

UFO HUB

1
00:00:13,589 --> 00:00:11,589
my name is debbie ziglemeier and i'm the

2
00:00:16,630 --> 00:00:13,599
missouri mufon state director

3
00:00:20,230 --> 00:00:16,640
i got interested in ufos because

4
00:00:21,029 --> 00:00:20,240
i grew up in arizona in the southwestern

5
00:00:26,070 --> 00:00:21,039
corner

6
00:00:29,669 --> 00:00:26,080
of arizona and as a child

7
00:00:31,189 --> 00:00:29,679
as a child i wasn't all that interested

8
00:00:33,430 --> 00:00:31,199
in tv i was interested in getting

9
00:00:35,030 --> 00:00:33,440
outside and playing my brother and i

10
00:00:36,870 --> 00:00:35,040
were the only two out of six kids that

11
00:00:39,510 --> 00:00:36,880
have always had telescopes

12
00:00:41,430 --> 00:00:39,520
so at night time when most kids were in

13
00:00:43,190 --> 00:00:41,440

the house playing or watching tv i was

14

00:00:45,029 --> 00:00:43,200

outside either with my telescope or i

15

00:00:46,549 --> 00:00:45,039

would crawl up on the roof of the garage

16

00:00:49,029 --> 00:00:46,559

we had this large

17

00:00:50,549 --> 00:00:49,039

six foot wall with kind of a a step at

18

00:00:53,910 --> 00:00:50,559

the beginning of it so i could

19

00:00:54,310 --> 00:00:53,920

make my way across the wall jump about a

20

00:00:56,389 --> 00:00:54,320

foot

21

00:00:57,350 --> 00:00:56,399

onto the garage and i'd lay on the top

22

00:01:00,549 --> 00:00:57,360

of the garage

23

00:01:04,229 --> 00:01:00,559

and watch the stars when

24

00:01:06,310 --> 00:01:04,239

star trek came out

25

00:01:07,750 --> 00:01:06,320

i just i knew it was fantasy but i

26
00:01:10,310 --> 00:01:07,760
thought there has to be something real

27
00:01:12,230 --> 00:01:10,320
out there so i guess that's what got me

28
00:01:14,870 --> 00:01:12,240
interested in ufos was i would

29
00:01:15,990 --> 00:01:14,880
look at the stars and i think that's

30
00:01:17,510 --> 00:01:16,000
just great that they're out there

31
00:01:20,950 --> 00:01:17,520
visiting i want to do it too

32
00:01:24,310 --> 00:01:20,960
following the the whole star trek

33
00:01:27,109 --> 00:01:24,320
interest they back years ago in st

34
00:01:28,070 --> 00:01:27,119
louis they had started having star trek

35
00:01:31,030 --> 00:01:28,080
reunions

36
00:01:31,990 --> 00:01:31,040
so i went to all the all the speaker all

37
00:01:34,069 --> 00:01:32,000
the reunions i

38
00:01:35,990 --> 00:01:34,079

i went to the big i think it was the

39

00:01:39,350 --> 00:01:36,000

25th anniversary

40

00:01:41,270 --> 00:01:39,360

of the entire original cast in pasadena

41

00:01:44,230 --> 00:01:41,280

i have i've met all the star trek

42

00:01:46,230 --> 00:01:44,240

characters i've got all their autographs

43

00:01:48,469 --> 00:01:46,240

and then i got to the point where i

44

00:01:50,389 --> 00:01:48,479

thought you know i'm beyond this

45

00:01:51,749 --> 00:01:50,399

i i'm tired of the fantasy there's so

46

00:01:53,429 --> 00:01:51,759

much reality out there

47

00:01:55,590 --> 00:01:53,439

i'd always been interested in ufos and

48

00:01:59,830 --> 00:01:55,600

i'd always had

49

00:02:01,910 --> 00:01:59,840

ufo books i'd sit and doodle ufos i just

50

00:02:02,310 --> 00:02:01,920

i was i just had a real fascination with

51

00:02:03,910 --> 00:02:02,320

it

52

00:02:05,910 --> 00:02:03,920

so i got to the point where i was beyond

53

00:02:07,749 --> 00:02:05,920

the fantasy and i wanted to start

54

00:02:09,510 --> 00:02:07,759

investigating the reality of it

55

00:02:11,270 --> 00:02:09,520

and the more and more i checked into it

56

00:02:14,710 --> 00:02:11,280

the more i found out

57

00:02:15,430 --> 00:02:14,720

was out there so i was looking one week

58

00:02:19,030 --> 00:02:15,440

in a

59

00:02:20,710 --> 00:02:19,040

mufon meeting locally

60

00:02:22,270 --> 00:02:20,720

i went to the mufon meeting and i was

61

00:02:24,309 --> 00:02:22,280

hooked immediately and i think this was

62

00:02:26,229 --> 00:02:24,319

1998.

63

00:02:28,869 --> 00:02:26,239

within two years i had joined mufon

64

00:02:32,550 --> 00:02:28,879

become a mufon field investigator

65

00:02:34,949 --> 00:02:32,560

and in 2009 i became a mufon the mufon

66

00:02:39,190 --> 00:02:34,959

missouri mufon state director

67

00:02:41,910 --> 00:02:39,200

and about three years ago i believe

68

00:02:42,550 --> 00:02:41,920

i was asked to join the mufon board of

69

00:02:45,030 --> 00:02:42,560

directors

70

00:02:46,710 --> 00:02:45,040

at first as an interim board member and

71

00:02:47,430 --> 00:02:46,720

in the last i think was last year i

72

00:02:49,670 --> 00:02:47,440

became

73

00:02:51,430 --> 00:02:49,680

a permanent member or actually a full

74

00:02:53,110 --> 00:02:51,440

member of the mufon board of directors

75

00:02:56,390 --> 00:02:53,120

business board of directors

76

00:02:58,949 --> 00:02:56,400

so i started out

77

00:02:59,990 --> 00:02:58,959

i started out with a general interest

78

00:03:02,070 --> 00:03:00,000

and

79

00:03:03,670 --> 00:03:02,080

the more that i found out the more that

80

00:03:06,630 --> 00:03:03,680

i wanted to know

81

00:03:07,110 --> 00:03:06,640

i was an independent investigator long

82

00:03:09,110 --> 00:03:07,120

before

83

00:03:12,070 --> 00:03:09,120

i started being an investigator for

84

00:03:14,470 --> 00:03:12,080

mufon so my brother

85

00:03:16,470 --> 00:03:14,480

chuck zukowski and i would get together

86

00:03:17,110 --> 00:03:16,480

three times a year we would pick holiday

87

00:03:19,350 --> 00:03:17,120

weekends

88

00:03:21,110 --> 00:03:19,360

where there was a three-day holiday make

89

00:03:23,910 --> 00:03:21,120

turned it into a four-day holiday

90

00:03:24,869 --> 00:03:23,920

and set out with a plan the plan never

91

00:03:28,070 --> 00:03:24,879

worked

92

00:03:30,949 --> 00:03:28,080

we we started out one time at the

93

00:03:31,509 --> 00:03:30,959

san luis valley from there we decided

94

00:03:33,030 --> 00:03:31,519

that we

95

00:03:34,630 --> 00:03:33,040

we spent one night there and decided to

96

00:03:38,390 --> 00:03:34,640

go on into roswell

97

00:03:40,229 --> 00:03:38,400

and we went up in the mountains and

98

00:03:41,430 --> 00:03:40,239

and decided we were going to do a

99

00:03:42,949 --> 00:03:41,440

lookout

100

00:03:45,190 --> 00:03:42,959

and see if we could see something and we

101

00:03:47,509 --> 00:03:45,200

ended up debunking

102

00:03:49,190 --> 00:03:47,519

an animal mutilation that had happened

103

00:03:50,869 --> 00:03:49,200

we were in the area where the next day

104

00:03:54,470 --> 00:03:50,879

somebody went into

105

00:03:55,509 --> 00:03:54,480

the ufo museum there in roswell

106

00:03:57,670 --> 00:03:55,519

and they said there was an animal

107

00:03:58,470 --> 00:03:57,680

mutilation and this animal was dropped

108

00:04:00,550 --> 00:03:58,480

from

109

00:04:02,070 --> 00:04:00,560

a large triangle-shaped craft and we

110

00:04:03,990 --> 00:04:02,080

stood and looked at each other and then

111

00:04:05,990 --> 00:04:04,000

i said that didn't happen we were there

112

00:04:08,949 --> 00:04:06,000

and there was nobody else there but us

113

00:04:09,670 --> 00:04:08,959

that started a whole series of events

114

00:04:12,309 --> 00:04:09,680

from that

115

00:04:14,070 --> 00:04:12,319

one instance i went from being an

116

00:04:16,390 --> 00:04:14,080

amateur investigator

117

00:04:17,110 --> 00:04:16,400

to a full-on professional investigator

118

00:04:20,069 --> 00:04:17,120

from there

119

00:04:21,590 --> 00:04:20,079

my brother and i were asked to be um on

120

00:04:23,670 --> 00:04:21,600

a tv special which

121

00:04:25,430 --> 00:04:23,680

ended up we were on a um an

122

00:04:27,430 --> 00:04:25,440

archaeological dig

123

00:04:28,790 --> 00:04:27,440

we we were on roswell startling new

124

00:04:31,270 --> 00:04:28,800

evidence in 2002

125

00:04:32,230 --> 00:04:31,280

so we did an archaeological dig there at

126

00:04:35,430 --> 00:04:32,240

the debris site

127

00:04:36,070 --> 00:04:35,440

we're asked back again in 2006 for

128

00:04:39,270 --> 00:04:36,080

another

129

00:04:42,469 --> 00:04:39,280

i think it was a ufo hunters episode

130

00:04:45,590 --> 00:04:42,479

that started the hands-on trace

131

00:04:47,110 --> 00:04:45,600

evidence investigating rather than just

132

00:04:48,629 --> 00:04:47,120

investigating through the internet and

133

00:04:51,670 --> 00:04:48,639

books i got my

134

00:04:56,230 --> 00:04:51,680

more hands-on and from there

135

00:04:59,350 --> 00:04:56,240

i asked to be assigned more mufon cases

136

00:05:01,110 --> 00:04:59,360

and i think at this point i might add

137

00:05:02,469 --> 00:05:01,120

about a thousand investigations that

138

00:05:06,070 --> 00:05:02,479

i've done

139

00:05:10,230 --> 00:05:06,080

along with becoming a field investigator

140

00:05:13,270 --> 00:05:10,240

for mufon in 2000 in 2001

141

00:05:16,070 --> 00:05:13,280

i became a certified scuba diver

142

00:05:17,749 --> 00:05:16,080

and i thought gee there's so much that's

143

00:05:19,909 --> 00:05:17,759

happening in and around water

144

00:05:21,830 --> 00:05:19,919

somebody needs to combine these two i

145

00:05:23,350 --> 00:05:21,840

found out mufon didn't have a mufon dive

146

00:05:23,990 --> 00:05:23,360

team they had an expert in everything

147

00:05:26,629 --> 00:05:24,000

else

148

00:05:27,029 --> 00:05:26,639

i did some research on it at least one

149

00:05:32,550 --> 00:05:27,039

in

150

00:05:34,390 --> 00:05:32,560

the earth 70 percent of the earth is

151
00:05:35,270 --> 00:05:34,400
covered in water and it's the perfect

152
00:05:38,150 --> 00:05:35,280
place to hide

153
00:05:40,070 --> 00:05:38,160
so my interest started gearing more

154
00:05:40,629 --> 00:05:40,080
toward what's going on in and around the

155
00:05:43,350 --> 00:05:40,639
water

156
00:05:44,070 --> 00:05:43,360
i was surprised at how many sightings

157
00:05:46,790 --> 00:05:44,080
involved

158
00:05:47,909 --> 00:05:46,800
things coming in and out of ponds in and

159
00:05:49,670 --> 00:05:47,919
out of the ocean

160
00:05:51,270 --> 00:05:49,680
there's there's just there's so many

161
00:05:55,029 --> 00:05:51,280
sightings

162
00:05:56,309 --> 00:05:55,039
that um there's there's probably as many

163
00:05:59,590 --> 00:05:56,319

water sightings

164

00:06:01,189 --> 00:05:59,600

as there are land sightings but they're

165

00:06:03,990 --> 00:06:01,199

just not talked about as much

166

00:06:04,390 --> 00:06:04,000

they're hid more because a lot of it is

167

00:06:07,909 --> 00:06:04,400

um

168

00:06:11,270 --> 00:06:07,919

sightings that are by military

169

00:06:13,830 --> 00:06:11,280

and a lot of sightings by fishermen and

170

00:06:14,950 --> 00:06:13,840

one of the earliest sightings was a

171

00:06:17,590 --> 00:06:14,960

sighting that columbus

172

00:06:18,230 --> 00:06:17,600

christopher columbus had coming to north

173

00:06:20,309 --> 00:06:18,240

america

174

00:06:21,830 --> 00:06:20,319

he had a ufo sighting was in his journal

175

00:06:22,469 --> 00:06:21,840

a strange light that was bobbing up and

176
00:06:26,150 --> 00:06:22,479
down

177
00:06:29,909 --> 00:06:26,160
so my interest is focused on the water

178
00:06:32,790 --> 00:06:29,919
but as far as

179
00:06:33,270 --> 00:06:32,800
sightings in the state of missouri i

180
00:06:36,629 --> 00:06:33,280
think

181
00:06:38,550 --> 00:06:36,639
i'm interested in the craft sightings

182
00:06:39,670 --> 00:06:38,560
because we have we have a lot of strange

183
00:06:42,070 --> 00:06:39,680
craft

184
00:06:43,430 --> 00:06:42,080
that have been cited especially around

185
00:06:46,710 --> 00:06:43,440
my area

186
00:06:48,150 --> 00:06:46,720
most of the ufo sightings involved in

187
00:06:50,790 --> 00:06:48,160
and around water

188
00:06:51,830 --> 00:06:50,800

are too deep for a recreational diver to

189

00:06:54,469 --> 00:06:51,840

dive in

190

00:06:55,189 --> 00:06:54,479

a recreational diver is limited to 130

191

00:06:57,749 --> 00:06:55,199

feet

192

00:06:59,110 --> 00:06:57,759

there are tech divers that have gone

193

00:07:03,350 --> 00:06:59,120

down as much as

194

00:07:04,870 --> 00:07:03,360

400 feet average and it but coming up

195

00:07:07,110 --> 00:07:04,880

they're able to stay down a half an hour

196

00:07:08,950 --> 00:07:07,120

or so coming up involves an average of

197

00:07:10,309 --> 00:07:08,960

five hours of decompression before they

198

00:07:12,870 --> 00:07:10,319

can come back to the surface so it's

199

00:07:14,230 --> 00:07:12,880

it's not really a good way to do an

200

00:07:16,390 --> 00:07:14,240

investigation when you've got about a

201
00:07:20,710 --> 00:07:16,400
half an hour maybe in dark

202
00:07:23,990 --> 00:07:20,720
conditions and and limited visibility

203
00:07:27,510 --> 00:07:24,000
so what we're looking at now are

204
00:07:30,710 --> 00:07:27,520
investigations that involve water

205
00:07:32,230 --> 00:07:30,720
entry or something that's coming out of

206
00:07:33,749 --> 00:07:32,240
the water some type of ufo that's come

207
00:07:34,950 --> 00:07:33,759
in and out of the water or some kind of

208
00:07:38,790 --> 00:07:34,960
anomaly

209
00:07:40,629 --> 00:07:38,800
that's diveable 130 foot or less

210
00:07:42,950 --> 00:07:40,639
i'm looking at a lot of different places

211
00:07:45,110 --> 00:07:42,960
back in 1973

212
00:07:46,869 --> 00:07:45,120
there were ufos seen coming in and out

213
00:07:48,950 --> 00:07:46,879

of clearwater lake in missouri

214

00:07:50,230 --> 00:07:48,960

that's one of our dives on the list

215

00:07:52,790 --> 00:07:50,240

recently there's been

216

00:07:54,150 --> 00:07:52,800

lights reported in and around the lake

217

00:07:55,670 --> 00:07:54,160

and so we'd like to go back over there

218

00:07:59,110 --> 00:07:55,680

and have a look

219

00:08:00,790 --> 00:07:59,120

we also are looking at and when i say we

220

00:08:03,430 --> 00:08:00,800

i'm referring to the mufon dive team

221

00:08:04,230 --> 00:08:03,440

mufon does have an expert scuba diving

222

00:08:07,189 --> 00:08:04,240

team

223

00:08:08,150 --> 00:08:07,199

and we're looking at a place in

224

00:08:11,430 --> 00:08:08,160

wisconsin

225

00:08:14,390 --> 00:08:11,440

that i was just made aware of that has

226

00:08:16,150 --> 00:08:14,400

some anomalies and some activity in and

227

00:08:19,909 --> 00:08:16,160

around that area

228

00:08:20,550 --> 00:08:19,919

um i was also approached by someone

229

00:08:24,309 --> 00:08:20,560

who's

230

00:08:27,270 --> 00:08:24,319

involved in the bosnian pyramids

231

00:08:28,070 --> 00:08:27,280

and they want me to come down go to

232

00:08:31,350 --> 00:08:28,080

bosnia

233

00:08:32,630 --> 00:08:31,360

and and dive in um these these

234

00:08:35,269 --> 00:08:32,640

passageways

235

00:08:36,949 --> 00:08:35,279

underneath the pyramids that's something

236

00:08:38,870 --> 00:08:36,959

also that's diveable whether or not

237

00:08:40,310 --> 00:08:38,880

safe i'm not sure but i'm very

238

00:08:43,670 --> 00:08:40,320

interested in that so

239

00:08:46,630 --> 00:08:43,680

i'm looking at several projects

240

00:08:46,949 --> 00:08:46,640

and so when you talk about ufos coming

241

00:08:50,790 --> 00:08:46,959

in

242

00:08:53,030 --> 00:08:50,800

out of the water there's a lot of it

243

00:08:53,990 --> 00:08:53,040

that's coming in and out of um there's

244

00:08:57,670 --> 00:08:54,000

there's been sightings for

245

00:08:59,829 --> 00:08:57,680

years avalon um avalon bay

246

00:09:01,030 --> 00:08:59,839

which is catalina island in california

247

00:09:03,750 --> 00:09:01,040

that's something that's really

248

00:09:05,269 --> 00:09:03,760

not dive-able i've been diving there but

249

00:09:07,110 --> 00:09:05,279

it's not a place where you could go down

250

00:09:09,110 --> 00:09:07,120

two thousand three thousand feet and see

251
00:09:11,350 --> 00:09:09,120
something as a diver

252
00:09:12,870 --> 00:09:11,360
so um we're we're doing the

253
00:09:15,829 --> 00:09:12,880
investigation

254
00:09:17,670 --> 00:09:15,839
under our diving certification limits

255
00:09:20,949 --> 00:09:17,680
now what i would like to do

256
00:09:22,710 --> 00:09:20,959
later on once we get more established in

257
00:09:23,509 --> 00:09:22,720
the public i'm hoping that somebody will

258
00:09:26,389 --> 00:09:23,519
be able

259
00:09:27,990 --> 00:09:26,399
to come forward and give us access to an

260
00:09:31,190 --> 00:09:28,000
unmanned underwater vehicle

261
00:09:33,190 --> 00:09:31,200
in 2000 along with everything else that

262
00:09:37,750 --> 00:09:33,200
started in my life in 2000

263
00:09:40,550 --> 00:09:37,760

a january of 2014 police departments

264

00:09:42,150 --> 00:09:40,560

saw a ufo in illinois just across the

265

00:09:43,829 --> 00:09:42,160

river from me so it was dupo

266

00:09:45,190 --> 00:09:43,839

i believe it was carondelet there were

267

00:09:47,590 --> 00:09:45,200

there were four police departments and

268

00:09:50,710 --> 00:09:47,600

as it went from one precinct to the next

269

00:09:53,190 --> 00:09:50,720

they were reporting it it got to duple

270

00:09:55,030 --> 00:09:53,200

this large craft got as far as dupo the

271

00:09:56,389 --> 00:09:55,040

mississippi river and then turned around

272

00:09:58,550 --> 00:09:56,399

had it come over the river it would have

273

00:10:01,670 --> 00:09:58,560

come right over my house

274

00:10:05,670 --> 00:10:01,680

so at that point i

275

00:10:06,069 --> 00:10:05,680

i focused on what was going on in my

276

00:10:08,150 --> 00:10:06,079

area

277

00:10:09,350 --> 00:10:08,160

what was going on in missouri and how i

278

00:10:11,269 --> 00:10:09,360

could get more involved

279

00:10:13,190 --> 00:10:11,279

in finding out the truth about what was

280

00:10:14,949 --> 00:10:13,200

going on not only in missouri but in the

281

00:10:18,630 --> 00:10:14,959

united states

282

00:10:20,470 --> 00:10:18,640

in 2001 i went to a family reunion

283

00:10:23,030 --> 00:10:20,480

and my brother who lives in colorado

284

00:10:25,350 --> 00:10:23,040

springs my brother chuck zukowski

285

00:10:26,389 --> 00:10:25,360

and i started talking about our

286

00:10:32,550 --> 00:10:26,399

investigation

287

00:10:34,069 --> 00:10:32,560

come to find out we were running the

288

00:10:35,269 --> 00:10:34,079

same kind of investigations we're doing

289

00:10:37,509 --> 00:10:35,279

the same thing he was investigating

290

00:10:40,710 --> 00:10:37,519

roswell i was investigating roswell

291

00:10:43,030 --> 00:10:40,720

although i hadn't been there he had so

292

00:10:43,910 --> 00:10:43,040

we teamed up as far as i know we're the

293

00:10:46,710 --> 00:10:43,920

only brother

294

00:10:49,269 --> 00:10:46,720

sister ufo investigating team we

295

00:10:52,509 --> 00:10:49,279

investigated roswell for about 10 years

296

00:10:54,870 --> 00:10:52,519

we started on different projects and in

297

00:10:57,430 --> 00:10:54,880

2009

298

00:10:58,550 --> 00:10:57,440

we started getting calls about animal

299

00:11:01,269 --> 00:10:58,560

mutilations

300

00:11:02,310 --> 00:11:01,279

the first one came to chuck in march of

301
00:11:04,550 --> 00:11:02,320
2009

302
00:11:06,150 --> 00:11:04,560
in colorado springs he went out and did

303
00:11:09,350 --> 00:11:06,160
an investigation

304
00:11:10,870 --> 00:11:09,360
and got kind of a rapport with the

305
00:11:13,750 --> 00:11:10,880
ranchers and so

306
00:11:14,949 --> 00:11:13,760
when another cow mutilation would occur

307
00:11:17,590 --> 00:11:14,959
the rancher

308
00:11:18,389 --> 00:11:17,600
would inform that rancher or his name

309
00:11:21,829 --> 00:11:18,399
got known

310
00:11:24,389 --> 00:11:21,839
and he became the the mufon director of

311
00:11:27,190 --> 00:11:24,399
animal mutilations

312
00:11:27,670 --> 00:11:27,200
well the animal relations i found out

313
00:11:32,150 --> 00:11:27,680

started

314

00:11:34,069 --> 00:11:32,160

spreading to missouri in 2010 and 11

315

00:11:35,670 --> 00:11:34,079

we had were the first mutilations they

316

00:11:36,710 --> 00:11:35,680

weren't called into missouri right away

317

00:11:39,990 --> 00:11:36,720

but by default

318

00:11:43,269 --> 00:11:40,000

by then 2009 i became the state director

319

00:11:45,910 --> 00:11:43,279

i ended up being the animal mutilation

320

00:11:47,350 --> 00:11:45,920

uh expert from missouri so what was kind

321

00:11:49,910 --> 00:11:47,360

of funny was that my brother and i

322

00:11:50,710 --> 00:11:49,920

started out together teaming up about

323

00:11:55,430 --> 00:11:50,720

roswell

324

00:11:58,550 --> 00:11:55,440

in 2001 2001 2002

325

00:12:00,629 --> 00:11:58,560

and now we're the animal mutilation

326

00:12:01,750 --> 00:12:00,639

experts just by default in from two

327

00:12:03,670 --> 00:12:01,760

different states

328

00:12:05,590 --> 00:12:03,680

so the majority of these are going on

329

00:12:07,990 --> 00:12:05,600

that are being reported are going on

330

00:12:08,949 --> 00:12:08,000

in colorado and going on in missouri so

331

00:12:12,870 --> 00:12:08,959

somehow but

332

00:12:15,030 --> 00:12:12,880

by default we ended up teamed up again

333

00:12:16,710 --> 00:12:15,040

for something totally different than our

334

00:12:19,030 --> 00:12:16,720

expertise

335

00:12:20,069 --> 00:12:19,040

and it i mean it's intriguing because we

336

00:12:23,110 --> 00:12:20,079

can compare notes

337

00:12:23,670 --> 00:12:23,120

a lot of the the commonalities that we

338

00:12:25,509 --> 00:12:23,680

have

339

00:12:27,110 --> 00:12:25,519

with the animal mutilations in missouri

340

00:12:27,990 --> 00:12:27,120

are the same commonalities that he's

341

00:12:31,590 --> 00:12:28,000

having

342

00:12:36,069 --> 00:12:31,600

in colorado when the rancher calls us

343

00:12:38,629 --> 00:12:36,079

they're not calling us because they're

344

00:12:40,150 --> 00:12:38,639

curious about what happened they're more

345

00:12:41,750 --> 00:12:40,160

calling us because they're panicked

346

00:12:43,910 --> 00:12:41,760

about what happened

347

00:12:45,430 --> 00:12:43,920

i talked to a rancher yesterday and he's

348

00:12:48,470 --> 00:12:45,440

been a rancher

349

00:12:52,790 --> 00:12:48,480

uh four years family rancher

350

00:12:56,150 --> 00:12:52,800

he said his daddy told him that

351
00:12:57,750 --> 00:12:56,160
you the one commonality about cows is

352
00:13:00,310 --> 00:12:57,760
they're gonna get loose and they're

353
00:13:01,990 --> 00:13:00,320
gonna die and he said

354
00:13:04,790 --> 00:13:02,000
that happens all the time i've seen a

355
00:13:07,590 --> 00:13:04,800
lot of dead cows i've not seen a cow die

356
00:13:08,870 --> 00:13:07,600
like this one and that's what panics

357
00:13:11,269 --> 00:13:08,880
these poor gentlemen

358
00:13:12,069 --> 00:13:11,279
and actually female we've had two female

359
00:13:14,870 --> 00:13:12,079
ranchers

360
00:13:16,389 --> 00:13:14,880
that have lost cows one female rancher

361
00:13:18,949 --> 00:13:16,399
last year in july

362
00:13:21,350 --> 00:13:18,959
lost two cows within two weeks they're

363
00:13:24,069 --> 00:13:21,360

used to their cows dying

364

00:13:25,430 --> 00:13:24,079

it happens from illness but some of the

365

00:13:28,710 --> 00:13:25,440

strange things

366

00:13:31,829 --> 00:13:28,720

there there's parts that are lasered off

367

00:13:34,949 --> 00:13:31,839

and the the laser cut is

368

00:13:36,790 --> 00:13:34,959

is i guess carterized around where there

369

00:13:38,629 --> 00:13:36,800

isn't any bleeding but there's no blood

370

00:13:42,790 --> 00:13:38,639

there's no blood anywhere

371

00:13:46,150 --> 00:13:42,800

the animals are found

372

00:13:48,949 --> 00:13:46,160

laying placed almost placed

373

00:13:50,389 --> 00:13:48,959

one of the explanations that i had from

374

00:13:53,269 --> 00:13:50,399

a veterinarian was

375

00:13:54,710 --> 00:13:53,279

well the cow was ready to give birth it

376

00:13:57,509 --> 00:13:54,720

was a breech birth

377

00:13:58,389 --> 00:13:57,519

and the breech birth killed the cow and

378

00:14:00,310 --> 00:13:58,399

i said well

379

00:14:03,110 --> 00:14:00,320

wouldn't the cow have struggled there

380

00:14:06,470 --> 00:14:03,120

wasn't any sign of struggle the cow just

381

00:14:09,189 --> 00:14:06,480

fell over dead now if a cow is

382

00:14:10,870 --> 00:14:09,199

in severe pain trying to give an

383

00:14:11,829 --> 00:14:10,880

unnatural birth it's going to struggle

384

00:14:12,550 --> 00:14:11,839

there's going to be kick marks

385

00:14:15,350 --> 00:14:12,560

everywhere

386

00:14:17,350 --> 00:14:15,360

but it wasn't it was just laying we've

387

00:14:19,590 --> 00:14:17,360

had cows that were found

388

00:14:22,069 --> 00:14:19,600

well this cow was found dead with part

389

00:14:24,949 --> 00:14:22,079

of its head missing and an utter missing

390

00:14:26,949 --> 00:14:24,959

we've had cows that were found dead the

391

00:14:29,350 --> 00:14:26,959

mother cow with the baby right next to

392

00:14:33,430 --> 00:14:29,360

it but the mother cow is taken down

393

00:14:35,509 --> 00:14:33,440

and the explanation from the police is

394

00:14:37,030 --> 00:14:35,519

well it was a predator

395

00:14:39,110 --> 00:14:37,040

but you would think that the predator

396

00:14:41,430 --> 00:14:39,120

would take the baby that was just born

397

00:14:44,710 --> 00:14:41,440

the calf wouldn't take down an 1100

398

00:14:48,069 --> 00:14:44,720

pound cow and leave the calf there

399

00:14:50,550 --> 00:14:48,079

all of these uh the

400

00:14:52,230 --> 00:14:50,560

the height is thick on a cow if you've

401
00:14:55,030 --> 00:14:52,240
ever tried to take a sample

402
00:14:55,430 --> 00:14:55,040
of of try and take a knife and cut your

403
00:14:58,710 --> 00:14:55,440
shoe

404
00:14:59,990 --> 00:14:58,720
difficult to do but these are laser cut

405
00:15:01,590 --> 00:15:00,000
off these laser

406
00:15:03,030 --> 00:15:01,600
cuts this has been happening since the

407
00:15:04,790 --> 00:15:03,040
early 70s

408
00:15:06,790 --> 00:15:04,800
and we've done some research and it

409
00:15:07,189 --> 00:15:06,800
hasn't been that many years since we've

410
00:15:08,870 --> 00:15:07,199
had

411
00:15:11,269 --> 00:15:08,880
portable lasers that you could take on

412
00:15:13,509 --> 00:15:11,279
site certainly not in the 70s

413
00:15:14,629 --> 00:15:13,519

why i think the big question is who's

414

00:15:17,350 --> 00:15:14,639

doing this and why

415

00:15:17,910 --> 00:15:17,360

why are they taking the cows mutilating

416

00:15:21,590 --> 00:15:17,920

them

417

00:15:24,949 --> 00:15:21,600

rancher that i just talked to

418

00:15:26,949 --> 00:15:24,959

yesterday said that he was missing a cow

419

00:15:28,310 --> 00:15:26,959

from two years ago the cow just turned

420

00:15:30,230 --> 00:15:28,320

up missing

421

00:15:31,829 --> 00:15:30,240

and he thought well you know it was a

422

00:15:34,790 --> 00:15:31,839

young cow a calf

423

00:15:35,509 --> 00:15:34,800

maybe it got carried off by a mountain

424

00:15:37,509 --> 00:15:35,519

lion

425

00:15:38,550 --> 00:15:37,519

maybe somebody cattle rustled him stole

426

00:15:40,790 --> 00:15:38,560

his cow

427

00:15:42,310 --> 00:15:40,800

and he didn't put any more mind to it

428

00:15:45,350 --> 00:15:42,320

but when you bring the cow

429

00:15:48,470 --> 00:15:45,360

back well now you start the questions

430

00:15:49,990 --> 00:15:48,480

and i know a lot of people think that

431

00:15:52,230 --> 00:15:50,000

it's the government doing it

432

00:15:53,670 --> 00:15:52,240

but why would they bring the cow back

433

00:15:55,749 --> 00:15:53,680

and cause all the controversy

434

00:15:57,189 --> 00:15:55,759

just take the cow take the cow do

435

00:15:58,470 --> 00:15:57,199

whatever you want dispose of it the

436

00:16:00,949 --> 00:15:58,480

rancher will think

437

00:16:02,150 --> 00:16:00,959

the cow was cattle russell rustled or

438

00:16:03,670 --> 00:16:02,160

something happened

439

00:16:05,110 --> 00:16:03,680

but they they're starting whoever is

440

00:16:06,710 --> 00:16:05,120

doing this or whatever is doing this is

441

00:16:08,710 --> 00:16:06,720

starting the controversy

442

00:16:10,310 --> 00:16:08,720

and we know that it's not a cult for

443

00:16:12,150 --> 00:16:10,320

many years it was explained away as

444

00:16:14,470 --> 00:16:12,160

being a cult

445

00:16:16,629 --> 00:16:14,480

these these cows are taken when they're

446

00:16:18,790 --> 00:16:16,639

dropped back they're dropped from above

447

00:16:19,990 --> 00:16:18,800

we've had impression marks we've had

448

00:16:23,430 --> 00:16:20,000

impression marks in

449

00:16:25,509 --> 00:16:23,440

ice we've had cows place a cow placed on

450

00:16:26,710 --> 00:16:25,519

the snow a cow placed on ice with no

451
00:16:29,749 --> 00:16:26,720
blood

452
00:16:31,590 --> 00:16:29,759
and if you've ever cut your finger and

453
00:16:32,870 --> 00:16:31,600
put it on an ice cube it'll the blood

454
00:16:34,150 --> 00:16:32,880
will fill the ice cube

455
00:16:37,110 --> 00:16:34,160
so why there's no blood in the ice

456
00:16:38,710 --> 00:16:37,120
whether it's no blood on snow

457
00:16:40,470 --> 00:16:38,720
well there's no blood in the area why

458
00:16:42,629 --> 00:16:40,480
some of these there's

459
00:16:43,670 --> 00:16:42,639
huge laser-cut holes out of these

460
00:16:46,069 --> 00:16:43,680
animals

461
00:16:48,069 --> 00:16:46,079
and there isn't any blood around a lot

462
00:16:48,949 --> 00:16:48,079
of times predators won't come around for

463
00:16:50,629 --> 00:16:48,959

days

464

00:16:52,150 --> 00:16:50,639

sometimes they won't come around for

465

00:16:54,230 --> 00:16:52,160

weeks you don't have

466

00:16:55,749 --> 00:16:54,240

maggots or bugs you don't have any other

467

00:16:56,710 --> 00:16:55,759

kind of an animal trying to eat off of

468

00:16:59,269 --> 00:16:56,720

these

469

00:17:00,550 --> 00:16:59,279

the the rest of the herd will swing wide

470

00:17:03,430 --> 00:17:00,560

they won't even go around it

471

00:17:03,990 --> 00:17:03,440

or they'll be upset some of these

472

00:17:07,029 --> 00:17:04,000

ranchers

473

00:17:10,470 --> 00:17:07,039

find these cows because one

474

00:17:12,789 --> 00:17:10,480

um the cows were circling the dead cow

475

00:17:13,750 --> 00:17:12,799

another one the cows stampeded away from

476

00:17:15,669 --> 00:17:13,760

it

477

00:17:18,390 --> 00:17:15,679

so the whole thing is very strange and

478

00:17:20,549 --> 00:17:18,400

at this point we don't know who or what

479

00:17:21,990 --> 00:17:20,559

is doing this but that's why we have the

480

00:17:24,230 --> 00:17:22,000

that's why we're doing the investigation

481

00:17:25,909 --> 00:17:24,240

that's why we're doing the research

482

00:17:28,390 --> 00:17:25,919

we're talking to the ranchers

483

00:17:29,430 --> 00:17:28,400

and i thank them so much for having the

484

00:17:31,110 --> 00:17:29,440

confidence in us

485

00:17:32,710 --> 00:17:31,120

to trust in us to try and find out

486

00:17:34,470 --> 00:17:32,720

what's happening

487

00:17:36,950 --> 00:17:34,480

if we find answers we're more than happy

488

00:17:39,110 --> 00:17:36,960

to get back with all the ranchers

489

00:17:42,789 --> 00:17:39,120

and give them some kind of answers

490

00:17:46,549 --> 00:17:42,799

because this is an expensive

491

00:17:48,470 --> 00:17:46,559

loss for these uh ranchers the calf

492

00:17:51,029 --> 00:17:48,480

i believe he said it was uh probably

493

00:17:52,470 --> 00:17:51,039

only four hundred dollars had grown up

494

00:17:54,310 --> 00:17:52,480

you're talking a lot more money some of

495

00:17:54,789 --> 00:17:54,320

these cows were worth as much as fifteen

496

00:17:56,230 --> 00:17:54,799

hundred

497

00:17:58,390 --> 00:17:56,240

and if you have a female calf it would

498

00:17:59,510 --> 00:17:58,400

have grown up it would have had calves

499

00:18:01,990 --> 00:17:59,520

and this would and those calves would

500

00:18:03,029 --> 00:18:02,000

have had calves one cow is a huge

501
00:18:04,789 --> 00:18:03,039
investment and to you

502
00:18:07,830 --> 00:18:04,799
lose it especially in this economy as a

503
00:18:10,710 --> 00:18:07,840
tragedy when i joined mufon

504
00:18:13,270 --> 00:18:10,720
i had the gentleman who signed me up

505
00:18:16,710 --> 00:18:13,280
asked me a very important question

506
00:18:18,310 --> 00:18:16,720
he said why are you joining mufon

507
00:18:19,750 --> 00:18:18,320
and it sounds like a simple question but

508
00:18:21,990 --> 00:18:19,760
i thought about it and i said well i

509
00:18:25,430 --> 00:18:22,000
want to know the truth

510
00:18:27,350 --> 00:18:25,440
i'm almost sorry i asked there's so much

511
00:18:30,549 --> 00:18:27,360
more truth out there than anyone can

512
00:18:33,750 --> 00:18:30,559
even begin to imagine

513
00:18:34,870 --> 00:18:33,760

education is everything what everybody

514

00:18:37,909 --> 00:18:34,880

needs to do

515

00:18:40,470 --> 00:18:37,919

is get online

516

00:18:42,310 --> 00:18:40,480

watch these shows on tv they're giving

517

00:18:46,070 --> 00:18:42,320

the information

518

00:18:48,390 --> 00:18:46,080

this is this information should and

519

00:18:49,350 --> 00:18:48,400

is available out there but it's your

520

00:18:53,110 --> 00:18:49,360

right to know

521

00:18:53,909 --> 00:18:53,120

what is going on i hope someday for full

522

00:18:55,270 --> 00:18:53,919

disclosure

523

00:18:57,430 --> 00:18:55,280

i don't think it's ever going to happen

524

00:18:57,830 --> 00:18:57,440

in the united states eventually we'll

525

00:19:00,070 --> 00:18:57,840

know

526

00:19:02,470 --> 00:19:00,080

some of what's going on other countries

527

00:19:04,630 --> 00:19:02,480

are starting to release their files

528

00:19:05,909 --> 00:19:04,640

there are freedom of information act

529

00:19:08,549 --> 00:19:05,919

files

530

00:19:09,350 --> 00:19:08,559

that are available the fbi website you

531

00:19:12,150 --> 00:19:09,360

can go on there

532

00:19:12,950 --> 00:19:12,160

and i do a lot of research there and

533

00:19:16,710 --> 00:19:12,960

other places

534

00:19:19,750 --> 00:19:16,720

there are files available but everybody

535

00:19:21,750 --> 00:19:19,760

needs to educate themselves as to what

536

00:19:23,669 --> 00:19:21,760

is going on because ufos are real

537

00:19:26,549 --> 00:19:23,679

they're out there they've been around

538

00:19:29,830 --> 00:19:26,559

for thousands of years

539

00:19:32,549 --> 00:19:29,840

and i i believe

540

00:19:33,669 --> 00:19:32,559

that it's not something a person should

541

00:19:37,190 --> 00:19:33,679

be afraid of

542

00:19:38,310 --> 00:19:37,200

if we were going to be hurt by these ets

543

00:19:40,950 --> 00:19:38,320

if you want to call them that

544

00:19:41,909 --> 00:19:40,960

it would have happened a long time ago

545

00:19:44,390 --> 00:19:41,919

but i believe

546

00:19:46,230 --> 00:19:44,400

it's our right to know what's happening

547

00:19:48,630 --> 00:19:46,240

what's in our skies

548

00:19:50,789 --> 00:19:48,640

and what's going on around us we need

549

00:19:54,150 --> 00:19:50,799

some type of disclosure

550

00:19:57,669 --> 00:19:54,160

it's our right to know and i believe

551
00:19:59,590 --> 00:19:57,679
that if citizens were more active

552
00:20:01,510 --> 00:19:59,600
and asking that this information be

553
00:20:03,350 --> 00:20:01,520
released then i i

554
00:20:04,950 --> 00:20:03,360
believe that some of this would finally

555
00:20:07,350 --> 00:20:04,960
get released to the public

556
00:20:09,190 --> 00:20:07,360
and we'd have a few answers if you'd

557
00:20:09,510 --> 00:20:09,200
like more information about what's going

558
00:20:11,669 --> 00:20:09,520
on

559
00:20:14,149 --> 00:20:11,679
in the united states and across the

560
00:20:15,909 --> 00:20:14,159
world you can go to mufon.com

561
00:20:17,430 --> 00:20:15,919
all the information is there you can

562
00:20:19,190 --> 00:20:17,440
also go to your state so if you're more
