

1
00:00:07,879 --> 00:00:06,050
it's not easy living with a secret

2
00:00:11,060 --> 00:00:07,889
especially when it comes to the subject

3
00:00:13,789 --> 00:00:11,070
of ETS and UFOs but more often than not

4
00:00:16,460 --> 00:00:13,799
there's a friend a family member an

5
00:00:19,040 --> 00:00:16,470
acquaintance that has has some form of

6
00:00:21,320 --> 00:00:19,050
contact with any given alien races that

7
00:00:23,839 --> 00:00:21,330
are here now it is those individuals

8
00:00:27,109 --> 00:00:23,849
that I'm speaking to and I am saying the

9
00:00:29,630 --> 00:00:27,119
time is now come forward tell your story

10
00:00:31,849 --> 00:00:29,640
share it with the world I know that it

11
00:00:34,220 --> 00:00:31,859
is not easy believe me I'm speaking from

12
00:00:37,010 --> 00:00:34,230
personal experience coming forward with

13
00:00:39,080 --> 00:00:37,020

your story with your explanation of what

14

00:00:40,970 --> 00:00:39,090

had happened in your interactions it

15

00:00:43,340 --> 00:00:40,980

will bring the concept of alien contact

16

00:00:46,010 --> 00:00:43,350

closer to home for everybody around you

17

00:00:48,529 --> 00:00:46,020

now all of the sudden aliens are not

18

00:00:50,750 --> 00:00:48,539

just on the movie screen or on a planet

19

00:00:53,029 --> 00:00:50,760

far far away that will most likely never

20

00:00:55,220 --> 00:00:53,039

be able to visit at least not with the

21

00:00:57,709 --> 00:00:55,230

current technology but they're here and

22

00:00:59,689 --> 00:00:57,719

ready to interact why should you deny

23

00:01:00,259 --> 00:00:59,699

your reality for someone else to

24

00:01:02,479 --> 00:01:00,269

signal's

25

00:01:04,580 --> 00:01:02,489

it's one thing for someone to read a

26

00:01:05,630 --> 00:01:04,590

book about the Grace and something

27

00:01:07,999 --> 00:01:05,640

entirely different

28

00:01:10,969 --> 00:01:08,009

to be standing in front of one staring

29

00:01:12,890 --> 00:01:10,979

you in the face don't get me wrong books

30

00:01:14,690 --> 00:01:12,900

and literature in general is still a

31

00:01:16,370 --> 00:01:14,700

valid and widely used mode of

32

00:01:17,929 --> 00:01:16,380

communication but it takes the whole

33

00:01:20,210 --> 00:01:17,939

concept of contact with an

34

00:01:22,219 --> 00:01:20,220

extraterrestrial race when you suddenly

35

00:01:25,280 --> 00:01:22,229

find yourself sharing your experiences

36

00:01:27,710 --> 00:01:25,290

with your brother sister mother father

37

00:01:30,050 --> 00:01:27,720

to a level world once you acknowledge it

38

00:01:32,480 --> 00:01:30,060

to yourself and know that the cat is out

39

00:01:34,399 --> 00:01:32,490

of the bag so to say it will be a game

40

00:01:36,440 --> 00:01:34,409

changer for everybody there are dozens

41

00:01:38,660 --> 00:01:36,450

of different ways to go about this

42

00:01:41,450 --> 00:01:38,670

I've personally always approached the et

43

00:01:43,789 --> 00:01:41,460

subject as a matter of fact I know what

44

00:01:45,859 --> 00:01:43,799

I've seen I know what I've experienced

45

00:01:48,319 --> 00:01:45,869

and I spent a long time learning more

46

00:01:50,569 --> 00:01:48,329

about it and understanding it so that I

47

00:01:52,639 --> 00:01:50,579

can convey it to others to the best of

48

00:01:54,859 --> 00:01:52,649

my ability as clearly and concisely

49

00:01:56,660 --> 00:01:54,869

possible but that doesn't mean I know

50

00:01:58,789 --> 00:01:56,670

everything which brings me to my next

51
00:02:01,100 --> 00:01:58,799
point for those out there that want the

52
00:02:03,859 --> 00:02:01,110
world so badly to believe and be aware

53
00:02:06,200 --> 00:02:03,869
of ETS that they're willing to fabricate

54
00:02:08,270 --> 00:02:06,210
or exaggerate their story to make them

55
00:02:10,430 --> 00:02:08,280
sound more interesting or more engaging

56
00:02:13,100 --> 00:02:10,440
please don't do that with enough people

57
00:02:15,680 --> 00:02:13,110
coming forward physical contact will be

58
00:02:16,860 --> 00:02:15,690
here soon enough but not at the expense

59
00:02:18,870 --> 00:02:16,870
of the cause

60
00:02:22,200 --> 00:02:18,880
finally strengthen you to be that crazy

61
00:02:24,270 --> 00:02:22,210
person that alien guy or gal if someone

62
00:02:27,120 --> 00:02:24,280
wants to know tell them and let it be

63
00:02:29,100 --> 00:02:27,130

all right because remember people will
