1  
00:00:00,000 --> 00:00:08,350

[Music]

2  
00:00:14,660 --> 00:00:10,580

my name is Rick I smile each I'm a

3  
00:00:18,050 --> 00:00:14,670

longtime contact the it started with me

4  
00:00:19,820 --> 00:00:18,060

at age twelve in 1959 it really started

5  
00:00:23,509 --> 00:00:19,830

with my grandfather first he was in

6  
00:00:26,029 --> 00:00:23,519

Yugoslavia it was a lumberjack and my

7  
00:00:29,179 --> 00:00:26,039

grandmother would give him like five

8  
00:00:31,640 --> 00:00:29,189

sandwiches that was coffee and he'd sit

9  
00:00:34,610 --> 00:00:31,650

on this dump and out of these woods came

10  
00:00:36,950 --> 00:00:34,620

this 12-inch dwarf and said on this

11  
00:00:39,229 --> 00:00:36,960

stump by my grandfather my grandfather

12  
00:00:41,810 --> 00:00:39,239

would give him a sandwich and he would

13  
00:00:45,260 --> 00:00:41,820

communicate and they would talk and s

14

00:00:49,819 --> 00:00:45,270

was gone pretty much he had four sons

15

00:00:51,529 --> 00:00:49,829

and what Croatian Yugoslavia because

16

00:00:53,630 --> 00:00:51,539

they would speak in different language

17

00:00:56,209 --> 00:00:53,640

so no one could understand what they

18

00:00:58,130 --> 00:00:56,219

were saying the only one it really took

19

00:00:59,869 --> 00:00:58,140

my grandfather's service was my dad

20

00:01:00,819 --> 00:00:59,879

because he knew that he was telling the

21

00:01:03,799 --> 00:01:00,829

truth

22

00:01:08,350 --> 00:01:03,809

and in these conversations I would hear

23

00:01:11,030 --> 00:01:08,360

because I was a lot younger but what

24

00:01:13,820 --> 00:01:11,040

something that this little dwarf was

25

00:01:16,840 --> 00:01:13,830

telling my little grandfather was that

26

00:01:21,260 --> 00:01:16,850

his son and one of his grandsons are

27

00:01:24,770 --> 00:01:21,270

going to be chosen to meet a lot of

28

00:01:25,999 --> 00:01:24,780

different start people you people call

29

00:01:29,990 --> 00:01:26,009

them aliens that have there really

30

00:01:33,109 --> 00:01:30,000

started people so that's kind of where

31

00:01:36,620 --> 00:01:33,119

it started there now I grew up in a town

32

00:01:40,160 --> 00:01:36,630

called dog town and my dad had a four

33

00:01:42,170 --> 00:01:40,170

family flat and I used to go across the

34

00:01:44,480 --> 00:01:42,180

streets on a Saturday morning every

35

00:01:48,260 --> 00:01:44,490

Saturday morning we had these enormous

36

00:01:49,700 --> 00:01:48,270

tree lights and they were real big and I

37

00:01:51,830 --> 00:01:49,710

had these little pebbles cuz they used

38

00:01:54,410 --> 00:01:51,840

to love their to paying off his these

39

00:01:57,350 --> 00:01:54,420

lights and I had two boulders to break

40

00:02:00,740 --> 00:01:57,360

it you know I was a 12 year old kid well

41

00:02:03,620 --> 00:02:00,750

I started throwing the little pebbles at

42

00:02:04,899 --> 00:02:03,630

the light and I was hurt of pain and I'd

43

00:02:08,359 --> 00:02:04,909

have caught on my eye

44

00:02:10,160 --> 00:02:08,369

it's manchester's like a Main Street and

45

00:02:11,760 --> 00:02:10,170

Timmy I haven't used the street I lived

46

00:02:16,790 --> 00:02:11,770

on we were the second build

47

00:02:19,110 --> 00:02:16,800

all right cross the street but anyway I

48

00:02:21,540 --> 00:02:19,120

saw this metallic ball was a little bit

49

00:02:23,550 --> 00:02:21,550

bigger than a basketball and it was real

50

00:02:26,730 --> 00:02:23,560

silent we didn't have a remote control

51  
00:02:29,400 --> 00:02:26,740  
back then and I could understand what

52  
00:02:32,280 --> 00:02:29,410  
this was but it come over my head about

53  
00:02:34,710 --> 00:02:32,290  
thirty feet or a little kid 12 years old

54  
00:02:37,260 --> 00:02:34,720  
I picked up one of them boulders because

55  
00:02:39,060 --> 00:02:37,270  
I was gonna throw at it hit it it would

56  
00:02:41,970 --> 00:02:39,070  
fall brink in half this is a little 12

57  
00:02:44,370 --> 00:02:41,980  
year old kid and when I went to step

58  
00:02:47,040 --> 00:02:44,380  
back to throw I saw these little windows

59  
00:02:48,630 --> 00:02:47,050  
with these little figures went down the

60  
00:02:51,210 --> 00:02:48,640  
road these are my buddies now they're

61  
00:02:55,080 --> 00:02:51,220  
three-inch human eyes it shot up beam a

62  
00:02:56,760 --> 00:02:55,090  
light on me like a green beam on me it

63  
00:02:59,520 --> 00:02:56,770

was a small parking lot and it was his

64

00:03:01,380 --> 00:02:59,530

first house it went up over the house

65

00:03:05,220 --> 00:03:01,390

down shot straight up in the air

66

00:03:07,050 --> 00:03:05,230

disappeared so I went running into the

67

00:03:09,390 --> 00:03:07,060

house my mom's cooking breakfast my

68

00:03:11,280 --> 00:03:09,400

dad's sitting in his seat he always had

69

00:03:14,370 --> 00:03:11,290

this pad that he would write on it so I

70

00:03:16,770 --> 00:03:14,380

started drawing what I'm seeing and my

71

00:03:18,030 --> 00:03:16,780

dad's jumping up and down saying UFO all

72

00:03:20,640 --> 00:03:18,040

these big words I didn't know what tell

73

00:03:21,960 --> 00:03:20,650

he was talking about his only 12 he said

74

00:03:23,940 --> 00:03:21,970

where did you see this and I said dad I

75

00:03:26,460 --> 00:03:23,950

sought out in the front my dad went

76  
00:03:29,010 --> 00:03:26,470  
running and my mom went running after

77  
00:03:33,210 --> 00:03:29,020  
him so when I got out there I brung him

78  
00:03:35,100 --> 00:03:33,220  
back in the house and he had me sit down

79  
00:03:36,510 --> 00:03:35,110  
and kitchen today was he said and what I

80  
00:03:38,370 --> 00:03:36,520  
want you to do is tell me everything and

81  
00:03:40,320 --> 00:03:38,380  
I go off I tell you everything

82  
00:03:41,520 --> 00:03:40,330  
you're not gonna kick my ass are you

83  
00:03:45,900 --> 00:03:41,530  
because he kind of laughed about that

84  
00:03:48,180 --> 00:03:45,910  
and my dad knew that he was not alone no

85  
00:03:52,830 --> 00:03:48,190  
more again somebody could so with my dad

86  
00:03:56,700 --> 00:03:52,840  
was 8th grade education and I didn't

87  
00:03:58,290 --> 00:03:56,710  
realize that would work I mean et you

88  
00:04:00,830 --> 00:03:58,300

know that that evening what he went and

89

00:04:04,320 --> 00:04:00,840

done first is he went grocery shopping

90

00:04:07,170 --> 00:04:04,330

cuz he thought more about my mom then et

91

00:04:09,060 --> 00:04:07,180

and he bought all the groceries two

92

00:04:12,720 --> 00:04:09,070

loaves of bread and then we go to meet

93

00:04:14,280 --> 00:04:12,730

Petey in this area the car dies and then

94

00:04:17,580 --> 00:04:14,290

they're coming after us and it's just

95

00:04:18,900 --> 00:04:17,590

giant flying sauce so they get us out of

96

00:04:21,810 --> 00:04:18,910

the car and her walking us into this

97

00:04:23,170 --> 00:04:21,820

craft they put me in one room with a my

98

00:04:26,690 --> 00:04:23,180

dad in the other room

99

00:04:29,450 --> 00:04:26,700

and I was 12 years old I was real scared

100

00:04:30,950 --> 00:04:29,460

and they're scraping and taking semen

101

00:04:33,140 --> 00:04:30,960

and I'm sure they're doing the same

102

00:04:34,370 --> 00:04:33,150

thing of my dad and when I looked up at

103

00:04:37,250 --> 00:04:34,380

his ceiling because I'm on this metal

104

00:04:40,130 --> 00:04:37,260

table I saw that she got a blanket like

105

00:04:42,290 --> 00:04:40,140

coming down and would cover my neck and

106

00:04:45,290 --> 00:04:42,300

my feet would be open in my head I could

107

00:04:46,850 --> 00:04:45,300

move my feet in my head and I was really

108

00:04:49,970 --> 00:04:46,860

scared I was trying to push through it

109

00:04:52,330 --> 00:04:49,980

I'm just 12 year-old kid I'm sure my

110

00:04:54,260 --> 00:04:52,340

dad's going through the same thing so

111

00:04:58,160 --> 00:04:54,270

finally they put us in this room

112

00:05:01,190 --> 00:04:58,170

together this beautiful room and we had

113

00:05:05,630 --> 00:05:01,200

black-and-white TV you know this is

114

00:05:07,370 --> 00:05:05,640

enough 50s we have color TV and all of a

115

00:05:10,220 --> 00:05:07,380

sudden it's color TV comes floating in

116

00:05:13,400 --> 00:05:10,230

the air right in front of us and shows

117

00:05:16,970 --> 00:05:13,410

Hitler all the wars and her beautiful

118

00:05:19,310 --> 00:05:16,980

planet totally on fire and I was only 12

119

00:05:21,170 --> 00:05:19,320

so my dad's asking them questions did we

120

00:05:24,950 --> 00:05:21,180

have war with you that the Sun fall

121

00:05:27,170 --> 00:05:24,960

they're not saying anything so when

122

00:05:30,350 --> 00:05:27,180

that's all over with we're coming out of

123

00:05:33,200 --> 00:05:30,360

the craft I'm sitting down now but if I

124

00:05:35,330 --> 00:05:33,210

was standing out our nose started to

125

00:05:37,700 --> 00:05:35,340

bleed real bad it was coming out of this

126

00:05:40,160 --> 00:05:37,710

nostril it's not even hitting the ground

127

00:05:43,010 --> 00:05:40,170

it's like a chain it's going back into

128

00:05:44,330 --> 00:05:43,020

the other nostril and I'm looking at my

129

00:05:45,590 --> 00:05:44,340

dad because he's going through the same

130

00:05:46,730 --> 00:05:45,600

thing we're hitting ourselves in the

131

00:05:49,610 --> 00:05:46,740

chest because we thought we were gonna

132

00:05:53,120 --> 00:05:49,620

die right there so they're walking us

133

00:05:55,250 --> 00:05:53,130

back to the car and we get in and then

134

00:05:58,730 --> 00:05:55,260

they're walking back and their craft and

135

00:06:01,250 --> 00:05:58,740

they leave and when I went to turn

136

00:06:02,660 --> 00:06:01,260

around to the back seat I saw everything

137

00:06:05,660 --> 00:06:02,670

was there but the bread and that's when

138

00:06:08,120 --> 00:06:05,670

I grabbed my dead shirt and I said daddy

139

00:06:11,840 --> 00:06:08,130

well we're old kid everything's there

140

00:06:14,660 --> 00:06:11,850

but they took the bread so our car

141

00:06:16,790 --> 00:06:14,670

started we're going back home cuz we had

142

00:06:20,600 --> 00:06:16,800

this big backyard it was 210 by 60 I

143

00:06:23,960 --> 00:06:20,610

used to go to push more and we would

144

00:06:26,090 --> 00:06:23,970

talk and console my mother my older

145

00:06:28,130 --> 00:06:26,100

brother and my sister never knew

146

00:06:30,230 --> 00:06:28,140

anything about our lives because my dad

147

00:06:32,600 --> 00:06:30,240

scared the hell out of me because he

148

00:06:34,250 --> 00:06:32,610

told me if we ever say anything the eyes

149

00:06:36,380 --> 00:06:34,260

and Hawaii hackers would come

150

00:06:38,150 --> 00:06:36,390

take us away and we'd never see you

151

00:06:40,880 --> 00:06:38,160

never see your mother brother sister

152

00:06:43,580 --> 00:06:40,890

where that's carried out on me it was a

153

00:06:47,390 --> 00:06:43,590

reason for my dad to say that but this

154

00:06:51,140 --> 00:06:47,400

little kid 12 years old it just lit in

155

00:06:52,970 --> 00:06:51,150

my brain about this Brett so I'm talking

156

00:06:54,590 --> 00:06:52,980

to my dad and I go daddy the next time

157

00:06:55,730 --> 00:06:54,600

we meet started people that was the

158

00:06:58,400 --> 00:06:55,740

first thing that came out of my mouth

159

00:07:01,220 --> 00:06:58,410

anyway we bring bread while my dad

160

00:07:04,850 --> 00:07:01,230

laughed second time we went he took five

161

00:07:07,070 --> 00:07:04,860

loaves of bread third time we went he

162

00:07:09,500 --> 00:07:07,080

took seven my dad did Natalie have no

163

00:07:13,940 --> 00:07:09,510

more he realized that this was a peace

164

00:07:16,820 --> 00:07:13,950

offering I never had any missing time if

165

00:07:19,190 --> 00:07:16,830

my dad had it he was complaining at five

166

00:07:21,950 --> 00:07:19,200

years old I'm not saying that he did and

167

00:07:25,310 --> 00:07:21,960

he probably did if I had any mercy time

168

00:07:28,430 --> 00:07:25,320

when it's from 0 1 to 11 years old but

169

00:07:32,060 --> 00:07:28,440

from 12 years old always now in 2014 I'm

170

00:07:35,030 --> 00:07:32,070

66 and my dad didn't have any messy time

171

00:07:37,010 --> 00:07:35,040

because he was you know to the part to

172

00:07:39,590 --> 00:07:37,020

where my dad almost you know finally

173

00:07:41,590 --> 00:07:39,600

died and everything but I made a quest

174

00:07:45,140 --> 00:07:41,600

for my father that you know I would

175

00:07:47,720 --> 00:07:45,150

carry on him and find out the answers

176

00:07:49,610 --> 00:07:47,730

because we had a lot of meetings in the

177

00:07:55,640 --> 00:07:49,620

yards well we were right about this that

178

00:07:58,340 --> 00:07:55,650

started people were saying and mmm I met

179

00:08:02,870 --> 00:07:58,350

it just total of 32 star people 28 good

180

00:08:05,900 --> 00:08:02,880

for bad the bad ones I met were the two

181

00:08:06,680 --> 00:08:05,910

legal is a reptilian people tedious

182

00:08:10,520 --> 00:08:06,690

red-eyes

183

00:08:14,870 --> 00:08:10,530

they were very intimidating and he put

184

00:08:19,250 --> 00:08:14,880

fear in you my dad I meant to what's my

185

00:08:22,970 --> 00:08:19,260

dad and I met him twice on my own later

186

00:08:27,080 --> 00:08:22,980

years thanks he's 69 in the early 70s

187

00:08:30,290 --> 00:08:27,090

and then we met the Orion grades with no

188

00:08:32,600 --> 00:08:30,300

black eyes from the planet Orion the

189

00:08:35,030 --> 00:08:32,610

Drake the reptilians were at from the

190

00:08:35,920 --> 00:08:35,040

planet Hydra and Reiko I forgot to say

191

00:08:38,770 --> 00:08:35,930

that about them

192

00:08:40,990 --> 00:08:38,780

then we met these guys in these silver

193

00:08:44,110 --> 00:08:41,000

suits with no face they had a blinking

194

00:08:47,080 --> 00:08:44,120

light they talked telepathically and

195

00:08:49,980 --> 00:08:47,090

then the other one was T there's got to

196

00:08:51,820 --> 00:08:49,990

be an East and West praying mantis

197

00:08:56,410 --> 00:08:51,830

because I heard they're supposed to be

198

00:08:58,450 --> 00:08:56,420

really spiritual and and nice but the

199

00:09:01,270 --> 00:08:58,460

ones that were on the craft that we were

200

00:09:03,250 --> 00:09:01,280

on push my dad down and I kicked this

201  
00:09:12,700 --> 00:09:03,260  
one in the chin and I jumped behind my

202  
00:09:14,500 --> 00:09:12,710  
dad and then the 12-inch the work that

203  
00:09:16,750 --> 00:09:14,510  
had talked to my late grandfather was

204  
00:09:22,360 --> 00:09:16,760  
right about us meeting different star

205  
00:09:23,860 --> 00:09:22,370  
people we met these cyclop started

206  
00:09:25,750 --> 00:09:23,870  
people with one eye they were eight to

207  
00:09:28,240 --> 00:09:25,760  
ten feet tall they're from the fourth

208  
00:09:31,510 --> 00:09:28,250  
dimension they would fly in an

209  
00:09:33,310 --> 00:09:31,520  
egg-shaped and a lot of these meetings

210  
00:09:38,560 --> 00:09:33,320  
that we had were always at night they

211  
00:09:40,870 --> 00:09:38,570  
had this beautiful orange color and they

212  
00:09:44,020 --> 00:09:40,880  
would speak telepathic and they would

213  
00:09:46,480 --> 00:09:44,030

say that there are some of them already

214

00:09:49,480 --> 00:09:46,490

down underneath the ground on planet

215

00:09:50,620 --> 00:09:49,490

earth and later on we would get more

216

00:09:53,860 --> 00:09:50,630

information on that

217

00:09:56,290 --> 00:09:53,870

but a lot of the information that we

218

00:09:58,450 --> 00:09:56,300

were getting was we're destroying this

219

00:09:59,620 --> 00:09:58,460

planet we need to turn it around and if

220

00:10:05,620 --> 00:09:59,630

we don't we're gonna be like the

221

00:10:07,420 --> 00:10:05,630

dinosaur will be upstate and we were

222

00:10:09,910 --> 00:10:07,430

spraying everything cuz back in our time

223

00:10:11,980 --> 00:10:09,920

we didn't spray our gardens and he were

224

00:10:13,630 --> 00:10:11,990

food like what we do now because in a

225

00:10:17,860 --> 00:10:13,640

long run twenty years worth killing

226

00:10:23,020 --> 00:10:17,870

ourselves I met to hand people the warm

227

00:10:29,560 --> 00:10:23,030

people CAD people I met a real angel by

228

00:10:34,870 --> 00:10:29,570

the name of Catherine little looks like

229

00:10:42,110 --> 00:10:37,910

trying to think of although don't once I

230

00:10:45,019 --> 00:10:42,120

met here but you know all these people

231

00:10:46,910 --> 00:10:45,029

are real these people he made up and as

232

00:10:51,500 --> 00:10:46,920

I go through this maybe I will remember

233

00:10:54,009 --> 00:10:51,510

some more the serpo grades they're

234

00:10:58,699 --> 00:10:54,019

always in services there will be friends

235

00:11:01,340 --> 00:10:58,709

matter of fact I have a group now were

236

00:11:01,699 --> 00:11:01,350

soothed this my life for over fifty

237

00:11:03,560 --> 00:11:01,709

years

238

00:11:06,650 --> 00:11:03,570

I called my fam for they're not the

239

00:11:08,900 --> 00:11:06,660

Beatles there's a circle Grey's from the

240

00:11:13,280 --> 00:11:08,910

planet servo the Nordiques it looked

241

00:11:15,170 --> 00:11:13,290

just like us and the elephant people and

242

00:11:17,569 --> 00:11:15,180

103-inch and when i buddies from the

243

00:11:21,110 --> 00:11:17,579

fifth and seventh dimension they were my

244

00:11:24,139 --> 00:11:21,120

very first contact I went to plant a

245

00:11:27,769 --> 00:11:24,149

circle with my father and twice by

246

00:11:31,340 --> 00:11:27,779

myself we were in his craft and we would

247

00:11:32,870 --> 00:11:31,350

pick up a little thing on each one we're

248

00:11:38,810 --> 00:11:32,880

sitting these colored chairs I'm 12

249

00:11:41,240 --> 00:11:38,820

years old and I saw these like fiber

250

00:11:43,400 --> 00:11:41,250

ethically wires some kind of wire all

251  
00:11:46,400 --> 00:11:43,410  
the way around the craft was he's real

252  
00:11:48,500 --> 00:11:46,410  
vines and he had his handprints they

253  
00:11:51,110 --> 00:11:48,510  
were different they'll be like this like

254  
00:11:55,750 --> 00:11:51,120  
this something to do with each one to

255  
00:11:58,970 --> 00:11:55,760  
start to Flying Saucer or whatever and I

256  
00:12:01,490 --> 00:11:58,980  
noticed this circle great was sitting

257  
00:12:02,810 --> 00:12:01,500  
down and he took this fine and he stuck

258  
00:12:04,670 --> 00:12:02,820  
to the side of his hand

259  
00:12:06,440 --> 00:12:04,680  
that's when I had nudged my dad and I

260  
00:12:10,699 --> 00:12:06,450  
said dad he's feeding itself there's

261  
00:12:12,650 --> 00:12:10,709  
little things we would pick up but these

262  
00:12:16,400 --> 00:12:12,660  
people have been my friends for over 50

263  
00:12:17,840 --> 00:12:16,410

years like I said and they I see them

264

00:12:23,090 --> 00:12:17,850

like every two months for vital

265

00:12:25,910 --> 00:12:23,100

information what I want to do is let

266

00:12:29,090 --> 00:12:25,920

everyone know that it took me a long

267

00:12:33,019 --> 00:12:29,100

time to find somebody to tell my life

268

00:12:34,819 --> 00:12:33,029

story to and I was really lucky

269

00:12:36,920 --> 00:12:34,829

Debbie singer Meyer who is now the

270

00:12:39,410 --> 00:12:36,930

Missouri director moved fine she's also

271

00:12:43,769 --> 00:12:39,420

on a board of directors she was my very

272

00:12:47,199 --> 00:12:43,779

first interview on the telephone and

273

00:12:49,900 --> 00:12:47,209

she had somebody that she wrote down

274

00:12:51,310 --> 00:12:49,910

things to ask me questions kind of what

275

00:12:53,889 --> 00:12:51,320

she was trying to do was trying to trick

276

00:12:55,150 --> 00:12:53,899

me you know and I know what she was

277

00:12:56,940 --> 00:12:55,160

doing and I said Debbie you can do

278

00:13:00,699 --> 00:12:56,950

whatever you want this is my life story

279

00:13:05,170 --> 00:13:00,709

you know I live this with my late father

280

00:13:07,750 --> 00:13:05,180

and and he met half of them you know I

281

00:13:12,310 --> 00:13:07,760

met 32 people this is real you know I

282

00:13:14,230 --> 00:13:12,320

don't to make it up and she got ahold of

283

00:13:16,990 --> 00:13:14,240

Margie K whose assistant director in

284

00:13:19,870 --> 00:13:17,000

Kansas City because me and Margie K is a

285

00:13:22,269 --> 00:13:19,880

top psychic remote viewer she's

286

00:13:25,660 --> 00:13:22,279

assistant director of MUFON I can't say

287

00:13:27,730 --> 00:13:25,670

she was getting her messages

288

00:13:32,139 --> 00:13:27,740

telepathically and I was getting the

289

00:13:34,480 --> 00:13:32,149

same message in person and we alive so

290

00:13:37,230 --> 00:13:34,490

it was freaking Debbie outs we got to

291

00:13:40,030 --> 00:13:37,240

get you guys together so of all places

292

00:13:43,230 --> 00:13:40,040

they interviewed me and for my racetrack

293

00:13:45,610 --> 00:13:43,240

so we get out to Fairmount racetrack

294

00:13:49,329 --> 00:13:45,620

Margie takes out our equipment camera

295

00:13:51,819 --> 00:13:49,339

everything all their batteries died so

296

00:13:54,220 --> 00:13:51,829

thank God Debbie had her equipment

297

00:13:56,410 --> 00:13:54,230

everything worked so as we're going

298

00:13:59,050 --> 00:13:56,420

through this

299

00:14:01,300 --> 00:13:59,060

Margie's interviewing me and I kind of

300

00:14:04,060 --> 00:14:01,310

started off there's even a DVD we made

301  
00:14:06,220 --> 00:14:04,070  
or I don't care what you think origins

302  
00:14:09,930 --> 00:14:06,230  
is this is my life it's like what I'm

303  
00:14:12,220 --> 00:14:09,940  
saying now and these people are real and

304  
00:14:13,300 --> 00:14:12,230  
she was kind of laughing because I'm

305  
00:14:15,670 --> 00:14:13,310  
what I was talking about the three inch

306  
00:14:18,069 --> 00:14:15,680  
humanoid goes right I believe you

307  
00:14:22,980 --> 00:14:18,079  
there's something to this because after

308  
00:14:25,210 --> 00:14:22,990  
in this interview we had they actually

309  
00:14:27,430 --> 00:14:25,220  
followed her home and are talking to her

310  
00:14:29,500 --> 00:14:27,440  
but uh she tells that we do shoot her

311  
00:14:32,590 --> 00:14:29,510  
camera straight up and there's a giant

312  
00:14:34,960 --> 00:14:32,600  
flying saucer up there and then Margie

313  
00:14:36,400 --> 00:14:34,970

notices something else wrong and as we

314

00:14:39,579 --> 00:14:36,410

might a little three-inch guys are kind

315

00:14:40,990 --> 00:14:39,589

of she's seen him over my head the

316

00:14:43,060 --> 00:14:41,000

interview was for like too many of ours

317

00:14:46,000 --> 00:14:43,070

and then she's going home with my little

318

00:14:50,079 --> 00:14:46,010

three-inch heel right guys were talking

319

00:14:52,760 --> 00:14:50,089

to her following all the way home I want

320

00:15:01,170 --> 00:14:57,690

Kansas City 2011 May 6 it's been Debbie

321

00:15:03,000 --> 00:15:01,180

and Marge you were there and the people

322

00:15:06,300 --> 00:15:03,010

in Kansas City were really great to ask

323

00:15:07,770 --> 00:15:06,310

a lot of questions we went out to the

324

00:15:10,290 --> 00:15:07,780

parking lot we're out there for two and

325

00:15:13,140 --> 00:15:10,300

a half hours were asking these questions

326

00:15:16,800 --> 00:15:13,150

you know people were really glad that I

327

00:15:19,320 --> 00:15:16,810

came to iron and made him feel that the

328

00:15:22,110 --> 00:15:19,330

answers that they wanted you know they

329

00:15:23,430 --> 00:15:22,120

heard from me so I looked at Debbie I

330

00:15:25,400 --> 00:15:23,440

said Debbie we got to get out of here

331

00:15:28,680 --> 00:15:25,410

because we were getting real tired

332

00:15:30,450 --> 00:15:28,690

because my little guy is in the nerd

333

00:15:33,840 --> 00:15:30,460

eats were actually they go work wherever

334

00:15:36,360 --> 00:15:33,850

I speak and I had my own meeting room

335

00:15:38,640 --> 00:15:36,370

today and they've actually come in my

336

00:15:42,000 --> 00:15:38,650

meeting room and because I have we have

337

00:15:44,820 --> 00:15:42,010

to get this information out but anyway

338

00:15:46,800 --> 00:15:44,830

we're going down highway 70 there's a

339

00:15:50,450 --> 00:15:46,810

lot of farmland out there and I don't

340

00:15:53,880 --> 00:15:50,460

she has this enormous brand-new big Jeep

341

00:15:55,710 --> 00:15:53,890

and out of the corner of my eye this big

342

00:15:57,420 --> 00:15:55,720

white like just lights up the whole

343

00:16:01,050 --> 00:15:57,430

farmland excuse me

344

00:16:04,470 --> 00:16:01,060

and I was like five minutes later all of

345

00:16:06,360 --> 00:16:04,480

a sudden some hits the top of her Jeep

346

00:16:09,170 --> 00:16:06,370

and the Jeep is just sweating like crazy

347

00:16:11,910 --> 00:16:09,180

because that we almost lost control and

348

00:16:14,760 --> 00:16:11,920

Debbie looked at me and she goes that's

349

00:16:19,400 --> 00:16:14,770

a bird and I said a [h\_\_h] burger

350

00:16:21,450 --> 00:16:19,410

godan so we're getting real close to

351

00:16:23,940 --> 00:16:21,460

Columbia Missouri that was like the

352

00:16:26,700 --> 00:16:23,950

halfway part and it was a quick trip I

353

00:16:28,740 --> 00:16:26,710

said we'll go in here park your Jeep you

354

00:16:29,700 --> 00:16:28,750

get on one side of the bumper I'll get

355

00:16:31,590 --> 00:16:29,710

out of the other side of the runner

356

00:16:35,450 --> 00:16:31,600

bumper whatever was staying up look

357

00:16:38,040 --> 00:16:35,460

there wasn't a mark on her type at all

358

00:16:42,150 --> 00:16:38,050

so we're filling up and we were headed

359

00:16:43,980 --> 00:16:42,160

back home and it was just like a

360

00:16:45,750 --> 00:16:43,990

restaurant where I had my car cuz we're

361

00:16:48,900 --> 00:16:45,760

like 15 minutes each from what we love

362

00:16:50,840 --> 00:16:48,910

so anyway when I got home I put my

363

00:16:53,580 --> 00:16:50,850

luggage away cuz I wanted to listen to

364

00:16:54,200 --> 00:16:53,590

45 minutes of coast-to-coast George

365

00:16:56,840 --> 00:16:54,210

Noory

366

00:16:59,630 --> 00:16:56,850

and I went to lay down my little guys

367

00:17:03,309 --> 00:16:59,640

are really high-pitched my name is

368

00:17:06,410 --> 00:17:03,319

Raymond Raymond they call me Raymond and

369

00:17:09,169 --> 00:17:06,420

they come on my TV my TV's off they're

370

00:17:11,360 --> 00:17:09,179

always in a group of eight and I can

371

00:17:13,490 --> 00:17:11,370

hear this pitch boys what do you want

372

00:17:17,059 --> 00:17:13,500

one way one way my I can't exactly sound

373

00:17:18,559 --> 00:17:17,069

like him but getting an idea and they

374

00:17:22,100 --> 00:17:18,569

were letting me know that was them that

375

00:17:24,380 --> 00:17:22,110

did all that with the delight and hidden

376

00:17:26,150 --> 00:17:24,390

her Jeep

377

00:17:28,340 --> 00:17:26,160

they were also down there when I spoke

378

00:17:33,890 --> 00:17:28,350

because we have to get this information

379

00:17:34,250 --> 00:17:33,900

out that they want and you know because

380

00:17:38,330 --> 00:17:34,260

it

381

00:17:40,910 --> 00:17:38,340

I had God and him I was lucky to have

382

00:17:44,299 --> 00:17:40,920

Debbie margin and another guy but I'm

383

00:17:48,530 --> 00:17:44,309

Joe Palermo's the top UFO investigator

384

00:17:50,299 --> 00:17:48,540

MUFON to tell my story to and I always

385

00:17:52,130 --> 00:17:50,309

wanted my own place and I finally got my

386

00:17:55,010 --> 00:17:52,140

meeting place for a safe haven for

387

00:17:58,040 --> 00:17:55,020

people to come and if there's like six

388

00:18:01,010 --> 00:17:58,050

people in my media world that had a lot

389

00:18:02,900 --> 00:18:01,020

of started people intervention in their

390

00:18:09,710 --> 00:18:02,910

life I got two women that have a lot of

391

00:18:13,790 --> 00:18:09,720

hybrid children and all my meetings are

392

00:18:17,600 --> 00:18:13,800

taped I'm dead like three meetings and

393

00:18:22,310 --> 00:18:17,610

it's all about you know people I mean

394

00:18:26,990 --> 00:18:22,320

what they're saying like it's really

395

00:18:28,790 --> 00:18:27,000

hard to get information the thing that

396

00:18:30,410 --> 00:18:28,800

would really freak you out is these

397

00:18:31,520 --> 00:18:30,420

people read your mind whatever you're

398

00:18:34,700 --> 00:18:31,530

gonna say they know what you're gonna

399

00:18:36,680 --> 00:18:34,710

say before you say it because a lot of

400

00:18:42,080 --> 00:18:36,690

it was an education for me and my late

401  
00:18:45,710 --> 00:18:42,090  
father to figure out Hitler the wars the

402  
00:18:47,090 --> 00:18:45,720  
beautiful planet on fire you know we got

403  
00:18:48,860 --> 00:18:47,100  
people down in this planet they're

404  
00:18:51,290 --> 00:18:48,870  
playing God with our lives some of them

405  
00:18:55,210 --> 00:18:51,300  
are even killing us the reptilians were

406  
00:18:58,920 --> 00:18:55,220  
controlling this planet for a long time

407  
00:19:03,510 --> 00:19:00,810  
group of their because they're called

408  
00:19:07,200 --> 00:19:03,520  
the proceedings and they're from the

409  
00:19:09,740 --> 00:19:07,210  
planet Keeler Kayla with these I found

410  
00:19:12,960 --> 00:19:09,750  
out through my guys the only good

411  
00:19:15,080 --> 00:19:12,970  
reptilians they're vegetarians they need

412  
00:19:19,040 --> 00:19:15,090  
a weakness of the Hydra and rake over

413  
00:19:22,440 --> 00:19:19,050

reptilians and the Orion greys there

414

00:19:27,020 --> 00:19:22,450  
they actually and it was January

415

00:19:30,770 --> 00:19:27,030  
February 2011 they shot a sonic blast

416

00:19:33,810 --> 00:19:30,780  
which actually created a 5.0 earthquake

417

00:19:35,940 --> 00:19:33,820  
but they killed a lot of reptilians or

418

00:19:38,700 --> 00:19:35,950  
Ryan rays in there in the basis that

419

00:19:40,380 --> 00:19:38,710  
they blew up what they were really

420

00:19:45,660 --> 00:19:40,390  
concerned with as some of the human

421

00:19:49,169 --> 00:19:45,670  
people that might got killed as we go

422

00:19:56,400 --> 00:19:49,179  
through this further you know people

423

00:19:58,890 --> 00:19:56,410  
were talking about this I guess it was

424

00:20:02,430 --> 00:19:58,900  
like asteroid it was called time and I

425

00:20:05,580 --> 00:20:02,440  
assigned it was really a large craft

426

00:20:08,280 --> 00:20:05,590

with his proceedings that there's two

427

00:20:13,590 --> 00:20:08,290

flying saucers that were accompanying

428

00:20:16,770 --> 00:20:13,600

this craft that carries five thousand

429

00:20:19,200 --> 00:20:16,780

passengers thirty different who remember

430

00:20:26,600 --> 00:20:19,210

are 30 different races on it I'm sorry

431

00:20:32,299 --> 00:20:26,610

and it has like a or blight it's a

432

00:20:36,450 --> 00:20:32,309

contact craft through all the worlds and

433

00:20:40,530 --> 00:20:36,460

eventually the way I get it from my Fab

434

00:20:42,530 --> 00:20:40,540

Four they when it does come into the

435

00:20:45,360 --> 00:20:42,540

Earth's atmosphere when this does happen

436

00:20:48,870 --> 00:20:45,370

you have to remember it's an event that

437

00:20:52,110 --> 00:20:48,880

causes this we humans are used to a date

438

00:20:55,650 --> 00:20:52,120

in a time but they want everyone to see

439

00:20:57,960 --> 00:20:55,660

these crafts we got a lot of friends out

440

00:21:00,390 --> 00:20:57,970

there even though I have 28 friends

441

00:21:02,960 --> 00:21:00,400

they're our friends they're gonna be

442

00:21:05,180 --> 00:21:02,970

here to help us there's a lot of them

443

00:21:08,600 --> 00:21:05,190

down underneath the ground on planet

444

00:21:11,690 --> 00:21:08,610

earth now I just remembered these to

445

00:21:15,080 --> 00:21:11,700

call the blue warriors they're

446

00:21:18,110 --> 00:21:15,090

programmed to do whatever it is in case

447

00:21:20,659 --> 00:21:18,120

of anything happening and there is

448

00:21:22,580 --> 00:21:20,669

spiritual blues these women they float

449

00:21:26,840 --> 00:21:22,590

off the ground

450

00:21:28,970 --> 00:21:26,850

they're very spiritual and a lot of them

451  
00:21:31,750 --> 00:21:28,980  
had the same message of what we're doing

452  
00:21:36,140 --> 00:21:31,760  
they know we're turning things around

453  
00:21:40,070 --> 00:21:36,150  
well a lot of times my Fab Four will

454  
00:21:43,460 --> 00:21:40,080  
come on my TV is off or they'll come on

455  
00:21:46,549 --> 00:21:43,470  
my radio it's off I actually had an 80

456  
00:21:49,480 --> 00:21:46,559  
phone call I'm not trying to be funny it

457  
00:21:53,539 --> 00:21:49,490  
lit up the whole living room

458  
00:21:57,590 --> 00:21:53,549  
this beautiful mystic green color and

459  
00:22:00,140 --> 00:21:57,600  
they would give me information and it'd

460  
00:22:04,610 --> 00:22:00,150  
be something like they would say wine

461  
00:22:07,070 --> 00:22:04,620  
for zero which would be I went 40s which

462  
00:22:10,490 --> 00:22:07,080  
would be south so when I would actually

463  
00:22:12,279 --> 00:22:10,500

get on that highway south and then I

464

00:22:15,380 --> 00:22:12,289

would see the craft it would blink twice

465

00:22:17,120 --> 00:22:15,390

it would come across my car and that

466

00:22:19,880 --> 00:22:17,130

exit I would get off whether it would be

467

00:22:23,299 --> 00:22:19,890

whining road or straight my car would

468

00:22:27,649 --> 00:22:23,309

die and they're there and then when I go

469

00:22:31,310 --> 00:22:27,659

into craft and however long I was on

470

00:22:33,740 --> 00:22:31,320

there when we were done I would go to a

471

00:22:37,270 --> 00:22:33,750

quick trip or a bank because my clock

472

00:22:40,460 --> 00:22:37,280

would stop so I guess 10 after one now

473

00:22:42,409 --> 00:22:40,470

so when I go to a quick trip I know if I

474

00:22:44,649 --> 00:22:42,419

was on here for an hour two hours I have

475

00:22:47,659 --> 00:22:44,659

Agent Orange bright state cancer

476

00:22:49,399 --> 00:22:47,669

borderline diabetic company compliments

477

00:22:52,190 --> 00:22:49,409

the United States government I was in

478

00:22:56,990 --> 00:22:52,200

service 1967-69 I want to spray with in

479

00:22:58,820 --> 00:22:57,000

charge the PSA through the people and

480

00:23:06,380 --> 00:22:58,830

the urologist to help him you know the

481

00:23:08,330 --> 00:23:06,390

doctors it was 14.5 before I seen them

482

00:23:10,000 --> 00:23:08,340

because if I didn't I would end up dying

483

00:23:11,770 --> 00:23:10,010

like a lot of guys did

484

00:23:15,520 --> 00:23:11,780

and that through the years they

485

00:23:18,400 --> 00:23:15,530

controlled it and got it down to 0.2 but

486

00:23:19,960 --> 00:23:18,410

you have to remember your PSA fluctuates

487

00:23:24,370 --> 00:23:19,970

it will always rise

488

00:23:26,620 --> 00:23:24,380

it's never gonna stay the same this is

489

00:23:31,360 --> 00:23:26,630

not a PSA for your swimming pool this is

490

00:23:33,940 --> 00:23:31,370

a PSA for you and what Agent Orange and

491

00:23:34,539 --> 00:23:33,950

cancer agent are mrs. was every organ in

492

00:23:38,799 --> 00:23:34,549

your body

493

00:23:40,570 --> 00:23:38,809

well anyway going through beyond these

494

00:23:43,720 --> 00:23:40,580

crafts like it was saying that there

495

00:23:47,530 --> 00:23:43,730

comes through other dimensions you're

496

00:23:48,880 --> 00:23:47,540

carrying germs you're hugging you know

497

00:23:51,360 --> 00:23:48,890

these are my friends he's been my

498

00:23:56,500 --> 00:23:51,370

friends for over 50 years

499

00:23:59,890 --> 00:23:56,510

we're not Waring spaces they then really

500

00:24:01,900 --> 00:23:59,900

realize at the time what was going on as

501  
00:24:05,470 --> 00:24:01,910  
smart as they are but I knew something

502  
00:24:08,789 --> 00:24:05,480  
was wrong because my PSA like I said was

503  
00:24:12,610 --> 00:24:08,799  
zero point to a jump to nine point six

504  
00:24:15,220 --> 00:24:12,620  
so I had to do something real quick and

505  
00:24:17,770 --> 00:24:15,230  
I finally told them we'll keep meeting

506  
00:24:20,020 --> 00:24:17,780  
on the TV like we're doing I could never

507  
00:24:22,299 --> 00:24:20,030  
go back and see in person because if it

508  
00:24:24,430 --> 00:24:22,309  
keeps up I'm gonna die I'm human

509  
00:24:26,710 --> 00:24:24,440  
so they were working on a project

510  
00:24:30,460 --> 00:24:26,720  
protective shield for me what they

511  
00:24:35,860 --> 00:24:30,470  
finally end up doing and I got my PSA

512  
00:24:39,310 --> 00:24:35,870  
down to about 6.5 and it got down to

513  
00:24:41,289 --> 00:24:39,320

about 4.0 now but when I go see him

514

00:24:44,560 --> 00:24:41,299

there I they put me in this protective

515

00:24:46,810 --> 00:24:44,570

shield from the time I leave my car to

516

00:24:49,240 --> 00:24:46,820

the time I'm in the room and when I

517

00:24:54,730 --> 00:24:49,250

leave so everything's kind of working

518

00:24:56,950 --> 00:24:54,740

out and things are getting better I got

519

00:24:58,960 --> 00:24:56,960

my doctor's I get this what they call a

520

00:25:01,299 --> 00:24:58,970

blueprint shot I used to get it

521

00:25:05,320 --> 00:25:01,309

quarterly I get every six months it's a

522

00:25:07,750 --> 00:25:05,330

very potent shot this shot keeps me

523

00:25:12,090 --> 00:25:07,760

alive without this shot I die there's a

524

00:25:15,549 --> 00:25:12,100

lot of start people the 28 that I met

525

00:25:18,039 --> 00:25:15,559

that are gonna be here there are a lot

526  
00:25:18,570 --> 00:25:18,049  
of walk among us right now the star

527  
00:25:21,850 --> 00:25:18,580  
people

528  
00:25:22,499 --> 00:25:21,860  
the Nordiques you could put a t-shirt

529  
00:25:24,869 --> 00:25:22,509  
and

530  
00:25:26,729 --> 00:25:24,879  
he's on you would not a difference the

531  
00:25:29,219 --> 00:25:26,739  
only difference on them is their eyes

532  
00:25:31,949 --> 00:25:29,229  
don't blink these these people really

533  
00:25:35,039 --> 00:25:31,959  
feel real good they're really nice

534  
00:25:40,469 --> 00:25:35,049  
people all the star people other than

535  
00:25:44,909 --> 00:25:40,479  
the bed for them we met we're nice even

536  
00:25:47,009 --> 00:25:44,919  
the creatures you know and you know

537  
00:25:49,709 --> 00:25:47,019  
twelve years old to see some of the

538  
00:25:53,310 --> 00:25:49,719

hideous things that I've seen it whoa

539

00:25:56,369 --> 00:25:53,320

giant and people one-eyed Cyclops people

540

00:25:58,559 --> 00:25:56,379

warm people CAD people yeah I got a

541

00:26:01,169 --> 00:25:58,569

little cat these are giant cats nine to

542

00:26:06,119 --> 00:26:01,179

12 feet tall they're blue or brown in

543

00:26:11,039 --> 00:26:06,129

color they're really friendly and they

544

00:26:12,989 --> 00:26:11,049

are our friends and a lot of them have

545

00:26:15,329 --> 00:26:12,999

been hit to Planet Earth many times

546

00:26:18,569 --> 00:26:15,339

they're protectors and Watchers of this

547

00:26:21,119 --> 00:26:18,579

planet their concern about us it's the

548

00:26:21,739 --> 00:26:21,129

biggest thing that I did forget this is

549

00:26:24,839 --> 00:26:21,749

a biggie

550

00:26:27,469 --> 00:26:24,849

they want us to stop the wars the

551  
00:26:31,979 --> 00:26:27,479  
nuclear power plants and he's a nuclear

552  
00:26:36,709 --> 00:26:31,989  
because this is something that even back

553  
00:26:39,359 --> 00:26:36,719  
when NASA and the military we're doing

554  
00:26:42,239 --> 00:26:39,369  
embedded test sites the atomic bomb

555  
00:26:44,399 --> 00:26:42,249  
everything it gets into these dimensions

556  
00:26:48,329 --> 00:26:44,409  
that gets to them

557  
00:26:50,879 --> 00:26:48,339  
this whities you here see these UFOs

558  
00:26:57,299 --> 00:26:50,889  
that are round military bases and he's

559  
00:27:01,199 --> 00:26:57,309  
saying nuclear there was a time I think

560  
00:27:03,899 --> 00:27:01,209  
was Nora read that they actually flew

561  
00:27:08,009 --> 00:27:03,909  
over there raised them giant steel

562  
00:27:11,909 --> 00:27:08,019  
girders you know and then we'll let him

563  
00:27:13,619 --> 00:27:11,919

down on the ground and took them took

564

00:27:15,689 --> 00:27:13,629

some of the missiles melted some of the

565

00:27:17,759 --> 00:27:15,699

warheads and went over at Russia did the

566

00:27:19,999 --> 00:27:17,769

same damn thing

567

00:27:23,430 --> 00:27:20,009

these people went playing around

568

00:27:25,529 --> 00:27:23,440

they've been trying to talk to her

569

00:27:28,439 --> 00:27:25,539

higher-ups for years they're coming to

570

00:27:33,710 --> 00:27:28,449

the people now you know I'm an example

571

00:27:38,700 --> 00:27:36,270

this is a you know what were chosen

572

00:27:41,250 --> 00:27:38,710

people and we have to get this

573

00:27:44,460 --> 00:27:41,260

information out to people and I have a

574

00:27:47,700 --> 00:27:44,470

meeting room to do this and then I have

575

00:27:51,120 --> 00:27:47,710

people that everything's you know live

576  
00:27:55,580 --> 00:27:51,130  
on tape so other people not just my room

577  
00:27:58,560 --> 00:27:55,590  
can see this and you know you're getting

578  
00:28:01,320 --> 00:27:58,570  
actual information I'm just a messenger

579  
00:28:03,480 --> 00:28:01,330  
and what they're saying and what's gonna

580  
00:28:05,490 --> 00:28:03,490  
happen in the future this planet is

581  
00:28:08,460 --> 00:28:05,500  
going to be a beautiful planet it's

582  
00:28:09,480 --> 00:28:08,470  
gonna be a peaceful planet we're gonna

583  
00:28:14,340 --> 00:28:09,490  
be just like them

584  
00:28:15,870 --> 00:28:14,350  
there's a planet out there they have

585  
00:28:17,610 --> 00:28:15,880  
their everyday live your start but

586  
00:28:19,650 --> 00:28:17,620  
they're engineers they actually design

587  
00:28:22,140 --> 00:28:19,660  
all the different grass for these

588  
00:28:25,380 --> 00:28:22,150

different started people what people

589

00:28:29,430 --> 00:28:25,390

don't realize as much as they want to

590

00:28:31,800 --> 00:28:29,440

see a UFO and meet the star people and

591

00:28:35,780 --> 00:28:31,810

come back and nothing happened these

592

00:28:40,080 --> 00:28:35,790

people have lived just like we do but

593

00:28:44,100 --> 00:28:40,090

this is all vital information going

594

00:28:46,380 --> 00:28:44,110

through to human people you know I give

595

00:28:49,020 --> 00:28:46,390

you three my late grandfather my father

596

00:28:51,720 --> 00:28:49,030

and me there's millions of us there's

597

00:28:53,130 --> 00:28:51,730

seven billion people on this planet we

598

00:28:55,910 --> 00:28:53,140

get people running the show down here

599

00:28:59,160 --> 00:28:55,920

playing God is trying to eliminate us

600

00:29:03,630 --> 00:28:59,170

that want to eliminate and only control

601  
00:29:04,860 --> 00:29:03,640  
plant wise 500 million people you know I

602  
00:29:06,290 --> 00:29:04,870  
want you to think about some of the

603  
00:29:09,570 --> 00:29:06,300  
things have been so happening down here

604  
00:29:11,640 --> 00:29:09,580  
there's a reason for this and a lot of

605  
00:29:14,400 --> 00:29:11,650  
this is gonna stop a lot of these bad

606  
00:29:17,580 --> 00:29:14,410  
people are gonna be gone we're third

607  
00:29:19,800 --> 00:29:17,590  
dimensional we're gonna venture into

608  
00:29:23,820 --> 00:29:19,810  
fourth dimensional we're gonna turn from

609  
00:29:29,160 --> 00:29:23,830  
a carbon to a crystal liquid this is all

610  
00:29:30,780 --> 00:29:29,170  
going to happen I got information I got

611  
00:29:33,960 --> 00:29:30,790  
a friend but I never told like he has

612  
00:29:37,710 --> 00:29:33,970  
the drama console there are 12 different

613  
00:29:38,680 --> 00:29:37,720

planets they can't wait for visitation

614

00:29:40,720 --> 00:29:38,690

here

615

00:29:43,030 --> 00:29:40,730

to meet us and let us know what's going

616

00:29:48,430 --> 00:29:43,040

on but like I said it's going to be an

617

00:29:50,680 --> 00:29:48,440

event that causes that and there's

618

00:29:52,360 --> 00:29:50,690

another group called the silver Legion I

619

00:29:55,410 --> 00:29:52,370

never met them these are a lot of

620

00:29:58,950 --> 00:29:55,420

females with wings they do have men

621

00:30:02,770 --> 00:29:58,960

there's barriers out in outer space that

622

00:30:04,990 --> 00:30:02,780

the spiritual great ones control that

623

00:30:06,790 --> 00:30:05,000

nobody can the only ones who really get

624

00:30:09,700 --> 00:30:06,800

to go through these barriers are the

625

00:30:11,950 --> 00:30:09,710

silver Legion the silver Legion as far

626

00:30:13,920 --> 00:30:11,960

as what I had know from Tully me and

627

00:30:16,420 --> 00:30:13,930

totally talk a lot

628

00:30:20,470 --> 00:30:16,430

they're protectors of the universe and

629

00:30:25,030 --> 00:30:20,480

planet Earth there's a million and in

630

00:30:27,220 --> 00:30:25,040

their force and they're not the only

631

00:30:29,440 --> 00:30:27,230

ones the sad Ramona console has a lot of

632

00:30:31,690 --> 00:30:29,450

power there's a Galactic Federation

633

00:30:35,200 --> 00:30:31,700

they're supposed to be five on her wall

634

00:30:37,150 --> 00:30:35,210

different worlds in our galaxy 300 have

635

00:30:39,490 --> 00:30:37,160

our best interests a lot of them don't

636

00:30:43,750 --> 00:30:39,500

you got good and bad out there

637

00:30:45,370 --> 00:30:43,760

you got good and bad down here the only

638

00:30:47,970 --> 00:30:45,380

difference is that these people are more

639

00:30:51,250 --> 00:30:47,980

advanced than we are we're a main player

640

00:30:53,800 --> 00:30:51,260

it's our time to evolve as humans and

641

00:30:56,590 --> 00:30:53,810

they're gonna make sure with no

642

00:30:59,290 --> 00:30:56,600

interruptions that this goes smooth and

643

00:31:03,880 --> 00:30:59,300

we're all gonna evolve like we're

644

00:31:07,720 --> 00:31:03,890

supposed to and if you just to remember

645

00:31:10,120 --> 00:31:07,730

that through the past years the Abenaki

646

00:31:12,100 --> 00:31:10,130

illuminati whatever all the bad ones

647

00:31:16,780 --> 00:31:12,110

that came down there they were here to

648

00:31:19,030 --> 00:31:16,790

control us yeah you know this is the

649

00:31:22,330 --> 00:31:19,040

education me and my league father has

650

00:31:24,190 --> 00:31:22,340

been given and I'm just a messenger to

651  
00:31:26,500 --> 00:31:24,200  
get this out to you people whether you

652  
00:31:28,750 --> 00:31:26,510  
believe it or not there's more to come I

653  
00:31:33,850 --> 00:31:28,760  
have my meetings the first money two

654  
00:31:38,470 --> 00:31:33,860  
month as sunset bowling lanes 7777 watts

655  
00:31:41,170 --> 00:31:38,480  
and my means are live you can watch

656  
00:31:43,990 --> 00:31:41,180  
these meetings the guests that I have

657  
00:31:46,540 --> 00:31:44,000  
the information I give out they keep you

658  
00:31:49,190 --> 00:31:46,550  
updated on what's going on I'm the only

659  
00:31:52,190 --> 00:31:49,200  
not telling what it's doing this and

660  
00:31:56,290 --> 00:31:52,200  
my friend like tow lead the guy but

661  
00:31:59,600 --> 00:31:56,300  
anyway Alfred Weber Debbie zinger Meyer

662  
00:32:03,550 --> 00:31:59,610  
you people start you need to start to

663  
00:32:05,660 --> 00:32:03,560

listening to this and you're gonna start

664

00:32:07,520 --> 00:32:05,670

seeing what's going on you're gonna get

665

00:32:11,030 --> 00:32:07,530

the answers like I am and you're gonna

666

00:32:14,030 --> 00:32:11,040

see that this is not a bunch of [h\_\_h]

667

00:32:15,830 --> 00:32:14,040

a hoax this is real you know I'm a

668

00:32:17,750 --> 00:32:15,840

pretty honest person I know how to play

669

00:32:19,160 --> 00:32:17,760

games with nothing and I definitely

670

00:32:20,480 --> 00:32:19,170

don't play games with this and I don't

671

00:32:22,910 --> 00:32:20,490

care what people think

672

00:32:25,070 --> 00:32:22,920

spend my life for 50 years I'm doing
