

1
00:00:08,860 --> 00:00:06,190
it has occurred to some of you but

2
00:00:10,419 --> 00:00:08,870
surprisingly it hasn't a lot of you that

3
00:00:12,820 --> 00:00:10,429
almost from the very beginning the

4
00:00:15,090 --> 00:00:12,830
metaphysical and spiritual subjects go

5
00:00:17,410 --> 00:00:15,100
hand in hand with the UFO phenomena

6
00:00:19,720 --> 00:00:17,420
starting with Betty and Barney Hill and

7
00:00:22,150 --> 00:00:19,730
others that followed we've had messages

8
00:00:24,790 --> 00:00:22,160
and teachings of wisdom and caution from

9
00:00:26,950 --> 00:00:24,800
these visitors about what we are doing

10
00:00:29,110 --> 00:00:26,960
to our planet and what we as individuals

11
00:00:32,950 --> 00:00:29,120
can do to improve our lives and our

12
00:00:35,260 --> 00:00:32,960
environment with that being said we have

13
00:00:36,729 --> 00:00:35,270

had contact ease abductees and channels

14

00:00:39,130 --> 00:00:36,739

conveyed to us that we as individuals

15

00:00:42,130 --> 00:00:39,140

have to change in order to see a

16

00:00:44,229 --> 00:00:42,140

difference out there don't blame your

17

00:00:47,259 --> 00:00:44,239

government for only doing what we wanted

18

00:00:49,000 --> 00:00:47,269

it to we said we have fears of others so

19

00:00:51,549 --> 00:00:49,010

the government said don't worry I will

20

00:00:53,079 --> 00:00:51,559

build the border and protect you we said

21

00:00:55,630 --> 00:00:53,089

that we are weak and cannot fend for

22

00:00:57,939 --> 00:00:55,640

ourselves so the government said I will

23

00:00:59,860 --> 00:00:57,949

build an army to make you strong when we

24

00:01:02,139 --> 00:00:59,870

concentrate on ourselves and become

25

00:01:04,450 --> 00:01:02,149

aware of the power we hold within and

26
00:01:06,969 --> 00:01:04,460
choose to live in alignment according to

27
00:01:09,340 --> 00:01:06,979
this new understanding then tomorrow

28
00:01:11,950 --> 00:01:09,350
when seven billion people wake up and

29
00:01:13,660 --> 00:01:11,960
live their lives by simply choosing

30
00:01:16,929 --> 00:01:13,670
according to who and what they truly are

31
00:01:19,719 --> 00:01:16,939
that would be enormous Antoinette

32
00:01:21,609 --> 00:01:19,729
governments no chemicals no illuminati

33
00:01:24,249 --> 00:01:21,619
that would simply be 7 billion people

34
00:01:25,499 --> 00:01:24,259
living life differently and no one to

35
00:01:28,990 --> 00:01:25,509
stand in their way

36
00:01:32,770 --> 00:01:29,000
so when you see a UFO hot video and it's

37
00:01:35,830 --> 00:01:32,780
about spirituality chemtrails 911 aliens

38
00:01:38,620 --> 00:01:35,840

UFOs you name it know that it is all

39

00:01:40,779 --> 00:01:38,630

interconnected and it is up to you to
