[Music]

2
00:00:23,220 --> 00:00:26,170

you

3
00:00:33,910 --> 00:00:29,890

my name is Debra Jordan Coble and I'm

4
00:00:35,410 --> 00:00:33,920

probably better known as Kathy Davis the

5
00:00:38,290 --> 00:00:35,420

pseudonym that was given to me by Budd

6
00:00:40,810 --> 00:00:38,300

Hopkins in his book intruders the

7
00:00:44,410 --> 00:00:40,820

incredible incredible story Cokely woods

8
00:00:48,009 --> 00:00:44,420

which was written about me and my family

9
00:00:56,439 --> 00:00:48,019

and it centers around an experience that

10
00:01:04,030 --> 00:00:56,449

I had in 1983 but our family has always

11
00:01:06,820 --> 00:01:04,040

had unusual experiences when I was

12
00:01:10,990 --> 00:01:06,830

growing up you know I just assumed that

13
00:01:13,300 --> 00:01:11,000

everybody had strange things happened to

14

00:01:18,490 --> 00:01:13,310

him once a while so strange shadow

15

00:01:21,249 --> 00:01:18,500

things or license sky the neighborhood

16

00:01:23,380 --> 00:01:21,259

that I was born and raised in was known

17

00:01:25,359 --> 00:01:23,390

for them all climbing up on the roof

18

00:01:27,609 --> 00:01:25,369

sometimes to look at a UFO they thought

19

00:01:30,310 --> 00:01:27,619

was my flight so I mean to me that was

20

00:01:32,859 --> 00:01:30,320

normal you know I didn't know any better

21

00:01:36,130 --> 00:01:32,869

I was just a little kid and I quickly

22

00:01:39,940 --> 00:01:36,140

found out once I entered public school

23

00:01:41,649 --> 00:01:39,950

that maybe wasn't quite so common and I

24

00:01:42,389 --> 00:01:41,659

also quickly learned how to keep my

25

00:01:48,580 --> 00:01:42,399

mouth shut

26

00:01:51,580 --> 00:01:48,590

didn't want to get made fun of but I had

27

00:01:53,980 --> 00:01:51,590

an experience after having moved back

28

00:01:57,730 --> 00:01:53,990

home with my parents at the age of about

29

00:01:59,830 --> 00:01:57,740

23 I had been married and was getting

30

00:02:01,779 --> 00:01:59,840

divorced I had two small children so I

31

00:02:05,489 --> 00:02:01,789

moved back home with my mom and dad to

32

00:02:11,760 --> 00:02:05,499

try to get back on my feet again and I

33

00:02:15,100 --> 00:02:11,770

the night of this experience I had been

34

00:02:16,809 --> 00:02:15,110

eating dinner and I was at the kitchen

35

00:02:18,940 --> 00:02:16,819

sink washing my hands getting ready to

36

00:02:20,830 --> 00:02:18,950

go cut some patterns with the neighbor

37

00:02:22,449 --> 00:02:20,840

that looks behind us for a little extra

38

00:02:27,070 --> 00:02:22,459

spending money because she was a

39

00:02:29,290 --> 00:02:27,080

seamstress and I had noticed a strange

40

00:02:32,500 --> 00:02:29,300

light in the clubhouse of a swimming

41

00:02:35,649 --> 00:02:32,510

pool that was next to my parents in my

42

00:02:37,360 --> 00:02:35,659

parents backyard and I mentioned it to

43

00:02:38,620 --> 00:02:37,370

my mom I said I there the lights on in

44

00:02:40,930 --> 00:02:38,630

the pump house and it

45

00:02:42,520 --> 00:02:40,940

because I was the last one out there and

46

00:02:44,440 --> 00:02:42,530

I know I shut the light off and shut the

47

00:02:45,700 --> 00:02:44,450

door I said do you want me to go out

48

00:02:47,710 --> 00:02:45,710

there and check things out she's like no

49

00:02:52,210 --> 00:02:47,720

don't worry about your dad we'll get it

50

00:02:54,310 --> 00:02:52,220

and my dad was second shift electrician

51
00:02:57,820 --> 00:02:54,320
at Ford so he would have been coming

52
00:03:00,010 --> 00:02:57,830
home later on that night I said well

53
00:03:03,090 --> 00:03:00,020
I'll check it out as I leave so I got in

54
00:03:05,380 --> 00:03:03,100
my car and I the way the house is set up

55
00:03:07,800 --> 00:03:05,390
one part of the driveway goes down to

56
00:03:10,270 --> 00:03:07,810
the garage in the front but another part

57
00:03:12,610 --> 00:03:10,280
Forks off and goes alongside of the

58
00:03:15,460 --> 00:03:12,620
house and then around a turn around back

59
00:03:17,710 --> 00:03:15,470
where my dad had a workshop so and then

60
00:03:19,690 --> 00:03:17,720
swimming pool between the workshop in

61
00:03:21,070 --> 00:03:19,700
the house so I decided to drive around

62
00:03:22,540 --> 00:03:21,080
that turn around and come back down I

63
00:03:24,430 --> 00:03:22,550

could get a good view of everything in

64

00:03:25,810 --> 00:03:24,440

the backyard and make sure everything

65

00:03:28,600 --> 00:03:25,820

was safe because I was leaving my mom

66

00:03:30,070 --> 00:03:28,610

with my two little kids you know even

67

00:03:33,100 --> 00:03:30,080

though it's going to just be one Street

68

00:03:35,650 --> 00:03:33,110

over and I certainly wasn't thinking

69

00:03:37,710 --> 00:03:35,660

about UFO stuff at the time but I was

70

00:03:41,680 --> 00:03:37,720

thinking about maybe you know prowlers

71

00:03:44,800 --> 00:03:41,690

so when I got it made me five minutes

72

00:03:47,830 --> 00:03:44,810

time I got back to where I could see

73

00:03:49,300 --> 00:03:47,840

before I left the light was gone and the

74

00:03:52,390 --> 00:03:49,310

door seemed to be shut but I also

75

00:03:54,100 --> 00:03:52,400

noticed that the pedestrian door to the

76

00:03:56,950 --> 00:03:54,110

garage that was attached to the house

77

00:04:01,680 --> 00:03:56,960

was now open and I knew that had been

78

00:04:04,120 --> 00:04:01,690

shut never open but instead of stopping

79

00:04:06,100 --> 00:04:04,130

which I don't know why I didn't because

80

00:04:07,780 --> 00:04:06,110

normally I probably would've I just went

81

00:04:09,940 --> 00:04:07,790

on ahead to Deanna's and it seems like

82

00:04:12,820 --> 00:04:09,950

after I called her I called my mom and I

83

00:04:14,080 --> 00:04:12,830

told her what I'd seen and again asked

84

00:04:15,940 --> 00:04:14,090

her do you want me to come home and

85

00:04:17,710 --> 00:04:15,950

she's like now don't worry about it I

86

00:04:20,710 --> 00:04:17,720

like the doors it's probably nothing

87

00:04:23,980 --> 00:04:20,720

your dad will be home pretty soon and

88

00:04:26,440 --> 00:04:23,990

it's a fine so I hung the phone up and

89

00:04:28,510 --> 00:04:26,450

as soon as I hang it up it rang again

90

00:04:30,820 --> 00:04:28,520

being in my friends house where I'm

91

00:04:33,100 --> 00:04:30,830

comfortable I mean and I was standing

92

00:04:37,060 --> 00:04:33,110

right there I just picked the phone up

93

00:04:40,990 --> 00:04:37,070

and answered it and it was my mother and

94

00:04:41,770 --> 00:04:41,000

she sounded weird she said I need you to

95

00:04:45,550 --> 00:04:41,780

come home right now

96

00:04:48,100 --> 00:04:45,560

and I'm like well what is wrong mom you

97

00:04:51,130 --> 00:04:48,110

know it alarmed me because my mother

98

00:04:51,860 --> 00:04:51,140

never got scared of anything never

99

00:04:55,190 --> 00:04:51,870

complained

100

00:04:57,710 --> 00:04:55,200

never respect anything when I was when I

101
00:04:59,960 --> 00:04:57,720
was saying that to my mother my

102
00:05:04,760 --> 00:04:59,970
girlfriend and her husband her could

103
00:05:06,440 --> 00:05:04,770
hear me and I guess he Larry heard the

104
00:05:09,530 --> 00:05:06,450
tone of voice and realized I was alarmed

105
00:05:11,480 --> 00:05:09,540
and he said to me to tell your mother to

106
00:05:13,490 --> 00:05:11,490
call the police that's what we pay him

107
00:05:15,410 --> 00:05:13,500
for because he knew I was upset and from

108
00:05:17,720 --> 00:05:15,420
like you know alarmed and what he could

109
00:05:20,000 --> 00:05:17,730
hear me say and she heard him and she

110
00:05:22,370 --> 00:05:20,010
said no I'm not calling the police I

111
00:05:24,860 --> 00:05:22,380
want you to come home right now okay

112
00:05:26,180 --> 00:05:24,870
no problem I'm a little freaked out but

113
00:05:27,830 --> 00:05:26,190

you know I own the phone I said I'll be

114

00:05:31,640 --> 00:05:27,840

back a little bit I gotta go see what's

115

00:05:34,820 --> 00:05:31,650

going on so I went home one just took me

116

00:05:36,650 --> 00:05:34,830

like a minute to get back cold back up

117

00:05:40,070 --> 00:05:36,660

against that again on that side dried

118

00:05:42,740 --> 00:05:40,080

and stopped at the at the side of the

119

00:05:44,870 --> 00:05:42,750

house and got out and went into what we

120

00:05:47,240 --> 00:05:44,880

called the Florida room well patio room

121

00:05:48,980 --> 00:05:47,250

my dad built off the dining room there

122

00:05:50,780 --> 00:05:48,990

and I walked in and my mom was standing

123

00:05:55,310 --> 00:05:50,790

out there and I didn't see anything in

124

00:05:57,710 --> 00:05:55,320

the yard and I said to her I don't see

125

00:06:01,280 --> 00:05:57,720

anything but I'll go out and look and I

126
00:06:02,840 --> 00:06:01,290
dad kept the shotgun not loaded next to

127
00:06:04,490 --> 00:06:02,850
the trash masher in there and I picked

128
00:06:06,110 --> 00:06:04,500
it up and my mom says well that's not

129
00:06:08,330 --> 00:06:06,120
loaded and I go well they don't know

130
00:06:11,420 --> 00:06:08,340
that oh I'll get close enough to him I

131
00:06:13,460 --> 00:06:11,430
could smack him with it you know and I'm

132
00:06:17,360 --> 00:06:13,470
not a brave person so the fact that I

133
00:06:20,860 --> 00:06:17,370
even did any of that still amazes me I

134
00:06:25,550 --> 00:06:20,870
am braid now but back then I was not a

135
00:06:27,080 --> 00:06:25,560
whole different person now but I went

136
00:06:29,750 --> 00:06:27,090
out and looked around didn't see

137
00:06:33,290 --> 00:06:29,760
anything went to the pump house looked

138
00:06:35,330 --> 00:06:33,300

inside nothing miss didn't see anything

139

00:06:37,700 --> 00:06:35,340

on us in the backyard and I headed

140

00:06:39,290 --> 00:06:37,710

towards I found my dog who had been in

141

00:06:42,080 --> 00:06:39,300

the garage actually under my dad's

142

00:06:43,970 --> 00:06:42,090

ladder truck backed by his workshop but

143

00:06:46,430 --> 00:06:43,980

she would not come out from under that

144

00:06:48,830 --> 00:06:46,440

truck and that was very unlike her

145

00:06:50,540 --> 00:06:48,840

because she was my dog and I'm liking me

146

00:06:53,120 --> 00:06:50,550

a penny coming you know she's looking to

147

00:06:54,920 --> 00:06:53,130

make a dog whining noises and would not

148

00:06:58,430 --> 00:06:54,930

come out I'm like fine stay there I got

149

00:07:01,010 --> 00:06:58,440

time for this went to the garage went

150

00:07:02,690 --> 00:07:01,020

inside the success Korean door and I'm

151
00:07:05,390 --> 00:07:02,700
walking around like Elmer Fudd who

152
00:07:09,710 --> 00:07:05,400
stalking the

153
00:07:12,980 --> 00:07:09,720
that you know custom a little bit trying

154
00:07:15,670 --> 00:07:12,990
to be posturing like you know I know

155
00:07:18,680 --> 00:07:15,680
you're in here I'm gonna you know and

156
00:07:20,450 --> 00:07:18,690
nobody sitting there there were a couple

157
00:07:22,490 --> 00:07:20,460
of mattresses leaned up against the wall

158
00:07:23,990 --> 00:07:22,500
and I thought they're the only place

159
00:07:25,460 --> 00:07:24,000
someone could be hiding because I can

160
00:07:27,980 --> 00:07:25,470
see everything else so they got

161
00:07:29,930 --> 00:07:27,990
somebody's got to be in there behind

162
00:07:30,950 --> 00:07:29,940
that mattress I'm sneaking around

163
00:07:32,330 --> 00:07:30,960

they're getting ready to stick the gun

164

00:07:35,719 --> 00:07:32,340

back in there and I'm like I'm gonna

165

00:07:38,870 --> 00:07:35,729

shoot you both all of a sudden I feel

166

00:07:41,990 --> 00:07:38,880

like I'm on fire I'm stopped in my

167

00:07:44,600 --> 00:07:42,000

tracks I feel like every inch of my skin

168

00:07:48,350 --> 00:07:44,610

is burning and it's almost like I can

169

00:07:52,730 --> 00:07:48,360

feel every molecule of my body vibrate

170

00:07:55,159 --> 00:07:52,740

and I'm like frozen with fear and I'm

171

00:07:57,710 --> 00:07:55,169

thinking oh my god my thought was I have

172

00:08:00,589 --> 00:07:57,720

to get out of here right now so I head

173

00:08:04,610 --> 00:08:00,599

to the pedestrian door and as soon as I

174

00:08:08,719 --> 00:08:04,620

get into the doorway something hits me

175

00:08:12,950 --> 00:08:08,729

right here in my I guess solar plexus

176
00:08:16,279 --> 00:08:12,960
right here like a punch in the gut but a

177
00:08:20,089 --> 00:08:16,289
light so intense that my eyes I know

178
00:08:21,920 --> 00:08:20,099
they had to be closed but yet the light

179
00:08:26,750 --> 00:08:21,930
was so intense that it's like burned my

180
00:08:29,990 --> 00:08:26,760
eyes and I thought oh my god I'm dead I

181
00:08:31,730 --> 00:08:30,000
remember thinking I'm dead I'm dead this

182
00:08:33,110 --> 00:08:31,740
is what it feels like to die you know I

183
00:08:37,430 --> 00:08:33,120
just kept thinking I'm dead I'm dead

184
00:08:39,800 --> 00:08:37,440
and the light was so intense and it's

185
00:08:45,190 --> 00:08:39,810
like I couldn't move and I could feel

186
00:08:47,780 --> 00:08:45,200
every morsel of my body vibrate like

187
00:08:49,370 --> 00:08:47,790
intense it was so intense and in

188
00:08:51,110 --> 00:08:49,380

retrospect I think I couldn't have

189

00:08:53,600 --> 00:08:51,120

survived something like that for more

190

00:08:59,180 --> 00:08:53,610

than a second or two but it seemed like

191

00:09:02,090 --> 00:08:59,190

time almost stops and it seems like it

192

00:09:06,350 --> 00:09:02,100

was going on forever you know but I know

193

00:09:09,170 --> 00:09:06,360

it couldn't have I felt one the

194

00:09:12,410 --> 00:09:09,180

vibration stopped the light quickly

195

00:09:14,720 --> 00:09:12,420

became less intense but I just I found

196

00:09:18,720 --> 00:09:14,730

that number one I couldn't move number

197

00:09:21,310 --> 00:09:18,730

two my vision was Jack

198

00:09:24,160 --> 00:09:21,320

like have you ever gotten your picture

199

00:09:26,230 --> 00:09:24,170

taken with a big flash cube and you got

200

00:09:28,360 --> 00:09:26,240

it in the eyes and then you see these

201
00:09:29,440 --> 00:09:28,370
crazy spots for like an hour you think

202
00:09:31,810 --> 00:09:29,450
you're going to go blind because you've

203
00:09:33,910 --> 00:09:31,820
burned your eyes that's something my

204
00:09:35,920 --> 00:09:33,920
eyes were doing that so bad that it was

205
00:09:39,040 --> 00:09:35,930
very difficult for me to see detail in

206
00:09:40,870 --> 00:09:39,050
front of me I could see movement you

207
00:09:46,180 --> 00:09:40,880
know but I couldn't see it you know

208
00:09:48,340 --> 00:09:46,190
lively spots and then I felt something

209
00:09:50,470 --> 00:09:48,350
pull down on my shoulder from behind me

210
00:09:53,020 --> 00:09:50,480
and from behind me or somewhere I could

211
00:09:57,070 --> 00:09:53,030
not see anybody but I could hear a voice

212
00:10:00,130 --> 00:09:57,080
say that was unfortunate in reference to

213
00:10:03,730 --> 00:10:00,140

the pain that I felt and then I felt a

214

00:10:06,880 --> 00:10:03,740

stab in my ear that felt I could

215

00:10:10,030 --> 00:10:06,890

visualize like a red-hot needle being

216

00:10:12,550 --> 00:10:10,040

shoved into my ear and yet I couldn't

217

00:10:14,710 --> 00:10:12,560

scream I couldn't move I just had to

218

00:10:18,340 --> 00:10:14,720

stand there and take it but it was brief

219

00:10:23,620 --> 00:10:18,350

I noticed a light in front of me maybe

220

00:10:26,080 --> 00:10:23,630

20 or 25 feet in front of me out into

221

00:10:28,720 --> 00:10:26,090

the yard the size of a basketball and

222

00:10:35,890 --> 00:10:28,730

was much softer than what had hit me in

223

00:10:37,630 --> 00:10:35,900

the chest and it went down slowly to the

224

00:10:40,390 --> 00:10:37,640

ground and then back up again to where

225

00:10:43,570 --> 00:10:40,400

it was and I got the distinct feeling

226

00:10:46,440 --> 00:10:43,580

that it was looking at me I don't know

227

00:10:49,360 --> 00:10:46,450

why but it was looking at me which

228

00:10:53,710 --> 00:10:49,370

freaked me out and it was that time I

229

00:11:00,250 --> 00:10:53,720

noticed this thing to my left I looked

230

00:11:06,340 --> 00:11:00,260

at it I was mortified it was not that

231

00:11:10,300 --> 00:11:06,350

large maybe 10 feet tall maybe 10 feet

232

00:11:13,210 --> 00:11:10,310

around at the middle but it kind of went

233

00:11:14,530 --> 00:11:13,220

in it almost was egg-shaped and for like

234

00:11:16,300 --> 00:11:14,540

me I can't really tell you whether

235

00:11:18,850 --> 00:11:16,310

actually was even touching the ground or

236

00:11:20,560 --> 00:11:18,860

not because it almost seemed was down

237

00:11:23,800 --> 00:11:20,570

there but it almost seemed as if it kind

238

00:11:27,579 --> 00:11:23,810

of bobbles or just slightly you know I

239

00:11:29,320 --> 00:11:27,589

mean and there were other lights on it a

240

00:11:32,110 --> 00:11:29,330

couple other lights on it that were very

241

00:11:35,450 --> 00:11:32,120

similar to what was in front of me

242

00:11:39,440 --> 00:11:35,460

and I thought I don't want to look at it

243

00:11:41,120 --> 00:11:39,450

but then yet a quandary I needed to know

244

00:11:43,010 --> 00:11:41,130

exactly where it was in reference to me

245

00:11:45,350 --> 00:11:43,020

at all time so I couldn't not look at it

246

00:11:47,540 --> 00:11:45,360

you know I mean not that I could get

247

00:11:48,950 --> 00:11:47,550

away from it but it was one of those

248

00:11:50,360 --> 00:11:48,960

things where you can't not look at it

249

00:11:51,010 --> 00:11:50,370

but you can't look at it you know what I

250

00:11:55,940 --> 00:11:51,020

mean

251
00:11:58,240 --> 00:11:55,950
and then I noticed the children I called

252
00:12:01,490 --> 00:11:58,250
them because they look like kid sized

253
00:12:03,920 --> 00:12:01,500
people in the art it seems like they had

254
00:12:06,500 --> 00:12:03,930
been scattered in various parts of the

255
00:12:09,800 --> 00:12:06,510
backyard all came together in a line and

256
00:12:13,580 --> 00:12:09,810
kind of glided across diagonally the

257
00:12:16,340 --> 00:12:13,590
yard and to the thing they were probably

258
00:12:18,470 --> 00:12:16,350
about I called a bullet-shaped because

259
00:12:20,510 --> 00:12:18,480
they were large at the top and then came

260
00:12:24,860 --> 00:12:20,520
down and they didn't really walk they

261
00:12:26,840 --> 00:12:24,870
slid but I thought they were little kids

262
00:12:32,570 --> 00:12:26,850
or something like that you know what I

263
00:12:36,260 --> 00:12:32,580

mean because of the size and they all

264

00:12:37,910 --> 00:12:36,270

wanted to sing and then I saw that

265

00:12:41,000 --> 00:12:37,920

myself oh my kids my kids are in this

266

00:12:43,640 --> 00:12:41,010

house you know and immediately I heard

267

00:12:47,930 --> 00:12:43,650

that voice again say your children are

268

00:12:49,820 --> 00:12:47,940

okay no need to worry about them to that

269

00:12:51,620 --> 00:12:49,830

effect I can't exactly remember the same

270

00:12:53,450 --> 00:12:51,630

exact words at this point but basically

271

00:12:54,650 --> 00:12:53,460

was telling me don't need to worry about

272

00:13:00,910 --> 00:12:54,660

your children they're fine

273

00:13:05,390 --> 00:13:00,920

and then the next thing I remember I

274

00:13:06,860 --> 00:13:05,400

hear my name well I didn't realize it at

275

00:13:08,690 --> 00:13:06,870

that time but it was like a week later

276

00:13:12,500 --> 00:13:08,700

that we discovered that it was actually

277

00:13:14,060 --> 00:13:12,510

my mother up higher on the in the back

278

00:13:16,370 --> 00:13:14,070

door calling my name

279

00:13:19,580 --> 00:13:16,380

shouldn't see me and I'd been gone and

280

00:13:25,670 --> 00:13:19,590

she was calling for me soon as I heard

281

00:13:30,710 --> 00:13:25,680

my name it was like Matt I woke up so to

282

00:13:31,910 --> 00:13:30,720

speak I could move I had vague memories

283

00:13:33,830 --> 00:13:31,920

of what had just happened but they

284

00:13:36,380 --> 00:13:33,840

quickly faded so they were like by the

285

00:13:38,990 --> 00:13:36,390

time I got to the top of the stairs of

286

00:13:40,370 --> 00:13:39,000

the top part of the patio were led to

287

00:13:43,160 --> 00:13:40,380

the kitchen door this is a tri-level

288

00:13:44,530 --> 00:13:43,170

service and built kind of like a land

289

00:13:46,810 --> 00:13:44,540

like that

290

00:13:49,390 --> 00:13:46,820

by the time I got to where my mom was

291

00:13:52,480 --> 00:13:49,400

and she says to me is everything okay

292

00:13:55,540 --> 00:13:52,490

and I think that's cool all of that had

293

00:13:58,660 --> 00:13:55,550

just disappeared out of my mind I felt

294

00:14:00,700 --> 00:13:58,670

weird I didn't feel right I felt like I

295

00:14:02,890 --> 00:14:00,710

needed to get wet for some reason I just

296

00:14:08,050 --> 00:14:02,900

needed to wash off or whatever so I

297

00:14:09,640 --> 00:14:08,060

called my friend and I said hey I don't

298

00:14:11,710 --> 00:14:09,650

feel like cutting out any more how about

299

00:14:13,480 --> 00:14:11,720

we go swimming it's warm and we have

300

00:14:15,400 --> 00:14:13,490

this lovely pool at night she's like

301
00:14:17,170 --> 00:14:15,410
okay so she brought her daughter and we

302
00:14:21,730 --> 00:14:17,180
went she came to the back to the house

303
00:14:23,770 --> 00:14:21,740
and as we were walking from the hook the

304
00:14:26,020 --> 00:14:23,780
kitchen to out across the yard to the

305
00:14:28,780 --> 00:14:26,030
pool her daughter steps on something in

306
00:14:30,490 --> 00:14:28,790
the yard that she says it feels like her

307
00:14:32,830 --> 00:14:30,500
feet were burning and tingling and her

308
00:14:34,300 --> 00:14:32,840
leg was getting numb and we thought

309
00:14:35,980 --> 00:14:34,310
maybe she stepped on a bee or something

310
00:14:38,850 --> 00:14:35,990
then we didn't see anything on her feet

311
00:14:41,080 --> 00:14:38,860
but and it was both both feet both legs

312
00:14:44,020 --> 00:14:41,090
we couldn't figure out what was going on

313
00:14:46,600 --> 00:14:44,030

so I mean she seems like she was okay so

314

00:14:48,640 --> 00:14:46,610

we just got in the pool and within a few

315

00:14:52,660 --> 00:14:48,650

minutes all three of us got sick

316

00:14:56,200 --> 00:14:52,670

we're nauseous and I started having

317

00:14:57,970 --> 00:14:56,210

symptoms with my eyes it was like all

318

00:15:00,160 --> 00:14:57,980

the lights had halos around him you know

319

00:15:01,570 --> 00:15:00,170

I mean and if you were ever a little kid

320

00:15:03,250 --> 00:15:01,580

and you ever stuck your head under the

321

00:15:09,220 --> 00:15:03,260

water with a heavily chlorinated pool

322

00:15:11,740 --> 00:15:09,230

and you noticed that the you know vision

323

00:15:13,900 --> 00:15:11,750

got all halo and hazy and stuff you know

324

00:15:15,160 --> 00:15:13,910

which I've done that before the kid but

325

00:15:18,070 --> 00:15:15,170

I hadn't even got my head in the water

326

00:15:20,380 --> 00:15:18,080

so that was not the issue and I could

327

00:15:21,580 --> 00:15:20,390

not figure out what's going on we

328

00:15:25,450 --> 00:15:21,590

finally gave up with the idea of

329

00:15:27,430 --> 00:15:25,460

swimming and they left and I went home

330

00:15:30,250 --> 00:15:27,440

went to bed next morning when I woke up

331

00:15:32,560 --> 00:15:30,260

my eyes were swollen completely shut

332

00:15:34,780 --> 00:15:32,570

they were on fire they were red they

333

00:15:38,050 --> 00:15:34,790

were running so my mother took me to the

334

00:15:41,440 --> 00:15:38,060

emergency room and while we were there

335

00:15:44,680 --> 00:15:41,450

they're like we don't have the to deal

336

00:15:46,600 --> 00:15:44,690

with this kind of eye injury and there

337

00:15:48,640 --> 00:15:46,610

just so happened to be an eye doctor in

338

00:15:50,110 --> 00:15:48,650

the hospital and they contacted him he

339

00:15:52,780 --> 00:15:50,120

came to the emergency room to look at me

340

00:15:54,460 --> 00:15:52,790

and then he in turn sent me to his

341

00:15:56,500 --> 00:15:54,470

offices which were across the street

342

00:15:57,509 --> 00:15:56,510

from the hospital he said he had better

343

00:15:59,249 --> 00:15:57,519

equipment to

344

00:16:01,829 --> 00:15:59,259

take care of me better there so we went

345

00:16:03,329 --> 00:16:01,839

over there mommy over there first words

346

00:16:05,189 --> 00:16:03,339

out of his mouth after he got to looking

347

00:16:09,499 --> 00:16:05,199

at me was have you looked into the Ark

348

00:16:13,169 --> 00:16:09,509

of the welder's torch and I'm like up no

349

00:16:14,999 --> 00:16:13,179

no I'm thinking what the hell is wrong

350

00:16:16,669 --> 00:16:15,009

with me somebody help me this hurt I

351

00:16:20,460 --> 00:16:16,679

can't see

352

00:16:21,600 --> 00:16:20,470

well he called it a severe case of

353

00:16:25,799 --> 00:16:21,610

conjunctivitis

354

00:16:27,840 --> 00:16:25,809

referre he could tell you know I would

355

00:16:29,669 --> 00:16:27,850

prescribe creams and drop which took

356

00:16:33,929 --> 00:16:29,679

weeks for this to heal up my vision came

357

00:16:36,449 --> 00:16:33,939

back after a couple of days pain was

358

00:16:38,970 --> 00:16:36,459

still and they look horrible for several

359

00:16:40,579 --> 00:16:38,980

weeks at from that point on my eyes were

360

00:16:44,850 --> 00:16:40,589

never right I became extremely

361

00:16:48,809 --> 00:16:44,860

farsighted and I was diagnosed with

362

00:16:51,960 --> 00:16:48,819

cataracts in my 30 and I at 55 I finally

363

00:16:54,530 --> 00:16:51,970

had both lenses replaced and I was also

364

00:16:57,329 --> 00:16:54,540

diagnosed with dry macular degeneration

365

00:17:00,329 --> 00:16:57,339

the beginnings I had the Drude drusen

366

00:17:01,949 --> 00:17:00,339

around the macular nerves and I was

367

00:17:07,620 --> 00:17:01,959

quite young I was in my early thirties

368

00:17:10,620 --> 00:17:07,630

with that as well so I blame that night

369

00:17:13,169 --> 00:17:10,630

because my eyes were tore up I can't

370

00:17:14,519 --> 00:17:13,179

prove it and I probably could never

371

00:17:17,039 --> 00:17:14,529

prove it other than you know if you

372

00:17:20,760 --> 00:17:17,049

could we found the doctor's notes or the

373

00:17:23,960 --> 00:17:20,770

you know the emergency room records and

374

00:17:26,789 --> 00:17:23,970

all that from Williams back in 1983 but

375

00:17:30,539 --> 00:17:26,799

my eyes were a mess and I blame that

376

00:17:32,010 --> 00:17:30,549

night also for about a year after that I

377

00:17:34,380 --> 00:17:32,020

was sick all the time

378

00:17:36,630 --> 00:17:34,390

my I would have my glands with swell up

379

00:17:39,320 --> 00:17:36,640

my immune system was shot

380

00:17:41,730 --> 00:17:39,330

I caught everything that came to town I

381

00:17:44,750 --> 00:17:41,740

developed a lot of irregular heartbeats

382

00:17:49,649 --> 00:17:44,760

I started having panic attacks and

383

00:17:51,090 --> 00:17:49,659

anxiety and I think the first few months

384

00:17:54,240 --> 00:17:51,100

after that I basically had a nervous

385

00:17:57,149 --> 00:17:54,250

breakdown I started to remember things

386

00:17:59,490 --> 00:17:57,159

that following the weekend after that

387

00:18:02,070 --> 00:17:59,500

happened was when the mark in the yard

388

00:18:04,019 --> 00:18:02,080

first appeared he kind of bloomed I

389

00:18:07,909 --> 00:18:04,029

don't think it really happened overnight

390

00:18:11,170 --> 00:18:09,400

maybe

391

00:18:16,480 --> 00:18:11,180

we just noticed it a couple days later

392

00:18:18,250 --> 00:18:16,490

so I'm guessing they I'm the first thing

393

00:18:20,320 --> 00:18:18,260

my mother said when she saw this mark in

394

00:18:23,170 --> 00:18:20,330

the yard was oh that's where the UFO

395

00:18:25,840 --> 00:18:23,180

landed and I looked at her like what did

396

00:18:27,880 --> 00:18:25,850

you just say I like you know I said what

397

00:18:29,620 --> 00:18:27,890

to her looked at her like all crazy

398

00:18:31,060 --> 00:18:29,630

and then I started looking at the mark

399

00:18:34,480 --> 00:18:31,070

and it was like something in my head

400

00:18:37,210 --> 00:18:34,490

clicked and I saw these two big black

401
00:18:41,050 --> 00:18:37,220
eyes watery

402
00:18:43,480 --> 00:18:41,060
shimmery black I like superimposed over

403
00:18:45,040 --> 00:18:43,490
this mark and it was like somebody

404
00:18:47,920 --> 00:18:45,050
pulled their finger out of the dam all

405
00:18:49,390 --> 00:18:47,930
these memories just came back and they

406
00:18:52,420 --> 00:18:49,400
continued to come back for like a year

407
00:18:54,640 --> 00:18:52,430
and not just memories of that night that

408
00:18:57,280 --> 00:18:54,650
memories of things past when I was

409
00:18:59,350 --> 00:18:57,290
younger things that I've had happen and

410
00:19:04,650 --> 00:18:59,360
just had stuffed away and tried to

411
00:19:07,210 --> 00:19:04,660
forget her out about am and I got very

412
00:19:10,240 --> 00:19:07,220
crazy for the first few months after

413
00:19:13,630 --> 00:19:10,250

that I started I couldn't sleep at night

414

00:19:16,210 --> 00:19:13,640

this is the Sun went down I'm up I would

415

00:19:19,750 --> 00:19:16,220

sit between my son twin beds at night

416

00:19:22,420 --> 00:19:19,760

and watch them like I was guarding them

417

00:19:23,860 --> 00:19:22,430

from something waiting for something but

418

00:19:25,690 --> 00:19:23,870

I don't know what I was waiting for I

419

00:19:27,640 --> 00:19:25,700

couldn't go to the bathroom in the

420

00:19:29,410 --> 00:19:27,650

bathroom on that side of the house that

421

00:19:31,660 --> 00:19:29,420

with the window that overlooked the mark

422

00:19:33,640 --> 00:19:31,670

in the yard and I knew it was out there

423

00:19:34,450 --> 00:19:33,650

because I don't I kept thinking

424

00:19:36,250 --> 00:19:34,460

something was going to pull me through

425

00:19:39,040 --> 00:19:36,260

the window if I went in there and I had

426
00:19:40,720 --> 00:19:39,050
to stay away all kinds of paranormal

427
00:19:42,490 --> 00:19:40,730
activity began to swoop down on the

428
00:19:44,140 --> 00:19:42,500
house we had had little bits and pieces

429
00:19:46,750 --> 00:19:44,150
of it over the years as I was a child

430
00:19:49,030 --> 00:19:46,760
growing up I was accustomed to it this

431
00:19:53,470 --> 00:19:49,040
was intense for this year after that

432
00:19:55,060 --> 00:19:53,480
like I smoked at the time and I took a

433
00:19:57,670 --> 00:19:55,070
drag off my cigarette and reached over

434
00:20:00,730 --> 00:19:57,680
to flip my cigarette like that over this

435
00:20:03,730 --> 00:20:00,740
giant amber glass ashtray in front of my

436
00:20:07,120 --> 00:20:03,740
mom and sister that giant glass amber

437
00:20:10,300 --> 00:20:07,130
ashtray split in half with a loud crack

438
00:20:12,670 --> 00:20:10,310

and one side slid the one into the table

439

00:20:16,330 --> 00:20:12,680

one side slid the other and all the but

440

00:20:17,770 --> 00:20:16,340

sit in the middle of the table and I was

441

00:20:20,290 --> 00:20:17,780

like oh cool

442

00:20:22,450 --> 00:20:20,300

did I do that and my sister's like I'm

443

00:20:23,010 --> 00:20:22,460

going home now see ya and my mom's like

444

00:20:25,650 --> 00:20:23,020

damn

445

00:20:29,010 --> 00:20:25,660

was a good astrick so we all three had

446

00:20:34,050 --> 00:20:29,020

different realities a bit lights turned

447

00:20:35,640 --> 00:20:34,060

on off TV turned on and off we saw

448

00:20:37,680 --> 00:20:35,650

movement and balls of light that would

449

00:20:38,880 --> 00:20:37,690

slice through the house one time mom me

450

00:20:41,760 --> 00:20:38,890

and the kids were sitting in the living

451
00:20:43,800 --> 00:20:41,770
room watching TV minding our own

452
00:20:46,820 --> 00:20:43,810
business and all of a sudden out of the

453
00:20:49,290 --> 00:20:46,830
blue this intense green ball of light

454
00:20:52,710 --> 00:20:49,300
flashed in the living room between my

455
00:20:54,600 --> 00:20:52,720
mom and the TV it was so intense and I

456
00:20:58,260 --> 00:20:54,610
saw mom and the kids went like this but

457
00:21:01,380 --> 00:20:58,270
I kept my eyes open and the moment this

458
00:21:05,670 --> 00:21:01,390
thing flashed the TV shut off the

459
00:21:10,380 --> 00:21:05,680
telephone rang and the light bulb next

460
00:21:12,050 --> 00:21:10,390
to my mom chair exploded and shattered

461
00:21:14,400 --> 00:21:12,060
all over the table

462
00:21:16,710 --> 00:21:14,410
but this flash in the middle of the room

463
00:21:21,030 --> 00:21:16,720

happened before that light bulb broke

464

00:21:26,700 --> 00:21:21,040

you know I mean it was flash thump rings

465

00:21:29,640 --> 00:21:26,710

boom who has that happen even my

466

00:21:31,290 --> 00:21:29,650

stepdaughter one time years later we

467

00:21:32,580 --> 00:21:31,300

always would have these like white balls

468

00:21:34,530 --> 00:21:32,590

of light that would float through the

469

00:21:37,080 --> 00:21:34,540

house they were either white or blue the

470

00:21:39,030 --> 00:21:37,090

only time we had the green was when that

471

00:21:41,880 --> 00:21:39,040

happened and it like I said it rang the

472

00:21:48,960 --> 00:21:41,890

telephone which I got up to answer and

473

00:21:51,900 --> 00:21:48,970

it was just a dead call I you know this

474

00:21:56,250 --> 00:21:51,910

I started to like collecting that feeds

475

00:21:58,740 --> 00:21:56,260

and stone pieces of stone different

476

00:22:01,440 --> 00:21:58,750

kinds Rock collections and stuff in my

477

00:22:02,970 --> 00:22:01,450

room for that one year and also during

478

00:22:06,120 --> 00:22:02,980

that one year after that mark in the

479

00:22:11,490 --> 00:22:06,130

yard I had this weird thing happening to

480

00:22:14,220 --> 00:22:11,500

me where I would be asleep fine and all

481

00:22:16,650 --> 00:22:14,230

of a sudden these images and phrases and

482

00:22:19,080 --> 00:22:16,660

words would wake me up out of a sound

483

00:22:22,050 --> 00:22:19,090

sleep and the only way I could make them

484

00:22:25,410 --> 00:22:22,060

go away was to write them down or draw a

485

00:22:27,210 --> 00:22:25,420

picture of what it was I saw once I did

486

00:22:29,100 --> 00:22:27,220

that it would leave me alone I go back

487

00:22:31,650 --> 00:22:29,110

sleep and it happened like daily

488

00:22:33,570 --> 00:22:31,660

sometimes and eventually it was weekly

489

00:22:35,520 --> 00:22:33,580

and then it finally wore off but for a

490

00:22:41,190 --> 00:22:35,530

year it was really intense for the first

491

00:22:42,480 --> 00:22:41,200

that year in 1984 I wrote down all kinds

492

00:22:44,430 --> 00:22:42,490

of weird stuff that don't make any sense

493

00:22:46,710 --> 00:22:44,440

to me because I'm not a scientist or

494

00:22:48,210 --> 00:22:46,720

anything like that and I don't

495

00:22:51,630 --> 00:22:48,220

understand those things that I just

496

00:22:58,230 --> 00:22:51,640

wrote them down such as time is a

497

00:23:01,530 --> 00:22:58,240

vehicle and light is to heal you can

498

00:23:04,230 --> 00:23:01,540

heal and travel and even nourish with

499

00:23:07,350 --> 00:23:04,240

light you know just stuff like that and

500

00:23:10,680 --> 00:23:07,360

the drawings I did which I put in the

501
00:23:12,450 --> 00:23:10,690
book and then I show when I speak many

502
00:23:14,220 --> 00:23:12,460
of them eventually these were all done

503
00:23:17,010 --> 00:23:14,230
in the early 80s and back in then

504
00:23:19,020 --> 00:23:17,020
eventually like in the early 2000 crop

505
00:23:20,910 --> 00:23:19,030
circle circles started to show up and a

506
00:23:23,010 --> 00:23:20,920
lot of my drawings were extremely

507
00:23:24,600 --> 00:23:23,020
similar if not identical to these some

508
00:23:26,630 --> 00:23:24,610
of these crop circles and I'm not the

509
00:23:28,890 --> 00:23:26,640
only person in stillness there's

510
00:23:30,960 --> 00:23:28,900
hundreds of people that I know of and

511
00:23:33,660 --> 00:23:30,970
probably thousands that have done this I

512
00:23:35,130 --> 00:23:33,670
could be driving down the street not

513
00:23:38,070 --> 00:23:35,140

allow my my own bill is going to work

514

00:23:41,160 --> 00:23:38,080

whatever and an image would pop into my

515

00:23:44,280 --> 00:23:41,170

head or a phrase it only be one sentence

516

00:23:46,470 --> 00:23:44,290

we're going to see words and it would

517

00:23:48,210 --> 00:23:46,480

just continue to distract me to the

518

00:23:50,280 --> 00:23:48,220

point where I wasn't going to be safe

519

00:23:52,530 --> 00:23:50,290

driving until I pull over so I kept a

520

00:23:54,360 --> 00:23:52,540

notebook in my car as well and I would

521

00:23:56,790 --> 00:23:54,370

just pull over write down or draw what

522

00:23:58,730 --> 00:23:56,800

it was I saw and then it was I was fine

523

00:24:01,320 --> 00:23:58,740

then I could go on about my business

524

00:24:02,820 --> 00:24:01,330

thank God that stopped you know I

525

00:24:05,040 --> 00:24:02,830

thought was it you know I must be

526

00:24:07,680 --> 00:24:05,050

mentally ill this is crazy what crazy

527

00:24:10,740 --> 00:24:07,690

people do this but I kept all these

528

00:24:19,710 --> 00:24:10,750

things you know and held onto him well

529

00:24:22,230 --> 00:24:19,720

anyways back to early 1984 I had read a

530

00:24:26,010 --> 00:24:22,240

book called missing time by Budd Hopkins

531

00:24:27,990 --> 00:24:26,020

I couldn't finish it I kept trying to

532

00:24:29,430 --> 00:24:28,000

read it and every time I read pieces of

533

00:24:32,250 --> 00:24:29,440

it I would like have a panic attack

534

00:24:33,600 --> 00:24:32,260

might have to put away I remember I

535

00:24:36,030 --> 00:24:33,610

ended up going to the emergency room

536

00:24:36,930 --> 00:24:36,040

twice in one week because I thought we'd

537

00:24:40,530 --> 00:24:36,940

had a heart attack

538

00:24:42,180 --> 00:24:40,540

and my mother finally connected the dots

539

00:24:43,710 --> 00:24:42,190

and she said you need to take that book

540

00:24:46,770 --> 00:24:43,720

back to the library we can't afford this

541

00:24:49,409 --> 00:24:46,780

with my spotty I got you I went back to

542

00:24:50,940 --> 00:24:49,419

the library and got the book

543

00:24:52,199 --> 00:24:50,950

because I knew in the back of the book

544

00:24:53,879 --> 00:24:52,209

there was an address where you could

545

00:24:57,659 --> 00:24:53,889

contact the author because somehow I

546

00:25:00,930 --> 00:24:57,669

felt what was having to me what had

547

00:25:02,639 --> 00:25:00,940

happened to my sister in 1985 was

548

00:25:04,649 --> 00:25:02,649

something he would know about and maybe

549

00:25:07,169 --> 00:25:04,659

he could help me because I just wanted

550

00:25:08,699 --> 00:25:07,179

to be normal I didn't ask for this I

551
00:25:11,249 --> 00:25:08,709
didn't go out looking for this

552
00:25:14,609 --> 00:25:11,259
in retrospect perhaps I was even born

553
00:25:17,249 --> 00:25:14,619
because of it I don't know for it but at

554
00:25:22,440 --> 00:25:17,259
that time I just wanted to be a normal I

555
00:25:26,549 --> 00:25:22,450
wanted it to stop so I wrote him this

556
00:25:29,940 --> 00:25:26,559
long long letter and I was still tended

557
00:25:31,669 --> 00:25:29,950
to be telling him about June 30 1983 so

558
00:25:34,799 --> 00:25:31,679
basically I told him about my sister's

559
00:25:37,229 --> 00:25:34,809
experience in 1965 when she was taking

560
00:25:39,690 --> 00:25:37,239
my mother to a bingo game saw the you a

561
00:25:41,579 --> 00:25:39,700
UFO in the church parking lot and felt

562
00:25:44,639 --> 00:25:41,589
compelled to pull into the parking lot

563
00:25:47,279 --> 00:25:44,649

and the next thing she remembers is it's

564

00:25:49,199 --> 00:25:47,289

dark and it's now time to go get mom

565

00:25:51,479 --> 00:25:49,209

from the bingo game and she didn't

566

00:25:53,940 --> 00:25:51,489

remember this whole evening she

567

00:25:58,589 --> 00:25:53,950

disappeared you know time disappeared

568

00:25:59,369 --> 00:25:58,599

for her but I wrote about that in the

569

00:26:01,079 --> 00:25:59,379

letter to bud

570

00:26:03,599 --> 00:26:01,089

so I figure I had to tell my older

571

00:26:05,249 --> 00:26:03,609

sister nor the bus station if you'd been

572

00:26:07,709 --> 00:26:05,259

at the end of the end of the letter I

573

00:26:09,989 --> 00:26:07,719

said oh by the way this stuff happened

574

00:26:11,249 --> 00:26:09,999

in 1883 in June and it left this big

575

00:26:14,519 --> 00:26:11,259

mark in the air and I sent him a picture

576

00:26:16,619 --> 00:26:14,529

and I gave the letter to mom I said mail

577

00:26:17,669 --> 00:26:16,629

this please she's like what is and I

578

00:26:19,709 --> 00:26:17,679

told her she's like okay

579

00:26:21,959 --> 00:26:19,719

later she says I almost threw that

580

00:26:23,129 --> 00:26:21,969

letter away like five times and then she

581

00:26:25,379 --> 00:26:23,139

said something and he said you better

582

00:26:27,690 --> 00:26:25,389

mail it so she dropped it in a mailbox

583

00:26:34,109 --> 00:26:27,700

one day on impulse well like two months

584

00:26:36,839 --> 00:26:34,119

later I'm going out and my mom says when

585

00:26:40,099 --> 00:26:36,849

you were gone that guy who you wrote to

586

00:26:46,109 --> 00:26:40,109

that wrote that book called and I'm like

587

00:26:49,169 --> 00:26:46,119

what and my mind was reeling because I

588

00:26:53,430 --> 00:26:49,179

knew at that moment this was the

589

00:26:54,149 --> 00:26:53,440

beginning I I had reached the point of

590

00:26:56,639 --> 00:26:54,159

no return

591

00:27:00,169 --> 00:26:56,649

I can't go back now I have to go forward

592

00:27:02,070 --> 00:27:00,179

it's just I'm not to talk about it now

593

00:27:10,860 --> 00:27:02,080

so

594

00:27:14,040 --> 00:27:10,870

I called him back and we talked and thus

595

00:27:17,850 --> 00:27:14,050

and out of that phone conversation came

596

00:27:20,970 --> 00:27:17,860

a three-year investigation that involved

597

00:27:22,560 --> 00:27:20,980

me selling my washer and dryer that was

598

00:27:24,780 --> 00:27:22,570

in storage to get enough money to go to

599

00:27:27,300 --> 00:27:24,790

New York on a bus which that in and of

600

00:27:29,750 --> 00:27:27,310

itself is a magnificent feat because I

601
00:27:32,880 --> 00:27:29,760
had this phobia about getting lost and

602
00:27:37,080 --> 00:27:32,890
had never been anywhere that far alone

603
00:27:39,330 --> 00:27:37,090
not New York City and then like halfway

604
00:27:43,740 --> 00:27:39,340
in the bus trip to New York I have this

605
00:27:46,410 --> 00:27:43,750
epiphany what are you doing you're going

606
00:27:49,020 --> 00:27:46,420
to New York City I'm from Indiana so

607
00:27:51,240 --> 00:27:49,030
that was a big Gary deal New York City

608
00:27:53,880 --> 00:27:51,250
to see this man who wrote a book about

609
00:27:57,090 --> 00:27:53,890
UFOs who could be an axe murderer

610
00:28:01,140 --> 00:27:57,100
what is wrong with you water what are

611
00:28:04,820 --> 00:28:01,150
you faking you are nuts then what then I

612
00:28:09,810 --> 00:28:04,830
thought to myself oh well I'm here now

613
00:28:16,800 --> 00:28:09,820

but you know bud pretty much saved my

614

00:28:19,350 --> 00:28:16,810

life he gave me back my sanity he

615

00:28:21,150 --> 00:28:19,360

believed in me he didn't make fun of me

616

00:28:22,260 --> 00:28:21,160

or what I was telling him and he did his

617

00:28:25,080 --> 00:28:22,270

best to help me he wasn't always

618

00:28:31,170 --> 00:28:25,090

successful that his compassion you know

619

00:28:32,910 --> 00:28:31,180

helped me so much he he connected me

620

00:28:34,650 --> 00:28:32,920

with other people that had these

621

00:28:37,290 --> 00:28:34,660

experiences that I had no idea existed

622

00:28:38,550 --> 00:28:37,300

on the planet and made me feel at first

623

00:28:40,320 --> 00:28:38,560

it scared me because I thought oh well

624

00:28:42,870 --> 00:28:40,330

there goes my idea that I can just write

625

00:28:44,400 --> 00:28:42,880

this off as me being crazy because these

626

00:28:46,380 --> 00:28:44,410

people are seeing the same thing I'm

627

00:28:49,890 --> 00:28:46,390

seeing and they can't be knowing what I

628

00:28:51,780 --> 00:28:49,900

know in my head because I've never told

629

00:28:53,730 --> 00:28:51,790

anybody so therefore the only other

630

00:28:58,470 --> 00:28:53,740

conclusion I can make is this stuff is

631

00:29:02,010 --> 00:28:58,480

really going on and on some level anyway

632

00:29:05,610 --> 00:29:02,020

so I'm you know once I reconciled that

633

00:29:10,200 --> 00:29:05,620

with myself then it was comforting to me

634

00:29:12,150 --> 00:29:10,210

and after the investigation and the

635

00:29:14,040 --> 00:29:12,160

testing that he put me through with

636

00:29:15,930 --> 00:29:14,050

doctors and psychiatrists

637

00:29:17,820 --> 00:29:15,940

and his research he's betting he came to

638

00:29:20,960 --> 00:29:17,830

Indiana several times to interview

639

00:29:23,550 --> 00:29:20,970

neighbors friends family coworkers

640

00:29:26,610 --> 00:29:23,560

Benna don't wanted to do it as well

641

00:29:29,640 --> 00:29:26,620

you know so I don't know why he felt

642

00:29:34,700 --> 00:29:29,650

this drive to spend his time with our KC

643

00:29:40,650 --> 00:29:36,830

came his book intruders

644

00:29:43,170 --> 00:29:40,660

so intruders is basically centered

645

00:29:46,260 --> 00:29:43,180

around me and the June 30 1983

646

00:29:52,620 --> 00:29:46,270

experience and then expands a little bit

647

00:29:54,660 --> 00:29:52,630

before and a lot afterwards and I went

648

00:29:58,410 --> 00:29:54,670

with him when he did his book tour

649

00:30:01,860 --> 00:29:58,420

you know because I felt somewhat of an

650

00:30:03,870 --> 00:30:01,870

obligation to help him to promote his

651
00:30:06,300 --> 00:30:03,880
book because number one wanted to get

652
00:30:08,250 --> 00:30:06,310
the word out and try to help people who

653
00:30:11,070 --> 00:30:08,260
also had these experiences not feel

654
00:30:14,610 --> 00:30:11,080
alone and be feel more confident to talk

655
00:30:17,820 --> 00:30:14,620
about it and you know because he spent

656
00:30:20,610 --> 00:30:17,830
his he sacrificed three years of his

657
00:30:23,340 --> 00:30:20,620
life and his own money to help me and my

658
00:30:25,380 --> 00:30:23,350
family I felt I needed to pay him back

659
00:30:27,360 --> 00:30:25,390
for that in some way you know because I

660
00:30:29,300 --> 00:30:27,370
was grateful to him for that so I went

661
00:30:32,310 --> 00:30:29,310
with him even though it's very

662
00:30:34,110 --> 00:30:32,320
uncomfortable for me because I I could

663
00:30:35,490 --> 00:30:34,120

be talking about grocery stores and I

664

00:30:37,080 --> 00:30:35,500

would have a panic attack just because

665

00:30:39,690 --> 00:30:37,090

people were looking at me I'm just not

666

00:30:42,300 --> 00:30:39,700

that was not that way you know what I

667

00:30:44,490 --> 00:30:42,310

mean that I did it because for him and I

668

00:30:46,110 --> 00:30:44,500

did it for all the other people out

669

00:30:47,880 --> 00:30:46,120

there like me that have had these

670

00:30:50,160 --> 00:30:47,890

experiences and don't know what to do

671

00:30:51,600 --> 00:30:50,170

with themselves or where to go the fact

672

00:30:55,110 --> 00:30:51,610

that I just found out that there are a

673

00:31:01,830 --> 00:30:55,120

lot of people like me was a helpful to

674

00:31:06,120 --> 00:31:01,840

me so and then as years passed I began

675

00:31:08,820 --> 00:31:06,130

to change inside spiritually

676
00:31:10,680 --> 00:31:08,830
intellectually you know all kind of

677
00:31:13,770 --> 00:31:10,690
things and the experience the strange

678
00:31:17,160 --> 00:31:13,780
experiences I started have changed to a

679
00:31:21,330 --> 00:31:17,170
different level and same with my sister

680
00:31:24,050 --> 00:31:21,340
my older sister so we wrote a book to

681
00:31:26,520 --> 00:31:24,060
compliment intruders which was called

682
00:31:27,630 --> 00:31:26,530
abducted the story of the intruders

683
00:31:30,840 --> 00:31:27,640
continued

684
00:31:32,370 --> 00:31:30,850
that was published in 1992 and then of

685
00:31:35,760 --> 00:31:32,380
course when you write a book then you

686
00:31:40,789 --> 00:31:35,770
got to go out and talk about it so I did

687
00:31:43,560 --> 00:31:40,799
and then I kind of backed away in 93 and

688
00:31:47,039 --> 00:31:43,570

1994 my late has been committed suicide

689

00:31:49,080 --> 00:31:47,049

and I was traumatized by that and I had

690

00:31:50,549 --> 00:31:49,090

two teenage kids to raise and so I kind

691

00:31:57,210 --> 00:31:50,559

of pulled myself out of way from all of

692

00:31:59,940 --> 00:31:57,220

it to focus on other things and even in

693

00:32:01,710 --> 00:31:59,950

all that the experiences continued on a

694

00:32:04,130 --> 00:32:01,720

different level and paranormal

695

00:32:07,049 --> 00:32:04,140

experiences became pulled into it as

696

00:32:08,880 --> 00:32:07,059

well or what you call paranormal so I

697

00:32:13,860 --> 00:32:08,890

got involved in paranormal research as

698

00:32:16,200 --> 00:32:13,870

well and just all saying all kinds of

699

00:32:18,830 --> 00:32:16,210

things have changed within me and now I

700

00:32:22,409 --> 00:32:18,840

have accepted a few speaking engagements

701
00:32:27,750 --> 00:32:22,419
in the last few years where I feel

702
00:32:30,600 --> 00:32:27,760
compelled to and I want and I come to

703
00:32:32,880 --> 00:32:30,610
talk about what happened to me since

704
00:32:35,310 --> 00:32:32,890
that happened and how things are

705
00:32:37,140 --> 00:32:35,320
changing because I know who people that

706
00:32:39,810 --> 00:32:37,150
have had this experience are at the same

707
00:32:42,860 --> 00:32:39,820
level now and so that's why I came here

708
00:32:45,150 --> 00:32:42,870
to Eureka Springs again this place here

709
00:32:47,640 --> 00:32:45,160
was one of the first places I ever came

710
00:32:52,350 --> 00:32:47,650
and spoke publicly so I feel comfortable

711
00:32:54,180 --> 00:32:52,360
here but so that's my story there's a

712
00:32:56,640 --> 00:32:54,190
whole lot more to it but we don't have

713
00:32:59,630 --> 00:32:56,650

like three hours because we're talking

714

00:33:05,840 --> 00:32:59,640

about 58 years of the life that's been a

715

00:33:09,780 --> 00:33:05,850

extremely phenomenal and scary and

716

00:33:11,510 --> 00:33:09,790

blessed so kind of hard to condense it

717

00:33:16,620 --> 00:33:11,520

all into a little while a little bit

718

00:33:19,230 --> 00:33:16,630

that's the gist of it having had the

719

00:33:21,060 --> 00:33:19,240

lights and I have had and the

720

00:33:23,390 --> 00:33:21,070

experiences that I've had and the way I

721

00:33:27,000 --> 00:33:23,400

started out you know the child and and

722

00:33:32,520 --> 00:33:27,010

things that happened to me throughout my

723

00:33:34,500 --> 00:33:32,530

life I have had a lot of traumatic

724

00:33:35,850 --> 00:33:34,510

things happened to me have nothing to do

725

00:33:38,880 --> 00:33:35,860

with paranormal stuff at all

726

00:33:41,160 --> 00:33:38,890

either also like uh my husband suicide

727

00:33:42,600 --> 00:33:41,170

which was bad enough to be a suicide

728

00:33:46,650 --> 00:33:42,610

survivor but I actually witnessed it

729

00:33:51,600 --> 00:33:46,660

along with the sheriff and that was

730

00:33:53,970 --> 00:33:51,610

traumatic but I can't look at that event

731

00:33:55,280 --> 00:33:53,980

in my life now and realize the gift that

732

00:34:00,030 --> 00:33:55,290

came with it

733

00:34:02,910 --> 00:34:00,040

because I was forced to become stronger

734

00:34:05,370 --> 00:34:02,920

and I was forced to and I was giving

735

00:34:09,330 --> 00:34:05,380

gifts afterwards gifts from my late

736

00:34:14,909 --> 00:34:09,340

husband that reaffirmed and confirmed my

737

00:34:20,310 --> 00:34:14,919

belief that we don't die and just these

738

00:34:22,950 --> 00:34:20,320

bodies that not us and you know I had

739

00:34:24,720 --> 00:34:22,960

the near-death experience when I gave

740

00:34:26,430 --> 00:34:24,730

birth to my first turn I had a clancy in

741

00:34:28,409 --> 00:34:26,440

my ohio organ failure and coma and they

742

00:34:30,780 --> 00:34:28,419

had to take him early and i had to be

743

00:34:33,960 --> 00:34:30,790

resuscitated wife during that episode

744

00:34:36,480 --> 00:34:33,970

i've had two bouts of anaphylaxis

745

00:34:38,220 --> 00:34:36,490

allergic reaction most people don't even

746

00:34:40,560 --> 00:34:38,230

live through one and I've lived through

747

00:34:43,290 --> 00:34:40,570

two I've lived through two tornadoes

748

00:34:44,700 --> 00:34:43,300

that took everything I owned and so the

749

00:34:46,710 --> 00:34:44,710

universe is like really taught me that

750

00:34:51,540 --> 00:34:46,720

don't get attached to stuff because it

751

00:34:53,130 --> 00:34:51,550

did ain't that big a deal first time it

752

00:34:55,050 --> 00:34:53,140

was just a van full of clothes and toys

753

00:34:57,390 --> 00:34:55,060

that's all I had anyway the second time

754

00:34:59,790 --> 00:34:57,400

I lost my whole home in 2013 I lost

755

00:35:04,020 --> 00:34:59,800

everything and was in the house and we

756

00:35:06,120 --> 00:35:04,030

got hit by a it was like between us f2

757

00:35:09,240 --> 00:35:06,130

and f3 tornado we were right there at

758

00:35:10,830 --> 00:35:09,250

160 miles an hour and we were Ground

759

00:35:13,590 --> 00:35:10,840

Zero there was nothing left in my house

760

00:35:16,440 --> 00:35:13,600

but three outer brick walls and the

761

00:35:19,710 --> 00:35:16,450

closet I was laying in and once the fire

762

00:35:22,250 --> 00:35:19,720

department does me out I really wasn't

763

00:35:25,440 --> 00:35:22,260

injured you know and it turns out

764

00:35:26,820 --> 00:35:25,450

somebody in Noblesville had videotape

765

00:35:28,770 --> 00:35:26,830

you have homes lying around in the

766

00:35:30,240 --> 00:35:28,780

tornado and it became an episode of

767

00:35:33,390 --> 00:35:30,250

twisted believer on the Weather Channel

768

00:35:39,480 --> 00:35:33,400

so you know well that's not a surprise

769

00:35:41,550 --> 00:35:39,490

right but all so all these traumas need

770

00:35:43,890 --> 00:35:41,560

like traumas and I continue to just

771

00:35:45,720 --> 00:35:43,900

shuttle on like the Energizer Bunny and

772

00:35:50,370 --> 00:35:45,730

actually I get stronger from it and I

773

00:35:52,980 --> 00:35:50,380

get higher from it I get deeper in my

774

00:35:53,740 --> 00:35:52,990

spirituality in spirituality you know I

775

00:35:56,859 --> 00:35:53,750

mean

776

00:36:00,089 --> 00:35:56,869

I'm not a religious person but my

777

00:36:03,490 --> 00:36:00,099

spirituality has increased tenfold

778

00:36:07,599 --> 00:36:03,500

throughout this not only these things of

779

00:36:11,500 --> 00:36:07,609

life but these things extra ordinary

780

00:36:15,040 --> 00:36:11,510

things in my life and now I am at a

781

00:36:20,380 --> 00:36:15,050

point where the things that I wrote down

782

00:36:23,320 --> 00:36:20,390

in 1985 I understand these things that

783

00:36:26,620 --> 00:36:23,330

were told to me that I wrote down that

784

00:36:30,730 --> 00:36:26,630

made no sense you know I look at

785

00:36:33,040 --> 00:36:30,740

everybody and everything differently I

786

00:36:34,599 --> 00:36:33,050

was given gifts from my late husband

787

00:36:37,000 --> 00:36:34,609

after his death I was also getting gifts

788

00:36:38,770 --> 00:36:37,010

from my mother when she passed away like

789

00:36:40,830 --> 00:36:38,780

I said that solidify that part of it in

790

00:36:44,200 --> 00:36:40,840

the paranormal research that I've done

791

00:36:47,200 --> 00:36:44,210

here recently and I have become to

792

00:36:49,870 --> 00:36:47,210

realize that you know there there's a

793

00:36:53,170 --> 00:36:49,880

whole world out here within our world

794

00:36:56,349 --> 00:36:53,180

that we don't even see and I have begun

795

00:37:01,540 --> 00:36:56,359

to realize a human being minds or women

796

00:37:05,740 --> 00:37:01,550

means brains are like tube type radios

797

00:37:10,900 --> 00:37:05,750

in a Dolby Digital surround sound world

798

00:37:14,770 --> 00:37:10,910

okay both still function fine one is

799

00:37:19,300 --> 00:37:14,780

just clearer and sharper and can pick up

800

00:37:21,480 --> 00:37:19,310

more we're like little transistor radios

801
00:37:24,970 --> 00:37:21,490
in a world full of television signals

802
00:37:28,210 --> 00:37:24,980
all this going on around us and we're

803
00:37:30,490 --> 00:37:28,220
just not made to know it but I also have

804
00:37:32,290 --> 00:37:30,500
come to believe that some of these

805
00:37:35,170 --> 00:37:32,300
experiences that I've had haven't been

806
00:37:37,329 --> 00:37:35,180
from out there extraterrestrial in

807
00:37:41,650 --> 00:37:37,339
origin I should say that more of the

808
00:37:45,460 --> 00:37:41,660
ultra terrestrial are ultra dimensional

809
00:37:48,010 --> 00:37:45,470
I believe and these are just my beliefs

810
00:37:50,250 --> 00:37:48,020
I'm not saying this is you know written

811
00:37:53,680 --> 00:37:50,260
in stone but from my experiences

812
00:37:56,349 --> 00:37:53,690
observations and my gut feelings there

813
00:37:59,650 --> 00:37:56,359

are many universes in many reality and I

814

00:38:02,859 --> 00:37:59,660

think that some of them have become

815

00:38:04,839 --> 00:38:02,869

aware of us just as some of us have

816

00:38:07,060 --> 00:38:04,849

become aware of them and I think there

817

00:38:08,090 --> 00:38:07,070

are people on the other side working to

818

00:38:11,670 --> 00:38:08,100

develop

819

00:38:14,760 --> 00:38:11,680

technology to communicate with us as

820

00:38:19,680 --> 00:38:14,770

well as I believe there are people here

821

00:38:22,890 --> 00:38:19,690

doing the same thing and a picture that

822

00:38:24,810 --> 00:38:22,900

I drew in 1984 that I called Casey's

823

00:38:26,040 --> 00:38:24,820

bubbles the vision that I saw and I

824

00:38:27,270 --> 00:38:26,050

couldn't really figure out what it meant

825

00:38:29,580 --> 00:38:27,280

but I drew it and it was like

826

00:38:32,850 --> 00:38:29,590

interlocking circles that touched and

827

00:38:35,100 --> 00:38:32,860

that looked like soap bubble that came

828

00:38:37,530 --> 00:38:35,110

together and touched and in that little

829

00:38:42,660 --> 00:38:37,540

area where they come together they

830

00:38:46,230 --> 00:38:42,670

become one before their table those

831

00:38:50,270 --> 00:38:46,240

little areas this drawing these images

832

00:38:52,680 --> 00:38:50,280

that I did these were universes and

833

00:38:57,000 --> 00:38:52,690

there was little places where they touch

834

00:39:01,130 --> 00:38:57,010

those are our windows those are where we

835

00:39:04,760 --> 00:39:01,140

our gateway our bridge where we can

836

00:39:07,680 --> 00:39:04,770

acknowledge each other you know I mean I

837

00:39:11,070 --> 00:39:07,690

kept tchard an EVP 30 years ago which

838

00:39:14,010 --> 00:39:11,080

has been destroyed then tornado that I'd

839

00:39:16,620 --> 00:39:14,020

given to my mom and then very clearly

840

00:39:19,470 --> 00:39:16,630

you hear an old man say are the spirits

841

00:39:23,010 --> 00:39:19,480

listening and behind him another younger

842

00:39:24,480 --> 00:39:23,020

voices can I listen to you and I had

843

00:39:25,560 --> 00:39:24,490

this epiphany that what if we're the

844

00:39:28,320 --> 00:39:25,570

spirits

845

00:39:31,460 --> 00:39:28,330

someone else somewhere else listening

846

00:39:33,690 --> 00:39:31,470

for us where those little bubbles touch

847

00:39:38,580 --> 00:39:33,700

sound can get through or where you know

848

00:39:40,710 --> 00:39:38,590

I mean I I feel like we're all connected

849

00:39:43,230 --> 00:39:40,720

by this little golden thread or these

850

00:39:48,360 --> 00:39:43,240

little so bubbles that we touch I

851
00:39:53,580 --> 00:39:48,370
believe that a human spirit is nothing

852
00:39:56,880 --> 00:39:53,590
more than a shard of this massive life

853
00:39:59,370 --> 00:39:56,890
that shattered at some point and turned

854
00:40:02,940 --> 00:39:59,380
into a gajillion little shards that

855
00:40:06,660 --> 00:40:02,950
we're all a part of the same thing you

856
00:40:08,820 --> 00:40:06,670
know I mean and I mean it's like my

857
00:40:11,190 --> 00:40:08,830
brain just kind of blew up and all these

858
00:40:14,130 --> 00:40:11,200
things float into me I think about weird

859
00:40:16,110 --> 00:40:14,140
stuff sometimes and I'm like ok no no

860
00:40:19,110 --> 00:40:16,120
that's fine I'll write it down then I

861
00:40:20,049 --> 00:40:19,120
try to just focus on life daily life

862
00:40:23,589 --> 00:40:20,059
kind of 10

863
00:40:25,420 --> 00:40:23,599

to drag me out of that and take my focus

864

00:40:26,709 --> 00:40:25,430

away because good lord knows where I'd

865

00:40:29,319 --> 00:40:26,719

be if I didn't have to worry about

866

00:40:33,059 --> 00:40:29,329

paying the bills and you know what I

867

00:40:35,349 --> 00:40:33,069

mean going to work and all that but

868

00:40:39,009 --> 00:40:35,359

knowing what I know feeling how I feel

869

00:40:41,140 --> 00:40:39,019

now have super changed how I act how I

870

00:40:43,630 --> 00:40:41,150

relate to other people how I think about

871

00:40:47,309 --> 00:40:43,640

other people how I think about life how

872

00:40:53,130 --> 00:40:47,319

I think about death and how I live and

873

00:40:56,620 --> 00:40:53,140

it's made my life so more rich and

874

00:40:59,769 --> 00:40:56,630

wonderful and I want to help other

875

00:41:02,799 --> 00:40:59,779

people realize their potential I feel

876

00:41:06,969 --> 00:41:02,809

like you are only limited in what you

877

00:41:09,069 --> 00:41:06,979

can do we're powerful powerful beings

878

00:41:10,959 --> 00:41:09,079

and I believe we almost have we we have

879

00:41:15,130 --> 00:41:10,969

the ability to actually you know

880

00:41:18,189 --> 00:41:15,140

manipulate our own reality and visualize

881

00:41:22,569 --> 00:41:18,199

and create in our own world and you're

882

00:41:25,599 --> 00:41:22,579

only limited by you and your belief in

883

00:41:27,669 --> 00:41:25,609

what you can or cannot do I mean all

884

00:41:30,969 --> 00:41:27,679

this is just my mind is just blossomed

885

00:41:37,229 --> 00:41:30,979

open like a flower in the last few years

886

00:41:40,539 --> 00:41:37,239

and I feel it is my destiny or my my

887

00:41:45,669 --> 00:41:40,549

obligation or my whole reason for being

888

00:41:48,479 --> 00:41:45,679

is to help other people see so they can

889

00:41:51,939 --> 00:41:48,489

to experience this blossoming and

890

00:41:54,939 --> 00:41:51,949

changed their life and the way they feel

891

00:41:56,799 --> 00:41:54,949

because I feel like if I do that for one

892

00:41:58,569 --> 00:41:56,809

other person here then I've done it for

893

00:42:01,719 --> 00:41:58,579

myself too since I believe we're all

894

00:42:07,089 --> 00:42:01,729

connected and I also feel like the whole

895

00:42:08,890 --> 00:42:07,099

world becomes a better place if somebody

896

00:42:11,919 --> 00:42:08,900

would like to contact me and share their

897

00:42:14,019 --> 00:42:11,929

story with me and you know just talk you

898

00:42:17,069 --> 00:42:14,029

can private message me through Facebook

899

00:42:20,410 --> 00:42:17,079

and my facebook name is dead

900

00:42:23,859 --> 00:42:20,420

Jordan Coble it's three separate words

901

00:42:25,689 --> 00:42:23,869

my name and then the book that both

902

00:42:27,099 --> 00:42:25,699

Hopkins wrote about me and my family is

903

00:42:29,140 --> 00:42:27,109

called intruders the incredible

904

00:42:31,630 --> 00:42:29,150

visitations that Coakley woods by Budd

905
