

**UFO**  **HUB**

1  
00:00:22,310 --> 00:00:18,470  
my name is Barbara Lam and I'm a

2  
00:00:24,800 --> 00:00:22,320  
psychotherapist in California and in

3  
00:00:28,640 --> 00:00:24,810  
addition to all the psychotherapy work

4  
00:00:32,420 --> 00:00:28,650  
that I do and regression therapy I have

5  
00:00:37,490 --> 00:00:32,430  
become extremely involved in what we

6  
00:00:41,930 --> 00:00:37,500  
call the crop circle phenomenon so what

7  
00:00:45,890 --> 00:00:41,940  
happened is that in 1990 never having

8  
00:00:51,680 --> 00:00:45,900  
heard of a crop circle or anything like

9  
00:00:53,930 --> 00:00:51,690  
that I went to a big lecture forum and I

10  
00:00:56,420 --> 00:00:53,940  
looked in the program guide they had

11  
00:00:59,960 --> 00:00:56,430  
lots and lots of lectures that we could

12  
00:01:02,960 --> 00:00:59,970  
go to and in the program guide I found a

13  
00:01:06,200 --> 00:01:02,970

little picture where the user would be

14

00:01:09,890 --> 00:01:06,210

the speaker's picture and it was a funny

15

00:01:12,440 --> 00:01:09,900

little pattern a little design and I

16

00:01:15,859 --> 00:01:12,450

looked at that and thought what's that

17

00:01:20,209 --> 00:01:15,869

and then I looked at the title printed

18

00:01:22,429 --> 00:01:20,219

about the lecture forthcoming that went

19

00:01:25,819 --> 00:01:22,439

with that little picture and the title

20

00:01:29,690 --> 00:01:25,829

said something like mysterious patterns

21

00:01:34,580 --> 00:01:29,700

in the fields of Britain and when I saw

22

00:01:37,489 --> 00:01:34,590

that I had a big flash of light going

23

00:01:40,039 --> 00:01:37,499

through me seeming on bursting out from

24

00:01:43,639 --> 00:01:40,049

the center of me and like one of those

25

00:01:46,969 --> 00:01:43,649

key moments when you're aware of

26

00:01:51,440 --> 00:01:46,979

something so new and yet it registers

27

00:01:54,709 --> 00:01:51,450

with a songs strong sense of truth so I

28

00:01:58,690 --> 00:01:54,719

had this big flash of light and the

29

00:02:02,179 --> 00:01:58,700

thought that came into my head was oh

30

00:02:07,099 --> 00:02:02,189

we're being communicated with from out

31

00:02:11,150 --> 00:02:07,109

there now this was happening in 1991 I

32

00:02:15,260 --> 00:02:11,160

was not yet doing any regression work

33

00:02:18,440 --> 00:02:15,270

with individuals to recount the details

34

00:02:21,350 --> 00:02:18,450

of their extraterrestrial encounters I

35

00:02:24,150 --> 00:02:21,360

wasn't even sure that there was such a

36

00:02:26,480 --> 00:02:24,160

thing but

37

00:02:29,310 --> 00:02:26,490

I just had this sense immediately that

38

00:02:33,480 --> 00:02:29,320

whatever these patterns were appearing

39

00:02:36,680 --> 00:02:33,490

in the wheat fields of England that they

40

00:02:39,810 --> 00:02:36,690

were a communication from some other

41

00:02:43,440 --> 00:02:39,820

intelligence so then and there I decided

42

00:02:45,750 --> 00:02:43,450

okay unquestionably I have to go to that

43

00:02:49,340 --> 00:02:45,760

lecture and find out what this is all

44

00:02:52,890 --> 00:02:49,350

about so I did go to that lecture and

45

00:02:57,930 --> 00:02:52,900

the speaker was showing photographs and

46

00:03:01,770 --> 00:02:57,940

films and videos of these beautiful huge

47

00:03:04,910 --> 00:03:01,780

patterns crop circles that were laid

48

00:03:07,770 --> 00:03:04,920

down in some of the fields in England

49

00:03:10,350 --> 00:03:07,780

forming really beautiful designs and

50

00:03:12,810 --> 00:03:10,360

patterns and nobody knew where they were

51  
00:03:15,920 --> 00:03:12,820  
coming from and they'd happen instantly

52  
00:03:19,740 --> 00:03:15,930  
it seemed overnight in the dark of night

53  
00:03:22,920 --> 00:03:19,750  
so halfway through that lecture I was so

54  
00:03:26,250 --> 00:03:22,930  
inspired and I found myself slapping my

55  
00:03:30,000 --> 00:03:26,260  
knee and saying to myself ok that's it

56  
00:03:33,540 --> 00:03:30,010  
I'm going to England next summer to

57  
00:03:38,070 --> 00:03:33,550  
check this out for myself so that next

58  
00:03:40,020 --> 00:03:38,080  
summer was 1991 and I found a way to go

59  
00:03:43,530 --> 00:03:40,030  
to England and have somebody drive me

60  
00:03:46,050 --> 00:03:43,540  
around because I didn't want to drive on

61  
00:03:48,330 --> 00:03:46,060  
the left side of the road just then I've

62  
00:03:52,020 --> 00:03:48,340  
been doing it every year since then but

63  
00:03:55,800 --> 00:03:52,030

I wasn't ready yet and we visited

64

00:03:57,540 --> 00:03:55,810

several crop circles and I one thing

65

00:04:00,150 --> 00:03:57,550

unfolded after the other one

66

00:04:03,600 --> 00:04:00,160

synchronicity happened leading me

67

00:04:06,990 --> 00:04:03,610

further and further into knowing about

68

00:04:09,300 --> 00:04:07,000

this phenomenon there was a group in

69

00:04:12,270 --> 00:04:09,310

England at the time for quite a number

70

00:04:16,920 --> 00:04:12,280

of years called the center for crop

71

00:04:19,170 --> 00:04:16,930

circle studies group and just through

72

00:04:22,050 --> 00:04:19,180

meeting the right people in the right

73

00:04:24,780 --> 00:04:22,060

crop circles I found out that there was

74

00:04:26,100 --> 00:04:24,790

going to be a meeting of this group and

75

00:04:29,940 --> 00:04:26,110

I had already read some of their

76  
00:04:31,500 --> 00:04:29,950  
articles and information there was going

77  
00:04:35,310 --> 00:04:31,510  
to be a meeting of that group in a

78  
00:04:40,170 --> 00:04:35,320  
particular backroom of a country pub

79  
00:04:42,390 --> 00:04:40,180  
and and I asked could I possibly go to

80  
00:04:45,000 --> 00:04:42,400  
that meeting I mean I'm just this woman

81  
00:04:48,840 --> 00:04:45,010  
from America and I don't know any of

82  
00:04:50,730 --> 00:04:48,850  
these people and I was told yes yes just

83  
00:04:55,400 --> 00:04:50,740  
going quietly and just sit there and be

84  
00:04:58,770 --> 00:04:55,410  
part of that meeting which I did and

85  
00:05:02,160 --> 00:04:58,780  
while the other people that a dozen

86  
00:05:03,660 --> 00:05:02,170  
people were talking about the crop

87  
00:05:08,400 --> 00:05:03,670  
circles that were happening that

88  
00:05:12,480 --> 00:05:08,410

particular year 1991 a young man came in

89

00:05:16,530 --> 00:05:12,490

with a folder manila folder and it had a

90

00:05:18,990 --> 00:05:16,540

big 8 by 10 photo of a crop circle that

91

00:05:24,480 --> 00:05:19,000

had just been seen for the first time

92

00:05:28,310 --> 00:05:24,490

that day and it was such a magnificent

93

00:05:32,990 --> 00:05:28,320

design formation as a crop circle

94

00:05:38,310 --> 00:05:33,000

that the leader of that group said oh

95

00:05:42,390 --> 00:05:38,320

this is beyond the pale it was so

96

00:05:45,330 --> 00:05:42,400

complex and so beautiful and I taking a

97

00:05:49,650 --> 00:05:45,340

look at that picture aerial picture of

98

00:05:50,460 --> 00:05:49,660

that crop circle I found myself it

99

00:05:53,370 --> 00:05:50,470

didn't plan it

100

00:05:55,740 --> 00:05:53,380

it just happened I found myself raising

101

00:05:59,550 --> 00:05:55,750

my arm and saying as if sang to the

102

00:06:05,010 --> 00:05:59,560

universe okay that's it I'm in which

103

00:06:07,200 --> 00:06:05,020

meant to me I am dedicating myself to

104

00:06:11,190 --> 00:06:07,210

this phenomenon the crop circle

105

00:06:16,260 --> 00:06:11,200

phenomenon so now it's 25 years later

106

00:06:18,870 --> 00:06:16,270

and I'm still very involved in the crop

107

00:06:22,170 --> 00:06:18,880

circle phenomenon particularly in

108

00:06:25,080 --> 00:06:22,180

England because it happens more

109

00:06:27,660 --> 00:06:25,090

frequently in England that these crop

110

00:06:31,350 --> 00:06:27,670

circles appear and the patterns are

111

00:06:34,560 --> 00:06:31,360

overall compared to crop circles in

112

00:06:38,280 --> 00:06:34,570

other countries they are not only more

113

00:06:41,460 --> 00:06:38,290

numerous but more complex and and more

114

00:06:44,520 --> 00:06:41,470

beautiful than most of the other crop

115

00:06:48,340 --> 00:06:44,530

circles I've seen pictures of and it is

116

00:06:52,810 --> 00:06:48,350

a wonderful continuing phenomenon

117

00:06:56,890 --> 00:06:52,820

so after 1991 of course I rushed back

118

00:07:00,190 --> 00:06:56,900

the next summer 1992 and then I didn't

119

00:07:02,860 --> 00:07:00,200

have anybody driving me around so I was

120

00:07:06,070 --> 00:07:02,870

on my own on the left side of the road I

121

00:07:08,620 --> 00:07:06,080

took my son who had graduated from

122

00:07:11,380 --> 00:07:08,630

college at that point and he was the

123

00:07:13,960 --> 00:07:11,390

navigator and I was the driver and we

124

00:07:16,930 --> 00:07:13,970

managed to get around and not have any

125

00:07:19,810 --> 00:07:16,940

accidents or anything so I thought oh I

126

00:07:22,270 --> 00:07:19,820

can do that again so we went into a

127

00:07:25,690 --> 00:07:22,280

number of crop circles and and I've

128

00:07:29,290 --> 00:07:25,700

figured out how to find out where they

129

00:07:32,770 --> 00:07:29,300

were and how to negotiate the whole

130

00:07:37,320 --> 00:07:32,780

thing and so I kept going back every

131

00:07:40,870 --> 00:07:37,330

year since then so by now I have seen

132

00:07:43,810 --> 00:07:40,880

well over a thousand crop circles

133

00:07:48,580 --> 00:07:43,820

personally that has been in them and

134

00:07:51,220 --> 00:07:48,590

probably more like 13 or 14 hundred crop

135

00:07:54,160 --> 00:07:51,230

circles that I've personally experienced

136

00:07:59,020 --> 00:07:54,170

and they're mostly in England and a very

137

00:08:01,210 --> 00:07:59,030

few in California as well so I've

138

00:08:04,030 --> 00:08:01,220

learned more and more about it and

139

00:08:06,790 --> 00:08:04,040

experience so many wonders things in

140

00:08:09,250 --> 00:08:06,800

these crop circles and there are two

141

00:08:11,950 --> 00:08:09,260

categories of crop circles really and

142

00:08:15,190 --> 00:08:11,960

anybody who knows anything about crop

143

00:08:19,780 --> 00:08:15,200

circles probably realizes there's a big

144

00:08:24,640 --> 00:08:19,790

controversy about whether a crop circle

145

00:08:28,600 --> 00:08:24,650

is man-made and we do indeed know that

146

00:08:32,920 --> 00:08:28,610

some are made by small teams of young

147

00:08:36,550 --> 00:08:32,930

men and the other category is what we

148

00:08:40,270 --> 00:08:36,560

call genuine crop circles which are made

149

00:08:44,350 --> 00:08:40,280

by the mysterious source anomalous

150

00:08:47,890 --> 00:08:44,360

source that certainly seems to be coming

151  
00:08:50,800 --> 00:08:47,900  
from somewhere other than from the earth

152  
00:08:53,350 --> 00:08:50,810  
as far as we can tell so I've done lots

153  
00:08:56,170 --> 00:08:53,360  
and lots of detailed research on this

154  
00:08:59,530 --> 00:08:56,180  
and and heard many theories by many

155  
00:09:00,750 --> 00:08:59,540  
people and even to this particular time

156  
00:09:05,370 --> 00:09:00,760  
now

157  
00:09:08,650 --> 00:09:05,380  
nobody really has the complete answer

158  
00:09:11,740 --> 00:09:08,660  
about crop circles but they do keep

159  
00:09:12,610 --> 00:09:11,750  
happening and they happen all over the

160  
00:09:15,760 --> 00:09:12,620  
world

161  
00:09:19,540 --> 00:09:15,770  
not nearly as numerous as they do in

162  
00:09:23,560 --> 00:09:19,550  
england but as far as I can tell through

163  
00:09:27,160 --> 00:09:23,570

my research every state in the United

164

00:09:31,000 --> 00:09:27,170

States has received at least one crop

165

00:09:36,460 --> 00:09:31,010

circle some receive many more over the

166

00:09:39,070 --> 00:09:36,470

years and many many perhaps most of the

167

00:09:42,280 --> 00:09:39,080

countries of the world have received at

168

00:09:45,910 --> 00:09:42,290

least one crop circle some countries

169

00:09:50,830 --> 00:09:45,920

like Germany and Holland in particular

170

00:09:54,970 --> 00:09:50,840

and France a few have received quite a

171

00:09:58,450 --> 00:09:54,980

number of crop circles maybe one or two

172

00:10:02,140 --> 00:09:58,460

each summer that that adds up over a

173

00:10:04,900 --> 00:10:02,150

period of 25 or 30 years so it's

174

00:10:08,920 --> 00:10:04,910

wonderful that we know it's a worldwide

175

00:10:11,820 --> 00:10:08,930

phenomenon so we could ask what is the

176

00:10:15,130 --> 00:10:11,830

point of these big patterns sometimes

177

00:10:18,310 --> 00:10:15,140

hundreds of feet in diameter and

178

00:10:22,210 --> 00:10:18,320

hundreds of feet long there was one that

179

00:10:27,760 --> 00:10:22,220

was eight tenths of a mile long and one

180

00:10:31,030 --> 00:10:27,770

single crop circle formation and some of

181

00:10:34,300 --> 00:10:31,040

them are no hundreds of feet long as

182

00:10:36,850 --> 00:10:34,310

well 1,100 or 1,200 feet as a couple of

183

00:10:40,630 --> 00:10:36,860

them were with different design features

184

00:10:44,410 --> 00:10:40,640

along the way some are smaller maybe 100

185

00:10:47,230 --> 00:10:44,420

feet diameter but still that's a pretty

186

00:10:50,950 --> 00:10:47,240

impressive thing that suddenly one

187

00:10:53,650 --> 00:10:50,960

morning people discovered that there's a

188

00:10:56,080 --> 00:10:53,660

whole new crop circle laid down in a

189

00:10:59,350 --> 00:10:56,090

field where they know there wasn't any

190

00:11:02,590 --> 00:10:59,360

the day before so most of these crop

191

00:11:05,740 --> 00:11:02,600

circles seem to be made mysteriously in

192

00:11:09,580 --> 00:11:05,750

the middle of the night and the English

193

00:11:13,090 --> 00:11:09,590

countryside where these happen in the

194

00:11:16,060 --> 00:11:13,100

crop fields the English countryside is

195

00:11:20,280 --> 00:11:16,070

very very dark at night there are no

196

00:11:23,350 --> 00:11:20,290

street lights or even house lights on

197

00:11:27,730 --> 00:11:23,360

near the fields in the middle of the

198

00:11:31,630 --> 00:11:27,740

night and so it's very dark and yet

199

00:11:36,330 --> 00:11:31,640

these precise beautifully laid down

200

00:11:38,470 --> 00:11:36,340

patterns happen and many of the patterns

201

00:11:45,250 --> 00:11:38,480

show symbols

202

00:11:50,470 --> 00:11:45,260

recognize like Christian crosses for

203

00:11:53,050 --> 00:11:50,480

instance or astronomical features or the

204

00:11:57,330 --> 00:11:53,060

Star of David or the Kabbalah tree of

205

00:12:02,170 --> 00:11:57,340

life or the menorah or some of the Arab

206

00:12:05,980 --> 00:12:02,180

symbols as well as some of the ancient

207

00:12:08,590 --> 00:12:05,990

symbols from ancient India that are

208

00:12:11,470 --> 00:12:08,600

showing up as crop circle patterns and

209

00:12:16,530 --> 00:12:11,480

the quite a variety and some of them

210

00:12:20,920 --> 00:12:16,540

show forthcoming eclipses or

211

00:12:25,120 --> 00:12:20,930

shoemaker-levy comet which had 21 pieces

212

00:12:29,050 --> 00:12:25,130

in it during a whole procession across

213

00:12:31,200 --> 00:12:29,060

the sky as it did happen in 1994 and

214

00:12:34,420 --> 00:12:31,210

each one of these pieces of

215

00:12:38,950 --> 00:12:34,430

shoemaker-levy comet hit planet Jupiter

216

00:12:43,480 --> 00:12:38,960

and every time one of the pieces of that

217

00:12:47,170 --> 00:12:43,490

comet collided with Jupiter out there in

218

00:12:50,500 --> 00:12:47,180

space there was a new crop circle in

219

00:12:55,570 --> 00:12:50,510

Wiltshire County England that depicted

220

00:12:58,420 --> 00:12:55,580

the next impact and whereas the patterns

221

00:13:01,240 --> 00:12:58,430

had started out with some design

222

00:13:05,020 --> 00:13:01,250

features almost like the the head of

223

00:13:09,580 --> 00:13:05,030

something like the head of an insect of

224

00:13:12,340 --> 00:13:09,590

some sort each pattern had of the

225

00:13:16,120 --> 00:13:12,350

beginning patterns had 21 different

226

00:13:19,740 --> 00:13:16,130

circles trailing along like a tail and

227

00:13:22,540 --> 00:13:19,750

then each time another piece of the

228

00:13:24,370 --> 00:13:22,550

comet hit Jupiter

229

00:13:31,060 --> 00:13:24,380

there would be another crop circle with

230

00:13:34,480 --> 00:13:31,070

one fewer pieces in the tail until all

231

00:13:37,690 --> 00:13:34,490

of the pieces of the comet did collide

232

00:13:41,710 --> 00:13:37,700

with Jupiter and then the very last crop

233

00:13:45,400 --> 00:13:41,720

circle that appeared in that series of

234

00:13:48,100 --> 00:13:45,410

crop circles it showed that the whole

235

00:13:51,790 --> 00:13:48,110

phenomenon was sort of wrapped up and

236

00:13:54,579 --> 00:13:51,800

finished and that had a pattern with a

237

00:13:57,730 --> 00:13:54,589

big circle smaller smaller smaller

238

00:14:01,110 --> 00:13:57,740

smaller smaller a circle of circles and

239

00:14:05,319 --> 00:14:01,120

the little crescent moon and then a ring

240

00:14:08,170 --> 00:14:05,329

surrounding that whole pattern and and

241

00:14:11,680 --> 00:14:08,180

then that was the end of that phenomenon

242

00:14:15,550 --> 00:14:11,690

of shoemaker-levy comet colliding with

243

00:14:16,079 --> 00:14:15,560

Jupiter so what was happening above so

244

00:14:19,900 --> 00:14:16,089

below

245

00:14:23,139 --> 00:14:19,910

what was happening out there in space we

246

00:14:25,509 --> 00:14:23,149

were given symbols of that very same

247

00:14:28,660 --> 00:14:25,519

thing each step of the way

248

00:14:31,329 --> 00:14:28,670

happening here on earth so there have

249

00:14:35,230 --> 00:14:31,339

been many many symbols that people can

250

00:14:38,170 --> 00:14:35,240

recognize and then also many that that

251

00:14:40,810 --> 00:14:38,180

don't get recognized by humans they

252

00:14:43,990 --> 00:14:40,820

probably have meaning to whatever the

253

00:14:47,380 --> 00:14:44,000

intelligence is that is creating and

254

00:14:49,900 --> 00:14:47,390

giving us these crop circles but some of

255

00:14:52,829 --> 00:14:49,910

them maybe we'll never know if there was

256

00:14:55,389 --> 00:14:52,839

a particular meaning to the pattern

257

00:14:58,680 --> 00:14:55,399

although it seems like there is a

258

00:15:03,699 --> 00:14:58,690

meaning many of these crop circles have

259

00:15:07,590 --> 00:15:03,709

outstanding geometries in them those

260

00:15:12,090 --> 00:15:07,600

show things like Fibonacci spirals or

261

00:15:14,680 --> 00:15:12,100

sierpinski gasket s-- these kinds of

262

00:15:17,319 --> 00:15:14,690

geometrical features that I had never

263

00:15:19,720 --> 00:15:17,329

even heard of until these crop circles

264

00:15:22,630 --> 00:15:19,730

happened and then of course every

265

00:15:26,949 --> 00:15:22,640

challenge to really learn about them and

266

00:15:30,069 --> 00:15:26,959

the golden mean proportion is showing up

267

00:15:34,300 --> 00:15:30,079

in a number of crop circles and the

268

00:15:35,750 --> 00:15:34,310

nozzle is the unfurling of life such as

269

00:15:39,620 --> 00:15:35,760

we see

270

00:15:42,520 --> 00:15:39,630

the nautilus shell that is showing up in

271

00:15:45,710 --> 00:15:42,530

some of the patterns also the

272

00:15:49,520 --> 00:15:45,720

metaphysical symbol of the Flower of

273

00:15:52,460 --> 00:15:49,530

Life has been showing up not only in

274

00:15:54,710 --> 00:15:52,470

English crop circles but in crop circles

275

00:15:58,610 --> 00:15:54,720

and some of the other countries as well

276

00:16:03,500 --> 00:15:58,620

and that shows the basic components of

277

00:16:07,250 --> 00:16:03,510

the way that cells of life divide and

278

00:16:10,430 --> 00:16:07,260

replicate and form a beautiful beautiful

279

00:16:13,190 --> 00:16:10,440

pattern with many pieces to it so

280

00:16:16,340 --> 00:16:13,200

geometrically perfect that they're

281

00:16:20,630 --> 00:16:16,350

beautiful and some of the crop circles

282

00:16:24,260 --> 00:16:20,640

have mathematics very involved in them

283

00:16:27,200 --> 00:16:24,270

in the proportions one of the really

284

00:16:30,820 --> 00:16:27,210

interesting things about the phenomenon

285

00:16:34,820 --> 00:16:30,830

to me is that people from all different

286

00:16:37,880 --> 00:16:34,830

disciplines come to England and study

287

00:16:41,480 --> 00:16:37,890

the phenomenon and put their take on it

288

00:16:45,520 --> 00:16:41,490

from their field of study so that's why

289

00:16:50,390 --> 00:16:45,530

we have mathematicians geometrician x'

290

00:16:54,290 --> 00:16:50,400

historians astronomers astrologers and

291

00:16:58,730 --> 00:16:54,300

all kinds of different fields of

292

00:17:02,630 --> 00:16:58,740

interest including physics and quantum

293

00:17:06,079 --> 00:17:02,640

physics interference patterns are

294

00:17:11,180 --> 00:17:06,089

showing up as crop circles and they're

295

00:17:16,360 --> 00:17:11,190

beautiful a very precise complex

296

00:17:20,750 --> 00:17:16,370

patterns that they are laid down as if a

297

00:17:24,050 --> 00:17:20,760

beautiful painting by an exquisitely

298

00:17:27,740 --> 00:17:24,060

talented artist and yet these are all

299

00:17:31,640 --> 00:17:27,750

being laid down in the wheat field so

300

00:17:35,510 --> 00:17:31,650

barley fields or oil seed canola fields

301  
00:17:39,560 --> 00:17:35,520  
or even some of the shorter crops like

302  
00:17:42,950 --> 00:17:39,570  
soybeans and spinach plants and thing

303  
00:17:44,549 --> 00:17:42,960  
crop so we would never ever guess that

304  
00:17:47,789 --> 00:17:44,559  
there would

305  
00:17:50,909 --> 00:17:47,799  
suddenly be a beautiful pattern made by

306  
00:17:57,119 --> 00:17:50,919  
laying down certain portions of that

307  
00:18:01,470 --> 00:17:57,129  
crop so it's a great mystery it's a

308  
00:18:04,889 --> 00:18:01,480  
wonder and not only that the visual

309  
00:18:10,129 --> 00:18:04,899  
effect of it but there are strong

310  
00:18:13,889 --> 00:18:10,139  
energetic effects as well that in these

311  
00:18:18,299 --> 00:18:13,899  
genuine crop circles by the unknown

312  
00:18:21,720 --> 00:18:18,309  
source there is definitely an increase

313  
00:18:24,180 --> 00:18:21,730

in energy so that when you're walking

314

00:18:27,480 --> 00:18:24,190

through a field toward a crop circle and

315

00:18:29,159 --> 00:18:27,490

you step into that crop circle you

316

00:18:33,629 --> 00:18:29,169

notice one way or the other

317

00:18:36,570 --> 00:18:33,639

you notice that oh the energy in this

318

00:18:39,239 --> 00:18:36,580

pattern is really quite different than

319

00:18:43,169 --> 00:18:39,249

what I felt walking through the field on

320

00:18:47,070 --> 00:18:43,179

the way to the same crop circle and this

321

00:18:51,450 --> 00:18:47,080

energy can be measured and indicated in

322

00:18:53,970 --> 00:18:51,460

various ways ways that we can really

323

00:18:58,320 --> 00:18:53,980

notice for instance some people go in

324

00:19:02,330 --> 00:18:58,330

with electronic or electrostatic volt

325

00:19:05,999 --> 00:19:02,340

meters and that will show an increase in

326

00:19:08,909 --> 00:19:06,009

electronic kinds of energy or we can go

327

00:19:12,389 --> 00:19:08,919

in with magnetometers that show an

328

00:19:17,399 --> 00:19:12,399

increase in the magnetics in that crop

329

00:19:19,139 --> 00:19:17,409

circle as compared to the space around

330

00:19:21,659 --> 00:19:19,149

the crop circle where there are no

331

00:19:26,580 --> 00:19:21,669

changes this energy seems to be

332

00:19:30,330 --> 00:19:26,590

extremely precise it's just in the

333

00:19:33,139 --> 00:19:30,340

formation that has been laid down we can

334

00:19:36,359 --> 00:19:33,149

go in with dowsing rods which will

335

00:19:40,379 --> 00:19:36,369

definitely register there's a change in

336

00:19:43,830 --> 00:19:40,389

the energy or pendulums many people will

337

00:19:48,450 --> 00:19:43,840

go in with a little Bob hanging from a

338

00:19:51,470 --> 00:19:48,460

chain or a string or a wire and they'll

339

00:19:55,810 --> 00:19:51,480

notice that the pendulum is moved around

340

00:19:59,299 --> 00:19:55,820

by the energy in that crop circle and

341

00:20:02,660 --> 00:19:59,309

even a foot or so outside of the crop

342

00:20:05,780 --> 00:20:02,670

circle mysterious things happen to

343

00:20:08,419 --> 00:20:05,790

people in crop circles too and that's

344

00:20:11,570 --> 00:20:08,429

part of the delicious part about

345

00:20:14,060 --> 00:20:11,580

visiting a crop circle for instance some

346

00:20:17,780 --> 00:20:14,070

people find that they actually are

347

00:20:21,140 --> 00:20:17,790

getting channeled messages if they'll be

348

00:20:23,180 --> 00:20:21,150

very quiet in a crop circle a lot of

349

00:20:26,299 --> 00:20:23,190

people like to go right to the most

350

00:20:30,350 --> 00:20:26,309

energized part of the crop circle and

351  
00:20:32,750 --> 00:20:30,360  
fit down there and just kind of feel the

352  
00:20:35,870 --> 00:20:32,760  
energies and absorb it up through the

353  
00:20:39,410 --> 00:20:35,880  
basis of their spine and lots of people

354  
00:20:42,140 --> 00:20:39,420  
like to lie down on their back and just

355  
00:20:44,540 --> 00:20:42,150  
sort of bask in the energy for crop

356  
00:20:48,590 --> 00:20:44,550  
circle and while that's happening so

357  
00:20:51,830 --> 00:20:48,600  
it's really a state of meditation odd

358  
00:20:54,470 --> 00:20:51,840  
things can happen and they have happened

359  
00:20:59,510 --> 00:20:54,480  
to me and to many other people which is

360  
00:21:03,500 --> 00:20:59,520  
a sense of suddenly thoughts to do with

361  
00:21:07,070 --> 00:21:03,510  
the crop circle will drop into your mind

362  
00:21:11,660 --> 00:21:07,080  
and for instance there was one in the

363  
00:21:15,549 --> 00:21:11,670

year 2000 and this was before I was

364

00:21:19,880 --> 00:21:15,559

aware any way of hearing as we hear now

365

00:21:23,270 --> 00:21:19,890

quite a bit about solar flares you know

366

00:21:26,440 --> 00:21:23,280

be coming off the Sun and possible

367

00:21:30,500 --> 00:21:26,450

potential danger to us here on earth

368

00:21:33,980 --> 00:21:30,510

and that particular summer I was in one

369

00:21:36,620 --> 00:21:33,990

crop circle where when I lay down and

370

00:21:39,710 --> 00:21:36,630

just sort of bast and the wonderful

371

00:21:42,530 --> 00:21:39,720

feeling of being on the earth and in

372

00:21:48,110 --> 00:21:42,540

that energy of the crop circle I kept

373

00:21:52,700 --> 00:21:48,120

hearing solar flares solar flares this

374

00:21:56,000 --> 00:21:52,710

crop circle is showing solar flares

375

00:21:59,780 --> 00:21:56,010

that's what this symbol is in other

376

00:22:02,440 --> 00:21:59,790

words open up to learning about the

377

00:22:07,130 --> 00:22:02,450

solar flares that are actually happening

378

00:22:09,110 --> 00:22:07,140

from the Sun another time I was in a

379

00:22:12,650 --> 00:22:09,120

crop circle of lying down in

380

00:22:18,520 --> 00:22:12,660

a portion of it and the message kept

381

00:22:23,240 --> 00:22:18,530

coming infinity the continuation of

382

00:22:27,049 --> 00:22:23,250

infinity and then later when I finally

383

00:22:30,830 --> 00:22:27,059

saw the aerial shot of that crop circle

384

00:22:33,560 --> 00:22:30,840

I realized ah it was a whole series of

385

00:22:37,160 --> 00:22:33,570

the infinity symbol

386

00:22:39,950 --> 00:22:37,170

not the Mebius strip and I hadn't

387

00:22:41,990 --> 00:22:39,960

realized that when in the crop circle

388

00:22:44,720 --> 00:22:42,000

when you're in the crop circle sometimes

389

00:22:47,060 --> 00:22:44,730

it's difficult to see the whole pattern

390

00:22:50,590 --> 00:22:47,070

and the best way to see the whole

391

00:22:54,680 --> 00:22:50,600

pattern is from an aerial photograph or

392

00:22:57,169 --> 00:22:54,690

flying over the crop circle yourself and

393

00:23:00,110 --> 00:22:57,179

then you can see the whole beautiful

394

00:23:03,820 --> 00:23:00,120

pattern but people do have a lot of

395

00:23:07,310 --> 00:23:03,830

experiences including out-of-body

396

00:23:11,450 --> 00:23:07,320

experiences I've had about three of

397

00:23:14,330 --> 00:23:11,460

those in crop circles and suddenly

398

00:23:17,650 --> 00:23:14,340

you're just not there anymore and then

399

00:23:21,290 --> 00:23:17,660

you're doing something out-of-body at

400

00:23:24,620 --> 00:23:21,300

near or a far distance and then suddenly

401  
00:23:27,919 --> 00:23:24,630  
you're aware of lying down on your back

402  
00:23:30,740 --> 00:23:27,929  
in a crop circle again you've really

403  
00:23:34,220 --> 00:23:30,750  
been gone for a while and that's a very

404  
00:23:38,350 --> 00:23:34,230  
nice thing as well some people have

405  
00:23:43,180 --> 00:23:38,360  
actually been physically healed of

406  
00:23:46,750 --> 00:23:43,190  
strong ailments one type or another

407  
00:23:51,430 --> 00:23:46,760  
inside a crop circle in fact a woman

408  
00:23:53,930 --> 00:23:51,440  
named Lucy Pringle one of the original

409  
00:23:58,130 --> 00:23:53,940  
wonderful ongoing crop circle

410  
00:24:01,820 --> 00:23:58,140  
researchers who live in England back in

411  
00:24:04,669 --> 00:24:01,830  
about 1991 she took a friend to visit a

412  
00:24:08,660 --> 00:24:04,679  
crop circle and they lived about an hour

413  
00:24:11,480 --> 00:24:08,670

or so away from that particular popsicle

414

00:24:15,320 --> 00:24:11,490

and while she was driving to the crop

415

00:24:17,630 --> 00:24:15,330

circle she had terrible pain in her

416

00:24:19,640 --> 00:24:17,640

right shoulder and there'd been some

417

00:24:20,660 --> 00:24:19,650

injuries she'd pulled muscles or

418

00:24:23,120 --> 00:24:20,670

something

419

00:24:25,880 --> 00:24:23,130

and she could hardly drive it was really

420

00:24:29,060 --> 00:24:25,890

painful to hold the steering wheel and

421

00:24:31,460 --> 00:24:29,070

steer it and she and her friend got to

422

00:24:34,220 --> 00:24:31,470

the crop circle parked the car at the

423

00:24:35,990 --> 00:24:34,230

edge of the field and walked in and they

424

00:24:38,690 --> 00:24:36,000

were in that crop circle probably for a

425

00:24:42,020 --> 00:24:38,700

couple of hours just feeling the nice

426

00:24:44,650 --> 00:24:42,030

energy and seeing the details of the way

427

00:24:47,419 --> 00:24:44,660

that the crop had been laid down and

428

00:24:49,880 --> 00:24:47,429

having a lovely time and chatting with

429

00:24:52,610 --> 00:24:49,890

other people who were in the crop circle

430

00:24:57,020 --> 00:24:52,620

and then it came time to leave and drive

431

00:25:00,470 --> 00:24:57,030

home again and she was halfway home when

432

00:25:03,680 --> 00:25:00,480

she realized that her shoulder wasn't

433

00:25:05,840 --> 00:25:03,690

hurting anymore and she thought gee for

434

00:25:08,840 --> 00:25:05,850

the last hour or so

435

00:25:10,760 --> 00:25:08,850

I haven't felt any pain I mean it was so

436

00:25:14,659 --> 00:25:10,770

comfortable she hadn't even noticed it

437

00:25:20,380 --> 00:25:14,669

and but she realized that her shoulder

438

00:25:24,049 --> 00:25:20,390

with terrific pain had been healed just

439

00:25:27,440 --> 00:25:24,059

by the energy of the crop circles so

440

00:25:31,730 --> 00:25:27,450

that was a whole new thought about crop

441

00:25:34,909 --> 00:25:31,740

circles and since then 1991 as she's

442

00:25:37,460 --> 00:25:34,919

been doing experiments and doing surveys

443

00:25:40,100 --> 00:25:37,470

and interviewing people and taking

444

00:25:43,120 --> 00:25:40,110

written accounts of many many other

445

00:25:47,110 --> 00:25:43,130

people who have had something really

446

00:25:49,659 --> 00:25:47,120

strong and rather dreadful healed and

447

00:25:53,810 --> 00:25:49,669

completely healed they remain healed

448

00:25:56,510 --> 00:25:53,820

from being in certain crop circles where

449

00:25:59,930 --> 00:25:56,520

the energy is such that that kind of

450

00:26:01,909 --> 00:25:59,940

healing can happen so isn't that a

451  
00:26:05,030 --> 00:26:01,919  
wonderful thing that these beautiful

452  
00:26:08,620 --> 00:26:05,040  
patterns come and with these energies

453  
00:26:12,680 --> 00:26:08,630  
which actually are beneficial to people

454  
00:26:17,090 --> 00:26:12,690  
the other side of that strong energy

455  
00:26:21,320 --> 00:26:17,100  
aspect is that in the earlier days in

456  
00:26:24,380 --> 00:26:21,330  
the late 1980s and and a lot of the

457  
00:26:27,320 --> 00:26:24,390  
years of the 1990s that the energy was

458  
00:26:28,120 --> 00:26:27,330  
so strong in some of these crop circles

459  
00:26:32,860 --> 00:26:28,130  
that it

460  
00:26:36,520 --> 00:26:32,870  
with drain batteries of cameras and

461  
00:26:41,890 --> 00:26:36,530  
camcorders and it would definitely

462  
00:26:43,390 --> 00:26:41,900  
really affect compasses and people

463  
00:26:46,210 --> 00:26:43,400

didn't like having their batteries

464

00:26:50,170 --> 00:26:46,220

drained and their watches would stop

465

00:26:53,050 --> 00:26:50,180

so anything sort of electronic seemed to

466

00:26:56,310 --> 00:26:53,060

be affected in some of the crop circles

467

00:26:58,990 --> 00:26:56,320

that had particularly strong energy and

468

00:27:01,600 --> 00:26:59,000

sometimes those batteries would restore

469

00:27:04,840 --> 00:27:01,610

or the watches would start again after

470

00:27:07,570 --> 00:27:04,850

the person had left the crop circle and

471

00:27:09,250 --> 00:27:07,580

might be a mile or so away from it

472

00:27:11,770 --> 00:27:09,260

driving down the road and they would

473

00:27:17,580 --> 00:27:11,780

start up again in other words away from

474

00:27:21,430 --> 00:27:17,590

that energy but in the 2000s so far

475

00:27:24,310 --> 00:27:21,440

seems like whatever the intelligences

476  
00:27:28,360 --> 00:27:24,320  
that makes the crop circles that it

477  
00:27:32,920 --> 00:27:28,370  
might have toned down the intensity of

478  
00:27:36,190 --> 00:27:32,930  
the energy to some extent because I do

479  
00:27:39,520 --> 00:27:36,200  
not hear reports nor has it happened to

480  
00:27:42,910 --> 00:27:39,530  
me draining of batteries and stopping of

481  
00:27:46,690 --> 00:27:42,920  
watches and so forth but still compasses

482  
00:27:49,720 --> 00:27:46,700  
are affected in some of these crop

483  
00:27:52,060 --> 00:27:49,730  
circles what happens is that the

484  
00:27:54,040 --> 00:27:52,070  
compasses go spinning around like mad

485  
00:27:56,050 --> 00:27:54,050  
one direction and then reversing

486  
00:28:00,640 --> 00:27:56,060  
direction and spinning around like mad

487  
00:28:04,120 --> 00:28:00,650  
and then when it settles down instead of

488  
00:28:07,300 --> 00:28:04,130

pointing to true north and we know we're

489

00:28:10,410 --> 00:28:07,310

new to north is in Wiltshire County

490

00:28:14,650 --> 00:28:10,420

because of the layout of the landscape

491

00:28:18,720 --> 00:28:14,660

it's never pointing truly to true north

492

00:28:21,640 --> 00:28:18,730

it's always slightly askew from that

493

00:28:23,830 --> 00:28:21,650

everything that's because of the energy

494

00:28:27,190 --> 00:28:23,840

from the crop circles that doesn't

495

00:28:29,740 --> 00:28:27,200

happen in another field or outside of

496

00:28:32,290 --> 00:28:29,750

the crop circle so there's still there's

497

00:28:35,700 --> 00:28:32,300

plenty of energy going on in there but

498

00:28:39,400 --> 00:28:35,710

not to the extent that it affects

499

00:28:40,600 --> 00:28:39,410

instrumentation so much some people used

500

00:28:46,120 --> 00:28:40,610

to

501  
00:28:47,980 --> 00:28:46,130  
experience in the 1990s and earlier that

502  
00:28:48,669 --> 00:28:47,990  
being in a crop circle would give them a

503  
00:28:52,810 --> 00:28:48,679  
headache

504  
00:28:56,560 --> 00:28:52,820  
or the rare person would say oh it's

505  
00:29:00,430 --> 00:28:56,570  
making me feel really dizzy and nauseous

506  
00:29:02,860 --> 00:29:00,440  
and just not good at all and yet when

507  
00:29:05,590 --> 00:29:02,870  
they would leave the crop circle and be

508  
00:29:08,730 --> 00:29:05,600  
out for maybe half an hour or more

509  
00:29:12,460 --> 00:29:08,740  
they'd come back to feeling their normal

510  
00:29:15,070 --> 00:29:12,470  
healthy self but now I don't hear

511  
00:29:19,720 --> 00:29:15,080  
reports of that either so I think that

512  
00:29:23,919 --> 00:29:19,730  
the crop circle makers whoever or

513  
00:29:25,990 --> 00:29:23,929

whatever they are have realized that the

514

00:29:28,419 --> 00:29:26,000

amount of energy they'd put in a crop

515

00:29:31,840 --> 00:29:28,429

circle it's a little bit too much for

516

00:29:36,580 --> 00:29:31,850

many human beings and they've lessened

517

00:29:39,340 --> 00:29:36,590

it to some extent so it's exciting to me

518

00:29:44,169 --> 00:29:39,350

that the crop circles are happening all

519

00:29:47,680 --> 00:29:44,179

over the world as I said and not only

520

00:29:50,710 --> 00:29:47,690

that the patterns are being put down in

521

00:29:55,390 --> 00:29:50,720

the crops but there are some notable

522

00:30:00,120 --> 00:29:55,400

examples of patterns that are carved

523

00:30:04,210 --> 00:30:00,130

into the earth such as in hard packed

524

00:30:06,820 --> 00:30:04,220

desert areas I don't mean deserts with

525

00:30:11,950 --> 00:30:06,830

big Sam dunes and all of that but there

526  
00:30:16,870 --> 00:30:11,960  
are mother to sort of laddish dry areas

527  
00:30:22,419 --> 00:30:16,880  
dry soil or very very little growing on

528  
00:30:24,640 --> 00:30:22,429  
them so I have several pictures in with

529  
00:30:29,710 --> 00:30:24,650  
my crop circle pictures of these

530  
00:30:33,880 --> 00:30:29,720  
carvings these big hundreds of feet long

531  
00:30:37,060 --> 00:30:33,890  
and in diameter patterns that are

532  
00:30:40,750 --> 00:30:37,070  
actually carved into the earth

533  
00:30:42,430 --> 00:30:40,760  
a very notable one in fact the most

534  
00:30:47,799 --> 00:30:42,440  
notable one that I know of

535  
00:30:52,770 --> 00:30:47,809  
is the ancient India pattern the Sri

536  
00:30:56,390 --> 00:30:52,780  
Yantra three Yantra feather

537  
00:31:01,700 --> 00:30:56,400  
and that's very complex it has a lot of

538  
00:31:04,680 --> 00:31:01,710

square corners and edges and lines and

539

00:31:07,680 --> 00:31:04,690

parallel lines forming a beautiful

540

00:31:12,630 --> 00:31:07,690

pattern and some curves forming lotus

541

00:31:17,670 --> 00:31:12,640

blossom shapes and a huge one three

542

00:31:21,750 --> 00:31:17,680

miles long on each side was discovered

543

00:31:27,630 --> 00:31:21,760

in 1991 having been carved into the

544

00:31:32,310 --> 00:31:27,640

desert in southeastern Oregon and this

545

00:31:34,950 --> 00:31:32,320

pattern was exquisitely done just like

546

00:31:39,690 --> 00:31:34,960

one of these ancient patterns of the Sri

547

00:31:42,150 --> 00:31:39,700

Yantra and it was discovered by some

548

00:31:45,770 --> 00:31:42,160

young men who were in the Coast Guard

549

00:31:49,620 --> 00:31:45,780

and they were being trained as pilots

550

00:31:51,900 --> 00:31:49,630

flying from a base in Idaho and they

551  
00:31:54,810 --> 00:31:51,910  
would fly around to some of the

552  
00:31:58,260 --> 00:31:54,820  
surrounding states in their training to

553  
00:32:01,980 --> 00:31:58,270  
be good pilots and they happened to fly

554  
00:32:04,650 --> 00:32:01,990  
over this desert area in southeastern

555  
00:32:08,520 --> 00:32:04,660  
Oregon and as they were flying over they

556  
00:32:11,550 --> 00:32:08,530  
they looked down and they saw wow look

557  
00:32:14,850 --> 00:32:11,560  
at this gorgeous pattern and it was so

558  
00:32:17,760 --> 00:32:14,860  
big so they flew back to their base and

559  
00:32:23,070 --> 00:32:17,770  
the next day or so they they took a jeep

560  
00:32:25,620 --> 00:32:23,080  
and drove to that location in Oregon and

561  
00:32:28,350 --> 00:32:25,630  
they went out to where that pattern was

562  
00:32:31,530 --> 00:32:28,360  
and they noticed that there were no two

563  
00:32:34,320 --> 00:32:31,540

other tire tracks there there were no

564

00:32:37,830 --> 00:32:34,330

footprints and where the pattern seemed

565

00:32:41,190 --> 00:32:37,840

to have been dug out of the earth like

566

00:32:44,880 --> 00:32:41,200

trenches and perfectly done

567

00:32:49,010 --> 00:32:44,890

there was no earth piled up next to

568

00:32:51,840 --> 00:32:49,020

those trenches so whatever had

569

00:32:55,020 --> 00:32:51,850

accomplished that pattern had removed

570

00:32:59,070 --> 00:32:55,030

any of the dirt that was taken out of

571

00:33:02,010 --> 00:32:59,080

the earth and those incised lines so

572

00:33:04,260 --> 00:33:02,020

that's a complete mystery and in the

573

00:33:05,760 --> 00:33:04,270

Middle East there's a beautiful complex

574

00:33:09,560 --> 00:33:05,770

pattern

575

00:33:13,290 --> 00:33:09,570

on a plateau of which apparently had no

576

00:33:16,110 --> 00:33:13,300

plants on the plateau so was just carved

577

00:33:18,000 --> 00:33:16,120

into the rock and the very complex

578

00:33:22,770 --> 00:33:18,010

pattern which had all kinds of

579

00:33:27,210 --> 00:33:22,780

mathematical equations and symbolism in

580

00:33:30,570 --> 00:33:27,220

it China also has a few that I know of

581

00:33:34,830 --> 00:33:30,580

these carvings in the desert and Puerto

582

00:33:38,430 --> 00:33:34,840

Rico which has loads of UFO sightings in

583

00:33:42,620 --> 00:33:38,440

the southwest area of Puerto Rico in

584

00:33:47,400 --> 00:33:42,630

that very same area is a large rock

585

00:33:49,650 --> 00:33:47,410

promontory and fairly flat a little bit

586

00:33:51,900 --> 00:33:49,660

of unevenness to it and it was

587

00:33:57,060 --> 00:33:51,910

discovered one morning but there was a

588

00:34:00,630 --> 00:33:57,070

whole series of very large rings on that

589

00:34:03,320 --> 00:34:00,640

promontory and at the most there might

590

00:34:07,590 --> 00:34:03,330

have been some lichen or some moss

591

00:34:13,129 --> 00:34:07,600

growing on that promontory but not by

592

00:34:16,020 --> 00:34:13,139

any means a real crop so I think that

593

00:34:18,750 --> 00:34:16,030

whatever the intelligence is that if

594

00:34:22,290 --> 00:34:18,760

making crop circles is choosing some

595

00:34:25,760 --> 00:34:22,300

other mediums to do these patterns then

596

00:34:30,570 --> 00:34:25,770

there have been snow patterns too and

597

00:34:35,220 --> 00:34:30,580

patterns in ice on rivers and lakes

598

00:34:39,060 --> 00:34:35,230

those are usually circular patterns but

599

00:34:42,690 --> 00:34:39,070

it's just happening here and there in

600

00:34:46,230 --> 00:34:42,700

the world nobody ever knows where it's

601  
00:34:49,169 --> 00:34:46,240  
going to happen or when and that's part

602  
00:34:52,020 --> 00:34:49,179  
of the surprise part of the delight of

603  
00:34:53,460 --> 00:34:52,030  
it they just simply happen in the middle

604  
00:34:56,609 --> 00:34:53,470  
of the night and they're just suddenly

605  
00:35:00,570 --> 00:34:56,619  
there and you think where did this come

606  
00:35:06,270 --> 00:35:00,580  
from this is so intelligently designed

607  
00:35:10,349 --> 00:35:06,280  
and so perfectly executed and all by

608  
00:35:13,320 --> 00:35:10,359  
this unknown source so we have to

609  
00:35:15,690 --> 00:35:13,330  
acknowledge I think every time in

610  
00:35:17,480 --> 00:35:15,700  
talking about crop circles that there

611  
00:35:21,320 --> 00:35:17,490  
are also

612  
00:35:25,250 --> 00:35:21,330  
some manmade crop formations and we know

613  
00:35:27,920 --> 00:35:25,260

I've met some of the teams of fairly

614

00:35:31,160 --> 00:35:27,930

young men who go out in the fields once

615

00:35:33,770 --> 00:35:31,170

in a while and make a crop circle and

616

00:35:37,880 --> 00:35:33,780

they lay it down with what we call

617

00:35:40,820 --> 00:35:37,890

stomping boards big flat board that they

618

00:35:43,550 --> 00:35:40,830

step on and that board it comes up and

619

00:35:46,700 --> 00:35:43,560

with a rope or a chain goes around their

620

00:35:50,330 --> 00:35:46,710

neck so and they just push it down and

621

00:35:54,650 --> 00:35:50,340

say walk along push down the crop and I

622

00:35:58,550 --> 00:35:54,660

must say that they can make quite a nice

623

00:36:01,370 --> 00:35:58,560

looking pattern that is if you're in the

624

00:36:03,800 --> 00:36:01,380

air and look down on it or take a

625

00:36:08,180 --> 00:36:03,810

photograph of it they can do some really

626  
00:36:11,420 --> 00:36:08,190  
nice looking patterns however when you

627  
00:36:14,810 --> 00:36:11,430  
go into one of the manmade crop circles

628  
00:36:17,330 --> 00:36:14,820  
you notice a big difference first of all

629  
00:36:22,220 --> 00:36:17,340  
you notice that the plants are more

630  
00:36:26,080 --> 00:36:22,230  
messily unevenly laid down and each

631  
00:36:30,770 --> 00:36:26,090  
stalk where it comes out of the ground

632  
00:36:37,150 --> 00:36:30,780  
such as a wheat stalk or barley or oil

633  
00:36:40,990 --> 00:36:37,160  
seed canola or corn each stalk is broken

634  
00:36:44,050 --> 00:36:41,000  
where it's bent over at ground level and

635  
00:36:48,170 --> 00:36:44,060  
that means it's been stomped down

636  
00:36:51,260 --> 00:36:48,180  
forcibly by a person putting foot

637  
00:36:53,960 --> 00:36:51,270  
pressure on a board or maybe even a

638  
00:36:54,470 --> 00:36:53,970

garden roller some people do them that

639

00:36:59,900 --> 00:36:54,480

way

640

00:37:02,840 --> 00:36:59,910

so the plants die and they look lacking

641

00:37:07,160 --> 00:37:02,850

of luster even the very next day they're

642

00:37:10,330 --> 00:37:07,170

just dead plants lying there and the

643

00:37:16,240 --> 00:37:10,340

whole crop circle if it's made by men

644

00:37:19,460 --> 00:37:16,250

has no increase of energy whatsoever in

645

00:37:22,099 --> 00:37:19,470

fact in my experience of being in

646

00:37:26,320 --> 00:37:22,109

manmade crop circles they're just dead

647

00:37:29,030 --> 00:37:26,330

and lifeless and flat feeling nothing

648

00:37:31,220 --> 00:37:29,040

enlivening and inspiring like you have

649

00:37:34,480 --> 00:37:31,230

with the genuine crop

650

00:37:38,330 --> 00:37:34,490

circles but again they can make nice

651  
00:37:42,140 --> 00:37:38,340  
looking patterns from a distance from

652  
00:37:44,990 --> 00:37:42,150  
the air so that's an important feature

653  
00:37:47,660 --> 00:37:45,000  
is that we like to figure out when we go

654  
00:37:51,770 --> 00:37:47,670  
into a new crop circle is this one

655  
00:37:57,050 --> 00:37:51,780  
genuine made by the anomalous mysterious

656  
00:38:00,050 --> 00:37:57,060  
phenomenon or is it man-made so that

657  
00:38:03,140 --> 00:38:00,060  
kind of keeps us on our toes and we

658  
00:38:06,650 --> 00:38:03,150  
can't take anything for granted I mean

659  
00:38:10,660 --> 00:38:06,660  
we really have to notice and feel and

660  
00:38:14,380 --> 00:38:10,670  
sense and use some of these measuring

661  
00:38:19,160 --> 00:38:14,390  
indications measuring instruments to see

662  
00:38:21,830 --> 00:38:19,170  
whether it's man-made or genuine but

663  
00:38:24,710 --> 00:38:21,840

it's all part of the phenomenon and even

664

00:38:27,530 --> 00:38:24,720

some of the men whom I have met and

665

00:38:31,790 --> 00:38:27,540

talked with over the years have some

666

00:38:35,390 --> 00:38:31,800

length in many cases they claim some of

667

00:38:40,300 --> 00:38:35,400

them that they are awakened in the

668

00:38:45,140 --> 00:38:40,310

middle of the night on rare occasion and

669

00:38:47,750 --> 00:38:45,150

telepathically told to get up and call

670

00:38:51,349 --> 00:38:47,760

their friends who make crop circles with

671

00:38:55,400 --> 00:38:51,359

them and go out to a particular field

672

00:38:58,099 --> 00:38:55,410

and then they will be guided instructed

673

00:39:02,750 --> 00:38:58,109

to make a pattern now where does that

674

00:39:05,720 --> 00:39:02,760

message come from that's unknown I think

675

00:39:07,540 --> 00:39:05,730

that's where the the genuine crop

676

00:39:11,180 --> 00:39:07,550

circles come from whatever that

677

00:39:13,220 --> 00:39:11,190

intelligence is so these men will get up

678

00:39:15,770 --> 00:39:13,230

and go out in the middle of the night

679

00:39:19,359 --> 00:39:15,780

and make a crop circle and while they're

680

00:39:22,400 --> 00:39:19,369

laying down the crop they have no idea

681

00:39:25,940 --> 00:39:22,410

what the pattern is going to be they

682

00:39:28,460 --> 00:39:25,950

just kind of follow this guidance or

683

00:39:31,780 --> 00:39:28,470

this instruction that seems to be coming

684

00:39:36,010 --> 00:39:31,790

through them and they finish the pattern

685

00:39:38,630 --> 00:39:36,020

they might have a general sense of what

686

00:39:41,540 --> 00:39:38,640

the pattern might look like but they

687

00:39:43,680 --> 00:39:41,550

don't know specifically but they'll come

688

00:39:46,650 --> 00:39:43,690

back a few hours later

689

00:39:48,900 --> 00:39:46,660

in the light of day or they'll see an

690

00:39:52,410 --> 00:39:48,910

aerial photo that's been taken of that

691

00:39:55,920 --> 00:39:52,420

crop circle and then they'll see what

692

00:39:59,220 --> 00:39:55,930

that pattern was that they made so

693

00:40:03,690 --> 00:39:59,230

that's a very important part of this

694

00:40:07,470 --> 00:40:03,700

phenomenon I think that they claim often

695

00:40:11,809 --> 00:40:07,480

that the patterns are sort of given to

696

00:40:16,890 --> 00:40:11,819

them in their mind and I look at it as

697

00:40:21,660 --> 00:40:16,900

that in that kind of situation these men

698

00:40:24,450 --> 00:40:21,670

are part of the delivery system from

699

00:40:27,240 --> 00:40:24,460

whatever that creative intelligence is

700

00:40:30,150 --> 00:40:27,250

that instead of the creative

701  
00:40:34,680 --> 00:40:30,160  
intelligence making the crop circle

702  
00:40:38,630 --> 00:40:34,690  
themselves sometimes at least they guide

703  
00:40:41,250 --> 00:40:38,640  
humans to deliver the crop circles

704  
00:40:45,000 --> 00:40:41,260  
instead of there doing it but the design

705  
00:40:48,150 --> 00:40:45,010  
is by these other beings so that's a

706  
00:40:51,150 --> 00:40:48,160  
very interesting food thing as well

707  
00:40:53,730 --> 00:40:51,160  
sometimes these men and I've met a

708  
00:40:58,020 --> 00:40:53,740  
couple of them who would seem to be very

709  
00:41:02,359 --> 00:40:58,030  
sincere in talking about this that is

710  
00:41:07,040 --> 00:41:02,369  
that they will sit and meditate and

711  
00:41:11,040 --> 00:41:07,050  
receive from some other intelligence

712  
00:41:13,230 --> 00:41:11,050  
receive a pattern that they say they

713  
00:41:17,160 --> 00:41:13,240

never would have thought of themselves

714

00:41:22,440 --> 00:41:17,170

and they'll draw that pattern on paper

715

00:41:25,200 --> 00:41:22,450

and then maybe another night they'll or

716

00:41:29,190 --> 00:41:25,210

even later that night they'll go out in

717

00:41:34,050 --> 00:41:29,200

the field and replicate that pattern in

718

00:41:37,589 --> 00:41:34,060

a crop circle out in the field but they

719

00:41:40,309 --> 00:41:37,599

say that the initiation for that crop

720

00:41:44,430 --> 00:41:40,319

circle and the designing of the pattern

721

00:41:47,860 --> 00:41:44,440

definitely came from some other source

722

00:41:50,650 --> 00:41:47,870

that inspired them to do that

723

00:41:53,160 --> 00:41:50,660

and then there are patterns that where

724

00:41:56,860 --> 00:41:53,170

the people who make these crop circles

725

00:42:00,160 --> 00:41:56,870

will definitely sit down and plot out a

726

00:42:03,010 --> 00:42:00,170

design and take that on paper and

727

00:42:08,500 --> 00:42:03,020

replicate it as well as they can in a

728

00:42:13,210 --> 00:42:08,510

field but I think proportionately there

729

00:42:17,200 --> 00:42:13,220

are fewer man-made crops it was way

730

00:42:20,970 --> 00:42:17,210

fewer then there are crop circles are

731

00:42:24,430 --> 00:42:20,980

made by the genuine mysterious source

732

00:42:27,190 --> 00:42:24,440

and that's a controversy that they

733

00:42:30,310 --> 00:42:27,200

always go on as long as this phenomenon

734

00:42:33,730 --> 00:42:30,320

continues one of the things that's

735

00:42:37,690 --> 00:42:33,740

intriguing to me about all this is that

736

00:42:40,780 --> 00:42:37,700

from year to year we don't know if there

737

00:42:44,470 --> 00:42:40,790

will be crop circles for next year we

738

00:42:46,480 --> 00:42:44,480

hope there will be and we assume there

739

00:42:46,900 --> 00:42:46,490

will be when we plan our trips over

740

00:42:51,580 --> 00:42:46,910

there

741

00:42:54,220 --> 00:42:51,590

months in advance of the summer but we

742

00:42:57,450 --> 00:42:54,230

don't know we can't count on it it was a

743

00:43:01,660 --> 00:42:57,460

phenomenon that suddenly started

744

00:43:04,600 --> 00:43:01,670

basically back in the 1970s and more

745

00:43:07,840 --> 00:43:04,610

crop circles in the 80s and more in the

746

00:43:10,120 --> 00:43:07,850

90s and the 2000s and it's a different

747

00:43:12,900 --> 00:43:10,130

number of crop circles that appear in

748

00:43:16,920 --> 00:43:12,910

England and in all these other countries

749

00:43:20,530 --> 00:43:16,930

every year and I think it's the most

750

00:43:25,420 --> 00:43:20,540

exquisite gift that's been given to us

751  
00:43:28,890 --> 00:43:25,430  
by some other source and that means that

752  
00:43:33,070 --> 00:43:28,900  
there is an attempt at least in

753  
00:43:36,010 --> 00:43:33,080  
communicating to us from this other

754  
00:43:39,700 --> 00:43:36,020  
source there's also an interactive

755  
00:43:44,350 --> 00:43:39,710  
effect that I've discovered over the

756  
00:43:48,040 --> 00:43:44,360  
years and that means that two people or

757  
00:43:51,640 --> 00:43:48,050  
one person or a group of people can sit

758  
00:43:54,160 --> 00:43:51,650  
down and decide that they'd like to see

759  
00:43:55,800 --> 00:43:54,170  
a crop circle design in a particular

760  
00:44:00,960 --> 00:43:55,810  
pattern

761  
00:44:03,300 --> 00:44:00,970  
all have it in mind or they'll just

762  
00:44:07,170 --> 00:44:03,310  
describe it verbally and no each picture

763  
00:44:11,760 --> 00:44:07,180

and if they meditate and send out that

764

00:44:15,890 --> 00:44:11,770

thought to the genuine crop circle

765

00:44:21,290 --> 00:44:15,900

makers and have that pattern in mind it

766

00:44:24,690 --> 00:44:21,300

so often happens that later that night

767

00:44:28,080 --> 00:44:24,700

in the middle of the night the dark of

768

00:44:34,530 --> 00:44:28,090

the night that crop circle will be made

769

00:44:37,580 --> 00:44:34,540

as if by this genuine unknown mysterious

770

00:44:41,640 --> 00:44:37,590

source so that you see there's an

771

00:44:45,150 --> 00:44:41,650

interactive effect we don't know exactly

772

00:44:48,390 --> 00:44:45,160

whom we're interacting with they

773

00:44:52,230 --> 00:44:48,400

apparently know about us and will

774

00:44:56,660 --> 00:44:52,240

receive our thoughts we we know that

775

00:45:00,630 --> 00:44:56,670

they exist this intelligence really is

776

00:45:03,060 --> 00:45:00,640

happening but we don't really know how

777

00:45:06,840 --> 00:45:03,070

to picture them or how to think of them

778

00:45:12,300 --> 00:45:06,850

I think of them is of them might be one

779

00:45:17,310 --> 00:45:12,310

overall intelligence nobody knows but it

780

00:45:20,790 --> 00:45:17,320

certainly is fun and intriguing and a

781

00:45:23,520 --> 00:45:20,800

great delight to speculate about all
