[Music]

2  
00:00:23,200 --> 00:00:25,640

you

3  
00:00:33,830 --> 00:00:31,640

my name is Jean M Walker I was born in

4  
00:00:36,890 --> 00:00:33,840

Independence Missouri and I lived there

5  
00:00:39,650 --> 00:00:36,900

all my life until I moved to the house

6  
00:00:45,850 --> 00:00:39,660

where I am now in Raytown I've been

7  
00:00:51,319 --> 00:00:48,470

everything started with me while I was a

8  
00:00:56,030 --> 00:00:51,329

science teacher late in life I went got

9  
00:00:58,219 --> 00:00:56,040

my teaching certificate and taught

10  
00:01:00,049 --> 00:00:58,229

middle school science for about 20 years

11  
00:01:04,299 --> 00:01:00,059

for the Kansas City Missouri School

12  
00:01:07,399 --> 00:01:04,309

District I retired about eight years ago

13  
00:01:10,190 --> 00:01:07,409

when you are a teacher it just consumes

14

00:01:14,600 --> 00:01:10,200

your whole life you just that's all you

15

00:01:18,800 --> 00:01:14,610

do so after I retired I happened onto a

16

00:01:21,429 --> 00:01:18,810

UFO conference and I found out there

17

00:01:22,820 --> 00:01:21,439

that they had MUFON meetings here in

18

00:01:25,969 --> 00:01:22,830

Kansas City

19

00:01:30,709 --> 00:01:25,979

so I started attending them once a month

20

00:01:34,520 --> 00:01:30,719

and I just really felt a connection with

21

00:01:38,029 --> 00:01:34,530

MUFON because I was learning a lot and

22

00:01:41,840 --> 00:01:38,039

hearing other people's experiences and I

23

00:01:46,069 --> 00:01:41,850

had had so many of these myself so I

24

00:01:49,270 --> 00:01:46,079

become very intrigued with MUFON and I

25

00:01:51,739 --> 00:01:49,280

took my test I became an investigator

26

00:01:54,859 --> 00:01:51,749

later I became the star team

27

00:01:58,459 --> 00:01:54,869

investigator and I just kept working

28

00:02:03,309 --> 00:01:58,469

with MUFON and doing cases UFO cases

29

00:02:05,480 --> 00:02:03,319

were assigned cases people see things or

30

00:02:08,300 --> 00:02:05,490

you know or they think they see

31

00:02:10,880 --> 00:02:08,310

something they know it's not normal so

32

00:02:13,850 --> 00:02:10,890

they report it to MUFON and they sign

33

00:02:19,580 --> 00:02:13,860

the cases to an investigator in that

34

00:02:23,150 --> 00:02:19,590

area and after that I became section

35

00:02:26,840 --> 00:02:23,160

director and I now AM responsible for

36

00:02:30,370 --> 00:02:26,850

the meetings or move on the we do a lot

37

00:02:32,510 --> 00:02:30,380

of Skype and we interview a lot of

38

00:02:36,140 --> 00:02:32,520

people that have written books a lot of

39

00:02:38,870 --> 00:02:36,150

authors on the subject of UFOs and a lot

40

00:02:40,520 --> 00:02:38,880

anything pertaining to it

41

00:02:43,520 --> 00:02:40,530

I will say one of the biggest shocks

42

00:02:47,690 --> 00:02:43,530

I've had in working with MUFON and doing

43

00:02:50,480 --> 00:02:47,700

investigations was how often or I'm

44

00:02:55,040 --> 00:02:50,490

doing the investigation and cryptid

45

00:02:58,400 --> 00:02:55,050

animals will come up all kinds of

46

00:03:01,310 --> 00:02:58,410

creatures I've had reported to me it

47

00:03:05,030 --> 00:03:01,320

isn't just the light that and the

48

00:03:07,370 --> 00:03:05,040

paranormal sometimes it's very hard to

49

00:03:10,520 --> 00:03:07,380

distinguish between what's paranormal

50

00:03:13,340 --> 00:03:10,530

and what is UFO so I've worked with

51  
00:03:15,410 --> 00:03:13,350  
MUFON for going on about five years now

52  
00:03:18,680 --> 00:03:15,420  
and I love it

53  
00:03:20,060 --> 00:03:18,690  
just really enjoy doing this I meet a

54  
00:03:23,630 --> 00:03:20,070  
lot of nice people

55  
00:03:27,800 --> 00:03:23,640  
and so then things started coming to me

56  
00:03:30,500 --> 00:03:27,810  
at such a rate and I started recording a

57  
00:03:33,230 --> 00:03:30,510  
lot of things and I have one sibling a

58  
00:03:37,970 --> 00:03:33,240  
brother we would get together and we

59  
00:03:40,550 --> 00:03:37,980  
would talk and I would write down all

60  
00:03:44,680 --> 00:03:40,560  
the stuff that had happened to us as

61  
00:03:47,600 --> 00:03:44,690  
children on up and I spent four years

62  
00:03:52,340 --> 00:03:47,610  
just trying to put everything together

63  
00:03:54,460 --> 00:03:52,350

and remembering things I joined an

64

00:03:59,120 --> 00:03:54,470

experience or group for abducted

65

00:04:02,390 --> 00:03:59,130

adoptions and I found it was hard for me

66

00:04:05,870 --> 00:04:02,400

to talk because it was so emotional some

67

00:04:10,430 --> 00:04:05,880

of this stuff is so emotional to me so I

68

00:04:14,440 --> 00:04:10,440

I decided I could write and it was

69

00:04:17,330 --> 00:04:14,450

easier so I wanted to write a book about

70

00:04:21,740 --> 00:04:17,340

all the things that had happened to me

71

00:04:24,710 --> 00:04:21,750

and my brother and after doing so many

72

00:04:27,920 --> 00:04:24,720

investigations and dealing with ETS so

73

00:04:33,290 --> 00:04:27,930

much I really begin to feel that it was

74

00:04:37,430 --> 00:04:33,300

a family or type pain where it runs in

75

00:04:40,190 --> 00:04:37,440

families what certain bloodlines I don't

76

00:04:43,280 --> 00:04:40,200

know if it's the DNA why they pick

77

00:04:47,600 --> 00:04:43,290

certain families but even the paranormal

78

00:04:49,820 --> 00:04:47,610

seems to follow that it started off with

79

00:04:52,399 --> 00:04:49,830

my great grandmother she was a

80

00:04:57,079 --> 00:04:52,409

well-known psychic in Kansas City and

81

00:04:58,879 --> 00:04:57,089

50s she felt that the gift she had she

82

00:05:04,399 --> 00:04:58,889

was to help others and that's what she

83

00:05:06,889 --> 00:05:04,409

used it for she in my book I tell about

84

00:05:10,579 --> 00:05:06,899

some very funny things that she did as a

85

00:05:14,899 --> 00:05:10,589

psychic and also some very serious

86

00:05:17,269 --> 00:05:14,909

things that she did she was quite a

87

00:05:19,999 --> 00:05:17,279

character I was nine years old when she

88

00:05:25,009 --> 00:05:20,009

passed away and I remember her so well

89

00:05:27,979 --> 00:05:25,019

because she was so different and then

90

00:05:31,699 --> 00:05:27,989

for me personally the first thing I

91

00:05:34,459 --> 00:05:31,709

remember was I was in my crib and I seen

92

00:05:36,319 --> 00:05:34,469

this horrible face scared me to death

93

00:05:41,239 --> 00:05:36,329

and the only thing I remember at that

94

00:05:44,299 --> 00:05:41,249

age I was only maybe a year old and I

95

00:05:47,269 --> 00:05:44,309

remember this awful face leaning over my

96

00:05:51,619 --> 00:05:47,279

crib looking at me and I was screaming

97

00:05:53,540 --> 00:05:51,629

top of my lungs I didn't realize I

98

00:05:55,969 --> 00:05:53,550

didn't know what an alien well you know

99

00:05:58,519 --> 00:05:55,979

I mean even growing up as I got older I

100

00:06:01,149 --> 00:05:58,529

thought about this what was that what

101  
00:06:03,799 --> 00:06:01,159  
was that thing that scared me so bad and

102  
00:06:07,509 --> 00:06:03,809  
like I says the only thing I remember it

103  
00:06:10,369 --> 00:06:07,519  
about a year old I think they picked me

104  
00:06:13,639 --> 00:06:10,379  
for what they were going to use me for

105  
00:06:21,019 --> 00:06:13,649  
for the time I was in a crib from an

106  
00:06:23,809 --> 00:06:21,029  
infant throughout my childhood then well

107  
00:06:25,909 --> 00:06:23,819  
my parents at the time I was born lived

108  
00:06:29,029 --> 00:06:25,919  
with my grandparents my maternal

109  
00:06:32,089 --> 00:06:29,039  
grandparents and then my brother came

110  
00:06:34,579 --> 00:06:32,099  
along he's almost two years younger than

111  
00:06:38,899 --> 00:06:34,589  
me when he was six months old we moved

112  
00:06:42,469 --> 00:06:38,909  
from Independence Maywood area up to

113  
00:06:45,649 --> 00:06:42,479

Crisler 39th and Crisler in that place

114

00:06:47,929 --> 00:06:45,659

was right on the Santa Fe Trail and it

115

00:06:50,629 --> 00:06:47,939

was very haunted the grounds were very

116

00:06:55,309 --> 00:06:50,639

haunted there we had my brother and I

117

00:06:58,699 --> 00:06:55,319

from all our lives and many experiences

118

00:07:02,269 --> 00:06:58,709

most of them were not good most of them

119

00:07:05,180 --> 00:07:02,279

were very frightening the area we lived

120

00:07:07,870 --> 00:07:05,190

in was very much like country there

121

00:07:13,040 --> 00:07:07,880

everybody had at least an acre ground

122

00:07:15,680 --> 00:07:13,050

around us and my dad built a basement a

123

00:07:18,950 --> 00:07:15,690

small basement to begin with he dug it

124

00:07:23,660 --> 00:07:18,960

out with the team of horses and from the

125

00:07:25,100 --> 00:07:23,670

man he bought the property from my

126

00:07:29,540 --> 00:07:25,110

brother and I had a lot of bad

127

00:07:32,000 --> 00:07:29,550

experiences in that there I literally

128

00:07:34,970 --> 00:07:32,010

lived in that house until I moved to the

129

00:07:40,220 --> 00:07:34,980

house I'm in now and I've been in my

130

00:07:42,350 --> 00:07:40,230

house for 51 years so and I'm elite now

131

00:07:43,070 --> 00:07:42,360

two or three blocks off the Santa Fe

132

00:07:45,530 --> 00:07:43,080

Trail

133

00:07:48,290 --> 00:07:45,540

so I've literally spent all my life on

134

00:07:50,590 --> 00:07:48,300

the Santa Fe Trail I feel like that had

135

00:07:55,580 --> 00:07:50,600

a lot to do with some of the hauntings

136

00:07:57,980 --> 00:07:55,590

when we were little my brother would

137

00:08:00,920 --> 00:07:57,990

have horrible dreams of devils that

138

00:08:03,320 --> 00:08:00,930

would swoop down at him I mean he was

139

00:08:06,200 --> 00:08:03,330

terrorized all his life with those I

140

00:08:08,510 --> 00:08:06,210

don't think they were Devils now that

141

00:08:11,600 --> 00:08:08,520

were older and we think about it he was

142

00:08:14,360 --> 00:08:11,610

being abducted too and I think they were

143

00:08:19,580 --> 00:08:14,370

aliens and he knew what a devil looked

144

00:08:22,900 --> 00:08:19,590

like so he just said it was Devils like

145

00:08:25,520 --> 00:08:22,910

I said we didn't know what alien was

146

00:08:28,850 --> 00:08:25,530

when we moved into the basement we had

147

00:08:30,740 --> 00:08:28,860

one bedroom we had two cribs and my

148

00:08:34,159 --> 00:08:30,750

parents had a bed and we were all in the

149

00:08:35,659 --> 00:08:34,169

same room and even with all that I had

150

00:08:38,990 --> 00:08:35,669

this awful creature that lived

151  
00:08:42,740 --> 00:08:39,000  
underneath my bed I named him Bosco I

152  
00:08:46,460 --> 00:08:42,750  
don't know why I told my mother about

153  
00:08:49,220 --> 00:08:46,470  
him I told her out scared very badly and

154  
00:08:50,510 --> 00:08:49,230  
she says all he's not there there's it's

155  
00:08:53,690 --> 00:08:50,520  
your imagination

156  
00:08:55,970 --> 00:08:53,700  
and I said no and I would sleep in a

157  
00:08:58,940 --> 00:08:55,980  
fetal position afraid to stick my arm

158  
00:09:00,890 --> 00:08:58,950  
her hand out of the crib and she's all

159  
00:09:04,190 --> 00:09:00,900  
just get your nerve up and stick your

160  
00:09:07,520 --> 00:09:04,200  
arm out and you'll see then that this is

161  
00:09:10,160 --> 00:09:07,530  
your imagination so as time went by I

162  
00:09:14,720 --> 00:09:10,170  
got my nerve up stuck my little hand out

163  
00:09:17,820 --> 00:09:14,730

that crib and it bit me I was so mad at

164

00:09:22,009 --> 00:09:17,830

my mother I said I told you it was worth

165

00:09:25,829 --> 00:09:22,019

she still wouldn't believe me but we saw

166

00:09:28,970 --> 00:09:25,839

like a video that played over and over a

167

00:09:31,410 --> 00:09:28,980

scene on the walls my brother and I both

168

00:09:34,440 --> 00:09:31,420

when we'd have to take naps in the

169

00:09:36,600 --> 00:09:34,450

afternoon we'd lay there and I would

170

00:09:39,420 --> 00:09:36,610

look and I didn't know he was seeing the

171

00:09:41,880 --> 00:09:39,430

same thing about eight years ago I was

172

00:09:44,160 --> 00:09:41,890

talking to him about what I had seen

173

00:09:48,030 --> 00:09:44,170

he's just oh my god I've seen the same

174

00:09:51,019 --> 00:09:48,040

thing it was these prisoners they wore

175

00:09:54,150 --> 00:09:51,029

striped suits and there were to him and

176

00:09:58,199 --> 00:09:54,160

they were sitting on bunks and had big

177

00:10:00,780 --> 00:09:58,209

springs in them and they talked to each

178

00:10:02,850 --> 00:10:00,790

other and they'd move around my brother

179

00:10:04,860 --> 00:10:02,860

says he remembers a hound dog that was

180

00:10:07,920 --> 00:10:04,870

with him and he saw him smoking

181

00:10:09,810 --> 00:10:07,930

cigarettes which I saw that too but he

182

00:10:13,350 --> 00:10:09,820

said he actually saw the red cherry on

183

00:10:15,780 --> 00:10:13,360

the end of the cigarette he said one

184

00:10:17,910 --> 00:10:15,790

time the man looked at him as if he was

185

00:10:20,430 --> 00:10:17,920

aware that we were watching him and he

186

00:10:23,370 --> 00:10:20,440

waved at my brother now I don't remember

187

00:10:25,670 --> 00:10:23,380

that part but I sure remember this and I

188

00:10:28,440 --> 00:10:25,680

think it was some sort of a residual

189

00:10:31,350 --> 00:10:28,450

paranormal thing that was playing over

190

00:10:34,350 --> 00:10:31,360

and over and I often wonder since we

191

00:10:40,199 --> 00:10:34,360

were on the Santa Fe Trail perhaps they

192

00:10:43,170 --> 00:10:40,209

had a jail there where they held men but

193

00:10:45,990 --> 00:10:43,180

that was there were so many things it's

194

00:10:47,850 --> 00:10:46,000

all in the book it would take me a long

195

00:10:50,579 --> 00:10:47,860

time though to tell you all about the

196

00:10:57,720 --> 00:10:50,589

things that happened in that house when

197

00:11:01,500 --> 00:10:57,730

I got to be about nine Oh I encountered

198

00:11:03,420 --> 00:11:01,510

what I call the spacemen there was we

199

00:11:06,540 --> 00:11:03,430

had a pond directly behind our house

200

00:11:09,960 --> 00:11:06,550

pretty good sized pond and we'd play

201  
00:11:13,410 --> 00:11:09,970  
down there all the time as kids and I

202  
00:11:15,180 --> 00:11:13,420  
seen the spaceman he would follow me and

203  
00:11:18,240 --> 00:11:15,190  
I called him the spaceman because he had

204  
00:11:20,280 --> 00:11:18,250  
a silver suit I really couldn't make out

205  
00:11:24,150 --> 00:11:20,290  
what his face was like whether it was

206  
00:11:26,340 --> 00:11:24,160  
like an alien or what I just can't quite

207  
00:11:29,160 --> 00:11:26,350  
remember it what his faith I can't

208  
00:11:31,360 --> 00:11:29,170  
remember everything but his face and I

209  
00:11:32,860 --> 00:11:31,370  
do want to have some regression and

210  
00:11:35,220 --> 00:11:32,870  
well I'm going to write another book

211  
00:11:40,180 --> 00:11:35,230  
after that along with a lot of my

212  
00:11:43,180 --> 00:11:40,190  
investigation stories but the spaceman

213  
00:11:46,120 --> 00:11:43,190

followed me and my brother told me one

214

00:11:47,829 --> 00:11:46,130

time he said sis I remember when we were

215

00:11:50,950 --> 00:11:47,839

kids we were out playing with the other

216

00:11:52,780 --> 00:11:50,960

neighborhood kids and you come running

217

00:11:55,269 --> 00:11:52,790

up to me grabbing me and you were scared

218

00:11:57,880 --> 00:11:55,279

to death and you said don't you see the

219

00:12:00,640 --> 00:11:57,890

spaceman he's chasing me out here don't

220

00:12:04,210 --> 00:12:00,650

you see him and my brother said he never

221

00:12:06,880 --> 00:12:04,220

saw him but I knew even when he wasn't

222

00:12:11,260 --> 00:12:06,890

out there chasing me he was watching the

223

00:12:14,620 --> 00:12:11,270

house constantly watch watch watching me

224

00:12:16,870 --> 00:12:14,630

I became so frightened and I told my

225

00:12:18,820 --> 00:12:16,880

parents I said they're going to take me

226

00:12:21,370 --> 00:12:18,830

somebody I didn't know who they were I

227

00:12:26,590 --> 00:12:21,380

just said I'm going to be taken I was

228

00:12:28,810 --> 00:12:26,600

terrified my dad one time I remember him

229

00:12:30,490 --> 00:12:28,820

saying maybe we should put iron bars on

230

00:12:33,430 --> 00:12:30,500

Jeannie's windows and that might make

231

00:12:34,810 --> 00:12:33,440

her feel safer but you see now I know it

232

00:12:37,269 --> 00:12:34,820

wouldn't have went in made any

233

00:12:40,620 --> 00:12:37,279

difference because I was being abducted

234

00:12:42,940 --> 00:12:40,630

I just didn't I just knew the fear I

235

00:12:45,790 --> 00:12:42,950

didn't know where it was coming from and

236

00:12:48,610 --> 00:12:45,800

I didn't know why I was so scared I'm

237

00:12:50,650 --> 00:12:48,620

sure as a parent now I would be very

238

00:12:53,140 --> 00:12:50,660

upset my child told me somebody was

239

00:12:56,620 --> 00:12:53,150

going to take him but I kept telling

240

00:13:03,970 --> 00:12:56,630

them this from there I go to the time

241

00:13:07,840 --> 00:13:03,980

when I got married very young I had four

242

00:13:12,790 --> 00:13:07,850

miscarriages in my book I titled the

243

00:13:16,809 --> 00:13:12,800

chapter the baby stealers and they took

244

00:13:19,299 --> 00:13:16,819

four of my children and in

245

00:13:22,090 --> 00:13:19,309

I tell how I know they were normal

246

00:13:25,049 --> 00:13:22,100

miscarriages I mean it was just so

247

00:13:27,849 --> 00:13:25,059

obvious when I look back on everything I

248

00:13:32,049 --> 00:13:27,859

was really young back then you know in

249

00:13:36,789 --> 00:13:32,059

my early twenties and I I just never

250

00:13:41,229 --> 00:13:36,799

knew what was going on but I did get to

251

00:13:45,489 --> 00:13:41,239

see one of my children I've got a

252

00:13:48,219 --> 00:13:45,499

drawing in my book that shows it I was

253

00:13:51,189 --> 00:13:48,229

sitting on a bench and I remember that

254

00:13:55,150 --> 00:13:51,199

and all around me I was in a round room

255

00:13:57,549 --> 00:13:55,160

had some windows going around it it was

256

00:14:01,029 --> 00:13:57,559

all chrome every bit was very sterile

257

00:14:03,340 --> 00:14:01,039

all chrome next to me with some kind of

258

00:14:04,960 --> 00:14:03,350

a big machine or something I don't I

259

00:14:07,509 --> 00:14:04,970

think it might have been an antigravity

260

00:14:09,819 --> 00:14:07,519

machine or something like that now I put

261

00:14:12,219 --> 00:14:09,829

the drawing in the book but I'm sitting

262

00:14:15,369 --> 00:14:12,229

there on the bench and there's like an

263

00:14:19,749 --> 00:14:15,379

elevator door to my left it opened up

264

00:14:21,609 --> 00:14:19,759

and out walk this man with a child the

265

00:14:23,499 --> 00:14:21,619

child was about eight years old which

266

00:14:28,539 --> 00:14:23,509

would have coincided with the last

267

00:14:32,499 --> 00:14:28,549

miscarriage I'd had this man was blond

268

00:14:36,309 --> 00:14:32,509

blue-eyed had a white robe on had gold

269

00:14:40,210 --> 00:14:36,319

ties holding the robe on the little boy

270

00:14:42,460 --> 00:14:40,220

was dressed the same way he walked a

271

00:14:45,639 --> 00:14:42,470

child over to me nothing was ever said

272

00:14:48,460 --> 00:14:45,649

everything was telepathic he walked the

273

00:14:50,979 --> 00:14:48,470

child over to me and I put my arms

274

00:14:54,609 --> 00:14:50,989

around him and held him and I knew that

275

00:14:56,289 --> 00:14:54,619

was my baby as a mother I knew and the

276

00:15:02,649 --> 00:14:56,299

little boy looked just like me he was

277

00:15:04,389 --> 00:15:02,659

blond blue-eyed small features I held

278

00:15:06,849 --> 00:15:04,399

him for a little while and then he

279

00:15:09,939 --> 00:15:06,859

turned around and the man took him and

280

00:15:12,039 --> 00:15:09,949

they went back on the elevator I don't

281

00:15:14,979 --> 00:15:12,049

know how I got there and I don't know

282

00:15:19,929 --> 00:15:14,989

how I got home I thought this was a very

283

00:15:22,779 --> 00:15:19,939

vivid dream quite a few years after this

284

00:15:27,309 --> 00:15:22,789

happened I was reading the book the

285

00:15:29,139 --> 00:15:27,319

intruders and bed Hopkins was I think

286

00:15:30,639 --> 00:15:29,149

the writer that mean he was a

287

00:15:33,549 --> 00:15:30,649

psychologist that

288

00:15:35,679 --> 00:15:33,559

with people that were abducted and there

289

00:15:38,829 --> 00:15:35,689

was a lady in there talking she

290

00:15:41,920 --> 00:15:38,839

described the same thing I had happen

291

00:15:45,670 --> 00:15:41,930

about fell off of my sofa when I read

292

00:15:49,299 --> 00:15:45,680

that oh my god this is what happened to

293

00:15:52,840 --> 00:15:49,309

me and that's another reason I'm going

294

00:16:00,249 --> 00:15:52,850

to be regressed I know I have hyper

295

00:16:04,030 --> 00:16:00,259

children out there so that was the worst

296

00:16:06,910 --> 00:16:04,040

thing very emotional for me they still

297

00:16:09,569 --> 00:16:06,920

are taking me to this day and I wonder

298

00:16:13,660 --> 00:16:09,579

why they're still abducting me at my age

299

00:16:18,220 --> 00:16:13,670

I think it could be sometimes for

300

00:16:20,530 --> 00:16:18,230

healings or they tracked me I wake up

301

00:16:22,780 --> 00:16:20,540

with all kinds of injuries that I didn't

302

00:16:25,179 --> 00:16:22,790

go to bed with and I tried to document

303

00:16:27,730 --> 00:16:25,189

as many of them as I can by taking

304

00:16:29,829 --> 00:16:27,740

photos and I keep a diary because

305

00:16:32,679 --> 00:16:29,839

otherwise I just wouldn't be able to

306

00:16:35,439 --> 00:16:32,689

remember all of it so much happens to me

307

00:16:39,610 --> 00:16:35,449

all the time and I've got a lot of that

308

00:16:43,360 --> 00:16:39,620

my book I had a thing in my book where I

309

00:16:47,650 --> 00:16:43,370

talk about fairies as a child I've seen

310

00:16:50,860 --> 00:16:47,660

fairies just one time it was very

311

00:16:56,679 --> 00:16:50,870

glorious it was a that was a pleasant

312

00:16:59,319 --> 00:16:56,689

experience that I remember and then it

313

00:17:02,199 --> 00:16:59,329

was just a one time that one other time

314

00:17:04,449 --> 00:17:02,209

I was running through a field to get to

315

00:17:06,639 --> 00:17:04,459

a neighbor's house and there was an old

316

00:17:09,460 --> 00:17:06,649

stump out there or somebody had cut down

317

00:17:12,519 --> 00:17:09,470

the tree and there there was this little

318

00:17:15,370 --> 00:17:12,529

guy on that stump and he looked at me

319

00:17:17,319 --> 00:17:15,380

kind of look like a gnome and he's and

320

00:17:19,569 --> 00:17:17,329

he looked shocked because I come running

321

00:17:23,529 --> 00:17:19,579

through there pretty fast and he was

322

00:17:26,409 --> 00:17:23,539

kind of shocked that I seen him and I

323

00:17:28,960 --> 00:17:26,419

stopped and I just looked at him and he

324

00:17:32,139 --> 00:17:28,970

just kind of he act like he was kind of

325

00:17:34,480 --> 00:17:32,149

shocked and scared of me too and he just

326

00:17:35,440 --> 00:17:34,490

looked back and then I thought I don't

327

00:17:40,029 --> 00:17:35,450

know what this is

328

00:17:42,669 --> 00:17:40,039

so I ran on to my friend's house so I

329

00:17:44,260 --> 00:17:42,679

talked about why sometimes certain

330

00:17:47,290 --> 00:17:44,270

people can see fairies

331

00:17:50,140 --> 00:17:47,300

but other people can't I had been out on

332

00:17:54,730 --> 00:17:50,150

an investigation in eastern independence

333

00:17:58,060 --> 00:17:54,740

it's a huge case not too far from the

334

00:18:00,730 --> 00:17:58,070

Missouri River really close and I was

335

00:18:03,130 --> 00:18:00,740

taking photos I took a lot of photos

336

00:18:06,940 --> 00:18:03,140

there there were a lot of orbs in the

337

00:18:10,330 --> 00:18:06,950

area and I caught a picture of a fairy I

338

00:18:13,150 --> 00:18:10,340

put that my book it is so obvious you

339

00:18:17,200 --> 00:18:13,160

can see her little legs or head or wings

340

00:18:20,400 --> 00:18:17,210

it's definitely a fairy in my book also

341

00:18:22,750 --> 00:18:20,410

have a chapter on dreams I talk about

342

00:18:26,260 --> 00:18:22,760

psychic dreams that I've had that came

343

00:18:29,440 --> 00:18:26,270

true and then I talk about repetitive

344

00:18:32,680 --> 00:18:29,450

dreams I think anytime you have a dream

345

00:18:35,470 --> 00:18:32,690

over and over something is telling you

346

00:18:40,600 --> 00:18:35,480

something that you need to pay really

347

00:18:43,810 --> 00:18:40,610

good attention to my dad was killed in

348

00:18:47,710 --> 00:18:43,820

an airplane crash he had his own little

349

00:18:49,630 --> 00:18:47,720

airstrip and everything and it was very

350

00:18:54,820 --> 00:18:49,640

shocking all at once

351

00:18:59,080 --> 00:18:54,830

I was in shock for a year after after

352

00:19:02,890 --> 00:18:59,090

about a year his mother he was an only

353

00:19:05,080 --> 00:19:02,900

child he has another my grandmother had

354

00:19:07,360 --> 00:19:05,090

just big old house and I show pictures

355

00:19:10,030 --> 00:19:07,370

of it and I talk about this big old

356

00:19:13,570 --> 00:19:10,040

house that she had in this house she had

357

00:19:15,580 --> 00:19:13,580

a dead-end stairway that she said she

358

00:19:17,530 --> 00:19:15,590

called the fever Maggie's closet and I

359

00:19:20,470 --> 00:19:17,540

don't know most your viewers are old

360

00:19:23,440 --> 00:19:20,480

enough to remember fever McGee which was

361

00:19:27,010 --> 00:19:23,450

a radio show about this couple never

362

00:19:28,750 --> 00:19:27,020

very funny and never had this closet and

363

00:19:30,520 --> 00:19:28,760

he'd opened the door and on the radio

364

00:19:33,460 --> 00:19:30,530

you'd hear all these pots and pans

365

00:19:37,000 --> 00:19:33,470

coming out well I kept having a dream

366

00:19:39,790 --> 00:19:37,010

that my dad was telling me to go to that

367

00:19:43,720 --> 00:19:39,800

closet but there was something there he

368

00:19:45,550 --> 00:19:43,730

wanted me to find so I asked my

369

00:19:47,890 --> 00:19:45,560

grandmother I said did because I knew

370

00:19:51,580 --> 00:19:47,900

dad had stored some of his stuff over

371

00:19:54,850 --> 00:19:51,590

her house I said does dad have anything

372

00:19:58,250 --> 00:19:54,860

upstairs in that or in that fibber McGee

373

00:20:01,360 --> 00:19:58,260

closet ears and oh no

374

00:20:03,980 --> 00:20:01,370

no any he'd ever put anything in there I

375

00:20:06,020 --> 00:20:03,990

said well it's really strange I keep

376

00:20:09,470 --> 00:20:06,030

having this dream over and over

377

00:20:12,470 --> 00:20:09,480

well I let quite a few months go by and

378

00:20:14,240 --> 00:20:12,480

I kept having the dream so one day I was

379

00:20:17,180 --> 00:20:14,250

over there visiting my grandmother Nelly

380

00:20:18,530 --> 00:20:17,190

and I said grandma would you mind if I

381

00:20:22,610 --> 00:20:18,540

went up there and just looked around

382

00:20:26,330 --> 00:20:22,620

because I keep having this dream she who

383

00:20:28,220 --> 00:20:26,340

no child go ahead I don't care so when

384

00:20:30,500 --> 00:20:28,230

you went up the steps and she had a lot

385

00:20:32,300 --> 00:20:30,510

of stuff stacked all over these steps

386

00:20:35,180 --> 00:20:32,310

where she had used it throwing

387

00:20:37,100 --> 00:20:35,190

everything in this closet - and you walk

388

00:20:39,470 --> 00:20:37,110

up the steps and there was a platform

389

00:20:42,590 --> 00:20:39,480

and you turn to the right and there was

390

00:20:46,640 --> 00:20:42,600

about four more steps well on them last

391

00:20:49,460 --> 00:20:46,650

four steps I find this box and it was a

392

00:20:52,490 --> 00:20:49,470

cigar box an old cigar box I opened it

393

00:20:55,760 --> 00:20:52,500

up and there was a lot of papers of my

394

00:20:58,910 --> 00:20:55,770

father's in there and some pictures so I

395

00:21:00,890 --> 00:20:58,920

took it I thought this is it I went

396

00:21:03,980 --> 00:21:00,900

downstairs and grandma and I went

397

00:21:07,370 --> 00:21:03,990

through all that what was really strange

398

00:21:11,120 --> 00:21:07,380

was my dad had had an affair with

399

00:21:15,080 --> 00:21:11,130

another woman that I knew about and he

400

00:21:18,230 --> 00:21:15,090

had her pregnancy test in there and I

401  
00:21:23,510 --> 00:21:18,240  
knew for a fact that I had a brother and

402  
00:21:25,520 --> 00:21:23,520  
my dad wanted me to find that I can

403  
00:21:29,360 --> 00:21:25,530  
remember these people's names but I

404  
00:21:32,120 --> 00:21:29,370  
can't remember the last name so again

405  
00:21:35,300 --> 00:21:32,130  
that's another reason I want to be

406  
00:21:37,610 --> 00:21:35,310  
regressed so that I can perhaps remember

407  
00:21:39,770 --> 00:21:37,620  
the name but that's only one of the

408  
00:21:41,690 --> 00:21:39,780  
stories I have many in there about the

409  
00:21:45,290 --> 00:21:41,700  
dreams and things that happen but that

410  
00:21:50,630 --> 00:21:45,300  
one was pretty important to me in what I

411  
00:21:53,090 --> 00:21:50,640  
found out and if anybody if you guys are

412  
00:21:56,450 --> 00:21:53,100

413
