

1
00:00:08,360 --> 00:00:06,240
contrary to the belief of what first

2
00:00:11,250 --> 00:00:08,370
contact with exit rest you should be

3
00:00:13,529 --> 00:00:11,260
contact has already occurred our

4
00:00:16,080 --> 00:00:13,539
collective subconscious has forever been

5
00:00:18,359 --> 00:00:16,090
touched by the alien hand but it hasn't

6
00:00:20,550 --> 00:00:18,369
occurred to most of us yet which should

7
00:00:21,270 --> 00:00:20,560
be a testament to how complex our psyche

8
00:00:22,890 --> 00:00:21,280
really is

9
00:00:25,230 --> 00:00:22,900
we have been depicting countless

10
00:00:27,779 --> 00:00:25,240
scenarios through motion pictures and

11
00:00:29,850 --> 00:00:27,789
literature how that contact might look

12
00:00:32,240 --> 00:00:29,860
and what the possible outcome of that

13
00:00:35,369 --> 00:00:32,250

first open interaction might be like

14

00:00:37,380 --> 00:00:35,379

that was our subconscious response to

15

00:00:39,360 --> 00:00:37,390

their presence the subtle yet non

16

00:00:42,630 --> 00:00:39,370

intrusive presence on the global scale

17

00:00:44,880 --> 00:00:42,640

is their way of contact to plant a seed

18

00:00:47,430 --> 00:00:44,890

to give us something to chew on before

19

00:00:49,680 --> 00:00:47,440

actual open contact occurs it gives us a

20

00:00:52,319 --> 00:00:49,690

chance to play out all the scenarios all

21

00:00:55,319 --> 00:00:52,329

the possibilities before we collectively

22

00:00:57,479 --> 00:00:55,329

say okay we are ready now contact

23

00:00:59,670 --> 00:00:57,489

occurred quite some time ago and those

24

00:01:01,830 --> 00:00:59,680

first races recognized that we are still

25

00:01:04,829 --> 00:01:01,840

too deeply ingrained into this reality

26

00:01:06,959 --> 00:01:04,839

that we call life to suddenly expose the

27

00:01:09,359 --> 00:01:06,969

average human to that alien presence

28

00:01:11,340 --> 00:01:09,369

would have been detrimental and would

29

00:01:13,649 --> 00:01:11,350

have caused a psychotic shock in most of

30

00:01:15,569 --> 00:01:13,659

us energy send these different levels of

31

00:01:17,789 --> 00:01:15,579

existence that we commonly know as

32

00:01:20,429 --> 00:01:17,799

dimensions have a different physical

33

00:01:22,649 --> 00:01:20,439

effect on us for them to suddenly appear

34

00:01:24,419 --> 00:01:22,659

in our presence full force would not

35

00:01:26,730 --> 00:01:24,429

have been of benefit to either party

36

00:01:29,190 --> 00:01:26,740

through the help of channels through

37

00:01:31,109 --> 00:01:29,200

dream communications astral projections

38

00:01:33,449 --> 00:01:31,119

and other more doubts they have been

39

00:01:35,370 --> 00:01:33,459

trying to reach out guiding us to an

40

00:01:38,129 --> 00:01:35,380

understanding that will make future

41

00:01:39,660 --> 00:01:38,139

contact possible so quietly patiently

42

00:01:41,999 --> 00:01:39,670

they have been waiting for our

43

00:01:44,010 --> 00:01:42,009

consciousness to catch up and come to

44

00:01:46,529 --> 00:01:44,020

terms with what had occurred long ago

45

00:01:47,879 --> 00:01:46,539

those of us who were the Trailblazers

46

00:01:50,339 --> 00:01:47,889

that have given us the first

47

00:01:53,519 --> 00:01:50,349

testimonials and books about their

48

00:01:56,719 --> 00:01:53,529

experiences and contact with ETS such as

49

00:02:00,719 --> 00:01:56,729

Betty and Barney Hill whitley strieber

50

00:02:02,639 --> 00:02:00,729

Sheri Wilde and many more have done us a

51
00:02:05,550 --> 00:02:02,649
great service to give us something to

52
00:02:07,800 --> 00:02:05,560
ponder about in the beginning as most

53
00:02:10,260 --> 00:02:07,810
abductees and contactees have stated it

54
00:02:12,810 --> 00:02:10,270
has not been easy it was usually a

55
00:02:14,520 --> 00:02:12,820
disruptive and fearful process but as

56
00:02:16,410 --> 00:02:14,530
time went on and the interactions

57
00:02:17,370 --> 00:02:16,420
continued a different understanding

58
00:02:19,470 --> 00:02:17,380
emerge

59
00:02:21,990 --> 00:02:19,480
by going through what they went through

60
00:02:24,600 --> 00:02:22,000
it still allowed most of us to live our

61
00:02:26,730 --> 00:02:24,610
lives in a relatively normal way contact

62
00:02:29,520 --> 00:02:26,740
it's not a time-based event it is a

63
00:02:31,860 --> 00:02:29,530

series of domino effect events that will

64

00:02:34,740 --> 00:02:31,870

open doors and possibilities for actual

65

00:02:37,110 --> 00:02:34,750

physical contact if the idea is news to

66

00:02:39,030 --> 00:02:37,120

you that alien contact is as much of a

67

00:02:40,770 --> 00:02:39,040

spiritual experience as said it's a

68

00:02:42,780 --> 00:02:40,780

physical one then you might have a

69

00:02:45,480 --> 00:02:42,790

little bit of catching up to do somehow

70

00:02:48,240 --> 00:02:45,490

there's this idea that ghosts aliens

71

00:02:50,580 --> 00:02:48,250

cryptozoology clairvoyance and many

72

00:02:52,770 --> 00:02:50,590

other categories of the supernatural are

73

00:02:55,290 --> 00:02:52,780

separate from each other when in

74

00:02:58,740 --> 00:02:55,300

actuality they are all connected by one

75

00:03:00,240 --> 00:02:58,750

simple term spirituality contrary to the

76

00:03:02,730 --> 00:03:00,250

religious definition of what

77

00:03:05,970 --> 00:03:02,740

spirituality means it is the underlying

78

00:03:08,340 --> 00:03:05,980

glue that connects us all when I first

79

00:03:10,710 --> 00:03:08,350

started in my early teens to research to

80

00:03:13,620 --> 00:03:10,720

find out what these UFOs are all about

81

00:03:16,530 --> 00:03:13,630

terms like spirituality consciousness

82

00:03:18,900 --> 00:03:16,540

self-awareness kept coming up I wanted

83

00:03:20,820 --> 00:03:18,910

to know how fast these ships flew what

84

00:03:24,090 --> 00:03:20,830

they were made out of and time after

85

00:03:26,910 --> 00:03:24,100

time I was redirected to understand Who

86

00:03:29,400 --> 00:03:26,920

I am what I'm doing here and what this

87

00:03:31,440 --> 00:03:29,410

place that we call reality is all about

88

00:03:33,750 --> 00:03:31,450

in order for me to then understand

89

00:03:35,840 --> 00:03:33,760

everything else if you are of to believe

90

00:03:38,040 --> 00:03:35,850

that information needs to be filtered

91

00:03:39,840 --> 00:03:38,050

prepackaged and presented to you in a

92

00:03:41,610 --> 00:03:39,850

certain way then I urge you to

93

00:03:45,000 --> 00:03:41,620

understand that that is an old and

94

00:03:47,640 --> 00:03:45,010

obsolete way your opinion matters your

95

00:03:50,040 --> 00:03:47,650

view of the world matters and it's just

96

00:03:52,110 --> 00:03:50,050

as important as everyone else's so why

97

00:03:54,330 --> 00:03:52,120

not take the time to understand what you

98

00:03:57,150 --> 00:03:54,340

are watching what you are reading and

99

00:03:59,130 --> 00:03:57,160

ask yourself what is my role in this

100

00:04:01,290 --> 00:03:59,140

reality why did I happen to come across

101

00:04:04,050 --> 00:04:01,300

this piece of information at this time

102

00:04:06,960 --> 00:04:04,060

in my life and let the answers amaze you

103

00:04:09,120 --> 00:04:06,970

it is important to understand the

104

00:04:12,450 --> 00:04:09,130

contact will not just occur between an
