

UFO  **HUB**

1
00:00:07,880 --> 00:00:23,220

[Music]

2
00:00:23,230 --> 00:00:25,910

you

3
00:00:31,940 --> 00:00:29,030

I'm Donnell in my book is from fear to

4
00:00:34,520 --> 00:00:31,950

love my private journey it was published

5
00:00:37,220 --> 00:00:34,530

a year ago and since then I've had a lot

6
00:00:39,920 --> 00:00:37,230

of people writing to me contacting me

7
00:00:42,650 --> 00:00:39,930

and usually the first thing they say is

8
00:00:44,360 --> 00:00:42,660

please don't think I'm crazy but and

9
00:00:46,880 --> 00:00:44,370

they want to tell me about their alien

10
00:00:49,610 --> 00:00:46,890

experiences and I'm just fascinated with

11
00:00:52,130 --> 00:00:49,620

that because it it validates me and my

12
00:00:53,660 --> 00:00:52,140

experiences plus it gives people a safe

13
00:00:56,150 --> 00:00:53,670

outlet to talk about it because a lot of

14

00:00:59,390 --> 00:00:56,160

people don't feel safe talking about

15

00:01:02,719 --> 00:00:59,400

these things so when I was first asked

16

00:01:04,250 --> 00:01:02,729

to speak I did my usual method of

17

00:01:07,580 --> 00:01:04,260

getting a journal and putting it next to

18

00:01:09,890 --> 00:01:07,590

my bed getting a pen and asking okay

19

00:01:11,690 --> 00:01:09,900

guys tell me what to say and might the

20

00:01:14,930 --> 00:01:11,700

usual method is that they wake me up

21

00:01:16,610 --> 00:01:14,940

around 3:00 a.m. and I start writing and

22

00:01:19,130 --> 00:01:16,620

I write sometimes just words or

23

00:01:20,750 --> 00:01:19,140

paragraphs and in the morning I may or

24

00:01:22,039 --> 00:01:20,760

may not remember what I wrote in the

25

00:01:24,620 --> 00:01:22,049

night but after about two or three weeks

26

00:01:28,520 --> 00:01:24,630

it comes together into a nice coherent

27

00:01:30,859 --> 00:01:28,530

story or message but this time it

28

00:01:32,870 --> 00:01:30,869

started in December I got nothing

29

00:01:35,749 --> 00:01:32,880

January came and went February came and

30

00:01:37,130 --> 00:01:35,759

went March started up and I was standing

31

00:01:39,230 --> 00:01:37,140

in my kitchen one day and starting to

32

00:01:42,020 --> 00:01:39,240

panic because this is happening in April

33

00:01:44,510 --> 00:01:42,030

and I said why am I not getting any

34

00:01:46,609 --> 00:01:44,520

messages and I immediately heard this

35

00:01:49,609 --> 00:01:46,619

very distinctive male voice in my right

36

00:01:53,599 --> 00:01:49,619

ear and I know that to be quote who is

37

00:01:55,069 --> 00:01:53,609

my main alien guide and he said we do

38

00:01:58,940 --> 00:01:55,079

not yet know who will be in attendance

39

00:02:02,029 --> 00:01:58,950

so here I'm thinking basic human things

40

00:02:03,590 --> 00:02:02,039

like what am I going to wear and the

41

00:02:05,749 --> 00:02:03,600

aliens have such a different agenda

42

00:02:07,489 --> 00:02:05,759

they're thinking they need to gear their

43

00:02:08,749 --> 00:02:07,499

messages depending on who's going to be

44

00:02:11,180 --> 00:02:08,759

hearing them and who's going to be

45

00:02:13,480 --> 00:02:11,190

listening and they made it very clear

46

00:02:16,370 --> 00:02:13,490

that they see everyone as an individual

47

00:02:18,470 --> 00:02:16,380

we are at least me I tend to think that

48

00:02:21,080 --> 00:02:18,480

the aliens look at us like we look at an

49

00:02:22,910 --> 00:02:21,090

anthill or an ant farm for the longest

50

00:02:24,710 --> 00:02:22,920

time I thought we were an ant farm for

51
00:02:26,660 --> 00:02:24,720
the aliens but they've made it clear

52
00:02:28,940 --> 00:02:26,670
that were absolutely not

53
00:02:32,350 --> 00:02:28,950
that we are individuals they know us and

54
00:02:35,119 --> 00:02:32,360
recognize the features individuals and

55
00:02:36,229 --> 00:02:35,129
that's why they were waiting to see who

56
00:02:38,570 --> 00:02:36,239
would be listening to this message

57
00:02:39,530 --> 00:02:38,580
before they told me and then shortly

58
00:02:41,809 --> 00:02:39,540
after that I

59
00:02:43,699 --> 00:02:41,819
started waking up at 3:00 a.m. writing

60
00:02:47,539 --> 00:02:43,709
down little notes and sure enough I put

61
00:02:50,179 --> 00:02:47,549
together things to talk about that made

62
00:02:52,490 --> 00:02:50,189
sense and they were geared for specific

63
00:02:54,860 --> 00:02:52,500

people to listen to I'm sure the aliens

64

00:02:56,210 --> 00:02:54,870

they've always approached us well for

65

00:02:58,099 --> 00:02:56,220

many years they approached us in a

66

00:02:59,839 --> 00:02:58,109

really frightening way the stories are

67

00:03:01,490 --> 00:02:59,849

out there they did it to me you're

68

00:03:02,780 --> 00:03:01,500

laying in your safe warm bed and all of

69

00:03:05,240 --> 00:03:02,790

a sudden you're jolted awake and these

70

00:03:08,000 --> 00:03:05,250

big black eyes are staring at you and

71

00:03:09,679 --> 00:03:08,010

this face very close to your face and

72

00:03:12,559 --> 00:03:09,689

you would actually be nose-to-nose

73

00:03:15,679 --> 00:03:12,569

except they don't have a nose it's just

74

00:03:17,599 --> 00:03:15,689

pretty creepy and scary and you're just

75

00:03:20,659 --> 00:03:17,609

so scared that all you can do is scream

76

00:03:21,800 --> 00:03:20,669

you can't even find words to talk and I

77

00:03:23,629 --> 00:03:21,810

did that for many years and I know

78

00:03:25,789 --> 00:03:23,639

that's happened to many other people but

79

00:03:27,170 --> 00:03:25,799

over the years they've learned from us

80

00:03:29,000 --> 00:03:27,180

as we've learned from them and they

81

00:03:31,729 --> 00:03:29,010

learned to approach us in a more

82

00:03:33,949 --> 00:03:31,739

friendly way so now they're as they

83

00:03:36,830 --> 00:03:33,959

approach people they try to do it in a

84

00:03:38,960 --> 00:03:36,840

nicer way and one example is a lady from

85

00:03:41,199 --> 00:03:38,970

Germany has written to me after she read

86

00:03:43,159 --> 00:03:41,209

my book and she said that she was

87

00:03:45,170 --> 00:03:43,169

approached by aliens when she was a

88

00:03:46,939 --> 00:03:45,180

little girl but they terrified her so

89

00:03:49,610 --> 00:03:46,949

she said go away leave me alone I don't

90

00:03:52,250 --> 00:03:49,620

ever want to see you again but now you

91

00:03:53,569 --> 00:03:52,260

know later years she's understanding

92

00:03:54,979 --> 00:03:53,579

that they might have been friendly after

93

00:03:59,330 --> 00:03:54,989

all and she'd like to give it another

94

00:04:01,309 --> 00:03:59,340

shot and so she invited them back and a

95

00:04:03,229 --> 00:04:01,319

little bit afraid they might be angry

96

00:04:04,309 --> 00:04:03,239

they might retaliate or something but

97

00:04:06,259 --> 00:04:04,319

that's really not what they do

98

00:04:08,390 --> 00:04:06,269

they're just all about love and

99

00:04:11,390 --> 00:04:08,400

compassion forgiveness and acceptance

100

00:04:13,939 --> 00:04:11,400

they don't have revenge like humans do

101
00:04:16,969 --> 00:04:13,949
they don't even think that way so if

102
00:04:18,439 --> 00:04:16,979
that's happened to you and as a child

103
00:04:19,699 --> 00:04:18,449
and you told them to go away and they

104
00:04:22,580 --> 00:04:19,709
did go away but now you're thinking

105
00:04:24,909 --> 00:04:22,590
you'd like them back all you need to do

106
00:04:27,770 --> 00:04:24,919
is ask because we have free will and

107
00:04:29,659 --> 00:04:27,780
they'll more than likely be happy to

108
00:04:32,089 --> 00:04:29,669
come back and be friendly about it and

109
00:04:33,980 --> 00:04:32,099
that's what they did with her they kind

110
00:04:35,540 --> 00:04:33,990
of told her they notify you

111
00:04:38,180 --> 00:04:35,550
telepathically if they're gonna come

112
00:04:39,409 --> 00:04:38,190
visit and so she woke up in the middle

113
00:04:41,930 --> 00:04:39,419

of the night and there were three gray

114

00:04:43,999 --> 00:04:41,940

aliens in her bedroom and just as she

115

00:04:47,480 --> 00:04:44,009

started to panic one of them step

116

00:04:51,469 --> 00:04:47,490

forward and transformed into Shirley

117

00:04:53,370 --> 00:04:51,479

Temple which made her laugh you know

118

00:04:56,130 --> 00:04:53,380

kind of stopped her from

119

00:04:58,740 --> 00:04:56,140

and they actually held hands and she

120

00:05:01,260 --> 00:04:58,750

said the alien felt very soft and they

121

00:05:03,300 --> 00:05:01,270

exchanged messages a little bit and then

122

00:05:04,650 --> 00:05:03,310

the alien stepped back and became a grey

123

00:05:06,900 --> 00:05:04,660

alien and then the three of them

124

00:05:08,910 --> 00:05:06,910

disappeared the whole experience was

125

00:05:11,700 --> 00:05:08,920

very pleasant and actually fun for her

126

00:05:13,470 --> 00:05:11,710

and that's such a change from how it

127

00:05:15,960 --> 00:05:13,480

used to be in the 60s and 70s when they

128

00:05:17,940 --> 00:05:15,970

just came and terrified everyone and it

129

00:05:20,270 --> 00:05:17,950

shows also how they individualize their

130

00:05:22,680 --> 00:05:20,280

contacts because this lady obviously

131

00:05:25,080 --> 00:05:22,690

likes Shirley Temple and sees that it's

132

00:05:28,590 --> 00:05:25,090

a pleasant fun happy thing whereas me

133

00:05:29,940 --> 00:05:28,600

I'm not a big Shirley Temple fan so they

134

00:05:32,130 --> 00:05:29,950

have never approached me looking like

135

00:05:34,020 --> 00:05:32,140

Shirley Temple I like animals they come

136

00:05:36,330 --> 00:05:34,030

to me looking like a deer or an owl or a

137

00:05:39,210 --> 00:05:36,340

dog sometimes so they are they

138

00:05:43,470 --> 00:05:39,220

individualize the approached each person

139

00:05:46,230 --> 00:05:43,480

which is very nice and they are now

140

00:05:49,020 --> 00:05:46,240

telling me that they have extended an

141

00:05:50,790 --> 00:05:49,030

invitation that they really really want

142

00:05:53,070 --> 00:05:50,800

to connect with more and more people and

143

00:05:55,950 --> 00:05:53,080

they like to do it individually one on

144

00:05:57,750 --> 00:05:55,960

one because you know how groups are

145

00:06:00,420 --> 00:05:57,760

groups of humans that get together get

146

00:06:02,250 --> 00:06:00,430

violent get rowdy start fires they know

147

00:06:05,490 --> 00:06:02,260

it wouldn't be a good deal if they came

148

00:06:07,860 --> 00:06:05,500

in as a group visitation so unless it's

149

00:06:09,720 --> 00:06:07,870

a small group maybe of people who

150

00:06:11,520 --> 00:06:09,730

meditate or Channel or something they

151
00:06:14,010 --> 00:06:11,530
might approach them but other than that

152
00:06:17,280 --> 00:06:14,020
they feel more comfortable meeting us

153
00:06:18,960 --> 00:06:17,290
one on one at this time and because

154
00:06:22,370 --> 00:06:18,970
people have free will you have to ask

155
00:06:25,560 --> 00:06:22,380
they won't just come in on you and

156
00:06:27,950 --> 00:06:25,570
they've reached a lot of people like me

157
00:06:31,620 --> 00:06:27,960
who are more the sensitive emotional

158
00:06:33,240 --> 00:06:31,630
empathic kind and we've pretty much done

159
00:06:36,000 --> 00:06:33,250
all we can as far as saying they're

160
00:06:37,920 --> 00:06:36,010
friendly they want to help so now they

161
00:06:40,560 --> 00:06:37,930
like to reach more the left brain people

162
00:06:43,440 --> 00:06:40,570
who are like scientists researchers

163
00:06:45,720 --> 00:06:43,450

doctors because they do have technology

164

00:06:47,940 --> 00:06:45,730

they want to share with us and they

165

00:06:49,770 --> 00:06:47,950

could download blueprints to me for a

166

00:06:51,510 --> 00:06:49,780

free energy machine and it's not going

167

00:06:53,730 --> 00:06:51,520

to help a whole lot because I don't have

168

00:06:55,890 --> 00:06:53,740

an engineering background or I wouldn't

169

00:06:57,840 --> 00:06:55,900

know how to translate that real well but

170

00:07:00,090 --> 00:06:57,850

they they really would like to work with

171

00:07:02,520 --> 00:07:00,100

people who are more logical minded who

172

00:07:05,070 --> 00:07:02,530

would understand maybe blueprints that

173

00:07:05,910 --> 00:07:05,080

they could send to them in dreams or

174

00:07:09,460 --> 00:07:05,920

vision

175

00:07:11,470 --> 00:07:09,470

but right now it's set up so that people

176

00:07:13,510 --> 00:07:11,480

with the scientific logical type minds

177

00:07:15,130 --> 00:07:13,520

don't want to believe in the aliens so

178

00:07:18,460 --> 00:07:15,140

that right now that's the mission is to

179

00:07:20,950 --> 00:07:18,470

kind of bridge that gap and maybe get

180

00:07:23,860 --> 00:07:20,960

people like me to work with scientific

181

00:07:26,650 --> 00:07:23,870

people or just for those people to open

182

00:07:29,500 --> 00:07:26,660

up more and may be more accepting of the

183

00:07:32,260 --> 00:07:29,510

idea that maybe the aliens are going to

184

00:07:35,110 --> 00:07:32,270

drop suggestions or ideas down into the

185

00:07:37,540 --> 00:07:35,120

mass consciousness and they can take

186

00:07:40,840 --> 00:07:37,550

that and take advantage of it because

187

00:07:43,630 --> 00:07:40,850

that is one of the big messages from the

188

00:07:46,510 --> 00:07:43,640

aliens they care about the earth their

189

00:07:48,880 --> 00:07:46,520

caretakers of the earth and humanity

190

00:07:50,860 --> 00:07:48,890

we're caretakers of the earth originally

191

00:07:53,770 --> 00:07:50,870

the Garden of Eden was the whole planet

192

00:07:57,670 --> 00:07:53,780

Earth and we haven't done a really good

193

00:08:00,040 --> 00:07:57,680

job of taking care of it so there want

194

00:08:01,830 --> 00:08:00,050

to help with that and we can't just

195

00:08:04,390 --> 00:08:01,840

there's a lot of people who think that

196

00:08:06,580 --> 00:08:04,400

one day we'll all just get swept up into

197

00:08:08,170 --> 00:08:06,590

a spaceship and we'll just hang out

198

00:08:10,270 --> 00:08:08,180

there while the aliens come and clean up

199

00:08:11,980 --> 00:08:10,280

the earth but that's just not how it

200

00:08:13,540 --> 00:08:11,990

works you know where we made the mess

201
00:08:16,750 --> 00:08:13,550
we're here to clean it up we're here to

202
00:08:19,150 --> 00:08:16,760
do the work and that's kind of like a

203
00:08:20,800 --> 00:08:19,160
teenager laying on their bed playing a

204
00:08:23,470 --> 00:08:20,810
video game and expecting mom to come in

205
00:08:25,900 --> 00:08:23,480
and do the laundry and vacuuming these

206
00:08:27,610 --> 00:08:25,910
doesn't work that way we're here we have

207
00:08:31,140 --> 00:08:27,620
to be the ones to do it but they will

208
00:08:33,130 --> 00:08:31,150
help as far as approaching people

209
00:08:35,710 --> 00:08:33,140
they're trying to be less threatening

210
00:08:37,480 --> 00:08:35,720
trying to be less intimidating and

211
00:08:40,270 --> 00:08:37,490
they've learned that we give each other

212
00:08:42,339 --> 00:08:40,280
gifts when we care about someone we like

213
00:08:45,130 --> 00:08:42,349

to give gifts we like to receive gifts

214

00:08:47,680 --> 00:08:45,140

and so they've kind of taken a step

215

00:08:50,670 --> 00:08:47,690

further and now they present us with

216

00:08:54,940 --> 00:08:50,680

gifts sometimes and that's also a

217

00:08:57,760 --> 00:08:54,950

confirmation that they're real and the

218

00:09:00,010 --> 00:08:57,770

first time that I was aware what I found

219

00:09:01,990 --> 00:09:00,020

was a gift from the aliens my dog

220

00:09:04,270 --> 00:09:02,000

actually was pretty instrumental in

221

00:09:07,180 --> 00:09:04,280

helping me find some of them I think the

222

00:09:08,830 --> 00:09:07,190

dogs work with the aliens because I've

223

00:09:10,690 --> 00:09:08,840

always had dogs and I've always wanted a

224

00:09:12,310 --> 00:09:10,700

dog to sleep on the bed with me and I

225

00:09:14,890 --> 00:09:12,320

think it was kind of a subconscious

226

00:09:16,900 --> 00:09:14,900

thing to be protected from these

227

00:09:18,940 --> 00:09:16,910

nighttime visitors but the dogs never

228

00:09:21,880 --> 00:09:18,950

barked at them the dogs never growl

229

00:09:24,430 --> 00:09:21,890

why is that and they're very protective

230

00:09:27,220 --> 00:09:24,440

you know you'd think they would protect

231

00:09:28,680 --> 00:09:27,230

me when the aliens come and also dogs

232

00:09:31,180 --> 00:09:28,690

are a really good judge of character and

233

00:09:33,880 --> 00:09:31,190

if my dog likes somebody then they're

234

00:09:35,410 --> 00:09:33,890

probably okay so that helped me to

235

00:09:38,190 --> 00:09:35,420

accept that the aliens are good guys

236

00:09:41,650 --> 00:09:38,200

because my dogs never barked at them and

237

00:09:43,600 --> 00:09:41,660

so my dog I would take him for walks and

238

00:09:45,730 --> 00:09:43,610

we were crossing the street one day and

239

00:09:47,230 --> 00:09:45,740

he stopped at this silver shiny object

240

00:09:49,720 --> 00:09:47,240

in the middle of the road and he would

241

00:09:51,940 --> 00:09:49,730

not move and I'm like let's get out of

242

00:09:53,800 --> 00:09:51,950

the road and finally so I picked up this

243

00:09:56,440 --> 00:09:53,810

silver object and cross the street and

244

00:09:59,500 --> 00:09:56,450

looked at it and it was a little silver

245

00:10:00,940 --> 00:09:59,510

ingot that said inspire and that was

246

00:10:03,070 --> 00:10:00,950

right about the time I was starting to

247

00:10:05,590 --> 00:10:03,080

think maybe I should write a book about

248

00:10:08,950 --> 00:10:05,600

my experiences to help other people who

249

00:10:11,200 --> 00:10:08,960

are going through this and that would

250

00:10:13,540 --> 00:10:11,210

inspire people and and also when you

251
00:10:14,770 --> 00:10:13,550
pick there's certain objects when you

252
00:10:17,470 --> 00:10:14,780
pick them up you can kind of get a sense

253
00:10:19,420 --> 00:10:17,480
get a feeling from them and I got a

254
00:10:21,520 --> 00:10:19,430
sense that that was put there for me and

255
00:10:23,440 --> 00:10:21,530
it's kind of old looking it was in the

256
00:10:25,600 --> 00:10:23,450
street it had been run over a few times

257
00:10:27,700 --> 00:10:25,610
and that was at a time in my life I was

258
00:10:29,560 --> 00:10:27,710
struggling I just had surgery and I

259
00:10:31,540 --> 00:10:29,570
wasn't feeling my best and I kind of

260
00:10:33,820 --> 00:10:31,550
felt run over and drug around by life

261
00:10:36,820 --> 00:10:33,830
and so you know they really they operate

262
00:10:40,030 --> 00:10:36,830
on multi-layered levels so they they

263
00:10:43,090 --> 00:10:40,040

approach me in many levels that way in

264

00:10:45,790 --> 00:10:43,100

the mid 90s I lived in Florida and I

265

00:10:48,310 --> 00:10:45,800

would drive back and forth through

266

00:10:51,310 --> 00:10:48,320

Tarpon Springs Florida to and from work

267

00:10:53,770 --> 00:10:51,320

every day and I passed this big yellow

268

00:10:55,840 --> 00:10:53,780

pawn shop that was on a corner big

269

00:10:57,400 --> 00:10:55,850

two-story building and I never thought

270

00:11:00,310 --> 00:10:57,410

much of it because I don't really shop

271

00:11:02,680 --> 00:11:00,320

in pawn shops but one day I opened up my

272

00:11:05,470 --> 00:11:02,690

grandmother's jewelry box which I used

273

00:11:08,050 --> 00:11:05,480

it was a big wooden inlay beautiful

274

00:11:10,780 --> 00:11:08,060

inlaid box that came over with her from

275

00:11:13,270 --> 00:11:10,790

Scotland in the early 1900s and there

276

00:11:15,850 --> 00:11:13,280

was this beautiful dolphin silver

277

00:11:18,340 --> 00:11:15,860

dolphin attached to a nice quartz

278

00:11:20,170 --> 00:11:18,350

crystal and I'd never seen it before

279

00:11:21,790 --> 00:11:20,180

and I asked my daughter I asked my

280

00:11:23,380 --> 00:11:21,800

husband they had never seen it I didn't

281

00:11:27,490 --> 00:11:23,390

know where it came from I didn't think

282

00:11:29,140 --> 00:11:27,500

much of it and a couple and I was

283

00:11:31,390 --> 00:11:29,150

thinking oh I need to find a chain for

284

00:11:32,420 --> 00:11:31,400

that a couple days later I opened up the

285

00:11:35,060 --> 00:11:32,430

jewelry box and there

286

00:11:37,820 --> 00:11:35,070

was perfect serpentine silver chain and

287

00:11:40,310 --> 00:11:37,830

as I slid the dolphin charm onto the

288

00:11:42,920 --> 00:11:40,320

chain I was just struck with this really

289

00:11:44,840 --> 00:11:42,930

strong memory of stopping in that pawn

290

00:11:46,820 --> 00:11:44,850

shop in Tarpon Springs the big tall

291

00:11:51,079 --> 00:11:46,830

yellow one and buying the dolphin

292

00:11:52,460 --> 00:11:51,089

crystal and I had a very clear image of

293

00:11:54,889 --> 00:11:52,470

what the store looked like it was bright

294

00:11:57,290 --> 00:11:54,899

and sunny big windows and there was this

295

00:11:59,300 --> 00:11:57,300

little tiny lady behind the counter who

296

00:12:01,280 --> 00:11:59,310

insisted that I take the dolphin crystal

297

00:12:04,570 --> 00:12:01,290

and it was this beautiful jewelry

298

00:12:07,610 --> 00:12:04,580

display glass case very clear memory and

299

00:12:09,560 --> 00:12:07,620

I didn't think anything of it and about

300

00:12:11,630 --> 00:12:09,570

three months later I got off work early

301
00:12:13,670 --> 00:12:11,640
one day I was driving home past the pawn

302
00:12:15,050 --> 00:12:13,680
shop and I thought oh I'm gonna go back

303
00:12:17,780 --> 00:12:15,060
in there because they had such a nice

304
00:12:21,290 --> 00:12:17,790
jewelry selection and I walked in the

305
00:12:23,329 --> 00:12:21,300
door and it just was such a shock to my

306
00:12:25,519 --> 00:12:23,339
reality because that was not the memory

307
00:12:27,440 --> 00:12:25,529
it was this little tiny more like a

308
00:12:30,560 --> 00:12:27,450
classic pawn shop it was very small

309
00:12:32,449 --> 00:12:30,570
crowded narrow aisles dark bars on the

310
00:12:35,930 --> 00:12:32,459
windows that was not the place I

311
00:12:37,850 --> 00:12:35,940
remember getting that and so there's no

312
00:12:39,590 --> 00:12:37,860
other way to explain where and the

313
00:12:43,280 --> 00:12:39,600

little lady behind the counter well that

314

00:12:46,040 --> 00:12:43,290

was probably an alien so it's odd that

315

00:12:48,620 --> 00:12:46,050

things like that happen and and kind of

316

00:12:51,260 --> 00:12:48,630

confirms it's it's a way of them

317

00:12:54,050 --> 00:12:51,270

bridging realities too they actually can

318

00:12:55,340 --> 00:12:54,060

manifest physical things into our world

319

00:12:57,980 --> 00:12:55,350

for the longest time I didn't think they

320

00:13:00,440 --> 00:12:57,990

could but these are things that have

321

00:13:02,300 --> 00:13:00,450

just appeared they look old all of them

322

00:13:04,400 --> 00:13:02,310

always look old and worn which is

323

00:13:05,570 --> 00:13:04,410

interesting too like they have a history

324

00:13:08,449 --> 00:13:05,580

like maybe they've been passed through

325

00:13:11,329 --> 00:13:08,459

other generations or something about 10

326

00:13:13,160 --> 00:13:11,339

years later there's they experience time

327

00:13:16,190 --> 00:13:13,170

differently than us because we measure

328

00:13:18,829 --> 00:13:16,200

time as we revolve around the Sun they

329

00:13:20,540 --> 00:13:18,839

obviously experience time differently so

330

00:13:21,740 --> 00:13:20,550

sometimes it's hard to gauge sometimes

331

00:13:22,310 --> 00:13:21,750

they come in cycles and they come

332

00:13:24,110 --> 00:13:22,320

frequently

333

00:13:26,990 --> 00:13:24,120

sometimes it's actually a couple years

334

00:13:29,990 --> 00:13:27,000

before I have another experience but it

335

00:13:34,880 --> 00:13:30,000

was ten years before I got another what

336

00:13:36,530 --> 00:13:34,890

I call gift it was 2008 and I had since

337

00:13:38,840 --> 00:13:36,540

gotten divorced and moved back to

338

00:13:41,690 --> 00:13:38,850

Southern California but I had the same

339

00:13:42,350 --> 00:13:41,700

dog and we went for a walk in a park one

340

00:13:44,210 --> 00:13:42,360

day

341

00:13:46,670 --> 00:13:44,220

and he stopped at a particular tree

342

00:13:48,710 --> 00:13:46,680

lifted his leg and then he wouldn't move

343

00:13:50,060 --> 00:13:48,720

and I was like come on let's go and and

344

00:13:52,970 --> 00:13:50,070

he kind of just stopped and looked up at

345

00:13:56,449 --> 00:13:52,980

me and I looked at the tree and on a

346

00:14:01,880 --> 00:13:56,459

branch right at my eye level was hanging

347

00:14:04,220 --> 00:14:01,890

a plastic rosary blue plastic on a dirty

348

00:14:05,540 --> 00:14:04,230

kind of string it looked old and it

349

00:14:07,220 --> 00:14:05,550

looked like it had been made by a child

350

00:14:09,259 --> 00:14:07,230

maybe and so I looked around to see if

351

00:14:12,590 --> 00:14:09,269

there were children at the park there

352

00:14:14,420 --> 00:14:12,600

was no one there nobody nearby and when

353

00:14:16,220 --> 00:14:14,430

I touched it again I got that feeling

354

00:14:19,220 --> 00:14:16,230

that it was placed there just for me and

355

00:14:22,040 --> 00:14:19,230

I knew it was because the night before I

356

00:14:24,759 --> 00:14:22,050

had asked the aliens about spiritual

357

00:14:26,840 --> 00:14:24,769

things I've been doing some reading and

358

00:14:30,110 --> 00:14:26,850

there are a lot of theories out there

359

00:14:33,470 --> 00:14:30,120

that aliens are evil their demonic their

360

00:14:36,949 --> 00:14:33,480

fallen angels and I was raised Christian

361

00:14:39,680 --> 00:14:36,959

I believe in God and I didn't want to do

362

00:14:41,810 --> 00:14:39,690

anything that was dangerous spiritually

363

00:14:43,940 --> 00:14:41,820

or harmful so I had been a little

364

00:14:46,759 --> 00:14:43,950

concerned and I had asked the aliens you

365

00:14:49,819 --> 00:14:46,769

know about spiritual matters very next

366

00:14:53,030 --> 00:14:49,829

day I level my dog takes me to this tree

367

00:14:54,800 --> 00:14:53,040

and there's this rosary and I remember

368

00:14:57,769 --> 00:14:54,810

thinking well it's kind of a cheap

369

00:14:59,840 --> 00:14:57,779

little plastic rosary but I accepted it

370

00:15:02,090 --> 00:14:59,850

with gratitude they want to see

371

00:15:04,220 --> 00:15:02,100

gratitude put it around my neck slept

372

00:15:05,930 --> 00:15:04,230

with it that night the next day we went

373

00:15:08,300 --> 00:15:05,940

for a walk my dog took me to the same

374

00:15:11,030 --> 00:15:08,310

park which was unusual he likes to go on

375

00:15:13,370 --> 00:15:11,040

different rounds and went to the same

376

00:15:16,460 --> 00:15:13,380

tree and they're on the same branch

377

00:15:19,819 --> 00:15:16,470

at eye level was a very nice necklace

378

00:15:22,579 --> 00:15:19,829

with a cross on it and it was onyx beads

379

00:15:24,889 --> 00:15:22,589

with hematite beads and that the cross

380

00:15:27,590 --> 00:15:24,899

itself was made of hematite and it had a

381

00:15:29,810 --> 00:15:27,600

nice sterling silver clasp and so I

382

00:15:32,840 --> 00:15:29,820

don't know if they thought I was being

383

00:15:36,019 --> 00:15:32,850

ungrateful for the little plastic rosary

384

00:15:39,050 --> 00:15:36,029

or if they just were testing me to see

385

00:15:40,490 --> 00:15:39,060

if I recognize the spirit in which it

386

00:15:42,920 --> 00:15:40,500

was given and it didn't matter about the

387

00:15:45,439 --> 00:15:42,930

dollar value I never quite know what

388

00:15:48,340 --> 00:15:45,449

their motives are but that was

389

00:15:51,170 --> 00:15:48,350
confirmation for me again that

390

00:15:54,290 --> 00:15:51,180
spiritually it's okay and I never did

391

00:15:56,220 --> 00:15:54,300
feel threatened or evil or bad things

392

00:15:59,160 --> 00:15:56,230
from them I've always felt loved

393

00:16:02,760 --> 00:15:59,170
acceptance kindness all the good things

394

00:16:04,500 --> 00:16:02,770
that religions teach anyway and a couple

395

00:16:08,390 --> 00:16:04,510
months later I was crossing the street

396

00:16:12,240 --> 00:16:08,400
and I found a little um symbol home

397

00:16:14,280 --> 00:16:12,250
which I think the Buddhists and the

398

00:16:17,460 --> 00:16:14,290
several other religions the Hindus

399

00:16:20,160 --> 00:16:17,470
several other religions use and I was

400

00:16:22,260 --> 00:16:20,170
immediately given the message that they

401
00:16:24,990 --> 00:16:22,270
wanted to ensure that they weren't just

402
00:16:27,510 --> 00:16:25,000
endorsing Christianity that they respect

403
00:16:29,280 --> 00:16:27,520
all faiths that humans have and they

404
00:16:31,620 --> 00:16:29,290
also told me that that's one of the

405
00:16:34,710 --> 00:16:31,630
things that intrigues them about humans

406
00:16:36,570 --> 00:16:34,720
is our faith they know that life on

407
00:16:40,290 --> 00:16:36,580
Earth is hard they know that we all

408
00:16:42,300 --> 00:16:40,300
struggle a lot they see it and they've

409
00:16:44,850 --> 00:16:42,310
told me that they really respect the

410
00:16:46,890 --> 00:16:44,860
fact that any of us have any kind of

411
00:16:48,810 --> 00:16:46,900
faith at all with the kind of world we

412
00:16:51,810 --> 00:16:48,820
live in and the things we face day to

413
00:16:52,620 --> 00:16:51,820

day so that that was very reassuring to

414

00:16:56,430 --> 00:16:52,630

me also

415

00:17:00,060 --> 00:16:56,440

and then another gift that they gave me

416

00:17:02,220 --> 00:17:00,070

that was really meaningful was in 2015 I

417

00:17:04,410 --> 00:17:02,230

woke up one morning and went in my

418

00:17:07,590 --> 00:17:04,420

kitchen and there was this little copper

419

00:17:10,740 --> 00:17:07,600

butterfly laying in the middle of my

420

00:17:12,480 --> 00:17:10,750

kitchen floor and I live alone and I

421

00:17:14,910 --> 00:17:12,490

hadn't had anyone else to my house in a

422

00:17:17,370 --> 00:17:14,920

few days I would have seen it the day

423

00:17:19,890 --> 00:17:17,380

before I thought and I don't know where

424

00:17:23,880 --> 00:17:19,900

it came from and I picked it up and

425

00:17:26,189 --> 00:17:23,890

again it looks aged and worn and when I

426

00:17:28,170 --> 00:17:26,199

picked it up I got the message that that

427

00:17:31,530 --> 00:17:28,180

was placed there for me it was meant for

428

00:17:34,800 --> 00:17:31,540

me because I had been recently diagnosed

429

00:17:36,360 --> 00:17:34,810

with an autoimmune disease lupus and the

430

00:17:39,480 --> 00:17:36,370

symbol for lupus is the butterfly

431

00:17:41,970 --> 00:17:39,490

because it causes a butterfly-shaped

432

00:17:43,500 --> 00:17:41,980

rash on your face when it's flaring so

433

00:17:46,350 --> 00:17:43,510

they presented me with this copper

434

00:17:48,750 --> 00:17:46,360

butterfly because I had also been asking

435

00:17:50,580 --> 00:17:48,760

they've helped me with some other health

436

00:17:53,010 --> 00:17:50,590

issues like after I had surgery they've

437

00:17:57,420 --> 00:17:53,020

come to my bedside and alleviated my

438

00:18:00,150 --> 00:17:57,430

pain and croaked my big alien praying

439

00:18:01,680 --> 00:18:00,160

mantis alien friend has helped me a lot

440

00:18:03,600 --> 00:18:01,690

with migraine headaches over the years

441

00:18:06,600 --> 00:18:03,610

to the point that I almost never get

442

00:18:08,220 --> 00:18:06,610

them anymore so I was begging for help

443

00:18:09,570 --> 00:18:08,230

with this lupus because I was suffering

444

00:18:12,420 --> 00:18:09,580

at the time really having a

445

00:18:16,920 --> 00:18:12,430

our time with it and when I picked up

446

00:18:18,930 --> 00:18:16,930

that butterfly it was just made known to

447

00:18:20,930 --> 00:18:18,940

me that they're aware they know they

448

00:18:23,340 --> 00:18:20,940

know the struggle but at this time

449

00:18:25,920 --> 00:18:23,350

they're not permitted to help it's

450

00:18:28,380 --> 00:18:25,930

something I need to experience in this

451

00:18:30,630 --> 00:18:28,390

lifetime for some reason but I don't

452

00:18:33,120 --> 00:18:30,640

like to dwell on just tangible gifts

453

00:18:35,490 --> 00:18:33,130

because that's a little superficial but

454

00:18:37,170 --> 00:18:35,500

it also it confirms that they're real

455

00:18:39,420 --> 00:18:37,180

they're they pay attention they're

456

00:18:41,820 --> 00:18:39,430

watching but the most important gifts

457

00:18:45,060 --> 00:18:41,830

they give are the intangible things like

458

00:18:47,700 --> 00:18:45,070

a sense of spirituality the knowing that

459

00:18:51,180 --> 00:18:47,710

our reality is so much more than what we

460

00:18:53,070 --> 00:18:51,190

see day-to-day there's so many levels of

461

00:18:56,760 --> 00:18:53,080

reality in different realities different

462

00:18:58,860 --> 00:18:56,770

beings that care for us that really want

463

00:19:00,540 --> 00:18:58,870

to work with humanity is brothers and

464

00:19:02,670 --> 00:19:00,550

sisters and they want to walk among us

465

00:19:07,380 --> 00:19:02,680

they're just not really safe to be able

466

00:19:10,650 --> 00:19:07,390

to do that right now and as far as the

467

00:19:14,040 --> 00:19:10,660

greys a lot of people think that the

468

00:19:15,900 --> 00:19:14,050

greys are mean or bullies whatever

469

00:19:18,840 --> 00:19:15,910

because they're not real friendly

470

00:19:21,870 --> 00:19:18,850

towards us and they paralyze us when

471

00:19:23,370 --> 00:19:21,880

they take us places but as I was getting

472

00:19:25,170 --> 00:19:23,380

to know them as they were getting to

473

00:19:26,220 --> 00:19:25,180

know me they were allowing me to wake up

474

00:19:27,750 --> 00:19:26,230

a little more and come out of the

475

00:19:30,000 --> 00:19:27,760

paralysis while I was still on board a

476

00:19:31,980 --> 00:19:30,010

ship I was laying on the exam table I

477

00:19:34,560 --> 00:19:31,990

was starting to move around and a gray

478

00:19:36,420 --> 00:19:34,570

was standing next to me and I just kind

479

00:19:38,010 --> 00:19:36,430

of panicked thinking there's a gray

480

00:19:40,320 --> 00:19:38,020

right there and I kind of threw my arm

481

00:19:44,940 --> 00:19:40,330

and I threw him against the wall of the

482

00:19:48,030 --> 00:19:44,950

ship and he just felt like a soft ripe

483

00:19:50,760 --> 00:19:48,040

overripe banana wrapped in a silk scarf

484

00:19:53,460 --> 00:19:50,770

he was a soft and mushy and I felt so

485

00:19:56,280 --> 00:19:53,470

bad and I realized that's why they

486

00:19:58,830 --> 00:19:56,290

paralyzes humans are big and strong and

487

00:20:01,410 --> 00:19:58,840

we're pretty brutal and violent overall

488

00:20:02,930 --> 00:20:01,420

and they're very delicate and frail and

489

00:20:04,950 --> 00:20:02,940

so they don't do it to be mean or

490

00:20:08,730 --> 00:20:04,960

intimidating they do it for their own

491

00:20:12,540 --> 00:20:08,740

self-preservation now that I'm older

492

00:20:16,170 --> 00:20:12,550

they seem to be not as physically active

493

00:20:18,260 --> 00:20:16,180

with me and I know part of the abducting

494

00:20:20,250 --> 00:20:18,270

and taking on board the ship is their

495

00:20:22,140 --> 00:20:20,260

fertility program where they harvest

496

00:20:23,310 --> 00:20:22,150

eggs and that and I know they did that

497

00:20:26,070 --> 00:20:23,320

with me when I was young

498

00:20:27,660 --> 00:20:26,080

and of course now I'm older so they

499

00:20:28,110 --> 00:20:27,670

don't participate in that with me

500

00:20:31,320 --> 00:20:28,120

anymore

501
00:20:34,940 --> 00:20:31,330
and that was never really traumatic for

502
00:20:36,720 --> 00:20:34,950
me though they never were brutal or

503
00:20:38,340 --> 00:20:36,730
hurtful or anything they were always

504
00:20:41,010 --> 00:20:38,350
very respectful and explained but they

505
00:20:43,100 --> 00:20:41,020
were doing and I was actually kind of

506
00:20:47,970 --> 00:20:43,110
honored that they chose me to

507
00:20:50,670 --> 00:20:47,980
participate in their program and now

508
00:20:54,180 --> 00:20:50,680
though well as soon as I accepted that

509
00:20:55,890 --> 00:20:54,190
they were real they they full-on started

510
00:20:58,460 --> 00:20:55,900
taking me on board the ship giving me

511
00:21:00,750 --> 00:20:58,470
tours showing me the control rooms and

512
00:21:05,070 --> 00:21:00,760
like they were real proud of what they

513
00:21:07,530 --> 00:21:05,080

had done and then now it's more just

514

00:21:10,590 --> 00:21:07,540

messages it's more telepathic messages I

515

00:21:13,470 --> 00:21:10,600

just get feelings intuitions hunches I

516

00:21:16,290 --> 00:21:13,480

don't get like taken away the way I did

517

00:21:17,910 --> 00:21:16,300

and and I kind of miss that it's as

518

00:21:20,400 --> 00:21:17,920

traumatizing as it was and it's

519

00:21:22,230 --> 00:21:20,410

terrifying as it was it's and I know

520

00:21:24,300 --> 00:21:22,240

they're there when I when I ask

521

00:21:26,670 --> 00:21:24,310

questions I do get answers not always

522

00:21:31,590 --> 00:21:26,680

immediately but I'll get either in

523

00:21:35,490 --> 00:21:31,600

dreams or messages intuitions on it I'll

524

00:21:38,700 --> 00:21:35,500

know it was from them actually last

525

00:21:40,740 --> 00:21:38,710

night I was awake in the night worried

526

00:21:43,140 --> 00:21:40,750

about something and I just felt this

527

00:21:45,600 --> 00:21:43,150

calming presence come over me and I knew

528

00:21:48,660 --> 00:21:45,610

it was one of the aliens probably the

529

00:21:51,870 --> 00:21:48,670

one I call Otacon ah she's very feminine

530

00:21:54,450 --> 00:21:51,880

and nurturing and caring like a loving

531

00:21:56,880 --> 00:21:54,460

grandmother would be kind of and I

532

00:21:58,470 --> 00:21:56,890

looked at the clock and it was 313 and

533

00:22:01,800 --> 00:21:58,480

that's another clue

534

00:22:04,770 --> 00:22:01,810

three o'clock 333 313 that's usually a

535

00:22:07,670 --> 00:22:04,780

sign that they're nearby but no the

536

00:22:11,700 --> 00:22:07,680

actual physical going on board a ship

537

00:22:15,390 --> 00:22:11,710

going to the alien places like they used

538

00:22:17,730 --> 00:22:15,400

to take me to these caves amazing caves

539

00:22:20,250 --> 00:22:17,740

that were like lit the they had

540

00:22:22,590 --> 00:22:20,260

underground rivers and the water itself

541

00:22:24,570 --> 00:22:22,600

glowed so much that it lit the cave by

542

00:22:26,280 --> 00:22:24,580

the water and there would be alien

543

00:22:28,650 --> 00:22:26,290

children laughing and playing and

544

00:22:31,800 --> 00:22:28,660

sliding down these rock water slides and

545

00:22:33,480 --> 00:22:31,810

that was just an amazing place and I

546

00:22:35,630 --> 00:22:33,490

haven't been taken there in many years

547

00:22:37,110 --> 00:22:35,640

now so it's almost like they were

548

00:22:39,390 --> 00:22:37,120

pounding me with you

549

00:22:41,400 --> 00:22:39,400

messages until I finally sat down wrote

550

00:22:44,700 --> 00:22:41,410

the book got the message out I'm talking

551
00:22:46,620 --> 00:22:44,710
about it and now that's what I was meant

552
00:22:50,280 --> 00:22:46,630
to do and now they've moved on they're

553
00:22:52,140 --> 00:22:50,290
working with other people and for me it

554
00:22:54,150 --> 00:22:52,150
I'm more just meant to talk about it and

555
00:22:56,490 --> 00:22:54,160
tell other people that it's okay they're

556
00:22:58,580 --> 00:22:56,500
not going to hurt you they they want to

557
00:23:02,310 --> 00:22:58,590
help they want to be a force for good

558
00:23:05,430 --> 00:23:02,320
when I was younger I know they did like

559
00:23:06,570 --> 00:23:05,440
an egg harvesting it was kind of like a

560
00:23:08,280 --> 00:23:06,580
pelvic exam

561
00:23:10,590 --> 00:23:08,290
I guess they tried to make it as

562
00:23:14,130 --> 00:23:10,600
comfortable as possible considering the

563
00:23:16,710 --> 00:23:14,140

circumstances it would be an exam table

564

00:23:19,890 --> 00:23:16,720

crota my main alien friend is a 7-foot

565

00:23:21,720 --> 00:23:19,900

tall praying mantis and I actually when

566

00:23:23,030 --> 00:23:21,730

I was younger I called him the doctor so

567

00:23:25,680 --> 00:23:23,040

apparently he's the one who did the

568

00:23:29,010 --> 00:23:25,690

procedures and he would explain things

569

00:23:29,760 --> 00:23:29,020

and he would say we're just checking on

570

00:23:35,490 --> 00:23:29,770

you

571

00:23:37,860 --> 00:23:35,500

teenager when they started so I I was

572

00:23:39,510 --> 00:23:37,870

paralyzed at the time and that's when I

573

00:23:42,090 --> 00:23:39,520

was still waking up screaming and

574

00:23:44,430 --> 00:23:42,100

terrified didn't know if it was a dream

575

00:23:46,470 --> 00:23:44,440

didn't know if it was real but I'd wake

576

00:23:48,570 --> 00:23:46,480

up with bruises and nosebleeds so I had

577

00:23:50,190 --> 00:23:48,580

this awful suspicion that this was

578

00:23:52,310 --> 00:23:50,200

really happening but I couldn't really

579

00:23:55,110 --> 00:23:52,320

tell anybody because it sounded so crazy

580

00:23:58,230 --> 00:23:55,120

but he was so reassuring and so

581

00:24:01,020 --> 00:23:58,240

comforting that it just was okay it was

582

00:24:03,060 --> 00:24:01,030

like I was a part of something so much

583

00:24:06,600 --> 00:24:03,070

bigger than me and so much bigger and

584

00:24:08,340 --> 00:24:06,610

more meaningful that I should be happy

585

00:24:11,880 --> 00:24:08,350

that they chose me or something

586

00:24:13,919 --> 00:24:11,890

and I think I was in my 30s when they

587

00:24:15,900 --> 00:24:13,929

when I had accepted that this was real

588

00:24:18,150 --> 00:24:15,910

this is really going on they had

589

00:24:20,549 --> 00:24:18,160

harvested eggs because I had I guess

590

00:24:22,140 --> 00:24:20,559

they call it a missing pregnancy where

591

00:24:24,600 --> 00:24:22,150

you actually have all the symptoms of

592

00:24:27,180 --> 00:24:24,610

pregnancy and then suddenly it's gone

593

00:24:30,090 --> 00:24:27,190

and my husband at the time it had a

594

00:24:31,560 --> 00:24:30,100

vasectomy so I knew I wasn't but I had

595

00:24:33,060 --> 00:24:31,570

all the symptoms and everything and then

596

00:24:37,410 --> 00:24:33,070

suddenly that was gone

597

00:24:40,830 --> 00:24:37,420

and so I am assuming I have children out

598

00:24:42,360 --> 00:24:40,840

there somewhere and when I was in my 30s

599

00:24:44,700 --> 00:24:42,370

they started taking me on tours of the

600

00:24:47,520 --> 00:24:44,710

ship sometimes because I was learning

601
00:24:49,680 --> 00:24:47,530
not to kick and scream and to ask

602
00:24:50,940 --> 00:24:49,690
questions and be more curious about the

603
00:24:52,590 --> 00:24:50,950
whole situation

604
00:24:55,830 --> 00:24:52,600
and they took me on a tour once of this

605
00:24:59,100 --> 00:24:55,840
room and at the time I was convinced it

606
00:25:02,850 --> 00:24:59,110
was a warehouse and it had big jars of

607
00:25:05,760 --> 00:25:02,860
pears three jars stacked on top of each

608
00:25:09,060 --> 00:25:05,770
other but giant pears and they were

609
00:25:10,860 --> 00:25:09,070
attached with hoses and tubes and there

610
00:25:14,070 --> 00:25:10,870
was a whooshing sound through this whole

611
00:25:15,780 --> 00:25:14,080
warehouse building I couldn't quite

612
00:25:18,030 --> 00:25:15,790
place what it was it sounded vaguely

613
00:25:19,710 --> 00:25:18,040

familiar but for some reason they were

614

00:25:22,110 --> 00:25:19,720

really proud to show me this and it

615

00:25:23,520 --> 00:25:22,120

seemed very important and at the time

616

00:25:25,470 --> 00:25:23,530

it's funny because at the time these

617

00:25:27,830 --> 00:25:25,480

things make perfect sense so giant jars

618

00:25:30,330 --> 00:25:27,840

of pears in a warehouse sure and then

619

00:25:31,980 --> 00:25:30,340

when I woke up the next day and I was

620

00:25:34,710 --> 00:25:31,990

writing it down and I was thinking about

621

00:25:37,200 --> 00:25:34,720

it it occurred to me those weren't pears

622

00:25:39,090 --> 00:25:37,210

those were fetuses and that whooshing

623

00:25:40,860 --> 00:25:39,100

sound was the sound you hear when you're

624

00:25:42,510 --> 00:25:40,870

pregnant and they put the Doppler

625

00:25:45,270 --> 00:25:42,520

machine on your belly and you can hear

626
00:25:48,180 --> 00:25:45,280
the whooshing sound from the umbilical

627
00:25:52,500 --> 00:25:48,190
cord and the mother's heartbeat so those

628
00:25:55,200 --> 00:25:52,510
were jars of fetuses they were very

629
00:25:58,500 --> 00:25:55,210
proud to show me so that was pretty

630
00:26:02,280 --> 00:25:58,510
amazing as far as I know I've never

631
00:26:04,290 --> 00:26:02,290
actually seen hybrid children well

632
00:26:06,570 --> 00:26:04,300
actually maybe I have seen hybrid

633
00:26:08,460 --> 00:26:06,580
children because there was one really

634
00:26:11,190 --> 00:26:08,470
bizarre almost embarrassing kind of

635
00:26:13,620 --> 00:26:11,200
experience where they took me into a

636
00:26:15,090 --> 00:26:13,630
public restroom then alien little grey

637
00:26:18,000 --> 00:26:15,100
alien took me by the hand into this

638
00:26:19,530 --> 00:26:18,010

public restroom and wanted me to show

639

00:26:21,870 --> 00:26:19,540

this little child how to use a toilet

640

00:26:24,240 --> 00:26:21,880

and how to flush it and how to properly

641

00:26:25,920 --> 00:26:24,250

clean themselves and I remember thinking

642

00:26:27,600 --> 00:26:25,930

that's weird because the child looked

643

00:26:30,390 --> 00:26:27,610

about six or seven years old and they

644

00:26:33,120 --> 00:26:30,400

should know how by then but again after

645

00:26:35,370 --> 00:26:33,130

I woke up it occurred to me while aliens

646

00:26:37,830 --> 00:26:35,380

as far as I know they don't eat the way

647

00:26:39,960 --> 00:26:37,840

we do they don't have digestive systems

648

00:26:42,660 --> 00:26:39,970

the way we do so if they have hybrid

649

00:26:45,090 --> 00:26:42,670

children with digestive systems they

650

00:26:46,920 --> 00:26:45,100

don't know how to teach them how to do

651
00:26:49,230 --> 00:26:46,930
these things so they needed a human to

652
00:26:52,710 --> 00:26:49,240
come in and teach them and it just

653
00:26:54,420 --> 00:26:52,720
sounds so bizarre when you talk about it

654
00:26:55,800 --> 00:26:54,430
that's why I think the main reason why a

655
00:26:59,670 --> 00:26:55,810
lot of people don't even talk about it

656
00:27:02,730 --> 00:26:59,680
it's just so weird so they are asking us

657
00:27:04,110 --> 00:27:02,740
to help in this way and they care

658
00:27:04,680 --> 00:27:04,120
they're taking good care of these

659
00:27:07,700 --> 00:27:04,690
children

660
00:27:09,690 --> 00:27:07,710
as a mother myself I should be

661
00:27:11,670 --> 00:27:09,700
traumatized that I might have a child

662
00:27:14,220 --> 00:27:11,680
out there somewhere on some spaceship or

663
00:27:16,050 --> 00:27:14,230

the aliens but it I'm not I'm just very

664

00:27:16,830 --> 00:27:16,060

calmly reassured that everything is as

665

00:27:20,760 --> 00:27:16,840

it should be

666

00:27:23,670 --> 00:27:20,770

everything's good and and calm Otacon ah

667

00:27:25,320 --> 00:27:23,680

there being that I mentioned before for

668

00:27:27,000 --> 00:27:25,330

many many years I thought she was the

669

00:27:28,620 --> 00:27:27,010

ghost of my grandmother both my

670

00:27:31,260 --> 00:27:28,630

grandmother's passed before I was born

671

00:27:34,740 --> 00:27:31,270

and she is a pure white being and she's

672

00:27:36,930 --> 00:27:34,750

transparent very gentle very loving very

673

00:27:39,750 --> 00:27:36,940

nurturing and she didn't give me her

674

00:27:41,520 --> 00:27:39,760

name for the longest time so I would

675

00:27:43,560 --> 00:27:41,530

wake up she'd come to me but usually if

676

00:27:45,020 --> 00:27:43,570

I was sick or upset and she'd sit on my

677

00:27:47,760 --> 00:27:45,030

bedside and maybe stroked my hair

678

00:27:49,650 --> 00:27:47,770

stroked my face and I assumed that's

679

00:27:51,450 --> 00:27:49,660

what a grandmother would do so I just

680

00:27:56,210 --> 00:27:51,460

assumed she was a ghost of one of my

681

00:27:58,920 --> 00:27:56,220

grandmother's and one time around 2007

682

00:28:01,650 --> 00:27:58,930

she was sitting on my bedside and she

683

00:28:03,420 --> 00:28:01,660

had these pretty pretty little lips that

684

00:28:05,310 --> 00:28:03,430

she's never scared me and all of a

685

00:28:09,600 --> 00:28:05,320

sudden she just showed her teeth he's

686

00:28:12,240 --> 00:28:09,610

big huge scary evil pointed white teeth

687

00:28:15,150 --> 00:28:12,250

and I just drew back and I thought well

688

00:28:16,890 --> 00:28:15,160

that's not my grandmother that's an

689

00:28:18,540 --> 00:28:16,900

alien it struck me that's an alien being

690

00:28:22,110 --> 00:28:18,550

and she has the big black eyes so I

691

00:28:23,850 --> 00:28:22,120

should have known and she quickly closed

692

00:28:26,430 --> 00:28:23,860

her mouth she didn't expect to scare me

693

00:28:28,560 --> 00:28:26,440

she was proud of those teeth she wanted

694

00:28:31,170 --> 00:28:28,570

to show me that she had created them

695

00:28:32,760 --> 00:28:31,180

they don't have digestive systems to the

696

00:28:36,180 --> 00:28:32,770

best of my knowledge so they don't need

697

00:28:38,460 --> 00:28:36,190

teeth so she explained to me because she

698

00:28:40,770 --> 00:28:38,470

didn't realize that I'd have this primal

699

00:28:43,320 --> 00:28:40,780

fear of these awful teeth it's like a

700

00:28:45,770 --> 00:28:43,330

primitive reaction that I had and she

701
00:28:49,470 --> 00:28:45,780
told me then that she's a geneticist and

702
00:28:50,940 --> 00:28:49,480
she works with the DNA on earth and she

703
00:28:54,150 --> 00:28:50,950
was so proud that she had created these

704
00:28:57,720 --> 00:28:54,160
teeth she took shark DNA barracuda DNA

705
00:28:59,970 --> 00:28:57,730
and some other mammal a bear or a cougar

706
00:29:01,710 --> 00:28:59,980
or something and had made these very

707
00:29:04,020 --> 00:29:01,720
impressive teeth and wanted to show me

708
00:29:06,330 --> 00:29:04,030
and not realizing how much it wouldn't

709
00:29:09,450 --> 00:29:06,340
upset me but she explained that that's

710
00:29:12,090 --> 00:29:09,460
why she's here that's what she's doing

711
00:29:13,740 --> 00:29:12,100
with earth and she said most of the team

712
00:29:18,060 --> 00:29:13,750
which I'm assuming is the team that

713
00:29:20,670 --> 00:29:18,070

works with me is involved in DNA

714

00:29:23,400 --> 00:29:20,680

all DNA of earth the trees the plants as

715

00:29:25,140 --> 00:29:23,410

well as humans and she looked right at

716

00:29:27,450 --> 00:29:25,150

me with those big black eyes and said

717

00:29:31,230 --> 00:29:27,460

and we're interested in you for your DNA

718

00:29:33,210 --> 00:29:31,240

that just was a shocker a big shocker

719

00:29:37,200 --> 00:29:33,220

it's like what I'm no different from

720

00:29:39,690 --> 00:29:37,210

anyone else and but apparently that's

721

00:29:41,250 --> 00:29:39,700

one of the reasons that they are

722

00:29:44,400 --> 00:29:41,260

following me and it is supposed to

723

00:29:46,770 --> 00:29:44,410

follow certain family lineages they say

724

00:29:49,140 --> 00:29:46,780

that the abductions continue for

725

00:29:53,400 --> 00:29:49,150

generations so I went through 23andme

726

00:29:55,290 --> 00:29:53,410

DNA to see to try to find out and the

727

00:29:57,600 --> 00:29:55,300

only thing I discovered that I didn't

728

00:30:00,990 --> 00:29:57,610

know is that I have Viking blood I have

729

00:30:02,100 --> 00:30:01,000

like 18% Swedish and Danish I was really

730

00:30:04,970 --> 00:30:02,110

excited because I've always been

731

00:30:07,910 --> 00:30:04,980

interested in Vikings and the only other

732

00:30:10,890 --> 00:30:07,920

specific DNA that I know I have is

733

00:30:13,370 --> 00:30:10,900

Scottish Highlander McGregor clan and

734

00:30:15,450 --> 00:30:13,380

they're like warrior people and the

735

00:30:17,190 --> 00:30:15,460

Vikings are warrior people so I don't

736

00:30:19,620 --> 00:30:17,200

know if they're interested in warrior

737

00:30:21,540 --> 00:30:19,630

people or their aliens so it might be

738

00:30:23,400 --> 00:30:21,550

something totally different about the

739

00:30:25,560 --> 00:30:23,410

DNA that they're looking for I I don't

740

00:30:28,560 --> 00:30:25,570

really know but I thought that was

741

00:30:31,440 --> 00:30:28,570

pretty fascinating that she explained at

742

00:30:33,090 --> 00:30:31,450

least why they're doing this when they

743

00:30:35,700 --> 00:30:33,100

showed me the warehouse of the giant

744

00:30:36,900 --> 00:30:35,710

pairs they were extremely proud so I

745

00:30:40,200 --> 00:30:36,910

think they're very proud of their work

746

00:30:43,080 --> 00:30:40,210

with the DNA and the genetics but I

747

00:30:45,360 --> 00:30:43,090

don't really know what their end game is

748

00:30:48,420 --> 00:30:45,370

what their final plan or outcome is for

749

00:30:50,460 --> 00:30:48,430

if they're populating another world if

750

00:30:52,890 --> 00:30:50,470

it's for our future I really don't know

751

00:30:54,480 --> 00:30:52,900

and there I can ask all kinds of

752

00:30:57,330 --> 00:30:54,490

questions but they're not very

753

00:30:58,950 --> 00:30:57,340

forthcoming with the answers and often

754

00:31:01,110 --> 00:30:58,960

I'll ask a question and they'll say it

755

00:31:04,020 --> 00:31:01,120

is not yet time for you to know like

756

00:31:06,480 --> 00:31:04,030

maybe eventually they will tell me but

757

00:31:10,470 --> 00:31:06,490

especially with the giant pairs the

758

00:31:13,020 --> 00:31:10,480

fetuses I was very interested in what

759

00:31:14,430 --> 00:31:13,030

what are they doing with them why where

760

00:31:17,520 --> 00:31:14,440

are they going to take them somewhere

761

00:31:20,610 --> 00:31:17,530

why did they even show me but they just

762

00:31:22,140 --> 00:31:20,620

were very they just were proud of their

763

00:31:24,270 --> 00:31:22,150

work and wanted me to see it but that

764

00:31:27,180 --> 00:31:24,280

was about the extent of the knowledge

765

00:31:29,580 --> 00:31:27,190

they'd share with me about that one

766

00:31:31,470 --> 00:31:29,590

evening I was feeling a little down and

767

00:31:33,630 --> 00:31:31,480

out and discouraged you know life

768

00:31:35,580 --> 00:31:33,640

life is hard sometimes and then I was

769

00:31:40,020 --> 00:31:35,590

diagnosed with this illness that has no

770

00:31:42,510 --> 00:31:40,030

cure and I've read of other people who

771

00:31:44,580 --> 00:31:42,520

have had impact with aliens and they

772

00:31:47,220 --> 00:31:44,590

told them to go away leave him alone and

773

00:31:49,080 --> 00:31:47,230

they did but they never left me alone

774

00:31:51,450 --> 00:31:49,090

even though I asked them to and I begged

775

00:31:53,130 --> 00:31:51,460

them to and of course now I look forward

776

00:31:55,050 --> 00:31:53,140

to it and now I love them and I love the

777

00:31:57,000 --> 00:31:55,060

experience but when I was younger I

778

00:31:58,830 --> 00:31:57,010

think they traumatized me and that might

779

00:32:02,690 --> 00:31:58,840

partly bill I have an autoimmune disease

780

00:32:05,820 --> 00:32:02,700

today that bodily trauma and so I was

781

00:32:08,940 --> 00:32:05,830

discouraged with life struggling one

782

00:32:10,950 --> 00:32:08,950

night and I was asking crow why why me

783

00:32:12,960 --> 00:32:10,960

why did you guys pick me for this and if

784

00:32:14,340 --> 00:32:12,970

I created my own reality I certainly

785

00:32:16,830 --> 00:32:14,350

wouldn't have created a lifetime of

786

00:32:19,310 --> 00:32:16,840

struggle and difficulty and I went to

787

00:32:21,240 --> 00:32:19,320

sleep and croak came to me and he

788

00:32:23,700 --> 00:32:21,250

sometimes I believe they take me

789

00:32:24,990 --> 00:32:23,710

actually by the body the whole body to

790

00:32:27,240 --> 00:32:25,000

the ship because I'll wake up with

791

00:32:30,600 --> 00:32:27,250

bruises and marks other times I feel

792

00:32:33,270 --> 00:32:30,610

quote whooshes me up out of my body like

793

00:32:35,430 --> 00:32:33,280

just my spirit or whatever is taken to

794

00:32:37,560 --> 00:32:35,440

the astral plane and I felt at this time

795

00:32:41,370 --> 00:32:37,570

I felt being washed out of my body and

796

00:32:43,520 --> 00:32:41,380

with croak by my side zipping paths out

797

00:32:45,870 --> 00:32:43,530

of the earth into the sky and the stars

798

00:32:48,180 --> 00:32:45,880

like zooming out from Google Earth

799

00:32:50,520 --> 00:32:48,190

exactly like that until you're just in

800

00:32:52,230 --> 00:32:50,530

the blackness with the Stars and just

801
00:32:55,080 --> 00:32:52,240
hovering there well I caught my breath

802
00:32:57,900 --> 00:32:55,090
for a minute and then he brought me to

803
00:33:00,180 --> 00:32:57,910
this place it was this landmass just

804
00:33:02,280 --> 00:33:00,190
floating out in space not a planet or

805
00:33:04,020 --> 00:33:02,290
anything just a landmass there was an

806
00:33:06,810 --> 00:33:04,030
ocean there were mountains it was a

807
00:33:08,730 --> 00:33:06,820
fertile Green Valley and we came in

808
00:33:10,590 --> 00:33:08,740
closer and closer and as we got closer I

809
00:33:12,510 --> 00:33:10,600
could hear drumming and I could hear

810
00:33:15,270 --> 00:33:12,520
people talking it was like joyful

811
00:33:17,010 --> 00:33:15,280
celebration and then in the valley I

812
00:33:19,800 --> 00:33:17,020
could see there was his house its big

813
00:33:22,860 --> 00:33:19,810

long like an old-time Viking long house

814

00:33:25,650 --> 00:33:22,870

a big wooden house and on the inside

815

00:33:29,100 --> 00:33:25,660

when we went inside there were fire pits

816

00:33:31,050 --> 00:33:29,110

and torches just like what you'd picture

817

00:33:33,510 --> 00:33:31,060

the Vikings to have a big feast and

818

00:33:35,640 --> 00:33:33,520

celebration a big huge heavy wood and

819

00:33:39,210 --> 00:33:35,650

table in the middle of the room laden

820

00:33:42,560 --> 00:33:39,220

with platters and goblets and candelabra

821

00:33:45,360 --> 00:33:42,570

and crow told me this was your pre-birth

822

00:33:47,010 --> 00:33:45,370

party and all the souls in there

823

00:33:50,670 --> 00:33:47,020

we're celebrating me in this lifetime

824

00:33:53,370 --> 00:33:50,680

that I'm experiencing and I was at the

825

00:33:55,500 --> 00:33:53,380

head of a table I was me but I wasn't me

826

00:33:57,540 --> 00:33:55,510

I was I guess in spirit form and I had

827

00:34:00,540 --> 00:33:57,550

three spirit guides with me and they

828

00:34:02,640 --> 00:34:00,550

handed me this big golden platter and

829

00:34:05,340 --> 00:34:02,650

they handed me a set of big golden tongs

830

00:34:08,970 --> 00:34:05,350

and guided me towards this big table and

831

00:34:12,540 --> 00:34:08,980

I looked out and it wasn't food or drink

832

00:34:15,540 --> 00:34:12,550

it was life choices and life experiences

833

00:34:16,980 --> 00:34:15,550

and I was to take the tongs and choose

834

00:34:19,500 --> 00:34:16,990

who's going to be my best friend in

835

00:34:21,360 --> 00:34:19,510

third grade who am I going to marry

836

00:34:23,850 --> 00:34:21,370

where am I going to live and this huge

837

00:34:26,730 --> 00:34:23,860

table with so many options and so many

838

00:34:27,270 --> 00:34:26,740

choices of things on earth for one

839

00:34:30,119 --> 00:34:27,280

lifetime

840

00:34:33,360 --> 00:34:30,129

and he told me there are certain things

841

00:34:35,760 --> 00:34:33,370

that are set that are not a free will

842

00:34:39,270 --> 00:34:35,770

choices who my parents were going to be

843

00:34:41,879 --> 00:34:39,280

certain astrological influences and for

844

00:34:44,850 --> 00:34:41,889

this lifetime alien contact lifetime

845

00:34:47,610 --> 00:34:44,860

alien contact I wasn't getting out of it

846

00:34:49,680 --> 00:34:47,620

so it was preset it was a pre birth

847

00:34:51,659 --> 00:34:49,690

agreement but I chose a lot of other

848

00:34:54,119 --> 00:34:51,669

things and I went around the table and I

849

00:34:56,159 --> 00:34:54,129

chose divorce and I set the tongs down

850

00:34:58,200 --> 00:34:56,169

and then I went back to choose a second

851
00:34:59,550 --> 00:34:58,210
divorce and my spirit guide kind of

852
00:35:01,290 --> 00:34:59,560
tapped me on the shoulder and said don't

853
00:35:03,540 --> 00:35:01,300
you think that's a little overwhelming

854
00:35:06,420 --> 00:35:03,550
for one lifetime and I was so arrogant

855
00:35:08,760 --> 00:35:06,430
and I said no I can handle this I can

856
00:35:10,890 --> 00:35:08,770
handle all this and I loaded up you know

857
00:35:12,840 --> 00:35:10,900
financial difficulties and chronic

858
00:35:14,760 --> 00:35:12,850
illness and my spirit guide kind of

859
00:35:15,800 --> 00:35:14,770
tapped me on the shoulder and said don't

860
00:35:18,630 --> 00:35:15,810
you think that's a little bit

861
00:35:20,520 --> 00:35:18,640
overwhelming and I said no no I can

862
00:35:23,430 --> 00:35:20,530
handle that I was so arrogant because

863
00:35:24,900 --> 00:35:23,440

from out there looking in on earth life

864

00:35:27,930 --> 00:35:24,910

it's like I want to experience at all I

865

00:35:30,090 --> 00:35:27,940

want to know everything and then the

866

00:35:31,950 --> 00:35:30,100

spirit guys are kind of rolling their

867

00:35:33,690 --> 00:35:31,960

eyes behind my back because they were

868

00:35:35,880 --> 00:35:33,700

gonna be the ones guiding me through

869

00:35:37,560 --> 00:35:35,890

this life and knowing I was going to

870

00:35:40,440 --> 00:35:37,570

pass through the veil of forgetting when

871

00:35:41,760 --> 00:35:40,450

I'm born and whining and moaning and

872

00:35:44,640 --> 00:35:41,770

complaining about how hard my life is

873

00:35:45,900 --> 00:35:44,650

when actually I chose it all I I did

874

00:35:48,630 --> 00:35:45,910

choose it all so when people say you

875

00:35:50,370 --> 00:35:48,640

create you in reality I used to not

876

00:35:53,070 --> 00:35:50,380

really believe it but from a higher

877

00:35:55,560 --> 00:35:53,080

perspective from that perspective I can

878

00:35:57,660 --> 00:35:55,570

see where it does make sense and they

879

00:35:58,680 --> 00:35:57,670

also explained it was almost like

880

00:36:02,280 --> 00:35:58,690

setting up a game of

881

00:36:04,620 --> 00:36:02,290

knobbly because you know we all have

882

00:36:06,270 --> 00:36:04,630

free will here you know you be the

883

00:36:07,980 --> 00:36:06,280

banker you count out the money all by

884

00:36:10,020 --> 00:36:07,990

Park Place it was kind of like that

885

00:36:12,510 --> 00:36:10,030

setting it up because I made these

886

00:36:14,880 --> 00:36:12,520

choices but I was going to pass through

887

00:36:17,819 --> 00:36:14,890

the veil of forgetting and then I was

888

00:36:20,250 --> 00:36:17,829

going to have free will and everyone

889

00:36:21,750 --> 00:36:20,260

else was going to have free will so you

890

00:36:24,059 --> 00:36:21,760

could have chosen that you would marry

891

00:36:26,010 --> 00:36:24,069

this certain person but their parents

892

00:36:28,050 --> 00:36:26,020

have the free will they might have

893

00:36:29,579 --> 00:36:28,060

chosen to move off to a different state

894

00:36:32,130 --> 00:36:29,589

and you never met that person so you

895

00:36:34,260 --> 00:36:32,140

never married them and so it's it's

896

00:36:36,870 --> 00:36:34,270

almost like setting up a game before

897

00:36:39,290 --> 00:36:36,880

you're born and then the players go in

898

00:36:41,730 --> 00:36:39,300

and forget what they chose and it's and

899

00:36:45,569 --> 00:36:41,740

the aliens have told me I take things

900

00:36:47,370 --> 00:36:45,579

far too seriously it's just a game and

901
00:36:48,960 --> 00:36:47,380
when it's over we're all going to get

902
00:36:51,839 --> 00:36:48,970
together and laugh about it and

903
00:36:54,000 --> 00:36:51,849
reminisce and but well we're in it it's

904
00:36:57,750 --> 00:36:54,010
it just seems so serious all the time

905
00:37:00,540 --> 00:36:57,760
but it's just we've made certain choices

906
00:37:02,670 --> 00:37:00,550
but then we forgot we made them and then

907
00:37:05,400 --> 00:37:02,680
all of us have free will to choose

908
00:37:08,250 --> 00:37:05,410
different things so it's it's pretty

909
00:37:10,020 --> 00:37:08,260
chaotic but that's part of the intrigue

910
00:37:12,120 --> 00:37:10,030
about living on earth it's why so many

911
00:37:14,220 --> 00:37:12,130
souls want to come and have an earth

912
00:37:18,150 --> 00:37:14,230
life experience because it's pretty wild

913
00:37:21,210 --> 00:37:18,160

it's a wild game and so the alien

914

00:37:24,059 --> 00:37:21,220

contact was definitely programmed in for

915

00:37:25,650 --> 00:37:24,069

me and no getting out of it and now I'm

916

00:37:28,290 --> 00:37:25,660

finally doing what I was supposed to do

917

00:37:31,260 --> 00:37:28,300

it took about thirty years to get just

918

00:37:33,150 --> 00:37:31,270

past the fear and then I started writing

919

00:37:35,579 --> 00:37:33,160

notes and believing that this might

920

00:37:38,309 --> 00:37:35,589

really be happening and finally got the

921

00:37:41,880 --> 00:37:38,319

book published and now I'm out talking

922

00:37:44,010 --> 00:37:41,890

openly about it and apparently that was

923

00:37:47,069 --> 00:37:44,020

the whole plan all along just to make it

924

00:37:48,690 --> 00:37:47,079

kind of safe if I can do it if I can get

925

00:37:51,839 --> 00:37:48,700

past the fear and get out there and talk

926

00:37:54,359 --> 00:37:51,849

about it then anybody can and that's

927

00:37:58,020 --> 00:37:54,369

kind of pretty much what my mission was

928

00:37:59,550 --> 00:37:58,030

so but they do still come and have

929

00:38:03,329 --> 00:37:59,560

contact with me usually if they have

930

00:38:05,579 --> 00:38:03,339

messages that they want to bring but I

931

00:38:06,990 --> 00:38:05,589

feel like the bulk of it is is kind of

932

00:38:09,480 --> 00:38:07,000

in the past and it's a little sad

933

00:38:11,490 --> 00:38:09,490

because I miss the contact but they do

934

00:38:12,450 --> 00:38:11,500

answer questions if I have really

935

00:38:16,280 --> 00:38:12,460

important or press
