

UFO **HUB**

1
00:00:07,880 --> 00:00:23,190

[Music]

2
00:00:23,200 --> 00:00:26,440

you

3
00:00:33,700 --> 00:00:29,830

I'm Jane ul and seven

4
00:00:38,440 --> 00:00:33,710

two years old I lost my daughter 16

5
00:00:42,479 --> 00:00:38,450

years ago and she was 30 years old in a

6
00:00:45,040 --> 00:00:42,489

violent crime they put me on the path to

7
00:00:49,030 --> 00:00:45,050

be in the same room with this evil man

8
00:00:52,479 --> 00:00:49,040

over and over in adherence I've always

9
00:00:55,600 --> 00:00:52,489

been a spiritual person I was raised in

10
00:00:58,740 --> 00:00:55,610

a Mississippi Baptist Church where you

11
00:01:02,620 --> 00:00:58,750

were going to go to hell if you danced I

12
00:01:05,439 --> 00:01:02,630

loved dancing there were so many rules

13
00:01:10,060 --> 00:01:05,449

that I had trouble growing up and I kept

14

00:01:12,520 --> 00:01:10,070

thinking if I'm perfect they'll accept

15

00:01:14,230 --> 00:01:12,530

me if I'm perfect and everything will be

16

00:01:18,430 --> 00:01:14,240

okay if I'm perfect I'll go to heaven

17

00:01:25,150 --> 00:01:18,440

and that became impossible when I got to

18

00:01:27,550 --> 00:01:25,160

be 21 I took my first drink and it was a

19

00:01:29,859 --> 00:01:27,560

great friend to me because I wasn't

20

00:01:33,490 --> 00:01:29,869

afraid anymore I didn't I wasn't afraid

21

00:01:36,040 --> 00:01:33,500

of going to help in those moments and so

22

00:01:40,389 --> 00:01:36,050

I ended up becoming an alcoholic for

23

00:01:44,100 --> 00:01:40,399

eight years in a way that opened my eyes

24

00:01:47,080 --> 00:01:44,110

to a different type of higher power or

25

00:01:50,230 --> 00:01:47,090

Supreme Being or a divine person and

26

00:01:54,309 --> 00:01:50,240

entities as we might call it it's

27

00:01:57,040 --> 00:01:54,319

automatics it's something outside of

28

00:01:59,260 --> 00:01:57,050

myself that I can't see I can't you know

29

00:02:02,410 --> 00:01:59,270

that it's beyond the known in the scene

30

00:02:04,870 --> 00:02:02,420

it's something very powerful and what

31

00:02:09,430 --> 00:02:04,880

words are used to me whether it's God

32

00:02:13,059 --> 00:02:09,440

divine I know that UFOs are a big part

33

00:02:15,220 --> 00:02:13,069

of people knowing that there's something

34

00:02:17,320 --> 00:02:15,230

beyond us it's bigger than us it's

35

00:02:21,100 --> 00:02:17,330

trying to reach us

36

00:02:25,150 --> 00:02:21,110

and we come to it in different ways with

37

00:02:28,180 --> 00:02:25,160

different words and so when I got into

38

00:02:31,210 --> 00:02:28,190

an organized group for helping me with

39

00:02:32,920 --> 00:02:31,220

my alcoholism so first time it ever been

40

00:02:35,890 --> 00:02:32,930

introduced to me that it could be a God

41

00:02:39,520 --> 00:02:35,900

of my understanding and that began to

42

00:02:41,589 --> 00:02:39,530

free me and so for years at least I was

43

00:02:43,390 --> 00:02:41,599

trying to find a connection with this

44

00:02:46,179 --> 00:02:43,400

one entity

45

00:02:51,580 --> 00:02:46,189

as I understood him and how he was

46

00:02:55,240 --> 00:02:51,590

dealing with my life and but my concept

47

00:02:59,429 --> 00:02:55,250

of him was very linear it was me and him

48

00:03:02,860 --> 00:02:59,439

that was it me and God me and God and

49

00:03:06,220 --> 00:03:02,870

one day I got a phone call that my

50

00:03:10,420 --> 00:03:06,230

mother had died she was just 58 I was 38

51
00:03:14,140 --> 00:03:10,430
and I went to visit her friend and my

52
00:03:15,729 --> 00:03:14,150
friend there was several of us sitting

53
00:03:18,160 --> 00:03:15,739
around and this one man was telling a

54
00:03:20,259 --> 00:03:18,170
very interesting story and I was just

55
00:03:21,940 --> 00:03:20,269
enthralled in his story and my friend

56
00:03:26,289 --> 00:03:21,950
got up and turned off the lamp in front

57
00:03:28,179 --> 00:03:26,299
of me and the one behind me and but I

58
00:03:31,569 --> 00:03:28,189
just kept on listening to this man and

59
00:03:34,089 --> 00:03:31,579
when it was all over she said there was

60
00:03:36,670 --> 00:03:34,099
the most beautiful woman standing over

61
00:03:40,330 --> 00:03:36,680
you with her hands on your shoulders and

62
00:03:43,390 --> 00:03:40,340
she was smiling and she wasn't but five

63
00:03:46,420 --> 00:03:43,400

feet tall and she described her dress

64

00:03:48,580 --> 00:03:46,430

and this friend had never seen my mother

65

00:03:52,150 --> 00:03:48,590

and she described the dress that my

66

00:03:53,619 --> 00:03:52,160

mother had been buried in and so that

67

00:03:56,080 --> 00:03:53,629

opened me up to maybe there was another

68

00:04:00,039 --> 00:03:56,090

spiritual entity to all of this

69

00:04:07,149 --> 00:04:00,049

and so then one day after my daughter

70

00:04:10,210 --> 00:04:07,159

died I went to a holistic Expo and this

71

00:04:13,300 --> 00:04:10,220

one woman just caught my attention with

72

00:04:15,219 --> 00:04:13,310

her eyes and and I knew that I needed to

73

00:04:19,149 --> 00:04:15,229

talk to her and that was who I wanted to

74

00:04:23,070 --> 00:04:19,159

do a reading for me and I did not tell

75

00:04:26,230 --> 00:04:23,080

her for quite a while about my daughter

76

00:04:27,879 --> 00:04:26,240

but she kept telling me I did several

77

00:04:29,770 --> 00:04:27,889

readings with her through the years and

78

00:04:33,939 --> 00:04:29,780

she eventually became a spiritual mentor

79

00:04:37,060 --> 00:04:33,949

and so she at one time I ride a bike

80

00:04:39,040 --> 00:04:37,070

alot and I hate helmets I don't like

81

00:04:41,649 --> 00:04:39,050

things around my neck and I hate helmets

82

00:04:45,939 --> 00:04:41,659

and I'm pretty sure I must have been

83

00:04:47,379 --> 00:04:45,949

hung in a former life but anyway she was

84

00:04:48,969 --> 00:04:47,389

doing a reading and she said she just

85

00:04:51,879 --> 00:04:48,979

cracked that laughs and she didn't know

86

00:04:55,180 --> 00:04:51,889

I wrote about and she said I can just

87

00:04:56,990 --> 00:04:55,190

see Joanne for some reason riding on

88

00:05:01,430 --> 00:04:57,000

this bicycle with his huge

89

00:05:03,140 --> 00:05:01,440

going on and and it was Joann because I

90

00:05:07,070 --> 00:05:03,150

knew she was concerned that I rode

91

00:05:10,400 --> 00:05:07,080

without a helmet so that widened it to

92

00:05:13,430 --> 00:05:10,410

now I've got God the supreme I've got my

93

00:05:15,980 --> 00:05:13,440

mother I've got my daughter and so

94

00:05:19,340 --> 00:05:15,990

that's what riding my widened my focus

95

00:05:23,300 --> 00:05:19,350

into the spiritual world and then when

96

00:05:25,250 --> 00:05:23,310

when my daughter died I I went to a very

97

00:05:29,300 --> 00:05:25,260

dark place

98

00:05:31,010 --> 00:05:29,310

I had no beliefs anymore and had even

99

00:05:35,300 --> 00:05:31,020

wondered if what I told them growing up

100

00:05:37,340 --> 00:05:35,310

was right about it a loving God and then

101
00:05:41,600 --> 00:05:37,350
that at that period of time though I had

102
00:05:44,360 --> 00:05:41,610
I had a a way to choose how I was going

103
00:05:48,650 --> 00:05:44,370
to search for God and if I came a great

104
00:05:51,080 --> 00:05:48,660
searcher for God and through my search

105
00:05:53,900 --> 00:05:51,090
for God my daughter's been able to talk

106
00:05:56,900 --> 00:05:53,910
to me because I had to open my heart to

107
00:05:59,890 --> 00:05:56,910
get any help from the Supreme Being and

108
00:06:03,350 --> 00:05:59,900
it opened my heart to my daughter and

109
00:06:06,860 --> 00:06:03,360
she event she eventually taught me how

110
00:06:09,230 --> 00:06:06,870
to love myself and she would tell me you

111
00:06:11,330 --> 00:06:09,240
know if I go to nature that she can not

112
00:06:15,230 --> 00:06:11,340
only be with me but she can become the

113
00:06:18,710 --> 00:06:15,240

things I love and surround me and so

114

00:06:20,180 --> 00:06:18,720

that's when I got a sense of of there

115

00:06:22,790 --> 00:06:20,190

being something that's going to keep me

116

00:06:29,690 --> 00:06:22,800

safe and guided all around me at all

117

00:06:32,510 --> 00:06:29,700

times and from that point on I I'm very

118

00:06:35,600 --> 00:06:32,520

open I listen I know the everybody run

119

00:06:37,550 --> 00:06:35,610

into as a teacher for me and I've always

120

00:06:41,630 --> 00:06:37,560

got something to teach those to come to

121

00:06:44,510 --> 00:06:41,640

me and so on this human journey it's

122

00:06:46,969 --> 00:06:44,520

just an exploration an exploration for

123

00:06:50,930 --> 00:06:46,979

me to get closer to myself with the help

124

00:06:52,640 --> 00:06:50,940

of the angels and my higher problem the

125

00:06:54,909 --> 00:06:52,650

things that I've learned is that it's

126

00:06:59,240 --> 00:06:54,919

okay to be me as the biggest thing now

127

00:07:00,170 --> 00:06:59,250

I'm here for a reason and and I was made

128

00:07:02,960 --> 00:07:00,180

me for a reason

129

00:07:04,520 --> 00:07:02,970

and that I brought a mission with me and

130

00:07:07,370 --> 00:07:04,530

that's the biggest thing that I've

131

00:07:09,560 --> 00:07:07,380

learned on two levels

132

00:07:10,110 --> 00:07:09,570

I can accept that my daughter died and I

133

00:07:12,830 --> 00:07:10,120

know that it

134

00:07:14,850 --> 00:07:12,840

was pre-planned before we came down here

135

00:07:16,909 --> 00:07:14,860

but on a human level

136

00:07:20,400 --> 00:07:16,919

I hate and cry for my daughter sometimes

137

00:07:22,800 --> 00:07:20,410

and somebody even asked me once wouldn't

138

00:07:25,920 --> 00:07:22,810

it be great if you knew everything was

139

00:07:28,140 --> 00:07:25,930

okay and you didn't have to go through

140

00:07:30,840 --> 00:07:28,150

all this and I said well that's the

141

00:07:32,159 --> 00:07:30,850

whole reason I'm here if I knew your

142

00:07:33,750 --> 00:07:32,169

thing was going to be okay I would

143

00:07:36,900 --> 00:07:33,760

search I wouldn't believe I would have

144

00:07:40,170 --> 00:07:36,910

pay and so what gets me through the hard

145

00:07:43,320 --> 00:07:40,180

times is knowing that there's a reason

146

00:07:44,550 --> 00:07:43,330

for everything it's meant to be and

147

00:07:46,890 --> 00:07:44,560

that's been the biggest thing I've

148

00:07:51,029 --> 00:07:46,900

learned the other thing I've learned is

149

00:07:53,240 --> 00:07:51,039

that there's nobody in this world it

150

00:07:57,120 --> 00:07:53,250

isn't searching for the same things I am

151
00:08:01,110 --> 00:07:57,130
or understanding and peace and feeling

152
00:08:03,450 --> 00:08:01,120
safe and so love is the only way the two

153
00:08:05,820 --> 00:08:03,460
spirits connect so if I'm open with a

154
00:08:08,610 --> 00:08:05,830
loving heart it's going to be hard for

155
00:08:11,820 --> 00:08:08,620
them not to be open and loving also if

156
00:08:13,560 --> 00:08:11,830
they come and seek me out I have it

157
00:08:16,050 --> 00:08:13,570
guarded enough to where I can pretty

158
00:08:18,690 --> 00:08:16,060
well read people well if it's if it's

159
00:08:22,200 --> 00:08:18,700
ill intentions I can I can see that

160
00:08:23,670 --> 00:08:22,210
quickly but I always feel like that I'm

161
00:08:27,870 --> 00:08:23,680
teaching them and they're teaching me

162
00:08:31,800 --> 00:08:27,880
and the biggest thing I learned that you

163
00:08:33,659 --> 00:08:31,810

know to to embrace the joys and the

164

00:08:36,029 --> 00:08:33,669

sorrows they all have a purpose and

165

00:08:37,890 --> 00:08:36,039

that's there I guess there's a gift at

166

00:08:40,709 --> 00:08:37,900

the end of very experience if you let

167

00:08:43,949 --> 00:08:40,719

finish out before you make any judgment

168

00:08:48,210 --> 00:08:43,959

about it for someone that's on their

169

00:08:50,880 --> 00:08:48,220

discovery of their spiritual journey the

170

00:08:55,650 --> 00:08:50,890

best thing is not to push it with your

171

00:09:00,180 --> 00:08:55,660

mind to want it with open heart and to

172

00:09:02,940 --> 00:09:00,190

ask for it the desire for it and not be

173

00:09:04,110 --> 00:09:02,950

surprised at what that when it's going

174

00:09:07,769 --> 00:09:04,120

to come to you and how it's going to

175

00:09:09,180 --> 00:09:07,779

come to you to tear up any itinerary

176

00:09:12,420 --> 00:09:09,190

that you've got planned for your life

177

00:09:15,240 --> 00:09:12,430

and any way you think you're going to be

178

00:09:17,460 --> 00:09:15,250

communicated with and you're going to be

179

00:09:20,810 --> 00:09:17,470

very surprised at how the answers come

180

00:09:23,520 --> 00:09:20,820

and is your if you're just beginning

181

00:09:23,860 --> 00:09:23,530

you're going to be found more than your

182

00:09:30,190 --> 00:09:23,870

going to

183

00:09:33,579 --> 00:09:30,200

and open up the love for you but it's

184

00:09:35,290 --> 00:09:33,589

all your intention it's all your motive

185

00:09:38,440 --> 00:09:35,300

in what you're really asking for from

186

00:09:39,880 --> 00:09:38,450

your heart and then the rest of it

187

00:09:42,610 --> 00:09:39,890

you're going to be cured as long as

188

00:09:45,460 --> 00:09:42,620

you're being yourself then your mission

189

00:09:48,220 --> 00:09:45,470

is going to unfold and as long as you've

190

00:09:49,930 --> 00:09:48,230

got love in your heart you're going to

191

00:09:53,200 --> 00:09:49,940

experience more rapture than you ever

192

00:09:55,030 --> 00:09:53,210

believed you could for the family

193

00:09:57,269 --> 00:09:55,040

members that don't totally understand

194

00:10:02,920 --> 00:09:57,279

what I'm talking about or where I am I

195

00:10:05,650 --> 00:10:02,930

don't I don't argue with them I I am

196

00:10:07,960 --> 00:10:05,660

true to my own self in that I disclose

197

00:10:10,570 --> 00:10:07,970

only what I want to disclose to them and

198

00:10:12,490 --> 00:10:10,580

I've learned to discern the people I

199

00:10:16,090 --> 00:10:12,500

want to share my journey with so that it

200

00:10:18,160 --> 00:10:16,100

doesn't dilute what I'm feeling but the

201
00:10:20,980 --> 00:10:18,170
main thing that I do is I just don't I

202
00:10:24,430 --> 00:10:20,990
don't judge them and I don't try to win

203
00:10:27,460 --> 00:10:24,440
them over I feel like everybody's got

204
00:10:30,250 --> 00:10:27,470
their own path and for some reason this

205
00:10:36,360 --> 00:10:30,260
family was perfect for me and got me

206
00:10:41,199 --> 00:10:36,370
where I was supposed to be led and so I

207
00:10:43,930 --> 00:10:41,209
at some point in my heart thank them for

208
00:10:46,120 --> 00:10:43,940
being hard to live with because that's

209
00:10:49,199 --> 00:10:46,130
what brought me to a deeper

210
00:10:53,410 --> 00:10:49,209
understanding of what love is and

211
00:10:57,070 --> 00:10:53,420
there's probably I cannot think of one

212
00:11:01,930 --> 00:10:57,080
family member that fully understands

213
00:11:03,610 --> 00:11:01,940

where I am I have one aunt that's in a

214

00:11:06,790 --> 00:11:03,620

Mississippi Baptist Church that I love

215

00:11:07,600 --> 00:11:06,800

dearly and she loved me but she'd say

216

00:11:09,640 --> 00:11:07,610

why Janie

217

00:11:13,540 --> 00:11:09,650

and you know God wouldn't want you to

218

00:11:16,480 --> 00:11:13,550

say that or Janie you need to do this

219

00:11:18,190 --> 00:11:16,490

but I knew her intentions were well and

220

00:11:20,550 --> 00:11:18,200

I knew she loved me and that's why she

221

00:11:25,300 --> 00:11:20,560

was trying to guide me and direct me and

222

00:11:28,660 --> 00:11:25,310

so I just said I so appreciate your

223

00:11:31,870 --> 00:11:28,670

loving me that much to let me know what

224

00:11:34,840 --> 00:11:31,880

I found I found that most people say

225

00:11:36,280 --> 00:11:34,850

things that make them feel better a lot

226

00:11:37,720 --> 00:11:36,290

of times they'll say something that

227

00:11:40,629 --> 00:11:37,730

they're afraid not to

228

00:11:42,850 --> 00:11:40,639

believe or what to feel and a lot of

229

00:11:45,460 --> 00:11:42,860

times those are the things that family

230

00:11:48,759 --> 00:11:45,470

and friends can say to you so I guess

231

00:11:52,389 --> 00:11:48,769

the main thing is in sharing I try not

232

00:11:55,030 --> 00:11:52,399

to dilute it with people that that want

233

00:11:59,230 --> 00:11:55,040

to argue about how I am because I'm not

234

00:12:00,819 --> 00:11:59,240

going to be argued with at all the only

235

00:12:03,340 --> 00:12:00,829

other thing that I can think of that I

236

00:12:05,350 --> 00:12:03,350

would really like to cover is that

237

00:12:09,009 --> 00:12:05,360

everybody has got a mission and a

238

00:12:11,379 --> 00:12:09,019

purpose and there's two levels actually

239

00:12:13,960 --> 00:12:11,389

three levels of consciousness and living

240

00:12:16,960 --> 00:12:13,970

what is the divine which is what we're

241

00:12:19,300 --> 00:12:16,970

all trying to reach our spirit is a

242

00:12:21,850 --> 00:12:19,310

connection to the divine and we've got a

243

00:12:25,379 --> 00:12:21,860

yearning and then we've got the human

244

00:12:28,150 --> 00:12:25,389

body which is the greatest miracle that

245

00:12:29,800 --> 00:12:28,160

because they have been designed and

246

00:12:31,990 --> 00:12:29,810

invented and then we've got the

247

00:12:34,389 --> 00:12:32,000

transformation zone and that's what we

248

00:12:36,910 --> 00:12:34,399

live most of the time and I guess the

249

00:12:39,430 --> 00:12:36,920

main thing I want anybody starting out

250

00:12:41,920 --> 00:12:39,440

particularly is to know that once you

251

00:12:43,300 --> 00:12:41,930

get in that transformation zone there

252

00:12:45,100 --> 00:12:43,310

are times when you're going to feel lost

253

00:12:47,559 --> 00:12:45,110

and empty and feel like you're not doing

254

00:12:51,819 --> 00:12:47,569

something right but it's only because

255

00:12:53,949 --> 00:12:51,829

that that you're learning new ways of

256

00:12:55,750 --> 00:12:53,959

seeing the world you're learning to

257

00:12:58,150 --> 00:12:55,760

learn yourself in a different way and

258

00:13:00,009 --> 00:12:58,160

live a different way so your old methods

259

00:13:01,420 --> 00:13:00,019

and your old defenses and all of that

260

00:13:04,420 --> 00:13:01,430

are not going to help you anymore

261

00:13:07,689 --> 00:13:04,430

and you just have to make your vessel

262

00:13:11,019 --> 00:13:07,699

open for the need to come in so it's

263

00:13:13,870 --> 00:13:11,029

okay to be lost you'll find your way

264

00:13:16,569 --> 00:13:13,880

back just don't wander off the path too

265

00:13:17,949 --> 00:13:16,579

far I have two books that have been

266

00:13:21,040 --> 00:13:17,959

published the first one is called

267

00:13:23,050 --> 00:13:21,050

payment for passage and I wrote that

268

00:13:26,500 --> 00:13:23,060

with the intent of keeping my daughter's

269

00:13:28,870 --> 00:13:26,510

memory alive after she was dead I had no

270

00:13:32,500 --> 00:13:28,880

faith or any kind of beliefs anymore and

271

00:13:34,540 --> 00:13:32,510

to write that book I knew the name of it

272

00:13:37,030 --> 00:13:34,550

but my daughter was the one that finally

273

00:13:39,309 --> 00:13:37,040

came in into my and automatic writing

274

00:13:42,009 --> 00:13:39,319

and said mom don't worry about the

275

00:13:43,240 --> 00:13:42,019

content just write it and the meanings

276

00:13:45,550 --> 00:13:43,250

going to come to you it's for your

277

00:13:47,980 --> 00:13:45,560

healing first and so I wrote that book

278

00:13:50,660 --> 00:13:47,990

and found my spiritual beliefs again

279

00:13:54,170 --> 00:13:50,670

that we had together and

280

00:13:56,060 --> 00:13:54,180

so it's a chronicle of my life in my

281

00:13:59,180 --> 00:13:56,070

journey with my daughter before and

282

00:14:01,460 --> 00:13:59,190

after her death and she actually comes

283

00:14:04,100 --> 00:14:01,470

to me at one point and tells me the

284

00:14:07,100 --> 00:14:04,110

meaning of life and death the second

285

00:14:09,980 --> 00:14:07,110

book is embracing the human journey and

286

00:14:13,010 --> 00:14:09,990

this is a series of messages that I have

287

00:14:16,100 --> 00:14:13,020

gotten from her about the human journey

288

00:14:18,080 --> 00:14:16,110

from her heav'nly perspective and she

289

00:14:19,580 --> 00:14:18,090

not only has given me messages that I

290

00:14:23,030 --> 00:14:19,590

share in the book and share with the

291

00:14:24,860 --> 00:14:23,040

reader but at times she knew that since

292

00:14:27,470 --> 00:14:24,870

I'm a person that needs to experience

293

00:14:30,040 --> 00:14:27,480

things she would actually give me things

294

00:14:34,850 --> 00:14:30,050

to write down that I needed to do

295

00:14:37,190 --> 00:14:34,860

exercises spiritual exercises and so

296

00:14:39,920 --> 00:14:37,200

what I would do to find the answer was

297

00:14:42,770 --> 00:14:39,930

to follow those exercises and then in

298

00:14:44,810 --> 00:14:42,780

the book I share how I dealt with those

299

00:14:48,470 --> 00:14:44,820

exercises and how they changed me and

300

00:14:50,890 --> 00:14:48,480

what they did there is also ex spiritual

301
00:14:53,570 --> 00:14:50,900
exercises for the reader their questions

302
00:14:55,880 --> 00:14:53,580
very hard spiritual questions for the

303
00:14:57,740 --> 00:14:55,890
people's of ponder for a while you can

304
00:15:00,710 --> 00:14:57,750
take a while to read that book because

305
00:15:02,990 --> 00:15:00,720
there's sections on letting go there's

306
00:15:05,410 --> 00:15:03,000
there's sections on anything that might

307
00:15:08,780 --> 00:15:05,420
cause make it hard to be a human being

308
00:15:10,760 --> 00:15:08,790
you know it's great to think about and

309
00:15:13,550 --> 00:15:10,770
learn about the angels and other

310
00:15:15,410 --> 00:15:13,560
entities and all the bottom line is

311
00:15:15,890 --> 00:15:15,420
we've got to live as a human being down

312
00:15:18,200 --> 00:15:15,900
here

313
00:15:22,220 --> 00:15:18,210

and we live with ourselves more than

314

00:15:24,770 --> 00:15:22,230

anyone else and so this book is to carry

315

00:15:26,750 --> 00:15:24,780

the reader to a place where they're

316

00:15:28,550 --> 00:15:26,760

learning who they are and they start

317

00:15:31,760 --> 00:15:28,560

embracing the human journey with open

318

00:15:33,770 --> 00:15:31,770

arms I have a website where people can

319

00:15:37,220 --> 00:15:33,780

contact me and there's also a link to

320

00:15:40,850 --> 00:15:37,230

Facebook I have a blog and it's very

321

00:15:43,850 --> 00:15:40,860

simple it's Janie Wells calm and on that

322

00:15:45,980 --> 00:15:43,860

you'll find out about me you'll find out

323

00:15:48,500 --> 00:15:45,990

a bit more about my daughter a lot about

324

00:15:49,940 --> 00:15:48,510

the books you'll you'll get to review

325

00:15:53,110 --> 00:15:49,950

the books to see which one you might

326

00:15:57,200 --> 00:15:53,120

like and a blog that I invite readers to

327

00:15:58,970 --> 00:15:57,210

participate in but they can find just
