

UFO 

1
00:00:07,880 --> 00:00:26,550

[Music]

2
00:00:31,830 --> 00:00:29,189
well my name is james clarkson

3
00:00:32,630 --> 00:00:31,840
and i would describe myself as a ufo

4
00:00:37,350 --> 00:00:32,640
researcher

5
00:00:39,350 --> 00:00:37,360
of over 30 years now formally

6
00:00:41,670 --> 00:00:39,360
if i was going to explain how i got into

7
00:00:44,950 --> 00:00:41,680
this i would say

8
00:00:47,750 --> 00:00:44,960
i've always had like two parallel paths

9
00:00:48,790 --> 00:00:47,760
in my life since i was very young i knew

10
00:00:51,910 --> 00:00:48,800
at an early age

11
00:00:54,069 --> 00:00:51,920
that i wanted to be a policeman and i

12
00:00:57,110 --> 00:00:54,079
managed to do that along the way i had

13
00:00:57,990 --> 00:00:57,120

a 20-year law enforcement career as a

14

00:01:00,869 --> 00:00:58,000

police officer

15

00:01:02,950 --> 00:01:00,879

for a city on the washington coast

16

00:01:05,990 --> 00:01:02,960

during that time i spent 10 years

17

00:01:07,990 --> 00:01:06,000

the last 10 years as a sergeant i wore

18

00:01:09,270 --> 00:01:08,000

many hats i've supervised a fatal

19

00:01:11,910 --> 00:01:09,280

accident team

20

00:01:13,109 --> 00:01:11,920

i was detective sergeant i was a field

21

00:01:17,429 --> 00:01:13,119

training officer

22

00:01:19,109 --> 00:01:17,439

trained new police officers i

23

00:01:21,270 --> 00:01:19,119

like to be involved in many different

24

00:01:23,830 --> 00:01:21,280

activities i also have been

25

00:01:24,550 --> 00:01:23,840

in the army i'm a veteran i was a

26

00:01:27,270 --> 00:01:24,560

plainclothes

27

00:01:29,270 --> 00:01:27,280

military policeman that's how i came

28

00:01:30,870 --> 00:01:29,280

from the san francisco bay area

29

00:01:33,270 --> 00:01:30,880

to the state of washington where i've

30

00:01:35,190 --> 00:01:33,280

lived ever since

31

00:01:36,789 --> 00:01:35,200

i've been a child abuse detective for

32

00:01:40,069 --> 00:01:36,799

two years and

33

00:01:42,230 --> 00:01:40,079

i ended up spending 10 years as a fraud

34

00:01:43,270 --> 00:01:42,240

investigator for a washington state

35

00:01:45,270 --> 00:01:43,280

agency

36

00:01:46,310 --> 00:01:45,280

until i got to retirement age a couple

37

00:01:50,550 --> 00:01:46,320

of years ago

38

00:01:52,310 --> 00:01:50,560

but many years ago when i was a teenager

39

00:01:54,950 --> 00:01:52,320

i was actually influenced by a

40

00:01:57,190 --> 00:01:54,960

particular radio program

41

00:01:58,870 --> 00:01:57,200

i was home alone my parents were gone

42

00:02:00,069 --> 00:01:58,880

for the weekend i remember the whole

43

00:02:02,950 --> 00:02:00,079

situation

44

00:02:03,910 --> 00:02:02,960

and a man named john g fuller had just

45

00:02:07,670 --> 00:02:03,920

come out with

46

00:02:10,869 --> 00:02:07,680

a then brand new book called incident at

47

00:02:11,670 --> 00:02:10,879

exeter about a series of remarkable ufo

48

00:02:14,070 --> 00:02:11,680

sightings

49

00:02:15,830 --> 00:02:14,080

in the vicinity of exeter new hampshire

50

00:02:18,790 --> 00:02:15,840

in the mid-60s

51
00:02:19,830 --> 00:02:18,800
and in particular there was a very vivid

52
00:02:23,270 --> 00:02:19,840
account

53
00:02:24,470 --> 00:02:23,280
of a police officer who was on duty one

54
00:02:27,589 --> 00:02:24,480
night who escorted

55
00:02:30,150 --> 00:02:27,599
a witness back to the scene where he

56
00:02:32,710 --> 00:02:30,160
claimed that he had seen a 50-foot disc

57
00:02:33,910 --> 00:02:32,720
with lights going around it and the disc

58
00:02:36,229 --> 00:02:33,920
came back

59
00:02:38,790 --> 00:02:36,239
while he was there with the witness and

60
00:02:40,150 --> 00:02:38,800
it startled him so much and it came so

61
00:02:42,229 --> 00:02:40,160
low to the ground

62
00:02:45,830 --> 00:02:42,239
that he ended up pushing the civilian

63
00:02:47,670 --> 00:02:45,840

down and he started to draw his gun

64

00:02:49,430 --> 00:02:47,680

and then the other officer who was

65

00:02:51,350 --> 00:02:49,440

arriving to back him up

66

00:02:53,430 --> 00:02:51,360

was jumping out of his car at the same

67

00:02:57,990 --> 00:02:53,440

time and screamed at him and said

68

00:02:59,990 --> 00:02:58,000

don't do it and fortunately he didn't

69

00:03:01,990 --> 00:03:00,000

and i was just fascinated by this and i

70

00:03:05,430 --> 00:03:02,000

was further fascinated because

71

00:03:08,869 --> 00:03:05,440

the air force said well actually you saw

72

00:03:11,589 --> 00:03:08,879

a strato tanker refueling at 50

73

00:03:13,110 --> 00:03:11,599

000 feet overhead and i thought now this

74

00:03:16,149 --> 00:03:13,120

is really interesting

75

00:03:16,550 --> 00:03:16,159

here we have a policeman we give him a

76

00:03:18,869 --> 00:03:16,560

gun

77

00:03:21,430 --> 00:03:18,879

and a badge we let him drive a car we

78

00:03:24,550 --> 00:03:21,440

let him respond to emergencies

79

00:03:25,990 --> 00:03:24,560

and his eyesight is so bad

80

00:03:28,149 --> 00:03:26,000

that he can't tell the difference

81

00:03:30,869 --> 00:03:28,159

between something that's coming down

82

00:03:31,430 --> 00:03:30,879

so low that he might get flattened under

83

00:03:34,470 --> 00:03:31,440

it

84

00:03:36,470 --> 00:03:34,480

and an airplane flying across the sky at

85

00:03:38,710 --> 00:03:36,480

twenty or thirty thousand feet

86

00:03:40,070 --> 00:03:38,720

what's wrong with this picture and

87

00:03:42,470 --> 00:03:40,080

that's been my question

88

00:03:44,070 --> 00:03:42,480

all my life and i'm the kind of

89

00:03:46,309 --> 00:03:44,080

investigator

90

00:03:47,910 --> 00:03:46,319

i'm always looking for what doesn't fit

91

00:03:49,190 --> 00:03:47,920

i'm looking for the thing that doesn't

92

00:03:51,350 --> 00:03:49,200

match the pattern

93

00:03:52,949 --> 00:03:51,360

i want to know the deeper meaning i want

94

00:03:55,830 --> 00:03:52,959

to understand what's going

95

00:03:58,149 --> 00:03:55,840

on and so i feel that these things fit

96

00:04:02,470 --> 00:03:58,159

together really well

97

00:04:04,789 --> 00:04:02,480

and i cannot think of one subject

98

00:04:05,990 --> 00:04:04,799

that is more possibly significant and

99

00:04:08,949 --> 00:04:06,000

important

100

00:04:10,149 --> 00:04:08,959

to the human race than answering the

101
00:04:13,270 --> 00:04:10,159
question number one

102
00:04:14,710 --> 00:04:13,280
are we alone and number two if we're not

103
00:04:17,110 --> 00:04:14,720
alone

104
00:04:17,990 --> 00:04:17,120
have we been contacted are we being

105
00:04:20,870 --> 00:04:18,000
contacted

106
00:04:21,189 --> 00:04:20,880
has our entire existence on this world

107
00:04:23,830 --> 00:04:21,199
been

108
00:04:25,110 --> 00:04:23,840
influenced by other more intelligent

109
00:04:28,310 --> 00:04:25,120
beings

110
00:04:28,629 --> 00:04:28,320
are we being manipulated now these are

111
00:04:31,749 --> 00:04:28,639
all

112
00:04:34,310 --> 00:04:31,759
significant questions and i'm

113
00:04:35,749 --> 00:04:34,320

endlessly fascinated but you got to

114

00:04:40,150 --> 00:04:35,759

remember that i'm not

115

00:04:41,990 --> 00:04:40,160

doing this based upon my experience

116

00:04:43,590 --> 00:04:42,000

because i'm waiting for my own

117

00:04:46,950 --> 00:04:43,600

particular experience

118

00:04:49,110 --> 00:04:46,960

i would love to have one i'm frequently

119

00:04:51,510 --> 00:04:49,120

jealous of the people i get to interview

120

00:04:53,350 --> 00:04:51,520

because they have these extraordinary

121

00:04:56,870 --> 00:04:53,360

experiences

122

00:05:00,230 --> 00:04:56,880

and i'm still waiting but as a policeman

123

00:05:01,110 --> 00:05:00,240

i didn't have to see the crime to build

124

00:05:05,430 --> 00:05:01,120

a case

125

00:05:08,710 --> 00:05:05,440

and make an arrest i had to constantly

126

00:05:10,150 --> 00:05:08,720

in my mind be talking to a person who

127

00:05:13,189 --> 00:05:10,160

doesn't exist

128

00:05:15,189 --> 00:05:13,199

that person is the rational man

129

00:05:17,749 --> 00:05:15,199

this is a person you carry around with

130

00:05:20,550 --> 00:05:17,759

you and as you examine the evidence

131

00:05:22,230 --> 00:05:20,560

and the testimony and the credibility of

132

00:05:24,710 --> 00:05:22,240

your witnesses

133

00:05:26,150 --> 00:05:24,720

you ask yourself what would a rational

134

00:05:28,070 --> 00:05:26,160

man conclude

135

00:05:30,870 --> 00:05:28,080

if he was confronted with the evidence

136

00:05:33,590 --> 00:05:30,880

that i am confronted with right now

137

00:05:35,430 --> 00:05:33,600

what conclusion would you draw because

138

00:05:38,550 --> 00:05:35,440

what i'm all about is not so much

139

00:05:39,270 --> 00:05:38,560

convincing me i'm looking for evidence

140

00:05:41,749 --> 00:05:39,280

that will help

141

00:05:42,550 --> 00:05:41,759

other people better understand this

142

00:05:44,390 --> 00:05:42,560

phenomena

143

00:05:45,670 --> 00:05:44,400

that's what my presentation was all

144

00:05:49,029 --> 00:05:45,680

about i was trying

145

00:05:51,510 --> 00:05:49,039

to sum up 30 years of my

146

00:05:52,310 --> 00:05:51,520

interest in the field of ufo research

147

00:05:55,029 --> 00:05:52,320

and give

148

00:05:56,710 --> 00:05:55,039

other people a basic perspective that

149

00:05:59,670 --> 00:05:56,720

they could take with them

150

00:06:00,230 --> 00:05:59,680

to examine the phenomena on their own i

151
00:06:03,510 --> 00:06:00,240
i try

152
00:06:06,629 --> 00:06:03,520
very hard not to tell people

153
00:06:07,830 --> 00:06:06,639
what this is because i don't know i just

154
00:06:10,150 --> 00:06:07,840
know that it's real

155
00:06:12,309 --> 00:06:10,160
i know that it's a profound mystery and

156
00:06:15,029 --> 00:06:12,319
i know that our media

157
00:06:17,110 --> 00:06:15,039
for a variety of reasons does not

158
00:06:18,870 --> 00:06:17,120
properly represent it to the public at

159
00:06:21,110 --> 00:06:18,880
large and it's only

160
00:06:22,469 --> 00:06:21,120
at events like this the conference at

161
00:06:24,870 --> 00:06:22,479
eureka springs

162
00:06:26,790 --> 00:06:24,880
and a few other places where people have

163
00:06:29,830 --> 00:06:26,800

a chance to be exposed

164

00:06:30,309 --> 00:06:29,840

to what's really going on if i was going

165

00:06:34,550 --> 00:06:30,319

to pick

166

00:06:36,390 --> 00:06:34,560

one particular investigation there's no

167

00:06:38,710 --> 00:06:36,400

doubt in my mind the first

168

00:06:40,309 --> 00:06:38,720

thing that pops into my head is june

169

00:06:42,150 --> 00:06:40,319

crane

170

00:06:43,749 --> 00:06:42,160

and the reason is because of the

171

00:06:46,790 --> 00:06:43,759

situation it was meeting

172

00:06:49,270 --> 00:06:46,800

a woman who had a story to tell

173

00:06:50,870 --> 00:06:49,280

that i absolutely did not expect that

174

00:06:51,990 --> 00:06:50,880

she was going to reveal the things that

175

00:06:55,749 --> 00:06:52,000

she did

176

00:06:59,110 --> 00:06:55,759

this lady when i first met her in 1993

177

00:07:01,990 --> 00:06:59,120

was the classic stern elderly lady

178

00:07:03,670 --> 00:07:02,000

in the city of ocean shores the classic

179

00:07:04,870 --> 00:07:03,680

elderly woman that you didn't want to

180

00:07:06,950 --> 00:07:04,880

mess with

181

00:07:08,870 --> 00:07:06,960

she had a reputation for being very

182

00:07:12,309 --> 00:07:08,880

stern very direct

183

00:07:15,350 --> 00:07:12,319

real blunt with people in fact she

184

00:07:16,950 --> 00:07:15,360

stood up to a a man who was definitely

185

00:07:18,230 --> 00:07:16,960

connected with the mob and went

186

00:07:19,990 --> 00:07:18,240

toe-to-toe with him

187

00:07:22,309 --> 00:07:20,000

because she didn't like his decision

188

00:07:27,029 --> 00:07:22,319

about in the community

189

00:07:29,430 --> 00:07:27,039

my friend june ended up single-handedly

190

00:07:31,589 --> 00:07:29,440

going and getting a lot of donations

191

00:07:33,430 --> 00:07:31,599

that led to them building a new library

192

00:07:36,230 --> 00:07:33,440

in the community out there

193

00:07:38,150 --> 00:07:36,240

ocean shores is a city on the southwest

194

00:07:41,510 --> 00:07:38,160

coast of washington state

195

00:07:43,909 --> 00:07:41,520

it was about 25 miles from where i

196

00:07:45,029 --> 00:07:43,919

was a policeman for 20 years in aberdeen

197

00:07:48,869 --> 00:07:45,039

washington

198

00:07:51,830 --> 00:07:48,879

but i met june because part of what i do

199

00:07:53,350 --> 00:07:51,840

is public outreach i give lectures in

200

00:07:56,230 --> 00:07:53,360

libraries and any

201
00:07:58,710 --> 00:07:56,240
any organization where they want a

202
00:08:00,150 --> 00:07:58,720
speaker on the subject of ufos i feel

203
00:08:02,390 --> 00:08:00,160
that it's my

204
00:08:04,230 --> 00:08:02,400
it's part of what i do i want people to

205
00:08:07,189 --> 00:08:04,240
know so i try to give them

206
00:08:09,270 --> 00:08:07,199
this basic information well after this

207
00:08:10,469 --> 00:08:09,280
one particular talk this elderly lady

208
00:08:13,749 --> 00:08:10,479
approaches me

209
00:08:15,830 --> 00:08:13,759
and she says you're right the government

210
00:08:17,670 --> 00:08:15,840
knows all about ufos and they're not

211
00:08:18,790 --> 00:08:17,680
telling the truth and i could tell by

212
00:08:21,670 --> 00:08:18,800
looking at her

213
00:08:22,869 --> 00:08:21,680

that this was a very serious person and

214

00:08:26,309 --> 00:08:22,879

i said how do you know

215

00:08:28,230 --> 00:08:26,319

and she said i worked there and i said

216

00:08:30,309 --> 00:08:28,240

will you tell me more

217

00:08:31,749 --> 00:08:30,319

and she said i can't they'll come and

218

00:08:33,509 --> 00:08:31,759

arrest me

219

00:08:35,829 --> 00:08:33,519

and i think she was a little bit afraid

220

00:08:36,870 --> 00:08:35,839

of me because at the time i was giving

221

00:08:38,949 --> 00:08:36,880

this lecture

222

00:08:40,709 --> 00:08:38,959

i was the detective sergeant for the

223

00:08:43,350 --> 00:08:40,719

aberdeen police department

224

00:08:45,990 --> 00:08:43,360

and i didn't keep that a secret and i

225

00:08:47,910 --> 00:08:46,000

think she thought i would arrest her

226

00:08:49,430 --> 00:08:47,920

but i gave her a business card and i

227

00:08:50,949 --> 00:08:49,440

said if you ever change your mind you

228

00:08:54,389 --> 00:08:50,959

want to talk to me

229

00:08:58,110 --> 00:08:54,399

please call me it took four

230

00:09:00,949 --> 00:08:58,120

years for that to happen

231

00:09:05,190 --> 00:09:00,959

1997 fast forward

232

00:09:08,310 --> 00:09:05,200

that's a big year for ufos huge year

233

00:09:12,470 --> 00:09:08,320

we have the phoenix lights on march 13th

234

00:09:15,110 --> 00:09:12,480

which is a incredibly important event

235

00:09:17,190 --> 00:09:15,120

in the history of ufos i mean you could

236

00:09:20,070 --> 00:09:17,200

go on and on about that

237

00:09:21,350 --> 00:09:20,080

then we have the 50th anniversary of the

238

00:09:24,070 --> 00:09:21,360

roswell crash

239

00:09:25,110 --> 00:09:24,080

coming up on the july 4th weekend and i

240

00:09:26,630 --> 00:09:25,120

am sure

241

00:09:28,470 --> 00:09:26,640

that the secret keepers in the

242

00:09:29,829 --> 00:09:28,480

government knew that they were in

243

00:09:32,710 --> 00:09:29,839

trouble that year

244

00:09:34,470 --> 00:09:32,720

because as it turned out the way it was

245

00:09:35,990 --> 00:09:34,480

best described to me there were so many

246

00:09:36,710 --> 00:09:36,000

people who showed up in roswell in new

247

00:09:39,190 --> 00:09:36,720

mexico

248

00:09:41,030 --> 00:09:39,200

that they had to hire off-duty policemen

249

00:09:42,150 --> 00:09:41,040

from all over the state just to do

250

00:09:44,710 --> 00:09:42,160

traffic control

251
00:09:46,389 --> 00:09:44,720
because there were all these raving ufo

252
00:09:49,430 --> 00:09:46,399
people who were there to celebrate the

253
00:09:53,829 --> 00:09:51,990
meanwhile the air force decided that the

254
00:09:55,670 --> 00:09:53,839
best way to counter the whole thing was

255
00:09:58,710 --> 00:09:55,680
to publish a book

256
00:10:01,269 --> 00:09:58,720
called roswell case closed

257
00:10:02,310 --> 00:10:01,279
and they talked about weather balloons

258
00:10:05,430 --> 00:10:02,320
and they talked about

259
00:10:08,550 --> 00:10:05,440
dummies and i actually

260
00:10:10,870 --> 00:10:08,560
later on parenthetically interviewed

261
00:10:12,470 --> 00:10:10,880
the man who was in charge of the dummy

262
00:10:15,670 --> 00:10:12,480
drop research

263
00:10:18,550 --> 00:10:15,680

he is now a retired air force veteran

264

00:10:20,710 --> 00:10:18,560

and he is very angry with the air force

265

00:10:23,350 --> 00:10:20,720

because they misused

266

00:10:23,990 --> 00:10:23,360

a program that he was very proud of in

267

00:10:27,110 --> 00:10:24,000

order to

268

00:10:29,590 --> 00:10:27,120

explain away the aliens that were

269

00:10:30,790 --> 00:10:29,600

involved in the roswell situation

270

00:10:32,630 --> 00:10:30,800

so that's kind of an interesting

271

00:10:35,590 --> 00:10:32,640

parathetic note but we've got to

272

00:10:37,110 --> 00:10:35,600

back up here roswell case closed comes

273

00:10:39,030 --> 00:10:37,120

out on the news

274

00:10:40,550 --> 00:10:39,040

because it's the air force because this

275

00:10:44,310 --> 00:10:40,560

is a hot topic

276

00:10:46,389 --> 00:10:44,320

cnn it just explodes across the media

277

00:10:49,350 --> 00:10:46,399

all the networks were carrying a story

278

00:10:52,389 --> 00:10:49,360

about roswell case closed

279

00:10:54,310 --> 00:10:52,399

june out in ocean shores sees it on her

280

00:10:57,509 --> 00:10:54,320

television

281

00:10:59,190 --> 00:10:57,519

my phone rings it's june haven't heard

282

00:11:02,710 --> 00:10:59,200

from her in four years

283

00:11:04,230 --> 00:11:02,720

i pick up the phone she says it's a damn

284

00:11:08,710 --> 00:11:04,240

lie

285

00:11:11,269 --> 00:11:08,720

and i said good to hear from you june so

286

00:11:12,630 --> 00:11:11,279

i started talking to her she starts

287

00:11:14,550 --> 00:11:12,640

telling me

288

00:11:16,230 --> 00:11:14,560

that's the same lie that we used to tell

289

00:11:18,710 --> 00:11:16,240

the public when i worked there

290

00:11:19,590 --> 00:11:18,720

worked where wright-patterson air force

291

00:11:21,350 --> 00:11:19,600

base

292

00:11:23,269 --> 00:11:21,360

i come to find out that she worked at

293

00:11:26,389 --> 00:11:23,279

wright-patterson air force base

294

00:11:28,069 --> 00:11:26,399

when she was a young woman between 1942

295

00:11:30,790 --> 00:11:28,079

and 1952

296

00:11:32,310 --> 00:11:30,800

she grew up in dayton ohio she told me

297

00:11:33,030 --> 00:11:32,320

about the night that pearl harbor

298

00:11:34,790 --> 00:11:33,040

happened

299

00:11:37,269 --> 00:11:34,800

they didn't even have a fence around

300

00:11:40,389 --> 00:11:37,279

right field until then

301

00:11:44,150 --> 00:11:40,399

and i mean she knew all the history

302

00:11:46,870 --> 00:11:44,160

i said how soon can i come to your house

303

00:11:47,350 --> 00:11:46,880

i started visiting her she was a night

304

00:11:50,310 --> 00:11:47,360

owl

305

00:11:51,110 --> 00:11:50,320

i would work patrol duty on afternoon

306

00:11:52,870 --> 00:11:51,120

shift

307

00:11:54,389 --> 00:11:52,880

get off at nine o'clock in the evening

308

00:11:57,030 --> 00:11:54,399

change into civvies

309

00:11:58,870 --> 00:11:57,040

drive to 20 or 30 miles to her house and

310

00:11:59,590 --> 00:11:58,880

we would sit up half tonight drinking

311

00:12:02,790 --> 00:11:59,600

coffee

312

00:12:05,509 --> 00:12:02,800

and swapping life stories and

313

00:12:07,269 --> 00:12:05,519

even if she had not told me a thing

314

00:12:10,949 --> 00:12:07,279

about ufos i would have been

315

00:12:12,870 --> 00:12:10,959

fascinated to hear her story

316

00:12:14,230 --> 00:12:12,880

a woman working in an all-male

317

00:12:17,110 --> 00:12:14,240

environment under

318

00:12:17,910 --> 00:12:17,120

high security she had a q-level security

319

00:12:20,150 --> 00:12:17,920

clearance

320

00:12:21,110 --> 00:12:20,160

in her office this is pre-internet no

321

00:12:24,150 --> 00:12:21,120

computers

322

00:12:27,670 --> 00:12:24,160

she was in charge of safes she had to

323

00:12:28,550 --> 00:12:27,680

log in and log out folders that were top

324

00:12:29,829 --> 00:12:28,560

secret

325

00:12:33,670 --> 00:12:29,839

he had to have the right security

326

00:12:38,470 --> 00:12:36,150

along the way she talked to scientists

327

00:12:42,310 --> 00:12:38,480

and engineers

328

00:12:44,230 --> 00:12:42,320

who were directly involved in ufos

329

00:12:45,590 --> 00:12:44,240

in other words they had been present in

330

00:12:47,910 --> 00:12:45,600

the southwest

331

00:12:48,710 --> 00:12:47,920

doing research on our early rocket

332

00:12:50,710 --> 00:12:48,720

program

333

00:12:52,870 --> 00:12:50,720

they came back with stories talking

334

00:12:54,069 --> 00:12:52,880

about how they felt they were under

335

00:12:56,949 --> 00:12:54,079

surveillance

336

00:12:57,829 --> 00:12:56,959

by ufos while they were there they went

337

00:13:00,230 --> 00:12:57,839

on from there

338

00:13:02,150 --> 00:13:00,240

they said they were they would no longer

339

00:13:04,230 --> 00:13:02,160

report them officially because every

340

00:13:07,269 --> 00:13:04,240

time they made a ufo report

341

00:13:10,069 --> 00:13:07,279

they got locked up for 24 hours and

342

00:13:11,110 --> 00:13:10,079

debriefed and after you've had to repeat

343

00:13:13,590 --> 00:13:11,120

the same story

344

00:13:14,150 --> 00:13:13,600

15 times and have people tell you you

345

00:13:16,310 --> 00:13:14,160

didn't no

346

00:13:17,509 --> 00:13:16,320

you didn't see what you know you saw you

347

00:13:19,750 --> 00:13:17,519

quit reporting them

348

00:13:21,269 --> 00:13:19,760

i mean that's easy but amongst

349

00:13:24,389 --> 00:13:21,279

themselves

350

00:13:26,389 --> 00:13:24,399

they still talked about ufos an officer

351
00:13:27,509 --> 00:13:26,399
came in one day who was clearly flirting

352
00:13:29,030 --> 00:13:27,519
with her

353
00:13:30,870 --> 00:13:29,040
pulled a piece of metal out of his

354
00:13:33,350 --> 00:13:30,880
pocket that weighed nothing

355
00:13:33,990 --> 00:13:33,360
that was indestructible and invited june

356
00:13:36,470 --> 00:13:34,000
to tear it

357
00:13:38,150 --> 00:13:36,480
up she couldn't do anything to it she

358
00:13:40,310 --> 00:13:38,160
couldn't cut it couldn't did it

359
00:13:42,949 --> 00:13:40,320
you wadded it up into a ball it returns

360
00:13:44,949 --> 00:13:42,959
to its original shape flows like water

361
00:13:46,310 --> 00:13:44,959
everybody in the ufo field knows what

362
00:13:48,230 --> 00:13:46,320
that is

363
00:13:49,990 --> 00:13:48,240

that's the holy grail that's the memory

364

00:13:51,670 --> 00:13:50,000

medal that's the medal that everybody

365

00:13:55,430 --> 00:13:51,680

wants and nobody quite knows

366

00:13:56,870 --> 00:13:55,440

how to get it but june actually handled

367

00:13:58,949 --> 00:13:56,880

a piece of it and when the

368

00:14:01,430 --> 00:13:58,959

officer after he was done showing it to

369

00:14:02,790 --> 00:14:01,440

her june says what is this

370

00:14:04,790 --> 00:14:02,800

and the guy says it's a piece of a

371

00:14:06,550 --> 00:14:04,800

spaceship

372

00:14:08,150 --> 00:14:06,560

and she says oh come on what is it

373

00:14:10,629 --> 00:14:08,160

really

374

00:14:12,629 --> 00:14:10,639

and the guy says it's a piece of a

375

00:14:14,629 --> 00:14:12,639

spaceship

376

00:14:15,990 --> 00:14:14,639

and about that time another officer

377

00:14:18,230 --> 00:14:16,000

walks through the room

378

00:14:20,550 --> 00:14:18,240

he grabs it sticks it in his pocket and

379

00:14:22,389 --> 00:14:20,560

pretends like they weren't talking

380

00:14:24,870 --> 00:14:22,399

well june's story goes on from there

381

00:14:28,389 --> 00:14:24,880

there's numerous details

382

00:14:29,189 --> 00:14:28,399

and the thing was what she had not told

383

00:14:35,590 --> 00:14:29,199

me

384

00:14:37,670 --> 00:14:35,600

in remission it apparently wasn't that

385

00:14:40,150 --> 00:14:37,680

much in remission

386

00:14:42,470 --> 00:14:40,160

but i remember when i first got to talk

387

00:14:44,949 --> 00:14:42,480

to her again in 1997 i said

388

00:14:46,389 --> 00:14:44,959

why are you willing to talk to me now

389

00:14:48,150 --> 00:14:46,399

and you weren't willing to talk to me

390

00:14:51,269 --> 00:14:48,160

four years ago

391

00:14:53,509 --> 00:14:51,279

she says i'm 72 years old

392

00:14:54,870 --> 00:14:53,519

my cancer is in remission i've outlived

393

00:14:56,389 --> 00:14:54,880

two husbands

394

00:14:59,750 --> 00:14:56,399

what are they going to do shoot me or

395

00:15:01,829 --> 00:14:59,760

put me in prison i can do either one

396

00:15:03,030 --> 00:15:01,839

well i mean that's my kind of witness

397

00:15:04,150 --> 00:15:03,040

you know i mean that's she's like the

398

00:15:06,949 --> 00:15:04,160

dream witness

399

00:15:07,670 --> 00:15:06,959

but this is the case that i knew had the

400

00:15:10,470 --> 00:15:07,680

biggest

401
00:15:12,150 --> 00:15:10,480
potential implications of anything that

402
00:15:15,829 --> 00:15:12,160
i was ever involved in

403
00:15:18,230 --> 00:15:15,839
although the crazy part was that

404
00:15:19,350 --> 00:15:18,240
unfortunately sadly in the middle of

405
00:15:23,990 --> 00:15:19,360
1998

406
00:15:27,030 --> 00:15:24,000
she died and

407
00:15:29,829 --> 00:15:27,040
when i talked to her the last time and i

408
00:15:31,269 --> 00:15:29,839
knew this was our last conversation

409
00:15:33,110 --> 00:15:31,279
barry probably and i said what do you

410
00:15:35,990 --> 00:15:33,120
want me to do june and she just

411
00:15:37,350 --> 00:15:36,000
looked at me and said i want you to tell

412
00:15:39,110 --> 00:15:37,360
my story

413
00:15:40,629 --> 00:15:39,120

so i used that as a title of the book i

414

00:15:43,269 --> 00:15:40,639

mean it's a perfect title

415

00:15:44,550 --> 00:15:43,279

tell my story june crane the air force

416

00:15:46,150 --> 00:15:44,560

and ufos

417

00:15:47,590 --> 00:15:46,160

but i didn't even have any idea then i

418

00:15:49,189 --> 00:15:47,600

was going to write a book i didn't know

419

00:15:52,470 --> 00:15:49,199

i had all this information

420

00:15:55,430 --> 00:15:52,480

had no idea what to do with it until a

421

00:15:57,590 --> 00:15:55,440

couple years later it was 1999

422

00:15:59,509 --> 00:15:57,600

i was on duty one night and it was

423

00:16:00,870 --> 00:15:59,519

snowing i remember that i was down by

424

00:16:03,110 --> 00:16:00,880

the shayless river

425

00:16:04,790 --> 00:16:03,120

in aberdeen there was nothing going on

426

00:16:06,949 --> 00:16:04,800

in town nobody was moving

427

00:16:08,389 --> 00:16:06,959

i listened to the art bell show on the

428

00:16:10,310 --> 00:16:08,399

am radio

429

00:16:12,069 --> 00:16:10,320

bob wood and ryan wood were talking

430

00:16:14,389 --> 00:16:12,079

about the majestic documents

431

00:16:16,150 --> 00:16:14,399

and they had an 800 number and of course

432

00:16:17,829 --> 00:16:16,160

this is before those things were all

433

00:16:19,670 --> 00:16:17,839

free on the internet

434

00:16:21,829 --> 00:16:19,680

so nobody knew how to get the majestic

435

00:16:22,710 --> 00:16:21,839

documents i was excited when i heard all

436

00:16:24,790 --> 00:16:22,720

this stuff

437

00:16:26,870 --> 00:16:24,800

so i called this number the next day and

438

00:16:28,949 --> 00:16:26,880

i said

439

00:16:30,949 --> 00:16:28,959

i i would like to get a copies of those

440

00:16:32,949 --> 00:16:30,959

documents and oh by the way

441

00:16:34,790 --> 00:16:32,959

i'm a police sergeant up here in this

442

00:16:37,030 --> 00:16:34,800

town in the pacific northwest

443

00:16:38,710 --> 00:16:37,040

and i have this story from this woman

444

00:16:40,150 --> 00:16:38,720

who worked at wright-patterson air force

445

00:16:43,670 --> 00:16:40,160

base in dayton ohio

446

00:16:45,590 --> 00:16:43,680

between 1942 and 1952 and she's telling

447

00:16:47,110 --> 00:16:45,600

me about crashed ufos

448

00:16:49,350 --> 00:16:47,120

and she also handled a piece of the

449

00:16:50,870 --> 00:16:49,360

memory medal and i have all the personal

450

00:16:51,829 --> 00:16:50,880

papers from her that prove that she

451
00:16:53,990 --> 00:16:51,839
worked there

452
00:16:55,269 --> 00:16:54,000
boom next thing i know i get a phone

453
00:16:57,269 --> 00:16:55,279
call and

454
00:17:00,230 --> 00:16:57,279
they have it's a travel agent wanting me

455
00:17:02,389 --> 00:17:00,240
to come to this place in newport beach

456
00:17:04,230 --> 00:17:02,399
so i ended up they were very gracious

457
00:17:06,949 --> 00:17:04,240
and they invited my wife along too

458
00:17:09,110 --> 00:17:06,959
my wife has two master's degrees one in

459
00:17:10,789 --> 00:17:09,120
library science and the other in english

460
00:17:13,429 --> 00:17:10,799
so they brought her along as a research

461
00:17:15,350 --> 00:17:13,439
assistant very graciously

462
00:17:16,630 --> 00:17:15,360
and i went to this place and i walked in

463
00:17:17,510 --> 00:17:16,640

this room and i thought i'd died and

464

00:17:19,429 --> 00:17:17,520

gone to heaven

465

00:17:21,590 --> 00:17:19,439

here were all these people i had all

466

00:17:23,829 --> 00:17:21,600

their books on my shelf at home

467

00:17:25,029 --> 00:17:23,839

i got to meet linda moulton howe jim

468

00:17:27,669 --> 00:17:25,039

mars

469

00:17:29,430 --> 00:17:27,679

paul davids who wrote the screenplay for

470

00:17:31,270 --> 00:17:29,440

the movie roswell

471

00:17:33,350 --> 00:17:31,280

there were all these other people there

472

00:17:36,950 --> 00:17:33,360

that i i thought

473

00:17:40,390 --> 00:17:36,960

i'm in strange company now but that

474

00:17:43,510 --> 00:17:40,400

clearly is the one situation

475

00:17:45,110 --> 00:17:43,520

that one witness you never know when you

476
00:17:48,070 --> 00:17:45,120
meet a witness

477
00:17:50,390 --> 00:17:48,080
where it's going to go and that is

478
00:17:54,150 --> 00:17:50,400
certainly without a doubt

479
00:17:57,110 --> 00:17:54,160
the case that opened doors for me

480
00:17:57,830 --> 00:17:57,120
took me into new worlds gave me an

481
00:18:00,789 --> 00:17:57,840
insight

482
00:18:03,110 --> 00:18:00,799
into things that i never thought i would

483
00:18:06,150 --> 00:18:03,120
be involved in and so what i'm

484
00:18:07,350 --> 00:18:06,160
all about now is trying to pass that on

485
00:18:09,909 --> 00:18:07,360
to other people

486
00:18:12,070 --> 00:18:09,919
and get them to ask their own questions

487
00:18:15,110 --> 00:18:12,080
and do their research

488
00:18:17,110 --> 00:18:15,120

i would add that during the interviews

489

00:18:20,510 --> 00:18:17,120

that i did with june

490

00:18:22,549 --> 00:18:20,520

she told me that by the time she left in

491

00:18:25,830 --> 00:18:22,559

1952

492

00:18:30,150 --> 00:18:25,840

that there were people talking about

493

00:18:31,590 --> 00:18:30,160

not one but three ufo crash retrievals

494

00:18:33,750 --> 00:18:31,600

and she thought that there could have

495

00:18:37,029 --> 00:18:33,760

been more now

496

00:18:39,190 --> 00:18:37,039

she did not have access to everything

497

00:18:40,710 --> 00:18:39,200

and what she was working on although it

498

00:18:44,710 --> 00:18:40,720

was top secret

499

00:18:46,549 --> 00:18:44,720

was not directly ufo related except for

500

00:18:47,830 --> 00:18:46,559

she did tell me that she occasionally

501
00:18:51,029 --> 00:18:47,840
got tasked

502
00:18:53,510 --> 00:18:51,039
with writing letters back to people

503
00:18:54,549 --> 00:18:53,520
saying from an engineering standpoint

504
00:18:55,909 --> 00:18:54,559
the

505
00:18:58,070 --> 00:18:55,919
vehicle that you have described could

506
00:18:59,909 --> 00:18:58,080
not possibly fly the air force is

507
00:19:02,230 --> 00:18:59,919
declining to you know i mean it was

508
00:19:03,590 --> 00:19:02,240
boilerplate letters so in that extent

509
00:19:07,190 --> 00:19:03,600
she was involved

510
00:19:09,990 --> 00:19:07,200
in ufos there were a lot of

511
00:19:12,150 --> 00:19:10,000
you know things that she heard and this

512
00:19:13,669 --> 00:19:12,160
is one of those situations where i wish

513
00:19:15,669 --> 00:19:13,679

there was more

514

00:19:17,270 --> 00:19:15,679

but with june one of the things that i

515

00:19:19,029 --> 00:19:17,280

liked and respected

516

00:19:20,549 --> 00:19:19,039

was that if she didn't know she didn't

517

00:19:23,270 --> 00:19:20,559

know and if she didn't remember

518

00:19:25,029 --> 00:19:23,280

she would tell you that and it was very

519

00:19:26,950 --> 00:19:25,039

clear to me where to draw that line

520

00:19:29,350 --> 00:19:26,960

between things that i could firmly

521

00:19:31,270 --> 00:19:29,360

you know were definite firm memories and

522

00:19:33,830 --> 00:19:31,280

things that she wasn't quite sure of

523

00:19:36,150 --> 00:19:33,840

but that she had heard she told me for

524

00:19:39,350 --> 00:19:36,160

instance that the bodies were stored

525

00:19:41,350 --> 00:19:39,360

in the arrow med lab she also told me

526

00:19:44,870 --> 00:19:41,360

about the morning that

527

00:19:47,909 --> 00:19:44,880

a friend of hers who was a

528

00:19:51,270 --> 00:19:47,919

he was a master sergeant who was flying

529

00:19:52,870 --> 00:19:51,280

on military cargo planes she said she

530

00:19:54,150 --> 00:19:52,880

knew all these people in fact she gave

531

00:19:58,150 --> 00:19:54,160

me one of this

532

00:20:00,870 --> 00:19:58,160

old old polaroid photo that was fading

533

00:20:01,590 --> 00:20:00,880

of some of the pilots that she knew all

534

00:20:04,870 --> 00:20:01,600

in a group

535

00:20:07,350 --> 00:20:04,880

photo i still have that photo

536

00:20:09,350 --> 00:20:07,360

and one of them came in one morning and

537

00:20:12,549 --> 00:20:09,360

he was very upset

538

00:20:15,510 --> 00:20:12,559

and they were all having coffee together

539

00:20:16,789 --> 00:20:15,520

and everybody said well what's wrong and

540

00:20:19,510 --> 00:20:16,799

this man

541

00:20:19,990 --> 00:20:19,520

says his name was master sergeant

542

00:20:22,390 --> 00:20:20,000

clarence

543

00:20:24,390 --> 00:20:22,400

we never got his last name but i even

544

00:20:27,590 --> 00:20:24,400

have a picture of his wedding

545

00:20:30,950 --> 00:20:27,600

which june gave me which was on the base

546

00:20:33,990 --> 00:20:30,960

well master sergeant clarence says well

547

00:20:36,149 --> 00:20:34,000

there was a crash in new mexico

548

00:20:37,190 --> 00:20:36,159

and we brought back bodies and pieces of

549

00:20:39,750 --> 00:20:37,200

wreckage

550

00:20:41,590 --> 00:20:39,760

and this is one of those really strange

551
00:20:45,350 --> 00:20:41,600
conversations

552
00:20:48,070 --> 00:20:45,360
because everybody at the table assumed

553
00:20:50,070 --> 00:20:48,080
that he was talking about perhaps

554
00:20:52,710 --> 00:20:50,080
someone that they knew

555
00:20:54,950 --> 00:20:52,720
who had died in an in an accident

556
00:20:56,710 --> 00:20:54,960
involving a military aircraft

557
00:20:57,990 --> 00:20:56,720
and so they're they're having this

558
00:21:01,270 --> 00:20:58,000
conversation

559
00:21:04,549 --> 00:21:01,280
and he finally says you don't understand

560
00:21:06,390 --> 00:21:04,559
they're not human and

561
00:21:08,470 --> 00:21:06,400
he said they were like the size of

562
00:21:09,909 --> 00:21:08,480
children and they were kind of a blue

563
00:21:11,830 --> 00:21:09,919

gray color

564

00:21:13,590 --> 00:21:11,840

you know that was one of her remarkable

565

00:21:15,990 --> 00:21:13,600

revelations so

566

00:21:17,350 --> 00:21:16,000

you know there were a few anecdotes like

567

00:21:20,710 --> 00:21:17,360

that it's not

568

00:21:23,669 --> 00:21:20,720

this is why i've described june as a key

569

00:21:24,149 --> 00:21:23,679

corroborating witness to roswell she's

570

00:21:27,430 --> 00:21:24,159

not

571

00:21:30,230 --> 00:21:27,440

a direct witness but the beauty of her

572

00:21:31,270 --> 00:21:30,240

situation is that we can absolutely

573

00:21:33,190 --> 00:21:31,280

prove

574

00:21:34,710 --> 00:21:33,200

that she worked where she said she

575

00:21:37,590 --> 00:21:34,720

worked and we know

576

00:21:39,190 --> 00:21:37,600

that she worked on top secret material

577

00:21:41,029 --> 00:21:39,200

because for instance

578

00:21:44,230 --> 00:21:41,039

she talked to me about working on

579

00:21:47,909 --> 00:21:44,240

something called project caucasian

580

00:21:51,110 --> 00:21:47,919

at the time that she died in 1998

581

00:21:52,950 --> 00:21:51,120

i asked other ufo researchers what is

582

00:21:53,270 --> 00:21:52,960

project caucasian have you ever heard of

583

00:21:55,029 --> 00:21:53,280

it

584

00:21:56,470 --> 00:21:55,039

nobody had any idea what i was talking

585

00:21:58,430 --> 00:21:56,480

about

586

00:21:59,909 --> 00:21:58,440

two or three years later it got

587

00:22:03,510 --> 00:21:59,919

declassified

588

00:22:07,029 --> 00:22:03,520

project caucasian was a code name for

589

00:22:09,990 --> 00:22:07,039

the engineering effort to construct a

590

00:22:10,789 --> 00:22:10,000

parachute harness that would hold a

591

00:22:13,270 --> 00:22:10,799

hydrogen

592

00:22:14,870 --> 00:22:13,280

bomb when it was dropped out of the back

593

00:22:17,909 --> 00:22:14,880

end of a bomber

594

00:22:20,630 --> 00:22:17,919

needless to say that's top secret

595

00:22:23,190 --> 00:22:20,640

she even knew the name of the top

596

00:22:27,110 --> 00:22:23,200

engineer

597

00:22:29,350 --> 00:22:27,120

who was a project paperclip scientist

598

00:22:31,830 --> 00:22:29,360

who formerly worked for the germans who

599

00:22:35,110 --> 00:22:31,840

was brought to the united states

600

00:22:37,110 --> 00:22:35,120

after world war ii to head up these

601
00:22:39,990 --> 00:22:37,120
efforts it took a couple of years

602
00:22:41,990 --> 00:22:40,000
before i tracked his background down and

603
00:22:42,870 --> 00:22:42,000
proved that he was exactly who he said

604
00:22:47,029 --> 00:22:42,880
he was

605
00:22:49,909 --> 00:22:47,039
all of these details that june gave me

606
00:22:51,590 --> 00:22:49,919
turned out to be verifiable so she you

607
00:22:53,750 --> 00:22:51,600
know

608
00:22:56,390 --> 00:22:53,760
nothing no witness is ever as good as

609
00:22:58,230 --> 00:22:56,400
you might hope no one's perfect in fact

610
00:23:00,549 --> 00:22:58,240
as an investigator it would worry me if

611
00:23:03,669 --> 00:23:00,559
they were

612
00:23:04,789 --> 00:23:03,679
but she was an extraordinary person in

613
00:23:07,510 --> 00:23:04,799

the right place

614

00:23:08,310 --> 00:23:07,520

at the right time to be able to say the

615

00:23:11,909 --> 00:23:08,320

things

616

00:23:16,230 --> 00:23:11,919

that she was sure of i think a lot about

617

00:23:21,510 --> 00:23:16,240

where ufology is and where it's going

618

00:23:23,350 --> 00:23:21,520

i am worried i am worried because

619

00:23:25,510 --> 00:23:23,360

there are some other trends that

620

00:23:28,950 --> 00:23:25,520

influence it

621

00:23:32,549 --> 00:23:28,960

people tend to only want what

622

00:23:33,669 --> 00:23:32,559

is sensational what's flashy what's

623

00:23:36,390 --> 00:23:33,679

gimmicky

624

00:23:38,950 --> 00:23:36,400

what looks good and a lot of people

625

00:23:40,870 --> 00:23:38,960

don't want to look beneath the surface

626
00:23:42,149 --> 00:23:40,880
they don't want to spend the time to

627
00:23:45,510 --> 00:23:42,159
read or

628
00:23:47,669 --> 00:23:45,520
do the research or assess credibility

629
00:23:48,710 --> 00:23:47,679
and there are organizations and there

630
00:23:51,750 --> 00:23:48,720
are people

631
00:23:52,710 --> 00:23:51,760
who will only give will only put out

632
00:23:58,230 --> 00:23:52,720
there

633
00:23:58,710 --> 00:23:58,240
much commercialism in ufology i don't

634
00:24:01,669 --> 00:23:58,720
know

635
00:24:03,669 --> 00:24:01,679
how else to say it i mean i like i like

636
00:24:06,710 --> 00:24:03,679
as well as anybody i like

637
00:24:08,870 --> 00:24:06,720
alien doodads and posters and

638
00:24:10,310 --> 00:24:08,880

and all of that kind of thing and that's

639

00:24:13,590 --> 00:24:10,320

fun

640

00:24:17,269 --> 00:24:13,600

convince

641

00:24:18,830 --> 00:24:17,279

other people that a film that depicts an

642

00:24:21,269 --> 00:24:18,840

object that was created with

643

00:24:24,390 --> 00:24:21,279

computer-generated imagery

644

00:24:25,190 --> 00:24:24,400

is the real thing too many people are

645

00:24:29,029 --> 00:24:25,200

willing to

646

00:24:31,990 --> 00:24:29,039

run with on facebook or some other

647

00:24:33,750 --> 00:24:32,000

application the first thing they see oh

648

00:24:36,230 --> 00:24:33,760

this is a ufo

649

00:24:38,470 --> 00:24:36,240

and we don't know who the photographer

650

00:24:40,549 --> 00:24:38,480

is we don't know when it was taken we

651
00:24:42,789 --> 00:24:40,559
don't know what device was used

652
00:24:45,029 --> 00:24:42,799
to capture the image those are all

653
00:24:47,029 --> 00:24:45,039
excellent investigative questions

654
00:24:49,669 --> 00:24:47,039
but frequently no one even addresses

655
00:24:51,350 --> 00:24:49,679
them so there are so many areas in

656
00:24:54,870 --> 00:24:51,360
ufology where

657
00:24:57,110 --> 00:24:54,880
it's a little too glib and glitzy

658
00:25:00,070 --> 00:24:57,120
and it's going a little too fast

659
00:25:02,310 --> 00:25:00,080
investigations take time

660
00:25:03,990 --> 00:25:02,320
they're not instant you and you have to

661
00:25:05,750 --> 00:25:04,000
do the work

662
00:25:07,110 --> 00:25:05,760
and a lot of people are not willing to

663
00:25:09,269 --> 00:25:07,120

do that so that's

664

00:25:10,549 --> 00:25:09,279

that's where i'm alarmed at the same

665

00:25:13,110 --> 00:25:10,559

time

666

00:25:15,909 --> 00:25:13,120

we've got some you know extremely

667

00:25:18,549 --> 00:25:15,919

dedicated researchers out there

668

00:25:19,990 --> 00:25:18,559

many of whom are right here at this

669

00:25:21,909 --> 00:25:20,000

conference

670

00:25:25,510 --> 00:25:21,919

you know that are doing extraordinary

671

00:25:28,710 --> 00:25:25,520

work the positive note in all this

672

00:25:31,750 --> 00:25:28,720

is that i'm beginning to get a sense

673

00:25:35,029 --> 00:25:31,760

that as researchers we're

674

00:25:38,230 --> 00:25:35,039

beginning to see that this solution

675

00:25:41,029 --> 00:25:38,240

may be much deeper than just

676
00:25:42,070 --> 00:25:41,039
seeing nuts and bolts spacecraft that

677
00:25:44,630 --> 00:25:42,080
have uh

678
00:25:46,470 --> 00:25:44,640
you know robots and aliens piloting them

679
00:25:49,110 --> 00:25:46,480
around the sky

680
00:25:50,390 --> 00:25:49,120
there may be a deeper almost spiritual

681
00:25:51,990 --> 00:25:50,400
truth behind this

682
00:25:53,669 --> 00:25:52,000
i hesitate to say that as an

683
00:25:55,909 --> 00:25:53,679
investigator because

684
00:25:57,029 --> 00:25:55,919
you know in some circles you can be

685
00:26:01,110 --> 00:25:57,039
pilloried for just

686
00:26:04,070 --> 00:26:01,120
suggesting that but i do think that

687
00:26:06,310 --> 00:26:04,080
one of the best things that will come

688
00:26:09,350 --> 00:26:06,320

out of ufo research

689

00:26:10,390 --> 00:26:09,360

is a deeper and truer connection to the

690

00:26:12,710 --> 00:26:10,400

universe

691

00:26:13,669 --> 00:26:12,720

and that's that's where i'm hopeful

692

00:26:17,350 --> 00:26:13,679

that's where

693

00:26:19,110 --> 00:26:17,360

i'm optimistic so i guess if i had to

694

00:26:22,149 --> 00:26:19,120

sum up ufology

695

00:26:23,990 --> 00:26:22,159

it really is like the opening lines of

696

00:26:27,190 --> 00:26:24,000

the tale of two cities by charles

697

00:26:29,510 --> 00:26:27,200

dickens it was the best of times it was

698

00:26:32,710 --> 00:26:29,520

the worst of times

699

00:26:33,510 --> 00:26:32,720

that's it in the last several years the

700

00:26:37,110 --> 00:26:33,520

best

701

00:26:40,470 --> 00:26:37,120

ufo investigation that i've had

702

00:26:42,710 --> 00:26:40,480

was on july 2nd of 2014

703

00:26:44,710 --> 00:26:42,720

over the city of vancouver washington

704

00:26:46,470 --> 00:26:44,720

now vancouver washington

705

00:26:47,750 --> 00:26:46,480

is directly across the river from

706

00:26:49,990 --> 00:26:47,760

portland oregon

707

00:26:51,510 --> 00:26:50,000

separated by the columbia river

708

00:26:53,830 --> 00:26:51,520

vancouver washington

709

00:26:55,510 --> 00:26:53,840

is in washington state when you cross

710

00:26:57,990 --> 00:26:55,520

the bridge you're in oregon

711

00:27:00,870 --> 00:26:58,000

so don't confuse this with vancouver

712

00:27:04,630 --> 00:27:00,880

british columbia

713

00:27:07,830 --> 00:27:04,640

a man was on duty this man

714

00:27:08,950 --> 00:27:07,840
works for one of the three letter

715

00:27:11,990 --> 00:27:08,960
agencies

716

00:27:14,789 --> 00:27:12,000
of the united states government this man

717

00:27:16,789 --> 00:27:14,799
was a law enforcement officer he has

718

00:27:19,590 --> 00:27:16,799
arrest powers he's armed

719

00:27:20,230 --> 00:27:19,600
he's highly trained he's in the prime of

720

00:27:23,750 --> 00:27:20,240
his life

721

00:27:25,750 --> 00:27:23,760
he's a family man i know who he is

722

00:27:26,789 --> 00:27:25,760
i've communicated with him numerous

723

00:27:30,070 --> 00:27:26,799
times

724

00:27:33,269 --> 00:27:30,080
and i've met him in person twice

725

00:27:36,470 --> 00:27:33,279
but back on july 2nd of 2014

726

00:27:39,430 --> 00:27:36,480

i never heard of him about six or seven

727

00:27:42,470 --> 00:27:39,440

days later my cell phone rings

728

00:27:43,590 --> 00:27:42,480

and this man is very reluctant on the

729

00:27:45,350 --> 00:27:43,600

phone

730

00:27:47,750 --> 00:27:45,360

he doesn't want to tell me who he is he

731

00:27:49,269 --> 00:27:47,760

doesn't want to tell me where he works

732

00:27:50,470 --> 00:27:49,279

but he said that something really

733

00:27:52,549 --> 00:27:50,480

strange happened

734

00:27:54,149 --> 00:27:52,559

and he needed to talk to somebody about

735

00:27:55,669 --> 00:27:54,159

it

736

00:27:57,430 --> 00:27:55,679

and the phrase that popped up

737

00:28:00,149 --> 00:27:57,440

immediately was he said

738

00:28:00,950 --> 00:28:00,159

he was desperately hoping that what he

739

00:28:04,470 --> 00:28:00,960

saw

740

00:28:07,510 --> 00:28:04,480

had a conventional explanation

741

00:28:11,269 --> 00:28:07,520

what he saw was a metallic

742

00:28:13,269 --> 00:28:11,279

disc shaped aircraft flying over the

743

00:28:15,990 --> 00:28:13,279

city of vancouver washington

744

00:28:18,070 --> 00:28:16,000

in broad daylight on a sunny day at

745

00:28:21,669 --> 00:28:18,080

about one o'clock in the afternoon

746

00:28:25,190 --> 00:28:21,679

on july 2nd 2014 he sees

747

00:28:27,750 --> 00:28:25,200

this object fly directly across the sky

748

00:28:29,350 --> 00:28:27,760

he can see that it tilts slightly he can

749

00:28:31,990 --> 00:28:29,360

see the gleam of metal

750

00:28:34,070 --> 00:28:32,000

he can see the shadow underneath it he's

751
00:28:38,470 --> 00:28:34,080
convinced that it's a three-dimensional

752
00:28:42,230 --> 00:28:38,480
physical tangible aircraft except

753
00:28:45,110 --> 00:28:42,240
it has no wings no propellers

754
00:28:46,470 --> 00:28:45,120
no jet engines nothing that would make

755
00:28:48,549 --> 00:28:46,480
it conventional

756
00:28:49,510 --> 00:28:48,559
he could not hear any noise from it but

757
00:28:55,269 --> 00:28:49,520
you could

758
00:28:59,350 --> 00:28:57,750
so he's telling me all of this and he

759
00:29:03,110 --> 00:28:59,360
says that when it gets two-thirds of the

760
00:29:08,789 --> 00:29:06,310
he's telling me he says i haven't told

761
00:29:12,950 --> 00:29:08,799
you the weird part

762
00:29:14,710 --> 00:29:12,960
i said what's the weird part obviously

763
00:29:16,230 --> 00:29:14,720

he said when it got two-thirds of the

764

00:29:18,310 --> 00:29:16,240

way across the sky

765

00:29:20,070 --> 00:29:18,320

it looked as if someone drew a line in

766

00:29:23,510 --> 00:29:20,080

the air

767

00:29:26,870 --> 00:29:23,520

and as the craft crossed the line

768

00:29:30,149 --> 00:29:26,880

it wasn't there anymore it was just

769

00:29:33,430 --> 00:29:30,159

gone he saw a ripple

770

00:29:34,870 --> 00:29:33,440

in space and then it was there was just

771

00:29:38,230 --> 00:29:34,880

nothing

772

00:29:40,230 --> 00:29:38,240

so he's looking at this and at i mean

773

00:29:41,909 --> 00:29:40,240

he's in shock

774

00:29:44,149 --> 00:29:41,919

because this isn't right it doesn't make

775

00:29:47,909 --> 00:29:44,159

any sense to him at all

776

00:29:50,950 --> 00:29:47,919

within 30 seconds here comes an f-15

777

00:29:53,029 --> 00:29:50,960

fighter plane on afterburners going in

778

00:29:55,350 --> 00:29:53,039

the same direction

779

00:29:57,110 --> 00:29:55,360

obviously from the portland air national

780

00:30:00,389 --> 00:29:57,120

guard which there's a small

781

00:30:02,070 --> 00:30:00,399

group of f-15 fighters on standby

782

00:30:05,110 --> 00:30:02,080

all the time at the portland

783

00:30:07,350 --> 00:30:05,120

international airport

784

00:30:08,389 --> 00:30:07,360

so i get all this information from him

785

00:30:11,029 --> 00:30:08,399

we agreed that

786

00:30:12,870 --> 00:30:11,039

i will not reveal his name i have not

787

00:30:15,909 --> 00:30:12,880

revealed his name even to mufon

788

00:30:20,870 --> 00:30:18,950

so we determined that he

789

00:30:22,070 --> 00:30:20,880

should write me a complete statement he

790

00:30:23,750 --> 00:30:22,080

does

791

00:30:25,110 --> 00:30:23,760

because of this man's training and

792

00:30:27,029 --> 00:30:25,120

experience

793

00:30:28,950 --> 00:30:27,039

i get a report that's like the best

794

00:30:30,549 --> 00:30:28,960

report i've ever received i mean

795

00:30:32,070 --> 00:30:30,559

this man knows how to write an

796

00:30:35,830 --> 00:30:32,080

investigative report

797

00:30:38,230 --> 00:30:35,840

so that part of my job was really easy

798

00:30:40,230 --> 00:30:38,240

because the report was so recent

799

00:30:42,950 --> 00:30:40,240

i called my good friend william puckett

800

00:30:46,230 --> 00:30:42,960

who runs ufos northwest

801
00:30:48,389 --> 00:30:46,240
who is a retired noah weatherman he has

802
00:30:50,310 --> 00:30:48,399
like 30 years on the job

803
00:30:52,230 --> 00:30:50,320
and he has forgotten more about radar

804
00:30:54,950 --> 00:30:52,240
than most people will ever learn

805
00:30:56,789 --> 00:30:54,960
and i asked him to write a freedom of

806
00:30:59,830 --> 00:30:56,799
information act request

807
00:31:03,430 --> 00:30:59,840
to get the radar data from the faa

808
00:31:06,070 --> 00:31:03,440
he does he unpacks the data for me

809
00:31:06,789 --> 00:31:06,080
we examine the data and it's determined

810
00:31:09,909 --> 00:31:06,799
that

811
00:31:12,950 --> 00:31:09,919
in the area of the sky over

812
00:31:16,830 --> 00:31:12,960
port over vancouver washington

813
00:31:20,870 --> 00:31:16,840

in the same area where the individual

814

00:31:24,470 --> 00:31:20,880

observed the ufo disappear into the sky

815

00:31:27,350 --> 00:31:24,480

there are unidentified solid returns

816

00:31:28,870 --> 00:31:27,360

these are something blocked the radar

817

00:31:31,430 --> 00:31:28,880

for two passes

818

00:31:33,750 --> 00:31:31,440

of the radar that did not have a

819

00:31:36,789 --> 00:31:33,760

transponder associated with it

820

00:31:39,590 --> 00:31:36,799

in other words there was no identifier

821

00:31:41,509 --> 00:31:39,600

a normal airplane has a transponder

822

00:31:43,990 --> 00:31:41,519

that's called squawking

823

00:31:45,990 --> 00:31:44,000

where it's constantly broadcasting its

824

00:31:47,909 --> 00:31:46,000

serial number and its location

825

00:31:49,190 --> 00:31:47,919

and saying hey i'm a friendly don't

826

00:31:52,389 --> 00:31:49,200

shoot me down

827

00:31:54,310 --> 00:31:52,399

and only military aircraft are allowed

828

00:31:57,190 --> 00:31:54,320

to turn off their transponders

829

00:31:59,110 --> 00:31:57,200

and only under special circumstances and

830

00:32:01,909 --> 00:31:59,120

that does not include flying over

831

00:32:03,269 --> 00:32:01,919

a metropolitan area near a major

832

00:32:06,630 --> 00:32:03,279

international airport

833

00:32:09,909 --> 00:32:06,640

that would be a big no-no

834

00:32:11,110 --> 00:32:09,919

and so we have the unidentifieds and we

835

00:32:13,669 --> 00:32:11,120

clearly have

836

00:32:15,669 --> 00:32:13,679

the radar track of the f-15 going across

837

00:32:17,669 --> 00:32:15,679

the sky

838

00:32:19,669 --> 00:32:17,679

this is what you call a really really

839

00:32:22,070 --> 00:32:19,679

good ufo report

840

00:32:23,029 --> 00:32:22,080

i have a highly credible professional

841

00:32:25,269 --> 00:32:23,039

individual

842

00:32:27,590 --> 00:32:25,279

who makes a report of a broad daylight

843

00:32:30,149 --> 00:32:27,600

sighting of a solid ufo

844

00:32:30,870 --> 00:32:30,159

that has definite form and shape it

845

00:32:34,310 --> 00:32:30,880

performs

846

00:32:37,669 --> 00:32:34,320

in ways that apparently can't be

847

00:32:40,230 --> 00:32:37,679

duplicated by conventional aircraft

848

00:32:42,070 --> 00:32:40,240

it disappears in a way that no

849

00:32:45,909 --> 00:32:42,080

conventional aircraft can duplicate

850

00:32:47,350 --> 00:32:45,919

that i know of and it's being chased by

851
00:32:50,630 --> 00:32:47,360
the u.s government

852
00:32:51,430 --> 00:32:50,640
and my witness is risking his entire

853
00:32:53,990 --> 00:32:51,440
career

854
00:32:54,549 --> 00:32:54,000
to make this report he's not making any

855
00:32:57,909 --> 00:32:54,559
money

856
00:32:59,909 --> 00:32:57,919
he gains nothing by making this report

857
00:33:02,310 --> 00:32:59,919
it doesn't get any better than that

858
00:33:04,310 --> 00:33:02,320
unless i could bring you the ufo on a

859
00:33:07,590 --> 00:33:04,320
trailer

860
00:33:09,830 --> 00:33:07,600
this man is extraordinary i'm still in

861
00:33:12,230 --> 00:33:09,840
communication with him and in fact like

862
00:33:15,430 --> 00:33:12,240
many of my best witnesses

863
00:33:16,710 --> 00:33:15,440

we have ongoing correspondence where i

864

00:33:19,350 --> 00:33:16,720

am helping him

865

00:33:21,669 --> 00:33:19,360

read books and get more information on

866

00:33:23,190 --> 00:33:21,679

the subject of ufos

867

00:33:25,350 --> 00:33:23,200

i'm not going to be able to tell him

868

00:33:26,789 --> 00:33:25,360

exactly what ufo he saw i mean i can't

869

00:33:29,509 --> 00:33:26,799

tell him that it's a

870

00:33:30,950 --> 00:33:29,519

aldebaran star cruiser with a bad tail

871

00:33:34,470 --> 00:33:30,960

light and a faulty muffler

872

00:33:36,710 --> 00:33:34,480

that's not going to happen but i can

873

00:33:38,230 --> 00:33:36,720

show him that there are many other

874

00:33:42,310 --> 00:33:38,240

people like him

875

00:33:45,110 --> 00:33:42,320

pilots military people policemen

876

00:33:46,470 --> 00:33:45,120

normal citizens who are sane sober

877

00:33:49,269 --> 00:33:46,480

serious people

878

00:33:50,549 --> 00:33:49,279

who have all had similar experiences

879

00:33:53,590 --> 00:33:50,559

he's not alone

880

00:33:54,230 --> 00:33:53,600

there's nothing wrong with him what

881

00:33:56,149 --> 00:33:54,240

there is

882

00:33:58,950 --> 00:33:56,159

is something really extraordinary going

883

00:34:01,430 --> 00:33:58,960

on that is not being properly addressed

884

00:34:03,990 --> 00:34:01,440

by our government or by the media for a

885

00:34:07,750 --> 00:34:04,000

whole variety of reasons

886

00:34:11,510 --> 00:34:07,760

so that's my favorite ufo case

887

00:34:14,629 --> 00:34:11,520

trying to sum up how i feel about this

888

00:34:19,430 --> 00:34:17,430

it's the most necessary part is that

889

00:34:22,950 --> 00:34:19,440

whatever you do

890

00:34:25,030 --> 00:34:22,960

has to be done with integrity that's why

891

00:34:27,510 --> 00:34:25,040

i am very very careful

892

00:34:29,190 --> 00:34:27,520

where i draw the line between what i am

893

00:34:32,069 --> 00:34:29,200

reasonably certain of

894

00:34:32,550 --> 00:34:32,079

and where i am just speculating i think

895

00:34:34,950 --> 00:34:32,560

it is

896

00:34:36,069 --> 00:34:34,960

all important in this field for

897

00:34:39,190 --> 00:34:36,079

everybody

898

00:34:41,349 --> 00:34:39,200

the researchers and the public at large

899

00:34:43,430 --> 00:34:41,359

to know the difference between those two

900

00:34:45,109 --> 00:34:43,440

things so that we don't jump to

901
00:34:48,149 --> 00:34:45,119
conclusions

902
00:34:50,069 --> 00:34:48,159
at the same time i

903
00:34:51,589 --> 00:34:50,079
really believe that we have to approach

904
00:34:54,710 --> 00:34:51,599
this subject

905
00:34:57,829 --> 00:34:54,720
with an open heart

906
00:35:01,190 --> 00:34:57,839
and a sense of compassion fear

907
00:35:03,430 --> 00:35:01,200
will not solve this

908
00:35:06,470 --> 00:35:03,440
fear will only lead us into more

909
00:35:08,630 --> 00:35:06,480
confusion and down a much darker path

910
00:35:09,829 --> 00:35:08,640
i really think that we are going to

911
00:35:14,069 --> 00:35:09,839
reach a point

912
00:35:17,270 --> 00:35:14,079
and that's my hope in this entire effort

913
00:35:19,990 --> 00:35:17,280

is that there will come a day when we

914

00:35:22,069 --> 00:35:20,000

are no longer people of any particular

915

00:35:25,270 --> 00:35:22,079

race religion or nation

916

00:35:26,230 --> 00:35:25,280

we will be the terrans we are the people

917

00:35:29,109 --> 00:35:26,240

of earth

918

00:35:30,390 --> 00:35:29,119

the noisy ornery bunch of strange human

919

00:35:32,390 --> 00:35:30,400

being creatures

920

00:35:35,190 --> 00:35:32,400

that live on the third planet from the

921

00:35:35,750 --> 00:35:35,200

sun and my hope is is that that will be

922

00:35:43,829 --> 00:35:35,760

a

923

00:35:47,270 --> 00:35:43,839

when we will meet them openly

924

00:35:48,470 --> 00:35:47,280

friends not as enemies because yes there

925

00:35:51,190 --> 00:35:48,480

could there be

926

00:35:51,990 --> 00:35:51,200

aliens out there that will be hostile to

927

00:35:53,750 --> 00:35:52,000

us or

928

00:35:56,630 --> 00:35:53,760

completely indifferent of course there

929

00:35:58,950 --> 00:35:56,640

could be they may have already been here

930

00:36:00,550 --> 00:35:58,960

but at the same time there's a very

931

00:36:03,430 --> 00:36:00,560

strong possibility

932

00:36:05,430 --> 00:36:03,440

that this will be a surprising family

933

00:36:09,030 --> 00:36:05,440

reunion

934

00:36:11,829 --> 00:36:09,040

and i would add to that that

935

00:36:12,630 --> 00:36:11,839

in conclusion that if anyone wants to

936

00:36:15,670 --> 00:36:12,640

reach me

937

00:36:16,750 --> 00:36:15,680

they should do so through my email which

938

00:36:20,390 --> 00:36:16,760

is

939

00:36:26,800 --> 00:36:20,400

uforeality at comcast.net

940

00:37:00,630 --> 00:36:26,810

or i have a website jamesclarksonufo.com
