[Music]

2
00:00:23,220 --> 00:00:26,040

you

3
00:00:30,179 --> 00:00:28,050

I'm Richard Dolan I've been writing

4
00:00:31,859 --> 00:00:30,189

about UFOs for quite a long time I've

5
00:00:33,689 --> 00:00:31,869

got a couple of websites to deal with it

6
00:00:35,639 --> 00:00:33,699

Richard Owen Press where I have a lot of

7
00:00:38,160 --> 00:00:35,649

the books that I've published and by

8
00:00:39,840 --> 00:00:38,170

myself and other authors as well as

9
00:00:41,580 --> 00:00:39,850

Richard Olin members which is a very

10
00:00:46,079 --> 00:00:41,590

active site where I have putting up a

11
00:00:49,680 --> 00:00:46,089

lot of content all the time I'm very

12
00:00:52,619 --> 00:00:49,690

interested now in spring of 2018 where

13
00:00:58,799 --> 00:00:52,629

we are and some of the developments of

14

00:01:01,200 --> 00:00:58,809

the UFO subject particularly the issues

15

00:01:02,970 --> 00:01:01,210

of let's call it the whole disclosure

16

00:01:07,260 --> 00:01:02,980

movement if that's what we can call it

17

00:01:09,870 --> 00:01:07,270

and and a lot of elements relating to

18

00:01:12,570 --> 00:01:09,880

media portrayal of that so I guess

19

00:01:17,810 --> 00:01:12,580

specifically what I'm looking at right

20

00:01:22,080 --> 00:01:17,820

now is on the one hand a long history of

21

00:01:24,990 --> 00:01:22,090

mainstream establishment media debunking

22

00:01:27,060 --> 00:01:25,000

of UFOs and this goes right through the

23

00:01:31,199 --> 00:01:27,070

90 from the 1940s right on through to

24

00:01:33,029 --> 00:01:31,209

the present day in which led by the New

25

00:01:36,449 --> 00:01:33,039

York Times led by The Washington Post

26
00:01:39,510 --> 00:01:36,459
and then in more recent eras CNN and the

27
00:01:42,229 --> 00:01:39,520
other mainstream have typically taken a

28
00:01:47,029 --> 00:01:42,239
debunking world toward the UFO subject

29
00:01:49,949 --> 00:01:47,039
and then contrasting it seemingly

30
00:01:52,520 --> 00:01:49,959
contrasting it with some of the recent

31
00:01:55,139 --> 00:01:52,530
treatment over the past six months or so

32
00:01:58,320 --> 00:01:55,149
especially since December of nineteen

33
00:01:59,550 --> 00:01:58,330
excuse me December 2017 when the New

34
00:02:01,109 --> 00:01:59,560
York Times published a couple of

35
00:02:02,940 --> 00:02:01,119
articles on UFOs and people thought oh

36
00:02:05,790 --> 00:02:02,950
my goodness they're they're changing

37
00:02:08,130 --> 00:02:05,800
their entire perspective why are they

38
00:02:10,109 --> 00:02:08,140

promoting UFOs when in the past days to

39

00:02:12,990 --> 00:02:10,119

debunk it so I want to talk a little bit

40

00:02:13,830 --> 00:02:13,000

about this it's really not such a

41

00:02:16,380 --> 00:02:13,840

contradiction

42

00:02:17,460 --> 00:02:16,390

after all so one of the things that

43

00:02:20,220 --> 00:02:17,470

people have to understand about the

44

00:02:22,490 --> 00:02:20,230

media particularly the establishment

45

00:02:25,320 --> 00:02:22,500

media is that it's not your friend

46

00:02:26,309 --> 00:02:25,330

mainstream media is not your friend it

47

00:02:28,650 --> 00:02:26,319

will never be your friend

48

00:02:31,110 --> 00:02:28,660

mainstream media lies mainstream media

49

00:02:33,980 --> 00:02:31,120

spins mainstream media omits its sensors

50

00:02:36,620 --> 00:02:33,990

information the mainstream media

51
00:02:38,930 --> 00:02:36,630
is owned by a tiny number of

52
00:02:41,330 --> 00:02:38,940
corporations that have their own agenda

53
00:02:43,340 --> 00:02:41,340
the mainstream media has cooperated with

54
00:02:46,760 --> 00:02:43,350
the US intelligence community for many

55
00:02:49,970 --> 00:02:46,770
many years the mainstream media even

56
00:02:52,090 --> 00:02:49,980
makes us sick like literally makes us

57
00:02:57,830 --> 00:02:52,100
sick there have been studies that have

58
00:02:59,480 --> 00:02:57,840
indicated this and you know so all of

59
00:03:03,040 --> 00:02:59,490
these things should make us wonder what

60
00:03:05,330 --> 00:03:03,050
is going on with our mainstream media

61
00:03:10,570 --> 00:03:05,340
well one thing people have to understand

62
00:03:14,270 --> 00:03:10,580
is a program that we now know all about

63
00:03:18,170 --> 00:03:14,280

known as operation Mockingbird and it's

64

00:03:20,900 --> 00:03:18,180

my opinion that every citizen in the

65

00:03:23,030 --> 00:03:20,910

world and especially every American

66

00:03:26,000 --> 00:03:23,040

citizen really needs to know what

67

00:03:29,780 --> 00:03:26,010

Mockingbird was alright so Mockingbird

68

00:03:33,170 --> 00:03:29,790

was a CIA organized media control

69

00:03:36,230 --> 00:03:33,180

program during what was known as the

70

00:03:38,960 --> 00:03:36,240

Cold War the 1940s 50s and 60s in

71

00:03:41,890 --> 00:03:38,970

particular it was outed in the 70s and

72

00:03:45,680 --> 00:03:41,900

what it involved was the CIA having

73

00:03:49,480 --> 00:03:45,690

hundreds of American journalists on

74

00:03:53,650 --> 00:03:49,490

their payroll and just stop and ask

75

00:03:56,960 --> 00:03:53,660

yourself what that means what that meant

76
00:03:59,840 --> 00:03:56,970
and how much control you might be able

77
00:04:04,010 --> 00:03:59,850
to have over the news over the media if

78
00:04:06,050 --> 00:04:04,020
you had control or influence with 400 of

79
00:04:08,150 --> 00:04:06,060
the top journalists in your society you

80
00:04:10,970 --> 00:04:08,160
could have a lot of power and one of the

81
00:04:14,570 --> 00:04:10,980
things that they did was create fake

82
00:04:16,330 --> 00:04:14,580
news literally fake stories primarily

83
00:04:18,650 --> 00:04:16,340
they would create them internationally

84
00:04:21,229 --> 00:04:18,660
when they wanted to do regime change

85
00:04:25,070 --> 00:04:21,239
like in Iran in 1953 or Guatemala in

86
00:04:27,800 --> 00:04:25,080
1954 or Cuba in 1961 and elsewhere where

87
00:04:29,840 --> 00:04:27,810
they would create fake stories abroad

88
00:04:32,810 --> 00:04:29,850

and those stories would then filter back

89

00:04:35,810 --> 00:04:32,820

dutifully by UPI and Associated Press

90

00:04:40,280 --> 00:04:35,820

back to the United States to work up the

91

00:04:42,800 --> 00:04:40,290

public and justify regime change it's an

92

00:04:46,330 --> 00:04:42,810

old story this is not a new thing that

93

00:04:49,510 --> 00:04:46,340

the United States does so anyway this is

94

00:04:51,250 --> 00:04:49,520

what Mockingbird was doing back then so

95

00:04:53,560 --> 00:04:51,260

then Mockingbird was outed it was

96

00:04:54,969 --> 00:04:53,570

revealed in the 70s and the CIA said

97

00:04:57,460 --> 00:04:54,979

well no we don't do anything like that

98

00:04:59,320 --> 00:04:57,470

anymore we don't have paid relationships

99

00:05:01,600 --> 00:04:59,330

with journalists for the purposes of

100

00:05:03,640 --> 00:05:01,610

influencing media yeah they're very very

101
00:05:05,980 --> 00:05:03,650
specific and legalistic when you hear

102
00:05:08,530 --> 00:05:05,990
them give these denials by the way but

103
00:05:10,510 --> 00:05:08,540
in fact Mockingbird does exist it's

104
00:05:12,460 --> 00:05:10,520
deeper it's more profound it's more

105
00:05:15,280 --> 00:05:12,470
powerful than ever before and it doesn't

106
00:05:18,480 --> 00:05:15,290
just involve the CIA it involves the

107
00:05:22,420 --> 00:05:18,490
Pentagon which spends billions of

108
00:05:25,719 --> 00:05:22,430
dollars every year managing its own

109
00:05:28,659 --> 00:05:25,729
image worldwide and that includes media

110
00:05:32,830 --> 00:05:28,669
relationships the CIA and the Pentagon

111
00:05:37,210 --> 00:05:32,840
there's deep deep relationships going on

112
00:05:40,210 --> 00:05:37,220
there so that's one thing people have to

113
00:05:42,430 --> 00:05:40,220

understand all right your media is

114

00:05:44,290 --> 00:05:42,440

controlled your establishment media is

115

00:05:46,719 --> 00:05:44,300

deeply controlled there is an agenda

116

00:05:50,190 --> 00:05:46,729

there in everything that comes out of

117

00:05:56,379 --> 00:05:50,200

CNN or any of the other major mainstream

118

00:06:02,339 --> 00:05:56,389

established sources there is deep

119

00:06:05,529 --> 00:06:02,349

control going on there and part of that

120

00:06:08,500 --> 00:06:05,539

control has affected the UFO subject so

121

00:06:09,820 --> 00:06:08,510

over all of these years and we know this

122

00:06:12,520 --> 00:06:09,830

by the way this is not a matter of

123

00:06:14,980 --> 00:06:12,530

speculation so we know there was an

124

00:06:17,830 --> 00:06:14,990

infamous panel and in the 1950s known as

125

00:06:20,710 --> 00:06:17,840

the Robertson panel in January 1953

126

00:06:23,920 --> 00:06:20,720

where the CIA convened a panel of

127

00:06:27,430 --> 00:06:23,930

scientists to talk to discuss UFOs and

128

00:06:31,240 --> 00:06:27,440

one of their primary conclusions in 1953

129

00:06:33,250 --> 00:06:31,250

was we will kind of put this subject to

130

00:06:36,190 --> 00:06:33,260

sleep as far as the public is concerned

131

00:06:38,409 --> 00:06:36,200

and we're gonna work with major media in

132

00:06:41,909 --> 00:06:38,419

the process of doing that this was no

133

00:06:47,020 --> 00:06:41,919

big deal for them to work with the media

134

00:06:48,550 --> 00:06:47,030

so the UFO subject has been handled in

135

00:06:52,270 --> 00:06:48,560

this matter and the reason is that the

136

00:06:55,360 --> 00:06:52,280

UFO subject is of prime importance to

137

00:06:57,880 --> 00:06:55,370

national security and all you have to do

138

00:06:59,440 --> 00:06:57,890

is read a few of the declassified

139

00:07:01,200 --> 00:06:59,450
documents that we have

140

00:07:04,750 --> 00:07:01,210
access to through freedom of information

141

00:07:08,410 --> 00:07:04,760
that proof they don't hint they prove

142

00:07:11,080 --> 00:07:08,420
that unknown objects of incredible

143

00:07:12,610 --> 00:07:11,090
capabilities have been evading our

144

00:07:14,590 --> 00:07:12,620
interceptors for quite some time and

145

00:07:18,040 --> 00:07:14,600
they are mysterious and they are

146

00:07:20,500 --> 00:07:18,050
exhibiting grave levels of concern so

147

00:07:24,060 --> 00:07:20,510
the UFO subject is important the UFO

148

00:07:25,750 --> 00:07:24,070
subject is part of the media's

149

00:07:30,850 --> 00:07:25,760
collaboration with the national security

150

00:07:33,520 --> 00:07:30,860
community and for all of these years the

151
00:07:36,730 --> 00:07:33,530
mainstream media has worked very very

152
00:07:39,640 --> 00:07:36,740
dedicated ly to keeping the UFO subject

153
00:07:42,250 --> 00:07:39,650
on the margins on the fringe and they've

154
00:07:43,930 --> 00:07:42,260
succeeded now a couple of things have

155
00:07:46,330 --> 00:07:43,940
happened over the last generation that

156
00:07:50,310 --> 00:07:46,340
have changed things up a little bit one

157
00:07:53,490 --> 00:07:50,320
is we've developed this internet the web

158
00:07:56,770 --> 00:07:53,500
this interconnectivity that was not

159
00:08:00,040 --> 00:07:56,780
conceivable 25 plus years ago no one

160
00:08:04,090 --> 00:08:00,050
could imagine this so we have now a

161
00:08:07,480 --> 00:08:04,100
genuine viable alternative media this

162
00:08:10,500 --> 00:08:07,490
could not have happened prior to 1990 or

163
00:08:14,620 --> 00:08:10,510

even prior to prior to like 2000 really

164

00:08:17,470 --> 00:08:14,630

but is here now and that's a threat to

165

00:08:19,300 --> 00:08:17,480

the system and what that has meant is

166

00:08:23,980 --> 00:08:19,310

that over the last twenty years or so

167

00:08:26,350 --> 00:08:23,990

the establishment has had its own

168

00:08:29,470 --> 00:08:26,360

counter-offensive and the latest

169

00:08:31,990 --> 00:08:29,480

iteration of that is deeming alternative

170

00:08:34,540 --> 00:08:32,000

news to be so-called fake news and you

171

00:08:36,940 --> 00:08:34,550

hear this all the time so this is the

172

00:08:39,190 --> 00:08:36,950

latest offensive by the way you will

173

00:08:41,230 --> 00:08:39,200

watch and you'll see over the next few

174

00:08:46,210 --> 00:08:41,240

years that fake news increasingly will

175

00:08:48,100 --> 00:08:46,220

be made illegal not just ridiculed and

176

00:08:50,230 --> 00:08:48,110

dismissed but actually will be there's

177

00:08:52,630 --> 00:08:50,240

legislation in Malaysia famously this

178

00:08:56,860 --> 00:08:52,640

earlier this year in 2018 they passed

179

00:08:59,200 --> 00:08:56,870

laws criminalizing fake news and it

180

00:09:00,820 --> 00:08:59,210

won't stop there it's going to happen in

181

00:09:02,700 --> 00:09:00,830

a lot of other places Britain's already

182

00:09:05,260 --> 00:09:02,710

gone off they're out of their mind

183

00:09:06,640 --> 00:09:05,270

relating to so-called fake news and you

184

00:09:09,460 --> 00:09:06,650

can see this is going to get worse and

185

00:09:11,950 --> 00:09:09,470

worse the point is this that's the

186

00:09:17,640 --> 00:09:11,960

counter-attack by the establishment

187

00:09:20,110 --> 00:09:17,650

against alternative media all right so

188

00:09:22,750 --> 00:09:20,120

you know where that whole battle is

189

00:09:25,480 --> 00:09:22,760

going that's the question I don't know

190

00:09:30,040 --> 00:09:25,490

the answer to that maybe nobody does but

191

00:09:32,560 --> 00:09:30,050

now recently relating to UFOs we see

192

00:09:37,390 --> 00:09:32,570

something new we see the New York Times

193

00:09:39,420 --> 00:09:37,400

on December 16th 1920 17 come out with

194

00:09:44,680 --> 00:09:39,430

two not one two really interesting

195

00:09:46,570 --> 00:09:44,690

articles on UFOs two articles in one day

196

00:09:51,580 --> 00:09:46,580

Wow

197

00:09:54,040 --> 00:09:51,590

both of them gave a very you know

198

00:09:56,970 --> 00:09:54,050

reasonably positive spin on the subject

199

00:10:00,340 --> 00:09:56,980

one of them stated several revelations a

200

00:10:02,470 --> 00:10:00,350

the Pentagon for five years roughly

201
00:10:06,820 --> 00:10:02,480
speaking spent about twenty two million

202
00:10:09,730 --> 00:10:06,830
dollars on UFOs on UFO research now in

203
00:10:11,350 --> 00:10:09,740
pentagon money that's really nothing but

204
00:10:14,440 --> 00:10:11,360
still twenty two million dollars hey

205
00:10:17,190 --> 00:10:14,450
significant and you want to know why

206
00:10:22,980 --> 00:10:17,200
would they be spending money at all if

207
00:10:27,760 --> 00:10:22,990
UFOs are supposed to be nonsense be they

208
00:10:30,160 --> 00:10:27,770
these articles put out the knowledge

209
00:10:32,560 --> 00:10:30,170
that this program the advanced errors

210
00:10:35,860 --> 00:10:32,570
based identification threat program a a

211
00:10:37,570 --> 00:10:35,870
tip run by a man named Louise Elizondo a

212
00:10:41,350 --> 00:10:37,580
career intelligence officer Elizondo

213
00:10:44,460 --> 00:10:41,360

made statements that their program ran

214

00:10:47,800 --> 00:10:44,470

into objects that were unexplainable

215

00:10:49,930 --> 00:10:47,810

that's interesting objects that he

216

00:10:53,580 --> 00:10:49,940

characterizes beyond next generation

217

00:10:55,780 --> 00:10:53,590

that's also interesting see they

218

00:10:59,140 --> 00:10:55,790

discussed the encounter by commander

219

00:11:02,320 --> 00:10:59,150

David flavor of the US Navy in his f-18

220

00:11:06,190 --> 00:11:02,330

a Super Hornet in November 2004 off the

221

00:11:09,630 --> 00:11:06,200

coast of California hell of a case he's

222

00:11:13,000 --> 00:11:09,640

out there with another pilot on an

223

00:11:17,290 --> 00:11:13,010

intercept mission of an object that was

224

00:11:19,140 --> 00:11:17,300

being tracked he sees it he says it

225

00:11:22,250 --> 00:11:19,150

looked like a large tic-tac

226

00:11:26,430 --> 00:11:22,260

on or around the surface of the ocean

227

00:11:31,050 --> 00:11:26,440

throbbing waves below it he goes down it

228

00:11:33,140 --> 00:11:31,060

comes up it zooms off that a speed that

229

00:11:37,890 --> 00:11:33,150

is off the charts

230

00:11:39,900 --> 00:11:37,900

it's amazing stuff the New York Times

231

00:11:42,060 --> 00:11:39,910

article also had another little

232

00:11:47,850 --> 00:11:42,070

bombshell which was at Bigelow Aerospace

233

00:11:50,010 --> 00:11:47,860

buy run by Robert Bigelow is the private

234

00:11:53,670 --> 00:11:50,020

company that had the contract with the

235

00:11:57,050 --> 00:11:53,680

government to study all of his UFO data

236

00:11:59,310 --> 00:11:57,060

and including receiving materials

237

00:12:02,130 --> 00:11:59,320

described in the New York Times piece as

238

00:12:05,220 --> 00:12:02,140

metal alloys that were being studied of

239

00:12:08,160 --> 00:12:05,230

these objects now the New York Times

240

00:12:09,540 --> 00:12:08,170

article was a little bit a little cagey

241

00:12:13,910 --> 00:12:09,550

about that and what they actually said

242

00:12:18,570 --> 00:12:13,920

was according to Elizondo even so

243

00:12:21,060 --> 00:12:18,580

Bigelow supposedly had this so first of

244

00:12:23,130 --> 00:12:21,070

all skeptics come in and their first

245

00:12:25,350 --> 00:12:23,140

thing is to say up this doesn't mean a

246

00:12:27,660 --> 00:12:25,360

thing first of all all you've got is

247

00:12:30,900 --> 00:12:27,670

corrupt sweetheart deals that the Senate

248

00:12:32,870 --> 00:12:30,910

has with some aerospace guy and they're

249

00:12:35,310 --> 00:12:32,880

throwing a few million dollars away

250

00:12:36,990 --> 00:12:35,320

that's how they like some of them like

251
00:12:42,360 --> 00:12:37,000
to explain this away but that really

252
00:12:47,310 --> 00:12:42,370
will not do I mean unless you simply

253
00:12:49,470 --> 00:12:47,320
call flavor and Elizondo boldface Liars

254
00:12:52,440 --> 00:12:49,480
which oh can you feel free to do that I

255
00:12:54,960 --> 00:12:52,450
won't and at the same time they've come

256
00:12:58,170 --> 00:12:54,970
out with evidence in the form of video

257
00:13:00,120 --> 00:12:58,180
now all of this is sponsored through Tom

258
00:13:03,300 --> 00:13:00,130
DeLong's initiative Tom DeLonge former

259
00:13:05,790 --> 00:13:03,310
singer blink-182 to the Stars Academy

260
00:13:07,440 --> 00:13:05,800
and people have been following the UFO

261
00:13:10,980 --> 00:13:07,450
field they kind of know what about this

262
00:13:13,079 --> 00:13:10,990
ad along in October of 2017 two months

263
00:13:16,380 --> 00:13:13,089

prior to the New York Times piece had a

264

00:13:19,199 --> 00:13:16,390

press conference with Elizondo and a

265

00:13:22,920 --> 00:13:19,209

number of other individuals very

266

00:13:26,130 --> 00:13:22,930

prominent impressive people to promote

267

00:13:27,510 --> 00:13:26,140

his initiative which is a business model

268

00:13:28,740 --> 00:13:27,520

that frankly I have a hard time

269

00:13:32,790 --> 00:13:28,750

understanding how this is supposed to

270

00:13:35,970 --> 00:13:32,800

work entertainment scientific R&D

271

00:13:37,980 --> 00:13:35,980

of exotic UFO tech reverse engineering

272

00:13:42,210 --> 00:13:37,990

at studying at making money off of it

273

00:13:43,949 --> 00:13:42,220

and so forth the point is this the New

274

00:13:46,980 --> 00:13:43,959

York Times piece did not just come out

275

00:13:49,470 --> 00:13:46,990

of the blue the New York Times piece in

276

00:13:52,980 --> 00:13:49,480

my view is what I would characterize is

277

00:13:53,610 --> 00:13:52,990

damage control and basically cauterizing

278

00:13:56,069 --> 00:13:53,620

a wound

279

00:13:58,560 --> 00:13:56,079

because elizondo's information about the

280

00:14:01,380 --> 00:13:58,570

a tip program that was going to come out

281

00:14:04,110 --> 00:14:01,390

no matter what he was talking about it

282

00:14:06,210 --> 00:14:04,120

it was coming out end of story

283

00:14:09,440 --> 00:14:06,220

and so if you're the New York Times you

284

00:14:12,000 --> 00:14:09,450

are the voice of the establishment you

285

00:14:15,780 --> 00:14:12,010

are the organization that's had been in

286

00:14:18,690 --> 00:14:15,790

bed with CIA since the 1940s since there

287

00:14:20,300 --> 00:14:18,700

was a CIA New York Times has always been

288

00:14:23,850 --> 00:14:20,310

in bed with him the New York Times

289

00:14:26,370 --> 00:14:23,860

gleefully promoted the lies of the

290

00:14:28,949 --> 00:14:26,380

Pentagon that led to the Iraq war know

291

00:14:29,579 --> 00:14:28,959

three the fictitious weapons of mass

292

00:14:31,980 --> 00:14:29,589

destruction

293

00:14:34,740 --> 00:14:31,990

the New York Times gleefully put out all

294

00:14:38,370 --> 00:14:34,750

the rumors of anthrax before there was

295

00:14:40,380 --> 00:14:38,380

an anthrax scare in the fall of 2001 the

296

00:14:42,870 --> 00:14:40,390

New York Times has been in bed with the

297

00:14:45,960 --> 00:14:42,880

national security state forever they are

298

00:14:47,790 --> 00:14:45,970

never to be trusted so the point is New

299

00:14:50,579 --> 00:14:47,800

York Times now gives out in front of

300

00:14:54,079 --> 00:14:50,589

this UFO story and they put out a couple

301
00:14:59,400 --> 00:14:54,089
of reasonable articles about it

302
00:15:02,190 --> 00:14:59,410
so why well again the best way to keep a

303
00:15:04,710 --> 00:15:02,200
secret is you pretend to share it and so

304
00:15:06,510 --> 00:15:04,720
they gave out some information that was

305
00:15:09,569 --> 00:15:06,520
genuine information about the program

306
00:15:12,410 --> 00:15:09,579
they also misleadingly said a number of

307
00:15:15,120 --> 00:15:12,420
other things really misleading

308
00:15:16,650 --> 00:15:15,130
misleading point number one they stated

309
00:15:20,790 --> 00:15:16,660
that the pentagon closed the program

310
00:15:23,310 --> 00:15:20,800
down in 2012 that's almost certainly not

311
00:15:27,329 --> 00:15:23,320
the case secondly they use the phrase

312
00:15:31,590 --> 00:15:27,339
metal alloys to describe the materials

313
00:15:35,100 --> 00:15:31,600

received from these UFOs okay let me

314

00:15:36,990 --> 00:15:35,110

take that first there's a lot of good

315

00:15:38,819 --> 00:15:37,000

investigation going on now

316

00:15:41,040 --> 00:15:38,829

not by establishment media they're not

317

00:15:42,420 --> 00:15:41,050

doing a thing but by private UFO

318

00:15:44,250 --> 00:15:42,430

researchers that we're trying to get to

319

00:15:44,950 --> 00:15:44,260

the bottom of all of this and one of the

320

00:15:47,470 --> 00:15:44,960

things that is

321

00:15:50,710 --> 00:15:47,480

is that that material is not metal

322

00:15:52,960 --> 00:15:50,720

alloys and this is important because I

323

00:15:55,500 --> 00:15:52,970

read one debunking piece some time ago

324

00:15:57,610 --> 00:15:55,510

by an engineer who said metal alloys

325

00:15:59,920 --> 00:15:57,620

this doesn't make any sense

326
00:16:02,650 --> 00:15:59,930
we don't have mysterious metal alloys we

327
00:16:04,510 --> 00:16:02,660
understand them all pretty well why

328
00:16:07,030 --> 00:16:04,520
would we need to have have a detailed

329
00:16:09,610 --> 00:16:07,040
study of metal alloys well it's probably

330
00:16:12,490 --> 00:16:09,620
a good point but the fact is that what

331
00:16:14,680 --> 00:16:12,500
they're studying are not metal alloys

332
00:16:17,500 --> 00:16:14,690
they're known as meta materials and

333
00:16:20,590 --> 00:16:17,510
whatever they are they are much more

334
00:16:22,690 --> 00:16:20,600
advanced than the kind of materials that

335
00:16:25,150 --> 00:16:22,700
we typically work with that's the word

336
00:16:28,900 --> 00:16:25,160
that I have been getting from not one

337
00:16:30,400 --> 00:16:28,910
but two sources so what I would like to

338
00:16:32,320 --> 00:16:30,410

know is how did the phrase metal alloy

339

00:16:35,980 --> 00:16:32,330

get its way into the New York Times

340

00:16:39,550 --> 00:16:35,990

piece I asked if it was Elizondo and I

341

00:16:41,440 --> 00:16:39,560

was told it wasn't him if it wasn't he

342

00:16:43,600 --> 00:16:41,450

who stated that phrase metal alloys and

343

00:16:45,040 --> 00:16:43,610

it was somehow between him and the

344

00:16:47,080 --> 00:16:45,050

journalists of that New York Times piece

345

00:16:50,110 --> 00:16:47,090

it's Ralph Blumenthal Leslie Kane and

346

00:16:52,360 --> 00:16:50,120

Helene Cooper somehow it got into that

347

00:16:55,650 --> 00:16:52,370

article and I would like to know how

348

00:16:59,170 --> 00:16:55,660

because that's a piece of disinformation

349

00:17:02,010 --> 00:16:59,180

I would have said misinformation but it

350

00:17:07,720 --> 00:17:02,020

sounds like disinformation intentionally

351
00:17:09,370 --> 00:17:07,730
misleading information so this was what

352
00:17:10,870 --> 00:17:09,380
I think was going on with the New York

353
00:17:13,420 --> 00:17:10,880
Times piece you you give some

354
00:17:16,570 --> 00:17:13,430
information you withhold the rest and

355
00:17:19,240 --> 00:17:16,580
you basically just kind of attempt to

356
00:17:21,730 --> 00:17:19,250
end the story there now what it did

357
00:17:24,790 --> 00:17:21,740
though is by the very fact that the New

358
00:17:27,579 --> 00:17:24,800
York Times released this story it

359
00:17:30,160 --> 00:17:27,589
essentially gave permission to the rest

360
00:17:33,340 --> 00:17:30,170
of the mainstream media for a little

361
00:17:35,500 --> 00:17:33,350
while to delve into this matter of UFOs

362
00:17:37,360 --> 00:17:35,510
it was very interesting we saw some

363
00:17:39,370 --> 00:17:37,370

pieces by the Washington Post a few days

364

00:17:42,790 --> 00:17:39,380

later terrible pieces The Washington

365

00:17:45,340 --> 00:17:42,800

Post is incapable of doing any good

366

00:17:46,930 --> 00:17:45,350

journalism at in any way really but

367

00:17:50,410 --> 00:17:46,940

certainly on the matter of UFOs there

368

00:17:53,260 --> 00:17:50,420

there reprehensibly bad they try to do a

369

00:17:55,690 --> 00:17:53,270

few pieces on UFOs they were awful but

370

00:18:00,130 --> 00:17:55,700

then some of the mainstream televised

371

00:18:02,590 --> 00:18:00,140

media CNN and Fox and some of the others

372

00:18:03,910 --> 00:18:02,600

did a few interesting interviews with

373

00:18:05,620 --> 00:18:03,920

some of these people and quite

374

00:18:07,810 --> 00:18:05,630

interesting to watch I think in

375

00:18:10,600 --> 00:18:07,820

particular the interview with flavor by

376

00:18:12,130 --> 00:18:10,610

Tucker Carlson was quite good quite good

377

00:18:16,240 --> 00:18:12,140

it's a four or five minute piece it's on

378

00:18:18,730 --> 00:18:16,250

YouTube so there was a little bit of a

379

00:18:22,240 --> 00:18:18,740

follow up by the mainstream but what you

380

00:18:24,940 --> 00:18:22,250

notice is that all of the really key

381

00:18:29,380 --> 00:18:24,950

questions have been avoided for the most

382

00:18:31,060 --> 00:18:29,390

part all right first of all you know you

383

00:18:32,620 --> 00:18:31,070

don't have anyone in the mainstream

384

00:18:36,460 --> 00:18:32,630

asking one of the most fundamental

385

00:18:37,210 --> 00:18:36,470

questions of self reflection I mean

386

00:18:39,730 --> 00:18:37,220

think about it

387

00:18:42,010 --> 00:18:39,740

seventy years have gone by of nothing

388

00:18:45,400 --> 00:18:42,020

but debunking and dismissal of this

389

00:18:49,030 --> 00:18:45,410

subject of UFOs and suddenly it comes

390

00:18:51,730 --> 00:18:49,040

out that oh this is actually being taken

391

00:18:53,700 --> 00:18:51,740

seriously even in our own era wouldn't

392

00:18:58,180 --> 00:18:53,710

you think that anyone in the mainstream

393

00:19:00,760 --> 00:18:58,190

would say wow where have we been so

394

00:19:04,570 --> 00:19:00,770

snarky and dismissive and ridiculous

395

00:19:06,880 --> 00:19:04,580

about this all this time what are the

396

00:19:11,080 --> 00:19:06,890

implications of that and is there

397

00:19:14,890 --> 00:19:11,090

something serious going on is it

398

00:19:19,360 --> 00:19:14,900

credible that these objects which are so

399

00:19:21,010 --> 00:19:19,370

extraordinary merit only 22 million

400

00:19:23,740 --> 00:19:21,020

dollars is spending over a five-year

401
00:19:26,890 --> 00:19:23,750
period is that really credible to think

402
00:19:28,450 --> 00:19:26,900
or maybe maybe there's something more

403
00:19:30,040 --> 00:19:28,460
going on here I mean one of the things

404
00:19:34,510 --> 00:19:30,050
that elizondo's said that I thought was

405
00:19:38,680 --> 00:19:34,520
quite on point in an early statement he

406
00:19:40,990 --> 00:19:38,690
gave for Politico was he said something

407
00:19:44,230 --> 00:19:41,000
like you know if the Chinese or Russians

408
00:19:47,250 --> 00:19:44,240
were developing this technology we would

409
00:19:50,620 --> 00:19:47,260
be really concerned here in the US and

410
00:19:53,350 --> 00:19:50,630
instead he said all I get from here is

411
00:19:54,250 --> 00:19:53,360
the sound of crickets so it's like from

412
00:19:58,960 --> 00:19:54,260
his higher-ups

413
00:20:02,170 --> 00:19:58,970

no one seems to be concerned why like

414

00:20:04,540 --> 00:20:02,180

why is this not a question that the

415

00:20:07,180 --> 00:20:04,550

media is really asking if you've got

416

00:20:09,850 --> 00:20:07,190

objects that can do what the tic-tac

417

00:20:14,040 --> 00:20:09,860

did with flavor and let me really

418

00:20:17,530 --> 00:20:14,050

emphasize this flavor by his description

419

00:20:21,760 --> 00:20:17,540

circles around C's it comes down on an

420

00:20:24,400 --> 00:20:21,770

intercept it comes up and zooms off and

421

00:20:26,980 --> 00:20:24,410

according to his statement that thing

422

00:20:30,580 --> 00:20:26,990

was out of visibility in two seconds

423

00:20:33,610 --> 00:20:30,590

there was a perfect visibility of ten

424

00:20:35,260 --> 00:20:33,620

miles and I think what he said a more or

425

00:20:36,430 --> 00:20:35,270

less practical visibility of almost

426
00:20:38,440 --> 00:20:36,440
fifty miles

427
00:20:42,010 --> 00:20:38,450
but even if you say two miles in ten

428
00:20:44,890 --> 00:20:42,020
seconds you're talking several thousands

429
00:20:48,220 --> 00:20:44,900
of miles per hour more than fifteen

430
00:20:49,870 --> 00:20:48,230
thousand miles per hour I believe really

431
00:20:52,630 --> 00:20:49,880
fast now of course that's an estimate by

432
00:20:55,420 --> 00:20:52,640
his you know visual acuity and so forth

433
00:20:58,660 --> 00:20:55,430
but still that object was fast and

434
00:21:00,550 --> 00:20:58,670
there's more by the way again this is

435
00:21:03,250 --> 00:21:00,560
where private researchers are doing the

436
00:21:06,220 --> 00:21:03,260
work that mainstream journalist you'd

437
00:21:08,920 --> 00:21:06,230
think should be doing but are too lazy

438
00:21:11,740 --> 00:21:08,930

or too controlled to actually do and one

439

00:21:15,880 --> 00:21:11,750

of the things that people are learning

440

00:21:22,350 --> 00:21:15,890

is that that tic-tac object had the

441

00:21:28,240 --> 00:21:22,360

ability to penetrate highly encrypted US

442

00:21:33,180 --> 00:21:28,250

military codes and how well it was able

443

00:21:35,680 --> 00:21:33,190

to be at a certain specific location

444

00:21:37,870 --> 00:21:35,690

where the Navy pilots were vectored to

445

00:21:41,350 --> 00:21:37,880

be at and it got there before they got

446

00:21:44,220 --> 00:21:41,360

there it's as if it heard the

447

00:21:46,330 --> 00:21:44,230

communication which was encrypted and

448

00:21:49,690 --> 00:21:46,340

was right there at the rendezvous point

449

00:21:52,360 --> 00:21:49,700

and let me just say like no one's

450

00:21:55,240 --> 00:21:52,370

supposed to be able to do that and there

451
00:21:57,100 --> 00:21:55,250
are a number of technical details that

452
00:21:58,660 --> 00:21:57,110
I've learned a little bit about in terms

453
00:22:00,640 --> 00:21:58,670
of the nature of these communications

454
00:22:04,450 --> 00:22:00,650
and just how difficult that's supposed

455
00:22:07,990 --> 00:22:04,460
to be and so that this object could just

456
00:22:10,300 --> 00:22:08,000
with the greatest of ease go through

457
00:22:14,380 --> 00:22:10,310
encrypted communications and be where it

458
00:22:17,710 --> 00:22:14,390
was supposed to be that's serious where

459
00:22:19,960 --> 00:22:17,720
is the mainstream media asleep at the

460
00:22:23,230 --> 00:22:19,970
wheel as they always are

461
00:22:25,720 --> 00:22:23,240
this to me offers very strong evidence

462
00:22:28,540 --> 00:22:25,730
that the mainstream media's efforts in

463
00:22:31,420 --> 00:22:28,550

analyzing this UFO phenomenon is not a

464

00:22:35,730 --> 00:22:31,430

serious effort and it really never was

465

00:22:41,380 --> 00:22:35,740

the only serious thing about it is again

466

00:22:44,230 --> 00:22:41,390

again is to be the only serious effort

467

00:22:47,320 --> 00:22:44,240

about it is that of damage control that

468

00:22:50,230 --> 00:22:47,330

of containment of a problem that was

469

00:22:53,830 --> 00:22:50,240

threatening to go out of control

470

00:22:57,040 --> 00:22:53,840

now there's one other one other thing

471

00:23:01,150 --> 00:22:57,050

that we might say about the commedia

472

00:23:02,650 --> 00:23:01,160

coverage of all of this and you know

473

00:23:05,890 --> 00:23:02,660

I've been talking about it as damage

474

00:23:10,600 --> 00:23:05,900

control and I think that's true but if

475

00:23:13,030 --> 00:23:10,610

you look at say the long-term issue of

476

00:23:17,520 --> 00:23:13,040

will there ever be a genuine disclosure

477

00:23:21,670 --> 00:23:17,530

of a UFO reality let me talk about this

478

00:23:25,150 --> 00:23:21,680

so my opinion I mean I wrote a book

479

00:23:27,130 --> 00:23:25,160

about this eight years ago and my

480

00:23:29,760 --> 00:23:27,140

opinions evolved let me just say but I

481

00:23:32,500 --> 00:23:29,770

think I'm fairly consistently feeling

482

00:23:35,080 --> 00:23:32,510

there will never be a voluntary

483

00:23:37,420 --> 00:23:35,090

disclosure of this never voluntary it

484

00:23:39,490 --> 00:23:37,430

will only happen if the powers that be

485

00:23:42,730 --> 00:23:39,500

are pushed to the wall when they have no

486

00:23:44,950 --> 00:23:42,740

other way out and I think that's still

487

00:23:48,760 --> 00:23:44,960

true what's happening now is that in our

488

00:23:50,080 --> 00:23:48,770

society we're in a very dynamic society

489

00:23:53,650 --> 00:23:50,090

and there's a lot of people in this

490

00:23:54,910 --> 00:23:53,660

world who are interviewing other people

491

00:23:57,630 --> 00:23:54,920

who are talking to everyone and

492

00:24:01,420 --> 00:23:57,640

informations flowing around in ways that

493

00:24:06,010 --> 00:24:01,430

we were not able to do in previous

494

00:24:08,890 --> 00:24:06,020

generations so stuff is coming out and

495

00:24:11,110 --> 00:24:08,900

and there's got to be contingency plans

496

00:24:14,740 --> 00:24:11,120

that have to be in place in the event

497

00:24:17,230 --> 00:24:14,750

that things are moving and so I think

498

00:24:20,260 --> 00:24:17,240

that this might be a little drip drip of

499

00:24:24,940 --> 00:24:20,270

disclosure that we're seeing which I

500

00:24:27,580 --> 00:24:24,950

think would probably be extended as long

501
00:24:29,730 --> 00:24:27,590
as possible I think it is in the

502
00:24:32,470 --> 00:24:29,740
interest of those people who've got this

503
00:24:34,270 --> 00:24:32,480
information to maintain

504
00:24:37,090 --> 00:24:34,280
leave that information for as long as

505
00:24:39,010 --> 00:24:37,100
possible however long that will be if

506
00:24:40,690 --> 00:24:39,020
that's five years fine if that's ten

507
00:24:42,280 --> 00:24:40,700
years twenty years thirty years whatever

508
00:24:44,169 --> 00:24:42,290
they can get out of it however long they

509
00:24:47,860 --> 00:24:44,179
can milk it they're going to milk it

510
00:24:49,450 --> 00:24:47,870
because this is a moneymaker why just

511
00:24:53,020 --> 00:24:49,460
look at the guys into the stars right

512
00:24:55,450 --> 00:24:53,030
now what are they actually doing well

513
00:24:57,610 --> 00:24:55,460

they're shopping the video around three

514

00:24:57,970 --> 00:24:57,620

three videos have been released all

515

00:25:00,490 --> 00:24:57,980

right

516

00:25:03,100 --> 00:25:00,500

the so-called tic-tac video the Gimbel

517

00:25:04,480 --> 00:25:03,110

video and the go-fast video as of this

518

00:25:06,250 --> 00:25:04,490

interview those are the three that have

519

00:25:08,110 --> 00:25:06,260

been released and there's a lot of

520

00:25:11,110 --> 00:25:08,120

technical discussion about all of them

521

00:25:14,830 --> 00:25:11,120

on some very astute websites some of

522

00:25:17,740 --> 00:25:14,840

which are debunking them as in one case

523

00:25:21,190 --> 00:25:17,750

the gimble video is the hot exhaust of a

524

00:25:23,530 --> 00:25:21,200

jet it's not a bad argument but what I

525

00:25:28,690 --> 00:25:23,540

have been learning is that the videos

526
00:25:34,240 --> 00:25:28,700
that are out are short versions of much

527
00:25:37,419 --> 00:25:34,250
longer videos and the much longer

528
00:25:39,159 --> 00:25:37,429
version of these videos and several

529
00:25:41,980 --> 00:25:39,169
others that have not yet been shown as

530
00:25:45,100 --> 00:25:41,990
of right now that these I am told are

531
00:25:49,210 --> 00:25:45,110
very powerful and I've been told this by

532
00:25:50,560 --> 00:25:49,220
individuals have seen them so that's all

533
00:25:53,260 --> 00:25:50,570
that I can say about it right now

534
00:25:55,210 --> 00:25:53,270
and if that's the case and it tells me

535
00:25:58,330 --> 00:25:55,220
that we the public are not the target

536
00:26:00,630 --> 00:25:58,340
audience of to the Stars Academy they're

537
00:26:04,120 --> 00:26:00,640
not interested in convincing you or me

538
00:26:05,830 --> 00:26:04,130

about the reality of this phenomenon so

539

00:26:07,120 --> 00:26:05,840

who are they interested in talking to

540

00:26:09,669 --> 00:26:07,130

well they're I think they're interested

541

00:26:12,070 --> 00:26:09,679

in talking to Congress why because

542

00:26:14,280 --> 00:26:12,080

there's money there there's research and

543

00:26:20,620 --> 00:26:14,290

development money there if you want to

544

00:26:23,620 --> 00:26:20,630

gain contracts off you know with

545

00:26:25,299 --> 00:26:23,630

taxpayers money to research yourself I

546

00:26:26,530 --> 00:26:25,309

mean that's the most ideal situation in

547

00:26:29,140 --> 00:26:26,540

the world of course they're going to

548

00:26:30,850 --> 00:26:29,150

want that and who does it go back toward

549

00:26:33,640 --> 00:26:30,860

well it looks like it would go back to

550

00:26:35,440 --> 00:26:33,650

Robert Bigelow it seems to me he's the

551

00:26:38,440 --> 00:26:35,450

one with all of the strings here

552

00:26:40,570 --> 00:26:38,450

he's got knowledge deep knowledge of

553

00:26:42,730 --> 00:26:40,580

this phenomenon and make no mistake he's

554

00:26:43,660 --> 00:26:42,740

one of the most knowledgeable people in

555

00:26:45,580 --> 00:26:43,670

the world on this

556

00:26:47,920 --> 00:26:45,590

checked after all of the years that he's

557

00:26:49,510 --> 00:26:47,930

investigated he knows probably

558

00:26:51,090 --> 00:26:49,520

everything practically speaking that

559

00:26:54,910 --> 00:26:51,100

there is to know about this I would bet

560

00:26:57,940 --> 00:26:54,920

so he's in a great position to do very

561

00:27:00,910 --> 00:26:57,950

good scientific Rd on money-making

562

00:27:04,960 --> 00:27:00,920

opportunities connected to some of this

563

00:27:08,410 --> 00:27:04,970

technology and I would assume that the

564

00:27:10,630 --> 00:27:08,420

conversations the real conversations the

565

00:27:12,190 --> 00:27:10,640

real people that they're seeking to

566

00:27:13,870 --> 00:27:12,200

impress are not you and me

567

00:27:15,910 --> 00:27:13,880

it's members of Congress and other

568

00:27:18,480 --> 00:27:15,920

movers and shakers in Washington and

569

00:27:23,130 --> 00:27:18,490

elsewhere who have the ability to

570

00:27:25,690 --> 00:27:23,140

generate contracts for these guys so
