

A man with a beard, wearing a blue baseball cap and green sunglasses, is speaking outdoors. He is gesturing with his hands. The background shows a grassy area with trees and a stone wall.

**UFO HUB**

1  
00:00:16,310 --> 00:00:10,790  
being

2  
00:00:19,990 --> 00:00:16,320  
investigator

3  
00:00:23,429 --> 00:00:20,000  
life at that point

4  
00:00:25,830 --> 00:00:23,439  
you don't particularly with ufology you

5  
00:00:27,189 --> 00:00:25,840  
don't anticipate that you're going to be

6  
00:00:30,470 --> 00:00:27,199  
the subject

7  
00:00:32,229 --> 00:00:30,480  
of an encounter you just don't think

8  
00:00:36,069 --> 00:00:32,239  
about that

9  
00:00:40,709 --> 00:00:36,079  
and what i found myself dealing with

10  
00:00:42,869 --> 00:00:40,719  
was two very distinct memories when i

11  
00:00:44,470 --> 00:00:42,879  
woke up that morning i was i was at my

12  
00:00:45,590 --> 00:00:44,480  
mother's house she was ill i was taking

13  
00:00:47,830 --> 00:00:45,600

care of her

14

00:00:49,110 --> 00:00:47,840

and i was sleeping in the living room

15

00:00:53,110 --> 00:00:49,120

and i remembered

16

00:00:59,029 --> 00:00:56,150

11 11 30 whatever

17

00:01:00,549 --> 00:00:59,039

and my next waking moment i remember be

18

00:01:01,430 --> 00:01:00,559

standing in the middle of the living

19

00:01:04,390 --> 00:01:01,440

room

20

00:01:06,550 --> 00:01:04,400

looking towards the front yard towards

21

00:01:09,670 --> 00:01:06,560

the front of the house

22

00:01:14,149 --> 00:01:09,680

and seeing what looked like

23

00:01:17,429 --> 00:01:14,159

eight shadowy wispy figures

24

00:01:19,749 --> 00:01:17,439

literally scurrying a scurrying action

25

00:01:23,109 --> 00:01:19,759

towards the house

26

00:01:25,190 --> 00:01:23,119

and feeling abject terror

27

00:01:26,710 --> 00:01:25,200

which i'm not used to feeling that at

28

00:01:30,789 --> 00:01:26,720

all

29

00:01:33,350 --> 00:01:30,799

and i remember my breathing was off

30

00:01:34,069 --> 00:01:33,360

i was turning to to go towards the

31

00:01:35,910 --> 00:01:34,079

dining room

32

00:01:37,429 --> 00:01:35,920

i don't know where i thought i was going

33

00:01:38,550 --> 00:01:37,439

just the opposite direction of where

34

00:01:42,950 --> 00:01:38,560

they were

35

00:01:46,149 --> 00:01:42,960

my next waking memory was

36

00:01:49,350 --> 00:01:46,159

being i suppose on the couch

37

00:01:52,630 --> 00:01:49,360

and feeling what felt like spindly

38

00:01:54,310 --> 00:01:52,640

arms under me and i've always been

39

00:01:54,630 --> 00:01:54,320

curious as to whether they were putting

40

00:02:04,630 --> 00:01:54,640

me

41

00:02:08,150 --> 00:02:04,640

arts background

42

00:02:11,430 --> 00:02:08,160

my instinct was do a back fist

43

00:02:12,630 --> 00:02:11,440

and i did that but mid breakfast i was

44

00:02:14,630 --> 00:02:12,640

frozen

45

00:02:18,470 --> 00:02:14,640

i could not no matter what i did i

46

00:02:20,630 --> 00:02:18,480

couldn't push that back fist any further

47

00:02:22,790 --> 00:02:20,640

and i started getting tired and as soon

48

00:02:24,470 --> 00:02:22,800

as i relaxed and was almost going

49

00:02:28,229 --> 00:02:24,480

unconscious again

50

00:02:31,750 --> 00:02:28,239

this arm relaxed and it fell forward

51  
00:02:37,030 --> 00:02:31,760  
and it actually went down rubbed down

52  
00:02:40,470 --> 00:02:37,040  
the arm of one of these things and

53  
00:02:43,030 --> 00:02:40,480  
it felt very delicate

54  
00:02:44,229 --> 00:02:43,040  
it was almost if you've ever held a frog

55  
00:02:46,150 --> 00:02:44,239  
in your hands

56  
00:02:48,470 --> 00:02:46,160  
and kind of petted one it felt like that

57  
00:02:51,030 --> 00:02:48,480  
there's that kind of delicate but yet

58  
00:02:51,589 --> 00:02:51,040  
textured feeling on the arm as it went

59  
00:02:53,670 --> 00:02:51,599  
down so

60  
00:02:56,229 --> 00:02:53,680  
i assumed they weren't wearing a uniform

61  
00:03:01,509 --> 00:02:56,239  
or anything it was just them

62  
00:03:05,030 --> 00:03:01,519  
and then i woke up the next morning

63  
00:03:07,509 --> 00:03:05,040

and i for years i

64

00:03:10,309 --> 00:03:07,519

i went over and over and over this in my

65

00:03:13,509 --> 00:03:10,319

mind that this is how long it can take

66

00:03:17,270 --> 00:03:13,519

i thought how in the world did i

67

00:03:19,110 --> 00:03:17,280

see whatever this was coming across the

68

00:03:22,229 --> 00:03:19,120

front lawn towards the house

69

00:03:24,229 --> 00:03:22,239

because there's a wall there

70

00:03:25,990 --> 00:03:24,239

with two windows they had the venetian

71

00:03:27,670 --> 00:03:26,000

blinds down

72

00:03:30,070 --> 00:03:27,680

my mother kept everything very dark in

73

00:03:32,229 --> 00:03:30,080

the house and then it suddenly occurred

74

00:03:36,550 --> 00:03:32,239

to me

75

00:03:39,670 --> 00:03:36,560

they must have somehow removed the wall

76

00:03:41,350 --> 00:03:39,680

dissolved the wall portaled open

77

00:03:42,710 --> 00:03:41,360

i don't know what but if something

78

00:03:44,309 --> 00:03:42,720

occurred to me

79

00:03:46,070 --> 00:03:44,319

maybe that's part of the reason that i

80

00:03:49,110 --> 00:03:46,080

was feeling so much

81

00:03:51,509 --> 00:03:49,120

fear and terror at that point

82

00:03:53,110 --> 00:03:51,519

even though when consciously i had this

83

00:03:55,190 --> 00:03:53,120

pleading memory of it

84

00:03:56,550 --> 00:03:55,200

at the time i was fully aware of what

85

00:03:58,869 --> 00:03:56,560

was going on

86

00:04:00,390 --> 00:03:58,879

and i think anybody would freak out if

87

00:04:01,429 --> 00:04:00,400

they heard something you saw something

88

00:04:03,509 --> 00:04:01,439

got up and all of a sudden their

89

00:04:08,869 --> 00:04:03,519

freaking wall disappeared

90

00:04:08,879 --> 00:04:13,589

in manner of how they appeared

91

00:04:17,349 --> 00:04:16,949

i i i don't have a memory of having a

92

00:04:19,990 --> 00:04:17,359

good

93

00:04:22,150 --> 00:04:20,000

look at what they look like if i were to

94

00:04:24,550 --> 00:04:22,160

try to gauge it

95

00:04:28,710 --> 00:04:24,560

it seemed that they would be the classic

96

00:04:32,870 --> 00:04:28,720

three and a half to four foot tall

97

00:04:35,590 --> 00:04:32,880

figure i

98

00:04:37,030 --> 00:04:35,600

i guess humanoid but they were moving so

99

00:04:39,909 --> 00:04:37,040

fast

100

00:04:40,710 --> 00:04:39,919

that i there wasn't time to focus on an

101  
00:04:43,030 --> 00:04:40,720  
actual

102  
00:04:45,030 --> 00:04:43,040  
figure of what they were i just know

103  
00:04:48,070 --> 00:04:45,040  
that they were

104  
00:04:51,430 --> 00:04:48,080  
dar it was dark outside but it was

105  
00:04:52,070 --> 00:04:51,440  
they were darker than that and they were

106  
00:04:55,670 --> 00:04:52,080  
just

107  
00:05:00,870 --> 00:04:55,680  
literally scurrying towards the house

108  
00:05:04,469 --> 00:05:02,469  
i think it was more than likely an

109  
00:05:05,990 --> 00:05:04,479  
abduction i mean i can't figure out

110  
00:05:08,469 --> 00:05:06,000  
think of any other reason that they

111  
00:05:11,350 --> 00:05:08,479  
would be that invasive to me

112  
00:05:11,670 --> 00:05:11,360  
that my mother's house just coming to

113  
00:05:13,590 --> 00:05:11,680

try

114

00:05:15,029 --> 00:05:13,600

to talk to me if they were going to just

115

00:05:17,909 --> 00:05:15,039

make contact

116

00:05:19,670 --> 00:05:17,919

they could have done it a lot in a much

117

00:05:21,990 --> 00:05:19,680

simpler fashion

118

00:05:24,150 --> 00:05:22,000

you know unless there was dialogue that

119

00:05:25,990 --> 00:05:24,160

happened wherever they took me

120

00:05:28,310 --> 00:05:26,000

i'm assuming they took me someplace

121

00:05:30,230 --> 00:05:28,320

because of the spindly arms

122

00:05:31,670 --> 00:05:30,240

seemingly back i mean i remember

123

00:05:33,909 --> 00:05:31,680

standing in in the

124

00:05:35,510 --> 00:05:33,919

middle of the living room trying to head
