

UFO 

1
00:00:07,880 --> 00:00:23,210

[Music]

2
00:00:23,220 --> 00:00:25,990

you

3
00:00:31,960 --> 00:00:29,380

my name is grant Cameron and the way I

4
00:00:35,530 --> 00:00:31,970

got into the UFO field was very simple

5
00:00:38,229 --> 00:00:35,540

it was 1975 I live just north of the

6
00:00:40,540 --> 00:00:38,239

American border above North Dakota but

7
00:00:42,700 --> 00:00:40,550

60 miles from the border and what

8
00:00:45,040 --> 00:00:42,710

happened was there was a small town

9
00:00:47,290 --> 00:00:45,050

called Carmen Manitoba where there was a

10
00:00:49,990 --> 00:00:47,300

bunch of UFO sightings taking place and

11
00:00:52,060 --> 00:00:50,000

went on for the entire year it started

12
00:00:54,100 --> 00:00:52,070

in February the local I live in a big

13
00:00:56,979 --> 00:00:54,110

city 607 housing

14

00:00:59,560 --> 00:00:56,989

and the local media was carrying the

15

00:01:01,330 --> 00:00:59,570

story and I had no interest in UFOs I

16

00:01:03,729 --> 00:01:01,340

can't ever remember having thought about

17

00:01:05,290 --> 00:01:03,739

extraterrestrial life or anything I was

18

00:01:07,150 --> 00:01:05,300

interested in near-death experiences

19

00:01:10,600 --> 00:01:07,160

because I had done a study at the

20

00:01:12,070 --> 00:01:10,610

hospitals with chaplains and I had gone

21

00:01:13,990 --> 00:01:12,080

to the hospital stylist course it's a

22

00:01:16,480 --> 00:01:14,000

weird questions like do people ever

23

00:01:18,100 --> 00:01:16,490

predict their death does anybody ever

24

00:01:19,570 --> 00:01:18,110

see someone coming to pick them up when

25

00:01:21,330 --> 00:01:19,580

they were just before they die a

26

00:01:23,710 --> 00:01:21,340

relative comes to pick them up

27

00:01:26,050 --> 00:01:23,720

does anybody have a near-death

28

00:01:27,580 --> 00:01:26,060

experience all this kind of stuff does

29

00:01:29,469 --> 00:01:27,590

anybody ever predict their death so I

30

00:01:30,999 --> 00:01:29,479

ask these things and I did a paper when

31

00:01:32,740 --> 00:01:31,009

I was at the University and it was

32

00:01:35,469 --> 00:01:32,750

interested in Edgar Cayce but I can't

33

00:01:37,029 --> 00:01:35,479

remember ever thinking about UFOs so

34

00:01:38,499 --> 00:01:37,039

what happened was the sighting started

35

00:01:42,370 --> 00:01:38,509

and I we used to drive around the city

36

00:01:44,190 --> 00:01:42,380

as young 20-some year old kids so we

37

00:01:46,870 --> 00:01:44,200

instead of driving around the city I

38

00:01:49,270 --> 00:01:46,880

said let's go out and to Carmen and

39

00:01:50,980 --> 00:01:49,280

let's see whatever he's looking at my

40

00:01:53,109 --> 00:01:50,990

friend said okay we'll do it and we

41

00:01:54,999 --> 00:01:53,119

didn't do it we didn't do it for three

42

00:01:57,910 --> 00:01:55,009

months what happened in three months

43

00:01:59,859 --> 00:01:57,920

later was May of 1975 the local TV

44

00:02:01,180 --> 00:01:59,869

station managed to catch this thing

45

00:02:03,070 --> 00:02:01,190

jumping off the ground they had it

46

00:02:04,540 --> 00:02:03,080

surrounded on the ground and there was a

47

00:02:05,650 --> 00:02:04,550

film crew there and they managed to

48

00:02:08,080 --> 00:02:05,660

catch this thing as it jumped off the

49

00:02:11,470 --> 00:02:08,090

ground and it became a viral story in my

50

00:02:13,270 --> 00:02:11,480

city NBC News picked it up it was a big

51
00:02:14,710 --> 00:02:13,280
story and that's when I said to my

52
00:02:16,690 --> 00:02:14,720
friend come on let's go see what to

53
00:02:19,360 --> 00:02:16,700
looking at not that had any interest in

54
00:02:21,220 --> 00:02:19,370
it and the way I describe it is it's

55
00:02:23,140 --> 00:02:21,230
like buying the lottery ticket and you

56
00:02:24,400 --> 00:02:23,150
know there's a chance you can win but

57
00:02:25,660 --> 00:02:24,410
you know you're not going to win I'm

58
00:02:27,309 --> 00:02:25,670
going to go out there every else sees it

59
00:02:29,589 --> 00:02:27,319
we're not going to see anything so we

60
00:02:31,960 --> 00:02:29,599
went out to the small town about 11

61
00:02:33,550 --> 00:02:31,970
o'clock at night we drove into town for

62
00:02:36,089 --> 00:02:33,560
a lot of time drove into town we're

63
00:02:38,399 --> 00:02:36,099

looking around at stuff and

64

00:02:40,050 --> 00:02:38,409

we said we're looking at and we look at

65

00:02:41,009 --> 00:02:40,060

planets the Stars and well that's what

66

00:02:42,240 --> 00:02:41,019

they're looking at it's not very

67

00:02:44,280 --> 00:02:42,250

impressive we had no idea whatever he's

68

00:02:46,289 --> 00:02:44,290

looking at my friend said after an hour

69

00:02:48,869 --> 00:02:46,299

he said we'll drive into town one more

70

00:02:51,089 --> 00:02:48,879

time if we don't say anything let's go I

71

00:02:53,759 --> 00:02:51,099

said fantastic this is a total waste of

72

00:02:55,530 --> 00:02:53,769

time we turned to go back into town and

73

00:02:59,309 --> 00:02:55,540

it appeared coming from the left to the

74

00:03:01,319 --> 00:02:59,319

right it looked like it was alive nobody

75

00:03:02,580 --> 00:03:01,329

in the car said is that what they're

76

00:03:04,710 --> 00:03:02,590

looking at is that what it is

77

00:03:06,690 --> 00:03:04,720

everybody just instantly said there it

78

00:03:09,330 --> 00:03:06,700

is every new instantly because it was

79

00:03:11,280 --> 00:03:09,340

just so bizarre and it was coming from

80

00:03:13,500 --> 00:03:11,290

the left moving to the right he was down

81

00:03:15,720 --> 00:03:13,510

low moving very very slow across the

82

00:03:17,580 --> 00:03:15,730

road it wasn't a light in the sky it was

83

00:03:20,250 --> 00:03:17,590

an actual object in sort of 30 close

84

00:03:22,259 --> 00:03:20,260

maybe half a mile 3/4 of a mile down the

85

00:03:24,569 --> 00:03:22,269

road it was bobbing up and down is

86

00:03:26,490 --> 00:03:24,579

moving up and down and it just like I

87

00:03:29,039 --> 00:03:26,500

was just floored I couldn't believe that

88

00:03:30,509 --> 00:03:29,049

I'd actually seen something so he's

89

00:03:31,740 --> 00:03:30,519

going in behind the set of school buses

90

00:03:33,089 --> 00:03:31,750

and I remember the car was still moving

91

00:03:34,170 --> 00:03:33,099

and I was getting out of the cars and

92

00:03:37,530 --> 00:03:34,180

still moving because I wanted to run to

93

00:03:38,610 --> 00:03:37,540

the ditch to these school buses because

94

00:03:40,110 --> 00:03:38,620

I knew it's going to go in behind the

95

00:03:41,869 --> 00:03:40,120

school bus it was so low I wouldn't see

96

00:03:44,699 --> 00:03:41,879

it anymore and I just watch this thing

97

00:03:46,949 --> 00:03:44,709

sort of pulse away it was pulsing and

98

00:03:49,319 --> 00:03:46,959

just flew off into the distance and when

99

00:03:51,899 --> 00:03:49,329

our two nights later dragged all my

100

00:03:53,759 --> 00:03:51,909

friends I was there there was 28 people

101
00:03:55,469 --> 00:03:53,769
sitting on the side road in the middle

102
00:03:58,469 --> 00:03:55,479
of nowhere from all different people

103
00:04:00,030 --> 00:03:58,479
directions the second day it came right

104
00:04:02,039 --> 00:04:00,040
at us but most of the people had left

105
00:04:03,839 --> 00:04:02,049
there's only two cars maybe eight people

106
00:04:06,180 --> 00:04:03,849
left when the thing finally came and

107
00:04:07,830 --> 00:04:06,190
that night it came right at us right at

108
00:04:09,689 --> 00:04:07,840
us and it sort of came right at us and

109
00:04:11,550 --> 00:04:09,699
then it sort of moved and it sort of

110
00:04:13,890 --> 00:04:11,560
flew away and it had a little green glow

111
00:04:16,020 --> 00:04:13,900
on the back and it's red pulsing object

112
00:04:17,849 --> 00:04:16,030
and I was just floored I'm thinking I

113
00:04:19,830 --> 00:04:17,859

might actually be someone from another

114

00:04:21,509 --> 00:04:19,840

planet I was just floored and then I

115

00:04:25,980 --> 00:04:21,519

because I had been a big story in the

116

00:04:27,810 --> 00:04:25,990

media then I decided to find out why

117

00:04:29,670 --> 00:04:27,820

nobody was investigating this why was

118

00:04:31,050 --> 00:04:29,680

nobody talking to people in town because

119

00:04:32,580 --> 00:04:31,060

the rumours story was that half the

120

00:04:34,740 --> 00:04:32,590

people in town we're seeing this thing

121

00:04:36,120 --> 00:04:34,750

it was flying there every night so that

122

00:04:38,189 --> 00:04:36,130

what I did is I gathered all the

123

00:04:41,490 --> 00:04:38,199

material together and I interviewed

124

00:04:43,409 --> 00:04:41,500

piles hundreds of people and basically

125

00:04:44,969 --> 00:04:43,419

nobody wanted to talk they would just

126
00:04:47,070 --> 00:04:44,979
say how did you know I saw something and

127
00:04:48,100 --> 00:04:47,080
I'd say well so-and-so told me and then

128
00:04:50,050 --> 00:04:48,110
I'd go

129
00:04:51,369 --> 00:04:50,060
well I saw something but it really was

130
00:04:52,689 --> 00:04:51,379
nothing and they'd start that way and

131
00:04:54,640 --> 00:04:52,699
then by the end of the interview they

132
00:04:56,559 --> 00:04:54,650
would be telling you basically what they

133
00:04:58,270 --> 00:04:56,569
saw and then they would say I was the

134
00:04:59,980 --> 00:04:58,280
only one that thought you know and then

135
00:05:01,510 --> 00:04:59,990
they give you three or four names so at

136
00:05:03,730 --> 00:05:01,520
one point I had like 300 people on a

137
00:05:06,070 --> 00:05:03,740
list I didn't interviewed yet I put all

138
00:05:08,080 --> 00:05:06,080

this together in a book in a manuscript

139

00:05:11,020 --> 00:05:08,090

and I tried to get it published in 1977

140

00:05:13,510 --> 00:05:11,030

and nobody would publish it and the

141

00:05:14,830 --> 00:05:13,520

local publisher in the city of 700,000

142

00:05:17,559 --> 00:05:14,840

people where everybody knew about this

143

00:05:19,420 --> 00:05:17,569

story said Mr Cameron you may believe in

144

00:05:22,209 --> 00:05:19,430

this kind of stuff count me among the

145

00:05:24,279 --> 00:05:22,219

unbelievers and I went oh it has been a

146

00:05:27,369 --> 00:05:24,289

total waste of time and it was from that

147

00:05:29,680 --> 00:05:27,379

moment on which transitioned me is I

148

00:05:31,180 --> 00:05:29,690

said all I'm interested in now I'm not

149

00:05:32,200 --> 00:05:31,190

interested in anybody sightings what

150

00:05:34,629 --> 00:05:32,210

people so I'm not going to try to

151
00:05:36,640 --> 00:05:34,639
convince you what it was what it was all

152
00:05:38,350 --> 00:05:36,650
I'm interested in is what was that

153
00:05:40,689 --> 00:05:38,360
object that came in front of my car that

154
00:05:42,790 --> 00:05:40,699
night somebody in this world must know

155
00:05:44,680 --> 00:05:42,800
what that is I'm just a little guy in

156
00:05:47,439 --> 00:05:44,690
the prairies in Canada somebody knows

157
00:05:48,820 --> 00:05:47,449
and so I started this process I first

158
00:05:51,670 --> 00:05:48,830
went to Kane government to what the Kane

159
00:05:52,959 --> 00:05:51,680
government had known I ended up chasing

160
00:05:54,969 --> 00:05:52,969
around the president of Penn State

161
00:05:56,019 --> 00:05:54,979
University for eight years and he knew

162
00:05:57,100 --> 00:05:56,029
what was going on but he didn't want to

163
00:05:59,529 --> 00:05:57,110

talk about it we had a bunch of

164

00:06:00,850 --> 00:05:59,539

researchers and he led us to the

165

00:06:03,459 --> 00:06:00,860

president's he was going to give some of

166

00:06:05,800 --> 00:06:03,469

the material to the library the Truman

167

00:06:07,029 --> 00:06:05,810

library in Independence Missouri and it

168

00:06:08,860 --> 00:06:07,039

was at that moment when I got to the

169

00:06:10,749 --> 00:06:08,870

independence library looking for dr.

170

00:06:12,969 --> 00:06:10,759

Eric Walker from Penn State at his

171

00:06:14,230 --> 00:06:12,979

material it was at that point they

172

00:06:17,680 --> 00:06:14,240

didn't have the material that I was

173

00:06:20,350 --> 00:06:17,690

looking for and I said what he got on

174

00:06:22,029 --> 00:06:20,360

UFOs and I'm thinking the president of

175

00:06:24,040 --> 00:06:22,039

United States has got to know he's the

176

00:06:27,640 --> 00:06:24,050

most powerful man in the world and all

177

00:06:29,610 --> 00:06:27,650

they had was a bunch of telegrams that

178

00:06:32,499 --> 00:06:29,620

had been sent to the president in 1952

179

00:06:34,180 --> 00:06:32,509

when the UFOs flew over the White House

180

00:06:35,860 --> 00:06:34,190

and they because he had put down a

181

00:06:36,790 --> 00:06:35,870

shoot-down order after the first week

182

00:06:38,589 --> 00:06:36,800

they were there

183

00:06:41,019 --> 00:06:38,599

Truman put out a shoot-down order and

184

00:06:43,450 --> 00:06:41,029

this went viral on newspapers across

185

00:06:45,339 --> 00:06:43,460

America and all these people send it in

186

00:06:47,379 --> 00:06:45,349

telegrams to say mr. president don't

187

00:06:48,850 --> 00:06:47,389

shoot him down so they had those and

188

00:06:51,300 --> 00:06:48,860

they had a couple other documents and

189

00:06:53,769 --> 00:06:51,310

I'm thinking that's pretty strange

190

00:06:55,740 --> 00:06:53,779

there's really nothing here and then

191

00:06:58,749 --> 00:06:55,750

what happened there was down the road

192

00:07:00,610 --> 00:06:58,759

from Independence Missouri as Abilene

193

00:07:02,140 --> 00:07:00,620

Kansas it's maybe two hour

194

00:07:03,400 --> 00:07:02,150

drive west and that's where the

195

00:07:05,500 --> 00:07:03,410

Eisenhower libraries then with the

196

00:07:06,820 --> 00:07:05,510

Eisenhower library and you have to be

197

00:07:09,430 --> 00:07:06,830

interviewed it's a very formal place

198

00:07:11,409 --> 00:07:09,440

people wear suits and dyes and stuff so

199

00:07:12,670 --> 00:07:11,419

I went in there and I said I want to

200

00:07:14,650 --> 00:07:12,680

know what the president's and I was

201
00:07:16,480 --> 00:07:14,660
going for my interview and they had five

202
00:07:18,219 --> 00:07:16,490
documents and I said well how many pages

203
00:07:20,950 --> 00:07:18,229
of documents you have they said we have

204
00:07:22,810 --> 00:07:20,960
28 million pages and that that woman I

205
00:07:25,060 --> 00:07:22,820
said something's wrong here

206
00:07:27,070 --> 00:07:25,070
five documents and there's 28 million

207
00:07:29,200 --> 00:07:27,080
pages something's going on where are the

208
00:07:31,930 --> 00:07:29,210
documents and so I started this pursuit

209
00:07:33,640 --> 00:07:31,940
of chasing around from library to

210
00:07:35,710 --> 00:07:33,650
library presidential libraries looking

211
00:07:37,390 --> 00:07:35,720
for you over documents basically found

212
00:07:38,680 --> 00:07:37,400
out there really are none in the

213
00:07:40,210 --> 00:07:38,690

presidential libraries except for

214

00:07:41,860 --> 00:07:40,220

letters that people send to the

215

00:07:46,230 --> 00:07:41,870

president just very sort of non

216

00:07:50,140 --> 00:07:46,240

classified stuff and I did that for

217

00:07:53,409 --> 00:07:50,150

probably thirty years till February 26

218

00:07:55,300 --> 00:07:53,419

2012 and it was at that time when I was

219

00:07:57,760 --> 00:07:55,310

watching Colin Andrews the famous crop

220

00:08:00,969 --> 00:07:57,770

circle guy give a lecture in Phoenix

221

00:08:03,250 --> 00:08:00,979

Arizona and I had no interest in being

222

00:08:05,469 --> 00:08:03,260

in the lecture I'm not interested in

223

00:08:07,180 --> 00:08:05,479

crop circles the only reason I went into

224

00:08:08,500 --> 00:08:07,190

the lecture because he's a prominent guy

225

00:08:10,270 --> 00:08:08,510

is sort of like the Rolling Stones are

226

00:08:11,589 --> 00:08:10,280

in town I'm not into the Rolling Stones

227

00:08:13,480 --> 00:08:11,599

but let's go watch The Rolling Stones he

228

00:08:15,400 --> 00:08:13,490

was like a big name so I figured I

229

00:08:18,279 --> 00:08:15,410

should pay him the respect going to his

230

00:08:19,540 --> 00:08:18,289

lecture and watch him lecture so I was

231

00:08:21,190 --> 00:08:19,550

in the lecture but I didn't want to be

232

00:08:23,080 --> 00:08:21,200

in the lecture I really wasn't paying

233

00:08:25,570 --> 00:08:23,090

attention to what he was saying and I

234

00:08:27,670 --> 00:08:25,580

got what I described as a download this

235

00:08:30,070 --> 00:08:27,680

material came instantaneously into my

236

00:08:32,500 --> 00:08:30,080

head it was material that I had gathered

237

00:08:33,880 --> 00:08:32,510

through the years and what it does took

238

00:08:35,620 --> 00:08:33,890

three pieces of information that I'd

239

00:08:38,949 --> 00:08:35,630

gathered it puts them together in my

240

00:08:41,079 --> 00:08:38,959

head and basically assured me this is

241

00:08:43,360 --> 00:08:41,089

how it works it just and I came with

242

00:08:45,430 --> 00:08:43,370

absolute certainty and I suddenly went I

243

00:08:48,400 --> 00:08:45,440

know it was the answer I've been looking

244

00:08:50,290 --> 00:08:48,410

for since 1975 I had the answer it was

245

00:08:52,120 --> 00:08:50,300

like I put on the glasses I can now read

246

00:08:54,970 --> 00:08:52,130

the street signs and it was the whole

247

00:08:57,250 --> 00:08:54,980

idea that consciousness non-local

248

00:08:59,829 --> 00:08:57,260

consciousness is the basis of the UFO

249

00:09:02,710 --> 00:08:59,839

phenomena that until you get away from

250

00:09:05,170 --> 00:09:02,720

the physical idea of UFOs and get to the

251
00:09:07,360 --> 00:09:05,180
fact that these whoever these beings are

252
00:09:09,819 --> 00:09:07,370
that they can move from the dream world

253
00:09:12,940 --> 00:09:09,829
into the real world that there's this

254
00:09:14,380 --> 00:09:12,950
non-local non-physical aspect of the

255
00:09:16,840 --> 00:09:14,390
thing or even more

256
00:09:18,850 --> 00:09:16,850
directly the consciousness is the basis

257
00:09:20,500 --> 00:09:18,860
of the universe not matter consciousness

258
00:09:21,970 --> 00:09:20,510
is the basis and you do not have a

259
00:09:23,920 --> 00:09:21,980
particle take a position in time and

260
00:09:24,759 --> 00:09:23,930
space until you have an observer until

261
00:09:26,350 --> 00:09:24,769
there's consciousness

262
00:09:28,150 --> 00:09:26,360
everything's consciousness everything's

263
00:09:30,759 --> 00:09:28,160

conscious everything is life so all this

264

00:09:32,440 --> 00:09:30,769

came to me instantaneously and then I

265

00:09:33,790 --> 00:09:32,450

just be of all my UFO documents I was

266

00:09:35,769 --> 00:09:33,800

famous for getting the Rockefeller

267

00:09:37,449 --> 00:09:35,779

initiative documents which were the

268

00:09:39,160 --> 00:09:37,459

thousand pages of documents from the

269

00:09:40,540 --> 00:09:39,170

Clinton White House when Laurance

270

00:09:43,120 --> 00:09:40,550

Rockefeller went to the clinton white

271

00:09:44,920 --> 00:09:43,130

house demanding UFO disclosure and i had

272

00:09:47,019 --> 00:09:44,930

filed an FOI a and i got a thousand

273

00:09:49,060 --> 00:09:47,029

pages of the correspondence going back

274

00:09:50,230 --> 00:09:49,070

and forth between rockefeller and the

275

00:09:53,370 --> 00:09:50,240

people in the Clinton White House

276

00:09:56,500 --> 00:09:53,380

basically showed that the Clintons were

277

00:09:58,600 --> 00:09:56,510

reuniting a Roswell report that

278

00:10:00,819 --> 00:09:58,610

Rockefeller was ready to put an ad in

279

00:10:02,110 --> 00:10:00,829

the paper and expose the president that

280

00:10:04,030 --> 00:10:02,120

the president knew what was going on and

281

00:10:06,160 --> 00:10:04,040

he wasn't telling all those documents

282

00:10:08,319 --> 00:10:06,170

once I had the download experience I

283

00:10:11,199 --> 00:10:08,329

said the president knows what's going on

284

00:10:11,920 --> 00:10:11,209

he's never going to tell you and this is

285

00:10:15,269 --> 00:10:11,930

a waste of time

286

00:10:18,939 --> 00:10:15,279

so I gave all my UFO documents away to a

287

00:10:20,889 --> 00:10:18,949

PhD guy in Salt Lake City and I said I

288

00:10:23,500 --> 00:10:20,899

don't need him anymore I'm going to do

289

00:10:25,689 --> 00:10:23,510

consciousness now and twice I've been

290

00:10:28,060 --> 00:10:25,699

dragged back into the what I call the

291

00:10:31,360 --> 00:10:28,070

rat hole of disclosure and government

292

00:10:34,329 --> 00:10:31,370

one was Hillary Clinton in when she was

293

00:10:35,829 --> 00:10:34,339

running for president 2016 she suddenly

294

00:10:38,620 --> 00:10:35,839

came out and said if I become president

295

00:10:41,290 --> 00:10:38,630

I will disclose the UFO situation and

296

00:10:42,699 --> 00:10:41,300

she said do you know to the reporter

297

00:10:44,740 --> 00:10:42,709

that Astrid do you know that the most

298

00:10:48,400 --> 00:10:44,750

requested item at the Clinton Library is

299

00:10:50,050 --> 00:10:48,410

UFOs and those were my f.y.i because I

300

00:10:52,300 --> 00:10:50,060

had the Rockefeller initiative documents

301
00:10:55,240 --> 00:10:52,310
a thousand pages I knew all the people

302
00:10:57,670 --> 00:10:55,250
all the players so when Clinton left

303
00:11:00,550 --> 00:10:57,680
office he has five years to review his

304
00:11:02,560 --> 00:11:00,560
papers after he leaves the bill do his

305
00:11:04,630 --> 00:11:02,570
memoirs or whatever and then it's

306
00:11:06,519 --> 00:11:04,640
first-come first-serve foi that's how

307
00:11:09,220 --> 00:11:06,529
they open the documents so you put in an

308
00:11:12,189 --> 00:11:09,230
FOI a report or you put in fo a request

309
00:11:14,470 --> 00:11:12,199
for clinton a ufos John Podesta and UFOs

310
00:11:16,180 --> 00:11:14,480
Hillary Clinton and UFOs the other

311
00:11:18,639 --> 00:11:16,190
Clinton and Rockefellers he put a

312
00:11:19,960 --> 00:11:18,649
hundred foi a reports in there and so

313
00:11:23,079 --> 00:11:19,970

when Hillary's interviewed she wrote

314

00:11:24,970 --> 00:11:23,089

references these F wise and I go she's

315

00:11:27,579 --> 00:11:24,980

actually paying attention she's actually

316

00:11:28,750 --> 00:11:27,589

they actually know what I'm doing and so

317

00:11:30,910 --> 00:11:28,760

then I had so much

318

00:11:33,430 --> 00:11:30,920

material I put out a book called the

319

00:11:35,080 --> 00:11:33,440

Clinton UFO story book which talks about

320

00:11:37,210 --> 00:11:35,090

the very great involvement of the

321

00:11:39,070 --> 00:11:37,220

Clintons over the years in the UFO

322

00:11:40,840 --> 00:11:39,080

phenomena fascinated with UFO phenomena

323

00:11:43,360 --> 00:11:40,850

they're fascinated in New Age

324

00:11:45,730 --> 00:11:43,370

spirituality and stuff like this I put

325

00:11:47,260 --> 00:11:45,740

it out then I said okay I got to get

326

00:11:50,080 --> 00:11:47,270

back out of this rat hole again and I

327

00:11:52,930 --> 00:11:50,090

left again and I got back into the

328

00:11:55,120 --> 00:11:52,940

consciousness thing and the mind and how

329

00:11:58,630 --> 00:11:55,130

this all works and what I think the

330

00:12:00,190 --> 00:11:58,640

answer is and just recently I just put

331

00:12:02,350 --> 00:12:00,200

out a book about a week ago called

332

00:12:04,030 --> 00:12:02,360

managing magic the government's UFO

333

00:12:06,490 --> 00:12:04,040

disclosure plan and I've been dragged

334

00:12:09,430 --> 00:12:06,500

back in again because what's happened is

335

00:12:13,750 --> 00:12:09,440

Tom DeLonge who's a was a lead singer of

336

00:12:18,510 --> 00:12:13,760

blink-182 very very powerful rock star

337

00:12:21,730 --> 00:12:18,520

sold 30 million albums as big YouTube

338

00:12:23,920 --> 00:12:21,740

channel also has whenever he tweets he

339

00:12:27,190 --> 00:12:23,930

gets like 15,000 retweets of what he

340

00:12:29,140 --> 00:12:27,200

puts out very powerful guy has been

341

00:12:31,000 --> 00:12:29,150

contacted by the government Ken

342

00:12:33,790 --> 00:12:31,010

witnesses he says inside the government

343

00:12:36,520 --> 00:12:33,800

who are providing him material when I

344

00:12:38,590 --> 00:12:36,530

saw that I said I've seen this before

345

00:12:42,280 --> 00:12:38,600

fact I've seen is 50 times before

346

00:12:45,460 --> 00:12:42,290

they're doing it again and so I wrote

347

00:12:47,410 --> 00:12:45,470

this book which details from 1945 all

348

00:12:48,940 --> 00:12:47,420

the way up to the present time how's it

349

00:12:51,370 --> 00:12:48,950

contacted Walt Disney to do a

350

00:12:53,560 --> 00:12:51,380

documentary they contacted the governor

351

00:12:56,350 --> 00:12:53,570

Bob EMA to do two documentaries

352

00:12:58,180 --> 00:12:56,360

how they fed material that most of what

353

00:12:59,740 --> 00:12:58,190

we believed in the UFO community we have

354

00:13:02,710 --> 00:12:59,750

not figured out where it has been leaked

355

00:13:03,940 --> 00:13:02,720

to us two documents that we think are

356

00:13:06,340 --> 00:13:03,950

phony and the documents probably are

357

00:13:10,720 --> 00:13:06,350

phony but they have true material so

358

00:13:13,060 --> 00:13:10,730

that I wrote this thing to counter to

359

00:13:14,650 --> 00:13:13,070

describe this process that I believe the

360

00:13:16,780 --> 00:13:14,660

government's using and I describe it as

361

00:13:18,970 --> 00:13:16,790

14 magicians these are people that have

362

00:13:22,390 --> 00:13:18,980

been briefed they're generally retired

363

00:13:25,180 --> 00:13:22,400

CIA people who are there to get the

364

00:13:27,310 --> 00:13:25,190

material into the into the public then

365

00:13:30,420 --> 00:13:27,320

there are five messiahs who are people

366

00:13:32,620 --> 00:13:30,430

who believe that is their mission to

367

00:13:35,640 --> 00:13:32,630

bring disclosure to the people one is

368

00:13:38,350 --> 00:13:35,650

Steven Greer one is Tom's along one is

369

00:13:40,120 --> 00:13:38,360

Bill Moore and these people who believe

370

00:13:41,230 --> 00:13:40,130

and these are the people they leaked the

371

00:13:42,970 --> 00:13:41,240

material to

372

00:13:45,249 --> 00:13:42,980

and these people all have sort of flaws

373

00:13:47,350 --> 00:13:45,259

in their character so that what happens

374

00:13:49,600 --> 00:13:47,360

is for example when Stephen group had

375

00:13:51,249 --> 00:13:49,610

step forward he puts it out never goes

376

00:13:52,840 --> 00:13:51,259

out Stephen career he's this he's that

377

00:13:54,790 --> 00:13:52,850

and people hate Stephen Greer

378

00:13:56,470 --> 00:13:54,800

but the story gets out so I wrote this

379

00:14:00,369 --> 00:13:56,480

book to detail that and the other thing

380

00:14:01,540 --> 00:14:00,379

that I spent a lot of time on now is I'm

381

00:14:03,160 --> 00:14:01,550

one of the people who believes there are

382

00:14:05,169 --> 00:14:03,170

no evil aliens there are no evil

383

00:14:08,429 --> 00:14:05,179

governments there are no evil Nations

384

00:14:11,019 --> 00:14:08,439

there are no evil nothing we are Souls

385

00:14:13,419 --> 00:14:11,029

reincarnating life after life after life

386

00:14:15,100 --> 00:14:13,429

and in with the and everybody there is

387

00:14:16,840 --> 00:14:15,110

good and there's evil you do good things

388

00:14:18,519 --> 00:14:16,850

you do bad things I do good things to

389

00:14:20,470 --> 00:14:18,529

bad things and what Tom DeLong's

390

00:14:26,319 --> 00:14:20,480

statement because he's such a powerful

391

00:14:28,600 --> 00:14:26,329

figure in the media his idea is that the

392

00:14:29,980 --> 00:14:28,610

greys are evil and that we are going to

393

00:14:31,329 --> 00:14:29,990

use nuclear weapons and we're going to

394

00:14:33,009 --> 00:14:31,339

detonate nuclear weapons in the high

395

00:14:35,859 --> 00:14:33,019

atmosphere and we're going to take out

396

00:14:37,840 --> 00:14:35,869

the greys and I said there is no way he

397

00:14:40,150 --> 00:14:37,850

is going to put this out into the public

398

00:14:41,679 --> 00:14:40,160

without somebody given the other side of

399

00:14:43,299 --> 00:14:41,689

the story so that's why I got dragged

400

00:14:45,249 --> 00:14:43,309

back in again I said first I'm going to

401
00:14:47,379 --> 00:14:45,259
write an article countering this evil

402
00:14:50,169 --> 00:14:47,389
alien thing and then I realized this

403
00:14:52,150 --> 00:14:50,179
thing that he's being not being used but

404
00:14:53,739 --> 00:14:52,160
he's being managed so what they do is

405
00:14:56,980 --> 00:14:53,749
they take people with very high ego

406
00:14:58,780 --> 00:14:56,990
levels very sure of themselves and they

407
00:15:00,850 --> 00:14:58,790
say we're your friend you're the

408
00:15:02,319 --> 00:15:00,860
smartest guy in the business we want to

409
00:15:04,449 --> 00:15:02,329
help you and of course they go along

410
00:15:06,759 --> 00:15:04,459
with this and they put this this

411
00:15:10,119 --> 00:15:06,769
material out and it gets out because

412
00:15:12,189 --> 00:15:10,129
most people say Tom DeLonge has these

413
00:15:15,100 --> 00:15:12,199

crazy songs about sex and stuff he's a

414

00:15:16,359 --> 00:15:15,110

wild man so he the story gets discounted

415

00:15:19,539 --> 00:15:16,369

and the story gets out because what they

416

00:15:22,109 --> 00:15:19,549

want to do in my opinion there's three

417

00:15:23,919 --> 00:15:22,119

options the government can either

418

00:15:25,210 --> 00:15:23,929

disclose and they're not disclosing

419

00:15:26,530 --> 00:15:25,220

because if they were going to disclose

420

00:15:29,379 --> 00:15:26,540

they get the New York Times The

421

00:15:31,179 --> 00:15:29,389

Washington Post CNN and Fox News and

422

00:15:33,039 --> 00:15:31,189

they take them underground with the

423

00:15:34,210 --> 00:15:33,049

cameras the children the bodies the

424

00:15:36,280 --> 00:15:34,220

craft they give a letter from the

425

00:15:37,900 --> 00:15:36,290

president United States they bribed them

426

00:15:39,220 --> 00:15:37,910

whatever documents they want and it

427

00:15:41,530 --> 00:15:39,230

would be over they're not disclosing

428

00:15:42,579 --> 00:15:41,540

they're also not covering up people say

429

00:15:45,999 --> 00:15:42,589

the government is coming up and I say

430

00:15:48,069 --> 00:15:46,009

they're not I'm from Canada and after 42

431

00:15:50,019 --> 00:15:48,079

years I've worked on this and people

432

00:15:51,759 --> 00:15:50,029

will say to me because you work on the

433

00:15:53,940 --> 00:15:51,769

US presidents what's happening in Canada

434

00:15:55,829 --> 00:15:53,950

and I always say

435

00:15:57,389 --> 00:15:55,839

I have no idea I don't even know if the

436

00:15:59,490 --> 00:15:57,399

could governments even involved in UFOs

437

00:16:02,400 --> 00:15:59,500

because if you want to cover it up

438

00:16:04,530 --> 00:16:02,410

you just shut up and quit talking about

439

00:16:06,090 --> 00:16:04,540

it and the story will go away that's not

440

00:16:07,170 --> 00:16:06,100

what's happening United States there's

441

00:16:11,759 --> 00:16:07,180

leaks

442

00:16:14,160 --> 00:16:11,769

there's documents there's game who

443

00:16:16,740 --> 00:16:14,170

actually at one point last week invited

444

00:16:19,079 --> 00:16:16,750

me into this circle you can we'll put

445

00:16:20,819 --> 00:16:19,089

you in a phone conversation so there's

446

00:16:23,490 --> 00:16:20,829

this kind of stuff of this leaking which

447

00:16:24,840 --> 00:16:23,500

means they're not covering out there

448

00:16:25,980 --> 00:16:24,850

they're doing something in between

449

00:16:27,960 --> 00:16:25,990

they're coming up and they're not

450

00:16:29,509 --> 00:16:27,970

disclosing they're doing this middle

451
00:16:32,340 --> 00:16:29,519
thing where they're doing what's called

452
00:16:35,730 --> 00:16:32,350
acclimatization that apparently

453
00:16:38,310 --> 00:16:35,740
think-tanks were given this problem in

454
00:16:40,439 --> 00:16:38,320
the in the 1960s and they all came to

455
00:16:42,750 --> 00:16:40,449
the same conclusion that if you release

456
00:16:45,150 --> 00:16:42,760
this there will be a meltdown in society

457
00:16:47,490 --> 00:16:45,160
for various reasons and therefore you

458
00:16:49,680 --> 00:16:47,500
have to climate eyes the people to bring

459
00:16:51,120 --> 00:16:49,690
them up to speed that we are not alone

460
00:16:53,490 --> 00:16:51,130
in the universe that there's something

461
00:16:55,410 --> 00:16:53,500
else there you cannot drop this in front

462
00:16:57,269 --> 00:16:55,420
of people before the people are really

463
00:16:59,280 --> 00:16:57,279

ready for it and so they're going

464

00:17:02,819 --> 00:16:59,290

through this process and they've been

465

00:17:04,770 --> 00:17:02,829

doing it for 70 years and so I do that

466

00:17:06,419 --> 00:17:04,780

and hopefully now I can get back out of

467

00:17:07,770 --> 00:17:06,429

the thumb belong and the scholarship

468

00:17:09,569 --> 00:17:07,780

thing and get back to the consciousness

469

00:17:13,289 --> 00:17:09,579

because I think that is where the answer

470

00:17:15,299 --> 00:17:13,299

is this conscious element to UFOs okay

471

00:17:18,390 --> 00:17:15,309

when it comes to the question of the

472

00:17:22,140 --> 00:17:18,400

government and our role in what they're

473

00:17:25,710 --> 00:17:22,150

doing I would say that there's an

474

00:17:28,620 --> 00:17:25,720

expression inside Jim Sam even who is an

475

00:17:32,039 --> 00:17:28,630

ex-cia official who is actually running

476
00:17:35,070 --> 00:17:32,049
the Tom DeLonge thing basically said you

477
00:17:36,900 --> 00:17:35,080
get what you put out or you attract with

478
00:17:38,730 --> 00:17:36,910
what you put out and this comes to this

479
00:17:40,950 --> 00:17:38,740
idea that people will describe very

480
00:17:42,659 --> 00:17:40,960
traumatic experiences with aliens and

481
00:17:44,539 --> 00:17:42,669
stuff like that the same as a near-death

482
00:17:48,419 --> 00:17:44,549
experiences people will describe

483
00:17:49,710 --> 00:17:48,429
encountering evil aliens and evil beings

484
00:17:51,560 --> 00:17:49,720
and stuff like that you'll have these

485
00:17:53,340 --> 00:17:51,570
negative things in psychedelic

486
00:17:56,909 --> 00:17:53,350
experiences people will describe

487
00:17:59,880 --> 00:17:56,919
encounter in a devil so this is the

488
00:18:02,100 --> 00:17:59,890

whole concept that they you produce the

489

00:18:03,750 --> 00:18:02,110

world that we are all together

490

00:18:05,669 --> 00:18:03,760

collectively through our sub

491

00:18:07,590 --> 00:18:05,679

consciousness creating this world and

492

00:18:12,900 --> 00:18:07,600

what happens with the government is

493

00:18:15,720 --> 00:18:12,910

that we believe in himself rather than

494

00:18:18,600 --> 00:18:15,730

oneness so I say the big problem in in

495

00:18:20,340 --> 00:18:18,610

the world is understanding the

496

00:18:22,169 --> 00:18:20,350

difference between oneness and

497

00:18:24,060 --> 00:18:22,179

separation what we're preaching in the

498

00:18:26,700 --> 00:18:24,070

world is separation it's me versus you

499

00:18:28,680 --> 00:18:26,710

good guy versus bad guy and I'm always

500

00:18:30,990 --> 00:18:28,690

the good guy so because I'm the good guy

501
00:18:32,610 --> 00:18:31,000
then the Chinese are the bad guys the

502
00:18:34,680 --> 00:18:32,620
Arabs of the bat of the bad guys

503
00:18:37,409 --> 00:18:34,690
and then now we've translated to the

504
00:18:40,230 --> 00:18:37,419
aliens of the bad guys and what Ronald

505
00:18:41,460 --> 00:18:40,240
Reagan said when he was in power and he

506
00:18:43,140 --> 00:18:41,470
probably knew what he's talking about he

507
00:18:45,560 --> 00:18:43,150
said how the world would unite is faced

508
00:18:47,789 --> 00:18:45,570
with a threat from an alien civilization

509
00:18:50,100 --> 00:18:47,799
we'd all realize we're just God's

510
00:18:52,830 --> 00:18:50,110
children and this is the oneness message

511
00:18:54,090 --> 00:18:52,840
and what I say this is the other key

512
00:18:55,590 --> 00:18:54,100
there's consciousness and then there's a

513
00:18:58,620 --> 00:18:55,600

oneness message and when this message

514

00:19:00,840 --> 00:18:58,630
says that there's just one world

515

00:19:02,570 --> 00:19:00,850
government so there's just one world

516

00:19:04,740 --> 00:19:02,580
there's just people there's just Souls

517

00:19:06,840 --> 00:19:04,750
reincarnating and that everything is

518

00:19:08,520 --> 00:19:06,850
connected we're all one and there's even

519

00:19:10,950 --> 00:19:08,530
been experiencers who have actually been

520

00:19:13,649 --> 00:19:10,960
shown these messages and the one

521

00:19:15,630 --> 00:19:13,659
particular one was a woman who taken to

522

00:19:17,549 --> 00:19:15,640
her father her father she's up behind

523

00:19:19,470 --> 00:19:17,559
her father and she said to the aliens

524

00:19:21,570 --> 00:19:19,480
why are you showing me this and they

525

00:19:23,190 --> 00:19:21,580
said just watch just watch and her

526

00:19:26,399 --> 00:19:23,200

father sitting at this kitchen table

527

00:19:28,649 --> 00:19:26,409

with this checkered cloud and a

528

00:19:30,149 --> 00:19:28,659

checkered tablecloth on there and they

529

00:19:31,980 --> 00:19:30,159

takes the fork with his right hand and

530

00:19:33,810 --> 00:19:31,990

he drives it into his left hand and the

531

00:19:35,070 --> 00:19:33,820

blood shooting out she's going why did

532

00:19:38,159 --> 00:19:35,080

you show me this why did you show me

533

00:19:40,380 --> 00:19:38,169

this and they said Cherie this is the

534

00:19:42,480 --> 00:19:40,390

lesson of oneness what you do to others

535

00:19:45,740 --> 00:19:42,490

you might as well do to yourself and

536

00:19:49,140 --> 00:19:45,750

that's this whole concept that there's

537

00:19:53,180 --> 00:19:49,150

that everybody is the same there are no

538

00:19:55,260 --> 00:19:53,190

evil people and but way we set it up is

539

00:19:56,850 --> 00:19:55,270

we have separation therefore were the

540

00:19:58,049 --> 00:19:56,860

good guys and there's the bad guys so we

541

00:19:59,610 --> 00:19:58,059

have to be protected so we have the

542

00:20:01,110 --> 00:19:59,620

military protects us we have the

543

00:20:03,330 --> 00:20:01,120

government protect us and we have this

544

00:20:05,039 --> 00:20:03,340

identity of being part of a group so

545

00:20:08,039 --> 00:20:05,049

we're Americans that's one of the

546

00:20:09,360 --> 00:20:08,049

reasons in the book I I detailed the 64

547

00:20:11,039 --> 00:20:09,370

reasons why the government has decided

548

00:20:13,380 --> 00:20:11,049

not to tell you the truth and one is

549

00:20:15,419 --> 00:20:13,390

nationalism it's the last refuge of

550

00:20:17,130 --> 00:20:15,429

scoundrels so it's like we'll have

551
00:20:18,450 --> 00:20:17,140
one-world government but the United

552
00:20:20,220 --> 00:20:18,460
States America is still going to run it

553
00:20:21,200 --> 00:20:20,230
it's like we're not going to are the

554
00:20:23,690 --> 00:20:21,210
Americans ready to

555
00:20:25,639 --> 00:20:23,700
say we're no longer Americans were world

556
00:20:28,340 --> 00:20:25,649
people so we have this we come into

557
00:20:30,080 --> 00:20:28,350
these village camps where it's us the

558
00:20:31,909 --> 00:20:30,090
Americans and then all the evil people

559
00:20:34,100 --> 00:20:31,919
so we spend a lot of money on military

560
00:20:36,289 --> 00:20:34,110
because we have these perceived enemies

561
00:20:38,720 --> 00:20:36,299
when in fact when you meet those people

562
00:20:40,430 --> 00:20:38,730
or you're one of those people or if you

563
00:20:41,870 --> 00:20:40,440

reincarnate as one of those people in

564

00:20:43,130 --> 00:20:41,880

your next life it doesn't mean you're

565

00:20:45,440 --> 00:20:43,140

evil it just means you're going to

566

00:20:47,240 --> 00:20:45,450

experience those other things that

567

00:20:48,440 --> 00:20:47,250

everybody's the same so that's where the

568

00:20:50,299 --> 00:20:48,450

the problem with the government comes

569

00:20:52,820 --> 00:20:50,309

from that the government plays this game

570

00:20:55,100 --> 00:20:52,830

that we are here to save you we are here

571

00:20:57,919 --> 00:20:55,110

to help you and people are kind of lazy

572

00:20:59,419 --> 00:20:57,929

so people really are willing to hand off

573

00:21:01,460 --> 00:20:59,429

their power to the government and they

574

00:21:03,590 --> 00:21:01,470

buy into this fear thing there's either

575

00:21:07,760 --> 00:21:03,600

in the universe there's either love or

576

00:21:11,659 --> 00:21:07,770

fear fear is the absence of love that if

577

00:21:13,039 --> 00:21:11,669

you if you get rid of if you realize

578

00:21:15,409 --> 00:21:13,049

everything is love everything is one

579

00:21:17,750 --> 00:21:15,419

then the fear goes away but they play on

580

00:21:18,350 --> 00:21:17,760

the fear that we're what they were we're

581

00:21:21,260 --> 00:21:18,360

single

582

00:21:23,299 --> 00:21:21,270

we need help and so you buy into the

583

00:21:25,159 --> 00:21:23,309

government protecting us that we are

584

00:21:27,529 --> 00:21:25,169

special everybody else is not special

585

00:21:30,919 --> 00:21:27,539

God has chosen our nation whatever your

586

00:21:33,860 --> 00:21:30,929

nation is and that's where you sort of

587

00:21:35,899 --> 00:21:33,870

cycle down where if you can say there's

588

00:21:38,419 --> 00:21:35,909

evil aliens which is what Tom DeLonge

589

00:21:40,760 --> 00:21:38,429

was going to pilot which is the ultimate

590

00:21:45,380 --> 00:21:40,770

false flag there's Verner von braun said

591

00:21:47,000 --> 00:21:45,390

from 1974 to 1977 to his assistant that

592

00:21:48,680 --> 00:21:47,010

the government would use a number of

593

00:21:51,529 --> 00:21:48,690

different ways first they would say that

594

00:21:53,240 --> 00:21:51,539

there's the russians you've got to be

595

00:21:55,460 --> 00:21:53,250

protect against the russians then it

596

00:21:57,950 --> 00:21:55,470

would be a straights then it would be

597

00:22:00,620 --> 00:21:57,960

terrorists and the final and the mult

598

00:22:03,139 --> 00:22:00,630

altima tall's flag would be evil aliens

599

00:22:04,639 --> 00:22:03,149

alien invasion that we've got to take on

600

00:22:06,529 --> 00:22:04,649

these aliens they're evil we have to

601
00:22:09,320 --> 00:22:06,539
kill them and people will buy into that

602
00:22:12,200 --> 00:22:09,330
the same as they do in terms of movies

603
00:22:14,240 --> 00:22:12,210
you have this adversarial thing that

604
00:22:16,039 --> 00:22:14,250
what we found in movies is that people

605
00:22:17,720 --> 00:22:16,049
don't want to do alien movies if it has

606
00:22:20,029 --> 00:22:17,730
a good message because it doesn't have

607
00:22:21,710 --> 00:22:20,039
that adversarial me versus them you

608
00:22:23,029 --> 00:22:21,720
always have to have that fight thing and

609
00:22:28,399 --> 00:22:23,039
that's what happens with the government

610
00:22:30,320 --> 00:22:28,409
it feeds into our wanting to be sort of

611
00:22:31,940 --> 00:22:30,330
separate from everybody else believing

612
00:22:33,230 --> 00:22:31,950
we're real that the government is going

613
00:22:36,019 --> 00:22:33,240

to protect us

614

00:22:37,880 --> 00:22:36,029

and in fact it's basically all illusion

615

00:22:40,490 --> 00:22:37,890

everything is one and that whatever

616

00:22:43,580 --> 00:22:40,500

whoever the enemy what I say whoever the

617

00:22:45,710 --> 00:22:43,590

enemy you think is be prepared because

618

00:22:47,029 --> 00:22:45,720

your next lifetime that's probably what

619

00:22:49,220 --> 00:22:47,039

you're going to be and then you're going

620

00:22:51,380 --> 00:22:49,230

to learn empathy and you're also going

621

00:22:52,970 --> 00:22:51,390

to show the world how you can handle the

622

00:22:54,230 --> 00:22:52,980

problem being on that side of the thing

623

00:22:55,760 --> 00:22:54,240

everything is experienced in the

624

00:22:57,889 --> 00:22:55,770

universe everything is learning the

625

00:23:00,320 --> 00:22:57,899

universe is just growing it's learning

626
00:23:01,909 --> 00:23:00,330
and everything is connected everything

627
00:23:03,860 --> 00:23:01,919
is one especially if you look at people

628
00:23:06,470 --> 00:23:03,870
who do psychedelic drugs they'll say

629
00:23:08,630 --> 00:23:06,480
immediately number one thing happens the

630
00:23:10,580 --> 00:23:08,640
ego is crushed and they suddenly realize

631
00:23:12,289 --> 00:23:10,590
everything is alive and everything's

632
00:23:14,330 --> 00:23:12,299
connected and that's the message the

633
00:23:16,700 --> 00:23:14,340
aliens are trying to get across 54% of

634
00:23:19,430 --> 00:23:16,710
all experiences will say they were

635
00:23:21,950 --> 00:23:19,440
talked to about oneness and love they

636
00:23:24,289 --> 00:23:21,960
were talked about reincarnation and what

637
00:23:26,539 --> 00:23:24,299
I would say in the end based upon what

638
00:23:29,720 --> 00:23:26,549

I've done in the consciousness realm

639

00:23:33,110 --> 00:23:29,730

talking to experiences is that the UFO

640

00:23:35,659 --> 00:23:33,120

phenomenon I will bet the farm the UFO

641

00:23:37,370 --> 00:23:35,669

farm is going to be a lot less physical

642

00:23:40,100 --> 00:23:37,380

and people think it is and it's going to

643

00:23:42,380 --> 00:23:40,110

be a lot more spiritual however you want

644

00:23:45,200 --> 00:23:42,390

to talk about it than it is and the way

645

00:23:47,870 --> 00:23:45,210

we have it in the world today is because

646

00:23:49,909 --> 00:23:47,880

science rules the world today it is the

647

00:23:54,169 --> 00:23:49,919

god it's the priest of the of the modern

648

00:23:56,960 --> 00:23:54,179

world everybody in the UFO community

649

00:23:59,690 --> 00:23:56,970

figures like were the Rodney Dangerfield

650

00:24:02,149 --> 00:23:59,700

of science nobody gives us any respect

651
00:24:04,220 --> 00:24:02,159
and so because you feel embarrassed

652
00:24:06,139 --> 00:24:04,230
above being a researcher what you want

653
00:24:08,600 --> 00:24:06,149
to do is you want to appease the priest

654
00:24:10,760 --> 00:24:08,610
class the priest class is a scientist so

655
00:24:14,029 --> 00:24:10,770
we want to be scientific we want to be

656
00:24:15,950 --> 00:24:14,039
able to and be skeptical we want to

657
00:24:18,710 --> 00:24:15,960
analyze we want to weigh we want to

658
00:24:22,700 --> 00:24:18,720
touch feel whatever and unless you can

659
00:24:25,039 --> 00:24:22,710
reproduce it or show evidence of solid

660
00:24:28,070 --> 00:24:25,049
stuff we're not going to believe and

661
00:24:29,630 --> 00:24:28,080
that's exactly why for 70 years we've

662
00:24:31,340 --> 00:24:29,640
been running around in a circle and you

663
00:24:33,320 --> 00:24:31,350

ask people what have you discovered

664

00:24:34,370 --> 00:24:33,330

they'll say oh we really don't know

665

00:24:37,039 --> 00:24:34,380

what's going on because they're looking

666

00:24:39,019 --> 00:24:37,049

at it is a physical phenomena if you get

667

00:24:41,029 --> 00:24:39,029

away from the physical phenomena and you

668

00:24:43,100 --> 00:24:41,039

particularly most importantly what I say

669

00:24:44,990 --> 00:24:43,110

the UFO community has to do is they've

670

00:24:47,070 --> 00:24:45,000

got to get away from watching lights in

671

00:24:50,009 --> 00:24:47,080

the sky because you can count them

672

00:24:51,330 --> 00:24:50,019

so the end of the world how many green

673

00:24:53,130 --> 00:24:51,340

ones there are how many red ones there

674

00:24:54,630 --> 00:24:53,140

are any fast ones and slow ones you're

675

00:24:56,610 --> 00:24:54,640

never going to learn anything it's not

676
00:24:58,320 --> 00:24:56,620
until you talk to what are called the

677
00:25:00,299 --> 00:24:58,330
experiences the people who are

678
00:25:02,759 --> 00:25:00,309
interacting with the aliens because the

679
00:25:05,490 --> 00:25:02,769
aliens are whoever the the entities are

680
00:25:08,250 --> 00:25:05,500
because they are definitely interacting

681
00:25:09,509 --> 00:25:08,260
with people and they're you're giving

682
00:25:12,090 --> 00:25:09,519
people material they're giving people

683
00:25:13,680 --> 00:25:12,100
answers and unless we talk to the

684
00:25:16,320 --> 00:25:13,690
experiencers we aren't going anywhere

685
00:25:18,509 --> 00:25:16,330
and if you look at the at the stats and

686
00:25:20,820 --> 00:25:18,519
this was done there's a big survey done

687
00:25:23,250 --> 00:25:20,830
by the free foundation which are started

688
00:25:25,049 --> 00:25:23,260

by Edgar Mitchell and B they have

689

00:25:27,810 --> 00:25:25,059

interviewed four thousand experiences

690

00:25:29,460 --> 00:25:27,820

and you see all sorts of very direct

691

00:25:31,350 --> 00:25:29,470

patterns that when you talk to them

692

00:25:34,620 --> 00:25:31,360

they're saying all the same thing

693

00:25:38,310 --> 00:25:34,630

forty-two percent of all experiences say

694

00:25:40,710 --> 00:25:38,320

that they have mathematical technical or

695

00:25:42,570 --> 00:25:40,720

scientific material in their head that

696

00:25:44,190 --> 00:25:42,580

they did not learn in school they have

697

00:25:46,590 --> 00:25:44,200

been given stuff in their head they've

698

00:25:49,049 --> 00:25:46,600

been given downloads 40 percent of all

699

00:25:51,180 --> 00:25:49,059

experiences say at one point during

700

00:25:53,129 --> 00:25:51,190

their experience they knew the answer to

701
00:25:55,440 --> 00:25:53,139
everything in the universe which means

702
00:25:57,389 --> 00:25:55,450
they at some point had been tapped into

703
00:25:59,519 --> 00:25:57,399
the Higher Self whatever you want to

704
00:26:00,840 --> 00:25:59,529
call it the Akashic field and then it

705
00:26:02,970 --> 00:26:00,850
was taken away from them as they come

706
00:26:06,389 --> 00:26:02,980
back into the physical it's taken away

707
00:26:08,730 --> 00:26:06,399
from them 13% of all experiences will

708
00:26:11,190 --> 00:26:08,740
say they have flown the craft they have

709
00:26:13,019 --> 00:26:11,200
been allowed to fly the craft so I say

710
00:26:15,000 --> 00:26:13,029
when it comes to evil aliens people will

711
00:26:16,799 --> 00:26:15,010
say all these evil aliens I said well if

712
00:26:18,450 --> 00:26:16,809
you believe there's evil aliens listen

713
00:26:20,519 --> 00:26:18,460

to this if you're a woman in Saudi

714

00:26:22,830 --> 00:26:20,529

Arabia it is illegal for you to drive a

715

00:26:24,990 --> 00:26:22,840

car but if you get abducted as a woman

716

00:26:27,690 --> 00:26:25,000

from Saudi Arabia they will let you fly

717

00:26:29,490 --> 00:26:27,700

the ship no insurance no license nothing

718

00:26:31,200 --> 00:26:29,500

they'll just let you fly the ship so the

719

00:26:33,919 --> 00:26:31,210

thing is when you look at these stats I

720

00:26:36,750 --> 00:26:33,929

say it's critically important to look at

721

00:26:38,580 --> 00:26:36,760

why are these high numbers 37% of all

722

00:26:41,070 --> 00:26:38,590

experiences have had near-death

723

00:26:42,330 --> 00:26:41,080

experiences so you have these things and

724

00:26:44,519 --> 00:26:42,340

people will say well I'm not gonna

725

00:26:45,600 --> 00:26:44,529

listen to experiencers because they just

726

00:26:48,779 --> 00:26:45,610

sort of believe they're having these

727

00:26:51,570 --> 00:26:48,789

experiences and I'll say yes it's true

728

00:26:53,250 --> 00:26:51,580

it's all belief but you believe you're a

729

00:26:56,370 --> 00:26:53,260

skeptic you believe you're a scientist

730

00:26:58,649 --> 00:26:56,380

you believe the world is flat around you

731

00:27:00,240 --> 00:26:58,659

believe that it's solid it's all belief

732

00:27:00,580 --> 00:27:00,250

I will agree it's all belief but when

733

00:27:02,710 --> 00:27:00,590

you get

734

00:27:04,690 --> 00:27:02,720

this number of people who are giving

735

00:27:06,669 --> 00:27:04,700

these very definite numbers and very

736

00:27:07,299 --> 00:27:06,679

definite directions to where we should

737

00:27:10,090 --> 00:27:07,309

be going

738

00:27:12,159 --> 00:27:10,100

is it incumbent on us to talk to these

739

00:27:13,630 --> 00:27:12,169

people and to question them and to find

740

00:27:15,880 --> 00:27:13,640

out if they're telling the truth I don't

741

00:27:17,680 --> 00:27:15,890

mind if you are skeptical going in there

742

00:27:18,880 --> 00:27:17,690

but to not talk to these people and

743

00:27:20,340 --> 00:27:18,890

that's where having a UFO community

744

00:27:22,450 --> 00:27:20,350

nobody will even talk to these people

745

00:27:24,850 --> 00:27:22,460

because he can't measure it you can't

746

00:27:26,649 --> 00:27:24,860

you know it's not they don't see it as

747

00:27:28,690 --> 00:27:26,659

scientific and so when you look at

748

00:27:30,549 --> 00:27:28,700

particularly I'm still trying to

749

00:27:32,919 --> 00:27:30,559

convince the free society they've gone

750

00:27:35,250 --> 00:27:32,929

with a second survey to look at the

751

00:27:38,470 --> 00:27:35,260

people who have had the downloads and

752

00:27:40,180 --> 00:27:38,480

what kind of physics downloads and if

753

00:27:41,740 --> 00:27:40,190

the person has any physics background or

754

00:27:43,269 --> 00:27:41,750

whatever and they're collecting all this

755

00:27:45,549 --> 00:27:43,279

material and it doing the long

756

00:27:47,529 --> 00:27:45,559

interviews of these people but I said

757

00:27:50,409 --> 00:27:47,539

you've got to look at the the key one is

758

00:27:53,049 --> 00:27:50,419

the flying of the ship because I when I

759

00:27:56,639 --> 00:27:53,059

first did my conscious comic conscious

760

00:28:00,010 --> 00:27:56,649

download I gave up the the documents and

761

00:28:02,139 --> 00:28:00,020

I went to lecturing on consciousness the

762

00:28:05,169 --> 00:28:02,149

first consciousness lecture I gave was

763

00:28:06,970 --> 00:28:05,179

in 2013 in Phoenix Arizona at the end of

764

00:28:09,820 --> 00:28:06,980

the lecture the woman who runs the

765

00:28:12,570 --> 00:28:09,830

Phoenix MUFON group said to me are you

766

00:28:15,519 --> 00:28:12,580

still going to talk to Pam and I thought

767

00:28:17,710 --> 00:28:15,529

well I'd like to agreed to talk I said

768

00:28:18,940 --> 00:28:17,720

okay and I figured maybe I agreed to

769

00:28:20,830 --> 00:28:18,950

talk this woman or I don't know what's

770

00:28:23,260 --> 00:28:20,840

going on so I was out a house on the

771

00:28:24,399 --> 00:28:23,270

Monday staying there and she said Pam's

772

00:28:26,500 --> 00:28:24,409

going to come to the house and you can

773

00:28:31,840 --> 00:28:26,510

talk her so Pam comes to the door she's

774

00:28:33,490 --> 00:28:31,850

in her 70s with her partner and they

775

00:28:35,560 --> 00:28:33,500

come in and she says what did Stacy tell

776

00:28:36,909 --> 00:28:35,570

you about me and I said I don't know I'm

777

00:28:38,620 --> 00:28:36,919

just supposed to talk to you that's good

778

00:28:40,810 --> 00:28:38,630

she sits down and she starts talking

779

00:28:43,240 --> 00:28:40,820

about remote viewing and she's had these

780

00:28:45,700 --> 00:28:43,250

experiences or whatever and then she

781

00:28:49,180 --> 00:28:45,710

said and I was flying the ship last

782

00:28:51,460 --> 00:28:49,190

night and I say you were what and she

783

00:28:53,019 --> 00:28:51,470

said I was flying the ship I said

784

00:28:54,610 --> 00:28:53,029

they'll let you fly the flying saucer

785

00:28:56,500 --> 00:28:54,620

and she said yeah I've flown three

786

00:28:58,899 --> 00:28:56,510

different models and at that point I

787

00:29:01,149 --> 00:28:58,909

never heard this in 37 years I never

788

00:29:03,789 --> 00:29:01,159

just I thought she was totally nuts and

789

00:29:06,130 --> 00:29:03,799

so that I said well how do you fly a

790

00:29:08,680 --> 00:29:06,140

flying saucer and she says well you do

791

00:29:10,600 --> 00:29:08,690

it with your mind and as soon as I heard

792

00:29:12,460 --> 00:29:10,610

that I realized why they had set me have

793

00:29:14,299 --> 00:29:12,470

to talk to this woman and she said and

794

00:29:16,629 --> 00:29:14,309

now I've got 36 Experion

795

00:29:19,549 --> 00:29:16,639

and I've got about six of them on tape

796

00:29:21,139 --> 00:29:19,559

describing in detail I say okay starts

797

00:29:22,969 --> 00:29:21,149

in the word start from the beginning

798

00:29:24,950 --> 00:29:22,979

exactly how you fly a ship what you do

799

00:29:28,489 --> 00:29:24,960

first second everybody says the same

800

00:29:31,430 --> 00:29:28,499

thing there is no steering wheel you put

801
00:29:34,310 --> 00:29:31,440
your hand on a pad you become one with

802
00:29:36,259 --> 00:29:34,320
the ship the ship is alive you're alive

803
00:29:38,659 --> 00:29:36,269
you become and you take your hand off

804
00:29:40,759 --> 00:29:38,669
and then wherever you think you want to

805
00:29:42,589 --> 00:29:40,769
go you can go you can just move the ship

806
00:29:44,029 --> 00:29:42,599
with your mind and that's how it's done

807
00:29:47,659 --> 00:29:44,039
and that would be one of the reasons why

808
00:29:49,310 --> 00:29:47,669
the government has not released what

809
00:29:51,619 --> 00:29:49,320
they know because I can pretty well

810
00:29:53,089 --> 00:29:51,629
guarantee you they do not understand

811
00:29:55,190 --> 00:29:53,099
this very well because when you hear the

812
00:29:57,889 --> 00:29:55,200
people actually describe this it's very

813
00:30:00,379 --> 00:29:57,899

very complex it's very you can see that

814

00:30:02,419 --> 00:30:00,389

they're like hundreds of thousands of

815

00:30:05,419 --> 00:30:02,429

years ahead of us in terms of the ship

816

00:30:07,609 --> 00:30:05,429

changing size and shape and all this

817

00:30:09,499 --> 00:30:07,619

kind of stuff so that's where it sort of

818

00:30:11,209 --> 00:30:09,509

reinforced the fact that consciousness

819

00:30:13,399 --> 00:30:11,219

is the key to this whole thing that

820

00:30:15,469 --> 00:30:13,409

aliens are telepathic and that the ship

821

00:30:17,060 --> 00:30:15,479

is alive and that you interact with the

822

00:30:19,219 --> 00:30:17,070

ship and you become one with the ship is

823

00:30:23,119 --> 00:30:19,229

oneness concept and that's how they get

824

00:30:25,549 --> 00:30:23,129

here in fact part of my download was two

825

00:30:27,680 --> 00:30:25,559

people one was dr. Eric Walker at Penn

826

00:30:31,159 --> 00:30:27,690

State University president who had 14

827

00:30:34,070 --> 00:30:31,169

honorary Doctorate degrees PhD in

828

00:30:36,499 --> 00:30:34,080

engineering engineering studies for

829

00:30:38,779 --> 00:30:36,509

Eisenhower and when we asked him about

830

00:30:40,969 --> 00:30:38,789

the control group we said it was I from

831

00:30:43,099 --> 00:30:40,979

Great Britain an Iranian guy from Great

832

00:30:45,259 --> 00:30:43,109

Britain was interviewing him he said dr.

833

00:30:48,709 --> 00:30:45,269

Walker what about the control group is

834

00:30:51,229 --> 00:30:48,719

it still just 12 people or is it

835

00:30:53,419 --> 00:30:51,239

international is it just American and he

836

00:30:56,060 --> 00:30:53,429

said let me ask you a question when you

837

00:30:58,009 --> 00:30:56,070

know by ESP and the guy in Great Britain

838

00:30:59,719 --> 00:30:58,019

went well I didn't have an answer

839

00:31:02,529 --> 00:30:59,729

blocker answered his own question said

840

00:31:05,959 --> 00:31:02,539

look unless you understand about ESP and

841

00:31:08,180 --> 00:31:05,969

how it works you will not be taken in by

842

00:31:10,070 --> 00:31:08,190

the control group very few people

843

00:31:11,869 --> 00:31:10,080

understood it very people understand it

844

00:31:13,339 --> 00:31:11,879

I had no idea was talking about because

845

00:31:17,599 --> 00:31:13,349

it didn't even relate to the question

846

00:31:18,560 --> 00:31:17,609

two years later 1993 Ben rich who's head

847

00:31:20,719 --> 00:31:18,570

of Lockheed skunkworks

848

00:31:24,079 --> 00:31:20,729

is giving a lecture to the engineering

849

00:31:26,870 --> 00:31:24,089

alumni at UCLA the last slide he shows

850

00:31:28,580 --> 00:31:26,880

is a flying saucer and

851
00:31:31,490 --> 00:31:28,590
he says we now is the technology to take

852
00:31:33,710 --> 00:31:31,500
e.t home we've discovered the mistaken

853
00:31:35,629 --> 00:31:33,720
equation it's not going to take a

854
00:31:37,340 --> 00:31:35,639
lifetime to do but it's going to take an

855
00:31:39,259 --> 00:31:37,350
act of God to get it out of Congress

856
00:31:40,820 --> 00:31:39,269
because it's so deep black one of the

857
00:31:43,249 --> 00:31:40,830
people in the audience was John aartsen

858
00:31:46,009 --> 00:31:43,259
the present international director of me

859
00:31:47,720 --> 00:31:46,019
fine Jan Hudson is an experienced here

860
00:31:50,659 --> 00:31:47,730
he had an experience in his backyard

861
00:31:52,310 --> 00:31:50,669
with his brother at nine years old the

862
00:31:55,249 --> 00:31:52,320
thing was about 30 feet away in his

863
00:31:57,590 --> 00:31:55,259

backyard 6:30 Saturday morning he became

864

00:31:59,480 --> 00:31:57,600

obsessed with building a flying saucer

865

00:32:02,090 --> 00:31:59,490

he became an electrical engineer so he

866

00:32:04,789 --> 00:32:02,100

could do this they became director of

867

00:32:06,289 --> 00:32:04,799

MUFON he's in the audience he's sitting

868

00:32:07,820 --> 00:32:06,299

with another researcher and he looks

869

00:32:10,549 --> 00:32:07,830

over at this Keller guy who was with him

870

00:32:12,710 --> 00:32:10,559

he said did you hear what he said I got

871

00:32:16,340 --> 00:32:12,720

the technology and he's like this is my

872

00:32:18,379 --> 00:32:16,350

lifelong dream my whole life I wanted to

873

00:32:20,240 --> 00:32:18,389

know this whole thing so as Ben rich is

874

00:32:22,249 --> 00:32:20,250

leaving the building he figures this is

875

00:32:24,350 --> 00:32:22,259

my chance he goes running after Ben as

876
00:32:25,940 --> 00:32:24,360
he's going out the door he said Ben I've

877
00:32:28,669 --> 00:32:25,950
been obsessed with flying saucers my

878
00:32:31,220 --> 00:32:28,679
whole life I need to know how do they

879
00:32:33,019 --> 00:32:31,230
get here how does it work and then

880
00:32:35,419 --> 00:32:33,029
turned and been rich looks around he

881
00:32:38,690 --> 00:32:35,429
said he asked a question what do you

882
00:32:41,470 --> 00:32:38,700
know about ESP and Jan said I didn't

883
00:32:43,279 --> 00:32:41,480
expect a question so he said it means

884
00:32:45,560 --> 00:32:43,289
everything in time and space is

885
00:32:47,749 --> 00:32:45,570
connected they said that's how it works

886
00:32:49,639 --> 00:32:47,759
yes in his car and drives away and so

887
00:32:51,169 --> 00:32:49,649
that's the whole thing it's this oneness

888
00:32:53,149 --> 00:32:51,179

thing which I say is so important

889

00:32:55,159 --> 00:32:53,159

because if you believe that we're

890

00:32:58,249 --> 00:32:55,169

physical part random physical particles

891

00:33:00,110 --> 00:32:58,259

in time and space you're never going to

892

00:33:02,360 --> 00:33:00,120

get off this planet because you can't

893

00:33:04,129 --> 00:33:02,370

fly that distance you can't carry that

894

00:33:06,499 --> 00:33:04,139

amount of food and that's the scientific

895

00:33:08,810 --> 00:33:06,509

argument is they can't get here from

896

00:33:10,759 --> 00:33:08,820

there the distances are too big but if

897

00:33:12,860 --> 00:33:10,769

you understand that one concept of

898

00:33:14,779 --> 00:33:12,870

oneness entangled particles all the

899

00:33:17,149 --> 00:33:14,789

quantum physics thing that there may not

900

00:33:19,190 --> 00:33:17,159

be time in space that everything is one

901
00:33:21,110 --> 00:33:19,200
everything is connected and if you make

902
00:33:22,940 --> 00:33:21,120
this connection like entangled particles

903
00:33:24,619 --> 00:33:22,950
where if you if you change the spin of

904
00:33:25,909 --> 00:33:24,629
this particle the entangled particle on

905
00:33:28,399 --> 00:33:25,919
the other side of the universe will

906
00:33:30,259 --> 00:33:28,409
instantly change that may be how it

907
00:33:32,269 --> 00:33:30,269
works that if you understand

908
00:33:35,060 --> 00:33:32,279
everything's one then you simply can

909
00:33:37,389 --> 00:33:35,070
change in your mind the location and you

910
00:33:40,630 --> 00:33:37,399
will move through time and space

911
00:33:42,400 --> 00:33:40,640
instantaneously so that's why I say

912
00:33:44,110 --> 00:33:42,410
oneness concept is how they get here

913
00:33:45,670 --> 00:33:44,120

they understand oneness that there is no

914

00:33:48,370 --> 00:33:45,680

time in space everything is connected in

915

00:33:50,200 --> 00:33:48,380

time in space which discounts the evil

916

00:33:52,000 --> 00:33:50,210

alien thing if you understand that

917

00:33:54,580 --> 00:33:52,010

everything is one everything is

918

00:33:57,070 --> 00:33:54,590

connected then you can't come here and

919

00:33:59,620 --> 00:33:57,080

suddenly say separation it's me versus

920

00:34:02,050 --> 00:33:59,630

you good aliens bad aliens that's why I

921

00:34:03,220 --> 00:34:02,060

really doubt that there's evil aliens

922

00:34:05,200 --> 00:34:03,230

because that's how they get here

923

00:34:08,500 --> 00:34:05,210

understanding this concept of oneness

924

00:34:09,940 --> 00:34:08,510

when it comes to vibration and how that

925

00:34:12,790 --> 00:34:09,950

fits into the whole scenario the way I

926

00:34:14,560 --> 00:34:12,800

look at it is through a lot of the

927

00:34:15,850 --> 00:34:14,570

channeling that people do channeling and

928

00:34:16,870 --> 00:34:15,860

ask the questions and that's what

929

00:34:19,450 --> 00:34:16,880

they'll describe everything is a

930

00:34:22,030 --> 00:34:19,460

vibration that there really is no

931

00:34:25,230 --> 00:34:22,040

physical world that the way I understand

932

00:34:27,730 --> 00:34:25,240

it is consciousness is still

933

00:34:30,370 --> 00:34:27,740

consciousness is one and then when

934

00:34:33,220 --> 00:34:30,380

conscious starts to vibrate or is one of

935

00:34:34,990 --> 00:34:33,230

the people who got download said if it

936

00:34:37,270 --> 00:34:35,000

vibrates is illusion so then the

937

00:34:39,270 --> 00:34:37,280

physical world at various levels but I

938

00:34:41,889 --> 00:34:39,280

don't look at levels because once you

939

00:34:44,169 --> 00:34:41,899

create nouns rather than verbs it's oh

940

00:34:45,909 --> 00:34:44,179

it's a verb process it's a moving

941

00:34:47,320 --> 00:34:45,919

process but what we do because we

942

00:34:49,540 --> 00:34:47,330

believe in separations we want to have

943

00:34:51,940 --> 00:34:49,550

levels so we say there's nine levels of

944

00:34:54,820 --> 00:34:51,950

the universe there's multi dimensions

945

00:34:56,530 --> 00:34:54,830

and we sort of break it in two because

946

00:34:58,210 --> 00:34:56,540

we're going to understand levels and

947

00:34:59,860 --> 00:34:58,220

stuff like that in terms of separate but

948

00:35:03,370 --> 00:34:59,870

what I would say it's more like water

949

00:35:04,960 --> 00:35:03,380

it's like if you if you go into the

950

00:35:06,640 --> 00:35:04,970

water the closer year to the top of the

951
00:35:07,990 --> 00:35:06,650
water the more light there is the

952
00:35:11,410 --> 00:35:08,000
clearer you can see so it's all

953
00:35:13,750 --> 00:35:11,420
vibration and there is a I think a law

954
00:35:15,850 --> 00:35:13,760
that they're at a higher vibration where

955
00:35:18,040 --> 00:35:15,860
the lower vibration and for example

956
00:35:20,140 --> 00:35:18,050
you'll have the stories of the alien

957
00:35:21,670 --> 00:35:20,150
hybrids where these children and the

958
00:35:23,740 --> 00:35:21,680
children will only interact with the

959
00:35:25,780 --> 00:35:23,750
parents on one occasion they'll have the

960
00:35:27,700 --> 00:35:25,790
child that take the child they bring it

961
00:35:29,110 --> 00:35:27,710
back one time and the parent has to hold

962
00:35:30,940 --> 00:35:29,120
the child you've heard this bonding

963
00:35:32,290 --> 00:35:30,950

story and it's to bond with the child

964

00:35:34,900 --> 00:35:32,300

and that is the last time they will see

965

00:35:36,310 --> 00:35:34,910

the child the child is gone and I would

966

00:35:38,170 --> 00:35:36,320

think that is an indication of this

967

00:35:39,970 --> 00:35:38,180

vibration thing that that child cannot

968

00:35:42,460 --> 00:35:39,980

live on this world because they're on a

969

00:35:44,230 --> 00:35:42,470

different vibrational frequency so they

970

00:35:45,550 --> 00:35:44,240

are able to come into our frequency so

971

00:35:47,950 --> 00:35:45,560

they can come into the physical world

972

00:35:49,900 --> 00:35:47,960

take on a physical form and then they

973

00:35:52,570 --> 00:35:49,910

can move back into their higher

974

00:35:54,590 --> 00:35:52,580

vibration almost like the thing where

975

00:35:57,240 --> 00:35:54,600

people will talk about

976
00:35:59,099 --> 00:35:57,250
the fact that it's a physical phenomena

977
00:36:02,940 --> 00:35:59,109
and I say if you look at the free survey

978
00:36:06,270 --> 00:36:02,950
and you look at the number one reported

979
00:36:09,630 --> 00:36:06,280
alien it is not an alien it is a ball of

980
00:36:11,460 --> 00:36:09,640
light it is a third type form that is

981
00:36:12,750 --> 00:36:11,470
the number one reported experience the

982
00:36:14,910 --> 00:36:12,760
greys is number three

983
00:36:17,340 --> 00:36:14,920
number two is a humanoid type thing so

984
00:36:18,990 --> 00:36:17,350
my question then is and people will

985
00:36:21,150 --> 00:36:19,000
describe this it's a ball of light and

986
00:36:22,770 --> 00:36:21,160
it changes into an alien and then it

987
00:36:24,359 --> 00:36:22,780
goes back to a ball of light so my

988
00:36:26,250 --> 00:36:24,369

question is does a ball of light get up

989

00:36:28,770 --> 00:36:26,260

in the morning I have toast bacon eggs

990

00:36:30,420 --> 00:36:28,780

and coffee and no it's they can move

991

00:36:31,590 --> 00:36:30,430

into the physical world they can move

992

00:36:33,420 --> 00:36:31,600

back out so they can move their

993

00:36:36,840 --> 00:36:33,430

vibration down to meet us but they can't

994

00:36:38,490 --> 00:36:36,850

really we can't live in their vibration

995

00:36:39,720 --> 00:36:38,500

and we have to so what they're doing is

996

00:36:42,570 --> 00:36:39,730

they're moving our vibration and

997

00:36:47,960 --> 00:36:42,580

everything is vibration and it'd be the

998

00:36:50,400 --> 00:36:47,970

same thing as psychic experiences or

999

00:36:52,830 --> 00:36:50,410

remote viewing or any of these type of

1000

00:36:54,990 --> 00:36:52,840

things everybody has the ability to do

1001
00:36:57,690 --> 00:36:55,000
it and what you're able to if you're

1002
00:36:59,370 --> 00:36:57,700
able to move into that change your

1003
00:37:01,500 --> 00:36:59,380
frequency of your body through whatever

1004
00:37:04,140 --> 00:37:01,510
technique you're using you're able to

1005
00:37:05,490 --> 00:37:04,150
access everybody's it's there for

1006
00:37:07,380 --> 00:37:05,500
everybody all the information is there

1007
00:37:09,270 --> 00:37:07,390
in the Akashic field or whatever it's a

1008
00:37:10,800 --> 00:37:09,280
matter of accessing that you don't have

1009
00:37:12,840 --> 00:37:10,810
any knowledge to access you're still

1010
00:37:15,060 --> 00:37:12,850
your beliefs keep you in this physical

1011
00:37:18,599 --> 00:37:15,070
world and the more you understand about

1012
00:37:19,890 --> 00:37:18,609
the techniques and stuff you can break

1013
00:37:21,570 --> 00:37:19,900

out of this you can increase your

1014

00:37:24,000 --> 00:37:21,580

vibration by doing certain things and

1015

00:37:26,370 --> 00:37:24,010

you can move up in fact one of the

1016

00:37:29,640 --> 00:37:26,380

stories is out now is this story the

1017

00:37:31,620 --> 00:37:29,650

portal thing that that there's

1018

00:37:33,090 --> 00:37:31,630

supposedly the government is trying to

1019

00:37:35,880 --> 00:37:33,100

get out the story that there is a portal

1020

00:37:38,190 --> 00:37:35,890

there are a number of portals and the

1021

00:37:41,370 --> 00:37:38,200

main guys leaking his name is dr. Ronald

1022

00:37:44,160 --> 00:37:41,380

Pandolfi who's run the CIA UFO desk

1023

00:37:46,380 --> 00:37:44,170

since 1983 he and his wife are putting

1024

00:37:49,470 --> 00:37:46,390

this out and for some reason they want

1025

00:37:50,970 --> 00:37:49,480

us to believe there's a portal now when

1026

00:37:53,220 --> 00:37:50,980

I heard first heard that up it's crazy

1027

00:37:55,290 --> 00:37:53,230

stuff I mean I have liked you a whole

1028

00:37:56,910 --> 00:37:55,300

tomato I didn't crazy is you have

1029

00:37:58,500 --> 00:37:56,920

science fiction stuff been making this

1030

00:38:00,510 --> 00:37:58,510

stuff up they pulled it out of science

1031

00:38:03,000 --> 00:38:00,520

fiction now I talked to enough enough

1032

00:38:04,830 --> 00:38:03,010

people who basically said yes this

1033

00:38:07,320 --> 00:38:04,840

portal story is true that there is this

1034

00:38:07,810 --> 00:38:07,330

portal and I've got very close friend

1035

00:38:09,790 --> 00:38:07,820

Paula

1036

00:38:12,910 --> 00:38:09,800

I don't know whether you've interviewed

1037

00:38:14,500 --> 00:38:12,920

her but Paula Harris actually tells the

1038

00:38:18,160 --> 00:38:14,510

story about going through a portal in

1039

00:38:20,950 --> 00:38:18,170

nineteen 2014-2015 and when I first

1040

00:38:22,420 --> 00:38:20,960

heard her tell the story I said what and

1041

00:38:25,510 --> 00:38:22,430

she told me the story but it was this

1042

00:38:27,340 --> 00:38:25,520

vibrational story is the fact that there

1043

00:38:29,470 --> 00:38:27,350

was this guy from South America who was

1044

00:38:32,290 --> 00:38:29,480

in charge and Terrell was that with the

1045

00:38:34,950 --> 00:38:32,300

being and they went to Mount Shasta and

1046

00:38:38,500 --> 00:38:34,960

they fasted for two days and they

1047

00:38:40,240 --> 00:38:38,510

meditated for two days and this is all

1048

00:38:42,670 --> 00:38:40,250

stuff to raise your vibration that you

1049

00:38:44,200 --> 00:38:42,680

can't do it and not eat meat and all

1050

00:38:45,460 --> 00:38:44,210

this kind of stuff so they have all

1051

00:38:47,800 --> 00:38:45,470

these things which are supposedly

1052

00:38:48,580 --> 00:38:47,810

raising your vibration and then when the

1053

00:38:51,160 --> 00:38:48,590

time comes

1054

00:38:54,820 --> 00:38:51,170

Paula tells me the story that he there

1055

00:38:58,090 --> 00:38:54,830

did they say a UFO and then this Ricardo

1056

00:39:01,390 --> 00:38:58,100

comes up to her and says aunt Arella

1057

00:39:02,830 --> 00:39:01,400

here are you ready for this and she said

1058

00:39:03,910 --> 00:39:02,840

she just like too freaked out she like

1059

00:39:05,200 --> 00:39:03,920

Oh God

1060

00:39:06,970 --> 00:39:05,210

I don't know and she's like you know

1061

00:39:08,680 --> 00:39:06,980

what's going to happen so they got up

1062

00:39:10,210 --> 00:39:08,690

and they go into this forest they pick

1063

00:39:12,250 --> 00:39:10,220

seven people that are going to go

1064

00:39:13,990 --> 00:39:12,260

through this portal type thing and they

1065

00:39:15,730 --> 00:39:14,000

call it a portal see I don't really know

1066

00:39:17,680 --> 00:39:15,740

what a portal is so she said they were

1067

00:39:20,110 --> 00:39:17,690

there and they the ground look there's

1068

00:39:21,640 --> 00:39:20,120

sparkles on the ground and then this fog

1069

00:39:23,110 --> 00:39:21,650

starts coming out of the ground and she

1070

00:39:25,660 --> 00:39:23,120

had to hold hands there's three women

1071

00:39:27,790 --> 00:39:25,670

and they had to hold hands and Ricardo

1072

00:39:29,650 --> 00:39:27,800

says you do not let go of the person's

1073

00:39:32,350 --> 00:39:29,660

hand beside you until you're through

1074

00:39:34,750 --> 00:39:32,360

this this foggy mist thing that's coming

1075

00:39:36,820 --> 00:39:34,760

out so they go and she said when they

1076

00:39:38,890 --> 00:39:36,830

got through this mist that is coming off

1077

00:39:40,060 --> 00:39:38,900

the ground she said it was a scariest

1078

00:39:41,650 --> 00:39:40,070

moment of her life when she had to let

1079

00:39:44,350 --> 00:39:41,660

go of these woman's hand and she said

1080

00:39:46,600 --> 00:39:44,360

when she did suddenly this 9-foot tall

1081

00:39:48,760 --> 00:39:46,610

alien is there and he's talking in this

1082

00:39:50,770 --> 00:39:48,770

voice that she couldn't understand and

1083

00:39:53,980 --> 00:39:50,780

all she could remember is one thing

1084

00:39:55,300 --> 00:39:53,990

where he said thank you and that's the

1085

00:39:57,580 --> 00:39:55,310

only she remembered and then the next

1086

00:39:58,930 --> 00:39:57,590

year she goes through this thing again

1087

00:40:01,600 --> 00:39:58,940

and they're describing it as a portal

1088

00:40:06,100 --> 00:40:01,610

now what the CIA is describing is a

1089

00:40:07,390 --> 00:40:06,110

portal where um on the other side they

1090

00:40:08,710 --> 00:40:07,400

could actually call it a wishing well

1091

00:40:10,780 --> 00:40:08,720

that when you get on the other side you

1092

00:40:14,230 --> 00:40:10,790

can actually manifest but again it has

1093

00:40:16,240 --> 00:40:14,240

this idea of it being in a sort of a

1094

00:40:18,040 --> 00:40:16,250

different dimension and you can you can

1095

00:40:20,770 --> 00:40:18,050

move back and through force through this

1096

00:40:24,220 --> 00:40:20,780

thing but I always say

1097

00:40:26,200 --> 00:40:24,230

it's the vibration is the key to

1098

00:40:27,970 --> 00:40:26,210

everything everything vibrates and so

1099

00:40:30,040 --> 00:40:27,980

they're just on a different vibration or

1100

00:40:32,440 --> 00:40:30,050

they're on a different frequency that

1101
00:40:35,380 --> 00:40:32,450
you would even get for for example with

1102
00:40:37,450 --> 00:40:35,390
learning how to do lucid dreaming or

1103
00:40:38,860 --> 00:40:37,460
these kind of things because they will

1104
00:40:41,830 --> 00:40:38,870
describe the same sort of thing where

1105
00:40:43,870 --> 00:40:41,840
you enter this world where you can

1106
00:40:45,550 --> 00:40:43,880
actually manifest things you can ask

1107
00:40:48,130 --> 00:40:45,560
questions and get answers and stuff like

1108
00:40:50,950 --> 00:40:48,140
that and a lot of people will report to

1109
00:40:53,590 --> 00:40:50,960
me they'll say well I was never abducted

1110
00:40:56,860 --> 00:40:53,600
but I had dreams about them all the time

1111
00:40:59,700 --> 00:40:56,870
and one of the channeling sessions the

1112
00:41:02,890 --> 00:40:59,710
alien said we come to you in your dreams

1113
00:41:04,180 --> 00:41:02,900

because now you're in our world and

1114

00:41:05,620 --> 00:41:04,190

that's the thing you're in this

1115

00:41:08,380 --> 00:41:05,630

different vibrational you move to a

1116

00:41:10,480 --> 00:41:08,390

different state of mind into this sort

1117

00:41:11,770 --> 00:41:10,490

of dream world and then you're in more

1118

00:41:14,350 --> 00:41:11,780

in their world so they're in this dream

1119

00:41:17,260 --> 00:41:14,360

world moving through but it's more it's

1120

00:41:19,300 --> 00:41:17,270

not a level thing it's more like a thing

1121

00:41:21,010 --> 00:41:19,310

with water that that you're going to

1122

00:41:22,990 --> 00:41:21,020

into deeper water or you're going closer

1123

00:41:24,520 --> 00:41:23,000

to the light almost like the idea of

1124

00:41:26,830 --> 00:41:24,530

light because I the next book I'm going

1125

00:41:28,870 --> 00:41:26,840

to do is these these confusions that we

1126
00:41:30,850 --> 00:41:28,880
get in life and one of them is the thing

1127
00:41:33,340 --> 00:41:30,860
about light and darkness

1128
00:41:34,570 --> 00:41:33,350
so people believe the separation thing

1129
00:41:36,820 --> 00:41:34,580
there's light and there's darkness and

1130
00:41:38,350 --> 00:41:36,830
there isn't there's just light the

1131
00:41:40,330 --> 00:41:38,360
farther you get away from the light the

1132
00:41:43,150 --> 00:41:40,340
darker it gets but there is no light

1133
00:41:44,890 --> 00:41:43,160
light or no there is no dark darkness is

1134
00:41:47,020 --> 00:41:44,900
not a thing onto itself it's just the

1135
00:41:49,270 --> 00:41:47,030
absence of light there is only light and

1136
00:41:51,070 --> 00:41:49,280
the farther you get away the less light

1137
00:41:53,740 --> 00:41:51,080
there is so it's these kind of things

1138
00:41:56,200 --> 00:41:53,750

where it's all one and we sort of we

1139

00:41:57,940 --> 00:41:56,210

sort of try to divide it into little

1140

00:41:59,470 --> 00:41:57,950

pieces because in this world we can sort

1141

00:42:01,420 --> 00:41:59,480

of understand it and then we come to

1142

00:42:03,400 --> 00:42:01,430

this random idea that it's just random

1143

00:42:05,560 --> 00:42:03,410

particles where it's it's it's all

1144

00:42:07,750 --> 00:42:05,570

random it's accidental it's meaningless

1145

00:42:09,190 --> 00:42:07,760

we're just banging into each other but

1146

00:42:10,600 --> 00:42:09,200

it doesn't explain anything that happens

1147

00:42:12,820 --> 00:42:10,610

in ufology doesn't explain it as a

1148

00:42:15,430 --> 00:42:12,830

mental stuff it doesn't explain what the

1149

00:42:16,900 --> 00:42:15,440

aliens are doing it's just it doesn't go

1150

00:42:19,810 --> 00:42:16,910

anywhere so you have to get into this

1151

00:42:21,970 --> 00:42:19,820

idea of the the consciousness of the

1152

00:42:23,830 --> 00:42:21,980

vibration particularly that everything

1153

00:42:26,050 --> 00:42:23,840

is is a is a wave everything is

1154

00:42:28,360 --> 00:42:26,060

vibration even quantum physics you have

1155

00:42:30,100 --> 00:42:28,370

this non-local wave when there's an

1156

00:42:31,930 --> 00:42:30,110

observer the non-local wave breaks down

1157

00:42:32,830 --> 00:42:31,940

and the particle takes a position in

1158

00:42:35,170 --> 00:42:32,840

time and space

1159

00:42:37,570 --> 00:42:35,180

and but everything is waves it's all

1160

00:42:39,670 --> 00:42:37,580

vibration and when people start to

1161

00:42:41,080 --> 00:42:39,680

understand that and actually believe you

1162

00:42:43,780 --> 00:42:41,090

know actually use it rather than just

1163

00:42:45,580 --> 00:42:43,790

believe it as being a concept then you

1164

00:42:46,360 --> 00:42:45,590

can understand understanding what

1165

00:42:48,520 --> 00:42:46,370

they're doing because they're not doing

1166

00:42:49,660 --> 00:42:48,530

anything different they're not mad it's

1167

00:42:51,190 --> 00:42:49,670

not really magic

1168

00:42:52,870 --> 00:42:51,200

it's just they're doing things that we

1169

00:42:54,340 --> 00:42:52,880

don't understand that we just don't have

1170

00:42:56,860 --> 00:42:54,350

the understanding we don't know how to

1171

00:42:58,930 --> 00:42:56,870

move into their world and we don't we

1172

00:43:00,640 --> 00:42:58,940

don't have the knowledge if we have the

1173

00:43:02,710 --> 00:43:00,650

knowledge there would be no magic it's

1174

00:43:04,570 --> 00:43:02,720

almost like 500 years ago if someone saw

1175

00:43:06,820 --> 00:43:04,580

an airplane Newton's magic it's not it's

1176

00:43:08,650 --> 00:43:06,830

just you don't know how that you're not

1177

00:43:11,080 --> 00:43:08,660

prepared for that technology just still

1178

00:43:13,240 --> 00:43:11,090

have the background so we learn on

1179

00:43:15,730 --> 00:43:13,250

consciousness is basic everything

1180

00:43:17,290 --> 00:43:15,740

vibrates and you get into that world we

1181

00:43:19,570 --> 00:43:17,300

start to understand what's going on and

1182

00:43:21,040 --> 00:43:19,580

it's not as as magical as people think

1183

00:43:23,140 --> 00:43:21,050

it is for example give you another

1184

00:43:24,670 --> 00:43:23,150

example a lot of people when they talk

1185

00:43:26,380 --> 00:43:24,680

about when they're abducted they'll say

1186

00:43:27,880 --> 00:43:26,390

oh they took me through the wall and

1187

00:43:30,610 --> 00:43:27,890

because we believe in this physical

1188

00:43:32,230 --> 00:43:30,620

errors you go that's absolutely crazy I

1189

00:43:33,940 --> 00:43:32,240

mean there's no way you went to the wall

1190

00:43:38,610 --> 00:43:33,950

or the wind or Lambert but if you

1191

00:43:42,730 --> 00:43:38,620

understand the fact that used to be

1192

00:43:45,700 --> 00:43:42,740

99.999 13 times percent of the atom is

1193

00:43:47,350 --> 00:43:45,710

space then it's all space but now the

1194

00:43:48,820 --> 00:43:47,360

figure is actually because all the

1195

00:43:50,590 --> 00:43:48,830

subatomic particles are all space

1196

00:43:52,600 --> 00:43:50,600

they're not all packed together in one

1197

00:43:56,950 --> 00:43:52,610

solid thing it's now 10 to the

1198

00:43:59,980 --> 00:43:56,960

fifty-third pieces of space for every

1199

00:44:02,380 --> 00:43:59,990

piece of we think is matter and to give

1200

00:44:05,200 --> 00:44:02,390

you an idea how big that is there are 10

1201
00:44:06,850 --> 00:44:05,210
to the 52nd acres in the Milky Way which

1202
00:44:09,160 --> 00:44:06,860
would mean that one acre in the milky

1203
00:44:11,290 --> 00:44:09,170
way's is matter the rest is all space

1204
00:44:13,060 --> 00:44:11,300
like it's literally all space so if you

1205
00:44:14,410 --> 00:44:13,070
if you come to that understanding same

1206
00:44:16,180 --> 00:44:14,420
as frequency you start to understand

1207
00:44:19,180 --> 00:44:16,190
frequency if you understand the fact

1208
00:44:22,060 --> 00:44:19,190
that everything is space how hard it is

1209
00:44:24,070 --> 00:44:22,070
for an alien to take a person who's all

1210
00:44:26,350 --> 00:44:24,080
space and put them through a wall that's

1211
00:44:28,780 --> 00:44:26,360
all space it's just you've got to do the

1212
00:44:30,700 --> 00:44:28,790
vibration thing that holds the matter

1213
00:44:32,740 --> 00:44:30,710

together and if you can break those

1214

00:44:34,540 --> 00:44:32,750

bonds or whatever they're doing you can

1215

00:44:35,860 --> 00:44:34,550

put the the person through the wall with

1216

00:44:38,080 --> 00:44:35,870

no problem because it's all just space

1217

00:44:39,910 --> 00:44:38,090

and we just make assumption that I'm

1218

00:44:42,310 --> 00:44:39,920

Solow the wall solid so you can't go

1219

00:44:43,990 --> 00:44:42,320

through and so these misunderstandings

1220

00:44:45,270 --> 00:44:44,000

and that's my next book is to look at

1221

00:44:48,150 --> 00:44:45,280

the various misunderstanding

1222

00:44:49,500 --> 00:44:48,160

that we have that serve really throw us

1223

00:44:51,150 --> 00:44:49,510

off it's not that we're doing the wrong

1224

00:44:53,880 --> 00:44:51,160

thing it's just we we make a bunch of

1225

00:44:58,970 --> 00:44:53,890

assumptions that aren't true when it

1226

00:45:03,120 --> 00:44:58,980

comes to the question of the conscious

1227

00:45:06,300 --> 00:45:03,130

elevation of this whole process the way

1228

00:45:09,570 --> 00:45:06,310

I look at things is that people in

1229

00:45:12,000 --> 00:45:09,580

America especially in the West say in

1230

00:45:12,630 --> 00:45:12,010

the West we want everything and we want

1231

00:45:15,780 --> 00:45:12,640

it yesterday

1232

00:45:19,530 --> 00:45:15,790

I have great compassion because the way

1233

00:45:21,360 --> 00:45:19,540

I came through my experience I take

1234

00:45:23,850 --> 00:45:21,370

credit for nothing I did not want to see

1235

00:45:26,370 --> 00:45:23,860

that UFO it was only because it was

1236

00:45:29,220 --> 00:45:26,380

filmed a second time and put on TV that

1237

00:45:30,750 --> 00:45:29,230

I went out there when I had my download

1238

00:45:32,190 --> 00:45:30,760

experience I did not want to be in that

1239

00:45:34,290 --> 00:45:32,200

room I had no intention of being in that

1240

00:45:35,970 --> 00:45:34,300

room so I got dragged kicking and

1241

00:45:37,230 --> 00:45:35,980

screaming even the music thing I tell

1242

00:45:39,390 --> 00:45:37,240

the story about the music thing when I

1243

00:45:41,070 --> 00:45:39,400

got involved with the music thing I'm a

1244

00:45:42,690 --> 00:45:41,080

musical idiot I don't play any musical

1245

00:45:46,130 --> 00:45:42,700

instruments I don't listen to music and

1246

00:45:49,050 --> 00:45:46,140

when I was contacted by this prominent

1247

00:45:51,390 --> 00:45:49,060

experencer Chris Pluto and he said the

1248

00:45:53,640 --> 00:45:51,400

shining lady that is involved she's

1249

00:45:55,500 --> 00:45:53,650

above the aliens this lady said to

1250

00:45:57,750 --> 00:45:55,510

contact grant and tell him that the

1251
00:45:59,400 --> 00:45:57,760
message is in the music I thought well

1252
00:46:01,320 --> 00:45:59,410
you're wasting time because me I'm not

1253
00:46:04,380 --> 00:46:01,330
in the music and it turned out that Neil

1254
00:46:06,120 --> 00:46:04,390
Young was one of the examples and that

1255
00:46:09,830 --> 00:46:06,130
got me dragged in because Neil Young

1256
00:46:12,480 --> 00:46:09,840
grew up in my city so I have been

1257
00:46:14,640 --> 00:46:12,490
dragged kicking and screaming from step

1258
00:46:18,530 --> 00:46:14,650
to step so I have great compassion for

1259
00:46:22,320 --> 00:46:18,540
people who are don't understand and I

1260
00:46:23,790 --> 00:46:22,330
always say that if it weren't for my

1261
00:46:28,260 --> 00:46:23,800
experiences I would probably be in the

1262
00:46:30,630 --> 00:46:28,270
nuts and bolts still and the universe's

1263
00:46:33,120 --> 00:46:30,640

always has been and always will be and

1264

00:46:37,650 --> 00:46:33,130

that we as beings always have been and

1265

00:46:39,420 --> 00:46:37,660

always will be so I always sort of fight

1266

00:46:41,490 --> 00:46:39,430

against people who say we need

1267

00:46:43,890 --> 00:46:41,500

disclosure now we and I say we've got

1268

00:46:47,190 --> 00:46:43,900

eternity it's all about living and the

1269

00:46:48,990 --> 00:46:47,200

basic bottom line is you and I if it's a

1270

00:46:50,910 --> 00:46:49,000

multiple life thing if it's not that's

1271

00:46:52,700 --> 00:46:50,920

just one life then it all changes but if

1272

00:46:54,960 --> 00:46:52,710

it's multiple lives reincarnation

1273

00:46:58,060 --> 00:46:54,970

everything changes because then the

1274

00:47:00,430 --> 00:46:58,070

situation is you and I

1275

00:47:03,490 --> 00:47:00,440

both agreed before we came into this

1276

00:47:05,440 --> 00:47:03,500

life to do certain things to achieve

1277

00:47:07,210 --> 00:47:05,450

certain things we came into this world

1278

00:47:09,160 --> 00:47:07,220

we are going to leave this world we're

1279

00:47:12,220 --> 00:47:09,170

going to die and the only thing that we

1280

00:47:14,830 --> 00:47:12,230

have to worry about is what it was I

1281

00:47:16,990 --> 00:47:14,840

what did I assign myself to do and I'm

1282

00:47:19,930 --> 00:47:17,000

am I doing it so we work on our own

1283

00:47:22,030 --> 00:47:19,940

evolution and the way what happens is

1284

00:47:24,280 --> 00:47:22,040

it's almost like the way the CIA builds

1285

00:47:26,710 --> 00:47:24,290

the UFO story is they put this stuff in

1286

00:47:28,810 --> 00:47:26,720

fictional stories in Hollywood and the

1287

00:47:30,580 --> 00:47:28,820

more people talk about it the more you

1288

00:47:33,280 --> 00:47:30,590

and I discussed this and we bring up

1289

00:47:36,490 --> 00:47:33,290

these ideas the higher the consciousness

1290

00:47:38,080 --> 00:47:36,500

Rises that things don't it's we are no

1291

00:47:39,940 --> 00:47:38,090

different than any other social or

1292

00:47:41,910 --> 00:47:39,950

political movement the women's right to

1293

00:47:46,210 --> 00:47:41,920

vote Hillary Clinton talks about this

1294

00:47:47,920 --> 00:47:46,220

1848 was the first time that the women's

1295

00:47:49,870 --> 00:47:47,930

right to vote issue was brought up and

1296

00:47:51,610 --> 00:47:49,880

they started to build groups and

1297

00:47:55,030 --> 00:47:51,620

demonstrate and stuff a guy they didn't

1298

00:47:57,760 --> 00:47:55,040

get the vote till 1920 it was a long

1299

00:48:00,220 --> 00:47:57,770

overnight same as Greenpeace the

1300

00:48:01,630 --> 00:48:00,230

environmental movements it was decades

1301
00:48:03,280 --> 00:48:01,640
and decades and decades before they ever

1302
00:48:04,660 --> 00:48:03,290
got off the ground and we'd like with

1303
00:48:06,190 --> 00:48:04,670
the women's right to vote even when they

1304
00:48:08,350 --> 00:48:06,200
got the right to vote they're still not

1305
00:48:10,330 --> 00:48:08,360
equal so we're no different than any

1306
00:48:13,360 --> 00:48:10,340
other social political movement is that

1307
00:48:14,740 --> 00:48:13,370
we don't get to have disclosure or we

1308
00:48:16,750 --> 00:48:14,750
don't get to have the answer because we

1309
00:48:19,060 --> 00:48:16,760
think it's important a lot of kids are

1310
00:48:20,500 --> 00:48:19,070
dying of childhood cancer and they will

1311
00:48:21,670 --> 00:48:20,510
die because nobody cares because there's

1312
00:48:23,680 --> 00:48:21,680
only ten of them out that certain

1313
00:48:25,480 --> 00:48:23,690

disease because it's important doesn't

1314

00:48:27,610 --> 00:48:25,490

mean it has to be disclosed the only

1315

00:48:29,560 --> 00:48:27,620

thing is important is what is my

1316

00:48:31,870 --> 00:48:29,570

contribution to the thing and that we

1317

00:48:34,810 --> 00:48:31,880

have eternity to do this so that I'm

1318

00:48:38,110 --> 00:48:34,820

with maybe somebody doesn't understand I

1319

00:48:40,300 --> 00:48:38,120

was at that level one time and so I've

1320

00:48:44,590 --> 00:48:40,310

lived by two premises I was raised very

1321

00:48:45,850 --> 00:48:44,600

religious family and what I was so I was

1322

00:48:48,910 --> 00:48:45,860

very familiar with the Bible and in the

1323

00:48:51,520 --> 00:48:48,920

Bible it says too much is given much as

1324

00:48:53,020 --> 00:48:51,530

much as expected and as I said at the

1325

00:48:55,060 --> 00:48:53,030

beginning of the interview I was

1326
00:48:57,280 --> 00:48:55,070
obsessed with near-death experiences in

1327
00:49:00,160 --> 00:48:57,290
Edgar Cayce and Edgar Cayce said

1328
00:49:01,570 --> 00:49:00,170
knowledge not used is sin those are

1329
00:49:04,150 --> 00:49:01,580
things that have always driven me in my

1330
00:49:06,280 --> 00:49:04,160
life is if you don't know what's going

1331
00:49:07,530 --> 00:49:06,290
on in the UFO field you're ignorant of

1332
00:49:10,450 --> 00:49:07,540
the UFO field you don't believe it

1333
00:49:11,830 --> 00:49:10,460
you're going to be cut to slack but if

1334
00:49:14,350 --> 00:49:11,840
you know what's going on

1335
00:49:16,390 --> 00:49:14,360
you have the answers and you don't do

1336
00:49:18,070 --> 00:49:16,400
anything with it you're in a way worse

1337
00:49:20,980 --> 00:49:18,080
situation it's like too much is given

1338
00:49:23,430 --> 00:49:20,990

much is expected so I feel honored to be

1339

00:49:26,260 --> 00:49:23,440

in the UFO field because I tell people

1340

00:49:27,820 --> 00:49:26,270

that you're in the UFO field and a lot

1341

00:49:30,040 --> 00:49:27,830

of experiences because it can be a

1342

00:49:31,180 --> 00:49:30,050

little bit of a tough life or even if

1343

00:49:33,250 --> 00:49:31,190

you're a researcher you're not getting

1344

00:49:36,760 --> 00:49:33,260

respect and I say you've got to realize

1345

00:49:39,730 --> 00:49:36,770

in the UFO field that you are in the

1346

00:49:43,000 --> 00:49:39,740

Superbowl of all stories this is the

1347

00:49:45,100 --> 00:49:43,010

biggest story that will ever be told and

1348

00:49:47,890 --> 00:49:45,110

you could have been an untouchable in

1349

00:49:50,290 --> 00:49:47,900

the streets of Calcutta India and you

1350

00:49:52,090 --> 00:49:50,300

could spend your life in a junkyard

1351
00:49:55,000 --> 00:49:52,100
every day looking for something valuable

1352
00:49:56,440 --> 00:49:55,010
enough to sell for food for tomorrow you

1353
00:49:58,300 --> 00:49:56,450
didn't get that life you've got to be

1354
00:50:01,180 --> 00:49:58,310
playing in the Super Bowl of all stories

1355
00:50:02,770 --> 00:50:01,190
and you should feel really honored to be

1356
00:50:03,820 --> 00:50:02,780
in this game that you've got to play in

1357
00:50:06,340 --> 00:50:03,830
this game you've got to be at the

1358
00:50:07,870 --> 00:50:06,350
leading edge of this story and then do

1359
00:50:09,790 --> 00:50:07,880
what you're supposed to do to elevate

1360
00:50:11,710 --> 00:50:09,800
the story so when you tell people the

1361
00:50:12,880 --> 00:50:11,720
experiences they realize like yes I do

1362
00:50:16,840 --> 00:50:12,890
have a mission I have something

1363
00:50:19,450 --> 00:50:16,850

important to do and try to emphasize the

1364

00:50:21,300 --> 00:50:19,460

people that we have this very exciting

1365

00:50:24,040 --> 00:50:21,310

story that we're telling and that we

1366

00:50:26,320 --> 00:50:24,050

understand more than we think that the

1367

00:50:28,120 --> 00:50:26,330

people on the street understand but that

1368

00:50:30,340 --> 00:50:28,130

gives you a big responsibility to do

1369

00:50:33,340 --> 00:50:30,350

something with that knowledge and so you

1370

00:50:35,800 --> 00:50:33,350

do your videos I do my lecture things

1371

00:50:39,910 --> 00:50:35,810

and that's all I say to people is do as

1372

00:50:41,440 --> 00:50:39,920

much as you can and appreciate the fact

1373

00:50:43,720 --> 00:50:41,450

that you got to play in this game and

1374

00:50:45,940 --> 00:50:43,730

nothing nothing will go wrong because I

1375

00:50:48,070 --> 00:50:45,950

had three big events I had the download'

1376

00:50:49,870 --> 00:50:48,080

experience that influenced me I had the

1377

00:50:52,120 --> 00:50:49,880

UFO experience the third thing that

1378

00:50:53,980 --> 00:50:52,130

influenced me as a game was a lecture I

1379

00:50:56,740 --> 00:50:53,990

didn't want to go in it was a lecture by

1380

00:50:59,890 --> 00:50:56,750

dr. Michael Newton dr. Michael Newton is

1381

00:51:01,600 --> 00:50:59,900

famous for the theory about life between

1382

00:51:03,700 --> 00:51:01,610

lives so he will take some into a past

1383

00:51:05,140 --> 00:51:03,710

life he'll let them die and then he'll

1384

00:51:06,970 --> 00:51:05,150

say okay were talking next and he takes

1385

00:51:09,070 --> 00:51:06,980

them into the world between lives and

1386

00:51:11,170 --> 00:51:09,080

it's the spirit world where you're you

1387

00:51:13,540 --> 00:51:11,180

go in front of the the council and you

1388

00:51:15,850 --> 00:51:13,550

you have a life review and stuff like

1389

00:51:17,830 --> 00:51:15,860

that and he did 7,000 people and he

1390

00:51:20,260 --> 00:51:17,840

everybody said the same thing and what

1391

00:51:24,730 --> 00:51:20,270

he said which influenced me greatly is

1392

00:51:27,040 --> 00:51:24,740

when you die you have you you're met by

1393

00:51:30,040 --> 00:51:27,050

former people your family or whatever

1394

00:51:31,540 --> 00:51:30,050

that have died to help lead you over you

1395

00:51:33,370 --> 00:51:31,550

have a spirit guide that goes with you

1396

00:51:35,020 --> 00:51:33,380

and you go in front of the life review

1397

00:51:37,540 --> 00:51:35,030

and but you'll have between three and

1398

00:51:39,130 --> 00:51:37,550

twelve people on this life review the

1399

00:51:41,109 --> 00:51:39,140

guide will stand on your left hand side

1400

00:51:43,120 --> 00:51:41,119

behind you on the left hand side and

1401
00:51:44,470 --> 00:51:43,130
you'll be facing these people and they

1402
00:51:47,349 --> 00:51:44,480
only ask you one question

1403
00:51:49,089 --> 00:51:47,359
how did it work out because you're the

1404
00:51:51,700 --> 00:51:49,099
person that set it up you're the person

1405
00:51:53,200 --> 00:51:51,710
that that did the play you're the one

1406
00:51:54,910 --> 00:51:53,210
that said I want to do this I want to do

1407
00:51:57,250 --> 00:51:54,920
that I want to achieve this and I want

1408
00:51:59,200 --> 00:51:57,260
to achieve that and Newton mask Newton

1409
00:52:00,880 --> 00:51:59,210
they said what do people what do people

1410
00:52:03,910 --> 00:52:00,890
say he says everybody says the same

1411
00:52:06,280 --> 00:52:03,920
thing I could have done more they feel

1412
00:52:07,420 --> 00:52:06,290
regret I didn't do this I said I was

1413
00:52:08,950 --> 00:52:07,430

going to do this I said I was going to

1414

00:52:10,599 --> 00:52:08,960

do this I didn't do this and they feel

1415

00:52:12,250 --> 00:52:10,609

regret that they didn't do enough with

1416

00:52:14,079 --> 00:52:12,260

their life and so to me that's where I

1417

00:52:15,460 --> 00:52:14,089

live my life is not what anybody else

1418

00:52:17,200 --> 00:52:15,470

was doing even though sometimes you get

1419

00:52:18,760 --> 00:52:17,210

sort of dragged into this that these

1420

00:52:21,310 --> 00:52:18,770

people who understand you're trying to

1421

00:52:23,050 --> 00:52:21,320

you know trying to evangelize them and

1422

00:52:24,700 --> 00:52:23,060

bring them over to your side and stuff

1423

00:52:28,690 --> 00:52:24,710

but in the end it basically comes down

1424

00:52:30,550 --> 00:52:28,700

to what what am I doing here and am i

1425

00:52:32,079 --> 00:52:30,560

doing what I supposed to do here if it's

1426

00:52:33,370 --> 00:52:32,089

only one life then that doesn't exist

1427

00:52:35,800 --> 00:52:33,380

but if it's multiple lives I'll

1428

00:52:37,510 --> 00:52:35,810

guarantee that's a scenario is that

1429

00:52:41,500 --> 00:52:37,520

we've agreed to do something and the

1430

00:52:44,650 --> 00:52:41,510

question is are we doing it my my main

1431

00:52:46,990 --> 00:52:44,660

website is presidential UFO calm I don't

1432

00:52:50,020 --> 00:52:47,000

put that much honoured anymore

1433

00:52:52,089 --> 00:52:50,030

I recommend a site if people are

1434

00:52:52,329 --> 00:52:52,099

interested in downloads and music and

1435

00:52:56,620 --> 00:52:52,339

stuff

1436

00:53:00,790 --> 00:52:56,630

I have a Facebook site called paranormal

1437

00:53:02,410 --> 00:53:00,800

world of creativity Facebook site and I

1438

00:53:05,849 --> 00:53:02,420

put all all the download stuff that

1439

00:53:10,240 --> 00:53:05,859

comes up to new music things that I find

1440

00:53:12,730 --> 00:53:10,250

I've just released three books one is

1441

00:53:14,500 --> 00:53:12,740

the Clinton UFO story book which details

1442

00:53:16,630 --> 00:53:14,510

the very great involvement of the

1443

00:53:21,420 --> 00:53:16,640

Clintons over the years in the in the

1444

00:53:25,660 --> 00:53:21,430

UFO mystery I released a book called

1445

00:53:27,220 --> 00:53:25,670

inspire the creative world of the

1446

00:53:31,300 --> 00:53:27,230

paranormal world of creativity where I

1447

00:53:34,630 --> 00:53:31,310

go through savants Nobel Prizes music

1448

00:53:37,900 --> 00:53:34,640

art all the different faculties of

1449

00:53:38,680 --> 00:53:37,910

people who were inspired and got ideas

1450

00:53:42,280 --> 00:53:38,690

instant

1451
00:53:44,350 --> 00:53:42,290
and some very bizarre stories near-death

1452
00:53:45,820 --> 00:53:44,360
experiences stuff like that I did that

1453
00:53:49,840 --> 00:53:45,830
book and then the book I've just

1454
00:53:51,730 --> 00:53:49,850
released last week was managing magic

1455
00:53:54,880 --> 00:53:51,740
the government UFO disclosure plan which

1456
00:53:57,310 --> 00:53:54,890
looks at what I say is a plan over 70

1457
00:54:00,700 --> 00:53:57,320
years to gradually leak the UFO story to

1458
00:54:02,940 --> 00:54:00,710
the to the UFO community and have a book

1459
00:54:05,200 --> 00:54:02,950
coming out it's on Amazon right now

1460
00:54:07,750 --> 00:54:05,210
taking orders it'll be released in

1461
00:54:09,580 --> 00:54:07,760
August and that is the story of how I

1462
00:54:11,680 --> 00:54:09,590
get dragged down the rabbit hole and

1463
00:54:13,990 --> 00:54:11,690

that was the book that I never could get

1464

00:54:16,180 --> 00:54:14,000

published in 1970s it's now been

1465

00:54:18,850 --> 00:54:16,190

published and it now has an option for a

1466

00:54:21,550 --> 00:54:18,860

movie on it and that story is called

1467

00:54:23,410 --> 00:54:21,560

Charlie Red Star and it ties in the

1468

00:54:25,450 --> 00:54:23,420

nuclear weapons which is a critically

1469

00:54:28,510 --> 00:54:25,460

important part of the UFO phenomena I

1470

00:54:32,080 --> 00:54:28,520

lived just north of the American border

1471

00:54:34,840 --> 00:54:32,090

and just south of us is was 300

1472

00:54:36,970 --> 00:54:34,850

Minuteman 3 nuclear missiles and the

1473

00:54:39,010 --> 00:54:36,980

number one target of the Russians was

1474

00:54:40,990 --> 00:54:39,020

those missiles it's not New York it's

1475

00:54:42,970 --> 00:54:41,000

not Washington because unless you take

1476

00:54:45,100 --> 00:54:42,980

out the American missiles you're not

1477

00:54:46,780 --> 00:54:45,110

going to see Russia New York getting

1478

00:54:49,570 --> 00:54:46,790

destroyed so that was the number one

1479

00:54:51,280 --> 00:54:49,580

target and in 1975 when I had my

1480

00:54:53,620 --> 00:54:51,290

sightings when this town got inundated

1481

00:54:55,510 --> 00:54:53,630

they put a hundred new nuclear weapons

1482

00:54:58,600 --> 00:54:55,520

in there and they were put in there to

1483

00:55:00,010 --> 00:54:58,610

shoot down the Russian missiles which

1484

00:55:02,560 --> 00:55:00,020

would try to take out the North Dakota

1485

00:55:04,510 --> 00:55:02,570

missiles and it was a pre Star Wars it

1486

00:55:06,880 --> 00:55:04,520

was the Star Wars on the ground and it

1487

00:55:09,970 --> 00:55:06,890

was there for only one year 1975 that's

1488

00:55:12,070 --> 00:55:09,980

when all these sightings so I detail the

1489

00:55:14,470 --> 00:55:12,080

connections of the nuclear weapons and I

1490

00:55:17,170 --> 00:55:14,480

tell this whole story of this town where

1491

00:55:18,460 --> 00:55:17,180

when I pulled high school it was over 50

1492

00:55:21,130 --> 00:55:18,470

percent of the kids in the high school

1493

00:55:23,200 --> 00:55:21,140

said yes they had seen this thing it was

1494

00:55:25,870 --> 00:55:23,210

the whole town knew this thing was there

1495

00:55:27,850 --> 00:55:25,880

and so that book will be released in

1496

00:55:29,740 --> 00:55:27,860

August and that's basically what I'm
