1
00:00:11,900 --> 00:00:08,259

[Music]

2
00:00:14,379 --> 00:00:11,910

my name is Sheri Wilde and I am the

3
00:00:18,109 --> 00:00:14,389

author of the book The Forgotten promise

4
00:00:20,870 --> 00:00:18,119

which tells the story of my abduction

5
00:00:25,929 --> 00:00:20,880

experiences I prefer to call them

6
00:00:29,450 --> 00:00:25,939

encounters so I tell how I went through

7
00:00:32,569 --> 00:00:29,460

the whole process of coming into the

8
00:00:35,569 --> 00:00:32,579

awareness of the fact that I was being

9
00:00:39,740 --> 00:00:35,579

taken by these beings these entities

10
00:00:41,090 --> 00:00:39,750

from another world and the process that

11
00:00:45,260 --> 00:00:41,100

I went through to come to terms with it

12
00:00:47,709 --> 00:00:45,270

the fear the disbelief the bargaining

13
00:00:50,209 --> 00:00:47,719

everything that's involved with

14

00:00:53,119 --> 00:00:50,219

being forced to believe something that

15

00:00:55,490 --> 00:00:53,129

you previously didn't even know was

16

00:01:00,110 --> 00:00:55,500

possible and then to find out that it's

17

00:01:02,959 --> 00:01:00,120

happening in your world so I'm already

18

00:01:05,170 --> 00:01:02,969

talked a little bit about that so now

19

00:01:08,600 --> 00:01:05,180

I'm going to share a little bit more of

20

00:01:10,910 --> 00:01:08,610

what it's like to be what I eventually

21

00:01:16,510 --> 00:01:10,920

found myself to be not an abductee not a

22

00:01:20,840 --> 00:01:16,520

victim but a volunteer that is that I

23

00:01:23,660 --> 00:01:20,850

made the decision the choice to come to

24

00:01:26,480 --> 00:01:23,670

Planet Earth and along with millions of

25

00:01:29,359 --> 00:01:26,490

others nothing special about this

26
00:01:31,100 --> 00:01:29,369
actually everyone on the planet is here

27
00:01:34,100 --> 00:01:31,110
for a purpose everyone has a role to

28
00:01:36,410 --> 00:01:34,110
play in this wonderful time that we're

29
00:01:41,420 --> 00:01:36,420
going through mine just happens to be

30
00:01:45,499 --> 00:01:41,430
that I came in from another dimension

31
00:01:48,710 --> 00:01:45,509
and the purpose of the plan was to raise

32
00:01:52,130 --> 00:01:48,720
the vibration of the planet so of

33
00:01:55,340 --> 00:01:52,140
humanity in order to assist humanity in

34
00:01:59,780 --> 00:01:55,350
possibly awakening in time to go with

35
00:02:02,120 --> 00:01:59,790
Gaia into the fifth dimension so the

36
00:02:05,209 --> 00:02:02,130
whole reason that the call went out from

37
00:02:08,449 --> 00:02:05,219
Gaia to for volunteers in around the

38
00:02:13,820 --> 00:02:08,459

linear year 1945 is because of the

39

00:02:21,440 --> 00:02:16,420

she made that decision at that time to

40

00:02:23,630 --> 00:02:21,450

go on to the next chain opportunity she

41

00:02:26,960 --> 00:02:23,640

had to go on to the fifth dimension with

42

00:02:31,550 --> 00:02:26,970

or without her children and my guys told

43

00:02:36,050 --> 00:02:31,560

me that in 19 would have been like 1989

44

00:02:38,420 --> 00:02:36,060

I believe that da told me when he was

45

00:02:41,210 --> 00:02:38,430

teaching me to be a light worker what he

46

00:02:43,640 --> 00:02:41,220

did is he taught me to read people's

47

00:02:47,630 --> 00:02:43,650

light but their vibration by looking

48

00:02:51,440 --> 00:02:47,640

into their eyes and I had an opportunity

49

00:02:54,260 --> 00:02:51,450

to do that for two 1/2 days it was a lot

50

00:02:55,760 --> 00:02:54,270

of fun and basically I would just look

51
00:02:58,280 --> 00:02:55,770
into a person's eyes and I could

52
00:03:01,190 --> 00:02:58,290
register I was given the tools to

53
00:03:03,050 --> 00:03:01,200
register their light vibration and then

54
00:03:06,290 --> 00:03:03,060
I would get you are staying or you are

55
00:03:07,850 --> 00:03:06,300
leaving and when I asked him what that

56
00:03:11,510 --> 00:03:07,860
was all about he told me that was the

57
00:03:13,070 --> 00:03:11,520
first time I ever heard about because I

58
00:03:14,540 --> 00:03:13,080
was on this side of the veil on this

59
00:03:16,130 --> 00:03:14,550
side the veil that I heard about the

60
00:03:18,620 --> 00:03:16,140
whole ascension thing and he said that

61
00:03:20,600 --> 00:03:18,630
it was an absolute that planet Earth was

62
00:03:22,490 --> 00:03:20,610
going to go into the higher frequencies

63
00:03:26,660 --> 00:03:22,500

and those of her children who were ready

64

00:03:28,970 --> 00:03:26,670

to go with her would be allowed to do so

65

00:03:32,120 --> 00:03:28,980

because they had been in domination long

66

00:03:34,009 --> 00:03:32,130

enough and those who are not ready that

67

00:03:36,020 --> 00:03:34,019

was fine but they would be taken to

68

00:03:38,960 --> 00:03:36,030

another planet another third dimensional

69

00:03:42,199 --> 00:03:38,970

planet to continue on their journey so

70

00:03:44,300 --> 00:03:42,209

that was pretty surprising to me but

71

00:03:47,840 --> 00:03:44,310

that is the way that it happened on

72

00:03:50,120 --> 00:03:47,850

planet Earth so in 1987 when we had the

73

00:03:52,490 --> 00:03:50,130

harmonic convergence that was part of

74

00:03:54,920 --> 00:03:52,500

the plan - in nineteen so in 1945 Gaia

75

00:03:58,180 --> 00:03:54,930

asked for assistance and it was decided

76

00:04:03,910 --> 00:03:58,190

that we would flood the planet with

77

00:04:06,440 --> 00:04:03,920

souls coming on to incarnate in body in

78

00:04:08,390 --> 00:04:06,450

the hopes that that would help raise the

79

00:04:13,699 --> 00:04:08,400

vibration the awareness and it would

80

00:04:15,050 --> 00:04:13,709

trigger others to remember and then they

81

00:04:16,699 --> 00:04:15,060

would also flood the planet with all

82

00:04:20,090 --> 00:04:16,709

this love and light and that was the

83

00:04:21,979 --> 00:04:20,100

harmonic convergence in 1987 and that

84

00:04:24,409 --> 00:04:21,989

those days in August's were powerful

85

00:04:27,770 --> 00:04:24,419

days for me those were the days where I

86

00:04:30,110 --> 00:04:27,780

basically feel like I got

87

00:04:32,570 --> 00:04:30,120

my orders and it was very soon after

88

00:04:35,000 --> 00:04:32,580

that that I started having the

89

00:04:38,450 --> 00:04:35,010

encounters I had that that period of

90

00:04:40,670 --> 00:04:38,460

activity in 1988 I was regressed and I

91

00:04:44,300 --> 00:04:40,680

my memory was opened up and I remembered

92

00:04:49,220 --> 00:04:44,310

that I was I became aware that I was

93

00:04:50,840 --> 00:04:49,230

being abducted so there's like two

94

00:04:52,129 --> 00:04:50,850

aspects to it you know there's me on

95

00:04:55,159 --> 00:04:52,139

this side of the veil and then there's

96

00:04:57,220 --> 00:04:55,169

the me that was there before I came here

97

00:04:59,900 --> 00:04:57,230

the mead that's on this side of the veil

98

00:05:03,530 --> 00:04:59,910

reacted in terror to the fact that I was

99

00:05:06,230 --> 00:05:03,540

being taken and I had a lot of fear for

100

00:05:08,000 --> 00:05:06,240

a lot of time a long time until I start

101
00:05:09,920 --> 00:05:08,010
to put the pieces together and start to

102
00:05:12,170 --> 00:05:09,930
realize the things they were teaching me

103
00:05:14,300 --> 00:05:12,180
like to be a light reader I mean I had

104
00:05:17,210 --> 00:05:14,310
conscious recall of him telling me this

105
00:05:19,310 --> 00:05:17,220
story I had conscious awareness of the

106
00:05:23,630 --> 00:05:19,320
fact that I was reading people's light

107
00:05:25,460 --> 00:05:23,640
their vibration so I couldn't reconcile

108
00:05:28,940 --> 00:05:25,470
the fact that they could be teaching me

109
00:05:30,409 --> 00:05:28,950
those things and still be evil and what

110
00:05:32,600 --> 00:05:30,419
I discovered was that as long as I was

111
00:05:34,580 --> 00:05:32,610
trying to analyze it and think my way

112
00:05:38,270 --> 00:05:34,590
through who are these beings what are

113
00:05:42,590 --> 00:05:38,280

they all about that I was running into

114

00:05:45,020 --> 00:05:42,600

fear and I was listening to the people

115

00:05:47,260 --> 00:05:45,030

around me the investigators and their

116

00:05:50,930 --> 00:05:47,270

conclusion was that it was a negative

117

00:05:52,820 --> 00:05:50,940

experience and anything that you would

118

00:05:58,880 --> 00:05:52,830

read or any of the conference's that I

119

00:06:01,700 --> 00:05:58,890

went to it was all fear-based I started

120

00:06:07,540 --> 00:06:01,710

to listen to my heart when there came a

121

00:06:10,969 --> 00:06:07,550

time when I was at a conference and and

122

00:06:13,760 --> 00:06:10,979

who was the guy he's very well known one

123

00:06:15,140 --> 00:06:13,770

of the guys who who did regressions and

124

00:06:17,990 --> 00:06:15,150

I can't think of his name right now and

125

00:06:19,779 --> 00:06:18,000

he was saying that that they were

126
00:06:21,950 --> 00:06:19,789
studying children who had been abducted

127
00:06:26,240 --> 00:06:21,960
children who had been taken and shown

128
00:06:27,980 --> 00:06:26,250
the planet being destroyed as he was up

129
00:06:29,360 --> 00:06:27,990
on the stage and he said we believe that

130
00:06:30,860 --> 00:06:29,370
the reason that they're doing this the

131
00:06:33,920 --> 00:06:30,870
aliens are doing this to these children

132
00:06:36,589 --> 00:06:33,930
is because they want to study our

133
00:06:39,710 --> 00:06:36,599
emotions we don't believe that ETS have

134
00:06:40,749 --> 00:06:39,720
any emotions they're very aloof and so

135
00:06:42,519 --> 00:06:40,759
there

136
00:06:44,610 --> 00:06:42,529
or they're wanting to know how to have

137
00:06:48,700 --> 00:06:44,620
these emotions are curious whatever and

138
00:06:52,019 --> 00:06:48,710

when I heard him to say that I knew here

139

00:06:54,670 --> 00:06:52,029

in my heart that that was not true I

140

00:06:56,829 --> 00:06:54,680

didn't have time to analyze it and so I

141

00:06:58,179 --> 00:06:56,839

listened to my heart and I had all I

142

00:07:00,010 --> 00:06:58,189

could do to keep from jumping up and

143

00:07:03,700 --> 00:07:00,020

saying no that's you're wrong about that

144

00:07:05,320 --> 00:07:03,710

that's not the way that it is and that's

145

00:07:07,450 --> 00:07:05,330

was the turning point for me and I

146

00:07:09,969 --> 00:07:07,460

started to go out I know more than I

147

00:07:13,389 --> 00:07:09,979

think I know about what's going on with

148

00:07:15,309 --> 00:07:13,399

me and I need to redirect my study and

149

00:07:17,200 --> 00:07:15,319

stop analyzing and picking apart

150

00:07:20,769 --> 00:07:17,210

everything and looking at it that way I

151
00:07:24,040 --> 00:07:20,779
need to just just allow my my heart to

152
00:07:26,860 --> 00:07:24,050
guide me my inner knowingness so that's

153
00:07:29,920 --> 00:07:26,870
was the beginning of my coming to terms

154
00:07:32,739 --> 00:07:29,930
with why this was happening to me but it

155
00:07:35,649 --> 00:07:32,749
was a long journey and there was an

156
00:07:38,049 --> 00:07:35,659
agenda a timeline that they had set and

157
00:07:39,939 --> 00:07:38,059
I I had set with them I guess and truth

158
00:07:43,769 --> 00:07:39,949
because I planned my life before I came

159
00:07:47,469 --> 00:07:43,779
here when I volunteered to come here I

160
00:07:51,579 --> 00:07:47,479
was a sixth dimensional being I was not

161
00:07:55,300 --> 00:07:51,589
informed I was at a third body and I

162
00:07:58,209 --> 00:07:55,310
have not been in form at this up to this

163
00:08:01,989 --> 00:07:58,219

point and so coming into the third

164

00:08:04,779 --> 00:08:01,999

dimension was a challenge but it was one

165

00:08:09,420 --> 00:08:04,789

that I wanted I came to be of service to

166

00:08:12,549 --> 00:08:09,430

Gaia absolutely love this planet and

167

00:08:14,499 --> 00:08:12,559

would do anything for her and I could

168

00:08:17,860 --> 00:08:14,509

see you know this plan it was a

169

00:08:19,540 --> 00:08:17,870

make-it-or-break-it besides it was a

170

00:08:21,760 --> 00:08:19,550

last-ditch effort it was a last chance

171

00:08:23,829 --> 00:08:21,770

if the first therapist all wanted to

172

00:08:25,839 --> 00:08:23,839

come onto Gaia it was one of the last

173

00:08:28,089 --> 00:08:25,849

chances to opportunities to do so

174

00:08:29,980 --> 00:08:28,099

because she was going in to the higher

175

00:08:31,360 --> 00:08:29,990

frequency she was going going to ascend

176

00:08:34,029 --> 00:08:31,370

to the fourth and in the fifth dimension

177

00:08:37,149 --> 00:08:34,039

and the third dimensional planet of

178

00:08:41,860 --> 00:08:37,159

Earth was going to be no more and it is

179

00:08:44,350 --> 00:08:41,870

no more and planet Earth and the third

180

00:08:49,139 --> 00:08:44,360

dimensional planet Earth was quite the

181

00:08:52,929 --> 00:08:49,149

place as many of us know and it was

182

00:08:54,370 --> 00:08:52,939

dominated by fear and controlled by fear

183

00:09:00,040 --> 00:08:54,380

it was created by fear it was

184

00:09:02,320 --> 00:09:00,050

not created by those that that always

185

00:09:06,400 --> 00:09:02,330

saw the planet and eventually seeded the

186

00:09:09,790 --> 00:09:06,410

planet the free will of the humans who

187

00:09:12,390 --> 00:09:09,800

lived on planet Earth their free will

188

00:09:16,140 --> 00:09:12,400

was sort of hijacked by their fear and

189

00:09:19,210 --> 00:09:16,150

so it fell in vibration and

190

00:09:22,720 --> 00:09:19,220

unfortunately it became a world that was

191

00:09:25,540 --> 00:09:22,730

pretty much enslaved so deciding to come

192

00:09:28,720 --> 00:09:25,550

onto planet Earth was was a pretty big

193

00:09:30,100 --> 00:09:28,730

decision it was for all of us but we we

194

00:09:32,260 --> 00:09:30,110

knew the truth when you're on that side

195

00:09:35,260 --> 00:09:32,270

of the veil you see it for what it is

196

00:09:37,900 --> 00:09:35,270

and you understand that it's all a game

197

00:09:40,420 --> 00:09:37,910

and it's all good and it's just an

198

00:09:43,780 --> 00:09:40,430

experience that you want to have so in

199

00:09:47,650 --> 00:09:43,790

2009 when da came back into my life

200

00:09:49,390 --> 00:09:47,660

after being gone almost 20 years I was

201
00:09:50,860 --> 00:09:49,400
pretty calm for some reason they had

202
00:09:53,230 --> 00:09:50,870
made an altered state but still I was

203
00:09:56,320 --> 00:09:53,240
fairly calm because I had had come to

204
00:09:58,240 --> 00:09:56,330
terms somewhat with the whole abduction

205
00:10:00,730 --> 00:09:58,250
scenario I'd worked my way through it I

206
00:10:03,160 --> 00:10:00,740
didn't have the answers but I had found

207
00:10:04,510 --> 00:10:03,170
I had found some peace around it but

208
00:10:08,920 --> 00:10:04,520
still I said what are you doing back

209
00:10:12,640 --> 00:10:08,930
here and he was surprised and said well

210
00:10:14,320 --> 00:10:12,650
he you know that you'd been told about

211
00:10:15,880 --> 00:10:14,330
the Earth changes that were going to be

212
00:10:20,980 --> 00:10:15,890
occurring in were in the midst of that

213
00:10:28,090 --> 00:10:20,990

and there's work to be done so one thing

214

00:10:29,950 --> 00:10:28,100

that that occurred in 1989 88 or 89 that

215

00:10:33,670 --> 00:10:29,960

was interesting to me that I I've

216

00:10:37,990 --> 00:10:33,680

remembered since I wrote the book even

217

00:10:39,640 --> 00:10:38,000

and that is I had the memory of it but I

218

00:10:43,780 --> 00:10:39,650

couldn't figure out how it all fit

219

00:10:47,170 --> 00:10:43,790

together I had had this memory of having

220

00:10:51,160 --> 00:10:47,180

a meeting in my living room sometime in

221

00:10:53,530 --> 00:10:51,170

88 or 89 where da had come in in etheric

222

00:10:56,620 --> 00:10:53,540

form and another being was with him and

223

00:10:58,570 --> 00:10:56,630

then I was sleeping on myself what I'd

224

00:11:01,030 --> 00:10:58,580

taken some time off work because I was

225

00:11:04,270 --> 00:11:01,040

so stressed by all that was going on so

226

00:11:06,730 --> 00:11:04,280

I was in the midst of this 88 87 88 89

227

00:11:07,370 --> 00:11:06,740

this year and a half period of time when

228

00:11:13,310 --> 00:11:07,380

I had

229

00:11:16,460 --> 00:11:13,320

intense activity and at that time they

230

00:11:18,830 --> 00:11:16,470

came in to try to influence me and

231

00:11:21,350 --> 00:11:18,840

suggest that I leave planet Earth that

232

00:11:24,680 --> 00:11:21,360

my work was done and that I could could

233

00:11:26,570 --> 00:11:24,690

go at that time I had that memory and I

234

00:11:28,190 --> 00:11:26,580

couldn't reconcile that with the fact

235

00:11:29,510 --> 00:11:28,200

that I had volunteered to come to Planet

236

00:11:32,060 --> 00:11:29,520

Earth I thought well why would I leave

237

00:11:36,260 --> 00:11:32,070

back then I guess I was supposed to

238

00:11:38,930 --> 00:11:36,270

leave in 1990 or 91 and via a car

239

00:11:40,400 --> 00:11:38,940

accident and I didn't understand how

240

00:11:42,170 --> 00:11:40,410

that could be if I volunteered to come

241

00:11:45,320 --> 00:11:42,180

to Planet Earth so I left it out of the

242

00:11:47,210 --> 00:11:45,330

book because like it didn't fit and I

243

00:11:49,460 --> 00:11:47,220

thought I must be mistaken but and yet

244

00:11:51,260 --> 00:11:49,470

it bothered me a lot I talked about it

245

00:11:53,360 --> 00:11:51,270

to my editor I talked to people about it

246

00:11:55,130 --> 00:11:53,370

and I said I can't get clarity on it how

247

00:11:56,750 --> 00:11:55,140

is it that I volunteered to command how

248

00:11:59,570 --> 00:11:56,760

is it that at the age of 10 they showed

249

00:12:02,900 --> 00:11:59,580

me that I was going to be losing my home

250

00:12:04,400 --> 00:12:02,910

and my family and my possessions in

251
00:12:09,020 --> 00:12:04,410
order to experience that so that I could

252
00:12:12,340 --> 00:12:09,030
better relate to to the humans and what

253
00:12:14,690 --> 00:12:12,350
they were going to be going through and

254
00:12:16,550 --> 00:12:14,700
so I left it out of the book figuring

255
00:12:18,320 --> 00:12:16,560
there had to be some kind of mistake or

256
00:12:21,110 --> 00:12:18,330
at least I couldn't get clarity on it it

257
00:12:23,930 --> 00:12:21,120
was interesting that just recently I did

258
00:12:28,850 --> 00:12:23,940
get clarity on it and I I just had to

259
00:12:30,200 --> 00:12:28,860
ask and doc came and explained to me he

260
00:12:35,150 --> 00:12:30,210
actually just kind of pulled back the

261
00:12:38,090 --> 00:12:35,160
curtain and they had come to me and said

262
00:12:40,730 --> 00:12:38,100
that you've done enough and you'll be a

263
00:12:44,050 --> 00:12:40,740

more service that you come back with us

264

00:12:46,610 --> 00:12:44,060

now we want you back on the ship and

265

00:12:48,980 --> 00:12:46,620

when I signed on I do remember that when

266

00:12:52,250 --> 00:12:48,990

I volunteered to come the primary focus

267

00:12:56,200 --> 00:12:52,260

of my volunteer my volunteering was to

268

00:13:01,610 --> 00:12:56,210

be a participant in the hybrid program

269

00:13:03,500 --> 00:13:01,620

because in 1947-48 when linear time when

270

00:13:10,580 --> 00:13:03,510

I made the decision to come on and I was

271

00:13:12,800 --> 00:13:10,590

born in in December of 1950 so at that

272

00:13:14,510 --> 00:13:12,810

time the timeline showed that planet

273

00:13:16,940 --> 00:13:14,520

Earth was going to ascend but very few

274

00:13:19,100 --> 00:13:16,950

very few of her children were going to

275

00:13:20,290 --> 00:13:19,110

go with and so it looked like the planet

276

00:13:23,650 --> 00:13:20,300

would be cleansed

277

00:13:26,110 --> 00:13:23,660

of humanity in order for her to ascend

278

00:13:28,690 --> 00:13:26,120

and that had been done before a few

279

00:13:33,250 --> 00:13:28,700

times before the planet had been flooded

280

00:13:36,460 --> 00:13:33,260

and the beings on the planet were were

281

00:13:39,520 --> 00:13:36,470

recycled back on to the planet again but

282

00:13:43,300 --> 00:13:39,530

this time because she was going into the

283

00:13:45,730 --> 00:13:43,310

5th dimension the children of Earth

284

00:13:47,950 --> 00:13:45,740

would not be Wiese though souls could

285

00:13:50,230 --> 00:13:47,960

not be recycled back on to this planet

286

00:13:52,810 --> 00:13:50,240

and so the way it was probably going to

287

00:13:54,820 --> 00:13:52,820

work was you know they would go they

288

00:13:58,770 --> 00:13:54,830

would go elsewhere or go back to source

289

00:14:01,210 --> 00:13:58,780

and then sort of get reek out cab

290

00:14:05,590 --> 00:14:01,220

calibrated I guess it's the word and

291

00:14:07,510 --> 00:14:05,600

start all over again so I came in to be

292

00:14:09,910 --> 00:14:07,520

part of the hybrid program so that we

293

00:14:12,820 --> 00:14:09,920

could preserve some of the human DNA the

294

00:14:16,270 --> 00:14:12,830

earth human DNA because it's a it's a

295

00:14:19,360 --> 00:14:16,280

unique species and and you know it was

296

00:14:21,850 --> 00:14:19,370

an evolving species the biological

297

00:14:25,290 --> 00:14:21,860

entity of the of the earth human so I

298

00:14:27,730 --> 00:14:25,300

came in to to participate in that and

299

00:14:29,710 --> 00:14:27,740

that's why I had so many that's part of

300

00:14:32,590 --> 00:14:29,720

the reason why I had so many visits the

301
00:14:36,520 --> 00:14:32,600
time I was a very young child but when I

302
00:14:42,400 --> 00:14:36,530
was a teenager and young woman they came

303
00:14:45,340 --> 00:14:42,410
a lot to harvest the eggs and so having

304
00:14:48,400 --> 00:14:45,350
served in that capacity they didn't

305
00:14:51,490 --> 00:14:48,410
necessarily want me to stay any longer

306
00:14:55,840 --> 00:14:51,500
and go through the trauma of the earth

307
00:15:00,250 --> 00:14:55,850
again in 1988 when they were proposing

308
00:15:04,690 --> 00:15:00,260
this or 89 at whatever time it was they

309
00:15:07,390 --> 00:15:04,700
told me that at that time only 12% of

310
00:15:08,980 --> 00:15:07,400
the earth humans it looked like only 12%

311
00:15:13,420 --> 00:15:08,990
we're going to go into the fifth

312
00:15:15,700 --> 00:15:13,430
dimension and while no one wanted to

313
00:15:18,100 --> 00:15:15,710

give up no one was willing to give up

314

00:15:19,810 --> 00:15:18,110

that's for sure but it felt it felt like

315

00:15:21,460 --> 00:15:19,820

I could be a better service on the other

316

00:15:23,650 --> 00:15:21,470

side so I thought that that was really

317

00:15:27,460 --> 00:15:23,660

an interesting revelation for me because

318

00:15:30,360 --> 00:15:27,470

it resolved I've had numerous things

319

00:15:32,680 --> 00:15:30,370

like that happen things that didn't jive

320

00:15:33,540 --> 00:15:32,690

things that didn't fit with what I

321

00:15:37,110 --> 00:15:33,550

thought

322

00:15:39,150 --> 00:15:37,120

or knew my story to be and my my work as

323

00:15:40,530 --> 00:15:39,160

a volunteer and there'd be these things

324

00:15:42,870 --> 00:15:40,540

that would show up and I would say well

325

00:15:44,250 --> 00:15:42,880

that doesn't fit so then my tendency is

326

00:15:46,290 --> 00:15:44,260

to try to unravel the whole thing

327

00:15:49,440 --> 00:15:46,300

because it's a far-fetched story right

328

00:15:51,210 --> 00:15:49,450

it's crazy the story that I sit here and

329

00:15:57,030 --> 00:15:51,220

I tell most people are going to find it

330

00:15:59,940 --> 00:15:57,040

crazy very hard to believe and I came in

331

00:16:03,600 --> 00:15:59,950

as a Capricorn so I'm very pragmatic

332

00:16:06,090 --> 00:16:03,610

very down-to-earth so the hardest person

333

00:16:09,740 --> 00:16:06,100

to convince of this story is me there's

334

00:16:12,210 --> 00:16:09,750

nobody around who's had a harder time

335

00:16:14,220 --> 00:16:12,220

trying to swallow this than me and

336

00:16:18,240 --> 00:16:14,230

there's no one who's worked harder to

337

00:16:20,040 --> 00:16:18,250

try to disprove it than me I just didn't

338

00:16:22,320 --> 00:16:20,050

want to believe it from the get-go I've

339

00:16:23,940 --> 00:16:22,330

since I'm to the point now where I of

340

00:16:25,170 --> 00:16:23,950

course I'm speaking about I embrace it

341

00:16:28,500 --> 00:16:25,180

but every now and then when something

342

00:16:30,930 --> 00:16:28,510

like that happens when I can't pull the

343

00:16:32,970 --> 00:16:30,940

pieces together I do have a tendency to

344

00:16:35,340 --> 00:16:32,980

go oh well it's all crazy it was all

345

00:16:38,190 --> 00:16:35,350

crazy to begin with what was I thinking

346

00:16:41,760 --> 00:16:38,200

of course and go back to my 3d matrix

347

00:16:44,460 --> 00:16:41,770

thinking and I've learned to not do that

348

00:16:47,280 --> 00:16:44,470

I'm learning to not do that I'm trusting

349

00:16:50,550 --> 00:16:47,290

more and more and as I trust more and

350

00:16:53,580 --> 00:16:50,560

more the answers come more readily they

351

00:16:56,100 --> 00:16:53,590

come faster easier but it's one thing

352

00:16:59,190 --> 00:16:56,110

that da has told me right from the

353

00:17:00,390 --> 00:16:59,200

get-go all the way from the get-go the

354

00:17:02,070 --> 00:17:00,400

reason that they did some of the things

355

00:17:03,600 --> 00:17:02,080

that in the book if you read my book

356

00:17:06,420 --> 00:17:03,610

there are some things that we're done

357

00:17:09,449 --> 00:17:06,430

that seem cruel dropping me in the

358

00:17:11,850 --> 00:17:09,459

middle of the night in the Pigpen at my

359

00:17:14,760 --> 00:17:11,860

girlfriend's house freezing winter night

360

00:17:16,980 --> 00:17:14,770

with just a t-shirt and bare feet why

361

00:17:19,980 --> 00:17:16,990

would they do such a thing they love me

362

00:17:23,100 --> 00:17:19,990

so much why did they do what I call the

363

00:17:25,190 --> 00:17:23,110

thundering footsteps frightening you

364

00:17:29,570 --> 00:17:25,200

know so frightening the sounds that

365

00:17:31,710 --> 00:17:29,580

until I was so afraid I surrendered and

366

00:17:37,470 --> 00:17:31,720

they did a lot of different things that

367

00:17:40,710 --> 00:17:37,480

seem cruel but they're not in truth

368

00:17:43,410 --> 00:17:40,720

those were place markers that they put

369

00:17:45,390 --> 00:17:43,420

out there for me just like they did just

370

00:17:46,110 --> 00:17:45,400

recently when I said I wasn't going to

371

00:17:48,840 --> 00:17:46,120

have the book

372

00:17:50,460 --> 00:17:48,850

pushed and came and talked to me in and

373

00:17:53,970 --> 00:17:50,470

said have you forgotten the promise you

374

00:17:57,110 --> 00:17:53,980

made and when he left he made a minor

375

00:17:59,580 --> 00:17:57,120

spectacle of himself and he does that

376

00:18:01,530 --> 00:17:59,590

flashing his face up on my ceiling in

377

00:18:03,510 --> 00:18:01,540

the middle of the night those things

378

00:18:08,000 --> 00:18:03,520

that seemed so terrifying at the time

379

00:18:11,100 --> 00:18:08,010

are done to imprint my conscious memory

380

00:18:13,860 --> 00:18:11,110

with the fact that this is real so that

381

00:18:16,230 --> 00:18:13,870

I have like a touchstone as I'm

382

00:18:18,900 --> 00:18:16,240

awakening and remembering what's gone on

383

00:18:20,220 --> 00:18:18,910

in my life and trying to gauge what's

384

00:18:25,049 --> 00:18:20,230

real and what's not real

385

00:18:28,260 --> 00:18:25,059

I have those imprints that who anchor me

386

00:18:31,140 --> 00:18:28,270

into this world from the reality of the

387

00:18:34,919 --> 00:18:31,150

of the experience and so that's why they

388

00:18:37,770 --> 00:18:34,929

did it and they took a lot of care to to

389

00:18:41,070 --> 00:18:37,780

do that for me and I'm grateful for it

390

00:18:46,140 --> 00:18:41,080

and so as I move forward in my work as a

391

00:18:48,450 --> 00:18:46,150

volunteer I got my way I didn't leave of

392

00:18:50,760 --> 00:18:48,460

course via a car what car accident I

393

00:18:57,360 --> 00:18:50,770

wouldn't leave my children I refused to

394

00:18:59,160 --> 00:18:57,370

go and I stayed and so if I was going to

395

00:19:02,190 --> 00:18:59,170

stay then the next phase was that I

396

00:19:04,890 --> 00:19:02,200

needed to then eventually write this

397

00:19:07,140 --> 00:19:04,900

book and do this work so that's fine

398

00:19:09,750 --> 00:19:07,150

that was what was on proton tap for me

399

00:19:12,060 --> 00:19:09,760

anyway that was the program I had and we

400

00:19:14,610 --> 00:19:12,070

all have exit points in our lives as we

401
00:19:16,410 --> 00:19:14,620
move along through we we set our lives

402
00:19:18,510 --> 00:19:16,420
up that way that we have exit points

403
00:19:21,360 --> 00:19:18,520
where if we decide that we no longer

404
00:19:23,970 --> 00:19:21,370
want to say we can we can take that exit

405
00:19:27,630 --> 00:19:23,980
and I have them in my life like everyone

406
00:19:30,570 --> 00:19:27,640
does and I had the option but I didn't

407
00:19:33,180 --> 00:19:30,580
take it so I'm I'm staying I stayed on

408
00:19:36,750 --> 00:19:33,190
and I'm willing to continue to do this

409
00:19:40,260 --> 00:19:36,760
work as a volunteer and it means putting

410
00:19:41,490 --> 00:19:40,270
myself out here and talking about things

411
00:19:45,660 --> 00:19:41,500
that a lot of people are uncomfortable

412
00:19:51,090 --> 00:19:45,670
with and what I've come to understand is

413
00:19:55,530 --> 00:19:51,100

that the abduction story is a story that

414

00:19:57,540 --> 00:19:55,540

intrigues people and so it gets their

415

00:19:59,110 --> 00:19:57,550

attention whether they believe it or not

416

00:20:03,940 --> 00:19:59,120

it still gets their attention

417

00:20:05,830 --> 00:20:03,950

and some will listen to it openly in it

418

00:20:08,380 --> 00:20:05,840

and with acceptance depending on their

419

00:20:10,150 --> 00:20:08,390

own experiences other people will have

420

00:20:10,690 --> 00:20:10,160

resistance to it and dismiss it out of

421

00:20:14,920 --> 00:20:10,700

hand

422

00:20:16,570 --> 00:20:14,930

I can't probably reach those people it's

423

00:20:17,860 --> 00:20:16,580

the people who are in between there

424

00:20:21,010 --> 00:20:17,870

somewhere who are curious enough to

425

00:20:22,930 --> 00:20:21,020

listen to what I have to say and be open

426
00:20:27,610 --> 00:20:22,940
enough to at least consider it somewhat

427
00:20:30,310 --> 00:20:27,620
and to them I would say that I'm

428
00:20:31,930 --> 00:20:30,320
grateful that they listen but I really

429
00:20:34,420 --> 00:20:31,940
don't care if they believe my story or

430
00:20:38,050 --> 00:20:34,430
not because all I want to do is get your

431
00:20:42,520 --> 00:20:38,060
attention so that I can trigger in you

432
00:20:43,630 --> 00:20:42,530
and be a catalyst for you to say whoa

433
00:20:45,880 --> 00:20:43,640
okay

434
00:20:48,580 --> 00:20:45,890
I can't by what she's saying it's too

435
00:20:51,130 --> 00:20:48,590
far out or I don't agree with this but I

436
00:20:54,340 --> 00:20:51,140
agree with that that's fine what I say

437
00:20:57,190 --> 00:20:54,350
is just go within I'm asking people to

438
00:20:59,500 --> 00:20:57,200

go within and find their own truth as to

439

00:21:00,970 --> 00:20:59,510

who they are because that's the big

440

00:21:01,930 --> 00:21:00,980

question everyone should be asking

441

00:21:06,460 --> 00:21:01,940

themselves right now

442

00:21:08,770 --> 00:21:06,470

is Who am I why am I here what's this

443

00:21:12,520 --> 00:21:08,780

all about because as we move forward

444

00:21:14,290 --> 00:21:12,530

into the fifth dimension it is true that

445

00:21:17,830 --> 00:21:14,300

we all will have the opportunity to

446

00:21:20,820 --> 00:21:17,840

evolve with Gaia as she moves along that

447

00:21:23,880 --> 00:21:20,830

path is moving along that path rapidly

448

00:21:27,490 --> 00:21:23,890

but those who don't resonate with her

449

00:21:30,760 --> 00:21:27,500

will reach a certain level and cannot go

450

00:21:32,260 --> 00:21:30,770

any further and so everyone will go to

451

00:21:36,940 --> 00:21:32,270

the level that they are able to go to

452

00:21:38,800 --> 00:21:36,950

and we have this amazing opportunity to

453

00:21:42,910 --> 00:21:38,810

go all the way to the fifth dimension

454

00:21:45,070 --> 00:21:42,920

and we would just like to see as many of

455

00:21:48,220 --> 00:21:45,080

the earth humans as possible make that

456

00:21:50,260 --> 00:21:48,230

because while the third dimension was

457

00:21:53,860 --> 00:21:50,270

very tough place on planet Earth fourth

458

00:21:55,900 --> 00:21:53,870

dimension is the cleansing more or less

459

00:21:57,910 --> 00:21:55,910

it's the looking at what we've created

460

00:22:02,080 --> 00:21:57,920

and recognizing that we are the creators

461

00:22:03,430 --> 00:22:02,090

of our own planet of our own reality the

462

00:22:05,440 --> 00:22:03,440

fifth dimension is where we move out of

463

00:22:08,470 --> 00:22:05,450

that we will move out of the world of

464

00:22:10,570 --> 00:22:08,480

duality third dimensional and fourth

465

00:22:13,230 --> 00:22:10,580

dimensional Earth is a world of duality

466

00:22:15,400 --> 00:22:13,240

you've still got the polarities

467

00:22:17,410 --> 00:22:15,410

and as long as you still have the

468

00:22:19,660 --> 00:22:17,420

polarities there's still that

469

00:22:25,600 --> 00:22:19,670

opportunity for you to be enslaved and

470

00:22:28,330 --> 00:22:25,610

controlled especially in a planet that's

471

00:22:32,820 --> 00:22:28,340

been enslaved the way this one has been

472

00:22:36,250 --> 00:22:32,830

the system is already in place and

473

00:22:39,970 --> 00:22:36,260

through the media television news

474

00:22:43,870 --> 00:22:39,980

through so many different ways we're

475

00:22:50,140 --> 00:22:43,880

being kept distracted and we're being

476

00:22:52,510 --> 00:22:50,150

lied to and and hypnotized in so many

477

00:22:57,660 --> 00:22:52,520

different ways so it's a real challenge

478

00:23:01,170 --> 00:22:57,670

to awaken to get these humans to awaken

479

00:23:04,600 --> 00:23:01,180

because they've been taught to laugh and

480

00:23:06,670 --> 00:23:04,610

ridicule anything that is outside of

481

00:23:10,420 --> 00:23:06,680

this narrow band of what is called

482

00:23:12,310 --> 00:23:10,430

supposedly called normal and so trying

483

00:23:14,980 --> 00:23:12,320

to get them to think outside the box is

484

00:23:19,210 --> 00:23:14,990

a real challenge they're afraid of being

485

00:23:21,700 --> 00:23:19,220

ridiculed themselves laughed at and they

486

00:23:24,550 --> 00:23:21,710

just and even those who are wanting to

487

00:23:26,290 --> 00:23:24,560

look outside the box and try to view

488

00:23:29,530 --> 00:23:26,300

life from a higher perspective or from

489

00:23:32,650 --> 00:23:29,540

at least a different perspective they're

490

00:23:33,850 --> 00:23:32,660

so distracted and the power the

491

00:23:35,800 --> 00:23:33,860

controllers of the planet you know

492

00:23:37,510 --> 00:23:35,810

they're there they've been working hard

493

00:23:42,430 --> 00:23:37,520

to make sure that they're distracted by

494

00:23:47,260 --> 00:23:42,440

you know financial issues and weather

495

00:23:49,270 --> 00:23:47,270

issues and health issues and all kinds

496

00:23:50,650 --> 00:23:49,280

of everything the wars and anything that

497

00:23:55,600 --> 00:23:50,660

commits they can throw at us they're

498

00:23:59,950 --> 00:23:55,610

throwing at us if only the earth humans

499

00:24:04,300 --> 00:23:59,960

would see that that's a game and look

500

00:24:06,820 --> 00:24:04,310

right through it stop listening to the

501
00:24:10,060 --> 00:24:06,830
news you really won't die if you don't

502
00:24:11,790 --> 00:24:10,070
know what's happening out there you have

503
00:24:14,170 --> 00:24:11,800
to have a certain level of awareness

504
00:24:18,250 --> 00:24:14,180
certainly and you can get it from other

505
00:24:20,560 --> 00:24:18,260
sources than the major news sources that

506
00:24:23,980 --> 00:24:20,570
are available to us the primary ones

507
00:24:27,020 --> 00:24:23,990
that we all think of and instead look

508
00:24:29,180 --> 00:24:27,030
elsewhere and but mostly

509
00:24:32,750 --> 00:24:29,190
but most of it go I think I would say

510
00:24:36,560 --> 00:24:32,760
because it's not really that important

511
00:24:39,350 --> 00:24:36,570
it's it's like it's like playing a big

512
00:24:40,760 --> 00:24:39,360
game of Monopoly it doesn't at the end

513
00:24:43,550 --> 00:24:40,770

of the day it's not going to mean

514

00:24:46,520 --> 00:24:43,560

anything so what if you are on boardwalk

515

00:24:51,080 --> 00:24:46,530

and I own maverick place or whatever

516

00:24:52,760 --> 00:24:51,090

it's gone it doesn't matter so humans

517

00:24:55,340 --> 00:24:52,770

need to understand what that what's

518

00:24:56,990 --> 00:24:55,350

important right now is the evolution of

519

00:24:59,360 --> 00:24:57,000

their soul the awakening of their soul

520

00:25:01,490 --> 00:24:59,370

their soul is yearning to awaken that's

521

00:25:03,440 --> 00:25:01,500

why they sign on to come here I'm not

522

00:25:06,230 --> 00:25:03,450

the only one who came here with a

523

00:25:10,430 --> 00:25:06,240

purpose every person every soul has a

524

00:25:11,750 --> 00:25:10,440

purpose so that's the thing that

525

00:25:14,390 --> 00:25:11,760

everyone should be asking themselves

526

00:25:17,450 --> 00:25:14,400

what is my purpose what's what function

527

00:25:22,610 --> 00:25:17,460

did my father give me to fulfill in this

528

00:25:25,960 --> 00:25:22,620

in this world the whole that's the other

529

00:25:29,180 --> 00:25:25,970

thing is this whole thing of karma the

530

00:25:31,520 --> 00:25:29,190

idea that we currently incarnated in on

531

00:25:33,920 --> 00:25:31,530

to the planet and came here to learn

532

00:25:36,760 --> 00:25:33,930

lessons is another thing that needs to

533

00:25:40,610 --> 00:25:36,770

be looked at and dismissed let go of

534

00:25:44,360 --> 00:25:40,620

karma is karma is the game of the ego

535

00:25:48,050 --> 00:25:44,370

the fear-based little self that has been

536

00:25:49,760 --> 00:25:48,060

controlling the planet which is within

537

00:25:54,260 --> 00:25:49,770

each and every one of us because we are

538

00:25:57,230 --> 00:25:54,270

dual minded so karma was created to make

539

00:25:59,660 --> 00:25:57,240

us believe in our littleness in our

540

00:26:02,150 --> 00:25:59,670

belief that were not good enough and to

541

00:26:05,000 --> 00:26:02,160

keep us tied to this planet

542

00:26:07,700 --> 00:26:05,010

you don't evolve once you're on planet

543

00:26:11,110 --> 00:26:07,710

Earth II it's very very hard to move out

544

00:26:14,060 --> 00:26:11,120

of planet Earth you do get stuck here

545

00:26:18,860 --> 00:26:14,070

unless you become enlightened which is

546

00:26:22,220 --> 00:26:18,870

very rare so karma has been a game that

547

00:26:25,040 --> 00:26:22,230

was enacted on the planet and I

548

00:26:27,290 --> 00:26:25,050

certainly bought into it when I was in

549

00:26:30,020 --> 00:26:27,300

the matrix and believed I thought that

550

00:26:31,820 --> 00:26:30,030

it was a perfectly reasonable way of

551

00:26:37,040 --> 00:26:31,830

looking at things that you had to work

552

00:26:38,540 --> 00:26:37,050

your way back home to God and that there

553

00:26:40,220 --> 00:26:38,550

were lessons and that after every

554

00:26:40,940 --> 00:26:40,230

lifetime you reviewed it and you saw

555

00:26:42,320 --> 00:26:40,950

where you fail

556

00:26:45,049 --> 00:26:42,330

Elden where you didn't do well in that

557

00:26:46,820 --> 00:26:45,059

you needed to learn more now when I look

558

00:26:48,769 --> 00:26:46,830

at it I mean it makes me laugh to think

559

00:26:50,509 --> 00:26:48,779

that I believe that because the truth of

560

00:26:54,320 --> 00:26:50,519

it is is that we were created perfect

561

00:26:57,080 --> 00:26:54,330

and always to do is wake up and remember

562

00:26:59,570 --> 00:26:57,090

the truth of who we are yes we make

563

00:27:02,180 --> 00:26:59,580

mistakes or three-dimensional means

564

00:27:03,980 --> 00:27:02,190

we're experiencing a three-dimensional

565

00:27:07,159 --> 00:27:03,990

world of duality so there's going to be

566

00:27:11,000 --> 00:27:07,169

mistakes but there's no such thing as a

567

00:27:12,860 --> 00:27:11,010

sin sin does not our father mother God

568

00:27:17,659 --> 00:27:12,870

does not look at us and consider

569

00:27:20,269 --> 00:27:17,669

anything that we do a sin nothing it's

570

00:27:24,950 --> 00:27:20,279

not possible because we are created as

571

00:27:27,440 --> 00:27:24,960

an extension of our Creator our God so

572

00:27:29,750 --> 00:27:27,450

the whole karma thing is going away it's

573

00:27:31,580 --> 00:27:29,760

falling away it's tumbling which is good

574

00:27:34,690 --> 00:27:31,590

because that that's another just another

575

00:27:38,930 --> 00:27:34,700

way of keeping us trapped and enslaved

576

00:27:40,580 --> 00:27:38,940

so it's just me saying this to people

577

00:27:42,980 --> 00:27:40,590

who are might take offence at it if they

578

00:27:44,149 --> 00:27:42,990

haven't already heard this you know they

579

00:27:46,789 --> 00:27:44,159

might need to be with that for a while

580

00:27:49,759 --> 00:27:46,799

they might have some problems accepting

581

00:27:51,649 --> 00:27:49,769

that and again I would just ask that

582

00:27:53,450 --> 00:27:51,659

just if it doesn't resonate with their

583

00:27:55,700 --> 00:27:53,460

heart then that's fine just let it be

584

00:27:57,889 --> 00:27:55,710

and that's true of anything that anyone

585

00:27:59,330 --> 00:27:57,899

says you should always let it run it

586

00:28:03,289 --> 00:27:59,340

through your own heart and see how it

587

00:28:06,220 --> 00:28:03,299

feels I did a lot of that and eventually

588

00:28:08,419 --> 00:28:06,230

it just leads you to the truth it has to

589

00:28:10,669 --> 00:28:08,429

if you're being honest with yourself

590

00:28:13,220 --> 00:28:10,679

your ego will get in there and lie to

591

00:28:17,570 --> 00:28:13,230

you sometimes and you have to learn to

592

00:28:19,879 --> 00:28:17,580

discern what is the truth and what is

593

00:28:21,740 --> 00:28:19,889

what your ego is presenting to you is

594

00:28:23,299 --> 00:28:21,750

the truth and saying to you no no no

595

00:28:24,889 --> 00:28:23,309

come over here and and believe this

596

00:28:26,450 --> 00:28:24,899

because isn't this what you always

597

00:28:28,519 --> 00:28:26,460

believed and isn't doesn't this make

598

00:28:30,340 --> 00:28:28,529

more sense so if you start analyzing

599

00:28:32,870 --> 00:28:30,350

then you know that you're an eagle and

600

00:28:35,389 --> 00:28:32,880

that you're you're not looking at it

601
00:28:40,220 --> 00:28:35,399
through your heart as far as writing the

602
00:28:42,409 --> 00:28:40,230
book and the impact that has had I get

603
00:28:45,470 --> 00:28:42,419
emails and I sometimes even get phone

604
00:28:49,669 --> 00:28:45,480
calls people track me down and I'm

605
00:28:51,289 --> 00:28:49,679
hearing from a lot of people that it the

606
00:28:54,710 --> 00:28:51,299
book is doing exactly what dad told me

607
00:28:56,900 --> 00:28:54,720
it would do which I'm grateful for

608
00:28:59,870 --> 00:28:56,910
it's triggering and awakening and those

609
00:29:01,850 --> 00:28:59,880
that are ready to awaken to the idea

610
00:29:05,030 --> 00:29:01,860
that they are here also as a volunteer

611
00:29:07,520 --> 00:29:05,040
and even those who are not volunteers

612
00:29:10,820 --> 00:29:07,530
are getting a message out of the book

613
00:29:13,010 --> 00:29:10,830

and it's very humbling for me to hear

614

00:29:16,100 --> 00:29:13,020

from those people I love hearing from

615

00:29:19,070 --> 00:29:16,110

them I try to answer every email and

616

00:29:21,110 --> 00:29:19,080

every inquiry I get I don't always have

617

00:29:23,720 --> 00:29:21,120

a lot of time to do it but I do I do

618

00:29:28,400 --> 00:29:23,730

respond and I have people who are

619

00:29:30,050 --> 00:29:28,410

following my blog and I'm grateful for

620

00:29:33,740 --> 00:29:30,060

that because I think for every person

621

00:29:35,030 --> 00:29:33,750

who who it resonates with and that means

622

00:29:37,970 --> 00:29:35,040

that they're going out into the world

623

00:29:40,130 --> 00:29:37,980

and sharing the message maybe or at

624

00:29:42,680 --> 00:29:40,140

least some message of the awakening

625

00:29:44,600 --> 00:29:42,690

doesn't have to be mine but there are

626
00:29:46,640 --> 00:29:44,610
other volunteers who have connected with

627
00:29:48,230 --> 00:29:46,650
me who some knew they were volunteers

628
00:29:51,710 --> 00:29:48,240
but didn't want to talk about it weren't

629
00:29:54,710 --> 00:29:51,720
sure what this all meant and now they

630
00:29:58,010 --> 00:29:54,720
feel empowered to also start talking

631
00:30:02,870 --> 00:29:58,020
about it which is awesome really awesome

632
00:30:04,850 --> 00:30:02,880
and then there are those who these are

633
00:30:06,230 --> 00:30:04,860
the ones that I also really want to

634
00:30:09,320 --> 00:30:06,240
reach because I know what it feels like

635
00:30:12,320 --> 00:30:09,330
those who have had what they call the

636
00:30:16,370 --> 00:30:12,330
abduction experience and still had fear

637
00:30:18,320 --> 00:30:16,380
around it and that's a that's a terrible

638
00:30:24,440 --> 00:30:18,330

thing to live with that feeling of being

639

00:30:26,090 --> 00:30:24,450

a victim and so if my book my story can

640

00:30:28,820 --> 00:30:26,100

help them to see it from a different

641

00:30:31,340 --> 00:30:28,830

perspective and recognize that they

642

00:30:33,230 --> 00:30:31,350

aren't a victim now I know that there

643

00:30:37,970 --> 00:30:33,240

are different layers and levels to this

644

00:30:41,960 --> 00:30:37,980

abduction scenario certainly mine I felt

645

00:30:43,490 --> 00:30:41,970

like a victim they were coming to me

646

00:30:45,680 --> 00:30:43,500

taking me out of my bed at night they

647

00:30:48,140 --> 00:30:45,690

were taking me from my car they you know

648

00:30:50,630 --> 00:30:48,150

I had bruises needle marks I had all

649

00:30:52,760 --> 00:30:50,640

that and it certainly felt like I was a

650

00:30:55,430 --> 00:30:52,770

victim so it's easily too easy to

651
00:30:58,070 --> 00:30:55,440
believe you're a victim but even if

652
00:31:01,040 --> 00:30:58,080
you're the subject of the military

653
00:31:03,770 --> 00:31:01,050
abductions which I've had a few of those

654
00:31:06,590 --> 00:31:03,780
mixed in with mine you can tell the

655
00:31:08,660 --> 00:31:06,600
difference with those the energy is not

656
00:31:10,960 --> 00:31:08,670
the same with the entities it's

657
00:31:17,030 --> 00:31:10,970
the people that you're usually with and

658
00:31:20,390 --> 00:31:17,040
it's just more clumsy amateurish it's

659
00:31:24,260 --> 00:31:20,400
not at all the same with those it's a

660
00:31:25,910 --> 00:31:24,270
little bit more probably more easy to

661
00:31:30,890 --> 00:31:25,920
feel like you're a victim because of the

662
00:31:33,590 --> 00:31:30,900
way that they are but again everything

663
00:31:35,920 --> 00:31:33,600

happens to you with your approval on

664

00:31:38,330 --> 00:31:35,930

some level it is not possible for

665

00:31:41,360 --> 00:31:38,340

anything to occur in your life without

666

00:31:45,050 --> 00:31:41,370

you accepting it on the soul level and

667

00:31:47,660 --> 00:31:45,060

that's a hard one for people to accept

668

00:31:49,460 --> 00:31:47,670

because in my course in miracles' class

669

00:31:50,750 --> 00:31:49,470

when I when we talk about that the

670

00:31:53,030 --> 00:31:50,760

example someone always brings up the

671

00:31:55,760 --> 00:31:53,040

example what about that little child

672

00:31:57,490 --> 00:31:55,770

down the street that was abused so

673

00:31:59,840 --> 00:31:57,500

terribly and then killed or whatever

674

00:32:04,100 --> 00:31:59,850

tortured whatever I mean terrible things

675

00:32:06,980 --> 00:32:04,110

in this world happened but again I would

676
00:32:09,320 --> 00:32:06,990
say from a higher perspective that Saul

677
00:32:12,410 --> 00:32:09,330
chose to have that experience to play

678
00:32:13,820 --> 00:32:12,420
that role because there were things that

679
00:32:17,360 --> 00:32:13,830
needed to be brought to the surface to

680
00:32:20,200 --> 00:32:17,370
be looked at for the rest of us who were

681
00:32:24,100 --> 00:32:20,210
witnessed to that sort of behavior and

682
00:32:27,590 --> 00:32:24,110
so it's also about releasing energy

683
00:32:29,840 --> 00:32:27,600
so the universe being energy and us

684
00:32:32,110 --> 00:32:29,850
being just the hologram that's playing

685
00:32:35,000 --> 00:32:32,120
out the energy that's in play here and

686
00:32:38,000 --> 00:32:35,010
so it's that recognition that from a

687
00:32:41,300 --> 00:32:38,010
higher level we see our bodies is not

688
00:32:44,200 --> 00:32:41,310

being able to truly suffer and die it's

689

00:32:46,430 --> 00:32:44,210

just really a projection of our mind and

690

00:32:48,590 --> 00:32:46,440

when you see it from that level I know

691

00:32:50,960 --> 00:32:48,600

that that's hard that's really hard

692

00:32:54,200 --> 00:32:50,970

because we're here in this yes this is a

693

00:32:54,710 --> 00:32:54,210

body as Einstein said it's all an

694

00:32:58,220 --> 00:32:54,720

illusion

695

00:32:59,270 --> 00:32:58,230

it'll be a very very strong one I think

696

00:33:03,110 --> 00:32:59,280

it's how I put it or something like that

697

00:33:08,740 --> 00:33:03,120

and a very real one it is it's hard to

698

00:33:12,770 --> 00:33:08,750

deny that this isn't real but it's not

699

00:33:14,540 --> 00:33:12,780

it's it's an illusionary world it's an

700

00:33:17,510 --> 00:33:14,550

experience that we're having and it's

701
00:33:19,880 --> 00:33:17,520
fun it's a game and we need to lighten

702
00:33:22,120 --> 00:33:19,890
up and not take it so seriously that's

703
00:33:24,100 --> 00:33:22,130
part of the awakening process

704
00:33:27,010 --> 00:33:24,110
from dual mindedness to a unity

705
00:33:29,980 --> 00:33:27,020
consciousness is going to be a big shift

706
00:33:31,570 --> 00:33:29,990
for humans to make and I'm not sure

707
00:33:33,880 --> 00:33:31,580
nobody I certainly can't answer that

708
00:33:35,740 --> 00:33:33,890
question I don't think a the spiritual

709
00:33:37,720 --> 00:33:35,750
teachers on planet Earth can answer that

710
00:33:40,510 --> 00:33:37,730
my guys can't they don't answer it they

711
00:33:42,520 --> 00:33:40,520
don't know we don't know how it's going

712
00:33:44,260 --> 00:33:42,530
to play out the Creator doesn't even

713
00:33:46,450 --> 00:33:44,270

really know I mean there are timelines

714

00:33:51,070 --> 00:33:46,460

endless timelines on how this can go and

715

00:33:53,140 --> 00:33:51,080

each one of us being a life stream part

716

00:33:54,780 --> 00:33:53,150

of the one but at a singular life stream

717

00:33:58,450 --> 00:33:54,790

that's here having this experience is

718

00:34:00,190 --> 00:33:58,460

going to have our own our own awareness

719

00:34:02,470 --> 00:34:00,200

of how it plays out and our all we're

720

00:34:05,440 --> 00:34:02,480

going to create our own our own scenario

721

00:34:07,990 --> 00:34:05,450

so it's all about vibration and raising

722

00:34:12,340 --> 00:34:08,000

our vibration as high as we possibly can

723

00:34:16,270 --> 00:34:12,350

so people say to me how do you raise

724

00:34:18,119 --> 00:34:16,280

your vibration raising your vibration is

725

00:34:20,619 --> 00:34:18,129

the same as living through your heart

726

00:34:22,360 --> 00:34:20,629

but it makes it a lot easier to live

727

00:34:24,550 --> 00:34:22,370

through your heart if you do a couple

728

00:34:26,740 --> 00:34:24,560

practices and one of those of course is

729

00:34:32,700 --> 00:34:26,750

going into the silence and meditating

730

00:34:36,940 --> 00:34:32,710

and finding the stillness within you and

731

00:34:38,320 --> 00:34:36,950

when you're in the stillness there are a

732

00:34:41,200 --> 00:34:38,330

number of things that you can do you

733

00:34:45,369 --> 00:34:41,210

connect a source and you set that goal

734

00:34:49,750 --> 00:34:45,379

to connect with source you ask for help

735

00:34:53,500 --> 00:34:49,760

and raising your vibration you surrender

736

00:34:55,720 --> 00:34:53,510

your will which is an okay thing to do

737

00:34:58,360 --> 00:34:55,730

because your will has been hijacked

738

00:35:03,700 --> 00:34:58,370

anyway by your fear-based

739

00:35:07,390 --> 00:35:03,710

ego and so your will your free will was

740

00:35:08,800 --> 00:35:07,400

intentionally meant to allow you to make

741

00:35:11,440 --> 00:35:08,810

the choices of how you want it to

742

00:35:18,670 --> 00:35:11,450

co-create with the supreme creator

743

00:35:20,830 --> 00:35:18,680

creator so when you're here and you have

744

00:35:23,110 --> 00:35:20,840

free will but you've given it over to

745

00:35:26,080 --> 00:35:23,120

your fear-based eagle you no longer have

746

00:35:29,250 --> 00:35:26,090

free will and it's the fearful part of

747

00:35:32,020 --> 00:35:29,260

yourself that's run in your life and

748

00:35:35,660 --> 00:35:32,030

that's what's creating this world of

749

00:35:37,880 --> 00:35:35,670

chaos we've given the power to

750

00:35:39,799 --> 00:35:37,890

the controllers of the planet which is

751
00:35:43,670 --> 00:35:39,809
nothing more than another aspect of

752
00:35:45,440 --> 00:35:43,680
ourselves playing that role they can't

753
00:35:47,749 --> 00:35:45,450
have that power unless we give it to

754
00:35:49,640 --> 00:35:47,759
them so we take it back by stepping into

755
00:35:51,739 --> 00:35:49,650
the light by stepping in and aligning

756
00:35:56,569 --> 00:35:51,749
ourselves with our true authentic self

757
00:35:58,670 --> 00:35:56,579
which is our God self so you do that by

758
00:36:00,769 --> 00:35:58,680
doing a prayer surrender surrender does

759
00:36:03,559 --> 00:36:00,779
not mean waving a red flag or a white

760
00:36:07,370 --> 00:36:03,569
flag it it sounds like it is what

761
00:36:11,059 --> 00:36:07,380
surrender really means yielding to

762
00:36:12,859 --> 00:36:11,069
another way of thinking yielding in this

763
00:36:16,489 --> 00:36:12,869

case to your higher self to your true

764

00:36:21,880 --> 00:36:16,499

self to me surrender means giving up

765

00:36:27,829 --> 00:36:21,890

defense and allowing our innocence and

766

00:36:29,569 --> 00:36:27,839

yielding to our invulnerability because

767

00:36:31,700 --> 00:36:29,579

we are invulnerable the truth of it is

768

00:36:34,160 --> 00:36:31,710

is we are invulnerable when we are in

769

00:36:36,339 --> 00:36:34,170

the alliance with our true self our

770

00:36:39,400 --> 00:36:36,349

guide self with our spirit with our

771

00:36:42,049 --> 00:36:39,410

higher self whatever name doesn't matter

772

00:36:46,910 --> 00:36:42,059

you're invulnerable and you don't need

773

00:36:49,960 --> 00:36:46,920

defense this world is very much a world

774

00:36:53,239 --> 00:36:49,970

of defensiveness if you notice that

775

00:36:56,569 --> 00:36:53,249

everyone is defensive and they're

776

00:37:00,589 --> 00:36:56,579

defending against something it's really

777

00:37:03,410 --> 00:37:00,599

interesting but it's because I believe

778

00:37:08,089 --> 00:37:03,420

there's so much guilt and the guilt

779

00:37:10,009 --> 00:37:08,099

comes from way back the fall when the

780

00:37:11,450 --> 00:37:10,019

course of miracles teaches that it's

781

00:37:14,900 --> 00:37:11,460

because we believe we turn our back on

782

00:37:17,779 --> 00:37:14,910

God and that we ran away from home and I

783

00:37:21,910 --> 00:37:17,789

see that and it manifests itself in a

784

00:37:25,640 --> 00:37:21,920

lot of ways but the guilt is is

785

00:37:28,700 --> 00:37:25,650

prevalent terribly it's just terrible in

786

00:37:30,620 --> 00:37:28,710

these and these beings on this planet so

787

00:37:33,799 --> 00:37:30,630

there's all this guilt and it just

788

00:37:36,529 --> 00:37:33,809

triggers this need to defend so you do a

789

00:37:39,019 --> 00:37:36,539

prayer of surrender giving over your

790

00:37:41,299 --> 00:37:39,029

will which is the ego in other words

791

00:37:42,890 --> 00:37:41,309

you're surrendering the ego and you just

792

00:37:44,930 --> 00:37:42,900

what you do is basically you're not

793

00:37:45,589 --> 00:37:44,940

giving up anything except for the ego or

794

00:37:48,410 --> 00:37:45,599

the fear-based

795

00:37:49,309 --> 00:37:48,420

little self and you're aligning with

796

00:37:52,640 --> 00:37:49,319

your true

797

00:37:54,739 --> 00:37:52,650

self and you are affirming that your

798

00:37:56,779 --> 00:37:54,749

will is one with your Creator which is

799

00:37:58,549 --> 00:37:56,789

to the truth because you are aspect of

800

00:38:00,289 --> 00:37:58,559

the creator and so you want to align

801
00:38:03,289 --> 00:38:00,299
your will with the creator's will and

802
00:38:05,239 --> 00:38:03,299
you and you literally speak those words

803
00:38:08,569 --> 00:38:05,249
and you do that and you ask for

804
00:38:09,680 --> 00:38:08,579
assistance in doing it so I'm talking

805
00:38:11,150 --> 00:38:09,690
now about how do you raise your

806
00:38:15,140 --> 00:38:11,160
vibration this is how you raise your

807
00:38:19,279 --> 00:38:15,150
vibration you can't go to the fifth

808
00:38:21,049 --> 00:38:19,289
dimension and still be aligned listening

809
00:38:22,430 --> 00:38:21,059
to the Eagle you can't still be

810
00:38:24,920 --> 00:38:22,440
listening to that voice inside your head

811
00:38:26,180 --> 00:38:24,930
that little voice that tells you that

812
00:38:28,390 --> 00:38:26,190
you're no good and that little voice

813
00:38:30,319 --> 00:38:28,400

that tells you that you're guilty in it

814

00:38:31,309 --> 00:38:30,329

you're not going to get to the fifth

815

00:38:33,199 --> 00:38:31,319

dimension while you're still listening

816

00:38:35,599 --> 00:38:33,209

to that so one way or the other if you

817

00:38:38,599 --> 00:38:35,609

don't if you don't choose to surrender

818

00:38:40,579 --> 00:38:38,609

your will there will come a time when it

819

00:38:42,559 --> 00:38:40,589

will probably be forced upon you by your

820

00:38:44,839 --> 00:38:42,569

higher self which loves you and wants

821

00:38:46,670 --> 00:38:44,849

you to go to the fifth dimension so what

822

00:38:48,019 --> 00:38:46,680

will happen is things will happen in

823

00:38:51,979 --> 00:38:48,029

your life to where you're down on the

824

00:38:54,079 --> 00:38:51,989

floor saying my God my God how could

825

00:38:56,650 --> 00:38:54,089

this be happening to me my God where are

826

00:38:58,359 --> 00:38:56,660

you my god do you hear me help me and

827

00:39:01,279 --> 00:38:58,369

there you go

828

00:39:03,890 --> 00:39:01,289

whatever it takes help me whatever it

829

00:39:05,809 --> 00:39:03,900

takes you know show me a different way

830

00:39:09,349 --> 00:39:05,819

I'm you know I need help

831

00:39:11,239 --> 00:39:09,359

there's the prayer of surrender but my

832

00:39:13,069 --> 00:39:11,249

advice is don't wait until you're down

833

00:39:15,380 --> 00:39:13,079

on the floor that's your higher self

834

00:39:18,349 --> 00:39:15,390

that's doing that to you that's yourself

835

00:39:20,329 --> 00:39:18,359

your God self doing that saying do you

836

00:39:22,279 --> 00:39:20,339

see you need to do this a different way

837

00:39:23,989 --> 00:39:22,289

find yourself find your way back to the

838

00:39:26,660 --> 00:39:23,999

Creator you've wandered off you've gone

839

00:39:29,120 --> 00:39:26,670

too far now it's as far as the Creator

840

00:39:31,640 --> 00:39:29,130

will allow you to go you need to come

841

00:39:34,759 --> 00:39:31,650

back so may as well just do it on your

842

00:39:37,130 --> 00:39:34,769

own surrender your will and then learn

843

00:39:39,410 --> 00:39:37,140

trust so you surrender your will and

844

00:39:41,359 --> 00:39:39,420

your life will change you'll start to

845

00:39:43,279 --> 00:39:41,369

immediately see changes and it isn't

846

00:39:46,999 --> 00:39:43,289

just reading a prayer of surrender it's

847

00:39:50,109 --> 00:39:47,009

heartfelt surrender you have to total

848

00:39:53,660 --> 00:39:50,119

you have to be on board and then you

849

00:39:57,979 --> 00:39:53,670

trust in whatever happens to you it's a

850

00:40:00,069 --> 00:39:57,989

wonderful way to live because when you

851
00:40:02,690 --> 00:40:00,079
do a prayer of surrender every morning

852
00:40:05,210 --> 00:40:02,700
then it doesn't matter what happens

853
00:40:07,730 --> 00:40:05,220
to that day or seems to happen to you

854
00:40:09,920 --> 00:40:07,740
nothing happens to us but whatever

855
00:40:12,680 --> 00:40:09,930
occurs in your day it's always going to

856
00:40:14,960 --> 00:40:12,690
be for your highest and best always no

857
00:40:17,150 --> 00:40:14,970
matter what it is you're running late to

858
00:40:19,670 --> 00:40:17,160
an appointment seems like that's a bad

859
00:40:21,290 --> 00:40:19,680
thing but no there's a reason why you're

860
00:40:24,200 --> 00:40:21,300
running late and you need to trust in

861
00:40:25,700 --> 00:40:24,210
that and everything that shows up things

862
00:40:28,130 --> 00:40:25,710
that we don't always eat and understand

863
00:40:31,250 --> 00:40:28,140

sometimes in retrospect you'll see the

864

00:40:32,630 --> 00:40:31,260

divine in it and you'll say I'll so

865

00:40:34,220 --> 00:40:32,640

that's why that went that way I thought

866

00:40:36,079 --> 00:40:34,230

that was a bad thing but that turns out

867

00:40:37,220 --> 00:40:36,089

that was a very good thing other times

868

00:40:39,560 --> 00:40:37,230

there will be things that you'll look

869

00:40:42,380 --> 00:40:39,570

back and go I don't know I don't get it

870

00:40:45,290 --> 00:40:42,390

but you still trust the reason that your

871

00:40:47,329 --> 00:40:45,300

trust will build is because as soon as

872

00:40:49,160 --> 00:40:47,339

you do a prayer surrender the Course in

873

00:40:52,089 --> 00:40:49,170

Miracles teaches us that all the angels

874

00:40:55,220 --> 00:40:52,099

of heaven will come to support you and

875

00:40:58,069 --> 00:40:55,230

that's absolutely true when you do the

876

00:40:59,810 --> 00:40:58,079

prayer surrender it's an awakening it's

877

00:41:01,880 --> 00:40:59,820

another saw it's another light that has

878

00:41:05,480 --> 00:41:01,890

just gone from being a tiny little spark

879

00:41:07,280 --> 00:41:05,490

its flared it's ready to awaken it's

880

00:41:07,579 --> 00:41:07,290

coming home it's saying I'm coming home

881

00:41:10,220 --> 00:41:07,589

now

882

00:41:12,589 --> 00:41:10,230

and so all the angels of heaven will

883

00:41:14,870 --> 00:41:12,599

support you and miracles start to show

884

00:41:17,180 --> 00:41:14,880

up you start just notice little

885

00:41:20,000 --> 00:41:17,190

synchronicities you get support and

886

00:41:22,010 --> 00:41:20,010

that's to show you yes yes you're

887

00:41:25,099 --> 00:41:22,020

walking a different path now you've

888

00:41:28,190 --> 00:41:25,109

turned back toward God and you're coming

889

00:41:31,910 --> 00:41:28,200

home and so that's how you raise your

890

00:41:34,190 --> 00:41:31,920

vibration and you release the fear any

891

00:41:36,380 --> 00:41:34,200

places in your bodies your physical

892

00:41:38,599 --> 00:41:36,390

emotional tharok mental body where

893

00:41:41,030 --> 00:41:38,609

you're holding on to fear fear can be in

894

00:41:43,910 --> 00:41:41,040

the form of anger judgments anything

895

00:41:46,250 --> 00:41:43,920

that's not love and it causes disease

896

00:41:47,450 --> 00:41:46,260

but even the fear that doesn't cause

897

00:41:49,599 --> 00:41:47,460

disease it can cause emotional

898

00:41:52,579 --> 00:41:49,609

unwellness

899

00:41:54,140 --> 00:41:52,589

you know depression anxiety if you have

900

00:41:56,630 --> 00:41:54,150

any of that in your life you're carrying

901
00:42:00,920 --> 00:41:56,640
around grudges and you're carrying

902
00:42:03,859 --> 00:42:00,930
around fear judgments so what you want

903
00:42:05,510 --> 00:42:03,869
to experience is love peace and joy if

904
00:42:09,140 --> 00:42:05,520
you're not experiencing love peace and

905
00:42:15,040 --> 00:42:09,150
joy then you're you're aligning yourself

906
00:42:18,880 --> 00:42:15,050
with your ego so anelia bends

907
00:42:22,720 --> 00:42:18,890
ascension 101 on her website has a fear

908
00:42:25,180 --> 00:42:22,730
release meditation or exercise that's

909
00:42:31,960 --> 00:42:25,190
very much like the one that my guys

910
00:42:37,140 --> 00:42:31,970
taught me my guys showed me back in 2009

911
00:42:41,050 --> 00:42:37,150
or 8 no 9 or 10 actually they showed me

912
00:42:42,760 --> 00:42:41,060
this they came to me one night and they

913
00:42:44,980 --> 00:42:42,770

showed me like this pillar of light and

914

00:42:47,080 --> 00:42:44,990

I've seen this pillar of light many many

915

00:42:47,950 --> 00:42:47,090

times so I knew what it was and I said

916

00:42:50,440 --> 00:42:47,960

ok that's me

917

00:42:51,580 --> 00:42:50,450

and that's what their true essence

918

00:42:54,550 --> 00:42:51,590

that's who I really am

919

00:42:57,250 --> 00:42:54,560

that's who we all are is just light the

920

00:42:59,590 --> 00:42:57,260

shaft of light and it's always a

921

00:43:01,720 --> 00:42:59,600

dazzling thing just to see it and I

922

00:43:03,520 --> 00:43:01,730

mines amazed by Anne and Mike Wow that's

923

00:43:04,990 --> 00:43:03,530

beautiful it's just beautiful as light

924

00:43:07,750 --> 00:43:05,000

flowing because the creator's love and

925

00:43:11,440 --> 00:43:07,760

light sustains us and it's flowing

926
00:43:13,390 --> 00:43:11,450
through us and then died said to me well

927
00:43:16,150 --> 00:43:13,400
come in closer sherry come in closer and

928
00:43:18,430 --> 00:43:16,160
look at this and so as I came in closer

929
00:43:20,620 --> 00:43:18,440
to this pillar of light you could see

930
00:43:22,120 --> 00:43:20,630
places were the light like it was almost

931
00:43:24,640 --> 00:43:22,130
like there were little individual little

932
00:43:26,230 --> 00:43:24,650
cords of light going through it and he

933
00:43:28,630 --> 00:43:26,240
said you see in places where there are

934
00:43:32,980 --> 00:43:28,640
little chunks of matter like coal black

935
00:43:34,780 --> 00:43:32,990
places and I did I saw that and he said

936
00:43:38,230 --> 00:43:34,790
that's where you're harboring grievances

937
00:43:40,540 --> 00:43:38,240
grudges fears anything that's blocking

938
00:43:42,340 --> 00:43:40,550

you see how it's blocking the light does

939

00:43:43,720 --> 00:43:42,350

not able to flow through there you get

940

00:43:45,370 --> 00:43:43,730

enough of that in there that's where

941

00:43:47,890 --> 00:43:45,380

your disease comes from that's where

942

00:43:52,440 --> 00:43:47,900

your illness is that's where pain and

943

00:43:56,440 --> 00:43:52,450

suffering so your job is to release

944

00:43:58,780 --> 00:43:56,450

those those pieces of coal those dark

945

00:44:01,900 --> 00:43:58,790

areas and I said well how do you do that

946

00:44:03,040 --> 00:44:01,910

and he said you look at them you

947

00:44:05,320 --> 00:44:03,050

recognize them you don't have to

948

00:44:08,980 --> 00:44:05,330

understand them but you just look at

949

00:44:11,230 --> 00:44:08,990

them and you just say I don't need you

950

00:44:13,030 --> 00:44:11,240

to be there anymore you came for a

951
00:44:15,099 --> 00:44:13,040
purpose but I no longer need that

952
00:44:17,560 --> 00:44:15,109
purpose I don't like longer need to

953
00:44:19,750 --> 00:44:17,570
learn lessons karmas gone

954
00:44:22,150 --> 00:44:19,760
I just I'm going to release this and

955
00:44:26,260 --> 00:44:22,160
translate it into light transmuted into

956
00:44:27,550 --> 00:44:26,270
love so you just you just find the

957
00:44:28,720 --> 00:44:27,560
places in your body and that's what the

958
00:44:31,510 --> 00:44:28,730
way in nearly events teaches

959
00:44:33,070 --> 00:44:31,520
you scan your body and you find the

960
00:44:35,170 --> 00:44:33,080
places where the energy seems to be

961
00:44:37,810 --> 00:44:35,180
blocked where you're holding maybe if

962
00:44:39,850 --> 00:44:37,820
you're not if you're able to do that you

963
00:44:43,390 --> 00:44:39,860

can sometimes find it but even if you

964

00:44:45,430 --> 00:44:43,400

can't what I tell people is just fake it

965

00:44:47,200 --> 00:44:45,440

you know just fake it go with whatever

966

00:44:49,510 --> 00:44:47,210

because we all have it we all have

967

00:44:51,250 --> 00:44:49,520

places in our bodies our emotional or

968

00:44:54,310 --> 00:44:51,260

mental physical and etheric bodies where

969

00:44:56,710 --> 00:44:54,320

we're holding on to some kind of grudge

970

00:44:58,870 --> 00:44:56,720

or grievance or unforgiveness of some

971

00:45:02,170 --> 00:44:58,880

sort some belief that we've been wronged

972

00:45:05,110 --> 00:45:02,180

and so you just put it in the light and

973

00:45:07,600 --> 00:45:05,120

you transform it into light and it just

974

00:45:09,400 --> 00:45:07,610

clears away and that's how you raise

975

00:45:11,530 --> 00:45:09,410

your vibration because that's what our

976

00:45:13,800 --> 00:45:11,540

vibration is when I was taught to read

977

00:45:19,540 --> 00:45:13,810

people's light by looking into their eye

978

00:45:22,150 --> 00:45:19,550

eyes it was seeing the light the light

979

00:45:24,400 --> 00:45:22,160

that they are and so the more light you

980

00:45:27,010 --> 00:45:24,410

can have flowing through you it comes

981

00:45:29,080 --> 00:45:27,020

from our Creator it flows through us the

982

00:45:31,180 --> 00:45:29,090

higher about your vibration is and the

983

00:45:34,210 --> 00:45:31,190

higher you will go during this period of

984

00:45:36,340 --> 00:45:34,220

Ascension that we are in so everyone

985

00:45:39,430 --> 00:45:36,350

wants to go as high as they possibly can

986

00:45:41,650 --> 00:45:39,440

because it's a lot more fun being in the

987

00:45:43,980 --> 00:45:41,660

fifth dimension and in the fourth let me

988

00:45:48,330 --> 00:45:43,990

tell you in unity consciousness I

989

00:45:53,020 --> 00:45:48,340

remember it from before I came here and

990

00:45:57,010 --> 00:45:53,030

and then I also remember it from being

991

00:45:59,050 --> 00:45:57,020

with my guys every time I'm with them if

992

00:45:59,970 --> 00:45:59,060

I get to spend any length of time with

993

00:46:04,210 --> 00:45:59,980

them at all

994

00:46:07,210 --> 00:46:04,220

it rubs off on me and I just I love

995

00:46:10,090 --> 00:46:07,220

being there it's in a place if you can

996

00:46:16,420 --> 00:46:10,100

imagine being in a place where there is

997

00:46:19,960 --> 00:46:16,430

only acceptance only love there's no

998

00:46:22,000 --> 00:46:19,970

judgement there's no having to defend

999

00:46:24,220 --> 00:46:22,010

anything there's no having to explain

1000

00:46:27,070 --> 00:46:24,230

anything there's only just the wonderful

1001
00:46:31,840 --> 00:46:27,080
acceptance of who you are and gratitude

1002
00:46:38,580 --> 00:46:31,850
for who you are and you feel it for for

1003
00:46:42,640 --> 00:46:38,590
them as well and it's not the kind of

1004
00:46:44,710 --> 00:46:42,650
emotional love that we are used to here

1005
00:46:49,300 --> 00:46:44,720
this is an interesting kind of love on

1006
00:46:53,380 --> 00:46:49,310
planet earth that love is more a state

1007
00:46:55,900 --> 00:46:53,390
of being and it just permeates

1008
00:46:58,090 --> 00:46:55,910
terminates your whole your whole essence

1009
00:47:02,110 --> 00:46:58,100
and you just you resonate with it and so

1010
00:47:06,040 --> 00:47:02,120
I if I spend a lot of time with my guys

1011
00:47:08,830 --> 00:47:06,050
if I have a series of encounters of love

1012
00:47:10,360 --> 00:47:08,840
if I'm during a time when like I was

1013
00:47:12,640 --> 00:47:10,370

back in the 80s when they were coming

1014

00:47:14,680 --> 00:47:12,650

three four or five times a week so I

1015

00:47:18,070 --> 00:47:14,690

spending hours and hours and hours with

1016

00:47:21,520 --> 00:47:18,080

them it affects who you are you become

1017

00:47:24,010 --> 00:47:21,530

more psychic you become more aware you

1018

00:47:27,820 --> 00:47:24,020

become a healer your your touch can heal

1019

00:47:32,200 --> 00:47:27,830

and you have an appreciation for all of

1020

00:47:35,350 --> 00:47:32,210

life and that's a really great place to

1021

00:47:37,660 --> 00:47:35,360

be great state of mind to be in so

1022

00:47:39,540 --> 00:47:37,670

that's where I want to go I don't go

1023

00:47:43,540 --> 00:47:39,550

back I don't go back home

1024

00:47:44,980 --> 00:47:43,550

the idea that some would be taken off

1025

00:47:48,300 --> 00:47:44,990

the eye some would be taken off the

1026

00:47:51,760 --> 00:47:48,310

planet that is what I was told back in

1027

00:47:54,010 --> 00:47:51,770

1988 when I was doing the light reading

1028

00:47:57,340 --> 00:47:54,020

and I explained to me about the earth

1029

00:48:00,430 --> 00:47:57,350

changes and I had a real problem with

1030

00:48:02,020 --> 00:48:00,440

that I had a real problem that some

1031

00:48:04,600 --> 00:48:02,030

would stay on the planet and go to this

1032

00:48:06,250 --> 00:48:04,610

supposed wonderful place but I had

1033

00:48:08,140 --> 00:48:06,260

questions about that because they had

1034

00:48:09,910 --> 00:48:08,150

shown me the planet being destroyed when

1035

00:48:11,470 --> 00:48:09,920

I was a little girl and I thought well

1036

00:48:13,570 --> 00:48:11,480

why would that be a good thing for those

1037

00:48:16,840 --> 00:48:13,580

who were able to resonate with a higher

1038

00:48:18,400 --> 00:48:16,850

vibration and who had you know evolved

1039

00:48:21,640 --> 00:48:18,410

to that point didn't seem like a very

1040

00:48:26,980 --> 00:48:21,650

good thing but I've since come to

1041

00:48:30,070 --> 00:48:26,990

understand that the scenario that was in

1042

00:48:32,410 --> 00:48:30,080

play at that time has changed because we

1043

00:48:34,000 --> 00:48:32,420

do create our reality through our

1044

00:48:38,200 --> 00:48:34,010

thoughts and through our vibration and

1045

00:48:40,290 --> 00:48:38,210

through the collective so now it's

1046

00:48:44,380 --> 00:48:40,300

always changing it's always changing and

1047

00:48:47,920 --> 00:48:44,390

as dad told me even back then there is

1048

00:48:49,510 --> 00:48:47,930

the hope that if enough people if

1049

00:48:51,840 --> 00:48:49,520

there's enough level of vibration it

1050

00:48:54,070 --> 00:48:51,850

will have the effect of pulling all up I

1051
00:48:55,270 --> 00:48:54,080
don't know if that's happened there are

1052
00:48:56,620 --> 00:48:55,280
some

1053
00:49:02,080 --> 00:48:56,630
teachers who are saying that that has

1054
00:49:03,550 --> 00:49:02,090
happened but as far as going taking some

1055
00:49:05,770 --> 00:49:03,560
off the planet and going to another

1056
00:49:09,250 --> 00:49:05,780
third dimensional planet I don't

1057
00:49:11,650 --> 00:49:09,260
personally I don't think I belong to

1058
00:49:14,410 --> 00:49:11,660
happen I think that that's changed I

1059
00:49:17,620 --> 00:49:14,420
think that that was the plan when it was

1060
00:49:20,800 --> 00:49:17,630
going to be only maybe 20% Atmos that

1061
00:49:24,790 --> 00:49:20,810
we're going to evolve then what rather

1062
00:49:27,010 --> 00:49:24,800
than have this terrible catastrophe

1063
00:49:28,720 --> 00:49:27,020

happened on planet earth the way that it

1064

00:49:30,910 --> 00:49:28,730

was going to be done with this I think

1065

00:49:33,400 --> 00:49:30,920

it was planned that like an asteroid

1066

00:49:35,920 --> 00:49:33,410

would hit the planet and this what the

1067

00:49:38,380 --> 00:49:35,930

oceans would sweep in and sweep

1068

00:49:41,470 --> 00:49:38,390

everyone which is similar to what had

1069

00:49:44,530 --> 00:49:41,480

happened like atlantis and lemuria so

1070

00:49:47,620 --> 00:49:44,540

instead of that it was going to be that

1071

00:49:49,660 --> 00:49:47,630

we're literally we're going to take the

1072

00:49:51,730 --> 00:49:49,670

third dimensional beings who still

1073

00:49:54,160 --> 00:49:51,740

wanted to stay in a dual based system

1074

00:49:56,170 --> 00:49:54,170

take them to another planet similar to

1075

00:50:01,150 --> 00:49:56,180

earth and allow them to continue on

1076
00:50:04,300 --> 00:50:01,160
their journey of awakening but I believe

1077
00:50:07,510 --> 00:50:04,310
that we've made it far enough along to

1078
00:50:10,960 --> 00:50:07,520
where it's just going to be more of a

1079
00:50:13,360 --> 00:50:10,970
natural if you can have a natural

1080
00:50:15,820 --> 00:50:13,370
ascension in the body but humans are

1081
00:50:18,970 --> 00:50:15,830
going to evolve and go into the fifth

1082
00:50:20,890 --> 00:50:18,980
dimension I don't know if it's going to

1083
00:50:23,080 --> 00:50:20,900
be in the blink of an eye like some are

1084
00:50:25,510 --> 00:50:23,090
saying or take time again that's up to

1085
00:50:30,640 --> 00:50:25,520
the human collective but those who are

1086
00:50:33,700 --> 00:50:30,650
not ready to go will incarnate they will

1087
00:50:35,560 --> 00:50:33,710
just reincarnate onto into a new body on

1088
00:50:37,210 --> 00:50:35,570

another third dimensional planet there

1089

00:50:39,070 --> 00:50:37,220

are other third dimensional planets and

1090

00:50:41,860 --> 00:50:39,080

because I don't think that it's going to

1091

00:50:44,710 --> 00:50:41,870

be that large of a number whereas before

1092

00:50:47,470 --> 00:50:44,720

having it be most of the earth humans it

1093

00:50:48,970 --> 00:50:47,480

was a different scenario and also

1094

00:50:54,160 --> 00:50:48,980

because the vibration of those earth

1095

00:50:55,810 --> 00:50:54,170

humans was fairly low and now everyone

1096

00:50:57,490 --> 00:50:55,820

is awakening to some extent it seems

1097

00:51:00,310 --> 00:50:57,500

like I think there's an awareness level

1098

00:51:04,510 --> 00:51:00,320

that's happening so it's an ongoing

1099

00:51:06,490 --> 00:51:04,520

process and it's if it happens as if

1100

00:51:08,900 --> 00:51:06,500

it's extended out over so long a period

1101

00:51:11,750 --> 00:51:08,910

of time it is true that

1102

00:51:14,000 --> 00:51:11,760

certainly every soul on the planet can

1103

00:51:15,830 --> 00:51:14,010

can get to to that dimension to that

1104

00:51:19,460 --> 00:51:15,840

fifth dimension that's the hope because

1105

00:51:23,240 --> 00:51:19,470

it has as those who are leading the pack

1106

00:51:26,180 --> 00:51:23,250

is fast vibrationally they will

1107

00:51:28,670 --> 00:51:26,190

demonstrate to others and they will have

1108

00:51:30,860 --> 00:51:28,680

the effect of pulling their vibration up

1109

00:51:32,810 --> 00:51:30,870

and bringing them into awareness just

1110

00:51:34,190 --> 00:51:32,820

through the demonstration of their lives
