

UFO **HUB**

1
00:00:07,880 --> 00:00:23,210

[Music]

2
00:00:23,220 --> 00:00:26,070

you

3
00:00:32,210 --> 00:00:28,680

hi I'm Donna Lynn I wrote a book called

4
00:00:35,910 --> 00:00:32,220

from fear to love my private journey it

5
00:00:39,060 --> 00:00:35,920

chronicles my tale my life 50-plus years

6
00:00:40,229 --> 00:00:39,070

of living in fear with aliens duction

7
00:00:42,900 --> 00:00:40,239

with waking up in the middle of the

8
00:00:46,290 --> 00:00:42,910

night with big black shiny eyes haunting

9
00:00:48,350 --> 00:00:46,300

me staring at me and all I could do was

10
00:00:50,820 --> 00:00:48,360

scream I was frozen to the bed and

11
00:00:53,910 --> 00:00:50,830

paralyzed and just screaming and yelling

12
00:00:55,500 --> 00:00:53,920

and just thought they were bad dreams my

13
00:00:59,219 --> 00:00:55,510

whole life I thought it was bad dreams

14

00:01:01,259 --> 00:00:59,229

and then I slowly over the years I

15

00:01:03,719 --> 00:01:01,269

started keeping journals and writing it

16

00:01:07,380 --> 00:01:03,729

down i kept the journal by my bed with a

17

00:01:09,770 --> 00:01:07,390

pan and woke up from a bad one of those

18

00:01:12,420 --> 00:01:09,780

bad dreams and wrote everything down

19

00:01:14,880 --> 00:01:12,430

maybe it wasn't a whole lot of a memory

20

00:01:17,550 --> 00:01:14,890

that i write down what i was feeling a

21

00:01:20,039 --> 00:01:17,560

place i could remember

22

00:01:23,580 --> 00:01:20,049

colors sometimes I'd sketch little

23

00:01:25,890 --> 00:01:23,590

beings and after a while I started to

24

00:01:27,719 --> 00:01:25,900

realize that there were the same

25

00:01:29,670 --> 00:01:27,729

characters kept coming to visit me in my

26
00:01:31,950 --> 00:01:29,680
dreams they would take me to some of the

27
00:01:34,020 --> 00:01:31,960
same places and they were trying to give

28
00:01:36,480 --> 00:01:34,030
me messages and if I could just calm

29
00:01:39,000 --> 00:01:36,490
myself down enough and stop screaming

30
00:01:41,670 --> 00:01:39,010
and be willing to listen that they were

31
00:01:43,860 --> 00:01:41,680
telling me very important things like

32
00:01:46,350 --> 00:01:43,870
about the earth that we need to heal the

33
00:01:48,450 --> 00:01:46,360
earth that we're not doing well as

34
00:01:49,740 --> 00:01:48,460
humanity taking care of the earth and

35
00:01:52,200 --> 00:01:49,750
that's what we're supposed to be were

36
00:01:54,270 --> 00:01:52,210
stewards of the earth were caretakers

37
00:01:58,550 --> 00:01:54,280
and we're not doing a very good job of

38
00:02:00,840 --> 00:01:58,560

it and around the year 2000 we all knew

39

00:02:03,330 --> 00:02:00,850

something might be going to happen there

40

00:02:06,510 --> 00:02:03,340

were concerns of some kind of apocalypse

41

00:02:10,050 --> 00:02:06,520

or the y2k and then it came up to

42

00:02:11,610 --> 00:02:10,060

December 21st 2012 we thought the Mayan

43

00:02:13,229 --> 00:02:11,620

calendar and date things are going to

44

00:02:15,330 --> 00:02:13,239

happen and that's when they really

45

00:02:17,540 --> 00:02:15,340

stepped up their interactions with me

46

00:02:21,089 --> 00:02:17,550

showing me scenes of devastation

47

00:02:23,699 --> 00:02:21,099

flooding volcanoes earthquakes Wars and

48

00:02:25,610 --> 00:02:23,709

I actually really thought we were going

49

00:02:27,809 --> 00:02:25,620

to be having a pretty bad time of it and

50

00:02:30,479 --> 00:02:27,819

that's when I decided to start writing

51
00:02:35,910 --> 00:02:30,489
this book to get this message out to

52
00:02:39,070 --> 00:02:35,920
others and I kept these feelings inside

53
00:02:40,930 --> 00:02:39,080
for so long because people they make

54
00:02:43,630 --> 00:02:40,940
they may think you know or you're just

55
00:02:47,260 --> 00:02:43,640
crazy or imagining it it's just a dream

56
00:02:49,990 --> 00:02:47,270
and I started putting everything

57
00:02:51,790 --> 00:02:50,000
together from my journals and I realized

58
00:02:56,410 --> 00:02:51,800
they were telling a pretty good story

59
00:02:58,600 --> 00:02:56,420
and it did make sense and as soon as I

60
00:03:00,900 --> 00:02:58,610
started coming forward and talking to

61
00:03:03,700 --> 00:03:00,910
other people they would come to me and

62
00:03:05,230 --> 00:03:03,710
say hey that happened to me too but

63
00:03:07,780 --> 00:03:05,240

please don't think I'm crazy or don't

64

00:03:10,240 --> 00:03:07,790

tell anyone and that made me feel better

65

00:03:11,850 --> 00:03:10,250

it confirmed that I was doing the right

66

00:03:15,190 --> 00:03:11,860

thing and that this really is happening

67

00:03:18,100 --> 00:03:15,200

so and the other thing that convinced me

68

00:03:19,660 --> 00:03:18,110

it was time to write this book I was on

69

00:03:22,090 --> 00:03:19,670

a camping trip with my family and I was

70

00:03:23,590 --> 00:03:22,100

asleep in my tent and I heard my niece's

71

00:03:25,690 --> 00:03:23,600

little girl who's about six years old

72

00:03:28,180 --> 00:03:25,700

have a night terror which was what my

73

00:03:30,370 --> 00:03:28,190

bad nightmares were defined as by my

74

00:03:32,740 --> 00:03:30,380

doctors night terrors and most doctors

75

00:03:33,190 --> 00:03:32,750

said that you outgrow them which I never

76

00:03:36,270 --> 00:03:33,200

did

77

00:03:38,949 --> 00:03:36,280

I still do it as an adult sometimes and

78

00:03:40,780 --> 00:03:38,959

some children have them and the doctors

79

00:03:44,259 --> 00:03:40,790

just say it's a normal thing it's just a

80

00:03:46,590 --> 00:03:44,269

bad dream it's a stress well it's a lot

81

00:03:48,970 --> 00:03:46,600

more than that it's another reality

82

00:03:52,150 --> 00:03:48,980

interacting with you or you interacting

83

00:03:55,660 --> 00:03:52,160

with another reality and there are many

84

00:03:58,090 --> 00:03:55,670

layers of reality we live in this one

85

00:04:00,250 --> 00:03:58,100

it's our consciousness with our ego and

86

00:04:03,160 --> 00:04:00,260

where we go to work and we pay bills and

87

00:04:05,920 --> 00:04:03,170

live our day to day life but when we go

88

00:04:07,930 --> 00:04:05,930

to sleep and our ego mind quiets down a

89

00:04:09,640 --> 00:04:07,940

little bit our consciousness was able to

90

00:04:12,070 --> 00:04:09,650

slide over a little bit into maybe

91

00:04:14,320 --> 00:04:12,080

another level of reality another layer

92

00:04:17,380 --> 00:04:14,330

of reality where we experience other

93

00:04:19,870 --> 00:04:17,390

things and meet other beings and they

94

00:04:23,230 --> 00:04:19,880

are just as real as this reality it's

95

00:04:25,480 --> 00:04:23,240

just a different reality and when that

96

00:04:28,120 --> 00:04:25,490

happens it's so hard to translate that

97

00:04:30,700 --> 00:04:28,130

from that reality into this reality that

98

00:04:32,950 --> 00:04:30,710

we just sometimes just respond with a

99

00:04:35,590 --> 00:04:32,960

primal scream and it's just terrifying

100

00:04:38,070 --> 00:04:35,600

and unknown to us and alien to us and

101
00:04:40,030 --> 00:04:38,080
the next morning her parents were

102
00:04:42,250 --> 00:04:40,040
apologizing and everything and I thought

103
00:04:44,800 --> 00:04:42,260
no there's no need to apologize this is

104
00:04:47,170 --> 00:04:44,810
actually a gift I have gone from being

105
00:04:48,520 --> 00:04:47,180
fearful of this and thinking it was a

106
00:04:50,980 --> 00:04:48,530
horrible thing that was happening to me

107
00:04:52,690 --> 00:04:50,990
to realizing it is a gift it's a gift to

108
00:04:54,640 --> 00:04:52,700
be sensitive enough

109
00:04:57,220 --> 00:04:54,650
to sense these other realities to see

110
00:04:59,230 --> 00:04:57,230
them and hear them and feel them and to

111
00:05:01,810 --> 00:04:59,240
have these entities in connection with

112
00:05:03,820 --> 00:05:01,820
you reaching out to you and you sense

113
00:05:08,200 --> 00:05:03,830

their energies and see them and hear

114

00:05:10,980 --> 00:05:08,210

their messages so I understand a lot of

115

00:05:13,750 --> 00:05:10,990

alien interactions follow family

116

00:05:15,280 --> 00:05:13,760

lineages and it's quite possible that

117

00:05:17,050 --> 00:05:15,290

one or more of my grandparents were

118

00:05:21,370 --> 00:05:17,060

contacted by aliens or went through the

119

00:05:22,990 --> 00:05:21,380

same similar experiences so I decided to

120

00:05:24,670 --> 00:05:23,000

take all the notes that I had and all

121

00:05:25,990 --> 00:05:24,680

the journals that I'd stashed away over

122

00:05:28,330 --> 00:05:26,000

the years and put them together and

123

00:05:30,460 --> 00:05:28,340

write it into kind of a book form so

124

00:05:33,490 --> 00:05:30,470

that this little girl could maybe read

125

00:05:35,290 --> 00:05:33,500

it and it would help her and then a

126
00:05:37,120 --> 00:05:35,300
couple years after that after I was

127
00:05:40,000 --> 00:05:37,130
getting it put together my own daughter

128
00:05:41,710 --> 00:05:40,010
called to ask about her own daughter my

129
00:05:43,690 --> 00:05:41,720
granddaughter's night terror that she

130
00:05:45,340 --> 00:05:43,700
had it three years old and that's when

131
00:05:46,600 --> 00:05:45,350
it really was confirmation for me that

132
00:05:49,630 --> 00:05:46,610
it's time to get this message out to

133
00:05:51,580 --> 00:05:49,640
other people to be able to read what I

134
00:05:54,280 --> 00:05:51,590
went through and how I handled it and

135
00:05:56,500 --> 00:05:54,290
now I am not afraid anymore I actually

136
00:06:02,200 --> 00:05:56,510
look forward to when the aliens contact

137
00:06:04,060 --> 00:06:02,210
me so I've written it down and and as I

138
00:06:07,660 --> 00:06:04,070

did the aliens kept telling me to send

139

00:06:09,280 --> 00:06:07,670

it to Dolores cannons publisher and sure

140

00:06:11,920 --> 00:06:09,290

enough I send it to Ozark Mountain

141

00:06:13,570 --> 00:06:11,930

publishing and got the notification that

142

00:06:16,450 --> 00:06:13,580

they wanted to publish my book first

143

00:06:18,940 --> 00:06:16,460

publisher I sent it to so and it's been

144

00:06:21,760 --> 00:06:18,950

just one confirmation after another that

145

00:06:24,940 --> 00:06:21,770

it was the right thing and that it's

146

00:06:27,460 --> 00:06:24,950

helping these other people children and

147

00:06:31,600 --> 00:06:27,470

adults to deal with similar things that

148

00:06:34,660 --> 00:06:31,610

happened to them so prior to the year

149

00:06:37,600 --> 00:06:34,670

2000 the efforts by the aliens kind of

150

00:06:41,080 --> 00:06:37,610

ramped up with sending us messages about

151
00:06:42,790 --> 00:06:41,090
disasters I do believe we turned a

152
00:06:44,560 --> 00:06:42,800
corner I think there was kind of a

153
00:06:47,440 --> 00:06:44,570
tipping point or a decision that had to

154
00:06:48,910 --> 00:06:47,450
be made regarding our the way we took

155
00:06:51,190 --> 00:06:48,920
care of the earth the way we handled

156
00:06:52,150 --> 00:06:51,200
wars the way we act with each other and

157
00:06:56,710 --> 00:06:52,160
take care of each other

158
00:06:57,730 --> 00:06:56,720
and it wasn't looking good and I think

159
00:07:01,090 --> 00:06:57,740
there might have been some kind of

160
00:07:04,660 --> 00:07:01,100
divine intervention with possibly floods

161
00:07:06,610 --> 00:07:04,670
earthquakes tornadoes hurricanes or even

162
00:07:10,600 --> 00:07:06,620
a man-made drama like

163
00:07:13,870 --> 00:07:10,610

world war nuclear war if things didn't

164

00:07:16,900 --> 00:07:13,880

change and that's why in the late 1990s

165

00:07:19,030 --> 00:07:16,910

I got a lot of messages and I understand

166

00:07:21,490 --> 00:07:19,040

that a lot of other contact he's did too

167

00:07:23,530 --> 00:07:21,500

about the earth being destroyed

168

00:07:26,290 --> 00:07:23,540

I was actually taken on board a ship out

169

00:07:29,200 --> 00:07:26,300

behind the moon where I could just see

170

00:07:32,260 --> 00:07:29,210

the horizon of the moon just in front of

171

00:07:34,360 --> 00:07:32,270

me and beyond that the earth and I saw

172

00:07:37,030 --> 00:07:34,370

multiple explosions on it just all over

173

00:07:38,920 --> 00:07:37,040

the surface of the earth and I thought

174

00:07:41,070 --> 00:07:38,930

it happened in real time and when I woke

175

00:07:43,689 --> 00:07:41,080

up I was so panicked and terrified and I

176

00:07:46,750 --> 00:07:43,699

searched for the news and to see and

177

00:07:49,450 --> 00:07:46,760

nothing had happened but it set such a

178

00:07:51,550 --> 00:07:49,460

sense of devastation and loss in me that

179

00:07:54,790 --> 00:07:51,560

it really woke me up to the fact that

180

00:07:57,159 --> 00:07:54,800

these aliens they care about us they

181

00:08:00,310 --> 00:07:57,169

care about this planet they're really

182

00:08:01,540 --> 00:08:00,320

upset with what we're doing with it and

183

00:08:04,000 --> 00:08:01,550

what we're doing with each other with

184

00:08:06,219 --> 00:08:04,010

the wars and that's when they kind of

185

00:08:08,409 --> 00:08:06,229

ramped up the interactions a lot and

186

00:08:10,029 --> 00:08:08,419

they came to me much more frequently

187

00:08:13,029 --> 00:08:10,039

with the messages that we need to take

188

00:08:14,830 --> 00:08:13,039

care of the earth and they were sending

189

00:08:17,159 --> 00:08:14,840

these messages to so many people about

190

00:08:19,000 --> 00:08:17,169

bad things that might happen and then

191

00:08:21,490 --> 00:08:19,010

y2k came and went

192

00:08:23,589 --> 00:08:21,500

December 21st 2012 came and went and

193

00:08:26,290 --> 00:08:23,599

nothing really happened that I was able

194

00:08:28,629 --> 00:08:26,300

to see or feel but there was a shift

195

00:08:31,120 --> 00:08:28,639

there was a shift in consciousness a lot

196

00:08:32,920 --> 00:08:31,130

more people became aware that we need to

197

00:08:34,750 --> 00:08:32,930

take care of the planet and that we need

198

00:08:36,370 --> 00:08:34,760

to take care of each other that's when

199

00:08:38,560 --> 00:08:36,380

that's when the focus really shifted

200

00:08:40,510 --> 00:08:38,570

before that I was always afraid I would

201
00:08:42,010 --> 00:08:40,520
always wake up screaming I was always

202
00:08:43,719 --> 00:08:42,020
afraid they were going to approach me in

203
00:08:45,160 --> 00:08:43,729
the middle of the night I was afraid of

204
00:08:49,870 --> 00:08:45,170
a lot of things I was afraid of a

205
00:08:53,199 --> 00:08:49,880
nuclear war and something shifted in the

206
00:08:55,600 --> 00:08:53,209
way they contacted me they didn't come

207
00:08:57,250 --> 00:08:55,610
standing by my bedside anymore staring

208
00:08:59,710 --> 00:08:57,260
at me with the big black eyes instead

209
00:09:02,170 --> 00:08:59,720
they kind of presented me with like a

210
00:09:04,210 --> 00:09:02,180
sing song little voice or calling my

211
00:09:05,740 --> 00:09:04,220
name from a great distance or sometimes

212
00:09:08,890 --> 00:09:05,750
they'd even use my mother's voice

213
00:09:10,510 --> 00:09:08,900

they'd say Donna Donna like my mother

214

00:09:12,790 --> 00:09:10,520

calling me in from play as a little girl

215

00:09:14,770 --> 00:09:12,800

and that kind of put me at ease and made

216

00:09:17,230 --> 00:09:14,780

me realize they know me well enough to

217

00:09:20,230 --> 00:09:17,240

know that they need to approach me in a

218

00:09:21,879 --> 00:09:20,240

kinder way a gentler way and I

219

00:09:25,900 --> 00:09:21,889

began to really listen to their messages

220

00:09:29,049 --> 00:09:25,910

and focus on what they were telling me

221

00:09:30,999 --> 00:09:29,059

and what they were saying is humans need

222

00:09:34,179 --> 00:09:31,009

to come together it's really time to

223

00:09:36,009 --> 00:09:34,189

stop worrying about me me me and how

224

00:09:39,400 --> 00:09:36,019

much money can I make and how famous can

225

00:09:43,869 --> 00:09:39,410

I get and focus on taking care of the

226

00:09:45,910 --> 00:09:43,879

planet and working together so they did

227

00:09:50,650 --> 00:09:45,920

ramp up the interactions right around

228

00:09:52,299 --> 00:09:50,660

the year years just prior to 2004 the

229

00:09:54,669 --> 00:09:52,309

longest time when they approached me and

230

00:09:55,929 --> 00:09:54,679

I'd be screaming and terrified I say

231

00:09:58,600 --> 00:09:55,939

what's your name what's your name

232

00:10:01,210 --> 00:09:58,610

because as a human if I can categorize

233

00:10:04,299 --> 00:10:01,220

something put it in a box know their

234

00:10:05,980 --> 00:10:04,309

name know their species it makes it

235

00:10:07,540 --> 00:10:05,990

easier for me to understand or

236

00:10:09,369 --> 00:10:07,550

comprehend or feel like I maybe had a

237

00:10:11,889 --> 00:10:09,379

sense of control and they would always

238

00:10:14,139 --> 00:10:11,899

say names are not important the message

239

00:10:15,639 --> 00:10:14,149

is what's important but I was so filled

240

00:10:19,299 --> 00:10:15,649

with fear I wasn't hearing the message

241

00:10:21,280 --> 00:10:19,309

either and so around that time they

242

00:10:22,720 --> 00:10:21,290

started telling me their names and I

243

00:10:24,309 --> 00:10:22,730

think that was their way of realizing

244

00:10:28,030 --> 00:10:24,319

they could put me at ease and then maybe

245

00:10:30,549 --> 00:10:28,040

I would listen to the message and one of

246

00:10:32,350 --> 00:10:30,559

them is called kaya Soze one of them was

247

00:10:34,629 --> 00:10:32,360

called Otakon ah they have these very

248

00:10:35,739 --> 00:10:34,639

unusual names and they spell them out

249

00:10:39,970 --> 00:10:35,749

for me and make sure I get them

250

00:10:42,220 --> 00:10:39,980

correctly and that did put me at ease it

251
00:10:44,350 --> 00:10:42,230
did help and then I could listen to what

252
00:10:46,600 --> 00:10:44,360
they were trying to say which was

253
00:10:48,699 --> 00:10:46,610
basically that they are good they are

254
00:10:51,129 --> 00:10:48,709
benevolent they're not what Hollywood

255
00:10:53,139 --> 00:10:51,139
makes them out to be they don't want to

256
00:10:57,100 --> 00:10:53,149
make us into slaves they don't want to

257
00:10:59,730 --> 00:10:57,110
eat us they are caretakers of us much as

258
00:11:04,210 --> 00:10:59,740
we're caretakers of the garden of Earth

259
00:11:06,519 --> 00:11:04,220
it's all interconnected and if we do

260
00:11:09,639 --> 00:11:06,529
damaging things like nuclear war it's

261
00:11:12,220 --> 00:11:09,649
also going to affect them on dimensional

262
00:11:14,609 --> 00:11:12,230
levels on vibrational levels and I'm not

263
00:11:17,100 --> 00:11:14,619

sure if they come from distant planets

264

00:11:19,989 --> 00:11:17,110

or if they live right here with us on

265

00:11:22,900 --> 00:11:19,999

similar dimensions similar timelines

266

00:11:24,730 --> 00:11:22,910

maybe Inner Earth I really don't know

267

00:11:25,840 --> 00:11:24,740

exactly where they come from but they do

268

00:11:27,280 --> 00:11:25,850

love the earth and they're very

269

00:11:31,389 --> 00:11:27,290

concerned that we're going to hurt it

270

00:11:33,040 --> 00:11:31,399

and they want us to protect it and they

271

00:11:36,040 --> 00:11:33,050

are protecting us also

272

00:11:38,920 --> 00:11:36,050

so I learned from learning their names

273

00:11:42,100 --> 00:11:38,930

and and then the main one who came to me

274

00:11:44,410 --> 00:11:42,110

he is a praying mantis he looks like a

275

00:11:48,670 --> 00:11:44,420

seven foot tall praying mantis except he

276

00:11:50,800 --> 00:11:48,680

has big shiny glossy black eyes and he

277

00:11:55,540 --> 00:11:50,810

told me his name was quote and he very

278

00:11:59,740 --> 00:11:55,550

specifically said it would CRO te and he

279

00:12:02,260 --> 00:11:59,750

let me know about that time also that he

280

00:12:05,410 --> 00:12:02,270

was here for healing and caretaking

281

00:12:06,700 --> 00:12:05,420

not just me but all humanity and all the

282

00:12:09,880 --> 00:12:06,710

earth he has a great interest in

283

00:12:11,850 --> 00:12:09,890

humanity I was having a lot of migraine

284

00:12:14,680 --> 00:12:11,860

headaches at that time in my life and

285

00:12:16,330 --> 00:12:14,690

one time or several times actually I

286

00:12:19,300 --> 00:12:16,340

would wake up in the night with this

287

00:12:20,860 --> 00:12:19,310

horrible throbbing headache and crow it

288

00:12:24,070 --> 00:12:20,870

would be standing at the side of my bed

289

00:12:25,480 --> 00:12:24,080

and he would put one of his forelegs or

290

00:12:28,450 --> 00:12:25,490

forearms or whatever you call a praying

291

00:12:30,970 --> 00:12:28,460

mantis arm over my forehead and it would

292

00:12:33,610 --> 00:12:30,980

feel very cooling and soothing and my

293

00:12:35,560 --> 00:12:33,620

pain would instantly go away I mean no

294

00:12:39,670 --> 00:12:35,570

medication or anything else worked and

295

00:12:41,470 --> 00:12:39,680

that's when I realized he loves me he

296

00:12:44,710 --> 00:12:41,480

cares for me he doesn't want me to be in

297

00:12:48,210 --> 00:12:44,720

pain and not just me he loves all people

298

00:12:50,770 --> 00:12:48,220

he loves all of humanity and he was

299

00:12:52,810 --> 00:12:50,780

displaying to me that he cared enough to

300

00:12:54,250 --> 00:12:52,820

come to me as an individual in the

301
00:12:59,050 --> 00:12:54,260
middle of the night when I was in pain

302
00:13:01,150 --> 00:12:59,060
and make that pain go away so and they

303
00:13:04,120 --> 00:13:01,160
also they have quite a sense of humor

304
00:13:08,800 --> 00:13:04,130
they're very sarcastic it's like a

305
00:13:11,440 --> 00:13:08,810
intelligent sarcastic ironic sense of

306
00:13:14,080 --> 00:13:11,450
humor he told me his name was quote and

307
00:13:17,020 --> 00:13:14,090
then about two weeks later I saw the

308
00:13:19,720 --> 00:13:17,030
movie k-pax in the theaters where the

309
00:13:23,470 --> 00:13:19,730
alien played by Kevin Spacey was named

310
00:13:28,570 --> 00:13:23,480
Prout PR ot and when I heard that it

311
00:13:30,820 --> 00:13:28,580
just made me crazy because was this a

312
00:13:34,270 --> 00:13:30,830
play on words is that even really his

313
00:13:35,740 --> 00:13:34,280

name is he just trying to lighten things

314

00:13:37,990 --> 00:13:35,750

up so I don't take things so seriously

315

00:13:40,150 --> 00:13:38,000

and they do that quite a bit they say

316

00:13:42,880 --> 00:13:40,160

little silly things or something that I

317

00:13:44,560 --> 00:13:42,890

take really seriously and then a little

318

00:13:46,870 --> 00:13:44,570

while later something else will come up

319

00:13:49,590 --> 00:13:46,880

to show me that it was

320

00:13:52,390 --> 00:13:49,600

light-hearted or supposed to be just

321

00:13:54,130 --> 00:13:52,400

taken lightly not take so seriously

322

00:13:56,860 --> 00:13:54,140

because we do take everything seriously

323

00:13:58,870 --> 00:13:56,870

and we take aliens so seriously I mean

324

00:14:00,700 --> 00:13:58,880

look at the movies everything is very

325

00:14:03,970 --> 00:14:00,710

serious with the aliens but it doesn't

326

00:14:06,940 --> 00:14:03,980

have to be life can be they tell me that

327

00:14:08,770 --> 00:14:06,950

life is a game and we should play it

328

00:14:10,690 --> 00:14:08,780

like a game and they're playing it with

329

00:14:12,850 --> 00:14:10,700

us they may have different rules and

330

00:14:14,890 --> 00:14:12,860

different game controllers but we're all

331

00:14:18,760 --> 00:14:14,900

playing it together and we need to have

332

00:14:20,260 --> 00:14:18,770

more fun with it after after 2012 I was

333

00:14:22,960 --> 00:14:20,270

really concerned something big was going

334

00:14:25,150 --> 00:14:22,970

to happen December 21st 2012 when that

335

00:14:28,030 --> 00:14:25,160

came and went and nothing really visible

336

00:14:29,950 --> 00:14:28,040

happened very interactions changed also

337

00:14:33,580 --> 00:14:29,960

actually I haven't had a disaster type

338

00:14:36,900 --> 00:14:33,590

scenario since that date and it changed

339

00:14:39,460 --> 00:14:36,910

into a focus of love love is the message

340

00:14:42,520 --> 00:14:39,470

nothing else matters love one another

341

00:14:46,030 --> 00:14:42,530

love the earth love them they love us

342

00:14:48,310 --> 00:14:46,040

and it's a massive all-encompassing love

343

00:14:49,680 --> 00:14:48,320

it's not like human love and this is one

344

00:14:52,270 --> 00:14:49,690

of the reasons they scare us so much

345

00:14:54,310 --> 00:14:52,280

because when they come to see you and

346

00:14:56,530 --> 00:14:54,320

they stare into your eyes with these big

347

00:14:58,120 --> 00:14:56,540

black shiny eyes they're reading you

348

00:14:59,920 --> 00:14:58,130

they're reading your soul they're

349

00:15:03,280 --> 00:14:59,930

reading your heart they're reading your

350

00:15:05,230 --> 00:15:03,290

fears your feelings things you might

351

00:15:08,050 --> 00:15:05,240

feel guilty of things you wished you'd

352

00:15:09,490 --> 00:15:08,060

done and they read it all when they look

353

00:15:12,160 --> 00:15:09,500

into your eyes and hold you in that

354

00:15:14,110 --> 00:15:12,170

stare and they love us anyway

355

00:15:16,720 --> 00:15:14,120

they love me anyway they love people

356

00:15:20,530 --> 00:15:16,730

anyway even with our darkest thoughts

357

00:15:22,840 --> 00:15:20,540

and feelings and sometimes that's a

358

00:15:24,400 --> 00:15:22,850

little overwhelming for humans because

359

00:15:26,380 --> 00:15:24,410

human love isn't like that human love

360

00:15:29,220 --> 00:15:26,390

have petty jealousies and insecurities

361

00:15:31,570 --> 00:15:29,230

and worries and fears and secrets and

362

00:15:35,050 --> 00:15:31,580

there are no secrets with the aliens

363

00:15:36,670 --> 00:15:35,060

they know everything and they are trying

364

00:15:39,820 --> 00:15:36,680

to get the message out now that's the

365

00:15:42,190 --> 00:15:39,830

message is it's love and it doesn't

366

00:15:44,140 --> 00:15:42,200

matter if you look different than each

367

00:15:47,010 --> 00:15:44,150

other or if you have differences of

368

00:15:51,670 --> 00:15:47,020

opinion on politics or anything that

369

00:15:53,860 --> 00:15:51,680

love is the overwhelming key for healing

370

00:15:56,050 --> 00:15:53,870

everything relationships and the earth

371

00:15:58,240 --> 00:15:56,060

if we love the earth more we wouldn't be

372

00:15:59,770 --> 00:15:58,250

clear cutting the forests so their

373

00:16:00,489 --> 00:15:59,780

messages have changed and they've also

374

00:16:02,589 --> 00:16:00,499

changed

375

00:16:05,259 --> 00:16:02,599

to say that it needs to be shared

376

00:16:07,089 --> 00:16:05,269

because up until very recently I kept

377

00:16:09,309 --> 00:16:07,099

this information all to myself I didn't

378

00:16:10,749 --> 00:16:09,319

even tell my most close family members

379

00:16:13,899 --> 00:16:10,759

because I didn't want to be considered

380

00:16:16,239 --> 00:16:13,909

crazy or weird and others are coming out

381

00:16:18,399 --> 00:16:16,249

with it also and saying they've had very

382

00:16:21,459 --> 00:16:18,409

similar experiences and they never told

383

00:16:23,409 --> 00:16:21,469

anyone either and that's a big part of

384

00:16:25,239 --> 00:16:23,419

what the aliens are trying to say now is

385

00:16:28,359 --> 00:16:25,249

that we need to get this message out

386

00:16:30,489 --> 00:16:28,369

because each one of us has a special

387

00:16:33,519 --> 00:16:30,499

gift like I said it's a gift to be able

388

00:16:35,679 --> 00:16:33,529

to see them hear them interact with them

389

00:16:38,949 --> 00:16:35,689

and I feel very blessed that I'm able to

390

00:16:41,469 --> 00:16:38,959

do that and overcome the fear but others

391

00:16:44,199 --> 00:16:41,479

they give information all the time and

392

00:16:47,019 --> 00:16:44,209

they have really advanced technology

393

00:16:51,309 --> 00:16:47,029

they make their ships fly incredibly

394

00:16:52,599 --> 00:16:51,319

fast or invisible or how they appear in

395

00:16:54,339 --> 00:16:52,609

our bedrooms in the middle of the night

396

00:16:56,349 --> 00:16:54,349

through the walls I mean how do they do

397

00:16:58,209 --> 00:16:56,359

that and they could tell us that they

398

00:16:59,949 --> 00:16:58,219

are willing and able to give us the

399

00:17:01,749 --> 00:16:59,959

information but if they impart

400

00:17:04,480 --> 00:17:01,759

information to someone like me who I'm

401
00:17:06,549 --> 00:17:04,490
not a scientist I even if they told me

402
00:17:08,559 --> 00:17:06,559
the technical information how to get

403
00:17:10,210 --> 00:17:08,569
through a wall I wouldn't be able to

404
00:17:10,539 --> 00:17:10,220
translate it from their reality into

405
00:17:13,059 --> 00:17:10,549
ours

406
00:17:15,399 --> 00:17:13,069
so what they want is for the message to

407
00:17:17,470 --> 00:17:15,409
get out for people to be sharing what

408
00:17:19,449 --> 00:17:17,480
they've experienced and that it's okay

409
00:17:22,269 --> 00:17:19,459
the aliens are friendly they're not

410
00:17:24,009 --> 00:17:22,279
going to hurt us and get this message

411
00:17:26,499 --> 00:17:24,019
out to other people so that they are

412
00:17:28,690 --> 00:17:26,509
more willing and able to maybe open up

413
00:17:30,419 --> 00:17:28,700

their hearts and minds and listen to

414

00:17:33,460 --> 00:17:30,429

what the aliens say and maybe a

415

00:17:35,289 --> 00:17:33,470

scientist who does understand how the

416

00:17:37,899 --> 00:17:35,299

concept of how to get through a wall

417

00:17:39,940 --> 00:17:37,909

they can impart that information to that

418

00:17:42,700 --> 00:17:39,950

person and they can make it a reality

419

00:17:45,159 --> 00:17:42,710

they don't like our competitiveness we

420

00:17:47,139 --> 00:17:45,169

have it set to where if I come up with

421

00:17:49,779 --> 00:17:47,149

an invention I run to the Patent Office

422

00:17:51,460 --> 00:17:49,789

and I get it copyrighted and I don't

423

00:17:55,119 --> 00:17:51,470

share the information and I have the

424

00:17:58,590 --> 00:17:55,129

secret recipe and they like the spirit

425

00:18:01,960 --> 00:17:58,600

of cooperation where I can they can

426

00:18:04,749 --> 00:18:01,970

project an idea for something maybe a

427

00:18:06,850 --> 00:18:04,759

medical cure one part of it I might be

428

00:18:09,039 --> 00:18:06,860

able to graph maybe one part of it

429

00:18:11,470 --> 00:18:09,049

someone in Germany can graph maybe

430

00:18:13,119 --> 00:18:11,480

someone in another country can grasp

431

00:18:14,320 --> 00:18:13,129

another part and if we weren't all

432

00:18:16,540 --> 00:18:14,330

secretive and compared

433

00:18:18,250 --> 00:18:16,550

that information could be shared and

434

00:18:20,530 --> 00:18:18,260

then maybe medical breakthrough

435

00:18:22,660 --> 00:18:20,540

scientific breakthroughs all kinds of

436

00:18:24,910 --> 00:18:22,670

things could come about much more

437

00:18:26,290 --> 00:18:24,920

readily with the technology they can

438

00:18:27,910 --> 00:18:26,300

share with us and the information they

439

00:18:30,430 --> 00:18:27,920

can share with it but because we're all

440

00:18:32,590 --> 00:18:30,440

secretive and competitive it's much

441

00:18:37,300 --> 00:18:32,600

harder for them to get that out there

442

00:18:38,740 --> 00:18:37,310

and share it with us and they have the

443

00:18:40,690 --> 00:18:38,750

spirit of cooperation rather than

444

00:18:41,920 --> 00:18:40,700

competition and that's what another part

445

00:18:43,690 --> 00:18:41,930

of the message they want to encourage

446

00:18:46,390 --> 00:18:43,700

and I know that's hard in today's world

447

00:18:48,040 --> 00:18:46,400

because if you invent something you want

448

00:18:52,000 --> 00:18:48,050

the royalties you want the credit for it

449

00:18:53,910 --> 00:18:52,010

but to advance everything forward they

450

00:18:57,550 --> 00:18:53,920

would like us to work together more

451
00:18:59,790 --> 00:18:57,560
cooperatively after about the year 2000

452
00:19:02,590 --> 00:18:59,800
when they ramped up their interactions

453
00:19:05,590 --> 00:19:02,600
they took me aboard ships much more

454
00:19:07,080 --> 00:19:05,600
often and in the past when I was very

455
00:19:09,640 --> 00:19:07,090
fearful it would be the traditional

456
00:19:11,530 --> 00:19:09,650
abductee experience where I wake up and

457
00:19:13,600 --> 00:19:11,540
I'm in a white room laying on a metal

458
00:19:15,340 --> 00:19:13,610
table you know with maybe the praying

459
00:19:18,430 --> 00:19:15,350
mantis alien looking over me and some

460
00:19:20,170 --> 00:19:18,440
that look like greys and then I go back

461
00:19:22,060 --> 00:19:20,180
to sleep when I woke up I was in my bed

462
00:19:24,730 --> 00:19:22,070
maybe it was a nosebleed or some bruises

463
00:19:28,180 --> 00:19:24,740

but that was it but after I began

464

00:19:31,960 --> 00:19:28,190

getting past my fear and after the year

465

00:19:34,030 --> 00:19:31,970

2000 when their message has changed they

466

00:19:35,560 --> 00:19:34,040

began taking me on ships and letting me

467

00:19:37,180 --> 00:19:35,570

remember and letting me be conscious

468

00:19:38,680 --> 00:19:37,190

because I've stopped kicking and

469

00:19:41,020 --> 00:19:38,690

screaming while they were doing it and

470

00:19:44,680 --> 00:19:41,030

they would sometimes take me on tours of

471

00:19:46,210 --> 00:19:44,690

their ships and as I said with the

472

00:19:49,300 --> 00:19:46,220

technology their technology is so

473

00:19:50,890 --> 00:19:49,310

advanced sometimes you're in a room I'm

474

00:19:53,080 --> 00:19:50,900

in a room where it looks like it's just

475

00:19:54,730 --> 00:19:53,090

a round room with white walls and then

476

00:19:57,460 --> 00:19:54,740

they do something and all of a sudden

477

00:19:59,590 --> 00:19:57,470

it's clear it's like crystal clear and

478

00:20:03,570 --> 00:19:59,600

you can just look out and see everything

479

00:20:06,730 --> 00:20:03,580

whether you're out in space or on earth

480

00:20:10,360 --> 00:20:06,740

hovering above the earth you know it's

481

00:20:12,160 --> 00:20:10,370

just amazing the technology but they

482

00:20:15,370 --> 00:20:12,170

also showed me by doing this that there

483

00:20:18,820 --> 00:20:15,380

are multiple multiple endless types of

484

00:20:22,090 --> 00:20:18,830

beings on the ships and they all work in

485

00:20:25,020 --> 00:20:22,100

a spirit of cooperation they seem to put

486

00:20:26,320 --> 00:20:25,030

their capabilities what they're most

487

00:20:27,820 --> 00:20:26,330

suited for

488

00:20:31,149 --> 00:20:27,830

they put that together with what they do

489

00:20:33,220 --> 00:20:31,159

like one that has multiple arms like

490

00:20:36,639 --> 00:20:33,230

probably twelve arms it was almost squid

491

00:20:39,340 --> 00:20:36,649

like or octopus like up on the ceiling

492

00:20:44,710 --> 00:20:39,350

of a control room operating some kind of

493

00:20:48,039 --> 00:20:44,720

panel with all of its arms and the greys

494

00:20:49,830 --> 00:20:48,049

that I've seen they are like the

495

00:20:52,570 --> 00:20:49,840

traditional ones of the big eyes

496

00:20:55,810 --> 00:20:52,580

dolphin type skin like gray blue skin

497

00:20:58,480 --> 00:20:55,820

and about three feet tall but the ones

498

00:21:01,120 --> 00:20:58,490

I've seen have like flippers or fins

499

00:21:02,500 --> 00:21:01,130

four feet and they kick there's little

500

00:21:05,440 --> 00:21:02,510

feet like they're treading water through

501
00:21:08,740 --> 00:21:05,450
our atmosphere and that's how they they

502
00:21:10,779 --> 00:21:08,750
move they don't walk like we do they

503
00:21:12,419 --> 00:21:10,789
float and they glide and that's how

504
00:21:14,529 --> 00:21:12,429
they're able to come up I level with us

505
00:21:18,820 --> 00:21:14,539
because they're basically treading water

506
00:21:21,159 --> 00:21:18,830
in our atmosphere and they they come in

507
00:21:24,310 --> 00:21:21,169
different colors and they mostly are

508
00:21:28,480 --> 00:21:24,320
like the workers they I've seen them at

509
00:21:31,000 --> 00:21:28,490
the control panel of a ship and then

510
00:21:32,529 --> 00:21:31,010
there are there's a type that I find

511
00:21:34,870 --> 00:21:32,539
really amazing I call them the Browns

512
00:21:37,480 --> 00:21:34,880
Curry's their little brown fuzzy

513
00:21:38,080 --> 00:21:37,490

creatures that you can see out of the

514

00:21:39,870 --> 00:21:38,090

corner of your eye

515

00:21:42,460 --> 00:21:39,880

only you think you see something

516

00:21:44,289 --> 00:21:42,470

scrambling across the floor and you turn

517

00:21:46,090 --> 00:21:44,299

and look and there's nothing there but

518

00:21:47,769 --> 00:21:46,100

then when I turn back I can see it again

519

00:21:49,590 --> 00:21:47,779

and they have told me that soon

520

00:21:52,149 --> 00:21:49,600

scientists are going to come up with the

521

00:21:54,100 --> 00:21:52,159

discovery that humans can see things in

522

00:21:57,940 --> 00:21:54,110

their peripheral vision that we can't

523

00:21:59,919 --> 00:21:57,950

see with our straight vision and we do

524

00:22:01,870 --> 00:21:59,929

sense some of the beings only with the

525

00:22:04,450 --> 00:22:01,880

corner of our eye their molecules

526

00:22:06,430 --> 00:22:04,460

vibrate at a different rate is what I've

527

00:22:08,259 --> 00:22:06,440

been told and that's why we can't see

528

00:22:10,210 --> 00:22:08,269

them directly but we can peripherally

529

00:22:12,580 --> 00:22:10,220

and these little brown scurries they're

530

00:22:16,330 --> 00:22:12,590

kind of like a raccoon or a cat they're

531

00:22:17,889 --> 00:22:16,340

fuzzy brown and they move I think they

532

00:22:21,639 --> 00:22:17,899

have six legs and they move very very

533

00:22:25,629 --> 00:22:21,649

fast and I was told they clean up messes

534

00:22:28,360 --> 00:22:25,639

which on board crafts obviously things

535

00:22:30,159 --> 00:22:28,370

have to be kept sanitary but they not

536

00:22:31,899 --> 00:22:30,169

just again with the multiple layers of

537

00:22:33,460 --> 00:22:31,909

meanings everything the aliens do and

538

00:22:36,549 --> 00:22:33,470

say have multiple layers of meanings

539

00:22:39,490 --> 00:22:36,559

they not just clean up physical messes

540

00:22:40,120 --> 00:22:39,500

if something gets spilled or humans

541

00:22:43,600 --> 00:22:40,130

we're messy

542

00:22:46,060 --> 00:22:43,610

we shed hair you know we some people get

543

00:22:47,920 --> 00:22:46,070

so upset and scared on the ship they may

544

00:22:50,860 --> 00:22:47,930

actually vomit or something they they

545

00:22:52,660 --> 00:22:50,870

clean all that up but they clean up if a

546

00:22:55,150 --> 00:22:52,670

human sees something on board a ship

547

00:22:56,770 --> 00:22:55,160

that we're not supposed to see or no or

548

00:23:00,070 --> 00:22:56,780

it's not yet time for us to have that

549

00:23:02,560 --> 00:23:00,080

concept these Browns curries can somehow

550

00:23:04,930 --> 00:23:02,570

reach into our brains and our thoughts

551
00:23:08,410 --> 00:23:04,940
and remove it before it's made a

552
00:23:11,260 --> 00:23:08,420
permanent memory in our brain so clean

553
00:23:13,570 --> 00:23:11,270
up messes they are able to move that

554
00:23:16,720 --> 00:23:13,580
fast faster than the speed of thought I

555
00:23:19,570 --> 00:23:16,730
guess and and remove it so you know how

556
00:23:22,420 --> 00:23:19,580
you've had the feeling wait what was I

557
00:23:24,160 --> 00:23:22,430
just thinking what did I just see well

558
00:23:25,660 --> 00:23:24,170
maybe a brown scurry came in and removed

559
00:23:28,210 --> 00:23:25,670
it because it wasn't time yet for

560
00:23:30,070 --> 00:23:28,220
Humanity to be aware of that I've been

561
00:23:33,340 --> 00:23:30,080
asking the aliens for quite some time to

562
00:23:36,010 --> 00:23:33,350
come and make themselves known to me it

563
00:23:37,300 --> 00:23:36,020

would be so much easier for me if they

564

00:23:39,490 --> 00:23:37,310

would just manifest in my living room

565

00:23:42,580 --> 00:23:39,500

and I could call a news crew to come and

566

00:23:44,700 --> 00:23:42,590

film this but they at the moment they

567

00:23:47,080 --> 00:23:44,710

prefer to keep it individual one-on-one

568

00:23:49,330 --> 00:23:47,090

but they do want to work with as many

569

00:23:51,120 --> 00:23:49,340

individuals as they can up until now

570

00:23:55,420 --> 00:23:51,130

they've worked mostly with certain

571

00:23:57,240 --> 00:23:55,430

family lineages or certain like certain

572

00:24:00,550 --> 00:23:57,250

Native American tribes certain

573

00:24:02,680 --> 00:24:00,560

Aboriginal people but now they want to

574

00:24:05,590 --> 00:24:02,690

reach as many people as they can

575

00:24:07,840 --> 00:24:05,600

so that they can get that influx of

576
00:24:09,850 --> 00:24:07,850
scientists and researchers and doctors

577
00:24:11,770 --> 00:24:09,860
and people from all walks of life who

578
00:24:13,660 --> 00:24:11,780
can each bring something to the table

579
00:24:15,340 --> 00:24:13,670
with their gifts they're not going to

580
00:24:15,940 --> 00:24:15,350
land on the White House lawn any time

581
00:24:18,220 --> 00:24:15,950
soon

582
00:24:19,600 --> 00:24:18,230
I have asked about that also and they

583
00:24:21,340 --> 00:24:19,610
told me for one thing they're not

584
00:24:23,230 --> 00:24:21,350
interested in our petty squabbles

585
00:24:25,270 --> 00:24:23,240
that's exactly out they call it our

586
00:24:28,570 --> 00:24:25,280
politics is petty squabbles our borders

587
00:24:30,460 --> 00:24:28,580
our Wars because they see humanity as a

588
00:24:31,840 --> 00:24:30,470

whole but they're not going to land on

589

00:24:33,930 --> 00:24:31,850

the White House lawn they're not going

590

00:24:37,060 --> 00:24:33,940

to land on a military base

591

00:24:42,970 --> 00:24:37,070

they figure humans aren't capable right

592

00:24:46,210 --> 00:24:42,980

now of coping with seeing massive fleets

593

00:24:49,180 --> 00:24:46,220

of UFOs people might be suicidal people

594

00:24:50,650 --> 00:24:49,190

might try shooting they would be they

595

00:24:52,240 --> 00:24:50,660

can turn off our weapons they're not

596

00:24:53,980 --> 00:24:52,250

concerned about our weapons hurting them

597

00:24:56,790 --> 00:24:53,990

they're more concerned about us

598

00:25:00,040 --> 00:24:56,800

hurting each other hurting ourselves

599

00:25:01,360 --> 00:25:00,050

panicking you know people might kill

600

00:25:03,100 --> 00:25:01,370

their children thinking they have to

601
00:25:05,049 --> 00:25:03,110
protect them from the evil aliens or

602
00:25:07,450 --> 00:25:05,059
something so they're very very cautious

603
00:25:09,940 --> 00:25:07,460
in approaching us and that's why they're

604
00:25:14,860 --> 00:25:09,950
doing it as individuals at the moment

605
00:25:18,010 --> 00:25:14,870
and as far as a mass sighting or large

606
00:25:19,810 --> 00:25:18,020
amounts it might be it might not happen

607
00:25:21,940 --> 00:25:19,820
in my lifetime it depends on the humans

608
00:25:24,160 --> 00:25:21,950
it's they're ready they've been ready

609
00:25:26,470 --> 00:25:24,170
for a very long time but it depends on

610
00:25:29,669 --> 00:25:26,480
humans as individuals we do very well

611
00:25:32,410 --> 00:25:29,679
they can reach us individually we can

612
00:25:34,990 --> 00:25:32,420
understand and communicate but you get

613
00:25:37,540 --> 00:25:35,000

that mass that mob mentality where

614

00:25:41,260 --> 00:25:37,550

people get violent and brutal and

615

00:25:44,020 --> 00:25:41,270

panicky and it's not a good situation so

616

00:25:48,100 --> 00:25:44,030

that's I don't foresee them coming to

617

00:25:49,600 --> 00:25:48,110

approach us for disclosure or anything

618

00:25:52,480 --> 00:25:49,610

like that any time soon

619

00:25:54,250 --> 00:25:52,490

the aliens have always been around

620

00:25:56,230 --> 00:25:54,260

they've always had an interest in

621

00:25:59,080 --> 00:25:56,240

humanity and the earth they've always

622

00:26:01,540 --> 00:25:59,090

kept their distance but watched us there

623

00:26:03,460 --> 00:26:01,550

were a few times I believe they came in

624

00:26:05,530 --> 00:26:03,470

the flesh

625

00:26:08,260 --> 00:26:05,540

maybe during the times of Atlantis when

626

00:26:09,820 --> 00:26:08,270

the pyramids were built or the Easter

627

00:26:11,530 --> 00:26:09,830

Island heads and they realized that

628

00:26:13,510 --> 00:26:11,540

didn't work out so well because humans

629

00:26:15,669 --> 00:26:13,520

have a way of making them into gods and

630

00:26:19,120 --> 00:26:15,679

they are not gods they are our brothers

631

00:26:20,710 --> 00:26:19,130

and sisters and so they've kept their

632

00:26:22,840 --> 00:26:20,720

distance but they've always watched us

633

00:26:26,169 --> 00:26:22,850

they've always had an interest but after

634

00:26:28,930 --> 00:26:26,179

we dropped the atomic bomb on Japan in

635

00:26:30,310 --> 00:26:28,940

1945 that really got their attention I

636

00:26:32,110 --> 00:26:30,320

said wait a minute these humans are

637

00:26:36,460 --> 00:26:32,120

getting dangerous now they're a threat

638

00:26:39,160 --> 00:26:36,470

to other layers of existence and they

639

00:26:40,990 --> 00:26:39,170

started really ramping up the concern to

640

00:26:44,350 --> 00:26:41,000

come and monitor us and interact with us

641

00:26:46,270 --> 00:26:44,360

and at first in the 50s and 60s when

642

00:26:48,280 --> 00:26:46,280

they approached most of us we had the

643

00:26:50,169 --> 00:26:48,290

night terrors we'd scream yell it would

644

00:26:52,210 --> 00:26:50,179

be a very fearful thing and that's when

645

00:26:55,180 --> 00:26:52,220

a lot of the Hollywood movies of fear

646

00:26:58,030 --> 00:26:55,190

generated aliens came out and over time

647

00:27:01,900 --> 00:26:58,040

they learned from us as we learn from

648

00:27:04,120 --> 00:27:01,910

them that humans are pretty skittish and

649

00:27:06,040 --> 00:27:04,130

they need to approach us in a nicer way

650

00:27:08,500 --> 00:27:06,050

a more they need to learn human

651
00:27:10,840 --> 00:27:08,510
etiquette standing by a bedside when

652
00:27:12,600 --> 00:27:10,850
someone is sound asleep and safe and

653
00:27:14,919 --> 00:27:12,610
warm and having a pleasant dream and

654
00:27:16,570 --> 00:27:14,929
staring into their eyes and waking them

655
00:27:18,460 --> 00:27:16,580
up and freezing them to the bed is not

656
00:27:21,040 --> 00:27:18,470
really very good etiquette it's kind of

657
00:27:23,020 --> 00:27:21,050
rude so they've learned over the years

658
00:27:25,299 --> 00:27:23,030
from interacting with me and hundreds of

659
00:27:27,520 --> 00:27:25,309
others that it's better if they give us

660
00:27:30,190 --> 00:27:27,530
a warning sign that they're planning to

661
00:27:31,870 --> 00:27:30,200
come they you know they have their own

662
00:27:32,980 --> 00:27:31,880
lives they have their own other things

663
00:27:36,070 --> 00:27:32,990

it's not like they're watching us

664

00:27:37,900 --> 00:27:36,080

constantly so they have cycles when they

665

00:27:39,700 --> 00:27:37,910

come and monitor us and interact and

666

00:27:41,230 --> 00:27:39,710

then cycles when they leave but they've

667

00:27:43,360 --> 00:27:41,240

learned that if they're coming to

668

00:27:44,950 --> 00:27:43,370

approach me usually around dinner time

669

00:27:47,320 --> 00:27:44,960

or as I'm getting ready for bed I'll

670

00:27:49,540 --> 00:27:47,330

either get a feeling in the pit of my

671

00:27:51,370 --> 00:27:49,550

stomach that they're around you know how

672

00:27:53,409 --> 00:27:51,380

you can sense if a person is standing

673

00:27:55,770 --> 00:27:53,419

behind you or something kind of get that

674

00:27:59,440 --> 00:27:55,780

sense of a feeling someone near me or

675

00:28:01,690 --> 00:27:59,450

they'll give ringing or buzzing in my

676

00:28:04,659 --> 00:28:01,700

ear my right ear I get this unusual

677

00:28:06,510 --> 00:28:04,669

humming sound or I'll hear my voice like

678

00:28:09,400 --> 00:28:06,520

I had said before they call sometimes

679

00:28:11,110 --> 00:28:09,410

like from far away and a singsong voice

680

00:28:14,440 --> 00:28:11,120

that sometimes almost like my mother's

681

00:28:16,960 --> 00:28:14,450

voice Donna I'll hear that inside my

682

00:28:19,390 --> 00:28:16,970

head and you know there's no one there

683

00:28:21,010 --> 00:28:19,400

but then they come to me later that

684

00:28:23,520 --> 00:28:21,020

night so they've learned they can give

685

00:28:26,350 --> 00:28:23,530

us an advance warning so if anyone else

686

00:28:27,940 --> 00:28:26,360

wants to be connected with aliens or

687

00:28:29,560 --> 00:28:27,950

wants to reach out to them but maybe

688

00:28:31,930 --> 00:28:29,570

it's a little scared over how to do it

689

00:28:33,760 --> 00:28:31,940

or what's going to happen ask them to

690

00:28:36,820 --> 00:28:33,770

tell you when they're coming give you a

691

00:28:38,500 --> 00:28:36,830

sign and that way when you go to sleep

692

00:28:40,810 --> 00:28:38,510

you're kind of expecting it and it's not

693

00:28:42,520 --> 00:28:40,820

quite so terrorizing if you wake up and

694

00:28:44,590 --> 00:28:42,530

they're there they're there next to your

695

00:28:46,870 --> 00:28:44,600

bed or they're taking you aboard a ship

696

00:28:48,490 --> 00:28:46,880

or something they they are learning to

697

00:28:53,049 --> 00:28:48,500

work with us as we're learning to work

698

00:28:55,210 --> 00:28:53,059

with him my main contact their other

699

00:28:57,790 --> 00:28:55,220

alien species have come and gone other

700

00:28:59,950 --> 00:28:57,800

ships have come and gone but the one

701
00:29:01,780 --> 00:28:59,960
constant has been quote the

702
00:29:05,530 --> 00:29:01,790
seven-foot-tall alien being

703
00:29:09,280 --> 00:29:05,540
and so I figure he's my guide my tour

704
00:29:11,260 --> 00:29:09,290
guide through this lifetime and I had a

705
00:29:14,350 --> 00:29:11,270
image one time that I would be standing

706
00:29:16,570 --> 00:29:14,360
and speaking to people I would be up on

707
00:29:18,970 --> 00:29:16,580
a stage which this was many years ago

708
00:29:20,380 --> 00:29:18,980
where I would never have dreamed that I

709
00:29:22,360 --> 00:29:20,390
would be talking about this

710
00:29:26,080 --> 00:29:22,370
anyone let alone in front of strangers

711
00:29:28,570 --> 00:29:26,090
and I was talking to people and I heard

712
00:29:29,800 --> 00:29:28,580
kind of a gasp from the audience and I

713
00:29:32,380 --> 00:29:29,810

turned around and there was Croats

714

00:29:35,200 --> 00:29:32,390

standing he's always slightly behind me

715

00:29:38,170 --> 00:29:35,210

into my right and I remember seeing him

716

00:29:40,600 --> 00:29:38,180

standing there you know flesh and blood

717

00:29:42,700 --> 00:29:40,610

and asking me I asked the audience you

718

00:29:44,920 --> 00:29:42,710

guys are seeing this too and everybody

719

00:29:45,940 --> 00:29:44,930

did and Crow wanted me to hug him in

720

00:29:47,650 --> 00:29:45,950

front of everyone

721

00:29:50,410 --> 00:29:47,660

because a seven-foot-tall praying mantis

722

00:29:54,040 --> 00:29:50,420

is creepy and scary and he didn't want

723

00:29:55,930 --> 00:29:54,050

anyone to be frightened and I was even a

724

00:29:57,400 --> 00:29:55,940

little taken aback because my

725

00:29:59,080 --> 00:29:57,410

interactions with them have been in

726

00:30:02,920 --> 00:29:59,090

another realm they haven't been in this

727

00:30:04,240 --> 00:30:02,930

actual physical realm so catching him or

728

00:30:06,970 --> 00:30:04,250

hugging him in this realm would be a

729

00:30:09,550 --> 00:30:06,980

whole different deal and I kind of took

730

00:30:11,920 --> 00:30:09,560

a step backwards and he stepped forward

731

00:30:16,150 --> 00:30:11,930

and engulfed me in a big hug with all

732

00:30:18,100 --> 00:30:16,160

six of those insect legs and he said to

733

00:30:20,170 --> 00:30:18,110

me the better to hug you with my dear

734

00:30:21,670 --> 00:30:20,180

and that just struck me on so many

735

00:30:23,080 --> 00:30:21,680

levels because of the little girl my

736

00:30:23,440 --> 00:30:23,090

favorite story was Little Red Riding

737

00:30:25,390 --> 00:30:23,450

Hood

738

00:30:27,670 --> 00:30:25,400

and my mother would read it to me with

739

00:30:29,110 --> 00:30:27,680

the voices of the wolf disguised as

740

00:30:30,640 --> 00:30:29,120

grandma saying the better to hear you

741

00:30:33,490 --> 00:30:30,650

with my dear the better to see you with

742

00:30:36,010 --> 00:30:33,500

my dear and he said that in his voice

743

00:30:38,190 --> 00:30:36,020

the better to hug you with my dear as he

744

00:30:41,170 --> 00:30:38,200

hugged me with this unconditional

745

00:30:44,080 --> 00:30:41,180

enveloping love that the aliens have for

746

00:30:46,990 --> 00:30:44,090

me and for you and for everyone in the

747

00:30:50,080 --> 00:30:47,000

world and it just that's when all the

748

00:30:52,930 --> 00:30:50,090

fear dissipated and I knew it was all

749

00:30:56,560 --> 00:30:52,940

about love and healing one of the things

750

00:30:59,010 --> 00:30:56,570

I find very interesting we all picture

751
00:31:03,160 --> 00:30:59,020
spaceships as being Hollywood inspired

752
00:31:05,470 --> 00:31:03,170
metal cold rockets shooting at each

753
00:31:09,060 --> 00:31:05,480
other and the ships I've been on are

754
00:31:12,370 --> 00:31:09,070
completely unlike that they're living

755
00:31:14,230 --> 00:31:12,380
entities the ships themselves house many

756
00:31:16,750 --> 00:31:14,240
living entities that the ship seemed to

757
00:31:19,360 --> 00:31:16,760
be alive also they're all around they're

758
00:31:21,850 --> 00:31:19,370
all around there and they're not metal

759
00:31:24,310 --> 00:31:21,860
they they may have white walls or clear

760
00:31:27,070 --> 00:31:24,320
walls but often they're more like an

761
00:31:29,320 --> 00:31:27,080
aquarium or a terrarium than what we

762
00:31:31,930 --> 00:31:29,330
would consider a spaceship they have

763
00:31:34,690 --> 00:31:31,940

plants they use plants as their air

764

00:31:39,090 --> 00:31:34,700

filters they have waterfalls

765

00:31:43,420 --> 00:31:39,100

to keep the humidity levels up they have

766

00:31:45,100 --> 00:31:43,430

all kinds of creatures but it's so

767

00:31:48,220 --> 00:31:45,110

different from what we expect from

768

00:31:50,860 --> 00:31:48,230

Hollywood it's alien it's it's just

769

00:31:53,020 --> 00:31:50,870

different one time they brought me home

770

00:31:54,610 --> 00:31:53,030

after being in a ship and they keep

771

00:31:56,470 --> 00:31:54,620

telling me their physics are different

772

00:31:57,280 --> 00:31:56,480

and I'm not a physicist so I don't

773

00:31:58,960 --> 00:31:57,290

understand

774

00:32:02,020 --> 00:31:58,970

a lot of that I know it's related to

775

00:32:05,080 --> 00:32:02,030

time travel and different you know

776

00:32:06,580 --> 00:32:05,090

things like that but they took me I was

777

00:32:09,490 --> 00:32:06,590

onboard a ship which they're immense

778

00:32:11,080 --> 00:32:09,500

they're huge they're massive and they

779

00:32:13,690 --> 00:32:11,090

brought me home and set me down in my

780

00:32:16,150 --> 00:32:13,700

living room and all of a sudden I was

781

00:32:18,070 --> 00:32:16,160

outside the ship and it was there in my

782

00:32:20,620 --> 00:32:18,080

living room and it was like around

783

00:32:21,970 --> 00:32:20,630

almost like a fishbowl and how could it

784

00:32:24,370 --> 00:32:21,980

be how could it be in my living room it

785

00:32:26,200 --> 00:32:24,380

was this massive enormous ship but in

786

00:32:28,180 --> 00:32:26,210

looking at it from the outside and they

787

00:32:29,320 --> 00:32:28,190

had made the walls clear for me and I

788

00:32:31,840 --> 00:32:29,330

could look in and it looked like an

789

00:32:35,020 --> 00:32:31,850

aquarium with seaweed and creatures

790

00:32:38,410 --> 00:32:35,030

swimming around and pulsating and

791

00:32:40,570 --> 00:32:38,420

glowing and multi colors have beautiful

792

00:32:44,620 --> 00:32:40,580

colors that they use with their species

793

00:32:46,060 --> 00:32:44,630

and they're decorating and before I knew

794

00:32:48,700 --> 00:32:46,070

it a gray was standing right next to me

795

00:32:50,050 --> 00:32:48,710

kind of admiring it with me like see

796

00:32:52,510 --> 00:32:50,060

what we do there they're kind of proud

797

00:32:54,190 --> 00:32:52,520

of what they do and then I have an

798

00:32:56,620 --> 00:32:54,200

aquarium I had an aquarium at that time

799

00:32:58,990 --> 00:32:56,630

in my living room and the gray turned to

800

00:33:02,050 --> 00:32:59,000

look at my aquarium and kind of like

801
00:33:04,630 --> 00:33:02,060
with a smirk like you know that's a

802
00:33:07,180 --> 00:33:04,640
human attempt but there's is so much

803
00:33:09,810 --> 00:33:07,190
better and so much grander but we're on

804
00:33:12,310 --> 00:33:09,820
the way we're on the way I feel like

805
00:33:13,840 --> 00:33:12,320
they may come from our future I'm not

806
00:33:15,970 --> 00:33:13,850
exactly sure when or where they come

807
00:33:19,360 --> 00:33:15,980
from I do think it might be from our

808
00:33:21,670 --> 00:33:19,370
future or a future and they're guiding

809
00:33:23,980 --> 00:33:21,680
us along the way and our aquariums are

810
00:33:27,880 --> 00:33:23,990
primitive attempt at what the future is

811
00:33:29,530 --> 00:33:27,890
spaceship could be like I I do have a

812
00:33:32,890 --> 00:33:29,540
website Donnellan Dreams

813
00:33:36,130 --> 00:33:32,900

Donnellan was taken so I decided to go

814

00:33:38,650 --> 00:33:36,140

with Donald in dreams comm Facebook

815

00:33:41,020 --> 00:33:38,660

Donal in dreams and Twitter and the name

816

00:33:42,270 --> 00:33:41,030

of my book is from fear to love my

817

00:33:44,860 --> 00:33:42,280

private journey

818

00:33:47,430 --> 00:33:44,870

it's basically my journals that I

819

00:33:48,520 --> 00:33:47,440

consolidated together and put them in a

820

00:33:50,080 --> 00:33:48,530

store

821

00:33:52,030 --> 00:33:50,090

that others could read and hopefully
