

**UFO** 

1  
00:00:23,210 --> 00:00:14,300

[Music]

2  
00:00:23,220 --> 00:00:26,220

you

3  
00:00:33,000 --> 00:00:28,920

my name is Nancy Tremaine I was born in

4  
00:00:38,040 --> 00:00:33,010

Detroit Michigan in 1949 the middle of

5  
00:00:42,030 --> 00:00:38,050

five children and for me it all began

6  
00:00:45,299 --> 00:00:42,040

the summer of 1961 in July and I have it

7  
00:00:47,130 --> 00:00:45,309

narrowed down to a three-day period it's

8  
00:00:49,710 --> 00:00:47,140

taken me almost seven years to narrow it

9  
00:00:54,140 --> 00:00:49,720

down to a three-day period in July 26th

10  
00:00:58,319 --> 00:00:54,150

27th or 28th of July 1961 Novi Michigan

11  
00:01:00,779 --> 00:00:58,329

and back then Novi Michigan was still a

12  
00:01:04,740 --> 00:01:00,789

village there was just all trees dirt

13  
00:01:06,779 --> 00:01:04,750

roads very undeveloped and we were one

14

00:01:12,680 --> 00:01:06,789

of the first houses being built in the

15

00:01:19,320 --> 00:01:17,130

this is how it began for me my dad came

16

00:01:23,130 --> 00:01:19,330

home from work at 6:05 every night like

17

00:01:24,930 --> 00:01:23,140

clockwork and he told me that I could go

18

00:01:27,419 --> 00:01:24,940

to my girlfriend Cindy's house to play

19

00:01:29,969 --> 00:01:27,429

and even though it was a beautiful

20

00:01:35,520 --> 00:01:29,979

summer day we had chosen to play inside

21

00:01:38,730 --> 00:01:35,530

and her father yelled for us to come

22

00:01:41,249 --> 00:01:38,740

outside and we could hear urgency in his

23

00:01:44,100 --> 00:01:41,259

voice and as we walked out that front

24

00:01:46,050 --> 00:01:44,110

door we had no idea that our lives were

25

00:01:49,469 --> 00:01:46,060

forever going to be changed from that

26  
00:01:51,630 --> 00:01:49,479  
moment it was like the part in the movie

27  
00:01:53,249 --> 00:01:51,640  
The Wizard of Oz were where it goes from

28  
00:01:56,730 --> 00:01:53,259  
black and white to color because our

29  
00:01:59,670 --> 00:01:56,740  
world view was forever changed they're

30  
00:02:03,149 --> 00:01:59,680  
hovering above a tree between our two

31  
00:02:06,840 --> 00:02:03,159  
homes was a silver ship at least the

32  
00:02:09,680 --> 00:02:06,850  
size of our three bedroom ranch home but

33  
00:02:11,940 --> 00:02:09,690  
twice as tall and it had a band of

34  
00:02:14,220 --> 00:02:11,950  
rotating lights of red green and white

35  
00:02:16,620 --> 00:02:14,230  
which were either flashing or rotating

36  
00:02:21,539 --> 00:02:16,630  
they were going so quickly we couldn't

37  
00:02:23,880 --> 00:02:21,549  
tell no fear just awe it was it was

38  
00:02:24,830 --> 00:02:23,890

absolutely breathtaking against the blue

39

00:02:27,979 --> 00:02:24,840

sky

40

00:02:30,599 --> 00:02:27,989

her father was adjusting a small tripod

41

00:02:31,920 --> 00:02:30,609

telescope and he asked us if we wanted

42

00:02:33,509 --> 00:02:31,930

to look through it and I couldn't

43

00:02:36,030 --> 00:02:33,519

believe he would ask such a question I

44

00:02:37,530 --> 00:02:36,040

mean what could he be possibly seeing

45

00:02:39,190 --> 00:02:37,540

that we weren't seeing the ship was

46

00:02:43,690 --> 00:02:39,200

right in front of us

47

00:02:45,580 --> 00:02:43,700

neighbors had started to come out of

48

00:02:48,670 --> 00:02:45,590

their homes at this point you know there

49

00:02:50,890 --> 00:02:48,680

were scattered houses and people were

50

00:02:52,360 --> 00:02:50,900

starting to come outside and nobody was

51  
00:02:57,009 --> 00:02:52,370  
saying a word you couldn't hear

52  
00:02:59,530 --> 00:02:57,019  
breathing and we watched as a Novi

53  
00:03:02,350 --> 00:02:59,540  
police car pulled around the corner

54  
00:03:04,360 --> 00:03:02,360  
where we were gathered and you could

55  
00:03:07,449 --> 00:03:04,370  
actually hear the stones hitting the

56  
00:03:09,339 --> 00:03:07,459  
tires it was going so slowly and it

57  
00:03:13,120 --> 00:03:09,349  
parked right in front of where we were

58  
00:03:16,390 --> 00:03:13,130  
all gathered and the two officers exited

59  
00:03:19,210 --> 00:03:16,400  
the car never turning their backs to the

60  
00:03:23,920 --> 00:03:19,220  
ship and they walked up the inclined and

61  
00:03:26,819 --> 00:03:23,930  
joined us and I was still trying to

62  
00:03:31,960 --> 00:03:26,829  
process what I was seeing was this real

63  
00:03:35,050 --> 00:03:31,970

like I couldn't process it and I grabbed

64

00:03:37,990 --> 00:03:35,060

the one officers arm and I tried to

65

00:03:44,580 --> 00:03:38,000

voice three simple words and it went

66

00:03:51,520 --> 00:03:44,590

into slow motion and I said is this real

67

00:03:56,729 --> 00:03:51,530

he never said a word Wow it was the

68

00:04:05,160 --> 00:04:02,050

and we watched as a car was coming down

69

00:04:09,190 --> 00:04:05,170

Middlebrook road towards us and

70

00:04:12,490 --> 00:04:09,200

underneath and the ship its it's heading

71

00:04:14,470 --> 00:04:12,500

towards the ship coming towards us and

72

00:04:16,960 --> 00:04:14,480

we know that who was ever in this car

73

00:04:20,259 --> 00:04:16,970

seized the ship we're wondering how

74

00:04:23,529 --> 00:04:20,269

crazy these people or whoever is in the

75

00:04:26,170 --> 00:04:23,539

car could be to put themselves in a

76

00:04:30,339 --> 00:04:26,180

position where they're nearing this ship

77

00:04:32,890 --> 00:04:30,349

and a beam of light comes out at the

78

00:04:34,990 --> 00:04:32,900

bottom of the ship and it's a white beam

79

00:04:37,210 --> 00:04:35,000

of light and it's slowly making its way

80

00:04:40,240 --> 00:04:37,220

down to the car it's aimed at the car

81

00:04:42,310 --> 00:04:40,250

and we know what's gonna hit the car and

82

00:04:45,760 --> 00:04:42,320

I'm wondering what's going to happen

83

00:04:47,440 --> 00:04:45,770

when he hits this car and the second it

84

00:04:51,450 --> 00:04:47,450

hit the hood of the car the car was

85

00:04:57,250 --> 00:04:54,940

at that point I I went into mildest area

86

00:05:00,130 --> 00:04:57,260

I believe because I started jumping up

87

00:05:02,950 --> 00:05:00,140

and down and I'm yelling over here over

88

00:05:05,290 --> 00:05:02,960

here like doing jumping jacks and

89

00:05:11,020 --> 00:05:05,300

Cindy's grabbing my arm and she's saying

90

00:05:14,860 --> 00:05:11,030

stop it stop it and the ship tilted on

91

00:05:17,770 --> 00:05:14,870

its side and it spoke and it said we see

92

00:05:20,850 --> 00:05:17,780

you and I realized that the ship is

93

00:05:24,310 --> 00:05:20,860

alive this is a living thing

94

00:05:27,400 --> 00:05:24,320

and I grabbed the officers arm and I

95

00:05:32,640 --> 00:05:27,410

said do something I mean he had a gun I

96

00:05:35,200 --> 00:05:32,650

don't know what I expected him to do and

97

00:05:37,330 --> 00:05:35,210

that's the last thing I remember the

98

00:05:39,340 --> 00:05:37,340

next thing I know I'm at home with my

99

00:05:42,340 --> 00:05:39,350

dad and he's kneeling on the kitchen

100

00:05:45,940 --> 00:05:42,350

floor and he's holding me very tightly

101

00:05:48,520 --> 00:05:45,950

and he's telling me it's all right

102

00:05:50,980 --> 00:05:48,530

you're home you're safe you're home

103

00:05:54,040 --> 00:05:50,990

you're safe and I'm wondering what the

104

00:05:58,090 --> 00:05:54,050

heck I look at the clock on the stove

105

00:06:00,220 --> 00:05:58,100

and it's 10 minutes to 9:00 and the

106

00:06:03,520 --> 00:06:00,230

kitchen doors open it's it's almost dark

107

00:06:06,520 --> 00:06:03,530

outside and my dad's not spanking me I

108

00:06:09,520 --> 00:06:06,530

was never allowed out past dusk my dad

109

00:06:13,180 --> 00:06:09,530

would have been taken out I mean we got

110

00:06:18,250 --> 00:06:13,190

spanked back then and he's glad to see

111

00:06:19,930 --> 00:06:18,260

me I couldn't I didn't understand it it

112

00:06:20,710 --> 00:06:19,940

just didn't make sense where did all the

113

00:06:24,010 --> 00:06:20,720

time go

114

00:06:25,930 --> 00:06:24,020

I mean it's 10:00 to 9:00 and it's

115

00:06:30,700 --> 00:06:25,940

getting dark and I go to bed at 9

116

00:06:35,470 --> 00:06:30,710

o'clock and dad's happy to see me well

117

00:06:39,130 --> 00:06:35,480

that night at some point I must have

118

00:06:42,130 --> 00:06:39,140

told my dad about I must have told him

119

00:06:45,850 --> 00:06:42,140

about being on board and mentioned

120

00:06:47,800 --> 00:06:45,860

aliens because my dad shared a secret he

121

00:06:52,950 --> 00:06:47,810

shared a secret with me that night that

122

00:06:57,550 --> 00:06:52,960

I was never to tell not even my mother

123

00:07:00,280 --> 00:06:57,560

and he silenced me he grabbed me by the

124

00:07:03,070 --> 00:07:00,290

forearms and he shook me hard and he

125

00:07:03,790 --> 00:07:03,080

said do you understand but you are never

126  
00:07:06,850 --> 00:07:03,800  
to speak of

127  
00:07:09,309 --> 00:07:06,860  
this do you understand and I was crying

128  
00:07:13,300 --> 00:07:09,319  
and I said I understand but I didn't I

129  
00:07:18,460 --> 00:07:13,310  
didn't understand and I didn't

130  
00:07:21,100 --> 00:07:18,470  
understand why I just knew that I had

131  
00:07:24,010 --> 00:07:21,110  
him I had memories that I had to store

132  
00:07:26,710 --> 00:07:24,020  
somewhere where no one could get to them

133  
00:07:32,080 --> 00:07:26,720  
not even be so I stored them in the back

134  
00:07:34,540 --> 00:07:32,090  
of my mind for 50 years but I couldn't

135  
00:07:37,869 --> 00:07:34,550  
understand why that night and every

136  
00:07:40,510 --> 00:07:37,879  
night after that for for so long I would

137  
00:07:42,939 --> 00:07:40,520  
I had such an intense longing to see

138  
00:07:45,490 --> 00:07:42,949

that ship again and I would stand on the

139

00:07:48,100 --> 00:07:45,500

headboard of my bed so that I could look

140

00:07:51,040 --> 00:07:48,110

out of my bedroom window at that spot

141

00:07:54,279 --> 00:07:51,050

where that ship had hovered and I would

142

00:07:57,610 --> 00:07:54,289

chant over and over again please come

143

00:08:05,980 --> 00:07:57,620

back and get me please come back and get

144

00:08:09,659 --> 00:08:05,990

me so for 50 years it just was never

145

00:08:12,129 --> 00:08:09,669

spoke enough never not with a friend

146

00:08:14,529 --> 00:08:12,139

not with a husband that would the

147

00:08:19,149 --> 00:08:14,539

boyfriend not at home not with my mom my

148

00:08:21,519 --> 00:08:19,159

dad I went to several therapists over

149

00:08:24,420 --> 00:08:21,529

the years and I would those each one two

150

00:08:26,950 --> 00:08:24,430

Clues fitnah ties me because I know

151  
00:08:31,180 --> 00:08:26,960  
there's something inside me that has to

152  
00:08:34,360 --> 00:08:31,190  
come out but they wouldn't they would

153  
00:08:38,019 --> 00:08:34,370  
give me a new diagnosis and a new

154  
00:08:39,850 --> 00:08:38,029  
medication and I still suffer with

155  
00:08:44,470 --> 00:08:39,860  
post-traumatic stress disorder panic

156  
00:08:46,960 --> 00:08:44,480  
attacks severe anxiety and depression so

157  
00:08:50,410 --> 00:08:46,970  
that's how I lived my life for 50 years

158  
00:08:54,400 --> 00:08:50,420  
and that's how Cindy lived her life for

159  
00:08:56,560 --> 00:08:54,410  
50 years and we didn't there were a

160  
00:08:58,449 --> 00:08:56,570  
couple times over that half-century that

161  
00:09:00,790 --> 00:08:58,459  
I tried to get her to talk about it and

162  
00:09:04,360 --> 00:09:00,800  
all I would have to do is say Cindy can

163  
00:09:09,100 --> 00:09:04,370

we talk and she would start shaking and

164

00:09:11,380 --> 00:09:09,110

I don't really think I was ready I for

165

00:09:14,240 --> 00:09:11,390

her to talk about it either because I

166

00:09:16,340 --> 00:09:14,250

would stop at that point but

167

00:09:19,750 --> 00:09:16,350

years went by and it was September 1st

168

00:09:25,760 --> 00:09:19,760

2011 and I was playing on the computer

169

00:09:27,680 --> 00:09:25,770

and I found a ufologist I never even

170

00:09:29,360 --> 00:09:27,690

heard the word ufologist I didn't know

171

00:09:32,390 --> 00:09:29,370

there was such a thing you mean somebody

172

00:09:34,490 --> 00:09:32,400

actually studies this though and his

173

00:09:40,690 --> 00:09:34,500

name was dr. Harry wellness and he was a

174

00:09:45,380 --> 00:09:40,700

former Michigan State MUFON director and

175

00:09:49,280 --> 00:09:45,390

a researcher for over 55 years so I knew

176

00:09:50,990 --> 00:09:49,290

that I could tell him and I sent him an

177

00:09:54,080 --> 00:09:51,000

email I said I might have a story you

178

00:09:57,050 --> 00:09:54,090

might be interested in hearing and he

179

00:09:59,840 --> 00:09:57,060

got back to me immediately and he said

180

00:10:01,160 --> 00:09:59,850

so tell me and I said well I can't do

181

00:10:02,660 --> 00:10:01,170

that it was on the phone when I said I

182

00:10:05,930 --> 00:10:02,670

can't do that I haven't talked about it

183

00:10:07,910 --> 00:10:05,940

in 50 years the next thing I know I'm

184

00:10:10,970 --> 00:10:07,920

telling him everything I could remember

185

00:10:14,150 --> 00:10:10,980

and I get to the point where there's the

186

00:10:20,060 --> 00:10:14,160

missing time I'm telling him how much

187

00:10:22,340 --> 00:10:20,070

what the heck happened I had no memory

188

00:10:26,600 --> 00:10:22,350

so he brought in a regression therapist

189

00:10:28,790 --> 00:10:26,610

von vowels a psychology professor and

190

00:10:31,790 --> 00:10:28,800

regression therapist and together I

191

00:10:36,200 --> 00:10:31,800

lovingly referred to us as the three

192

00:10:41,630 --> 00:10:36,210

musketeers and we did five regressions

193

00:10:43,520 --> 00:10:41,640

over a very short few months period it's

194

00:10:46,720 --> 00:10:43,530

the first regression I thought no I'm

195

00:10:49,160 --> 00:10:46,730

too smart I'm not going to get requests

196

00:10:51,680 --> 00:10:49,170

but I must have really been ready

197

00:10:54,770 --> 00:10:51,690

because I don't remember the first hour

198

00:10:59,140 --> 00:10:54,780

at all but I remember the last few

199

00:11:03,530 --> 00:10:59,150

minutes I said Devon I'm running home

200

00:11:06,290 --> 00:11:03,540

I'm Hollis and I can run fast they're

201  
00:11:10,430 --> 00:11:06,300  
gonna get me they're going to get me

202  
00:11:16,160 --> 00:11:10,440  
don't get me take 72 I don't want to be

203  
00:11:17,780 --> 00:11:16,170  
alone then the next thing I know and I

204  
00:11:19,460 --> 00:11:17,790  
know how they were gonna get me I knew

205  
00:11:21,380 --> 00:11:19,470  
how they were gonna get me and I don't

206  
00:11:24,140 --> 00:11:21,390  
know if they told me or how I would go

207  
00:11:27,260 --> 00:11:24,150  
but I knew and it was going to be by a

208  
00:11:27,790 --> 00:11:27,270  
shock in my back and as I was running I

209  
00:11:30,610 --> 00:11:27,800  
was waiting

210  
00:11:32,019 --> 00:11:30,620  
for that shock and when it hit me it was

211  
00:11:34,150 --> 00:11:32,029  
like a cartoon character

212  
00:11:38,230 --> 00:11:34,160  
I was absolutely frozen and running

213  
00:11:41,530 --> 00:11:38,240

position arms and legs locked well it

214

00:11:45,940 --> 00:11:41,540

must have been a funny sight I went from

215

00:11:51,100 --> 00:11:45,950

that now I'm on my back and I'm going up

216

00:11:53,810 --> 00:11:51,110

into the ship and I'm in some kind of an

217

00:11:55,800 --> 00:11:53,820

energy wave and it felt beautiful

218

00:11:59,230 --> 00:11:55,810

[Music]

219

00:12:01,840 --> 00:11:59,240

it just felt beautiful I wanted to stay

220

00:12:03,519 --> 00:12:01,850

in this wave forever and Vaughn's trying

221

00:12:08,199 --> 00:12:03,529

to bring me out of the regression now

222

00:12:11,139 --> 00:12:08,209

and I'm fighting to stay in it and I'm

223

00:12:15,210 --> 00:12:11,149

telling Vaughn my body is waving and

224

00:12:17,079 --> 00:12:15,220

rumbling to the low hum of the ship and

225

00:12:20,650 --> 00:12:17,089

when he brought me out of that

226

00:12:25,120 --> 00:12:20,660

regression I I set up and I said it's

227

00:12:27,730 --> 00:12:25,130

real it's really really real and I knew

228

00:12:31,360 --> 00:12:27,740

at that moment that there was so much

229

00:12:35,019 --> 00:12:31,370

more and I became Nancy Drew and I

230

00:12:37,840 --> 00:12:35,029

became my own investigator and the first

231

00:12:39,370 --> 00:12:37,850

thing I did was to go after Cindy the

232

00:12:42,160 --> 00:12:39,380

little twelve-year-old girl who stood

233

00:12:44,980 --> 00:12:42,170

next to me that day in 61 and this time

234

00:12:47,769 --> 00:12:44,990

she was going to talk and I had three

235

00:12:49,269 --> 00:12:47,779

illustrations at this point and if I had

236

00:12:49,320 --> 00:12:49,279

to I was going to show him down her

237

00:12:51,360 --> 00:12:49,330

throat

238

00:12:53,889 --> 00:12:51,370

[Music]

239

00:12:57,670 --> 00:12:53,899

Cindy was hired core alcoholic at this

240

00:12:59,380 --> 00:12:57,680

time and I prayed to God that she would

241

00:13:03,250 --> 00:12:59,390

be sober when I got to her house or at

242

00:13:06,480 --> 00:13:03,260

least sober enough she was so when I got

243

00:13:11,710 --> 00:13:06,490

there I ordered her into her bedroom and

244

00:13:15,100 --> 00:13:11,720

I said sit and I think she knew what was

245

00:13:18,189 --> 00:13:15,110

coming and I shut the bedroom door and I

246

00:13:25,000 --> 00:13:18,199

said on the opposite side of the bed and

247

00:13:27,759 --> 00:13:25,010

I I said please Sydney and she started

248

00:13:30,850 --> 00:13:27,769

to shake and she said what are you doing

249

00:13:33,310 --> 00:13:30,860

and I thought oh no you don't if I have

250

00:13:35,110 --> 00:13:33,320

to tie you to this damn bed and you're

251  
00:13:37,090 --> 00:13:35,120  
going to talk

252  
00:13:40,720 --> 00:13:37,100  
I produced the second illustration and I

253  
00:13:43,780 --> 00:13:40,730  
tapped on it commanding her to look at

254  
00:13:47,110 --> 00:13:43,790  
it and she said it's exactly as I

255  
00:13:52,030 --> 00:13:47,120  
remember and when I produced the third

256  
00:13:56,170 --> 00:13:52,040  
illustration she said you were gone you

257  
00:13:58,180 --> 00:13:56,180  
were missing we couldn't find you and

258  
00:14:00,269 --> 00:13:58,190  
I'm thinking did she just say what I

259  
00:14:02,829 --> 00:14:00,279  
thought she said I couldn't believe it

260  
00:14:05,980 --> 00:14:02,839  
did she really just say that I was

261  
00:14:07,600 --> 00:14:05,990  
missing I was gone so of course my first

262  
00:14:09,640 --> 00:14:07,610  
question to her was the question I've

263  
00:14:13,570 --> 00:14:09,650

been asking myself for 50 years

264

00:14:16,210 --> 00:14:13,580

I said Cindy what were the first words I

265

00:14:18,550 --> 00:14:16,220

spoke when you saw me where did I tell

266

00:14:21,390 --> 00:14:18,560

you I had been and without a second's

267

00:14:23,470 --> 00:14:21,400

hesitation she said outer space

268

00:14:30,700 --> 00:14:23,480

certainly the words of a 12 year old

269

00:14:35,380 --> 00:14:30,710

child we both started crying and we held

270

00:14:38,470 --> 00:14:35,390

each other and we realized that we

271

00:14:41,710 --> 00:14:38,480

hadn't spoken of that for 50 years we

272

00:14:46,780 --> 00:14:41,720

had held that inside me and it was such

273

00:14:52,750 --> 00:14:46,790

a bonding moment for us to know the we

274

00:14:54,699 --> 00:14:52,760

had held that secret for 15 years it's

275

00:14:59,890 --> 00:14:54,709

the closest I think I've ever felt to

276

00:15:01,300 --> 00:14:59,900

another human and we walked into the

277

00:15:05,890 --> 00:15:01,310

living room where her husband Doug was

278

00:15:10,240 --> 00:15:05,900

sitting and he was seated on them in

279

00:15:12,400 --> 00:15:10,250

this recliner and I knelt down on the

280

00:15:16,930 --> 00:15:12,410

floor before him with the three

281

00:15:22,720 --> 00:15:16,940

illustrations and Cindy self in the

282

00:15:25,410 --> 00:15:22,730

chair crossed from you we have to tell

283

00:15:31,240 --> 00:15:28,810

and it's the truth then Cindy kept

284

00:15:32,980 --> 00:15:31,250

saying it's the truth and I thought my

285

00:15:36,310 --> 00:15:32,990

god they've been married what 18 years

286

00:15:38,470 --> 00:15:36,320

and she's never told this man and we

287

00:15:41,050 --> 00:15:38,480

told him everything that we could

288

00:15:44,199 --> 00:15:41,060

remember and he believed us he believed

289

00:15:47,110 --> 00:15:44,209

every word we said and he became

290

00:15:48,360 --> 00:15:47,120

obsessed with ufology after that he

291

00:15:52,139 --> 00:15:48,370

followed it

292

00:15:57,030 --> 00:15:52,149

until he died couple years after that I

293

00:16:05,280 --> 00:15:57,040

think he died two thousand thirteen or

294

00:16:07,259 --> 00:16:05,290

fourteen Cindy and I would would talk on

295

00:16:09,989 --> 00:16:07,269

the phone about it you know as our

296

00:16:12,420 --> 00:16:09,999

memories were coming back to it we would

297

00:16:18,439 --> 00:16:12,430

talk about it and I would record our

298

00:16:24,179 --> 00:16:22,619

she remembered things that I didn't

299

00:16:26,759 --> 00:16:24,189

remember and I remember things she

300

00:16:34,439 --> 00:16:26,769

didn't remember and together we pieced

301  
00:16:39,269 --> 00:16:34,449  
the story together how we coped I coped

302  
00:16:42,869 --> 00:16:39,279  
by men and drugs and she coped by

303  
00:16:44,910 --> 00:16:42,879  
alcohol and attempted suicide so that's

304  
00:16:54,480 --> 00:16:44,920  
how we coped for that 50 years we were a

305  
00:16:58,230 --> 00:16:54,490  
mess our lives were a mess and it

306  
00:17:00,840 --> 00:16:58,240  
infuriates me because it didn't have to

307  
00:17:03,679 --> 00:17:00,850  
be that way we didn't have to be

308  
00:17:10,380 --> 00:17:03,689  
silenced but there was a full military

309  
00:17:12,449 --> 00:17:10,390  
investigation don't and they silenced

310  
00:17:16,740 --> 00:17:12,459  
everyone you know like they went door to

311  
00:17:18,870 --> 00:17:16,750  
door and people asked me if there were

312  
00:17:21,329 --> 00:17:18,880  
pictures taken you can bet they were

313  
00:17:26,039 --> 00:17:21,339

pictures taken the ship hovered for 20

314

00:17:27,510 --> 00:17:26,049

minutes against a clear blue sky Cindy's

315

00:17:29,700 --> 00:17:27,520

father had time enough to set up a

316

00:17:31,529 --> 00:17:29,710

tripod telescope so you know there were

317

00:17:34,980 --> 00:17:31,539

pictures and it was the days of the

318

00:17:37,560 --> 00:17:34,990

Polaroid Instamatic cameras so I

319

00:17:44,250 --> 00:17:37,570

jokingly say when there were pictures

320

00:17:51,820 --> 00:17:50,230

they flew my dad to California on a

321

00:17:54,370 --> 00:17:51,830

business trip my dad never went on a

322

00:17:58,690 --> 00:17:54,380

business trip ever not once it's the

323

00:18:02,010 --> 00:17:58,700

only business trip he ever took human

324

00:18:05,470 --> 00:18:02,020

anger when I start talking about them

325

00:18:09,610 --> 00:18:05,480

they offered my dad a job position in

326

00:18:13,900 --> 00:18:09,620

Australia which he did not take and I

327

00:18:15,970 --> 00:18:13,910

only recently remembered this part my

328

00:18:19,810 --> 00:18:15,980

mother took me to stay with strangers

329

00:18:22,720 --> 00:18:19,820

I remember this either a year or two

330

00:18:24,280 --> 00:18:22,730

years ago and she took me to stay with

331

00:18:27,070 --> 00:18:24,290

complete strangers and they couldn't

332

00:18:28,600 --> 00:18:27,080

understand it and I realized now it was

333

00:18:32,460 --> 00:18:28,610

to get me out of time it was to get me

334

00:18:35,290 --> 00:18:32,470

out of Nova until things settled down

335

00:18:39,760 --> 00:18:35,300

the only relief that the poor people in

336

00:18:44,620 --> 00:18:39,770

Nova had from this event was the church

337

00:18:47,310 --> 00:18:44,630

sermon which I have will be posting a

338

00:18:49,840 --> 00:18:47,320

picture of I got fogged in the Novi news

339

00:18:52,900 --> 00:18:49,850

that was posted the following Sunday

340

00:18:56,370 --> 00:18:52,910

after this event and the minister was

341

00:18:58,630 --> 00:18:56,380

kind enough to offer this comfort to the

342

00:19:02,140 --> 00:18:58,640

residents of Novi that had witnessed

343

00:19:06,520 --> 00:19:02,150

this and been silenced and the sermon

344

00:19:09,370 --> 00:19:06,530

was titled the Martian question even

345

00:19:14,500 --> 00:19:09,380

today such a sermon would be unheard of

346

00:19:18,070 --> 00:19:14,510

and he writes what the sermon is going

347

00:19:20,740 --> 00:19:18,080

to be about hoping that these beings are

348

00:19:27,600 --> 00:19:20,750

benevolent glowing beings here to help

349

00:19:38,140 --> 00:19:34,680

Cindy was found dead August 5th

350

00:19:40,300 --> 00:19:38,150

2015 on her kitchen floor where she had

351

00:19:42,820 --> 00:19:40,310

laid for two or three days with her dog

352

00:19:46,900 --> 00:19:42,830

Lucy by her side she had drank herself

353

00:19:52,850 --> 00:19:46,910

to death literally and I can't even

354

00:19:56,570 --> 00:19:52,860

express the grief of

355

00:19:58,690 --> 00:19:56,580

music Cindy because she was such an

356

00:20:02,570 --> 00:19:58,700

important part of this

357

00:20:05,480 --> 00:20:02,580

this was our story we were supposed to

358

00:20:10,580 --> 00:20:05,490

tell this story together she was

359

00:20:12,799 --> 00:20:10,590

supposed to stand on stage with me and I

360

00:20:14,750 --> 00:20:12,809

went for a walk in the park behind my

361

00:20:18,049 --> 00:20:14,760

apartment the day after she was found

362

00:20:23,299 --> 00:20:18,059

and behind sunglasses with snot and

363

00:20:26,659 --> 00:20:23,309

tears running down my face crying I went

364

00:20:29,120 --> 00:20:26,669

from grief to anger and I said damn you

365

00:20:31,370 --> 00:20:29,130

I will never forgive you for this

366

00:20:42,289 --> 00:20:31,380

you finally did it you drink yourself to

367

00:20:48,740 --> 00:20:42,299

death and she said and I knew they were

368

00:20:51,950 --> 00:20:48,750

her lords those men those men they came

369

00:20:55,220 --> 00:20:51,960

to your house they wanted to talk to you

370

00:20:58,820 --> 00:20:55,230

your father threatened to kill them and

371

00:21:01,010 --> 00:20:58,830

I know exactly what men she meant and I

372

00:21:03,799 --> 00:21:01,020

remembered looking out my bedroom window

373

00:21:07,250 --> 00:21:03,809

and watching the Novi police lights

374

00:21:09,860 --> 00:21:07,260

flashing as they escorted a car up my

375

00:21:13,960 --> 00:21:09,870

driveway and I remember my dad telling

376

00:21:17,180 --> 00:21:13,970

me get your bedroom and shut the door

377

00:21:17,740 --> 00:21:17,190

and I remember hearing yelling and

378

00:21:20,270 --> 00:21:17,750

screaming

379

00:21:22,850 --> 00:21:20,280

there was no way my dad was going to let

380

00:21:26,840 --> 00:21:22,860

them talk to me you know my dad was a

381

00:21:29,360 --> 00:21:26,850

world war two combat soldier and you

382

00:21:34,640 --> 00:21:29,370

didn't mess with my dad he had died for

383

00:21:36,460 --> 00:21:34,650

his kids and it pisses me off that they

384

00:21:39,820 --> 00:21:36,470

wanted to talk to a 12 year old child

385

00:21:46,159 --> 00:21:39,830

how dare they after I've been

386

00:21:49,130 --> 00:21:46,169

traumatized they didn't care as far as

387

00:21:54,110 --> 00:21:49,140

I'm concerned they murdered Cindy and

388

00:21:57,260 --> 00:21:54,120

they took away my life and that's what

389

00:22:00,310 --> 00:21:57,270

they do that's our government it's your

390

00:22:06,920 --> 00:22:03,140

former police chief fleabag all who will

391

00:22:15,230 --> 00:22:06,930

be 98 in on 4th of July we still have

392

00:22:16,220 --> 00:22:15,240

phone conversations and I begged him to

393

00:22:20,420 --> 00:22:16,230

tell me

394

00:22:22,270 --> 00:22:20,430

I said you knew you know you're not

395

00:22:25,280 --> 00:22:22,280

getting any younger and you've got

396

00:22:28,400 --> 00:22:25,290

information that I need please don't

397

00:22:32,000 --> 00:22:28,410

take it with you and he said and he gave

398

00:22:35,930 --> 00:22:32,010

me and I recorded and quote quote him

399

00:22:40,130 --> 00:22:35,940

and he said they came in from the Air

400

00:22:42,470 --> 00:22:40,140

Force from New Mexico or Arizona they

401  
00:22:47,720 --> 00:22:42,480  
were military doing an official

402  
00:22:50,540 --> 00:22:47,730  
investigation they came in prepared to

403  
00:22:52,820 --> 00:22:50,550  
disbelieve everyone because things like

404  
00:22:57,620 --> 00:22:52,830  
that don't happen but they do don't they

405  
00:23:00,440 --> 00:22:57,630  
Nancy they knew how to talk they wanted

406  
00:23:06,020 --> 00:23:00,450  
to talk to everyone they didn't want to

407  
00:23:07,990 --> 00:23:06,030  
start a panic I think your father made a

408  
00:23:15,710 --> 00:23:08,000  
mistake and not letting you talk to them

409  
00:23:18,530 --> 00:23:15,720  
and I said chief I was only 12 and he

410  
00:23:23,090 --> 00:23:18,540  
said well you're a big girl now and you

411  
00:23:28,310 --> 00:23:23,100  
can tell your story and I got really

412  
00:23:32,480 --> 00:23:28,320  
emotional I said thank you chief and he

413  
00:23:36,080 --> 00:23:32,490

said dick Faulkner was on duty that

414

00:23:39,800 --> 00:23:36,090

night that once twice he said dick

415

00:23:41,660 --> 00:23:39,810

Faulkner was on duty that night placing

416

00:23:45,730 --> 00:23:41,670

him at the scene he was one of the two

417

00:23:52,550 --> 00:23:48,620

and so I started doing some research on

418

00:23:55,850 --> 00:23:52,560

dick Faulkner and found out that he

419

00:23:59,810 --> 00:23:55,860

became a police officer July 20th 1960 1

420

00:24:01,970 --> 00:23:59,820

and I said to the chief I said it must

421

00:24:04,220 --> 00:24:01,980

have scared the poop out of the officers

422

00:24:07,760 --> 00:24:04,230

when they saw Martin Colin's car being

423

00:24:12,200 --> 00:24:07,770

immobilized and he slipped up and he

424

00:24:13,320 --> 00:24:12,210

said yeah he said they got in their car

425

00:24:15,690 --> 00:24:13,330

and took off

426

00:24:17,369 --> 00:24:15,700

which explains why in my one

427

00:24:18,810 --> 00:24:17,379

illustration that I have drawn of me

428

00:24:20,249 --> 00:24:18,820

inside the ship looking outside the

429

00:24:22,109 --> 00:24:20,259

window where we were standing

430

00:24:23,489 --> 00:24:22,119

why there was no one there the police

431

00:24:26,039 --> 00:24:23,499

car was gone and the police were gone

432

00:24:31,409 --> 00:24:26,049

they left they left two little

433

00:24:33,330 --> 00:24:31,419

twelve-year-old girls they left two

434

00:24:34,859 --> 00:24:33,340

twelve-year-old little girls so when I

435

00:24:36,450 --> 00:24:34,869

look out the window of that ship the

436

00:24:41,729 --> 00:24:36,460

only one standing there with Cindy's

437

00:24:45,019 --> 00:24:41,739

father the only one brave enough the

438

00:24:50,940 --> 00:24:45,029

only one brave enough was Cindy's father

439

00:24:55,590 --> 00:24:50,950

so this is why I dig Faulkner doesn't

440

00:24:58,529 --> 00:24:55,600

want to talk about it because he's I'd

441

00:25:01,759 --> 00:24:58,539

be ashamed to you know there really

442

00:25:07,619 --> 00:25:01,769

wasn't much you could probably have done

443

00:25:11,489 --> 00:25:07,629

but getting in this car taking off well

444

00:25:14,729 --> 00:25:11,499

I was on board I remember running right

445

00:25:16,919 --> 00:25:14,739

past the pilot I wasn't scared because

446

00:25:20,340 --> 00:25:16,929

he looked just like anybody's father and

447

00:25:23,369 --> 00:25:20,350

I knew he was the pilot and they stood

448

00:25:26,159 --> 00:25:23,379

in the middle of this empty room of the

449

00:25:29,279 --> 00:25:26,169

ship and I remember I don't know if I

450

00:25:32,509 --> 00:25:29,289

thought it or I said it but I said I I

451  
00:25:35,340 --> 00:25:32,519  
can't believe I'm on a flying saucer and

452  
00:25:38,389 --> 00:25:35,350  
I could feel his humor we were

453  
00:25:44,159 --> 00:25:38,399  
telepathically communicating he said

454  
00:25:45,659 --> 00:25:44,169  
it's a ship and I said mister this can't

455  
00:25:47,369 --> 00:25:45,669  
be a ship and this is how he got the

456  
00:25:51,570 --> 00:25:47,379  
name mister that I still call him by

457  
00:25:54,119 --> 00:25:51,580  
today not Mis ter but Mr period with

458  
00:25:57,299 --> 00:25:54,129  
respect I said mister this can't be a

459  
00:26:00,509 --> 00:25:57,309  
ship because a ship is what Captain Hook

460  
00:26:05,570 --> 00:26:00,519  
was on and a ship goes in the water and

461  
00:26:13,710 --> 00:26:08,849  
then I was next thing I remember I'm in

462  
00:26:18,899 --> 00:26:13,720  
a room and they tell me they want to see

463  
00:26:23,849 --> 00:26:18,909

inside me and I look above me and Cindy

464

00:26:26,159 --> 00:26:23,859

is in a cylindrical clear tube and I

465

00:26:27,270 --> 00:26:26,169

realize now it was a holding cell they

466

00:26:29,970 --> 00:26:27,280

had I said gets

467

00:26:32,790 --> 00:26:29,980

- they had and they had put her there

468

00:26:35,730 --> 00:26:32,800

and then she did a regression before she

469

00:26:38,370 --> 00:26:35,740

died thank God and she talks about being

470

00:26:40,950 --> 00:26:38,380

in the cylindrical tube watching them do

471

00:26:44,160 --> 00:26:40,960

this procedure to me doing something to

472

00:26:47,780 --> 00:26:44,170

Nancy's stomach and she remembers being

473

00:26:51,270 --> 00:26:47,790

in the tube talk about validation and

474

00:26:52,800 --> 00:26:51,280

she said I'm dressed I have clothes on

475

00:26:55,710 --> 00:26:52,810

and I'm not scared because I'm in the

476  
00:26:56,940 --> 00:26:55,720  
tube she said but Nancy isn't I mean she

477  
00:26:59,280 --> 00:26:56,950  
doesn't have any clothes on

478  
00:27:01,290 --> 00:26:59,290  
and I didn't and the reason they told me

479  
00:27:04,410 --> 00:27:01,300  
they wanted to see inside they were

480  
00:27:06,420 --> 00:27:04,420  
talking to a 12-year old they couldn't

481  
00:27:07,830 --> 00:27:06,430  
say we were hurry they were they were

482  
00:27:09,690 --> 00:27:07,840  
harvesting eggs is what they were doing

483  
00:27:12,870 --> 00:27:09,700  
and I would never have understood what

484  
00:27:15,870 --> 00:27:12,880  
that meant and my regression therapist

485  
00:27:20,720 --> 00:27:15,880  
said are they doing it with malice and I

486  
00:27:30,780 --> 00:27:27,840  
I cried through the laparoscopy and then

487  
00:27:34,230 --> 00:27:30,790  
I after that they placed a cylindrical

488  
00:27:35,790 --> 00:27:34,240

metal object in my right hand and I

489

00:27:39,720 --> 00:27:35,800

instinctively knew to curl my fingers

490

00:27:42,030 --> 00:27:39,730

around it and I knew that they were

491

00:27:46,440 --> 00:27:42,040

giving me something contained within

492

00:27:49,050 --> 00:27:46,450

this rod information whatever but if you

493

00:27:52,200 --> 00:27:49,060

look at my illustration you'll see that

494

00:27:54,060 --> 00:27:52,210

all the beings they're grey beings are

495

00:27:57,210 --> 00:27:54,070

looking at the same spot on the wall

496

00:28:01,170 --> 00:27:57,220

they are looking at a monitor they are

497

00:28:03,780 --> 00:28:01,180

monitoring what they are putting than

498

00:28:05,850 --> 00:28:03,790

what is contained within this rod and I

499

00:28:09,750 --> 00:28:05,860

believe some of what they were giving me

500

00:28:12,480 --> 00:28:09,760

is what I held for 50 years inside and I

501  
00:28:15,720 --> 00:28:12,490  
was either programmed or ready to awaken

502  
00:28:21,450 --> 00:28:15,730  
in 2011 when I did now to be telling my

503  
00:28:23,370 --> 00:28:21,460  
story and they gave me a message and I

504  
00:28:26,400 --> 00:28:23,380  
attached the message that they gave me

505  
00:28:30,360 --> 00:28:26,410  
take this baton and run with it be an

506  
00:28:32,760 --> 00:28:30,370  
ambassador so that's what I'm doing my

507  
00:28:35,100 --> 00:28:32,770  
my main mission is to help people to

508  
00:28:36,820 --> 00:28:35,110  
help them lose the fear and to come

509  
00:28:42,830 --> 00:28:36,830  
forward

510  
00:28:44,840 --> 00:28:42,840  
it's in keeping the secret that that

511  
00:28:47,840 --> 00:28:44,850  
causes all of the emotional and physical

512  
00:28:50,200 --> 00:28:47,850  
problems you know I I have a woman that

513  
00:28:53,180 --> 00:28:50,210

that contacted me and she'd been married

514

00:28:55,280 --> 00:28:53,190

thirty years and hasn't told her husband

515

00:28:58,220 --> 00:28:55,290

and I asked her if she was happily

516

00:29:00,710 --> 00:28:58,230

married and she said yes and I said no

517

00:29:05,420 --> 00:29:00,720

you're not if you were happily married

518

00:29:08,840 --> 00:29:05,430

you would tell your husband you can't

519

00:29:12,950 --> 00:29:08,850

hold this inside for fear that people

520

00:29:15,680 --> 00:29:12,960

are going to bully you or I mean I've

521

00:29:17,840 --> 00:29:15,690

lost friends and family and people are

522

00:29:20,300 --> 00:29:17,850

afraid of me they actually avoid me you

523

00:29:24,080 --> 00:29:20,310

know those aren't my friends and family

524

00:29:26,030 --> 00:29:24,090

and at first it hurt and now I'm

525

00:29:28,700 --> 00:29:26,040

relieved I'm relieved they're out of my

526

00:29:30,680 --> 00:29:28,710

life because I can tell my story if

527

00:29:33,500 --> 00:29:30,690

they're ready to come back into my life

528

00:29:36,370 --> 00:29:33,510

at some point wonderful fine if they

529

00:29:40,550 --> 00:29:36,380

don't they were never family or friends

530

00:29:42,890 --> 00:29:40,560

I'm healing now I'm I thought of myself

531

00:29:45,470 --> 00:29:42,900

as scar tissue I actually voiced those

532

00:29:47,720 --> 00:29:45,480

words that I was scar tissue I had no

533

00:29:51,770 --> 00:29:47,730

idea that I was an intelligent woman I

534

00:29:56,320 --> 00:29:51,780

had no self-esteem no self-worth I've

535

00:29:59,060 --> 00:29:56,330

gone from what I was to Who I am now in

536

00:30:04,970 --> 00:29:59,070

such a short period of time I'm not I

537

00:30:07,790 --> 00:30:04,980

don't even know who that person was so

538

00:30:11,750 --> 00:30:07,800

I'm glad to be doing what I'm doing I've

539

00:30:14,150 --> 00:30:11,760

only seen mister in reptilian form one

540

00:30:18,680 --> 00:30:14,160

time and that was when I was three years

541

00:30:22,910 --> 00:30:18,690

old and that was my that was remembered

542

00:30:27,250 --> 00:30:22,920

through a through a regression and I

543

00:30:30,590 --> 00:30:27,260

kept thinking aqui aqui I grew up with

544

00:30:32,480 --> 00:30:30,600

great manners and I knew that you

545

00:30:36,260 --> 00:30:32,490

wouldn't you would never say the word

546

00:30:37,970 --> 00:30:36,270

but I was feeling it and he felt that I

547

00:30:41,150 --> 00:30:37,980

was feeling it so he's never shown

548

00:30:43,070 --> 00:30:41,160

himself in that form sense because it it

549

00:30:45,080 --> 00:30:43,080

creeped me out watching is the scales

550

00:30:47,630 --> 00:30:45,090

would pull away from the foundation I

551  
00:30:49,000 --> 00:30:47,640  
could see them moving and I kept

552  
00:30:52,810 --> 00:30:49,010  
thinking it was a key

553  
00:31:01,950 --> 00:30:52,820  
but he's seven eight feet tall greenish

554  
00:31:04,570 --> 00:31:01,960  
brown a slit for a mouth amber eyes

555  
00:31:06,730 --> 00:31:04,580  
loving but when they look at you they

556  
00:31:12,250 --> 00:31:06,740  
look at you with love he has a very

557  
00:31:14,799 --> 00:31:12,260  
heavy tail that rests on the floor and

558  
00:31:16,830 --> 00:31:14,809  
his feet are like I called him alligator

559  
00:31:19,780 --> 00:31:16,840  
feet they look just like an alligator

560  
00:31:26,169 --> 00:31:19,790  
he's built like a baseball player not a

561  
00:31:29,230 --> 00:31:26,179  
football player he exudes power and and

562  
00:31:31,570 --> 00:31:29,240  
demands respect and he tells me that he

563  
00:31:35,919 --> 00:31:31,580

is respected by all species of beings

564

00:31:37,690 --> 00:31:35,929

they all respect him and when I took his

565

00:31:40,090 --> 00:31:37,700

picture I drew a picture of him he put

566

00:31:41,850 --> 00:31:40,100

it in my head and he made me draw it and

567

00:31:46,750 --> 00:31:41,860

after I drew it he said write below

568

00:31:48,820 --> 00:31:46,760

write these words see me as I am and I

569

00:31:51,010 --> 00:31:48,830

took it with me to a few MUFON meetings

570

00:31:54,250 --> 00:31:51,020

a couple of MUFON meetings only to be

571

00:31:57,520 --> 00:31:54,260

told if he's a reptilian and I said I

572

00:31:59,740 --> 00:31:57,530

guess well he's a drip draconian

573

00:32:01,900 --> 00:31:59,750

reptilian and they're evil and they eat

574

00:32:06,460 --> 00:32:01,910

babies I mean some of the things I've

575

00:32:08,740 --> 00:32:06,470

heard I didn't care what they said I

576

00:32:12,789 --> 00:32:08,750

loved him I still love him and I find

577

00:32:20,500 --> 00:32:12,799

myself defending him because all I've

578

00:32:23,049 --> 00:32:20,510

ever received is loving messages one of

579

00:32:24,010 --> 00:32:23,059

the messages was our messages are not

580

00:32:25,570 --> 00:32:24,020

for everyone

581

00:32:28,390 --> 00:32:25,580

many will be left I wish to the quotes

582

00:32:30,549 --> 00:32:28,400

because they kept in quotes how our

583

00:32:36,120 --> 00:32:30,559

messages are not for everyone many will

584

00:32:39,070 --> 00:32:36,130

be left behind and you ask who we are

585

00:32:44,799 --> 00:32:39,080

you have only to look in the mirror we

586

00:32:46,690 --> 00:32:44,809

are you we are all one all memories are

587

00:32:49,480 --> 00:32:46,700

packed and taken with us in each new

588

00:32:53,470 --> 00:32:49,490

life when the load becomes too heavy

589

00:32:55,360 --> 00:32:53,480

we travel or become light knowledge

590

00:32:57,149 --> 00:32:55,370

energy but those are my words and I've

591

00:32:59,590 --> 00:32:57,159

heard other people use those words but

592

00:33:02,140 --> 00:32:59,600

those were those are my words and they

593

00:33:03,009 --> 00:33:02,150

were given to me by mr. so whenever you

594

00:33:05,970 --> 00:33:03,019

hear the word

595

00:33:10,989 --> 00:33:05,980

they travel as light knowledge energy

596

00:33:13,330 --> 00:33:10,999

that's how they travel and I heard a

597

00:33:17,080 --> 00:33:13,340

speaker one time saying that they

598

00:33:20,350 --> 00:33:17,090

traveled as light energy I said to dr.

599

00:33:21,820 --> 00:33:20,360

wellness he forgot knowledge and dr.

600

00:33:25,560 --> 00:33:21,830

wellness said yes and that's very

601  
00:33:30,580 --> 00:33:25,570  
important part of the message and it is

602  
00:33:33,190 --> 00:33:30,590  
so whatever we are we are always who we

603  
00:33:35,649 --> 00:33:33,200  
are meaning that our consciousness is

604  
00:33:38,830 --> 00:33:35,659  
always our consciousness it just goes

605  
00:33:40,960 --> 00:33:38,840  
into a different vessel so when you have

606  
00:33:44,049 --> 00:33:40,970  
memories or you meet someone that you

607  
00:33:46,840 --> 00:33:44,059  
feel you've known before it's because if

608  
00:33:51,070 --> 00:33:46,850  
our consciousness carries all of this

609  
00:33:54,190 --> 00:33:51,080  
with us you know there is no no death I

610  
00:33:57,399 --> 00:33:54,200  
was made to draw an illustration it'll

611  
00:34:01,210 --> 00:33:57,409  
be in my second book and it's a circle

612  
00:34:04,060 --> 00:34:01,220  
within a circle within a circle and the

613  
00:34:07,600 --> 00:34:04,070

outer circle has the words past present

614

00:34:10,119 --> 00:34:07,610

future there is no we are in the past we

615

00:34:16,139 --> 00:34:10,129

are in the future we are in the now all

616

00:34:19,020 --> 00:34:16,149

at once maybe in a different mention and

617

00:34:24,190 --> 00:34:19,030

the answer to everything is so simple

618

00:34:31,450 --> 00:34:24,200

it's so freakin simple it's just love

619

00:34:37,389 --> 00:34:31,460

that's it love unity oneness so on

620

00:34:39,280 --> 00:34:37,399

September of 2011 when I first spoke

621

00:34:41,589 --> 00:34:39,290

with dr. wellness and after the third

622

00:34:44,559 --> 00:34:41,599

regression it was like Pandora's Box it

623

00:34:47,200 --> 00:34:44,569

open for me all my memories everything

624

00:34:48,790 --> 00:34:47,210

started surfacing it was unbelievable I

625

00:34:59,079 --> 00:34:48,800

started getting message after message

626  
00:35:04,030 --> 00:34:59,089  
and images and in 2015 I had a wonderful

627  
00:35:07,839 --> 00:35:04,040  
experience with mister and he was in the

628  
00:35:14,319 --> 00:35:07,849  
light knowledge energy form and he he is

629  
00:35:17,870 --> 00:35:14,329  
the size and shape of of who he is

630  
00:35:21,800 --> 00:35:17,880  
but he's a featureless form but I know

631  
00:35:25,839 --> 00:35:21,810  
it's him and we were walking down a rim

632  
00:35:30,290 --> 00:35:25,849  
to the bottom of level of the ship and

633  
00:35:33,470 --> 00:35:30,300  
as we we get there there is this angelic

634  
00:35:35,569 --> 00:35:33,480  
being greeting us and he has the biggest

635  
00:35:39,020 --> 00:35:35,579  
smile you can imagine he was all teeth

636  
00:35:46,400 --> 00:35:39,030  
and he had big fluffy white wings and a

637  
00:35:49,280 --> 00:35:46,410  
long white robe and I actually felt he

638  
00:35:52,790 --> 00:35:49,290

was expecting us and I felt honored that

639

00:35:54,680 --> 00:35:52,800

Mister would be bringing me to this

640

00:35:56,960 --> 00:35:54,690

lower level of the ship to show me what

641

00:35:58,790 --> 00:35:56,970

he was about to show me especially since

642

00:36:00,880 --> 00:35:58,800

I know nothing about the computer I mean

643

00:36:10,880 --> 00:36:00,890

literally if it's not Google or YouTube

644

00:36:14,109 --> 00:36:10,890

I wrote my book in Gmail compose so the

645

00:36:17,270 --> 00:36:14,119

lower level of the ship is nothing but

646

00:36:18,920 --> 00:36:17,280

computer computer chip boards the only

647

00:36:20,450 --> 00:36:18,930

time I've ever seen anything like it was

648

00:36:23,089 --> 00:36:20,460

a friend of mine had the back of his

649

00:36:26,300 --> 00:36:23,099

television off and I said that's it

650

00:36:28,819 --> 00:36:26,310

that is what I saw the ship the whole

651  
00:36:31,370 --> 00:36:28,829  
bottom of the ship with that and it was

652  
00:36:33,559 --> 00:36:31,380  
divided into sections and it each

653  
00:36:36,470 --> 00:36:33,569  
section stood a different angelic being

654  
00:36:38,359 --> 00:36:36,480  
and they were all busy working so the

655  
00:36:40,550 --> 00:36:38,369  
only one I saw face on was the one that

656  
00:36:43,599 --> 00:36:40,560  
was greeting us and they were all

657  
00:36:47,900 --> 00:36:43,609  
working hard busy busy

658  
00:36:49,819 --> 00:36:47,910  
and I understood that they were all

659  
00:36:51,859 --> 00:36:49,829  
different species they were all

660  
00:36:54,859 --> 00:36:51,869  
representing a different species of

661  
00:36:58,130 --> 00:36:54,869  
being and they were all working together

662  
00:37:01,609 --> 00:36:58,140  
the love that I felt you don't feel it

663  
00:37:05,000 --> 00:37:01,619

here on earth it doesn't exist but it

664

00:37:11,210 --> 00:37:05,010

was a unity and a oneness and a love of

665

00:37:12,770 --> 00:37:11,220

all of these different they were they

666

00:37:15,800 --> 00:37:12,780

were each representing a different

667

00:37:18,020 --> 00:37:15,810

species of being is how I understood it

668

00:37:22,940 --> 00:37:18,030

to be and they were all working together

669

00:37:24,650 --> 00:37:22,950

for the earth and I reached up to mr.

670

00:37:26,940 --> 00:37:24,660

who was nothing but energy of barman I

671

00:37:30,000 --> 00:37:26,950

said what are they

672

00:37:33,780 --> 00:37:30,010

Jules they all have links and he said

673

00:37:36,180 --> 00:37:33,790

asked them so I I went to look at the

674

00:37:40,950 --> 00:37:36,190

smiling angelic being who had greeted us

675

00:37:43,859 --> 00:37:40,960

and he said we are benevolent beings we

676

00:37:48,480 --> 00:37:43,869

are here to help save the planet if that

677

00:37:50,190 --> 00:37:48,490

makes us angels than we are and I didn't

678

00:37:53,430 --> 00:37:50,200

want to leave you could feel the

679

00:38:01,680 --> 00:37:53,440

electricity in the air in this room like

680

00:38:06,599 --> 00:38:01,690

a like a vibrational energy of love it

681

00:38:11,240 --> 00:38:06,609

was beautiful and a couple months after

682

00:38:16,710 --> 00:38:11,250

this incident mister said to me quote

683

00:38:18,390 --> 00:38:16,720

you now have your wings and I wrote to

684

00:38:20,670 --> 00:38:18,400

David Chase who has a chapter in the

685

00:38:23,700 --> 00:38:20,680

book and I was really upset I was crying

686

00:38:25,920 --> 00:38:23,710

I should I got my wings what does that

687

00:38:27,390 --> 00:38:25,930

mean misters leaving me and David said

688

00:38:30,540 --> 00:38:27,400

no misters never gonna leave you and

689

00:38:33,839 --> 00:38:30,550

he's not he just wanted me to know that

690

00:38:37,920 --> 00:38:33,849

I had I had earned my wings and that's

691

00:38:42,960 --> 00:38:37,930

why he took me aboard and and let me

692

00:38:45,150 --> 00:38:42,970

experience this I feel so blessed that I

693

00:38:48,990 --> 00:38:45,160

got to experience this yeah in fact the

694

00:38:50,490 --> 00:38:49,000

last message that I received was I was

695

00:38:52,620 --> 00:38:50,500

worried about this conference because

696

00:38:56,069 --> 00:38:52,630

this is my first speaking engagement and

697

00:38:59,609 --> 00:38:56,079

yeah I'll tell you I'm nervous and I was

698

00:39:02,460 --> 00:38:59,619

told your words will reach the ears for

699

00:39:04,859 --> 00:39:02,470

those they are intended so I'm not

700

00:39:07,349 --> 00:39:04,869

that's put me at ease I'm not worried

701

00:39:12,210 --> 00:39:07,359

about you know being oh they're just

702

00:39:15,030 --> 00:39:12,220

always going to be debunkers and the

703

00:39:17,220 --> 00:39:15,040

bullies and you know the mockers and the

704

00:39:22,290 --> 00:39:17,230

government you know we we talked about

705

00:39:27,030 --> 00:39:22,300

that earlier the government and they'll

706

00:39:27,780 --> 00:39:27,040

try to make me look crazy but I speak

707

00:39:34,109 --> 00:39:27,790

the truth

708

00:39:36,120 --> 00:39:34,119

and any experencer you know it you can

709

00:39:38,960 --> 00:39:36,130

feel it you feel it in the air things

710

00:39:42,740 --> 00:39:38,970

are happening it's all around us

711

00:39:44,840 --> 00:39:42,750

I loved love to add this right here dr.

712

00:39:49,420 --> 00:39:44,850

Sarah Konrath from the University of

713

00:39:53,690 --> 00:39:49,430

Michigan did a study a 20-year study of

714

00:39:58,100 --> 00:39:53,700

14,000 students college students to find

715

00:40:01,760 --> 00:39:58,110

the today's students are 40% lower in

716

00:40:03,590 --> 00:40:01,770

empathy than students of 20 to 30 years

717

00:40:08,630 --> 00:40:03,600

ago I'm going to say that again

718

00:40:12,200 --> 00:40:08,640

40% lower humanity cannot exist without

719

00:40:16,550 --> 00:40:12,210

empathy no species can exist without

720

00:40:20,060 --> 00:40:16,560

without empathy so that is why they are

721

00:40:21,800 --> 00:40:20,070

here now because we've got we're at a

722

00:40:24,140 --> 00:40:21,810

tipping point empathy is at a tipping

723

00:40:26,420 --> 00:40:24,150

point right now and we've got too many

724

00:40:27,920 --> 00:40:26,430

people with their fingers on the button

725

00:40:29,600 --> 00:40:27,930

and it's not going to happen so don't

726

00:40:31,460 --> 00:40:29,610

worry about it because they're not going

727

00:40:34,370 --> 00:40:31,470

to let it happen this is not our planet

728

00:40:38,870 --> 00:40:34,380

never been our planet we treat it like

729

00:40:44,390 --> 00:40:38,880

crap and they've waited long enough and

730

00:40:46,280 --> 00:40:44,400

they have to step in because of what

731

00:40:50,830 --> 00:40:46,290

we've done to this planet and what we've

732

00:40:55,520 --> 00:40:50,840

become you see all the people running

733

00:40:58,520 --> 00:40:55,530

the countries need i say more we were

734

00:40:59,450 --> 00:40:58,530

talking about sociopaths ruling us this

735

00:41:02,810 --> 00:40:59,460

is terrifying

736

00:41:05,270 --> 00:41:02,820

and we can't continue like this so yes

737

00:41:10,640 --> 00:41:05,280

they're going to step in yeah I would

738

00:41:13,730 --> 00:41:10,650

like to close by by asking everyone that

739

00:41:18,350 --> 00:41:13,740

is an experimenter and is holding this

740

00:41:19,550 --> 00:41:18,360

inside to please share please it's the

741

00:41:20,960 --> 00:41:19,560

only way you're going to heal you or

742

00:41:23,480 --> 00:41:20,970

you're not going to believe how much

743

00:41:25,690 --> 00:41:23,490

better you're going to feel if you lose

744

00:41:28,430 --> 00:41:25,700

family and friends they weren't yours

745

00:41:31,940 --> 00:41:28,440

you know they were never your family or

746

00:41:37,220 --> 00:41:31,950

friends I am now with my family and
