

UFO  **HUB**

1
00:00:21,470 --> 00:00:17,210
I'm Jim Marrs a journalist author from

2
00:00:24,500 --> 00:00:21,480
Texas visiting here at the Ozark UFO

3
00:00:27,109 --> 00:00:24,510
conference I've been here years ago and

4
00:00:30,859 --> 00:00:27,119
I'm back again enjoying myself immensely

5
00:00:34,870 --> 00:00:30,869
I love Eureka Springs today I talked

6
00:00:38,450 --> 00:00:34,880
about remote viewing aliens combining

7
00:00:41,300 --> 00:00:38,460
remote viewing with aliens is kind of

8
00:00:43,310 --> 00:00:41,310
joining two weird concepts but then I

9
00:00:44,810 --> 00:00:43,320
thought it was very strange when I

10
00:00:46,880 --> 00:00:44,820
learned them first learned about remote

11
00:00:49,220 --> 00:00:46,890
viewing which is a psychic phenomena

12
00:00:51,349 --> 00:00:49,230
where people can cast their mind out

13
00:00:53,869 --> 00:00:51,359

they used to call it clairvoyance I

14

00:00:55,490 --> 00:00:53,879

thought it was a bunch of nonsense and

15

00:00:57,200 --> 00:00:55,500

now find out the United States Army not

16

00:00:59,569 --> 00:00:57,210

only had been experimenting with it

17

00:01:03,259 --> 00:00:59,579

successfully but testing it and then

18

00:01:05,780 --> 00:01:03,269

actually using it operationally by army

19

00:01:07,820 --> 00:01:05,790

intelligence agents and they were able

20

00:01:10,070 --> 00:01:07,830

to cast their mind out across the world

21

00:01:12,740 --> 00:01:10,080

see what other countries are developing

22

00:01:14,930 --> 00:01:12,750

as far as weapons and things go go look

23

00:01:16,310 --> 00:01:14,940

in on secret meetings and secret

24

00:01:20,780 --> 00:01:16,320

documents and even though their minds

25

00:01:22,580 --> 00:01:20,790

out into outer space and when you use a

26
00:01:24,170 --> 00:01:22,590
remote viewing and you're going to outer

27
00:01:28,219 --> 00:01:24,180
space then all of a sudden you come

28
00:01:30,289 --> 00:01:28,229
face-to-face with the UFOs now the there

29
00:01:32,620 --> 00:01:30,299
are superiors the army superiors in the

30
00:01:34,999 --> 00:01:32,630
Pentagon they didn't really believe and

31
00:01:36,560 --> 00:01:35,009
remote viewing must begin with them they

32
00:01:39,139 --> 00:01:36,570
certainly didn't believe in UFOs or

33
00:01:40,850 --> 00:01:39,149
didn't want to talk about it so the

34
00:01:44,840 --> 00:01:40,860
remote viewers in the army were never

35
00:01:47,410 --> 00:01:44,850
officially tasked to go look at UFOs but

36
00:01:50,929 --> 00:01:47,420
they were tasked to go and look at

37
00:01:52,490 --> 00:01:50,939
high-performance aircraft in the upper

38
00:01:55,039 --> 00:01:52,500

atmosphere you know to see what the

39

00:01:57,620 --> 00:01:55,049

Russians or the Chinese were testing and

40

00:01:59,719 --> 00:01:57,630

when they go up there they'd find out

41

00:02:01,550 --> 00:01:59,729

that as one of them told me he said

42

00:02:04,850 --> 00:02:01,560

those guys are not even from the

43

00:02:06,830 --> 00:02:04,860

neighborhood they found nonhumans that

44

00:02:09,139 --> 00:02:06,840

were flying in the atmosphere so

45

00:02:10,969 --> 00:02:09,149

although some of the remote viewers who

46

00:02:13,100 --> 00:02:10,979

were in the army now some of them will

47

00:02:15,170 --> 00:02:13,110

talk openly about this some of them will

48

00:02:17,720 --> 00:02:15,180

only talk guardedly about it and some

49

00:02:19,700 --> 00:02:17,730

won't talk about it but every single one

50

00:02:22,490 --> 00:02:19,710

of them who were able to go out and do

51
00:02:26,089 --> 00:02:22,500
these mental searches came face to face

52
00:02:27,009 --> 00:02:26,099
with the reality of UFOs well at the

53
00:02:30,490 --> 00:02:27,019
Calm

54
00:02:33,550 --> 00:02:30,500
I simply related the information that I

55
00:02:36,190 --> 00:02:33,560
got from the Army remote viewers as some

56
00:02:37,869 --> 00:02:36,200
of the best ones they had and I think

57
00:02:40,899 --> 00:02:37,879
something that actually was of interest

58
00:02:43,930 --> 00:02:40,909
to most people is that once they had the

59
00:02:45,550 --> 00:02:43,940
knowledge of the reality of UFOs they

60
00:02:48,039 --> 00:02:45,560
began to wonder if there was some sort

61
00:02:50,199 --> 00:02:48,049
of Central Command headquarters or you

62
00:02:52,750 --> 00:02:50,209
know were they all come from it was

63
00:02:55,119 --> 00:02:52,760

there any kind of overall command and so

64

00:02:58,030 --> 00:02:55,129

they actually on their own this was not

65

00:02:59,650 --> 00:02:58,040

official policy but they on their own

66

00:03:01,770 --> 00:02:59,660

they took it upon themselves to go see

67

00:03:03,850 --> 00:03:01,780

if they could find Galactic Federation

68

00:03:06,039 --> 00:03:03,860

headquarters you know for one of a

69

00:03:09,009 --> 00:03:06,049

better expression and sure enough they

70

00:03:11,830 --> 00:03:09,019

found this offworld planet with and they

71

00:03:14,800 --> 00:03:11,840

described a city they described a temple

72

00:03:16,720 --> 00:03:14,810

they described just a lot of fascinating

73

00:03:18,490 --> 00:03:16,730

things and the reason that really

74

00:03:20,410 --> 00:03:18,500

interest me and tells me there's got to

75

00:03:22,750 --> 00:03:20,420

be some credibility to this is that

76

00:03:26,530 --> 00:03:22,760

several different viewers at different

77

00:03:28,270 --> 00:03:26,540

places at different locations casting

78

00:03:28,569 --> 00:03:28,280

their minds out to see what was out

79

00:03:32,229 --> 00:03:28,579

there

80

00:03:34,390 --> 00:03:32,239

and they all saw the same thing well

81

00:03:37,809 --> 00:03:34,400

that just you know what am i researching

82

00:03:39,879 --> 00:03:37,819

and I guess I say everything anything

83

00:03:41,710 --> 00:03:39,889

that comes across my desk that I don't

84

00:03:43,390 --> 00:03:41,720

know about I want to go know about so

85

00:03:44,770 --> 00:03:43,400

I'll go check it out to find out what's

86

00:03:49,030 --> 00:03:44,780

going on

87

00:03:50,530 --> 00:03:49,040

I once you get started studying UFOs

88

00:03:52,449 --> 00:03:50,540

then that leads you to ancient

89

00:03:54,580 --> 00:03:52,459

astronauts and that leads you to the

90

00:03:56,710 --> 00:03:54,590

question of well you know if there were

91

00:03:59,920 --> 00:03:56,720

these nonhumans on the earth in the

92

00:04:01,900 --> 00:03:59,930

distant past did they all leave or some

93

00:04:03,309 --> 00:04:01,910

I'm still here and if some of them are

94

00:04:05,080 --> 00:04:03,319

still here then who are they where are

95

00:04:08,140 --> 00:04:05,090

they and whether they up to and then

96

00:04:11,530 --> 00:04:08,150

that leads you into fascinating subjects

97

00:04:14,920 --> 00:04:11,540

like secret societies of the Freemasons

98

00:04:17,349 --> 00:04:14,930

the Illuminati modern secret societies

99

00:04:20,170 --> 00:04:17,359

like the Bilderbergers the Council on

100

00:04:21,670 --> 00:04:20,180

Foreign Relations the Royal Institute of

101

00:04:23,950 --> 00:04:21,680

International Affairs a trilateral

102

00:04:26,170 --> 00:04:23,960

commission and then these secretive

103

00:04:29,230 --> 00:04:26,180

treaties that they're putting together

104

00:04:31,689 --> 00:04:29,240

now that the public has little input and

105

00:04:34,300 --> 00:04:31,699

little knowledge of at the beginning

106

00:04:36,670 --> 00:04:34,310

with NAFTA and the these trade

107

00:04:39,530 --> 00:04:36,680

agreements the Prosperity Partnership

108

00:04:42,380 --> 00:04:39,540

that Bush signed with Mexico

109

00:04:45,170 --> 00:04:42,390

back in the early 2000 about 2005 and

110

00:04:47,240 --> 00:04:45,180

now this trans-pacific partnership where

111

00:04:50,000 --> 00:04:47,250

we're lining ourselves with these other

112

00:04:52,850 --> 00:04:50,010

nations and yet nobody seems to have a

113

00:04:54,760 --> 00:04:52,860

vote in any of this and it lends a lot

114

00:04:58,310 --> 00:04:54,770

of credence to the idea that there is

115

00:05:00,500 --> 00:04:58,320

this clique of very wealthy globalist as

116

00:05:04,910 --> 00:05:00,510

they call themselves who are trying to

117

00:05:06,380 --> 00:05:04,920

corral us into a new world order I have

118

00:05:09,140 --> 00:05:06,390

every reason to believe that these

119

00:05:12,110 --> 00:05:09,150

globalist have more knowledge perhaps

120

00:05:14,600 --> 00:05:12,120

even direct knowledge of the UFOs and

121

00:05:18,050 --> 00:05:14,610

their occupants than the average person

122

00:05:20,960 --> 00:05:18,060

in fact my book our cultured history

123

00:05:23,510 --> 00:05:20,970

which is I use the term occulted not for

124

00:05:25,820 --> 00:05:23,520

spooks or Satanism or zombies they're

125

00:05:30,320 --> 00:05:25,830

occult things but in the astronomical

126

00:05:33,560 --> 00:05:30,330

sense because when the the moon of

127

00:05:36,230 --> 00:05:33,570

course the Sun have as an eclipse it's

128

00:05:39,620 --> 00:05:36,240

called an occultation and so it's our

129

00:05:42,230 --> 00:05:39,630

hidden history and my working hypothesis

130

00:05:44,600 --> 00:05:42,240

on that book was is there a connection

131

00:05:47,210 --> 00:05:44,610

between all of the stories from around

132

00:05:51,230 --> 00:05:47,220

the world about ancient astronauts these

133

00:05:53,860 --> 00:05:51,240

nonhumans that interfered with human

134

00:05:59,000 --> 00:05:53,870

development in our earliest stages and

135

00:06:02,030 --> 00:05:59,010

today and yes they do for example just

136

00:06:04,820 --> 00:06:02,040

for one example is towards the top of

137

00:06:06,560 --> 00:06:04,830

the financial pyramid it's pretty well

138

00:06:10,370 --> 00:06:06,570

understood that the Rothschild banking

139

00:06:13,070 --> 00:06:10,380

dynasty is you know has inordinate

140

00:06:15,800 --> 00:06:13,080

control over a lot of the world's

141

00:06:18,740 --> 00:06:15,810

economies and they themselves claim to

142

00:06:21,620 --> 00:06:18,750

be the descendants of Nimrod the ancient

143

00:06:24,140 --> 00:06:21,630

Sumerian god king who is thought to be

144

00:06:25,700 --> 00:06:24,150

one of the Anunnaki which translates as

145

00:06:28,850 --> 00:06:25,710

those he came from the heavens and

146

00:06:30,350 --> 00:06:28,860

landed on the earth so yes there does

147

00:06:34,820 --> 00:06:30,360

seem to be a connection there does seem

148

00:06:37,790 --> 00:06:34,830

to be people or individuals on this

149

00:06:40,580 --> 00:06:37,800

planet today who have a much more

150

00:06:43,820 --> 00:06:40,590

intimate knowledge of not only history

151
00:06:47,810 --> 00:06:43,830
but our connection to these space

152
00:06:49,930 --> 00:06:47,820
travelers yes this is one of the

153
00:06:52,559 --> 00:06:49,940
problems I've had of been at this alone

154
00:06:54,239 --> 00:06:52,569
and I have to

155
00:06:56,459 --> 00:06:54,249
forget that there's a lot of people who

156
00:06:59,040 --> 00:06:56,469
are just now becoming aware of these

157
00:07:00,779 --> 00:06:59,050
topics and getting interested in young

158
00:07:02,939 --> 00:07:00,789
people who are just now coming to it and

159
00:07:06,510 --> 00:07:02,949
I tend to forget that they don't know

160
00:07:09,389 --> 00:07:06,520
the things I know and so I'm having to

161
00:07:12,029 --> 00:07:09,399
kind of backtrack and and make sure that

162
00:07:13,739 --> 00:07:12,039
everybody gets up to the same speed you

163
00:07:15,540 --> 00:07:13,749

know it was only just a few short years

164

00:07:18,929 --> 00:07:15,550

ago that when you tried to mention the

165

00:07:20,730 --> 00:07:18,939

the Bilderberg meetings are the try of

166

00:07:22,829 --> 00:07:20,740

the trilateral commission they were

167

00:07:25,379 --> 00:07:22,839

actually people saying well that doesn't

168

00:07:27,629 --> 00:07:25,389

exist you know and it's the same thing

169

00:07:29,760 --> 00:07:27,639

with the ancient astronauts I know when

170

00:07:33,299 --> 00:07:29,770

von Daniken came out with his books back

171

00:07:34,949 --> 00:07:33,309

in the 70s writing about Chariots of the

172

00:07:36,959 --> 00:07:34,959

Gods there that you know the

173

00:07:39,839 --> 00:07:36,969

establishment people just snickered and

174

00:07:41,670 --> 00:07:39,849

said oh it's ridiculous and now you know

175

00:07:44,489 --> 00:07:41,680

it's been one of the most popular TV

176

00:07:47,850 --> 00:07:44,499

series and they have done extraordinary

177

00:07:50,790 --> 00:07:47,860

work in proving up the legends from all

178

00:07:52,529 --> 00:07:50,800

around the world the the basic story of

179

00:07:54,899 --> 00:07:52,539

which concerns people that were flying

180

00:07:56,699 --> 00:07:54,909

through the air so it's all there it's

181

00:07:59,399 --> 00:07:56,709

all very real and I think that it's

182

00:08:02,249 --> 00:07:59,409

important that everyone start paying

183

00:08:07,409 --> 00:08:02,259

serious attention to this because what I

184

00:08:11,790 --> 00:08:07,419

say is if you don't understand about the

185

00:08:14,790 --> 00:08:11,800

place of UFOs and aliens in world

186

00:08:16,769 --> 00:08:14,800

history then you'll never be able to

187

00:08:19,559 --> 00:08:16,779

make any correct decisions about what's
