intrepid magazine and the founder of the

00:00:31,669 --> 00:00:30,160
paradigm symposium

4
00:00:34,630 --> 00:00:31,679
which i began with micah hanks about

5
00:00:35,430 --> 00:00:34,640
three years ago we did 2012 and 2013

6
00:00:38,869 --> 00:00:35,440
together and now

7
00:00:41,910 --> 00:00:38,879
john ward has come on board as

8
00:00:42,549 --> 00:00:41,920
my partner in all these efforts thank

9
00:00:49,830 --> 00:00:42,559
you

10
00:00:52,630 --> 00:00:49,840
brother and i'm the editor-in-chief

11
00:00:53,189 --> 00:00:52,640
of intrepid magazine yes and we run

12
00:00:57,670 --> 00:00:53,199
together

13
00:01:00,549 --> 00:00:57,680

this umbrella now

14

00:01:01,990 --> 00:01:00,559

which is paradigm and traffic and

15

00:01:26,390 --> 00:01:02,000

interoperability

16

00:01:32,550 --> 00:01:29,749

this year we've um had an

17

00:01:33,109 --> 00:01:32,560

amazing task this week we had great

18

00:01:35,670 --> 00:01:33,119

success

19

00:01:36,630 --> 00:01:35,680

graham hancock andrew collins john

20

00:01:39,910 --> 00:01:36,640

anthony west

21

00:01:41,749 --> 00:01:39,920

robin bavar barry fitzgerald laird

22

00:01:45,270 --> 00:01:41,759

scranton

23

00:01:50,149 --> 00:01:45,280

we had uh nick nick redfearn micah hanks

24

00:01:55,030 --> 00:01:53,429

ed nightingale and so we had quite a

25

00:01:58,310 --> 00:01:55,040

cadre of speakers

26

00:02:00,069 --> 00:01:58,320

and uh um it was covering very very

27

00:02:03,030 --> 00:02:00,079

range of subjects

28

00:02:03,910 --> 00:02:03,040

yes um i mean each year we try to change

29

00:02:07,030 --> 00:02:03,920

the thing from

30

00:02:10,070 --> 00:02:07,040

ancient mysteries to archaeology

31

00:02:11,190 --> 00:02:10,080

and this year it seems to be more of a a

32

00:02:12,630 --> 00:02:11,200

bag full of all of it

33

00:02:13,910 --> 00:02:12,640

there was a mysteries there was

34

00:02:15,750 --> 00:02:13,920

archaeology in there there was

35

00:02:17,350 --> 00:02:15,760

spirituality in there there was magic

36

00:02:21,190 --> 00:02:17,360

there was cometicism

37

00:02:22,710 --> 00:02:21,200

esotericism it was a ufology

38

00:02:25,270 --> 00:02:22,720

it was all there it was wonderful we

39

00:02:27,430 --> 00:02:25,280

went down to the local coffee shop today

40

00:02:29,110 --> 00:02:27,440

and the girl said oh you're part of that

41

00:02:32,229 --> 00:02:29,120

symposium is that the one where they're

42

00:02:33,190 --> 00:02:32,239

teaching about satan and occultism and i

43

00:02:36,309 --> 00:02:33,200

said

44

00:02:37,910 --> 00:02:36,319

i don't think that's our symposium so it

45

00:02:40,790 --> 00:02:37,920

was very interesting

46

00:02:41,190 --> 00:02:40,800

that she said that but um so yeah it's

47

00:02:43,830 --> 00:02:41,200

it's

48

00:02:44,550 --> 00:02:43,840

all about alternative theory and what we

49

00:02:46,630 --> 00:02:44,560

do at

50

00:02:48,070 --> 00:02:46,640

intrepid paradigm it's we're working to

51

00:02:51,830 --> 00:02:48,080

bridge that gap

52

00:02:54,550 --> 00:02:51,840

between academia and alternative science

53

00:02:55,589 --> 00:02:54,560

at that same time the symposium isn't

54

00:02:57,270 --> 00:02:55,599

just a place where

55

00:02:59,270 --> 00:02:57,280

the speakers and the attendees come

56

00:02:59,509 --> 00:02:59,280

together to speak and listen and learn

57

00:03:02,710 --> 00:02:59,519

and

58

00:03:05,589 --> 00:03:02,720

also

59

00:03:06,149 --> 00:03:05,599

a marketplace where you don't just

60

00:03:08,710 --> 00:03:06,159

exchange

61

00:03:09,910 --> 00:03:08,720

knowledge and information but you can

62

00:03:12,149 --> 00:03:09,920

also

63

00:03:14,710 --> 00:03:12,159

purchase and you can exchange goods

64

00:03:17,350 --> 00:03:14,720

squares and so forth that are

65

00:03:17,990 --> 00:03:17,360

associated and affiliated with all of

66

00:03:20,949 --> 00:03:18,000

this subject

67

00:03:22,949 --> 00:03:20,959

matter we've got our great sponsors uh

68

00:03:24,869 --> 00:03:22,959

red real wiser books hampton roads

69

00:03:25,990 --> 00:03:24,879

in the tradition inner traditions books

70

00:03:29,350 --> 00:03:26,000

new page books

71

00:03:32,550 --> 00:03:29,360

magus books books and

72

00:03:34,070 --> 00:03:32,560

several smaller uh investors and

73

00:03:35,910 --> 00:03:34,080

sponsors

74

00:03:37,430 --> 00:03:35,920

and so it's it's really getting the

75

00:03:38,869 --> 00:03:37,440

event is about getting out the message

76

00:03:58,830 --> 00:03:38,879

we say it's
