1  
00:00:00,000 --> 00:00:13,840

by

2  
00:00:20,640 --> 00:00:17,080

I'm really pleased to be able to share

3  
00:00:25,690 --> 00:00:20,650

more about the phenomenon of

4  
00:00:30,190 --> 00:00:25,700

extraterrestrial - human hybrids as I

5  
00:00:32,910 --> 00:00:30,200

think of them ET human hybrids just in

6  
00:00:35,799 --> 00:00:32,920

the past year there's been so much more

7  
00:00:38,799 --> 00:00:35,809

that's been coming into my awareness

8  
00:00:44,140 --> 00:00:38,809

about this subject it's it's just

9  
00:00:48,220 --> 00:00:44,150

dazzling about a year ago this month a

10  
00:00:52,890 --> 00:00:48,230

man from England a writer got in touch

11  
00:00:57,850 --> 00:00:52,900

with me his name is McGill mendonça and

12  
00:01:00,729 --> 00:00:57,860

a wonderful much younger man and he was

13  
00:01:03,549 --> 00:01:00,739

very interested in the subject of ET

14

00:01:06,210 --> 00:01:03,559

human hybrids and had been doing some

15

00:01:07,510 --> 00:01:06,220

research on that and then he found me on

16

00:01:11,560 --> 00:01:07,520

YouTube

17

00:01:15,160 --> 00:01:11,570

a couple of films talking about that

18

00:01:19,510 --> 00:01:15,170

subject and realized that I knew a lot

19

00:01:23,469 --> 00:01:19,520

about that subject a lot more than he

20

00:01:26,980 --> 00:01:23,479

did so he invited me to collaborate with

21

00:01:30,999 --> 00:01:26,990

him on writing a book that was last to

22

00:01:33,789 --> 00:01:31,009

April 2015 and just several months later

23

00:01:37,630 --> 00:01:33,799

after were both putting in a tremendous

24

00:01:41,200 --> 00:01:37,640

amount of interview time and work we

25

00:01:44,830 --> 00:01:41,210

published that book which is called meet

26

00:01:49,090 --> 00:01:44,840

the hybrids which was published in

27

00:01:54,399 --> 00:01:49,100

December 2015 and is available on

28

00:01:57,459 --> 00:01:54,409

amazon.com and barnesandnoble.com but in

29

00:02:01,810 --> 00:01:57,469

those interfering months of we

30

00:02:06,219 --> 00:02:01,820

interviewed eight people whom we truly

31

00:02:09,639 --> 00:02:06,229

believe are ET human hybrids who are

32

00:02:13,900 --> 00:02:09,649

living here on earth with us and these

33

00:02:17,620 --> 00:02:13,910

are wonderful people excellent people we

34

00:02:21,580 --> 00:02:17,630

are just thrilled to know so each of

35

00:02:26,780 --> 00:02:21,590

these hybrids was born here on earth

36

00:02:29,959 --> 00:02:26,790

from a human mother and human father

37

00:02:33,890 --> 00:02:29,969

but they were influenced to be hybrids

38

00:02:36,920 --> 00:02:33,900

in various ways each has a slightly

39

00:02:42,190 --> 00:02:36,930

different understanding of how they were

40

00:02:46,490 --> 00:02:42,200

created to be a hybrid so some of them

41

00:02:49,309 --> 00:02:46,500

were created when they were normally in

42

00:02:53,500 --> 00:02:49,319

their mothers wombs and the mother

43

00:02:56,959 --> 00:02:53,510

received injections from certain

44

00:03:02,330 --> 00:02:56,969

extraterrestrials and the injections had

45

00:03:06,110 --> 00:03:02,340

in them of various ET genetics so that

46

00:03:10,490 --> 00:03:06,120

formed the fetus in the womb to be a

47

00:03:13,190 --> 00:03:10,500

hybrid and in each case these hybrids

48

00:03:17,839 --> 00:03:13,200

were born the normal way that we humans

49

00:03:22,789 --> 00:03:17,849

do birth procedures and grew up here on

50

00:03:27,710 --> 00:03:22,799

earth in the human world in one of the

51  
00:03:31,189 --> 00:03:27,720  
other cases there had been sperm taken

52  
00:03:34,460 --> 00:03:31,199  
from the human father and eggs taken

53  
00:03:37,430 --> 00:03:34,470  
from the human mother taken by the

54  
00:03:41,050 --> 00:03:37,440  
extraterrestrials and then that

55  
00:03:44,270 --> 00:03:41,060  
combination had been combined with

56  
00:03:47,059 --> 00:03:44,280  
extraterrestrial genetics in probably

57  
00:03:50,930 --> 00:03:47,069  
the equivalent to one of our petri

58  
00:03:54,969 --> 00:03:50,940  
dishes and then that was implanted into

59  
00:03:58,339 --> 00:03:54,979  
the womb of the mother during an

60  
00:04:02,180 --> 00:03:58,349  
experience and abduction as many people

61  
00:04:05,030 --> 00:04:02,190  
call them and then that fetus grew up to

62  
00:04:09,500 --> 00:04:05,040  
be you know a full-term baby and was

63  
00:04:12,170 --> 00:04:09,510

born in the regular way so there are

64

00:04:15,349 --> 00:04:12,180

other ways to like for instance one of

65

00:04:18,050 --> 00:04:15,359

our hybrid women was born in the regular

66

00:04:21,939 --> 00:04:18,060

way mother and father and then when she

67

00:04:26,300 --> 00:04:21,949

was age six she had an encounter with

68

00:04:30,230 --> 00:04:26,310

certain extraterrestrial beings and they

69

00:04:33,830 --> 00:04:30,240

gave her an injection when she was on

70

00:04:37,029 --> 00:04:33,840

board the UFO with them and that

71

00:04:40,179 --> 00:04:37,039

injection contained extraterrestrial

72

00:04:45,219 --> 00:04:40,189

genetics of three different species

73

00:04:49,929 --> 00:04:45,229

in her case and so at age six she became

74

00:04:52,899 --> 00:04:49,939

an et human-hybrid so those are just

75

00:04:56,619 --> 00:04:52,909

some examples and but everyone has their

76

00:05:02,290 --> 00:04:56,629

own understanding of just how that

77

00:05:05,350 --> 00:05:02,300

happened because to see these people you

78

00:05:09,519 --> 00:05:05,360

would think that they're totally regular

79

00:05:13,389 --> 00:05:09,529

human beings they have learned to acts

80

00:05:15,850 --> 00:05:13,399

like regular human beings they look like

81

00:05:21,369 --> 00:05:15,860

human beings and they have been living

82

00:05:26,999 --> 00:05:21,379

their entire lives here on earth in each

83

00:05:31,269 --> 00:05:27,009

case however these hybrids have all felt

84

00:05:34,149 --> 00:05:31,279

different than everybody around them

85

00:05:37,119 --> 00:05:34,159

they've even felt very different than

86

00:05:40,540 --> 00:05:37,129

the families that they were born into

87

00:05:43,689 --> 00:05:40,550

and certainly different them anybody

88

00:05:47,589 --> 00:05:43,699

else in school or anybody else they saw

89

00:05:50,139 --> 00:05:47,599

in society and they never understood

90

00:05:55,089 --> 00:05:50,149

that difference you know if they asked

91

00:05:59,469 --> 00:05:55,099

their parents why why do I feel like my

92

00:06:01,659 --> 00:05:59,479

home isn't really here and the parents

93

00:06:04,029 --> 00:06:01,669

would say of course your home is here

94

00:06:07,659 --> 00:06:04,039

you know we very much want you and we

95

00:06:11,230 --> 00:06:07,669

always did want you and the hybrid

96

00:06:14,859 --> 00:06:11,240

youngster might say well why do I feel

97

00:06:19,179 --> 00:06:14,869

like my home is out there somewhere and

98

00:06:22,119 --> 00:06:19,189

that my real real people are not here

99

00:06:25,329 --> 00:06:22,129

they're out there I don't understand but

100

00:06:29,339 --> 00:06:25,339

I keep feeling this and of course that

101  
00:06:34,499 --> 00:06:29,349  
was always baffling to the human parents

102  
00:06:36,059 --> 00:06:34,509  
so anyway these these hybrid children

103  
00:06:39,579 --> 00:06:36,069  
realize that there were other

104  
00:06:42,669 --> 00:06:39,589  
differences to which they discover just

105  
00:06:45,939 --> 00:06:42,679  
through regular childhood experiences of

106  
00:06:48,909 --> 00:06:45,949  
having medical check-ups and in some

107  
00:06:51,159 --> 00:06:48,919  
cases they had something a bit wrong

108  
00:06:53,960 --> 00:06:51,169  
going on and had to have medical

109  
00:06:57,290 --> 00:06:53,970  
procedures and it was discovery

110  
00:07:00,760 --> 00:06:57,300  
from these regular medical ways that in

111  
00:07:03,740 --> 00:07:00,770  
some cases they had real physiological

112  
00:07:04,330 --> 00:07:03,750  
differences different from the rest of

113  
00:07:07,490 --> 00:07:04,340

us

114

00:07:13,040 --> 00:07:07,500

for instance one lady had a very

115

00:07:15,950 --> 00:07:13,050

different bone consistency and wherever

116

00:07:19,280 --> 00:07:15,960

her bones were tested throughout her

117

00:07:24,770 --> 00:07:19,290

body they realized d we have never seen

118

00:07:26,480 --> 00:07:24,780

on earth a bone consistency like this so

119

00:07:30,350 --> 00:07:26,490

that was sort of another indication that

120

00:07:32,080 --> 00:07:30,360

mmm she really was different she didn't

121

00:07:36,050 --> 00:07:32,090

just feel different but she really was

122

00:07:40,700 --> 00:07:36,060

different in various ways and another

123

00:07:44,780 --> 00:07:40,710

one had a very unusual blood type that

124

00:07:47,120 --> 00:07:44,790

we don't have here in humanity so these

125

00:07:50,360 --> 00:07:47,130

things were part of medical records of

126  
00:07:53,210 --> 00:07:50,370  
course for these people and I think are

127  
00:07:57,530 --> 00:07:53,220  
very good indications that something

128  
00:08:00,230 --> 00:07:57,540  
really is different about them another

129  
00:08:04,490 --> 00:08:00,240  
one of our hybrid people had a different

130  
00:08:08,530 --> 00:08:04,500  
muscle consistency generally speaking

131  
00:08:12,290 --> 00:08:08,540  
she was a woman even in childhood she

132  
00:08:13,300 --> 00:08:12,300  
was worn by her doctors not to play

133  
00:08:16,400 --> 00:08:13,310  
sports

134  
00:08:19,580 --> 00:08:16,410  
doing nothing competitive physically

135  
00:08:24,350 --> 00:08:19,590  
because her bones were so I mean her

136  
00:08:27,800 --> 00:08:24,360  
muscles were so weak and so she's lived

137  
00:08:31,040 --> 00:08:27,810  
her whole life that way and now she's a

138  
00:08:33,260 --> 00:08:31,050

woman who's nearly 50 years old and and

139

00:08:35,719 --> 00:08:33,270

she still has to be very careful

140

00:08:38,659 --> 00:08:35,729

physically because her muscles just

141

00:08:43,610 --> 00:08:38,669

won't do what the rest of our muscles

142

00:08:47,330 --> 00:08:43,620

will do so these are indications too

143

00:08:50,630 --> 00:08:47,340

that some of these people these hybrids

144

00:08:54,860 --> 00:08:50,640

really have differences from us they

145

00:08:58,060 --> 00:08:54,870

also have skills that many of us don't

146

00:09:02,240 --> 00:08:58,070

have they're all very very keen in

147

00:09:06,140 --> 00:09:02,250

psychic skills and clairvoyance and they

148

00:09:07,260 --> 00:09:06,150

can see into other dimensions they can

149

00:09:10,860 --> 00:09:07,270

give very

150

00:09:15,780 --> 00:09:10,870

interesting psychic readings and even

151

00:09:17,579 --> 00:09:15,790

what they call star origin readings in

152

00:09:24,060 --> 00:09:17,589

other words they can meet with a person

153

00:09:27,210 --> 00:09:24,070

and until many of the lifetimes that a

154

00:09:31,110 --> 00:09:27,220

person has had previous to this lifetime

155

00:09:35,190 --> 00:09:31,120

and even in some of the star origin

156

00:09:37,949 --> 00:09:35,200

readings I had one of them done by one

157

00:09:42,680 --> 00:09:37,959

of our hybrids named Jacqueline Smith

158

00:09:46,800 --> 00:09:42,690

and she told me the very first

159

00:09:51,150 --> 00:09:46,810

incarnation that I had ever had from

160

00:09:55,290 --> 00:09:51,160

that told a total spirit state of being

161

00:09:59,340 --> 00:09:55,300

of my first incarnation was not into a

162

00:10:03,600 --> 00:09:59,350

physical realm at all it was into what

163

00:10:08,780 --> 00:10:03,610

she called a celestial realm and then

164

00:10:12,840 --> 00:10:08,790

she proceeded to tell me a various

165

00:10:17,579 --> 00:10:12,850

extraterrestrial species that I had had

166

00:10:21,990 --> 00:10:17,589

lifetimes as part of and when she came

167

00:10:26,730 --> 00:10:22,000

to telling me about the Mantis beings

168

00:10:30,990 --> 00:10:26,740

I just felt elated and thrilled because

169

00:10:34,280 --> 00:10:31,000

in all these 26 years of doing work in

170

00:10:38,519 --> 00:10:34,290

regressing people to extraterrestrial

171

00:10:43,500 --> 00:10:38,529

encounters the beings that in all those

172

00:10:46,740 --> 00:10:43,510

years I felt the most fond of were the

173

00:10:50,790 --> 00:10:46,750

Mantis beings sometimes people call them

174

00:10:55,530 --> 00:10:50,800

the insectoid beings but I had always

175

00:11:00,170 --> 00:10:55,540

had a very favorable impression of them

176

00:11:03,150 --> 00:11:00,180

and how kindly they are and how

177

00:11:06,690 --> 00:11:03,160

unconditionally loving people have

178

00:11:09,199 --> 00:11:06,700

reported them to be and I sort of

179

00:11:13,079 --> 00:11:09,209

identified with them in in various ways

180

00:11:16,230 --> 00:11:13,089

without knowing why so when Jacqueline

181

00:11:19,199 --> 00:11:16,240

gave me that star origin reading and

182

00:11:20,879 --> 00:11:19,209

said that I had had a number of

183

00:11:24,809 --> 00:11:20,889

different lifetimes

184

00:11:29,819 --> 00:11:24,819

as a mantis being I suddenly thought oh

185

00:11:33,059 --> 00:11:29,829

no wonder that makes total sense that of

186

00:11:35,939 --> 00:11:33,069

why I have resonated and felt so

187

00:11:39,019 --> 00:11:35,949

trusting of them so loving of them

188

00:11:41,819 --> 00:11:39,029

because I had been one of them before I

189

00:11:45,030 --> 00:11:41,829

realized that in talking about these

190

00:11:47,689 --> 00:11:45,040

things it's it's a big stretch for many

191

00:11:51,439 --> 00:11:47,699

people hearing this kind of material

192

00:11:54,869 --> 00:11:51,449

hearing about the et human hybrids

193

00:11:59,389 --> 00:11:54,879

certainly just in itself and also

194

00:12:03,629 --> 00:11:59,399

hearing about previous lifetimes as an

195

00:12:05,519 --> 00:12:03,639

extraterrestrial being but in all the

196

00:12:09,329 --> 00:12:05,529

work that I have done I've come to

197

00:12:13,710 --> 00:12:09,339

recognize that yes I do trust this I do

198

00:12:16,789 --> 00:12:13,720

believe that this is true it's just that

199

00:12:20,609 --> 00:12:16,799

most of us humans have not been aware of

200

00:12:23,069 --> 00:12:20,619

these different aspects before that's

201

00:12:26,159 --> 00:12:23,079

one of the reasons why I really enjoy

202

00:12:29,669 --> 00:12:26,169

talking publicly about this to sort of

203

00:12:33,030 --> 00:12:29,679

open up our parameters open up our

204

00:12:38,429 --> 00:12:33,040

understanding of the way things really

205

00:12:41,159 --> 00:12:38,439

are beyond what we know about usually so

206

00:12:46,499 --> 00:12:41,169

the more that I have been meeting with

207

00:12:49,609 --> 00:12:46,509

these hybrids had hundreds of hours at

208

00:12:53,639 --> 00:12:49,619

least a hundred and twenty hours of

209

00:12:57,539 --> 00:12:53,649

interviews with these hybrids in order

210

00:13:03,169 --> 00:12:57,549

to write the book meet the hybrids with

211

00:13:07,769 --> 00:13:03,179

each one I have had such an expansion of

212

00:13:10,799 --> 00:13:07,779

point of view because a lot of their

213

00:13:14,460 --> 00:13:10,809

material comes from their

214

00:13:18,749 --> 00:13:14,470

extraterrestrial beings whom they are

215

00:13:23,220 --> 00:13:18,759

genetically part of and whom they have

216

00:13:26,340 --> 00:13:23,230

fairly regular encounters with they also

217

00:13:29,669 --> 00:13:26,350

have a lot of guidance by their

218

00:13:34,350 --> 00:13:29,679

extraterrestrial beings so consequently

219

00:13:37,889 --> 00:13:34,360

they learn a lot about the perspectives

220

00:13:41,430 --> 00:13:37,899

of those beings those beings of course

221

00:13:44,699 --> 00:13:41,440

are living way out in the galaxies and

222

00:13:47,460 --> 00:13:44,709

other planets and other star systems and

223

00:13:50,970 --> 00:13:47,470

so of course they have a different

224

00:13:56,060 --> 00:13:50,980

viewpoint of things than we do on planet

225

00:13:59,460 --> 00:13:56,070

earth some of these beings are also a

226

00:14:04,500 --> 00:13:59,470

other-dimensional so there's somewhat

227

00:14:08,880 --> 00:14:04,510

physical but of a much lighter vibration

228

00:14:13,490 --> 00:14:08,890

lighter frequency and so to us they

229

00:14:16,019 --> 00:14:13,500

might be almost see-through or almost

230

00:14:19,980 --> 00:14:16,029

transparent because they're not as

231

00:14:24,620 --> 00:14:19,990

densely physical as we human beings and

232

00:14:28,350 --> 00:14:24,630

all life-forms are here on planet Earth

233

00:14:31,800 --> 00:14:28,360

so they consequently have a really

234

00:14:34,139 --> 00:14:31,810

different perspective of things one of

235

00:14:36,900 --> 00:14:34,149

the perspectives that I really

236

00:14:42,259 --> 00:14:36,910

appreciate is that with all of these

237

00:14:47,340 --> 00:14:42,269

species about 16 to 20 different species

238

00:14:52,350 --> 00:14:47,350

that are part of these hybrids and we've

239

00:14:55,410 --> 00:14:52,360  
come to know they all have independently

240

00:15:01,139 --> 00:14:55,420  
from each other they all have the

241

00:15:05,280 --> 00:15:01,149  
understanding that there is god but they

242

00:15:09,350 --> 00:15:05,290  
don't use that term for God they they

243

00:15:14,400 --> 00:15:09,360  
understand that it is the all one

244

00:15:18,930 --> 00:15:14,410  
creative source that is in and is part

245

00:15:22,319 --> 00:15:18,940  
of everything and that doesn't MIT just

246

00:15:26,220 --> 00:15:22,329  
mean everything here on earth but

247

00:15:32,850 --> 00:15:26,230  
everything in the whole of creation the

248

00:15:37,290 --> 00:15:32,860  
entire cosmos most so we are one with

249

00:15:41,009 --> 00:15:37,300  
these extraterrestrial species as well

250

00:15:46,350 --> 00:15:41,019  
as we are one with all of each other and

251  
00:15:47,910 --> 00:15:46,360  
all life-forms here on earth and from

252  
00:15:51,329 --> 00:15:47,920  
the ET

253  
00:15:56,060 --> 00:15:51,339  
perspective they see that Wow

254  
00:16:00,900 --> 00:15:56,070  
earth people are so stuck into

255  
00:16:05,009 --> 00:16:00,910  
separation that each person feels really

256  
00:16:06,840 --> 00:16:05,019  
separate from every other person and I

257  
00:16:11,129 --> 00:16:06,850  
will agree I have always felt that

258  
00:16:14,220 --> 00:16:11,139  
myself now I'm beginning to expand more

259  
00:16:16,949 --> 00:16:14,230  
and to a more inclusive point of view

260  
00:16:20,460 --> 00:16:16,959  
but I think we're all very conditioned

261  
00:16:25,350 --> 00:16:20,470  
here on earth to think that we really

262  
00:16:28,050 --> 00:16:25,360  
are separate and individual and in

263  
00:16:31,350 --> 00:16:28,060

certain cultures like in the United

264

00:16:35,600 --> 00:16:31,360

States culture it's been very promoted

265

00:16:37,850 --> 00:16:35,610

very prized to feel that oh we're

266

00:16:41,400 --> 00:16:37,860

individualist and we have our own

267

00:16:43,610 --> 00:16:41,410

individual life and our own individual

268

00:16:46,439 --> 00:16:43,620

path and that's been a source of pride

269

00:16:49,650 --> 00:16:46,449

actually when you come to think of it

270

00:16:54,720 --> 00:16:49,660

and then of course we've have all the

271

00:16:58,470 --> 00:16:54,730

separateness of Americans versus you

272

00:17:02,189 --> 00:16:58,480

know English or anglers versus Hispanic

273

00:17:05,939 --> 00:17:02,199

or whites versus blacks or Christians

274

00:17:10,650 --> 00:17:05,949

versus Muslims or you know it just seems

275

00:17:16,069 --> 00:17:10,660

like whatever religion there is there

276

00:17:19,140 --> 00:17:16,079

are other religions who disbelieve in

277

00:17:22,949 --> 00:17:19,150

anything that is separate from them and

278

00:17:26,760 --> 00:17:22,959

are very often very very opposed to each

279

00:17:28,860 --> 00:17:26,770

other to the extent of war and and loads

280

00:17:32,820 --> 00:17:28,870

of killing we certainly see that today

281

00:17:35,730 --> 00:17:32,830

in the world going on and that we even

282

00:17:40,230 --> 00:17:35,740

have things for recreation like we have

283

00:17:43,140 --> 00:17:40,240

sports teams in all the sports you know

284

00:17:45,720 --> 00:17:43,150

one team over the other in baseball one

285

00:17:49,789 --> 00:17:45,730

team over the other in basketball or

286

00:17:53,940 --> 00:17:49,799

football or hockey or soccer or tennis

287

00:17:57,539 --> 00:17:53,950

even individuals against individuals so

288

00:17:59,460 --> 00:17:57,549

it's very much an emphasis here on the

289

00:18:04,820 --> 00:17:59,470

earth about this

290

00:18:08,039 --> 00:18:04,830

and competition but in many of these

291

00:18:10,860 --> 00:18:08,049

extraterrestrial cultures they they

292

00:18:14,629 --> 00:18:10,870

don't have that they have more of a

293

00:18:19,340 --> 00:18:14,639

spirit of cooperating with each other of

294

00:18:23,399 --> 00:18:19,350

each one peacefully doing his or her own

295

00:18:27,119 --> 00:18:23,409

part for the sake of the whole working

296

00:18:33,230 --> 00:18:27,129

of the culture and they see us as being

297

00:18:36,360 --> 00:18:33,240

very retrograde in many ways and very

298

00:18:40,259 --> 00:18:36,370

materialistically oriented which indeed

299

00:18:44,879 --> 00:18:40,269

we are I'm certainly one of them along

300

00:18:48,060 --> 00:18:44,889

with everybody and it isn't that way it

301

00:18:51,899 --> 00:18:48,070

isn't that isn't emphasized so much in

302

00:18:55,619 --> 00:18:51,909

these other extraterrestrial cultures

303

00:18:59,549 --> 00:18:55,629

and what a difference that would make

304

00:19:05,100 --> 00:18:59,559

so they're more interested in the spirit

305

00:19:09,869 --> 00:19:05,110

and consciousness and cooperation so

306

00:19:14,869 --> 00:19:09,879

very very different ways of living than

307

00:19:19,039 --> 00:19:14,879

our ways of living here on earth these

308

00:19:23,369 --> 00:19:19,049

extraterrestrial species are so knowing

309

00:19:28,230 --> 00:19:23,379

they're so clairvoyant and I think they

310

00:19:32,369 --> 00:19:28,240

must do procedures akin to what we call

311

00:19:37,769 --> 00:19:32,379

remote viewing because they know so much

312

00:19:40,440 --> 00:19:37,779

about us down to tiny little details I

313

00:19:45,450 --> 00:19:40,450

have noticed about individual people

314

00:19:51,899 --> 00:19:45,460

even as well as the human civilization

315

00:19:57,629 --> 00:19:51,909

as a whole and they realize these et

316

00:20:03,180 --> 00:19:57,639

species that we are really fraught with

317

00:20:05,700 --> 00:20:03,190

danger danger of eliminating all life on

318

00:20:09,330 --> 00:20:05,710

Earth we could do it within a few

319

00:20:12,150 --> 00:20:09,340

minutes if we set off our nuclear

320

00:20:15,260 --> 00:20:12,160

proliferation and

321

00:20:18,660 --> 00:20:15,270

very very concerned about this and

322

00:20:20,690 --> 00:20:18,670

concerned about the consciousness that

323

00:20:24,240 --> 00:20:20,700

we've all gotten caught up in in

324

00:20:27,150 --> 00:20:24,250

humanity this over and against this

325

00:20:31,290 --> 00:20:27,160

competitive kind of consciousness I've

326

00:20:35,750 --> 00:20:31,300

been talking about so therefore they

327

00:20:39,900 --> 00:20:35,760

would like to help human civilization on

328

00:20:43,470 --> 00:20:39,910

planet Earth instead of they're coming

329

00:20:46,920 --> 00:20:43,480

here individually and looking remarkably

330

00:20:51,090 --> 00:20:46,930

different and probably having a really

331

00:20:51,570 --> 00:20:51,100

difficult time living here year after

332

00:20:55,170 --> 00:20:51,580

year

333

00:21:00,720 --> 00:20:55,180

so instead of that they are creating

334

00:21:05,480 --> 00:21:00,730

these hybrid people who are primarily

335

00:21:09,720 --> 00:21:05,490

human and therefore can live here and

336

00:21:12,360 --> 00:21:09,730

handle our bacteria or viruses just our

337

00:21:16,290 --> 00:21:12,370

way of living in this denser third

338

00:21:20,460 --> 00:21:16,300

dimension and yet also having a good

339

00:21:24,360 --> 00:21:20,470

proportion of extraterrestrial genetics

340

00:21:27,840 --> 00:21:24,370

and characteristics in them so these

341

00:21:33,020 --> 00:21:27,850

hybrids have talked about how they

342

00:21:35,750 --> 00:21:33,030

understand that they are sent by the

343

00:21:39,230 --> 00:21:35,760

extraterrestrial beings and they were

344

00:21:42,810 --> 00:21:39,240

even as recently as their previous

345

00:21:47,010 --> 00:21:42,820

lifetime their last lifetime they were a

346

00:21:50,490 --> 00:21:47,020

member of one of those species they

347

00:21:55,040 --> 00:21:50,500

actually have conscious memories in many

348

00:21:57,450 --> 00:21:55,050

cases of some of those lifetimes as an

349

00:22:01,610 --> 00:21:57,460

extraterrestrial species living

350

00:22:06,110 --> 00:22:01,620

elsewhere so they consider themselves

351  
00:22:11,160 --> 00:22:06,120  
bridges bridges between their

352  
00:22:15,480 --> 00:22:11,170  
extraterrestrials and human beings they

353  
00:22:18,510 --> 00:22:15,490  
are here partly to let us know that it

354  
00:22:21,840 --> 00:22:18,520  
really is true that the universe is full

355  
00:22:23,919 --> 00:22:21,850  
of intelligent life and there are very

356  
00:22:26,980 --> 00:22:23,929  
specific species

357  
00:22:30,220 --> 00:22:26,990  
of many many different types some of

358  
00:22:33,869 --> 00:22:30,230  
them more positive from our point of

359  
00:22:36,909 --> 00:22:33,879  
view more loving more helpful more

360  
00:22:39,820 --> 00:22:36,919  
cooperative more inspired more

361  
00:22:43,480 --> 00:22:39,830  
spiritually advanced and those are the

362  
00:22:47,549 --> 00:22:43,490  
species that these hybrids are coming

363  
00:22:52,680 --> 00:22:47,559

from so they have come to help upgrade

364

00:22:56,230 --> 00:22:52,690

the consciousness of humanity and

365

00:22:59,529 --> 00:22:56,240

they're doing it in various ways they're

366

00:23:03,220 --> 00:22:59,539

not making any big sensational deal of

367

00:23:06,149 --> 00:23:03,230

themselves they just simply teach their

368

00:23:09,489 --> 00:23:06,159

classes and give coaching's and

369

00:23:13,749 --> 00:23:09,499

teachings and counseling's to various

370

00:23:18,399 --> 00:23:13,759

individuals and they do a lot of healing

371

00:23:21,249 --> 00:23:18,409

work actually physical healing they have

372

00:23:24,249 --> 00:23:21,259

these abilities and they give the life

373

00:23:26,859 --> 00:23:24,259

readings to help human individuals to

374

00:23:31,269 --> 00:23:26,869

understand more about their own lives

375

00:23:33,220 --> 00:23:31,279

and their own purposes of being here so

376

00:23:36,999 --> 00:23:33,230

each one of these hybrids has a

377

00:23:41,399 --> 00:23:37,009

different mission and the mission always

378

00:23:45,970 --> 00:23:41,409

has to do with improving and upgrading

379

00:23:50,889 --> 00:23:45,980

humanity in various ways so their lives

380

00:23:53,830 --> 00:23:50,899

are completely about the service I have

381

00:23:58,090 --> 00:23:53,840

found these hybrids to be really

382

00:24:01,389 --> 00:23:58,100

delightful wonderful people they have a

383

00:24:06,759 --> 00:24:01,399

sense of humor they laugh like the rest

384

00:24:09,129 --> 00:24:06,769

of us do they are flexible they realize

385

00:24:11,590 --> 00:24:09,139

that they are different and they realize

386

00:24:13,299 --> 00:24:11,600

that many many people would not be

387

00:24:16,109 --> 00:24:13,309

comfortable knowing that they are

388

00:24:19,320 --> 00:24:16,119

hybrids and so they don't go around

389

00:24:23,379 --> 00:24:19,330

announcing this or you know trying to

390

00:24:27,159 --> 00:24:23,389

draw attention to that but when it does

391

00:24:30,009 --> 00:24:27,169

come out and they are asked to speak at

392

00:24:33,669 --> 00:24:30,019

a conference or be interviewed on a

393

00:24:36,750 --> 00:24:33,679

radio program usually they will agree to

394

00:24:41,670 --> 00:24:36,760

do that because that again is

395

00:24:43,500 --> 00:24:41,680

their mission to help humans to know

396

00:24:46,620 --> 00:24:43,510

about this to know about the other

397

00:24:50,010 --> 00:24:46,630

species and that the other species are

398

00:24:54,150 --> 00:24:50,020

very caring about us and trying to help

399

00:24:57,780 --> 00:24:54,160

us and also they want to have people

400

00:25:00,810 --> 00:24:57,790

know that they are full of these special

401  
00:25:04,650 --> 00:25:00,820  
skills that they can share with anybody

402  
00:25:06,840 --> 00:25:04,660  
who would want to so what a wonderful

403  
00:25:09,810 --> 00:25:06,850  
thing it is I think I think that we're

404  
00:25:13,980 --> 00:25:09,820  
very blessed that we have these hybrids

405  
00:25:18,420 --> 00:25:13,990  
here on earth with us it turns out that

406  
00:25:20,820 --> 00:25:18,430  
they are all very articulate people so

407  
00:25:25,620 --> 00:25:20,830  
that when they're asked to speak

408  
00:25:30,360 --> 00:25:25,630  
publicly they really do a very clear

409  
00:25:33,810 --> 00:25:30,370  
nice job of that just a couple of months

410  
00:25:38,430 --> 00:25:33,820  
ago I was at a really huge conference

411  
00:25:41,730 --> 00:25:38,440  
the International UFO Congress and I was

412  
00:25:45,840 --> 00:25:41,740  
giving a lecture about this and I was so

413  
00:25:50,460 --> 00:25:45,850

fortunate to have six of the hybrids

414

00:25:53,250 --> 00:25:50,470

from the book meet the hybrids six of

415

00:25:56,400 --> 00:25:53,260

those eight hybrids were able to be

416

00:25:59,760 --> 00:25:56,410

there at the conference and one by one

417

00:26:02,310 --> 00:25:59,770

after I gave my part of the lecture they

418

00:26:05,100 --> 00:26:02,320

came up on the platform and they each

419

00:26:08,070 --> 00:26:05,110

had several minutes to talk about

420

00:26:12,360 --> 00:26:08,080

whatever message they would like to get

421

00:26:16,760 --> 00:26:12,370

across about being a hybrid and about

422

00:26:21,170 --> 00:26:16,770

the extraterrestrials well I was

423

00:26:25,190 --> 00:26:21,180

absolutely amazed at the positive

424

00:26:30,030 --> 00:26:25,200

reception not only that I had received

425

00:26:32,820 --> 00:26:30,040

in my part of the lecture but how very

426

00:26:36,960 --> 00:26:32,830

much appreciated each one of the six

427

00:26:42,170 --> 00:26:36,970

hybrids was so for the next four days of

428

00:26:45,510 --> 00:26:42,180

the conference these hybrids and I were

429

00:26:50,139 --> 00:26:45,520

surrounded by people who wanted to know

430

00:26:53,589 --> 00:26:50,149

more and who wanted to thank them

431

00:26:58,629 --> 00:26:53,599

for volunteering to be here in this

432

00:27:03,549 --> 00:26:58,639

lifetime as humans even though they are

433

00:27:09,369 --> 00:27:03,559

partly extraterrestrial in each case

434

00:27:14,739 --> 00:27:09,379

these hybrids are made up of two species

435

00:27:18,369 --> 00:27:14,749

at least or in some cases one woman has

436

00:27:22,869 --> 00:27:18,379

about seven different extraterrestrial

437

00:27:28,659 --> 00:27:22,879

species in her and the others have two

438

00:27:32,379 --> 00:27:28,669

or three so that means that they get to

439

00:27:35,229 --> 00:27:32,389

know about those other species because

440

00:27:39,489 --> 00:27:35,239

they have frequent encounters with them

441

00:27:42,459 --> 00:27:39,499

and very frequently they're taken to one

442

00:27:45,789 --> 00:27:42,469

of the other planets the home planet of

443

00:27:50,229 --> 00:27:45,799

one of these species and they get to

444

00:27:53,879 --> 00:27:50,239

have what a fortunate thing I think such

445

00:27:57,189 --> 00:27:53,889

a unique perspective about the universe

446

00:28:00,429 --> 00:27:57,199

from being on other planets and being

447

00:28:05,709 --> 00:28:00,439

with the other species so when I compare

448

00:28:09,969 --> 00:28:05,719

our lives here on earth with their lives

449

00:28:16,359 --> 00:28:09,979

I think wow we are so relatively limited

450

00:28:19,569 --> 00:28:16,369

in our knowing and our perspective on so

451

00:28:22,329 --> 00:28:19,579

much of reality and they get to

452

00:28:26,349 --> 00:28:22,339

experience it and they are very pleased

453

00:28:31,119 --> 00:28:26,359

to share that with humanity with anybody

454

00:28:35,259 --> 00:28:31,129

who's interested in listening to that so

455

00:28:39,489 --> 00:28:35,269

buy it it's fascinating I think we're

456

00:28:43,749 --> 00:28:39,499

very fortunate as a humanity to have

457

00:28:47,559 --> 00:28:43,759

these hybrid beings with us I need to

458

00:28:51,939 --> 00:28:47,569

also say that there is a very different

459

00:28:55,499 --> 00:28:51,949

point of view about hybrids as well for

460

00:29:00,159 --> 00:28:55,509

instance dr. David Jacobs whom I liked

461

00:29:03,830 --> 00:29:00,169

tremendously and have known him for many

462

00:29:08,029 --> 00:29:03,840

years probably 22 years

463

00:29:10,930 --> 00:29:08,039

oh he has done a lot of regression work

464

00:29:16,070 --> 00:29:10,940

with people who've had extraterrestrial

465

00:29:21,080 --> 00:29:16,080

encounters also and he has learned in

466

00:29:25,789 --> 00:29:21,090

his work that there are et human hybrids

467

00:29:31,669 --> 00:29:25,799

who have been brought up on the ships

468

00:29:34,610 --> 00:29:31,679

the UFOs and they are trained to come to

469

00:29:37,820 --> 00:29:34,620

earth they have enough human component

470

00:29:41,539 --> 00:29:37,830

in them so they can actually get along

471

00:29:46,130 --> 00:29:41,549

here and they are trying to come into

472

00:29:49,039 --> 00:29:46,140

Earth lives and live among humans and he

473

00:29:53,830 --> 00:29:49,049

thinks that the purpose of that is for

474

00:29:58,279 --> 00:29:53,840

them to eventually take over the earth

475

00:30:00,909 --> 00:29:58,289

now that is such a totally different

476

00:30:05,029 --> 00:30:00,919

point of view than what I have found

477

00:30:10,370 --> 00:30:05,039

about the hybrids and all I can say is

478

00:30:13,340 --> 00:30:10,380

that maybe all of the above is true he

479

00:30:16,430 --> 00:30:13,350

disagrees with my findings and I

480

00:30:20,240 --> 00:30:16,440

disagree with his findings but there's

481

00:30:23,260 --> 00:30:20,250

room for all of it and I think we're

482

00:30:24,919 --> 00:30:23,270

just talking about different

483

00:30:28,610 --> 00:30:24,929

extraterrestrial species

484

00:30:31,070 --> 00:30:28,620

who have different agendas and the ones

485

00:30:34,639 --> 00:30:31,080

that I happen to have the very good

486

00:30:37,210 --> 00:30:34,649

fortune to be in touch with are the ones

487

00:30:40,279 --> 00:30:37,220

from very very benevolent

488

00:30:43,250 --> 00:30:40,289

extraterrestrial species who are here

489

00:30:46,220 --> 00:30:43,260

with those genetics in them and are

490

00:30:50,389 --> 00:30:46,230

definitely here for a very positive

491

00:30:53,110 --> 00:30:50,399

mission on earth I think we can all
