00:00:07,880 --> 00:00:23,210

[Music]

2
00:00:23,220 --> 00:00:26,030

you

3
00:00:33,080 --> 00:00:30,530

my name is Kathleen Martin and I am the

4
00:00:35,570 --> 00:00:33,090

niece of Betty and Barney Hill I am also

5
00:00:38,060 --> 00:00:35,580

an independent researcher and I'm

6
00:00:40,490 --> 00:00:38,070

associated with mutual UFO network as

7
00:00:44,510 --> 00:00:40,500

their director of experience or research

8
00:00:45,820 --> 00:00:44,520

and the Edgar Mitchell foundation for

9
00:00:48,470 --> 00:00:45,830

research into extraterrestrial

10
00:00:50,840 --> 00:00:48,480

encounters I'm on the board of directors

11
00:00:53,260 --> 00:00:50,850

and I'm a research associate there as

12
00:00:55,760 --> 00:00:53,270

well but I'm primarily an independent

13
00:00:58,460 --> 00:00:55,770

investigator and researcher and the

14

00:01:03,410 --> 00:00:58,470

author of four books co-author of four

15

00:01:06,469 --> 00:01:03,420

and I was 13 years old when Betty Hill

16

00:01:10,070 --> 00:01:06,479

phoned my mother my mother was Betty's

17

00:01:12,440 --> 00:01:10,080

younger sister and she and my uncle

18

00:01:15,680 --> 00:01:12,450

Barney had been on a brief vacation to

19

00:01:19,039 --> 00:01:15,690

Niagara Falls they returned home through

20

00:01:21,320 --> 00:01:19,049

Montreal and through the white mountains

21

00:01:24,080 --> 00:01:21,330

of New Hampshire to their home on the

22

00:01:27,890 --> 00:01:24,090

Seacoast of New Hampshire which is it's

23

00:01:30,860 --> 00:01:27,900

just a 17 mile seacoast and they lived

24

00:01:33,830 --> 00:01:30,870

in Portsmouth New Hampshire and the

25

00:01:37,850 --> 00:01:33,840

previous evening as they were returning

26
00:01:42,410 --> 00:01:37,860
home Betty told my mother that she and

27
00:01:45,260 --> 00:01:42,420
Barney had seen a flying saucer and they

28
00:01:48,680 --> 00:01:45,270
had seen it very very close it was so

29
00:01:50,900 --> 00:01:48,690
close to them that they were concerned

30
00:01:53,930 --> 00:01:50,910
they might have been exposed to

31
00:01:56,330 --> 00:01:53,940
radiation and they wanted to know what

32
00:01:58,580 --> 00:01:56,340
to do they had taken very long showers

33
00:02:01,460 --> 00:01:58,590
they had left their clothing out on the

34
00:02:04,310 --> 00:02:01,470
back porch they had food with them and

35
00:02:06,920 --> 00:02:04,320
they left their food in a cooler and

36
00:02:09,020 --> 00:02:06,930
they were going to throw that away they

37
00:02:11,600 --> 00:02:09,030
were very concerned we had a neighbor

38
00:02:15,589 --> 00:02:11,610

who was a physicist and my mother called

39

00:02:19,430 --> 00:02:15,599

the physicists and for some reason he

40

00:02:21,320 --> 00:02:19,440

said that if Betty had a compass she

41

00:02:24,500 --> 00:02:21,330

should take it out to the car to see how

42

00:02:29,390 --> 00:02:24,510

the needle of the compass reacted to the

43

00:02:32,780 --> 00:02:29,400

car well she did and the compass needle

44

00:02:34,819 --> 00:02:32,790

would spin and spin indicating that

45

00:02:37,429 --> 00:02:34,829

there were counter-rotating magnetic

46

00:02:39,559 --> 00:02:37,439

fields on the trunk of that vehicle we

47

00:02:41,839 --> 00:02:39,569

have seen that in other cases

48

00:02:45,349 --> 00:02:41,849

of close contact with UFOs and

49

00:02:47,539 --> 00:02:45,359

abductions as the story unfolded over

50

00:02:50,420 --> 00:02:47,549

the next couple of days my family and I

51
00:02:53,319 --> 00:02:50,430
drove to Portsmouth New Hampshire I had

52
00:02:56,690 --> 00:02:53,329
two younger brothers mother and father -

53
00:03:00,170 --> 00:02:56,700
Betty and Barney's home and I was able

54
00:03:03,740 --> 00:03:00,180
to hear the story firsthand then I saw

55
00:03:07,819 --> 00:03:03,750
the spots on the trunk of the car what I

56
00:03:10,520 --> 00:03:07,829
found out is that Betty and Barney had a

57
00:03:15,409 --> 00:03:10,530
sighting that lasted for probably about

58
00:03:18,530 --> 00:03:15,419
an hour this UFO came in closer and

59
00:03:21,830 --> 00:03:18,540
closer as they drove along they stopped

60
00:03:26,149 --> 00:03:21,840
a couple of times to look at it and at

61
00:03:28,670 --> 00:03:26,159
one point it swooped down so low that

62
00:03:32,089 --> 00:03:28,680
they thought it was maybe a hundred feet

63
00:03:34,250 --> 00:03:32,099

off the ground and Bonnie stepped out of

64

00:03:37,039 --> 00:03:34,260

the car he left the car running betty

65

00:03:39,199 --> 00:03:37,049

was seated in the passenger seat he

66

00:03:43,640 --> 00:03:39,209

looked up through binoculars at this

67

00:03:46,179 --> 00:03:43,650

craft and he saw a lighted windows and

68

00:03:49,429 --> 00:03:46,189

behind those windows he saw figures

69

00:03:52,189 --> 00:03:49,439

looking down at him it moved to an

70

00:03:55,729 --> 00:03:52,199

adjacent field and he followed the craft

71

00:04:00,199 --> 00:03:55,739

into the field and it descended even

72

00:04:05,710 --> 00:04:00,209

lower as he was looking all but one of

73

00:04:10,309 --> 00:04:05,720

those figures that he described as being

74

00:04:13,670 --> 00:04:10,319

somehow non-human but dressed in shiny

75

00:04:17,330 --> 00:04:13,680

black uniforms all but one moved away

76
00:04:21,589 --> 00:04:17,340
from the windows and went to a panel on

77
00:04:24,589 --> 00:04:21,599
the backside of this corridor and when

78
00:04:26,930 --> 00:04:24,599
they did he could see them from their

79
00:04:30,050 --> 00:04:26,940
knees all the way to the tops of their

80
00:04:32,870 --> 00:04:30,060
heads he saw their arms go up into the

81
00:04:36,409 --> 00:04:32,880
air and when that happened thin like

82
00:04:38,779 --> 00:04:36,419
structures started to come out of the

83
00:04:41,350 --> 00:04:38,789
sides of this craft there were red

84
00:04:44,510 --> 00:04:41,360
lights on the ends of these fins and the

85
00:04:47,330 --> 00:04:44,520
UFO tipped toward him and started to

86
00:04:50,060 --> 00:04:47,340
descend lower something started to drop

87
00:04:52,939 --> 00:04:50,070
down out of the bottom of this craft he

88
00:04:53,450 --> 00:04:52,949

was greatly distressed and frightened

89

00:04:58,159 --> 00:04:53,460

they

90

00:04:59,930 --> 00:04:58,169

ran back to the car screaming to Betty

91

00:05:02,450 --> 00:04:59,940

they had to get out of there or they

92

00:05:05,749 --> 00:05:02,460

were going to be captured and as he was

93

00:05:09,080 --> 00:05:05,759

running back he saw this craft move

94

00:05:11,300 --> 00:05:09,090

again he believed it was going to be

95

00:05:13,610 --> 00:05:11,310

over the top of the car so as he went

96

00:05:16,010 --> 00:05:13,620

speeding down the highway he said to

97

00:05:18,920 --> 00:05:16,020

Betty roll down your window and look up

98

00:05:21,770 --> 00:05:18,930

see if you can see them she did she was

99

00:05:24,050 --> 00:05:21,780

expecting to see lights she didn't see

100

00:05:27,740 --> 00:05:24,060

the lights on the craft all she saw was

101
00:05:30,560 --> 00:05:27,750
blackness and then she and Barney heard

102
00:05:32,930 --> 00:05:30,570
a series of code like buzzing sounds

103
00:05:36,140 --> 00:05:32,940
that appeared to be striking the trunk

104
00:05:38,779 --> 00:05:36,150
of their vehicle in the area where they

105
00:05:41,180 --> 00:05:38,789
found these counter-rotating magnetic

106
00:05:46,749 --> 00:05:41,190
fields where their compass needles would

107
00:05:51,230 --> 00:05:46,759
spin and spin the following day and then

108
00:05:54,620 --> 00:05:51,240
something happened they felt a vibration

109
00:05:57,110 --> 00:05:54,630
in their vehicle they felt a tingling

110
00:06:00,649 --> 00:05:57,120
sensation passed through their bodies

111
00:06:03,140 --> 00:06:00,659
and the next thing they knew they were

112
00:06:06,230 --> 00:06:03,150
thirty five miles down the highway with

113
00:06:09,050 --> 00:06:06,240

almost no memory of what had happened in

114

00:06:11,689 --> 00:06:09,060

the interim they remembered that

115

00:06:14,360 --> 00:06:11,699

somewhere along the way they encountered

116

00:06:18,560 --> 00:06:14,370

a roadblock they didn't know where or

117

00:06:22,100 --> 00:06:18,570

when that occurred they had a need for

118

00:06:24,709 --> 00:06:22,110

human contact they wanted to find the

119

00:06:26,839 --> 00:06:24,719

State Police there are any patrolmen who

120

00:06:30,709 --> 00:06:26,849

might be out so they could report this

121

00:06:32,600 --> 00:06:30,719

immediately they heard a second series

122

00:06:35,480 --> 00:06:32,610

of buzzing sounds on the trunk of the

123

00:06:38,810 --> 00:06:35,490

car at that point Barney stopped the car

124

00:06:41,899 --> 00:06:38,820

he shifted the car from side to side on

125

00:06:44,480 --> 00:06:41,909

the road trying to reproduce that sound

126
00:06:47,749 --> 00:06:44,490
he could not do that

127
00:06:52,550 --> 00:06:47,759
Betty looked up again she didn't see a

128
00:06:55,459 --> 00:06:52,560
UFO that time they drove home and when

129
00:06:57,430 --> 00:06:55,469
they arrived home it was a couple of

130
00:07:00,649 --> 00:06:57,440
hours later than they had anticipated

131
00:07:03,980 --> 00:07:00,659
and that is when they found evidence

132
00:07:05,000 --> 00:07:03,990
that something extraordinary had

133
00:07:06,710 --> 00:07:05,010
happened to them

134
00:07:09,280 --> 00:07:06,720
something they couldn't remember

135
00:07:14,420 --> 00:07:09,290
Betty's dress was torn in several

136
00:07:17,180 --> 00:07:14,430
locations there was a 2-inch tear in the

137
00:07:21,110 --> 00:07:17,190
stitching on the zipper at the back of

138
00:07:24,560 --> 00:07:21,120

her dress there was a one-inch tear in

139

00:07:28,130 --> 00:07:24,570

the thick of zipper fabric hurt mm was

140

00:07:30,820 --> 00:07:28,140

torn down on one side the lining of her

141

00:07:33,620 --> 00:07:30,830

dress was torn from waist to hemline

142

00:07:36,530 --> 00:07:33,630

Barney's best dress shoes and he was a

143

00:07:39,260 --> 00:07:36,540

meticulous dresser his best dress shoes

144

00:07:41,990 --> 00:07:39,270

were so deeply scraped he had to go out

145

00:07:45,140 --> 00:07:42,000

and buy new shoes and wore them for yard

146

00:07:47,720 --> 00:07:45,150

work after that the VIN oculist route

147

00:07:51,470 --> 00:07:47,730

that he had around his neck as he was

148

00:07:54,610 --> 00:07:51,480

standing in that field had broken it was

149

00:07:57,170 --> 00:07:54,620

a leather strap and it was severed as I

150

00:07:59,510 --> 00:07:57,180

imagined because he pulled those

151
00:08:02,570 --> 00:07:59,520
binoculars down from his eyes so

152
00:08:07,070 --> 00:08:02,580
violently as he was attempting to escape

153
00:08:09,770 --> 00:08:07,080
from the eyes of that individual who was

154
00:08:14,330 --> 00:08:09,780
standing at the window looking down at

155
00:08:16,790 --> 00:08:14,340
him who so greatly frightened him the

156
00:08:20,450 --> 00:08:16,800
watches they were wearing that night had

157
00:08:23,090 --> 00:08:20,460
stopped and never ran again they there

158
00:08:27,770 --> 00:08:23,100
was a lot of evidence that something

159
00:08:31,610 --> 00:08:27,780
very perplexing had happened but they

160
00:08:34,640 --> 00:08:31,620
had no memory for what had happened

161
00:08:37,490 --> 00:08:34,650
during that two hour period of missing

162
00:08:40,700 --> 00:08:37,500
time they remembered the UFO Barney

163
00:08:43,190 --> 00:08:40,710

remembered Irving the nonhumans on board

164

00:08:45,650 --> 00:08:43,200

that craft they remembered the second

165

00:08:48,560 --> 00:08:45,660

series of buzzing sounds it's all in the

166

00:08:49,910 --> 00:08:48,570

early reports that they made to the Air

167

00:08:53,690 --> 00:08:49,920

Force project Bluebook

168

00:08:56,030 --> 00:08:53,700

and also to NICAP but Barney left out

169

00:08:57,950 --> 00:08:56,040

the part about observing nonhumans on

170

00:09:00,530 --> 00:08:57,960

the craft because he was afraid of

171

00:09:03,050 --> 00:09:00,540

ridicule he thought the the Air Force

172

00:09:05,180 --> 00:09:03,060

would think he was crazy so he left that

173

00:09:06,770 --> 00:09:05,190

out but he didn't leave that out when he

174

00:09:08,690 --> 00:09:06,780

made the report to the National

175

00:09:11,270 --> 00:09:08,700

Investigations Committee on aerial

176

00:09:13,550 --> 00:09:11,280

phenomena and they found that committee

177

00:09:16,730 --> 00:09:13,560

because Betty checked the first book she

178

00:09:18,800 --> 00:09:16,740

had ever read on that subject out of the

179

00:09:20,630 --> 00:09:18,810

Portsmouth Public Library

180

00:09:23,300 --> 00:09:20,640

couple of days after they arrived home

181

00:09:25,910 --> 00:09:23,310

and she read that book and the address

182

00:09:28,100 --> 00:09:25,920

was in that book and that's why she and

183

00:09:31,519 --> 00:09:28,110

Barney wrote their letter and their

184

00:09:35,150 --> 00:09:31,529

report to nycap it was an incredible

185

00:09:39,800 --> 00:09:35,160

story they underwent hypnosis a couple

186

00:09:43,970 --> 00:09:39,810

of years later and initially they wanted

187

00:09:46,040 --> 00:09:43,980

Barney to undergo hypnosis because he

188

00:09:49,460 --> 00:09:46,050

knew those figures were somehow not

189

00:09:53,210 --> 00:09:49,470

human he could describe at the uniform

190

00:09:57,019 --> 00:09:53,220

he even could describe a facial

191

00:10:01,010 --> 00:09:57,029

expression but he did not remember all

192

00:10:03,530 --> 00:10:01,020

the details of their faces and they had

193

00:10:05,870 --> 00:10:03,540

that period of missing time and they

194

00:10:08,840 --> 00:10:05,880

thought that he developed a mental block

195

00:10:12,710 --> 00:10:08,850

after he had observed those nonhumans

196

00:10:15,190 --> 00:10:12,720

and felt so threatened by them and it

197

00:10:16,400 --> 00:10:15,200

took them a couple of years to find a

198

00:10:22,850 --> 00:10:16,410

psychiatrist

199

00:10:27,590 --> 00:10:22,860

highly competent in using deep trance

200

00:10:31,280 --> 00:10:27,600

hypnosis in order to help people to

201
00:10:35,090 --> 00:10:31,290
overcome psychosomatic symptoms that

202
00:10:37,640 --> 00:10:35,100
they were experiencing as a result of an

203
00:10:40,340 --> 00:10:37,650
intense emotional experience

204
00:10:42,860 --> 00:10:40,350
dr. Benjamin Simon had had a great deal

205
00:10:45,290 --> 00:10:42,870
of success in working with veterans

206
00:10:48,290 --> 00:10:45,300
returning from World War two who

207
00:10:52,730 --> 00:10:48,300
couldn't go back into society because

208
00:10:54,800 --> 00:10:52,740
their experiences in the war were so

209
00:10:56,650 --> 00:10:54,810
traumatic that they might have been

210
00:10:59,570 --> 00:10:56,660
blinded even though there wasn't a

211
00:11:02,120 --> 00:10:59,580
physiological reason for that blinding

212
00:11:05,000 --> 00:11:02,130
or there might have been crippled and

213
00:11:08,210 --> 00:11:05,010

unable to walk because of the

214

00:11:11,720 --> 00:11:08,220

psychological effect of the experience

215

00:11:15,530 --> 00:11:11,730

they had dr. Simon said that Barney's

216

00:11:19,640 --> 00:11:15,540

trauma was as great as any shell-shocked

217

00:11:24,019 --> 00:11:19,650

victim that he ever treated bonny feared

218

00:11:26,870 --> 00:11:24,029

for his death for his life this was an

219

00:11:29,930 --> 00:11:26,880

experience that was very traumatic for

220

00:11:32,100 --> 00:11:29,940

him and dr. Simon worked with both

221

00:11:36,269 --> 00:11:32,110

Barney and Betty

222

00:11:38,610 --> 00:11:36,279

separately for a period of six months he

223

00:11:42,810 --> 00:11:38,620

hypnotized each of them and he did

224

00:11:46,440 --> 00:11:42,820

therapy with each of them he induced

225

00:11:50,100 --> 00:11:46,450

amnesia at the end of each of their

226

00:11:52,769 --> 00:11:50,110

individual sessions for two reasons one

227

00:11:55,650 --> 00:11:52,779

reason was the trauma was so great that

228

00:11:58,079 --> 00:11:55,660

it could have caused further emotional

229

00:12:01,019 --> 00:11:58,089

damage to them particularly to Barney if

230

00:12:05,100 --> 00:12:01,029

they remembered all of that at one time

231

00:12:07,740 --> 00:12:05,110

and so the second reason it was because

232

00:12:11,009 --> 00:12:07,750

he didn't want them to share the details

233

00:12:14,670 --> 00:12:11,019

of their experience with one another and

234

00:12:16,680 --> 00:12:14,680

that is very important because I was

235

00:12:20,100 --> 00:12:16,690

able to compare their separate

236

00:12:23,600 --> 00:12:20,110

statements to dr. Simon line up those

237

00:12:26,910 --> 00:12:23,610

statements the comparative analysis to

238

00:12:30,180 --> 00:12:26,920

discover whether Betty's and Barney's

239

00:12:33,590 --> 00:12:30,190

statements correlated in detail and I

240

00:12:38,040 --> 00:12:33,600

found out that they did and I also

241

00:12:41,160 --> 00:12:38,050

compared those statements to five dreams

242

00:12:45,780 --> 00:12:41,170

that Betty had had and had written down

243

00:12:47,939 --> 00:12:45,790

in 1961 and what I found was that Betty

244

00:12:50,550 --> 00:12:47,949

and Barney statements about what

245

00:12:55,050 --> 00:12:50,560

happened on that craft and as they were

246

00:12:59,340 --> 00:12:55,060

abducted matched but they did not match

247

00:13:02,160 --> 00:12:59,350

Betty's dream material in detail in all

248

00:13:05,250 --> 00:13:02,170

cases so that led me to believe that

249

00:13:07,740 --> 00:13:05,260

this was indeed a true experience and

250

00:13:10,380 --> 00:13:07,750

there was a tremendous amount of

251
00:13:12,630 --> 00:13:10,390
physical evidence at as well that has

252
00:13:15,420 --> 00:13:12,640
been investigated scientifically

253
00:13:18,389 --> 00:13:15,430
chemical analysis has been done on

254
00:13:21,180 --> 00:13:18,399
Betty's dress with anomalous findings in

255
00:13:23,130 --> 00:13:21,190
five different laboratories there's a

256
00:13:27,060 --> 00:13:23,140
tremendous amount of physical evidence

257
00:13:29,550 --> 00:13:27,070
here Betty and Barney were credible

258
00:13:31,740 --> 00:13:29,560
individual she was a social worker for

259
00:13:33,900 --> 00:13:31,750
the state of New Hampshire he had served

260
00:13:37,170 --> 00:13:33,910
honorably in the Army during World War

261
00:13:39,360 --> 00:13:37,180
two his release papers say that he was

262
00:13:41,460 --> 00:13:39,370
of excellent character they were

263
00:13:43,980 --> 00:13:41,470

church-going people they were very

264

00:13:47,400 --> 00:13:43,990

involved in community affairs in

265

00:13:49,170 --> 00:13:47,410

fact in 1965 Barney was appointed to the

266

00:13:51,570 --> 00:13:49,180

u.s. Civil Rights Commission state

267

00:13:54,030 --> 00:13:51,580

Advisory Committee in the state of New

268

00:13:57,329 --> 00:13:54,040

Hampshire he was also given a

269

00:13:59,490 --> 00:13:57,339

commendation by Sargent Shriver through

270

00:14:01,380 --> 00:13:59,500

the for the good work he had done in

271

00:14:04,740 --> 00:14:01,390

Portsmouth New Hampshire through the

272

00:14:06,750 --> 00:14:04,750

Office of Economic Opportunity setting

273

00:14:09,240 --> 00:14:06,760

up the Rockingham County Community

274

00:14:11,850 --> 00:14:09,250

Action Program and he was the first

275

00:14:15,210 --> 00:14:11,860

chairman of the board of directors for

276

00:14:17,610 --> 00:14:15,220

that committee and Betty worked at his

277

00:14:20,310 --> 00:14:17,620

side they worked as a couple together

278

00:14:22,500 --> 00:14:20,320

doing these good things for the people

279

00:14:25,260 --> 00:14:22,510

of this country in the civil rights

280

00:14:29,730 --> 00:14:25,270

movement they were an interracial couple

281

00:14:32,670 --> 00:14:29,740

and for the people of New Hampshire they

282

00:14:35,699 --> 00:14:32,680

worked on voters rights during the time

283

00:14:38,850 --> 00:14:35,709

when people had to pass a literacy test

284

00:14:42,030 --> 00:14:38,860

in order to vote and they worked on that

285

00:14:43,560 --> 00:14:42,040

literacy program so that everyone who

286

00:14:46,500 --> 00:14:43,570

wanted to vote would have that

287

00:14:49,650 --> 00:14:46,510

opportunity the three of us were invited

288

00:14:51,900 --> 00:14:49,660

guests at Lyndon Johnson's inauguration

289

00:14:54,750 --> 00:14:51,910

and we went to that inauguration

290

00:14:57,720 --> 00:14:54,760

together so what I'm saying is they were

291

00:15:01,910 --> 00:14:57,730

credible there was scientific evidence

292

00:15:06,150 --> 00:15:01,920

there was missing time these were not

293

00:15:11,160 --> 00:15:06,160

emotionally unstable individuals it was

294

00:15:13,470 --> 00:15:11,170

only the experience itself no one but we

295

00:15:17,130 --> 00:15:13,480

knew of had had that experience before

296

00:15:20,160 --> 00:15:17,140

them they feared for their life when

297

00:15:23,880 --> 00:15:20,170

this occurred and that is what led to

298

00:15:26,490 --> 00:15:23,890

the trauma they experienced but after

299

00:15:29,160 --> 00:15:26,500

that they and after their treatment with

300

00:15:32,340 --> 00:15:29,170

dr. Simon they went on and they were

301

00:15:35,550 --> 00:15:32,350

highly productive in their work the

302

00:15:39,660 --> 00:15:35,560

question that many people have asked is

303

00:15:43,050 --> 00:15:39,670

did being an interracial couple make

304

00:15:48,720 --> 00:15:43,060

this more difficult for them and I

305

00:15:51,210 --> 00:15:48,730

believe that in a sense it did Betty and

306

00:15:53,910 --> 00:15:51,220

Barney were very active in the civil

307

00:15:57,000 --> 00:15:53,920

rights movement as I said they were very

308

00:16:00,030 --> 00:15:57,010

strong individuals

309

00:16:03,030 --> 00:16:00,040

they never wanted this story to go

310

00:16:05,310 --> 00:16:03,040

public they spoke to the family about it

311

00:16:07,410 --> 00:16:05,320

they're friends they spoke to people at

312

00:16:10,200 --> 00:16:07,420

their church they spoke to UFO

313

00:16:13,410 --> 00:16:10,210

investigators they spoke to scientists

314

00:16:15,300 --> 00:16:13,420

about their experience they were

315

00:16:17,520 --> 00:16:15,310

perplexed they wanted to know what

316

00:16:21,480 --> 00:16:17,530

happened they wanted to learn more about

317

00:16:25,670 --> 00:16:21,490

this but it went public as a through a

318

00:16:29,610 --> 00:16:25,680

violation of confidentiality in 1965 and

319

00:16:33,210 --> 00:16:29,620

when that happened we met as a family

320

00:16:36,780 --> 00:16:33,220

and we discussed what we should do how

321

00:16:39,930 --> 00:16:36,790

they should proceed from here and we

322

00:16:43,380 --> 00:16:39,940

agreed that since the articles that were

323

00:16:46,290 --> 00:16:43,390

in the Boston traveller for five days in

324

00:16:49,740 --> 00:16:46,300

a row about their experience were not

325

00:16:52,950 --> 00:16:49,750

entirely accurate and since the cat was

326

00:16:56,070 --> 00:16:52,960

out of the bag that they should go

327

00:16:57,720 --> 00:16:56,080

public and so they did at that point and

328

00:17:01,200 --> 00:16:57,730

they allowed a book to be written about

329

00:17:03,330 --> 00:17:01,210

their experience as well they were

330

00:17:06,630 --> 00:17:03,340

afraid they would lose their jobs they

331

00:17:10,920 --> 00:17:06,640

would lose their credibility they kept

332

00:17:14,360 --> 00:17:10,930

their jobs their supervisors were in

333

00:17:17,790 --> 00:17:14,370

were questioned were interviewed and

334

00:17:20,070 --> 00:17:17,800

they spoke up for Betty and Barney and

335

00:17:22,500 --> 00:17:20,080

talked about what good honest people

336

00:17:25,710 --> 00:17:22,510

they were how hard-working they were

337

00:17:29,430 --> 00:17:25,720

Betty supervisors said that he wished he

338

00:17:32,100 --> 00:17:29,440

had six more people just like her so it

339

00:17:34,980 --> 00:17:32,110

didn't affect them in that sense but

340

00:17:36,570 --> 00:17:34,990

there were direct detractors who thought

341

00:17:39,270 --> 00:17:36,580

that they somehow wanted to bring

342

00:17:41,340 --> 00:17:39,280

attention to themselves because they

343

00:17:43,950 --> 00:17:41,350

were an interracial couple that

344

00:17:47,160 --> 00:17:43,960

certainly is not something that an

345

00:17:50,760 --> 00:17:47,170

interracial married couple in 1961 and

346

00:17:54,270 --> 00:17:50,770

and when it went public in 1966 would

347

00:17:58,200 --> 00:17:54,280

want to happen they didn't want anything

348

00:17:59,850 --> 00:17:58,210

to reduce their credibility and then of

349

00:18:02,630 --> 00:17:59,860

course they were debunkers they were

350

00:18:05,220 --> 00:18:02,640

dissing formants who came along who

351

00:18:08,880 --> 00:18:05,230
attempted to destroy Betty's and

352

00:18:09,910 --> 00:18:08,890
Barney's lives who dis informed the

353

00:18:12,760 --> 00:18:09,920
public about

354

00:18:14,950 --> 00:18:12,770
what actually did happen and about this

355

00:18:17,470 --> 00:18:14,960
story about Betty's and Barney's

356

00:18:19,870 --> 00:18:17,480
character and about the kind of people

357

00:18:23,980 --> 00:18:19,880
they were and that's why I speak up

358

00:18:27,820 --> 00:18:23,990
today I have the documented evidence if

359

00:18:30,580 --> 00:18:27,830
anyone is interested in seeing that some

360

00:18:33,400 --> 00:18:30,590
of these references are in my book with

361

00:18:37,300 --> 00:18:33,410
Stanton Frieden captured the Betty and

362

00:18:42,370 --> 00:18:37,310
Barney Hill UFO experience and you can

363

00:18:46,480 --> 00:18:42,380

go to my website at Kathleen - Mardon ma

364

00:18:48,850 --> 00:18:46,490

r de n calm and there's a lot of

365

00:18:53,190 --> 00:18:48,860

information there about Betty's and

366

00:18:56,980 --> 00:18:53,200

Barney's case and I would be happy to

367

00:19:01,120 --> 00:18:56,990

show these documents to individuals who

368

00:19:04,240 --> 00:19:01,130

would like to see them it is true the

369

00:19:06,970 --> 00:19:04,250

documented evidence is there well I know

370

00:19:11,440 --> 00:19:06,980

that everybody probably wants to know

371

00:19:13,510 --> 00:19:11,450

what was revealed under hypnosis these

372

00:19:17,770 --> 00:19:13,520

separate hypnosis sessions with dr.

373

00:19:20,200 --> 00:19:17,780

Benjamin Simon he began with Betty and

374

00:19:25,570 --> 00:19:20,210

Barney separately with the beginning of

375

00:19:28,420 --> 00:19:25,580

their trip and he asked each of them to

376

00:19:31,900 --> 00:19:28,430

recount what happened at every step

377

00:19:35,620 --> 00:19:31,910

along that trip where they stayed what

378

00:19:39,070 --> 00:19:35,630

they saw how much time they spent at

379

00:19:41,860 --> 00:19:39,080

every stop they made and then he led

380

00:19:44,320 --> 00:19:41,870

both of them separately up to the point

381

00:19:46,570 --> 00:19:44,330

of the sighting also through the

382

00:19:50,710 --> 00:19:46,580

sighting that I have already told you

383

00:19:54,010 --> 00:19:50,720

about and then to the point wolf of what

384

00:19:56,650 --> 00:19:54,020

happened after that UFO was hovering

385

00:19:58,870 --> 00:19:56,660

above their vehicle and they heard these

386

00:20:03,100 --> 00:19:58,880

buzzing sounds striking the trunk of the

387

00:20:04,390 --> 00:20:03,110

car that period of missing time Betty

388

00:20:07,540 --> 00:20:04,400

and Barney

389

00:20:10,290 --> 00:20:07,550

each paused during the hypnosis sessions

390

00:20:15,970 --> 00:20:10,300

and they seemed a little confused and

391

00:20:18,190 --> 00:20:15,980

then they each said separately we're in

392

00:20:21,730 --> 00:20:18,200

a different location there are tall

393

00:20:23,529 --> 00:20:21,740

trees all around we don't know where we

394

00:20:25,960 --> 00:20:23,539

are

395

00:20:29,200 --> 00:20:25,970

and then they found themselves turning

396

00:20:32,229 --> 00:20:29,210

onto a dirt road there were in the

397

00:20:34,149 --> 00:20:32,239

middle of nowhere there were tall trees

398

00:20:38,649 --> 00:20:34,159

all around and there was a light up

399

00:20:42,340 --> 00:20:38,659

ahead a red glowing light and then they

400

00:20:45,180 --> 00:20:42,350

saw figures in the road and they had a

401
00:20:48,820 --> 00:20:45,190
discussion about what those figures were

402
00:20:52,629 --> 00:20:48,830
is there an accident ahead is this a

403
00:20:54,879 --> 00:20:52,639
robbery they didn't know but then those

404
00:20:56,499 --> 00:20:54,889
figures started to approach them and

405
00:20:59,649 --> 00:20:56,509
Barney said Betty

406
00:21:02,649 --> 00:20:59,659
it's the ones I saw in the field and she

407
00:21:05,049 --> 00:21:02,659
became terrified she went to open the

408
00:21:09,399 --> 00:21:05,059
DES car door she was going to run into

409
00:21:13,299 --> 00:21:09,409
the woods and hide but they intercepted

410
00:21:17,229 --> 00:21:13,309
her before she could do that and she

411
00:21:21,070 --> 00:21:17,239
lost consciousness at that point Barney

412
00:21:24,009 --> 00:21:21,080
opened his car door he stepped out he

413
00:21:26,669 --> 00:21:24,019

had a pistol he thought about going for

414

00:21:31,419 --> 00:21:26,679

it but he was afraid he would be harmed

415

00:21:34,779 --> 00:21:31,429

he and Betty were taken down a dirt path

416

00:21:40,299 --> 00:21:34,789

through the woods this is when Barney

417

00:21:44,499 --> 00:21:40,309

said that he could feel the toes of his

418

00:21:48,039 --> 00:21:44,509

shoes bumping along the pebbles along

419

00:21:50,589 --> 00:21:48,049

that path he felt as if he were floating

420

00:21:54,070 --> 00:21:50,599

as if his arms were outstretched and

421

00:21:57,659 --> 00:21:54,080

only the toes of his shoes were touching

422

00:22:01,269 --> 00:21:57,669

the ground and he could then feel his

423

00:22:03,789 --> 00:22:01,279

the toes of his shoes slide up what he

424

00:22:05,799 --> 00:22:03,799

thought was a ramp and they bumped at

425

00:22:09,669 --> 00:22:05,809

the top of this ramp as if it were

426

00:22:12,669 --> 00:22:09,679

elevated and then he was taken into an

427

00:22:15,849 --> 00:22:12,679

examining room he was able to open his

428

00:22:18,940 --> 00:22:15,859

eyes at that point and he was placed on

429

00:22:21,969 --> 00:22:18,950

a table and there was a period of

430

00:22:25,839 --> 00:22:21,979

waiting for him as he was lying on that

431

00:22:27,879 --> 00:22:25,849

table Betty said that she regained

432

00:22:32,830 --> 00:22:27,889

consciousness as she was being taken

433

00:22:34,839 --> 00:22:32,840

down this path and as she was being

434

00:22:37,160 --> 00:22:34,849

escorted by two of these non-human

435

00:22:39,860 --> 00:22:37,170

entities who were pretty short

436

00:22:43,570 --> 00:22:39,870

they were what we think of as little

437

00:22:47,660 --> 00:22:43,580

greys they had large heads small bodies

438

00:22:51,170 --> 00:22:47,670

they were taking her trying to take her

439

00:22:54,820 --> 00:22:51,180

up this ramp and she fought for her life

440

00:22:57,230 --> 00:22:54,830

she didn't know if she was going to be

441

00:22:59,240 --> 00:22:57,240

experimented on if she was going to be

442

00:23:01,880 --> 00:22:59,250

killed if she was going to be taken to

443

00:23:03,770 --> 00:23:01,890

some distant planet and exhibited in a

444

00:23:06,410 --> 00:23:03,780

zoo she didn't know what was going to

445

00:23:08,990 --> 00:23:06,420

happen to her she fought for her life

446

00:23:12,890 --> 00:23:09,000

and she kicked one of those small

447

00:23:16,850 --> 00:23:12,900

entities and that is when her dress was

448

00:23:19,100 --> 00:23:16,860

torn high at the hem and the lining of

449

00:23:21,410 --> 00:23:19,110

the dress she was they regained control

450

00:23:23,990 --> 00:23:21,420

of her they took her up this ramp and

451
00:23:26,210 --> 00:23:24,000
into a separate examining room they

452
00:23:29,060 --> 00:23:26,220
placed her in what was sort of like a

453
00:23:33,800 --> 00:23:29,070
dentist chair at first or like a shade

454
00:23:35,810 --> 00:23:33,810
lounge and they examined her skin they

455
00:23:38,000 --> 00:23:35,820
did the same thing to Barney they were

456
00:23:40,580 --> 00:23:38,010
very interested in their skeletal

457
00:23:43,100 --> 00:23:40,590
structure in their joints in their

458
00:23:44,630 --> 00:23:43,110
nervous system Betty and Barney thought

459
00:23:46,660 --> 00:23:44,640
that they were attempting to determine

460
00:23:51,350 --> 00:23:46,670
the differences between humans and

461
00:23:54,020 --> 00:23:51,360
themselves Betty was then placed on a

462
00:23:56,030 --> 00:23:54,030
table her dress was removed first she

463
00:23:59,360 --> 00:23:56,040

was still dressed in her slip and her

464

00:24:01,010 --> 00:23:59,370

underwear the slip was pushed up and the

465

00:24:04,310 --> 00:24:01,020

one that she called the examiner

466

00:24:06,170 --> 00:24:04,320

produced a large needle and she became

467

00:24:08,630 --> 00:24:06,180

terrified she said what are you going to

468

00:24:11,840 --> 00:24:08,640

do with that and he said oh it's only a

469

00:24:13,640 --> 00:24:11,850

simple test we're going to put it into

470

00:24:16,340 --> 00:24:13,650

your navel and and all of his

471

00:24:20,290 --> 00:24:16,350

communication was telepathic they

472

00:24:25,370 --> 00:24:20,300

understood these individuals in English

473

00:24:28,160 --> 00:24:25,380

with an accent and he the examiner said

474

00:24:31,120 --> 00:24:28,170

- but Betty oh it won't hurt more only

475

00:24:34,100 --> 00:24:31,130

going to insert it into your navel and

476

00:24:37,820 --> 00:24:34,110

she said don't do it don't do it it's

477

00:24:41,480 --> 00:24:37,830

going to hurt and he thrust it into her

478

00:24:45,470 --> 00:24:41,490

navel anyway and it caused such a degree

479

00:24:49,820 --> 00:24:45,480

of trauma for her so much pain that dr.

480

00:24:53,290 --> 00:24:49,830

Simon had to end the session early but

481

00:24:56,870 --> 00:24:53,300

the leader who was standing by her head

482

00:25:01,580 --> 00:24:56,880

did something in the area of her temple

483

00:25:05,110 --> 00:25:01,590

or her eyes he saw her his hand and at

484

00:25:09,350 --> 00:25:05,120

this point all of the pain went away

485

00:25:12,680 --> 00:25:09,360

I've heard this over and over again in

486

00:25:15,100 --> 00:25:12,690

the experiences that I have interviewed

487

00:25:18,770 --> 00:25:15,110

and I've interviewed over a thousand

488

00:25:22,130 --> 00:25:18,780

this has happened when pain is inflicted

489

00:25:25,570 --> 00:25:22,140

I wish it wasn't inflicted at all but

490

00:25:29,660 --> 00:25:25,580

when this occurs it is taken away nearly

491

00:25:34,070 --> 00:25:29,670

immediately at this point she started to

492

00:25:37,640 --> 00:25:34,080

trust this leader she was able to get

493

00:25:40,730 --> 00:25:37,650

dressed again the examiner went in to

494

00:25:43,280 --> 00:25:40,740

examine Barney and she was left alone in

495

00:25:46,040 --> 00:25:43,290

the room with this leader at this point

496

00:25:48,710 --> 00:25:46,050

she said I know you're not from around

497

00:25:52,010 --> 00:25:48,720

here where are you from where's your

498

00:25:55,490 --> 00:25:52,020

home port and he produced a three

499

00:25:58,550 --> 00:25:55,500

dimensional star map there are about 16

500

00:26:02,720 --> 00:25:58,560

stars on this map they were different

501
00:26:04,940 --> 00:26:02,730
colors and different sizes and he was

502
00:26:07,250 --> 00:26:04,950
able to show her some that were

503
00:26:10,340 --> 00:26:07,260
connected by solid lines there were two

504
00:26:13,070 --> 00:26:10,350
is largest nickles in the foreground of

505
00:26:16,520 --> 00:26:13,080
that map there were others that were the

506
00:26:19,280 --> 00:26:16,530
size of pinpoints and or maybe even the

507
00:26:21,920 --> 00:26:19,290
head of a pen and others that were only

508
00:26:24,410 --> 00:26:21,930
dots and some were connected by solid

509
00:26:28,130 --> 00:26:24,420
lines meaning that these were places

510
00:26:30,910 --> 00:26:28,140
that they traveled to on a regular basis

511
00:26:34,630 --> 00:26:30,920
there were others that were only

512
00:26:37,720 --> 00:26:34,640
expeditions connected by dotted lines

513
00:26:40,940 --> 00:26:37,730

dr. Simon gave Betty the post hypnotic

514

00:26:42,820 --> 00:26:40,950

suggestion that if she could remember

515

00:26:46,550 --> 00:26:42,830

this and she could remember it

516

00:26:49,070 --> 00:26:46,560

accurately without causing her too many

517

00:26:51,950 --> 00:26:49,080

emotional problems then she would be

518

00:26:57,110 --> 00:26:51,960

able to go home and sketch it and she

519

00:27:00,140 --> 00:26:57,120

did sketch it it was later examined by

520

00:27:02,210 --> 00:27:00,150

Margery fish who was a brilliant woman

521

00:27:05,139 --> 00:27:02,220

from Ohio

522

00:27:07,909 --> 00:27:05,149

and Marjorie was a schoolteacher and

523

00:27:08,419 --> 00:27:07,919

amateur astronomer she was a member of

524

00:27:11,930 --> 00:27:08,429

Mensa

525

00:27:14,720 --> 00:27:11,940

meaning that she had a genius IQ she

526

00:27:17,659 --> 00:27:14,730

went to the local university and she

527

00:27:20,960 --> 00:27:17,669

copied distance data from astronomical

528

00:27:22,940 --> 00:27:20,970

catalogues we didn't have Xerox machines

529

00:27:24,940 --> 00:27:22,950

and we didn't have computers that she

530

00:27:28,930 --> 00:27:24,950

could refer to it's much easier today

531

00:27:32,289 --> 00:27:28,940

but she took that distance data home and

532

00:27:37,249 --> 00:27:32,299

she began to construct three-dimensional

533

00:27:41,690 --> 00:27:37,259

models of the star system that Betty had

534

00:27:48,110 --> 00:27:41,700

sketched and she went out 55 light-years

535

00:27:51,379 --> 00:27:48,120

in all she ended up constructing 26 of

536

00:27:55,299 --> 00:27:51,389

these models she went to a tremendous

537

00:27:59,450 --> 00:27:55,309

effort and imagine the work she did

538

00:28:02,930 --> 00:27:59,460

mathematically to figure out where to

539

00:28:08,960 --> 00:28:02,940

put every one of these stars in its

540

00:28:13,279 --> 00:28:08,970

proper location on this map and in 1972

541

00:28:15,799 --> 00:28:13,289

she still had not identified that star

542

00:28:19,730 --> 00:28:15,809

system initially she thought it would be

543

00:28:21,409 --> 00:28:19,740

very easy it wasn't and it was ended up

544

00:28:24,399 --> 00:28:21,419

being quite frustrating but she

545

00:28:28,580 --> 00:28:24,409

continued on building these models

546

00:28:31,820 --> 00:28:28,590

changing these stars in location as new

547

00:28:36,619 --> 00:28:31,830

distance data was released and in the

548

00:28:39,710 --> 00:28:36,629

end in 1972 a new astronomical catalog

549

00:28:43,580 --> 00:28:39,720

was released she changed some of these

550

00:28:47,299 --> 00:28:43,590

stars and she had a match for the map

551
00:28:49,659 --> 00:28:47,309
that Betty had drawn this is where my

552
00:28:54,139 --> 00:28:49,669
colleague Stanton Friedman came in

553
00:28:55,009 --> 00:28:54,149
because he was asked to meet with

554
00:28:58,730 --> 00:28:55,019
Marjorie

555
00:29:01,509 --> 00:28:58,740
he was were impressed with her with her

556
00:29:04,389 --> 00:29:01,519
intelligence with her commitment to her

557
00:29:07,399 --> 00:29:04,399
accuracy and he was able to find

558
00:29:09,830 --> 00:29:07,409
astronomers who were able to vet her

559
00:29:13,940 --> 00:29:09,840
work and they discovered that her work

560
00:29:15,650 --> 00:29:13,950
was accurate that these two stars in the

561
00:29:18,860 --> 00:29:15,660
foreground

562
00:29:23,000 --> 00:29:18,870
or the Zeta Reticuli star system Zeta

563
00:29:25,490 --> 00:29:23,010

Reticuli 1 and Zeta Reticuli 2 located

564

00:29:27,560 --> 00:29:25,500

in the southern hemisphere you can only

565

00:29:32,180 --> 00:29:27,570

see them in from the southern hemisphere

566

00:29:35,510 --> 00:29:32,190

of this earth the earth are our Sun was

567

00:29:39,880 --> 00:29:35,520

also on this map and the other star

568

00:29:46,130 --> 00:29:39,890

systems were on this map as well and

569

00:29:49,970 --> 00:29:46,140

what they discovered was that all of the

570

00:29:53,420 --> 00:29:49,980

stars on Betty's map were believed to be

571

00:29:58,550 --> 00:29:53,430

sun-like stars at that period of time

572

00:30:01,670 --> 00:29:58,560

and only 5% of the stars in our local

573

00:30:04,430 --> 00:30:01,680

galactic neighborhood were sun-like so

574

00:30:06,800 --> 00:30:04,440

this was extraordinary the chance of

575

00:30:09,320 --> 00:30:06,810

this happening merely by chance was

576

00:30:13,930 --> 00:30:09,330

estimated to be anywhere from 1 in

577

00:30:16,340 --> 00:30:13,940

10,000 to 1 in a million and so many

578

00:30:18,770 --> 00:30:16,350

scientists began to believe that this

579

00:30:22,070 --> 00:30:18,780

was true based upon the star map which

580

00:30:23,960 --> 00:30:22,080

was very controversial other scientists

581

00:30:26,780 --> 00:30:23,970

believed it was true because of the

582

00:30:29,810 --> 00:30:26,790

degree of evidence and the examination

583

00:30:33,530 --> 00:30:29,820

of that other evidence betty was also

584

00:30:36,650 --> 00:30:33,540

shown symbol on that craft in what

585

00:30:38,750 --> 00:30:36,660

appeared to be a tablet of what we think

586

00:30:41,570 --> 00:30:38,760

of today in the way she described it to

587

00:30:44,170 --> 00:30:41,580

me in the year 2000 I asked her to

588

00:30:47,210 --> 00:30:44,180

sketch those symbols for memory after

589

00:30:49,280 --> 00:30:47,220

those symbols were published in my book

590

00:30:54,410 --> 00:30:49,290

captured the Betty and Barney Hill UFO

591

00:30:57,260 --> 00:30:54,420

experience in 2007 dr. Don see Don Derry

592

00:31:01,430 --> 00:30:57,270

from McGill University did a symbol

593

00:31:04,430 --> 00:31:01,440

study with Stuart Appel from the State

594

00:31:07,760 --> 00:31:04,440

University of New York at Brockport they

595

00:31:10,490 --> 00:31:07,770

used symbols that Budd Hopkins the

596

00:31:14,360 --> 00:31:10,500

famous UFO abduction researcher Budd

597

00:31:17,990 --> 00:31:14,370

Hopkins experiencers had sketched under

598

00:31:21,860 --> 00:31:18,000

hypnosis and they used to control groups

599

00:31:24,920 --> 00:31:21,870

of graduate students who hadn't had UFO

600

00:31:28,070 --> 00:31:24,930

abductions and then they compared these

601
00:31:29,430 --> 00:31:28,080
symbols and they determined that the

602
00:31:32,220 --> 00:31:29,440
symbols drawn

603
00:31:35,129 --> 00:31:32,230
Budd Hopkins experiencers were very

604
00:31:38,580 --> 00:31:35,139
similar very much alike and very

605
00:31:42,299 --> 00:31:38,590
different from the symbols drawn by both

606
00:31:47,999 --> 00:31:42,309
of these groups of graduate students

607
00:31:51,240 --> 00:31:48,009
then dr. Don Don dairy compared those to

608
00:31:55,259 --> 00:31:51,250
Betty's symbols that he saw in my book

609
00:31:58,710 --> 00:31:55,269
in 2007 and he made the statement that

610
00:32:02,330 --> 00:31:58,720
Betty symbols were nearly identical to

611
00:32:05,810 --> 00:32:02,340
the symbols drawn by Budd Hopkins

612
00:32:09,539 --> 00:32:05,820
experiencers dating all the way back to

613
00:32:14,310 --> 00:32:09,549

1975 so there is additional evidence

614

00:32:46,260 --> 00:32:44,440
