

UFO **HUB**

1
00:00:22,050 --> 00:00:18,500
my name is Linda class I am a

2
00:00:22,830 --> 00:00:22,060
cosmetologist esthetician and Reiki

3
00:00:26,429 --> 00:00:22,840
Master

4
00:00:28,429 --> 00:00:26,439
I live in Boonville Missouri and I own a

5
00:00:33,840 --> 00:00:28,439
touch of class salon spa

6
00:00:37,040 --> 00:00:33,850
bed-and-breakfast that is haunted my

7
00:00:39,990 --> 00:00:37,050
story probably begins when I was three

8
00:00:43,170 --> 00:00:40,000
when I had an imaginary friend by the

9
00:00:45,180 --> 00:00:43,180
name of Ani Myers that my mother

10
00:00:55,350 --> 00:00:45,190
threatened me dearly if I talked about

11
00:00:58,160 --> 00:00:55,360
it again through the years I had I was

12
00:01:01,439 --> 00:00:58,170
very sick of my third and fourth grade

13
00:01:03,180 --> 00:01:01,449

they were not too sure I was even going

14

00:01:05,070 --> 00:01:03,190

to live I had chickenpox and strep

15

00:01:08,640 --> 00:01:05,080

throat at the same time and I started

16

00:01:13,350 --> 00:01:08,650

seeing orbs floating around me mainly

17

00:01:19,190 --> 00:01:13,360

around my heart I would reach out and

18

00:01:22,800 --> 00:01:19,200

touch them it felt like a soft egg

19

00:01:27,090 --> 00:01:22,810

without a shell and I could put my hand

20

00:01:28,830 --> 00:01:27,100

through them once again I couldn't talk

21

00:01:33,660 --> 00:01:28,840

about it with my mother because she

22

00:01:35,820 --> 00:01:33,670

thought I was losing my mind and to the

23

00:01:40,760 --> 00:01:35,830

point she even talked to the doctor

24

00:01:43,230 --> 00:01:40,770

several times about it my children

25

00:01:46,290 --> 00:01:43,240

learned to come home and tell me

26

00:01:48,510 --> 00:01:46,300

everything that they knew that had

27

00:01:50,160 --> 00:01:48,520

happened for fear that I'd find it out

28

00:01:52,110 --> 00:01:50,170

from someone else and they never knew

29

00:01:54,750 --> 00:01:52,120

where I found it out but I would have

30

00:02:01,670 --> 00:01:54,760

visions of what happened to them like my

31

00:02:07,419 --> 00:02:01,680

son had on a car accident when I was in

32

00:02:10,969 --> 00:02:07,429

moved to Booneville 23 years ago

33

00:02:13,900 --> 00:02:10,979

and I was doing some energy work at that

34

00:02:16,339 --> 00:02:13,910

time but not really knowing the

35

00:02:19,790 --> 00:02:16,349

extensive detail that I was going to be

36

00:02:24,860 --> 00:02:19,800

doing one of my friends offered to give

37

00:02:27,410 --> 00:02:24,870

me a Reiki attunement and through the

38

00:02:32,930 --> 00:02:27,420

course of a year she gave me all three

39

00:02:35,600 --> 00:02:32,940

levels of Reiki once I moved into the

40

00:02:40,759 --> 00:02:35,610

house that I'm in my Reiki business

41

00:02:46,789 --> 00:02:40,769

increased I started seeing things in the

42

00:02:51,710 --> 00:02:46,799

house things would move I had a cast

43

00:02:53,420 --> 00:02:51,720

ARRA rainbow calcite that disappeared

44

00:02:56,930 --> 00:02:53,430

off of my station during the healing

45

00:02:59,930 --> 00:02:56,940

crystal class and I just swore someone

46

00:03:01,910 --> 00:02:59,940

had taken at home had no idea that I

47

00:03:05,570 --> 00:03:01,920

actually had spirits in the house that

48

00:03:08,090 --> 00:03:05,580

were moving them three years later it

49

00:03:11,660 --> 00:03:08,100

appeared in the front of the cabinet

50

00:03:15,500 --> 00:03:11,670

that I got into every day opened the

51
00:03:21,020 --> 00:03:15,510
cabinet door and the big calcite crystal

52
00:03:26,289 --> 00:03:21,030
was sitting there brushes on my a

53
00:03:33,440 --> 00:03:30,590
it got to the point that I had three

54
00:03:35,870 --> 00:03:33,450
ministers bless the house because

55
00:03:42,250 --> 00:03:35,880
strange things were happening I started

56
00:03:48,140 --> 00:03:42,260
taking pictures and finding orbs oh I

57
00:03:50,270 --> 00:03:48,150
had a restaurant downstairs and the

58
00:03:51,920 --> 00:03:50,280
people didn't want to work they didn't

59
00:03:53,780 --> 00:03:51,930
feel comfortable down there so I went

60
00:03:55,750 --> 00:03:53,790
through numerous employees not really

61
00:03:59,440 --> 00:03:55,760
knowing why but

62
00:04:05,699 --> 00:03:59,450
it I ended up closing it but before I

63
00:04:09,300 --> 00:04:05,709

did the three ministers three shaman

64
00:04:13,199 --> 00:04:09,310
plus my own smudging numerous times and

65
00:04:19,509 --> 00:04:13,209
still things were happening in this

66
00:04:23,980 --> 00:04:19,519
three-story brick house built in 1921 so

67
00:04:26,909 --> 00:04:23,990
I had heard about a group from Fort

68
00:04:32,490 --> 00:04:26,919
Leonard Wood that could come they were

69
00:04:37,120 --> 00:04:32,500
military and they were Ghost Hunters

70
00:04:41,560 --> 00:04:37,130
they could remove so to speak the ghosts

71
00:04:44,439 --> 00:04:41,570
in the house that came set up their

72
00:04:46,990 --> 00:04:44,449
equipment found lots of orbs found a

73
00:04:52,120 --> 00:04:47,000
nasty man downstairs in one of the rooms

74
00:04:55,890 --> 00:04:52,130
they thought and proceeded to talk to

75
00:04:58,600 --> 00:04:55,900
him one of the girls said if you don't

76

00:05:01,210 --> 00:04:58,610

we really want to talk to you but if you

77

00:05:06,909 --> 00:05:01,220

don't we're going to buy the house and

78

00:05:08,230 --> 00:05:06,919

turn it into a swimming pool she goes

79

00:05:10,360 --> 00:05:08,240

back upstairs

80

00:05:13,659 --> 00:05:10,370

ten minutes later two more people go

81

00:05:15,310 --> 00:05:13,669

down and come running up the steps miss

82

00:05:20,860 --> 00:05:15,320

Linda miss Linda that the basements

83

00:05:24,400 --> 00:05:20,870

flooded oh it is not it's flooded so I

84

00:05:27,960 --> 00:05:24,410

go down it was flooded there were two

85

00:05:34,839 --> 00:05:27,970

inches of water all over the floor

86

00:05:36,879 --> 00:05:34,849

somehow the sump pump got turned off so

87

00:05:38,649 --> 00:05:36,889

it cleaned up the man's they packed up

88

00:05:42,310 --> 00:05:38,659

their stuff and left never to hear from

89

00:05:46,930 --> 00:05:42,320

them again and so I cleaned up the mess

90

00:05:51,430 --> 00:05:46,940

we vacuumed it up went back down the

91

00:05:54,189 --> 00:05:51,440

next morning and it was flooded again so

92

00:06:02,469 --> 00:05:54,199

turn the sump pump back on we ended up

93

00:06:05,350 --> 00:06:02,479

having culligan come reroute their water

94

00:06:06,860 --> 00:06:05,360

softener into a different drain instead

95

00:06:11,390 --> 00:06:06,870

of the sump pump

96

00:06:14,780 --> 00:06:11,400

the next morning the sump pump went off

97

00:06:19,760 --> 00:06:14,790

again the switch had been shut off no

98

00:06:24,110 --> 00:06:19,770

one had been there so we had a little

99

00:06:27,530 --> 00:06:24,120

nice little talk and everything went

100

00:06:33,560 --> 00:06:27,540

well until things started moving I

101
00:06:37,310 --> 00:06:33,570
actually saw my bed go down like someone

102
00:06:44,629 --> 00:06:37,320
would set in like my bed there'd be a

103
00:06:46,670 --> 00:06:44,639
depressed area in the bed we had if felt

104
00:06:49,730 --> 00:06:46,680
like kids were jumping up and down on

105
00:06:54,620 --> 00:06:49,740
the bed my grandson that was living with

106
00:06:59,540 --> 00:06:54,630
me at the time could see a woman with

107
00:07:01,610 --> 00:06:59,550
long blond hair dressed in white that

108
00:07:07,180 --> 00:07:01,620
would come into his bedroom and check on

109
00:07:16,100 --> 00:07:10,430
finally my son introduced me to Hector

110
00:07:20,650 --> 00:07:16,110
and he's been there several times there

111
00:07:26,420 --> 00:07:20,660
are lots of there's even a an

112
00:07:30,560 --> 00:07:26,430
entity that has a black mist I had came

113
00:07:34,550 --> 00:07:30,570

home from vacation and was unpacking and

114

00:07:37,520 --> 00:07:34,560

felt something behind me so I turned my

115

00:07:39,460 --> 00:07:37,530

camera around clicked it and there was a

116

00:07:45,340 --> 00:07:39,470

black minister over my left shoulder

117

00:07:49,589 --> 00:07:45,350

this rather startling but Hector came

118

00:07:52,270 --> 00:07:49,599

reassured me that the things were okay

119

00:07:57,210 --> 00:07:52,280

close the portal that was downstairs

120

00:08:01,420 --> 00:07:57,220

after we sent the nasty man out and we

121

00:08:08,170 --> 00:08:01,430

haven't really had any problems but I

122

00:08:11,430 --> 00:08:08,180

might add once I I had put the house on

123

00:08:18,430 --> 00:08:11,440

the market because I was tired of the

124

00:08:20,200 --> 00:08:18,440

little flooding that I had and well it

125

00:08:24,300 --> 00:08:20,210

was before the flood after I put the

126

00:08:30,370 --> 00:08:24,310

house on the market the house flooded so

127

00:08:34,230 --> 00:08:30,380

this past June I was just tired of all

128

00:08:38,889 --> 00:08:34,240

of the spirits closing doors I have a

129

00:08:41,350 --> 00:08:38,899

eyevac that I sweep hair up into it'll

130

00:08:45,430 --> 00:08:41,360

come on in the middle of the night so I

131

00:08:47,260 --> 00:08:45,440

am plug it now and it will still go off

132

00:08:52,470 --> 00:08:47,270

in the middle of the night but if

133

00:08:58,000 --> 00:08:55,660

doors should I hear people talking I

134

00:09:01,170 --> 00:08:58,010

have seen a lady in the kitchen and

135

00:09:07,210 --> 00:09:01,180

there's no one else in the house but me

136

00:09:08,920 --> 00:09:07,220

nothing's ever harmful but there lots of

137

00:09:10,540 --> 00:09:08,930

orbs some people come stay in the

138

00:09:13,389 --> 00:09:10,550

bed-and-breakfast just for the

139

00:09:16,720 --> 00:09:13,399

experience a couple weeks ago with

140

00:09:22,269 --> 00:09:16,730

gentleman came and he wanted to see orbs

141

00:09:26,410 --> 00:09:22,279

and I we were downstairs and I suggested

142

00:09:29,920 --> 00:09:26,420

to the spirits in the house that he

143

00:09:35,100 --> 00:09:29,930

wanted to see them and within seconds

144

00:09:39,670 --> 00:09:35,110

there was like a party of orbs all over

145

00:09:42,730 --> 00:09:39,680

that room the next morning he went into

146

00:09:47,170 --> 00:09:42,740

the closet upstairs to get his clothes

147

00:09:52,170 --> 00:09:47,180

and they shut him in the closet so

148

00:09:56,170 --> 00:09:52,180

they're never harmful they're playful

149

00:09:59,910 --> 00:09:56,180

I've been told that the house was built

150

00:10:02,650 --> 00:09:59,920

in 1921 after two

151

00:10:08,009 --> 00:10:02,660

houses burnt down that was on the

152

00:10:13,660 --> 00:10:08,019

property there was a gentleman that had

153

00:10:16,720 --> 00:10:13,670

gangrene on one of his feet and there

154

00:10:19,180 --> 00:10:16,730

are times I smelled the stinkiest feet

155

00:10:21,939 --> 00:10:19,190

ever it's usually when there's a new

156

00:10:26,639 --> 00:10:21,949

person in the hands it's like they're

157

00:10:29,800 --> 00:10:26,649

protective my mother just passed in

158

00:10:31,300 --> 00:10:29,810

August I smelled coffee

159

00:10:33,430 --> 00:10:31,310

early in the morning usually between

160

00:10:36,699 --> 00:10:33,440

4:00 and 5:00 which was what time she

161

00:10:39,490 --> 00:10:36,709

usually got up or I'll smell her

162

00:10:45,460 --> 00:10:39,500

cigarettes or bacon bacon was usually

163

00:10:49,629 --> 00:10:45,470

her breakfast it's just been a growing

164

00:10:54,490 --> 00:10:49,639

experience thinking I was going to get

165

00:10:57,790 --> 00:10:54,500

away from it it didn't happen but uh the

166

00:11:02,670 --> 00:10:57,800

waking I do a lot of Reiki clients I

167

00:11:06,579 --> 00:11:02,680

teach Reiki and seeing sometimes people

168

00:11:08,559 --> 00:11:06,589

from the other side come through and I

169

00:11:13,389 --> 00:11:08,569

don't know if they like it so well they

170

00:11:17,379 --> 00:11:13,399

decide to stay but we've had increased

171

00:11:21,340 --> 00:11:17,389

activity there usually there can take a

172

00:11:27,040 --> 00:11:21,350

picture and there's an or two or three

173

00:11:29,879 --> 00:11:27,050

or amidst a hectare is the founder of

174

00:11:32,769 --> 00:11:29,889

the tenth dimension in Kansas City

175

00:11:37,600 --> 00:11:32,779

he's and the group have been very

176

00:11:43,540 --> 00:11:37,610

helpful I'm now in charge of the branch

177

00:11:46,269 --> 00:11:43,550

in Boonville so it's been a joyful

178

00:11:52,389 --> 00:11:46,279

experience sometimes I've never been
