1  
00:00:23,210 --> 00:00:14,300

[Music]

2  
00:00:23,220 --> 00:00:26,430

you

3  
00:00:31,060 --> 00:00:29,000

my name is grant Cameron

4  
00:00:34,400 --> 00:00:31,070

from Winnipeg Manitoba Canada a

5  
00:00:37,070 --> 00:00:34,410

researcher who's been at this since 1975

6  
00:00:40,040 --> 00:00:37,080

so I've been at 43 years had an

7  
00:00:41,840 --> 00:00:40,050

experience which led me into the field

8  
00:00:45,619 --> 00:00:41,850

really didn't have any interest in the

9  
00:00:47,479 --> 00:00:45,629

field and it's gone from sort of my

10  
00:00:51,979 --> 00:00:47,489

interest has gone from one subject to

11  
00:00:54,710 --> 00:00:51,989

another 75 because at that time I had a

12  
00:00:55,790 --> 00:00:54,720

bunch of sightings people in a town had

13  
00:00:58,430 --> 00:00:55,800

a bunch of sightings nobody who

14

00:01:03,229 --> 00:00:58,440

published a book so at that point always

15

00:01:04,640 --> 00:01:03,239

really interested in is who knew what

16

00:01:05,930 --> 00:01:04,650

was going on somebody had to know what

17

00:01:08,090 --> 00:01:05,940

this was that I had seen

18

00:01:09,080 --> 00:01:08,100

so I started this chase that I always

19

00:01:11,480 --> 00:01:09,090

talked about I went to the Kane

20

00:01:14,360 --> 00:01:11,490

government first and I chased a former

21

00:01:15,980 --> 00:01:14,370

president of Penn State University at 14

22

00:01:17,060 --> 00:01:15,990

honorary Doctorate degrees chairman of

23

00:01:19,039 --> 00:01:17,070

the board of the Institute for Defense

24

00:01:22,520 --> 00:01:19,049

analysis top military think-tank of the

25

00:01:23,570 --> 00:01:22,530

country president Penn State University

26

00:01:25,340 --> 00:01:23,580

for 16 years

27

00:01:26,600 --> 00:01:25,350

chased him around for eight years he

28

00:01:28,340 --> 00:01:26,610

seemed it was going on but he didn't

29

00:01:31,730 --> 00:01:28,350

really want to talk Deniz chased the

30

00:01:36,620 --> 00:01:31,740

President of the United States and then

31

00:01:39,530 --> 00:01:36,630

I was while I was chasing the head

32

00:01:41,060 --> 00:01:39,540

people at the CIA intelligence people

33

00:01:43,850 --> 00:01:41,070

who I believed knew it was going on I

34

00:01:45,200 --> 00:01:43,860

had a download experience which changed

35

00:01:46,880 --> 00:01:45,210

everything for me it sort of moved me

36

00:01:49,820 --> 00:01:46,890

from the nuts and bolts aspect of the

37

00:01:51,470 --> 00:01:49,830

UFO phenomena to the idea that a lot of

38

00:01:54,260 --> 00:01:51,480

this is consciousness a lot of this is

39

00:01:55,610 --> 00:01:54,270

messaging it's this kind of stuff and it

40

00:01:57,140 --> 00:01:55,620

was during that period of time when I

41

00:02:02,510 --> 00:01:57,150

had this sort of download experience

42

00:02:06,350 --> 00:02:02,520

that I realized that the experiencers

43

00:02:08,660 --> 00:02:06,360

that for example in in the latest round

44

00:02:10,309 --> 00:02:08,670

of disclosure stuff you see they leaked

45

00:02:13,970 --> 00:02:10,319

some videos through the New York Times

46

00:02:19,339 --> 00:02:13,980

Washington Post political and I suddenly

47

00:02:20,809 --> 00:02:19,349

realize that you really can't tell

48

00:02:23,899 --> 00:02:20,819

anything by a video you can watch the

49

00:02:26,059 --> 00:02:23,909

videos for 70 years every day all its

50

00:02:27,440 --> 00:02:26,069

gonna tell you is it's pretty strange

51  
00:02:30,110 --> 00:02:27,450  
and we didn't probably didn't build it

52  
00:02:32,240 --> 00:02:30,120  
but it doesn't tell you who's flying it

53  
00:02:34,280 --> 00:02:32,250  
were there from why they're here what's

54  
00:02:37,009 --> 00:02:34,290  
the message and I started to deal with

55  
00:02:40,030 --> 00:02:37,019  
experiences and I spent I spent probably

56  
00:02:41,989 --> 00:02:40,040  
the last since 2012 so last six years

57  
00:02:42,830 --> 00:02:41,999  
basically dealing with experiences

58  
00:02:45,110 --> 00:02:42,840  
people who have had

59  
00:02:46,670 --> 00:02:45,120  
experiences to find out did you get a

60  
00:02:48,589 --> 00:02:46,680  
message to tell you what's going on

61  
00:02:50,570 --> 00:02:48,599  
stuff like that and I realized that the

62  
00:02:51,890 --> 00:02:50,580  
government was doing the same thing but

63  
00:02:54,729 --> 00:02:51,900

from time to time and what I'm gonna

64

00:02:56,690 --> 00:02:54,739

lecture here at Eureka Springs on is

65

00:02:58,490 --> 00:02:56,700

what most people are still fascinated

66

00:03:00,680 --> 00:02:58,500

with the whole government disclosure

67

00:03:02,720 --> 00:03:00,690

when are they gonna disclose what and I

68

00:03:04,220 --> 00:03:02,730

got dragged into this story because I

69

00:03:06,740 --> 00:03:04,230

was dealing with these high-level

70

00:03:08,539 --> 00:03:06,750

government people and I got to know some

71

00:03:13,009 --> 00:03:08,549

of these people interact with some of

72

00:03:15,559 --> 00:03:13,019

these people and so in the last year if

73

00:03:19,339 --> 00:03:15,569

people have been following there's a

74

00:03:22,400 --> 00:03:19,349

story that has arisen about a rock star

75

00:03:24,170 --> 00:03:22,410

but I have Tom DeLonge and he'd sold 30

76

00:03:25,759 --> 00:03:24,180

million albums every time he tweets

77

00:03:31,610 --> 00:03:25,769

something he gets 15 thousand retweets

78

00:03:33,530 --> 00:03:31,620

major figure in in Los Angeles and he

79

00:03:36,410 --> 00:03:33,540

got into the UFO phenomena and what he

80

00:03:38,300 --> 00:03:36,420

did was he got inside the government he

81

00:03:39,740 --> 00:03:38,310

got a bunch of people high-level people

82

00:03:42,710 --> 00:03:39,750

inside the government to talk to him and

83

00:03:44,900 --> 00:03:42,720

to start to give him material so I

84

00:03:46,610 --> 00:03:44,910

followed this story I had people inside

85

00:03:48,830 --> 00:03:46,620

the story who were feeding me what was

86

00:03:50,449 --> 00:03:48,840

going on and some of them were

87

00:03:52,910 --> 00:03:50,459

experiences because that's part of the

88

00:03:54,289 --> 00:03:52,920

deal is that people don't realize that a

89

00:03:58,039 --> 00:03:54,299

lot of these people who are doing this

90

00:04:00,800 --> 00:03:58,049

disclosure thing this recently for

91

00:04:03,830 --> 00:04:00,810

example Jim Jim semi van who was a 25

92

00:04:06,860 --> 00:04:03,840

year veteran of the CIA ran covert ops

93

00:04:09,379 --> 00:04:06,870

for the CIA for two years is involved in

94

00:04:11,839 --> 00:04:09,389

this he's basically the director of this

95

00:04:14,629 --> 00:04:11,849

to the Stars Academy that's behind this

96

00:04:15,770 --> 00:04:14,639

recent disclosure story he's an

97

00:04:18,319 --> 00:04:15,780

experienced here he had the beings in

98

00:04:21,259 --> 00:04:18,329

his room in the 1990s early 1990s with

99

00:04:22,610 --> 00:04:21,269

his wife and so he's a guy it's not evil

100

00:04:25,040 --> 00:04:22,620

government guy who's trying to cover up

101

00:04:28,969 --> 00:04:25,050

it's Jim sent me on tried to figure out

102

00:04:31,159 --> 00:04:28,979

what happened to me and so I got dragged

103

00:04:33,200 --> 00:04:31,169

into this realized that a lot of these

104

00:04:35,390 --> 00:04:33,210

people are experiences wrote a book

105

00:04:38,330 --> 00:04:35,400

called managing magic the government's

106

00:04:41,360 --> 00:04:38,340

UFO disclosure plan and sort of the

107

00:04:42,500 --> 00:04:41,370

basis of that my whole theory which some

108

00:04:45,860 --> 00:04:42,510

people have challenged some people have

109

00:04:47,750 --> 00:04:45,870

gone along with is that the government

110

00:04:49,550 --> 00:04:47,760

needs to get it out there's people

111

00:04:50,959 --> 00:04:49,560

inside the government not everybody but

112

00:04:53,240 --> 00:04:50,969

a small group of people inside the

113

00:04:55,470 --> 00:04:53,250

government who are determined that the

114

00:04:57,300 --> 00:04:55,480

American people have to know this story

115

00:04:59,160 --> 00:04:57,310

you have to get it out so this is a plan

116

00:05:01,650 --> 00:04:59,170

where what they do is they'll put

117

00:05:04,230 --> 00:05:01,660

material into the UFO community into the

118

00:05:07,050 --> 00:05:04,240

public and then at the same time they'll

119

00:05:08,760 --> 00:05:07,060

put in false information to stop it from

120

00:05:10,980 --> 00:05:08,770

going viral so you put it out then you

121

00:05:12,360 --> 00:05:10,990

put disinformation around it and what

122

00:05:14,100 --> 00:05:12,370

happens is the story bounces around

123

00:05:15,900 --> 00:05:14,110

there's two different versions nobody

124

00:05:18,330 --> 00:05:15,910

knows what to believe and yet the ID

125

00:05:20,100 --> 00:05:18,340

gets out so some of the ideas that they

126

00:05:22,200 --> 00:05:20,110

might leak are the idea that there was a

127

00:05:24,720 --> 00:05:22,210

live alien that was the that it was a

128

00:05:27,320 --> 00:05:24,730

guest of the US government or that area

129

00:05:31,560 --> 00:05:27,330

51 that we've got crafts at area 51 or

130

00:05:33,810 --> 00:05:31,570

the idea that there's a group of very

131

00:05:36,090 --> 00:05:33,820

high-level people 12 people who run the

132

00:05:39,810 --> 00:05:36,100

whole program so I wrote managing magic

133

00:05:41,220 --> 00:05:39,820

which was my my sort of synopsis of this

134

00:05:42,840 --> 00:05:41,230

whole thing and what I said they've done

135

00:05:47,130 --> 00:05:42,850

this for 70 years they've leaked stuff

136

00:05:49,620 --> 00:05:47,140

to people like Steven Spielberg to other

137

00:05:53,100 --> 00:05:49,630

various documentary people leak these

138

00:05:55,590 --> 00:05:53,110

stories and yet to sort of cover up the

139

00:05:58,320 --> 00:05:55,600

story at the same time to control this

140

00:05:59,880 --> 00:05:58,330

gradual release so when people are

141

00:06:01,650 --> 00:05:59,890

looking at this latest story about to

142

00:06:04,770 --> 00:06:01,660

the Stars Academy with Tom DeLonge this

143

00:06:06,420 --> 00:06:04,780

Rockstar Airy thinks well they've

144

00:06:08,040 --> 00:06:06,430

suddenly decided to release this thing

145

00:06:09,720 --> 00:06:08,050

well no they've been doing it all along

146

00:06:11,220 --> 00:06:09,730

they've been doing it every year so

147

00:06:12,900 --> 00:06:11,230

managing magic I went through every year

148

00:06:16,350 --> 00:06:12,910

I went year after year after year I said

149

00:06:18,450 --> 00:06:16,360

okay 56 is what they did 60 62 and I

150

00:06:20,970 --> 00:06:18,460

would identify these things that people

151  
00:06:23,640 --> 00:06:20,980  
really didn't realize have been going on

152  
00:06:27,560 --> 00:06:23,650  
all the time and so that's why I'm gonna

153  
00:06:30,450 --> 00:06:27,570  
be lecturing on here is the latest

154  
00:06:32,430 --> 00:06:30,460  
stories the latest videos what's

155  
00:06:34,980 --> 00:06:32,440  
happening how this group was set up and

156  
00:06:37,230 --> 00:06:34,990  
how the Washington Post got involved in

157  
00:06:40,320 --> 00:06:37,240  
New York Times what they're actually

158  
00:06:42,240 --> 00:06:40,330  
trying to do and I've got a second book

159  
00:06:43,920 --> 00:06:42,250  
coming out that that I'm working on

160  
00:06:46,200 --> 00:06:43,930  
right now which will be the the latest

161  
00:06:51,750 --> 00:06:46,210  
up to say and that's what I'll do and

162  
00:06:53,640 --> 00:06:51,760  
I'll also get into one story that still

163  
00:06:56,940 --> 00:06:53,650

nobody knows because it's just happening

164

00:06:58,980 --> 00:06:56,950

as we speak and that is that the guy I

165

00:07:02,970 --> 00:06:58,990

chased that the CIA's name is dr. Ron

166

00:07:04,680 --> 00:07:02,980

Pandolfi and they have a desk at the

167

00:07:06,010 --> 00:07:04,690

we're it's called a weird desk at the

168

00:07:09,580 --> 00:07:06,020

CIA

169

00:07:11,680 --> 00:07:09,590

and people don't realize that when it

170

00:07:15,070 --> 00:07:11,690

comes to UFOs in the the Central

171

00:07:18,520 --> 00:07:15,080

Intelligence Agency it's not just UFOs

172

00:07:21,520 --> 00:07:18,530

they call it phenomenology so it's not

173

00:07:24,850 --> 00:07:21,530

just UFOs it's remote-viewing psychic

174

00:07:26,530 --> 00:07:24,860

phenomena telepathy ghosts all what they

175

00:07:29,410 --> 00:07:26,540

call the weird stuff and what it

176

00:07:31,990 --> 00:07:29,420

basically says is there is a part of

177

00:07:34,000 --> 00:07:32,000

reality that we've missed that's beyond

178

00:07:35,950 --> 00:07:34,010

the physical world and that all this

179

00:07:38,110 --> 00:07:35,960

stuff is linked together so we always

180

00:07:40,990 --> 00:07:38,120

parse it we say okay you're a Chandler

181

00:07:43,450 --> 00:07:41,000

you're an experience or a contact D and

182

00:07:44,910 --> 00:07:43,460

abductee you're a medium you're this and

183

00:07:46,930 --> 00:07:44,920

it's all the same thing but they're just

184

00:07:49,840 --> 00:07:46,940

disassociating they're coming into

185

00:07:53,380 --> 00:07:49,850

contact with with this higher level of

186

00:07:55,960 --> 00:07:53,390

consciousness and so one of the stories

187

00:07:58,300 --> 00:07:55,970

that interested me was because I'd moved

188

00:08:00,190 --> 00:07:58,310

away after my consciousness experience I

189

00:08:02,500 --> 00:08:00,200

had moved away from the idea that this

190

00:08:04,780 --> 00:08:02,510

is nuts and bolts and I've sure went to

191

00:08:06,450 --> 00:08:04,790

the Jack Valley idea that I'd be very

192

00:08:08,500 --> 00:08:06,460

surprised if this turns out to just be

193

00:08:10,120 --> 00:08:08,510

extraterrestrials visiting it's much

194

00:08:12,850 --> 00:08:10,130

more complex than that has this

195

00:08:14,260 --> 00:08:12,860

consciousness aspects one of the stories

196

00:08:18,400 --> 00:08:14,270

that I've been chasing for a couple

197

00:08:19,870 --> 00:08:18,410

years was that this Ron Pandolfi guy was

198

00:08:22,480 --> 00:08:19,880

leaking material through a guy I know

199

00:08:24,220 --> 00:08:22,490

Dan Smith and the way the way this

200

00:08:26,350 --> 00:08:24,230

operates is is always plausible

201  
00:08:27,940 --> 00:08:26,360  
deniability the president doesn't know

202  
00:08:29,590 --> 00:08:27,950  
it's like he's an idiot he doesn't know

203  
00:08:31,180 --> 00:08:29,600  
it's possible deniability you don't want

204  
00:08:32,230 --> 00:08:31,190  
people asking questions to the president

205  
00:08:35,410 --> 00:08:32,240  
because he's the guy writing the

206  
00:08:37,210 --> 00:08:35,420  
cover-up and so what Ron Pandolfi had

207  
00:08:39,340 --> 00:08:37,220  
done was he put his material through a

208  
00:08:40,870 --> 00:08:39,350  
guy by the name of Dan Smith he's got

209  
00:08:45,220 --> 00:08:40,880  
two masters degrees in physics

210  
00:08:47,620 --> 00:08:45,230  
his father was a financial expert with

211  
00:08:51,730 --> 00:08:47,630  
the Eisenhower administration very

212  
00:08:53,140 --> 00:08:51,740  
wealthy guy and he's an eschatology he

213  
00:08:55,600 --> 00:08:53,150

believes in the end of the world he's

214

00:08:58,120 --> 00:08:55,610

very religious and he's been blogging

215

00:09:00,220 --> 00:08:58,130

for 27 years material that dr. Ron

216

00:09:02,800 --> 00:09:00,230

Pandolfi has been feeding him about

217

00:09:04,030 --> 00:09:02,810

what's going on but the thing is nobody

218

00:09:05,170 --> 00:09:04,040

really believes it because he's talking

219

00:09:06,670 --> 00:09:05,180

about the end of the world he's mixing

220

00:09:08,740 --> 00:09:06,680

philosophy in it and stuff like that

221

00:09:10,030 --> 00:09:08,750

never he goes and Dan Smith told us in

222

00:09:11,560 --> 00:09:10,040

advance but he has no he's talking about

223

00:09:13,870 --> 00:09:11,570

you know and that's the way they wanted

224

00:09:16,630 --> 00:09:13,880

to have this plasma my ability so I

225

00:09:19,720 --> 00:09:16,640

could about a couple days ago this idea

226

00:09:23,769 --> 00:09:19,730

of the portal came up again and the idea

227

00:09:25,509 --> 00:09:23,779

because if there's a portal and this is

228

00:09:26,650 --> 00:09:25,519

the story they've been running around

229

00:09:28,720 --> 00:09:26,660

for about two years

230

00:09:31,540 --> 00:09:28,730

Ron Pandolfi and the CIA have been

231

00:09:33,370 --> 00:09:31,550

putting out this impression that they

232

00:09:35,050 --> 00:09:33,380

have there's portal technology they

233

00:09:37,810 --> 00:09:35,060

we've actually our cert on the verge of

234

00:09:40,060 --> 00:09:37,820

understanding how this works that we can

235

00:09:43,060 --> 00:09:40,070

actually build this stuff so I was

236

00:09:45,250 --> 00:09:43,070

interested because if portals exist then

237

00:09:47,920 --> 00:09:45,260

the nuts and bolts idea of the universe

238

00:09:50,170 --> 00:09:47,930

isn't a lot of trouble this indicates

239

00:09:52,509 --> 00:09:50,180

what I got in my download experience is

240

00:09:53,680 --> 00:09:52,519

that it's much more complex than nuts

241

00:09:55,689 --> 00:09:53,690

and bolts it's got to do with the

242

00:09:57,639 --> 00:09:55,699

consciousness it's got do it quantum

243

00:10:00,910 --> 00:09:57,649

physics it's got to do with the nature

244

00:10:03,250 --> 00:10:00,920

reality and so you look at it is the

245

00:10:05,319 --> 00:10:03,260

world made out of little nuts and bolts

246

00:10:07,780 --> 00:10:05,329

or is it made out of consciousness does

247

00:10:10,449 --> 00:10:07,790

matter cause consciousness or this

248

00:10:12,550 --> 00:10:10,459

consciousness cause matter and what I'm

249

00:10:15,879 --> 00:10:12,560

stating is that consciousness creates

250

00:10:17,230 --> 00:10:15,889

matter you do not get matter until you

251  
00:10:19,389 --> 00:10:17,240  
have consciousness you have to have an

252  
00:10:22,300 --> 00:10:19,399  
observer to break down the quantum wave

253  
00:10:23,620 --> 00:10:22,310  
which produces matter so it's this sort

254  
00:10:25,600 --> 00:10:23,630  
of thing so I was very interested in the

255  
00:10:27,280 --> 00:10:25,610  
portal technology because if this

256  
00:10:29,050 --> 00:10:27,290  
existed where you can actually just sort

257  
00:10:31,509 --> 00:10:29,060  
of walk through this thing and be in

258  
00:10:34,329 --> 00:10:31,519  
another world instantaneously or another

259  
00:10:36,189 --> 00:10:34,339  
dimension it shows that the world is a

260  
00:10:38,620 --> 00:10:36,199  
lot less physical than people think it

261  
00:10:41,050 --> 00:10:38,630  
is so I've been chasing this story and

262  
00:10:42,430 --> 00:10:41,060  
it really was it was sort of like he

263  
00:10:44,620 --> 00:10:42,440

doesn't rhymes and riddles it's all

264

00:10:46,389 --> 00:10:44,630

plausible deniability so it wasn't like

265

00:10:47,889 --> 00:10:46,399

here's the portal here's where you go

266

00:10:49,480 --> 00:10:47,899

this kind of stuff like Santa Claus

267

00:10:51,430 --> 00:10:49,490

we're gonna give you the story it's

268

00:10:54,129 --> 00:10:51,440

always very indirect the story had

269

00:10:58,870 --> 00:10:54,139

almost faded away until about a week and

270

00:11:01,269 --> 00:10:58,880

a half ago when suddenly I was told that

271

00:11:02,889 --> 00:11:01,279

the stories back on again and the story

272

00:11:07,120 --> 00:11:02,899

center our centers around a guy by the

273

00:11:09,340 --> 00:11:07,130

name of Jill firmage and Joe firmage ran

274

00:11:12,540 --> 00:11:09,350

a three billion dollar computer company

275

00:11:16,090 --> 00:11:12,550

in the 1990s CEO very very powerful guy

276

00:11:18,210 --> 00:11:16,100

had an experience where a being appeared

277

00:11:20,620 --> 00:11:18,220

in his room in the middle of night and

278

00:11:22,990 --> 00:11:20,630

he started talking about space travel

279

00:11:25,629 --> 00:11:23,000

and the being said well why do you want

280

00:11:28,150 --> 00:11:25,639

be able to go to space and he said

281

00:11:30,720 --> 00:11:28,160

because I'm willing to die for it and at

282

00:11:33,300 --> 00:11:30,730

that point that he got some sort of

283

00:11:36,130 --> 00:11:33,310

download he got some sort of

284

00:11:38,500 --> 00:11:36,140

information and he basically quits his

285

00:11:40,420 --> 00:11:38,510

company he quits a CEO has a lot of

286

00:11:43,810 --> 00:11:40,430

money he starts putting money into

287

00:11:47,500 --> 00:11:43,820

technology to develop portal technology

288

00:11:51,009 --> 00:11:47,510

to be able to bypass into another world

289

00:11:53,530 --> 00:11:51,019

this sort of thing and there was always

290

00:11:55,540 --> 00:11:53,540

a story that he had it and no he didn't

291

00:11:58,210 --> 00:11:55,550

have it and I was trying to track this

292

00:12:01,269 --> 00:11:58,220

down so about two weeks ago it was

293

00:12:04,210 --> 00:12:01,279

mentioned to me that the stories back on

294

00:12:06,880 --> 00:12:04,220

and that he's got this and on Joel

295

00:12:08,829 --> 00:12:06,890

furnitures website you can actually see

296

00:12:13,420 --> 00:12:08,839

this technology has about on his YouTube

297

00:12:14,889 --> 00:12:13,430

site he has maybe seven videos and one

298

00:12:17,380 --> 00:12:14,899

of them talks about the being coming in

299

00:12:20,710 --> 00:12:17,390

the room he describes in fair detail he

300

00:12:24,699 --> 00:12:20,720

says is sinsemilla night but the other

301  
00:12:26,980 --> 00:12:24,709  
thing he shows is a instrument and what

302  
00:12:28,930 --> 00:12:26,990  
it looks like is a cage they call it the

303  
00:12:31,420 --> 00:12:28,940  
bouncing box but it's a cage and it has

304  
00:12:33,100 --> 00:12:31,430  
these spinning devices inside one

305  
00:12:34,660 --> 00:12:33,110  
spinning in one direction one spin and

306  
00:12:36,910 --> 00:12:34,670  
go faster and faster and faster and

307  
00:12:38,350 --> 00:12:36,920  
suddenly this box starts to bounce and

308  
00:12:41,500 --> 00:12:38,360  
it starts to almost like levitate off

309  
00:12:44,380 --> 00:12:41,510  
the ground so there's a dispute as to is

310  
00:12:46,960 --> 00:12:44,390  
this levitation is this anti-gravity

311  
00:12:48,670 --> 00:12:46,970  
gravity control or is this a portal so

312  
00:12:51,130 --> 00:12:48,680  
people are telling me no no he's just

313  
00:12:53,829 --> 00:12:51,140

got a gravitational device this is not a

314

00:12:56,110 --> 00:12:53,839

portal and I was told that he was

315

00:12:58,780 --> 00:12:56,120

involved and a guy by the name of Kevin

316

00:13:02,530 --> 00:12:58,790

Albert was involved and Kevin Albert was

317

00:13:04,750 --> 00:13:02,540

working for Ron Pandolfi and as of

318

00:13:07,079 --> 00:13:04,760

civilian he's apparently has you know

319

00:13:10,810 --> 00:13:07,089

intelligence background from Mossad and

320

00:13:12,340 --> 00:13:10,820

we're in California and he was involved

321

00:13:13,810 --> 00:13:12,350

and then the third name that was

322

00:13:16,230 --> 00:13:13,820

mentioned to me a couple weeks ago was a

323

00:13:18,939 --> 00:13:16,240

guy named Dan Merritt who was a

324

00:13:21,790 --> 00:13:18,949

Republican congressman for the state of

325

00:13:26,170 --> 00:13:21,800

Utah into the nineteen I think he left

326

00:13:29,350 --> 00:13:26,180

in the 1980s late 1980s and so that's

327

00:13:32,980 --> 00:13:29,360

where the lead and then about Wednesday

328

00:13:34,150 --> 00:13:32,990

of this week a couple days ago I started

329

00:13:35,889 --> 00:13:34,160

getting phone calls from Dan Smith

330

00:13:37,420 --> 00:13:35,899

you're not answering your phone I need

331

00:13:39,880 --> 00:13:37,430

to talk to you there's been developments

332

00:13:42,699 --> 00:13:39,890

and at the lake which is Salt Lake City

333

00:13:44,380 --> 00:13:42,709

that's where Joe firmage lives and he

334

00:13:46,569 --> 00:13:44,390

said to me there's been developments I

335

00:13:46,900 --> 00:13:46,579

need to talk to you because they sort of

336

00:13:49,210 --> 00:13:46,910

see me

337

00:13:53,250 --> 00:13:49,220

a spokesman a lot of the groups like

338

00:13:55,920 --> 00:13:53,260

whether it's CIA people or whether it's

339

00:14:01,270 --> 00:13:55,930

[Music]

340

00:14:03,490 --> 00:14:01,280

to the stars or whether it's there's a

341

00:14:05,710 --> 00:14:03,500

guy out of Stanford really doing these

342

00:14:07,750 --> 00:14:05,720

experiments with with experiencers where

343

00:14:09,130 --> 00:14:07,760

they basically say that I'm pretty well

344

00:14:11,830 --> 00:14:09,140

accurate on what I'm saying

345

00:14:13,240 --> 00:14:11,840

so they I'm seen as sort of a spokesman

346

00:14:15,910 --> 00:14:13,250

people are trying to put stuff through

347

00:14:17,740 --> 00:14:15,920

me so Dan was trying to get this out you

348

00:14:20,560 --> 00:14:17,750

need to know and he actually started

349

00:14:23,080 --> 00:14:20,570

using the word managing magic and the

350

00:14:24,850 --> 00:14:23,090

reason I used the term was it's not UFOs

351

00:14:26,560 --> 00:14:24,860

it's magic it's all the different

352

00:14:28,300 --> 00:14:26,570

phenomenons and that they're managing

353

00:14:32,050 --> 00:14:28,310

the stories are trying to manage this

354

00:14:33,970 --> 00:14:32,060

very bizarre aspect to the to reality so

355

00:14:37,210 --> 00:14:33,980

he said you're answering your phone then

356

00:14:38,830 --> 00:14:37,220

he went to a blog site where they

357

00:14:39,910 --> 00:14:38,840

blogged this stuff and you really can't

358

00:14:42,550 --> 00:14:39,920

tell because it's all this philosophy

359

00:14:45,580 --> 00:14:42,560

stuff and unless you know where to read

360

00:14:48,100 --> 00:14:45,590

or whatever and it appeared that they

361

00:14:50,860 --> 00:14:48,110

had on Tuesday night Tuesday evening

362

00:14:53,170 --> 00:14:50,870

that they had put this instrument that

363

00:14:57,060 --> 00:14:53,180

perfected this thing and his Dan Merritt

364

00:14:59,560 --> 00:14:57,070

guy the the former Congress congressman

365

00:15:02,110 --> 00:14:59,570

had put in four million dollars into

366

00:15:04,360 --> 00:15:02,120

this invention and they spent apparently

367

00:15:07,690 --> 00:15:04,370

ninety million dollars on this on this

368

00:15:09,190 --> 00:15:07,700

project over the years so they had

369

00:15:12,880 --> 00:15:09,200

formed a new company that's I was told

370

00:15:14,410 --> 00:15:12,890

and that Alber was the CEO the chairman

371

00:15:16,240 --> 00:15:14,420

of the company was a Stan Merritt this

372

00:15:18,310 --> 00:15:16,250

former congressman and then joel fuhrman

373

00:15:23,230 --> 00:15:18,320

and that they had perfected the device

374

00:15:27,010 --> 00:15:23,240

so that the dating on this project was

375

00:15:32,020 --> 00:15:27,020

the first mention of the portal was in

376

00:15:33,910 --> 00:15:32,030

about 2016 beginning of the year when

377

00:15:36,640 --> 00:15:33,920

they start talking about this and we're

378

00:15:39,490 --> 00:15:36,650

now in April and this is when this story

379

00:15:40,420 --> 00:15:39,500

seems to have completely developed April

380

00:15:46,150 --> 00:15:40,430

of 2018

381

00:15:47,890 --> 00:15:46,160

and so early this month or maybe in late

382

00:15:50,350 --> 00:15:47,900

March was the first time I heard that

383

00:15:51,880 --> 00:15:50,360

they had they had sort of perfected this

384

00:15:54,910 --> 00:15:51,890

thing that something was happening that

385

00:15:58,680 --> 00:15:54,920

they're gonna run this experiment so it

386

00:16:00,880 --> 00:15:58,690

would be maybe around

387

00:16:02,470 --> 00:16:00,890

April the six that they're supposed to

388

00:16:07,600 --> 00:16:02,480

run a test they're supposed to run a

389

00:16:11,290 --> 00:16:07,610

test and I was told that that Ron and

390

00:16:14,140 --> 00:16:11,300

Ally hug Pandolfi who's his wife were

391

00:16:16,870 --> 00:16:14,150

going to go to Colorado so they would be

392

00:16:19,030 --> 00:16:16,880

there right now it's just be April of

393

00:16:20,290 --> 00:16:19,040

13th that they were going to run and

394

00:16:22,510 --> 00:16:20,300

there's people coming from around the

395

00:16:25,900 --> 00:16:22,520

world to look at this experiment but

396

00:16:30,460 --> 00:16:25,910

what happened on Tuesday night is that

397

00:16:34,420 --> 00:16:30,470

they ran this experiment they ran this

398

00:16:36,820 --> 00:16:34,430

this this bouncing box thing and I guess

399

00:16:38,440 --> 00:16:36,830

some sort of portal thing opened up and

400

00:16:40,090 --> 00:16:38,450

there was a beam came out of the portal

401  
00:16:42,310 --> 00:16:40,100  
and they were filming this whole thing

402  
00:16:47,490 --> 00:16:42,320  
and there was a telepathic message

403  
00:16:51,010 --> 00:16:47,500  
between Kevin Albert and this being and

404  
00:16:53,560 --> 00:16:51,020  
Ron Pandolfi himself posted on this

405  
00:16:56,110 --> 00:16:53,570  
website in 80 posts under a name called

406  
00:16:57,670 --> 00:16:56,120  
foot men and he talks in rhymes and

407  
00:17:01,120 --> 00:16:57,680  
riddles but he's basically talking about

408  
00:17:04,210 --> 00:17:01,130  
this this incident with the message with

409  
00:17:06,460 --> 00:17:04,220  
the being and stuff like that and so

410  
00:17:09,180 --> 00:17:06,470  
what they had said in the postings was

411  
00:17:13,480 --> 00:17:09,190  
we don't want to have another nimitz

412  
00:17:16,630 --> 00:17:13,490  
fiasco sort of indicating that when Tom

413  
00:17:18,640 --> 00:17:16,640

DeLonge released the nimitz video with

414

00:17:22,630 --> 00:17:18,650

the New York Times article in December

415

00:17:24,010 --> 00:17:22,640

of 2017 that it didn't go anywhere like

416

00:17:25,780 --> 00:17:24,020

people said oh it's a hoax they've had

417

00:17:27,730 --> 00:17:25,790

it before and stuff like that so they

418

00:17:29,320 --> 00:17:27,740

said this may with we don't want to get

419

00:17:31,570 --> 00:17:29,330

into that same thing where people can

420

00:17:34,390 --> 00:17:31,580

say it's a hoax so it's at this point

421

00:17:36,490 --> 00:17:34,400

I've learned about it Wednesday and I've

422

00:17:39,850 --> 00:17:36,500

come to Eureka Springs it's now Friday

423

00:17:42,070 --> 00:17:39,860

and I've got an associate who was in

424

00:17:44,260 --> 00:17:42,080

Washington lives in Washington who works

425

00:17:45,400 --> 00:17:44,270

for a law firm there who's coming here

426  
00:17:47,710 --> 00:17:45,410  
and we're gonna try to make the phone

427  
00:17:49,750 --> 00:17:47,720  
calls and I'm gonna see whether on

428  
00:17:51,100 --> 00:17:49,760  
Sunday I can get this video I very much

429  
00:17:53,170 --> 00:17:51,110  
doubt I'll be able to get the video but

430  
00:17:55,690 --> 00:17:53,180  
they have a video or at least get the

431  
00:17:57,850 --> 00:17:55,700  
complete story of what actually happened

432  
00:17:59,440 --> 00:17:57,860  
on Tuesday night so it gives you an

433  
00:18:02,520 --> 00:17:59,450  
indication if this is true and I think

434  
00:18:05,830 --> 00:18:02,530  
there is some truth to the story that

435  
00:18:07,000 --> 00:18:05,840  
the idea of a physical world is in

436  
00:18:08,950 --> 00:18:07,010  
trouble and

437  
00:18:10,960 --> 00:18:08,960  
that we do have some sort of portal

438  
00:18:12,760 --> 00:18:10,970

technology we have something where we

439

00:18:15,910 --> 00:18:12,770

understand this interdimensional thing

440

00:18:18,310 --> 00:18:15,920

and this would be the idea of where

441

00:18:19,870 --> 00:18:18,320

these beings and I always call it the

442

00:18:21,970 --> 00:18:19,880

intelligence behind a phenomena that

443

00:18:24,010 --> 00:18:21,980

they aren't really flying through space

444

00:18:26,110 --> 00:18:24,020

with giant spacecrafts they're popping

445

00:18:27,490 --> 00:18:26,120

from one point in space to another point

446

00:18:29,820 --> 00:18:27,500

in space and they're coming through

447

00:18:32,110 --> 00:18:29,830

these gateways these portals these

448

00:18:33,730 --> 00:18:32,120

whatever you want to call them that

449

00:18:35,350 --> 00:18:33,740

that's how they get here so that's

450

00:18:39,910 --> 00:18:35,360

basically what my presentation is going

451  
00:18:41,440 --> 00:18:39,920  
to be and it's what people want I'm more

452  
00:18:43,330 --> 00:18:41,450  
interested still in the consciousness

453  
00:18:45,760 --> 00:18:43,340  
thing I've just released my book on on

454  
00:18:50,320 --> 00:18:45,770  
music the connection between rock

455  
00:18:55,270 --> 00:18:50,330  
musicians and paranormal phenomena and

456  
00:18:57,190 --> 00:18:55,280  
UFOs detailing how many major musicians

457  
00:18:59,970 --> 00:18:57,200  
I believe our experiences have actually

458  
00:19:04,270 --> 00:18:59,980  
you know been abductees they they've

459  
00:19:06,280 --> 00:19:04,280  
downloaded songs they do lyrics for for

460  
00:19:09,070 --> 00:19:06,290  
UFO stuff like that and that great

461  
00:19:10,690 --> 00:19:09,080  
influence but what I'll be doing here is

462  
00:19:12,670 --> 00:19:10,700  
this basically this disclosure thing

463  
00:19:15,520 --> 00:19:12,680

which is everybody's is waiting for and

464

00:19:18,700 --> 00:19:15,530

what I say is they're releasing stuff

465

00:19:20,380 --> 00:19:18,710

yes in drips and drabs and this will

466

00:19:22,210 --> 00:19:20,390

continue probably for the next seven

467

00:19:24,190 --> 00:19:22,220

years I've heard this program will take

468

00:19:27,130 --> 00:19:24,200

seven years for them to run through and

469

00:19:28,270 --> 00:19:27,140

what they are doing is people want

470

00:19:30,340 --> 00:19:28,280

disclosure they want the whole answer

471

00:19:32,680 --> 00:19:30,350

tell us what's going on give us all the

472

00:19:37,360 --> 00:19:32,690

details whatever and what they have done

473

00:19:40,660 --> 00:19:37,370

is in December 16 2017

474

00:19:43,720 --> 00:19:40,670

they basically released the first two

475

00:19:46,060 --> 00:19:43,730

videos and what they've done is what I

476

00:19:48,160 --> 00:19:46,070

say is confirmation and the guy who

477

00:19:51,100 --> 00:19:48,170

controls all the material is a guy named

478

00:19:53,530 --> 00:19:51,110

Bob Bigelow he's big billionaire in Las

479

00:19:55,300 --> 00:19:53,540

Vegas he held the government contract

480

00:19:58,210 --> 00:19:55,310

that did the investigation on the UFOs

481

00:20:01,360 --> 00:19:58,220

he has all the film the medals he has

482

00:20:03,490 --> 00:20:01,370

everything and he had stated in 2013 and

483

00:20:06,550 --> 00:20:03,500

an interview already that what we need

484

00:20:09,220 --> 00:20:06,560

is confirmation not disclosure and what

485

00:20:11,680 --> 00:20:09,230

confirmation is is what they did in

486

00:20:12,880 --> 00:20:11,690

December you release the story you

487

00:20:14,470 --> 00:20:12,890

release you have these high-level

488

00:20:16,360 --> 00:20:14,480

government officials that come forward

489

00:20:20,049 --> 00:20:16,370

they say we're high get level government

490

00:20:22,930 --> 00:20:20,059

officials and the UFO story is for real

491

00:20:26,049 --> 00:20:22,940

and you stop right there you don't say

492

00:20:29,379 --> 00:20:26,059

who it is you don't say where they're

493

00:20:31,959 --> 00:20:29,389

from you don't talk about alien cattle

494

00:20:34,899 --> 00:20:31,969

mutilations alien abductions you just

495

00:20:37,239 --> 00:20:34,909

say yes we have a phenomena UFO

496

00:20:38,259 --> 00:20:37,249

phenomena it's for real and we're trying

497

00:20:40,149 --> 00:20:38,269

to figure out what's going on

498

00:20:42,549 --> 00:20:40,159

so that's confirmation and then once

499

00:20:44,379 --> 00:20:42,559

everybody gets used to it then you go to

500

00:20:46,389 --> 00:20:44,389

where they're coming from that sort of

501  
00:20:48,729 --> 00:20:46,399  
stuff and so what they're trying to do I

502  
00:20:50,049 --> 00:20:48,739  
believe is they're trying to shift the

503  
00:20:51,310 --> 00:20:50,059  
general public they don't care about the

504  
00:20:53,259 --> 00:20:51,320  
UFO community they don't care what we

505  
00:20:54,820 --> 00:20:53,269  
think because we'll ask all sorts of

506  
00:20:55,089 --> 00:20:54,830  
hard questions nobody's gonna believe me

507  
00:20:57,579 --> 00:20:55,099  
anyway

508  
00:20:59,229 --> 00:20:57,589  
but the general public the person who's

509  
00:21:01,389 --> 00:20:59,239  
on the street who's like a swing voter

510  
00:21:03,700 --> 00:21:01,399  
in an election really doesn't know

511  
00:21:06,279 --> 00:21:03,710  
really doesn't care sees the video and

512  
00:21:08,440 --> 00:21:06,289  
goes oh the government's got a program

513  
00:21:12,459 --> 00:21:08,450

and look at they released this video and

514

00:21:15,430 --> 00:21:12,469

you swing the average person to shift

515

00:21:16,950 --> 00:21:15,440

consciousness inside the American public

516

00:21:18,909 --> 00:21:16,960

that's what they're doing absolutely

517

00:21:20,259 --> 00:21:18,919

guarantee people that's that's what

518

00:21:22,899 --> 00:21:20,269

they're doing is shifting consciousness

519

00:21:25,089 --> 00:21:22,909

and down the road they will get into

520

00:21:27,219 --> 00:21:25,099

they do know they have a lot of answers

521

00:21:32,349 --> 00:21:27,229

but those answers don't come for a

522

00:21:35,109 --> 00:21:32,359

number of years in December 16 2016

523

00:21:36,820 --> 00:21:35,119

there was two videos released through

524

00:21:40,329 --> 00:21:36,830

the New York Times through the

525

00:21:43,419 --> 00:21:40,339

Washington Post the political and the

526  
00:21:46,299 --> 00:21:43,429  
important part of it is that all three

527  
00:21:48,310 --> 00:21:46,309  
news agencies went on the same day so

528  
00:21:50,079 --> 00:21:48,320  
you if you talk to people inside they'll

529  
00:21:51,969 --> 00:21:50,089  
say no it was just good reporting by the

530  
00:21:53,799 --> 00:21:51,979  
New York Times or it was just an

531  
00:21:55,779 --> 00:21:53,809  
investigation this guy just retired and

532  
00:21:57,729 --> 00:21:55,789  
he came out and he decided that UFOs

533  
00:22:01,149 --> 00:21:57,739  
have to be investigated the fact that

534  
00:22:03,190 --> 00:22:01,159  
three news agencies all went on the same

535  
00:22:05,229 --> 00:22:03,200  
day on a story that took them a couple

536  
00:22:06,519 --> 00:22:05,239  
of months to do proves that this was

537  
00:22:07,989 --> 00:22:06,529  
coordinated by the government they

538  
00:22:09,489 --> 00:22:07,999

coordinated all three newspapers to go

539

00:22:11,680 --> 00:22:09,499

at the same time because these

540

00:22:13,209 --> 00:22:11,690

newspapers never did you have UFO

541

00:22:16,119 --> 00:22:13,219

stories that were very there were major

542

00:22:18,549 --> 00:22:16,129

media outlets who didn't never touched

543

00:22:20,919 --> 00:22:18,559

UFO stories so to them all to go and

544

00:22:24,249 --> 00:22:20,929

they released these videos which were

545

00:22:28,539 --> 00:22:24,259

significant in that as soon as it

546

00:22:30,369 --> 00:22:28,549

happened I went to the reporter who

547

00:22:34,230 --> 00:22:30,379

asked Hillary Clinton the first question

548

00:22:37,269 --> 00:22:34,240

in this would be

549

00:22:39,879 --> 00:22:37,279

2015 December of 2015 he asked Hillary

550

00:22:41,740 --> 00:22:39,889

Clinton what do you think about UFOs she

551  
00:22:43,360 --> 00:22:41,750  
said I think I think we need the answers

552  
00:22:46,930 --> 00:22:43,370  
I think we need to disclose something

553  
00:22:49,240 --> 00:22:46,940  
she started talking about UFOs so when

554  
00:22:50,950 --> 00:22:49,250  
these videos were released and both the

555  
00:22:53,529 --> 00:22:50,960  
Washington Post and New York Times were

556  
00:22:55,269 --> 00:22:53,539  
shown these videos before which

557  
00:22:56,680 --> 00:22:55,279  
indicates that this is a setup story

558  
00:22:58,810 --> 00:22:56,690  
they were shown the videos that are

559  
00:23:01,600 --> 00:22:58,820  
shown documents they were sold the story

560  
00:23:03,879 --> 00:23:01,610  
by intelligence officials when you need

561  
00:23:06,999 --> 00:23:03,889  
to go with this story so the videos came

562  
00:23:08,860 --> 00:23:07,009  
out and everybody was sort of in awe of

563  
00:23:11,080 --> 00:23:08,870

these videos because what they show is

564

00:23:13,899 --> 00:23:11,090

the one is from the Nimitz it was an

565

00:23:16,570 --> 00:23:13,909

incident happened in November of 2004

566

00:23:19,919 --> 00:23:16,580

with the Nimitz carrier group off of San

567

00:23:21,820 --> 00:23:19,929

Diego and they have this big huge

568

00:23:23,860 --> 00:23:21,830

aircraft carrier

569

00:23:27,129 --> 00:23:23,870

they have a destroyer they have an

570

00:23:29,169 --> 00:23:27,139

aerial plane that's got radar on it and

571

00:23:30,789 --> 00:23:29,179

all these ships so it's not just one

572

00:23:33,879 --> 00:23:30,799

ship there's this whole carrier group

573

00:23:36,220 --> 00:23:33,889

jet fighters and stuff like that and for

574

00:23:37,539 --> 00:23:36,230

a couple of couple of days or a couple

575

00:23:39,850 --> 00:23:37,549

of weeks that were picking up these

576  
00:23:41,769 --> 00:23:39,860  
objects that were there all the time and

577  
00:23:43,210 --> 00:23:41,779  
they were they would go up to 80,000

578  
00:23:45,009 --> 00:23:43,220  
feet and it would drop down to 50 feet

579  
00:23:46,570 --> 00:23:45,019  
above the ocean they would create this

580  
00:23:48,129 --> 00:23:46,580  
sort of a stir inside the ocean look

581  
00:23:50,919 --> 00:23:48,139  
like a plane was sinking and stuff like

582  
00:23:54,659 --> 00:23:50,929  
that and so at one point they send out

583  
00:23:57,399 --> 00:23:54,669  
two jet fighters to investigate this and

584  
00:23:59,080 --> 00:23:57,409  
they run out of fuel they can't do it

585  
00:24:00,940 --> 00:23:59,090  
anymore so they pull them back then they

586  
00:24:02,499 --> 00:24:00,950  
send out these two jet fighters from the

587  
00:24:05,619 --> 00:24:02,509  
coast from an Air Force Base in

588  
00:24:07,330 --> 00:24:05,629

California to investigate this it's at

589

00:24:10,330 --> 00:24:07,340

that point they run into this object and

590

00:24:13,440 --> 00:24:10,340

so these two guys are watching this

591

00:24:15,490 --> 00:24:13,450

object and the thing turns towards them

592

00:24:16,990 --> 00:24:15,500

according to one of the people involved

593

00:24:18,369 --> 00:24:17,000

there was a shoot down order given that

594

00:24:20,230 --> 00:24:18,379

they were to shoot this thing down and

595

00:24:21,789 --> 00:24:20,240

the one tries to get in behind the

596

00:24:25,659 --> 00:24:21,799

object and meanwhile they're filming

597

00:24:26,889 --> 00:24:25,669

this with with cameras and so what the

598

00:24:29,379 --> 00:24:26,899

New York Times did in the Washington

599

00:24:32,200 --> 00:24:29,389

Post is they released these videos of

600

00:24:35,049 --> 00:24:32,210

sort of like gun camera footage of the

601  
00:24:36,850 --> 00:24:35,059  
this object and then they released the

602  
00:24:38,110 --> 00:24:36,860  
second one but when they released that

603  
00:24:39,879 --> 00:24:38,120  
they really didn't say when it was

604  
00:24:42,220 --> 00:24:39,889  
turned out the second video they

605  
00:24:46,450 --> 00:24:42,230  
released was not from the same incident

606  
00:24:47,350 --> 00:24:46,460  
it was from 2015 off of Florida and this

607  
00:24:49,330 --> 00:24:47,360  
one had to

608  
00:24:50,890 --> 00:24:49,340  
violets talking and these two pilots are

609  
00:24:52,210 --> 00:24:50,900  
saying did you see that there's a whole

610  
00:24:54,039 --> 00:24:52,220  
fleet of them and stuff like this

611  
00:24:56,020 --> 00:24:54,049  
they're talking on the camera so these

612  
00:24:59,289 --> 00:24:56,030  
videos came out and they were very

613  
00:25:00,940 --> 00:24:59,299

dramatic and it shifted the Washington

614

00:25:03,130 --> 00:25:00,950

Post New York Times and all the news

615

00:25:05,950 --> 00:25:03,140

media whether it was Fox or where there

616

00:25:09,220 --> 00:25:05,960

was CNN or any of these other major news

617

00:25:12,610 --> 00:25:09,230

agencies basically what they would say

618

00:25:15,240 --> 00:25:12,620

is oh the Department of Defense has

619

00:25:18,400 --> 00:25:15,250

released the you of a UFO video

620

00:25:20,020 --> 00:25:18,410

meanwhile in the UFO community I and a

621

00:25:22,180 --> 00:25:20,030

number of other people are trying to

622

00:25:25,240 --> 00:25:22,190

find out we're trying to get

623

00:25:26,470 --> 00:25:25,250

documentation so when this thing broke I

624

00:25:28,480 --> 00:25:26,480

had this guy who would ask Hillary

625

00:25:30,430 --> 00:25:28,490

Clinton the question he was a reporter

626

00:25:33,190 --> 00:25:30,440

from a small newspaper in New Hampshire

627

00:25:36,430 --> 00:25:33,200

I said Daymond steer was named as a

628

00:25:38,320 --> 00:25:36,440

Damon can you follow an FOI let's get

629

00:25:40,330 --> 00:25:38,330

the material let's get these films let's

630

00:25:42,909 --> 00:25:40,340

get a documentation that this actually

631

00:25:45,220 --> 00:25:42,919

happened he phoned before he filed the

632

00:25:48,850 --> 00:25:45,230

FOI he phones the Defense Department and

633

00:25:51,220 --> 00:25:48,860

they say sorry sir we did not release

634

00:25:52,539 --> 00:25:51,230

any video and yet the video is in New

635

00:25:55,200 --> 00:25:52,549

York Times that's in the Washington Post

636

00:25:57,640 --> 00:25:55,210

and he said well I want to file an foi a

637

00:25:59,980 --> 00:25:57,650

who do I follow to do I follow to the

638

00:26:02,799 --> 00:25:59,990

Defense Department Defense Intelligence

639

00:26:05,169 --> 00:26:02,809

Agency who do I file it said sorry sir I

640

00:26:06,760 --> 00:26:05,179

can't help you we did not all I can tell

641

00:26:10,600 --> 00:26:06,770

you sir we did not release any video

642

00:26:13,500 --> 00:26:10,610

that were talking four months later is

643

00:26:16,630 --> 00:26:13,510

the same situation they still will say

644

00:26:18,940 --> 00:26:16,640

we didn't release any video yet the

645

00:26:21,159 --> 00:26:18,950

significant thing is that the guy who

646

00:26:23,770 --> 00:26:21,169

wrote the story for New York Times one

647

00:26:26,140 --> 00:26:23,780

of the guys is Ralph Blumenthal Ralph

648

00:26:27,820 --> 00:26:26,150

Blumenthal he won a Pulitzer Prize the

649

00:26:30,460 --> 00:26:27,830

guy who did in the Washington Post

650

00:26:33,280 --> 00:26:30,470

article had won two Pulitzer Prizes

651  
00:26:35,200 --> 00:26:33,290  
these are national security reporters

652  
00:26:37,570 --> 00:26:35,210  
who had many years with with top

653  
00:26:40,060 --> 00:26:37,580  
newspapers would not have gone with that

654  
00:26:42,400 --> 00:26:40,070  
story unless they had at least two

655  
00:26:45,549 --> 00:26:42,410  
confirmations from inside the Pentagon

656  
00:26:48,010 --> 00:26:45,559  
that these videos are for real if they

657  
00:26:49,870 --> 00:26:48,020  
had what we had which it was the guy

658  
00:26:51,280 --> 00:26:49,880  
saying we didn't release those videos

659  
00:26:53,289 --> 00:26:51,290  
they never would have gone with the

660  
00:26:55,390 --> 00:26:53,299  
story so they had a confirmation so this

661  
00:26:58,799 --> 00:26:55,400  
is this shows you how they play this

662  
00:27:00,930 --> 00:26:58,809  
game they put the videos out and

663  
00:27:03,419 --> 00:27:00,940

everybody believed they had released

664

00:27:06,450 --> 00:27:03,429

when they had released them and they

665

00:27:08,669 --> 00:27:06,460

released them not to the defense guy who

666

00:27:10,560 --> 00:27:08,679

was that came out Lou Elizondo was his

667

00:27:12,599 --> 00:27:10,570

name Lou Alessandro said I didn't

668

00:27:15,359 --> 00:27:12,609

release the videos they released them to

669

00:27:18,330 --> 00:27:15,369

the stars so it's all a big mix-up and

670

00:27:19,919 --> 00:27:18,340

people are saying you know where are the

671

00:27:24,019 --> 00:27:19,929

documents and we filed four documents

672

00:27:27,419 --> 00:27:24,029

there's been I think 1500 foi ace filed

673

00:27:29,099 --> 00:27:27,429

tooth up to 2000 fos filed because this

674

00:27:30,930 --> 00:27:29,109

is a major story all sorts of people

675

00:27:33,269 --> 00:27:30,940

trying to get the documentation of the

676

00:27:35,249 --> 00:27:33,279

videos and stuff and everybody's got

677

00:27:38,999 --> 00:27:35,259

nothing people are saying the government

678

00:27:40,109 --> 00:27:39,009

is saying we don't have any records so

679

00:27:41,460 --> 00:27:40,119

they're not confirming there was an

680

00:27:43,109 --> 00:27:41,470

investigation they're not confirming

681

00:27:44,789 --> 00:27:43,119

their videos they're not confirming

682

00:27:47,219 --> 00:27:44,799

anything they're basically saying nah

683

00:27:49,320 --> 00:27:47,229

didn't happen and that's that's this

684

00:27:51,299 --> 00:27:49,330

sort of mix-up thing where I say they

685

00:27:52,879 --> 00:27:51,309

release the information then they

686

00:27:55,680 --> 00:27:52,889

released the counter counterintelligence

687

00:27:57,810 --> 00:27:55,690

operation and it bounces around so

688

00:27:59,820 --> 00:27:57,820

people look at the video and a lot of

689

00:28:01,589 --> 00:27:59,830

the public will know oh yeah I saw the

690

00:28:03,749 --> 00:28:01,599

video for the New York Times it's been

691

00:28:05,369 --> 00:28:03,759

all over all the major news media and

692

00:28:07,440 --> 00:28:05,379

the news media are all making the same

693

00:28:09,060 --> 00:28:07,450

mistake is they're just repeating it

694

00:28:10,799 --> 00:28:09,070

they're saying the Defense Department

695

00:28:12,269 --> 00:28:10,809

released another video today because

696

00:28:15,029 --> 00:28:12,279

there was a third video that was

697

00:28:18,810 --> 00:28:15,039

released in March early March of 2018

698

00:28:21,320 --> 00:28:18,820

and in that video it was released

699

00:28:23,820 --> 00:28:21,330

through the Washington Post and again

700

00:28:28,739 --> 00:28:23,830

everybody repeated it it was picked up

701  
00:28:30,359 --> 00:28:28,749  
by Fox by BBC and by CNN or Elsa and it

702  
00:28:32,159 --> 00:28:30,369  
also the same thing oh the Defense

703  
00:28:34,229 --> 00:28:32,169  
Department released another UFO video

704  
00:28:35,759 --> 00:28:34,239  
when you go to Defense Department no we

705  
00:28:37,289 --> 00:28:35,769  
didn't release any video and that's how

706  
00:28:39,899 --> 00:28:37,299  
they do it so it's plausible deniability

707  
00:28:42,060 --> 00:28:39,909  
and it's letting the story get out there

708  
00:28:44,009 --> 00:28:42,070  
and bounce around and for what I'm told

709  
00:28:46,259 --> 00:28:44,019  
this is going to go on for seven years

710  
00:28:48,359 --> 00:28:46,269  
they're going to drop these videos what

711  
00:28:53,460 --> 00:28:48,369  
I'm told is they have two dozen videos

712  
00:28:55,710 --> 00:28:53,470  
and then there was one that NASA was

713  
00:28:58,139 --> 00:28:55,720

going to release as well two videos that

714

00:29:01,859 --> 00:28:58,149

they they contributed so we could have

715

00:29:03,419 --> 00:29:01,869

another 23 videos coming and the other

716

00:29:07,619 --> 00:29:03,429

thing they talked about was the fact

717

00:29:10,079 --> 00:29:07,629

that they had metal that they had this

718

00:29:12,629 --> 00:29:10,089

metal that if you listen to Linda Howe

719

00:29:14,190 --> 00:29:12,639

she'll say it's thirty six layers 36 to

720

00:29:17,340 --> 00:29:14,200

38 layers

721

00:29:19,290 --> 00:29:17,350

pick with with one to four microns thick

722

00:29:21,360 --> 00:29:19,300

about a quarter of an inch with all

723

00:29:23,610 --> 00:29:21,370

these layers and that even today we

724

00:29:26,480 --> 00:29:23,620

cannot reproduce this material it's so

725

00:29:28,740 --> 00:29:26,490

thin and it's so pure so it's made of

726

00:29:32,130 --> 00:29:28,750

magnesium and these different elements

727

00:29:35,600 --> 00:29:32,140

that are so pure the aluminum is like

728

00:29:38,100 --> 00:29:35,610

99.9 percent like pure pure aluminum and

729

00:29:39,660 --> 00:29:38,110

so this metal stuff they have that

730

00:29:41,790 --> 00:29:39,670

they're going to be talking about and

731

00:29:43,290 --> 00:29:41,800

then there's another program that I'm

732

00:29:45,270 --> 00:29:43,300

not going to talk about here I'll just

733

00:29:47,310 --> 00:29:45,280

briefly mention it which to me is the

734

00:29:50,250 --> 00:29:47,320

most important part so the de'longhi

735

00:29:52,620 --> 00:29:50,260

operation is is was to set up where

736

00:29:54,140 --> 00:29:52,630

these intelligence guys came in they

737

00:29:56,420 --> 00:29:54,150

were able to operate through his company

738

00:30:01,770 --> 00:29:56,430

put all this material out so they have

739

00:30:03,240 --> 00:30:01,780

20 say 20 26 videos they have 38 papers

740

00:30:05,550 --> 00:30:03,250

that were produced some of them are up

741

00:30:07,800 --> 00:30:05,560

to 400 90 pages but I think a lot of

742

00:30:10,110 --> 00:30:07,810

those are theoretical papers on space

743

00:30:16,350 --> 00:30:10,120

propulsion stuff like that then you have

744

00:30:17,970 --> 00:30:16,360

the oh the the the metals and then the

745

00:30:21,960 --> 00:30:17,980

fourth one I say is the most important

746

00:30:25,020 --> 00:30:21,970

one they are doing work with experiences

747

00:30:27,300 --> 00:30:25,030

so what the the people that are running

748

00:30:30,840 --> 00:30:27,310

it one guy is doc his name is doctor kit

749

00:30:34,290 --> 00:30:30,850

Green who was formerly at Ron Pandolfi

750

00:30:36,630 --> 00:30:34,300

struck from 69 to 83 he ran the weird

751  
00:30:38,910 --> 00:30:36,640  
desk at the CIA all the paranormal stuff

752  
00:30:43,290 --> 00:30:38,920  
at the CIA he is one of the guys he's

753  
00:30:46,860 --> 00:30:43,300  
he's a physiologist so he's interested

754  
00:30:48,300 --> 00:30:46,870  
in brain scans mris so what they have

755  
00:30:50,460 --> 00:30:48,310  
done is they've taken all people who

756  
00:30:53,880 --> 00:30:50,470  
have been injured by UFOs this is a lot

757  
00:30:57,030 --> 00:30:53,890  
of black ops people some experiencers in

758  
00:30:58,680 --> 00:30:57,040  
from the general public and the taking

759  
00:31:02,190 --> 00:30:58,690  
highly psychic people like uri geller

760  
00:31:05,130 --> 00:31:02,200  
joe mcmoneagle they have english wands

761  
00:31:07,950 --> 00:31:05,140  
DNA people like that and what they have

762  
00:31:09,900 --> 00:31:07,960  
discovered according to the rumors and

763  
00:31:12,330 --> 00:31:09,910

they haven't put out any peer-reviewed

764

00:31:15,000 --> 00:31:12,340

papers that we can actually they detail

765

00:31:18,060 --> 00:31:15,010

what it is but what I hear is that they

766

00:31:20,850 --> 00:31:18,070

have determined that every every

767

00:31:24,840 --> 00:31:20,860

experiencer and every highly psychic

768

00:31:26,440 --> 00:31:24,850

person has a DNA marker that they can

769

00:31:29,920 --> 00:31:26,450

actually determine there's a marker

770

00:31:31,330 --> 00:31:29,930

DNA what they say is that your DNA will

771

00:31:33,250 --> 00:31:31,340

record everything else happened to you

772

00:31:35,350 --> 00:31:33,260

so if you've had a cold if you've had

773

00:31:38,820 --> 00:31:35,360

the flu it would leave a marker on your

774

00:31:41,560 --> 00:31:38,830

DNA and they can actually detail this

775

00:31:43,360 --> 00:31:41,570

these markers so there's a marker in

776

00:31:45,820 --> 00:31:43,370

every one of these people it's the same

777

00:31:48,220 --> 00:31:45,830

and the other thing they have is this a

778

00:31:50,650 --> 00:31:48,230

particular brain pattern and what they

779

00:31:54,850 --> 00:31:50,660

call it is the antenna it's an antenna

780

00:31:57,790 --> 00:31:54,860

brain pattern which is where I was going

781

00:31:58,990 --> 00:31:57,800

with consciousness which says that when

782

00:32:02,470 --> 00:31:59,000

you have an experience or you have

783

00:32:04,570 --> 00:32:02,480

somebody who is able to tap in to make

784

00:32:07,330 --> 00:32:04,580

contact with whatever this intelligence

785

00:32:08,860 --> 00:32:07,340

is that we're dealing with and so we

786

00:32:11,410 --> 00:32:08,870

have these brain patterns whether it's a

787

00:32:16,420 --> 00:32:11,420

medium whether it's a psychic whether

788

00:32:19,080 --> 00:32:16,430

it's an adduct E or uri geller they have

789

00:32:21,760 --> 00:32:19,090

this ability to tap into the field and

790

00:32:24,130 --> 00:32:21,770

that's what distinguishes them so they

791

00:32:26,740 --> 00:32:24,140

this is to be a significant which means

792

00:32:28,480 --> 00:32:26,750

that if you've had experiences you'll go

793

00:32:30,790 --> 00:32:28,490

tell your friends well I had this

794

00:32:33,010 --> 00:32:30,800

experience whatever and they go it's

795

00:32:36,160 --> 00:32:33,020

just a story you just imagined it it was

796

00:32:37,480 --> 00:32:36,170

a dream whatever and as Gary Nolan who's

797

00:32:39,940 --> 00:32:37,490

one of these from Stanford University

798

00:32:41,530 --> 00:32:39,950

has a big genetics lab at Stanford

799

00:32:43,720 --> 00:32:41,540

years.he he's one of the three people on

800

00:32:46,540 --> 00:32:43,730

this program with the experiences he

801  
00:32:49,150 --> 00:32:46,550  
says genetics doesn't lie so if you say

802  
00:32:50,290 --> 00:32:49,160  
I'm an experimenter when this is all said

803  
00:32:51,790 --> 00:32:50,300  
and done and they can get these

804  
00:32:55,540 --> 00:32:51,800  
peer-reviewed papers they can actually

805  
00:32:57,520 --> 00:32:55,550  
take your DNA and they can say yeah he

806  
00:32:59,590 --> 00:32:57,530  
said he's an experimenter he has that he

807  
00:33:02,170 --> 00:32:59,600  
has the marker it's something you can

808  
00:33:04,570 --> 00:33:02,180  
actually quantify you can measure and

809  
00:33:07,510 --> 00:33:04,580  
you can actually say to the skeptical

810  
00:33:09,160 --> 00:33:07,520  
community scientific community who says

811  
00:33:10,270 --> 00:33:09,170  
no these people are just making this

812  
00:33:12,880 --> 00:33:10,280  
stuff up it's all garbage

813  
00:33:16,150 --> 00:33:12,890

it's not true they can actually say no

814

00:33:18,730 --> 00:33:16,160

this is quantitative everybody has it

815

00:33:21,460 --> 00:33:18,740

it's duplicatable and it'll move us into

816

00:33:24,580 --> 00:33:21,470

a whole new realm where experiencers are

817

00:33:27,010 --> 00:33:24,590

taken much more serious and I've even

818

00:33:28,690 --> 00:33:27,020

talked to some people here one I just

819

00:33:33,460 --> 00:33:28,700

did an interview with with a woman who

820

00:33:35,340 --> 00:33:33,470

was injured she has autoimmune disease

821

00:33:37,830 --> 00:33:35,350

which a lot of these people have

822

00:33:39,659 --> 00:33:37,840

and so I said I'll see what I can do

823

00:33:41,430 --> 00:33:39,669

maybe we can get your DNA tested and

824

00:33:42,450 --> 00:33:41,440

they may have some sort of because

825

00:33:45,060 --> 00:33:42,460

they've dealt with a lot of these people

826

00:33:48,150 --> 00:33:45,070

they may have some sort of way to deal

827

00:33:51,120 --> 00:33:48,160

with it it may be some sort of way to

828

00:33:53,100 --> 00:33:51,130

cure it or whatever and that's where you

829

00:33:56,310 --> 00:33:53,110

got to go that that these things are

830

00:33:58,230 --> 00:33:56,320

happening for a reason and I think it'll

831

00:34:00,779 --> 00:33:58,240

move us a long way down the road instead

832

00:34:02,640 --> 00:34:00,789

of just anecdotal stories you have

833

00:34:05,940 --> 00:34:02,650

something you can actually duplicate and

834

00:34:10,290 --> 00:34:05,950

measure in terms of the evidence in

835

00:34:13,889 --> 00:34:10,300

terms of what we're looking at to verify

836

00:34:16,020 --> 00:34:13,899

it the witnesses that I hear they have

837

00:34:18,510 --> 00:34:16,030

there's apparently over a hundred people

838

00:34:21,119 --> 00:34:18,520

in this program now a lot of them are

839

00:34:24,149 --> 00:34:21,129

black ops people and kit Green who was

840

00:34:25,379 --> 00:34:24,159

running it at he talked to a woman by

841

00:34:27,419 --> 00:34:25,389

the name of Annie Jacobson who was a

842

00:34:29,790 --> 00:34:27,429

former editor for the Los Angeles Times

843

00:34:32,340 --> 00:34:29,800

who wrote a book called phenomena and

844

00:34:34,580 --> 00:34:32,350

the phenomena book was looking at remote

845

00:34:36,780 --> 00:34:34,590

viewing inside the CIC and she's a

846

00:34:39,599 --> 00:34:36,790

nominated for a Pulitzer Prize very

847

00:34:42,359 --> 00:34:39,609

major investigative reporter when they

848

00:34:44,820 --> 00:34:42,369

talked to her his theory was that a lot

849

00:34:46,770 --> 00:34:44,830

of these injury cases are people who are

850

00:34:48,599 --> 00:34:46,780

black ops who have been dealing with

851  
00:34:50,070 --> 00:34:48,609  
this technologies because the UFO is

852  
00:34:52,619 --> 00:34:50,080  
going to work on some sort of technology

853  
00:34:55,590 --> 00:34:52,629  
and that they may have been hit by a

854  
00:34:57,660 --> 00:34:55,600  
beam or some sort of mistake in the in

855  
00:35:01,620 --> 00:34:57,670  
the black black world technology that

856  
00:35:03,840 --> 00:35:01,630  
they're using but the the marker thing

857  
00:35:06,870 --> 00:35:03,850  
would be different it would be not so

858  
00:35:08,849 --> 00:35:06,880  
much the injury thing it would be the

859  
00:35:10,890 --> 00:35:08,859  
marker would be there from birth or

860  
00:35:12,930 --> 00:35:10,900  
wherever it is I've heard one story that

861  
00:35:18,599 --> 00:35:12,940  
was from birth to have this marker so

862  
00:35:20,910 --> 00:35:18,609  
the the the injury stuff may not mean

863  
00:35:22,710 --> 00:35:20,920

that you're actually interacted with the

864

00:35:23,940 --> 00:35:22,720

beings although the question is if

865

00:35:25,650 --> 00:35:23,950

you're up close because one of the

866

00:35:27,690 --> 00:35:25,660

people that's in this study is a guy

867

00:35:29,130 --> 00:35:27,700

many of John Burroughs John Burroughs

868

00:35:31,200 --> 00:35:29,140

was one of the people at Reynolds from

869

00:35:33,510 --> 00:35:31,210

Forrest who when they went and this

870

00:35:34,890 --> 00:35:33,520

thing was sitting on the ground and John

871

00:35:36,510 --> 00:35:34,900

Burroughs and Penniston went up and

872

00:35:38,190 --> 00:35:36,520

Penniston put his hand on the craft and

873

00:35:40,770 --> 00:35:38,200

had these symbols and he could feel the

874

00:35:43,109 --> 00:35:40,780

symbols and John Burroughs had a heart

875

00:35:45,300 --> 00:35:43,119

problem see I had this shredded sort of

876

00:35:46,590 --> 00:35:45,310

heart valve and the doctors couldn't

877

00:35:48,049 --> 00:35:46,600

figure it was wrong with him so he was

878

00:35:50,420 --> 00:35:48,059

badly injured it was

879

00:35:52,849 --> 00:35:50,430

actually kit green who actually went to

880

00:35:55,640 --> 00:35:52,859

his doctor and said he was exposed to a

881

00:35:58,279 --> 00:35:55,650

high magnetic field so that was the idea

882

00:36:01,910 --> 00:35:58,289

that sometimes if you get too close to a

883

00:36:03,829 --> 00:36:01,920

craft you will experience this so you'll

884

00:36:06,199 --> 00:36:03,839

have the experiences who are in close to

885

00:36:08,539 --> 00:36:06,209

the craft or my friend he has this sort

886

00:36:10,759 --> 00:36:08,549

of autoimmune disease and what he told

887

00:36:12,319 --> 00:36:10,769

me he was told it was from was from

888

00:36:13,880 --> 00:36:12,329

touching the craft when it was powered

889

00:36:15,859 --> 00:36:13,890

up so you're not allowed to touch the

890

00:36:17,870 --> 00:36:15,869

craft when it's powered up and that's

891

00:36:20,150 --> 00:36:17,880

where he claimed he got it from so you

892

00:36:22,459 --> 00:36:20,160

can have the injury ones that are caused

893

00:36:24,589 --> 00:36:22,469

by being too close to the craft or by

894

00:36:27,140 --> 00:36:24,599

the back engineered technologies that

895

00:36:29,479 --> 00:36:27,150

the black ops is using that injures

896

00:36:31,339 --> 00:36:29,489

people but then you're also going to

897

00:36:34,579 --> 00:36:31,349

have the other group of experiences who

898

00:36:37,699 --> 00:36:34,589

have the DNA marker who have interacted

899

00:36:39,349 --> 00:36:37,709

with the beings and what I would say

900

00:36:41,599 --> 00:36:39,359

that when you interact with the beings

901  
00:36:43,219 --> 00:36:41,609  
it's going to be a lot less physical

902  
00:36:45,049 --> 00:36:43,229  
it's gonna be they're gonna take you out

903  
00:36:46,370 --> 00:36:45,059  
of your body like an ear like a

904  
00:36:49,009 --> 00:36:46,380  
near-death experience or not a body

905  
00:36:51,799 --> 00:36:49,019  
experience and it's it's it becomes a

906  
00:36:53,179 --> 00:36:51,809  
lot less physical in terms of you know

907  
00:36:54,949 --> 00:36:53,189  
you're going through walls you're doing

908  
00:36:57,709 --> 00:36:54,959  
all those kind of stuff so that would be

909  
00:36:59,299 --> 00:36:57,719  
the distinction that right now because

910  
00:37:01,699 --> 00:36:59,309  
we haven't seen the data that they have

911  
00:37:03,469 --> 00:37:01,709  
and what they told me and you know we

912  
00:37:05,479 --> 00:37:03,479  
sort of to back off and I can understand

913  
00:37:08,269 --> 00:37:05,489

what they're saying is that we gotta get

914

00:37:10,249 --> 00:37:08,279

these papers out if we sort of expose

915

00:37:13,609 --> 00:37:10,259

all this stuff now we're gonna look like

916

00:37:14,809 --> 00:37:13,619

a bunch of crazy people and you people

917

00:37:17,269 --> 00:37:14,819

who realize that when you go to a

918

00:37:18,529 --> 00:37:17,279

peer-reviewed journal these people going

919

00:37:20,089 --> 00:37:18,539

to be very very skeptical these are

920

00:37:22,130 --> 00:37:20,099

gonna be people who really don't believe

921

00:37:24,140 --> 00:37:22,140

in UFOs they think this is all total

922

00:37:26,989 --> 00:37:24,150

nuts so you have to have pretty strong

923

00:37:29,299 --> 00:37:26,999

evidence and that's where they're saying

924

00:37:30,529 --> 00:37:29,309

let us get this peer-reviewed papers out

925

00:37:32,390 --> 00:37:30,539

where they we can actually show that

926

00:37:33,709 --> 00:37:32,400

there's markers and stuff and then I

927

00:37:37,249 --> 00:37:33,719

guess to go to the next step as to

928

00:37:39,829 --> 00:37:37,259

determining whether this is accidental

929

00:37:41,509 --> 00:37:39,839

injury whether it's interaction with the

930

00:37:44,449 --> 00:37:41,519

the beings I think once you get to the

931

00:37:46,279 --> 00:37:44,459

beings you'll have people who have these

932

00:37:49,849 --> 00:37:46,289

sort of injuries especially these

933

00:37:51,890 --> 00:37:49,859

inflammation type injuries but a lot of

934

00:37:53,419 --> 00:37:51,900

it is is a lot less physical than people

935

00:37:54,890 --> 00:37:53,429

think it is with these with these

936

00:37:56,210 --> 00:37:54,900

experiences which is the important thing

937

00:37:58,730 --> 00:37:56,220

about the portal is

938

00:38:00,320 --> 00:37:58,740

sort of shows that it's not quite as

939

00:38:02,540 --> 00:38:00,330

physical as you think it is it's it's

940

00:38:04,880 --> 00:38:02,550

got these ideas that consciousness is

941

00:38:06,980 --> 00:38:04,890

primary that the whole world maybe a

942

00:38:09,380 --> 00:38:06,990

thought that you may be creating your

943

00:38:11,510 --> 00:38:09,390

environment even getting down to the

944

00:38:13,730 --> 00:38:11,520

idea that maybe because you see a gray

945

00:38:14,960 --> 00:38:13,740

you have a certain personality that if

946

00:38:16,910 --> 00:38:14,970

you're a very negative you'll see a

947

00:38:18,680 --> 00:38:16,920

negative being if you're very positive

948

00:38:21,080 --> 00:38:18,690

you can see a positive being and that

949

00:38:22,580 --> 00:38:21,090

you're manifesting you're helping almost

950

00:38:24,980 --> 00:38:22,590

like John wheeler the guy who won the

951  
00:38:27,530 --> 00:38:24,990  
Nobel Prize in 1960 you came up with the

952  
00:38:29,870 --> 00:38:27,540  
idea of wormholes and the black holes he

953  
00:38:32,390 --> 00:38:29,880  
said it's a participatory universe where

954  
00:38:34,400 --> 00:38:32,400  
you participate in what you see that

955  
00:38:36,950 --> 00:38:34,410  
you're interacting with this thing so it

956  
00:38:38,900 --> 00:38:36,960  
gets very very complex but the important

957  
00:38:40,940 --> 00:38:38,910  
part I think is that we actually are

958  
00:38:44,720 --> 00:38:40,950  
gonna have some actual data that we have

959  
00:38:47,300 --> 00:38:44,730  
names and and targets and you can

960  
00:38:49,280 --> 00:38:47,310  
actually determine these people all have
