8
00:00:36,340 --> 00:00:31,920
I meet every two months for information

9
00:00:39,709 --> 00:00:36,350
this is the room that I'm n you see this

10
00:00:42,319 --> 00:00:39,719
circle graves in the silver suits the

11
00:00:45,440 --> 00:00:42,329
Nordiques and his wife alfred people to

12
00:00:47,660 --> 00:00:45,450
their right and myself was my little 3

13
00:00:48,260 --> 00:00:47,670

inch humanize they're from the 57th

14

00:00:51,020 --> 00:00:48,270

dimension

15

00:00:55,130 --> 00:00:51,030

they're all over me behind them is a

16

00:00:56,900 --> 00:00:55,140

wall like in the craft there's a crystal

17

00:00:59,180 --> 00:00:56,910

vows you didn't see in front of him that

18

00:01:02,540 --> 00:00:59,190

when he sticks it in today crystal vase

19

00:01:05,469 --> 00:01:02,550

that whole wall was up into like a movie

20

00:01:10,789 --> 00:01:05,479

screen he shows past present and future

21

00:01:13,520 --> 00:01:10,799

events now i met a total of 32 started

22

00:01:14,750 --> 00:01:13,530

people and there's four of them this is

23

00:01:16,670 --> 00:01:14,760

the four that i meet every two months

24

00:01:19,749 --> 00:01:16,680

and you're going to meet the other

25

00:01:22,249 --> 00:01:19,759

twenty-eight their drawings i had a

26

00:01:23,090 --> 00:01:22,259

great friend she's an artist because I

27

00:01:28,460 --> 00:01:23,100

can't draw

28

00:01:30,920 --> 00:01:28,470

she drew all 32 and I stayed with her on

29

00:01:32,539 --> 00:01:30,930

this and she got real close to the way

30

00:01:37,130 --> 00:01:32,549

they look like two crafts where they're

31

00:01:39,620 --> 00:01:37,140

from and you're about to see that if he

32

00:01:43,789 --> 00:01:39,630

meant okay they're not an order the way

33

00:01:46,580 --> 00:01:43,799

that my artist grew these people but

34

00:01:49,100 --> 00:01:46,590

we're going to start off with the first

35

00:01:50,899 --> 00:01:49,110

one it is the Cyclops people from the

36

00:01:54,469 --> 00:01:50,909

fourth dimension they fly in an orange

37

00:01:56,959 --> 00:01:54,479

egg giant egg craft a lot of these

38

00:01:58,459 --> 00:01:56,969

sightings are all at nighttime and this

39

00:01:59,920 --> 00:01:58,469

orange color of the craft which is

40

00:02:03,440 --> 00:01:59,930

beautiful

41

00:02:05,179 --> 00:02:03,450

these people are telepathic they're very

42

00:02:07,399 --> 00:02:05,189

friendly and they're very brilliant

43

00:02:11,150 --> 00:02:07,409

they're protectors and Watchers of this

44

00:02:14,990 --> 00:02:11,160

planet and I seen these at 12 years old

45

00:02:17,180 --> 00:02:15,000

you can imagine these guys are eight to

46

00:02:21,170 --> 00:02:17,190

ten feet tall and they got me and my

47

00:02:22,910 --> 00:02:21,180

father in a circle and I was crying and

48

00:02:24,680 --> 00:02:22,920

everything screaming I was only 12 years

49

00:02:28,360 --> 00:02:24,690

old I got behind my father my father

50

00:02:31,250 --> 00:02:28,370

protected me well we heard these guys

51
00:02:33,130 --> 00:02:31,260
they talk telepathically we are your

52
00:02:35,720 --> 00:02:33,140
friends we're not here to harm you and

53
00:02:38,150 --> 00:02:35,730
then they started giving us a few

54
00:02:38,780 --> 00:02:38,160
messages whatever and it later on in

55
00:02:41,059 --> 00:02:38,790
life

56
00:02:44,660 --> 00:02:41,069
I met these guys when I was a lot older

57
00:02:46,580 --> 00:02:44,670
and they would give me messages there's

58
00:02:47,839 --> 00:02:46,590
some of them still down here on our

59
00:02:50,030 --> 00:02:47,849
planet underneath the ground these

60
00:02:53,990 --> 00:02:50,040
people are the masters of the

61
00:03:06,009 --> 00:02:54,000
underground and I'm going to go to the

62
00:03:07,699 --> 00:03:06,019
next one these are the star women these

63
00:03:10,160 --> 00:03:07,709

107 feet tall

64

00:03:11,390 --> 00:03:10,170

they got pale skin blond and dark hair

65

00:03:14,479 --> 00:03:11,400

of the head of ray-guns

66

00:03:17,180 --> 00:03:14,489

they're real nice they talk about our

67

00:03:20,780 --> 00:03:17,190

planet a lot one thing I want to stress

68

00:03:23,180 --> 00:03:20,790

that every one of these people because

69

00:03:26,120 --> 00:03:23,190

of my father it was an accident

70

00:03:29,030 --> 00:03:26,130

when he went grocery shopping they took

71

00:03:31,610 --> 00:03:29,040

the bread we take bread and to this day

72

00:03:35,629 --> 00:03:31,620

I take seven loaves of bread every time

73

00:03:38,750 --> 00:03:35,639

I meet I've met these people in my fat

74

00:03:40,640 --> 00:03:38,760

for that I meet every 22 months I always

75

00:03:44,229 --> 00:03:40,650

bring them bread they love our bread it

76

00:03:48,050 --> 00:03:44,239

was a peace offering for us to come back

77

00:03:50,509 --> 00:03:48,060

and save their lives this is a craft

78

00:03:55,819 --> 00:03:50,519

that they flew in they're from another

79

00:03:58,580 --> 00:03:55,829

galaxy and they're going to be Terra

80

00:04:01,370 --> 00:03:58,590

when the time is right for everything

81

00:04:03,470 --> 00:04:01,380

that supposed to happen when we have

82

00:04:07,580 --> 00:04:03,480

contact down here on planet earth the

83

00:04:09,740 --> 00:04:07,590

way it's supposed to be since other

84

00:04:11,930 --> 00:04:09,750

people are called among people

85

00:04:15,290 --> 00:04:11,940

these guys are from the 15th dimension

86

00:04:18,550 --> 00:04:15,300

they got seven figures seven toes they

87

00:04:22,039 --> 00:04:18,560

got a little suction cups on her fingers

88

00:04:24,590 --> 00:04:22,049

they're six to seven feet tall they find

89

00:04:26,600 --> 00:04:24,600

what they you call a bird taste that

90

00:04:35,810 --> 00:04:26,610

size flying saucer it looks like a

91

00:04:38,390 --> 00:04:35,820

birthday cake the next one these are the

92

00:04:40,910 --> 00:04:38,400

blue warriors there's actually two blue

93

00:04:42,350 --> 00:04:40,920

people these guys are already underneath

94

00:04:48,020 --> 00:04:42,360

the ground they're here to protect us

95

00:04:49,310 --> 00:04:48,030

and they're programmed to do what

96

00:04:52,970 --> 00:04:49,320

they're supposed to do if anything

97

00:04:56,840 --> 00:04:52,980

really happens they will intervene and

98

00:04:58,730 --> 00:04:56,850

help us you can see the kind of crafting

99

00:05:03,140 --> 00:04:58,740

there's red lights all the way around

100

00:05:05,690 --> 00:05:03,150

it's like a complete square they're from

101
00:05:10,580 --> 00:05:05,700
the 8th dimension these guys are really

102
00:05:11,750 --> 00:05:10,590
muscular they have weapons she just

103
00:05:15,560 --> 00:05:11,760
didn't put the weapons on just like a

104
00:05:18,770 --> 00:05:15,570
ray guns on that but these people talk

105
00:05:20,510 --> 00:05:18,780
to helipad sically - a lot of them talk

106
00:05:22,310 --> 00:05:20,520
telepaths they take a lot of them can

107
00:05:26,180 --> 00:05:22,320
talk our language these are the others

108
00:05:31,250 --> 00:05:26,190
blue people they're female they're 7 to

109
00:05:33,230 --> 00:05:31,260
9 feet they love our planet this is the

110
00:05:35,900 --> 00:05:33,240
craft that they fly in they have three

111
00:05:38,810 --> 00:05:35,910
fingers four toes

112
00:05:43,010 --> 00:05:38,820
they're very spiritual they float and

113
00:05:45,250 --> 00:05:43,020

they're from another dimension these

114

00:05:50,510 --> 00:05:45,260

next people are the orange people

115

00:05:54,350 --> 00:05:50,520

they're real hairy these guys from four

116

00:05:56,960 --> 00:05:54,360

to ten feet tall from another galaxy far

117

00:06:00,620 --> 00:05:56,970

away they love our bread they fly in a

118

00:06:02,510 --> 00:06:00,630

giant donut size craft they talk

119

00:06:04,070 --> 00:06:02,520

telepathically they're going to be with

120

00:06:07,540 --> 00:06:04,080

the blue warriors underneath the ground

121

00:06:11,090 --> 00:06:07,550

some of them are already down there -

122

00:06:15,740 --> 00:06:11,100

they only bring so many that's needed

123

00:06:17,719 --> 00:06:15,750

and once the big day for contact for

124

00:06:18,719 --> 00:06:17,729

everybody then they're all going to be

125

00:06:23,129 --> 00:06:18,729

here

126
00:06:25,350 --> 00:06:23,139
we're going to go to the next one these

127
00:06:27,779 --> 00:06:25,360
are the warm people these are the two

128
00:06:30,089 --> 00:06:27,789
set types of crafts that they fly in

129
00:06:32,939 --> 00:06:30,099
these guys are six feet tall they're

130
00:06:35,909 --> 00:06:32,949
always around water from the 12th

131
00:06:41,480 --> 00:06:35,919
dimension they're green and rain it's a

132
00:06:50,059 --> 00:06:41,490
brown color they got two toes like and

133
00:06:59,580 --> 00:06:57,929
these are like a ghost type kind of like

134
00:07:01,140 --> 00:06:59,590
your Casper but it isn't they have

135
00:07:04,260 --> 00:07:01,150
orange eyes they have this green glow

136
00:07:06,629 --> 00:07:04,270
around them they float off the ground

137
00:07:07,860 --> 00:07:06,639
this is a craft that they fly in they're

138
00:07:11,100 --> 00:07:07,870

from another dimension

139

00:07:13,519 --> 00:07:11,110

they talk telepathically and they were

140

00:07:16,200 --> 00:07:13,529

telling us that they are protectors and

141

00:07:23,640 --> 00:07:16,210

watches of this planet they're really

142

00:07:26,129 --> 00:07:23,650

concerned about us to the next one these

143

00:07:28,829 --> 00:07:26,139

are these snake people they don't look

144

00:07:31,589 --> 00:07:28,839

like snakes they have a snake wrap over

145

00:07:35,969 --> 00:07:31,599

their heads with an antenna

146

00:07:40,050 --> 00:07:35,979

it's like built into their heads these

147

00:07:43,709 --> 00:07:40,060

guys are six feet tall they got purple

148

00:07:45,779 --> 00:07:43,719

eyes this is the craft that they fly in

149

00:07:49,379 --> 00:07:45,789

they're from another dimension got a lot

150

00:07:51,600 --> 00:07:49,389

of blue lights it's a metallic craft and

151

00:07:56,269 --> 00:07:51,610

nighttime it looks dark with the blue

152

00:07:58,800 --> 00:07:56,279

lights kind of set that off these guys

153

00:08:02,249 --> 00:07:58,810

put some fear and me my dad never met

154

00:08:05,420 --> 00:08:02,259

these guys but they have a snake emblem

155

00:08:07,920 --> 00:08:05,430

on their uniforms this is what they were

156

00:08:09,779 --> 00:08:07,930

they got three fingers I couldn't see

157

00:08:13,409 --> 00:08:09,789

how many toes they had because of the

158

00:08:15,629 --> 00:08:13,419

boots that they were but they talk about

159

00:08:17,490 --> 00:08:15,639

how we're destroying our planet we need

160

00:08:20,219 --> 00:08:17,500

to turn it around and they know that

161

00:08:22,679 --> 00:08:20,229

we're doing it we go to the next one

162

00:08:24,600 --> 00:08:22,689

this one wanted to be one of the bad

163

00:08:28,050 --> 00:08:24,610

people there's got to be an east to west

164

00:08:30,389 --> 00:08:28,060

this is the praying mantis people six or

165

00:08:32,130 --> 00:08:30,399

seven feet tall this is a craft that

166

00:08:35,100 --> 00:08:32,140

they fly in

167

00:08:39,029 --> 00:08:35,110

they're from another dimension and we

168

00:08:40,949 --> 00:08:39,039

have small praying mantis down here what

169

00:08:43,219 --> 00:08:40,959

I want you to kind of remember as I go

170

00:08:45,960 --> 00:08:43,229

through this even with the other insects

171

00:08:49,079 --> 00:08:45,970

me and my late father we came to the

172

00:08:53,160 --> 00:08:49,089

conclusion because we have the tiny ones

173

00:08:55,980 --> 00:08:53,170

down here and these are the tall ones we

174

00:08:57,389 --> 00:08:55,990

figured out we just came up with a date

175

00:09:00,889 --> 00:08:57,399

of the eighteen hundred's

176

00:09:03,509 --> 00:09:00,899

in Colorado where all the large insects

177

00:09:07,949 --> 00:09:03,519

you're going to see as I go through this

178

00:09:10,410 --> 00:09:07,959

came down here and programmed the little

179

00:09:12,680 --> 00:09:10,420

tiny ones that we have for the purpose

180

00:09:17,910 --> 00:09:12,690

of what they're there to do down here

181

00:09:20,280 --> 00:09:17,920

these are bad praying mantis and the

182

00:09:23,579 --> 00:09:20,290

reason I say that they treated my my

183

00:09:26,730 --> 00:09:23,589

late father real bad they pushed my

184

00:09:31,590 --> 00:09:26,740

father down they made him put his chin

185

00:09:34,769 --> 00:09:31,600

into this metal type thing I kick one in

186

00:09:36,329 --> 00:09:34,779

the shin and I ran behind my dad there's

187

00:09:39,150 --> 00:09:36,339

got to be an east and west of these

188

00:09:43,730 --> 00:09:39,160

praying mantis because I've heard

189

00:09:46,259 --> 00:09:43,740

they're really spiritual and religious

190

00:09:49,560 --> 00:09:46,269

margie kay who's the assistant director

191

00:09:51,660 --> 00:09:49,570

MUFON actually talks to one of these she

192

00:09:54,000 --> 00:09:51,670

calls him her meanie and as far as I

193

00:09:56,100 --> 00:09:54,010

know he's real friendly so there's got

194

00:10:03,329 --> 00:09:56,110

to be something to this I'm going to go

195

00:10:05,569 --> 00:10:03,339

to the next one he's here another these

196

00:10:10,730 --> 00:10:05,579

are the real real bad ones these are the

197

00:10:14,400 --> 00:10:10,740

Hydra Draco reptilian lizard people and

198

00:10:18,300 --> 00:10:14,410

they're real intimidating they put fear

199

00:10:23,130 --> 00:10:18,310

in you I met these with my late father

200

00:10:25,380 --> 00:10:23,140

12 years old there they could change

201
00:10:26,400 --> 00:10:25,390
their self and anything they can walk

202
00:10:29,370 --> 00:10:26,410
right through you

203
00:10:31,680 --> 00:10:29,380
they actually stuck their whole hand and

204
00:10:34,439 --> 00:10:31,690
arm through my dad and then that

205
00:10:37,350 --> 00:10:34,449
happened to my dad when this happened

206
00:10:40,260 --> 00:10:37,360
they say the abilities that we have and

207
00:10:42,930 --> 00:10:40,270
what their objective is is to take over

208
00:10:44,340 --> 00:10:42,940
this planet which they did for a long

209
00:10:46,770 --> 00:10:44,350
time

210
00:10:51,500 --> 00:10:46,780
we like I said we bring bread every one

211
00:10:56,640 --> 00:10:54,480
more than anything they put fairness I

212
00:10:59,430 --> 00:10:56,650
was located 12 years old and when I got

213
00:11:03,360 --> 00:10:59,440

older and met him twice later on in the

214

00:11:06,900 --> 00:11:03,370

late 60s and early 70s they were just

215

00:11:10,590 --> 00:11:06,910

there for more bad information more or

216

00:11:12,900 --> 00:11:10,600

less to kind of bring back a message

217

00:11:16,760 --> 00:11:12,910

like you know what work this is what

218

00:11:19,290 --> 00:11:16,770

we're going to look like the next one is

219

00:11:21,740 --> 00:11:19,300

which I write sure everybody on this

220

00:11:24,570 --> 00:11:21,750

planet has a cat I have a small cat too

221

00:11:27,110 --> 00:11:24,580

these are the CAD people they're nine to

222

00:11:30,120 --> 00:11:27,120

twelve feet tall

223

00:11:32,370 --> 00:11:30,130

from the ninth event right at night

224

00:11:35,190 --> 00:11:32,380

excuse me ninth dimension they're in a

225

00:11:36,720 --> 00:11:35,200

color of brown and blue this is a craft

226

00:11:40,040 --> 00:11:36,730

that they apply it they talk

227

00:11:42,900 --> 00:11:40,050

telepathically they're real friendly and

228

00:11:47,190 --> 00:11:42,910

they're protectors and Watchers of your

229

00:11:53,370 --> 00:11:47,200

planet for the next one a lot of us

230

00:11:55,590 --> 00:11:53,380

these people start people creatures we

231

00:11:57,420 --> 00:11:55,600

ask who they were where they from libels

232

00:12:00,030 --> 00:11:57,430

would give the dimension or will just

233

00:12:01,829 --> 00:12:00,040

say another dimension galaxy these are

234

00:12:03,780 --> 00:12:01,839

monster looking people that's the only

235

00:12:05,850 --> 00:12:03,790

name that you know I could come up my

236

00:12:07,829 --> 00:12:05,860

father never met these they look like

237

00:12:09,540 --> 00:12:07,839

they came over from the prison the way

238

00:12:12,270 --> 00:12:09,550

their their stripe and everything

239

00:12:14,520 --> 00:12:12,280

there's six feet tall they're from the

240

00:12:16,590 --> 00:12:14,530

tenth dimension this is a craft that

241

00:12:19,910 --> 00:12:16,600

they fly in this is all the different

242

00:12:23,400 --> 00:12:19,920

colors why it's orange yellow pink blue

243

00:12:25,620 --> 00:12:23,410

it's really a silver craft in a daytime

244

00:12:27,090 --> 00:12:25,630

but this is what they all look at night

245

00:12:32,370 --> 00:12:27,100

with the pretty colors

246

00:12:35,430 --> 00:12:32,380

and they love our bread I'm not their

247

00:12:38,220 --> 00:12:35,440

next one these are the Frog people it's

248

00:12:40,770 --> 00:12:38,230

not the kind of frog people we have down

249

00:12:44,160 --> 00:12:40,780

here but this is what they are they're

250

00:12:46,650 --> 00:12:44,170

four feet tall from the 11th dimension

251
00:12:51,650 --> 00:12:46,660
they love our bread this is a craft that

252
00:12:55,170 --> 00:12:51,660
they fly in these guys have like a a

253
00:12:56,030 --> 00:12:55,180
shell hand they're underneath our

254
00:12:57,530 --> 00:12:56,040
mountains

255
00:13:00,850 --> 00:12:57,540
you're doing something with the soil and

256
00:13:03,050 --> 00:13:00,860
planet Earth they're real friendly and

257
00:13:07,610 --> 00:13:03,060
this is the kind of information that

258
00:13:11,090 --> 00:13:07,620
gave me and so the next one these guys

259
00:13:13,040 --> 00:13:11,100
are really hideous looking these are our

260
00:13:15,230 --> 00:13:13,050
hairy people they never gave us their

261
00:13:16,750 --> 00:13:15,240
name you ain't feet tall they got six

262
00:13:19,010 --> 00:13:16,760
fingers they're ugly

263
00:13:21,170 --> 00:13:19,020

and they have our orange glow around

264

00:13:24,530 --> 00:13:21,180

their body kept from another dimension

265

00:13:28,310 --> 00:13:24,540

this is the craft these guys got six

266

00:13:31,160 --> 00:13:28,320

toes six fingers they're real hairy and

267

00:13:33,010 --> 00:13:31,170

they talk telepathically they're real

268

00:13:35,960 --> 00:13:33,020

friendly and real smart

269

00:13:42,100 --> 00:13:35,970

there are also protectors and watches of

270

00:13:47,300 --> 00:13:42,110

our planet these are hybrid children

271

00:13:49,670 --> 00:13:47,310

it's the craft that they fly in you'll

272

00:13:52,610 --> 00:13:49,680

notice our eyes blink their eyes don't

273

00:13:55,490 --> 00:13:52,620

or forty six feet tall the female looks

274

00:13:58,160 --> 00:13:55,500

a lot like us they got small bodies four

275

00:14:01,640 --> 00:13:58,170

large heads and some have dark hair and

276
00:14:04,490 --> 00:14:01,650
blonde hair black eyes others have blue

277
00:14:06,710 --> 00:14:04,500
eyes I have some girls in my meeting

278
00:14:09,590 --> 00:14:06,720
room they have a lot of hybrid children

279
00:14:13,310 --> 00:14:09,600
and they know that it's their children

280
00:14:15,650 --> 00:14:13,320
they're half-alien half-human something

281
00:14:17,600 --> 00:14:15,660
with the DNA and some of these I think

282
00:14:21,110 --> 00:14:17,610
there's 12 planets out there they told

283
00:14:24,920 --> 00:14:21,120
us that use our DNA were an important

284
00:14:28,340 --> 00:14:24,930
species to Auditing star people next

285
00:14:32,270 --> 00:14:28,350
what is the biblical people you got long

286
00:14:34,130 --> 00:14:32,280
noses they love our bread they're from

287
00:14:36,200 --> 00:14:34,140
another galaxy they've been watching our

288
00:14:38,690 --> 00:14:36,210

planet for years they're in colored

289

00:14:41,000 --> 00:14:38,700

clothes this is a husband and wife they

290

00:14:44,180 --> 00:14:41,010

never gave us their name this is the

291

00:14:47,030 --> 00:14:44,190

craft that they fly in but they can talk

292

00:14:50,390 --> 00:14:47,040

our language and telepathically they're

293

00:14:52,640 --> 00:14:50,400

super friendly and what

294

00:14:56,750 --> 00:14:52,650

I was told I'd be seeing them again soon

295

00:14:59,660 --> 00:14:56,760

but I haven't scared for a while the

296

00:15:01,670 --> 00:14:59,670

next ones are the busted B people this

297

00:15:05,300 --> 00:15:01,680

is the craft that they fly in they also

298

00:15:07,550 --> 00:15:05,310

fly in a triangle craft they're highly

299

00:15:08,750 --> 00:15:07,560

intelligent they're very nice they're 8

300

00:15:12,470 --> 00:15:08,760

to 10 feet tall

301
00:15:16,700 --> 00:15:12,480
they're from the 8th dimension they have

302
00:15:20,329 --> 00:15:16,710
like it looks like a glove but it's it's

303
00:15:22,400 --> 00:15:20,339
so much like a clam hand I couldn't see

304
00:15:25,790 --> 00:15:22,410
their feet because of the uniform

305
00:15:27,710 --> 00:15:25,800
they're wearing there but these guys are

306
00:15:28,370 --> 00:15:27,720
definitely protectors and watches in

307
00:15:30,680 --> 00:15:28,380
this planet

308
00:15:36,050 --> 00:15:30,690
they talked to a telepathically they

309
00:15:40,870 --> 00:15:36,060
can't float off the ground the next one

310
00:15:44,060 --> 00:15:40,880
this is another bad one of the bed for

311
00:15:46,880 --> 00:15:44,070
these guys are the spacesuit people

312
00:15:50,900 --> 00:15:46,890
they're in silver suits they like our

313
00:15:53,300 --> 00:15:50,910

planet a lot when their light blinks

314

00:15:56,090 --> 00:15:53,310

under supposed to wear their face would

315

00:15:58,640 --> 00:15:56,100

be as when I started talking

316

00:16:01,100 --> 00:15:58,650

telepathically there's 6 of 9 feet tall

317

00:16:03,500 --> 00:16:01,110

these are the two crafts that they fly

318

00:16:06,020 --> 00:16:03,510

in it's like a boomerang bring a rain

319

00:16:08,570 --> 00:16:06,030

craft with two red lights and a large

320

00:16:11,120 --> 00:16:08,580

blue light in the center but in a

321

00:16:13,700 --> 00:16:11,130

daytime it would be silver that's my

322

00:16:17,240 --> 00:16:13,710

table and this is the other craft to

323

00:16:19,850 --> 00:16:17,250

take flying it's like a big square with

324

00:16:24,740 --> 00:16:19,860

a lot of yellow lights they talk

325

00:16:29,150 --> 00:16:24,750

telepathically they don't really like us

326

00:16:30,940 --> 00:16:29,160

humans they're one of the four bad

327

00:16:35,990 --> 00:16:30,950

people

328

00:16:39,680 --> 00:16:36,000

this is not the exact dwarf that my

329

00:16:41,570 --> 00:16:39,690

grandfather met Yugoslavia that would

330

00:16:43,670 --> 00:16:41,580

sit on the stump my grandfather would

331

00:16:45,410 --> 00:16:43,680

give him a sandwich they would talk they

332

00:16:46,930 --> 00:16:45,420

live in a tree on their planet either

333

00:16:49,960 --> 00:16:46,940

from the seventh and eighth dimension

334

00:16:53,120 --> 00:16:49,970

they have these colored clothes

335

00:16:56,180 --> 00:16:53,130

they have bases here

336

00:16:58,790 --> 00:16:56,190

they fly in an egg shaped craft it's got

337

00:17:00,930 --> 00:16:58,800

yellow and like pink around at nighttime

338

00:17:04,020 --> 00:17:00,940

it's a beautiful craft

339

00:17:06,299 --> 00:17:04,030

I think it is they start from 12 inches

340

00:17:08,809 --> 00:17:06,309

all the way to 3 feet that's how it's

341

00:17:11,790 --> 00:17:08,819

all they get

342

00:17:13,530 --> 00:17:11,800

he started silver metallic people from

343

00:17:16,710 --> 00:17:13,540

another galaxy they have a triangle

344

00:17:18,720 --> 00:17:16,720

phase you can see how small their eyes

345

00:17:21,240 --> 00:17:18,730

and the lips and nose are there five to

346

00:17:23,610 --> 00:17:21,250

six feet tall these beans fly you can

347

00:17:26,939 --> 00:17:23,620

see their wings this is a craft that

348

00:17:31,110 --> 00:17:26,949

they fly in it looks like a giant ball

349

00:17:32,820 --> 00:17:31,120

it's got a huge red light it's not just

350

00:17:37,320 --> 00:17:32,830

a tiny light the whole thing in the

351
00:17:40,880 --> 00:17:37,330
center is red they're from another

352
00:17:48,930 --> 00:17:40,890
galaxy like I said they talk

353
00:17:52,799 --> 00:17:48,940
telepathically and love our planet these

354
00:17:55,320 --> 00:17:52,809
guys six to seven feet tall they have

355
00:17:58,200 --> 00:17:55,330
unusual weapons they have a big nose

356
00:18:01,410 --> 00:17:58,210
this is the way their hair is they have

357
00:18:04,440 --> 00:18:01,420
a ray gun and over his shoulder because

358
00:18:09,450 --> 00:18:04,450
he wears his black cape with his ex vest

359
00:18:12,030 --> 00:18:09,460
like it's like a a ray rifle ray gun

360
00:18:14,790 --> 00:18:12,040
rifle and their protectors of the

361
00:18:19,710 --> 00:18:14,800
universe and planet Earth and this is a

362
00:18:21,299 --> 00:18:19,720
craft that they fly in and there's six

363
00:18:25,740 --> 00:18:21,309

or seven feet tall I hope I said that

364

00:18:28,470 --> 00:18:25,750

but anyway they're real friendly the

365

00:18:33,750 --> 00:18:28,480

next ones are these little they look

366

00:18:36,870 --> 00:18:33,760

like little children and pet their pale

367

00:18:39,240 --> 00:18:36,880

face 40 feet tall childlike large blue

368

00:18:42,419 --> 00:18:39,250

eyes they love our bread they're from

369

00:18:45,030 --> 00:18:42,429

another galaxy far away this is a man

370

00:18:48,240 --> 00:18:45,040

shaped craft that they fly in its got

371

00:18:49,950 --> 00:18:48,250

like huge pink solid lights on both

372

00:18:53,610 --> 00:18:49,960

sides with like an orange light in the

373

00:18:57,660 --> 00:18:53,620

center and it shoots off these yellow

374

00:18:59,030 --> 00:18:57,670

street lights they're real friendly they

375

00:19:02,310 --> 00:18:59,040

talk telepathically

376

00:19:06,840 --> 00:19:02,320

and I see them once what my late father

377

00:19:11,190 --> 00:19:06,850

twice by myself later on these are the

378

00:19:15,000 --> 00:19:11,200

end people the leaders have wings

379

00:19:17,190 --> 00:19:15,010

these guys are 6 to 7 feet tall they're

380

00:19:19,830 --> 00:19:17,200

from other dimensions they have two

381

00:19:22,410 --> 00:19:19,840

crafts they actually have a craft that

382

00:19:26,040 --> 00:19:22,420

looks like an ant a giant ant if you

383

00:19:28,200 --> 00:19:26,050

took a turtle and took it to turtle out

384

00:19:30,740 --> 00:19:28,210

of the shell it looks like a shower it

385

00:19:33,660 --> 00:19:30,750

has this red light and it's red

386

00:19:37,410 --> 00:19:33,670

streaming a light underneath there

387

00:19:39,900 --> 00:19:37,420

always underneath the ground they're

388

00:19:42,030 --> 00:19:39,910

very friendly and again

389

00:19:45,630 --> 00:19:42,040

as we went through this being my late

390

00:19:47,880 --> 00:19:45,640

father he met these two we have real

391

00:19:50,820 --> 00:19:47,890

tiny ants down here so we knew there was

392

00:19:54,090 --> 00:19:50,830

some kind of correlation with the giant

393

00:19:56,549 --> 00:19:54,100

ones there's a mountain on Peru you can

394

00:20:01,500 --> 00:19:56,559

only see from above here's a giant

395

00:20:04,740 --> 00:20:01,510

chimpanzee and a giant bird so now

396

00:20:06,930 --> 00:20:04,750

you're seeing that you know this is just

397

00:20:08,400 --> 00:20:06,940

a drawing but this is real neat these

398

00:20:10,590 --> 00:20:08,410

people have these creatures actually

399

00:20:13,620 --> 00:20:10,600

into this everything that I'm showing

400

00:20:16,710 --> 00:20:13,630

you is real this has been my life over

401
00:20:19,049 --> 00:20:16,720
50 years this is a real angel but I

402
00:20:21,840 --> 00:20:19,059
named it Catherine inches six to seven

403
00:20:23,190 --> 00:20:21,850
feet tall from another galaxy there they

404
00:20:27,530 --> 00:20:23,200
always have to be around water and

405
00:20:31,590 --> 00:20:27,540
sunlight they've had a lot of bases

406
00:20:32,430 --> 00:20:31,600
bases down here they've been watching

407
00:20:34,830 --> 00:20:32,440
this for years

408
00:20:37,350 --> 00:20:34,840
this is the kind of a craft that they

409
00:20:39,900 --> 00:20:37,360
fly in with this blue glow she has a

410
00:20:43,320 --> 00:20:39,910
blue go around her wings she only has

411
00:20:48,690 --> 00:20:43,330
two wings they're going to be here when

412
00:20:51,660 --> 00:20:48,700
the time comes the next one this is my

413
00:20:54,299 --> 00:20:51,670

little 3 inch here when I guys this is

414

00:20:55,350 --> 00:20:54,309

the craft that I first seen back in 1959

415

00:20:58,049 --> 00:20:55,360

he was a little bit bigger than

416

00:21:01,770 --> 00:20:58,059

basketball it's over the low windows

417

00:21:03,560 --> 00:21:01,780

they have an acorn ship and it looks

418

00:21:06,800 --> 00:21:03,570

like a little football

419

00:21:10,010 --> 00:21:06,810

and these guys are from the fifth and

420

00:21:11,930 --> 00:21:10,020

seventh dimension they make some of the

421

00:21:15,230 --> 00:21:11,940

crop circles it takes seven to ten

422

00:21:18,740 --> 00:21:15,240

seconds to make them the power that they

423

00:21:21,470 --> 00:21:18,750

have they can shrink you to their size

424

00:21:24,200 --> 00:21:21,480

they want me to go to their craft so bad

425

00:21:26,870 --> 00:21:24,210

I mean if everybody that I would want to

426

00:21:28,910 --> 00:21:26,880

meet the star people these are the ones

427

00:21:31,970 --> 00:21:28,920

because they're three inch - I've had

428

00:21:35,140 --> 00:21:31,980

them all over my body my head my forearm

429

00:21:37,850 --> 00:21:35,150

my hand they float in front of me

430

00:21:40,100 --> 00:21:37,860

they're high pitched my name is ray

431

00:21:43,040 --> 00:21:40,110

Raymond they call me Raymond a lot of

432

00:21:44,300 --> 00:21:43,050

these people and creatures call me

433

00:21:47,060 --> 00:21:44,310

Raymond

434

00:21:47,690 --> 00:21:47,070

when my dad was around my dad's name's

435

00:21:50,120 --> 00:21:47,700

Rudy

436

00:21:53,270 --> 00:21:50,130

they would call him a rude ah that was

437

00:21:56,510 --> 00:21:53,280

then but this is one of my fab four I

438

00:21:58,070 --> 00:21:56,520

love these guys this wasn't another one

439

00:22:00,020 --> 00:21:58,080

of my Fab Four they're real friendly

440

00:22:02,420 --> 00:22:00,030

they're 3 to 7 feet tall these are the

441

00:22:05,450 --> 00:22:02,430

serpo graves with the big black eyes and

442

00:22:07,580 --> 00:22:05,460

silver suits these are the two crafts

443

00:22:10,970 --> 00:22:07,590

that they fly in when they're coming

444

00:22:13,820 --> 00:22:10,980

from their planet my Fab Four they fly

445

00:22:17,840 --> 00:22:13,830

in a giant cigar shaped object brown or

446

00:22:23,180 --> 00:22:17,850

white three football lengths are a giant

447

00:22:26,150 --> 00:22:23,190

flying saucer the room that I'm in in a

448

00:22:27,830 --> 00:22:26,160

craft that I'm in because if the Nordics

449

00:22:31,610 --> 00:22:27,840

were telling me they have a library they

450

00:22:34,750 --> 00:22:31,620

have a gym they have a it's not a

451

00:22:39,290 --> 00:22:34,760

restaurant it's a hall where they eat

452

00:22:43,340 --> 00:22:39,300

there's a lot of Nordiques serpo grays

453

00:22:46,010 --> 00:22:43,350

and elephant people in my little

454

00:22:49,070 --> 00:22:46,020

three-inch guys on these crafts when I'm

455

00:22:53,630 --> 00:22:49,080

in this room it's just my eight little

456

00:22:57,650 --> 00:22:53,640

3-inch humanoid guys - no dude the one

457

00:23:00,140 --> 00:22:57,660

of the leaders of the servo craze and

458

00:23:03,290 --> 00:23:00,150

the elephant loophole but it's like it's

459

00:23:05,300 --> 00:23:03,300

got a lot of people on the corner this

460

00:23:08,200 --> 00:23:05,310

is another one of my fav for this is the

461

00:23:10,460 --> 00:23:08,210

elephant people they have they had dark

462

00:23:12,550 --> 00:23:10,470

jumpsuits they have these pyramid

463

00:23:14,890 --> 00:23:12,560

patches to read

464

00:23:16,690 --> 00:23:14,900

you guys are ten feet tall they're

465

00:23:18,280 --> 00:23:16,700

really intelligent they're special

466

00:23:23,290 --> 00:23:18,290

friends of mine these are the two crafts

467

00:23:25,840 --> 00:23:23,300

that they fly in there from the 13th and

468

00:23:27,790 --> 00:23:25,850

14th dimension and they talk

469

00:23:30,280 --> 00:23:27,800

telepathically they can talk our

470

00:23:34,030 --> 00:23:30,290

language you're just super friendly

471

00:23:37,780 --> 00:23:34,040

super smart and their protectors and

472

00:23:39,580 --> 00:23:37,790

Watchers in this planet this is another

473

00:23:42,280 --> 00:23:39,590

one of my fav for these are the

474

00:23:44,950 --> 00:23:42,290

Nordiques take time kind of take control

475

00:23:48,220 --> 00:23:44,960

of everything in the meetings they're 5

476

00:23:50,290 --> 00:23:48,230

to 7 feet tall if you put a t-shirt or

477

00:23:52,210 --> 00:23:50,300

jeans on them you wouldn't even know it

478

00:23:55,570 --> 00:23:52,220

the only thing that gives them where's

479

00:23:58,330 --> 00:23:55,580

their eyes on blank you got a good

480

00:24:00,070 --> 00:23:58,340

chance if you're around a doughnut shop

481

00:24:01,600 --> 00:24:00,080

a long time I'm not going to say it's

482

00:24:05,350 --> 00:24:01,610

going to happen but they love our

483

00:24:06,910 --> 00:24:05,360

doughnuts they love our bread these were

484

00:24:09,490 --> 00:24:06,920

the only ones that ever changed the menu

485

00:24:11,770 --> 00:24:09,500

on me I still bring them several loads

486

00:24:18,130 --> 00:24:11,780

of bread but I brung them that doesn't

487

00:24:19,380 --> 00:24:18,140

donuts they love our doughnuts these are

488

00:24:22,300 --> 00:24:19,390

the other bad people they're very

489

00:24:23,860 --> 00:24:22,310

intimidating they've tried to put a lot

490

00:24:25,990 --> 00:24:23,870

of fear in you easy to Ryan Gray's

491

00:24:29,830 --> 00:24:26,000

they're four to seven feet tall

492

00:24:32,230 --> 00:24:29,840

they're from the planet Orion they're

493

00:24:34,840 --> 00:24:32,240

friends of the reptilians hi grande

494

00:24:38,140 --> 00:24:34,850

Reiko this is a craft that they fly in

495

00:24:40,630 --> 00:24:38,150

with all different colors these are the

496

00:24:44,890 --> 00:24:40,640

people that my late father me don't ever

497

00:24:47,440 --> 00:24:44,900

see any of these four bad ones this is a

498

00:24:50,560 --> 00:24:47,450

time traveler his name is Neil that's

499

00:24:53,200 --> 00:24:50,570

what he told me he's us from the Year

500

00:24:59,080 --> 00:24:53,210

2035 and this is a craft that they fly

501
00:25:03,730 --> 00:24:59,090
and it's a drivable craft something

502
00:25:06,670 --> 00:25:03,740
happened in their air they messed up on

503
00:25:09,310 --> 00:25:06,680
DNA whatever and they're coming here for

504
00:25:11,680 --> 00:25:09,320
body parts and it was the last thing I

505
00:25:14,150 --> 00:25:11,690
got from him I won't see him once my

506
00:25:18,870 --> 00:25:14,160
father never met this guy

507
00:25:21,510 --> 00:25:18,880
last but not least this is CR his people

508
00:25:22,669 --> 00:25:21,520
these guys are anywhere from two to ten

509
00:25:25,049 --> 00:25:22,679
feet tall

510
00:25:27,840 --> 00:25:25,059
they're from the 23rd planet their

511
00:25:31,440 --> 00:25:27,850
planet was dying they flying a dragonfly

512
00:25:33,060 --> 00:25:31,450
craft they can float off the air they

513
00:25:35,970 --> 00:25:33,070

have their legs where they're already up

514

00:25:38,820 --> 00:25:35,980

like here we have tiny ones on the ocean

515

00:25:41,130 --> 00:25:38,830

so again remember you get the Giants you

516

00:25:42,890 --> 00:25:41,140

get the small ones they were supposed to

517

00:25:46,260 --> 00:25:42,900

get back with me when I seen that movie

518

00:25:48,390 --> 00:25:46,270

Cowboys and Aliens it blew me away

519

00:25:51,240 --> 00:25:48,400

because in that movie there's a dragon

520

00:25:54,720 --> 00:25:51,250

fly craft and I was wanting were either

521

00:25:57,060 --> 00:25:54,730

in Hollywood or a high ridge line got

522

00:26:00,990 --> 00:25:57,070

that the dead craft in there they're

523

00:26:07,110 --> 00:26:01,000

really friendly and I don't know if

524

00:26:08,190 --> 00:26:07,120

they're gone extent or what but they

525

00:26:11,159 --> 00:26:08,200

were supposed to get back because her

526

00:26:14,070 --> 00:26:11,169

point was dying and that's about it

527

00:26:18,990 --> 00:26:14,080

but I just wanted everybody know that

528

00:26:21,020 --> 00:26:19,000

these people are real and this has been

529

00:26:24,150 --> 00:26:21,030

my life for over 50 years

530

00:26:25,860 --> 00:26:24,160

and I'm sharing this with you I'm I'm

531

00:26:27,990 --> 00:26:25,870

doing all this from my late grandfather

532

00:26:30,060 --> 00:26:28,000

my father and for the people in this

533

00:26:33,180 --> 00:26:30,070

planet to let everybody know we are not

534

00:26:34,980 --> 00:26:33,190

alone ok it was one other thing I really

535

00:26:36,630 --> 00:26:34,990

wanted to say and I was talking to my

536

00:26:38,970 --> 00:26:36,640

Fab Four that are dudes

537

00:26:41,909 --> 00:26:38,980

and it was on my mind and my father's

538

00:26:44,460 --> 00:26:41,919

mind and it had nothing to do with the

539

00:26:47,460 --> 00:26:44,470

other people that try to rescue flight

540

00:26:50,280 --> 00:26:47,470

19 5 adventure pilots but I want to know

541

00:26:53,159 --> 00:26:50,290

if they were really good and minority

542

00:26:55,470 --> 00:26:53,169

friends said they're they're alive in

543

00:26:59,010 --> 00:26:55,480

another dimension in another earth-like

544

00:27:02,220 --> 00:26:59,020

world and it really made sense to me and

545

00:27:05,820 --> 00:27:02,230

my father for this fact we're not

546

00:27:06,570 --> 00:27:05,830

scientists a human being going through

547

00:27:10,169 --> 00:27:06,580

time

548

00:27:14,130 --> 00:27:10,179

and dimensions in space the molecules

549

00:27:19,680 --> 00:27:14,140

the the way our bodies are going through

550

00:27:22,169 --> 00:27:19,690

time which these guys did if everything

551
00:27:24,450 --> 00:27:22,179
worked out this way they told they would

552
00:27:25,700 --> 00:27:24,460
live just the way they were in 1945

553
00:27:29,780 --> 00:27:25,710
these guys were young

554
00:27:33,050 --> 00:27:29,790
for thousands of thousands of years so

555
00:27:35,510 --> 00:27:33,060
in reality if they came back to Planet

556
00:27:37,460 --> 00:27:35,520
Earth their nails would be from here to

557
00:27:41,150 --> 00:27:37,470
this into this room they would shrivel

558
00:27:45,200 --> 00:27:41,160
up and die so when I got in involved

559
00:27:47,900 --> 00:27:45,210
with my Nordiques on this subject they

560
00:27:50,870 --> 00:27:47,910
brung up something to me about our

561
00:27:53,540 --> 00:27:50,880
immortality because an immortality of an

562
00:27:57,040 --> 00:27:53,550
our dicas eighteen hundred years several

563
00:28:00,560 --> 00:27:57,050

graves three three hundred fifty years

564

00:28:03,080 --> 00:28:00,570

excuse me the cells they always talking

565

00:28:06,020 --> 00:28:03,090

about us being in the Sun a lot because

566

00:28:09,860 --> 00:28:06,030

they're underneath the ground the cells

567

00:28:13,720 --> 00:28:09,870

that died that give us old age is what

568

00:28:17,480 --> 00:28:13,730

our top scientists are trying to reverse

569

00:28:19,010 --> 00:28:17,490

that would be our end mortality and we

570

00:28:21,920 --> 00:28:19,020

wouldn't live longer I mean we're living

571

00:28:25,490 --> 00:28:21,930

along now the women are down here I was

572

00:28:28,220 --> 00:28:25,500

out of the man but I can see where what

573

00:28:30,680 --> 00:28:28,230

they're saying that during their telling

574

00:28:34,100 --> 00:28:30,690

the truth about us the things that we do

575

00:28:35,960 --> 00:28:34,110

wrong and being in his son is one of

576

00:28:38,600 --> 00:28:35,970

them because it sounds good but it's bad

577

00:28:42,440 --> 00:28:38,610

for us because we could get cancer what

578

00:28:44,480 --> 00:28:42,450

it does to our faces everything but this
