

A woman with dark, curly hair is shown in a close-up shot, looking slightly to the right. She is wearing a dark top and a thin necklace. The background is a blurred indoor setting with other people, including one person in a bright green shirt. A red exit sign is visible in the background.

2
00:00:33,060 --> 00:00:30,720

by Marja Kate and I'm the assistant

3
00:00:35,939 --> 00:00:33,070

state director for Missouri MUFON and

4
00:00:39,000 --> 00:00:35,949

the director of this Missouri show-me

5
00:00:41,759 --> 00:00:39,010

conference we try to have conferences

6
00:00:44,310 --> 00:00:41,769

every year or every other year that deal

7
00:00:46,140 --> 00:00:44,320

with strange things are happening not

8
00:00:50,490 --> 00:00:46,150

only in Missouri but in other areas as

9
00:00:54,569 --> 00:00:50,500

well and we have got just a really large

10
00:00:56,549 --> 00:00:54,579

variety of topics today and subjects the

11
00:00:58,560 --> 00:00:56,559

speakers are excellent they're all

12
00:01:01,799 --> 00:00:58,570

experts in their field they're going to

13
00:01:06,510 --> 00:01:01,809

be talking about underwater UFOs UFO

14

00:01:08,880 --> 00:01:06,520

sightings abductions Bigfoots crop

15

00:01:10,669 --> 00:01:08,890

circles just just you name it we're

16

00:01:13,620 --> 00:01:10,679

going to be talking about it it's a

17

00:01:17,609 --> 00:01:13,630

really a lot of these things are popular

18

00:01:19,290 --> 00:01:17,619

subjects and we wanted to have kind of a

19

00:01:21,870 --> 00:01:19,300

conference to get more people together

20

00:01:23,550 --> 00:01:21,880

to discuss these things and just try to

21

00:01:25,859 --> 00:01:23,560

really figure out what's going on today

22

00:01:28,530 --> 00:01:25,869

we're having more people walk in than we

23

00:01:32,520 --> 00:01:28,540

expected so we're probably going to have

24

00:01:36,450 --> 00:01:32,530

75 200 people and for the Midwest that's

25

00:01:39,270 --> 00:01:36,460

good you know we have usually have you

26

00:01:41,160 --> 00:01:39,280

know smaller events and of course there

27

00:01:44,969 --> 00:01:41,170

are some big events all over the country

28

00:01:47,490 --> 00:01:44,979

but Missouri has you know generally has

29

00:01:51,810 --> 00:01:47,500

the smaller groups but it's growing this

30

00:01:54,749 --> 00:01:51,820

is my 10th conference we skipped about

31

00:01:56,520 --> 00:01:54,759

three years and then we started this one

32

00:01:59,219 --> 00:01:56,530

they've all gone under different names

33

00:02:01,980 --> 00:01:59,229

so this one we picked as show me because

34

00:02:05,459 --> 00:02:01,990

Missouri the show-me state you know so

35

00:02:08,219 --> 00:02:05,469

you know we want to show evidence

36

00:02:11,699 --> 00:02:08,229

and we've got good evidence good
