

UFO HUB

1
00:00:07,880 --> 00:00:20,750

[Music]

2
00:00:26,150 --> 00:00:23,780

well yeah I so yeah ginger then wanted

3
00:00:30,350 --> 00:00:26,160

me to speak and I used to be big into

4
00:00:31,820 --> 00:00:30,360

9/11 not I don't know it was an interest

5
00:00:35,470 --> 00:00:31,830

of mine but mainly because I saw

6
00:00:40,190 --> 00:00:35,480

something that was not quite right and

7
00:00:42,770 --> 00:00:40,200

it I should I explain it it bothered me

8
00:00:45,440 --> 00:00:42,780

it bothered me a lot and so I kept

9
00:00:47,660 --> 00:00:45,450

looking and researching and doing the

10
00:00:50,660 --> 00:00:47,670

things that most of us have done which

11
00:00:53,000 --> 00:00:50,670

is going online and looking up every

12
00:00:54,980 --> 00:00:53,010

conspiracy theory that there possibly

13
00:00:57,560 --> 00:00:54,990

was out there you know about there's

14

00:00:59,600 --> 00:00:57,570

planes there's no planes there secret

15

00:01:01,430 --> 00:00:59,610

group there no menotti there's this and

16

00:01:03,080 --> 00:01:01,440

that you know I mean you can read up on

17

00:01:04,939 --> 00:01:03,090

stuff by time you're done you pretty

18

00:01:08,780 --> 00:01:04,949

much you know ready for the nuthouse

19

00:01:11,120 --> 00:01:08,790

you know and but as I said discovered

20

00:01:14,749 --> 00:01:11,130

later for myself in life it was there

21

00:01:18,410 --> 00:01:14,759

was a reason why I was going down that

22

00:01:20,600 --> 00:01:18,420

route and which is also the reason or

23

00:01:24,919 --> 00:01:20,610

the the titling of the talk today which

24

00:01:27,680 --> 00:01:24,929

is the spiritual aspect of 9/11 and so I

25

00:01:31,190 --> 00:01:27,690

hope you don't mind that I'm not going

26

00:01:33,830 --> 00:01:31,200

to go into all the conspiracy theory

27

00:01:35,330 --> 00:01:33,840

type stuff it was mainly about what I've

28

00:01:39,919 --> 00:01:35,340

discovered through several different

29

00:01:43,219 --> 00:01:39,929

models of what global role any of these

30

00:01:45,050 --> 00:01:43,229

things like 9/11 disasters all these

31

00:01:48,020 --> 00:01:45,060

difficult things that we are all faced

32

00:01:49,999 --> 00:01:48,030

to society what they mean for us why

33

00:01:52,790 --> 00:01:50,009

they're why they are happening and what

34

00:01:54,650 --> 00:01:52,800

what the purpose of them are I mean it's

35

00:01:57,050 --> 00:01:54,660

it would be difficult to describe of why

36

00:02:01,309 --> 00:01:57,060

would a disaster you know have a purpose

37

00:02:03,859 --> 00:02:01,319

but it does and so I hope you you'll

38

00:02:06,499 --> 00:02:03,869

bear with me thanks for your time I hope

39

00:02:08,480 --> 00:02:06,509

you're not gonna be too bored and like

40

00:02:11,570 --> 00:02:08,490

I've said in my other talk that I gave

41

00:02:14,360 --> 00:02:11,580

in Kansas City believe it don't believe

42

00:02:16,490 --> 00:02:14,370

it you know I I'm not gonna hate you for

43

00:02:18,949 --> 00:02:16,500

it and you know everyone has their own

44

00:02:20,809 --> 00:02:18,959

path everyone has their own information

45

00:02:22,400 --> 00:02:20,819

that they read and I just hope that you

46

00:02:24,559 --> 00:02:22,410

follow up on it whatever it is that

47

00:02:26,330 --> 00:02:24,569

you've read but just know that I'm not

48

00:02:28,699 --> 00:02:26,340

trying to infringe on your belief system

49

00:02:30,979 --> 00:02:28,709

or a counteract of what you believe

50

00:02:34,120 --> 00:02:30,989

you've done or mean read about about

51
00:02:37,460 --> 00:02:34,130
this so I'm just

52
00:02:41,150 --> 00:02:37,470
appreciating the the time that you given

53
00:02:43,730 --> 00:02:41,160
me for however long it is for today so I

54
00:02:46,460 --> 00:02:43,740
figured well I wanted to I figure it was

55
00:02:49,730 --> 00:02:46,470
a few things when I think back about I

56
00:02:53,180 --> 00:02:49,740
started with with UFOs since I was about

57
00:02:56,330 --> 00:02:53,190
fifteen and I didn't understand you know

58
00:02:58,280 --> 00:02:56,340
later on what 9/11 would have to do with

59
00:03:00,080 --> 00:02:58,290
UFOs and I'm not going to get that much

60
00:03:01,640 --> 00:03:00,090
into it there's a you know a big

61
00:03:04,190 --> 00:03:01,650
connection because at the end of the day

62
00:03:07,310 --> 00:03:04,200
we're all one but it's too much of a

63
00:03:11,750 --> 00:03:07,320

stretch to connect the dots for everyone

64

00:03:14,090 --> 00:03:11,760

so just the the way I started to look

65

00:03:16,040 --> 00:03:14,100

into 9/11 and the path that it took me

66

00:03:18,650 --> 00:03:16,050

down I thought it was very interesting

67

00:03:21,140 --> 00:03:18,660

because of where I was at in my life

68

00:03:24,020 --> 00:03:21,150

after I graduated college and when I

69

00:03:26,420 --> 00:03:24,030

first started working and then where I

70

00:03:28,610 --> 00:03:26,430

was working based on that how I actually

71

00:03:30,560 --> 00:03:28,620

got to know more about this it was all

72

00:03:34,340 --> 00:03:30,570

about all these little coincidences that

73

00:03:36,620 --> 00:03:34,350

I think are funny now so in 2006 I

74

00:03:39,500 --> 00:03:36,630

graduated from from West University in

75

00:03:42,670 --> 00:03:39,510

computer science degree and so six

76
00:03:45,440 --> 00:03:42,680
months before the graduation they were

77
00:03:47,420 --> 00:03:45,450
they would talk about this you know

78
00:03:50,270 --> 00:03:47,430
everyone's like oh Santa is hiring you

79
00:03:52,730 --> 00:03:50,280
know and they're meeting all these IT

80
00:03:57,020 --> 00:03:52,740
guys they're you know needing all these

81
00:03:59,090 --> 00:03:57,030
webs web developers and coops and so of

82
00:04:00,590 --> 00:03:59,100
course it sounded like something that I

83
00:04:02,750 --> 00:04:00,600
should apply to you know it's a prestige

84
00:04:06,230 --> 00:04:02,760
company at that time that was my mindset

85
00:04:08,390 --> 00:04:06,240
you know and what what better thing to

86
00:04:11,000 --> 00:04:08,400
have on your resume and say oh I worked

87
00:04:14,360 --> 00:04:11,010
at IIT or did something Westside related

88
00:04:21,050 --> 00:04:14,370

for Monsanto you know and so I applied

89

00:04:25,909 --> 00:04:21,060

and sure enough got in so small it's on

90

00:04:28,520 --> 00:04:25,919

there says spring 2006 IT co-op resume

91

00:04:30,350 --> 00:04:28,530

and presentation booklet so there was

92

00:04:32,540 --> 00:04:30,360

the there's a little bit oh close up

93

00:04:36,159 --> 00:04:32,550

you'll see me with my arms crossed I was

94

00:04:44,050 --> 00:04:41,890

and so why I bring this up and I you

95

00:04:45,969 --> 00:04:44,060

know I'm sorry to disappoint some of the

96

00:04:48,429 --> 00:04:45,979

conspiracy theorists in this it wasn't

97

00:04:50,499 --> 00:04:48,439

like I discovered something secret and

98

00:04:53,080 --> 00:04:50,509

oh my god how come people didn't know

99

00:04:54,820 --> 00:04:53,090

about this about Monsanto so it's not

100

00:04:56,950 --> 00:04:54,830

it's not that I've discovered anything

101
00:04:58,629 --> 00:04:56,960
about them but something interesting

102
00:05:02,320 --> 00:04:58,639
that was happening to me while I was

103
00:05:04,839 --> 00:05:02,330
working for Monsanto every week that I

104
00:05:07,390 --> 00:05:04,849
worked there the project manager would

105
00:05:10,059 --> 00:05:07,400
call in all the co-ops and I'm assuming

106
00:05:12,100 --> 00:05:10,069
saw the co-ops and we would sit down and

107
00:05:13,749 --> 00:05:12,110
he would ask questions there are really

108
00:05:15,580 --> 00:05:13,759
weird to me at that at that time and

109
00:05:17,920 --> 00:05:15,590
even to this day he would say things

110
00:05:19,540 --> 00:05:17,930
like you know do you like working for my

111
00:05:22,510 --> 00:05:19,550
Center and my cup yeah yeah it's a great

112
00:05:24,850 --> 00:05:22,520
company you know worldwide the well

113
00:05:27,010 --> 00:05:24,860

known and he's like do you agree with

114

00:05:28,510 --> 00:05:27,020

what Monsanto does and I was so

115

00:05:30,730 --> 00:05:28,520

oblivious to a lot of things you know

116

00:05:32,469 --> 00:05:30,740

I'm trying to scrounge some you know

117

00:05:35,200 --> 00:05:32,479

intelligent piece of information I said

118

00:05:37,600 --> 00:05:35,210

yeah you know Magento I mean feeds the

119

00:05:39,760 --> 00:05:37,610

world and you know and some people can't

120

00:05:41,920 --> 00:05:39,770

have food so they have to genetically

121

00:05:43,809 --> 00:05:41,930

modify to give him food you know I'm

122

00:05:46,689 --> 00:05:43,819

sorry like I totally did talking to him

123

00:05:49,360 --> 00:05:46,699

but he would kept he was you were doing

124

00:05:51,189 --> 00:05:49,370

this on a weekly basis so I had to go

125

00:05:53,529 --> 00:05:51,199

how to find how what Monsanto is

126
00:05:55,420 --> 00:05:53,539
actually doing you know and you you read

127
00:05:58,899 --> 00:05:55,430
their site and they explained what they

128
00:06:00,730 --> 00:05:58,909
do but then you know I would then by

129
00:06:03,010 --> 00:06:00,740
searching come across all this

130
00:06:05,019 --> 00:06:03,020
conspiracy theory stuff right and so

131
00:06:07,469 --> 00:06:05,029
then I'm starting to find out more and

132
00:06:10,300 --> 00:06:07,479
more what they do and there is a

133
00:06:13,269 --> 00:06:10,310
disagreement about what what they

134
00:06:16,570 --> 00:06:13,279
actually do and so every time I went

135
00:06:18,430 --> 00:06:16,580
into the meeting my my my attitude

136
00:06:20,469 --> 00:06:18,440
started changing so every time he would

137
00:06:22,570 --> 00:06:20,479
ask me those same questions I would then

138
00:06:25,300 --> 00:06:22,580

ask him some questions back you know so

139

00:06:27,610 --> 00:06:25,310

then he would you know like when he

140

00:06:29,769 --> 00:06:27,620

would ask you know why you know do you

141

00:06:31,480 --> 00:06:29,779

agree with what Monsanto is doing and I

142

00:06:33,159 --> 00:06:31,490

said well do we know that GMOs are safe

143

00:06:35,439 --> 00:06:33,169

or not you know and that's when he knew

144

00:06:38,019 --> 00:06:35,449

I kind of like I guess got out of my

145

00:06:40,059 --> 00:06:38,029

zombie mode and started then you know

146

00:06:42,670 --> 00:06:40,069

realizing that okay maybe I could be

147

00:06:46,120 --> 00:06:42,680

some troublesome now before that they

148

00:06:47,439 --> 00:06:46,130

were talking about I was just I'm trying

149

00:06:47,700 --> 00:06:47,449

to remember I don't want to put false

150

00:06:49,310 --> 00:06:47,710

and

151

00:06:51,600 --> 00:06:49,320

formation out there but remembering

152

00:06:54,360 --> 00:06:51,610

updating information for some of their

153

00:06:57,450 --> 00:06:54,370

Africa sites in German and some other

154

00:06:59,490 --> 00:06:57,460

ones it's just data data update whatever

155

00:07:01,200 --> 00:06:59,500

new information they had I would

156

00:07:03,420 --> 00:07:01,210

basically be the web guy go out there

157

00:07:05,120 --> 00:07:03,430

update the new info copy and paste stuff

158

00:07:07,680 --> 00:07:05,130

you know make sure all the data is

159

00:07:10,320 --> 00:07:07,690

intact and linking so that there's no

160

00:07:13,530 --> 00:07:10,330

dead ends and all that stuff and at that

161

00:07:15,660 --> 00:07:13,540

time because of my work added ethic they

162

00:07:17,790 --> 00:07:15,670

wanted to keep me to become a Java

163

00:07:20,160 --> 00:07:17,800

programmer I wasn't aware with John you

164

00:07:21,720 --> 00:07:20,170

didn't know Java then but you're being

165

00:07:24,780 --> 00:07:21,730

computer science it was just another

166

00:07:26,520 --> 00:07:24,790

operating language so I considered it at

167

00:07:28,920 --> 00:07:26,530

that time I said well you know what I I

168

00:07:31,260 --> 00:07:28,930

can learn in Java and stay there it felt

169

00:07:33,510 --> 00:07:31,270

safe because most kids after nowadays

170

00:07:35,640 --> 00:07:33,520

after college you don't have a job so I

171

00:07:37,290 --> 00:07:35,650

was worried about will I have a job when

172

00:07:39,510 --> 00:07:37,300

I get out and that was an opportunity to

173

00:07:42,570 --> 00:07:39,520

stay well needless say they didn't work

174

00:07:45,260 --> 00:07:42,580

out because you know when I start

175

00:07:47,970 --> 00:07:45,270

talking to him in the manner that I was

176

00:07:52,350 --> 00:07:47,980

Bri soon you know they're like maybe am

177

00:07:56,400 --> 00:07:52,360

I not a good fit to stay there well it

178

00:07:58,860 --> 00:07:56,410

was um it was about maybe about a month

179

00:08:01,170 --> 00:07:58,870

or so before I graduated there I just

180

00:08:03,210 --> 00:08:01,180

stopped giving a [h__\h] part my French

181

00:08:05,610 --> 00:08:03,220

working there anymore I just wanted to

182

00:08:08,790 --> 00:08:05,620

stay there for the six months be done

183

00:08:10,800 --> 00:08:08,800

with it and go about my business and so

184

00:08:12,210 --> 00:08:10,810

of course to pass my time and not to be

185

00:08:16,590 --> 00:08:12,220

too bored I was listening to coast to

186

00:08:18,230 --> 00:08:16,600

coast am and so put yourself in my my my

187

00:08:20,990 --> 00:08:18,240

position Here I am

188

00:08:24,360 --> 00:08:21,000

San Luis headquarters of Monsanto

189

00:08:26,850 --> 00:08:24,370

sitting there watching a video that

190

00:08:33,060 --> 00:08:26,860

basically changed my life forever about

191

00:08:35,910 --> 00:08:33,070

9/11 which was the the initial footage

192

00:08:37,950 --> 00:08:35,920

that they had about the Pentagon and so

193

00:08:39,600 --> 00:08:37,960

I don't want to get into with you

194

00:08:41,250 --> 00:08:39,610

whether or not there was a plane whether

195

00:08:42,390 --> 00:08:41,260

or not it was a rocket all these sort of

196

00:08:44,730 --> 00:08:42,400

things that that people have the

197

00:08:47,400 --> 00:08:44,740

theories about the the point here is

198

00:08:50,550 --> 00:08:47,410

that it psychologically affected me and

199

00:08:53,220 --> 00:08:50,560

at a point to where I looked at it and

200

00:08:55,380 --> 00:08:53,230

I've flown and I've been in big

201
00:08:57,390 --> 00:08:55,390
airplanes for about maybe eight nine

202
00:08:59,960 --> 00:08:57,400
times since because I'm originally from

203
00:09:02,240 --> 00:08:59,970
Europe so I would go from Germany to

204
00:09:04,910 --> 00:09:02,250
United States go back to visit and all

205
00:09:05,389 --> 00:09:04,920
that other stuff and I know how big they

206
00:09:07,970 --> 00:09:05,399
are

207
00:09:10,129 --> 00:09:07,980
but it's subtly changed something in my

208
00:09:12,470 --> 00:09:10,139
mind to where I just went that does not

209
00:09:14,329 --> 00:09:12,480
look like a plane to me what got my

210
00:09:17,990 --> 00:09:14,339
attention initially on the right hand

211
00:09:21,829 --> 00:09:18,000
side you'll see a little blimp or

212
00:09:23,269 --> 00:09:21,839
something show up right show up and down

213
00:09:25,160 --> 00:09:23,279

the neck there it is and the next thing

214

00:09:26,269 --> 00:09:25,170

you know it hit it and everyone keeps

215

00:09:29,240 --> 00:09:26,279

saying it's a plane

216

00:09:31,639 --> 00:09:29,250

I just couldn't my mind could not accept

217

00:09:34,129 --> 00:09:31,649

it it was just something that doesn't

218

00:09:36,650 --> 00:09:34,139

matter how many times I watched it no

219

00:09:40,369 --> 00:09:36,660

matter how I try to make it out to be I

220

00:09:42,230 --> 00:09:40,379

could not you know in my in my right

221

00:09:43,850 --> 00:09:42,240

mind if you can say that say that

222

00:09:47,410 --> 00:09:43,860

there's a plane and that's yes I believe

223

00:09:51,040 --> 00:09:47,420

that and so what started then is these

224

00:09:53,329 --> 00:09:51,050

series of questions you know a series of

225

00:09:56,900 --> 00:09:53,339

emotions that I had to figure out

226

00:09:59,360 --> 00:09:56,910

because I've later on many years from

227

00:10:01,280 --> 00:09:59,370

this moment on I thought back about this

228

00:10:03,769 --> 00:10:01,290

I said wow so if I had all these

229

00:10:07,189 --> 00:10:03,779

emotional changes if I had this kind of

230

00:10:10,040 --> 00:10:07,199

effect to witnesses something like that

231

00:10:11,929 --> 00:10:10,050

what else have other people felt because

232

00:10:13,879 --> 00:10:11,939

yeah I can say oh wow this was

233

00:10:15,590 --> 00:10:13,889

disturbing or I don't trust this

234

00:10:18,499 --> 00:10:15,600

information but yet they tell me it's

235

00:10:21,590 --> 00:10:18,509

official you know and so emotionally it

236

00:10:24,049 --> 00:10:21,600

was like you know it when you off the

237

00:10:26,360 --> 00:10:24,059

sudden take these people that you

238

00:10:29,329 --> 00:10:26,370

consider to be authority you know and

239

00:10:31,670 --> 00:10:29,339

and follow s authority to all the sudden

240

00:10:34,220 --> 00:10:31,680

be given something official from them

241

00:10:36,710 --> 00:10:34,230

and all of the sudden you feel they're

242

00:10:40,009 --> 00:10:36,720

lying to you it put me through this

243

00:10:41,960 --> 00:10:40,019

emotional rollercoaster that I will go a

244

00:10:43,850 --> 00:10:41,970

little bit later into but then later I

245

00:10:45,679 --> 00:10:43,860

was wondering is that everyone else go

246

00:10:48,139 --> 00:10:45,689

through this this might not be the

247

00:10:51,079 --> 00:10:48,149

initial thing for you may be saying the

248

00:10:52,730 --> 00:10:51,089

planes hitting or no planes I again I'm

249

00:10:54,860 --> 00:10:52,740

not trying to get into that conspiracy

250

00:10:58,790 --> 00:10:54,870

theory part just seeing the emotional

251
00:11:00,470 --> 00:10:58,800
effect that it had on you and being an

252
00:11:02,179 --> 00:11:00,480
average person like you know I was

253
00:11:04,069 --> 00:11:02,189
immediately thinking that well whatever

254
00:11:06,889 --> 00:11:04,079
I felt it's what everyone else feels

255
00:11:09,049 --> 00:11:06,899
well it's not that case there was

256
00:11:12,620 --> 00:11:09,059
something about particular footage the

257
00:11:13,960 --> 00:11:12,630
one that I just shown that for lack of a

258
00:11:19,419 --> 00:11:13,970
better word woke me up

259
00:11:21,729 --> 00:11:19,429
so with that distrust with that you know

260
00:11:23,439 --> 00:11:21,739
confusion going through life because

261
00:11:25,989 --> 00:11:23,449
this doesn't stop for me this was in

262
00:11:29,199 --> 00:11:25,999
2006 when I first saw this video it's

263
00:11:31,059 --> 00:11:29,209

been several years after and so what

264

00:11:34,089 --> 00:11:31,069

happened actually at Monsanto when I was

265

00:11:36,639 --> 00:11:34,099

here I looked at this and my I think my

266

00:11:38,319 --> 00:11:36,649

initial thoughts or words was like this

267

00:11:40,179 --> 00:11:38,329

looks more like a missile you know and

268

00:11:42,939 --> 00:11:40,189

this was just I don't have any proof

269

00:11:44,439 --> 00:11:42,949

just a gut feeling so I said hey guys

270

00:11:46,269 --> 00:11:44,449

you know in there were cities for desk

271

00:11:48,879 --> 00:11:46,279

where we're sitting and mind you were in

272

00:11:50,619 --> 00:11:48,889

Monsanto and I'm doing guys look there's

273

00:11:52,809 --> 00:11:50,629

actual video of a missile hitting a

274

00:11:55,119 --> 00:11:52,819

pentagon and they all got up to see it

275

00:11:57,129 --> 00:11:55,129

and they looked at in this side and then

276

00:11:58,779 --> 00:11:57,139

as I remember it like yesterday this one

277

00:12:01,569 --> 00:11:58,789

guy goes like oh you one of those guys

278

00:12:03,960 --> 00:12:01,579

and I said what guys it's like oh wow

279

00:12:06,939 --> 00:12:03,970

those guys that don't believe 9/11 was

280

00:12:08,889 --> 00:12:06,949

orchestrated by the terrorists I was

281

00:12:11,109 --> 00:12:08,899

like really what kind of saw those and

282

00:12:12,669 --> 00:12:11,119

they realized I didn't know you know but

283

00:12:14,259 --> 00:12:12,679

by him making those comments and me

284

00:12:19,629 --> 00:12:14,269

seeing that Huff's I I'm going down that

285

00:12:22,659 --> 00:12:19,639

right oh you know and so what happened

286

00:12:24,039 --> 00:12:22,669

what followed after this was a lot of

287

00:12:26,469 --> 00:12:24,049

information you know a lot of

288

00:12:29,289 --> 00:12:26,479

information reading about what is

289

00:12:31,719 --> 00:12:29,299

possible not didn't get too much into

290

00:12:34,299 --> 00:12:31,729

the physics but I had to enough to just

291

00:12:36,309 --> 00:12:34,309

kind of understand it so that I don't

292

00:12:38,710 --> 00:12:36,319

sound like a babbling idiot if I had to

293

00:12:41,409 --> 00:12:38,720

repeat it to somebody about what is

294

00:12:44,499 --> 00:12:41,419

possible you know with the buildings and

295

00:12:47,079 --> 00:12:44,509

resistance and freefall and you know

296

00:12:50,129 --> 00:12:47,089

matter and you know just that your

297

00:12:52,869 --> 00:12:50,139

average physics type stuff and so

298

00:12:54,849 --> 00:12:52,879

initially I was one of those people I

299

00:12:56,559 --> 00:12:54,859

would go around that's okay man you know

300

00:12:57,789 --> 00:12:56,569

look check this video out you know I

301

00:13:00,039 --> 00:12:57,799

don't think they're telling us the truth

302

00:13:01,419 --> 00:13:00,049

I think this is a lie and people got

303

00:13:03,189 --> 00:13:01,429

what are you talking about you know

304

00:13:04,449 --> 00:13:03,199

you'd saying the government's lying to

305

00:13:05,769 --> 00:13:04,459

us I said I don't know if it's a

306

00:13:07,749 --> 00:13:05,779

government or somebody but this ain't

307

00:13:09,669 --> 00:13:07,759

right you know and so I would look into

308

00:13:11,379 --> 00:13:09,679

it more and then when I was looking into

309

00:13:14,229 --> 00:13:11,389

it it would make me more frustrated and

310

00:13:15,999 --> 00:13:14,239

so the more I was playing and toying

311

00:13:20,099 --> 00:13:16,009

with these emotions that was that were

312

00:13:23,799 --> 00:13:20,109

being brought about it got me into

313

00:13:27,070 --> 00:13:23,809

different aspects of of 9/11 if you will

314

00:13:28,900 --> 00:13:27,080

so you can almost say I

315

00:13:31,000 --> 00:13:28,910

I wasn't traumatized by it but because

316

00:13:33,700 --> 00:13:31,010

everyone else is denying that it could

317

00:13:36,820 --> 00:13:33,710

be anything else but made me look into

318

00:13:38,530 --> 00:13:36,830

every other possibility that it is so I

319

00:13:42,610 --> 00:13:38,540

looked up all the possibilities about

320

00:13:44,710 --> 00:13:42,620

what architects had to say what's what

321

00:13:47,860 --> 00:13:44,720

physics has to say about that but it

322

00:13:52,060 --> 00:13:47,870

wasn't fixing my little dilemma

323

00:13:54,400 --> 00:13:52,070

and so all of the sudden I found I guess

324

00:13:57,550 --> 00:13:54,410

what you want to call what's called

325

00:13:59,920 --> 00:13:57,560

channeling and the initial thing that

326

00:14:02,170 --> 00:13:59,930

the God my interest was a channel called

327

00:14:04,450 --> 00:14:02,180

Bashar and he's channeled by Darrell

328

00:14:06,700 --> 00:14:04,460

Inca now whether or not you believe in

329

00:14:07,840 --> 00:14:06,710

channeling it's not my problem you know

330

00:14:11,020 --> 00:14:07,850

you're gonna have to find your own

331

00:14:13,780 --> 00:14:11,030

feelings about that the the thing that I

332

00:14:16,990 --> 00:14:13,790

tried or actually not tried I went on

333

00:14:19,180 --> 00:14:17,000

with a full mindset to everything he was

334

00:14:22,420 --> 00:14:19,190

talking about I wanted to prove to

335

00:14:25,030 --> 00:14:22,430

myself not because I wanted to prove him

336

00:14:26,830 --> 00:14:25,040

wrong but because of 9/11 I felt that

337

00:14:28,570 --> 00:14:26,840

was so light too you know by listening

338

00:14:31,030 --> 00:14:28,580

to all these people that have all these

339

00:14:32,590 --> 00:14:31,040

other things to talk about that I did

340

00:14:34,150 --> 00:14:32,600

not want to go to another person and

341

00:14:35,770 --> 00:14:34,160

just sit there and then have him tell me

342

00:14:39,010 --> 00:14:35,780

something and then me buying into that

343

00:14:41,230 --> 00:14:39,020

concept and then me just being that

344

00:14:43,300 --> 00:14:41,240

repeater to someone else which then led

345

00:14:44,830 --> 00:14:43,310

me more frustration because I could have

346

00:14:46,750 --> 00:14:44,840

just taken what he had to say

347

00:14:48,520 --> 00:14:46,760

go to other people and then tell them

348

00:14:50,020 --> 00:14:48,530

you know hey we're all one hey there's

349

00:14:52,150 --> 00:14:50,030

aliens out there and all the set of

350

00:14:53,470 --> 00:14:52,160

stuff and them going in I don't believe

351

00:14:55,840 --> 00:14:53,480

you and they were God would have got me

352

00:14:59,680 --> 00:14:55,850

more frustrated it's not what I wanted

353

00:15:02,730 --> 00:14:59,690

to do is I wanted you know to to prove

354

00:15:06,190 --> 00:15:02,740

these concepts to myself and actually by

355

00:15:10,390 --> 00:15:06,200

going about doing that I found the

356

00:15:11,770 --> 00:15:10,400

answers about 9/11 which I hope you

357

00:15:13,570 --> 00:15:11,780

don't mind I'm not going to go into with

358

00:15:16,390 --> 00:15:13,580

you guys because I feel everyone needs

359

00:15:18,970 --> 00:15:16,400

to go into that but I will give you the

360

00:15:25,870 --> 00:15:18,980

answers that that led me to find the

361

00:15:27,400 --> 00:15:25,880

truth for myself which is this there's

362

00:15:29,710 --> 00:15:27,410

these big events that have been

363

00:15:30,850 --> 00:15:29,720

happening now with with the storms and

364

00:15:32,830 --> 00:15:30,860

have been happening throughout

365

00:15:35,590 --> 00:15:32,840

throughout history you know we know it

366

00:15:39,550 --> 00:15:35,600

we call it history and there are all

367

00:15:40,660 --> 00:15:39,560

these little markers that get people in

368

00:15:42,850 --> 00:15:40,670

a state of mind

369

00:15:45,940 --> 00:15:42,860

in an emotional state to where they

370

00:15:47,980 --> 00:15:45,950

almost hit Iraq you know they're almost

371

00:15:49,480 --> 00:15:47,990

like hitting a wall being up between a

372

00:15:52,240 --> 00:15:49,490

rock and a hard place

373

00:15:54,340 --> 00:15:52,250

to where they they can't find any other

374

00:15:56,290 --> 00:15:54,350

solution to what they're feeling they

375

00:15:59,830 --> 00:15:56,300

can't figure out why they're feeling it

376

00:16:01,930 --> 00:15:59,840

and so and basically it makes them go

377

00:16:03,520 --> 00:16:01,940

into a whole new direction to look into

378

00:16:06,610 --> 00:16:03,530

something totally new that they would

379

00:16:08,860 --> 00:16:06,620

not consider before and so that happens

380

00:16:10,060 --> 00:16:08,870

you know in disasters where someone

381

00:16:12,940 --> 00:16:10,070

would lose their house in the tornado

382

00:16:16,900 --> 00:16:12,950

you know happens in things like 9/11

383

00:16:19,180 --> 00:16:16,910

happens in all these other big events

384

00:16:21,130 --> 00:16:19,190

now you consider and argue it well it

385

00:16:24,550 --> 00:16:21,140

could be Illuminati it could be this it

386

00:16:26,920 --> 00:16:24,560

could be you know geoengineering the

387

00:16:30,430 --> 00:16:26,930

point is that when I got to the state

388

00:16:32,770 --> 00:16:30,440

where I got my answers I could not help

389

00:16:34,840 --> 00:16:32,780

but at least laugh for at least 5 to 10

390

00:16:37,660 --> 00:16:34,850

minutes just as uncontrollable laugh

391

00:16:42,220 --> 00:16:37,670

about what kind of game it is that we're

392

00:16:45,670 --> 00:16:42,230

playing and the game of the whole thing

393

00:16:48,640 --> 00:16:45,680

is we're all a group of souls that

394

00:16:51,190 --> 00:16:48,650

simply have done this for quite a long

395

00:16:53,200 --> 00:16:51,200

time you know I could not grasp the

396

00:16:56,680 --> 00:16:53,210

concept of how long this has been going

397

00:16:58,150 --> 00:16:56,690

on but we've been born reborn into all

398

00:17:00,730 --> 00:16:58,160

these different lives having all these

399

00:17:06,790 --> 00:17:00,740

different experiences that at certain

400

00:17:10,600 --> 00:17:06,800

times will awaken some of you and not

401
00:17:13,590 --> 00:17:10,610
others and that has been happening

402
00:17:16,390 --> 00:17:13,600
throughout throughout I want to say

403
00:17:18,850 --> 00:17:16,400
throughout decades if not hundreds of

404
00:17:19,900 --> 00:17:18,860
years that they've been evading sin the

405
00:17:21,790 --> 00:17:19,910
medieval ages

406
00:17:22,870 --> 00:17:21,800
they've been awakenings you know as far

407
00:17:24,970 --> 00:17:22,880
as 200 years ago

408
00:17:27,760 --> 00:17:24,980
they've been awakenings you know just as

409
00:17:30,130 --> 00:17:27,770
you know 20 years ago and each time you

410
00:17:32,290 --> 00:17:30,140
have you know these group or souls that

411
00:17:33,820 --> 00:17:32,300
come to an understanding to where AHA

412
00:17:35,860 --> 00:17:33,830
we're playing a game this is what it's

413
00:17:38,350 --> 00:17:35,870

about and then they move on you know

414

00:17:40,510 --> 00:17:38,360

playing other games living other lives

415

00:17:42,160 --> 00:17:40,520

while others kind of stay behind and

416

00:17:47,530 --> 00:17:42,170

then continue that you know that

417

00:17:48,760 --> 00:17:47,540

timeline that we call history and let me

418

00:17:49,750 --> 00:17:48,770

just finish explaining this because I

419

00:17:51,820 --> 00:17:49,760

want to open this up for questions

420

00:17:54,400 --> 00:17:51,830

because I can sit and talk about it all

421

00:17:55,870 --> 00:17:54,410

night but it would best be I said

422

00:17:57,700 --> 00:17:55,880

we'll be best served if people can ask

423

00:17:59,560 --> 00:17:57,710

me questions there are more burning

424

00:18:01,450 --> 00:17:59,570

questions to them so I can directly get

425

00:18:05,530 --> 00:18:01,460

to it instead of Sydney and just have

426

00:18:09,040 --> 00:18:05,540

you listen to me for however long so the

427

00:18:13,240 --> 00:18:09,050

point is that there is nothing else here

428

00:18:16,260 --> 00:18:13,250

and what I mean by that this this very

429

00:18:20,020 --> 00:18:16,270

environment that we're in the the very

430

00:18:23,200 --> 00:18:20,030

dimension we call reality at the table

431

00:18:27,370 --> 00:18:23,210

the chairs every person you've ever

432

00:18:29,920 --> 00:18:27,380

known there is no one else outside of

433

00:18:33,940 --> 00:18:29,930

that everyone and everything is part of

434

00:18:38,080 --> 00:18:33,950

the one energy it is you representing

435

00:18:40,930 --> 00:18:38,090

itself in different ways and if a

436

00:18:43,930 --> 00:18:40,940

scenario is not created there would be

437

00:18:47,560 --> 00:18:43,940

no experience everything was just simply

438

00:18:49,840 --> 00:18:47,570

be so everything you've ever experienced

439

00:18:51,880 --> 00:18:49,850

whether it would be you being born to

440

00:18:53,890 --> 00:18:51,890

the family that you have been living the

441

00:18:56,430 --> 00:18:53,900

lives that you have been going to D

442

00:19:00,670 --> 00:18:56,440

schools being friends with these people

443

00:19:02,290 --> 00:19:00,680

graduating from college moving on to you

444

00:19:05,710 --> 00:19:02,300

know family life and all these other

445

00:19:08,140 --> 00:19:05,720

things that would not exist if it would

446

00:19:10,360 --> 00:19:08,150

not have been created by you and all

447

00:19:13,270 --> 00:19:10,370

these other aspects of yourself before

448

00:19:15,850 --> 00:19:13,280

him it simply would not be you have to

449

00:19:19,120 --> 00:19:15,860

create literally every aspect even luck

450

00:19:21,070 --> 00:19:19,130

itself you have to create it to explore

451
00:19:24,790 --> 00:19:21,080
the feelings and all the things that you

452
00:19:27,460 --> 00:19:24,800
are so the circumstance which would be

453
00:19:29,680 --> 00:19:27,470
like 9/11 or large disasters that we

454
00:19:32,740 --> 00:19:29,690
that we experience there just created

455
00:19:35,610 --> 00:19:32,750
created props if you will there just

456
00:19:37,810 --> 00:19:35,620
thinks that we witness but the emotional

457
00:19:39,730 --> 00:19:37,820
feeling that we feel the emotions that

458
00:19:42,010 --> 00:19:39,740
we go through while we are witnessing an

459
00:19:44,080 --> 00:19:42,020
event whatever it may be whether it be

460
00:19:47,830 --> 00:19:44,090
car accident in front of us a person

461
00:19:50,230 --> 00:19:47,840
dying whatever that emotional aspect is

462
00:19:53,350 --> 00:19:50,240
the the true thing that kind of stays

463
00:19:56,910 --> 00:19:53,360

with you and develops helps you develop

464

00:19:59,980 --> 00:19:56,920

more into the aspect that you are so

465

00:20:02,020 --> 00:19:59,990

almost try not to get too much wrapped

466

00:20:04,780 --> 00:20:02,030

up into the outside of what's going on

467

00:20:06,700 --> 00:20:04,790

you know oh Joe did this and Marcie's

468

00:20:07,170 --> 00:20:06,710

did that and he said you're a [h__h] and

469

00:20:09,210 --> 00:20:07,180

he said

470

00:20:12,240 --> 00:20:09,220

you do this you know I mean we like to

471

00:20:14,130 --> 00:20:12,250

get get into we like to get into these

472

00:20:16,320 --> 00:20:14,140

you know these slow games and it's fun

473

00:20:18,780 --> 00:20:16,330

you know but it's all very high-level

474

00:20:20,610 --> 00:20:18,790

games that we play though they have

475

00:20:22,530 --> 00:20:20,620

their purpose everything has its purpose

476

00:20:26,970 --> 00:20:22,540

but if you truly want to get to the

477

00:20:29,490 --> 00:20:26,980

answer you have to literally stop and go

478

00:20:32,340 --> 00:20:29,500

within and you can do that through many

479

00:20:35,130 --> 00:20:32,350

different models you can breathing

480

00:20:36,600 --> 00:20:35,140

exercises meditation I mean everything

481

00:20:39,090 --> 00:20:36,610

and anything you can think of there's

482

00:20:41,220 --> 00:20:39,100

examples to point us to say here's

483

00:20:43,800 --> 00:20:41,230

here's what you can do to find it you

484

00:20:46,680 --> 00:20:43,810

know and then belief systems themselves

485

00:20:48,660 --> 00:20:46,690

you know I could just cut the cord and

486

00:20:50,280 --> 00:20:48,670

just say never mind this take some LSD

487

00:20:52,590 --> 00:20:50,290

and you get the answers but people I

488

00:20:54,480 --> 00:20:52,600

know that's drugs you know I can't do

489

00:20:56,340 --> 00:20:54,490

drugs government says this and my momma

490

00:20:59,370 --> 00:20:56,350

said because it's bad for you I can't go

491

00:21:01,320 --> 00:20:59,380

down that route you know and so there's

492

00:21:03,390 --> 00:21:01,330

all these different scenarios that you

493

00:21:06,120 --> 00:21:03,400

set up for yourself and these different

494

00:21:08,610 --> 00:21:06,130

belief systems that will if it's not

495

00:21:11,280 --> 00:21:08,620

your time those are the excuses you will

496

00:21:13,140 --> 00:21:11,290

use not to go within you will simply

497

00:21:15,300 --> 00:21:13,150

stay in this route to where you keep

498

00:21:17,730 --> 00:21:15,310

having a life experience from the day

499

00:21:21,600 --> 00:21:17,740

you're born until the day you die you

500

00:21:23,820 --> 00:21:21,610

know and the reason why why I speak in

501
00:21:28,560 --> 00:21:23,830
such conviction about it and again I do

502
00:21:29,880 --> 00:21:28,570
not believe I do not I'm not that what

503
00:21:31,230 --> 00:21:29,890
I'm trying to say is if you don't

504
00:21:33,420 --> 00:21:31,240
believe any of what I'm saying is I

505
00:21:36,720 --> 00:21:33,430
perfectly understand the difference for

506
00:21:39,900 --> 00:21:36,730
me was the actual experiences that I've

507
00:21:43,110 --> 00:21:39,910
that I've had actual recollections and

508
00:21:44,610 --> 00:21:43,120
feelings of previous lives and things

509
00:21:47,280 --> 00:21:44,620
and agreements that I've had with people

510
00:21:50,400 --> 00:21:47,290
and then later on the deeper you go down

511
00:21:52,020 --> 00:21:50,410
about what it means to be God and I can

512
00:21:52,980 --> 00:21:52,030
tell you right now and maybe it's just

513
00:21:56,310 --> 00:21:52,990

my own fears

514

00:21:58,530 --> 00:21:56,320

I am now nowhere close to being awake

515

00:22:00,870 --> 00:21:58,540

you know and then I realize now that

516

00:22:03,240 --> 00:22:00,880

even the toying around that we do about

517

00:22:06,330 --> 00:22:03,250

we're gonna be awake or we're waking up

518

00:22:09,990 --> 00:22:06,340

we're far from it because you have to

519

00:22:12,780 --> 00:22:10,000

understand we we like this game of

520

00:22:15,510 --> 00:22:12,790

individuality you know if we like to

521

00:22:17,370 --> 00:22:15,520

talk to ourselves we ask ourselves so

522

00:22:19,350 --> 00:22:17,380

for one expert opinion you know and we

523

00:22:20,380 --> 00:22:19,360

just kind of play with toy around with

524

00:22:22,690 --> 00:22:20,390

different cons

525

00:22:24,550 --> 00:22:22,700

abscess I when I got to work and

526

00:22:26,230 --> 00:22:24,560

so-and-so didn't say hi to me and I

527

00:22:27,760 --> 00:22:26,240

don't like that so I'm not gonna say hi

528

00:22:29,530 --> 00:22:27,770

to them the next day and we'll see what

529

00:22:31,420 --> 00:22:29,540

they have to say you know and all these

530

00:22:34,600 --> 00:22:31,430

little games that we play with ourselves

531

00:22:36,910 --> 00:22:34,610

they're all very individualistic points

532

00:22:39,490 --> 00:22:36,920

points of view but those have to be

533

00:22:41,830 --> 00:22:39,500

truly worked out to a point to where you

534

00:22:44,440 --> 00:22:41,840

can accept yourself and everyone else

535

00:22:46,870 --> 00:22:44,450

around you the way they are because if

536

00:22:48,520 --> 00:22:46,880

you want this oneness as most people

537

00:22:51,310 --> 00:22:48,530

that are into a new age concept with the

538

00:22:54,400 --> 00:22:51,320

New Age movement if you want this

539

00:22:56,770 --> 00:22:54,410

oneness I don't think we would be ready

540

00:22:58,900 --> 00:22:56,780

because there are several times that had

541

00:23:00,610 --> 00:22:58,910

the experience to where every single

542

00:23:02,710 --> 00:23:00,620

person that I've ever known that is

543

00:23:05,200 --> 00:23:02,720

still alive and dead I would feel them

544

00:23:06,940 --> 00:23:05,210

inside you know in my heart I would hear

545

00:23:10,420 --> 00:23:06,950

them I would understand their point of

546

00:23:12,760 --> 00:23:10,430

view you know and it would be aspects of

547

00:23:14,560 --> 00:23:12,770

you know different images flashes

548

00:23:16,060 --> 00:23:14,570

feelings you know all these things that

549

00:23:17,800 --> 00:23:16,070

that would be conveyed to me because

550

00:23:19,780 --> 00:23:17,810

again remember there's nothing else

551

00:23:21,820 --> 00:23:19,790

outside of you everything is you so

552

00:23:24,640 --> 00:23:21,830

playing this game will only give you a

553

00:23:26,290 --> 00:23:24,650

delay to respond of you feeling right

554

00:23:28,360 --> 00:23:26,300

back or what you did whether it be

555

00:23:30,610 --> 00:23:28,370

someone you loved or someone you've been

556

00:23:32,320 --> 00:23:30,620

mean to that comes back around to you

557

00:23:33,880 --> 00:23:32,330

why because there is no one else here by

558

00:23:36,190 --> 00:23:33,890

you you're eventually going to

559

00:23:38,140 --> 00:23:36,200

experience that again you know so when

560

00:23:40,270 --> 00:23:38,150

people go you know I will be punished

561

00:23:41,560 --> 00:23:40,280

and in your karma we have to work out

562

00:23:44,230 --> 00:23:41,570

karma and all this other thing

563

00:23:48,130 --> 00:23:44,240

it's all just a self-imposed cycle you

564

00:23:50,020 --> 00:23:48,140

know in order for you to understand what

565

00:23:52,930 --> 00:23:50,030

it is to love you truly have to learn

566

00:23:55,390 --> 00:23:52,940

how to hate you know whether that's so

567

00:23:57,640 --> 00:23:55,400

hard to understand or not that aspect of

568

00:24:00,730 --> 00:23:57,650

light you know light and dark is an

569

00:24:03,280 --> 00:24:00,740

ingrained aspect of that oneness and it

570

00:24:06,130 --> 00:24:03,290

does not judge it we call it light and

571

00:24:08,650 --> 00:24:06,140

dark but to it it's just it it doesn't

572

00:24:11,260 --> 00:24:08,660

have a meaning apply to it we applied

573

00:24:13,120 --> 00:24:11,270

the meaning to whatever it is we say

574

00:24:16,420 --> 00:24:13,130

okay we're going to play this scenario

575

00:24:18,310 --> 00:24:16,430

so we're gonna be on earth and we're

576
00:24:19,870 --> 00:24:18,320
gonna have these things called knives so

577
00:24:22,210 --> 00:24:19,880
if you take a knife and you stabbed me

578
00:24:24,760 --> 00:24:22,220
and I die from it that's bad but if you

579
00:24:27,190 --> 00:24:24,770
come and hug me and and say I love you

580
00:24:29,920 --> 00:24:27,200
then that's a good thing that aspect is

581
00:24:32,230 --> 00:24:29,930
also a created aspect because to the

582
00:24:34,180 --> 00:24:32,240
oneness everything just is

583
00:24:36,370 --> 00:24:34,190
it doesn't have a meaning it needs all

584
00:24:38,950 --> 00:24:36,380
these different aspects of itself to

585
00:24:43,000 --> 00:24:38,960
give it meaning so it's very difficult

586
00:24:45,190 --> 00:24:43,010
for us to try to be so neutral to to try

587
00:24:47,169 --> 00:24:45,200
to understand everyone's point of view

588
00:24:48,640 --> 00:24:47,179

because at one point another including

589

00:24:50,440 --> 00:24:48,650

myself we're all sitting there and I'm

590

00:24:52,210 --> 00:24:50,450

just like well I'm just not gonna do

591

00:24:54,340 --> 00:24:52,220

what so-and-so did you know because that

592

00:24:57,549 --> 00:24:54,350

says Who I am the difference there is

593

00:24:59,560 --> 00:24:57,559

you can either take that and run it in

594

00:25:01,390 --> 00:24:59,570

your head over and over again and tell

595

00:25:03,400 --> 00:25:01,400

yourself oh how much better you are and

596

00:25:06,630 --> 00:25:03,410

how great you are or you can just

597

00:25:10,660 --> 00:25:06,640

understand that if you simply accept

598

00:25:13,570 --> 00:25:10,670

that opposite view of you accept it for

599

00:25:15,370 --> 00:25:13,580

what it is and and simply just recognize

600

00:25:17,470 --> 00:25:15,380

that this is not how I would do it but

601
00:25:19,270 --> 00:25:17,480
then you continue doing in a loving way

602
00:25:21,910 --> 00:25:19,280
and doing what it is that you want to do

603
00:25:24,640 --> 00:25:21,920
that's when you go turn from judgment

604
00:25:26,620 --> 00:25:24,650
and turn it into a lesson because you

605
00:25:28,960 --> 00:25:26,630
know before any of any of these things

606
00:25:32,020 --> 00:25:28,970
that I've learned I wasn't then and I

607
00:25:33,910 --> 00:25:32,030
wasn't now this very lovey-dovey give me

608
00:25:34,960 --> 00:25:33,920
a hard 15 minute long hugs you know

609
00:25:37,360 --> 00:25:34,970
especially if you go to some of the

610
00:25:40,960 --> 00:25:37,370
conference's though okay buddy I love

611
00:25:42,580 --> 00:25:40,970
you do you feed by energy yeah I'm

612
00:25:44,980 --> 00:25:42,590
sending your energy right now you know

613
00:25:48,640 --> 00:25:44,990

it's like no I don't just let me go you

614

00:25:51,850 --> 00:25:48,650

know so it's I wasn't that but I

615

00:25:55,090 --> 00:25:51,860

understand it I you know that when you

616

00:25:56,830 --> 00:25:55,100

want to be close to to who you are when

617

00:26:00,640 --> 00:25:56,840

to when you want to get closer to who

618

00:26:03,730 --> 00:26:00,650

you are you change you change the way

619

00:26:05,860 --> 00:26:03,740

you act the way you react to people you

620

00:26:07,900 --> 00:26:05,870

know and so it makes you act in these

621

00:26:09,850 --> 00:26:07,910

ways that others don't understand you

622

00:26:11,740 --> 00:26:09,860

know but having been in those different

623

00:26:13,450 --> 00:26:11,750

states I get it now it's still not

624

00:26:15,160 --> 00:26:13,460

something I would prefer but I don't

625

00:26:16,450 --> 00:26:15,170

have that same derga mental point of

626

00:26:20,080 --> 00:26:16,460

view like weird Oh get the hell away

627

00:26:22,360 --> 00:26:20,090

from me you know and so all those things

628

00:26:27,930 --> 00:26:22,370

are important I feel to understand

629

00:26:30,669 --> 00:26:27,940

because as much as you want to

630

00:26:33,910 --> 00:26:30,679

especially want to get to that oneness

631

00:26:35,350 --> 00:26:33,920

as much as you want to you know just the

632

00:26:38,320 --> 00:26:35,360

government to come out and tell you

633

00:26:40,720 --> 00:26:38,330

something it's it's not going to happen

634

00:26:43,980 --> 00:26:40,730

in the way you think because the

635

00:26:45,560 --> 00:26:43,990

government is it's a representation of a

636

00:26:48,140 --> 00:26:45,570

collective

637

00:26:50,390 --> 00:26:48,150

part of you that is just not ready to

638

00:26:54,710 --> 00:26:50,400

move on with certain things I mean think

639

00:26:57,800 --> 00:26:54,720

about it if we have fears you know we

640

00:27:00,770 --> 00:26:57,810

have fears of others so we created a

641

00:27:02,840 --> 00:27:00,780

government to protect us we feel that

642

00:27:04,610 --> 00:27:02,850

we're not strong individually so we

643

00:27:07,130 --> 00:27:04,620

created a government to have a standing

644

00:27:09,620 --> 00:27:07,140

army and protect us you know all these

645

00:27:12,440 --> 00:27:09,630

aspects of ourselves that we fear we're

646

00:27:15,670 --> 00:27:12,450

manifested into a government you know

647

00:27:19,580 --> 00:27:15,680

and so it's important to understand that

648

00:27:21,580 --> 00:27:19,590

whatever you feel you know government is

649

00:27:25,010 --> 00:27:21,590

hiding this government is hiding that

650

00:27:26,690 --> 00:27:25,020

let me ask you if I for example take

651
00:27:29,300 --> 00:27:26,700
this remote and I hide it behind my back

652
00:27:31,430 --> 00:27:29,310
and you know I have a remote but for

653
00:27:32,930 --> 00:27:31,440
some reason you demand that remote of me

654
00:27:34,450 --> 00:27:32,940
to be shown and tell you yes you're

655
00:27:37,970 --> 00:27:34,460
right I'm holding the remote here you go

656
00:27:40,400 --> 00:27:37,980
if I choose to never reveal this remote

657
00:27:43,160 --> 00:27:40,410
to you you can spend an eternity arguing

658
00:27:45,080 --> 00:27:43,170
with me and and sending energy back and

659
00:27:46,580 --> 00:27:45,090
forth going you show me the truth you

660
00:27:49,010 --> 00:27:46,590
tell me that you have that remote behind

661
00:27:51,920 --> 00:27:49,020
your back or you just go to a store and

662
00:27:54,110 --> 00:27:51,930
get yourself another remote see what I

663
00:27:56,360 --> 00:27:54,120

mean it requires a different mindset you

664

00:27:58,160 --> 00:27:56,370

know it's like why is this important why

665

00:28:00,050 --> 00:27:58,170

is this carrot that you put in front of

666

00:28:02,570 --> 00:28:00,060

yourself that's dangling there why is

667

00:28:06,020 --> 00:28:02,580

that important for you to get you know

668

00:28:08,410 --> 00:28:06,030

so you have to then almost go go within

669

00:28:11,090 --> 00:28:08,420

and do what you got to do I mean I've

670

00:28:13,300 --> 00:28:11,100

I've discussed this with some friends

671

00:28:16,190 --> 00:28:13,310

not with all of them but some of you

672

00:28:18,380 --> 00:28:16,200

when I was ready to move out I moved out

673

00:28:20,420 --> 00:28:18,390

to Robert Shaw Missouri and I basically

674

00:28:23,600 --> 00:28:20,430

lived in the woods and some we have seen

675

00:28:28,370 --> 00:28:23,610

a place by myself for since 2000 from

676

00:28:31,190 --> 00:28:28,380

2010 till just about two years ago and I

677

00:28:34,400 --> 00:28:31,200

needed that time to be absolutely alone

678

00:28:37,250 --> 00:28:34,410

and put myself in the place of being

679

00:28:40,640 --> 00:28:37,260

alone so that whatever I was feeling

680

00:28:43,160 --> 00:28:40,650

whatever I was experiencing I didn't

681

00:28:44,120 --> 00:28:43,170

want it to be excuse me it didn't want

682

00:28:46,220 --> 00:28:44,130

it to be tainted

683

00:28:48,320 --> 00:28:46,230

I wanted to simply be alone there's

684

00:28:50,120 --> 00:28:48,330

nobody there to distract me I can just

685

00:28:53,330 --> 00:28:50,130

whatever I got to experience it's

686

00:28:55,550 --> 00:28:53,340

welcome to happen whether it be aliens

687

00:28:58,040 --> 00:28:55,560

revealing themselves whether it be I

688

00:28:58,910 --> 00:28:58,050

don't know ghosts appearing all the

689

00:29:00,710 --> 00:28:58,920

other things

690

00:29:04,090 --> 00:29:00,720

and what I've learned during those five

691

00:29:06,620 --> 00:29:04,100

years off off just if I wasn't at work

692

00:29:09,530 --> 00:29:06,630

occasionally at these meetings I was at

693

00:29:11,900 --> 00:29:09,540

the house in the woods from four o'clock

694

00:29:13,820 --> 00:29:11,910

five o'clock at night or in the

695

00:29:15,680 --> 00:29:13,830

afternoon until it was bad time to wake

696

00:29:18,920 --> 00:29:15,690

up the next morning and that was my life

697

00:29:21,770 --> 00:29:18,930

for five years and so I put myself in

698

00:29:23,570 --> 00:29:21,780

that in that path to say I won't I'm

699

00:29:25,520 --> 00:29:23,580

only here for I don't know however many

700

00:29:27,260 --> 00:29:25,530

more years eventually I will die I want

701
00:29:29,060 --> 00:29:27,270
to learn something out of this I want to

702
00:29:30,470 --> 00:29:29,070
get something out of this life I mean

703
00:29:32,060 --> 00:29:30,480
I've had the experience off let's go

704
00:29:33,920 --> 00:29:32,070
baseball games and drink and have

705
00:29:35,570 --> 00:29:33,930
friends and enjoy and all these other

706
00:29:37,460 --> 00:29:35,580
things and if people still enjoy that

707
00:29:39,620 --> 00:29:37,470
great but it's not something where I was

708
00:29:41,570 --> 00:29:39,630
saying I said I already have that part I

709
00:29:43,640 --> 00:29:41,580
already done that there's this thing

710
00:29:46,100 --> 00:29:43,650
that's constantly bugging me it's saying

711
00:29:48,110 --> 00:29:46,110
I'm over here come check it out and I

712
00:29:50,690 --> 00:29:48,120
just had to go there so I did whatever I

713
00:29:52,040 --> 00:29:50,700

had to do whether it be being in the

714

00:29:54,470 --> 00:29:52,050

house in the woods by yourself or

715

00:29:56,720 --> 00:29:54,480

whatever it is you have to do for some

716

00:29:59,360 --> 00:29:56,730

it might just be a quiet space at a

717

00:30:02,390 --> 00:29:59,370

house of yours that you can meditate

718

00:30:04,660 --> 00:30:02,400

that you know it could be just having a

719

00:30:08,150 --> 00:30:04,670

close group of friends with whom you can

720

00:30:10,370 --> 00:30:08,160

bounce ideas off of and you know and

721

00:30:11,900 --> 00:30:10,380

then ponder about the cut discussions

722

00:30:14,270 --> 00:30:11,910

you've had with them I mean it has

723

00:30:17,390 --> 00:30:14,280

different ways but whatever way that is

724

00:30:22,910 --> 00:30:17,400

I would really urge you guys to go that

725

00:30:25,280 --> 00:30:22,920

path because just ask yourself what else

726

00:30:27,230 --> 00:30:25,290

you got to lose you know what else

727

00:30:29,630 --> 00:30:27,240

because if you come into these meetings

728

00:30:31,370 --> 00:30:29,640

and you're not at a baseball game and

729

00:30:33,920 --> 00:30:31,380

you're not anywhere else you here to

730

00:30:36,050 --> 00:30:33,930

hear something about you know 9/11 or

731

00:30:37,730 --> 00:30:36,060

metaphysical whatever it is that means

732

00:30:40,280 --> 00:30:37,740

there's an aspect of you that is ready

733

00:30:42,620 --> 00:30:40,290

to know something else about yourself

734

00:30:44,990 --> 00:30:42,630

you're ready to know what else is there

735

00:30:47,630 --> 00:30:45,000

in this world besides the average

736

00:30:48,950 --> 00:30:47,640

representation of the media right so

737

00:30:50,960 --> 00:30:48,960

that means then you're ready for

738

00:30:53,150 --> 00:30:50,970

something and I can only suggest it to

739

00:30:55,040 --> 00:30:53,160

go down that path because there are some

740

00:30:57,320 --> 00:30:55,050

experiences that even if I want to do I

741

00:30:58,790 --> 00:30:57,330

cannot describe them I cannot describe

742

00:31:01,400 --> 00:30:58,800

them to you because it's simply there's

743

00:31:03,890 --> 00:31:01,410

no words to describe there were there

744

00:31:05,630 --> 00:31:03,900

were the most awesomest and most fearful

745

00:31:08,210 --> 00:31:05,640

thing I could ever just you know I could

746

00:31:12,060 --> 00:31:08,220

ever think of but to start using words

747

00:31:14,940 --> 00:31:12,070

it like I couldn't you know because

748

00:31:17,129 --> 00:31:14,950

for example like the aspect of oneness

749

00:31:19,169 --> 00:31:17,139

if you of the sudden driving while

750

00:31:22,169 --> 00:31:19,179

walking down the street and of the

751

00:31:24,659 --> 00:31:22,179

sudden you become aware of the road

752

00:31:26,669 --> 00:31:24,669

you're working on you understand when it

753

00:31:28,889 --> 00:31:26,679

was bill how it was billed and what

754

00:31:30,539 --> 00:31:28,899

aspect of you dad is and then off the

755

00:31:32,249 --> 00:31:30,549

sudden you start hearing your neighbor

756

00:31:34,349 --> 00:31:32,259

and the person walking next to you and

757

00:31:36,960 --> 00:31:34,359

there they're not out there but they're

758

00:31:39,269 --> 00:31:36,970

in here you know you would start to feel

759

00:31:41,969 --> 00:31:39,279

insane because to off the sudden break

760

00:31:44,430 --> 00:31:41,979

that barrier between all that you are

761

00:31:46,289 --> 00:31:44,440

and a little you that you are we're just

762

00:31:48,839 --> 00:31:46,299

not ready for it did the brain I believe

763

00:31:52,710 --> 00:31:48,849

cannot cannot fix it you have to go

764

00:31:55,080 --> 00:31:52,720

outside of your your normal daily brain

765

00:31:57,419 --> 00:31:55,090

activity if you will to get it but even

766

00:31:59,909 --> 00:31:57,429

then some things would only be

767

00:32:02,190 --> 00:31:59,919

understood even after we die because the

768

00:32:06,450 --> 00:32:02,200

for as much as I've experienced in my

769

00:32:09,479 --> 00:32:06,460

own life it's the physical part of you

770

00:32:12,419 --> 00:32:09,489

the actual body itself cannot take that

771

00:32:15,269 --> 00:32:12,429

change of energy you know a lot of times

772

00:32:17,399 --> 00:32:15,279

when when certain things happen when

773

00:32:20,219 --> 00:32:17,409

certain communications happen when when

774

00:32:21,839 --> 00:32:20,229

you try to understand more you have the

775

00:32:24,299 --> 00:32:21,849

search of energy that goes through you

776

00:32:26,339 --> 00:32:24,309

that can only be described by a person

777

00:32:28,320 --> 00:32:26,349

that's not experiencing it as some kind

778

00:32:30,749 --> 00:32:28,330

of seizure I mean you literally go into

779

00:32:33,539 --> 00:32:30,759

all kinds of revulsion and making all

780

00:32:35,399 --> 00:32:33,549

kinds of noises that make no sense it's

781

00:32:38,639 --> 00:32:35,409

only what I've discovered is for me to

782

00:32:40,710 --> 00:32:38,649

come back from that that was somehow my

783

00:32:42,719 --> 00:32:40,720

Higher Self to talk about it to whoever

784

00:32:44,820 --> 00:32:42,729

wants to listen you know and just tell

785

00:32:46,560 --> 00:32:44,830

them it's like hey there is more year

786

00:32:48,690 --> 00:32:46,570

than what you think you know it's like

787

00:32:51,330 --> 00:32:48,700

you know just start looking into your

788

00:32:52,560 --> 00:32:51,340

belief system and then question it why

789

00:32:55,919 --> 00:32:52,570

it is that you believe what you believe

790

00:32:58,560 --> 00:32:55,929

you know why why do you believe you you

791

00:33:00,359 --> 00:32:58,570

know you know you like this type of food

792

00:33:02,219 --> 00:33:00,369

supposed to the other why do you believe

793

00:33:04,859 --> 00:33:02,229

you like these type of shoes is supposed

794

00:33:08,399 --> 00:33:04,869

to the other because those things are

795

00:33:10,560 --> 00:33:08,409

still consciousness they might appear as

796

00:33:12,570 --> 00:33:10,570

inanimate objects to us but they're

797

00:33:14,849 --> 00:33:12,580

symbolic representations of something

798

00:33:17,639 --> 00:33:14,859

that we need to look at within you know

799

00:33:19,919 --> 00:33:17,649

from smells to visual things to the

800

00:33:23,740 --> 00:33:19,929

habits that we do all these other

801

00:33:25,930 --> 00:33:23,750

aspects and so 911 and

802

00:33:29,860 --> 00:33:25,940

you know storms all these other things

803

00:33:32,590 --> 00:33:29,870

have a purpose to kind of start giving

804

00:33:35,470 --> 00:33:32,600

those other souls there's other aspects

805

00:33:37,240 --> 00:33:35,480

of ourselves something to chew on you

806

00:33:39,100 --> 00:33:37,250

know something to go like oh my god I

807

00:33:41,200 --> 00:33:39,110

was so fearful I saw my house just being

808

00:33:43,210 --> 00:33:41,210

swept away and you know I was so glad

809

00:33:45,580 --> 00:33:43,220

that you know I'm still alive and my

810

00:33:48,120 --> 00:33:45,590

family saved and I missed that house but

811

00:33:52,660 --> 00:33:48,130

it was such a awful experience to see

812

00:33:54,580 --> 00:33:52,670

those mental processes those feelings

813

00:33:56,830 --> 00:33:54,590

are important for each one of us to look

814

00:33:58,390 --> 00:33:56,840

at you know and I'm not talking about to

815

00:34:01,060 --> 00:33:58,400

go to a psychiatrist all these other

816

00:34:04,120 --> 00:34:01,070

things because remember what you put out

817

00:34:05,830 --> 00:34:04,130

is what you get back right so if you

818

00:34:08,440 --> 00:34:05,840

understand that everything outside of

819

00:34:10,270 --> 00:34:08,450

you it's another part of yourself is you

820

00:34:11,889 --> 00:34:10,280

know you put out fear and confusion and

821

00:34:14,740 --> 00:34:11,899

I don't know what's going on you're only

822

00:34:16,690 --> 00:34:14,750

gonna get fear and confusion back so

823

00:34:17,110 --> 00:34:16,700

it's almost like you know you go into a

824

00:34:19,270 --> 00:34:17,120

mirror

825

00:34:21,520 --> 00:34:19,280

you know like Bosch always describes

826

00:34:23,770 --> 00:34:21,530

going to a mirror you know frowning and

827

00:34:26,139 --> 00:34:23,780

expecting a reflection to smile it's not

828

00:34:27,129 --> 00:34:26,149

gonna work you have to be the one to

829

00:34:28,899 --> 00:34:27,139

smile first

830

00:34:31,960 --> 00:34:28,909

you know only then will you see that

831

00:34:33,909 --> 00:34:31,970

same reflection you know now at times it

832

00:34:36,190 --> 00:34:33,919

doesn't happen when we expected to

833

00:34:37,030 --> 00:34:36,200

sometimes we want things to come sooner

834

00:34:39,490 --> 00:34:37,040

you know

835

00:34:41,110 --> 00:34:39,500

then later and all these other belief

836

00:34:45,520 --> 00:34:41,120

system and definitions we have on that

837

00:34:47,500 --> 00:34:45,530

but if you allow to start testing these

838

00:34:49,780 --> 00:34:47,510

different things that that you know

839

00:34:51,430 --> 00:34:49,790

about in the physical world or them in

840

00:34:54,970 --> 00:34:51,440

the metaphysical world you will find

841

00:34:59,080 --> 00:34:54,980

some very miraculous stories and

842

00:35:00,550 --> 00:34:59,090

experiences so for example one of the

843

00:35:05,680 --> 00:35:00,560

first things I started to toy around

844

00:35:07,690 --> 00:35:05,690

with was okay so I have to look into my

845

00:35:09,460 --> 00:35:07,700

beliefs and so they talked about this

846

00:35:11,710 --> 00:35:09,470

law of attraction you know what is this

847

00:35:14,080 --> 00:35:11,720

about you know and so I was sitting on

848

00:35:15,370 --> 00:35:14,090

the roof of my house and I'm fixing it

849

00:35:17,200 --> 00:35:15,380

up my roof is leaking

850

00:35:18,970 --> 00:35:17,210

you know the speaking of symbology

851

00:35:22,240 --> 00:35:18,980

there's just a lot more to go into that

852

00:35:24,040 --> 00:35:22,250

but my roof is leaking and I didn't have

853

00:35:26,050 --> 00:35:24,050

enough money I just bought the house so

854

00:35:28,180 --> 00:35:26,060

I just have to use this cheap tart to

855

00:35:30,610 --> 00:35:28,190

fill up all the holes so that I can make

856

00:35:32,290 --> 00:35:30,620

it to next year you know so hopefully

857

00:35:34,510 --> 00:35:32,300

I'll have more money than to get all

858

00:35:36,970 --> 00:35:34,520

this whatever so as I'm sitting there I

859

00:35:38,680 --> 00:35:36,980

just had this feeling and I said well

860

00:35:40,450 --> 00:35:38,690

you know they talk about this law of

861

00:35:43,630 --> 00:35:40,460

attraction and I just remember what

862

00:35:46,120 --> 00:35:43,640

Bashar described they said you know put

863

00:35:48,970 --> 00:35:46,130

it out there simply have this pure

864

00:35:52,210 --> 00:35:48,980

thought of what it is that you want and

865

00:35:53,950 --> 00:35:52,220

then let it go you know so put no

866

00:35:55,960 --> 00:35:53,960

definition Allah know how fast he has to

867

00:35:58,780 --> 00:35:55,970

come back and what shape it has to come

868

00:36:01,480 --> 00:35:58,790

back simply you know simply let it out

869

00:36:03,730 --> 00:36:01,490

so just for no other reason at all just

870

00:36:05,920 --> 00:36:03,740

to finally here I am studying this

871

00:36:07,420 --> 00:36:05,930

listening to him for about two years but

872

00:36:09,790 --> 00:36:07,430

yet I was like I want to prove this to

873

00:36:12,460 --> 00:36:09,800

myself is this guy full of [h__h] you know

874

00:36:14,800 --> 00:36:12,470

or do I you know go out and try what he

875

00:36:17,260 --> 00:36:14,810

suggested he said try this so what can

876

00:36:18,970 --> 00:36:17,270

it be how can i how can it be any more

877

00:36:20,920 --> 00:36:18,980

worse for me I'm sitting on my head roof

878

00:36:22,870 --> 00:36:20,930

trying to you know patch up leaks with

879

00:36:25,960 --> 00:36:22,880

no money you know so let's see how this

880

00:36:27,430 --> 00:36:25,970

law of attraction works so and so we're

881

00:36:28,960 --> 00:36:27,440

sitting there I just stopped I didn't

882

00:36:31,090 --> 00:36:28,970

have to do this everyone can do it

883

00:36:33,160 --> 00:36:31,100

different ways but for me it just I just

884

00:36:35,680 --> 00:36:33,170

closed my eyes and just with no thought

885

00:36:38,020 --> 00:36:35,690

or at least I hope I you know I think I

886

00:36:40,390 --> 00:36:38,030

didn't have any just no thought I just

887

00:36:42,160 --> 00:36:40,400

said I would like some shingles and I

888

00:36:44,230 --> 00:36:42,170

let it go and I just continued patching

889

00:36:46,180 --> 00:36:44,240

the stuff up I seriously said whatever

890

00:36:50,410 --> 00:36:46,190

if it comes back great if not you know

891

00:36:52,870 --> 00:36:50,420

so about two weeks go by and I was a

892

00:36:54,700 --> 00:36:52,880

member of this not a member I was my

893

00:36:56,710 --> 00:36:54,710

friend told me about this group were

894

00:36:58,900 --> 00:36:56,720

apple seed or whatever and they go and

895

00:37:01,300 --> 00:36:58,910

they learn how to shoot with their

896

00:37:03,430 --> 00:37:01,310

rifles so I like shooting you know and

897

00:37:05,890 --> 00:37:03,440

so I was like I want to go and learn see

898

00:37:08,800 --> 00:37:05,900

what else can make me you know be a

899

00:37:10,780 --> 00:37:08,810

better marksman whatever and so we're

900

00:37:13,750 --> 00:37:10,790

we're there practicing doing all kinds

901
00:37:15,760 --> 00:37:13,760
of things and they were trying to build

902
00:37:17,349 --> 00:37:15,770
this little outside sheds so we're that

903
00:37:19,390 --> 00:37:17,359
they can be protected by the Sun and

904
00:37:22,090 --> 00:37:19,400
they were needing more of those cedar

905
00:37:22,990 --> 00:37:22,100
trees to cut down and burn them and

906
00:37:25,240 --> 00:37:23,000
build this little building

907
00:37:26,770 --> 00:37:25,250
so there's who wants to go and just

908
00:37:28,240 --> 00:37:26,780
remember what Bashaw said you know

909
00:37:30,190 --> 00:37:28,250
follow your excitement if you excited

910
00:37:31,960 --> 00:37:30,200
about something just go you know and it

911
00:37:33,580 --> 00:37:31,970
you know one excitement after another

912
00:37:35,950 --> 00:37:33,590
after another will eventually lead you

913
00:37:37,210 --> 00:37:35,960

to what you need so without thinking I

914

00:37:38,680 --> 00:37:37,220

was like yeah they'll be excited I want

915

00:37:41,170 --> 00:37:38,690

to see what's on the other side let's go

916

00:37:43,300 --> 00:37:41,180

I hop on the tractor and we drive

917

00:37:45,760 --> 00:37:43,310

through the woods and it took maybe

918

00:37:47,170 --> 00:37:45,770

about 10 15 minutes to get to it so I'm

919

00:37:49,930 --> 00:37:47,180

sitting I'm looking around it's

920

00:37:50,830 --> 00:37:49,940

beautiful I love nature and off the

921

00:37:53,650 --> 00:37:50,840

sudden the woods

922

00:37:56,230 --> 00:37:53,660

opened up and there's nothing about

923

00:37:59,110 --> 00:37:56,240

packets of shingles sitting everywhere

924

00:38:00,820 --> 00:37:59,120

the exact same color for that I needed

925

00:38:02,800 --> 00:38:00,830

for my house and just sitting there I

926

00:38:04,420 --> 00:38:02,810

turned around I got these like chill

927

00:38:05,650 --> 00:38:04,430

down my spine and was almost like this

928

00:38:07,480 --> 00:38:05,660

little like this is what you were

929

00:38:09,190 --> 00:38:07,490

looking for you know so I asked this guy

930

00:38:11,350 --> 00:38:09,200

said what is this he said this one guy

931

00:38:13,390 --> 00:38:11,360

was trying to build this Shack here

932

00:38:15,790 --> 00:38:13,400

whatever and he lost their property and

933

00:38:17,560 --> 00:38:15,800

he left all his material here and I

934

00:38:18,730 --> 00:38:17,570

looked at him he saw my face he's like

935

00:38:21,340 --> 00:38:18,740

do you want some ones like yeah he's

936

00:38:24,940 --> 00:38:21,350

like take as many as you want you know

937

00:38:27,700 --> 00:38:24,950

so here I am I could have done this the

938

00:38:30,040 --> 00:38:27,710

old-fashioned way go work work about

939

00:38:31,720 --> 00:38:30,050

three months save up to money eat ramen

940

00:38:34,960 --> 00:38:31,730

noodles you know and then finally get

941

00:38:37,510 --> 00:38:34,970

the the shingles I need or I just for

942

00:38:38,860 --> 00:38:37,520

myself set out to learn this you know to

943

00:38:41,770 --> 00:38:38,870

say okay what does it mean to really

944

00:38:43,480 --> 00:38:41,780

trust and let go and so it was a little

945

00:38:46,840 --> 00:38:43,490

bit freaky but also exciting because it

946

00:38:50,140 --> 00:38:46,850

really felt like magic you know and so I

947

00:38:52,060 --> 00:38:50,150

just kept toying with it so I again new

948

00:38:55,120 --> 00:38:52,070

house I ripped everything out of it that

949

00:38:57,130 --> 00:38:55,130

was old and so I again you know just sat

950

00:38:59,680 --> 00:38:57,140

down I said I would like new appliances

951
00:39:02,590 --> 00:38:59,690
you know and that's it I didn't say how

952
00:39:05,050 --> 00:39:02,600
whatever and long story short a month

953
00:39:07,480 --> 00:39:05,060
later my mom calls me up and she said

954
00:39:11,020 --> 00:39:07,490
hey I was at disguise of this family

955
00:39:14,380 --> 00:39:11,030
friend's house and he remodels houses of

956
00:39:16,990 --> 00:39:14,390
whatnot he's got a fridge a washer a

957
00:39:18,970 --> 00:39:17,000
stove you know microwave whatever you

958
00:39:22,060 --> 00:39:18,980
want do you want it I said yeah you know

959
00:39:23,890 --> 00:39:22,070
so she didn't know you know but you know

960
00:39:26,530 --> 00:39:23,900
Here I am to me it's like I put us out

961
00:39:28,300 --> 00:39:26,540
and he came back you know and so and I

962
00:39:29,800 --> 00:39:28,310
just kept going but the biggest one for

963
00:39:32,950 --> 00:39:29,810

me you know not that I need it anymore

964

00:39:35,740 --> 00:39:32,960

but it was still chocking there was this

965

00:39:38,800 --> 00:39:35,750

I had just enough space for the for the

966

00:39:40,240 --> 00:39:38,810

kitchen sink and so it was I wanted to

967

00:39:42,400 --> 00:39:40,250

have something nice I'm thinking I'm

968

00:39:44,740 --> 00:39:42,410

gonna live there for a long time you

969

00:39:47,170 --> 00:39:44,750

know and so I wanted this metal kitchen

970

00:39:50,230 --> 00:39:47,180

sink and so I was looking up online it

971

00:39:52,150 --> 00:39:50,240

was like \$2,500 or so you know and there

972

00:39:54,580 --> 00:39:52,160

was a lot of money you know I definitely

973

00:39:57,400 --> 00:39:54,590

did not have that and so it was almost

974

00:40:01,030 --> 00:39:57,410

like let's test this out you know so and

975

00:40:04,180 --> 00:40:01,040

so I put this out there and I think it

976

00:40:05,950 --> 00:40:04,190

was about a week ago my dad call

977

00:40:07,390 --> 00:40:05,960

me and he's like hey I have this table

978

00:40:09,130 --> 00:40:07,400

you know do you want it I'm like that I

979

00:40:10,720 --> 00:40:09,140

have so many tables I'm what I'm gonna

980

00:40:12,520 --> 00:40:10,730

do with it he's like well it's a nice

981

00:40:14,650 --> 00:40:12,530

table you could use it you know my god

982

00:40:16,480 --> 00:40:14,660

or whatever just save it I'll get it

983

00:40:17,920 --> 00:40:16,490

later so it cost me now that we cleared

984

00:40:19,780 --> 00:40:17,930

it it's like if you want this table have

985

00:40:21,099 --> 00:40:19,790

this table you know I said there's any

986

00:40:23,470 --> 00:40:21,109

way you can bring it you know it's like

987

00:40:25,540 --> 00:40:23,480

yeah I'll bring it over so he's coming

988

00:40:27,970 --> 00:40:25,550

over with his Durango packed the table

989

00:40:30,910 --> 00:40:27,980

in and he survived me at my house he

990

00:40:34,300 --> 00:40:30,920

opens it up I kid you not it is that

991

00:40:36,160 --> 00:40:34,310

freaking the 2005 \$5 stainless steel

992

00:40:37,510 --> 00:40:36,170

sink I was looking at I look at her said

993

00:40:39,579 --> 00:40:37,520

that what kind of table is this is the

994

00:40:41,670 --> 00:40:39,589

same I don't know it's at thought table

995

00:40:45,099 --> 00:40:41,680

whatever it's the same thing you know

996

00:40:47,829 --> 00:40:45,109

right and so and it was did that model

997

00:40:50,170 --> 00:40:47,839

that was looking for and so the reason

998

00:40:52,720 --> 00:40:50,180

why I go into this much detail I'm sorry

999

00:40:54,760 --> 00:40:52,730

if I bothered you or if it bored you I'm

1000

00:40:56,680 --> 00:40:54,770

trying to give you examples that that's

1001
00:40:59,710 --> 00:40:56,690
that was at the beginning of like okay

1002
00:41:02,079 --> 00:40:59,720
let's tie with this metaphysical guru

1003
00:41:09,569 --> 00:41:02,089
stuff and see for myself what happens

1004
00:41:12,550 --> 00:41:09,579
you know and so when it came down to

1005
00:41:16,109 --> 00:41:12,560
9/11 just to tie it back up and then are

1006
00:41:19,359 --> 00:41:16,119
going to questions that that visual

1007
00:41:21,640 --> 00:41:19,369
representation that circumstance that

1008
00:41:24,790 --> 00:41:21,650
doesn't matter because the only the only

1009
00:41:28,270 --> 00:41:24,800
your state of being matters happen to

1010
00:41:30,220 --> 00:41:28,280
get me to push me into that area to to

1011
00:41:32,020 --> 00:41:30,230
get me to look into all these other

1012
00:41:34,390 --> 00:41:32,030
things that are out here that I would

1013
00:41:35,559 --> 00:41:34,400

not have looked into before you know it

1014

00:41:37,720 --> 00:41:35,569

would have we would not have been

1015

00:41:39,490 --> 00:41:37,730

interesting because I was so into what's

1016

00:41:41,380 --> 00:41:39,500

government knowing what's this group

1017

00:41:43,089 --> 00:41:41,390

what's the Illuminati what all decided

1018

00:41:45,370 --> 00:41:43,099

guys what the hell you know those other

1019

00:41:46,780 --> 00:41:45,380

type of you know questions and the

1020

00:41:48,760 --> 00:41:46,790

attitude that I had because I was very

1021

00:41:51,040 --> 00:41:48,770

angry you know it makes you very angry

1022

00:41:53,740 --> 00:41:51,050

but then now what I know now what you

1023

00:41:55,809 --> 00:41:53,750

put out is what you get back so if I'm

1024

00:41:57,579 --> 00:41:55,819

angry and putting things out I could

1025

00:41:59,260 --> 00:41:57,589

have filed whatever information act I

1026

00:42:01,059 --> 00:41:59,270

want I could have searched whatever

1027

00:42:03,040 --> 00:42:01,069

government document I could have asked

1028

00:42:05,230 --> 00:42:03,050

whatever government employee I could

1029

00:42:06,940 --> 00:42:05,240

possibly ask you know looking for these

1030

00:42:09,700 --> 00:42:06,950

things I would not have gotten the

1031

00:42:11,680 --> 00:42:09,710

answers I'm looking for you know only

1032

00:42:14,440 --> 00:42:11,690

later that I realized it was a setup

1033

00:42:16,900 --> 00:42:14,450

scenario by all of us you know that we

1034

00:42:17,770 --> 00:42:16,910

simply choose not to remember to guide

1035

00:42:20,380 --> 00:42:17,780

us to get

1036

00:42:22,840 --> 00:42:20,390

into certain things in life to learn

1037

00:42:24,900 --> 00:42:22,850

about certain stuff so not everyone is

1038

00:42:27,430 --> 00:42:24,910

going to do that most people were just

1039

00:42:29,500 --> 00:42:27,440

though they'll be born to have a family

1040

00:42:31,630 --> 00:42:29,510

they want to be a mother or father and

1041

00:42:34,120 --> 00:42:31,640

just go to the you know average job

1042

00:42:36,880 --> 00:42:34,130

nine-to-five go to work and die that's

1043

00:42:39,150 --> 00:42:36,890

some of the experiences others you know

1044

00:42:42,790 --> 00:42:39,160

like myself needed something like that

1045

00:42:45,580 --> 00:42:42,800

to awake us you know or in case of

1046

00:42:47,860 --> 00:42:45,590

earthquakes to shake us awake you know

1047

00:42:48,850 --> 00:42:47,870

and and all these other things that that

1048

00:42:51,100 --> 00:42:48,860

can happen

1049

00:42:54,340 --> 00:42:51,110

it's just how willing are we to look

1050

00:42:56,520 --> 00:42:54,350

into it so I hope I tied tied it in a

1051

00:42:59,800 --> 00:42:56,530

little bit for you guys to to explain

1052

00:43:02,350 --> 00:42:59,810

what effect it had to me for me whatever

1053

00:43:04,330 --> 00:43:02,360

what the heck 9/11 had to me and so

1054

00:43:06,640 --> 00:43:04,340

whatever questions you might have please

1055

00:43:09,790 --> 00:43:06,650

please ask I hope I can answer them out

1056

00:43:12,430 --> 00:43:09,800

out what I will I will give you the

1057

00:43:14,920 --> 00:43:12,440

experiences and the the examples I have

1058

00:43:17,860 --> 00:43:14,930

that I have experienced and seen for

1059

00:43:19,420 --> 00:43:17,870

myself please don't ask me to go down

1060

00:43:21,460 --> 00:43:19,430

and conspiracy theory trying to prove

1061

00:43:22,840 --> 00:43:21,470

whether or not it's wrong I might just

1062

00:43:25,420 --> 00:43:22,850

be will give you my aspect or

1063

00:43:27,130 --> 00:43:25,430

perspective on it but to prove whether

1064

00:43:29,200 --> 00:43:27,140

or not that's over there that's someone

1065

00:43:46,500 --> 00:43:29,210

someone else's game so I hope you

1066

00:43:50,530 --> 00:43:48,910

and you will not the only one well

1067

00:43:52,240 --> 00:43:50,540

there'll be many more of us and then

1068

00:43:52,660 --> 00:43:52,250

this will be become the Norton than you

1069

00:43:56,320 --> 00:43:52,670

norm

1070

00:43:58,810 --> 00:43:56,330

okay I'm sorry go ahead um well you said

1071

00:44:02,230 --> 00:43:58,820

earlier that by doing this what you've

1072

00:44:05,920 --> 00:44:02,240

done that you actually discovered some

1073

00:44:10,060 --> 00:44:05,930

real true things about 9/11 what really

1074

00:44:12,490 --> 00:44:10,070

happened can you fill us in on anything

1075

00:44:15,280 --> 00:44:12,500

that you discovered or go into detail

1076

00:44:17,770 --> 00:44:15,290

about anything I'll go into one I'll

1077

00:44:19,570 --> 00:44:17,780

only tell you into one and and that's

1078

00:44:21,310 --> 00:44:19,580

this as far as I will go because you

1079

00:44:22,720 --> 00:44:21,320

have to understand you have to be

1080

00:44:24,790 --> 00:44:22,730

responsible with certain information

1081

00:44:27,670 --> 00:44:24,800

that you have I can tell it's not

1082

00:44:30,510 --> 00:44:27,680

anything you need to fear but you have

1083

00:44:35,970 --> 00:44:33,080

you become aware of something else

1084

00:44:38,070 --> 00:44:35,980

everyone is still playing a game every

1085

00:44:40,200 --> 00:44:38,080

stone is still playing their thing I do

1086

00:44:42,180 --> 00:44:40,210

not want to be that [h__\h] to just you

1087

00:44:44,640 --> 00:44:42,190

know go in and just mess it up for them

1088

00:44:47,070 --> 00:44:44,650

because that is still a possibility no

1089

00:44:48,690 --> 00:44:47,080

sure honor on certain levels not every

1090

00:44:51,210 --> 00:44:48,700

level but on certain levels if you go

1091

00:44:52,800 --> 00:44:51,220

fire far high enough that would have

1092

00:44:54,900 --> 00:44:52,810

been the purpose as well because at all

1093

00:44:56,610 --> 00:44:54,910

there's no accidents all theis in but

1094

00:44:58,890 --> 00:44:56,620

for you immediately because I don't want

1095

00:45:01,410 --> 00:44:58,900

to create too much discord you know I

1096

00:45:03,120 --> 00:45:01,420

cannot reveal all that I've learned

1097

00:45:06,780 --> 00:45:03,130

about this but there's only one single

1098

00:45:07,980 --> 00:45:06,790

thing and I think this is also tie in

1099

00:45:12,240 --> 00:45:07,990

almost everything else you've

1100

00:45:15,570 --> 00:45:12,250

experienced so few friends of mine

1101

00:45:17,850 --> 00:45:15,580

there were came over to my house and I'm

1102

00:45:19,710 --> 00:45:17,860

bringing this up in this particular way

1103

00:45:22,290 --> 00:45:19,720

because I know what people's beliefs are

1104

00:45:24,390 --> 00:45:22,300

about psychedelics so when I tell them

1105

00:45:26,370 --> 00:45:24,400

that I discovered this information on

1106

00:45:28,140 --> 00:45:26,380

psychedelics it'll make it easy for me

1107

00:45:29,850 --> 00:45:28,150

because they tell me oh it's [h__h] I

1108

00:45:31,800 --> 00:45:29,860

know I can believe this so you know

1109

00:45:33,720 --> 00:45:31,810

it'll kind of clear me on that so I'm

1110

00:45:35,160 --> 00:45:33,730

bringing it up on a purpose I could have

1111

00:45:37,410 --> 00:45:35,170

just told your story without bringing

1112

00:45:40,440 --> 00:45:37,420

this up but I'm telling you this is what

1113

00:45:43,290 --> 00:45:40,450

I got on that as we're sitting there

1114

00:45:45,450 --> 00:45:43,300

it's been it's been you know it takes a

1115

00:45:47,820 --> 00:45:45,460

while to give yourself this permission

1116

00:45:49,890 --> 00:45:47,830

slip to go into the state that that is

1117

00:45:51,510 --> 00:45:49,900

required to understand who you are and

1118

00:45:53,430 --> 00:45:51,520

to start feeling the connection to

1119

00:45:55,320 --> 00:45:53,440

everything and as we're sitting there we

1120

00:45:56,790 --> 00:45:55,330

started looking at each other and we

1121

00:45:58,860 --> 00:45:56,800

didn't even have to speak to each other

1122

00:46:00,840 --> 00:45:58,870

anymore we just laughed because we

1123

00:46:03,000 --> 00:46:00,850

understood what the other one was

1124

00:46:05,010 --> 00:46:03,010

already thinking you know and then all

1125

00:46:06,930 --> 00:46:05,020

of the sudden there was a money I

1126
00:46:09,150 --> 00:46:06,940
believe that was there and we looked at

1127
00:46:10,920 --> 00:46:09,160
that I and I said all the Illuminati and

1128
00:46:12,630 --> 00:46:10,930
we all just started laughing oh they're

1129
00:46:14,400 --> 00:46:12,640
trying to kill us and I saw I was

1130
00:46:16,440 --> 00:46:14,410
laughing the other two were still

1131
00:46:18,660 --> 00:46:16,450
laughing but then I almost just got this

1132
00:46:23,970 --> 00:46:18,670
like I went deeper into my experience

1133
00:46:26,280 --> 00:46:23,980
and saw that there's maybe I couldn't I

1134
00:46:29,070 --> 00:46:26,290
can't give you specifics but there was

1135
00:46:34,740 --> 00:46:29,080
almost like this group of five or six

1136
00:46:37,440 --> 00:46:34,750
people beings if you will that have been

1137
00:46:41,910 --> 00:46:37,450
chosen not to play this game

1138
00:46:43,559 --> 00:46:41,920

they're almost like if you will they're

1139

00:46:46,049 --> 00:46:43,569

almost like these

1140

00:46:49,109 --> 00:46:46,059

vanity keepers for for this experience

1141

00:46:51,569 --> 00:46:49,119

because if you had too many people doing

1142

00:46:53,819 --> 00:46:51,579

too many independent things it could

1143

00:46:55,499 --> 00:46:53,829

create too much chaos and so we would

1144

00:46:57,809 --> 00:46:55,509

never be able to really function as a

1145

00:46:58,859 --> 00:46:57,819

society it would be too much of dis

1146

00:47:01,199 --> 00:46:58,869

coordinates and everything would just

1147

00:47:04,049 --> 00:47:01,209

break apart we would just kill each

1148

00:47:05,699 --> 00:47:04,059

other you know so it's almost like

1149

00:47:07,380 --> 00:47:05,709

they're been assigned they're part of

1150

00:47:10,979 --> 00:47:07,390

our collective of all that we call

1151
00:47:14,670 --> 00:47:10,989
ourselves as humans that they are kind

1152
00:47:18,420 --> 00:47:14,680
of from the higher down it trickles down

1153
00:47:20,370 --> 00:47:18,430
into business owners and landowners and

1154
00:47:23,719 --> 00:47:20,380
company owners and all these other

1155
00:47:26,489 --> 00:47:23,729
things that what we perceive as

1156
00:47:29,579 --> 00:47:26,499
controlling the world is actually

1157
00:47:31,469 --> 00:47:29,589
keeping of small aspects of the world

1158
00:47:34,229 --> 00:47:31,479
still running so that not everything

1159
00:47:37,890 --> 00:47:34,239
falls apart now the people that we look

1160
00:47:39,989 --> 00:47:37,900
at the globalists and look at the you

1161
00:47:42,120 --> 00:47:39,999
know Rothschilds and the Bilderberg

1162
00:47:44,370 --> 00:47:42,130
meetings and all these other things

1163
00:47:46,380 --> 00:47:44,380

tell far from being the Illuminati

1164

00:47:47,519 --> 00:47:46,390

because it never made sense to me why

1165

00:47:50,509 --> 00:47:47,529

would you call yourselves the

1166

00:47:53,430 --> 00:47:50,519

illuminated ones yet to do in such

1167

00:47:55,380 --> 00:47:53,440

closed-minded things you know only when

1168

00:47:58,140 --> 00:47:55,390

I allowed myself to go as deep as I had

1169

00:48:00,539 --> 00:47:58,150

to go that I find out that even these

1170

00:48:02,819 --> 00:48:00,549

these people are not aware of them that

1171

00:48:05,430 --> 00:48:02,829

they're simply just doing us a favor

1172

00:48:07,140 --> 00:48:05,440

just keeping the ship afloat until we

1173

00:48:10,410 --> 00:48:07,150

come up to that same level as they are

1174

00:48:12,900 --> 00:48:10,420

and then we can understand that oh wait

1175

00:48:14,999 --> 00:48:12,910

this one-world government we've been

1176

00:48:18,959 --> 00:48:15,009

fearing it's actually a representation

1177

00:48:20,729 --> 00:48:18,969

of the oneness that we already are so it

1178

00:48:22,979 --> 00:48:20,739

will basically help us kind of

1179

00:48:24,809 --> 00:48:22,989

understand that we're going towards this

1180

00:48:26,549 --> 00:48:24,819

one-world government anyway but it's not

1181

00:48:30,269 --> 00:48:26,559

going to be all dark and gloom at the

1182

00:48:33,089 --> 00:48:30,279

end of the day you know now if I did not

1183

00:48:35,069 --> 00:48:33,099

have that experience myself and and and

1184

00:48:36,779 --> 00:48:35,079

and it was such an experience that was

1185

00:48:38,640 --> 00:48:36,789

even more real as this one it was

1186

00:48:40,529 --> 00:48:38,650

there's so many connections and

1187

00:48:42,359 --> 00:48:40,539

understandings that made perfect sense

1188

00:48:44,789 --> 00:48:42,369

why everything is working the way does

1189

00:48:47,189 --> 00:48:44,799

that there was no way I could doubt it

1190

00:48:48,930 --> 00:48:47,199

you know it just made perfect because I

1191

00:48:51,630 --> 00:48:48,940

there was nothing hidden to me I was

1192

00:48:53,849 --> 00:48:51,640

aware of every aspect at that time now

1193

00:48:56,279 --> 00:48:53,859

of course coming back here it was it

1194

00:48:57,620 --> 00:48:56,289

fate slowly all I could do is just like

1195

00:48:59,329 --> 00:48:57,630

try to ingrain in my

1196

00:49:01,130 --> 00:48:59,339

and said remember it's not bad it's not

1197

00:49:03,109 --> 00:49:01,140

bad remember this I could just remember

1198

00:49:04,940 --> 00:49:03,119

all these little dots I don't have that

1199

00:49:07,039 --> 00:49:04,950

I don't feel that connection all the

1200

00:49:10,640 --> 00:49:07,049

time but that's what happened to me at

1201
00:49:13,249 --> 00:49:10,650
that moment so that is one aspect the

1202
00:49:16,630 --> 00:49:13,259
one but well see it's the thing is

1203
00:49:21,470 --> 00:49:16,640
they're not people there's almost like

1204
00:49:24,470 --> 00:49:21,480
soul aspects of our collective right

1205
00:49:26,900 --> 00:49:24,480
right and you can see what they do and I

1206
00:49:29,150 --> 00:49:26,910
could see the the fearful reactions we

1207
00:49:31,069 --> 00:49:29,160
have on their actions and then we label

1208
00:49:33,650 --> 00:49:31,079
it as dark and and this is not what I

1209
00:49:37,039 --> 00:49:33,660
want and so on now because think about

1210
00:49:39,470 --> 00:49:37,049
this at the end of the day we all want

1211
00:49:41,269 --> 00:49:39,480
oneness we all want to be together we

1212
00:49:43,220 --> 00:49:41,279
all want everything to work perfectly

1213
00:49:44,900 --> 00:49:43,230

fine we want other countries to be

1214

00:49:46,910 --> 00:49:44,910

together you know we don't want to have

1215

00:49:48,769 --> 00:49:46,920

borders we don't want to be enemies you

1216

00:49:50,960 --> 00:49:48,779

know but because of our belief system

1217

00:49:52,700 --> 00:49:50,970

that I cannot trust you because I don't

1218

00:49:55,069 --> 00:49:52,710

know what's going on in your head we

1219

00:49:57,109 --> 00:49:55,079

create these walls you know I don't know

1220

00:49:58,670 --> 00:49:57,119

you could be a psycho for all I know you

1221

00:50:00,319 --> 00:49:58,680

know it's like I could be like hey how

1222

00:50:02,779 --> 00:50:00,329

are you shake your hand and you stab me

1223

00:50:04,519 --> 00:50:02,789

that is your egos mind mind your egos

1224

00:50:07,249 --> 00:50:04,529

point of view that has those constant

1225

00:50:09,289 --> 00:50:07,259

fears so we're constantly allowed that

1226

00:50:11,690 --> 00:50:09,299

to be our controlling mechanism in the

1227

00:50:13,700 --> 00:50:11,700

world so if we go we always say oh yeah

1228

00:50:15,349 --> 00:50:13,710

when I met this guy I could just send so

1229

00:50:17,240 --> 00:50:15,359

you know there's something about him or

1230

00:50:19,849 --> 00:50:17,250

oh I met this person I would just

1231

00:50:21,980 --> 00:50:19,859

immediately got along you know we like

1232

00:50:25,099 --> 00:50:21,990

to think that that's you know some kind

1233

00:50:26,779 --> 00:50:25,109

of you know connection that we felt but

1234

00:50:28,819 --> 00:50:26,789

it was actually your ego being there the

1235

00:50:30,559 --> 00:50:28,829

whole time you know going like yeah it's

1236

00:50:32,420 --> 00:50:30,569

okay to be friends with this guy but not

1237

00:50:34,670 --> 00:50:32,430

okay with that guy you know it's

1238

00:50:37,339 --> 00:50:34,680

important to understand that the ego is

1239

00:50:40,730 --> 00:50:37,349

not in charge but at the same time it is

1240

00:50:42,890 --> 00:50:40,740

not evil you know can you say like

1241

00:50:44,480 --> 00:50:42,900

Bashar says and it's he didn't say like

1242

00:50:46,490 --> 00:50:44,490

this but can you say that the breathing

1243

00:50:48,410 --> 00:50:46,500

mask that you need in the water can you

1244

00:50:49,910 --> 00:50:48,420

say that it is evil it's not it just

1245

00:50:51,859 --> 00:50:49,920

serves the purpose you can breathe

1246

00:50:53,809 --> 00:50:51,869

underwater and when you come back up you

1247

00:50:56,059 --> 00:50:53,819

wouldn't need any more same thing here

1248

00:50:58,220 --> 00:50:56,069

this reality and the way we play it and

1249

00:51:00,769 --> 00:50:58,230

the way we live in the ego plays a role

1250

00:51:02,990 --> 00:51:00,779

it has a localized consciousness it runs

1251
00:51:04,220 --> 00:51:03,000
the body it breathes you blink you

1252
00:51:07,819 --> 00:51:04,230
breathe you do what you got to do

1253
00:51:10,810 --> 00:51:07,829
without thinking you know and you know

1254
00:51:13,570 --> 00:51:10,820
but over time we've we've turned

1255
00:51:15,340 --> 00:51:13,580
to science you know science is important

1256
00:51:16,720 --> 00:51:15,350
I really agree with science with a lot

1257
00:51:18,730 --> 00:51:16,730
of things but you have to understand

1258
00:51:21,160 --> 00:51:18,740
science measures things that you can

1259
00:51:23,410 --> 00:51:21,170
observe and witness you know and somehow

1260
00:51:25,060 --> 00:51:23,420
along the way we've said but only

1261
00:51:26,920 --> 00:51:25,070
science can prove this only then will I

1262
00:51:28,420 --> 00:51:26,930
believe it and you're doing yourself a

1263
00:51:31,540 --> 00:51:28,430

great disservice when you limit yourself

1264

00:51:35,200 --> 00:51:31,550

in such ways you know because you know

1265

00:51:36,820 --> 00:51:35,210

science works only as well as something

1266

00:51:40,690 --> 00:51:36,830

new comes around to disprove the

1267

00:51:42,400 --> 00:51:40,700

previous theory so as malleable it is

1268

00:51:44,980 --> 00:51:42,410

you have to understand it's important to

1269

00:51:47,080 --> 00:51:44,990

stay malleable with it you know and not

1270

00:51:49,720 --> 00:51:47,090

just constantly saying ya know my

1271

00:51:51,730 --> 00:51:49,730

experience going to this area you know

1272

00:51:54,190 --> 00:51:51,740

it's been like this therefore every

1273

00:51:56,080 --> 00:51:54,200

single time I go to this area I'm gonna

1274

00:51:57,760 --> 00:51:56,090

have to have a bad experience like my

1275

00:52:00,610 --> 00:51:57,770

mom she came over to my house one day

1276
00:52:02,650 --> 00:52:00,620
and she said I mean I told her I got bit

1277
00:52:04,540 --> 00:52:02,660
by a snake at this spot every single

1278
00:52:06,490 --> 00:52:04,550
time she would make this big so go

1279
00:52:08,050 --> 00:52:06,500
around to go around it you know and I

1280
00:52:09,640 --> 00:52:08,060
will try to talk to said mom the snake

1281
00:52:11,260 --> 00:52:09,650
is not sitting there trying to bite you

1282
00:52:12,910 --> 00:52:11,270
every time you come visit me I don't

1283
00:52:15,130 --> 00:52:12,920
know what I just feel and say that's

1284
00:52:16,870 --> 00:52:15,140
your ego side you know it's like I

1285
00:52:19,270 --> 00:52:16,880
cannot help that some people feel that

1286
00:52:22,330 --> 00:52:19,280
way I can only hope and courage and and

1287
00:52:24,700 --> 00:52:22,340
try to give my piece of wisdom if you

1288
00:52:27,040 --> 00:52:24,710

can call it that to try to ease their

1289

00:52:30,700 --> 00:52:27,050

suffering to try to ease their distrust

1290

00:52:32,650 --> 00:52:30,710

to try to ease their misunderstanding so

1291

00:52:35,140 --> 00:52:32,660

anyway so that is the only aspect if you

1292

00:52:43,400 --> 00:52:35,150

don't mind I'd like to share about 9/11

1293

00:53:01,430 --> 00:52:51,279

to describe so perky in Texas in Florida

1294

00:53:10,069 --> 00:53:04,930

do you see that is doing it individuals

1295

00:53:12,200 --> 00:53:10,079

definitely will see it has it has a

1296

00:53:14,299 --> 00:53:12,210

different effect on us that are here

1297

00:53:16,370 --> 00:53:14,309

that supports to the people that are

1298

00:53:19,099 --> 00:53:16,380

actually experiencing it because then

1299

00:53:21,680 --> 00:53:19,109

you have to and it doesn't require it

1300

00:53:22,730 --> 00:53:21,690

does require this great mystical thing

1301

00:53:25,130 --> 00:53:22,740

to figure this out it's very

1302

00:53:27,289 --> 00:53:25,140

straightforward there's a guy that I

1303

00:53:31,400 --> 00:53:27,299

interviewed called the David sir Venus

1304

00:53:34,660 --> 00:53:31,410

David ray Venus and he calls what he

1305

00:53:38,120 --> 00:53:34,670

said he calls it the waking dream and

1306

00:53:40,190 --> 00:53:38,130

waking dream right and what he talks

1307

00:53:42,770 --> 00:53:40,200

about is that our life is a it's a

1308

00:53:45,380 --> 00:53:42,780

waking dream and so whatever experiences

1309

00:53:47,750 --> 00:53:45,390

you experiencing they're happening to

1310

00:53:51,500 --> 00:53:47,760

you to learn the lesson so you have to

1311

00:53:54,500 --> 00:53:51,510

then look at water and what it is what

1312

00:53:57,289 --> 00:53:54,510

it is that it does by itself it can

1313

00:54:00,920 --> 00:53:57,299

cleanse it can destroy you know it can

1314

00:54:03,500 --> 00:54:00,930

drown you you know it can do a variety

1315

00:54:05,809 --> 00:54:03,510

of things and so each one of those

1316

00:54:08,210 --> 00:54:05,819

different meanings apply to different

1317

00:54:10,370 --> 00:54:08,220

person you know so you can have two

1318

00:54:11,660 --> 00:54:10,380

people their neighbors their houses

1319

00:54:14,299 --> 00:54:11,670

drowned and it will have two different

1320

00:54:16,309 --> 00:54:14,309

meanings you know having for example in

1321

00:54:17,839 --> 00:54:16,319

houses drown houses get flooded and

1322

00:54:18,410 --> 00:54:17,849

it'll have two different meanings to

1323

00:54:20,000 --> 00:54:18,420

those people

1324

00:54:21,559 --> 00:54:20,010

it felt something different it meant

1325

00:54:23,329 --> 00:54:21,569

something different to one than it did

1326

00:54:26,000 --> 00:54:23,339

to the other but what's important is

1327

00:54:27,410 --> 00:54:26,010

that feeling that you felt as something

1328

00:54:29,329 --> 00:54:27,420

was happening whether you're watching

1329

00:54:32,539 --> 00:54:29,339

something you loved being destroyed or

1330

00:54:35,240 --> 00:54:32,549

whether you know you facing a fear of

1331

00:54:37,039 --> 00:54:35,250

water because you almost drown as a

1332

00:54:38,870 --> 00:54:37,049

kid you know all these things are

1333

00:54:41,390 --> 00:54:38,880

important for you to start looking into

1334

00:54:42,650 --> 00:54:41,400

those emotions that we just say oh I

1335

00:54:44,059 --> 00:54:42,660

don't want to go there you know it's

1336

00:54:47,180 --> 00:54:44,069

creeps me out I don't want to go there

1337

00:54:50,019 --> 00:54:47,190

go there you know because that emotion

1338

00:54:54,380 --> 00:54:50,029

is what will then tell you who you are

1339

00:54:56,870 --> 00:54:54,390

because remember because everything is

1340

00:54:57,440 --> 00:54:56,880

you right you have to create that

1341

00:54:59,900 --> 00:54:57,450

scenario

1342

00:55:00,829 --> 00:54:59,910

so if your house gets flooded what does

1343

00:55:03,980 --> 00:55:00,839

that mean to you

1344

00:55:06,020 --> 00:55:03,990

you know I'm David rhew Venus for

1345

00:55:08,450 --> 00:55:06,030

example would then sit you down and then

1346

00:55:10,609 --> 00:55:08,460

you have he's a lot better at this I

1347

00:55:12,500 --> 00:55:10,619

stand what he does it's not something I

1348

00:55:15,980 --> 00:55:12,510

want to be doing but he will sit and you

1349

00:55:17,630 --> 00:55:15,990

for example tell him your story your you

1350

00:55:19,430 --> 00:55:17,640

know events and then he'll break it down

1351

00:55:21,380 --> 00:55:19,440

to you to where you can understand what

1352

00:55:23,690 --> 00:55:21,390

it meant you know because for example in

1353

00:55:26,120 --> 00:55:23,700

this video that I did with him he used

1354

00:55:29,329 --> 00:55:26,130

an example of a guy who loved marmalade

1355

00:55:30,710 --> 00:55:29,339

and then it splattered this cancer

1356

00:55:33,559 --> 00:55:30,720

marmalade splattered on the kitchen

1357

00:55:37,010 --> 00:55:33,569

floor you know so basically he break it

1358

00:55:38,960 --> 00:55:37,020

down about you know you desire what the

1359

00:55:41,359 --> 00:55:38,970

house means what that hardwood floor

1360

00:55:43,370 --> 00:55:41,369

means what the shattered glass means you

1361

00:55:44,839 --> 00:55:43,380

know it's it's all self exploratory if

1362

00:55:46,670 --> 00:55:44,849

you're simply willing to look into it

1363

00:55:48,079 --> 00:55:46,680

and not look at it as this is woo hoo

1364

00:55:50,960 --> 00:55:48,089

this is [h__h] I don't want us to go

1365

00:55:53,150 --> 00:55:50,970

there you know it will it will if you

1366

00:55:55,099 --> 00:55:53,160

simply are open minded to to understand

1367

00:56:09,860 --> 00:55:55,109

it you will get the meaning of every

1368

00:56:20,400 --> 00:56:17,220

besides that good question because not

1369

00:56:23,430 --> 00:56:20,410

everyone would like that personally what

1370

00:56:25,320 --> 00:56:23,440

I found the most is a meditation in

1371

00:56:30,510 --> 00:56:25,330

combination with with breathing

1372

00:56:33,600 --> 00:56:30,520

exercises now the what I found very

1373

00:56:35,400 --> 00:56:33,610

interesting is that it took about maybe

1374

00:56:37,110 --> 00:56:35,410

about a week I don't want to give a

1375

00:56:38,430 --> 00:56:37,120

limit because if I tell you you you say

1376

00:56:38,850 --> 00:56:38,440

oh what a new week I should get there

1377

00:56:41,250 --> 00:56:38,860

too

1378

00:56:43,440 --> 00:56:41,260

please start out to think that way it

1379

00:56:45,510 --> 00:56:43,450

took about a week for me just to stop my

1380

00:56:47,430 --> 00:56:45,520

mind to talk every time I would sit down

1381

00:56:49,740 --> 00:56:47,440

and close my eyes to meditate you know

1382

00:56:52,170 --> 00:56:49,750

like you know going through like okay

1383

00:56:54,270 --> 00:56:52,180

tomorrow I gotta go lunch and then I'm

1384

00:56:55,680 --> 00:56:54,280

gonna meet this friend you know and then

1385

00:56:57,330 --> 00:56:55,690

my back starts hurting I'm like I'm

1386

00:56:59,190 --> 00:56:57,340

gonna make me sandwich you know and so

1387

00:57:01,530 --> 00:56:59,200

we get up so next day you know I was

1388

00:57:02,880 --> 00:57:01,540

saying do the same thing and I kept

1389

00:57:04,470 --> 00:57:02,890

trying because I knew I was like whoa

1390

00:57:06,540 --> 00:57:04,480

then what are all these other crazy

1391

00:57:08,580 --> 00:57:06,550

people doing how come I can't close my

1392

00:57:10,500 --> 00:57:08,590

eyes and see what they see so I just

1393

00:57:13,740 --> 00:57:10,510

kept pushing it kept pushing until I

1394

00:57:17,280 --> 00:57:13,750

finally after about a week with the

1395

00:57:20,400 --> 00:57:17,290

meditation and breathing but simply and

1396

00:57:21,780 --> 00:57:20,410

and this was also directed to me because

1397

00:57:23,730 --> 00:57:21,790

I was listening to a channel buddy

1398

00:57:25,740 --> 00:57:23,740

Bashar and he talks about how we're

1399

00:57:27,000 --> 00:57:25,750

shallow breathers you know now I said

1400

00:57:28,440 --> 00:57:27,010

what do you mean shallow breathers and

1401
00:57:31,590 --> 00:57:28,450
sure enough I was sitting there and I

1402
00:57:33,420 --> 00:57:31,600
was just that's as far as we most of us

1403
00:57:35,160 --> 00:57:33,430
breathe you know and he describes why

1404
00:57:41,550 --> 00:57:35,170
but that's not important right now so I

1405
00:57:43,290 --> 00:57:41,560
made myself literally go you know and

1406
00:57:45,060 --> 00:57:43,300
just keep doing that at first you get

1407
00:57:46,440 --> 00:57:45,070
dizzy and all that because your brain is

1408
00:57:48,690 --> 00:57:46,450
getting oxygen that you've been

1409
00:57:50,880 --> 00:57:48,700
depriving it for so long you know and

1410
00:57:51,750 --> 00:57:50,890
then after you get used to that for a

1411
00:57:54,060 --> 00:57:51,760
few more days

1412
00:57:57,240 --> 00:57:54,070
you are what started happening to me

1413
00:57:59,280 --> 00:57:57,250

it's like these I could only see flashes

1414

00:58:01,620 --> 00:57:59,290

of some light but it will almost feel

1415

00:58:03,330 --> 00:58:01,630

like a small zapping of energy but I

1416

00:58:05,910 --> 00:58:03,340

would just do this and as I was sitting

1417

00:58:08,250 --> 00:58:05,920

they would just go like this you know

1418

00:58:10,830 --> 00:58:08,260

and I would just occasionally shake and

1419

00:58:14,010 --> 00:58:10,840

I knew it wasn't me doing it because I

1420

00:58:15,990 --> 00:58:14,020

could see this in this void oh by the

1421

00:58:19,830 --> 00:58:16,000

way also that void

1422

00:58:22,890 --> 00:58:19,840

into from from staring in your in your

1423

00:58:25,260 --> 00:58:22,900

eyelids into this vast void of

1424

00:58:27,510 --> 00:58:25,270

nothingness you know and that's when I

1425

00:58:29,520 --> 00:58:27,520

then started having these little zaps

1426
00:58:31,200 --> 00:58:29,530
you know stuff and my body will change

1427
00:58:32,640 --> 00:58:31,210
so I would play around with that a

1428
00:58:34,859 --> 00:58:32,650
little bit now what particularly

1429
00:58:36,690 --> 00:58:34,869
happened to me I wasn't seeing too much

1430
00:58:38,550 --> 00:58:36,700
vision too many visual things and like

1431
00:58:40,859 --> 00:58:38,560
with every other experience ever had I'm

1432
00:58:44,130 --> 00:58:40,869
a very emotional person so everything to

1433
00:58:46,260 --> 00:58:44,140
me came emotionally so that if people

1434
00:58:47,580 --> 00:58:46,270
talk about oh I saw pictures of oneness

1435
00:58:50,130 --> 00:58:47,590
and I could see all these people being

1436
00:58:52,859 --> 00:58:50,140
together I would feel that you know if I

1437
00:58:55,859 --> 00:58:52,869
you know I would feel you know think

1438
00:58:57,960 --> 00:58:55,869

surround me I would feel the energetic

1439

00:59:00,390 --> 00:58:57,970

makeup of the table the chair I'm

1440

00:59:02,180 --> 00:59:00,400

sitting in and so on so can I hope

1441

00:59:06,450 --> 00:59:02,190

there's a kind of answer to a question

1442

00:59:08,820 --> 00:59:06,460

right because it's a there's many

1443

00:59:10,530 --> 00:59:08,830

different models for a while they're

1444

00:59:12,390 --> 00:59:10,540

just mainly I was trying to lose some

1445

00:59:15,870 --> 00:59:12,400

weight I was like you know doing some

1446

00:59:17,820 --> 00:59:15,880

yoga and whatnot discovered yoga can can

1447

00:59:19,710 --> 00:59:17,830

get you in that same state because you

1448

00:59:21,690 --> 00:59:19,720

have to breathe and physically move in a

1449

00:59:24,420 --> 00:59:21,700

certain way the kind of disconnects that

1450

00:59:26,790 --> 00:59:24,430

little click of your ego mine and I have

1451

00:59:28,740 --> 00:59:26,800

to drip-a jet it to myself and then it

1452

00:59:31,890 --> 00:59:28,750

of the sudden gets you in this harmony

1453

00:59:34,140 --> 00:59:31,900

between your pure thoughts and emotions

1454

00:59:36,120 --> 00:59:34,150

and your physical movement you know so

1455

00:59:38,250 --> 00:59:36,130

it had the same effect it's just only

1456

00:59:39,990 --> 00:59:38,260

that I'm a very impatient person I know

1457

00:59:43,620 --> 00:59:40,000

that about myself so hums like give me

1458

00:59:45,359 --> 00:59:43,630

some LSD you know you know so but here's

1459

00:59:47,490 --> 00:59:45,369

the thing I have to correct if you don't

1460

00:59:49,920 --> 00:59:47,500

say something about this not everyone

1461

00:59:52,170 --> 00:59:49,930

will have that answer I have so many

1462

00:59:54,089 --> 00:59:52,180

people that even they've been let's just

1463

00:59:56,339 --> 00:59:54,099

say for lack of better word I don't like

1464

00:59:58,230 --> 00:59:56,349

it users for many years don't just tell

1465

01:00:00,839 --> 00:59:58,240

me oh yeah man you know you gonna feel

1466

01:00:02,820 --> 01:00:00,849

funny color so gonna be cool you know

1467

01:00:04,200 --> 01:00:02,830

don't eat anything on it because when

1468

01:00:05,820 --> 01:00:04,210

you're on it and you eat something it's

1469

01:00:07,050 --> 01:00:05,830

gonna stay so good it's never going to

1470

01:00:08,970 --> 01:00:07,060

taste the same way again you're just

1471

01:00:10,349 --> 01:00:08,980

gonna hate it you know they give me all

1472

01:00:12,630 --> 01:00:10,359

these explanations and I'm like uh-huh

1473

01:00:14,910 --> 01:00:12,640

uh-huh okay great uh-huh right right

1474

01:00:17,099 --> 01:00:14,920

right and so when I tried it I sat down

1475

01:00:18,599 --> 01:00:17,109

and freaking you universe opened up I

1476

01:00:20,820 --> 01:00:18,609

went back and I was telling about all

1477

01:00:22,380 --> 01:00:20,830

this is like must have had a bad badge

1478

01:00:24,720 --> 01:00:22,390

yeah it's a bad bad you know

1479

01:00:27,330 --> 01:00:24,730

and so that's when I realize not

1480

01:00:29,280 --> 01:00:27,340

everyone will get to that even whatever

1481

01:00:30,780 --> 01:00:29,290

permission slip I have to correct you

1482

01:00:33,600 --> 01:00:30,790

know not correct I have to mention that

1483

01:00:35,280 --> 01:00:33,610

it's just a permission slip you know

1484

01:00:37,920 --> 01:00:35,290

whether you use meditation whatever

1485

01:00:40,230 --> 01:00:37,930

other substances you use they will

1486

01:00:43,170 --> 01:00:40,240

simply be a permission slip but you have

1487

01:00:45,180 --> 01:00:43,180

to follow you in a gut I don't want you

1488

01:00:46,920 --> 01:00:45,190

know part my friends but all the cities

1489

01:00:48,270 --> 01:00:46,930

out there going to take a line of coke

1490

01:00:50,340 --> 01:00:48,280

and I know if something that they said I

1491

01:00:52,470 --> 01:00:50,350

can do coke and I'll be fine no it's not

1492

01:00:54,810 --> 01:00:52,480

you know you have to follow your inner

1493

01:00:56,790 --> 01:00:54,820

guidance you and inner intuition that

1494

01:00:59,940 --> 01:00:56,800

you feel and say I'm going to do this

1495

01:01:02,160 --> 01:00:59,950

but not that you know and it's up to you

1496

01:01:03,960 --> 01:01:02,170

to be your own master and teacher in

1497

01:01:06,270 --> 01:01:03,970

your life to find the answers you're

1498

01:01:08,550 --> 01:01:06,280

looking for and not to go oh I burned

1499

01:01:10,200 --> 01:01:08,560

myself it's his fault you know it's like

1500

01:01:11,640 --> 01:01:10,210

it's then you're not doing anything

1501

01:01:13,680 --> 01:01:11,650

different than what we haven't done for

1502

01:01:18,820 --> 01:01:13,690

centuries you know it's always someone

1503

01:01:25,150 --> 01:01:23,050

I wanted to say that after 9/11 it

1504

01:01:28,420 --> 01:01:25,160

seemed like a lot of people start seeing

1505

01:01:32,500 --> 01:01:28,430

waking up at 9/11 and might have trigger

1506

01:01:34,500 --> 01:01:32,510

on the mind subconscious mind and you

1507

01:01:39,190 --> 01:01:34,510

know then they progressed to seeing

1508

01:01:42,690 --> 01:01:39,200

11:11 or sequence of numbers of 333 but

1509

01:01:45,670 --> 01:01:42,700

it always appears that observation

1510

01:01:51,460 --> 01:01:45,680

talking to numerous people they always

1511

01:01:53,740 --> 01:01:51,470

start off with the 911 well what I

1512

01:01:55,330 --> 01:01:53,750

discovered about that it's the the

1513

01:01:57,370 --> 01:01:55,340

different numbers that might come up are

1514

01:02:00,190 --> 01:01:57,380

personal to you whether it's three three

1515

01:02:03,190 --> 01:02:00,200

three one one one you know whatever you

1516

01:02:05,050 --> 01:02:03,200

have to discover that but what I I asked

1517

01:02:06,910 --> 01:02:05,060

when I was out there you know for lack

1518

01:02:09,130 --> 01:02:06,920

of a better word out there whatever out

1519

01:02:10,960 --> 01:02:09,140

there is when I was in here you know I

1520

01:02:14,950 --> 01:02:10,970

asked what that meant and it's basically

1521

01:02:18,280 --> 01:02:14,960

a physical representation to your

1522

01:02:19,390 --> 01:02:18,290

physical self that the is everything is

1523

01:02:22,000 --> 01:02:19,400

according to plan

1524

01:02:23,500 --> 01:02:22,010

you know just simply like whatever

1525

01:02:25,870 --> 01:02:23,510

you're thinking you know it's like you

1526

01:02:27,730 --> 01:02:25,880

know you know maybe I should take this

1527

01:02:30,220 --> 01:02:27,740

job you know we're supposed to say turn

1528

01:02:32,650 --> 01:02:30,230

around it's at 11:11 you know or you

1529

01:02:34,450 --> 01:02:32,660

know maybe I should change you know the

1530

01:02:35,950 --> 01:02:34,460

way I do things in my life because this

1531

01:02:38,860 --> 01:02:35,960

has been working for me look down it's

1532

01:02:40,840 --> 01:02:38,870

for 44 you know it has these you know

1533

01:02:44,650 --> 01:02:40,850

simple symbolic representations that

1534

01:02:46,600 --> 01:02:44,660

it's a a point in your life that has

1535

01:02:48,820 --> 01:02:46,610

come to you in a purpose there's your

1536

01:02:51,280 --> 01:02:48,830

physical proof that you know things are

1537

01:02:53,590 --> 01:02:51,290

happening by these repetitive numbers

1538

01:02:56,440 --> 01:02:53,600

because it happens once you won't catch

1539

01:02:58,240 --> 01:02:56,450

it now personally I kept seeing it for

1540

01:03:00,310 --> 01:02:58,250

years after and I was still like the

1541

01:03:01,900 --> 01:03:00,320

village idiot didn't get it you know it

1542

01:03:03,160 --> 01:03:01,910

took me a long time until somebody said

1543

01:03:05,050 --> 01:03:03,170

hey there's this numbers that keep

1544

01:03:06,760 --> 01:03:05,060

happening like that happened to me you

1545

01:03:09,010 --> 01:03:06,770

know only then I had my you know

1546

01:03:10,870 --> 01:03:09,020

epiphany and and started to feel more

1547

01:03:12,190 --> 01:03:10,880

about this you know going in and

1548

01:03:14,680 --> 01:03:12,200

figuring out why is this happening and

1549

01:03:14,950 --> 01:03:14,690

found my answers but even I didn't get

1550

01:03:17,620 --> 01:03:14,960

it

1551

01:03:19,750 --> 01:03:17,630

you know SSS open minded and I like to

1552

01:03:21,790 --> 01:03:19,760

call myself you know so everyone has

1553

01:03:25,570 --> 01:03:21,800

their own little thing but it's mainly

1554

01:03:28,000 --> 01:03:25,580

just these pointers to say you're on the

1555

01:03:29,920 --> 01:03:28,010

path you need to be or I should say on

1556

01:03:31,930 --> 01:03:29,930

the path you set out for yourself

1557

01:03:36,099 --> 01:03:31,940

because they need not need it's really

1558

01:03:39,789 --> 01:03:36,109

all just really objective you know or

1559

01:03:42,099 --> 01:03:39,799

subjective yeah no more subjective so

1560

01:03:43,720 --> 01:03:42,109

yeah it's it's you're gonna have to do

1561

01:03:46,690 --> 01:03:43,730

some more searching and figure out if

1562

01:03:48,309 --> 01:03:46,700

you're getting 911 often you know or if

1563

01:03:50,289 --> 01:03:48,319

you're getting certain specific more

1564

01:03:53,829 --> 01:03:50,299

often than the others that obviously

1565

01:03:56,980 --> 01:03:53,839

there's a meaning there like observation

1566

01:03:59,500 --> 01:03:56,990

a lot of people start off with that now

1567

01:04:02,200 --> 01:03:59,510

first sequence and then they seem to

1568

01:04:05,710 --> 01:04:02,210

progress so singing along the lines of

1569

01:04:17,610 --> 01:04:05,720

spanning the cactus miss as orange rusev

1570

01:04:17,620 --> 01:04:22,630

anyone else

1571

01:04:32,500 --> 01:04:29,260

ah Bisharp

1572

01:04:35,980 --> 01:04:32,510

I didn't else I got a chance it was I

1573

01:04:37,150 --> 01:04:35,990

swear to God I do not get shy or what

1574

01:04:39,340 --> 01:04:37,160

they call that when you meet you

1575

01:04:42,130 --> 01:04:39,350

celebrity or whatever but because I've

1576

01:04:44,080 --> 01:04:42,140

been listening to him so long one two

1577

01:04:47,650 --> 01:04:44,090

three years but almost on a daily basis

1578

01:04:49,540 --> 01:04:47,660

and I went to California and asked to do

1579

01:04:51,130 --> 01:04:49,550

an interview with him and and got to do

1580

01:04:54,220 --> 01:04:51,140

an interview when he first showed up I

1581

01:04:56,110 --> 01:04:54,230

was like oh my god is Beshara I was like

1582

01:04:59,010 --> 01:04:56,120

no it's Daryl Jolla is Daryl but sure

1583

01:05:02,410 --> 01:04:59,020

it's the one he channels you know he

1584

01:05:05,560 --> 01:05:02,420

bashar is a being the describes itself

1585

01:05:08,230 --> 01:05:05,570

to be one of the hybrid races that are

1586

01:05:09,730 --> 01:05:08,240

result from this hybridization program

1587

01:05:12,340 --> 01:05:09,740

that some of you might have heard about

1588

01:05:15,430 --> 01:05:12,350

you know the grace abducting us doing

1589

01:05:17,830 --> 01:05:15,440

all these other things they are one of

1590

01:05:21,160 --> 01:05:17,840

the five races that have come about from

1591

01:05:24,850 --> 01:05:21,170

this program and so they've had on their

1592

01:05:28,270 --> 01:05:24,860

dimensional timelines had their

1593

01:05:31,030 --> 01:05:28,280

experiences as societies and come to

1594

01:05:32,860 --> 01:05:31,040

their terms of being all together in one

1595

01:05:34,570 --> 01:05:32,870

and now they've come back to kind of

1596

01:05:37,860 --> 01:05:34,580

help us out in this difficult progress

1597

01:05:40,450 --> 01:05:37,870

or process now where they come into play

1598

01:05:42,610 --> 01:05:40,460

from talking about you know higher

1599

01:05:45,640 --> 01:05:42,620

perspective they're basically nothing

1600

01:05:47,950 --> 01:05:45,650

else but ourselves that have other

1601
01:05:50,440 --> 01:05:47,960
experiences on other timelines on other

1602
01:05:52,300 --> 01:05:50,450
things which happen all the time

1603
01:05:56,140 --> 01:05:52,310
throughout all of existence that are

1604
01:05:58,900 --> 01:05:56,150
simply by agreement here to help us get

1605
01:06:01,000 --> 01:05:58,910
to this understanding to basically if

1606
01:06:03,610 --> 01:06:01,010
you will they helped me you know and

1607
01:06:04,900 --> 01:06:03,620
they can help anyone else that simply is

1608
01:06:07,000 --> 01:06:04,910
willing to listen what they have to say

1609
01:06:09,280 --> 01:06:07,010
they will discuss everything in anything

1610
01:06:11,590 --> 01:06:09,290
it which is were so confusing they will

1611
01:06:13,510 --> 01:06:11,600
come in and he would this you know

1612
01:06:15,460 --> 01:06:13,520
channel and give a message for about 10

1613
01:06:17,260 --> 01:06:15,470

minutes and then he'll take questions

1614

01:06:18,910 --> 01:06:17,270

and answers and the people would ask

1615

01:06:20,980 --> 01:06:18,920

everything you know did she was like oh

1616

01:06:23,230 --> 01:06:20,990

my mother you know she was always mean

1617

01:06:24,430 --> 01:06:23,240

to me and never really liked her but I

1618

01:06:26,230 --> 01:06:24,440

really would like to be close to my

1619

01:06:28,150 --> 01:06:26,240

mother you know what do I do you know

1620

01:06:29,410 --> 01:06:28,160

and they would give advice in that it

1621

01:06:31,840 --> 01:06:29,420

made no sense you know because I'm

1622

01:06:34,090 --> 01:06:31,850

thinking alien ships landing a first

1623

01:06:35,530 --> 01:06:34,100

contact you know what's that got to do

1624

01:06:38,470 --> 01:06:35,540

with your mother now you know

1625

01:06:41,530 --> 01:06:38,480

and all these other things and what they

1626

01:06:45,430 --> 01:06:41,540

are doing is basically they're they're

1627

01:06:48,280 --> 01:06:45,440

offering their their experiences their

1628

01:06:50,430 --> 01:06:48,290

knowledge that they've gained to help us

1629

01:06:53,230 --> 01:06:50,440

become the best version that we can be

1630

01:06:55,420 --> 01:06:53,240

because by us being the best people that

1631

01:06:59,370 --> 01:06:55,430

we can be that's how you bring about

1632

01:07:02,620 --> 01:06:59,380

change in our society so for example

1633

01:07:06,490 --> 01:07:02,630

let's say we teach our kids you know to

1634

01:07:08,530 --> 01:07:06,500

to be the best they can be to to want to

1635

01:07:11,470 --> 01:07:08,540

be together to want to be help each

1636

01:07:12,670 --> 01:07:11,480

other out and so on so now talking about

1637

01:07:14,710 --> 01:07:12,680

you know government being a

1638

01:07:18,010 --> 01:07:14,720

representation or a creation by

1639

01:07:20,440 --> 01:07:18,020

ourselves right that kid now will maybe

1640

01:07:22,420 --> 01:07:20,450

want to be in government you know that

1641

01:07:24,310 --> 01:07:22,430

could be the next senator that is now

1642

01:07:26,980 --> 01:07:24,320

has a totally different mindset than any

1643

01:07:29,200 --> 01:07:26,990

other senator has before you know and so

1644

01:07:30,970 --> 01:07:29,210

from that moment on there will be more

1645

01:07:33,430 --> 01:07:30,980

other people and all these other aspects

1646

01:07:36,850 --> 01:07:33,440

that are this engrained we're not

1647

01:07:39,400 --> 01:07:36,860

changing type organizations to where now

1648

01:07:41,200 --> 01:07:39,410

they'll allow them to approve and change

1649

01:07:42,310 --> 01:07:41,210

into something that's more pleasant for

1650

01:07:44,230 --> 01:07:42,320

everyone else on the planet

1651
01:07:46,660 --> 01:07:44,240
you know and so that is their aspect

1652
01:07:48,910 --> 01:07:46,670
because from from what I gathered it's

1653
01:07:50,740 --> 01:07:48,920
not his exact words but just for over

1654
01:07:52,480 --> 01:07:50,750
the years of listening is they don't

1655
01:07:54,100 --> 01:07:52,490
want to come down they come down we're

1656
01:07:56,530 --> 01:07:54,110
going to look at them as you solve my

1657
01:07:58,360 --> 01:07:56,540
problem you have all this technology you

1658
01:08:00,340 --> 01:07:58,370
gave me the technology you know I'm

1659
01:08:02,170 --> 01:08:00,350
stupid you know everything come help me

1660
01:08:04,810 --> 01:08:02,180
you know that's not what they said it's

1661
01:08:06,460 --> 01:08:04,820
my perception based on that everything

1662
01:08:08,230 --> 01:08:06,470
that presented is very loving very

1663
01:08:10,060 --> 01:08:08,240

logical actually you know and they've

1664

01:08:12,190 --> 01:08:10,070

given always examples to everything they

1665

01:08:14,200 --> 01:08:12,200

talk about for the person to finally get

1666

01:08:16,420 --> 01:08:14,210

it and have their own aha moment because

1667

01:08:18,550 --> 01:08:16,430

you have to change first remember

1668

01:08:21,039 --> 01:08:18,560

everything outside is a reflection to

1669

01:08:23,710 --> 01:08:21,049

you so you change only then can the

1670

01:08:25,990 --> 01:08:23,720

outside reflect the desire or the the

1671

01:08:28,510 --> 01:08:26,000

the new change you want to see

1672

01:08:30,280 --> 01:08:28,520

so that's who they are there's many

1673

01:08:32,620 --> 01:08:30,290

other channels that do different things

1674

01:08:34,390 --> 01:08:32,630

but his particular style his particular

1675

01:08:40,610 --> 01:08:34,400

way of channeling is what appealed to me

1676

01:08:52,309 --> 01:08:46,249

it's a BAS har bas I think you can go to

1677

01:08:55,160 --> 01:08:52,319

Bashar org and he would have he has all

1678

01:08:57,769 --> 01:08:55,170

the the channelings from I think he

1679

01:09:00,519 --> 01:08:57,779

started back in 84 which is coincidental

1680

01:09:02,689 --> 01:09:00,529

that he started when I was born you know

1681

01:09:04,900 --> 01:09:02,699

just you know to channel he's been

1682

01:09:07,400 --> 01:09:04,910

around for quite a while you know and I

1683

01:09:10,939 --> 01:09:07,410

for song as he's been around I've only

1684

01:09:14,300 --> 01:09:10,949

discovered him around I think it was say

1685

01:09:16,459 --> 01:09:14,310

around 2006 or so 2007 you know and

1686

01:09:18,169 --> 01:09:16,469

there's new people discovering it all

1687

01:09:19,999 --> 01:09:18,179

the time because they're just ready to

1688

01:09:23,410 --> 01:09:20,009

hear what they would you know what he

1689

01:09:29,200 --> 01:09:26,320

I will say this awesome for people who

1690

01:09:33,550 --> 01:09:29,210

are resistant to generally I used to

1691

01:09:36,040 --> 01:09:33,560

hang out in the book shows that the

1692

01:09:38,020 --> 01:09:36,050

Carnegie Institute Missouri and other

1693

01:09:41,530 --> 01:09:38,030

people around having fun like still just

1694

01:09:45,340 --> 01:09:41,540

reading like crazy and young to a group

1695

01:09:48,550 --> 01:09:45,350

I was about nineteen forty four I think

1696

01:09:52,270 --> 01:09:48,560

some of his followers were around him

1697

01:09:54,520 --> 01:09:52,280

and you said he's never been it's never

1698

01:09:57,670 --> 01:09:54,530

been published but I found it and

1699

01:10:02,050 --> 01:09:57,680

billions get furious when I important

1700

01:10:04,540 --> 01:10:02,060

you said everything I ever learned about

1701

01:10:07,840 --> 01:10:04,550

the collective unconscious he learned

1702

01:10:11,320 --> 01:10:07,850

from government that it's not the

1703

01:10:15,760 --> 01:10:11,330

government that's biblical filament was

1704

01:10:18,880 --> 01:10:15,770

in his unconscious and taught him it was

1705

01:10:22,810 --> 01:10:18,890

channeling and the unions just get

1706

01:10:26,370 --> 01:10:22,820

furious from everything well because

1707

01:10:29,160 --> 01:10:26,380

it's very they're very elite you know

1708

01:10:31,680 --> 01:10:29,170

channeling it's something else but you

1709

01:10:36,240 --> 01:10:31,690

said everything I ever learned their

1710

01:10:40,110 --> 01:10:36,250

collective unconscious I learned he

1711

01:10:41,729 --> 01:10:40,120

didn't ever exist we know something

1712

01:10:44,610 --> 01:10:41,739

interesting too when you go down this

1713

01:10:47,640 --> 01:10:44,620

path and it's been happening to me for

1714

01:10:50,430 --> 01:10:47,650

quite a while though when you are

1715

01:10:53,520 --> 01:10:50,440

willing to do that things come to you

1716

01:10:55,290 --> 01:10:53,530

that you know sometimes it's not your

1717

01:10:57,000 --> 01:10:55,300

average thought and it can happen while

1718

01:10:59,399 --> 01:10:57,010

you're driving a car while you're

1719

01:11:02,610 --> 01:10:59,409

washing dishes while you're working and

1720

01:11:04,590 --> 01:11:02,620

you don't mundane tasks that of the

1721

01:11:06,500 --> 01:11:04,600

sudden you just have this feeling it

1722

01:11:08,729 --> 01:11:06,510

would just overcome you and you just

1723

01:11:11,000 --> 01:11:08,739

understand this concept about whatever

1724

01:11:13,500 --> 01:11:11,010

it is whether you had this issue with

1725

01:11:15,330 --> 01:11:13,510

some conflict with the co-worker or a

1726

01:11:17,660 --> 01:11:15,340

family member or whatever and then it

1727

01:11:20,189 --> 01:11:17,670

will just hit you and you will get this

1728

01:11:22,379 --> 01:11:20,199

answer but it will come to you in a

1729

01:11:24,510 --> 01:11:22,389

feeling to where you understand like oh

1730

01:11:26,760 --> 01:11:24,520

well let me approach this difficult

1731

01:11:28,530 --> 01:11:26,770

challenge this way and soon enough it

1732

01:11:30,300 --> 01:11:28,540

will help you come in and you know get

1733

01:11:32,160 --> 01:11:30,310

the answer in the different ways you

1734

01:11:35,280 --> 01:11:32,170

know and that is a form of channeling

1735

01:11:36,419 --> 01:11:35,290

you know and it doesn't have to be you

1736

01:11:38,669 --> 01:11:36,429

sitting there closing your eyes and

1737

01:11:40,470 --> 01:11:38,679

going look I'm going to tell you all

1738

01:11:43,229 --> 01:11:40,480

about the universe you know it doesn't

1739

01:11:45,629 --> 01:11:43,239

have to sound different you know and and

1740

01:11:48,090 --> 01:11:45,639

you know so that someone else can see oh

1741

01:11:50,310 --> 01:11:48,100

wow this is the you personality and this

1742

01:11:52,080 --> 01:11:50,320

is the entity you're channeling you know

1743

01:11:53,760 --> 01:11:52,090

everyone does it we all have that

1744

01:11:55,080 --> 01:11:53,770

connection we cannot not have that

1745

01:11:56,490 --> 01:11:55,090

connection it's impossible

1746

01:12:00,180 --> 01:11:56,500

people say oh I'm just cut off from a

1747

01:12:02,760 --> 01:12:00,190

higher cellphone like how you know it's

1748

01:12:05,189 --> 01:12:02,770

like you everything is one everything

1749

01:12:07,350 --> 01:12:05,199

you experience air you breathe the table

1750

01:12:09,090 --> 01:12:07,360

you touch everything is you you know how

1751

01:12:11,129 --> 01:12:09,100

can you be cut off from that you can

1752

01:12:13,530 --> 01:12:11,139

create the experience certainly you can

1753

01:12:21,149 --> 01:12:13,540

create that experience but in to

1754

01:12:28,959 --> 01:12:25,029

police connections certain people

1755

01:12:36,080 --> 01:12:28,969

experienced they chose spirits of

1756

01:12:43,650 --> 01:12:38,910

well what I what I personally discovered

1757

01:12:45,720 --> 01:12:43,660

is that when you have they talked about

1758

01:12:47,520 --> 01:12:45,730

general you'll when you're into the

1759

01:12:49,590 --> 01:12:47,530

metaphysical thing you learn about these

1760

01:12:51,480 --> 01:12:49,600

frequencies and I didn't understand what

1761

01:12:54,780 --> 01:12:51,490

that initially meant a lot of people

1762

01:12:57,060 --> 01:12:54,790

think when you say frequency they think

1763

01:12:59,580 --> 01:12:57,070

scientific you know and so when you try

1764

01:13:01,380 --> 01:12:59,590
to describe frequencies from a

1765

01:13:04,140 --> 01:13:01,390
metaphysical point of view it makes no

1766

01:13:06,090 --> 01:13:04,150
freaking sense you know but in a way if

1767

01:13:08,940 --> 01:13:06,100
you really stop and think well it does

1768

01:13:13,830 --> 01:13:08,950
this table has a difference different

1769

01:13:15,510 --> 01:13:13,840
frequent an this cup does you know this

1770

01:13:17,220 --> 01:13:15,520
cup different from his cell phone you

1771

01:13:19,110 --> 01:13:17,230
know everything does even I've taught

1772

01:13:21,480 --> 01:13:19,120
you me taught learned this when I was in

1773

01:13:23,820 --> 01:13:21,490
high school they were talking about how

1774

01:13:26,340 --> 01:13:23,830
certain things can increase their

1775

01:13:28,680 --> 01:13:26,350
vibration with maybe a heat like water

1776

01:13:32,130 --> 01:13:28,690

you apply heat to water raise this

1777

01:13:35,640 --> 01:13:32,140

vibration turns into gas you know or

1778

01:13:38,790 --> 01:13:35,650

whatever you know is fog so that aspect

1779

01:13:41,310 --> 01:13:38,800

of the freak ventral change is the state

1780

01:13:45,290 --> 01:13:41,320

of being the person that you are the the

1781

01:13:47,940 --> 01:13:45,300

whoever you want to be whoever you know

1782

01:13:49,680 --> 01:13:47,950

the person you described itself as Joe

1783

01:13:52,230 --> 01:13:49,690

you know the person you described

1784

01:13:53,810 --> 01:13:52,240

yourself as Nancy it's a particular

1785

01:13:57,660 --> 01:13:53,820

frequent

1786

01:13:59,760 --> 01:13:57,670

by bration you know when you start

1787

01:14:01,710 --> 01:13:59,770

learning about these different aspects

1788

01:14:03,930 --> 01:14:01,720

it's almost like this universal law that

1789

01:14:07,530 --> 01:14:03,940

it changes your vibration and you start

1790

01:14:10,590 --> 01:14:07,540

becoming aware of more and that more

1791

01:14:13,890 --> 01:14:10,600

actually does translate into what we

1792

01:14:15,600 --> 01:14:13,900

perceive as ghosts as you know perceive

1793

01:14:18,360 --> 01:14:15,610

as these orbs just came out of nowhere

1794

01:14:20,880 --> 01:14:18,370

and then disappeared again and it just

1795

01:14:22,290 --> 01:14:20,890

simply means you you just went one step

1796

01:14:25,140 --> 01:14:22,300

higher doesn't mean better

1797

01:14:27,120 --> 01:14:25,150

it's just differences in vibration that

1798

01:14:28,950 --> 01:14:27,130

all of the sudden made you aware of all

1799

01:14:31,440 --> 01:14:28,960

these things that were already there you

1800

01:14:33,240 --> 01:14:31,450

know you just weren't you know you know

1801

01:14:35,370 --> 01:14:33,250

aware of it be like for example is it's

1802

01:14:38,550 --> 01:14:35,380

very simplified dumbed down an example

1803

01:14:40,290 --> 01:14:38,560

but similar to what you know let's say

1804

01:14:43,530 --> 01:14:40,300

you want a car and you know I Drive a

1805

01:14:45,210 --> 01:14:43,540

Toyota Camry right and when I first you

1806

01:14:47,250 --> 01:14:45,220

know before I got the Toyota Camry I've

1807

01:14:49,260 --> 01:14:47,260

I hardly sell anyone

1808

01:14:50,790 --> 01:14:49,270

you'll have won the second I got it

1809

01:14:53,340 --> 01:14:50,800

every freaking person on the road had

1810

01:14:55,560 --> 01:14:53,350

one you know because now my mindset was

1811

01:14:58,710 --> 01:14:55,570

changed whether I'm looking for it now

1812

01:15:01,260 --> 01:14:58,720

or whether there's actually physical

1813

01:15:03,450 --> 01:15:01,270

changes that didn't matter the point was

1814

01:15:05,670 --> 01:15:03,460

that I became aware of it you know and

1815

01:15:09,750 --> 01:15:05,680

same thing with ghosts a lot of people

1816

01:15:11,700 --> 01:15:09,760

that you know what a for example go and

1817

01:15:13,920 --> 01:15:11,710

capture ghosts and whatnot I can only

1818

01:15:16,350 --> 01:15:13,930

recommend try meditating I know it

1819

01:15:19,590 --> 01:15:16,360

sounds so stupid and so roo-roo but just

1820

01:15:22,050 --> 01:15:19,600

try to close your eyes and then come to

1821

01:15:23,640 --> 01:15:22,060

this peaceful state you don't have to

1822

01:15:25,140 --> 01:15:23,650

off the Sun have the whole universe come

1823

01:15:27,270 --> 01:15:25,150

to you and explain to everything but

1824

01:15:29,130 --> 01:15:27,280

just come to this peaceful state and

1825

01:15:31,650 --> 01:15:29,140

just allow yourself to be open minded

1826
01:15:33,810 --> 01:15:31,660
before you now go out and try to record

1827
01:15:36,450 --> 01:15:33,820
something whatever because if you do not

1828
01:15:38,550 --> 01:15:36,460
believe it if you are you know saying

1829
01:15:40,650 --> 01:15:38,560
you know I don't know I'm not feeling it

1830
01:15:42,510 --> 01:15:40,660
then you're not in that state even you

1831
01:15:44,850 --> 01:15:42,520
remember everything is a reflection so

1832
01:15:46,470 --> 01:15:44,860
even your recording devices will not

1833
01:15:48,840 --> 01:15:46,480
record what you're not willing to see

1834
01:15:51,000 --> 01:15:48,850
you know so but the second you allow

1835
01:15:52,860 --> 01:15:51,010
yourself to see it you off the sudden

1836
01:15:54,840 --> 01:15:52,870
are now changing your whole vibrational

1837
01:15:57,060 --> 01:15:54,850
field so now even if I pick up this

1838
01:15:59,400 --> 01:15:57,070

phone I can possibly record something on

1839

01:16:02,220 --> 01:15:59,410

it because if you were standing next to

1840

01:16:03,840 --> 01:16:02,230

each other and someone might see for

1841

01:16:05,640 --> 01:16:03,850

example something hazy and go oh there

1842

01:16:07,950 --> 01:16:05,650

was weird another person would actually

1843

01:16:10,080 --> 01:16:07,960

see a full shape just because of that

1844

01:16:12,210 --> 01:16:10,090

freak when chill differentiation now the

1845

01:16:14,420 --> 01:16:12,220

difficult part is is that because people

1846

01:16:16,740 --> 01:16:14,430

want so badly to you to measure this

1847

01:16:19,260 --> 01:16:16,750

scientifically and use only science to

1848

01:16:21,570 --> 01:16:19,270

explain it it's like you can't I really

1849

01:16:23,250 --> 01:16:21,580

wish I could just you know get a

1850

01:16:25,050 --> 01:16:23,260

scientist to meditate or get a

1851

01:16:28,350 --> 01:16:25,060

scientists to take LSD or get it

1852

01:16:30,840 --> 01:16:28,360

scientist to to do breathing or do yoga

1853

01:16:32,400 --> 01:16:30,850

or something just so then he or she can

1854

01:16:34,800 --> 01:16:32,410

put themselves in a state and then they

1855

01:16:36,810 --> 01:16:34,810

can use their natural abilities that

1856

01:16:38,460 --> 01:16:36,820

they have and then are prone to be more

1857

01:16:40,200 --> 01:16:38,470

scientific to then approaches

1858

01:16:41,750 --> 01:16:40,210

scientifically because if I try to

1859

01:16:44,010 --> 01:16:41,760

explain to them something it's like

1860

01:16:46,020 --> 01:16:44,020

trying to describe a person that's been

1861

01:16:47,820 --> 01:16:46,030

blind on their life what color is you

1862

01:16:49,530 --> 01:16:47,830

know it's it's very difficult you know

1863

01:16:52,860 --> 01:16:49,540

so I would just really hope that there

1864

01:16:55,470 --> 01:16:52,870

would be eventually people that are more

1865

01:16:57,630 --> 01:16:55,480

prone to science and really want that

1866

01:16:59,640 --> 01:16:57,640

nitty-gritty in numbers and formulas and

1867

01:17:00,120 --> 01:16:59,650

so on to start going that route because

1868

01:17:01,800 --> 01:17:00,130

then they

1869

01:17:18,750 --> 01:17:01,810

will help explain these different states

1870

01:17:23,669 --> 01:17:18,760

I hope that answers your question no no

1871

01:17:25,470 --> 01:17:23,679

no what I'm talking about is some look

1872

01:17:28,530 --> 01:17:25,480

at the state between a 5 year old and a

1873

01:17:32,100 --> 01:17:28,540

30 year old that's a that's what I mean

1874

01:17:34,500 --> 01:17:32,110

with a frequent role state right you you

1875

01:17:37,260 --> 01:17:34,510

are perceiving a 5 year old a 5 year

1876

01:17:38,820 --> 01:17:37,270

olds is perceiving you because of their

1877

01:17:40,290 --> 01:17:38,830

state of mind what do you want to call

1878

01:17:41,669 --> 01:17:40,300

it they're not old enough to understand

1879

01:17:43,950 --> 01:17:41,679

they're not they haven't learned certain

1880

01:17:48,360 --> 01:17:43,960

things that state of mind that they are

1881

01:17:49,800 --> 01:17:48,370

on you know it's a frequency right but

1882

01:17:51,990 --> 01:17:49,810

yet they're perceiving the same world

1883

01:17:54,209 --> 01:17:52,000

around us you are you know we have

1884

01:17:56,070 --> 01:17:54,219

disagreed upon names for color this is

1885

01:17:57,540 --> 01:17:56,080

brown that's red you know that's a whole

1886

01:17:59,160 --> 01:17:57,550

nother argument of are you really seeing

1887

01:18:01,200 --> 01:17:59,170

what I'm seeing but I'm not gonna get

1888

01:18:05,490 --> 01:18:01,210

into all that right now the point here

1889

01:18:07,350 --> 01:18:05,500

is that try to look at it that way try

1890

01:18:09,330 --> 01:18:07,360

to look at it between a state of mind of

1891

01:18:12,149 --> 01:18:09,340

a five-year-old and then the state of

1892

01:18:14,760 --> 01:18:12,159

mind over 30 old and then try to find

1893

01:18:17,010 --> 01:18:14,770

that answer for yourself to to grasp

1894

01:18:19,709 --> 01:18:17,020

like oh okay I see now so it's not so

1895

01:18:23,640 --> 01:18:19,719

much about color or this or that it's

1896

01:18:25,800 --> 01:18:23,650

just a limited point of view because one

1897

01:18:27,629 --> 01:18:25,810

example that I that I got that's an

1898

01:18:29,879 --> 01:18:27,639

answer for one of the questions that I

1899

01:18:32,010 --> 01:18:29,889

had you know I was like well if all is

1900

01:18:34,320 --> 01:18:32,020

one you know and and you know we're all

1901

01:18:35,970 --> 01:18:34,330

oneness how can you know why do I not

1902

01:18:37,500 --> 01:18:35,980

know stuff but did other people know

1903

01:18:41,550 --> 01:18:37,510

more than I do and all this other thing

1904

01:18:44,430 --> 01:18:41,560

I got to a state to where I just had

1905

01:18:46,110 --> 01:18:44,440

this state of mind and understanding

1906

01:18:48,180 --> 01:18:46,120

that I was connected to everyone and

1907

01:18:50,879 --> 01:18:48,190

everything and everything was just so

1908

01:18:52,770 --> 01:18:50,889

perfectly clear I mean I there's no

1909

01:18:54,930 --> 01:18:52,780

words to describe it I just understood

1910

01:18:57,810 --> 01:18:54,940

you know there was no explanation just

1911

01:18:59,850 --> 01:18:57,820

BAM that's it you know and then all of

1912

01:19:02,760 --> 01:18:59,860

the sudden I felt this change it was

1913

01:19:05,160 --> 01:19:02,770

like it went down so I still understood

1914

01:19:05,700 --> 01:19:05,170

a lot but then I was like Oh am I not

1915

01:19:07,620 --> 01:19:05,710

quiet

1916

01:19:09,330 --> 01:19:07,630

I knew I knew something it was right

1917

01:19:11,459 --> 01:19:09,340

there but I forgot what it was and off

1918

01:19:14,310 --> 01:19:11,469

the sudden I felt another

1919

01:19:17,340 --> 01:19:14,320

and I said oh wait a minute I know there

1920

01:19:19,650 --> 01:19:17,350

was more than this there was two levels

1921

01:19:22,500 --> 01:19:19,660

above this then I'm just and then went

1922

01:19:24,959 --> 01:19:22,510

and went down down down down down to the

1923

01:19:27,330 --> 01:19:24,969

only thing left was oh there's just

1924

01:19:29,490 --> 01:19:27,340

ednan that lived one born in Bosnia

1925

01:19:31,439 --> 01:19:29,500

lived in Germany and then now came to

1926

01:19:33,930 --> 01:19:31,449

United States and only it was limited to

1927

01:19:37,650 --> 01:19:33,940

my memories you know and that's when I

1928

01:19:39,330 --> 01:19:37,660

understood that we are we are limiting

1929

01:19:41,939 --> 01:19:39,340

ourselves literally every single one of

1930

01:19:43,830 --> 01:19:41,949

us we would we choose not to remember

1931

01:19:45,959 --> 01:19:43,840

certain aspects of ourselves so we can

1932

01:19:48,540 --> 01:19:45,969

have a limited experience because when

1933

01:19:49,920 --> 01:19:48,550

you open that it's all right there but

1934

01:19:51,780 --> 01:19:49,930

then you're not really having the

1935

01:19:54,540 --> 01:19:51,790

experience of being hurt being loved

1936

01:19:57,120 --> 01:19:54,550

being only side of things so we compress

1937

01:19:59,070 --> 01:19:57,130

it all down to one simple vibrational

1938

01:20:02,130 --> 01:19:59,080

form that's ginger that's I'm sorry I

1939

01:20:04,290 --> 01:20:02,140

don't know your neighbor faith that's

1940

01:20:08,640 --> 01:20:04,300

faith you know and and everyone else

1941

01:20:18,180 --> 01:20:08,650

said that you know that you are I hope

1942

01:20:21,540 --> 01:20:18,190

that make sense in that symbolic because

1943

01:20:24,540 --> 01:20:21,550

I'm getting very tired no it's actually

1944

01:20:29,640 --> 01:20:24,550

perfect example you know my device is

1945

01:20:31,470 --> 01:20:29,650

telling me it what I'm putting out no no

1946

01:20:48,760 --> 01:20:31,480

it's okay I I have a little bit more

1947

01:20:52,760 --> 01:20:51,050

well no no see that's not don't

1948

01:20:55,070 --> 01:20:52,770

misunderstand me that's not a judgmental

1949

01:21:01,840 --> 01:20:55,080

state it's just two separate different

1950

01:21:08,570 --> 01:21:05,629

and higher doesn't mean better higher

1951

01:21:11,000 --> 01:21:08,580

does not mean because there were some

1952

01:21:13,580 --> 01:21:11,010

states that I was at I did not know what

1953

01:21:15,800 --> 01:21:13,590

to do we only know what to do with this

1954

01:21:19,310 --> 01:21:15,810

frequency because we've been here long

1955

01:21:22,790 --> 01:21:19,320

enough to where we can start using our

1956

01:21:24,979 --> 01:21:22,800

imagination to mold things into shape we

1957

01:21:26,780 --> 01:21:24,989

don't see it as energy but you know to

1958

01:21:28,010 --> 01:21:26,790

make tables I'm sorry I'm over using

1959

01:21:30,470 --> 01:21:28,020

this because it's the only thing in

1960

01:21:33,020 --> 01:21:30,480

front of me to make computers to make

1961

01:21:34,550 --> 01:21:33,030

colors paintings all these other thinks

1962

01:21:36,290 --> 01:21:34,560

you mix blue and yellow and gives you a

1963

01:21:38,510 --> 01:21:36,300

different color you know all these other

1964

01:21:41,000 --> 01:21:38,520

aspects we know because we've been in it

1965

01:21:43,070 --> 01:21:41,010

we've had this experience in it we know

1966

01:21:45,530 --> 01:21:43,080

it well we've we're like the Masters of

1967

01:21:47,360 --> 01:21:45,540

it right and we know what to do while

1968

01:21:49,129 --> 01:21:47,370

we're here but just going on to this

1969

01:21:50,930 --> 01:21:49,139

highest level because everyone goes like

1970

01:21:52,220 --> 01:21:50,940

oh there's twelve dimensions I want to

1971

01:21:55,370 --> 01:21:52,230

be on the twelfth one like it's a

1972

01:21:58,580 --> 01:21:55,380

competition you know you don't know I

1973

01:22:01,129 --> 01:21:58,590

because the it was such a disarray so

1974

01:22:02,930 --> 01:22:01,139

many things were so everything in

1975

01:22:04,580 --> 01:22:02,940

anything was so chaotic that I didn't

1976

01:22:06,620 --> 01:22:04,590

know what to do I was just happy to be

1977

01:22:08,479 --> 01:22:06,630

back on this level again I'm like okay

1978

01:22:10,070 --> 01:22:08,489

I'm good I can deal with this I can call

1979

01:22:12,080 --> 01:22:10,080

up Joe and say hey what's up I can deal

1980

01:22:13,879 --> 01:22:12,090

with that doing what I was doing with

1981

01:22:16,040 --> 01:22:13,889

the sound levels it did not benefit me

1982

01:22:18,290 --> 01:22:16,050

it gave me an example I was on the

1983

01:22:23,149 --> 01:22:18,300

higher level now what you know it's the

1984

01:22:26,180 --> 01:22:23,159

point is that the point is that for us

1985

01:22:27,860 --> 01:22:26,190

to all of us rise together so that now

1986

01:22:29,390 --> 01:22:27,870

we can have a different experience on

1987

01:22:30,979 --> 01:22:29,400

our a different level then we're going

1988

01:22:33,020 --> 01:22:30,989

to chew it up like we did with this one

1989

01:22:34,340 --> 01:22:33,030

we'll learn more about you know more

1990

01:22:36,379 --> 01:22:34,350

about it we'll learn more about

1991

01:22:38,419 --> 01:22:36,389

ourselves we'll learn more about what's

1992

01:22:40,220 --> 01:22:38,429

possible you know in this dimension and

1993

01:22:41,870 --> 01:22:40,230

then what's our limitation how do we

1994

01:22:49,040 --> 01:22:41,880

overcome it you know it's part of that

1995

01:23:06,300 --> 01:22:53,880

so much change input that you can take

1996

01:23:10,310 --> 01:23:06,310

to write so we right right well the

1997

01:23:13,920 --> 01:23:10,320

thing is the possibility is always there

1998

01:23:16,530 --> 01:23:13,930

it's just that remember everything is

1999

01:23:18,570 --> 01:23:16,540

here and now listen I'm sorry I just one

2000

01:23:22,380 --> 01:23:18,580

aspect I didn't get into everything is

2001
01:23:25,020 --> 01:23:22,390
here now so this plan that we consider

2002
01:23:27,750 --> 01:23:25,030
to be done a long time ago before we

2003
01:23:30,630 --> 01:23:27,760
were born was just made everything

2004
01:23:33,660 --> 01:23:30,640
exists right now and perfect example to

2005
01:23:35,640 --> 01:23:33,670
use is like the TV you have every single

2006
01:23:37,950 --> 01:23:35,650
channel that can possibly go through is

2007
01:23:39,720 --> 01:23:37,960
going through right now you choose which

2008
01:23:41,910 --> 01:23:39,730
channel your shift to so you can have

2009
01:23:43,620 --> 01:23:41,920
Fox News MSNBC at the same time

2010
01:23:46,020 --> 01:23:43,630
happening right now but you only focus

2011
01:23:48,570 --> 01:23:46,030
on one same thing with you with yours

2012
01:23:50,760 --> 01:23:48,580
it's one thing to look at the world from

2013
01:23:51,900 --> 01:23:50,770

on top and say oh wow that's fun I'm

2014

01:23:54,810 --> 01:23:51,910

gonna go down there and play this game

2015

01:23:56,550 --> 01:23:54,820

but then you are in it you are

2016

01:23:58,229 --> 01:23:56,560

experiencing the way the game is

2017

01:24:00,090 --> 01:23:58,239

supposed to be played and you don't

2018

01:24:01,740 --> 01:24:00,100

remember [h__h] you know and then all of

2019

01:24:03,630 --> 01:24:01,750

the sudden you know like start to have

2020

01:24:04,979 --> 01:24:03,640

these things called fear and and you

2021

01:24:06,690 --> 01:24:04,989

don't know what you're doing you don't

2022

01:24:08,130 --> 01:24:06,700

know who you are you know and then

2023

01:24:09,420 --> 01:24:08,140

there's this guy trying to hurt you and

2024

01:24:11,040 --> 01:24:09,430

then this guy loves you what's this

2025

01:24:12,479 --> 01:24:11,050

about you know and there's all these

2026

01:24:14,400 --> 01:24:12,489

experiences now that are totally

2027

01:24:16,229 --> 01:24:14,410

different that you are experiencing in

2028

01:24:17,970 --> 01:24:16,239

this level as opposed to seeing it from

2029

01:24:19,650 --> 01:24:17,980

the higher from the higher you made this

2030

01:24:22,110 --> 01:24:19,660

plan when you come down here like all

2031

01:24:26,220 --> 01:24:22,120

mine what did I get myself into you know

2032

01:24:28,020 --> 01:24:26,230

and so you will then see for sure what

2033

01:24:30,300 --> 01:24:28,030

you really made out of how much you can

2034

01:24:32,250 --> 01:24:30,310

really chew on and and work through to

2035

01:24:34,050 --> 01:24:32,260

get to and sometimes it takes three

2036

01:24:36,180 --> 01:24:34,060

lifetimes sometimes it takes thousand

2037

01:24:40,680 --> 01:24:36,190

you know but the point is it's not a

2038

01:24:42,930 --> 01:24:40,690

it's not a punishment it truly it's not

2039

01:24:44,580 --> 01:24:42,940

a punishment it's like what else is

2040

01:24:46,950 --> 01:24:44,590

there to do you are everything in

2041

01:24:49,530 --> 01:24:46,960

anything so why not have this experience

2042

01:24:51,840 --> 01:24:49,540

you know to be born from this limited

2043

01:24:53,220 --> 01:24:51,850

point of view we look at this like oh my

2044

01:24:55,229 --> 01:24:53,230

god I don't want to go through all this

2045

01:24:57,300 --> 01:24:55,239

stuff at the lessons you know puberty

2046

01:24:58,260 --> 01:24:57,310

high school all these other people why

2047

01:25:00,450 --> 01:24:58,270

would I want to do that

2048

01:25:02,310 --> 01:25:00,460

again you know when you get out when I

2049

01:25:04,830 --> 01:25:02,320

got out of that state you know off the

2050

01:25:07,320 --> 01:25:04,840

sphere whatever that that feeling of

2051

01:25:10,230 --> 01:25:07,330

oneness that feeling of love was so

2052

01:25:13,470 --> 01:25:10,240

intense and it made perfect sense that

2053

01:25:15,990 --> 01:25:13,480

one split of a second of that feeling of

2054

01:25:18,990 --> 01:25:16,000

love and support wouldn't would have

2055

01:25:22,320 --> 01:25:19,000

given me the energy to to to live out a

2056

01:25:25,020 --> 01:25:22,330

thousand lifetimes as a slave that's how

2057

01:25:27,060 --> 01:25:25,030

powerful it is you know that that energy

2058

01:25:29,490 --> 01:25:27,070

that that other part of you that you are

2059

01:25:31,140 --> 01:25:29,500

you know so try not to look at this as

2060

01:25:33,510 --> 01:25:31,150

some kind of punishment you know look at

2061

01:25:35,640 --> 01:25:33,520

this as a lesson what can you learn what

2062

01:25:36,810 --> 01:25:35,650

kind of a person will this make you you

2063

01:25:38,910 --> 01:25:36,820

know if you're friends with this person

2064

01:25:41,700 --> 01:25:38,920

as opposed to with that person how will

2065

01:25:43,200 --> 01:25:41,710

you turn out to be you know and so

2066

01:25:44,670 --> 01:25:43,210

there's all these different aspects that

2067

01:25:46,620 --> 01:25:44,680

are totally up to you to give it a

2068

01:25:49,110 --> 01:25:46,630

meaning you know sometimes you were

2069

01:25:51,240 --> 01:25:49,120

friends with somebody as children and

2070

01:25:54,060 --> 01:25:51,250

then you never see him again or you see

2071

01:25:55,860 --> 01:25:54,070

him you know two three days before you

2072

01:25:57,300 --> 01:25:55,870

know your death not knowing you know you

2073

01:25:59,100 --> 01:25:57,310

meet them and you have an experience

2074

01:26:01,680 --> 01:25:59,110

haven't you know have whatever and then

2075

01:26:04,650 --> 01:26:01,690

you check out you know it's like it did

2076

01:26:06,810 --> 01:26:04,660

you can you can literally be on your

2077

01:26:09,420 --> 01:26:06,820

deathbed a second before you take your

2078

01:26:11,460 --> 01:26:09,430

last breath to move on if you can

2079

01:26:12,990 --> 01:26:11,470

understand something in that last second

2080

01:26:14,580 --> 01:26:13,000

the whole lifetime was worth it

2081

01:26:17,580 --> 01:26:14,590

that's that's the best way I can

2082

01:26:19,500 --> 01:26:17,590

describe it you know and but at the end

2083

01:26:21,990 --> 01:26:19,510

of the day it comes down to your

2084

01:26:24,060 --> 01:26:22,000

experiences you can read whatever book

2085

01:26:25,710 --> 01:26:24,070

you want you can take whatever thing you

2086

01:26:28,170 --> 01:26:25,720

want you can breathe and meditate

2087

01:26:31,050 --> 01:26:28,180

however much you want if you do not

2088

01:26:32,760 --> 01:26:31,060

allow yourself to have an experience you

2089

01:26:37,410 --> 01:26:32,770

will not have a full understanding

2090

01:26:39,510 --> 01:26:37,420

it's like overused example of love I can

2091

01:26:42,000 --> 01:26:39,520

write a book above love to you I can

2092

01:26:43,950 --> 01:26:42,010

tell you how love is made I can tell you

2093

01:26:45,750 --> 01:26:43,960

that love comes in different ways love

2094

01:26:47,640 --> 01:26:45,760

with your mother is different and it was

2095

01:26:48,990 --> 01:26:47,650

a good friend you know I can tell you

2096

01:26:52,710 --> 01:26:49,000

about all these things I could give you

2097

01:26:54,390 --> 01:26:52,720

a graphical representation I can explain

2098

01:26:56,370 --> 01:26:54,400

to you give you a graphical

2099

01:26:58,260 --> 01:26:56,380

representation of what love is but

2100

01:27:01,110 --> 01:26:58,270

unless you've had that experience

2101
01:27:03,930 --> 01:27:01,120
none of that would truly like dig deep

2102
01:27:05,670 --> 01:27:03,940
in your knee go oh now I understand you

2103
01:27:07,860 --> 01:27:05,680
know then when you understand that you

2104
01:27:09,870 --> 01:27:07,870
can make your own representation of that

2105
01:27:11,299 --> 01:27:09,880
same thing but until you had that

2106
01:27:13,849 --> 01:27:11,309
experience you

2107
01:27:16,309 --> 01:27:13,859
not get it so same thing with these the

2108
01:27:17,899 --> 01:27:16,319
other experiences I can tell you you can

2109
01:27:19,429 --> 01:27:17,909
listen to me you can read a book again

2110
01:27:21,049 --> 01:27:19,439
you know you can listen to channellings

2111
01:27:23,449 --> 01:27:21,059
you can listen to your friends but

2112
01:27:25,849 --> 01:27:23,459
unless you're willing to truly allow

2113
01:27:27,649 --> 01:27:25,859

yourself to say I'm going to have an

2114

01:27:30,049 --> 01:27:27,659

experience I'm open to everything

2115

01:27:32,089 --> 01:27:30,059

anything I can possibly be a brute

2116

01:27:35,299 --> 01:27:32,099

seriously I was even said to myself if

2117

01:27:36,979 --> 01:27:35,309

it caught if it ends in my death then so

2118

01:27:39,259 --> 01:27:36,989

be it if it means that I will find

2119

01:27:40,909 --> 01:27:39,269

something you know and so on my own

2120

01:27:43,279 --> 01:27:40,919

without harming anyone else that's what

2121

01:27:44,779 --> 01:27:43,289

I set out to do and for myself for my

2122

01:27:46,639 --> 01:27:44,789

own life these are the answers I found

2123

01:27:48,319 --> 01:27:46,649

now you're willing to sit there and

2124

01:27:50,119 --> 01:27:48,329

listen to me you know you guys know I

2125

01:27:52,069 --> 01:27:50,129

can be silly and totally goofy and not

2126

01:27:53,959 --> 01:27:52,079

ever ever bring anything of this you

2127

01:27:55,969 --> 01:27:53,969

know up to you you know you're only all

2128

01:27:57,709 --> 01:27:55,979

you know is the you know they can fart

2129

01:28:00,109 --> 01:27:57,719

jokes I do all the time you know

2130

01:28:01,729 --> 01:28:00,119

but only if you a close friend of mine

2131

01:28:03,669 --> 01:28:01,739

you hang out around me long enough then

2132

01:28:06,199 --> 01:28:03,679

you're gonna see that there's this other

2133

01:28:08,209 --> 01:28:06,209

you know part about me that I experience

2134

01:28:08,540 --> 01:28:08,219

and I'll share it but if you don't want

2135

01:28:10,729 --> 01:28:08,550

to listen

2136

01:28:12,290 --> 01:28:10,739

I don't usually I'm not gonna share with

2137

01:28:13,879 --> 01:28:12,300

you I'll just talk about whatever else

2138

01:28:16,459 --> 01:28:13,889

you want you know cuz it's not that

2139

01:28:18,049 --> 01:28:16,469

important it was my lessons my way about

2140

01:28:20,209 --> 01:28:18,059

doing it but then all these

2141

01:28:21,829 --> 01:28:20,219

circumstances like Kansas City they

2142

01:28:23,389 --> 01:28:21,839

wanted somebody talking and they really

2143

01:28:25,699 --> 01:28:23,399

wanted me I said fine I'll do it you

2144

01:28:27,229 --> 01:28:25,709

know I was talking to you and his first

2145

01:28:29,179 --> 01:28:27,239

resistant but she kept insisting but

2146

01:28:32,689 --> 01:28:29,189

fine you know because these are my

2147

01:28:34,699 --> 01:28:32,699

message is saying try try to talk go

2148

01:28:38,239 --> 01:28:34,709

talk you know what I mean because at the

2149

01:28:40,089 --> 01:28:38,249

same time at least let this be you know

2150

01:28:42,649 --> 01:28:40,099

an example of I have family members

2151
01:28:44,479 --> 01:28:42,659
you're not the only ones you know I have

2152
01:28:46,009 --> 01:28:44,489
people that look at me I'm crazy you

2153
01:28:47,089 --> 01:28:46,019
know I have friends that absolutely

2154
01:28:48,589 --> 01:28:47,099
don't want to have anything to do with

2155
01:28:49,219 --> 01:28:48,599
me anymore because they think it's a

2156
01:28:51,529 --> 01:28:49,229
crazy thing

2157
01:28:53,959 --> 01:28:51,539
you know but I've overcome it I've

2158
01:28:57,679 --> 01:28:53,969
gained that many more friends and and

2159
01:29:01,069 --> 01:28:57,689
other members did I consider family that

2160
01:29:04,189 --> 01:29:01,079
are in support you know so you know

2161
01:29:06,169 --> 01:29:04,199
don't allow this fear of oh my god

2162
01:29:08,029 --> 01:29:06,179
what's everyone gonna think you know get

2163
01:29:09,829 --> 01:29:08,039

get in your way because when I first

2164

01:29:12,199 --> 01:29:09,839

came out about you know me running your

2165

01:29:14,089 --> 01:29:12,209

for hub and being into your foes I just

2166

01:29:15,679 --> 01:29:14,099

kept you know I was straight open to it

2167

01:29:17,239 --> 01:29:15,689

you know I was at work and now were you

2168

01:29:18,020 --> 01:29:17,249

going on my gear for conference and like

2169

01:29:19,399 --> 01:29:18,030

oh okay

2170

01:29:21,139 --> 01:29:19,409

and that's it I'll just continue my work

2171

01:29:22,909 --> 01:29:21,149

and before I know what people start

2172

01:29:24,320 --> 01:29:22,919

coming back to me so oh I saw the slides

2173

01:29:26,120 --> 01:29:24,330

I did this at that

2174

01:29:28,780 --> 01:29:26,130

you know and then off the sudden I just

2175

01:29:32,270 --> 01:29:28,790

became known you know it became known

2176
01:29:34,460 --> 01:29:32,280
became this UFO guy at work you know

2177
01:29:36,290 --> 01:29:34,470
didn't bother me one bit because what I

2178
01:29:38,660 --> 01:29:36,300
have experienced just because you don't

2179
01:29:41,480 --> 01:29:38,670
understand it doesn't neglect or make my

2180
01:29:43,610 --> 01:29:41,490
experience less valid you know it's it's

2181
01:29:45,140 --> 01:29:43,620
almost kind of like saying you bear you

2182
01:29:46,730 --> 01:29:45,150
were at this meeting and you went

2183
01:29:48,350 --> 01:29:46,740
outside this building and not one single

2184
01:29:50,030 --> 01:29:48,360
person on this planet believes you did

2185
01:29:50,720 --> 01:29:50,040
this plate you know at this meeting ever

2186
01:29:52,520 --> 01:29:50,730
took place

2187
01:29:54,530 --> 01:29:52,530
are you going to deny this meeting now

2188
01:29:56,330 --> 01:29:54,540

you know and just oh no you're right

2189

01:29:58,460 --> 01:29:56,340

yeah you're right I'm crazy there was no

2190

01:29:59,960 --> 01:29:58,470

meeting yeah that's so crazy while you

2191

01:30:02,270 --> 01:29:59,970

remember what you said while you

2192

01:30:03,410 --> 01:30:02,280

remember the person you know next you're

2193

01:30:05,870 --> 01:30:03,420

not wearing deodorant

2194

01:30:07,250 --> 01:30:05,880

well you remember all these things that

2195

01:30:10,070 --> 01:30:07,260

are just very ingrained in your

2196

01:30:11,660 --> 01:30:10,080

experience you know so what do you do do

2197

01:30:13,730 --> 01:30:11,670

you say you're right you know I'm going

2198

01:30:15,260 --> 01:30:13,740

to deny it if you say no I'm not crazy I

2199

01:30:18,800 --> 01:30:15,270

know what experience I know what I know

2200

01:30:22,060 --> 01:30:18,810

and I'm gonna stand by it and so dad can

2201

01:30:24,980 --> 01:30:22,070

be applied to everything ghosts UFOs

2202

01:30:44,090 --> 01:30:24,990

cryptids you know whatever weird thing

2203

01:30:46,280 --> 01:30:44,100

you experience well I've before look the

2204

01:30:48,860 --> 01:30:46,290

thing is there are several different

2205

01:30:51,380 --> 01:30:48,870

timelines going on at the same time I'm

2206

01:30:53,960 --> 01:30:51,390

sorry not several like billion different

2207

01:30:56,030 --> 01:30:53,970

timelines going on at the same time to

2208

01:30:58,280 --> 01:30:56,040

have this experience as a society we all

2209

01:31:00,980 --> 01:30:58,290

choose to generally go down the same

2210

01:31:02,450 --> 01:31:00,990

route so that you're gonna show up

2211

01:31:04,670 --> 01:31:02,460

tomorrow when you say you're gonna show

2212

01:31:05,960 --> 01:31:04,680

up and you're gonna come show up two

2213

01:31:08,150 --> 01:31:05,970

weeks from now like you said you were

2214

01:31:09,800 --> 01:31:08,160

going to yeah you gotta meet me at lunch

2215

01:31:12,080 --> 01:31:09,810

what you know three days from now at

2216

01:31:14,360 --> 01:31:12,090

this time you know we agreed to have

2217

01:31:16,970 --> 01:31:14,370

these certain frequency levels to have

2218

01:31:18,850 --> 01:31:16,980

you know similar timelines to have an

2219

01:31:21,620 --> 01:31:18,860

experience with each other you know

2220

01:31:24,170 --> 01:31:21,630

while that is possible it is also

2221

01:31:26,480 --> 01:31:24,180

possible without you having to affect or

2222

01:31:28,130 --> 01:31:26,490

the overall timeline to for you to just

2223

01:31:30,680 --> 01:31:28,140

have this little glitch in a matrix if

2224

01:31:32,390 --> 01:31:30,690

you will to off the sudden you drive by

2225

01:31:33,920 --> 01:31:32,400

something and go wasn't there building

2226

01:31:35,480 --> 01:31:33,930

all the time in where's this building go

2227

01:31:36,439 --> 01:31:35,490

and people say there was never a

2228

01:31:38,180 --> 01:31:36,449

building there

2229

01:31:39,740 --> 01:31:38,190

you know like people would experience

2230

01:31:41,300 --> 01:31:39,750

and then somebody tells you and and

2231

01:31:43,880 --> 01:31:41,310

going back some Mingo calling you crazy

2232

01:31:45,919 --> 01:31:43,890

again you know so that is you know

2233

01:31:48,590 --> 01:31:45,929

possible but eventually you're gonna

2234

01:31:50,780 --> 01:31:48,600

come to a point to where it happens over

2235

01:31:53,570 --> 01:31:50,790

and over again with many many many many

2236

01:31:55,760 --> 01:31:53,580

people and with YouTube now people can

2237

01:31:58,340 --> 01:31:55,770

share it and say well hold on a minute I

2238

01:32:00,800 --> 01:31:58,350

know this is crazy but you know so

2239

01:32:04,310 --> 01:32:00,810

that's what that's if that my answer

2240

01:32:06,800 --> 01:32:04,320

makes sense that's that's what I what

2241

01:32:24,560 --> 01:32:06,810

I've experienced goes on but you have to

2242

01:32:26,120 --> 01:32:24,570

hear and then they and then they'd see

2243

01:32:30,310 --> 01:32:26,130

him on television they did know I

2244

01:32:32,860 --> 01:32:30,320

thought he died well as it turned out

2245

01:32:36,229 --> 01:32:32,870

said there more people thought he died

2246

01:32:40,240 --> 01:32:36,239

and then misery he didn't die but it was

2247

01:32:43,580 --> 01:32:40,250

a consensus reality moving about on

2248

01:32:46,340 --> 01:32:43,590

different things wondering and it made

2249

01:32:47,879 --> 01:32:46,350

me wonder again you using vibrational

2250

01:32:50,770 --> 01:32:47,889

frequency as an

2251
01:32:58,080 --> 01:32:50,780
for uncollected we will interview chose

2252
01:33:02,469 --> 01:33:00,910
obviously most of the talk really when

2253
01:33:05,080 --> 01:33:02,479
you when you try to connect the dots

2254
01:33:08,770 --> 01:33:05,090
using the ego with 911 would make no

2255
01:33:11,500 --> 01:33:08,780
sense whatsoever you know but speaking

2256
01:33:15,270 --> 01:33:11,510
of freak when chief frequency or

2257
01:33:20,620 --> 01:33:18,100
these different entities that we

2258
01:33:22,750 --> 01:33:20,630
consider aliens you know are really not

2259
01:33:24,279 --> 01:33:22,760
aliens at all there's a lot of things

2260
01:33:26,799 --> 01:33:24,289
that we're going to discover about them

2261
01:33:30,069 --> 01:33:26,809
that is going to be surprised to us but

2262
01:33:32,859 --> 01:33:30,079
one of the very kind things that I think

2263
01:33:37,930 --> 01:33:32,869

or you know that they're doing is that

2264

01:33:41,850 --> 01:33:37,940

their level of of frequency is so great

2265

01:33:46,209 --> 01:33:41,860

that they have their own dimension of

2266

01:33:48,930 --> 01:33:46,219

operation but bridging that dimension

2267

01:33:52,239 --> 01:33:48,940

that frequency with this one you know is

2268

01:33:54,129 --> 01:33:52,249

almost impossible without us trying to

2269

01:33:57,459 --> 01:33:54,139

come up and meet them kind of halfway

2270

01:33:59,649 --> 01:33:57,469

what I mean by that adores can and use

2271

01:34:01,089 --> 01:33:59,659

the perfect example you have this you

2272

01:34:03,390 --> 01:34:01,099

know airplane and you have a propellers

2273

01:34:05,500 --> 01:34:03,400

its turns really really fast you know

2274

01:34:07,750 --> 01:34:05,510

technically you can think of it you know

2275

01:34:09,969 --> 01:34:07,760

that's a different frequency in which it

2276
01:34:12,160 --> 01:34:09,979
travels and moves aside from you you're

2277
01:34:15,310 --> 01:34:12,170
slower than it is moving you put your

2278
01:34:18,250 --> 01:34:15,320
hand in it it will cut you but when it

2279
01:34:20,770 --> 01:34:18,260
reaches a level to where it moves so

2280
01:34:24,850 --> 01:34:20,780
fast that it's often said not in your

2281
01:34:28,750 --> 01:34:24,860
reality anymore you know the issue that

2282
01:34:30,339 --> 01:34:28,760
that I found with with trying to

2283
01:34:32,379 --> 01:34:30,349
understand these different being some of

2284
01:34:35,319 --> 01:34:32,389
these different levels is that it's

2285
01:34:38,049 --> 01:34:35,329
almost like this universal law you have

2286
01:34:40,270 --> 01:34:38,059
to go come up to their frequency level

2287
01:34:42,489 --> 01:34:40,280
but when you do that you have to then

2288
01:34:44,259 --> 01:34:42,499

operate on their level where there's no

2289

01:34:46,779 --> 01:34:44,269

secrets where there's no embarrassment

2290

01:34:49,629 --> 01:34:46,789

there's no hidden nothing everything's

2291

01:34:52,180 --> 01:34:49,639

just open and and understood from what

2292

01:34:54,129 --> 01:34:52,190

it is so it all the sudden for you to

2293

01:34:56,410 --> 01:34:54,139

crank open that brain of yours to all

2294

01:34:59,740 --> 01:34:56,420

the sudden face every fear you've ever

2295

01:35:03,820 --> 01:34:59,750

had every insecurity you've ever had is

2296

01:35:06,190 --> 01:35:03,830

it truly is a detrimental shock to the

2297

01:35:07,570 --> 01:35:06,200

system because when I first came to the

2298

01:35:10,120 --> 01:35:07,580

understanding that we're all one

2299

01:35:12,160 --> 01:35:10,130

everyone is part of me and you know

2300

01:35:13,870 --> 01:35:12,170

there's nothing outside of me everything

2301
01:35:17,320 --> 01:35:13,880
that's happening it's happening within I

2302
01:35:19,300 --> 01:35:17,330
literally went and fell over but as I

2303
01:35:21,340 --> 01:35:19,310
fell over thankfully my bed was dead to

2304
01:35:24,280 --> 01:35:21,350
where I was just easily you know kind of

2305
01:35:27,070 --> 01:35:24,290
what you might call it kind of a caught

2306
01:35:29,410 --> 01:35:27,080
you know because I understood now what

2307
01:35:31,450 --> 01:35:29,420
they're talking about the the we cannot

2308
01:35:33,340 --> 01:35:31,460
handle certain understandings and

2309
01:35:34,690 --> 01:35:33,350
certain frequency it's not a secret

2310
01:35:36,610 --> 01:35:34,700
everything you want to know it's right

2311
01:35:38,470 --> 01:35:36,620
there if you're simply willing to go and

2312
01:35:40,330 --> 01:35:38,480
learn it you know but going through

2313
01:35:43,030 --> 01:35:40,340

these frequencies to them to for them to

2314

01:35:45,580 --> 01:35:43,040

just land and say hello it wouldn't have

2315

01:35:47,260 --> 01:35:45,590

helped because you'll just pass out you

2316

01:35:48,940 --> 01:35:47,270

know because that's the effect that it

2317

01:35:51,010 --> 01:35:48,950

has in some people and that's the effect

2318

01:35:52,720 --> 01:35:51,020

it had on me several times because when

2319

01:35:54,550 --> 01:35:52,730

I wanted to have my you know I've said

2320

01:35:55,780 --> 01:35:54,560

okay great I met you and under dream

2321

01:35:58,090 --> 01:35:55,790

level it's because that's the easiest

2322

01:35:59,770 --> 01:35:58,100

part to do so meet them on dream levels

2323

01:36:01,600 --> 01:35:59,780

discuss what you gotta discuss there's

2324

01:36:02,920 --> 01:36:01,610

still some things are hidden from me my

2325

01:36:05,200 --> 01:36:02,930

Higher Self will come through have

2326

01:36:07,830 --> 01:36:05,210

interactions and then the Adnan ego is

2327

01:36:11,410 --> 01:36:07,840

allowed to interact and talk you know

2328

01:36:13,720 --> 01:36:11,420

when they came over to when I lived in

2329

01:36:16,780 --> 01:36:13,730

Roberts Ville I came actually from

2330

01:36:18,760 --> 01:36:16,790

kosice meeting and I was leaked I know I

2331

01:36:21,040 --> 01:36:18,770

left I got to my house and we had that

2332

01:36:24,490 --> 01:36:21,050

really bad storm in 2011 in a snowstorm

2333

01:36:26,590 --> 01:36:24,500

and it was around February you know and

2334

01:36:28,390 --> 01:36:26,600

so I had to leave my car about an acre

2335

01:36:30,040 --> 01:36:28,400

away from my house on top of the hill

2336

01:36:32,830 --> 01:36:30,050

cuz once I got down I couldn't come back

2337

01:36:34,540 --> 01:36:32,840

up so I got out and immediately I heard

2338

01:36:36,700 --> 01:36:34,550

this buzzing you know it was really

2339

01:36:38,380 --> 01:36:36,710

weird I looked over I saw a red light on

2340

01:36:40,690 --> 01:36:38,390

my helicopter what else could it be you

2341

01:36:42,940 --> 01:36:40,700

know and so I got my boots on because I

2342

01:36:44,950 --> 01:36:42,950

could use my boots and my city shoes

2343

01:36:46,840 --> 01:36:44,960

always exchanged them in the car I've

2344

01:36:48,730 --> 01:36:46,850

got my boots on I started walking down

2345

01:36:50,680 --> 01:36:48,740

towards my house and this red light

2346

01:36:52,450 --> 01:36:50,690

still keeps on coming and it's going

2347

01:36:55,480 --> 01:36:52,460

like well you know like a helicopter

2348

01:36:58,810 --> 01:36:55,490

chops wood from a distance so as I'm

2349

01:37:01,060 --> 01:36:58,820

walking I stop to to an opening quickies

2350

01:37:03,010 --> 01:37:01,070

see my house clearly and see this

2351

01:37:05,230 --> 01:37:03,020

whatever it's coming at me from far away

2352

01:37:07,090 --> 01:37:05,240

and I'm like this really low it's gonna

2353

01:37:08,920 --> 01:37:07,100

be cool looking at it for a second no

2354

01:37:10,060 --> 01:37:08,930

side what if it's like helicopter so

2355

01:37:11,440 --> 01:37:10,070

government doing something I'm not

2356

01:37:12,700 --> 01:37:11,450

supposed to you know I'm

2357

01:37:14,470 --> 01:37:12,710

looking at it you know it that was my

2358

01:37:16,120 --> 01:37:14,480

state of mind at that time you're

2359

01:37:17,770 --> 01:37:16,130

looking am I supposed to like maybe I

2360

01:37:19,420 --> 01:37:17,780

should hide but then you know Patriot

2361

01:37:21,160 --> 01:37:19,430

Damian was like this is my land you know

2362

01:37:23,290 --> 01:37:21,170

I'm supposed to be here so I'm gonna

2363

01:37:24,880 --> 01:37:23,300

stand here and look up you know and then

2364

01:37:27,190 --> 01:37:24,890

immediately I was like [h__h] I gotta go

2365

01:37:29,500 --> 01:37:27,200

pee in her so I went to that tree

2366

01:37:31,890 --> 01:37:29,510

I Peter said come came back now the

2367

01:37:35,200 --> 01:37:31,900

sound started sounding more like whoa

2368

01:37:37,750 --> 01:37:35,210

you know now it wasn't these sharp sharp

2369

01:37:40,360 --> 01:37:37,760

chops anymore it was like this almost

2370

01:37:42,760 --> 01:37:40,370

like a binaural beat you know and as it

2371

01:37:44,710 --> 01:37:42,770

was coming closer and closer that you

2372

01:37:47,260 --> 01:37:44,720

know I everything and anything I could

2373

01:37:49,060 --> 01:37:47,270

think of my mind wants to make this into

2374

01:37:50,470 --> 01:37:49,070

helicopter I'm like okay it says

2375

01:37:53,050 --> 01:37:50,480

helicopter but then at the same time

2376

01:37:55,510 --> 01:37:53,060

that I'm thinking this where's the chops

2377

01:37:58,150 --> 01:37:55,520

worse the body where's the rest you know

2378

01:37:59,950 --> 01:37:58,160

and so as I'm thinking that right above

2379

01:38:03,130 --> 01:37:59,960

my house and this was still about half

2380

01:38:05,560 --> 01:38:03,140

an acre way above my house another light

2381

01:38:08,800 --> 01:38:05,570

a red light just appeared out and over

2382

01:38:11,170 --> 01:38:08,810

about 50 feet apart and I froze you know

2383

01:38:13,090 --> 01:38:11,180

I froze and my literal thoughts was like

2384

01:38:15,610 --> 01:38:13,100

this is not a [\h__\h] helicopter you

2385

01:38:17,620 --> 01:38:15,620

know and I was standing there and and I

2386

01:38:19,870 --> 01:38:17,630

realized like oh I asked for this I

2387

01:38:21,910 --> 01:38:19,880

remember when this happened but I was so

2388

01:38:23,770 --> 01:38:21,920

afraid I was still so afraid I couldn't

2389

01:38:26,110 --> 01:38:23,780

help it you know that the change of

2390

01:38:28,090 --> 01:38:26,120

vibration almost like locked me up so I

2391

01:38:30,040 --> 01:38:28,100

finally just said calm down just calm

2392

01:38:32,080 --> 01:38:30,050

down write it out write it out so I

2393

01:38:33,700 --> 01:38:32,090

finally calmed down and I gained control

2394

01:38:35,680 --> 01:38:33,710

of my body again because it was that

2395

01:38:37,570 --> 01:38:35,690

fear holding on like you know I'm

2396

01:38:39,310 --> 01:38:37,580

finally facing something that that I

2397

01:38:41,860 --> 01:38:39,320

really wanted but didn't realize what I

2398

01:38:44,740 --> 01:38:41,870

was asking asking for you know and so as

2399

01:38:46,720 --> 01:38:44,750

this experience started subside I was

2400

01:38:48,550 --> 01:38:46,730

like oh I can run you know that was my

2401

01:38:52,270 --> 01:38:48,560

initial thought I said no just write it

2402

01:38:54,250 --> 01:38:52,280

out so as I'm standing there and it

2403

01:38:56,470 --> 01:38:54,260

these two lights are now flying together

2404

01:38:58,240 --> 01:38:56,480

towards me and I just closed my eyes

2405

01:39:00,310 --> 01:38:58,250

there was so much fear I couldn't help

2406

01:39:02,860 --> 01:39:00,320

it I you know as much as I wanted this I

2407

01:39:04,530 --> 01:39:02,870

was fearful not because of something

2408

01:39:07,990 --> 01:39:04,540

that there was really to be afraid of

2409

01:39:09,940 --> 01:39:08,000

that change in frequency started to off

2410

01:39:11,920 --> 01:39:09,950

the sudden change everything about me

2411

01:39:14,050 --> 01:39:11,930

I started it's almost like a feeling of

2412

01:39:16,480 --> 01:39:14,060

you tripping again you know it's almost

2413

01:39:17,950 --> 01:39:16,490

like this feeling of you rising up and

2414

01:39:20,200 --> 01:39:17,960

you're becoming more aware of who you

2415

01:39:22,330 --> 01:39:20,210

are why you here what's going on and as

2416

01:39:23,330 --> 01:39:22,340

that was happening I just closed my eyes

2417

01:39:25,160 --> 01:39:23,340

and

2418

01:39:27,140 --> 01:39:25,170

I said you know I'm afraid but I'm gonna

2419

01:39:30,320 --> 01:39:27,150

do her the best I can to just you know

2420

01:39:32,600 --> 01:39:30,330

stand here and as I close my eyes the

2421

01:39:34,310 --> 01:39:32,610

light was so strong coming from it it

2422

01:39:36,200 --> 01:39:34,320

almost felt like daylight but I mind you

2423

01:39:38,570 --> 01:39:36,210

this is like 10 11 o'clock at night and

2424

01:39:41,810 --> 01:39:38,580

it was a full moon but this was like the

2425

01:39:43,520 --> 01:39:41,820

Sun out you know and so I said no this

2426
01:39:45,320 --> 01:39:43,530
is what I wanted I opened my eyes and

2427
01:39:47,209 --> 01:39:45,330
these two objects just went like this

2428
01:39:49,010 --> 01:39:47,219
and went like that together which is

2429
01:39:50,959 --> 01:39:49,020
freaky to see the begin with just going

2430
01:39:53,149 --> 01:39:50,969
like this and all of the sudden go you

2431
01:39:54,950 --> 01:39:53,159
know to the side and that's there we're

2432
01:39:56,839 --> 01:39:54,960
slowly going away my fear subsided

2433
01:39:58,790 --> 01:39:56,849
everything was fine

2434
01:40:01,910 --> 01:39:58,800
my reality is back to what I consider

2435
01:40:04,879 --> 01:40:01,920
normal you know and it went away said do

2436
01:40:06,979 --> 01:40:04,889
so I was so mad I was really so mad and

2437
01:40:09,109 --> 01:40:06,989
all of this then I went home and as I

2438
01:40:11,030 --> 01:40:09,119

was laying there I just overcame this

2439

01:40:13,010 --> 01:40:11,040

feeling overcame me and said she would

2440

01:40:17,870 --> 01:40:13,020

try it and see what happened you know

2441

01:40:19,550 --> 01:40:17,880

you know and so right so yeah and that

2442

01:40:21,410 --> 01:40:19,560

you know like your experience with with

2443

01:40:21,709 --> 01:40:21,420

grace right is that what you talked

2444

01:40:25,220 --> 01:40:21,719

about

2445

01:40:28,689 --> 01:40:25,230

Oh telling you a story okay and so

2446

01:40:31,189 --> 01:40:28,699

anyway and Here I am the one

2447

01:40:32,750 --> 01:40:31,199

no I didn't it's one of those things

2448

01:40:35,839 --> 01:40:32,760

that you know should have been you

2449

01:40:36,470 --> 01:40:35,849

follow just one over one you know but

2450

01:40:38,990 --> 01:40:36,480

yeah I am

2451
01:40:40,550 --> 01:40:39,000
oh just to correct this because maybe I

2452
01:40:43,160 --> 01:40:40,560
might eventually post this video maybe

2453
01:40:45,620 --> 01:40:43,170
not I don't consider myself ethologist

2454
01:40:48,040 --> 01:40:45,630
because there's for example the group of

2455
01:40:51,020 --> 01:40:48,050
like MUFON on what they do and what not

2456
01:40:53,479 --> 01:40:51,030
they do what they do in their own way I

2457
01:40:56,089 --> 01:40:53,489
don't want to call myself ufologists and

2458
01:40:57,740 --> 01:40:56,099
then say that I go about this scientific

2459
01:40:59,660 --> 01:40:57,750
way and taking samples so what not

2460
01:41:01,459 --> 01:40:59,670
nothing bad with that I just don't want

2461
01:41:04,280 --> 01:41:01,469
to give them a bad rep if you will if

2462
01:41:06,709 --> 01:41:04,290
there's enough people that don't believe

2463
01:41:08,959 --> 01:41:06,719

what I say I don't want to say that you

2464

01:41:10,640 --> 01:41:08,969

know I'm considering myself ufologists

2465

01:41:13,339 --> 01:41:10,650

because there's a lot of apologies that

2466

01:41:15,530 --> 01:41:13,349

go about this a different way and their

2467

01:41:17,300 --> 01:41:15,540

ways justice right is mine I just want

2468

01:41:18,830 --> 01:41:17,310

to want to say that I am part of it

2469

01:41:24,320 --> 01:41:18,840

because I don't want to give them a bad

2470

01:41:30,689 --> 01:41:27,479

well because the implication is that you

2471

01:41:32,910 --> 01:41:30,699

find is very apologist invested pardon

2472

01:41:35,669 --> 01:41:32,920

me if I'm not honest it's like no y'all

2473

01:41:37,320 --> 01:41:35,679

just simply studies all right well I

2474

01:41:42,840 --> 01:41:37,330

mean I'm just trying to be aware of all

2475

01:41:45,660 --> 01:41:42,850

the definitions and and and terms that

2476

01:41:47,580 --> 01:41:45,670

we put on everything it's like you know

2477

01:41:49,620 --> 01:41:47,590

like Joe I like history code you know he

2478

01:41:52,200 --> 01:41:49,630

comes to he says always I'm a paranormal

2479

01:41:54,629 --> 01:41:52,210

adjust you know and then it's a perfect

2480

01:41:56,520 --> 01:41:54,639

you know self-described term you know

2481

01:41:58,830 --> 01:41:56,530

and what it is that he does I don't know

2482

01:42:01,770 --> 01:41:58,840

what - is just like I just want to know

2483

01:42:05,250 --> 01:42:01,780

truth my version of the truth our truth

2484

01:42:06,780 --> 01:42:05,260

sounds legit right so I hope it's not

2485

01:42:08,340 --> 01:42:06,790

too late thank you

2486

01:42:11,310 --> 01:42:08,350

I don't know if you guys want to ask any
