1
00:00:07,880 --> 00:00:23,190

[Music]

2
00:00:23,200 --> 00:00:26,160

you

3
00:00:31,840 --> 00:00:29,500

well thanks for coming thanks to KC

4
00:00:34,840 --> 00:00:31,850

Paragon father me it's my first time

5
00:00:38,620 --> 00:00:34,850

speaking I originally wasn't planning to

6
00:00:40,660 --> 00:00:38,630

to talk about anything I was just fine

7
00:00:43,000 --> 00:00:40,670

behind the camera interviewing all the

8
00:00:47,530 --> 00:00:43,010

other experiences and researchers and

9
00:00:50,530 --> 00:00:47,540

all that but contact for me has been

10
00:00:52,869 --> 00:00:50,540

ongoing and they always keep pushing me

11
00:00:55,119 --> 00:00:52,879

and keep giving me signs go talk go

12
00:00:56,799 --> 00:00:55,129

speak or talk is speak we're giving you

13
00:00:59,469 --> 00:00:56,809

this for a reason you have to go talk

14

00:01:01,380 --> 00:00:59,479

yes to go speak up like why me so I

15

00:01:04,329 --> 00:01:01,390

thought I did a good thing by just

16

00:01:08,140 --> 00:01:04,339

starting up your 4 hub it's a UFO hub

17

00:01:10,060 --> 00:01:08,150

net and I said well I'm just going to

18

00:01:12,610 --> 00:01:10,070

have you know all that you need to know

19

00:01:15,219 --> 00:01:12,620

in these videos I won't have to push

20

00:01:18,580 --> 00:01:15,229

anything on anyone people are interested

21

00:01:22,020 --> 00:01:18,590

in paranormal supernatural UFOs you name

22

00:01:25,600 --> 00:01:22,030

it there will be videos to watch and

23

00:01:29,679 --> 00:01:25,610

yeah it's been going on since late 2013

24

00:01:31,870 --> 00:01:29,689

but we're we are today so thanks for

25

00:01:34,480 --> 00:01:31,880

being here for my very first speech I

26

00:01:37,450 --> 00:01:34,490

guess well before I before I go on I

27

00:01:40,810 --> 00:01:37,460

actually have a little messages when of

28

00:01:45,069 --> 00:01:40,820

you know give to everyone what I will be

29

00:01:47,289 --> 00:01:45,079

talking about questions a lot questions

30

00:01:51,039 --> 00:01:47,299

on maybe almost anything you might have

31

00:01:53,349 --> 00:01:51,049

you know held as a true belief and it

32

00:01:54,880 --> 00:01:53,359

did that for me and so I just would like

33

00:01:55,599 --> 00:01:54,890

to let you know that whatever I'm

34

00:01:58,840 --> 00:01:55,609

talking about

35

00:02:00,789 --> 00:01:58,850

however convincing with however much

36

00:02:03,010 --> 00:02:00,799

conviction that I do it I just would

37

00:02:04,690 --> 00:02:03,020

like to know that I'm not attacking you

38

00:02:06,910 --> 00:02:04,700

or your personal beliefs because I've

39

00:02:08,950 --> 00:02:06,920

noticed just in my personal circles when

40

00:02:10,359 --> 00:02:08,960

people talk to me anytime I bring on

41

00:02:12,309 --> 00:02:10,369

something they'll question their

42

00:02:14,200 --> 00:02:12,319

religion or question the way they've

43

00:02:17,770 --> 00:02:14,210

been brought up they you know come get

44

00:02:20,110 --> 00:02:17,780

defensive so it's okay you can still go

45

00:02:22,240 --> 00:02:20,120

on have you beers after this and to go

46

00:02:24,550 --> 00:02:22,250

watch games and all that other stuff and

47

00:02:26,050 --> 00:02:24,560

just think of this 20 years from now is

48

00:02:30,430 --> 00:02:26,060

this one crazy do talking about

49

00:02:32,020 --> 00:02:30,440

something I didn't understand so what

50

00:02:34,030 --> 00:02:32,030

would that being said let's get into it

51
00:02:37,539 --> 00:02:34,040
what I what I specifically wanted to

52
00:02:38,830 --> 00:02:37,549
talk about is the actual process of

53
00:02:41,740 --> 00:02:38,840
contact

54
00:02:43,660 --> 00:02:41,750
and there's many things out there on the

55
00:02:47,890 --> 00:02:43,670
internet that you can go and watch and

56
00:02:50,199 --> 00:02:47,900
hear about and so so many races they're

57
00:02:53,760 --> 00:02:50,209
from all these planets this is what they

58
00:02:55,809 --> 00:02:53,770
eat this is what their ships look like

59
00:02:57,880 --> 00:02:55,819
everything and anything can possibly

60
00:03:00,100 --> 00:02:57,890
think of the Internet is saturated with

61
00:03:02,320 --> 00:03:00,110
it but it means something I've noticed

62
00:03:04,660 --> 00:03:02,330
that it didn't help me any as much

63
00:03:06,970 --> 00:03:04,670

knowledge as I've gained as much

64

00:03:08,559 --> 00:03:06,980

understanding that I've gained it's none

65

00:03:11,440 --> 00:03:08,569

of it touched on what I was going

66

00:03:14,770 --> 00:03:11,450

through and for me it's been a process

67

00:03:19,479 --> 00:03:14,780

for about since I was 15 I'm 33 years

68

00:03:22,300 --> 00:03:19,489

old now and each year I've grown a lot

69

00:03:26,110 --> 00:03:22,310

more understood a lot more and it

70

00:03:27,759 --> 00:03:26,120

sometimes it distance me from my friends

71

00:03:29,770 --> 00:03:27,769

and family but at the same time I

72

00:03:32,620 --> 00:03:29,780

gathered or gained new friends and

73

00:03:33,940 --> 00:03:32,630

family members that understood that at

74

00:03:42,339 --> 00:03:33,950

times they were going through the very

75

00:03:44,170 --> 00:03:42,349

same thing so the what I wanted to

76

00:03:48,400 --> 00:03:44,180

specifically talk about and this can be

77

00:03:50,560 --> 00:03:48,410

applied for the contact in general for

78

00:03:52,300 --> 00:03:50,570

the whole planet and it's just something

79

00:03:54,460 --> 00:03:52,310

that some few terms that I've coined

80

00:03:58,030 --> 00:03:54,470

myself it's basically the five stages of

81

00:03:59,800 --> 00:03:58,040

contact which is the consciousness touch

82

00:04:03,550 --> 00:03:59,810

and I explained to what it means later

83

00:04:06,520 --> 00:04:03,560

it's I know it sounds weird then stage

84

00:04:10,180 --> 00:04:06,530

two would be for a first contact then

85

00:04:12,970 --> 00:04:10,190

you have channeling and then stage four

86

00:04:15,210 --> 00:04:12,980

you'd had dreams and then stage five

87

00:04:19,840 --> 00:04:15,220

which would be eventual physical contact

88

00:04:21,789 --> 00:04:19,850

and I'll going to the details of why why

89

00:04:23,350 --> 00:04:21,799

those steps are necessary it's not

90

00:04:25,210 --> 00:04:23,360

something that they've come up with but

91

00:04:27,219 --> 00:04:25,220

because of my experiences and generally

92

00:04:30,370 --> 00:04:27,229

what I've seen that's been going on with

93

00:04:32,050 --> 00:04:30,380

different contactees I figured it's a

94

00:04:34,990 --> 00:04:32,060

process that people can relate to or

95

00:04:37,540 --> 00:04:35,000

against the side that we call our ego

96

00:04:40,960 --> 00:04:37,550

mind you always need steps and processes

97

00:04:46,000 --> 00:04:40,970

we need you know 10 steps or better you

98

00:04:48,580 --> 00:04:46,010

12 step program 3 steps to finding a new

99

00:04:51,370 --> 00:04:48,590

job you always like this 1 2 3 type

100

00:04:51,999 --> 00:04:51,380

steps and so I figured well why not turn

101
00:04:54,040 --> 00:04:52,009
this into an

102
00:04:56,109 --> 00:04:54,050
the step thing now these things

103
00:04:56,350 --> 00:04:56,119
individually have existed for quite some

104
00:04:59,559 --> 00:04:56,360
time

105
00:05:02,649 --> 00:04:59,569
you have Chandler's there have been

106
00:05:04,749 --> 00:05:02,659
channeling since 16 15 century during

107
00:05:08,200 --> 00:05:04,759
this there's been books about them and

108
00:05:11,290 --> 00:05:08,210
they always went by different names you

109
00:05:13,029 --> 00:05:11,300
have dreams where people would talk

110
00:05:16,029 --> 00:05:13,039
about dreams and saying oh I dreamt

111
00:05:17,950 --> 00:05:16,039
about my dead grandmother or my dead

112
00:05:20,439 --> 00:05:17,960
father and they've come to me and given

113
00:05:24,549 --> 00:05:20,449

me some messages and that help me out or

114

00:05:27,369 --> 00:05:24,559

something and then you have first

115

00:05:29,769 --> 00:05:27,379

contact specifically which would be

116

00:05:32,439 --> 00:05:29,779

people that would say I was driving down

117

00:05:36,549 --> 00:05:32,449

the highway and I saw a ship fly by or I

118

00:05:38,409 --> 00:05:36,559

saw an alien just appeared in front of

119

00:05:40,059 --> 00:05:38,419

me and they told me they're calm and

120

00:05:42,070 --> 00:05:40,069

peace and you know you have all these

121

00:05:43,209 --> 00:05:42,080

general stories that you'll get out

122

00:05:46,480 --> 00:05:43,219

there on the Internet

123

00:05:48,279 --> 00:05:46,490

and then what I specifically want to

124

00:05:51,659 --> 00:05:48,289

also set out with which obviously is

125

00:05:56,739 --> 00:05:51,669

number one is the consciousness touch

126

00:05:59,920 --> 00:05:56,749

and what I mean by that and I hope I

127

00:06:03,129 --> 00:05:59,930

don't pick anybody out contact has

128

00:06:09,459 --> 00:06:03,139

already occurred contact has been going

129

00:06:11,469 --> 00:06:09,469

on for a few decades for now we've child

130

00:06:13,719 --> 00:06:11,479

I'm still trying to ask him trying to

131

00:06:16,679 --> 00:06:13,729

figure out when it exactly happened but

132

00:06:18,939 --> 00:06:16,689

the way they describe is that our

133

00:06:22,420 --> 00:06:18,949

consciousness the way we operate on this

134

00:06:24,850 --> 00:06:22,430

level what we call our reality is very

135

00:06:27,239 --> 00:06:24,860

engrained in certain rules very

136

00:06:30,939 --> 00:06:27,249

ingrained in such a certain procedures

137

00:06:34,509 --> 00:06:30,949

for example we have you know presume the

138

00:06:36,189 --> 00:06:34,519

stage and you can touch just the podium

139

00:06:38,469 --> 00:06:36,199

and you know it's wood do you have the

140

00:06:40,570 --> 00:06:38,479

chair you can sit down on it and it's

141

00:06:43,480 --> 00:06:40,580

and you're very sure that that's a chair

142

00:06:46,449 --> 00:06:43,490

I'm walking on the ground there's a door

143

00:06:48,579 --> 00:06:46,459

these walls are here so I always have to

144

00:06:50,829 --> 00:06:48,589

go through the door and so our minds

145

00:06:53,739 --> 00:06:50,839

always have these rules that we hold

146

00:06:54,850 --> 00:06:53,749

ourselves by we follow these rules we

147

00:06:57,189 --> 00:06:54,860

have to if we want to go somewhere

148

00:06:59,230 --> 00:06:57,199

belong distances we have to use some

149

00:07:03,249 --> 00:06:59,240

kind of vehicle whether it be bike a car

150

00:07:05,839 --> 00:07:03,259

they are playing you name it so

151
00:07:08,959 --> 00:07:05,849
what happened was when their

152
00:07:12,950 --> 00:07:08,969
consciousness sort of met ours we

153
00:07:14,839 --> 00:07:12,960
weren't quite ready for it and you can

154
00:07:17,799 --> 00:07:14,849
see that in the movies movies you can

155
00:07:21,100 --> 00:07:17,809
kind of look at as the collective

156
00:07:23,929 --> 00:07:21,110
representation of a subconscious and

157
00:07:26,299 --> 00:07:23,939
that initial change in this and that

158
00:07:30,709 --> 00:07:26,309
vibration between theirs and ours has

159
00:07:33,230 --> 00:07:30,719
been always met with hostility every

160
00:07:34,999 --> 00:07:33,240
every alien movie will watch nowadays

161
00:07:37,909 --> 00:07:35,009
it's always something about their coming

162
00:07:40,249 --> 00:07:37,919
to attack to come and to take over they

163
00:07:42,139 --> 00:07:40,259

want our resources and all these movies

164

00:07:44,600 --> 00:07:42,149

are fun to watch but it's actually a

165

00:07:47,299 --> 00:07:44,610

representation of how we collectively

166

00:07:49,010 --> 00:07:47,309

are how we perceive that difference in

167

00:07:51,139 --> 00:07:49,020

that energy so it's something

168

00:07:53,360 --> 00:07:51,149

threatening to us we don't understand it

169

00:07:56,929 --> 00:07:53,370

so we applied these symbols to it and

170

00:08:01,070 --> 00:07:56,939

these symbols are like the movies and

171

00:08:02,089 --> 00:08:01,080

even many times form contactees it was

172

00:08:06,350 --> 00:08:02,099

something that I was going through

173

00:08:08,989 --> 00:08:06,360

myself before I kind of break contact of

174

00:08:11,839 --> 00:08:08,999

a broke apart from from the specific

175

00:08:13,730 --> 00:08:11,849

religion I started growing up in a

176

00:08:16,760 --> 00:08:13,740

Muslim family so they have their own

177

00:08:18,829 --> 00:08:16,770

beliefs about Allah and demons and all

178

00:08:20,839 --> 00:08:18,839

these other things and although I was

179

00:08:24,139 --> 00:08:20,849

questioned it it always thought that I

180

00:08:26,179 --> 00:08:24,149

was independently you know thinking about

181

00:08:28,159 --> 00:08:26,189

independently for myself and I knew

182

00:08:29,809 --> 00:08:28,169

exactly which way I want to go I want to

183

00:08:32,170 --> 00:08:29,819

researches for myself I don't want to

184

00:08:34,819 --> 00:08:32,180

just take someone else's word for it

185

00:08:38,480 --> 00:08:34,829

it's still affected me a great deal and

186

00:08:42,110 --> 00:08:38,490

what happened initially was when these

187

00:08:44,149 --> 00:08:42,120

different changes start occurring when

188

00:08:46,579 --> 00:08:44,159

you just their physical presence it

189

00:08:48,949 --> 00:08:46,589

could be some way from here to that door

190

00:08:52,930 --> 00:08:48,959

it already starts to affect you you

191

00:08:56,389 --> 00:08:52,940

start to almost go into this process of

192

00:08:58,309 --> 00:08:56,399

like you're dreaming you would stop and

193

00:08:59,780 --> 00:08:58,319

see is this really what's going on you

194

00:09:01,280 --> 00:08:59,790

know you would you would all the sudden

195

00:09:03,769 --> 00:09:01,290

question the things that you know for a

196

00:09:06,230 --> 00:09:03,779

fact are real and you can touch just

197

00:09:08,269 --> 00:09:06,240

within that that proximity you start to

198

00:09:11,660 --> 00:09:08,279

question your own reality also wait am I

199

00:09:13,610 --> 00:09:11,670

still dreaming or am I you know awake or

200

00:09:16,910 --> 00:09:13,620

what what just happened so the closer

201

00:09:19,460 --> 00:09:16,920

and closer they get physically

202

00:09:21,650 --> 00:09:19,470

we start to get all these things that

203

00:09:23,720 --> 00:09:21,660

come up from within us that we've been

204

00:09:26,600 --> 00:09:23,730

hiding individually and collectively

205

00:09:28,430 --> 00:09:26,610

from ourselves and there are all those

206

00:09:33,590 --> 00:09:28,440

things you know you've heard before

207

00:09:35,780 --> 00:09:33,600

we're all one for example the you know

208

00:09:37,610 --> 00:09:35,790

the only true thing that exists out

209

00:09:40,430 --> 00:09:37,620

there is love you know all these things

210

00:09:42,050 --> 00:09:40,440

we'll always heard about but we just

211

00:09:44,600 --> 00:09:42,060

hear it it sounds great and we'll leave

212

00:09:47,090 --> 00:09:44,610

it be it's not something that we sit and

213

00:09:48,920 --> 00:09:47,100

ponder about and feel about it and say

214

00:09:51,379 --> 00:09:48,930

how does this apply to me we don't

215

00:09:55,370 --> 00:09:51,389

usually do that in our personal lives or

216

00:09:56,930 --> 00:09:55,380

at least most people don't and so the

217

00:09:59,509 --> 00:09:56,940

clothes thing clothes today they get to

218

00:10:02,600 --> 00:09:59,519

you it's something that that's been

219

00:10:05,060 --> 00:10:02,610

happening to me specifically they will

220

00:10:07,550 --> 00:10:05,070

come to a point and then they would stop

221

00:10:10,069 --> 00:10:07,560

they'll come to a point and we'll stop

222

00:10:13,340 --> 00:10:10,079

so I would always be left right there

223

00:10:15,920 --> 00:10:13,350

right in that right on that cusp between

224

00:10:18,319 --> 00:10:15,930

my reality and theirs to where I would

225

00:10:21,110 --> 00:10:18,329

officially see something or officially

226

00:10:23,840 --> 00:10:21,120

make contact with something and so then

227

00:10:24,769 --> 00:10:23,850

I would go to bed and then I would then

228

00:10:26,810 --> 00:10:24,779

all of a sudden get all these

229

00:10:29,150 --> 00:10:26,820

visitations and all these different

230

00:10:31,579 --> 00:10:29,160

beings they would you know appear and

231

00:10:33,470 --> 00:10:31,589

talk and discuss things and things I'm

232

00:10:36,139 --> 00:10:33,480

supposed to know about I'm very well

233

00:10:38,780 --> 00:10:36,149

aware of things I'm not supposed to know

234

00:10:41,000 --> 00:10:38,790

it seems like that the ego they add add

235

00:10:42,680 --> 00:10:41,010

none that I am would almost be kind of

236

00:10:44,060 --> 00:10:42,690

pushed aside and different version of me

237

00:10:46,519 --> 00:10:44,070

would come out and discuss things with

238

00:10:49,340 --> 00:10:46,529

them and then it goes away and I get to

239

00:10:50,509 --> 00:10:49,350

again interact with them now in the

240

00:10:52,970 --> 00:10:50,519

beginning I always thought that there

241

00:10:55,970 --> 00:10:52,980

was something very deceitful about it

242

00:10:58,400 --> 00:10:55,980

that it was something you know that it

243

00:11:03,559 --> 00:10:58,410

wasn't fair if I was felt left behind

244

00:11:05,840 --> 00:11:03,569

and as as time progressed I started to

245

00:11:07,910 --> 00:11:05,850

understand that I was not supposed to

246

00:11:10,400 --> 00:11:07,920

know certain information at this time at

247

00:11:14,090 --> 00:11:10,410

least the portion of me that's called

248

00:11:15,769 --> 00:11:14,100

admin the one that thinks you know he

249

00:11:18,259 --> 00:11:15,779

was born in Bosnia grew up in Germany

250

00:11:20,569 --> 00:11:18,269

now lives in the United States has all

251
00:11:23,030 --> 00:11:20,579
these weird experiences started website

252
00:11:25,430 --> 00:11:23,040
about UFOs that's all the the side of

253
00:11:27,860 --> 00:11:25,440
the the ego side of Adnan there's a

254
00:11:29,340 --> 00:11:27,870
whole portion of me and every single one

255
00:11:32,130 --> 00:11:29,350
of us has that

256
00:11:34,260 --> 00:11:32,140
that is there is constantly talking to

257
00:11:37,080 --> 00:11:34,270
us is constantly guiding us it's the one

258
00:11:42,440 --> 00:11:37,090
that came to learn certain experiences

259
00:11:45,480 --> 00:11:42,450
in life and this experiences could be

260
00:11:47,790 --> 00:11:45,490
could be as simple as you know being

261
00:11:50,130 --> 00:11:47,800
being a poor man on the street in India

262
00:11:52,620 --> 00:11:50,140
and simply living out a life like that

263
00:11:55,170 --> 00:11:52,630

now when we think about that and from

264

00:11:57,450 --> 00:11:55,180

our point of view it's a that's a pretty

265

00:11:59,400 --> 00:11:57,460

messed-up way to be that's you know why

266

00:12:01,830 --> 00:11:59,410

would anyone choose to be poor and live

267

00:12:03,300 --> 00:12:01,840

out an entire life in poverty but when

268

00:12:06,750 --> 00:12:03,310

you understand it from a higher point of

269

00:12:08,730 --> 00:12:06,760

view before you come here you already

270

00:12:10,620 --> 00:12:08,740

and you know you understand what's going

271

00:12:12,900 --> 00:12:10,630

on you understand how the game is going

272

00:12:14,700 --> 00:12:12,910

to be played you understand who your

273

00:12:18,390 --> 00:12:14,710

parents are going to be you understand

274

00:12:20,580 --> 00:12:18,400

the path you want to take and so it all

275

00:12:22,530 --> 00:12:20,590

looks nice and easy you know looking at

276

00:12:25,470 --> 00:12:22,540

the plan from top but then when you're

277

00:12:27,240 --> 00:12:25,480

within this the sight of this plane you

278

00:12:30,000 --> 00:12:27,250

forget about that as part of that game

279

00:12:31,890 --> 00:12:30,010

it's part of you know you you have this

280

00:12:34,410 --> 00:12:31,900

what's called the ego creation you've

281

00:12:35,970 --> 00:12:34,420

become you know baby you have you know

282

00:12:38,580 --> 00:12:35,980

get your food you learn how to walk how

283

00:12:41,490 --> 00:12:38,590

to talk learn a specific language that

284

00:12:43,920 --> 00:12:41,500

that you have to learn in your case it

285

00:12:47,760 --> 00:12:43,930

would be English in my case Bosnian and

286

00:12:51,780 --> 00:12:47,770

German and English later on and so you

287

00:12:55,160 --> 00:12:51,790

basically have all these things there

288

00:12:58,920 --> 00:12:55,170

are not so much tests it's mainly

289

00:13:00,480 --> 00:12:58,930

experiences to be had and I was always

290

00:13:03,210 --> 00:13:00,490

wondering about I said what's the point

291

00:13:05,250 --> 00:13:03,220

of these experiences then why it seems

292

00:13:06,960 --> 00:13:05,260

almost kind of pointless if you already

293

00:13:09,720 --> 00:13:06,970

know all that you need to know and you

294

00:13:10,890 --> 00:13:09,730

already you know why calm down and kind

295

00:13:16,970 --> 00:13:10,900

of revert backwards

296

00:13:20,790 --> 00:13:16,980

well the way I the way I excel fwah I

297

00:13:23,460 --> 00:13:20,800

came across a it comes to the channeling

298

00:13:26,940 --> 00:13:23,470

specifically came across a Darrell Inca

299

00:13:29,880 --> 00:13:26,950

and he channeled Bashara and that was

300

00:13:32,100 --> 00:13:29,890

very different at that time for me from

301
00:13:33,930 --> 00:13:32,110
what I was hearing about UFOs because

302
00:13:36,480 --> 00:13:33,940
initially I started out I want to know

303
00:13:38,100 --> 00:13:36,490
about you know how fast they fly what

304
00:13:40,590 --> 00:13:38,110
kind of material they made out of

305
00:13:41,440 --> 00:13:40,600
you know do they literally a thought

306
00:13:47,560 --> 00:13:41,450
that I had

307
00:13:52,180 --> 00:13:47,570
do they use balsa rivets you know and so

308
00:13:54,070 --> 00:13:52,190
as time went on you know I had to I was

309
00:13:55,300 --> 00:13:54,080
constantly being pulled you know

310
00:13:57,870 --> 00:13:55,310
speaking of your higher-self

311
00:14:00,580 --> 00:13:57,880
in to look at the paranormal look at the

312
00:14:03,370 --> 00:14:00,590
supernatural look at the the ethereal

313
00:14:05,680 --> 00:14:03,380

type stuff no no I want your folks

314

00:14:07,330 --> 00:14:05,690

I want the hard stuff you know give me

315

00:14:08,710 --> 00:14:07,340

give me the aliens though the

316

00:14:10,840 --> 00:14:08,720

cool-looking ones the ones with two

317

00:14:14,740 --> 00:14:10,850

heads and four legs you know and all

318

00:14:16,810 --> 00:14:14,750

kinds of stuff and it just kept

319

00:14:21,760 --> 00:14:16,820

diverting me back to that back to that

320

00:14:23,590 --> 00:14:21,770

so when I came across Bashar I was they

321

00:14:25,990 --> 00:14:23,600

would it was really weird they would

322

00:14:28,420 --> 00:14:26,000

this being that's called bashar is

323

00:14:31,420 --> 00:14:28,430

claimed to be one of the five hybrid

324

00:14:33,460 --> 00:14:31,430

racess which basically is you've probably

325

00:14:35,140 --> 00:14:33,470

heard about all the jokes about anal

326

00:14:37,060 --> 00:14:35,150

probing and all that other stuff about

327

00:14:40,650 --> 00:14:37,070

the Grace and the stuff that they

328

00:14:43,620 --> 00:14:40,660

generally what we know them to do and

329

00:14:46,030 --> 00:14:43,630

they behind that it's actually a a

330

00:14:49,420 --> 00:14:46,040

program that's been going on for quite a

331

00:14:52,360 --> 00:14:49,430

while now but what blew my mind is that

332

00:14:54,760 --> 00:14:52,370

that program is not anything against our

333

00:14:57,100 --> 00:14:54,770

will and this is the first time that

334

00:14:59,200 --> 00:14:57,110

have to bring up that in case any of you

335

00:15:01,420 --> 00:14:59,210

had experiences I'm only speaking from

336

00:15:03,310 --> 00:15:01,430

my point of view so I'm not diminishing

337

00:15:06,910 --> 00:15:03,320

anyone's experience in this room if you

338

00:15:09,010 --> 00:15:06,920

have had them we all make these

339

00:15:11,350 --> 00:15:09,020

different plants with these different

340

00:15:14,410 --> 00:15:11,360

beings because two they're only

341

00:15:16,060 --> 00:15:14,420

appearing to be alien to us but what

342

00:15:19,270 --> 00:15:16,070

they're actually are for lack of a

343

00:15:21,700 --> 00:15:19,280

better word is simply spirit and they

344

00:15:23,320 --> 00:15:21,710

can have different forms there's certain

345

00:15:26,470 --> 00:15:23,330

groups of spirits that get together and

346

00:15:28,240 --> 00:15:26,480

I guess we call them race another group

347

00:15:30,310 --> 00:15:28,250

of spirits you know we'll call them the

348

00:15:33,550 --> 00:15:30,320

Pleiadians and there's another group of

349

00:15:35,470 --> 00:15:33,560

spirits we call themselves human and so

350

00:15:37,600 --> 00:15:35,480

each one of these is having their own

351

00:15:46,420 --> 00:15:37,610

individual experiences in their own way

352

00:15:51,360 --> 00:15:46,430

so what happened was that the the

353

00:15:59,650 --> 00:15:53,710

trying to find a good way to put to see

354

00:16:02,190 --> 00:15:59,660

you guys so when they come down to to

355

00:16:04,900 --> 00:16:02,200

help they will talk about these very

356

00:16:07,270 --> 00:16:04,910

spiritual type things which threw me off

357

00:16:09,070 --> 00:16:07,280

they will discuss things with people and

358

00:16:11,080 --> 00:16:09,080

I'm talking about channeling

359

00:16:14,830 --> 00:16:11,090

specifically they would make agreements

360

00:16:16,540 --> 00:16:14,840

with the with the human to basically do

361

00:16:18,430 --> 00:16:16,550

the channeling at the time when they're

362

00:16:21,070 --> 00:16:18,440

ready and they would come through and

363

00:16:23,620 --> 00:16:21,080

discuss all these ideas and I was always

364

00:16:25,660 --> 00:16:23,630

confused about okay well we want content

365

00:16:27,430 --> 00:16:25,670

we want physical contact why are you

366

00:16:29,830 --> 00:16:27,440

talking to me about my relationship with

367

00:16:32,740 --> 00:16:29,840

my mother you know it's like I want

368

00:16:35,950 --> 00:16:32,750

contact why are you discussing my place

369

00:16:39,070 --> 00:16:35,960

at work and it didn't initially make

370

00:16:45,370 --> 00:16:39,080

sense but as I was listening more and

371

00:16:49,390 --> 00:16:45,380

more I understood that by changing who

372

00:16:52,240 --> 00:16:49,400

we are not not for not not I don't mean

373

00:16:54,670 --> 00:16:52,250

to change to be someone else but to

374

00:16:57,430 --> 00:16:54,680

become truly who we are to become the

375

00:16:59,260 --> 00:16:57,440

full beings that we can be it requires

376

00:17:01,720 --> 00:16:59,270

to look at all these aspects of our

377

00:17:03,579 --> 00:17:01,730

lives so if we have some issues with

378

00:17:06,790 --> 00:17:03,589

certain friends if we have some issues

379

00:17:09,040 --> 00:17:06,800

with coworkers work environment whatever

380

00:17:12,490 --> 00:17:09,050

it may be it's important to work on

381

00:17:15,760 --> 00:17:12,500

those to come to a to a understanding

382

00:17:17,740 --> 00:17:15,770

between each other so that you can then

383

00:17:20,829 --> 00:17:17,750

learn the lesson that you need to learn

384

00:17:23,980 --> 00:17:20,839

and by doing that your vibration gets

385

00:17:26,590 --> 00:17:23,990

raised and that's that's the key

386

00:17:28,690 --> 00:17:26,600

when it comes to contact with aliens as

387

00:17:30,940 --> 00:17:28,700

we call them because the more you work

388

00:17:32,950 --> 00:17:30,950

on yourself and the more you you work

389

00:17:35,710 --> 00:17:32,960

towards bettering your life and

390

00:17:37,150 --> 00:17:35,720

understanding that you know there

391

00:17:39,820 --> 00:17:37,160

there's really no enemies out there

392

00:17:42,580 --> 00:17:39,830

there's just other people that trying to

393

00:17:44,590 --> 00:17:42,590

find the truth the same way you are some

394

00:17:47,170 --> 00:17:44,600

of them have gone far left some have

395

00:17:50,320 --> 00:17:47,180

gone far right but we are learning in

396

00:17:52,410 --> 00:17:50,330

our own separate ways so by

397

00:17:55,210 --> 00:17:52,420

understanding that raises your vibration

398

00:17:57,880 --> 00:17:55,220

so when your vibration is raised it

399

00:18:00,340 --> 00:17:57,890

makes it a lot easier now to deal with

400

00:18:01,299 --> 00:18:00,350

theirs because they because we like our

401
00:18:03,789 --> 00:18:01,309
you know

402
00:18:06,519 --> 00:18:03,799
speaking linearly they have to lower

403
00:18:10,480 --> 00:18:06,529
their vibration to meet up with ours

404
00:18:12,820 --> 00:18:10,490
if we best want to interact with them we

405
00:18:14,499 --> 00:18:12,830
simply go to sleep and trust that the

406
00:18:16,239 --> 00:18:14,509
dreams and interactions you're having in

407
00:18:19,779 --> 00:18:16,249
them it's an actual interaction you're

408
00:18:22,419 --> 00:18:19,789
having with other entities but we don't

409
00:18:23,919 --> 00:18:22,429
look at dreams in the same way look at

410
00:18:27,190 --> 00:18:23,929
dreams there's something as just the

411
00:18:28,629 --> 00:18:27,200
process of our brains it's a process of

412
00:18:32,320 --> 00:18:28,639
what's we've experienced the day before

413
00:18:33,970 --> 00:18:32,330

and so that's not real it's just all you

414

00:18:35,560 --> 00:18:33,980

know in my head and you wake up and

415

00:18:38,739 --> 00:18:35,570

you're like all right let's go go about

416

00:18:40,690 --> 00:18:38,749

our day but actually there's a lot of

417

00:18:43,239 --> 00:18:40,700

contact and a lot of interactions going

418

00:18:46,350 --> 00:18:43,249

on in our dreams so I will sleep during

419

00:18:49,029 --> 00:18:46,360

this period of contact even because

420

00:18:50,830 --> 00:18:49,039

because of the defence of migration and

421

00:18:55,049 --> 00:18:50,840

because of where we are they were

422

00:18:57,999 --> 00:18:55,059

constantly through channeling through

423

00:19:00,999 --> 00:18:58,009

contacting people that are that have

424

00:19:03,129 --> 00:19:01,009

made previous agreements to contact to

425

00:19:05,470 --> 00:19:03,139

be contacted interact with them so

426

00:19:06,879 --> 00:19:05,480

example to talk about these different

427

00:19:09,279 --> 00:19:06,889

racers to give us the specific

428

00:19:11,919 --> 00:19:09,289

information they have been already

429

00:19:14,019 --> 00:19:11,929

designed with a certain vibration to be

430

00:19:16,720 --> 00:19:14,029

able to meet with them but majority of

431

00:19:18,460 --> 00:19:16,730

us are not ready and that's what's so

432

00:19:21,820 --> 00:19:18,470

difficult to understand because I

433

00:19:25,590 --> 00:19:21,830

absolutely love the subject I do it

434

00:19:27,970 --> 00:19:25,600

regardless the UFO hub and I wanted to I

435

00:19:30,399 --> 00:19:27,980

wanted to set it up and ways to where

436

00:19:32,619 --> 00:19:30,409

people can access what I do with your 4

437

00:19:39,159 --> 00:19:32,629

hub for free and thankfully it's YouTube

438

00:19:42,580 --> 00:19:39,169

it's possible and so having that that

439

00:19:44,230 --> 00:19:42,590

platform basically would allow to

440

00:19:48,070 --> 00:19:44,240

just to get other people to get their

441

00:19:53,200 --> 00:19:48,080

vibration raised but I I was constantly

442

00:19:55,989 --> 00:19:53,210

I was constantly given a challenge and

443

00:19:57,549 --> 00:19:55,999

and they bring it up as called I guess

444

00:20:00,909 --> 00:19:57,559

for lack of a better word it's called a

445

00:20:02,619 --> 00:20:00,919

frequency going back to what what I was

446

00:20:04,480 --> 00:20:02,629

trying to explain earlier I would have

447

00:20:06,639 --> 00:20:04,490

certain a level of experiences it would

448

00:20:08,769 --> 00:20:06,649

lead up to a lead up to it and then it

449

00:20:10,029 --> 00:20:08,779

would stop I wouldn't I wouldn't

450

00:20:12,639 --> 00:20:10,039

actually go through the actual physical

451
00:20:14,740 --> 00:20:12,649
content like to give you an example I

452
00:20:17,890 --> 00:20:14,750
was coming home from

453
00:20:21,130 --> 00:20:17,900
from a UFO meeting actually in San Luis

454
00:20:23,080 --> 00:20:21,140
and I lived about an hour outside of San

455
00:20:24,820 --> 00:20:23,090
Luis at that time and so I've been

456
00:20:26,740 --> 00:20:24,830
begging for contact I mean I was like

457
00:20:28,540 --> 00:20:26,750
come on guys I've been in this since I

458
00:20:30,490 --> 00:20:28,550
was 15 just come on down what's the big

459
00:20:34,060 --> 00:20:30,500
deal is my head did to meet you you know

460
00:20:37,450 --> 00:20:34,070
and so in my dreams I would always have

461
00:20:40,420 --> 00:20:37,460
these visions of UFOs landing near force

462
00:20:41,890 --> 00:20:40,430
landing and then I would wake up in the

463
00:20:44,380 --> 00:20:41,900

middle of the night and I'll say okay

464

00:20:45,940 --> 00:20:44,390

well all right I get it I realize not to

465

00:20:48,460 --> 00:20:45,950

judge it that's just a dream that was

466

00:20:51,220 --> 00:20:48,470

supposed to be some kind of message so I

467

00:20:53,740 --> 00:20:51,230

was coming home from the meeting and I

468

00:20:55,960 --> 00:20:53,750

lived where I lived it was pretty much a

469

00:21:01,780 --> 00:20:55,970

wood in the area and I lived there for

470

00:21:04,060 --> 00:21:01,790

about since 2010 till about 2015 and it

471

00:21:07,210 --> 00:21:04,070

was the perfect area for me to just do

472

00:21:10,050 --> 00:21:07,220

whatever the hell I want it didn't it

473

00:21:12,580 --> 00:21:10,060

didn't matter didn't had to worry about

474

00:21:14,800 --> 00:21:12,590

people being in the house or being

475

00:21:17,800 --> 00:21:14,810

distractive doing whatever I just had my

476
00:21:21,040 --> 00:21:17,810
own space to do whatever I needed to do

477
00:21:24,010 --> 00:21:21,050
to understand this because I I wanted to

478
00:21:26,140 --> 00:21:24,020
it was this one low against the splinter

479
00:21:29,050 --> 00:21:26,150
in my mind that was saying the matrix

480
00:21:31,870 --> 00:21:29,060
that was constantly itching and I needed

481
00:21:34,120 --> 00:21:31,880
to scratch and it gave me the chance to

482
00:21:35,470 --> 00:21:34,130
settle going crazy out there looking

483
00:21:37,300 --> 00:21:35,480
things up in the Internet I could

484
00:21:42,340 --> 00:21:37,310
actually research it and do it on my own

485
00:21:45,960 --> 00:21:42,350
and so as I was lived we had a really

486
00:21:50,860 --> 00:21:45,970
bad storm that year it was 2000 and

487
00:21:54,190 --> 00:21:50,870
honestly 2011 and it was February so I

488
00:21:57,340 --> 00:21:54,200

was I couldn't the house from my

489

00:22:00,640 --> 00:21:57,350

driveway was about an acre apart and the

490

00:22:02,920 --> 00:22:00,650

the snowstorm was really bad so I parked

491

00:22:05,560 --> 00:22:02,930

the car on top and the second I got out

492

00:22:07,480 --> 00:22:05,570

I heard this buzzing and I looked over

493

00:22:09,850 --> 00:22:07,490

and I saw a red light and they just look

494

00:22:12,460 --> 00:22:09,860

like a regular helicopter so I was like

495

00:22:14,020 --> 00:22:12,470

okay that's how you know helicopter

496

00:22:14,740 --> 00:22:14,030

coming this way but they do nothing

497

00:22:17,920 --> 00:22:14,750

special

498

00:22:20,170 --> 00:22:17,930

so a kid buzzing and I took my boots and

499

00:22:22,750 --> 00:22:20,180

I was slowly starting to walk and as

500

00:22:24,320 --> 00:22:22,760

when I reached the halfway point they

501
00:22:26,750 --> 00:22:24,330
will say no

502
00:22:30,110 --> 00:22:26,760
where I could see the sky clearly and it

503
00:22:31,580 --> 00:22:30,120
was a full full moon and so I was

504
00:22:33,650 --> 00:22:31,590
standing there and I really had to pee

505
00:22:35,840 --> 00:22:33,660
at that time so I'm like alright let's

506
00:22:38,180 --> 00:22:35,850
go to the street do what I got to do and

507
00:22:40,370 --> 00:22:38,190
I'll go about my business well when I

508
00:22:43,070 --> 00:22:40,380
turned around this object now is come

509
00:22:46,940 --> 00:22:43,080
closer and it's still just a red ball

510
00:22:48,710 --> 00:22:46,950
now it's buzzing a lot harder and all of

511
00:22:51,590 --> 00:22:48,720
the sudden I started to question I said

512
00:22:54,430 --> 00:22:51,600
all right well this sounding bit

513
00:22:56,810 --> 00:22:54,440

different than regular helicopter chop

514

00:22:59,330 --> 00:22:56,820

it was coming closer so I was just

515

00:23:01,580 --> 00:22:59,340

standing there and I'm thinking I could

516

00:23:04,040 --> 00:23:01,590

be a helicopter that's uh you know

517

00:23:06,800 --> 00:23:04,050

probably from some kind of base going

518

00:23:08,810 --> 00:23:06,810

from some place to some place and I

519

00:23:11,300 --> 00:23:08,820

bring that up specifically just to

520

00:23:13,640 --> 00:23:11,310

giving the example the mind does

521

00:23:16,280 --> 00:23:13,650

everything and anything you can to give

522

00:23:18,380 --> 00:23:16,290

you something to define it you know it

523

00:23:20,510 --> 00:23:18,390

always wants to have been control all

524

00:23:22,040 --> 00:23:20,520

the time but is it it's a bird it's a

525

00:23:25,430 --> 00:23:22,050

plane it's a dish you know it's it's

526

00:23:27,500 --> 00:23:25,440

constantly just trying to to fit

527

00:23:31,430 --> 00:23:27,510

something that it can't understand into

528

00:23:33,200 --> 00:23:31,440

a box and that's the reason why I bring

529

00:23:36,560 --> 00:23:33,210

up my my little thought processes that

530

00:23:38,840 --> 00:23:36,570

I've been having so as this object was

531

00:23:40,820 --> 00:23:38,850

getting closer I just I still couldn't

532

00:23:43,160 --> 00:23:40,830

see the rest of the body so if this was

533

00:23:46,100 --> 00:23:43,170

a helicopter where's the you know the

534

00:23:49,490 --> 00:23:46,110

rest of the body with all all the bells

535

00:23:52,100 --> 00:23:49,500

and whistles on it and the second I

536

00:23:53,660 --> 00:23:52,110

stopped and really tried to look at it I

537

00:23:56,930 --> 00:23:53,670

said okay enough now I need to know what

538

00:23:59,540 --> 00:23:56,940

this is another red object about 50 feet

539

00:24:02,870 --> 00:23:59,550

apart just appeared out of nowhere and I

540

00:24:05,300 --> 00:24:02,880

just froze and it wasn't that they were

541

00:24:07,220 --> 00:24:05,310

doing something to me you trying to

542

00:24:09,830 --> 00:24:07,230

control me or anything it's just when

543

00:24:12,140 --> 00:24:09,840

their energy comes through it that's the

544

00:24:14,390 --> 00:24:12,150

physical effect it has on us and at

545

00:24:16,490 --> 00:24:14,400

least for me specifically that's what it

546

00:24:19,520 --> 00:24:16,500

did and that's when I realized like this

547

00:24:22,910 --> 00:24:19,530

is not an effing helicopter so and so

548

00:24:24,620 --> 00:24:22,920

here I was having the type of fear I

549

00:24:26,960 --> 00:24:24,630

can't describe to you it's a chill down

550

00:24:29,120 --> 00:24:26,970

your spine and you're just afraid it's

551
00:24:29,830 --> 00:24:29,130
bought downright afraid it doesn't

552
00:24:33,230 --> 00:24:29,840
matter

553
00:24:35,120 --> 00:24:33,240
how many movies you watched how well how

554
00:24:37,640 --> 00:24:35,130
good of a researcher you are you will

555
00:24:38,120 --> 00:24:37,650
simply just you freeze and you look at

556
00:24:44,270 --> 00:24:38,130
it

557
00:24:47,960 --> 00:24:44,280
closer and closer I could I regained my

558
00:24:49,549 --> 00:24:47,970
my control again and I for a second for

559
00:24:51,200 --> 00:24:49,559
a split second I wanted to run but off

560
00:24:54,140 --> 00:24:51,210
like no this is what you've been asking

561
00:24:57,770 --> 00:24:54,150
for it's happening just write it out

562
00:25:00,110 --> 00:24:57,780
so I stood there and I was so afraid as

563
00:25:02,600 --> 00:25:00,120

I just closed my eyes and as it was

564

00:25:04,850 --> 00:25:02,610

approaching you know I could off the

565

00:25:07,159 --> 00:25:04,860

sudden even you know how you have when

566

00:25:08,900 --> 00:25:07,169

you close your your eyes during the day

567

00:25:11,060 --> 00:25:08,910

and the sun's kind of peering through

568

00:25:12,890 --> 00:25:11,070

and it's all red it was that kind of

569

00:25:16,180 --> 00:25:12,900

energy that was given off it was still I

570

00:25:19,310 --> 00:25:16,190

could still see that through my eyes and

571

00:25:21,620 --> 00:25:19,320

then I said no I really wanted to have

572

00:25:24,100 --> 00:25:21,630

this experience and I opened it and all

573

00:25:27,140 --> 00:25:24,110

everything around me was almost like a

574

00:25:29,960 --> 00:25:27,150

like a water wave the whole reality

575

00:25:32,000 --> 00:25:29,970

almost like disconnected and it just

576

00:25:34,370 --> 00:25:32,010

kind of started waving and I just said

577

00:25:36,590 --> 00:25:34,380

okay I'm going to stand here this object

578

00:25:38,510 --> 00:25:36,600

just went to object basically they went

579

00:25:42,560 --> 00:25:38,520

like this and then simultaneously went

580

00:25:43,010 --> 00:25:42,570

to the left or my left and and that was

581

00:25:46,310 --> 00:25:43,020

it

582

00:25:48,560 --> 00:25:46,320

so as they went away I was I just all my

583

00:25:51,260 --> 00:25:48,570

fears went away everything was just fine

584

00:25:54,049 --> 00:25:51,270

and I'm back to reality I can touch

585

00:25:57,890 --> 00:25:54,059

stuff again it's all real were good so I

586

00:26:01,240 --> 00:25:57,900

went home and I was really mad I mean it

587

00:26:03,409 --> 00:26:01,250

was I don't know I was I was really

588

00:26:05,090 --> 00:26:03,419

imagining have something that's right in

589

00:26:07,430 --> 00:26:05,100

front of you but there's something that

590

00:26:11,060 --> 00:26:07,440

you wanted for for me at that time for

591

00:26:14,120 --> 00:26:11,070

at least what 10 15 years and I was

592

00:26:16,310 --> 00:26:14,130

afraid and I was so mad at myself

593

00:26:21,110 --> 00:26:16,320

because like why did why did this happen

594

00:26:24,830 --> 00:26:21,120

and so what that same night then when I

595

00:26:26,659 --> 00:26:24,840

went to when I went to bed hiding I was

596

00:26:28,850 --> 00:26:26,669

about to go to sleep and it's my

597

00:26:30,440 --> 00:26:28,860

experience that just to whatever happens

598

00:26:33,200 --> 00:26:30,450

to just trust it especially at that

599

00:26:36,310 --> 00:26:33,210

state right before you fall asleep and I

600

00:26:38,960 --> 00:26:36,320

just had this they always speak in in

601
00:26:41,240 --> 00:26:38,970
vibrations so it's it's not words that

602
00:26:43,340 --> 00:26:41,250
you'll hear it's more like a feeling but

603
00:26:45,740 --> 00:26:43,350
that feeling will have an entire book of

604
00:26:48,530 --> 00:26:45,750
information just from one feeling alone

605
00:26:50,600 --> 00:26:48,540
so that one feeling overcame me and it

606
00:26:51,379 --> 00:26:50,610
was just one simple sentence it's like

607
00:26:56,149 --> 00:26:51,389
see what

608
00:26:58,190 --> 00:26:56,159
and I just kind of said back it's like

609
00:27:00,049 --> 00:26:58,200
okay I know I understand you know by

610
00:27:02,539 --> 00:27:00,059
said but come back next time you know

611
00:27:05,959 --> 00:27:02,549
and so they since then they still have

612
00:27:08,239 --> 00:27:05,969
they would just appear you know they

613
00:27:10,399 --> 00:27:08,249

would certainly like man would walk and

614

00:27:12,379 --> 00:27:10,409

light will appear stop and then just go

615

00:27:13,940 --> 00:27:12,389

away and so there's just and then I'll

616

00:27:15,049 --> 00:27:13,950

feed the vibration again and they'll

617

00:27:16,789 --> 00:27:15,059

just be like you know it's just

618

00:27:19,009 --> 00:27:16,799

something like okay I'll just go about

619

00:27:21,349 --> 00:27:19,019

my business because I figured if there

620

00:27:23,060 --> 00:27:21,359

was supposed to be more they would have

621

00:27:28,190 --> 00:27:23,070

stopped and would have actually tried to

622

00:27:30,169 --> 00:27:28,200

interact more but um before I get too

623

00:27:34,279 --> 00:27:30,179

much off track I actually wanted to go

624

00:27:37,969 --> 00:27:34,289

back and discuss and discuss the the

625

00:27:42,949 --> 00:27:37,979

beliefs and which it which are a major

626

00:27:45,769 --> 00:27:42,959

point in in UFOs I would say even when

627

00:27:49,609 --> 00:27:45,779

it comes to the paranormal and even when

628

00:27:51,829 --> 00:27:49,619

it comes to you know crypto it's like

629

00:27:55,519 --> 00:27:51,839

Bigfoot or all the other creatures that

630

00:27:58,279 --> 00:27:55,529

we don't understand quite yet and try is

631

00:28:01,219 --> 00:27:58,289

that all these different things because

632

00:28:03,909 --> 00:28:01,229

they exist on a different level we have

633

00:28:07,999 --> 00:28:03,919

to we've kind of given ourselves a

634

00:28:10,430 --> 00:28:08,009

permission slip to be able to go crazy

635

00:28:12,799 --> 00:28:10,440

go over to that other side which most

636

00:28:14,899 --> 00:28:12,809

people don't understand or choose not to

637

00:28:20,680 --> 00:28:14,909

understand and come back and these

638

00:28:26,079 --> 00:28:20,690

excuses are generally psychedelics and

639

00:28:28,909 --> 00:28:26,089

there's actually a as I was discussing

640

00:28:30,769 --> 00:28:28,919

all these beliefs of myself and I was

641

00:28:33,979 --> 00:28:30,779

looking at okay what do I really believe

642

00:28:37,279 --> 00:28:33,989

in all my life they've told me drugs are

643

00:28:39,859 --> 00:28:37,289

bad it's like okay why I drugs bad you

644

00:28:42,049 --> 00:28:39,869

know what is it about drugs specifically

645

00:28:43,759 --> 00:28:42,059

I just you know as a kid you take the

646

00:28:45,709 --> 00:28:43,769

adults word for it they tell me

647

00:28:47,690 --> 00:28:45,719

something you say okay you the adult I

648

00:28:49,430 --> 00:28:47,700

trust you and you kind of pick that up

649

00:28:51,169 --> 00:28:49,440

and you live your whole life that way

650

00:28:53,269 --> 00:28:51,179

without ever even questioning it and

651
00:28:57,049 --> 00:28:53,279
that's just one aspect of our lives that

652
00:28:58,369 --> 00:28:57,059
we do so I was doing some research and

653
00:29:00,349 --> 00:28:58,379
some of these things out there were just

654
00:29:01,789 --> 00:29:00,359
really harsh you know like you know

655
00:29:03,680 --> 00:29:01,799
cocaine and you have all this other

656
00:29:06,169 --> 00:29:03,690
stuff I said no I wanted to have these

657
00:29:09,289 --> 00:29:06,179
experiences like the shamans do you know

658
00:29:10,820 --> 00:29:09,299
what's out there you know that the you

659
00:29:14,480 --> 00:29:10,830
know that would allow me to have an

660
00:29:17,150 --> 00:29:14,490
experience like a shamanic quest so as I

661
00:29:20,240 --> 00:29:17,160
was looking through things I just did

662
00:29:23,299 --> 00:29:20,250
some research about this one's

663
00:29:25,580 --> 00:29:23,309

particular HOSA Jen is from South

664

00:29:28,190 --> 00:29:25,590

America I hope you don't mind me saying

665

00:29:29,750 --> 00:29:28,200

it now but you can talk to me later I'll

666

00:29:34,060 --> 00:29:29,760

explain to you you'll give you all the

667

00:29:36,320 --> 00:29:34,070

names that you would like and they're

668

00:29:38,810 --> 00:29:36,330

theirs they're known to have a very

669

00:29:40,970 --> 00:29:38,820

strong effect on the human body and I

670

00:29:43,909 --> 00:29:40,980

was already warned ahead of time just

671

00:29:46,399 --> 00:29:43,919

take one or two of these and they'll

672

00:29:47,960 --> 00:29:46,409

give you the desired I guess they call

673

00:29:53,210 --> 00:29:47,970

the trip and at that time and I said

674

00:29:54,950 --> 00:29:53,220

okay well I call it that too so I my

675

00:29:57,409 --> 00:29:54,960

friend happen to have some of those and

676

00:29:59,659 --> 00:29:57,419

he gave me 12 so I'm looking at these

677

00:30:01,909 --> 00:29:59,669

small things and I'm like how can twelve

678

00:30:03,500 --> 00:30:01,919

ever have you know I mean how can - one

679

00:30:06,740 --> 00:30:03,510

or two of these have an effect you know

680

00:30:10,510 --> 00:30:06,750

I better take it off you know and sure

681

00:30:15,620 --> 00:30:10,520

enough I did and so what happened was

682

00:30:17,750 --> 00:30:15,630

late now I know that it was a lot it was

683

00:30:19,940 --> 00:30:17,760

a lot for the body if I were to go to

684

00:30:23,210 --> 00:30:19,950

the doctor they would have said it would

685

00:30:24,760 --> 00:30:23,220

have been way too much to take and the

686

00:30:29,630 --> 00:30:24,770

effects it had on the body

687

00:30:31,970 --> 00:30:29,640

long story short was I died but because

688

00:30:34,130 --> 00:30:31,980

of me being in the state that I am

689

00:30:36,799 --> 00:30:34,140

knowing that everything I took

690

00:30:39,760 --> 00:30:36,809

everything I did was for the sheer

691

00:30:42,799 --> 00:30:39,770

research and for my own knowingness it

692

00:30:45,919 --> 00:30:42,809

even though I did obviously I came back

693

00:30:49,070 --> 00:30:45,929

and I'm talking to you now so what

694

00:30:51,590 --> 00:30:49,080

specifically happened was I took these

695

00:30:53,120 --> 00:30:51,600

and so I thought okay nothing is going

696

00:30:55,279 --> 00:30:53,130

to happen I'm just going to go go to

697

00:31:00,350 --> 00:30:55,289

sleep so I went to sleep woke back up

698

00:31:02,630 --> 00:31:00,360

again and I had this this inherent

699

00:31:05,539 --> 00:31:02,640

knowingness that I've been here many

700

00:31:08,360 --> 00:31:05,549

times before at the state and there was

701
00:31:10,940 --> 00:31:08,370
that my body will pretty soon stop the

702
00:31:13,100 --> 00:31:10,950
function how would how do I knew that

703
00:31:14,630 --> 00:31:13,110
I've been there before I can't explain -

704
00:31:16,640 --> 00:31:14,640
it was just a simple knowledge that I've

705
00:31:17,240 --> 00:31:16,650
been there many many times before and

706
00:31:18,799 --> 00:31:17,250
just

707
00:31:20,659 --> 00:31:18,809
assuming that I've been there before

708
00:31:21,950 --> 00:31:20,669
many of you have been there I just

709
00:31:25,909 --> 00:31:21,960
happen to have that particular

710
00:31:27,980 --> 00:31:25,919
experience at that time so of the sudden

711
00:31:29,990 --> 00:31:27,990
that the images as they say you know

712
00:31:32,360 --> 00:31:30,000
thousand images per second would fly

713
00:31:34,130 --> 00:31:32,370

through my head and I would think about

714

00:31:36,110 --> 00:31:34,140

all the things that I still want to do

715

00:31:37,669 --> 00:31:36,120

all of the things that I said that

716

00:31:39,980 --> 00:31:37,679

didn't mean I wish I could just go back

717

00:31:41,899 --> 00:31:39,990

and you know say something to those

718

00:31:43,610 --> 00:31:41,909

people say I'm sorry or I didn't mean it

719

00:31:45,500 --> 00:31:43,620

was something but all that really truly

720

00:31:49,669 --> 00:31:45,510

just happens within that split second

721

00:31:53,120 --> 00:31:49,679

but it's in a barrage of emotions so as

722

00:31:54,740 --> 00:31:53,130

I lay there I just held on high I don't

723

00:31:56,570 --> 00:31:54,750

have a much I could I tried to go puke

724

00:31:59,810 --> 00:31:56,580

it out drink as much water as I could

725

00:32:01,190 --> 00:31:59,820

but it just would not let go and I was

726

00:32:02,750 --> 00:32:01,200

fighting it I'm like I'm not going to

727

00:32:05,210 --> 00:32:02,760

die I don't want to die and all the

728

00:32:07,279 --> 00:32:05,220

sudden this this feeling again this was

729

00:32:08,510 --> 00:32:07,289

one of the very first times that I got

730

00:32:14,810 --> 00:32:08,520

it

731

00:32:17,299 --> 00:32:14,820

to die but you're not going to die so if

732

00:32:18,500 --> 00:32:17,309

you just have let me at that time but it

733

00:32:19,880 --> 00:32:18,510

just keeps saying you're going to die

734

00:32:22,190 --> 00:32:19,890

but you're not going to die you're going

735

00:32:24,770 --> 00:32:22,200

to die but you're not going to die so I

736

00:32:26,570 --> 00:32:24,780

fought fought fought and held onto it

737

00:32:28,970 --> 00:32:26,580

and held onto it and then just I could

738

00:32:32,600 --> 00:32:28,980

just feel the last bit of strength that

739

00:32:36,080 --> 00:32:32,610

I had finally fleet and go away and just

740

00:32:40,190 --> 00:32:36,090

took a breath out and I was out I could

741

00:32:45,230 --> 00:32:40,200

just everything that was before I guess

742

00:32:48,380 --> 00:32:45,240

hidden and that was kind of veiled from

743

00:32:52,940 --> 00:32:48,390

me finally opened up I understood things

744

00:32:55,970 --> 00:32:52,950

that I needed to understand I saw things

745

00:32:58,130 --> 00:32:55,980

and and it just all made sense but

746

00:32:59,570 --> 00:32:58,140

what's interesting is that during that

747

00:33:02,409 --> 00:32:59,580

whole time and I'll start with the first

748

00:33:05,990 --> 00:33:02,419

one I started to have a quest of

749

00:33:08,060 --> 00:33:06,000

experiences and the very first time was

750

00:33:10,730 --> 00:33:08,070

my mom and dad and I'm looking at them

751
00:33:12,409 --> 00:33:10,740
and they're young they're about 20 years

752
00:33:13,730 --> 00:33:12,419
old both of them and there's just

753
00:33:16,399 --> 00:33:13,740
standing a hole in the hands and they're

754
00:33:18,770 --> 00:33:16,409
glowing blue and there was no question

755
00:33:21,500 --> 00:33:18,780
of why do going blue or why is this I

756
00:33:23,510 --> 00:33:21,510
just felt this love and the love every

757
00:33:26,810 --> 00:33:23,520
child has for their parents and I would

758
00:33:30,139 --> 00:33:26,820
just go to them and in this life there

759
00:33:32,029 --> 00:33:30,149
was a very hard life for me because

760
00:33:34,519 --> 00:33:32,039
I'm not whining about it just trying to

761
00:33:36,679 --> 00:33:34,529
give you an example of what I went

762
00:33:40,579 --> 00:33:36,689
through which might be you might not be

763
00:33:42,559 --> 00:33:40,589

you know above average so to say at

764

00:33:44,239 --> 00:33:42,569

least the older generation of Bosnians

765

00:33:47,059 --> 00:33:44,249

there is the children very physically

766

00:33:49,069 --> 00:33:47,069

you must have something you know in

767

00:33:51,529 --> 00:33:49,079

America you you know you get told you

768

00:33:54,499 --> 00:33:51,539

know you mess up and Bosnia you get this

769

00:33:57,109 --> 00:33:54,509

[h__h] beat out of you and so you know all

770

00:33:59,569 --> 00:33:57,119

my life I would just get that barrage of

771

00:34:01,399 --> 00:33:59,579

beatings regularly or whatever it is

772

00:34:02,569 --> 00:34:01,409

that I did and I was just asked my

773

00:34:04,759 --> 00:34:02,579

parents like you know why can't you just

774

00:34:06,049 --> 00:34:04,769

talk to me you know and it's like my dad

775

00:34:08,329 --> 00:34:06,059

would just say you know this is to

776

00:34:10,369 --> 00:34:08,339

become a better man and here comes that

777

00:34:13,819 --> 00:34:10,379

belt buckle you know here comes the fist

778

00:34:16,489 --> 00:34:13,829

you know whatever it is and because of

779

00:34:18,139 --> 00:34:16,499

that I had you know it creates a rift in

780

00:34:20,960 --> 00:34:18,149

the family the more I grow up and the

781

00:34:22,669 --> 00:34:20,970

more you know become myself but kind of

782

00:34:25,730 --> 00:34:22,679

distanced ourselves we'll still talk but

783

00:34:28,789 --> 00:34:25,740

it's you know it's just really you can

784

00:34:31,759 --> 00:34:28,799

tell both sides try but it's not really

785

00:34:33,919 --> 00:34:31,769

working well during that experience when

786

00:34:37,430 --> 00:34:33,929

I saw them none of that was existing

787

00:34:40,339 --> 00:34:37,440

I just went to them and I remember I

788

00:34:43,819 --> 00:34:40,349

hugged my mom and the second I did all

789

00:34:46,909 --> 00:34:43,829

the memories came back where before I

790

00:34:50,119 --> 00:34:46,919

was born I made an agreement with them

791

00:34:52,879 --> 00:34:50,129

to be the parents that they are and I

792

00:34:55,489 --> 00:34:52,889

even begged them I begged them I said I

793

00:34:57,739 --> 00:34:55,499

need you to be these people I need you

794

00:34:59,809 --> 00:34:57,749

to do what you do because they're your

795

00:35:01,640 --> 00:34:59,819

highest self the one that you are knows

796

00:35:03,799 --> 00:35:01,650

how far you need to be squeezed to

797

00:35:06,109 --> 00:35:03,809

become who you need to be you know nece

798

00:35:09,349 --> 00:35:06,119

means knows what you need in your life

799

00:35:13,339 --> 00:35:09,359

to be who you are and if says horrible

800

00:35:16,039 --> 00:35:13,349

as it is on this level it it's pre

801
00:35:18,170 --> 00:35:16,049
planned on the only higher level and so

802
00:35:21,529 --> 00:35:18,180
as I was discussing this or talking to

803
00:35:25,099 --> 00:35:21,539
my mom about this it was then almost

804
00:35:29,210 --> 00:35:25,109
became an instant act of forgiveness and

805
00:35:33,309 --> 00:35:29,220
it's forgiving myself for hating on them

806
00:35:35,180 --> 00:35:33,319
you know and that was the biggest

807
00:35:37,759 --> 00:35:35,190
misunderstanding that I could have ever

808
00:35:42,730 --> 00:35:37,769
gained because everything they literally

809
00:35:45,880 --> 00:35:42,740
did it was literally a begging to please

810
00:35:48,840 --> 00:35:45,890
wait please do what I need you to do and

811
00:35:51,280 --> 00:35:48,850
so they agreed to then be born a

812
00:35:52,990 --> 00:35:51,290
generation before me so that I can come

813
00:35:55,990 --> 00:35:53,000

in and have that experience that I did

814

00:35:59,070 --> 00:35:56,000

so that then I could become Who I am

815

00:36:02,500 --> 00:35:59,080

today and what it is specifically is

816

00:36:04,840 --> 00:36:02,510

because I constantly had to resist them

817

00:36:07,359 --> 00:36:04,850

in some way emotionally physically

818

00:36:08,920 --> 00:36:07,369

however there was I had to resist them

819

00:36:11,080 --> 00:36:08,930

made me stronger

820

00:36:13,690 --> 00:36:11,090

because I'm not speaking for everyone

821

00:36:16,450 --> 00:36:13,700

here but who doesn't at one point

822

00:36:18,370 --> 00:36:16,460

another remember well you can be thirty

823

00:36:20,620 --> 00:36:18,380

years old it can be 40 years old if your

824

00:36:22,630 --> 00:36:20,630

mother calls you name that one specific

825

00:36:25,510 --> 00:36:22,640

tone you will go yes mother I'll be

826

00:36:28,330 --> 00:36:25,520

right there you know and so we follow

827

00:36:30,160 --> 00:36:28,340

that we have that debt that control well

828

00:36:32,230 --> 00:36:30,170

because I never had that respect for my

829

00:36:34,810 --> 00:36:32,240

parents growing up it broke me away from

830

00:36:36,690 --> 00:36:34,820

that that that one control mechanism

831

00:36:40,000 --> 00:36:36,700

that there is always present in all our

832

00:36:42,970 --> 00:36:40,010

in all of our lives of the sudden was

833

00:36:47,109 --> 00:36:42,980

broken for me so now it allowed me to

834

00:36:49,450 --> 00:36:47,119

stand on my own speak what I or say what

835

00:36:51,340 --> 00:36:49,460

I need to say speak to whomever I need

836

00:36:53,440 --> 00:36:51,350

to speak however I need to speak to them

837

00:36:56,170 --> 00:36:53,450

just because I broke that bond from them

838

00:37:02,109 --> 00:36:56,180

and they were there to help me get there

839

00:37:07,270 --> 00:37:02,119

so there was one aspect of that trip if

840

00:37:08,859 --> 00:37:07,280

you will so the next thing was question

841

00:37:13,630 --> 00:37:08,869

it for a while why that particularly

842

00:37:17,260 --> 00:37:13,640

happen I was the next scene that just

843

00:37:19,960 --> 00:37:17,270

shifts over I find myself being in a in

844

00:37:21,880 --> 00:37:19,970

a city and there's a whole bunch of this

845

00:37:23,410 --> 00:37:21,890

bunch of guys standing around and we're

846

00:37:25,060 --> 00:37:23,420

talking and they're laughing about

847

00:37:27,220 --> 00:37:25,070

something so I just came to the

848

00:37:29,650 --> 00:37:27,230

conversation so I'm standing there to my

849

00:37:30,220 --> 00:37:29,660

yeah that's funny that yeah that's

850

00:37:31,510 --> 00:37:30,230

pretty cool

851

00:37:34,330 --> 00:37:31,520

if I have no idea what they're talking

852

00:37:38,320 --> 00:37:34,340

about and so I just kind of went went

853

00:37:40,570 --> 00:37:38,330

along so soon after I was very confused

854

00:37:42,250 --> 00:37:40,580

and disoriented I was still trying again

855

00:37:44,530 --> 00:37:42,260

trying to figure out how I got there

856

00:37:46,480 --> 00:37:44,540

while they're all speaking and the next

857

00:37:49,240 --> 00:37:46,490

thing I know one of the guys looks over

858

00:37:51,609 --> 00:37:49,250

and he sees this beautiful girl just

859

00:37:53,739 --> 00:37:51,619

walking across and go oh my God look

860

00:37:57,009 --> 00:37:53,749

and I'm just like you know I looked over

861

00:37:59,680 --> 00:37:57,019

and it's at that time it was like the

862

00:38:00,999 --> 00:37:59,690

type if you know the guys if you

863

00:38:02,680 --> 00:38:01,009

understand like you know everyone has

864

00:38:03,700 --> 00:38:02,690

like a type of something you know that's

865

00:38:05,469 --> 00:38:03,710

my type of girl

866

00:38:08,229 --> 00:38:05,479

or a girl that's my type of guy or

867

00:38:11,559 --> 00:38:08,239

whichever and so it's like what I found

868

00:38:14,229 --> 00:38:11,569

most attractive was walking right across

869

00:38:16,359 --> 00:38:14,239

that that road so I stood there and I

870

00:38:19,299 --> 00:38:16,369

was just looking and I was just enough I

871

00:38:21,700 --> 00:38:19,309

oh my god all of it it's just all in one

872

00:38:23,380 --> 00:38:21,710

package just walking right there and so

873

00:38:26,319 --> 00:38:23,390

even those were my thoughts at that time

874

00:38:28,180 --> 00:38:26,329

the next thing I know I'm looking at

875

00:38:29,559 --> 00:38:28,190

myself and all these other friends there

876

00:38:32,109 --> 00:38:29,569

were stairs I was standing with and

877

00:38:34,269 --> 00:38:32,119

they're walking I mean under standing

878

00:38:36,880 --> 00:38:34,279

there and I'm walking and so I said why

879

00:38:40,049 --> 00:38:36,890

am i walking so I looked down and I see

880

00:38:43,180 --> 00:38:40,059

boobs and I feel feminine you know

881

00:38:46,269 --> 00:38:43,190

whatever that means I felt more female

882

00:38:48,849 --> 00:38:46,279

and I was just trying to understand it

883

00:38:51,489 --> 00:38:48,859

so while that when I understood like oh

884

00:38:52,839 --> 00:38:51,499

my god I'm in the female body I started

885

00:38:55,390 --> 00:38:52,849

to freak out I was like I want to get

886

00:38:57,069 --> 00:38:55,400

out I want to get out so as I was trying

887

00:39:00,579 --> 00:38:57,079

to get out of that the scene ended and

888

00:39:02,380 --> 00:39:00,589

that was it now of course before that

889

00:39:06,670 --> 00:39:02,390

the previous experience I had an

890

00:39:08,920 --> 00:39:06,680

explanation why okay my parents they

891

00:39:10,239 --> 00:39:08,930

explained why I understood what certain

892

00:39:12,370 --> 00:39:10,249

things happened but this experience just

893

00:39:17,410 --> 00:39:12,380

ended and there was no other explanation

894

00:39:19,599 --> 00:39:17,420

following it up so anyway long story

895

00:39:21,579 --> 00:39:19,609

short there were many more experiences

896

00:39:23,829 --> 00:39:21,589

that's just difficult to get into and

897

00:39:27,130 --> 00:39:23,839

it's about seven hours equal of

898

00:39:32,200 --> 00:39:27,140

experiences because later on when I came

899

00:39:33,549 --> 00:39:32,210

back kind of like my my spirit or

900

00:39:35,920 --> 00:39:33,559

whatever you wanna call it I kind of hid

901
00:39:39,009 --> 00:39:35,930
the body and I went took the next breath

902
00:39:40,650 --> 00:39:39,019
and so I started laughing I started

903
00:39:42,870 --> 00:39:40,660
laughing and this you know

904
00:39:45,640 --> 00:39:42,880
uncontrollably because there was this

905
00:39:47,890 --> 00:39:45,650
beautiful experience that oh my god I've

906
00:39:50,529 --> 00:39:47,900
been you know most of us afraid of death

907
00:39:51,969 --> 00:39:50,539
I'm like and I'm afraid of this you know

908
00:39:54,249 --> 00:39:51,979
like there's nothing to be afraid you

909
00:39:56,079 --> 00:39:54,259
just simply go a spirit somewhere else

910
00:39:58,559 --> 00:39:56,089
you just leave a shell behind there's no

911
00:40:01,390 --> 00:39:58,569
reason to fear whatsoever you know and

912
00:40:03,819 --> 00:40:01,400
so as I was sitting there laughing I

913
00:40:04,819 --> 00:40:03,829

just had again this feeling and it just

914

00:40:06,410 --> 00:40:04,829

said to me

915

00:40:08,239 --> 00:40:06,420

that you know what you need to know do

916

00:40:10,279 --> 00:40:08,249

you still want to play the game I said

917

00:40:12,859 --> 00:40:10,289

yeah I want to play the game and the

918

00:40:15,529 --> 00:40:12,869

second I said that I felt my soul kind

919

00:40:17,839 --> 00:40:15,539

of solidify more into the body and I

920

00:40:19,819 --> 00:40:17,849

just had to go to bathroom and just puke

921

00:40:21,829 --> 00:40:19,829

everything out and sorry for the

922

00:40:23,959 --> 00:40:21,839

graphics but what it was that poison I

923

00:40:26,709 --> 00:40:23,969

was just shedding it all out just all

924

00:40:31,489 --> 00:40:26,719

coming out drinking as much as I could

925

00:40:34,390 --> 00:40:31,499

and basically just to complete that

926

00:40:36,890 --> 00:40:34,400

journey from when I started until then

927

00:40:39,079 --> 00:40:36,900

so that kind of gave me a little boost

928

00:40:42,529 --> 00:40:39,089

and this I guess if you want to call it

929

00:40:44,209 --> 00:40:42,539

this frequency range because after that

930

00:40:47,479 --> 00:40:44,219

things change

931

00:40:49,519 --> 00:40:47,489

I would I would stand at the house where

932

00:40:52,279 --> 00:40:49,529

I was by myself at that time now now I'm

933

00:40:55,099 --> 00:40:52,289

married and had one kid and another kid

934

00:40:57,170 --> 00:40:55,109

on the way but I was by myself so

935

00:40:59,150 --> 00:40:57,180

whatever could happen you know was

936

00:41:01,339 --> 00:40:59,160

welcome to happen so I would stand there

937

00:41:04,549 --> 00:41:01,349

and I would just see a shadow there and

938

00:41:06,769 --> 00:41:04,559

it would just move away you know and I

939

00:41:09,259 --> 00:41:06,779

would have experiences where I would sit

940

00:41:11,779 --> 00:41:09,269

there and every something just you know

941

00:41:14,739 --> 00:41:11,789

you can literally see it go you know

942

00:41:18,349 --> 00:41:14,749

kind of fly over the wall like a dark

943

00:41:20,029 --> 00:41:18,359

dog ball if you will it will just kind

944

00:41:22,549 --> 00:41:20,039

of fade over the wall and then go around

945

00:41:24,709 --> 00:41:22,559

it and it was a specific action that you

946

00:41:26,479 --> 00:41:24,719

can see going around and so that it I

947

00:41:28,549 --> 00:41:26,489

guess it was you know there was

948

00:41:30,680 --> 00:41:28,559

something real trying to go over you

949

00:41:34,219 --> 00:41:30,690

know trying to get around an object

950

00:41:36,859 --> 00:41:34,229

and not just part of my imagination so I

951
00:41:39,650 --> 00:41:36,869
wondered I mean what does this have to

952
00:41:41,900 --> 00:41:39,660
do with aliens you know and then again I

953
00:41:45,410 --> 00:41:41,910
was told well when you raise your

954
00:41:47,749 --> 00:41:45,420
vibration when when you're when you work

955
00:41:50,539 --> 00:41:47,759
on yourself when you change your belief

956
00:41:52,099 --> 00:41:50,549
system of the sudden now you open

957
00:41:55,729 --> 00:41:52,109
yourself up to all these other realities

958
00:41:57,949 --> 00:41:55,739
and it becomes easier for them to simply

959
00:42:00,829 --> 00:41:57,959
interact with you however what on what

960
00:42:03,709 --> 00:42:00,839
level excuse me on whatever level you're

961
00:42:05,839 --> 00:42:03,719
ready so for my time at that time it was

962
00:42:07,999 --> 00:42:05,849
just be a matter of shadows now of

963
00:42:10,309 --> 00:42:08,009

course before I understood that what I

964

00:42:11,660 --> 00:42:10,319

understand now I was calling my friends

965

00:42:13,400 --> 00:42:11,670

and say hey bring your cameras bring

966

00:42:15,319 --> 00:42:13,410

your recorders let's record this let's

967

00:42:17,320 --> 00:42:15,329

set everything up you know we can maybe

968

00:42:20,839 --> 00:42:17,330

capture this and so on

969

00:42:23,810 --> 00:42:20,849

the second you know I had that thought I

970

00:42:25,370 --> 00:42:23,820

just had this like a laughter I don't

971

00:42:27,260 --> 00:42:25,380

know who was still happening but it was

972

00:42:28,910 --> 00:42:27,270

almost kind of like after all that we

973

00:42:30,830 --> 00:42:28,920

showed you you still want to go this is

974

00:42:33,440 --> 00:42:30,840

a cover out instead we keep trying to

975

00:42:35,450 --> 00:42:33,450

tell you it's it's spiritual spiritual

976
00:42:37,070 --> 00:42:35,460
spiritual and you just keep wanting to

977
00:42:39,740 --> 00:42:37,080
use it if your cameras and your

978
00:42:41,780 --> 00:42:39,750
recorders and all that other stuff so I

979
00:42:45,920 --> 00:42:41,790
kind of give up on that idea and I

980
00:42:48,980 --> 00:42:45,930
played and played around more with with

981
00:42:52,000 --> 00:42:48,990
my belief system you know and so this

982
00:42:54,800 --> 00:42:52,010
time the experience that I had I've had

983
00:42:58,609 --> 00:42:54,810
seven more experience after that with

984
00:43:00,589 --> 00:42:58,619
several different religions but each one

985
00:43:02,270 --> 00:43:00,599
of them took me the same place now each

986
00:43:05,089 --> 00:43:02,280
one was a different lesson to be learned

987
00:43:11,210 --> 00:43:05,099
but I basically went to the same place

988
00:43:13,849 --> 00:43:11,220

every time so what happened then it was

989

00:43:18,650 --> 00:43:13,859

the last less experience that I had and

990

00:43:20,420 --> 00:43:18,660

it was actually at a party so I was very

991

00:43:22,339 --> 00:43:20,430

hesitant about doing it another trip

992

00:43:24,440 --> 00:43:22,349

because it's very hard on the body you

993

00:43:26,780 --> 00:43:24,450

know it messes with me for weeks after

994

00:43:29,180 --> 00:43:26,790

because I always like to solve a problem

995

00:43:31,250 --> 00:43:29,190

right then and there so anytime I have

996

00:43:33,920 --> 00:43:31,260

an experience it takes 3-4 weeks out of

997

00:43:35,480 --> 00:43:33,930

my my life just intently sitting there

998

00:43:38,990 --> 00:43:35,490

going like what happened why did this

999

00:43:41,210 --> 00:43:39,000

happen okay what does this mean so they

1000

00:43:44,570 --> 00:43:41,220

said okay time for another trip so I

1001
00:43:46,339 --> 00:43:44,580
said okay whatever so sure enough this

1002
00:43:49,099 --> 00:43:46,349
one lady that was hosting the party I

1003
00:43:51,980 --> 00:43:49,109
wasn't even really expecting anything I

1004
00:43:54,290 --> 00:43:51,990
was that I guess innocent in some ways

1005
00:43:55,790 --> 00:43:54,300
and she just said hey would you like a

1006
00:43:57,890 --> 00:43:55,800
cookie I'm like yes sure I want some

1007
00:44:03,380 --> 00:43:57,900
sweets you know it wasn't just a regular

1008
00:44:06,349 --> 00:44:03,390
cookie so what happened then the second

1009
00:44:08,870 --> 00:44:06,359
I took it and I was just standing there

1010
00:44:11,630 --> 00:44:08,880
they said okay well get ready for

1011
00:44:13,220 --> 00:44:11,640
another trip we're going to go and so I

1012
00:44:15,170 --> 00:44:13,230
just want to wonder what what do you

1013
00:44:16,940 --> 00:44:15,180

mean another trip what what I didn't

1014

00:44:20,599 --> 00:44:16,950

take anything and then the image of the

1015

00:44:22,910 --> 00:44:20,609

cookie kids oh my god yeah you know so

1016

00:44:26,390 --> 00:44:22,920

it's almost like I had tricked into this

1017

00:44:28,280 --> 00:44:26,400

last experience and it was very

1018

00:44:30,110 --> 00:44:28,290

interesting because

1019

00:44:34,700 --> 00:44:30,120

what happened with that particular party

1020

00:44:36,530 --> 00:44:34,710

it was very much in line with the very

1021

00:44:40,790 --> 00:44:36,540

first experience I told you about is

1022

00:44:43,820 --> 00:44:40,800

that as I was walking around there was a

1023

00:44:45,860 --> 00:44:43,830

lady that just showed up and out of

1024

00:44:47,690 --> 00:44:45,870

nowhere she would wherever wherever I

1025

00:44:50,030 --> 00:44:47,700

would walk she would come by and stop I

1026
00:44:52,250 --> 00:44:50,040
would walk again and she'll come and

1027
00:44:53,930 --> 00:44:52,260
stop there and I would turn around and

1028
00:44:55,790 --> 00:44:53,940
she said are you okay I said yes I'm

1029
00:44:58,750 --> 00:44:55,800
fine you know and I would walk away

1030
00:45:03,350 --> 00:44:58,760
she'll come follow me back up again and

1031
00:45:06,290 --> 00:45:03,360
so I just as I was walking around she

1032
00:45:09,080 --> 00:45:06,300
finally then cornered me and he said no

1033
00:45:11,780 --> 00:45:09,090
stop and talk to me and I'm like about

1034
00:45:14,780 --> 00:45:11,790
what and she says stop and talk to me

1035
00:45:17,360 --> 00:45:14,790
and that's like it hit me all I was

1036
00:45:17,810 --> 00:45:17,370
already whatever frequency I needed to

1037
00:45:23,150 --> 00:45:17,820
shift

1038
00:45:25,820 --> 00:45:23,160

people generally on this level would not

1039

00:45:28,450 --> 00:45:25,830

be aware of it but this one frequency

1040

00:45:32,000 --> 00:45:28,460

higher up is what what I understood

1041

00:45:34,370 --> 00:45:32,010

generally mediums connect to so she was

1042

00:45:36,350 --> 00:45:34,380

known as a psychic and medium she

1043

00:45:38,180 --> 00:45:36,360

realized on what level I was so she was

1044

00:45:39,680 --> 00:45:38,190

talking to me because she knew what I

1045

00:45:43,250 --> 00:45:39,690

was going through and she kind of was

1046

00:45:44,840 --> 00:45:43,260

trying to guide me and so I said yeah

1047

00:45:46,910 --> 00:45:44,850

I'm okay you know and she's like well

1048

00:45:48,200 --> 00:45:46,920

you know just making sure you're right

1049

00:45:50,600 --> 00:45:48,210

whatever you're going through just you

1050

00:45:53,870 --> 00:45:50,610

can just talk to me about it I said is

1051
00:45:54,350 --> 00:45:53,880
this is it always like this and she said

1052
00:45:57,860 --> 00:45:54,360
yes

1053
00:45:59,990 --> 00:45:57,870
generally it is and so why I

1054
00:46:02,180 --> 00:46:00,000
specifically asked that I didn't know it

1055
00:46:05,030 --> 00:46:02,190
was almost like I had the question or I

1056
00:46:07,970 --> 00:46:05,040
mean I had the answer before I had the

1057
00:46:09,110 --> 00:46:07,980
question and what happened later is as I

1058
00:46:10,730 --> 00:46:09,120
walked through the house and was

1059
00:46:12,850 --> 00:46:10,740
standing on the different level where

1060
00:46:15,740 --> 00:46:12,860
there was more people gathered like that

1061
00:46:18,290 --> 00:46:15,750
everywhere I walked people would stop

1062
00:46:21,500 --> 00:46:18,300
turn around and say see we're playing

1063
00:46:22,850 --> 00:46:21,510

playing this out for you you know and

1064

00:46:24,770 --> 00:46:22,860

then they would continue having a

1065

00:46:26,480 --> 00:46:24,780

conversation like nothing happened that

1066

00:46:28,640 --> 00:46:26,490

would walk to another spot and they will

1067

00:46:31,010 --> 00:46:28,650

turn again and say oh we're

1068

00:46:32,660 --> 00:46:31,020

orchestrating this is this for you so

1069

00:46:36,500 --> 00:46:32,670

you understand there's this difference

1070

00:46:38,440 --> 00:46:36,510

in frequency and so if this whole night

1071

00:46:40,970 --> 00:46:38,450

went on like that until it finally

1072

00:46:41,460 --> 00:46:40,980

dissipated and then I was strolling now

1073

00:46:45,890 --> 00:46:41,470

it's

1074

00:46:50,630 --> 00:46:45,900

done it over with so long story short

1075

00:46:54,060 --> 00:46:50,640

it's been too long so short it's very

1076

00:46:57,089 --> 00:46:54,070

it's very hard to step into this net

1077

00:47:00,750 --> 00:46:57,099

next level whether you are a UFO

1078

00:47:03,180 --> 00:47:00,760

researcher or a paranormal investigator

1079

00:47:06,570 --> 00:47:03,190

a ghost hunter whatever it is that you

1080

00:47:09,839 --> 00:47:06,580

would like to label yourself as it's

1081

00:47:12,180 --> 00:47:09,849

very difficult to capture things whether

1082

00:47:15,089 --> 00:47:12,190

it be UFOs which I've been trying with

1083

00:47:18,660 --> 00:47:15,099

the camera and then later understood why

1084

00:47:21,270 --> 00:47:18,670

is that if you're frequency level it's

1085

00:47:24,420 --> 00:47:21,280

not honest on a certain frequency so to

1086

00:47:26,880 --> 00:47:24,430

say it would be difficult for you to to

1087

00:47:29,250 --> 00:47:26,890

see anything even the very equipment

1088

00:47:30,870 --> 00:47:29,260

you're using if you're not ready to see

1089

00:47:32,420 --> 00:47:30,880

something the equipment will not

1090

00:47:35,010 --> 00:47:32,430

function the way you need it to function

1091

00:47:37,550 --> 00:47:35,020

so for it to capture what it is that you

1092

00:47:41,490 --> 00:47:37,560

need to capture or would like to see and

1093

00:47:43,980 --> 00:47:41,500

on but then here's the paradox unless

1094

00:47:45,510 --> 00:47:43,990

that is your path because there's some

1095

00:47:47,820 --> 00:47:45,520

people that don't believe in any of this

1096

00:47:49,560 --> 00:47:47,830

stuff and would be hit with aliens and

1097

00:47:51,660 --> 00:47:49,570

ghosts and UFOs and whatever you want

1098

00:47:56,190 --> 00:47:51,670

you know and others have asked for this

1099

00:48:00,960 --> 00:47:56,200

but the reality they did so it's a very

1100

00:48:02,760 --> 00:48:00,970

challenging subject because the the

1101
00:48:04,770 --> 00:48:02,770
level which they operate and the few

1102
00:48:08,220 --> 00:48:04,780
times that I've had the experience to it

1103
00:48:10,800 --> 00:48:08,230
I had the experience myself it's very

1104
00:48:16,020 --> 00:48:10,810
difficult it's you can almost think of

1105
00:48:19,890 --> 00:48:16,030
it as this ego being a a scuba diving

1106
00:48:23,310 --> 00:48:19,900
mask in water and it has a specific

1107
00:48:25,650 --> 00:48:23,320
function which is to to get the body

1108
00:48:27,180 --> 00:48:25,660
operating to help you breathe

1109
00:48:29,880 --> 00:48:27,190
automatically you don't have to think

1110
00:48:32,670 --> 00:48:29,890
you blink you walk you just want to go

1111
00:48:34,349 --> 00:48:32,680
over there you go you don't have to not

1112
00:48:36,510 --> 00:48:34,359
that much has to be done all of it is

1113
00:48:39,089 --> 00:48:36,520

done through your local processes in the

1114

00:48:40,730 --> 00:48:39,099

body but the original commands about

1115

00:48:45,390 --> 00:48:40,740

things always come from your higher self

1116

00:48:47,400 --> 00:48:45,400

so to have the understanding that the

1117

00:48:51,150 --> 00:48:47,410

original idea about anything always

1118

00:48:52,770 --> 00:48:51,160

comes from the etheric side which would

1119

00:48:54,820 --> 00:48:52,780

be very difficult to prove

1120

00:48:57,010 --> 00:48:54,830

physically and with instruments

1121

00:48:59,200 --> 00:48:57,020

so for example if you go to get an MRI

1122

00:49:00,640 --> 00:48:59,210

or you have your brains can they would

1123

00:49:02,470 --> 00:49:00,650

say oh this section of the brain

1124

00:49:04,870 --> 00:49:02,480

controls this that section of the brain

1125

00:49:06,730 --> 00:49:04,880

controls this well it's only the

1126
00:49:09,640 --> 00:49:06,740
physical part that's now been activated

1127
00:49:11,530 --> 00:49:09,650
to actually do the physical excuse me

1128
00:49:13,090 --> 00:49:11,540
through to the physical part but it

1129
00:49:13,720 --> 00:49:13,100
actually the command came from a higher

1130
00:49:17,260 --> 00:49:13,730
level

1131
00:49:19,090 --> 00:49:17,270
now there's in my experience there

1132
00:49:22,900 --> 00:49:19,100
really was nothing religious about it

1133
00:49:27,760 --> 00:49:22,910
and the other part that would be very

1134
00:49:30,340 --> 00:49:27,770
difficult to accept and sorry to drop

1135
00:49:32,890 --> 00:49:30,350
the bomb on you like this but we're all

1136
00:49:35,080 --> 00:49:32,900
part of the one and the same thing the

1137
00:49:38,680 --> 00:49:35,090
thing that you want to call God whatever

1138
00:49:42,640 --> 00:49:38,690

it is that you did you generally grow

1139

00:49:45,100 --> 00:49:42,650

not to believe in it is basically every

1140

00:49:47,560 --> 00:49:45,110

single thing and every single person

1141

00:49:49,090 --> 00:49:47,570

that you can ever think of so if you

1142

00:49:52,180 --> 00:49:49,100

ever wondered like what is God doing

1143

00:49:54,100 --> 00:49:52,190

right now God is standing on the stage

1144

00:49:57,700 --> 00:49:54,110

talking to himself while he's sitting

1145

00:49:59,800 --> 00:49:57,710

there paying attention to himself I hope

1146

00:50:02,020 --> 00:49:59,810

I didn't lose you there and you know

1147

00:50:04,330 --> 00:50:02,030

it's it's very difficult to to accept

1148

00:50:08,560 --> 00:50:04,340

that because of this rigid reality that

1149

00:50:13,000 --> 00:50:08,570

we live in and we buy these channelings

1150

00:50:16,150 --> 00:50:13,010

by the dreams and all these different

1151
00:50:18,730 --> 00:50:16,160
things that that are out there and that

1152
00:50:22,270 --> 00:50:18,740
we know about they try to slowly get our

1153
00:50:25,260 --> 00:50:22,280
vibration to be raised just enough to

1154
00:50:27,670 --> 00:50:25,270
swear can at least meet us halfway and

1155
00:50:30,460 --> 00:50:27,680
they do that quite often I mean there's

1156
00:50:36,550 --> 00:50:30,470
still this still footage of weird things

1157
00:50:39,520 --> 00:50:36,560
flying around orbs things that the five

1158
00:50:41,080 --> 00:50:39,530
control five control has captured you

1159
00:50:42,790 --> 00:50:41,090
know ten thousand miles an hour that

1160
00:50:46,960 --> 00:50:42,800
just zooms around and they don't know

1161
00:50:49,360 --> 00:50:46,970
what it is hence a UFO and that little

1162
00:50:52,870 --> 00:50:49,370
reality there all those things just part

1163
00:50:54,940 --> 00:50:52,880

of the second stage which is that meant

1164

00:50:57,910 --> 00:50:54,950

to give us something to look forward to

1165

00:51:01,240 --> 00:50:57,920

something to gets us intrigued you know

1166

00:51:03,490 --> 00:51:01,250

someone might go you know what can fly

1167

00:51:05,200 --> 00:51:03,500

ten thousand miles an hour so it'll get

1168

00:51:07,330 --> 00:51:05,210

you to the library to read the books and

1169

00:51:08,160 --> 00:51:07,340

researches and go online and do all

1170

00:51:10,230 --> 00:51:08,170

these other things

1171

00:51:12,720 --> 00:51:10,240

each individual person has their little

1172

00:51:14,700 --> 00:51:12,730

niche they have their little things that

1173

00:51:17,430 --> 00:51:14,710

they need to be pushed just the right

1174

00:51:19,230 --> 00:51:17,440

way to go into the subject but it's

1175

00:51:21,390 --> 00:51:19,240

something that every single one of us

1176

00:51:24,030 --> 00:51:21,400

has to work on and it's very difficult

1177

00:51:26,220 --> 00:51:24,040

for us to do that because we always just

1178

00:51:28,829 --> 00:51:26,230

want to sit back and you want someone

1179

00:51:31,200 --> 00:51:28,839

else like me to tell you about it but

1180

00:51:33,799 --> 00:51:31,210

you know I have 15 years you know behind

1181

00:51:36,450 --> 00:51:33,809

me of all these individual because I

1182

00:51:38,760 --> 00:51:36,460

didn't get into too much because we

1183

00:51:41,490 --> 00:51:38,770

won't be able to make it but it started

1184

00:51:42,630 --> 00:51:41,500

with me since I was a child you know and

1185

00:51:45,960 --> 00:51:42,640

a lot of these different experiences

1186

00:51:48,150 --> 00:51:45,970

have been happening so it and I couldn't

1187

00:51:52,319 --> 00:51:48,160

go to anyone else because you go to the

1188

00:51:55,380 --> 00:51:52,329

mom which is the the Islamic version of

1189

00:51:57,569 --> 00:51:55,390

the of the priest and they would just

1190

00:51:59,609 --> 00:51:57,579

say well we sometimes we can't

1191

00:52:01,079 --> 00:51:59,619

understand the things God does and it

1192

00:52:01,530 --> 00:52:01,089

wasn't good enough for me I was like why

1193

00:52:06,390 --> 00:52:01,540

not

1194

00:52:12,750 --> 00:52:06,400

to be explained something okay and so it

1195

00:52:16,530 --> 00:52:12,760

would require us to to to question you

1196

00:52:19,849 --> 00:52:16,540

know the very very fabric of what we

1197

00:52:24,270 --> 00:52:19,859

hold to be a reality so for example

1198

00:52:26,130 --> 00:52:24,280

specifically on the religious level when

1199

00:52:27,359 --> 00:52:26,140

I was as I was young when I was younger

1200

00:52:29,940 --> 00:52:27,369

and I was experiencing different

1201

00:52:32,309 --> 00:52:29,950

vibrations every time I would try to

1202

00:52:34,349 --> 00:52:32,319

hear something would be around and I was

1203

00:52:36,150 --> 00:52:34,359

sent soon as people say spirit it would

1204

00:52:39,510 --> 00:52:36,160

try to communicate with me but it would

1205

00:52:41,880 --> 00:52:39,520

be very deep and dark and ominous

1206

00:52:43,500 --> 00:52:41,890

sounding which will generally be to

1207

00:52:45,089 --> 00:52:43,510

screw this a demon or something like

1208

00:52:47,400 --> 00:52:45,099

that and that's where my brain

1209

00:52:49,440 --> 00:52:47,410

translated s so I immediately you know

1210

00:52:52,799 --> 00:52:49,450

as I was reading books you know this to

1211

00:52:54,720 --> 00:52:52,809

search your right and tell it what you

1212

00:52:56,970 --> 00:52:54,730

know who you are and you know and if

1213

00:53:00,089 --> 00:52:56,980

you're Christian it's in Jesus names if

1214

00:53:01,589 --> 00:53:00,099

you're if you're Muslim it's an Allah's

1215

00:53:03,870 --> 00:53:01,599

name and if you're dense it says you

1216

00:53:05,849 --> 00:53:03,880

know it's all these assert mints and all

1217

00:53:08,819 --> 00:53:05,859

these phrases that you can say to get

1218

00:53:12,329 --> 00:53:08,829

all these spirits away well 15 years

1219

00:53:14,370 --> 00:53:12,339

later I felt extremely silly because all

1220

00:53:16,530 --> 00:53:14,380

these different happenings were simply

1221

00:53:19,049 --> 00:53:16,540

saw different beings from different

1222

00:53:21,040 --> 00:53:19,059

levels in the way that they are trying

1223

00:53:23,320 --> 00:53:21,050

to communicate with ours

1224

00:53:25,630 --> 00:53:23,330

and the connection wasn't quite clear

1225

00:53:27,730 --> 00:53:25,640

because of me I didn't know what I was

1226

00:53:30,130 --> 00:53:27,740

listening to so it freakin was freaking

1227

00:53:32,590 --> 00:53:30,140

me out so I immediately labeled it as

1228

00:53:36,310 --> 00:53:32,600

demons voices whatever it is that you

1229

00:53:38,710 --> 00:53:36,320

want to call it and when you when you

1230

00:53:41,170 --> 00:53:38,720

change when you truly choose to change

1231

00:53:43,630 --> 00:53:41,180

your belief system and simply allow it

1232

00:53:45,190 --> 00:53:43,640

to come for what it is you will off the

1233

00:53:47,530 --> 00:53:45,200

sudden understand it in different ways

1234

00:53:49,810 --> 00:53:47,540

because what was happening at that time

1235

00:53:52,090 --> 00:53:49,820

might as well been imagine you being

1236

00:53:53,920 --> 00:53:52,100

underwater somebody sabore water trying

1237

00:53:56,800 --> 00:53:53,930

to tell you something and it'll all be

1238

00:53:58,690 --> 00:53:56,810

over a river you know it would not be

1239

00:54:00,940 --> 00:53:58,700

coherent you wouldn't you couldn't make

1240

00:54:02,500 --> 00:54:00,950

any sense of it and so that would be the

1241

00:54:07,960 --> 00:54:02,510

best analogy that I could use to

1242

00:54:11,560 --> 00:54:07,970

describe this so well it's nine o'clock

1243

00:54:13,870 --> 00:54:11,570

I can take two quick questions if any of

1244

00:54:25,440 --> 00:54:13,880

you have any otherwise you guys can get

1245

00:54:33,130 --> 00:54:30,340

well I'm sorry real quick um so at the

1246

00:54:35,020 --> 00:54:33,140

table I have a whole bunch of books

1247

00:54:37,390 --> 00:54:35,030

there if there's still any left awful

1248

00:54:39,970 --> 00:54:37,400

free so the covering different subjects

1249

00:54:42,340 --> 00:54:39,980

so please help yourselves take off that

1250

00:54:45,190 --> 00:54:42,350

many you would like and I don't want to

1251
00:54:47,260 --> 00:54:45,200
take any with me home but hopefully if

1252
00:54:49,630 --> 00:54:47,270
you understood a little bit of what I

1253
00:54:51,820 --> 00:54:49,640
meant this could be your first step to a

1254
00:55:07,540 --> 00:54:51,830
whole new journey that you're about to

1255
00:55:11,110 --> 00:55:07,550
experience yes began with it and then

1256
00:55:15,610 --> 00:55:11,120
did about six afterwards No

1257
00:55:17,290 --> 00:55:15,620
six is specific different we can discuss

1258
00:55:20,530 --> 00:55:17,300
the specifics later but there were each

1259
00:55:25,120 --> 00:55:20,540
individually different now of course the

1260
00:55:25,840 --> 00:55:25,130
chemical solid did probably sorry I'm

1261
00:55:28,780 --> 00:55:25,850
drawing a blank

1262
00:55:31,300 --> 00:55:28,790
what is that the tryptamine maybe some

1263
00:55:33,190 --> 00:55:31,310

of them might have had that element part

1264

00:55:34,160 --> 00:55:33,200

of it but if I were to tell you the name

1265

00:55:39,710 --> 00:55:34,170

you would recognize

1266

00:55:41,840 --> 00:55:39,720

into several separate substances right

1267

00:55:43,820 --> 00:55:41,850

right there was I was by myself in the

1268

00:55:46,130 --> 00:55:43,830

woods with no one else around and I

1269

00:55:48,380 --> 00:55:46,140

wanted to know it's like are drugs

1270

00:55:50,030 --> 00:55:48,390

really bad or at least those things are

1271

00:55:54,200 --> 00:55:50,040

always labeled drugs always pushed

1272

00:55:58,250 --> 00:55:54,210

together with all this other stuff but

1273

00:56:00,620 --> 00:55:58,260

you know and so so if you have an

1274

00:56:04,700 --> 00:56:00,630

experience of any kind whether it be

1275

00:56:07,610 --> 00:56:04,710

ghosts UFOs you name it it's meant for

1276

00:56:10,190 --> 00:56:07,620

you it's meant for you to research for

1277

00:56:11,990 --> 00:56:10,200

you to go after for you to to do

1278

00:56:15,650 --> 00:56:12,000

whatever it is that would come to mind

1279

00:56:18,890 --> 00:56:15,660

and take that path because we've so many

1280

00:56:20,990 --> 00:56:18,900

times of train that something happens to

1281

00:56:23,090 --> 00:56:21,000

us for example an illness it's too long

1282

00:56:25,490 --> 00:56:23,100

to go into now but it all initially

1283

00:56:28,220 --> 00:56:25,500

starts with our unresolved emotional

1284

00:56:31,040 --> 00:56:28,230

states and if we don't resolve it it

1285

00:56:33,110 --> 00:56:31,050

creates itself as backache cancer

1286

00:56:34,970 --> 00:56:33,120

headache is you know all these different

1287

00:56:37,370 --> 00:56:34,980

things and again here I'm just dropping

1288

00:56:39,110 --> 00:56:37,380

bombs and you guys oh sorry about that

1289

00:56:43,160 --> 00:56:39,120

there's other things you can look up

1290

00:56:47,810 --> 00:56:43,170

regarding that but when you do the work

1291

00:56:49,370 --> 00:56:47,820

to personally search within yourself to

1292

00:56:51,590 --> 00:56:49,380

figure out what it is that you're doing

1293

00:56:53,870 --> 00:56:51,600

or or it's been happening to you and

1294

00:56:56,030 --> 00:56:53,880

find a connection you can literally heal

1295

00:56:58,400 --> 00:56:56,040

whatever it is that you want to heal now

1296

00:57:02,150 --> 00:56:58,410

before I came here I started getting

1297

00:57:03,740 --> 00:57:02,160

really bad teeth problems and I was

1298

00:57:05,810 --> 00:57:03,750

finding out what's wrong all these years

1299

00:57:07,520 --> 00:57:05,820

I've you know I brush my teeth I do what

1300

00:57:09,770 --> 00:57:07,530

I'm supposed to do why am I having that

1301
00:57:11,720 --> 00:57:09,780
and then sure enough I got the next

1302
00:57:13,580 --> 00:57:11,730
message like you're not speaking you

1303
00:57:15,140 --> 00:57:13,590
know like well on two videos enough that

1304
00:57:18,500 --> 00:57:15,150
I'm putting out there's like no you need

1305
00:57:20,270 --> 00:57:18,510
to speak you know and and so finally the

1306
00:57:22,360 --> 00:57:20,280
second I could find I'm speaking and

1307
00:57:25,040 --> 00:57:22,370
Jason was calling to ask somebody about

1308
00:57:27,560 --> 00:57:25,050
some of my UFOs and all sort of stuff I

1309
00:57:29,630 --> 00:57:27,570
said well I have many people I can refer

1310
00:57:30,920 --> 00:57:29,640
you to but I have something I want to

1311
00:57:35,060 --> 00:57:30,930
talk about it's like yeah I'd love to

1312
00:57:38,780 --> 00:57:35,070
have you and second that happen done you

1313
00:57:41,360 --> 00:57:38,790

know and it's it's you have to try at

1314

00:57:43,430 --> 00:57:41,370

least if you truly want some answers you

1315

00:57:45,440 --> 00:57:43,440

have to try to go out there no matter

1316

00:57:47,569 --> 00:57:45,450

how crazy you will be no matter how much

1317

00:57:49,819 --> 00:57:47,579

your family will reject you because

1318

00:57:52,069 --> 00:57:49,829

you're living this life no one else

1319

00:57:53,630 --> 00:57:52,079

listed for you if you really think about

1320

00:57:55,519 --> 00:57:53,640

this whether you're standing there

1321

00:57:57,949 --> 00:57:55,529

observing me or I'm standing here

1322

00:57:59,180 --> 00:57:57,959

observing you how do we know that we're

1323

00:58:01,940 --> 00:57:59,190

not just part of each other's

1324

00:58:03,979 --> 00:58:01,950

imagination you know what if all if I'm

1325

00:58:06,589 --> 00:58:03,989

just part of your imagination and all of

1326

00:58:09,799 --> 00:58:06,599

this is just all within you and there's

1327

00:58:12,709 --> 00:58:09,809

no one else here really you know what I

1328

00:58:15,049 --> 00:58:12,719

mean so if you have an experience you're

1329

00:58:18,559 --> 00:58:15,059

having it for a reason go after yourself

1330

00:58:20,420 --> 00:58:18,569

instead of you know no it's okay to seek

1331

00:58:22,549 --> 00:58:20,430

for some help or you know for some

1332

00:58:25,219 --> 00:58:22,559

advice but to heavily rely on someone

1333

00:58:27,410 --> 00:58:25,229

like me or someone else to console and

1334

00:58:29,599 --> 00:58:27,420

give you something you will always just

1335

00:58:31,219 --> 00:58:29,609

be fed this great information but if you

1336

00:58:34,999 --> 00:58:31,229

don't do anything with it it's not going

1337

00:58:37,729 --> 00:58:35,009

to help you so thank you I hope I didn't

1338

00:58:41,329 --> 00:58:37,739

bore you too much I really appreciate it

1339

00:58:45,739 --> 00:58:41,339

and tomorrow I will be at my table and

1340

00:58:47,390 --> 00:58:45,749

probably between between 1 and 2 just

1341

00:58:49,400 --> 00:58:47,400

sitting there with my wife and kids so

1342

00:58:51,739 --> 00:58:49,410

if you guys have any questions please

1343

00:58:53,089 --> 00:58:51,749

feel free to stop by otherwise I'll be

1344

00:58:56,359 --> 00:58:53,099

somewhere else doing interviews with

1345

00:58:59,330 --> 00:58:56,369

people and so I hope to see you have a

1346

00:59:00,820 --> 00:58:59,340

good night and thanks for your time
