

UFO HUB

1
00:00:06,840 --> 00:00:24,350

[Music]

2
00:00:31,620 --> 00:00:26,840
well first of all you oppose me

3
00:00:36,360 --> 00:00:31,630
unidentified that in itself means that

4
00:00:37,530 --> 00:00:36,370
nobody has been able to see one for sure

5
00:00:41,120 --> 00:00:37,540
they don't know about it

6
00:00:43,830 --> 00:00:41,130
there's no such thing absolutely none

7
00:00:47,070 --> 00:00:43,840
unidentified whenever I just start gate

8
00:00:49,500 --> 00:00:47,080
I leave the most weirdest things in the

9
00:00:50,430 --> 00:00:49,510
sky where I called it it look like a

10
00:00:53,400 --> 00:00:50,440
star

11
00:00:56,100 --> 00:00:53,410
and it went he had like this knife

12
00:00:58,079 --> 00:00:56,110
through life to bits flying and then it

13
00:01:00,060 --> 00:00:58,089

did really weird squiggle and then went

14

00:01:01,979 --> 00:01:00,070

away because I think a lot of people ask

15

00:01:04,140 --> 00:01:01,989

if you believe in aliens or not or

16

00:01:07,110 --> 00:01:04,150

something and sometimes I always think

17

00:01:08,940 --> 00:01:07,120

that obviously haven't watched over as

18

00:01:13,080 --> 00:01:08,950

long as we're here Shalaka

19

00:01:14,880 --> 00:01:13,090

and with infinity and infinity hey I

20

00:01:15,690 --> 00:01:14,890

went to heaven unless the wrong way has

21

00:01:17,580 --> 00:01:15,700

happened again

22

00:01:19,230 --> 00:01:17,590

I haven't seen any weird stuff in my

23

00:01:22,200 --> 00:01:19,240

life but only like what we could go for

24

00:01:24,600 --> 00:01:22,210

a weeks ago okay no joke Easter I didn't

25

00:01:26,910 --> 00:01:24,610

see an orange disk implying they across

26
00:01:27,990 --> 00:01:26,920
the cafeteria night tell us for a minute

27
00:01:30,120 --> 00:01:28,000
and we'll take right all the light

28
00:01:32,850 --> 00:01:30,130
within one second I was talking to

29
00:01:35,510 --> 00:01:32,860
somebody out in front of our market I

30
00:01:45,319 --> 00:01:35,520
think that there's a pretty damn good

31
00:01:53,399 --> 00:01:45,329
possibility that yeah yeah why is that I

32
00:01:55,670 --> 00:01:53,409
just feel like why not yeah so I want to

33
00:01:59,279 --> 00:01:55,680
I would characterize them as ETV

34
00:02:05,090 --> 00:01:59,289
extraterrestrial vehicle or I can enter

35
00:02:06,950 --> 00:02:05,100
a trust you know well they're identified

36
00:02:11,480 --> 00:02:06,960
[Music]

37
00:02:15,660 --> 00:02:11,490
or Jen the Beagle growling pilot in them

38
00:02:18,730 --> 00:02:15,670

ocean all seekers you like

39

00:02:24,960 --> 00:02:18,740

so it is a wrong

40

00:02:30,550 --> 00:02:24,970

yes I do I don't even really related

41

00:02:34,810 --> 00:02:30,560

matter of that question at cards whether

42

00:02:36,970 --> 00:02:34,820

I believe it or not unidentified flying

43

00:02:38,470 --> 00:02:36,980

object is anything that's not identified

44

00:02:40,570 --> 00:02:38,480

of course they're out there and you know

45

00:02:42,630 --> 00:02:40,580

we you know there's air just where

46

00:02:45,460 --> 00:02:42,640

they're now we can contribute a to

47

00:02:47,800 --> 00:02:45,470

illustrating that when your terrestrial

48

00:02:51,310 --> 00:02:47,810

life were like top-secret government

49

00:02:53,229 --> 00:02:51,320

programs oh yeah I paint all the things

50

00:02:56,320 --> 00:02:53,239

that I couldn't identify myself and then

51
00:02:59,920 --> 00:02:56,330
probably find some mainstream media

52
00:03:02,500 --> 00:02:59,930
whatever could identify so they're out

53
00:03:05,680 --> 00:03:02,510
there you know whether or not like what

54
00:03:16,770 --> 00:03:05,690
actually it is unique circular playing

55
00:03:21,570 --> 00:03:19,500
being that an atheist I don't believe in

56
00:03:26,330 --> 00:03:21,580
the guy God I don't believe in the devil

57
00:03:29,130 --> 00:03:26,340
and sure don't believe in a UFO so

58
00:03:32,160 --> 00:03:29,140
without proof without thanks there is

59
00:03:33,660 --> 00:03:32,170
nothing I don't know I mean that's my

60
00:03:40,140 --> 00:03:33,670
best guess I would say that it is

61
00:03:44,880 --> 00:03:40,150
definitely from other law there's always

62
00:03:47,820 --> 00:03:44,890
our son of course I am sad that we like

63
00:03:51,540 --> 00:03:47,830

a lot of wonderfully cheeky wearing our

64

00:03:56,610 --> 00:03:51,550

uniform or speaking introduced it as a

65

00:04:01,410 --> 00:03:56,620

founder or so it's more than likely both

66

00:04:07,520 --> 00:04:01,420

of us of extra dress for him top-secret

67

00:04:11,010 --> 00:04:07,530

program that's another thing it's like

68

00:04:14,310 --> 00:04:11,020

he's on I identified objects should we

69

00:04:16,349 --> 00:04:14,320

just because you don't know what they

70

00:04:18,330 --> 00:04:16,359

are but maybe the government is making

71

00:04:21,479 --> 00:04:18,340

them and saying oh these are just been

72

00:04:23,490 --> 00:04:21,489

identified objects because you don't

73

00:04:27,390 --> 00:04:23,500

know what they are but we're making them

74

00:04:29,940 --> 00:04:27,400

they're just not identified so maybe

75

00:04:40,010 --> 00:04:29,950

their government it could be like I were

76

00:04:44,060 --> 00:04:41,900

I don't know I guess if this is a media

77

00:04:48,110 --> 00:04:44,070

do you thing like the media hang there

78

00:04:50,540 --> 00:04:48,120

would be a specific spin on right so I

79

00:04:53,779 --> 00:04:50,550

have to look at the media spin and

80

00:04:55,730 --> 00:04:53,789

figure out what their transect is it may

81

00:04:59,480 --> 00:04:55,740

be saying something completely wrong

82

00:05:01,580 --> 00:04:59,490

like completely differently than should

83

00:05:04,400 --> 00:05:01,590

be said you know I think it'd be really

84

00:05:06,230 --> 00:05:04,410

clearly know for certain well I don't

85

00:05:09,560 --> 00:05:06,240

think it'd be scary necessarily so I

86

00:05:12,379 --> 00:05:09,570

guess unless it was very I be kind of

87

00:05:14,150 --> 00:05:12,389

nervous I mean I can't believe that

88

00:05:16,490 --> 00:05:14,160

there are other people out there and

89

00:05:22,400 --> 00:05:16,500

we're not alone the universe is huge

90

00:05:24,650 --> 00:05:22,410

there's definitely more than us really

91

00:05:27,439 --> 00:05:24,660

nervous it's a good question because I

92

00:05:30,290 --> 00:05:27,449

actually have I definitely thought about

93

00:05:34,430 --> 00:05:30,300

that a lot myself you know envisioning

94

00:05:36,800 --> 00:05:34,440

bad news sort of event happening myself

95

00:05:38,600 --> 00:05:36,810

personally I honestly I quit even dreams

96

00:05:41,270 --> 00:05:38,610

I think I would know myself but it was

97

00:05:42,589 --> 00:05:41,280

same shot and I think you will maybe it

98

00:05:45,290 --> 00:05:42,599

would be different maybe you would be

99

00:05:47,930 --> 00:05:45,300

kind of full and forehead me like oh my

100

00:05:50,029 --> 00:05:47,940

god it actually happened but when at

101

00:05:55,129 --> 00:05:50,039

first we provided eyes opportunities

102

00:05:58,760 --> 00:05:55,139

here alike and created and how it was

103

00:06:00,920 --> 00:05:58,770

nation Roach evolved to the outer baton

104

00:06:03,350 --> 00:06:00,930

actors just says that sort of

105

00:06:05,990 --> 00:06:03,360

information which you may be very come

106

00:06:08,360 --> 00:06:06,000

on Russian very own you much but

107

00:06:10,339 --> 00:06:08,370

eventually would have a kind of an

108

00:06:17,629 --> 00:06:10,349

impact on the way that we learn in

109

00:06:20,990 --> 00:06:17,639

percent of reality probably not choose

110

00:06:25,370 --> 00:06:21,000

the cry but maybe like is there a danger

111

00:06:27,770 --> 00:06:25,380

here like is there a threat because in

112

00:06:30,830 --> 00:06:27,780

all those movies that like a battalion

113

00:06:35,980 --> 00:06:30,840

they're trying to take over the world

114

00:06:40,030 --> 00:06:35,990

oh I probably would be ok with it

115

00:06:50,070 --> 00:06:40,040

they weren't trying to like murder us or

116

00:06:54,689 --> 00:06:51,840

there's nothing like you really claiming

117

00:06:57,360 --> 00:06:54,699

you can as we asked him to maybe keep an

118

00:07:00,180 --> 00:06:57,370

open mind I was like I said to Michael

119

00:07:03,210 --> 00:07:00,190

earlier tonight like he doesn't believe

120

00:07:05,790 --> 00:07:03,220

in UFOs he thinks they don't exist

121

00:07:09,560 --> 00:07:05,800

because they're called I unidentified I

122

00:07:16,020 --> 00:07:12,890

he thinks it's impossible see UFOs

123

00:07:19,370 --> 00:07:16,030

because they don't exist but I think

124

00:07:25,890 --> 00:07:19,380

they do exist and I've seen one myself I

125

00:07:31,920 --> 00:07:25,900

lose how long they say okay maybe ask

126

00:07:34,170 --> 00:07:31,930

why oh I can respect that because it you

127

00:07:37,230 --> 00:07:34,180

know it is still kind of a like a very

128

00:07:43,230 --> 00:07:37,240

funky funky subject

129

00:07:45,900 --> 00:07:43,240

kind of a thing yeah it takes some

130

00:07:52,920 --> 00:07:45,910

critical thought to believe or not

131

00:07:57,060 --> 00:07:52,930

believe in something yeah yeah yeah it's

132

00:08:00,810 --> 00:07:57,070

kind of a fringe thing so if somebody's

133

00:08:02,279 --> 00:08:00,820

like you know don't believe it you're

134

00:08:06,089 --> 00:08:02,289

playing evidence that there's a lot of

135

00:08:11,480 --> 00:08:06,099

baixada so we would said that could work

136

00:08:17,640 --> 00:08:11,490

back so it's different degrees in

137

00:08:19,589 --> 00:08:17,650

extraterrestrial for that when I kind of

138

00:08:21,180 --> 00:08:19,599

backed it in their head you know it's

139

00:08:22,920 --> 00:08:21,190

really what they believe they believe a

140

00:08:25,800 --> 00:08:22,930

certain thing when I expand that you

141

00:08:29,760 --> 00:08:25,810

know I have understand we go every Asian

142

00:08:32,339 --> 00:08:29,770

degree and so it's not a lot I mean not

143

00:08:34,260 --> 00:08:32,349

a lot of information gets through some

144

00:08:37,500 --> 00:08:34,270

people aren't as diligent and taking out

145

00:08:40,740 --> 00:08:37,510

the triggering event as a hol other

146

00:08:43,500 --> 00:08:40,750

people are blind is a tree like a heart

147

00:08:45,150 --> 00:08:43,510

really don't work up pretty please I got

148

00:08:47,590 --> 00:08:45,160

the daily life with the grind of the

149

00:08:51,000 --> 00:08:47,600

there's some kind of mechanism you night

150

00:08:54,640 --> 00:08:51,010

that gets people kind of blind to life

151

00:08:58,150 --> 00:08:54,650

and anyway if you go too close to

152

00:09:00,820 --> 00:08:58,160

working I pay a mortgage for 30 years

153

00:09:03,490 --> 00:09:00,830

pay off their kids or their own student

154

00:09:04,630 --> 00:09:03,500

debt and you know that you don't have

155

00:09:06,250 --> 00:09:04,640

any meaning to your life because you

156

00:09:07,720 --> 00:09:06,260

have to maintain this job and you can't

157

00:09:10,270 --> 00:09:07,730

mess up I'm hearing a little bit we're

158

00:09:11,590 --> 00:09:10,280

not how to keep your house there's

159

00:09:13,390 --> 00:09:11,600

different avenues there's different ways

160

00:09:17,380 --> 00:09:13,400

to go about this different ways to think

161

00:09:20,680 --> 00:09:17,390

about things and if someone is to really

162

00:09:22,630 --> 00:09:20,690

uh need even in all an enviable if they

163

00:09:27,580 --> 00:09:22,640

say God's running things of sluggish

164

00:09:29,440 --> 00:09:27,590

infinite infinity exists infinite online

165

00:09:31,120 --> 00:09:29,450

is that I'm weak at all you have

166

00:09:34,120 --> 00:09:31,130

anything and there could be anything out

167

00:09:37,320 --> 00:09:34,130

there anywhere anytime and probably all
