

UFO HUB

JULIE

DEBBIE

1
00:00:14,910 --> 00:00:12,390
my name is julie carver

2
00:00:17,269 --> 00:00:14,920
i am a paranormal

3
00:00:20,550 --> 00:00:17,279
investigator my name is debbie miller

4
00:00:23,429 --> 00:00:20,560
and i am a paranormal investigator

5
00:00:25,029 --> 00:00:23,439
i started out in the field of paranormal

6
00:00:27,029 --> 00:00:25,039
investigation

7
00:00:29,189 --> 00:00:27,039
when i got reacquainted with debbie at a

8
00:00:31,269 --> 00:00:29,199
high school reunion

9
00:00:33,430 --> 00:00:31,279
we kind of

10
00:00:35,590 --> 00:00:33,440
talked and hey what are you doing and

11
00:00:37,750 --> 00:00:35,600
i'm doing this and she mentioned that

12
00:00:40,150 --> 00:00:37,760
she was into the

13
00:00:42,389 --> 00:00:40,160

paranormal and was in a group and i said

14

00:00:45,270 --> 00:00:42,399

that's fantastic

15

00:00:46,790 --> 00:00:45,280

uh we got together on a couple of

16

00:00:47,990 --> 00:00:46,800

different things that her group had

17

00:00:51,029 --> 00:00:48,000

going

18

00:00:52,950 --> 00:00:51,039

and i loved it and she said you know

19

00:00:55,910 --> 00:00:52,960

i've been thinking about starting my own

20

00:00:57,910 --> 00:00:55,920

group how would you feel about

21

00:01:00,069 --> 00:00:57,920

you know doing this with me and i said i

22

00:01:01,910 --> 00:01:00,079

would love it and that's how i got

23

00:01:03,110 --> 00:01:01,920

started and i've had experiences through

24

00:01:05,910 --> 00:01:03,120

my life

25

00:01:07,910 --> 00:01:05,920

uh growing up as a small child and and

26
00:01:09,910 --> 00:01:07,920
having experiences and and at that time

27
00:01:11,670 --> 00:01:09,920
i really didn't

28
00:01:14,230 --> 00:01:11,680
think much about it it wasn't until i

29
00:01:15,270 --> 00:01:14,240
got older and i started to question what

30
00:01:17,910 --> 00:01:15,280
exactly

31
00:01:19,990 --> 00:01:17,920
was what's going on here so

32
00:01:21,350 --> 00:01:20,000
when i got to w i kind of it opened my

33
00:01:22,070 --> 00:01:21,360
eyes to

34
00:01:24,710 --> 00:01:22,080
to

35
00:01:26,550 --> 00:01:24,720
what my experiences were so that's how i

36
00:01:30,870 --> 00:01:26,560
got started

37
00:01:31,749 --> 00:01:30,880
truly by coincidence

38
00:02:16,630 --> 00:01:31,759

i

39

00:02:19,110 --> 00:02:16,640

but

40

00:02:20,869 --> 00:02:19,120

i didn't know then what i was talking to

41

00:02:22,869 --> 00:02:20,879

were people that weren't there

42

00:02:24,229 --> 00:02:22,879

and as i got older i kind of lost that

43

00:02:25,910 --> 00:02:24,239

ability and

44

00:02:28,390 --> 00:02:25,920

things would happen like premonition

45

00:02:30,710 --> 00:02:28,400

dreams and things would happen and as

46

00:02:32,869 --> 00:02:30,720

this group was talking and talking and

47

00:02:35,509 --> 00:02:32,879

how they may have made communications

48

00:02:36,550 --> 00:02:35,519

and had evps i began

49

00:02:39,030 --> 00:02:36,560

thinking

50

00:02:40,630 --> 00:02:39,040

yeah i want to do this i want to go on

51
00:02:42,790 --> 00:02:40,640
an investigation

52
00:02:45,270 --> 00:02:42,800
and so that was when we did the 100 year

53
00:02:46,470 --> 00:02:45,280
old farmhouse that that i suggested that

54
00:02:47,589 --> 00:02:46,480
we do

55
00:02:49,110 --> 00:02:47,599
because they didn't have anything that

56
00:02:51,190 --> 00:02:49,120
they wanted to investigate we wanted to

57
00:02:53,509 --> 00:02:51,200
see if you know we clicked because

58
00:02:55,430 --> 00:02:53,519
clicking in a team is important

59
00:02:56,229 --> 00:02:55,440
and so um i was with that group for

60
00:02:58,550 --> 00:02:56,239
about

61
00:03:00,229 --> 00:02:58,560
four months and did a few investigations

62
00:03:02,149 --> 00:03:00,239
and that was 100 year old farmhouse in

63
00:03:05,990 --> 00:03:02,159

the spook house and

64

00:03:07,750 --> 00:03:06,000

jule and i were talking and and

65

00:03:09,670 --> 00:03:07,760

that's how we ended up together

66

00:03:14,309 --> 00:03:09,680

our fathers knew each other

67

00:03:17,030 --> 00:03:14,319

and as we became friends our children

68

00:03:19,350 --> 00:03:17,040

became friends especially my dog my her

69

00:03:21,830 --> 00:03:19,360

daughter and my son

70

00:03:23,270 --> 00:03:21,840

these two are like pew peas in a pod and

71

00:03:24,949 --> 00:03:23,280

we know we look around and go okay

72

00:03:27,110 --> 00:03:24,959

where's jesse and shayna

73

00:03:28,949 --> 00:03:27,120

we we know they're up to something and

74

00:03:30,949 --> 00:03:28,959

we've got to go find them yeah so but we

75

00:03:32,869 --> 00:03:30,959

all work together and they're very good

76

00:03:35,110 --> 00:03:32,879

investigators they work well together

77

00:03:35,990 --> 00:03:35,120

and and i think that is makes us a good

78

00:03:37,910 --> 00:03:36,000

team

79

00:03:39,990 --> 00:03:37,920

is that since we've known each other for

80

00:03:42,070 --> 00:03:40,000

so long we know

81

00:03:44,710 --> 00:03:42,080

how they eat i mean it we know how we

82

00:03:47,270 --> 00:03:44,720

think we play off each other yes yeah we

83

00:03:49,670 --> 00:03:47,280

definitely and and the kids have really

84

00:03:53,509 --> 00:03:49,680

i mean i call them kids they're yeah 25

85

00:03:56,229 --> 00:03:53,519

26. yeah but they they match really well

86

00:03:58,789 --> 00:03:56,239

mm-hmm they do so we make a good team

87

00:04:01,429 --> 00:03:58,799

yeah and and you know people think

88

00:04:03,030 --> 00:04:01,439

paranormal investigating is like you see

89

00:04:05,830 --> 00:04:03,040

on tv

90

00:04:07,190 --> 00:04:05,840

it's not it's like watching paint peel

91

00:04:09,589 --> 00:04:07,200

off a wall

92

00:04:11,670 --> 00:04:09,599

you know you can sit there for four

93

00:04:13,990 --> 00:04:11,680

hours and get absolutely nothing and

94

00:04:17,189 --> 00:04:14,000

what do you do in those four hours you

95

00:04:18,629 --> 00:04:17,199

sit around and you yak and you talk and

96

00:04:21,189 --> 00:04:18,639

you talk about everything which is

97

00:04:23,110 --> 00:04:21,199

causing a bonding between all of us

98

00:04:24,550 --> 00:04:23,120

and what that that's bonding and it's

99

00:04:27,030 --> 00:04:24,560

the funniest thing that's when you pick

100

00:04:29,270 --> 00:04:27,040

up the best parents yes it is voices and

101
00:04:31,510 --> 00:04:29,280
evps is when you're ignoring them they

102
00:04:32,950 --> 00:04:31,520
do not like to be ignored

103
00:04:34,390 --> 00:04:32,960
and but

104
00:04:36,870 --> 00:04:34,400
you know

105
00:04:38,710 --> 00:04:36,880
that's kind of how our story is yeah i

106
00:04:41,510 --> 00:04:38,720
think one of our greatest experiences

107
00:04:44,230 --> 00:04:41,520
that we as a team her and i experienced

108
00:04:46,790 --> 00:04:44,240
together we had a very dear friend

109
00:04:48,230 --> 00:04:46,800
that was in hospice and he was he was

110
00:04:51,110 --> 00:04:48,240
dying

111
00:04:52,550 --> 00:04:51,120
and i was in the room and with a bunch

112
00:04:54,150 --> 00:04:52,560
of other people

113
00:04:56,629 --> 00:04:54,160

and we were kind of

114

00:04:58,390 --> 00:04:56,639

we knew jamie could hear us and so we

115

00:04:59,670 --> 00:04:58,400

were just kind of joking around and i'd

116

00:05:01,189 --> 00:04:59,680

say you know

117

00:05:02,230 --> 00:05:01,199

that would be something jamie would do

118

00:05:03,830 --> 00:05:02,240

and

119

00:05:05,990 --> 00:05:03,840

this was the last words he ever spoke

120

00:05:07,430 --> 00:05:06,000

was he laughed and said yeah that'd be

121

00:05:09,510 --> 00:05:07,440

me

122

00:05:11,510 --> 00:05:09,520

and then shortly after that it was like

123

00:05:13,990 --> 00:05:11,520

a split second and i go

124

00:05:15,270 --> 00:05:14,000

i think he's gone you guys yeah and he

125

00:05:16,870 --> 00:05:15,280

was gone

126
00:05:18,790 --> 00:05:16,880
and so you know everybody said their

127
00:05:21,110 --> 00:05:18,800
goodbyes and we were sitting in the

128
00:05:22,870 --> 00:05:21,120
break area and julia and i there was

129
00:05:24,710 --> 00:05:22,880
other people around and we were sitting

130
00:05:25,510 --> 00:05:24,720
at a table talking

131
00:05:27,430 --> 00:05:25,520
and

132
00:05:29,749 --> 00:05:27,440
well we were we were just saying you

133
00:05:31,590 --> 00:05:29,759
know we're glad that jamie went peaceful

134
00:05:34,870 --> 00:05:31,600
but i said you know i wouldn't put it

135
00:05:36,870 --> 00:05:34,880
past him to try to follow us and mess

136
00:05:40,790 --> 00:05:36,880
with us and

137
00:05:43,110 --> 00:05:40,800
at that moment we heard this yeah

138
00:05:45,590 --> 00:05:43,120

right between us like right in both of

139

00:05:47,350 --> 00:05:45,600

our ears and we looked at each other

140

00:05:48,790 --> 00:05:47,360

i go down

141

00:05:49,590 --> 00:05:48,800

like

142

00:05:52,870 --> 00:05:49,600

i

143

00:05:54,790 --> 00:05:52,880

because

144

00:05:56,870 --> 00:05:54,800

that would be totally something he would

145

00:05:59,749 --> 00:05:56,880

do he would do it and he he let us know

146

00:06:01,590 --> 00:05:59,759

hey i can hear you i'm i'm listening

147

00:06:03,830 --> 00:06:01,600

but it was just

148

00:06:05,110 --> 00:06:03,840

you know it's an emotional thing anyways

149

00:06:07,909 --> 00:06:05,120

but to hear that

150

00:06:09,110 --> 00:06:07,919

yeah between the two of us and we look

151
00:06:10,790 --> 00:06:09,120
at each other

152
00:06:13,270 --> 00:06:10,800
we both heard it

153
00:06:14,950 --> 00:06:13,280
and that we don't hear things together

154
00:06:16,710 --> 00:06:14,960
like that no so it was quite an

155
00:06:18,870 --> 00:06:16,720
experience now i hear things but

156
00:06:21,110 --> 00:06:18,880
together we heard this yeah i don't

157
00:06:23,510 --> 00:06:21,120
normally hear things like she does but

158
00:06:25,510 --> 00:06:23,520
for us to hear that together was

159
00:06:27,590 --> 00:06:25,520
that was kind of a validation yeah it

160
00:06:29,270 --> 00:06:27,600
was there's something

161
00:06:31,270 --> 00:06:29,280
and that was really personal because

162
00:06:33,029 --> 00:06:31,280
this was not an investigation this was a

163
00:06:34,469 --> 00:06:33,039

personal moment

164

00:06:36,629 --> 00:06:34,479

and

165

00:06:39,029 --> 00:06:36,639

it was very typical of

166

00:06:41,909 --> 00:06:39,039

jamie yep so yeah

167

00:06:43,430 --> 00:06:41,919

when we start out on an investigation

168

00:06:46,150 --> 00:06:43,440

everybody has their little quirks that

169

00:06:49,189 --> 00:06:46,160

they have to do julie and i

170

00:06:51,749 --> 00:06:49,199

quirk is we have to buy cigars

171

00:06:53,670 --> 00:06:51,759

it's just our lucky charm thing and we

172

00:06:55,830 --> 00:06:53,680

get the sometimes we get the flavored

173

00:06:57,189 --> 00:06:55,840

grape cayenne one time we've got those

174

00:06:59,350 --> 00:06:57,199

remember that big huge one that we

175

00:07:00,710 --> 00:06:59,360

bought about sick to death by the time

176

00:07:03,189 --> 00:07:00,720

we finished that one

177

00:07:04,950 --> 00:07:03,199

but we we've smoked a cigar

178

00:07:07,189 --> 00:07:04,960

and uh we kind of just think we're kind

179

00:07:09,350 --> 00:07:07,199

of cool and but that's how we get

180

00:07:11,350 --> 00:07:09,360

started we load up our equipment and as

181

00:07:13,830 --> 00:07:11,360

soon as we're on the road we light up

182

00:07:15,990 --> 00:07:13,840

that cigar and that's like our good luck

183

00:07:17,749 --> 00:07:16,000

charm that this is going to be in a good

184

00:07:20,309 --> 00:07:17,759

investigation so that's one of the

185

00:07:23,189 --> 00:07:20,319

things that we do and yeah and then when

186

00:07:24,309 --> 00:07:23,199

we get to the location we we always like

187

00:07:25,189 --> 00:07:24,319

to arrive

188

00:07:27,430 --> 00:07:25,199

uh

189

00:07:28,870 --> 00:07:27,440

during daylight so that we can see what

190

00:07:30,629 --> 00:07:28,880

we're dealing with

191

00:07:33,510 --> 00:07:30,639

and know the surroundings and then we'd

192

00:07:35,909 --> 00:07:33,520

kind of do a perimeter check uh with our

193

00:07:38,070 --> 00:07:35,919

emf equipment and see what kind of

194

00:07:40,790 --> 00:07:38,080

what kind of electrical equipment might

195

00:07:43,749 --> 00:07:40,800

be around where we might mistake it for

196

00:07:45,029 --> 00:07:43,759

a paranormal hit or you know

197

00:07:46,950 --> 00:07:45,039

some type of

198

00:07:49,270 --> 00:07:46,960

uh paranormal activity when really it's

199

00:07:51,990 --> 00:07:49,280

just an electrical box you may not see

200

00:07:54,150 --> 00:07:52,000

that at night or where some maybe

201
00:07:55,510 --> 00:07:54,160
they've just dug and laid new cables or

202
00:08:00,309 --> 00:07:55,520
something or

203
00:08:04,230 --> 00:08:02,390
where you might see uh

204
00:08:06,150 --> 00:08:04,240
you might happen to

205
00:08:08,550 --> 00:08:06,160
see car lights going by we check where

206
00:08:10,230 --> 00:08:08,560
the roads are uh because a lot of times

207
00:08:11,510 --> 00:08:10,240
people think when they see shadow

208
00:08:12,790 --> 00:08:11,520
figures

209
00:08:15,110 --> 00:08:12,800
they're actually seeing their own shadow

210
00:08:17,350 --> 00:08:15,120
when a car passes exactly and

211
00:08:19,270 --> 00:08:17,360
that's very common so that we when we go

212
00:08:20,150 --> 00:08:19,280
inside the house we look for things like

213
00:08:24,070 --> 00:08:20,160

that

214

00:08:26,390 --> 00:08:24,080

emf readings we check we do the

215

00:08:27,909 --> 00:08:26,400

perimeter of the house we do an

216

00:08:30,309 --> 00:08:27,919

interview of the person what's your

217

00:08:31,670 --> 00:08:30,319

experience how does it affect you how

218

00:08:33,750 --> 00:08:31,680

can we help you

219

00:08:35,750 --> 00:08:33,760

type of thing and then we go into our we

220

00:08:37,269 --> 00:08:35,760

get out our equipment and

221

00:08:39,430 --> 00:08:37,279

a lot of times

222

00:08:41,269 --> 00:08:39,440

we prefer to have

223

00:08:42,550 --> 00:08:41,279

the room to ourself

224

00:08:43,589 --> 00:08:42,560

the house

225

00:08:44,470 --> 00:08:43,599

however

226

00:08:46,790 --> 00:08:44,480

in

227

00:08:48,710 --> 00:08:46,800

most cases they like to talk to the

228

00:08:50,470 --> 00:08:48,720

people they're familiar with so a lot of

229

00:08:52,710 --> 00:08:50,480

times we do the investigation with the

230

00:08:54,389 --> 00:08:52,720

client in the room

231

00:08:56,070 --> 00:08:54,399

and there are times too when the client

232

00:08:59,030 --> 00:08:56,080

says i don't i don't want to be here you

233

00:09:01,269 --> 00:08:59,040

guys lock up when you leave you know and

234

00:09:03,269 --> 00:09:01,279

and another one of our questions is what

235

00:09:06,150 --> 00:09:03,279

are you wanting from this

236

00:09:09,110 --> 00:09:06,160

you know do you want this thing gone

237

00:09:10,230 --> 00:09:09,120

are you are you just wanting validation

238

00:09:11,829 --> 00:09:10,240

of hey

239

00:09:14,470 --> 00:09:11,839

things are moving i want to know that

240

00:09:16,870 --> 00:09:14,480

i'm not crazy so that you know we go

241

00:09:18,790 --> 00:09:16,880

through a whole interview process of you

242

00:09:20,389 --> 00:09:18,800

know what they're expecting out of this

243

00:09:22,550 --> 00:09:20,399

and and how we can

244

00:09:23,509 --> 00:09:22,560

try to help them with this and then we

245

00:09:25,990 --> 00:09:23,519

always

246

00:09:28,230 --> 00:09:26,000

kind of regroup before we start the

247

00:09:29,350 --> 00:09:28,240

investigation and we usually try to say

248

00:09:31,269 --> 00:09:29,360

a prayer

249

00:09:33,190 --> 00:09:31,279

uh for protection

250

00:09:34,949 --> 00:09:33,200

and that's just something that

251

00:09:37,829 --> 00:09:34,959

that we just do

252

00:09:40,389 --> 00:09:37,839

uh and ask you for guidance right and

253

00:09:43,350 --> 00:09:40,399

and a lot of times when we do kind of

254

00:09:45,190 --> 00:09:43,360

flipping forward a little bit

255

00:09:47,590 --> 00:09:45,200

you get a client and they've got so much

256

00:09:51,190 --> 00:09:47,600

anxiety about it about what they're

257

00:09:53,990 --> 00:09:51,200

experiencing and it's it's hard to tell

258

00:09:55,110 --> 00:09:54,000

somebody i'm sorry we just didn't find

259

00:09:57,910 --> 00:09:55,120

anything

260

00:10:00,070 --> 00:09:57,920

and then other times you know

261

00:10:01,750 --> 00:10:00,080

we can see the anxiety on their face and

262

00:10:02,949 --> 00:10:01,760

and they they want us to find something

263

00:10:04,470 --> 00:10:02,959

so bad

264

00:10:06,630 --> 00:10:04,480

and when we do

265

00:10:08,150 --> 00:10:06,640

we have to say well we have to go

266

00:10:09,910 --> 00:10:08,160

through the evidence

267

00:10:11,750 --> 00:10:09,920

and we'll get back with you in a week

268

00:10:13,350 --> 00:10:11,760

because it's going to take us that long

269

00:10:15,190 --> 00:10:13,360

sometimes people don't want to wait a

270

00:10:18,069 --> 00:10:15,200

week so you have to have some equipment

271

00:10:20,069 --> 00:10:18,079

that's real time so they they can get

272

00:10:21,269 --> 00:10:20,079

some of that validation

273

00:10:23,190 --> 00:10:21,279

and

274

00:10:25,190 --> 00:10:23,200

you may sit around for

275

00:10:28,389 --> 00:10:25,200

four hours and get absolutely nothing

276

00:10:30,790 --> 00:10:28,399

and it honest it's it's frustrating you

277

00:10:34,389 --> 00:10:30,800

get so frustrated because

278

00:10:37,590 --> 00:10:34,399

you want to help that person so badly

279

00:10:38,550 --> 00:10:37,600

and you don't want to disappoint them

280

00:10:39,750 --> 00:10:38,560

but

281

00:10:42,069 --> 00:10:39,760

you know it's either it's going to

282

00:10:44,069 --> 00:10:42,079

happen or it's not you can't force it

283

00:10:46,069 --> 00:10:44,079

we may have to come back three or four

284

00:10:46,870 --> 00:10:46,079

times before we get something that that

285

00:10:49,430 --> 00:10:46,880

is

286

00:10:51,190 --> 00:10:49,440

that can validate sometimes we can't get

287

00:10:53,590 --> 00:10:51,200

anything at all but

288

00:10:55,110 --> 00:10:53,600

you have to be patient and you have to

289

00:10:57,750 --> 00:10:55,120

sit there and

290

00:10:58,829 --> 00:10:57,760

and there's ways to keep yourself busy

291

00:11:01,430 --> 00:10:58,839

you know

292

00:11:04,069 --> 00:11:01,440

um most of the time we just kind of joke

293

00:11:06,150 --> 00:11:04,079

around or try to ease the client talk to

294

00:11:07,910 --> 00:11:06,160

the client try to get them you know

295

00:11:09,190 --> 00:11:07,920

maybe we missed something in the initial

296

00:11:10,550 --> 00:11:09,200

interview and

297

00:11:12,790 --> 00:11:10,560

and then somebody will say oh yeah i

298

00:11:15,110 --> 00:11:12,800

remember i did that and then we'll go to

299

00:11:17,269 --> 00:11:15,120

that particular room so you know you

300

00:11:19,509 --> 00:11:17,279

just kind of have to every

301

00:11:21,670 --> 00:11:19,519

situation is different from the other no

302

00:11:23,910 --> 00:11:21,680

investigation is done exactly the same

303

00:11:25,829 --> 00:11:23,920

it's just not done that way you know and

304

00:11:27,110 --> 00:11:25,839

my way of thinking is

305

00:11:28,949 --> 00:11:27,120

you know i think the spirits are

306

00:11:31,030 --> 00:11:28,959

watching us

307

00:11:32,550 --> 00:11:31,040

and if someone's coming into my home and

308

00:11:34,389 --> 00:11:32,560

i don't know who they are and they're

309

00:11:37,030 --> 00:11:34,399

asking me all these questions i might

310

00:11:37,910 --> 00:11:37,040

just hold back a little bit and not

311

00:11:39,590 --> 00:11:37,920

you know

312

00:11:41,030 --> 00:11:39,600

start answering their questions right

313

00:11:42,710 --> 00:11:41,040

off i feel sometimes that they're

314

00:11:44,389 --> 00:11:42,720

observing us

315

00:11:47,110 --> 00:11:44,399

just as much as we're

316

00:11:49,030 --> 00:11:47,120

wanting them to communicate and

317

00:11:51,430 --> 00:11:49,040

sometimes i feel that

318

00:11:53,350 --> 00:11:51,440

maybe that first visit

319

00:11:55,750 --> 00:11:53,360

they're just watching maybe the second

320

00:11:57,990 --> 00:11:55,760

visit it's like oh okay i remember them

321

00:12:00,629 --> 00:11:58,000

they're not they're not here to

322

00:12:03,590 --> 00:12:00,639

you know harm us or you know make

323

00:12:04,470 --> 00:12:03,600

outrageous requests from us too

324

00:12:07,430 --> 00:12:04,480

house

325

00:12:09,750 --> 00:12:07,440

exactly we were the second demonel

326

00:12:12,230 --> 00:12:09,760

house's house is located in st louis

327

00:12:13,910 --> 00:12:12,240

right next to the limp mansion

328

00:12:15,750 --> 00:12:13,920

and they had had a paranormal team in

329

00:12:17,590 --> 00:12:15,760

there and they after this experience

330

00:12:20,790 --> 00:12:17,600

they said we are never allowing any

331

00:12:23,030 --> 00:12:20,800

paranormal team in this in this house

332

00:12:25,590 --> 00:12:23,040

ever again because whatever these

333

00:12:27,269 --> 00:12:25,600

paranormal investigators were doing

334

00:12:28,870 --> 00:12:27,279

dishes were being thrown at her own home

335

00:12:30,949 --> 00:12:28,880

private residence and her husband called

336

00:12:33,829 --> 00:12:30,959

and said what are you doing there

337

00:12:35,750 --> 00:12:33,839

you know things are being thrown around

338

00:12:37,190 --> 00:12:35,760

and after that she said no more

339

00:12:39,590 --> 00:12:37,200

investigating well we knew a friend that

340

00:12:41,670 --> 00:12:39,600

knew her and

341

00:12:45,190 --> 00:12:41,680

we went in and

342

00:12:48,389 --> 00:12:46,870

i'm telling you my husband calls you

343

00:12:50,629 --> 00:12:48,399

guys you're out of here out of here said

344

00:12:51,590 --> 00:12:50,639

we don't provoke this that's not how we

345

00:12:53,670 --> 00:12:51,600

do it

346

00:12:54,790 --> 00:12:53,680

we had the most amazing investigation

347

00:12:56,870 --> 00:12:54,800

with

348

00:13:00,550 --> 00:12:56,880

fantabulous

349

00:13:02,069 --> 00:13:00,560

yeah i mean we had wonderful evidence so

350

00:13:04,949 --> 00:13:02,079

you know i think it's a lot how you

351

00:13:08,069 --> 00:13:04,959

approach it and we try to respect

352

00:13:09,590 --> 00:13:08,079

the client as well as the spirits yeah

353

00:13:11,750 --> 00:13:09,600

like their property i mean some of these

354

00:13:14,150 --> 00:13:11,760

antique houses you go into there they're

355

00:13:16,470 --> 00:13:14,160

rare 150 year old

356

00:13:18,470 --> 00:13:16,480

antique things that take your shoes off

357

00:13:21,190 --> 00:13:18,480

you know and it's like you want to be

358

00:13:23,110 --> 00:13:21,200

respectful of those things

359

00:13:25,350 --> 00:13:23,120

we're all seeking answers and i think a

360

00:13:27,670 --> 00:13:25,360

lot of people have forgotten what this

361

00:13:29,110 --> 00:13:27,680

is really about and this really affects

362

00:13:31,110 --> 00:13:29,120

people's lives

363

00:13:32,310 --> 00:13:31,120

their everyday lives people live in

364

00:13:34,629 --> 00:13:32,320

houses

365

00:13:36,550 --> 00:13:34,639

that need validation

366

00:13:38,550 --> 00:13:36,560

okay i'm not crazy this is really

367

00:13:40,629 --> 00:13:38,560

happening to me it's not about

368

00:13:43,110 --> 00:13:40,639

investigating sometimes it's about the

369

00:13:45,110 --> 00:13:43,120

clients themselves and in a lot of those

370

00:13:46,230 --> 00:13:45,120

cases it's like i don't really want them

371

00:13:48,389 --> 00:13:46,240

gone

372

00:13:50,310 --> 00:13:48,399

i just want to know that i'm not crazy

373

00:13:52,870 --> 00:13:50,320

and you know we can co-exist and we're

374

00:13:54,629 --> 00:13:52,880

just fine as long as i know

375

00:13:55,990 --> 00:13:54,639

i'm not losing my mind

376

00:13:57,350 --> 00:13:56,000

and that's

377

00:13:58,949 --> 00:13:57,360

they're good to go

378

00:14:00,870 --> 00:13:58,959

i think one thing i would like for

379

00:14:04,629 --> 00:14:00,880

people to understand

380

00:14:06,389 --> 00:14:04,639

uh and and kind of take with them is

381

00:14:08,310 --> 00:14:06,399

believe what you see

382

00:14:09,110 --> 00:14:08,320

believe what you hear

383

00:14:11,350 --> 00:14:09,120

uh

384

00:14:14,230 --> 00:14:11,360

people are going to tell you that

385

00:14:17,030 --> 00:14:14,240

things don't exist i mean

386

00:14:19,269 --> 00:14:17,040

and that's their prerogative but

387

00:14:21,509 --> 00:14:19,279

have faith in yourself and have faith

388

00:14:23,509 --> 00:14:21,519

that what you see you are probably

389

00:14:26,150 --> 00:14:23,519

seeing and what you hear

390

00:14:27,670 --> 00:14:26,160

and what you feel you are

391

00:14:30,150 --> 00:14:27,680

you are entitled to that and you are

392

00:14:31,590 --> 00:14:30,160

probably feeling that yep i totally

393

00:14:34,629 --> 00:14:31,600

agree with what you say and you're not
