14,889 --> 00:24:12,080
path unnecessarily but enormous

562
00:24:17,649 --> 00:24:14,899
suffering in my life really led me to my

563
00:24:20,169 --> 00:24:17,659

spiritual awakening the other thing that

564

00:24:23,250 --> 00:24:20,179

helped was um

565

00:24:25,840 --> 00:24:23,260

the usage of entheogenic compounds in

566

00:24:29,280 --> 00:24:25,850

somewhat controlled ways not in

567

00:24:32,740 --> 00:24:29,290

over-the-top uncontrolled you know

568

00:24:35,860 --> 00:24:32,750

random ways but indirectly approaching

569

00:24:41,770 --> 00:24:35,870

them from a perspective of using them

570

00:24:45,000 --> 00:24:41,780

for helpers to expand and enlighten

571

00:24:47,200 --> 00:24:45,010

consciousness so I took it from a very

572

00:24:49,740 --> 00:24:47,210

respectful approach when it came to

573

00:24:53,890 --> 00:24:49,750

those the usage of those compounds and

574

00:24:56,530 --> 00:24:53,900

while I did commune with substances such

575

00:24:59,919 --> 00:24:56,540

as cannabis or psilocybin which were

576

00:25:04,270 --> 00:24:59,929

very helpful the main compound that I

577

00:25:08,500 --> 00:25:04,280

found of transformative value for me was

578

00:25:14,350 --> 00:25:08,510

dimethyltryptamine and that is a very

579

00:25:17,530 --> 00:25:14,360

direct experience projection into the

580

00:25:21,000 --> 00:25:17,540

realm of deep consciousness through a

581

00:25:24,610 --> 00:25:21,010

very unusual otherworldly experience

582

00:25:27,610 --> 00:25:24,620

that cannot simply be attributed to a 20

583

00:25:31,240 --> 00:25:27,620

atom indole molecule as far as I'm

584

00:25:34,590 --> 00:25:31,250

concerned that's like sort of something

585

00:25:37,690 --> 00:25:34,600

that to me changes the antenna receiver

586

00:25:40,330 --> 00:25:37,700

transection reception device that is the

587

00:25:42,640 --> 00:25:40,340

human brain for a time such that we can

588

00:25:46,060 --> 00:25:42,650

pick up some different frequencies that

589

00:25:49,210 --> 00:25:46,070

are taking place all around us and it

590

00:25:52,000 --> 00:25:49,220

was also an experience that I think got

591

00:25:53,980 --> 00:25:52,010

rid of any existential doubt about death

592

00:25:57,430 --> 00:25:53,990

being the cessation of consciousness for

593

00:26:00,370 --> 00:25:57,440

me personally because the experience was

594

00:26:02,830 --> 00:26:00,380

so strange unusual and otherworldly that

595

00:26:05,260 --> 00:26:02,840

it sort of confirmed confirmed for me

596

00:26:07,210 --> 00:26:05,270

there are other vistas of consciousness

597

00:26:09,220 --> 00:26:07,220

out there that are you know barely

598

00:26:12,090 --> 00:26:09,230

touched upon by us they're all existing

599

00:26:15,310 --> 00:26:12,100

in different frequencies of existence

600

00:26:16,900 --> 00:26:15,320

simultaneously and consciousness just

601
00:26:20,200 --> 00:26:16,910
keeps going and going and going and

602
00:26:23,830 --> 00:26:20,210
doesn't end it may transform its

603
00:26:26,770 --> 00:26:23,840
perspective may transform its particular

604
00:26:29,409 --> 00:26:26,780
physical incarnation or form but it

605
00:26:32,499 --> 00:26:29,419
continues to persist and to learn and to

606
00:26:34,829 --> 00:26:32,509
grow so that was a big part of my

607
00:26:36,459 --> 00:26:34,839
transformation in my personal worldview

608
00:26:40,049 --> 00:26:36,469
spiritually as well

609
00:26:43,749 --> 00:26:40,059
and I would say those two things

610
00:26:46,209 --> 00:26:43,759
suffering the employment of psychedelics

611
00:26:49,060 --> 00:26:46,219
or entheogenic compounds were very

612
00:26:51,399 --> 00:26:49,070
helpful in that domain as well and say

613
00:26:53,680 --> 00:26:51,409

the third thing would be yes would be

614

00:26:57,219 --> 00:26:53,690

book study as well particularly in the

615

00:26:59,409 --> 00:26:57,229

realms of light occultic studies things

616

00:27:01,989 --> 00:26:59,419

like studying hermetic philosophy

617

00:27:04,599 --> 00:27:01,999

Rosicrucian philosophy free Masonic

618

00:27:07,329 --> 00:27:04,609

philosophy Kabbalistic philosophy all

619

00:27:10,329 --> 00:27:07,339

and of course the positive sense is of

620

00:27:12,309 --> 00:27:10,339

course any ideology or philosophy can be

621

00:27:15,909 --> 00:27:12,319

twisted or perverted into something it's

622

00:27:18,639 --> 00:27:15,919

not intended to be but you know looking

623

00:27:20,769 --> 00:27:18,649

into these light aspects to occult ik

624

00:27:23,799 --> 00:27:20,779

mystery traditions helped tremendously

625

00:27:26,609 --> 00:27:23,809

in my personal transformation as well

626

00:27:28,689 --> 00:27:26,619

also things like studying the Tarot and

627

00:27:31,180 --> 00:27:28,699

symbolism was tremendously

628

00:27:32,579 --> 00:27:31,190

transformative for me personally and I

629

00:27:35,559 --> 00:27:32,589

would highly recommend any of those

630

00:27:38,619 --> 00:27:35,569

topics to anybody that wants to increase

631

00:27:40,329 --> 00:27:38,629

their personal knowledge so I would say

632

00:27:42,039 --> 00:27:40,339

overall the answer your question it was

633

00:27:45,579 --> 00:27:42,049

a combination of many different things

634

00:27:48,699 --> 00:27:45,589

that ultimately led to my awakening

635

00:27:51,629 --> 00:27:48,709

process with what's going on in the

636

00:27:55,719 --> 00:27:51,639

world today the solution is ultimately

637

00:27:58,479 --> 00:27:55,729

changing the way we think about our

638

00:28:00,909 --> 00:27:58,489

position in the whole universe our

639

00:28:04,449 --> 00:28:00,919

position in this world the effect that

640

00:28:06,430 --> 00:28:04,459

we can have personally and we can

641

00:28:09,069 --> 00:28:06,440

empower ourselves through knowledge

642

00:28:11,319 --> 00:28:09,079

through knowledge of the self through

643

00:28:13,239 --> 00:28:11,329

knowledge of natural law we can take

644

00:28:15,759 --> 00:28:13,249

that truth into ourselves and then we

645

00:28:17,259 --> 00:28:15,769

could do something positive and

646

00:28:18,879 --> 00:28:17,269

transformational with it by

647

00:28:21,219 --> 00:28:18,889

communicating it to other people and

648

00:28:23,519 --> 00:28:21,229

propagating it and that is what our

649

00:28:27,699 --> 00:28:23,529

moral obligation is at this time as

650

00:28:29,769 --> 00:28:27,709

conscious awoken Souls to say I'm not

651

00:28:31,749 --> 00:28:29,779

only going to seek the truth but I'm

652

00:28:33,849 --> 00:28:31,759

also going to speak the truth to others

653

00:28:36,309 --> 00:28:33,859

and that is what the great work is all

654

00:28:38,499 --> 00:28:36,319

about it is about taking what you have

655

00:28:40,749 --> 00:28:38,509

learned and helping someone else who is

656

00:28:44,810 --> 00:28:40,759

currently in a state of ignorance of

657

00:28:47,360 --> 00:28:44,820

that powerful empowering information

658

00:28:50,120 --> 00:28:47,370

and then enlightening them to that

659

00:28:54,320 --> 00:28:50,130

knowledge by communicating not remaining

660

00:28:58,519 --> 00:28:54,330

silent standing up encouraged and saying

661

00:29:00,680 --> 00:28:58,529

I'm going to speak the truth okay when

662

00:29:03,430 --> 00:29:00,690

we do that if enough of us do that

663

00:29:06,710 --> 00:29:03,440

collectively overall aggregate

664

00:29:10,159 --> 00:29:06,720

consciousness of humanity can change and

665

00:29:11,899 --> 00:29:10,169

if we do that it will change and that's

666

00:29:14,299 --> 00:29:11,909

ultimately what this is all about this

667

00:29:17,060 --> 00:29:14,309

is about sharing what we have come to

668

00:29:20,570 --> 00:29:17,070

know with others who have not yet gone

669

00:29:22,639 --> 00:29:20,580

down that path because you know I would

670

00:29:26,919 --> 00:29:22,649

not have awoken to the level that I have

671

00:29:32,180 --> 00:29:26,929

if others didn't you know in their

672

00:29:33,950 --> 00:29:32,190

consciousness and in their love decide

673

00:29:35,570 --> 00:29:33,960

I'm going to take my time and my

674

00:29:37,279 --> 00:29:35,580

attention and I'm going to share this

675

00:29:42,080 --> 00:29:37,289

information that I've come to understand

676

00:29:44,690 --> 00:29:42,090

with other people so if we want to pay

677

00:29:46,999 --> 00:29:44,700

it back pay it forward so to speak you

678

00:29:49,430 --> 00:29:47,009

know we have to take our part in that

679

00:29:52,159 --> 00:29:49,440

same process of communicating what we

680

00:29:54,619 --> 00:29:52,169

have come to know and what has helped us

681

00:29:57,350 --> 00:29:54,629

to learn and grow with all the others

682

00:29:58,909 --> 00:29:57,360

that are around us who are still in a

683

00:30:00,889 --> 00:29:58,919

state of ignorance and suffering as a

684

00:30:03,259 --> 00:30:00,899

result that is what the real great work

685

00:30:05,779 --> 00:30:03,269

is about and that is what I think many

686

00:30:08,960 --> 00:30:05,789

many many more people need to become

687

00:30:10,940 --> 00:30:08,970

directly involved in doing if we do that
