

A woman with long, wavy blonde hair is shown from the chest up, looking upwards and to the left with a concerned or questioning expression. She is wearing a dark-colored top. The background is a dimly lit room with vertical wood paneling and a warm, yellowish light source. In the bottom left corner, there is a dark grey semi-transparent overlay containing the text 'UFO HUB' in white. 'UFO' is in a bold, sans-serif font, and 'HUB' is in a regular, sans-serif font, enclosed within a white circular outline.

UFO HUB

1
00:00:20,880 --> 00:00:17,700
my name is Nikki Pattillo I'm an author

2
00:00:24,230 --> 00:00:20,890
with Ozark Mountain publishing and a TV

3
00:00:28,440 --> 00:00:24,240
subject matter expert on star children I

4
00:00:32,070 --> 00:00:28,450
have been psychic my whole life but I

5
00:00:36,540 --> 00:00:32,080
grew up in the 70s and I was very

6
00:00:41,730 --> 00:00:36,550
fearful of my gifts I felt lost and

7
00:00:44,310 --> 00:00:41,740
alone I had these angelic beings and

8
00:00:46,410 --> 00:00:44,320
other things coming to me giving me

9
00:00:50,370 --> 00:00:46,420
messages of love of leiden of

10
00:00:52,500 --> 00:00:50,380
inspiration and I had some scary

11
00:00:54,810 --> 00:00:52,510
experiences with that it scared me I

12
00:00:56,730 --> 00:00:54,820
just didn't know anything about it and I

13
00:01:00,000 --> 00:00:56,740

tried very hard to shut my abilities

14

00:01:03,240 --> 00:01:00,010

down but as I got older these beings

15

00:01:06,179 --> 00:01:03,250

came back to me and said I needed to

16

00:01:09,390 --> 00:01:06,189

help others and that the things that I

17

00:01:12,240 --> 00:01:09,400

experienced as a child would help me

18

00:01:15,210 --> 00:01:12,250

write to help other children who all who

19

00:01:18,840 --> 00:01:15,220

also have these gifts when I wrote my

20

00:01:22,109 --> 00:01:18,850

book I started receiving so many

21

00:01:25,800 --> 00:01:22,119

messages from my angels of so many areas

22

00:01:28,590 --> 00:01:25,810

that I needed to write about there were

23

00:01:31,200 --> 00:01:28,600

better psychics that came before me that

24

00:01:34,529 --> 00:01:31,210

got the ball ball rolling about indigo

25

00:01:38,700 --> 00:01:34,539

crystal and rainbow children and I was

26
00:01:41,580 --> 00:01:38,710
able to use that information change some

27
00:01:44,520 --> 00:01:41,590
of that information because as the years

28
00:01:48,870 --> 00:01:44,530
go on the energy changes and things

29
00:01:50,399 --> 00:01:48,880
change I was able to add new stuff new

30
00:01:52,770 --> 00:01:50,409
things that are happening on our earth

31
00:01:55,980 --> 00:01:52,780
at this time because it's much different

32
00:01:58,949 --> 00:01:55,990
than it was 10 20 50 or even a hundred

33
00:02:02,340 --> 00:01:58,959
years ago some of the topics I talk

34
00:02:04,830 --> 00:02:02,350
about in my book are specifically about

35
00:02:07,770 --> 00:02:04,840
these three lightworkers indigo crystal

36
00:02:10,980 --> 00:02:07,780
and rainbow children they are are

37
00:02:14,730 --> 00:02:10,990
cavalry who they have been sent here

38
00:02:17,340 --> 00:02:14,740

from spirit they come from all areas of

39

00:02:19,890 --> 00:02:17,350

the universe and they're here on a group

40

00:02:21,840 --> 00:02:19,900

mission to help our earth including all

41

00:02:25,490 --> 00:02:21,850

living and non-living things on it

42

00:02:28,460 --> 00:02:25,500

they're here to topple

43

00:02:32,270 --> 00:02:28,470

corrupt systems outdated systems that we

44

00:02:35,330 --> 00:02:32,280

live in and to lay these new energy

45

00:02:38,000 --> 00:02:35,340

grids that are based on love and based

46

00:02:41,900 --> 00:02:38,010

on our heart chakras they are ferreting

47

00:02:44,090 --> 00:02:41,910

out lies and they want to help us change

48

00:02:47,690 --> 00:02:44,100

things they want to make the energy

49

00:02:51,320 --> 00:02:47,700

better they are about universal love and

50

00:02:53,750 --> 00:02:51,330

living by the law of one that if we hurt

51
00:02:55,880 --> 00:02:53,760
each other or hurt our environment that

52
00:02:57,430 --> 00:02:55,890
we are really only hurting ourselves our

53
00:03:01,160 --> 00:02:57,440
own Souls

54
00:03:03,970 --> 00:03:01,170
so the first cavalry that started coming

55
00:03:09,140 --> 00:03:03,980
in in the 1970s were the indigo children

56
00:03:12,920 --> 00:03:09,150
they are our spiritual warriors they do

57
00:03:16,370 --> 00:03:12,930
not react to guilt they tend to be angry

58
00:03:18,350 --> 00:03:16,380
children and I tell people they're angry

59
00:03:22,160 --> 00:03:18,360
because they're supposed to be angry

60
00:03:24,580 --> 00:03:22,170
they are all about toppling corrupt

61
00:03:27,860 --> 00:03:24,590
systems systems of government of

62
00:03:30,590 --> 00:03:27,870
healthcare of schools things that are

63
00:03:34,670 --> 00:03:30,600

not energetically working for us anymore

64

00:03:39,350 --> 00:03:34,680

they are very psychic they are often

65

00:03:43,160 --> 00:03:39,360

diagnosed with a DD or ADHD they often

66

00:03:45,320 --> 00:03:43,170

suffer from depression and I want to

67

00:03:48,229 --> 00:03:45,330

tell these children and they're actually

68

00:03:50,600 --> 00:03:48,239

young adults and adults of today that if

69

00:03:54,470 --> 00:03:50,610

you are one of these indigo souls here

70

00:03:56,870 --> 00:03:54,480

helping this earth hang in there I know

71

00:03:58,699 --> 00:03:56,880

that this is tough for you I know that

72

00:04:01,250 --> 00:03:58,709

you are suffering from depression from

73

00:04:03,920 --> 00:04:01,260

this 3-dimensional world that we live in

74

00:04:06,110 --> 00:04:03,930

that's very dense but you are a soul

75

00:04:09,350 --> 00:04:06,120

that is brave enough and strong enough

76

00:04:11,660 --> 00:04:09,360

to take on these systems and every

77

00:04:14,990 --> 00:04:11,670

single one of you are important and

78

00:04:19,159 --> 00:04:15,000

you're here for a reason the second wave

79

00:04:22,210 --> 00:04:19,169

that came through starting about 1990 or

80

00:04:27,050 --> 00:04:22,220

the crystal children crystal children

81

00:04:30,740 --> 00:04:27,060

are living by the law of one they are

82

00:04:32,659 --> 00:04:30,750

here to pick up where the Indigo's have

83

00:04:34,820 --> 00:04:32,669

left off the Indigo's are tearing down

84

00:04:36,629 --> 00:04:34,830

our systems and the crystal children

85

00:04:40,439 --> 00:04:36,639

want to rebuild them

86

00:04:42,809 --> 00:04:40,449

they are instant manifest errs they can

87

00:04:47,239 --> 00:04:42,819

manifest anything they want or they need

88

00:04:50,969 --> 00:04:47,249

in this life and they are connecting us

89

00:04:53,809 --> 00:04:50,979

through our heart chakras they want us

90

00:04:56,730 --> 00:04:53,819

to know that we're here

91

00:04:59,129 --> 00:04:56,740

not just suffering but we're here for a

92

00:05:02,879 --> 00:04:59,139

reason we're here for our spiritual

93

00:05:06,540 --> 00:05:02,889

evolution the next wave that came

94

00:05:10,230 --> 00:05:06,550

through are the rainbow children rainbow

95

00:05:13,129 --> 00:05:10,240

children started arriving about 2010

96

00:05:17,730 --> 00:05:13,139

although some Scouts came much earlier

97

00:05:20,790 --> 00:05:17,740

these children are incredibly psychic

98

00:05:24,019 --> 00:05:20,800

there are even better manifest errs than

99

00:05:28,950 --> 00:05:24,029

the crystal children and they're here to

100

00:05:33,019 --> 00:05:28,960

build new and better systems in which we

101
00:05:38,989 --> 00:05:33,029
need to work systems that are better

102
00:05:41,640 --> 00:05:38,999
aligned with newer energy better aligned

103
00:05:44,189 --> 00:05:41,650
living by this law where we're all

104
00:05:45,869 --> 00:05:44,199
connected that we are not separate from

105
00:05:47,670 --> 00:05:45,879
each other these are messages that the

106
00:05:50,809 --> 00:05:47,680
rainbow children are giving us at these

107
00:05:54,420 --> 00:05:50,819
time every single one of them are

108
00:05:55,969 --> 00:05:54,430
excited to be here on this earth during

109
00:06:00,059 --> 00:05:55,979
this time during this energetic

110
00:06:04,619 --> 00:06:00,069
transition and they are determined souls

111
00:06:07,889 --> 00:06:04,629
they will continue to come in they will

112
00:06:11,550 --> 00:06:07,899
continue to come as long as we need them

113
00:06:13,950 --> 00:06:11,560

to until we begin to change there are a

114

00:06:18,389 --> 00:06:13,960

lot of things happening on our earth at

115

00:06:22,379 --> 00:06:18,399

this time and we have become we have got

116

00:06:24,600 --> 00:06:22,389

to become more spiritual more rooted in

117

00:06:27,809 --> 00:06:24,610

our spiritual beliefs and understanding

118

00:06:31,379 --> 00:06:27,819

while we why we are here star children

119

00:06:34,350 --> 00:06:31,389

have been coming to our earth for over a

120

00:06:36,179 --> 00:06:34,360

hundred years they are literally in

121

00:06:39,149 --> 00:06:36,189

their millions there are tens of

122

00:06:42,300 --> 00:06:39,159

millions and they are all over this

123

00:06:44,820 --> 00:06:42,310

planet they are in Africa they are in

124

00:06:49,439 --> 00:06:44,830

China they are in South America

125

00:06:51,600 --> 00:06:49,449

if you feel like you know you're here

126

00:06:55,020 --> 00:06:51,610

for a reason but you're not quite sure

127

00:06:58,520 --> 00:06:55,030

what that reason is you may be a star

128

00:07:01,879 --> 00:06:58,530

child you may be a special light worker

129

00:07:06,290 --> 00:07:01,889

someone who's here to help our earth

130

00:07:10,950 --> 00:07:06,300

Indigo's have several specific

131

00:07:14,309 --> 00:07:10,960

characteristics they have feelings that

132

00:07:15,869 --> 00:07:14,319

they're supposed to be here they may act

133

00:07:20,580 --> 00:07:15,879

like royalty

134

00:07:25,439 --> 00:07:20,590

they may be diagnosed with a DD or ADHD

135

00:07:27,959 --> 00:07:25,449

they may suffer from depression standing

136

00:07:30,980 --> 00:07:27,969

in line is very difficult for these

137

00:07:33,480 --> 00:07:30,990

children so if you have some of these

138

00:07:35,909 --> 00:07:33,490

characteristics as well as many others

139

00:07:39,180 --> 00:07:35,919

that I have on my website you may be an

140

00:07:42,180 --> 00:07:39,190

indigo child crystal children also have

141

00:07:45,809 --> 00:07:42,190

some specific attributes they have a

142

00:07:48,480 --> 00:07:45,819

large communicative eyes they are highly

143

00:07:51,330 --> 00:07:48,490

affectionate children and tend to be

144

00:07:56,420 --> 00:07:51,340

clingy until three four or maybe five

145

00:08:01,170 --> 00:07:56,430

years of age they are also very

146

00:08:05,490 --> 00:08:01,180

connected to the outdoors to rocks to

147

00:08:08,249 --> 00:08:05,500

stones to trees to nature another

148

00:08:12,769 --> 00:08:08,259

specific characteristics of the crystal

149

00:08:15,719 --> 00:08:12,779

is they don't speak until later in life

150

00:08:18,029 --> 00:08:15,729

they may be three four or even five

151

00:08:21,180 --> 00:08:18,039

years of age before they really start

152

00:08:23,909 --> 00:08:21,190

communicating and it's okay these kids

153

00:08:25,830 --> 00:08:23,919

don't have to their psychic they're

154

00:08:28,439 --> 00:08:25,840

communicating psychically to their

155

00:08:31,709 --> 00:08:28,449

angels to their guides to you whether

156

00:08:34,680 --> 00:08:31,719

you realize it or not crystal children

157

00:08:38,639 --> 00:08:34,690

are just now starting to arrive so very

158

00:08:43,079 --> 00:08:38,649

few are here these kids are all about

159

00:08:49,050 --> 00:08:43,089

service they tend to have crystal

160

00:08:51,750 --> 00:08:49,060

parents they also have not incarnated on

161

00:08:54,540 --> 00:08:51,760

our earth and because of that they often

162

00:08:58,490 --> 00:08:54,550

have no karma they're not here working

163

00:09:02,990 --> 00:08:58,500

on their karma they are manifesters

164

00:09:04,850 --> 00:09:03,000

and the energy of these children are

165

00:09:07,700 --> 00:09:04,860

much different from the crystal the

166

00:09:11,420 --> 00:09:07,710

rainbow children people tend to be drawn

167

00:09:15,260 --> 00:09:11,430

to them the message from the star

168

00:09:19,010 --> 00:09:15,270

children are messages of the heart they

169

00:09:22,220 --> 00:09:19,020

want us to know that every action that

170

00:09:25,880 --> 00:09:22,230

we take either adds or takes away from

171

00:09:28,670 --> 00:09:25,890

the light of humanity every word that we

172

00:09:31,190 --> 00:09:28,680

speaks either adds to or takes away from

173

00:09:33,920 --> 00:09:31,200

the light of humanity and even every

174

00:09:35,840 --> 00:09:33,930

thought that we think either adds to or

175

00:09:40,070 --> 00:09:35,850

takes away from the light of humanity

176

00:09:43,900 --> 00:09:40,080

each and every one of us is important we

177

00:09:49,460 --> 00:09:43,910

are threads in this master tapestry

178

00:09:52,850 --> 00:09:49,470

their messages are so important to us at

179

00:09:55,190 --> 00:09:52,860

this time we need to make sure that we

180

00:09:56,900 --> 00:09:55,200

raise our vibrational frequency and that

181

00:09:58,850 --> 00:09:56,910

we live in the light

182

00:10:02,450 --> 00:09:58,860

in our actions our words and our

183

00:10:04,280 --> 00:10:02,460

thoughts at all times if you would like

184
