

UFO **HUB**

1
00:00:20,690 --> 00:00:17,269
my name is Todd sheets and I'm the host

2
00:00:22,100 --> 00:00:20,700
of night watch radio it's been about 10

3
00:00:24,859 --> 00:00:22,110
years now I've been doing Night Watch

4
00:00:26,749 --> 00:00:24,869
and it's an actual radio show we started

5
00:00:28,249 --> 00:00:26,759
out on terrestrial radio and stayed

6
00:00:29,779 --> 00:00:28,259
there as well as the Internet I mean now

7
00:00:32,600 --> 00:00:29,789
we've branched out we do internet radio

8
00:00:34,580 --> 00:00:32,610
as well but for about ten years now

9
00:00:36,740 --> 00:00:34,590
we've been going full force we've got

10
00:00:38,030 --> 00:00:36,750
affiliates in in several countries we're

11
00:00:40,729 --> 00:00:38,040
on like four hundred four stations

12
00:00:42,319 --> 00:00:40,739
worldwide including the BBC was the

13
00:00:44,180 --> 00:00:42,329

number one overnights in Australia

14

00:00:46,520 --> 00:00:44,190

Sydney and Melbourne the cities of

15

00:00:48,860 --> 00:00:46,530

Sydney and Melbourne it was pretty

16

00:00:50,720 --> 00:00:48,870

exciting because you know when I first

17

00:00:52,819 --> 00:00:50,730

started my mentor was art Bell he kind

18

00:00:54,770 --> 00:00:52,829

of pushed me to do this and and we've

19

00:00:56,750 --> 00:00:54,780

you know we've continued on and and

20

00:00:58,840 --> 00:00:56,760

we've stayed with it for a long time and

21

00:01:00,709 --> 00:00:58,850

I've seen the trends come and go and

22

00:01:02,689 --> 00:01:00,719

mainly it was because I was a horror

23

00:01:06,710 --> 00:01:02,699

film maker I made horror films and

24

00:01:08,600 --> 00:01:06,720

people I just had this huge love for the

25

00:01:09,920 --> 00:01:08,610

supernatural and the paranormal and

26

00:01:12,560 --> 00:01:09,930

things but I'd never directly been

27

00:01:14,210 --> 00:01:12,570

involved until about you know over the

28

00:01:16,520 --> 00:01:14,220

time I started the show and then people

29

00:01:19,580 --> 00:01:16,530

were inviting me along to become part of

30

00:01:21,230 --> 00:01:19,590

what they were experiencing and that's

31

00:01:22,490 --> 00:01:21,240

how I met the ghost hunters I'm really

32

00:01:24,620 --> 00:01:22,500

good friends with Jason and grant and

33

00:01:26,929 --> 00:01:24,630

we're you know kind of family really

34

00:01:30,109 --> 00:01:26,939

because I met them pretty much they were

35

00:01:32,480 --> 00:01:30,119

doing a pilot for a sci-fi channel and I

36

00:01:34,550 --> 00:01:32,490

was on my first year the radio show and

37

00:01:36,230 --> 00:01:34,560

we we hit it off and they started taking

38

00:01:38,749 --> 00:01:36,240

me around and I started doing

39

00:01:40,370 --> 00:01:38,759

investigations with them around the

40

00:01:42,050 --> 00:01:40,380

country at places that you could only

41

00:01:45,170 --> 00:01:42,060

dream of I mean these places are pretty

42

00:01:47,270 --> 00:01:45,180

amazing and and that's when I you know I

43

00:01:48,770 --> 00:01:47,280

was working at a location I believed it

44

00:01:51,410 --> 00:01:48,780

was haunted called the catacombs haunted

45

00:01:52,670 --> 00:01:51,420

house here in Kansas City and not only

46

00:01:54,260 --> 00:01:52,680

did I experience some of the most

47

00:01:56,779 --> 00:01:54,270

incredible activity you could ever

48

00:01:58,249 --> 00:01:56,789

experience there I also was experiencing

49

00:02:01,160 --> 00:01:58,259

things with Jason and Grant while we

50

00:02:03,169 --> 00:02:01,170

were out and and finding things like in

51
00:02:05,539 --> 00:02:03,179
the st. augustine's lighthouse hearing

52
00:02:07,370 --> 00:02:05,549
children laughing at 3:00 in the morning

53
00:02:10,310 --> 00:02:07,380
when there's obviously no children there

54
00:02:11,780 --> 00:02:10,320
was just a crew and us so there were

55
00:02:13,820 --> 00:02:11,790
some really interesting things that I've

56
00:02:16,310 --> 00:02:13,830
experienced and then I started really

57
00:02:18,170 --> 00:02:16,320
becoming a believer at that point more

58
00:02:19,760 --> 00:02:18,180
so than just like hey I like ghost

59
00:02:21,710 --> 00:02:19,770
stories and I like you know the

60
00:02:23,899 --> 00:02:21,720
paranormal and movies and things and

61
00:02:25,390 --> 00:02:23,909
books I always read a lot of books about

62
00:02:27,860 --> 00:02:25,400
werewolves and things but this was

63
00:02:29,690 --> 00:02:27,870

beyond that this was things I were I was

64

00:02:31,880 --> 00:02:29,700

actually experiencing these ghosts and

65

00:02:36,710 --> 00:02:31,890

it was pretty cool or whatever they are

66

00:02:38,899 --> 00:02:36,720

whatever they might be for me really the

67

00:02:42,170 --> 00:02:38,909

radio shows a weekly deal you know we do

68

00:02:45,080 --> 00:02:42,180

it once a week it may go two more days

69

00:02:46,580 --> 00:02:45,090

than that as things progress because you

70

00:02:50,000 --> 00:02:46,590

know we're picked up on so many networks

71

00:02:52,460 --> 00:02:50,010

but really we live this stuff 24 hours a

72

00:02:55,210 --> 00:02:52,470

day once you experience this and you get

73

00:02:58,460 --> 00:02:55,220

into it every day's an adventure and

74

00:03:00,949 --> 00:02:58,470

we're constantly exploring and finding

75

00:03:03,710 --> 00:03:00,959

new avenues as you can you know imagine

76
00:03:05,990 --> 00:03:03,720
we've gone to so many different states

77
00:03:09,349 --> 00:03:06,000
and here in the United States with so

78
00:03:11,210 --> 00:03:09,359
many incredible locations and and I've

79
00:03:12,740 --> 00:03:11,220
really learned so much I've learned

80
00:03:14,539 --> 00:03:12,750
about shadow people and I've learned

81
00:03:16,069 --> 00:03:14,549
about cryptozoology I've learned I'm

82
00:03:19,399 --> 00:03:16,079
learning about Bigfoot and stuff right

83
00:03:20,990 --> 00:03:19,409
now and I'm learning more about the

84
00:03:23,360 --> 00:03:21,000
beast of Bray Road and things like that

85
00:03:24,589 --> 00:03:23,370
and now we do our guests bring us a lot

86
00:03:27,500 --> 00:03:24,599
of this information we've met so many

87
00:03:29,899 --> 00:03:27,510
incredible people through the show but

88
00:03:31,970 --> 00:03:29,909

by inviting us along we experience what

89

00:03:34,069 --> 00:03:31,980

they experience and when we are able to

90

00:03:36,740 --> 00:03:34,079

see things you know firsthand and I like

91

00:03:39,229 --> 00:03:36,750

to look at things very open-minded I I

92

00:03:41,360 --> 00:03:39,239

don't have an agenda and that's I think

93

00:03:44,180 --> 00:03:41,370

very important in in the study of any

94

00:03:46,490 --> 00:03:44,190

paranormal research you know any kind of

95

00:03:49,039 --> 00:03:46,500

paranormal field whether it's Bigfoot or

96

00:03:50,539 --> 00:03:49,049

UFOs and the paranormal is only used I

97

00:03:52,729 --> 00:03:50,549

guess as a term because it's above and

98

00:03:53,869 --> 00:03:52,739

beyond what is considered normal but I

99

00:03:56,270 --> 00:03:53,879

think you have to be incredibly

100

00:03:59,150 --> 00:03:56,280

open-minded and have no agenda you know

101
00:04:00,589 --> 00:03:59,160
that means that you don't bring some

102
00:04:01,879 --> 00:04:00,599
kind of philosophy to the table that

103
00:04:03,650 --> 00:04:01,889
you're going to stick to no matter what

104
00:04:05,300 --> 00:04:03,660
because I think that's part of the

105
00:04:08,240 --> 00:04:05,310
problem even with science today as so

106
00:04:09,860 --> 00:04:08,250
many people they have one viewpoint and

107
00:04:12,229 --> 00:04:09,870
it's really hard to change that so I

108
00:04:13,819 --> 00:04:12,239
think if you come in with no agenda for

109
00:04:16,819 --> 00:04:13,829
for instance on Nightwatch when we have

110
00:04:19,129 --> 00:04:16,829
a guest they are the focus and they are

111
00:04:21,409 --> 00:04:19,139
the star of that moment and we give them

112
00:04:23,450 --> 00:04:21,419
full access to that stage and we don't

113
00:04:25,879 --> 00:04:23,460

push an agenda we ask them their

114

00:04:28,159 --> 00:04:25,889

philosophies their ideas their belief

115

00:04:30,920 --> 00:04:28,169

systems what their projects are what

116

00:04:33,500 --> 00:04:30,930

they are doing and their theories is

117

00:04:36,290 --> 00:04:33,510

everything right now is a theory and we

118

00:04:38,180 --> 00:04:36,300

don't argue we don't you know we take it

119

00:04:40,100 --> 00:04:38,190

all in because who's to say what's right

120

00:04:40,999 --> 00:04:40,110

and wrong at this point this is a very

121

00:04:42,769 --> 00:04:41,009

very

122

00:04:44,899 --> 00:04:42,779

up until a few years ago no one would

123

00:04:46,459 --> 00:04:44,909

even mention ghosts or Bigfoot in the

124

00:04:48,589 --> 00:04:46,469

you know in the public it was like gods

125

00:04:50,149 --> 00:04:48,599

hushed they might talk to you about it

126
00:04:52,519 --> 00:04:50,159
you know you may go in and then they go

127
00:04:54,739 --> 00:04:52,529
hey I've got this thing in my closet but

128
00:04:57,139 --> 00:04:54,749
they've never say this out in the public

129
00:04:58,609 --> 00:04:57,149
things to shows like those tires and

130
00:05:01,939 --> 00:04:58,619
things like that in the popularity of it

131
00:05:05,510 --> 00:05:01,949
it has kind of become more common but

132
00:05:08,689 --> 00:05:05,520
it's in its infancy this this this field

133
00:05:10,010 --> 00:05:08,699
of study and research so to believe that

134
00:05:13,040 --> 00:05:10,020
you have the answers is pretty

135
00:05:15,529 --> 00:05:13,050
egotistical and arrogant no one has the

136
00:05:17,989 --> 00:05:15,539
answers right now all it is is theory

137
00:05:20,659 --> 00:05:17,999
and us doing the best we can to find

138
00:05:22,909 --> 00:05:20,669

answers for that so by the guests we've

139

00:05:25,219 --> 00:05:22,919

had and the experiences we've had going

140

00:05:27,889 --> 00:05:25,229

around the country and first-hand

141

00:05:29,329 --> 00:05:27,899

experience at these locations I like to

142

00:05:31,100 --> 00:05:29,339

think that we're kind of getting a

143

00:05:32,540 --> 00:05:31,110

database of our own you know in our own

144

00:05:34,489 --> 00:05:32,550

hearts our own minds and through our

145

00:05:37,070 --> 00:05:34,499

shows people that go and listen to night

146

00:05:39,799 --> 00:05:37,080

watch at night watch radio calm in the

147

00:05:41,809 --> 00:05:39,809

archive section they can hear ten years

148

00:05:44,510 --> 00:05:41,819

worth of research and theories from so

149

00:05:46,730 --> 00:05:44,520

many amazing people pretty much everyone

150

00:05:49,010 --> 00:05:46,740

in the paranormal field and beyond

151

00:05:51,230 --> 00:05:49,020

scientists that aren't even you know

152

00:05:53,179 --> 00:05:51,240

physicists people who aren't even

153

00:05:55,070 --> 00:05:53,189

necessarily in the field of paranormal

154

00:05:56,959 --> 00:05:55,080

research have been on our show and have

155

00:05:59,360 --> 00:05:56,969

given a lot of theories and a lot of

156

00:06:01,159 --> 00:05:59,370

ideas that I think the truth lies in

157

00:06:01,480 --> 00:06:01,169

there somewhere I think the truth is out

158

00:06:06,170 --> 00:06:01,490

there

159

00:06:09,860 --> 00:06:06,180

and I think we can by working together

160

00:06:11,480 --> 00:06:09,870

with no egos and no attitudes I think we

161

00:06:14,029 --> 00:06:11,490

can learn from each other but there's so

162

00:06:16,239 --> 00:06:14,039

many people that sometimes block that

163

00:06:18,829 --> 00:06:16,249

from themselves by like I said before by

164

00:06:21,379 --> 00:06:18,839

basically just closing their minds to

165

00:06:23,719 --> 00:06:21,389

things and also by being very

166

00:06:25,219 --> 00:06:23,729

egotistical and prideful like this is

167

00:06:26,869 --> 00:06:25,229

our location you can't come here and

168

00:06:29,449 --> 00:06:26,879

investigate because if you may find

169

00:06:32,059 --> 00:06:29,459

something we want to find it who cares

170

00:06:34,459 --> 00:06:32,069

let's all find it together no location

171

00:06:36,379 --> 00:06:34,469

belongs to anybody let's all work as a

172

00:06:39,230 --> 00:06:36,389

unit here as a cohesive I used to

173

00:06:40,969 --> 00:06:39,240

believe in the word unity and I don't

174

00:06:42,489 --> 00:06:40,979

think that's necessarily something that

175

00:06:44,899 --> 00:06:42,499

can happen because people are so

176

00:06:46,699 --> 00:06:44,909

egotistical and so sure of themselves

177

00:06:49,759 --> 00:06:46,709

that nothing else seems to work but I'm

178

00:06:52,100 --> 00:06:49,769

telling you I believe with all my heart

179

00:06:54,470 --> 00:06:52,110

that by all of us coming together like

180

00:06:56,540 --> 00:06:54,480

we do on Nightwatch every week

181

00:06:58,190 --> 00:06:56,550

we can learn so much I have already

182

00:07:01,540 --> 00:06:58,200

learned so much changed my entire life

183

00:07:05,150 --> 00:07:01,550

you know well one of the things that

184

00:07:08,540 --> 00:07:05,160

I've learned kind of the hard way I had

185

00:07:10,250 --> 00:07:08,550

a heart attack and I never drink I've

186

00:07:12,320 --> 00:07:10,260

never done drugs I don't smoke

187

00:07:13,850 --> 00:07:12,330

I'm a nerd you know I'm a straight-up

188

00:07:16,010 --> 00:07:13,860

nerd and I'll admit it

189

00:07:17,900 --> 00:07:16,020

my advice is horror movies and Batman

190

00:07:20,600 --> 00:07:17,910

you know I mean I don't I don't really

191

00:07:22,520 --> 00:07:20,610

do anything so it was weird because I

192

00:07:24,500 --> 00:07:22,530

had a heart attack and I literally had

193

00:07:26,150 --> 00:07:24,510

open-heart surgery I had quadruple

194

00:07:27,920 --> 00:07:26,160

bypass surgery and then I had

195

00:07:29,360 --> 00:07:27,930

complications from that because they cut

196

00:07:31,790 --> 00:07:29,370

my lymph gland and they had to do a

197

00:07:34,550 --> 00:07:31,800

second surgery laparoscopic they said oh

198

00:07:36,500 --> 00:07:34,560

this one's gonna be easy 20 minutes no

199

00:07:38,750 --> 00:07:36,510

problem four and a half hours later it

200

00:07:40,730 --> 00:07:38,760

was still I still was just coming out I

201
00:07:43,490 --> 00:07:40,740
had a near-death experience I'd never

202
00:07:46,520 --> 00:07:43,500
believed in those I actually experienced

203
00:07:49,610 --> 00:07:46,530
something I traveled somewhere i

204
00:07:51,050 --> 00:07:49,620
flatlined briefly and I didn't even find

205
00:07:52,940 --> 00:07:51,060
out about that until three weeks after

206
00:07:56,810 --> 00:07:52,950
the surgery you know I finally was told

207
00:07:59,300 --> 00:07:56,820
what really happened but I did flatline

208
00:08:01,130 --> 00:07:59,310
briefly it was a scare I scared

209
00:08:02,720 --> 00:08:01,140
everybody and I didn't even know it

210
00:08:03,890 --> 00:08:02,730
because as far as I knew I was in the

211
00:08:06,650 --> 00:08:03,900
middle of his desert somewhere with

212
00:08:08,450 --> 00:08:06,660
these beings I wouldn't want anyone to

213
00:08:08,750 --> 00:08:08,460

see them because they were weird and I

214

00:08:10,580 --> 00:08:08,760

ain't

215

00:08:14,060 --> 00:08:10,590

I've spoken with shaman who have told me

216

00:08:16,430 --> 00:08:14,070

that these guys were ethereal beings and

217

00:08:19,240 --> 00:08:16,440

they were kind of dark scary guys they

218

00:08:22,210 --> 00:08:19,250

had glowing like green ember eyes and

219

00:08:24,950 --> 00:08:22,220

they were basically black outlines

220

00:08:28,280 --> 00:08:24,960

craggly looking shapes that were kind of

221

00:08:30,440 --> 00:08:28,290

humanoid but weird and they were telling

222

00:08:32,360 --> 00:08:30,450

me I needed to go in this tunnel that

223

00:08:33,980 --> 00:08:32,370

was to the right it was a concrete

224

00:08:36,290 --> 00:08:33,990

looking tunnel going down into the sand

225

00:08:39,140 --> 00:08:36,300

but on the left I saw this Aladdin

226

00:08:41,750 --> 00:08:39,150

looking weird City in the middle of this

227

00:08:43,670 --> 00:08:41,760

desert and I heard sounds from there and

228

00:08:45,710 --> 00:08:43,680

people and I saw lights I said I don't

229

00:08:47,510 --> 00:08:45,720

think I'm going there that looks like

230

00:08:49,910 --> 00:08:47,520

you may not be a good idea I'm gonna go

231

00:08:51,890 --> 00:08:49,920

here because I'm a rebel I admit it I do

232

00:08:53,240 --> 00:08:51,900

what I want so I went down that hill and

233

00:08:54,710 --> 00:08:53,250

I went and I'm start searching I

234

00:08:57,470 --> 00:08:54,720

couldn't find any people in this place

235

00:08:59,090 --> 00:08:57,480

but I finally through all these doorways

236

00:09:01,070 --> 00:08:59,100

found one that was cracked open and

237

00:09:02,210 --> 00:09:01,080

light was coming out and when I went to

238

00:09:03,759 --> 00:09:02,220

that door and I opened that door

239

00:09:06,249 --> 00:09:03,769

suddenly

240

00:09:07,689 --> 00:09:06,259

I was back in my own eyes in the

241

00:09:09,249 --> 00:09:07,699

hospital it was the weirdest experience

242

00:09:11,290 --> 00:09:09,259

I could ever I don't even know how to

243

00:09:12,910 --> 00:09:11,300

explain it but it's like I almost saw

244

00:09:16,749 --> 00:09:12,920

through the eyes and zoomed into them

245

00:09:19,090 --> 00:09:16,759

and at that point I realized a lot of

246

00:09:21,460 --> 00:09:19,100

the things that I thought were fantasy

247

00:09:23,979 --> 00:09:21,470

or that I in in my field I make horror

248

00:09:27,329 --> 00:09:23,989

films that are distributed worldwide and

249

00:09:29,829 --> 00:09:27,339

and that's one of my main focuses I

250

00:09:31,689 --> 00:09:29,839

think I looked at all that as fantasy

251
00:09:35,799 --> 00:09:31,699
and as something that wasn't necessarily

252
00:09:38,139 --> 00:09:35,809
real but after that experience you know

253
00:09:39,609 --> 00:09:38,149
and the experiences I've had like I said

254
00:09:41,259 --> 00:09:39,619
at the catacombs Building where a

255
00:09:42,489 --> 00:09:41,269
swinging rope bridge it was at a

256
00:09:44,829 --> 00:09:42,499
commercial haunted house as the

257
00:09:46,179 --> 00:09:44,839
catacombs and we had a rope bridge that

258
00:09:47,590 --> 00:09:46,189
would swing by itself at 3:00 in the

259
00:09:49,749 --> 00:09:47,600
morning and slam into the walls of

260
00:09:52,809 --> 00:09:49,759
things and lots of things happen I had a

261
00:09:54,609 --> 00:09:52,819
friend died there in my arms he was he

262
00:09:56,949 --> 00:09:54,619
was a tragic accident he was killed

263
00:09:58,960 --> 00:09:56,959

there in the elevator I held him in my

264

00:10:00,369 --> 00:09:58,970

arms but before that there were all

265

00:10:01,179 --> 00:10:00,379

these weird warnings in that elevator

266

00:10:05,530 --> 00:10:01,189

shaft

267

00:10:06,879 --> 00:10:05,540

things like our walkie-talkies would

268

00:10:09,489 --> 00:10:06,889

come on and spring to life but they

269

00:10:12,970 --> 00:10:09,499

would be playing 30s music like old

270

00:10:15,730 --> 00:10:12,980

crack crack ll you know kind of 30s

271

00:10:18,489 --> 00:10:15,740

music like the flappers would dance to

272

00:10:20,319 --> 00:10:18,499

and things like that and we had things

273

00:10:21,819 --> 00:10:20,329

falling from the top that would land in

274

00:10:23,889 --> 00:10:21,829

that elevator shaft when there was no

275

00:10:26,319 --> 00:10:23,899

lumber up there at all but somehow it

276

00:10:29,019 --> 00:10:26,329

came flying there was a lot of really

277

00:10:31,480 --> 00:10:29,029

weird things that happened that led up

278

00:10:33,069 --> 00:10:31,490

to when you went after the tragedy and

279

00:10:36,309 --> 00:10:33,079

you looked back on it I think they were

280

00:10:38,739 --> 00:10:36,319

signs but you don't know that until

281

00:10:40,389 --> 00:10:38,749

retrospect again another thing that kind

282

00:10:42,249 --> 00:10:40,399

of made me believe in all of this being

283

00:10:43,809 --> 00:10:42,259

real and then after the near-death

284

00:10:45,609 --> 00:10:43,819

experience I kind of put everything

285

00:10:48,730 --> 00:10:45,619

together and since then I've felt a lot

286

00:10:52,299 --> 00:10:48,740

more connected and a lot more sensitive

287

00:10:54,519 --> 00:10:52,309

and it seems like a zero in on things

288

00:10:56,289 --> 00:10:54,529

really well I'm not saying I'm psychic

289

00:10:57,609 --> 00:10:56,299

I may be sure I believe in psychic you

290

00:10:58,929 --> 00:10:57,619

know what I mean I think people are

291

00:11:00,189 --> 00:10:58,939

intuitive and I think everyone's born

292

00:11:02,199 --> 00:11:00,199

with a sixth sense that we just don't

293

00:11:04,210 --> 00:11:02,209

use anymore because if animals have it

294

00:11:06,340 --> 00:11:04,220

why wouldn't we we're mammals you know

295

00:11:07,900 --> 00:11:06,350

they say we're more advanced than dogs

296

00:11:09,999 --> 00:11:07,910

but I think my dogs smarter in a lot of

297

00:11:12,220 --> 00:11:10,009

ways my dog knows when the storms come

298

00:11:14,169 --> 00:11:12,230

in and I don't I kind of do now because

299

00:11:15,879 --> 00:11:14,179

of my surgery but I could feel it you

300

00:11:17,830 --> 00:11:15,889

know I feel under the pressure changes

301
00:11:20,290 --> 00:11:17,840
but my dog knows when

302
00:11:22,150 --> 00:11:20,300
things are happening and I'd uh dear you

303
00:11:24,010 --> 00:11:22,160
know all these animals I think humans

304
00:11:25,420 --> 00:11:24,020
have the same thing and I think maybe

305
00:11:26,890 --> 00:11:25,430
after this near-death experience it kind

306
00:11:28,600 --> 00:11:26,900
of woke mine up a little bit because I

307
00:11:32,080 --> 00:11:28,610
feel things and I noticed things that I

308
00:11:34,210 --> 00:11:32,090
never really knew before so on a

309
00:11:37,030 --> 00:11:34,220
personal level yeah I I believe that

310
00:11:38,440 --> 00:11:37,040
thanks tonight watch my whole world

311
00:11:40,150 --> 00:11:38,450
opened up and I think without night

312
00:11:41,260 --> 00:11:40,160
watch when I had that heart attack it

313
00:11:42,490 --> 00:11:41,270

would've been even worse I mean it's a

314

00:11:45,250 --> 00:11:42,500

scariest experience that you could ever

315

00:11:46,360 --> 00:11:45,260

imagine it was terrifying I thought I

316

00:11:47,620 --> 00:11:46,370

was never coming out I was in the

317

00:11:49,530 --> 00:11:47,630

hospital a month in a day and I thought

318

00:11:53,380 --> 00:11:49,540

I was gonna die in there honest to god

319

00:11:56,050 --> 00:11:53,390

but because of night watch I wasn't it

320

00:11:57,940 --> 00:11:56,060

was it was better for me it was I was

321

00:12:00,040 --> 00:11:57,950

able to understand maybe where I was

322

00:12:02,140 --> 00:12:00,050

going a little better and what I might

323

00:12:04,600 --> 00:12:02,150

find there you know so I think it's very

324

00:12:06,300 --> 00:12:04,610

important to keep your mind open keep

325

00:12:10,800 --> 00:12:06,310

your heart open and your stand your

326

00:12:14,220 --> 00:12:10,810

perspective open and you know try to be

327

00:12:16,090 --> 00:12:14,230

just like a sponge soak it all in and

328

00:12:17,620 --> 00:12:16,100

I'm not telling you to believe

329

00:12:20,290 --> 00:12:17,630

everything cuz like with me and psychics

330

00:12:23,200 --> 00:12:20,300

I'm still skeptical as hell but I'm like

331

00:12:28,210 --> 00:12:23,210

look I can't say it doesn't exist

332

00:12:30,420 --> 00:12:28,220

because in my mind we are so small in

333

00:12:32,620 --> 00:12:30,430

this universe everything is possible

334

00:12:34,510 --> 00:12:32,630

everything is possible we don't know a

335

00:12:37,180 --> 00:12:34,520

thing we're just humans and there's so

336

00:12:39,090 --> 00:12:37,190

much bigger the whole universe there's

337

00:12:42,370 --> 00:12:39,100

so much bigger and better than us

338

00:12:43,930 --> 00:12:42,380

everywhere so we're a part of it and we

339

00:12:46,090 --> 00:12:43,940

need to learn to be a part of it instead
