

**UFO HUB**

1  
00:00:14,379 --> 00:00:11,900  
my name is Sheri Wilde and I am the

2  
00:00:18,109 --> 00:00:14,389  
author of the book The Forgotten promise

3  
00:00:20,870 --> 00:00:18,119  
which tells the story of my abduction

4  
00:00:25,929 --> 00:00:20,880  
experiences I prefer to call them

5  
00:00:29,450 --> 00:00:25,939  
encounters so I tell how I went through

6  
00:00:32,540 --> 00:00:29,460  
the whole process of coming into the

7  
00:00:35,569 --> 00:00:32,550  
awareness of the fact that I was being

8  
00:00:39,799 --> 00:00:35,579  
taken by these beings these entities

9  
00:00:41,180 --> 00:00:39,809  
from another world and the process that

10  
00:00:45,260 --> 00:00:41,190  
I went through to come to terms with it

11  
00:00:47,709 --> 00:00:45,270  
the fear the disbelief the bargaining

12  
00:00:50,209 --> 00:00:47,719  
everything that's involved with

13  
00:00:53,119 --> 00:00:50,219

being forced to believe something that

14

00:00:55,490 --> 00:00:53,129

you previously didn't even know was

15

00:01:00,110 --> 00:00:55,500

possible and then to find out that it's

16

00:01:02,900 --> 00:01:00,120

happening in your world so I'm already

17

00:01:05,170 --> 00:01:02,910

talked a little bit about that so and

18

00:01:08,630 --> 00:01:05,180

I'm going to share a little bit more of

19

00:01:10,910 --> 00:01:08,640

what it's like to be what I eventually

20

00:01:16,510 --> 00:01:10,920

found myself to be not an abductee not a

21

00:01:20,870 --> 00:01:16,520

victim but a volunteer that is that I

22

00:01:23,660 --> 00:01:20,880

made the decision the choice to come to

23

00:01:24,320 --> 00:01:23,670

Planet Earth and along with millions of

24

00:01:27,469 --> 00:01:24,330

others

25

00:01:29,660 --> 00:01:27,479

nothing special about this actually

26

00:01:31,819 --> 00:01:29,670

everyone on the planet is here for a

27

00:01:34,280 --> 00:01:31,829

purpose everyone has a role to play in

28

00:01:37,249 --> 00:01:34,290

this wonderful time that we're going

29

00:01:43,399 --> 00:01:37,259

through mine just happens to be that I

30

00:01:45,770 --> 00:01:43,409

came in from another dimension and the

31

00:01:49,399 --> 00:01:45,780

purpose of the plan was to raise the

32

00:01:53,030 --> 00:01:49,409

vibration of the planet so of humanity

33

00:01:56,240 --> 00:01:53,040

in order to assist humanity in possibly

34

00:02:00,800 --> 00:01:56,250

awakening in time to go with Gaia into

35

00:02:03,350 --> 00:02:00,810

the fifth dimension so the whole reason

36

00:02:05,899 --> 00:02:03,360

that the call went out from Gaia to for

37

00:02:09,440 --> 00:02:05,909

volunteers in around the linear year

38

00:02:13,880 --> 00:02:09,450

1945 is because of the atomic bomb that

39

00:02:21,440 --> 00:02:16,420

she made that decision at that time to

40

00:02:23,630 --> 00:02:21,450

go on to the next chain opportunity she

41

00:02:26,960 --> 00:02:23,640

had to go on to the fifth dimension with

42

00:02:31,580 --> 00:02:26,970

or without her children and my guys told

43

00:02:36,050 --> 00:02:31,590

me that in 19 would have been like 1989

44

00:02:38,420 --> 00:02:36,060

I believe that da told me when he was

45

00:02:41,210 --> 00:02:38,430

teaching me to be a light worker what he

46

00:02:43,640 --> 00:02:41,220

did is he taught me to read people's

47

00:02:47,630 --> 00:02:43,650

light but their vibration by looking

48

00:02:51,170 --> 00:02:47,640

into their eyes and I had an opportunity

49

00:02:54,050 --> 00:02:51,180

to do that for two 1/2 days and it was a

50

00:02:55,760 --> 00:02:54,060

lot of fun and basically I would just

51  
00:02:58,070 --> 00:02:55,770  
look into a person's eyes and I could

52  
00:03:00,830 --> 00:02:58,080  
register I would I was given the tools

53  
00:03:02,870 --> 00:03:00,840  
to register their light vibration and

54  
00:03:06,140 --> 00:03:02,880  
then I would get you are stained or you

55  
00:03:07,820 --> 00:03:06,150  
are leaving and when I asked him what

56  
00:03:10,449 --> 00:03:07,830  
that was all about he told me that was

57  
00:03:12,290 --> 00:03:10,459  
the first time I ever heard about

58  
00:03:14,210 --> 00:03:12,300  
because I was on this side of the veil

59  
00:03:15,920 --> 00:03:14,220  
on this side the veil that I heard about

60  
00:03:18,289 --> 00:03:15,930  
the whole ascension thing and he said

61  
00:03:20,060 --> 00:03:18,299  
that it was an absolute that planet

62  
00:03:21,979 --> 00:03:20,070  
Earth was going to go into the higher

63  
00:03:25,970 --> 00:03:21,989

frequencies and those of her children

64

00:03:27,530 --> 00:03:25,980

who were ready to go with her would be

65

00:03:31,340 --> 00:03:27,540

allowed to do so because they had been

66

00:03:33,320 --> 00:03:31,350

in domination long enough and those who

67

00:03:35,210 --> 00:03:33,330

are not ready that was fine but they

68

00:03:37,039 --> 00:03:35,220

would be taken to another planet another

69

00:03:40,039 --> 00:03:37,049

third dimensional planet to continue on

70

00:03:43,550 --> 00:03:40,049

their journey so that was pretty

71

00:03:46,240 --> 00:03:43,560

surprising to me but that is the way

72

00:03:48,259 --> 00:03:46,250

that it happened on planet Earth so in

73

00:03:50,630 --> 00:03:48,269

1987 when we had the harmonic

74

00:03:53,150 --> 00:03:50,640

convergence that was part of the plan -

75

00:03:56,000 --> 00:03:53,160

in nineteen so in 1945 Gaia asked for

76

00:03:59,720 --> 00:03:56,010

assistance and it was decided that we

77

00:04:05,090 --> 00:03:59,730

would flood the planet with Souls coming

78

00:04:06,920 --> 00:04:05,100

on to incarnate in body in the hopes

79

00:04:08,800 --> 00:04:06,930

that that would help raise the vibration

80

00:04:13,819 --> 00:04:08,810

the awareness and it would trigger

81

00:04:15,710 --> 00:04:13,829

others to remember and then they would

82

00:04:17,090 --> 00:04:15,720

also flood the planet with all this love

83

00:04:20,750 --> 00:04:17,100

and light and that was the harmonic

84

00:04:22,909 --> 00:04:20,760

convergence in 1987 and that those days

85

00:04:24,830 --> 00:04:22,919

in August's were powerful days for me

86

00:04:27,780 --> 00:04:24,840

those were the days where I basically

87

00:04:30,090 --> 00:04:27,790

feel like I got

88

00:04:32,550 --> 00:04:30,100

my orders and it was very soon after

89

00:04:35,010 --> 00:04:32,560

that that I started having the

90

00:04:38,340 --> 00:04:35,020

encounters I had that that period of

91

00:04:40,200 --> 00:04:38,350

activity and in 1988 I was regressed and

92

00:04:43,530 --> 00:04:40,210

I my memory was opened up and I

93

00:04:47,850 --> 00:04:43,540

remembered that I was well I became

94

00:04:50,130 --> 00:04:47,860

aware that I was being abducted so

95

00:04:51,870 --> 00:04:50,140

there's like two aspects to it you know

96

00:04:53,490 --> 00:04:51,880

there's me on this side of the veil and

97

00:04:56,520 --> 00:04:53,500

then there's the me that was there

98

00:04:58,620 --> 00:04:56,530

before I came here the mead that's on

99

00:05:02,370 --> 00:04:58,630

this side of the veil reacted in terror

100

00:05:04,380 --> 00:05:02,380

to the fact that I was being taken and I

101  
00:05:06,510 --> 00:05:04,390  
had a lot of fear for a lot of time a

102  
00:05:08,340 --> 00:05:06,520  
long time until I started to put the

103  
00:05:10,470 --> 00:05:08,350  
pieces together and started to realize

104  
00:05:12,660 --> 00:05:10,480  
the things they were teaching me like to

105  
00:05:14,970 --> 00:05:12,670  
be a light reader I mean I had conscious

106  
00:05:17,550 --> 00:05:14,980  
recall of him telling me this story I

107  
00:05:19,830 --> 00:05:17,560  
had conscious awareness of the fact that

108  
00:05:23,790 --> 00:05:19,840  
I was reading people's light their

109  
00:05:25,440 --> 00:05:23,800  
vibration so I couldn't reconcile the

110  
00:05:28,920 --> 00:05:25,450  
fact that they could be teaching me

111  
00:05:30,390 --> 00:05:28,930  
those things and still be evil and what

112  
00:05:32,580 --> 00:05:30,400  
I discovered was that as long as I was

113  
00:05:34,590 --> 00:05:32,590

trying to analyze it and think my way

114

00:05:38,280 --> 00:05:34,600

through who are these beings what are

115

00:05:42,750 --> 00:05:38,290

they all about that I was running into

116

00:05:45,030 --> 00:05:42,760

fear and I was listening to the people

117

00:05:47,480 --> 00:05:45,040

around me the investigators and their

118

00:05:50,940 --> 00:05:47,490

conclusion was that it was a negative

119

00:05:52,800 --> 00:05:50,950

experience and anything that you would

120

00:05:58,890 --> 00:05:52,810

read or any of the conference's that I

121

00:06:01,710 --> 00:05:58,900

went to it was all fear-based I started

122

00:06:07,520 --> 00:06:01,720

to listen to my heart when there came a

123

00:06:10,950 --> 00:06:07,530

time when I was at a conference and and

124

00:06:13,770 --> 00:06:10,960

who was the guy he's very well known one

125

00:06:15,360 --> 00:06:13,780

of the guys who who did regressions and

126

00:06:18,000 --> 00:06:15,370

I can't think of his name right now and

127

00:06:20,070 --> 00:06:18,010

he was saying that that they were

128

00:06:21,960 --> 00:06:20,080

studying children who had been abducted

129

00:06:26,220 --> 00:06:21,970

children who had been taken and shown

130

00:06:27,960 --> 00:06:26,230

the planet being destroyed as he was up

131

00:06:29,370 --> 00:06:27,970

on the stage and he said we believe that

132

00:06:30,870 --> 00:06:29,380

the reason that they're doing this the

133

00:06:33,930 --> 00:06:30,880

aliens are doing this to these children

134

00:06:36,600 --> 00:06:33,940

is because they want to study our

135

00:06:39,720 --> 00:06:36,610

emotions we don't believe that ETS have

136

00:06:41,519 --> 00:06:39,730

any emotions they're very aloof and so

137

00:06:43,259 --> 00:06:41,529

they're jealous or they're

138

00:06:46,889 --> 00:06:43,269

to know how to have these emotions are

139

00:06:49,819 --> 00:06:46,899

curious whatever and when I heard him to

140

00:06:51,989 --> 00:06:49,829

say that I knew here in my heart that

141

00:06:54,629 --> 00:06:51,999

that was not true

142

00:06:56,819 --> 00:06:54,639

I didn't have time to analyze it and so

143

00:06:58,139 --> 00:06:56,829

I listened to my heart and I had all I

144

00:07:00,029 --> 00:06:58,149

could do to keep from jumping up and

145

00:07:03,689 --> 00:07:00,039

saying no that's you're wrong about that

146

00:07:05,339 --> 00:07:03,699

that's not the way that it is and that's

147

00:07:07,439 --> 00:07:05,349

was the turning point for me and I

148

00:07:09,959 --> 00:07:07,449

started to go ah I know more than I

149

00:07:13,409 --> 00:07:09,969

think I know about what's going on with

150

00:07:15,299 --> 00:07:13,419

me and I need to redirect my study and

151  
00:07:17,189 --> 00:07:15,309  
stop analyzing and picking apart

152  
00:07:20,789 --> 00:07:17,199  
everything and looking at it that way I

153  
00:07:23,999 --> 00:07:20,799  
need to just just allow my my heart to

154  
00:07:26,879 --> 00:07:24,009  
guide me my inner knowingness so that

155  
00:07:29,939 --> 00:07:26,889  
was the beginning of my coming to terms

156  
00:07:32,759 --> 00:07:29,949  
with why this was happening to me but it

157  
00:07:35,639 --> 00:07:32,769  
was a long journey and there was an

158  
00:07:38,069 --> 00:07:35,649  
agenda a timeline that they had said and

159  
00:07:40,139 --> 00:07:38,079  
I I had set with them I guess and truth

160  
00:07:43,759 --> 00:07:40,149  
because I planned my life before I came

161  
00:07:47,459 --> 00:07:43,769  
here when I volunteered to come here I

162  
00:07:51,569 --> 00:07:47,469  
was a sixth dimensional being I was not

163  
00:07:55,289 --> 00:07:51,579

informed I was an etheric body and I

164

00:07:58,229 --> 00:07:55,299

have not been in form at this up to this

165

00:08:02,009 --> 00:07:58,239

point and so coming into the third

166

00:08:04,769 --> 00:08:02,019

dimension was a challenge but it was one

167

00:08:09,439 --> 00:08:04,779

that I wanted I came to be of service to

168

00:08:12,539 --> 00:08:09,449

Gaia absolutely love this planet and

169

00:08:14,519 --> 00:08:12,549

would do anything for her and I could

170

00:08:17,879 --> 00:08:14,529

see you know this plan it was a

171

00:08:19,529 --> 00:08:17,889

make-it-or-break-it besides it was a

172

00:08:21,749 --> 00:08:19,539

last-ditch effort it was the last chance

173

00:08:23,759 --> 00:08:21,759

if the first therapist all wanted to

174

00:08:25,829 --> 00:08:23,769

come on to Gaia it was one of the last

175

00:08:28,079 --> 00:08:25,839

chances to opportunities to do so

176

00:08:29,969 --> 00:08:28,089

because she was going in to the higher

177

00:08:31,409 --> 00:08:29,979

frequency she was going going to ascend

178

00:08:34,019 --> 00:08:31,419

to the fourth and in the fifth dimension

179

00:08:37,049 --> 00:08:34,029

and the third dimensional planet of

180

00:08:41,850 --> 00:08:37,059

Earth was going to be no more and it is

181

00:08:44,340 --> 00:08:41,860

no more and planet Earth and the third

182

00:08:49,160 --> 00:08:44,350

dimensional planet Earth was quite the

183

00:08:52,919 --> 00:08:49,170

place as many of us know and it was

184

00:08:54,480 --> 00:08:52,929

dominated by fear and controlled by fear

185

00:08:55,140 --> 00:08:54,490

it was created by fear it was not

186

00:09:00,570 --> 00:08:55,150

created

187

00:09:04,800 --> 00:09:00,580

by those that that always saw the planet

188

00:09:06,780 --> 00:09:04,810

and eventually seeded the planet the

189

00:09:10,530 --> 00:09:06,790

free will of the humans who lived on

190

00:09:14,550 --> 00:09:10,540

planet Earth their free will was sort of

191

00:09:18,120 --> 00:09:14,560

hijacked by their fear and so it fell in

192

00:09:21,510 --> 00:09:18,130

vibration and unfortunately it became a

193

00:09:23,930 --> 00:09:21,520

world that was pretty much enslaved so

194

00:09:27,030 --> 00:09:23,940

deciding to come onto planet Earth was

195

00:09:29,519 --> 00:09:27,040

was a pretty big decision it was for all

196

00:09:31,740 --> 00:09:29,529

of us but we we knew the truth when

197

00:09:34,050 --> 00:09:31,750

you're on that side of the veil you see

198

00:09:36,240 --> 00:09:34,060

it for what it is and you understand

199

00:09:38,670 --> 00:09:36,250

that it's all a game and it's all good

200

00:09:43,260 --> 00:09:38,680

and it's just an experience that you

201  
00:09:45,930 --> 00:09:43,270  
want to have so in 2009 when I came back

202  
00:09:48,930 --> 00:09:45,940  
into my life after being gone almost 20

203  
00:09:50,640 --> 00:09:48,940  
years I was pretty calm for some reason

204  
00:09:53,100 --> 00:09:50,650  
they had made an altered state but still

205  
00:09:55,829 --> 00:09:53,110  
I was fairly calm because I had had come

206  
00:09:57,690 --> 00:09:55,839  
to terms somewhat with the whole

207  
00:09:59,670 --> 00:09:57,700  
abduction scenario I'd worked my way

208  
00:10:01,890 --> 00:09:59,680  
through it I didn't have the answers but

209  
00:10:04,079 --> 00:10:01,900  
I hadn't found I had found some peace

210  
00:10:08,070 --> 00:10:04,089  
around it but still I said what are you

211  
00:10:12,300 --> 00:10:08,080  
doing back here and he was surprised and

212  
00:10:13,980 --> 00:10:12,310  
said well he you know that you had been

213  
00:10:15,390 --> 00:10:13,990

told about the earth changes that were

214

00:10:17,040 --> 00:10:15,400

going to be occurring in were in the

215

00:10:24,769 --> 00:10:17,050

midst of that and there's work to be

216

00:10:28,800 --> 00:10:24,779

done so one thing that that occurred in

217

00:10:33,150 --> 00:10:28,810

1989 88 or 89 that was interesting to me

218

00:10:37,650 --> 00:10:33,160

that I I've remembered since I wrote the

219

00:10:38,910 --> 00:10:37,660

book even and that is I had the memory

220

00:10:41,280 --> 00:10:38,920

of it but I couldn't figure out how it

221

00:10:46,040 --> 00:10:41,290

all fit together I had had this memory

222

00:10:50,250 --> 00:10:46,050

of having a meeting in my living room

223

00:10:52,890 --> 00:10:50,260

sometime in 88 or 89 where da had come

224

00:10:55,860 --> 00:10:52,900

in in etheric form and another being was

225

00:10:57,720 --> 00:10:55,870

with him and then I was sleeping on my

226

00:11:00,060 --> 00:10:57,730

cell foot I'd taken some time off work

227

00:11:01,800 --> 00:11:00,070

because I was so stressed by all that

228

00:11:05,760 --> 00:11:01,810

was going on so I was in the midst of

229

00:11:07,430 --> 00:11:05,770

this 88 87 88 89 this year and a half

230

00:11:13,340 --> 00:11:07,440

period of time when I had

231

00:11:16,460 --> 00:11:13,350

intense activity and at that time they

232

00:11:18,860 --> 00:11:16,470

came in to try to influence me and

233

00:11:21,350 --> 00:11:18,870

suggest that I leave planet Earth that

234

00:11:24,679 --> 00:11:21,360

my work was done and that I could could

235

00:11:26,569 --> 00:11:24,689

go at that time I had that memory and I

236

00:11:28,069 --> 00:11:26,579

couldn't reconcile that with the fact

237

00:11:29,509 --> 00:11:28,079

that I had volunteered to come to Planet

238

00:11:32,059 --> 00:11:29,519

Earth I thought well why would I leave

239

00:11:36,290 --> 00:11:32,069

back then I guess I was supposed to

240

00:11:38,929 --> 00:11:36,300

leave in 1990 or 91 and via a car

241

00:11:40,429 --> 00:11:38,939

accident and I didn't understand how

242

00:11:42,170 --> 00:11:40,439

that could be if I volunteered to come

243

00:11:45,319 --> 00:11:42,180

to Planet Earth so I left it out of the

244

00:11:47,210 --> 00:11:45,329

book because like it didn't fit and I

245

00:11:49,460 --> 00:11:47,220

thought I must be mistaken but and yet

246

00:11:51,259 --> 00:11:49,470

it bothered me a lot I talked about it

247

00:11:53,389 --> 00:11:51,269

to my editor I talked to people about it

248

00:11:55,129 --> 00:11:53,399

and I said I can't get clarity on it how

249

00:11:56,749 --> 00:11:55,139

is it that I volunteered to come in how

250

00:11:59,569 --> 00:11:56,759

is it that at the age of 10 they showed

251  
00:12:02,900 --> 00:11:59,579  
me that I was going to be losing my home

252  
00:12:04,400 --> 00:12:02,910  
and my family and my possessions in

253  
00:12:09,019 --> 00:12:04,410  
order to experience that so that I could

254  
00:12:12,370 --> 00:12:09,029  
better relate to to the humans and what

255  
00:12:14,689 --> 00:12:12,380  
they were going to be going through and

256  
00:12:16,550 --> 00:12:14,699  
so I left it out of the book figuring

257  
00:12:18,319 --> 00:12:16,560  
there had to be some kind of mistake or

258  
00:12:21,110 --> 00:12:18,329  
at least I couldn't get clarity on it it

259  
00:12:23,929 --> 00:12:21,120  
was interesting that just recently I did

260  
00:12:28,879 --> 00:12:23,939  
get clarity on it and I I just had to

261  
00:12:30,199 --> 00:12:28,889  
ask and doc came and explained to me he

262  
00:12:35,150 --> 00:12:30,209  
actually just kind of pulled back the

263  
00:12:38,090 --> 00:12:35,160

curtain and they had come to me and said

264

00:12:40,730 --> 00:12:38,100

that you've done enough and you'll be a

265

00:12:44,050 --> 00:12:40,740

more service if you come back with us

266

00:12:46,610 --> 00:12:44,060

now we want you back on the ship and

267

00:12:48,980 --> 00:12:46,620

when I signed on I do remember that when

268

00:12:52,280 --> 00:12:48,990

I volunteered to come the primary focus

269

00:12:56,199 --> 00:12:52,290

of my volunteer my volunteering was to

270

00:13:01,610 --> 00:12:56,209

be a participant in a hybrid program

271

00:13:03,499 --> 00:13:01,620

because in 1947-48 when linear time when

272

00:13:10,579 --> 00:13:03,509

I made the decision to come on and I was

273

00:13:12,799 --> 00:13:10,589

born in in December of 1950 so at that

274

00:13:14,509 --> 00:13:12,809

time the timeline showed that planet

275

00:13:16,970 --> 00:13:14,519

Earth was going to ascend but very few

276

00:13:19,100 --> 00:13:16,980

very few of her children were going to

277

00:13:21,050 --> 00:13:19,110

go with and so it looked like the planet

278

00:13:23,840 --> 00:13:21,060

would be cleansed of

279

00:13:26,330 --> 00:13:23,850

humanity in order for her to ascend and

280

00:13:30,520 --> 00:13:26,340

that had been done before a few times

281

00:13:33,260 --> 00:13:30,530

before the planet had been flooded and

282

00:13:36,440 --> 00:13:33,270

the beans on the planet were were

283

00:13:39,530 --> 00:13:36,450

recycled back onto the planet again but

284

00:13:43,280 --> 00:13:39,540

this time because she was going into the

285

00:13:45,770 --> 00:13:43,290

fifth dimension the children of Earth

286

00:13:47,960 --> 00:13:45,780

would not be Wiese though souls could

287

00:13:50,180 --> 00:13:47,970

not be recycled back on to this planet

288

00:13:52,820 --> 00:13:50,190

and so the way it was probably going to

289

00:13:54,830 --> 00:13:52,830

work was you know they would go they

290

00:13:58,630 --> 00:13:54,840

would go elsewhere or go back to source

291

00:14:01,220 --> 00:13:58,640

and then sort of get reek out kab

292

00:14:04,910 --> 00:14:01,230

calibrate it I guess that's the word and

293

00:14:07,430 --> 00:14:04,920

started all over again so I came in to

294

00:14:09,920 --> 00:14:07,440

be part of the hybrid program so that we

295

00:14:12,800 --> 00:14:09,930

could preserve some of the human DNA the

296

00:14:16,280 --> 00:14:12,810

earth human DNA because it's a it's a

297

00:14:19,370 --> 00:14:16,290

unique species and and you know it was

298

00:14:21,860 --> 00:14:19,380

an evolving species the biological

299

00:14:25,210 --> 00:14:21,870

entity of the of the earth human so I

300

00:14:27,710 --> 00:14:25,220

came in to to participate in that and

301  
00:14:29,660 --> 00:14:27,720  
that's why I had so many that's part of

302  
00:14:31,880 --> 00:14:29,670  
the reason why I had so many visits for

303  
00:14:35,480 --> 00:14:31,890  
the time I was a very young child but

304  
00:14:40,450 --> 00:14:35,490  
when I was a teenager and young woman

305  
00:14:45,020 --> 00:14:40,460  
they came a lot to harvest the eggs and

306  
00:14:48,140 --> 00:14:45,030  
so having served in that capacity they

307  
00:14:51,290 --> 00:14:48,150  
didn't necessarily want me to stay any

308  
00:14:55,430 --> 00:14:51,300  
longer and go through the trauma of the

309  
00:14:57,830 --> 00:14:55,440  
earth again in 1988 when they were

310  
00:15:03,740 --> 00:14:57,840  
proposing this or 89 at whatever time it

311  
00:15:06,770 --> 00:15:03,750  
was they told me that at that time only

312  
00:15:08,360 --> 00:15:06,780  
12 percent of the earth humans it looked

313  
00:15:12,920 --> 00:15:08,370

like only 12 percent we're going to go

314

00:15:15,200 --> 00:15:12,930

into the fifth dimension and while no

315

00:15:17,450 --> 00:15:15,210

one wanted to give up no one was willing

316

00:15:19,490 --> 00:15:17,460

to give up that's for sure but it felt

317

00:15:21,200 --> 00:15:19,500

it felt like I could be a better service

318

00:15:23,270 --> 00:15:21,210

on the other side so I thought that that

319

00:15:26,470 --> 00:15:23,280

was really an interesting revelation for

320

00:15:29,390 --> 00:15:26,480

me because it resolved I've had numerous

321

00:15:32,450 --> 00:15:29,400

things like that happen things that

322

00:15:34,940 --> 00:15:32,460

didn't jive things that didn't fit with

323

00:15:37,910 --> 00:15:34,950

what I thought or knew my story

324

00:15:39,590 --> 00:15:37,920

be and my my work is a volunteer and

325

00:15:41,330 --> 00:15:39,600

there'd be these things that we show up

326

00:15:43,610 --> 00:15:41,340

and I would say well that doesn't fit so

327

00:15:45,230 --> 00:15:43,620

then my tendency is to try to unravel

328

00:15:48,470 --> 00:15:45,240

the whole thing because it's a

329

00:15:50,240 --> 00:15:48,480

far-fetched story right it's crazy the

330

00:15:53,300 --> 00:15:50,250

story that I sit here and I tell most

331

00:15:57,350 --> 00:15:53,310

people are going to find it crazy very

332

00:16:00,260 --> 00:15:57,360

hard to believe and I came in as a

333

00:16:03,890 --> 00:16:00,270

Capricorn so I'm very pragmatic very

334

00:16:06,080 --> 00:16:03,900

down-to-earth so the hardest person to

335

00:16:09,760 --> 00:16:06,090

convince of this story is me there's

336

00:16:12,230 --> 00:16:09,770

nobody around who's had a harder time

337

00:16:14,240 --> 00:16:12,240

trying to swallow this than me and

338

00:16:18,230 --> 00:16:14,250

there's no one who's worked harder to

339

00:16:20,270 --> 00:16:18,240

try to disprove it than me I just didn't

340

00:16:22,340 --> 00:16:20,280

want to believe it from the get-go I've

341

00:16:23,780 --> 00:16:22,350

since I'm to the point now where I of

342

00:16:25,280 --> 00:16:23,790

course I'm speaking about I embrace it

343

00:16:28,520 --> 00:16:25,290

but every now and then when something

344

00:16:30,860 --> 00:16:28,530

like that happens when I can't pull the

345

00:16:33,230 --> 00:16:30,870

pieces together I do have a tendency to

346

00:16:35,780 --> 00:16:33,240

go oh well it's all crazy it's all crazy

347

00:16:38,210 --> 00:16:35,790

to begin with what was I thinking of

348

00:16:41,750 --> 00:16:38,220

course and go back to my 3d matrix

349

00:16:44,450 --> 00:16:41,760

thinking and I've learned to not do that

350

00:16:47,270 --> 00:16:44,460

I'm learning to not do that I'm trusting

351  
00:16:50,540 --> 00:16:47,280  
more and more and as I trust more and

352  
00:16:53,570 --> 00:16:50,550  
more the answers come more readily they

353  
00:16:56,090 --> 00:16:53,580  
come faster easier but it's one thing

354  
00:16:59,210 --> 00:16:56,100  
that da has told me right from the

355  
00:17:00,530 --> 00:16:59,220  
get-go all the way from the get-go the

356  
00:17:02,090 --> 00:17:00,540  
reason that they did some of the things

357  
00:17:03,590 --> 00:17:02,100  
that in the book if you read my book

358  
00:17:06,410 --> 00:17:03,600  
there are some things that we're done

359  
00:17:09,439 --> 00:17:06,420  
that seem cruel dropping me in the

360  
00:17:11,840 --> 00:17:09,449  
middle of the night in the Pigpen at my

361  
00:17:14,750 --> 00:17:11,850  
girlfriend's house freezing winter night

362  
00:17:15,740 --> 00:17:14,760  
with just a t-shirt and bare feet why

363  
00:17:19,430 --> 00:17:15,750

would they do such a thing

364

00:17:21,850 --> 00:17:19,440

they loved me so much why did they do

365

00:17:24,079 --> 00:17:21,860

what I call the thundering footsteps

366

00:17:27,460 --> 00:17:24,089

frightening you know so frightening the

367

00:17:30,950 --> 00:17:27,470

sounds that until I was so afraid I

368

00:17:35,650 --> 00:17:30,960

surrendered and they did a lot of

369

00:17:37,550 --> 00:17:35,660

different things that seem cruel but

370

00:17:40,700 --> 00:17:37,560

they're not in truth

371

00:17:43,430 --> 00:17:40,710

those were place markers that they put

372

00:17:45,380 --> 00:17:43,440

out there for me just like they did just

373

00:17:46,170 --> 00:17:45,390

recently when I said I wasn't going to

374

00:17:48,870 --> 00:17:46,180

have the book

375

00:17:50,460 --> 00:17:48,880

and doc came and talked to me and and

376

00:17:53,970 --> 00:17:50,470

said have you forgotten the promise you

377

00:17:57,110 --> 00:17:53,980

made and when he left he made a minor

378

00:17:59,580 --> 00:17:57,120

spectacle of himself and he does that

379

00:18:01,530 --> 00:17:59,590

flashing his face up on my ceiling in

380

00:18:03,710 --> 00:18:01,540

the middle of the night those things

381

00:18:08,000 --> 00:18:03,720

that seemed so terrifying at the time

382

00:18:11,220 --> 00:18:08,010

are done to imprint my conscious memory

383

00:18:13,890 --> 00:18:11,230

with the fact that this is real so that

384

00:18:16,230 --> 00:18:13,900

I have like a touchstone as I'm

385

00:18:18,900 --> 00:18:16,240

awakening and remembering what's gone on

386

00:18:20,220 --> 00:18:18,910

in my life and trying to gauge what's

387

00:18:24,930 --> 00:18:20,230

real and what's not real

388

00:18:27,840 --> 00:18:24,940

I have those imprints that hole anchor

389

00:18:30,960 --> 00:18:27,850

me into this world from the reality of

390

00:18:32,760 --> 00:18:30,970

the of the experience and so that's why

391

00:18:37,320 --> 00:18:32,770

they did it and they took a lot of care

392

00:18:40,680 --> 00:18:37,330

to to do that for me and I'm grateful

393

00:18:44,760 --> 00:18:40,690

for it and so as I move forward in my

394

00:18:47,490 --> 00:18:44,770

work as a volunteer I got my way

395

00:18:49,200 --> 00:18:47,500

I didn't leave of course via a car what

396

00:18:54,660 --> 00:18:49,210

car accident I wouldn't leave my

397

00:18:58,170 --> 00:18:54,670

children I refused to go and I stayed

398

00:19:00,360 --> 00:18:58,180

and so if I was going to stay then the

399

00:19:03,000 --> 00:19:00,370

next phase was that I needed to then

400

00:19:06,120 --> 00:19:03,010

eventually write this book and do this

401  
00:19:07,740 --> 00:19:06,130  
work so that's fine that was what was on

402  
00:19:10,440 --> 00:19:07,750  
proton tap for me anyway that was the

403  
00:19:12,810 --> 00:19:10,450  
program I had and we all have exit

404  
00:19:15,120 --> 00:19:12,820  
points in our lives as we move along

405  
00:19:17,400 --> 00:19:15,130  
through we we set our lives up that way

406  
00:19:19,230 --> 00:19:17,410  
that we have exit points where if we

407  
00:19:22,950 --> 00:19:19,240  
decided that we no longer want to stay

408  
00:19:25,080 --> 00:19:22,960  
we can we can take that exit and I have

409  
00:19:29,010 --> 00:19:25,090  
them in my life like everyone does and I

410  
00:19:31,590 --> 00:19:29,020  
had the option but I didn't take it so

411  
00:19:33,570 --> 00:19:31,600  
I'm I'm staying I stayed on and I'm

412  
00:19:36,870 --> 00:19:33,580  
willing to continue to do this work as a

413  
00:19:40,680 --> 00:19:36,880

volunteer and it means putting myself

414

00:19:43,310 --> 00:19:40,690

out here and talking about things that a

415

00:19:49,080 --> 00:19:43,320

lot of people are uncomfortable with and

416

00:19:51,090 --> 00:19:49,090

what I've come to understand is that the

417

00:19:55,530 --> 00:19:51,100

abduction story is a story that

418

00:19:56,040 --> 00:19:55,540

intrigues people and so it gets their

419

00:19:58,080 --> 00:19:56,050

attention

420

00:19:59,110 --> 00:19:58,090

whether they believe it or not it still

421

00:20:04,180 --> 00:19:59,120

gets their attention

422

00:20:05,860 --> 00:20:04,190

and some will listen to it openly and

423

00:20:08,290 --> 00:20:05,870

with acceptance depending on their own

424

00:20:10,150 --> 00:20:08,300

experiences other people will have

425

00:20:10,720 --> 00:20:10,160

resistance to it and dismiss it out of

426  
00:20:14,920 --> 00:20:10,730  
hand

427  
00:20:16,570 --> 00:20:14,930  
I can't probably reach those people it's

428  
00:20:17,860 --> 00:20:16,580  
the people who are in between there

429  
00:20:21,010 --> 00:20:17,870  
somewhere who are curious enough to

430  
00:20:23,340 --> 00:20:21,020  
listen to what I have to say and be open

431  
00:20:27,640 --> 00:20:23,350  
enough to at least consider it somewhat

432  
00:20:29,920 --> 00:20:27,650  
and to them I would say that I'm

433  
00:20:31,450 --> 00:20:29,930  
grateful that they listened but I I

434  
00:20:34,150 --> 00:20:31,460  
really don't care if they believe my

435  
00:20:37,570 --> 00:20:34,160  
story or not because all I want to do is

436  
00:20:41,650 --> 00:20:37,580  
get your attention so that I can trigger

437  
00:20:43,660 --> 00:20:41,660  
in you and be a catalyst for you to say

438  
00:20:45,880 --> 00:20:43,670

well okay

439

00:20:48,580 --> 00:20:45,890

I can't by what she's saying it's too

440

00:20:51,130 --> 00:20:48,590

far out or I don't agree with this but I

441

00:20:54,340 --> 00:20:51,140

agree with that that's fine what I say

442

00:20:57,190 --> 00:20:54,350

is just go within I'm asking people to

443

00:20:59,530 --> 00:20:57,200

go within and find their own truth as to

444

00:21:00,970 --> 00:20:59,540

who they are because that's the big

445

00:21:04,900 --> 00:21:00,980

question everyone should be asking

446

00:21:07,240 --> 00:21:04,910

themselves right now is who am i why am

447

00:21:09,160 --> 00:21:07,250

I here what's this all about

448

00:21:12,850 --> 00:21:09,170

because as we move forward into the

449

00:21:15,130 --> 00:21:12,860

fifth dimension it is true that we all

450

00:21:18,370 --> 00:21:15,140

will have the opportunity to evolve with

451  
00:21:22,030 --> 00:21:18,380  
Gaia as she moves along that path is

452  
00:21:25,810 --> 00:21:22,040  
moving along that path rapidly but those

453  
00:21:27,730 --> 00:21:25,820  
who don't resonate with her will reach a

454  
00:21:31,180 --> 00:21:27,740  
certain level and cannot go any further

455  
00:21:35,290 --> 00:21:31,190  
and so everyone will go to the level

456  
00:21:37,510 --> 00:21:35,300  
that they are able to go to and we have

457  
00:21:41,740 --> 00:21:37,520  
this amazing opportunity to go all the

458  
00:21:43,210 --> 00:21:41,750  
way to the fifth dimension and we would

459  
00:21:46,140 --> 00:21:43,220  
just like to see as many of the earth

460  
00:21:48,550 --> 00:21:46,150  
humans as possible make that because

461  
00:21:50,260 --> 00:21:48,560  
while the third dimension was a very

462  
00:21:53,860 --> 00:21:50,270  
tough place on planet Earth the fourth

463  
00:21:55,930 --> 00:21:53,870

dimension is the cleansing more or less

464

00:21:57,910 --> 00:21:55,940

it's the looking at what we've created

465

00:22:02,080 --> 00:21:57,920

and recognizing that we are the creators

466

00:22:03,580 --> 00:22:02,090

of our own planet of our own reality the

467

00:22:05,470 --> 00:22:03,590

fifth dimension is where we move out of

468

00:22:08,470 --> 00:22:05,480

that we will move out of the world of

469

00:22:10,570 --> 00:22:08,480

duality third dimensional and fourth

470

00:22:13,470 --> 00:22:10,580

dimensional earth is a world of duality

471

00:22:15,400 --> 00:22:13,480

you've still got the polarities

472

00:22:17,410 --> 00:22:15,410

and as long as you still have the

473

00:22:19,750 --> 00:22:17,420

polarities there's still that

474

00:22:25,600 --> 00:22:19,760

opportunity for you to be enslaved and

475

00:22:28,330 --> 00:22:25,610

controlled especially in a planet that's

476  
00:22:32,880 --> 00:22:28,340  
been enslaved the way this one has been

477  
00:22:39,940 --> 00:22:36,250  
through the media television news

478  
00:22:43,840 --> 00:22:39,950  
through so many different ways were

479  
00:22:50,140 --> 00:22:43,850  
being kept distracted and we're being

480  
00:22:52,510 --> 00:22:50,150  
lied to and and hypnotized in so many

481  
00:22:57,660 --> 00:22:52,520  
different ways so it's a real challenge

482  
00:23:01,170 --> 00:22:57,670  
to awaken to get these humans to awaken

483  
00:23:04,630 --> 00:23:01,180  
because they've been taught to laugh and

484  
00:23:06,670 --> 00:23:04,640  
ridicule anything that is outside of

485  
00:23:10,420 --> 00:23:06,680  
this narrow band of what is called

486  
00:23:12,340 --> 00:23:10,430  
supposedly called normal and so trying

487  
00:23:14,770 --> 00:23:12,350  
to get them to think outside the box is

488  
00:23:19,210 --> 00:23:14,780

a real challenge they're afraid of being

489

00:23:21,630 --> 00:23:19,220

ridiculed themselves laughed at and they

490

00:23:24,550 --> 00:23:21,640

just and even those who are wanting to

491

00:23:26,320 --> 00:23:24,560

look outside the box and try to view

492

00:23:29,530 --> 00:23:26,330

life from a higher perspective or from

493

00:23:32,650 --> 00:23:29,540

at least a different perspective they're

494

00:23:33,910 --> 00:23:32,660

so distracted and the power the

495

00:23:35,620 --> 00:23:33,920

controllers of the planet you know

496

00:23:37,510 --> 00:23:35,630

they're there they've been working hard

497

00:23:42,430 --> 00:23:37,520

to make sure that they're distracted by

498

00:23:47,260 --> 00:23:42,440

you know financial issues and weather

499

00:23:49,270 --> 00:23:47,270

issues and health issues and all kinds

500

00:23:50,650 --> 00:23:49,280

of everything the wars and anything that

501  
00:23:52,920 --> 00:23:50,660  
commit they can throw at us they're

502  
00:23:56,740 --> 00:23:52,930  
thrown at us

503  
00:24:01,470 --> 00:23:56,750  
if only the earth humans would see that

504  
00:24:05,950 --> 00:24:01,480  
that's a game and look right through it

505  
00:24:07,270 --> 00:24:05,960  
stop listening to the news you really

506  
00:24:10,960 --> 00:24:07,280  
won't die if you don't know what's

507  
00:24:13,030 --> 00:24:10,970  
happening out there you have to have a

508  
00:24:15,160 --> 00:24:13,040  
certain level of awareness certainly and

509  
00:24:18,370 --> 00:24:15,170  
you can get it from other sources than

510  
00:24:20,800 --> 00:24:18,380  
the major news sources that are

511  
00:24:24,430 --> 00:24:20,810  
available to us the primary ones that we

512  
00:24:27,020 --> 00:24:24,440  
all think of and instead look elsewhere

513  
00:24:29,180 --> 00:24:27,030

and but mostly

514

00:24:32,750 --> 00:24:29,190

but most of it go I think I would say

515

00:24:36,560 --> 00:24:32,760

because it's not really that important

516

00:24:39,350 --> 00:24:36,570

it's it's like it's like playing the big

517

00:24:40,790 --> 00:24:39,360

game of Monopoly it doesn't at the end

518

00:24:43,550 --> 00:24:40,800

of the day it's not going to mean

519

00:24:46,610 --> 00:24:43,560

anything so what if you are on boardwalk

520

00:24:51,080 --> 00:24:46,620

and I own maverick place or whatever

521

00:24:52,790 --> 00:24:51,090

it's called it doesn't matter so humans

522

00:24:55,340 --> 00:24:52,800

need to understand what that what's

523

00:24:56,990 --> 00:24:55,350

important right now is the evolution of

524

00:24:59,210 --> 00:24:57,000

their soul the awakening of their soul

525

00:25:01,310 --> 00:24:59,220

they're sold as yearning to awaken

526  
00:25:03,440 --> 00:25:01,320  
that's why they sign on to come here I'm

527  
00:25:06,230 --> 00:25:03,450  
not the only one who came here with a

528  
00:25:10,430 --> 00:25:06,240  
purpose every person every soul has a

529  
00:25:11,750 --> 00:25:10,440  
purpose so that's the thing that

530  
00:25:14,390 --> 00:25:11,760  
everyone should be asking themselves

531  
00:25:17,480 --> 00:25:14,400  
what is my purpose what's what function

532  
00:25:22,580 --> 00:25:17,490  
did my father give me to fulfill in this

533  
00:25:26,660 --> 00:25:22,590  
in this world the whole that's the other

534  
00:25:29,330 --> 00:25:26,670  
thing is this whole thing of karma the

535  
00:25:31,520 --> 00:25:29,340  
idea that we currently incarnated on to

536  
00:25:33,920 --> 00:25:31,530  
the planet and came here to learn

537  
00:25:36,760 --> 00:25:33,930  
lessons is another thing that needs to

538  
00:25:40,610 --> 00:25:36,770

be looked at and dismissed let go of

539

00:25:44,390 --> 00:25:40,620

karma is karma is the game of the ego

540

00:25:48,140 --> 00:25:44,400

the fear-based little self that has been

541

00:25:49,760 --> 00:25:48,150

controlling the planet which is within

542

00:25:54,290 --> 00:25:49,770

each and every one of us because we are

543

00:25:57,230 --> 00:25:54,300

dual minded so karma was created to make

544

00:25:59,690 --> 00:25:57,240

us believe in our littleness in our

545

00:26:02,150 --> 00:25:59,700

belief that we're not good enough and to

546

00:26:05,000 --> 00:26:02,160

keep us tied to this planet

547

00:26:07,810 --> 00:26:05,010

you don't evolve once you're on planet

548

00:26:10,730 --> 00:26:07,820

earth it's very very hard to move out of

549

00:26:14,090 --> 00:26:10,740

planet Earth you do get stuck here

550

00:26:18,890 --> 00:26:14,100

unless you become enlightened which is

551  
00:26:22,340 --> 00:26:18,900  
very rare so karma has been a game that

552  
00:26:25,310 --> 00:26:22,350  
was enacted on the planet and I

553  
00:26:27,290 --> 00:26:25,320  
certainly bought into it when I was in

554  
00:26:30,050 --> 00:26:27,300  
the matrix and believed I thought that

555  
00:26:31,820 --> 00:26:30,060  
it was a perfectly reasonable way of

556  
00:26:37,040 --> 00:26:31,830  
looking at things that you had to work

557  
00:26:38,510 --> 00:26:37,050  
your way back home to God and that there

558  
00:26:40,220 --> 00:26:38,520  
were lessons and that after every

559  
00:26:40,910 --> 00:26:40,230  
lifetime you reviewed it and you saw

560  
00:26:42,440 --> 00:26:40,920  
where you fail

561  
00:26:45,050 --> 00:26:42,450  
Elden where you didn't do well in that

562  
00:26:46,820 --> 00:26:45,060  
you needed to learn more now when I look

563  
00:26:48,770 --> 00:26:46,830

at it I mean it makes me laugh to think

564

00:26:50,540 --> 00:26:48,780

that I believe that because the truth of

565

00:26:54,320 --> 00:26:50,550

it is is that we were created perfect

566

00:26:57,080 --> 00:26:54,330

and always to do is wake up and remember

567

00:27:00,440 --> 00:26:57,090

the truth of who we are yes we make

568

00:27:02,360 --> 00:27:00,450

mistakes or three-dimensional means were

569

00:27:03,980 --> 00:27:02,370

experiencing a three-dimensional world

570

00:27:07,160 --> 00:27:03,990

of duality so there's going to be

571

00:27:11,000 --> 00:27:07,170

mistakes but there's no such thing as a

572

00:27:12,860 --> 00:27:11,010

sin sin does not our father mother God

573

00:27:17,660 --> 00:27:12,870

does not look at us and consider

574

00:27:20,300 --> 00:27:17,670

anything that we do a sin nothing it's

575

00:27:24,950 --> 00:27:20,310

not possible because we are created as

576

00:27:27,440 --> 00:27:24,960

an extension of our Creator our God so

577

00:27:29,750 --> 00:27:27,450

the whole karma thing is going away it's

578

00:27:31,730 --> 00:27:29,760

falling away it's tumbling which is good

579

00:27:34,720 --> 00:27:31,740

because that that's another just another

580

00:27:38,930 --> 00:27:34,730

way of keeping us trapped and enslaved

581

00:27:40,580 --> 00:27:38,940

so it's just me saying this to people

582

00:27:42,980 --> 00:27:40,590

who are might take offense at it if they

583

00:27:44,180 --> 00:27:42,990

haven't already heard this you know they

584

00:27:46,760 --> 00:27:44,190

might need to be with that for a while

585

00:27:49,760 --> 00:27:46,770

they might have some problems accepting

586

00:27:51,650 --> 00:27:49,770

that and again I would just ask that

587

00:27:53,450 --> 00:27:51,660

just if it doesn't resonate with their

588

00:27:55,700 --> 00:27:53,460

heart then that's fine just let it be

589

00:27:57,890 --> 00:27:55,710

and that's true of anything that anyone

590

00:27:59,330 --> 00:27:57,900

says you should always let it run it

591

00:28:03,290 --> 00:27:59,340

through your own heart and see how it

592

00:28:06,370 --> 00:28:03,300

feels I did a lot of that and eventually

593

00:28:08,690 --> 00:28:06,380

it just leads you to the truth it has to

594

00:28:10,670 --> 00:28:08,700

if you're being honest with yourself

595

00:28:13,250 --> 00:28:10,680

your ego will get in there and lie to

596

00:28:17,530 --> 00:28:13,260

you sometimes and you have to learn to

597

00:28:19,970 --> 00:28:17,540

discern what is the truth and what is

598

00:28:21,590 --> 00:28:19,980

what your ego is presenting to you is

599

00:28:24,140 --> 00:28:21,600

the truth and saying to you no no no

600

00:28:25,640 --> 00:28:24,150

come over here and believe this because

601  
00:28:27,860 --> 00:28:25,650  
isn't this what you always believed and

602  
00:28:29,480 --> 00:28:27,870  
isn't doesn't this make more sense so if

603  
00:28:32,000 --> 00:28:29,490  
you start analyzing then you know that

604  
00:28:35,080 --> 00:28:32,010  
you're an eagle and that you're you're

605  
00:28:37,310 --> 00:28:35,090  
not looking at it through your heart the

606  
00:28:39,080 --> 00:28:37,320  
idea that some would be taken off the

607  
00:28:43,420 --> 00:28:39,090  
eye some would be taken off the planet

608  
00:28:46,040 --> 00:28:43,430  
that is what I was told back in 1988

609  
00:28:48,290 --> 00:28:46,050  
when I was doing the light reading and I

610  
00:28:51,890 --> 00:28:48,300  
explained to me about the earth changes

611  
00:28:54,890 --> 00:28:51,900  
and I had a real problem with that at a

612  
00:28:57,020 --> 00:28:54,900  
real problem that some would stay in the

613  
00:28:59,720 --> 00:28:57,030

and go to this supposed wonderful place

614

00:29:01,070 --> 00:28:59,730

but I had questions about that because

615

00:29:02,720 --> 00:29:01,080

they had shown me the planet being

616

00:29:04,460 --> 00:29:02,730

destroyed when I was a little girl

617

00:29:06,350 --> 00:29:04,470

and I thought well why would that be a

618

00:29:08,780 --> 00:29:06,360

good thing for those who were able to

619

00:29:11,060 --> 00:29:08,790

resonate with a higher vibration and who

620

00:29:13,670 --> 00:29:11,070

had you know evolved to that point

621

00:29:19,460 --> 00:29:13,680

didn't seem like a very good thing but

622

00:29:21,440 --> 00:29:19,470

I've since come to understand that the

623

00:29:24,500 --> 00:29:21,450

scenario that was in play at that time

624

00:29:26,930 --> 00:29:24,510

has changed because we do create our

625

00:29:28,310 --> 00:29:26,940

reality through our thoughts and through

626

00:29:32,930 --> 00:29:28,320

our vibration and through the collective

627

00:29:36,920 --> 00:29:32,940

so now it's it's always changing it's

628

00:29:40,520 --> 00:29:36,930

always changing and as dad told me even

629

00:29:42,680 --> 00:29:40,530

back then there is the hope that if

630

00:29:43,910 --> 00:29:42,690

enough people if there's enough level of

631

00:29:47,210 --> 00:29:43,920

vibration it will have the effect of

632

00:29:49,130 --> 00:29:47,220

pulling all up I don't know if that's

633

00:29:50,330 --> 00:29:49,140

happened there are some spiritual

634

00:29:55,820 --> 00:29:50,340

teachers who are saying that that has

635

00:29:57,140 --> 00:29:55,830

happened but as far as going taking some

636

00:29:59,510 --> 00:29:57,150

off the planet and going to another

637

00:30:02,960 --> 00:29:59,520

third dimensional planet I don't

638

00:30:05,440 --> 00:30:02,970

personally I don't think I belong to

639

00:30:08,120 --> 00:30:05,450

happen I think that that's changed I

640

00:30:11,330 --> 00:30:08,130

think that that was the plan when it was

641

00:30:14,510 --> 00:30:11,340

going to be only maybe 20% at most that

642

00:30:18,530 --> 00:30:14,520

we're going to evolve then what rather

643

00:30:20,750 --> 00:30:18,540

than have this terrible catastrophe

644

00:30:22,370 --> 00:30:20,760

happen on planet earth the way that it

645

00:30:24,620 --> 00:30:22,380

was going to be done with this I think

646

00:30:27,140 --> 00:30:24,630

it was planned that like an asteroid

647

00:30:29,630 --> 00:30:27,150

would hit the planet and this what the

648

00:30:32,120 --> 00:30:29,640

oceans would would sweep in and sweep

649

00:30:34,460 --> 00:30:32,130

everyone which is similar to what had

650

00:30:37,790 --> 00:30:34,470

happened like atlantis and lemuria

651  
00:30:40,360 --> 00:30:37,800  
so instead of that it was going to be

652  
00:30:43,370 --> 00:30:40,370  
that we're literally we're going to take

653  
00:30:45,440 --> 00:30:43,380  
the third dimensional beings who still

654  
00:30:47,870 --> 00:30:45,450  
wanted to stay in a dual based system

655  
00:30:49,910 --> 00:30:47,880  
take them to another planet similar to

656  
00:30:54,890 --> 00:30:49,920  
earth and allow them to continue on

657  
00:30:58,640 --> 00:30:54,900  
their journey of awakening but I believe

658  
00:31:01,220 --> 00:30:58,650  
that we've made it far enough along to

659  
00:31:04,490 --> 00:31:01,230  
where it's just going to be more of a

660  
00:31:07,070 --> 00:31:04,500  
natural if you can have a natural

661  
00:31:08,240 --> 00:31:07,080  
ascension in the body but humans are

662  
00:31:11,870 --> 00:31:08,250  
going to

663  
00:31:13,760 --> 00:31:11,880

and go into the fifth dimension I don't

664

00:31:15,800 --> 00:31:13,770

know if it's going to be in the blink of

665

00:31:17,690 --> 00:31:15,810

an eye like some are saying or take time

666

00:31:21,680 --> 00:31:17,700

again that's up to the human collective

667

00:31:25,460 --> 00:31:21,690

but those who are not ready to go will

668

00:31:28,460 --> 00:31:25,470

incarnate they will just reincarnate

669

00:31:29,870 --> 00:31:28,470

unto into a new body on another third

670

00:31:32,000 --> 00:31:29,880

dimensional planet there are other third

671

00:31:33,530 --> 00:31:32,010

dimensional planets and because I don't

672

00:31:36,590 --> 00:31:33,540

think that it's going to be that large

673

00:31:39,050 --> 00:31:36,600

of a number whereas before having it be

674

00:31:41,690 --> 00:31:39,060

most of the earth humans it was a

675

00:31:43,570 --> 00:31:41,700

different scenario and also because the

676

00:31:48,500 --> 00:31:43,580

vibration of those earth humans was

677

00:31:50,180 --> 00:31:48,510

fairly low and now everyone is awakening

678

00:31:51,350 --> 00:31:50,190

to some extent it seems like I think

679

00:31:55,220 --> 00:31:51,360

there's an awareness level that's

680

00:31:58,970 --> 00:31:55,230

happening so it's an ongoing process and

681

00:32:01,580 --> 00:31:58,980

it's if it happens if it's extended out

682

00:32:04,790 --> 00:32:01,590

over so long a period of time it is true

683

00:32:07,730 --> 00:32:04,800

that certainly every soul on the planet

684

00:32:09,560 --> 00:32:07,740

can can get to to that dimension to that

685

00:32:13,370 --> 00:32:09,570

fifth dimension that's the hope because

686

00:32:16,970 --> 00:32:13,380

it has as those who are leading the pack

687

00:32:19,910 --> 00:32:16,980

is fast vibrationally they will

688

00:32:22,400 --> 00:32:19,920

demonstrate to others and they will have

689

00:32:24,350 --> 00:32:22,410

the effect of pulling their vibration up

690

00:32:26,540 --> 00:32:24,360

and bringing them into awareness just

691

00:32:27,920 --> 00:32:26,550

through the demonstration of their lives
