

UFO 

1
00:00:15,709 --> 00:00:12,860
you know years ago I got into the UFO

2
00:00:19,640 --> 00:00:15,719
subject via studying us cold war

3
00:00:22,340 --> 00:00:19,650
strategy basically geopolitics America

4
00:00:24,349 --> 00:00:22,350
and the Soviets the birth of the

5
00:00:26,000 --> 00:00:24,359
National Security Empire in the United

6
00:00:29,120 --> 00:00:26,010
States and all event that's I did that

7
00:00:31,070 --> 00:00:29,130
long before I was studying UFOs and that

8
00:00:35,120 --> 00:00:31,080
that has never left me I've always

9
00:00:37,280 --> 00:00:35,130
studied that so of the last six eight

10
00:00:39,830 --> 00:00:37,290
months I would say I've been kind of

11
00:00:44,299 --> 00:00:39,840
re-exploring a lot of that and looking

12
00:00:48,819 --> 00:00:44,309
into sort of the grand geopolitics of

13
00:00:51,170 --> 00:00:48,829

the world today of the 21st century

14

00:00:53,779 --> 00:00:51,180

constantly trying to integrate that into

15

00:00:56,290 --> 00:00:53,789

my understanding of the UFO phenomenon

16

00:00:58,610 --> 00:00:56,300

and the UFO cover-up as I see it

17

00:01:00,439 --> 00:00:58,620

implications for what we call disclosure

18

00:01:03,889 --> 00:01:00,449

and the like so for example I've been

19

00:01:05,929 --> 00:01:03,899

looking at the secret or not so secret

20

00:01:07,280 --> 00:01:05,939

war by the United States against Russia

21

00:01:09,289 --> 00:01:07,290

that's going on right now and

22

00:01:13,670 --> 00:01:09,299

secondarily against China and that's all

23

00:01:15,440 --> 00:01:13,680

happening the unrest that's going on in

24

00:01:17,960 --> 00:01:15,450

the Middle East and in Central Asia I

25

00:01:21,440 --> 00:01:17,970

think are all related I'm looking at

26
00:01:26,240 --> 00:01:21,450
these part of part of the world in which

27
00:01:28,640 --> 00:01:26,250
we live is a world of false flags it

28
00:01:30,859 --> 00:01:28,650
says what I think I think we live in an

29
00:01:32,390 --> 00:01:30,869
era of false flags and this is something

30
00:01:35,690 --> 00:01:32,400
that I've been looking into more and

31
00:01:37,190 --> 00:01:35,700
more over the past six months and to the

32
00:01:40,609 --> 00:01:37,200
extent that has become a very very big

33
00:01:42,050 --> 00:01:40,619
part of my my waking life these days so

34
00:01:46,490 --> 00:01:42,060
that's what I'm looking at right now in

35
00:01:49,760 --> 00:01:46,500
basically a history of false flags you

36
00:01:51,980 --> 00:01:49,770
know it's been said that and by the way

37
00:01:54,920 --> 00:01:51,990
if someone listening doesn't know what a

38
00:01:56,359 --> 00:01:54,930

false flag is it's essentially an act by

39

00:01:58,789 --> 00:01:56,369

a government or by an intelligence

40

00:02:00,139 --> 00:01:58,799

agency or by an organization usually an

41

00:02:03,260 --> 00:02:00,149

act of violence something shocking

42

00:02:06,139 --> 00:02:03,270

killing people and so forth that is then

43

00:02:08,779 --> 00:02:06,149

blamed on another party these days that

44

00:02:10,609 --> 00:02:08,789

usually means terrorists that's a false

45

00:02:11,570 --> 00:02:10,619

flag we think of 9/11 many of us think

46

00:02:13,280 --> 00:02:11,580

of 9/11 as

47

00:02:15,470 --> 00:02:13,290

Flag I certainly do think of it in that

48

00:02:17,300 --> 00:02:15,480

way and there's many many other examples

49

00:02:19,760 --> 00:02:17,310

of false flags so what I'm doing is I've

50

00:02:22,280 --> 00:02:19,770

collected what I think is it is a

51
00:02:25,010 --> 00:02:22,290
compendium of them basically a large

52
00:02:26,570 --> 00:02:25,020
list of what look like probable false

53
00:02:28,550 --> 00:02:26,580
flag events and I'm I'm writing a

54
00:02:29,660 --> 00:02:28,560
historical treatment of them all there

55
00:02:31,490 --> 00:02:29,670
are a lot of people who think the false

56
00:02:34,460 --> 00:02:31,500
black flags go back through ancient

57
00:02:36,520 --> 00:02:34,470
times that's probably true but in

58
00:02:39,260 --> 00:02:36,530
practice what I found are very few

59
00:02:42,850 --> 00:02:39,270
definite false flags from really many

60
00:02:46,310 --> 00:02:42,860
many centuries ago it's probably a few

61
00:02:48,950 --> 00:02:46,320
what I've definitely decided is that

62
00:02:51,130 --> 00:02:48,960
it's in the last century little more

63
00:02:55,449 --> 00:02:51,140

than a century that this has become a

64
00:02:58,520 --> 00:02:55,459
real phenomenon something that's become

65
00:03:02,540 --> 00:02:58,530
done with with real sophistication you

66
00:03:04,930 --> 00:03:02,550
know and then I think particularly since

67
00:03:13,180 --> 00:03:04,940
the second world war is when false flags

68
00:03:18,710 --> 00:03:15,920
sophistication almost like a science

69
00:03:21,770 --> 00:03:18,720
where it's done now today this a science

70
00:03:23,509 --> 00:03:21,780
of false flags and the leader of them is

71
00:03:25,970 --> 00:03:23,519
certainly the United States if there

72
00:03:28,430 --> 00:03:25,980
were an Olympics a false Flags the US

73
00:03:30,020 --> 00:03:28,440
would get the gold Israel would get the

74
00:03:32,030 --> 00:03:30,030
silver and I think Britain would

75
00:03:33,680 --> 00:03:32,040
probably get the bronze I think that's

76

00:03:36,110 --> 00:03:33,690

probably how it would go when I look

77

00:03:38,390 --> 00:03:36,120

back over the last 60 70 years of false

78

00:03:40,610 --> 00:03:38,400

flag events I would say that's probably

79

00:03:42,890 --> 00:03:40,620

and and you know what that means is it's

80

00:03:45,320 --> 00:03:42,900

the US and its closest strategic allies

81

00:03:47,240 --> 00:03:45,330

are the leaders I'm not seeing many

82

00:03:50,990 --> 00:03:47,250

false Flags coming out of Russia for

83

00:03:52,910 --> 00:03:51,000

example many there's the classic blend

84

00:03:55,130 --> 00:03:52,920

the invasion of Finland back in 1940

85

00:03:58,940 --> 00:03:55,140

yeah that was a false flag there's a

86

00:04:01,670 --> 00:03:58,950

very good case to be made for the unrest

87

00:04:05,780 --> 00:04:01,680

in Chechnya in 1999 which is what got

88

00:04:07,490 --> 00:04:05,790

Putin into power by the way as having at

89

00:04:09,979 --> 00:04:07,500

least in part being done this false

90

00:04:12,350 --> 00:04:09,989

flags by the FSB which was Putin's thing

91

00:04:14,120 --> 00:04:12,360

now one point when I realized that a lot

92

00:04:16,460 --> 00:04:14,130

of these false flags were American

93

00:04:18,440 --> 00:04:16,470

initiated or initiated by America's

94

00:04:23,060 --> 00:04:18,450

strategic allies I started asking myself

95

00:04:25,490 --> 00:04:23,070

why is this so why and I think the

96

00:04:28,280 --> 00:04:25,500

answer is at least in large

97

00:04:32,090 --> 00:04:28,290

because the United States is at a point

98

00:04:34,550 --> 00:04:32,100

where it is this close I think to total

99

00:04:36,920 --> 00:04:34,560

global domination it's like in that

100

00:04:39,650 --> 00:04:36,930

movie Highlander where they said there

101
00:04:41,090 --> 00:04:39,660
can only be one and I think I think

102
00:04:43,070 --> 00:04:41,100
that's really where we're at right now

103
00:04:47,510 --> 00:04:43,080
the United States and its allies account

104
00:04:47,900 --> 00:04:47,520
for 85% of all military spending in the

105
00:04:52,220 --> 00:04:47,910
world

106
00:04:56,570 --> 00:04:52,230
85% China and Russia combined account

107
00:04:58,250 --> 00:04:56,580
for I believe 11 percent as of 2014 so

108
00:05:00,640 --> 00:04:58,260
it's really it's America's game here and

109
00:05:03,830 --> 00:05:00,650
they're trying to eliminate all rivals

110
00:05:07,280 --> 00:05:03,840
to do that they need to control all of

111
00:05:09,560 --> 00:05:07,290
the resources of Africa there's a lot of

112
00:05:12,530 --> 00:05:09,570
minerals in Africa there's a lot of oil

113
00:05:14,750 --> 00:05:12,540

in Africa natural gas Middle East and

114

00:05:18,290 --> 00:05:14,760

Central Asia that stretch of the world

115

00:05:22,190 --> 00:05:18,300

it is essential to take control over all

116

00:05:24,920 --> 00:05:22,200

of it and in order to do this it's been

117

00:05:26,420 --> 00:05:24,930

necessary for them to if you know if

118

00:05:28,100 --> 00:05:26,430

you're going to institute regime change

119

00:05:29,540 --> 00:05:28,110

if you're going to if you're going to

120

00:05:33,280 --> 00:05:29,550

have Wars that could not otherwise be

121

00:05:37,070 --> 00:05:33,290

justified you need to have at least

122

00:05:39,620 --> 00:05:37,080

access to false flags because the thing

123

00:05:42,409 --> 00:05:39,630

is you've got to be able to engage the

124

00:05:45,400 --> 00:05:42,419

population enough to convince them that

125

00:05:48,469 --> 00:05:45,410

these types of wars are necessary and

126

00:05:50,390 --> 00:05:48,479

the only way you're really going to do

127

00:05:52,760 --> 00:05:50,400

that is at least at times they're the

128

00:05:54,560 --> 00:05:52,770

ultimate the ultimate propaganda weapon

129

00:05:58,280 --> 00:05:54,570

in the toolkit and that's the weapon of

130

00:06:00,610 --> 00:05:58,290

the false flag you know you you kill

131

00:06:03,140 --> 00:06:00,620

people you blame it on another party and

132

00:06:05,750 --> 00:06:03,150

you say it is necessary for us to do

133

00:06:07,490 --> 00:06:05,760

something about this to save lives you

134

00:06:09,050 --> 00:06:07,500

know for democracy and for whatever but

135

00:06:12,020 --> 00:06:09,060

in fact the real reason is to take over

136

00:06:14,900 --> 00:06:12,030

oil fields or to steal money out of bank

137

00:06:17,060 --> 00:06:14,910

accounts or to secure you know

138

00:06:19,340 --> 00:06:17,070

geographic areas for pipelines natural

139

00:06:21,230 --> 00:06:19,350

gas pipelines and things like that or to

140

00:06:23,450 --> 00:06:21,240

gain access to uranium mines or whatever

141

00:06:25,670 --> 00:06:23,460

that's really what it's about and those

142

00:06:26,960 --> 00:06:25,680

types of background shenanigans of

143

00:06:30,920 --> 00:06:26,970

course never get discussed in the

144

00:06:32,870 --> 00:06:30,930

mainstream news you know getting access

145

00:06:34,210 --> 00:06:32,880

to to those resources but that's

146

00:06:36,890 --> 00:06:34,220

actually what it's always about

147

00:06:39,180 --> 00:06:36,900

but so no other or no different the

148

00:06:42,060 --> 00:06:39,190

United States to finalizes control

149

00:06:43,920 --> 00:06:42,070

that's what it's trying to do the other

150

00:06:48,630 --> 00:06:43,930

reason that there's only a few nations

151

00:06:52,500 --> 00:06:48,640

that do false flags is a you need really

152

00:06:55,560 --> 00:06:52,510

top-of-the-line covert operations teams

153

00:06:57,510 --> 00:06:55,570

and the US has certainly got them Israel

154

00:07:00,270 --> 00:06:57,520

certainly got them Britain certainly got

155

00:07:02,250 --> 00:07:00,280

them you know a few other NATO nations

156

00:07:04,440 --> 00:07:02,260

have them now Russia has the capability

157

00:07:06,950 --> 00:07:04,450

to do this too they certainly can do it

158

00:07:10,010 --> 00:07:06,960

but the other problem that you have is

159

00:07:12,810 --> 00:07:10,020

you need to have total control over

160

00:07:15,540 --> 00:07:12,820

mainstream media you must have total

161

00:07:18,390 --> 00:07:15,550

compliance and Russia does not have that

162

00:07:20,580 --> 00:07:18,400

with the global media by and large the

163

00:07:24,210 --> 00:07:20,590

United States does Britain does Israel

164

00:07:26,760 --> 00:07:24,220

does they have they can be assured for

165

00:07:28,710 --> 00:07:26,770

the most part when something goes down

166

00:07:30,960 --> 00:07:28,720

they're going to have a totally

167

00:07:33,540 --> 00:07:30,970

sympathetic global media that will work

168

00:07:35,550 --> 00:07:33,550

hand in glove with them and that will

169

00:07:38,850 --> 00:07:35,560

basically block out you know

170

00:07:40,620 --> 00:07:38,860

uncomfortable questions and the like so

171

00:07:42,270 --> 00:07:40,630

that's what you're really looking at and

172

00:07:43,800 --> 00:07:42,280

I think that is why the United States is

173

00:07:46,800 --> 00:07:43,810

the leader in false flags these days

174

00:07:49,620 --> 00:07:46,810

they've got the motivation they've got

175

00:07:51,780 --> 00:07:49,630

the ability and they've got control over

176

00:07:54,870 --> 00:07:51,790

the over the media which is essential

177

00:07:58,500 --> 00:07:54,880

got to have it and you know the public I

178

00:08:00,420 --> 00:07:58,510

mean the poor public the problem that

179

00:08:01,770 --> 00:08:00,430

you have with most people is that we're

180

00:08:04,940 --> 00:08:01,780

they're trusting and they're good

181

00:08:07,170 --> 00:08:04,950

they're good people and they can't I

182

00:08:11,190 --> 00:08:07,180

think it's really the case that most

183

00:08:15,120 --> 00:08:11,200

people cannot conceive really that their

184

00:08:17,909 --> 00:08:15,130

government their government yes there we

185

00:08:22,110 --> 00:08:17,919

realize that politicians lie but the

186

00:08:24,270 --> 00:08:22,120

level of evil that we are talking about

187

00:08:27,300 --> 00:08:24,280

here with something like a false flag I

188

00:08:29,640 --> 00:08:27,310

really think most people just they just

189

00:08:31,380 --> 00:08:29,650

can't conceive of it and they don't want

190

00:08:33,150 --> 00:08:31,390

to I think there's a big psychological

191

00:08:36,270 --> 00:08:33,160

block that people have because think of

192

00:08:37,860 --> 00:08:36,280

it this way too if you're a parent and

193

00:08:39,990 --> 00:08:37,870

you find out that your child's doing

194

00:08:42,240 --> 00:08:40,000

something really really bad you know

195

00:08:44,520 --> 00:08:42,250

there's I've seen this a lot I've got

196

00:08:47,060 --> 00:08:44,530

kids and there's a tendency for parents

197

00:08:49,790 --> 00:08:47,070

is to not want to deal with that not

198

00:08:51,410 --> 00:08:49,800

want to think because in part you don't

199

00:08:53,810 --> 00:08:51,420

want to lose that image of your child

200

00:08:56,090 --> 00:08:53,820

but also when you learn something you

201
00:08:57,920 --> 00:08:56,100
know instinctively you got to do

202
00:09:00,440 --> 00:08:57,930
something about it now now you have to

203
00:09:02,480 --> 00:09:00,450
do something and I think most of us in

204
00:09:04,490 --> 00:09:02,490
life we don't want to have to do

205
00:09:06,170 --> 00:09:04,500
something about information that we get

206
00:09:08,990 --> 00:09:06,180
we'd rather just go through our lives

207
00:09:11,560 --> 00:09:09,000
and do our own thing when you learn

208
00:09:14,300 --> 00:09:11,570
about something like false flags

209
00:09:19,100 --> 00:09:14,310
instinctively I think people feel oh god

210
00:09:23,660 --> 00:09:19,110
now that's that just opens up an entire

211
00:09:25,340 --> 00:09:23,670
world of responsibility that I think

212
00:09:28,550 --> 00:09:25,350
most people would just prefer to avoid

213
00:09:32,300 --> 00:09:28,560

to be honest with you so it's just much

214

00:09:34,520 --> 00:09:32,310

easier to just go through life and you

215

00:09:37,340 --> 00:09:34,530

know live your life and without without

216

00:09:42,890 --> 00:09:37,350

the kind of controversy the problem is

217

00:09:44,690 --> 00:09:42,900

that the people who are arranging really

218

00:09:46,490 --> 00:09:44,700

what is a wholesale takeover of the

219

00:09:48,440 --> 00:09:46,500

entire planet and all the things in all

220

00:09:50,960 --> 00:09:48,450

the water all the minerals all the

221

00:09:52,460 --> 00:09:50,970

genetically modified foods we were at a

222

00:09:54,500 --> 00:09:52,470

point where very few people now going to

223

00:09:58,190 --> 00:09:54,510

be owning all of that alright and

224

00:10:01,670 --> 00:09:58,200

they're playing for keeps and they're

225

00:10:03,440 --> 00:10:01,680

there depending on the naivete the

226

00:10:07,700 --> 00:10:03,450

trusting nature and the goodwill of

227

00:10:09,650 --> 00:10:07,710

people who are just going to be fooled

228

00:10:11,390 --> 00:10:09,660

by all of this you know it's like taking

229

00:10:13,070 --> 00:10:11,400

a ring through the nose of a cattle and

230

00:10:14,750 --> 00:10:13,080

leading it through the field and that's

231

00:10:17,060 --> 00:10:14,760

really what's happened to most of most

232

00:10:19,550 --> 00:10:17,070

of the world's population they're just

233

00:10:22,940 --> 00:10:19,560

not thinking this stuff through but it's

234

00:10:25,490 --> 00:10:22,950

happening right before our eyes so I

235

00:10:27,860 --> 00:10:25,500

think it's necessary you know for us to

236

00:10:29,270 --> 00:10:27,870

understand false flags when they happen

237

00:10:31,900 --> 00:10:29,280

this is really the reason that I'm

238

00:10:33,980 --> 00:10:31,910

engaging in this research now I think

239

00:10:37,400 --> 00:10:33,990

what I've noticed is that there are a

240

00:10:40,400 --> 00:10:37,410

few certain commonalities that I see

241

00:10:43,520 --> 00:10:40,410

among the various events that appear to

242

00:10:46,580 --> 00:10:43,530

be false flags and and I'm hoping that

243

00:10:48,350 --> 00:10:46,590

for us being able to identify them we

244

00:10:50,810 --> 00:10:48,360

will be better and better at seeing them

245

00:10:53,450 --> 00:10:50,820

when they happen one of the things for

246

00:10:56,770 --> 00:10:53,460

example that I'm noticing with these

247

00:10:59,240 --> 00:10:56,780

false flags is the creation of slogans

248

00:11:00,180 --> 00:10:59,250

almost like a marketing campaign so we

249

00:11:02,760 --> 00:11:00,190

have just we sure

250

00:11:04,770 --> 00:11:02,770

you know Charlie Hebdo shootings we have

251
00:11:07,500 --> 00:11:04,780
with the Boston Marathon bombing that

252
00:11:09,480 --> 00:11:07,510
slogan Boston strong and these things

253
00:11:11,340 --> 00:11:09,490
seem to be coming out now is almost like

254
00:11:14,040 --> 00:11:11,350
the right out of Madison Avenue in New

255
00:11:16,380 --> 00:11:14,050
York City like an ad campaign they come

256
00:11:18,300 --> 00:11:16,390
out and instantly I'm not saying they're

257
00:11:20,490 --> 00:11:18,310
all created by Madison Avenue ad

258
00:11:23,430 --> 00:11:20,500
campaign but I am saying that these

259
00:11:25,020 --> 00:11:23,440
slogans get someone creates them and

260
00:11:28,980 --> 00:11:25,030
then they just get plastered out

261
00:11:32,040 --> 00:11:28,990
everywhere and that becomes a rallying

262
00:11:33,690 --> 00:11:32,050
point a way to to capture the emotions

263
00:11:36,330 --> 00:11:33,700

of the people in the channel them in a

264

00:11:38,370 --> 00:11:36,340

certain way Boston strong really Boston

265

00:11:41,040 --> 00:11:38,380

was Boston strong when they allowed

266

00:11:43,230 --> 00:11:41,050

19,000 military police to go through the

267

00:11:45,990 --> 00:11:43,240

houses of all the citizens of Boston

268

00:11:48,810 --> 00:11:46,000

without warrants Boston basically rolled

269

00:11:50,250 --> 00:11:48,820

over and just took it that wasn't Boston

270

00:11:51,780 --> 00:11:50,260

strong and I love Boston I love the

271

00:11:53,220 --> 00:11:51,790

people of Boston but that was not a good

272

00:11:55,500 --> 00:11:53,230

day for Boston nor for the United States

273

00:11:57,330 --> 00:11:55,510

but that day allowed for the

274

00:11:58,800 --> 00:11:57,340

introduction of militarized police in

275

00:12:01,620 --> 00:11:58,810

the United States really for the first

276

00:12:05,100 --> 00:12:01,630

time which we now have everywhere all

277

00:12:08,250 --> 00:12:05,110

right so no sorry Boston not strong on

278

00:12:10,380 --> 00:12:08,260

that day but the slogan was put out

279

00:12:12,270 --> 00:12:10,390

there and so it's a mind-control thing

280

00:12:14,070 --> 00:12:12,280

it's all propaganda its way of getting

281

00:12:18,240 --> 00:12:14,080

inside people's heads screwing with

282

00:12:21,330 --> 00:12:18,250

their heads and cute and manipulate

283

00:12:23,280 --> 00:12:21,340

using that those emotions this feeling

284

00:12:27,420 --> 00:12:23,290

of tragedy that everyone shared on that

285

00:12:29,130 --> 00:12:27,430

day and use it against us that's really

286

00:12:30,870 --> 00:12:29,140

what these these are these slogans are

287

00:12:33,420 --> 00:12:30,880

part of these false flag operations I

288

00:12:35,520 --> 00:12:33,430

think many other things the other thing

289

00:12:38,400 --> 00:12:35,530

to be to be aware of with with a false

290

00:12:40,380 --> 00:12:38,410

flag is whenever you see the media

291

00:12:43,350 --> 00:12:40,390

instantly jumping on the culprit

292

00:12:46,620 --> 00:12:43,360

instantly identifying who's responsible

293

00:12:49,740 --> 00:12:46,630

be wary be wary

294

00:12:51,600 --> 00:12:49,750

all right there's something very

295

00:12:53,730 --> 00:12:51,610

suspicious about this and we see this

296

00:12:55,350 --> 00:12:53,740

more and more something big happened

297

00:12:58,160 --> 00:12:55,360

something dramatic and shocking happens

298

00:13:00,210 --> 00:12:58,170

and boom we know who did it right away

299

00:13:03,060 --> 00:13:00,220

well I beg to differ

300

00:13:05,250 --> 00:13:03,070

and I think that when we see you know

301

00:13:07,490 --> 00:13:05,260

media in conjunction with law

302

00:13:10,410 --> 00:13:07,500

enforcement authorities instantly

303

00:13:13,560 --> 00:13:10,420

identifying the culprits

304

00:13:15,210 --> 00:13:13,570

be suspicious what we're talking about

305

00:13:17,790 --> 00:13:15,220

things like false flags or other types

306

00:13:20,100 --> 00:13:17,800

of covert operations not all of which

307

00:13:24,540 --> 00:13:20,110

are false flags you know the whole idea

308

00:13:26,280 --> 00:13:24,550

of a regime change is not the same thing

309

00:13:28,650 --> 00:13:26,290

exactly as a false flag I mean they

310

00:13:30,090 --> 00:13:28,660

overlap in some ways but the question is

311

00:13:31,949 --> 00:13:30,100

is it the President of the United States

312

00:13:36,500 --> 00:13:31,959

that's basically operating these things

313

00:13:39,509 --> 00:13:36,510

anything answers usually no in my own

314

00:13:41,250 --> 00:13:39,519

take on the presidency of that office is

315

00:13:43,470 --> 00:13:41,260

that it's become more and more public

316

00:13:45,870 --> 00:13:43,480

relations sort of office let me think

317

00:13:48,019 --> 00:13:45,880

about this you've got within what we

318

00:13:50,840 --> 00:13:48,029

call the black budget world there are

319

00:13:54,470 --> 00:13:50,850

hundreds some have said thousands of

320

00:13:59,189 --> 00:13:54,480

special access programs that is that is

321

00:14:02,400 --> 00:13:59,199

very highly secretive very sensitive

322

00:14:04,079 --> 00:14:02,410

operations that are not even subject to

323

00:14:06,780 --> 00:14:04,089

much oversight or any oversight by

324

00:14:08,340 --> 00:14:06,790

Congress well ask yourself how much can

325

00:14:10,230 --> 00:14:08,350

the president really oversee in these

326

00:14:11,790 --> 00:14:10,240

things president's got to meet foreign

327

00:14:13,110 --> 00:14:11,800

dignitaries he's got to shake hands he's

328

00:14:15,060 --> 00:14:13,120

going to kiss babies he's got to get

329

00:14:18,000 --> 00:14:15,070

reelected he's got into all these things

330

00:14:20,009 --> 00:14:18,010

in front of the camera he's got all of

331

00:14:23,040 --> 00:14:20,019

these handlers around him at all times

332

00:14:26,430 --> 00:14:23,050

how much operational authority and

333

00:14:29,310 --> 00:14:26,440

practical knowledge is a president

334

00:14:32,250 --> 00:14:29,320

really going to have over all of these

335

00:14:34,889 --> 00:14:32,260

things going on I would suggest probably

336

00:14:37,079 --> 00:14:34,899

not a whole lot not a whole lot

337

00:14:40,110 --> 00:14:37,089

so when you're talking about false flags

338

00:14:42,810 --> 00:14:40,120

let's talk about 9/11 you know the the

339

00:14:45,150 --> 00:14:42,820

centerpiece of the of our modern world

340

00:14:48,180 --> 00:14:45,160

today and it's built 9/11 of course is

341

00:14:51,569 --> 00:14:48,190

built on a series of lies that have been

342

00:14:54,870 --> 00:14:51,579

foisted upon the world in my view how

343

00:14:59,210 --> 00:14:54,880

much of that was decided on by George W

344

00:15:01,680 --> 00:14:59,220

Bush I would say probably little to none

345

00:15:03,689 --> 00:15:01,690

now there have been I think people in

346

00:15:05,460 --> 00:15:03,699

Bush's administration who've probably

347

00:15:07,019 --> 00:15:05,470

who were involved in the operation Dick

348

00:15:13,110 --> 00:15:07,029

Cheney and Donald Rumsfeld come to mind

349

00:15:16,139 --> 00:15:13,120

immediately but but I mean the office of

350

00:15:17,550 --> 00:15:16,149

the president is and this isn't recent

351

00:15:18,960 --> 00:15:17,560

this has gone back for years they've got

352

00:15:20,819 --> 00:15:18,970

to be kind of held back they've got to

353

00:15:22,530 --> 00:15:20,829

be sacrosanct from this when there's a

354

00:15:22,950 --> 00:15:22,540

regime change going back even in the

355

00:15:26,130 --> 00:15:22,960

nineteen

356

00:15:28,770 --> 00:15:26,140

when he's in 50s the president was

357

00:15:31,110 --> 00:15:28,780

always kind of held back from them when

358

00:15:34,890 --> 00:15:31,120

the CIA orchestrated a coup in Guatemala

359

00:15:37,410 --> 00:15:34,900

in 1954 Eisenhower was not given the

360

00:15:39,660 --> 00:15:37,420

details of that he knew that something

361

00:15:41,310 --> 00:15:39,670

was going on and it was a matter of

362

00:15:42,570 --> 00:15:41,320

don't tell me I don't want to know

363

00:15:46,430 --> 00:15:42,580

because I need plausible deniability

364

00:15:51,840 --> 00:15:46,440

which is essential so I think presidents

365

00:15:53,580 --> 00:15:51,850

you know clearly are are not generally

366
