1
00:00:20,910 --> 00:00:16,330
I'm Annie Stillwater gray I'm very

2
00:00:23,800 --> 00:00:20,920
pleased to be here I first saw my

3
00:00:26,429 --> 00:00:23,810
astrological birth chart when a friend

4
00:00:31,779 --> 00:00:26,439
did it for me I was about 30 years old

5
00:00:36,009 --> 00:00:31,789
when I saw it I recognized it I had seen

6
00:00:39,100 --> 00:00:36,019
it before and I wasn't sure where but it

7
00:00:40,960 --> 00:00:39,110
fascinated me I had to figure out well

8
00:00:45,209 --> 00:00:40,970
what is this and how does it apply to me

9
00:00:48,700 --> 00:00:45,219
and how did you know how did I know it

10
00:00:51,760 --> 00:00:48,710
well now I do know those answers because

11
00:00:54,729 --> 00:00:51,770
I've been working with spirit guides for

12
00:00:56,910 --> 00:00:54,739
quite a while now that when I first saw

13
00:01:00,880 --> 00:00:56,920

my birth chart was I'm going to say 1972

14

00:01:03,850 --> 00:01:00,890

when I first started radio was 1974 and

15

00:01:05,590 --> 00:01:03,860

I started doing astrology on the radio

16

00:01:08,710 --> 00:01:05,600

once I learned that the system of

17

00:01:13,529 --> 00:01:08,720

astrology and then that evolved even

18

00:01:18,100 --> 00:01:13,539

further into more spiritual studies and

19

00:01:22,059 --> 00:01:18,110

in 1989 my spirit guide Darce Amon

20

00:01:25,600 --> 00:01:22,069

Stillwater introduced himself to me it

21

00:01:26,770 --> 00:01:25,610

was a shock I wasn't expecting it so for

22

00:01:30,490 --> 00:01:26,780

those of you who wish to meet your

23

00:01:33,490 --> 00:01:30,500

guides it can come anywhere anytime I

24

00:01:37,120 --> 00:01:33,500

was doing the dishes you know I was in

25

00:01:39,490 --> 00:01:37,130

an old pre-civil war house with a hand

26
00:01:42,880 --> 00:01:39,500
pump and you know no running water and I

27
00:01:45,580 --> 00:01:42,890
was not doing well I'd lost my job I was

28
00:01:49,889 --> 00:01:45,590
had a back injury and he began speaking

29
00:01:53,559 --> 00:01:49,899
to me and believe me that distracted me

30
00:01:57,249 --> 00:01:53,569
and he asked me because I'm really into

31
00:01:59,410 --> 00:01:57,259
music and radio and music he asked me if

32
00:02:01,120 --> 00:01:59,420
we could listen to classical music he

33
00:02:03,790 --> 00:02:01,130
said you never listen to classical music

34
00:02:05,620 --> 00:02:03,800
let's listen to classical music and I'm

35
00:02:10,690 --> 00:02:05,630
like whoa where's this coming from

36
00:02:12,339 --> 00:02:10,700
and it wasn't my voice in my own head

37
00:02:14,800 --> 00:02:12,349
and I knew that because it was a male

38
00:02:17,890 --> 00:02:14,810

voice and it had an accent a British

39

00:02:19,839 --> 00:02:17,900

accent then he says to me well I'd

40

00:02:21,729 --> 00:02:19,849

really like to hear a Bach but you don't

41

00:02:24,130 --> 00:02:21,739

have any Bach you have one Beethoven

42

00:02:27,400 --> 00:02:24,140

record but that'll do all right you

43

00:02:30,310 --> 00:02:27,410

gotta understand this is 1989

44

00:02:33,130 --> 00:02:30,320

and so no CDs yet see these would come

45

00:02:36,670 --> 00:02:33,140

in the early 90s so I had a wall of

46

00:02:39,820 --> 00:02:36,680

vinyl and I walked in there and I didn't

47

00:02:41,860 --> 00:02:39,830

even have to look he guided my hand to

48

00:02:45,490 --> 00:02:41,870

that Beethoven record and I pulled it

49

00:02:49,030 --> 00:02:45,500

out and played it scratches and all so

50

00:02:50,470 --> 00:02:49,040

that was my first experience not long

51

00:02:56,710 --> 00:02:50,480

after this is September

52

00:02:59,140 --> 00:02:56,720

not long after was Christmastime and I

53

00:03:03,400 --> 00:02:59,150

was visiting my mother so we're looking

54

00:03:06,250 --> 00:03:03,410

at Christmas 89 and that was the that

55

00:03:08,530 --> 00:03:06,260

was the time of the the big uprising in

56

00:03:09,880 --> 00:03:08,540

Romania if any of you remember that if

57

00:03:12,190 --> 00:03:09,890

you remember that and it was on

58

00:03:16,390 --> 00:03:12,200

Christmas Day which made me very very

59

00:03:18,790 --> 00:03:16,400

very sad that they the people would rise

60

00:03:20,800 --> 00:03:18,800

up and kill that king and his family his

61

00:03:22,150 --> 00:03:20,810

his young family and his wife and

62

00:03:24,670 --> 00:03:22,160

everything and it was just a slaughter

63

00:03:27,580 --> 00:03:24,680

and it was just awful and I just cried

64

00:03:30,070 --> 00:03:27,590

because you know you think of Christmas

65

00:03:33,370 --> 00:03:30,080

as a peaceful day a day when you you

66

00:03:34,960 --> 00:03:33,380

it's full of joy and birth and and to

67

00:03:37,390 --> 00:03:34,970

have all that kind of death on that day

68

00:03:38,020 --> 00:03:37,400

it may be very sad so I cried for a

69

00:03:40,060 --> 00:03:38,030

while

70

00:03:41,560 --> 00:03:40,070

excused myself from my mother who had

71

00:03:43,360 --> 00:03:41,570

that I didn't want the TV on anymore so

72

00:03:46,510 --> 00:03:43,370

I went to my own room she ran a motel so

73

00:03:47,860 --> 00:03:46,520

I had my own room and cried and got it

74

00:03:50,230 --> 00:03:47,870

kind of got it out of my system and

75

00:03:52,270 --> 00:03:50,240

which I know now because the guides show

76

00:03:54,550 --> 00:03:52,280

me that it's a way of cleansing yourself

77

00:03:58,510 --> 00:03:54,560

when you cry you actually cleanse your

78

00:04:00,100 --> 00:03:58,520

energy system you cleanse your field

79

00:04:04,750 --> 00:04:00,110

your energy field that's what I'm trying

80

00:04:06,670 --> 00:04:04,760

to say and I decided to go out for a

81

00:04:08,410 --> 00:04:06,680

walk and it had been extremely cold this

82

00:04:10,300 --> 00:04:08,420

was December obviously and it had been

83

00:04:13,570 --> 00:04:10,310

extremely cold so for finally it was

84

00:04:15,790 --> 00:04:13,580

warm enough like in the teens this is

85

00:04:18,580 --> 00:04:15,800

now in New England where I could I could

86

00:04:20,410 --> 00:04:18,590

walk around and get some fresh air as

87

00:04:24,700 --> 00:04:20,420

soon as I walked out the door of that

88

00:04:27,760 --> 00:04:24,710

motel I could someone started talking to

89

00:04:30,010 --> 00:04:27,770

me and it wasn't my guide Darcy

90

00:04:31,900 --> 00:04:30,020

I know Darcy we by that time we had been

91

00:04:33,790 --> 00:04:31,910

conversing for a number of months and

92

00:04:35,880 --> 00:04:33,800

and so I knew him and I knew his energy

93

00:04:41,070 --> 00:04:35,890

and I knew his voice this was not him

94

00:04:46,240 --> 00:04:41,080

this was I came to find a master guide

95

00:04:48,969 --> 00:04:46,250

and he cuffed her comforted me by saying

96

00:04:52,629 --> 00:04:48,979

things will change things will change

97

00:04:54,459 --> 00:04:52,639

and so I said good how quickly will that

98

00:04:58,390 --> 00:04:54,469

happen I'd like to see that turn around

99

00:05:00,939 --> 00:04:58,400

and he said well he said first how would

100

00:05:07,029 --> 00:05:00,949

you like to be a leader in the new time

101
00:05:09,010 --> 00:05:07,039
and so I whoa what does that entail

102
00:05:10,779 --> 00:05:09,020
I mean I'm not going to sign on unless I

103
00:05:13,330 --> 00:05:10,789
know what they're asking me to do here

104
00:05:16,899 --> 00:05:13,340
you know Joan of Arc came to mind you

105
00:05:19,260 --> 00:05:16,909
know and so there's no no no no we just

106
00:05:22,839 --> 00:05:19,270
want you to write down some material

107
00:05:26,350 --> 00:05:22,849
it's material that has been lost to

108
00:05:29,100 --> 00:05:26,360
humanity for a long time because they

109
00:05:31,420 --> 00:05:29,110
haven't been ready to handle it only

110
00:05:33,339 --> 00:05:31,430
shaman and you really highly evolved

111
00:05:35,860 --> 00:05:33,349
like gurus and Yogi's and so have been

112
00:05:40,240 --> 00:05:35,870
at have had access to this material but

113
00:05:42,100 --> 00:05:40,250

now humanity has evolved so that hey

114

00:05:43,480 --> 00:05:42,110

it's now time for you to for these

115

00:05:46,930 --> 00:05:43,490

people that you know of course we all

116

00:05:48,399 --> 00:05:46,940

have to take it and use it well so they

117

00:05:50,800 --> 00:05:48,409

said okay no we want you to get up at

118

00:05:53,890 --> 00:05:50,810

dawn every morning and just write down

119

00:05:55,450 --> 00:05:53,900

what Darcy tells you because what had

120

00:05:57,010 --> 00:05:55,460

happened with Darcy actually worked with

121

00:05:59,439 --> 00:05:57,020

a group of Master guides to prepare the

122

00:06:01,170 --> 00:05:59,449

material so that he could because I had

123

00:06:03,279 --> 00:06:01,180

such a good strong connection with Darcy

124

00:06:04,480 --> 00:06:03,289

you know he could sit with me and he

125

00:06:07,269 --> 00:06:04,490

could just tell me telling me so I

126

00:06:09,369 --> 00:06:07,279

basically that book I did word-for-word

127

00:06:11,950 --> 00:06:09,379

and then if I didn't understand

128

00:06:13,839 --> 00:06:11,960

something I'd go back and say well wait

129

00:06:15,309 --> 00:06:13,849

a minute what do you mean by this you

130

00:06:16,990 --> 00:06:15,319

know this is confusing me if it's

131

00:06:21,070 --> 00:06:17,000

confusing me it's gonna confuse other

132

00:06:23,860 --> 00:06:21,080

people because you know so and so what

133

00:06:26,829 --> 00:06:23,870

came out was the dawn book information

134

00:06:29,189 --> 00:06:26,839

from the master guides it took me a year

135

00:06:32,980 --> 00:06:29,199

to write it has four illustrations and

136

00:06:35,559 --> 00:06:32,990

then the next year during the first Gulf

137

00:06:36,909 --> 00:06:35,569

War in 1991 I was typing it and it gave

138

00:06:39,610 --> 00:06:36,919

me a great deal of comfort during that

139

00:06:43,839 --> 00:06:39,620

war to be to be working on something so

140

00:06:45,790 --> 00:06:43,849

spectacular so precious so evolved now

141

00:06:48,670 --> 00:06:45,800

some of the information that was given

142

00:06:50,260 --> 00:06:48,680

to me was stuff that I knew already like

143

00:06:52,959 --> 00:06:50,270

the chakras and that you know I'd been

144

00:06:53,830 --> 00:06:52,969

studying certain things and I knew some

145

00:06:57,600 --> 00:06:53,840

of it but a lot of

146

00:07:00,010 --> 00:06:57,610

didn't know and a lot of it was just

147

00:07:02,500 --> 00:07:00,020

liberating like you open it up in the

148

00:07:04,030 --> 00:07:02,510

first page it talks about when your

149

00:07:06,610 --> 00:07:04,040

first breath that you take when you

150

00:07:08,440 --> 00:07:06,620

awake in the morning you know you know

151
00:07:11,230 --> 00:07:08,450
breathe in and beat and be happy that

152
00:07:15,159 --> 00:07:11,240
you're alive be happy that you're here

153
00:07:17,320 --> 00:07:15,169
and you're in your you know so that's a

154
00:07:19,930 --> 00:07:17,330
that's a wonderful way to start a buzz I

155
00:07:23,200 --> 00:07:19,940
thought so this that's how the dawn book

156
00:07:26,170 --> 00:07:23,210
came about and from that then I started

157
00:07:29,860 --> 00:07:26,180
teaching people how to connect with

158
00:07:31,690 --> 00:07:29,870
their guides to me it's probably the

159
00:07:33,969 --> 00:07:31,700
most important work we can do in this

160
00:07:36,969 --> 00:07:33,979
time right now that we're in is to

161
00:07:39,340 --> 00:07:36,979
connect to our spirit helpers and of

162
00:07:41,710 --> 00:07:39,350
course the good news is we all have one

163
00:07:43,120 --> 00:07:41,720

that's assigned to us or chooses to us I

164

00:07:48,129 --> 00:07:43,130

should say probably it's the better way

165

00:07:51,640 --> 00:07:48,139

because everybody has a private spirit

166

00:07:52,840 --> 00:07:51,650

guide a personal guardian angel some

167

00:07:54,370 --> 00:07:52,850

people call them gatekeepers the

168

00:07:56,770 --> 00:07:54,380

spiritualist call them gatekeepers but

169

00:07:59,110 --> 00:07:56,780

it's one spirit guide that's assigned to

170

00:08:00,760 --> 00:07:59,120

you or that signs on they actually do a

171

00:08:03,250 --> 00:08:00,770

little sign on at least that's the way

172

00:08:05,680 --> 00:08:03,260

what's presented to me is that when

173

00:08:08,909 --> 00:08:05,690

you're getting ready to enter back into

174

00:08:11,830 --> 00:08:08,919

a human body and enter earth and be born

175

00:08:15,880 --> 00:08:11,840

then you do a number of things you

176

00:08:18,430 --> 00:08:15,890

create your soul contract what are you

177

00:08:20,560 --> 00:08:18,440

going to work on this lifetime and

178

00:08:22,090 --> 00:08:20,570

usually number one is unconditional love

179

00:08:23,920 --> 00:08:22,100

we can all work on that forever you know

180

00:08:28,029 --> 00:08:23,930

but there's a number of things you know

181

00:08:30,029 --> 00:08:28,039

it envy jealousy fear you know there's

182

00:08:32,890 --> 00:08:30,039

all kinds of different things

183

00:08:35,320 --> 00:08:32,900

guilt shame and you know could be all

184

00:08:38,350 --> 00:08:35,330

kinds of things whatever specific to you

185

00:08:41,050 --> 00:08:38,360

you have brought forward from a past

186

00:08:42,520 --> 00:08:41,060

incarnation and then you have now you

187

00:08:45,670 --> 00:08:42,530

have to address it and try to deal with

188

00:08:47,500 --> 00:08:45,680

it so you make the contract sign the

189

00:08:48,910 --> 00:08:47,510

contract from the contract comes the

190

00:08:50,410 --> 00:08:48,920

birth chart which is the astrological

191

00:08:53,019 --> 00:08:50,420

birth chart that I was speaking of

192

00:08:54,880 --> 00:08:53,029

that's kind of why I started there so

193

00:08:56,920 --> 00:08:54,890

you create all that before you're born

194

00:08:58,480 --> 00:08:56,930

and so they're there for before I even

195

00:09:01,210 --> 00:08:58,490

came to earth I knew the exact moment I

196

00:09:03,579 --> 00:09:01,220

was going to be born people ask me about

197

00:09:07,280 --> 00:09:03,589

caesareans all the time and I say oh

198

00:09:10,250 --> 00:09:07,290

that's you know that's all planned for

199

00:09:11,660 --> 00:09:10,260

there's if they if they see the thing is

200

00:09:13,730 --> 00:09:11,670

people don't really understand that the

201
00:09:17,060 --> 00:09:13,740
the soul enters the womb of the mother

202
00:09:20,030 --> 00:09:17,070
only between two weeks and and three

203
00:09:21,470 --> 00:09:20,040
days before the birth it's around it's

204
00:09:24,700 --> 00:09:21,480
checking it out for instance all right

205
00:09:27,670 --> 00:09:24,710
here's a good example if a mother is in

206
00:09:30,830 --> 00:09:27,680
in in perfect health but then maybe

207
00:09:34,130 --> 00:09:30,840
starts doing something adverse to the

208
00:09:36,620 --> 00:09:34,140
child drinking or take some sort of drug

209
00:09:38,060 --> 00:09:36,630
or whatever a different entity is going

210
00:09:40,310 --> 00:09:38,070
to want to come in because the a

211
00:09:42,320 --> 00:09:40,320
different entity will now be in that

212
00:09:44,180 --> 00:09:42,330
situation to have to be in that family

213
00:09:46,370 --> 00:09:44,190

and have those particular circumstances

214

00:09:48,620 --> 00:09:46,380

to deal with so that's why they wait

215

00:09:50,150 --> 00:09:48,630

until really close to the birth before

216

00:09:51,470 --> 00:09:50,160

the soul enters because they want to

217

00:09:56,450 --> 00:09:51,480

make sure it's the right soul for the

218

00:09:58,840 --> 00:09:56,460

right family and the right mother and so

219

00:10:02,750 --> 00:09:58,850

that's important to understand because

220

00:10:04,820 --> 00:10:02,760

you know it could change out you know

221

00:10:06,740 --> 00:10:04,830

within three days depending upon what

222

00:10:10,430 --> 00:10:06,750

you as a mother as a pregnant woman is

223

00:10:12,320 --> 00:10:10,440

doing and then of course once you once

224

00:10:15,380 --> 00:10:12,330

you're born then that sets your birth

225

00:10:16,970 --> 00:10:15,390

chart and then conversely what I learned

226

00:10:18,350 --> 00:10:16,980

was and this is from the second book

227

00:10:23,330 --> 00:10:18,360

which I'll start talking about now if

228

00:10:24,920 --> 00:10:23,340

that's okay the dawn book was so it was

229

00:10:26,990 --> 00:10:24,930

full of so much information it's sort of

230

00:10:28,850 --> 00:10:27,000

like I say to people if you have a Bible

231

00:10:31,760 --> 00:10:28,860

you should have the dawn book because

232

00:10:33,950 --> 00:10:31,770

it's an update it's for today it's for

233

00:10:36,740 --> 00:10:33,960

now it's for dealing with our times now

234

00:10:39,230 --> 00:10:36,750

you know the Bible has is wonderful you

235

00:10:42,320 --> 00:10:39,240

know and but this how about we updated

236

00:10:44,270 --> 00:10:42,330

and we we bring forth information that's

237

00:10:46,850 --> 00:10:44,280

applicable to our times which are

238

00:10:48,890 --> 00:10:46,860

changing quite quickly so that's what

239

00:10:52,640 --> 00:10:48,900

the dawn book is I tried to get it

240

00:10:54,080 --> 00:10:52,650

published this is 1991 finally my

241

00:10:56,780 --> 00:10:54,090

friends gave me some money and I made a

242

00:10:59,890 --> 00:10:56,790

small run of 130 those sold

243

00:11:03,320 --> 00:10:59,900

so then 98 we did the second run

244

00:11:04,430 --> 00:11:03,330

so finally Darcy says to me my god again

245

00:11:08,150 --> 00:11:04,440

I'll remind you

246

00:11:10,610 --> 00:11:08,160

says to me write a book about me if you

247

00:11:13,340 --> 00:11:10,620

write a book about me that will sell the

248

00:11:15,860 --> 00:11:13,350

dawn book all right so Darcy and I in

249

00:11:18,590 --> 00:11:15,870

2000 sit down and take the entire year

250

00:11:20,870 --> 00:11:18,600

to write his story which is the story of

251

00:11:24,680 --> 00:11:20,880

a gentleman an English gentleman

252

00:11:29,780 --> 00:11:24,690

who dies in 1836 and when he's he's

253

00:11:31,040 --> 00:11:29,790

brought over to the other side he's told

254

00:11:33,920 --> 00:11:31,050

that he's earned the right to become a

255

00:11:36,110 --> 00:11:33,930

spirit guide and of course in 1836

256

00:11:38,690 --> 00:11:36,120

nobody knew what a spirit guide was a

257

00:11:39,410 --> 00:11:38,700

very few people did or if they didn't

258

00:11:44,000 --> 00:11:39,420

talk about it

259

00:11:45,590 --> 00:11:44,010

so he said tell me what a spirit guide

260

00:11:48,530 --> 00:11:45,600

is because I can't make an informed

261

00:11:50,030 --> 00:11:48,540

decision unless you show me so he's he's

262

00:11:52,610 --> 00:11:50,040

taken around and show what spirit guides

263

00:11:55,430 --> 00:11:52,620

do and you know guardian angels if you

264

00:11:56,870 --> 00:11:55,440

will and he also sees the spirit guide

265

00:11:59,330 --> 00:11:56,880

University and the type of training

266

00:12:01,070 --> 00:11:59,340

he'll have to go through and he makes

267

00:12:03,200 --> 00:12:01,080

the decision to go ahead with it and

268

00:12:05,810 --> 00:12:03,210

then we follow him through some of his

269

00:12:07,910 --> 00:12:05,820

classes his he meets his mentors he

270

00:12:10,000 --> 00:12:07,920

meets his teachers he he goes through it

271

00:12:12,740 --> 00:12:10,010

his first class is unconditional love

272

00:12:15,440 --> 00:12:12,750

then his second class is non judgment

273

00:12:17,780 --> 00:12:15,450

right then he starts getting into

274

00:12:19,580 --> 00:12:17,790

techniques like reading energy fields

275

00:12:21,170 --> 00:12:19,590

because when our spirit guides look at

276

00:12:23,030 --> 00:12:21,180

us they don't see our physical bodies so

277

00:12:25,190 --> 00:12:23,040

much as they see our energy and that's

278

00:12:26,960 --> 00:12:25,200

how they can tell how we're doing by the

279

00:12:30,890 --> 00:12:26,970

color of it and the concentration and

280

00:12:35,150 --> 00:12:30,900

and so on he also learned telepathy in

281

00:12:40,820 --> 00:12:35,160

and then about I don't know how I think

282

00:12:42,260 --> 00:12:40,830

it's chapter 3 or 4 he remembers me he

283

00:12:44,300 --> 00:12:42,270

starts reading about his past lives

284

00:12:45,890 --> 00:12:44,310

because between classes he has time and

285

00:12:48,500 --> 00:12:45,900

he goes to this big library that they

286

00:12:50,060 --> 00:12:48,510

have I guess it could be the Akashic

287

00:12:51,320 --> 00:12:50,070

records said oh no that was never clear

288

00:12:52,730 --> 00:12:51,330

but he goes and he starts reading about

289

00:12:56,980 --> 00:12:52,740

his past lives and the first one he

290

00:13:01,850 --> 00:12:56,990

comes across is a life in Egypt where he

291

00:13:03,770 --> 00:13:01,860

apprenticed of me as I was a teacher and

292

00:13:05,390 --> 00:13:03,780

a healer and he was five years younger

293

00:13:06,980 --> 00:13:05,400

and he was my student but he was a very

294

00:13:09,400 --> 00:13:06,990

gifted student and we started to work

295

00:13:11,900 --> 00:13:09,410

together and then we fell in love

296

00:13:14,330 --> 00:13:11,910

stories and this book is called

297

00:13:16,250 --> 00:13:14,340

education of a guardian angel so

298

00:13:17,180 --> 00:13:16,260

actually that was written second but it

299

00:13:19,370 --> 00:13:17,190

came out first

300

00:13:21,830 --> 00:13:19,380

thanks to Ozark Mountain publishing

301

00:13:23,990 --> 00:13:21,840

because they had the vision and the

302

00:13:27,440 --> 00:13:24,000

foresight and the you know and and the

303

00:13:29,150 --> 00:13:27,450

wisdom and the bravery to print it and

304

00:13:30,020 --> 00:13:29,160

print the other things the wonderful

305

00:13:33,079 --> 00:13:30,030

things that they've done

306

00:13:34,530 --> 00:13:33,089

so therefore education of a guardian

307

00:13:37,970 --> 00:13:34,540

angel came out in 24

308

00:13:40,680 --> 00:13:37,980

and it told Darcy story and my story

309

00:13:43,710 --> 00:13:40,690

because there are a number of past lives

310

00:13:47,730 --> 00:13:43,720

in there to show how we evolve together

311

00:13:49,470 --> 00:13:47,740

as a couple and also to show why he got

312

00:13:51,180 --> 00:13:49,480

tapped on the shoulder to be a spirit

313

00:13:54,750 --> 00:13:51,190

guide and I did not because of the

314

00:13:57,930 --> 00:13:54,760

mistakes I made and how he then once he

315

00:13:59,550 --> 00:13:57,940

found that out he's like buggin he's

316

00:14:01,440 --> 00:13:59,560

like I've got it I've got a helper you

317

00:14:02,910 --> 00:14:01,450

know help me get through this training I

318

00:14:04,320 --> 00:14:02,920

want to go in a helper I want a helper

319

00:14:06,090 --> 00:14:04,330

he kept saying where is she I want to

320

00:14:07,830 --> 00:14:06,100

meet her I want to see her go away so

321

00:14:09,620 --> 00:14:07,840

then there's a part where they train

322

00:14:14,550 --> 00:14:09,630

together it's part of the book too but

323

00:14:16,230 --> 00:14:14,560

what's really satisfying is now we're

324

00:14:18,660 --> 00:14:16,240

doing exactly what we're supposed to be

325

00:14:21,720 --> 00:14:18,670

doing and this all came about started

326

00:14:24,390 --> 00:14:21,730

way back in 1989 and here

327

00:14:27,180 --> 00:14:24,400

however in two years later this 25 or

328

00:14:29,850 --> 00:14:27,190

something you know it's it's happening
