

UFO  **HUB**

1
00:00:07,880 --> 00:00:23,210

[Music]

2
00:00:23,220 --> 00:00:41,430

you

3
00:00:41,440 --> 00:00:49,910

all right let's get everybody in here

4
00:00:49,920 --> 00:00:55,160

whoo everybody grab a seat grab a chair

5
00:00:59,150 --> 00:00:57,450

anyway we're gonna do a little bit

6
00:01:01,920 --> 00:00:59,160

different tonight than we did last night

7
00:01:03,119 --> 00:01:01,930

we're going to have Adam and his partner

8
00:01:06,050 --> 00:01:03,129

they're going to be leading the

9
00:01:08,340 --> 00:01:06,060

investigation tonight Dan I mean Dan

10
00:01:11,999 --> 00:01:08,350

Adams again I just walked in with the

11
00:01:13,980 --> 00:01:12,009

news so what we're going to do is we're

12
00:01:20,670 --> 00:01:13,990

going to what do you want to do each of

13
00:01:22,800 --> 00:01:20,680

you take a group because our original

14

00:01:25,320 --> 00:01:22,810

plan was to break groups out into

15

00:01:26,850 --> 00:01:25,330

outside groups and inside groups but I

16

00:01:30,900 --> 00:01:26,860

don't think anybody anybody want to go

17

00:01:32,340 --> 00:01:30,910

outside volunteers no all right so we're

18

00:01:35,430 --> 00:01:32,350

gonna have to probably just bring it up

19

00:01:38,969 --> 00:01:35,440

to mostly these two rooms we're gonna

20

00:01:40,440 --> 00:01:38,979

probably go pretty heavy on EVPs but we

21

00:01:42,660 --> 00:01:40,450

do have some equipment if you all want

22

00:01:44,490 --> 00:01:42,670

to play with it we've got the FLIR up

23

00:01:46,380 --> 00:01:44,500

set up over there that we can run you

24

00:01:47,580 --> 00:01:46,390

know more than welcome pass that around

25

00:01:49,020 --> 00:01:47,590

and do things like that

26

00:02:17,370 --> 00:01:49,030

does anybody have any equipment with

27

00:02:19,979 --> 00:02:17,380

them nice shot cameras are gonna be work

28

00:02:25,290 --> 00:02:19,989

light on and she wants to run it a small

29

00:02:26,030 --> 00:02:25,300

one that way if you don't have 19:30 got

30

00:02:33,710 --> 00:02:26,040

night vision

31

00:02:34,850 --> 00:02:33,720

like you'll see the emphasis and this

32

00:02:37,670 --> 00:02:34,860

one's gonna be just playing with the

33

00:02:39,530 --> 00:02:37,680

equipment just like I said we're gonna

34

00:02:41,479 --> 00:02:39,540

run some EVPs were actually miked in

35

00:02:44,809 --> 00:02:41,489

here so the EVP sessions are being

36

00:02:48,020 --> 00:02:44,819

recorded we're gonna try to do

37

00:02:49,550 --> 00:02:48,030

cartography if possible but my radios

38

00:02:51,770 --> 00:02:49,560

are all locked down to emergency

39

00:02:54,140 --> 00:02:51,780

frequencies right now and pop of weather

40

00:02:56,119 --> 00:02:54,150

alerts I can't get them to shut off so

41

00:03:00,080 --> 00:02:56,129

they kind of kills their communications

42

00:03:02,240 --> 00:03:00,090

for cartography so if they stop doing it

43

00:03:03,830 --> 00:03:02,250

possibly later in the best investigation

44

00:03:05,809 --> 00:03:03,840

we'll give that a shot just so y'all can

45

00:03:07,789 --> 00:03:05,819

kind of see the effect the cartography

46

00:03:10,670 --> 00:03:07,799

will give as far as the two log files

47

00:03:11,990 --> 00:03:10,680

and things like that but yeah we're

48

00:03:12,740 --> 00:03:12,000

basically gonna have a good time see

49

00:03:14,809 --> 00:03:12,750

what we can find

50

00:03:16,940 --> 00:03:14,819

we've got a couple of k2s we've got a

51
00:03:19,160 --> 00:03:16,950
millimeter you guys are welcome to use

52
00:03:22,729 --> 00:03:19,170
any equipment you'd like to use please

53
00:03:25,580 --> 00:03:22,739
return it other than that let's figure

54
00:03:28,129 --> 00:03:25,590
this out anything else

55
00:03:29,830 --> 00:03:28,139
not to say guys like last night some of

56
00:03:32,839 --> 00:03:29,840
you who was here last night

57
00:03:34,610 --> 00:03:32,849
those those those you don't know where

58
00:03:36,979 --> 00:03:34,620
the spots were that we had hits on last

59
00:03:40,789 --> 00:03:36,989
night so if you want you can help them

60
00:03:43,039 --> 00:03:40,799
out you know go for it guys

61
00:03:53,330 --> 00:03:43,049
I mean it was active last night no

62
00:03:54,770 --> 00:03:53,340
engineers no no and that's the whole

63
00:03:56,900 --> 00:03:54,780

part of the investigation is the day

64

00:04:03,140 --> 00:03:56,910

afterwards afterwards we can tell you

65

00:04:05,119 --> 00:04:03,150

you know I'm gonna take this Masonic

66

00:04:08,240 --> 00:04:05,129

Lodge I'm a Mason so most Masonic lodges

67

00:04:12,619 --> 00:04:08,250

have what we consider very good spirits

68

00:04:14,030 --> 00:04:12,629

I mean all these people did what they

69

00:04:17,270 --> 00:04:14,040

did for a reason is for the better of

70

00:04:20,240 --> 00:04:17,280

mankind so this beer the three that are

71

00:04:22,250 --> 00:04:20,250

in here that I know of well do things

72

00:04:24,140 --> 00:04:22,260

for you and their fur and they will

73

00:04:26,600 --> 00:04:24,150

communicate with you it's just you gotta

74

00:04:28,730 --> 00:04:26,610

find out where in the building they're

75

00:04:30,110 --> 00:04:28,740

at and they're gonna you know they're

76
00:04:36,810 --> 00:04:30,120
gonna leave this horse to water whether

77
00:04:40,830 --> 00:04:38,730
well it's well if you want the history

78
00:04:42,930 --> 00:04:40,840
of the building what to get one of the

79
00:04:44,520 --> 00:04:42,940
actual members of the lodge I belong to

80
00:04:45,180 --> 00:04:44,530
the independence Lodge I can tell you

81
00:04:46,920 --> 00:04:45,190
about that one

82
00:04:48,900 --> 00:04:46,930
this one I just know that it's a lodge

83
00:04:56,070 --> 00:04:48,910
they've been around probably this is one

84
00:04:58,410 --> 00:04:56,080
of the oldest lodges I know this

85
00:04:59,940 --> 00:04:58,420
particular building is not they actually

86
00:05:02,100 --> 00:04:59,950
showed us pictures of the original one

87
00:05:05,760 --> 00:05:02,110
last night which was an amazing bill oh

88
00:05:07,350 --> 00:05:05,770

yeah I know this one's not terribly old

89

00:05:15,930 --> 00:05:07,360

but I don't know what the exact dates or

90

00:05:18,240 --> 00:05:15,940

anything they moved over into this

91

00:05:19,920 --> 00:05:18,250

building they took it over so everybody

92

00:05:25,920 --> 00:05:19,930

here investigated before is anybody has

93

00:05:28,080 --> 00:05:25,930

never a couple numbers all right cool

94

00:05:31,110 --> 00:05:28,090

all right well we'll do our best to have

95

00:05:33,030 --> 00:05:31,120

fun now one cool thing is that a lot of

96

00:05:35,070 --> 00:05:33,040

times when it's storming energy does

97

00:05:37,320 --> 00:05:35,080

have a tendency to build in places and

98

00:05:40,530 --> 00:05:37,330

so hopefully we'll get some good results

99

00:05:41,940 --> 00:05:40,540

when we're doing the investigation some

100

00:05:44,010 --> 00:05:41,950

of our equipment I just had to change

101
00:05:45,360 --> 00:05:44,020
batteries and everything we had so it

102
00:05:46,890 --> 00:05:45,370
looks like maybe we've got some battery

103
00:05:49,920 --> 00:05:46,900
drain going on which is another good

104
00:05:51,150 --> 00:05:49,930
sign so why don't we just split up this

105
00:06:05,340 --> 00:05:51,160
side of the room that side of the room

106
00:06:15,870 --> 00:06:05,350
that's not split into groups I'll shut

107
00:06:15,880 --> 00:06:24,430
all right here's two Jude k2 meter

108
00:06:29,620 --> 00:06:27,760
oh that's a good one to have anyway we

109
00:06:32,440 --> 00:06:29,630
should have another flower that's it

110
00:06:35,440 --> 00:06:32,450
oh well that's just good okay let's go

111
00:06:42,830 --> 00:06:35,450
with I got to k2 okay so I'm gonna all

112
00:06:42,840 --> 00:07:35,820
where the hotspots at

113
00:07:35,830 --> 00:07:40,780

[Music]

114

00:07:55,259 --> 00:07:47,540

okay just wanted to make sure that see

115

00:07:58,919 --> 00:07:57,299

last night this was turning all the way

116

00:08:04,679 --> 00:07:58,929

to red and the weather did it the

117

00:08:12,180 --> 00:08:04,689

flashlight would move the person was

118

00:08:16,900 --> 00:08:15,010

yeah we got a severe thunderstorm going

119

00:08:19,840 --> 00:08:16,910

on rainstorm they're talking about the

120

00:08:21,100 --> 00:08:19,850

possibility of five inches of rain we've

121

00:08:22,720 --> 00:08:21,110

got a lot of thunder we got a lot of

122

00:08:26,380 --> 00:08:22,730

lightning so that stirs up the energy a

123

00:08:28,750 --> 00:08:26,390

little bit but we get like what 30

124

00:08:31,180 --> 00:08:28,760

people in this room right now so we've

125

00:08:33,010 --> 00:08:31,190

got a lot of other access energy and

126

00:08:35,409 --> 00:08:33,020

there's a lot of talking going on and

127

00:08:38,080 --> 00:08:35,419

there's a lot of people are doing things

128

00:08:39,520 --> 00:08:38,090

and I think what it is is confusing the

129

00:08:42,969 --> 00:08:39,530

spirits you don't know where to go what

130

00:08:46,900 --> 00:08:42,979

to do it's not one isolated location as

131

00:08:49,030 --> 00:08:46,910

many and for that particular reason it

132

00:08:52,120 --> 00:08:49,040

was not like last night when we were all

133

00:08:54,130 --> 00:08:52,130

focused on one spot so this particular

134

00:08:57,180 --> 00:08:54,140

night I think that the Spirit is going

135

00:08:59,740 --> 00:08:57,190

to be a little more hesitant to react

136

00:09:03,550 --> 00:08:59,750

hopefully we can draw on through this

137

00:09:09,070 --> 00:09:03,560

corner over here and we can turn this k2

138

00:09:10,260 --> 00:09:09,080

all the way around people using

139

00:09:15,590 --> 00:09:10,270

different things

140

00:09:20,940 --> 00:09:18,240

this is what they call a voice box and

141

00:09:26,280 --> 00:09:20,950

what they do is they try to get Speers

142

00:09:28,910 --> 00:09:26,290

to talk and make noise sounds so makes a

143

00:09:31,440 --> 00:09:28,920

lot of noise pecan disrupts the rest but

144

00:09:36,150 --> 00:09:31,450

I've never had one work but they seem to

145

00:09:37,199 --> 00:09:36,160

believe that does work as you heard it

146

00:09:41,430 --> 00:09:37,209

was pretty loud

147

00:09:43,680 --> 00:09:41,440

I think the apprehension by a lot of

148

00:09:45,269 --> 00:09:43,690

people in here because of the storm and

149

00:09:47,400 --> 00:09:45,279

the police already shutting down one

150

00:09:48,930 --> 00:09:47,410

side the city we only have one way out

151

00:09:53,160 --> 00:09:48,940

and that's the worst part of the city

152

00:09:55,350 --> 00:09:53,170

which is like Turkey Creek and that

153

00:09:57,540 --> 00:09:55,360

really floods really pretty easy so that

154

00:09:58,920 --> 00:09:57,550

they closed that down run between we're

155

00:10:03,900 --> 00:09:58,930

stranded we got to figure out another

156

00:10:11,579 --> 00:10:03,910

way out of here so let's have to wait

157

00:10:14,280 --> 00:10:11,589

and see can you can you there went out

158

00:10:16,230 --> 00:10:14,290

did you see it I'm tapping them there's

159

00:10:17,550 --> 00:10:16,240

a view coming over here they're coming

160

00:10:21,689 --> 00:10:17,560

over here can you please make this go

161

00:10:24,420 --> 00:10:21,699

off the another color that's not red can

162

00:10:28,290 --> 00:10:24,430

you do that for us tonight we'd

163

00:10:30,900 --> 00:10:28,300

appreciate it all you do is make this go

164

00:10:33,360 --> 00:10:30,910

to another color and or you could turn

165

00:10:38,189 --> 00:10:33,370

on the flashlight or move it it's up to

166

00:10:41,009 --> 00:10:38,199

you come there you go can you make it go

167

00:10:43,650 --> 00:10:41,019

there you go there we go can you make it

168

00:10:51,360 --> 00:10:43,660

all winter in please we'd appreciate

169

00:10:55,540 --> 00:10:54,250

can you show him what you can do and

170

00:10:58,240 --> 00:10:55,550

we'd appreciate it I mean I'm not

171

00:11:00,220 --> 00:10:58,250

challenging you I just want to show him

172

00:11:02,350 --> 00:11:00,230

he's trying to record this let it other

173

00:11:04,810 --> 00:11:02,360

people know that you you are here you

174

00:11:07,329 --> 00:11:04,820

exist the only way to get that document

175

00:11:10,269 --> 00:11:07,339

is for you to on request to make that

176

00:11:12,069 --> 00:11:10,279

come on can you please make that come to

177

00:11:21,190 --> 00:11:12,079

different colors show him that you are

178

00:11:29,980 --> 00:11:21,200

here or not it's up to you did it a

179

00:11:38,050 --> 00:11:29,990

second ago there you go good job can you

180

00:11:39,970 --> 00:11:38,060

give me a red can you make the

181

00:11:42,850 --> 00:11:39,980

flashlight come on I think oh yeah do is

182

00:11:50,740 --> 00:11:42,860

just you're not a manipulate energy you

183

00:11:52,840 --> 00:11:50,750

can turn that flashlight on please for

184

00:11:57,860 --> 00:11:52,850

torch if that's what you understand it

185

00:12:01,950 --> 00:12:00,120

well you can actually move these things

186

00:12:03,360 --> 00:12:01,960

you can take it if you want you can

187

00:12:11,490 --> 00:12:03,370

throw it clear across the room it makes

188

00:12:18,000 --> 00:12:11,500

you feel better no greens for no red for

189

00:12:26,610 --> 00:12:18,010

yes we'll make it orange for yes are you

190

00:12:33,590 --> 00:12:26,620

a fellow Mason have you been here a long

191

00:12:48,990 --> 00:12:40,530

are there others here with you are you

192

00:12:59,870 --> 00:12:49,000

by yourself with your 32nd degree their

193

00:13:16,300 --> 00:13:02,220

there's a lot of people in here for you

194

00:13:20,930 --> 00:13:17,829

go for it

195

00:13:24,380 --> 00:13:20,940

anybody got any K 2 by K 2 device that

196

00:13:26,420 --> 00:13:24,390

they can sit down yeah we got it go on

197

00:13:30,280 --> 00:13:26,430

pretty good over here yeah okay we get

198

00:13:33,170 --> 00:13:30,290

we're getting responses over here yeah

199

00:13:35,269 --> 00:13:33,180

we figured if we focus everything

200

00:13:36,680 --> 00:13:35,279

towards one area of the room yeah that's

201
00:13:38,420 --> 00:13:36,690
exactly what we're talking about earlier

202
00:13:40,160 --> 00:13:38,430
said everybody has one scattered about

203
00:13:47,420 --> 00:13:40,170
so we focus we've been getting good

204
00:13:53,329 --> 00:13:47,430
response it took a while to get him

205
00:13:54,319 --> 00:13:53,339
activated get it going I mean ah there

206
00:14:03,540 --> 00:13:54,329
he goes

207
00:14:11,260 --> 00:14:06,490
please Ashley last night they were

208
00:14:17,080 --> 00:14:11,270
moving the flashlight Wow I heard in

209
00:14:19,090 --> 00:14:17,090
here yeah this exact spot it was moving

210
00:14:23,590 --> 00:14:19,100
it on that table mm-hmm wow that's

211
00:14:27,160 --> 00:14:23,600
impressive yeah it was rolling back and

212
00:14:29,920 --> 00:14:27,170
forward anybody has the questions they

213
00:14:38,950 --> 00:14:29,930

want to try I mean we think his name is

214

00:14:50,450 --> 00:14:38,960

George you can try to do using that how

215

00:14:55,610 --> 00:14:54,230

don't you guys go for it get in there do

216

00:14:59,900 --> 00:14:55,620

if you don't know wait no I'm [h__h]

217

00:15:01,910 --> 00:14:59,910

square you want to scare you yeah we

218

00:15:04,130 --> 00:15:01,920

come up here I'm next - no no no go

219

00:15:06,260 --> 00:15:04,140

ahead yeah I got him there y'all gettin

220

00:15:14,560 --> 00:15:06,270

goin yeah I know they don't like me as

221

00:15:22,790 --> 00:15:18,710

hi there George are you upset that a

222

00:15:24,400 --> 00:15:22,800

woman's in here that there are women in

223

00:15:34,340 --> 00:15:24,410

here

224

00:15:43,939 --> 00:15:34,350

said it okay are you okay with us being

225

00:15:53,389 --> 00:15:45,919

do you like it when it rains and

226

00:16:02,949 --> 00:15:53,399

thunders what was your favorite thing

227

00:16:34,070 --> 00:16:07,119

somebody else has the k2 which pictures

228

00:16:37,550 --> 00:16:35,900

if you're in this corner right now can

229

00:16:54,600 --> 00:16:37,560

you touch one of those devices on the

230

00:17:11,159 --> 00:16:56,850

George how many spirits are here with

231

00:17:13,979 --> 00:17:12,599

does it make you nervous that there's

232

00:17:18,149 --> 00:17:13,989

all these people standing around you

233

00:17:46,879 --> 00:17:18,159

right now if you want us to leave touch

234

00:17:56,099 --> 00:17:48,869

little while ago you were lighting that

235

00:17:57,239 --> 00:17:56,109

up winning so you seem to slow down here

236

00:17:59,969 --> 00:17:57,249

a little bit are you moved somewhere

237

00:18:02,219 --> 00:17:59,979

else do we need to go to that others

238

00:18:04,700 --> 00:18:02,229

well you know just tell me what we gotta

239

00:18:06,960 --> 00:18:04,710

go do you think we need to go back there

240

00:18:12,659 --> 00:18:06,970

we need to go in the corner by the other

241

00:18:16,169 --> 00:18:12,669

chair do you think we need to go to that

242

00:18:18,749 --> 00:18:16,179

corner where you were last night if you

243

00:18:19,589 --> 00:18:18,759

want us to go find you can you make it

244

00:18:25,769 --> 00:18:19,599

go to orange

245

00:18:31,710 --> 00:18:25,779

please well go over there will your

246

00:18:36,479 --> 00:18:31,720

friends at we're going to go there

247

00:18:45,030 --> 00:18:36,489

anyway so we want to try the far corner

248

00:18:51,340 --> 00:18:47,470

this is the equipment that should go up

249

00:18:54,100 --> 00:18:51,350

with that see that's all let that's

250

00:18:56,800 --> 00:18:54,110

equipment there's nothing happening but

251
00:18:57,880 --> 00:18:56,810
there shouldn't be I don't know why oh

252
00:19:01,320 --> 00:18:57,890
there we go

253
00:19:05,590 --> 00:19:01,330
now there's no electrical wire on me

254
00:19:08,770 --> 00:19:05,600
Kelly do you have anything in there okay

255
00:19:11,710 --> 00:19:08,780
you're miked though right yeah yeah

256
00:19:16,630 --> 00:19:11,720
let's see that's it that's it yep there

257
00:19:23,020 --> 00:19:16,640
we go yeah well not there well why is it

258
00:19:31,170 --> 00:19:23,030
going off way out here barely it's on

259
00:19:43,100 --> 00:19:36,630
why is it try yours here here you

260
00:19:48,420 --> 00:19:45,630
don't have a mic on yeah you don't have

261
00:19:51,960 --> 00:19:48,430
a mic on and it's down

262
00:19:56,280 --> 00:19:51,970
well he's gone now and he left us 30

263
00:19:59,640 --> 00:19:56,290

left okay spool do what is there

264

00:20:01,140 --> 00:19:59,650

anything you want that key just right

265

00:20:21,400 --> 00:20:01,150

there like that you have to get right on

266

00:20:26,950 --> 00:20:21,410

it no that's that's not right it's gone

267

00:20:33,850 --> 00:20:32,290

there's something down right here it's

268

00:20:38,290 --> 00:20:33,860

carpet alright alright deserved wires

269

00:20:39,640 --> 00:20:38,300

under the carpet don't know the wires

270

00:20:50,350 --> 00:20:39,650

would come out of the wall for the other

271

00:20:51,550 --> 00:20:50,360

microphone sure want to stay with these

272

00:20:58,440 --> 00:20:51,560

guys and I'll go over there huh

273

00:21:03,430 --> 00:21:01,960

wires I don't know yeah that's pretty

274

00:21:05,520 --> 00:21:03,440

consistent consistent yeah that's

275

00:21:12,070 --> 00:21:05,530

consistent that's gonna be a wire yeah

276

00:21:13,510 --> 00:21:12,080

I'm guessing there's wires under the

277

00:21:15,610 --> 00:21:13,520

different we have to pay for it to go to

278

00:21:16,300 --> 00:21:15,620

read and all that when we add that's

279

00:21:19,510 --> 00:21:16,310

weird

280

00:21:24,670 --> 00:21:19,520

well it's bond yeah oh yeah we had a

281

00:21:29,020 --> 00:21:24,680

little bit of activity there but it's

282

00:21:31,060 --> 00:21:29,030

tough yeah yeah so like you said let's

283

00:21:32,320 --> 00:21:31,070

go yeah we're okay the rains tapering

284

00:21:34,060 --> 00:21:32,330

off a little bit I figure let's give it

285

00:21:35,560 --> 00:21:34,070

another half hours and let's call it

286

00:21:36,640 --> 00:21:35,570

that sounds good I want to take anybody

287

00:21:42,630 --> 00:21:36,650

any chances

288

00:21:42,640 --> 00:21:58,010

we're going to the other side now sure

289

00:21:58,020 --> 00:22:06,240

yeah

290

00:22:11,340 --> 00:22:09,269

the weather's that is so bad the police

291

00:22:13,409 --> 00:22:11,350

departments closed down roads all around

292

00:22:15,149 --> 00:22:13,419

us there's only one way out now

293

00:22:17,220 --> 00:22:15,159

so we're gonna do like five ten minutes

294

00:22:24,269 --> 00:22:17,230

then we're gonna call it kind of the who

295

00:22:30,950 --> 00:22:24,279

make sure but it gets home safe it's

296

00:22:34,370 --> 00:22:30,960

already let's try it out here we go

297

00:22:39,980 --> 00:22:37,210

nobody in your net a white t-shirt

298

00:22:43,400 --> 00:22:39,990

that's pretty cool good I don't know

299

00:22:47,000 --> 00:22:43,410

look like wow there's some corpse down

300

00:22:49,010 --> 00:22:47,010

there we go this way hey that's a good

301
00:22:51,200 --> 00:22:49,020
catch that's really strange because I

302
00:22:53,510 --> 00:22:51,210
don't think there's any better reflects

303
00:23:06,649 --> 00:22:53,520
yet though this in here or next door

304
00:23:08,899 --> 00:23:06,659
right here right here I was invited do

305
00:23:10,850 --> 00:23:08,909
you know the history was there here yeah

306
00:23:20,779 --> 00:23:10,860
right here in this area but when we're

307
00:23:26,400 --> 00:23:20,789
in somebody just told us I'm trying to

308
00:23:31,830 --> 00:23:28,800
I just I don't feel no activity on this

309
00:23:41,340 --> 00:23:31,840
side and I'm not getting anything not

310
00:23:42,900 --> 00:23:41,350
like the other side wall where's the

311
00:23:45,450 --> 00:23:42,910
other side was Alma yeah there was

312
00:23:54,860 --> 00:23:45,460
something really a lot more energy [h__h]

313
00:24:02,190 --> 00:24:00,570

yeah this room was just a room in

314

00:24:04,410 --> 00:24:02,200

reference to the paranal investigation

315

00:24:06,030 --> 00:24:04,420

we didn't I'm looking for spirits this

316

00:24:07,500 --> 00:24:06,040

particular rooms atmosphere is

317

00:24:09,930 --> 00:24:07,510

completely different from one which is

318

00:24:14,400 --> 00:24:09,940

left over there the energy was different

319

00:24:16,350 --> 00:24:14,410

it was easy because of last time we knew

320

00:24:18,960 --> 00:24:16,360

where to go we knew what connectivity we

321

00:24:21,300 --> 00:24:18,970

had we managed to get some of it going

322

00:24:23,040 --> 00:24:21,310

tonight not as much as last night come

323

00:24:26,640 --> 00:24:23,050

to this side over here to this room and

324

00:24:28,560 --> 00:24:26,650

we didn't and nobody's gay anything

325

00:24:31,140 --> 00:24:28,570

except that annamarie's getting some

326

00:24:33,960 --> 00:24:31,150

pictures there pretty cool but then

327

00:24:35,670 --> 00:24:33,970

we're talking about the energy they have

328

00:24:38,100 --> 00:24:35,680

to draw on because of the storm with

329

00:24:40,770 --> 00:24:38,110

thunder lightning they don't need us

330

00:24:43,260 --> 00:24:40,780

tonight they got all that to go by so

331

00:24:44,640 --> 00:24:43,270

that may be a reason why we're not

332

00:24:47,040 --> 00:24:44,650

picking up here

333

00:24:48,240 --> 00:24:47,050

we thought we should and it's not to say

334

00:24:50,460 --> 00:24:48,250

that they're not around here and could

335

00:24:52,890 --> 00:24:50,470

be ready to go but I stand right now

336

00:24:55,380 --> 00:24:52,900

they're pretty satisfied not going to

337

00:24:57,540 --> 00:24:55,390

communicate this for that reason we give

338

00:25:01,050 --> 00:24:57,550

buddy a chance to go home before we get
