

UFO 

1
00:00:23,210 --> 00:00:14,300

[Music]

2
00:00:23,220 --> 00:00:25,700

you

3
00:00:31,370 --> 00:00:27,620

the first time I spoke here was last

4
00:00:35,030 --> 00:00:31,380

year the talk had titled it was five

5
00:00:36,830 --> 00:00:35,040

stages of contact and so every time I

6
00:00:39,140 --> 00:00:36,840

try to speak I try to cover more

7
00:00:42,320 --> 00:00:39,150

information because it's such a vast

8
00:00:44,810 --> 00:00:42,330

subject that in law involves so much

9
00:00:47,450 --> 00:00:44,820

it's just impossible to cover it all

10
00:00:50,510 --> 00:00:47,460

even you know for a whole day for eight

11
00:00:53,000 --> 00:00:50,520

hours straight so I promise I won't

12
00:00:54,350 --> 00:00:53,010

leave anything out for you that is you

13
00:00:55,729 --> 00:00:54,360

know that you feel like you've been

14

00:00:58,639 --> 00:00:55,739

gypped on and you didn't get what you

15

00:01:01,130 --> 00:00:58,649

needed to get but I have to move on with

16

00:01:04,630 --> 00:01:01,140

some of the information so any of these

17

00:01:08,780 --> 00:01:04,640

talks are online at the UFO hub channel

18

00:01:12,440 --> 00:01:08,790

under the playlist talks and you can

19

00:01:16,160 --> 00:01:12,450

watch and these back basically there's a

20

00:01:17,870 --> 00:01:16,170

little bit more of my history and other

21

00:01:20,300 --> 00:01:17,880

things that have happened to lead me to

22

00:01:25,940 --> 00:01:20,310

this point because believe it or not I

23

00:01:28,520 --> 00:01:25,950

used to be normal at one point so what I

24

00:01:30,469 --> 00:01:28,530

what I can I get a quick show of hands

25

00:01:35,120 --> 00:01:30,479

please how many people are familiar with

26
00:01:40,639 --> 00:01:35,130
the UFO subject ok and how many of you

27
00:01:43,389 --> 00:01:40,649
are avid researchers ok so I'd like to

28
00:01:46,309 --> 00:01:43,399
give a little disclaimer before I begin

29
00:01:49,790 --> 00:01:46,319
what I have to say and in the way I

30
00:01:52,850 --> 00:01:49,800
approach it is based on my experiences I

31
00:01:57,010 --> 00:01:52,860
started with this about 50 when I was 15

32
00:02:00,620 --> 00:01:57,020
years old and it evolved and led me to

33
00:02:03,260 --> 00:02:00,630
where I am today and it changed my

34
00:02:05,419 --> 00:02:03,270
perspective about UFOs because when I

35
00:02:07,669 --> 00:02:05,429
first started out it was all about the

36
00:02:09,380 --> 00:02:07,679
nuts and bolts where they're from what

37
00:02:12,650 --> 00:02:09,390
kind of materials are the ships made out

38
00:02:15,949 --> 00:02:12,660

of and things like that but as the years

39

00:02:19,070 --> 00:02:15,959

went on and I started opening my mind

40

00:02:21,589 --> 00:02:19,080

and trying to understand why these other

41

00:02:24,920 --> 00:02:21,599

things kept coming up you know like I

42

00:02:26,510 --> 00:02:24,930

was you know trying to figure out what

43

00:02:29,690 --> 00:02:26,520

Stanton Friedman would say which is a

44

00:02:31,940 --> 00:02:29,700

very scientific researcher people would

45

00:02:33,410 --> 00:02:31,950

talk about channeling you know I would

46

00:02:34,940 --> 00:02:33,420

try to understand what this guy would

47

00:02:37,039 --> 00:02:34,950

say because he had some kind of

48

00:02:39,199 --> 00:02:37,049

top-secret clearance and I just kept

49

00:02:44,030 --> 00:02:39,209

hearing more information about

50

00:02:45,559 --> 00:02:44,040

you know governments interacting with

51
00:02:46,880 --> 00:02:45,569
all these differently in the races and

52
00:02:50,050 --> 00:02:46,890
then there will be all this other

53
00:02:54,229 --> 00:02:50,060
spiritual things coming into play and so

54
00:02:56,270 --> 00:02:54,239
as the years went on long story short

55
00:02:58,759 --> 00:02:56,280
and I promise if you go back and watch

56
00:03:00,740 --> 00:02:58,769
some of the other talks through my

57
00:03:05,089 --> 00:03:00,750
little experimentation about with

58
00:03:07,280 --> 00:03:05,099
different things I died and at that time

59
00:03:09,289 --> 00:03:07,290
I thought it was an accident but now I

60
00:03:11,119 --> 00:03:09,299
know there are other accidents it was

61
00:03:13,159 --> 00:03:11,129
something that I needed to experience to

62
00:03:16,099 --> 00:03:13,169
see what I needed to see in order to

63
00:03:18,349 --> 00:03:16,109

understand what's going on more with

64

00:03:23,360 --> 00:03:18,359

with aliens and your force here in this

65

00:03:26,179 --> 00:03:23,370

world and so the talk what I would like

66

00:03:28,369 --> 00:03:26,189

to do is itself sitting or sending you

67

00:03:30,409 --> 00:03:28,379

about talking for the whole hour I want

68

00:03:32,629 --> 00:03:30,419

to try to condense it in about 10 15

69

00:03:35,539 --> 00:03:32,639

minutes and I want to open it up for

70

00:03:38,929 --> 00:03:35,549

questions and answers because you have

71

00:03:41,780 --> 00:03:38,939

questions there are more pertinent to

72

00:03:43,280 --> 00:03:41,790

you and if I can try to get to them to

73

00:03:45,680 --> 00:03:43,290

answer them for you from my perspective

74

00:03:47,689 --> 00:03:45,690

I thought I feel you'll get more out of

75

00:03:49,369 --> 00:03:47,699

it instead of me just talking them for

76

00:03:50,300 --> 00:03:49,379

an hour and maybe you might get the

77

00:03:57,110 --> 00:03:50,310

answer you're looking for

78

00:04:01,030 --> 00:03:57,120

so the talk for today is God aliens and

79

00:04:04,939 --> 00:04:01,040

everything else and the reason why I

80

00:04:07,640 --> 00:04:04,949

involve God in this is that as much as I

81

00:04:10,610 --> 00:04:07,650

wanted aliens to be these beings from

82

00:04:14,409 --> 00:04:10,620

different planets that are kind of

83

00:04:17,149 --> 00:04:14,419

having life experiences as we are and

84

00:04:20,300 --> 00:04:17,159

having the own lessons to learn as we

85

00:04:24,860 --> 00:04:20,310

are that is also true but there's a

86

00:04:26,600 --> 00:04:24,870

there's a greater picture here

87

00:04:29,839 --> 00:04:26,610

when it comes to these two different

88

00:04:32,749 --> 00:04:29,849

visitations and I find that the more I

89

00:04:34,939 --> 00:04:32,759

sit back and try to see what the big

90

00:04:38,120 --> 00:04:34,949

picture is I realize the picture doesn't

91

00:04:40,310 --> 00:04:38,130

have a frame the more I step back is see

92

00:04:43,249 --> 00:04:40,320

okay what is this about I see how it all

93

00:04:45,950 --> 00:04:43,259

comes together I step back again and I

94

00:04:48,830 --> 00:04:45,960

see how it all comes together so I just

95

00:04:51,610 --> 00:04:48,840

basically stop putting putting it into a

96

00:04:53,800 --> 00:04:51,620

box because it sits

97

00:04:59,170 --> 00:04:53,810

hopefully as you'll realize it's almost

98

00:05:01,930 --> 00:04:59,180

impossible so what happened to me during

99

00:05:05,740 --> 00:05:01,940

during my I guess near-death experience

100

00:05:08,680 --> 00:05:05,750

is that all of us are basically made out

101
00:05:10,980 --> 00:05:08,690
of this one energy that I guess you

102
00:05:13,629 --> 00:05:10,990
could call God but I just would like to

103
00:05:15,909 --> 00:05:13,639
describe it as the all that is and

104
00:05:18,040 --> 00:05:15,919
that's actually a description by a

105
00:05:20,260 --> 00:05:18,050
channel called Bashar

106
00:05:21,300 --> 00:05:20,270
he's channeled by Darrell Inca and I

107
00:05:25,360 --> 00:05:21,310
think it's the most accurate

108
00:05:29,620 --> 00:05:25,370
representation of everything because it

109
00:05:33,219 --> 00:05:29,630
is not male it is not female it's

110
00:05:34,870 --> 00:05:33,229
actually both and more it's all of us

111
00:05:37,920 --> 00:05:34,880
the chair that everything that

112
00:05:40,000 --> 00:05:37,930
everything is made out of and that

113
00:05:44,110 --> 00:05:40,010

perspective is difficult to understand

114

00:05:47,710 --> 00:05:44,120

from our five sense reality from seeing

115

00:05:50,830 --> 00:05:47,720

hearing smelling feeling all these

116

00:05:53,379 --> 00:05:50,840

things are still everything in a in a

117

00:05:55,930 --> 00:05:53,389

box so to say so your limited

118

00:05:58,900 --> 00:05:55,940

understanding is all based on your

119

00:06:02,409 --> 00:05:58,910

senses so as I understood at that time

120

00:06:05,379 --> 00:06:02,419

that my death experience was basically

121

00:06:07,719 --> 00:06:05,389

to get me out of this fully out of this

122

00:06:10,390 --> 00:06:07,729

- were there was no sense of body no

123

00:06:13,420 --> 00:06:10,400

sense of time no sense of anything else

124

00:06:16,860 --> 00:06:13,430

but the perception of yourself who you

125

00:06:24,610 --> 00:06:16,870

are and how do you play in in this place

126
00:06:26,379 --> 00:06:24,620
called existence and it was actually the

127
00:06:28,659 --> 00:06:26,389
reason why I started out doing these

128
00:06:31,360 --> 00:06:28,669
this different kind of research is that

129
00:06:34,629 --> 00:06:31,370
I just wanted to know for myself I never

130
00:06:38,230 --> 00:06:34,639
intended to start a channel called UFO

131
00:06:40,900 --> 00:06:38,240
hub I never intended to to eventually

132
00:06:42,909 --> 00:06:40,910
speak it was all after these experiences

133
00:06:44,740 --> 00:06:42,919
that certain events had happened and

134
00:06:47,350 --> 00:06:44,750
certain messages were given to me to

135
00:06:50,430 --> 00:06:47,360
just you've seen how it is go speak

136
00:06:53,529 --> 00:06:50,440
you've seen how it is go speak and so

137
00:06:55,689 --> 00:06:53,539
yeah yeah it's it's I was kicking and

138
00:06:57,939 --> 00:06:55,699

screaming being dragged to eventually do

139

00:07:00,430 --> 00:06:57,949

it but the more I became more company

140

00:07:02,680 --> 00:07:00,440

became more comfortable talking about

141

00:07:05,040 --> 00:07:02,690

these different things more information

142

00:07:07,800 --> 00:07:05,050

came and thinks that I had forgotten

143

00:07:12,029 --> 00:07:07,810

that have happened to me came back and

144

00:07:15,719 --> 00:07:12,039

so again going back to God aliens and

145

00:07:19,230 --> 00:07:15,729

everything else we're all made out of

146

00:07:23,430 --> 00:07:19,240

that same energy and these different

147

00:07:26,070 --> 00:07:23,440

beings visiting are basically also these

148

00:07:27,869 --> 00:07:26,080

other versions of yourself that are

149

00:07:30,480 --> 00:07:27,879

having all these experiences as

150

00:07:32,909 --> 00:07:30,490

societies their own trials and

151

00:07:36,629 --> 00:07:32,919

tribulations and they're on different

152

00:07:38,760 --> 00:07:36,639

levels we are I guess you can say here

153

00:07:40,800 --> 00:07:38,770

and there over here now that doesn't

154

00:07:42,980 --> 00:07:40,810

mean that they're better than we are

155

00:07:46,320 --> 00:07:42,990

it's just two different states of

156

00:07:50,189 --> 00:07:46,330

understanding of what all of this is and

157

00:07:52,649 --> 00:07:50,199

so what what you quickly realize when

158

00:07:55,980 --> 00:07:52,659

you lose loose sense of your body is

159

00:07:58,770 --> 00:07:55,990

that there's actually no limitation on

160

00:08:02,010 --> 00:07:58,780

that scale if you think you're here

161

00:08:04,409 --> 00:08:02,020

there's infinity up infinity down and

162

00:08:07,409 --> 00:08:04,419

infinity in every other direction you

163

00:08:10,559 --> 00:08:07,419

can think of and so that means there's

164

00:08:12,689 --> 00:08:10,569

an infinite amount of other versions of

165

00:08:15,600 --> 00:08:12,699

yourself infinite amount of other

166

00:08:17,580 --> 00:08:15,610

societies infinite amount of everything

167

00:08:20,850 --> 00:08:17,590

any and everything and anything you can

168

00:08:24,360 --> 00:08:20,860

possibly think of which is a very

169

00:08:27,059 --> 00:08:24,370

difficult concept to grasp but when

170

00:08:28,890 --> 00:08:27,069

you're out of your body you feel it you

171

00:08:30,570 --> 00:08:28,900

just feel it and you know it that that

172

00:08:35,880 --> 00:08:30,580

is the part you've always been part of

173

00:08:39,149 --> 00:08:35,890

and so you don't usually the mind

174

00:08:41,579 --> 00:08:39,159

usually just kind of always stops you is

175

00:08:43,769 --> 00:08:41,589

it is the the one that has the fears

176

00:08:46,319 --> 00:08:43,779

from have you know we had to have you go

177

00:08:47,970 --> 00:08:46,329

look into certain things to the fear

178

00:08:50,370 --> 00:08:47,980

self what are my friends going to say

179

00:08:52,139 --> 00:08:50,380

what is what are my family members going

180

00:08:55,500 --> 00:08:52,149

to say what are people at work going to

181

00:08:57,930 --> 00:08:55,510

say and because it's designed to stick

182

00:09:00,150 --> 00:08:57,940

to these rules and boxes when you go to

183

00:09:00,720 --> 00:09:00,160

work you do certain thing and that's all

184

00:09:04,410 --> 00:09:00,730

you do

185

00:09:06,210 --> 00:09:04,420

when you go you know to certain events

186

00:09:08,009 --> 00:09:06,220

this is how you behave and that's this

187

00:09:12,449 --> 00:09:08,019

is how you interactive to these people

188

00:09:14,040 --> 00:09:12,459

that way but when you're simply taken

189

00:09:14,490 --> 00:09:14,050

out of those rules out of that little

190

00:09:17,579 --> 00:09:14,500

box

191

00:09:18,990 --> 00:09:17,589

you realize this whole thing is nothing

192

00:09:20,970 --> 00:09:19,000

more than a knot

193

00:09:23,910 --> 00:09:20,980

in a way it's basically all these

194

00:09:27,000 --> 00:09:23,920

different versions of the all-that-is

195

00:09:29,400 --> 00:09:27,010

or just to simplified God having all

196

00:09:33,090 --> 00:09:29,410

these different interactions with

197

00:09:35,370 --> 00:09:33,100

yourself and basically with other beings

198

00:09:37,590 --> 00:09:35,380

that you perceive as someone outside of

199

00:09:39,480 --> 00:09:37,600

you but actually is just part of that

200

00:09:41,760 --> 00:09:39,490

other energy expressing itself is

201
00:09:44,820 --> 00:09:41,770
different in different ways as male as

202
00:09:47,070 --> 00:09:44,830
female you know an angry person a loving

203
00:09:49,560 --> 00:09:47,080
person someone with a persona

204
00:09:53,610 --> 00:09:49,570
personality on all these things so it's

205
00:09:55,830 --> 00:09:53,620
a it's a great delusion risky debt we

206
00:09:57,270 --> 00:09:55,840
walk around and we say well you over

207
00:10:00,030 --> 00:09:57,280
there you don't know what you're talking

208
00:10:02,250 --> 00:10:00,040
about you know and you over there you

209
00:10:04,230 --> 00:10:02,260
the one who did this this this to me you

210
00:10:06,720 --> 00:10:04,240
know because that's the world we've

211
00:10:09,680 --> 00:10:06,730
designed to interact with but in reality

212
00:10:12,240 --> 00:10:09,690
it's all a reflection back to you

213
00:10:15,930 --> 00:10:12,250

stating if you see something that's

214

00:10:18,060 --> 00:10:15,940

happening there are no accidents so if

215

00:10:20,910 --> 00:10:18,070

you're perceiving something it it

216

00:10:23,670 --> 00:10:20,920

happened for you at that moment to look

217

00:10:26,610 --> 00:10:23,680

at so a lot of us like to always have

218

00:10:28,620 --> 00:10:26,620

the in the sense that well this has

219

00:10:30,450 --> 00:10:28,630

nothing to do with me I'm aware of it

220

00:10:32,580 --> 00:10:30,460

but this has nothing to do with me if

221

00:10:34,860 --> 00:10:32,590

you become aware of it has everything to

222

00:10:37,200 --> 00:10:34,870

do with you you know if you hear about

223

00:10:39,900 --> 00:10:37,210

some war in this country

224

00:10:41,370 --> 00:10:39,910

that you can't even pronounce you said

225

00:10:44,040 --> 00:10:41,380

well that has nothing to do with me

226

00:10:46,860 --> 00:10:44,050

it has because the second you become

227

00:10:48,810 --> 00:10:46,870

aware of it the second you hear about it

228

00:10:50,070 --> 00:10:48,820

even even as you're passing by a

229

00:10:51,450 --> 00:10:50,080

stranger on the street and they're

230

00:10:54,090 --> 00:10:51,460

having the conversation with somebody

231

00:10:57,270 --> 00:10:54,100

else and it pops into your mindset it

232

00:10:59,550 --> 00:10:57,280

has something to do with you and so the

233

00:11:04,269 --> 00:10:59,560

challenge of this game is for you to go

234

00:11:06,040 --> 00:11:04,279

about and find out what that is because

235

00:11:08,170 --> 00:11:06,050

a lot of times when I was when I was

236

00:11:11,590 --> 00:11:08,180

younger I would have all these different

237

00:11:14,170 --> 00:11:11,600

experiences and there would happen but

238

00:11:16,600 --> 00:11:14,180

I'd say well that was just a dream

239

00:11:18,579 --> 00:11:16,610

that was just an illusion that was just

240

00:11:21,249 --> 00:11:18,589

something that has nothing to do with me

241

00:11:22,989 --> 00:11:21,259

you no one else has these experiences so

242

00:11:25,140 --> 00:11:22,999

I shouldn't be worried about those

243

00:11:29,310 --> 00:11:25,150

things and so

244

00:11:32,960 --> 00:11:29,320

it was only when I physically set out to

245

00:11:36,480 --> 00:11:32,970

learn what they're about to go after

246

00:11:38,910 --> 00:11:36,490

what was this thing that I saw why did

247

00:11:41,490 --> 00:11:38,920

this happen to me in this way only then

248

00:11:43,560 --> 00:11:41,500

did it on reveal itself and show me more

249

00:11:46,050 --> 00:11:43,570

of what it is that I needed to know and

250

00:11:49,440 --> 00:11:46,060

lead it to learn what's what was very

251

00:11:54,530 --> 00:11:49,450

interesting about perceiving reality

252

00:11:59,700 --> 00:11:56,940

this different energy has its own

253

00:12:02,610 --> 00:11:59,710

different rules and these rules work

254

00:12:05,550 --> 00:12:02,620

regardless of what you you know what you

255

00:12:07,140 --> 00:12:05,560

may apply to it you can say well this

256

00:12:11,120 --> 00:12:07,150

works because of this this works because

257

00:12:13,980 --> 00:12:11,130

of that it's like this basic underlying

258

00:12:17,190 --> 00:12:13,990

process that no matter what happens it

259

00:12:19,770 --> 00:12:17,200

will always work this way and I believe

260

00:12:21,900 --> 00:12:19,780

because of these misunderstandings over

261

00:12:24,990 --> 00:12:21,910

the years we've kind of gotten ourselves

262

00:12:27,270 --> 00:12:25,000

in trouble not with anyone out there

263

00:12:29,460 --> 00:12:27,280

just for ourselves because our society

264

00:12:32,280 --> 00:12:29,470

has become more dis coordinate not

265

00:12:36,210 --> 00:12:32,290

knowing that how these rules work and so

266

00:12:38,850 --> 00:12:36,220

for example one is particularly that

267

00:12:40,680 --> 00:12:38,860

some of you might be aware of called you

268

00:12:43,970 --> 00:12:40,690

know the law of attraction or what you

269

00:12:49,340 --> 00:12:43,980

put out is what you get back so

270

00:12:54,240 --> 00:12:49,350

that basically works quite simply you

271

00:12:56,610 --> 00:12:54,250

make a you have a head you state

272

00:12:59,820 --> 00:12:56,620

basically what it is that you want you

273

00:13:04,440 --> 00:12:59,830

put it out and you let it go right and

274

00:13:06,840 --> 00:13:04,450

so the thing is that because of who you

275

00:13:09,030 --> 00:13:06,850

are all these things that that you

276

00:13:12,840 --> 00:13:09,040

basically put out will be attracted to

277

00:13:14,700 --> 00:13:12,850

you so si after all my experiences I

278

00:13:17,820 --> 00:13:14,710

came back here and I was looking at more

279

00:13:19,620 --> 00:13:17,830

things I grew up originally in the in

280

00:13:22,019 --> 00:13:19,630

the Muslim religion I have given it up

281

00:13:24,480 --> 00:13:22,029

since I was fifteen I realized it's not

282

00:13:25,769 --> 00:13:24,490

working for me but I didn't just give it

283

00:13:28,260 --> 00:13:25,779

up and say I don't want to have anything

284

00:13:29,790 --> 00:13:28,270

to do with it I studied it studied

285

00:13:32,100 --> 00:13:29,800

Christianity Buddhism all these

286

00:13:34,470 --> 00:13:32,110

different things just for myself and I

287

00:13:37,500 --> 00:13:34,480

click and realize that's all we were

288

00:13:39,030 --> 00:13:37,510

doing all the time but all we do every

289

00:13:40,950 --> 00:13:39,040

you know every night whenever it is

290

00:13:44,610 --> 00:13:40,960

whenever we sit down or wherever we

291

00:13:45,900 --> 00:13:44,620

would sit there oh Allah oh Jesus or or

292

00:13:47,940 --> 00:13:45,910

these different whichever you know

293

00:13:50,700 --> 00:13:47,950

whichever one Krishna all these

294

00:13:54,270 --> 00:13:50,710

different religious religions we have an

295

00:13:56,550 --> 00:13:54,280

intent we put out what we want and we

296

00:13:59,070 --> 00:13:56,560

trust that God will take care of it and

297

00:14:01,440 --> 00:13:59,080

then so I sat there and realized well

298

00:14:04,620 --> 00:14:01,450

it's exactly how the system works it's

299

00:14:08,280 --> 00:14:04,630

just that we apply an image to this

300

00:14:10,050 --> 00:14:08,290

functionality that works by itself so I

301
00:14:11,940 --> 00:14:10,060
don't mean to sound insulting but when

302
00:14:15,510 --> 00:14:11,950
you really think about it I could say

303
00:14:18,300 --> 00:14:15,520
this podium you know or their podium

304
00:14:22,079 --> 00:14:18,310
please give me a car and have my intent

305
00:14:24,390 --> 00:14:22,089
I put it out and I let it go and when

306
00:14:26,310 --> 00:14:24,400
through circumstances things happen you

307
00:14:28,199 --> 00:14:26,320
know and I get a new car I'll go thank

308
00:14:32,820 --> 00:14:28,209
you podium I really appreciated you know

309
00:14:35,190 --> 00:14:32,830
and so you basically you basically if

310
00:14:37,949 --> 00:14:35,200
you don't have that guidance that energy

311
00:14:40,620 --> 00:14:37,959
can be basically put into anything you

312
00:14:42,540 --> 00:14:40,630
want so over the times we've gotten

313
00:14:44,420 --> 00:14:42,550

ourselves like I said in trouble with

314

00:14:47,460 --> 00:14:44,430

all these different religions and that

315

00:14:49,380 --> 00:14:47,470

well when you ask Allah when you ask

316

00:14:52,380 --> 00:14:49,390

Jesus when you ask any of these other

317

00:14:55,260 --> 00:14:52,390

deities not that they're not valid and

318

00:14:57,240 --> 00:14:55,270

on right but something comes back we

319

00:14:59,220 --> 00:14:57,250

would say ah that's my proof that they

320

00:15:04,220 --> 00:14:59,230

exist that's my proof that this works

321

00:15:07,530 --> 00:15:04,230

and so that's one of the aspects that

322

00:15:11,160 --> 00:15:07,540

that was shown to me kind of being

323

00:15:14,030 --> 00:15:11,170

outside of this little bubble and so to

324

00:15:17,460 --> 00:15:14,040

tie this back in into two aliens

325

00:15:19,860 --> 00:15:17,470

so because of what we put out is what we

326

00:15:20,400 --> 00:15:19,870

get back we put an out energy all the

327

00:15:23,820 --> 00:15:20,410

time

328

00:15:26,220 --> 00:15:23,830

who you are is constantly being

329

00:15:28,230 --> 00:15:26,230

projected and all the things that mesh

330

00:15:30,570 --> 00:15:28,240

with you are constantly trying to get to

331

00:15:33,540 --> 00:15:30,580

you but we do a really good job of

332

00:15:36,510 --> 00:15:33,550

keeping them away saying well I'm not

333

00:15:39,060 --> 00:15:36,520

ready for this yet or doing things to

334

00:15:42,060 --> 00:15:39,070

basically sabotage ourselves

335

00:15:44,069 --> 00:15:42,070

and so when it comes to aliens and in

336

00:15:47,460 --> 00:15:44,079

contact it was actually very amusing

337

00:15:49,680 --> 00:15:47,470

that in the movies we depict them as

338

00:15:52,590 --> 00:15:49,690

these two-headed eight-legged monsters

339

00:15:55,630 --> 00:15:52,600

they're coming to destroy the planet and

340

00:15:57,280 --> 00:15:55,640

take of our resources and

341

00:15:59,050 --> 00:15:57,290

and to stay at understanding what I

342

00:16:02,590 --> 00:15:59,060

understood of our law of attraction is

343

00:16:06,460 --> 00:16:02,600

that it was very very music amusing

344

00:16:08,800 --> 00:16:06,470

thought or an amusing amusing concept

345

00:16:12,670 --> 00:16:08,810

that we society are exploring is that

346

00:16:15,550 --> 00:16:12,680

well naturally for who we are putting

347

00:16:17,500 --> 00:16:15,560

that out we will be attracting the type

348

00:16:22,329 --> 00:16:17,510

of extraterrestrial beings that will be

349

00:16:25,210 --> 00:16:22,339

closer to us looking similar to us so

350

00:16:27,970 --> 00:16:25,220

that for one will help us better

351
00:16:31,569 --> 00:16:27,980
understand how to move on and make that

352
00:16:34,300 --> 00:16:31,579
transition to this point into their type

353
00:16:38,250 --> 00:16:34,310
of society and technological

354
00:16:41,259 --> 00:16:38,260
advancements and things like that and so

355
00:16:44,889 --> 00:16:41,269
yeah it was it was very it was funny to

356
00:16:47,380 --> 00:16:44,899
me how then over the oldest years who

357
00:16:50,500 --> 00:16:47,390
have constantly have applied a fear

358
00:16:52,930 --> 00:16:50,510
mechanism that extraterrestrial contact

359
00:16:54,940 --> 00:16:52,940
is something that is something that's

360
00:17:00,759 --> 00:16:54,950
always and only going to be detrimental

361
00:17:03,910 --> 00:17:00,769
to us and so I think that the bee

362
00:17:06,309 --> 00:17:03,920
summons up a basic concept about just

363
00:17:08,079 --> 00:17:06,319

one aspect of what I experienced so I

364

00:17:09,669 --> 00:17:08,089

actually just would like to leave it

365

00:17:11,429 --> 00:17:09,679

open to whatever you like to ask me

366

00:17:14,110 --> 00:17:11,439

whatever questions you have regarding

367

00:17:15,610 --> 00:17:14,120

what I said regarding something

368

00:17:18,159 --> 00:17:15,620

something else that you might have in

369

00:17:21,189 --> 00:17:18,169

mind and I just want to let you know

370

00:17:23,289 --> 00:17:21,199

that whatever answer I give you is based

371

00:17:25,000 --> 00:17:23,299

on my own experience I know you might

372

00:17:28,630 --> 00:17:25,010

have some information you might have

373

00:17:29,799 --> 00:17:28,640

read somewhere else or seen and whatever

374

00:17:31,600 --> 00:17:29,809

it is you're talking about if it

375

00:17:34,720 --> 00:17:31,610

correlates with me you know we could

376

00:17:37,630 --> 00:17:34,730

probably talk about it but I do not wish

377

00:17:39,400 --> 00:17:37,640

to go into areas that are not of my

378

00:17:41,049 --> 00:17:39,410

understanding so that if I give you an

379

00:17:43,210 --> 00:17:41,059

answer I'm giving it to you straight

380

00:17:44,250 --> 00:17:43,220

from my experience so just letting you

381

00:17:47,020 --> 00:17:44,260

know ahead of time

382

00:17:53,590 --> 00:17:47,030

go ahead

383

00:17:58,860 --> 00:17:53,600

oh sure she was saying do you mind

384

00:18:02,980 --> 00:17:58,870

talking about you and EE well when I

385

00:18:03,430 --> 00:18:02,990

during my studies I was came across the

386

00:18:10,930 --> 00:18:03,440

channel

387

00:18:14,080 --> 00:18:10,940

they claim to be one of the five hybrid

388

00:18:16,780 --> 00:18:14,090

racers that were the there were the

389

00:18:19,360 --> 00:18:16,790

result of this hybridization program

390

00:18:22,000 --> 00:18:19,370

that we've been hearing about new aliens

391

00:18:26,050 --> 00:18:22,010

and whatever goes on on their ships well

392

00:18:27,580 --> 00:18:26,060

actually that was a full program that I

393

00:18:30,880 --> 00:18:27,590

don't know if it's still going on or if

394

00:18:31,810 --> 00:18:30,890

it if it's if it completed but just

395

00:18:36,190 --> 00:18:31,820

giving you a little background about

396

00:18:37,960 --> 00:18:36,200

them so I was listening to what they had

397

00:18:40,480 --> 00:18:37,970

to say and they were talking about

398

00:18:43,840 --> 00:18:40,490

beliefs and they were talking about

399

00:18:47,560 --> 00:18:43,850

beliefs and how how important they are

400

00:18:49,990 --> 00:18:47,570

to us and how rigid they are and so he

401
00:18:52,180 --> 00:18:50,000
was talking about that change you

402
00:18:54,190 --> 00:18:52,190
believe about something and the way you

403
00:18:57,340 --> 00:18:54,200
look at it and your perception about

404
00:19:00,400 --> 00:18:57,350
that thing will now be different and so

405
00:19:03,010 --> 00:19:00,410
I was doing that for everything I mean I

406
00:19:06,550 --> 00:19:03,020
was looking at the friendships I had in

407
00:19:08,820 --> 00:19:06,560
the relationships work all these other

408
00:19:13,240 --> 00:19:08,830
things and also when it came to

409
00:19:15,250 --> 00:19:13,250
psychedelics and so here I was I was

410
00:19:17,500 --> 00:19:15,260
constantly saying well psychedelics are

411
00:19:21,940 --> 00:19:17,510
bad and blah blah blah and I stopped I

412
00:19:24,190 --> 00:19:21,950
said why you know and so I basically set

413
00:19:27,010 --> 00:19:24,200

out that was in my previous videos I

414

00:19:28,960 --> 00:19:27,020

talked about how I set out to learn what

415

00:19:30,400 --> 00:19:28,970

I could on these different things to see

416

00:19:33,730 --> 00:19:30,410

what I will get out of it

417

00:19:35,080 --> 00:19:33,740

well the NDE happened by me basically I

418

00:19:39,220 --> 00:19:35,090

guess for lack of a better word

419

00:19:40,840 --> 00:19:39,230

overdosing and it wasn't it was all

420

00:19:43,180 --> 00:19:40,850

later on I saw there was all

421

00:19:45,340 --> 00:19:43,190

orchestrated from the get-go to happen

422

00:19:48,070 --> 00:19:45,350

in that way but

423

00:19:51,820 --> 00:19:48,080

what happened initially was that I took

424

00:19:53,919 --> 00:19:51,830

too much of these sat there the grown in

425

00:19:56,770 --> 00:19:53,929

South America there they called the

426

00:19:58,150 --> 00:19:56,780

Hawaiian baby Woodrow seats and you

427

00:20:00,370 --> 00:19:58,160

supposed to just they look like coffee

428

00:20:03,850 --> 00:20:00,380

beans you supposed to take one you know

429

00:20:07,419 --> 00:20:03,860

for for an experience I took like 15 12

430

00:20:09,730 --> 00:20:07,429

of them you know and to a certain extent

431

00:20:11,770 --> 00:20:09,740

it's it can be too much for the body the

432

00:20:13,720 --> 00:20:11,780

same way that you have water you know

433

00:20:16,330 --> 00:20:13,730

you can you know drink too much water

434

00:20:19,029 --> 00:20:16,340

you drowned you know you have too much

435

00:20:22,419 --> 00:20:19,039

of anything eventually it will be

436

00:20:25,060 --> 00:20:22,429

harmful to you well unbeknownst to me

437

00:20:26,289 --> 00:20:25,070

not knowing that I just thought well too

438

00:20:30,279 --> 00:20:26,299

much of it would just give me even

439

00:20:32,560 --> 00:20:30,289

better experience and so I quickly you

440

00:20:34,659 --> 00:20:32,570

know after this after I ingested it for

441

00:20:36,190 --> 00:20:34,669

about two hours nothing was going on so

442

00:20:39,220 --> 00:20:36,200

I just give it a rest I thought

443

00:20:42,909 --> 00:20:39,230

everything was done and I was I happened

444

00:20:45,940 --> 00:20:42,919

to get up and I just felt this change in

445

00:20:50,200 --> 00:20:45,950

my heart to where of the sudden my body

446

00:20:52,360 --> 00:20:50,210

started to weaken and so I've known for

447

00:20:55,000 --> 00:20:52,370

previously that some of the general side

448

00:20:56,770 --> 00:20:55,010

effects of psychedelics would be you

449

00:20:59,620 --> 00:20:56,780

know paranoia and you might you know

450

00:21:02,799 --> 00:20:59,630

vomit and things like that but this was

451
00:21:04,390 --> 00:21:02,809
different and so as I went on I was like

452
00:21:06,159 --> 00:21:04,400
oh it will be fine everything will be

453
00:21:08,340 --> 00:21:06,169
okay so I went and drank some water

454
00:21:11,710 --> 00:21:08,350
while my body started getting weaker and

455
00:21:16,630 --> 00:21:11,720
weaker and weaker and then I hit a state

456
00:21:19,630 --> 00:21:16,640
to where I can only describe as will you

457
00:21:22,149 --> 00:21:19,640
just know no matter no matter what you

458
00:21:24,880 --> 00:21:22,159
think you might explain it away you know

459
00:21:27,789 --> 00:21:24,890
you're going to die it's it's a very

460
00:21:30,070 --> 00:21:27,799
distinct feeling that this says you've

461
00:21:32,289 --> 00:21:30,080
done something that you will be that

462
00:21:34,510 --> 00:21:32,299
you're going to leave this body and so I

463
00:21:36,279 --> 00:21:34,520

started freaking out and a lot of these

464

00:21:37,840 --> 00:21:36,289

things were just you know I was trying

465

00:21:39,610 --> 00:21:37,850

to get out of it I drank a lot of water

466

00:21:42,159 --> 00:21:39,620

I tried puking it out trying to cleanse

467

00:21:43,960 --> 00:21:42,169

myself from it but there was this I

468

00:21:46,630 --> 00:21:43,970

wouldn't say a voice but more of a

469

00:21:50,230 --> 00:21:46,640

feeling but it just it felt like it was

470

00:21:52,810 --> 00:21:50,240

coming from outside of me just saying

471

00:21:54,940 --> 00:21:52,820

there's no getting out of this and so I

472

00:21:56,830 --> 00:21:54,950

was pacing around my room I was trying

473

00:21:59,320 --> 00:21:56,840

to slap myself in the face like you know

474

00:22:01,300 --> 00:21:59,330

just trying to keep my body active and

475

00:22:03,310 --> 00:22:01,310

moving my fingers because the second I

476

00:22:05,860 --> 00:22:03,320

stopped being still

477

00:22:08,290 --> 00:22:05,870

it would also sink in and the delight

478

00:22:10,450 --> 00:22:08,300

would just slowly kind of fade away and

479

00:22:13,270 --> 00:22:10,460

it's it was for the body at that time

480

00:22:16,180 --> 00:22:13,280

there was a very fearful experience you

481

00:22:22,120 --> 00:22:16,190

know because you know it's at the time I

482

00:22:24,160 --> 00:22:22,130

was 20 29 29 so and I was like I have so

483

00:22:26,860 --> 00:22:24,170

much do I don't want to die you know all

484

00:22:29,410 --> 00:22:26,870

these things will come into my mind and

485

00:22:32,230 --> 00:22:29,420

basically as I as I laid there just

486

00:22:35,230 --> 00:22:32,240

gasping for air and I was just holding

487

00:22:37,120 --> 00:22:35,240

on do the best I could I just heard this

488

00:22:38,770 --> 00:22:37,130

voice saying you're gonna voice saying

489

00:22:39,280 --> 00:22:38,780

you're gonna die but you're not gonna

490

00:22:45,820 --> 00:22:39,290

die

491

00:22:48,100 --> 00:22:45,830

over and over again and so basically

492

00:22:51,490 --> 00:22:48,110

with I was holding on holding on and I

493

00:22:54,730 --> 00:22:51,500

took became my last breath and as one as

494

00:22:57,360 --> 00:22:54,740

I just kind of breath out I was out you

495

00:22:59,180 --> 00:22:57,370

know and

496

00:23:02,160 --> 00:22:59,190

it's not something that obviously

497

00:23:06,090 --> 00:23:02,170

expected I can't say that anyone really

498

00:23:09,930 --> 00:23:06,100

expects what happens afterwards but one

499

00:23:13,140 --> 00:23:09,940

of the first things is that I saw my

500

00:23:15,300 --> 00:23:13,150

parents now this is the part that was

501
00:23:15,780 --> 00:23:15,310
confusing me even afterwards they're not

502
00:23:18,690 --> 00:23:15,790
dead

503
00:23:21,570 --> 00:23:18,700
the young 50 year olds you know and

504
00:23:24,330 --> 00:23:21,580
still very active living their lives but

505
00:23:28,530 --> 00:23:24,340
they were very young maybe in their 20s

506
00:23:31,410 --> 00:23:28,540
my mom and my dad and so for a second

507
00:23:33,000 --> 00:23:31,420
there I immediately I wasn't walking it

508
00:23:35,190 --> 00:23:33,010
was just kind of floating towards them

509
00:23:37,140 --> 00:23:35,200
and I just kind of hugged him I never

510
00:23:40,020 --> 00:23:37,150
question like why are you glowing blue

511
00:23:42,030 --> 00:23:40,030
you know and things like that but it was

512
00:23:43,850 --> 00:23:42,040
just something that I went towards him

513
00:23:46,320 --> 00:23:43,860

and I hugged them and it was just this

514

00:23:49,500 --> 00:23:46,330

connection and love that I just can't

515

00:23:51,750 --> 00:23:49,510

describe I mean take the love you had

516

00:23:53,910 --> 00:23:51,760

for a person you know and multiply that

517

00:23:57,380 --> 00:23:53,920

by a thousand you know and it's it's

518

00:24:02,120 --> 00:23:57,390

just this unguarded full love you have

519

00:24:05,670 --> 00:24:02,130

excuse me well so what happened then was

520

00:24:07,620 --> 00:24:05,680

as I was trying to like hold on a minute

521

00:24:11,670 --> 00:24:07,630

you're not dead to why I here I

522

00:24:14,370 --> 00:24:11,680

immediately got in a memory that came

523

00:24:16,380 --> 00:24:14,380

back and basically it was it was the

524

00:24:19,800 --> 00:24:16,390

weirdest thing for me to remember this

525

00:24:23,670 --> 00:24:19,810

and an agreement that I made with them

526
00:24:26,490 --> 00:24:23,680
to be my parents and I actually begged

527
00:24:29,630 --> 00:24:26,500
him I begged them I said please be my

528
00:24:32,880 --> 00:24:29,640
parents in this way because in real life

529
00:24:35,580 --> 00:24:32,890
I know in America a lot of people have

530
00:24:36,930 --> 00:24:35,590
their definitions and views on abuse but

531
00:24:40,200 --> 00:24:36,940
in other countries that's just how you

532
00:24:42,660 --> 00:24:40,210
raise children you know so anything you

533
00:24:44,550 --> 00:24:42,670
do you get the hell beat out of you you

534
00:24:47,400 --> 00:24:44,560
know whatever it is I do I get smacked

535
00:24:49,650 --> 00:24:47,410
over the face beaten by whatever objects

536
00:24:51,510 --> 00:24:49,660
around me just to get me to be this good

537
00:24:55,950 --> 00:24:51,520
child and do all these other things

538
00:24:58,770 --> 00:24:55,960

well us spirit nor yourselves very well

539

00:25:01,560 --> 00:24:58,780

very well and you know exactly what you

540

00:25:02,250 --> 00:25:01,570

need or in this life to become who you

541

00:25:06,030 --> 00:25:02,260

can become

542

00:25:09,210 --> 00:25:06,040

so I begged them to be these people to

543

00:25:10,470 --> 00:25:09,220

be this constant wall I need to head

544

00:25:14,279 --> 00:25:10,480

against be

545

00:25:18,090 --> 00:25:14,289

it kind of bounced me back and forth to

546

00:25:19,680 --> 00:25:18,100

get to this point because by going

547

00:25:23,789 --> 00:25:19,690

through what I went through with them

548

00:25:27,330 --> 00:25:23,799

it made me emotionally stronger it made

549

00:25:29,310 --> 00:25:27,340

gave me an incredible skill to deal with

550

00:25:32,580 --> 00:25:29,320

other people that are abusive you know

551
00:25:35,460 --> 00:25:32,590
and and a hundred different things that

552
00:25:37,379 --> 00:25:35,470
resulted from that experience now I

553
00:25:39,479 --> 00:25:37,389
can't expect everyone to understand this

554
00:25:41,669 --> 00:25:39,489
part but that's just what happened to me

555
00:25:44,849 --> 00:25:41,679
that the recollection that I had why it

556
00:25:49,169 --> 00:25:44,859
is that I set out to have this agreement

557
00:25:51,840 --> 00:25:49,179
with them and so and so I said alright

558
00:25:57,479 --> 00:25:51,850
well then it's changed from that scene

559
00:26:00,659 --> 00:25:57,489
to a different scene which was my

560
00:26:02,759 --> 00:26:00,669
ex-girlfriend at that time it was the

561
00:26:04,409 --> 00:26:02,769
scene that I remember very well she was

562
00:26:06,599 --> 00:26:04,419
standing by a car I'm standing here and

563
00:26:09,090 --> 00:26:06,609

we're kind of like I'm angry I'm having

564

00:26:11,159 --> 00:26:09,100

arms crossed and she's like you know

565

00:26:12,840 --> 00:26:11,169

yelling at me why did you do this you

566

00:26:15,659 --> 00:26:12,850

know and all these other things and I'm

567

00:26:18,149 --> 00:26:15,669

kind of hovering like a like a fly

568

00:26:21,299 --> 00:26:18,159

around the scene and I know it well and

569

00:26:22,680 --> 00:26:21,309

so as I'm looking to see like oh what's

570

00:26:24,930 --> 00:26:22,690

gonna happen who's gonna win this

571

00:26:27,389 --> 00:26:24,940

argument that type of thing I looked

572

00:26:28,889 --> 00:26:27,399

over and as she's going like yelling and

573

00:26:31,649 --> 00:26:28,899

talking about stuff she just stopped

574

00:26:34,710 --> 00:26:31,659

looked over at me and went winked and

575

00:26:36,869 --> 00:26:34,720

then she continued talking and as that

576

00:26:40,200 --> 00:26:36,879

was happening I basically just got this

577

00:26:42,720 --> 00:26:40,210

download of information she says we are

578

00:26:45,810 --> 00:26:42,730

all always aware of what the other

579

00:26:48,330 --> 00:26:45,820

person needs and so we're there to push

580

00:26:50,519 --> 00:26:48,340

each other's buttons to do these

581

00:26:53,159 --> 00:26:50,529

different things that we might like or

582

00:26:56,879 --> 00:26:53,169

might not like in life but eventually

583

00:27:00,330 --> 00:26:56,889

there's there's no evil so to say each

584

00:27:03,060 --> 00:27:00,340

person is playing their part as the low

585

00:27:05,849 --> 00:27:03,070

speck of God that they are basically to

586

00:27:08,340 --> 00:27:05,859

reflect to itself something else so by

587

00:27:10,289 --> 00:27:08,350

me acting up the way I did I reflected

588

00:27:11,729 --> 00:27:10,299

something to her but her acting up the

589

00:27:14,279 --> 00:27:11,739

way she did should reflected something

590

00:27:16,529 --> 00:27:14,289

back to me and so we do that in every

591

00:27:20,049 --> 00:27:16,539

relationship and in every interaction we

592

00:27:23,480 --> 00:27:20,059

have ever had in our entire lives and so

593

00:27:26,870 --> 00:27:23,490

that's just one or two examples of of

594

00:27:29,030 --> 00:27:26,880

many many more that there were a bit

595

00:27:30,770 --> 00:27:29,040

more mind twisting to me and had to

596

00:27:33,650 --> 00:27:30,780

basically when I came back kind of chew

597

00:27:36,110 --> 00:27:33,660

on and try to figure out but I hope that

598

00:27:37,669 --> 00:27:36,120

kind of explains your question I gave

599

00:27:39,020 --> 00:27:37,679

you a little background of how I got

600

00:27:48,740 --> 00:27:39,030

there instead of just getting to the

601
00:27:50,510 --> 00:27:48,750
point so anyone else any questions well

602
00:27:55,730 --> 00:27:50,520
do you guys want me to keep talking for

603
00:27:57,710 --> 00:27:55,740
another 20 minutes okay well I mean it's

604
00:27:59,060 --> 00:27:57,720
very broad subject whose so I'm not

605
00:28:00,620 --> 00:27:59,070
trying to put any more in spot is there

606
00:28:03,260 --> 00:28:00,630
any specific thing you would like me to

607
00:28:07,810 --> 00:28:03,270
cover because whatever you might come up

608
00:28:12,620 --> 00:28:10,430
okay well then in for the sake of this

609
00:28:14,780 --> 00:28:12,630
conference because it's we're recovering

610
00:28:16,570 --> 00:28:14,790
ghosts we're covering aliens recovering

611
00:28:18,080 --> 00:28:16,580
Bigfoot and all these different things

612
00:28:19,909 --> 00:28:18,090
let me think

613
00:28:24,770 --> 00:28:19,919

get into that and what it is that I

614

00:28:28,120 --> 00:28:24,780

learned regarding that all these

615

00:28:30,940 --> 00:28:28,130

different things that we perceive as

616

00:28:35,030 --> 00:28:30,950

UFOs Bigfoot

617

00:28:36,950 --> 00:28:35,040

cryptozoology Chupacabra ghosts all

618

00:28:42,020 --> 00:28:36,960

these different things they're all

619

00:28:44,630 --> 00:28:42,030

basically aspects of you interacting on

620

00:28:47,810 --> 00:28:44,640

a different dimensional level that are

621

00:28:51,350 --> 00:28:47,820

basically happening to you at whatever

622

00:28:55,370 --> 00:28:51,360

point to get you to understand something

623

00:28:57,230 --> 00:28:55,380

more about yourself so let's say you are

624

00:28:59,299 --> 00:28:57,240

at the lamp mansion you just taking a

625

00:29:02,270 --> 00:28:59,309

tour and all of a sudden you look over

626

00:29:04,370 --> 00:29:02,280

and there's a lady dressed all in old

627

00:29:05,990 --> 00:29:04,380

fashioned clothing and whatnot then you

628

00:29:07,669 --> 00:29:06,000

turn around and go with me that looks

629

00:29:12,460 --> 00:29:07,679

odd out of place you look over and she's

630

00:29:15,620 --> 00:29:12,470

gone you know you might be camping and

631

00:29:17,539 --> 00:29:15,630

you're in in your tent and all of the

632

00:29:19,340 --> 00:29:17,549

sudden you just see this groan and you

633

00:29:22,190 --> 00:29:19,350

think it's some kind of animal I got to

634

00:29:24,470 --> 00:29:22,200

get out you know you know protect where

635

00:29:25,970 --> 00:29:24,480

it's around and yourself maybe you come

636

00:29:29,390 --> 00:29:25,980

out and there's eight-foot Bigfoot

637

00:29:32,360 --> 00:29:29,400

standing standing in front of you

638

00:29:35,480 --> 00:29:32,370

all these things have initially just

639

00:29:39,830 --> 00:29:35,490

perceived us there's a threat I need to

640

00:29:41,270 --> 00:29:39,840

deal with it so you know you have and no

641

00:29:43,520 --> 00:29:41,280

I don't mean in your fence by it to

642

00:29:45,560 --> 00:29:43,530

anyone when I say this you have you know

643

00:29:48,200 --> 00:29:45,570

people go well let's have Bigfoot

644

00:29:49,640 --> 00:29:48,210

hunters or you are for hunters and we're

645

00:29:51,470 --> 00:29:49,650

gonna get to the bottom of this and

646

00:29:53,210 --> 00:29:51,480

things like that and there's nothing

647

00:29:55,580 --> 00:29:53,220

wrong with that you can go about that

648

00:29:57,500 --> 00:29:55,590

process because on your level of

649

00:30:00,290 --> 00:29:57,510

understanding that's what you feel like

650

00:30:03,020 --> 00:30:00,300

you have to do but just to save you a

651
00:30:04,730 --> 00:30:03,030
little bit of time it's that if you

652
00:30:07,940 --> 00:30:04,740
understand that to all different aspects

653
00:30:09,950 --> 00:30:07,950
of yourself that have occurred to you in

654
00:30:11,620 --> 00:30:09,960
your life at that moment that means

655
00:30:14,890 --> 00:30:11,630
they're there to tell you something

656
00:30:19,790 --> 00:30:14,900
whatever that is you have to pursue it I

657
00:30:24,020 --> 00:30:19,800
didn't know that when I was 11 and I had

658
00:30:27,020 --> 00:30:24,030
this this experience to where I thought

659
00:30:29,240 --> 00:30:27,030
I was going going to sleep and the next

660
00:30:31,070 --> 00:30:29,250
thing I know I found myself you know on

661
00:30:33,620 --> 00:30:31,080
this table with all these different

662
00:30:35,480 --> 00:30:33,630
being surrounded kind of I was trying to

663
00:30:37,610 --> 00:30:35,490

kind of focus to figure out what's going

664

00:30:40,400 --> 00:30:37,620

on because it was a mighty vision to me

665

00:30:42,140 --> 00:30:40,410

and as I focused on that one of the

666

00:30:44,090 --> 00:30:42,150

beings turned around and saw me because

667

00:30:48,260 --> 00:30:44,100

I guess I focused hard enough to where I

668

00:30:49,790 --> 00:30:48,270

got its attention and it it had a not

669

00:30:51,770 --> 00:30:49,800

what you would expect you would think

670

00:30:54,110 --> 00:30:51,780

it's little aliens but not to my

671

00:30:59,090 --> 00:30:54,120

perception at that time there were more

672

00:31:02,600 --> 00:30:59,100

like maybe two foot tall frog like faces

673

00:31:04,580 --> 00:31:02,610

that one of them kind of ran over if you

674

00:31:07,700 --> 00:31:04,590

ever seen the small person run because

675

00:31:10,250 --> 00:31:07,710

the stride is is not that long they have

676

00:31:12,110 --> 00:31:10,260

to kind of hop to get you quickly and so

677

00:31:14,570 --> 00:31:12,120

he was having holding it like a king's

678

00:31:18,320 --> 00:31:14,580

scepter that hit me right in my forehead

679

00:31:20,480 --> 00:31:18,330

and I woke up now of course I could have

680

00:31:23,150 --> 00:31:20,490

easily dismissed that s just a dream so

681

00:31:25,160 --> 00:31:23,160

I'm crazy and just leave it be but there

682

00:31:27,530 --> 00:31:25,170

was something that constantly kept

683

00:31:30,320 --> 00:31:27,540

bugging me constantly was in my mind and

684

00:31:32,900 --> 00:31:30,330

it was that seed initially planted for

685

00:31:35,450 --> 00:31:32,910

me to be here today now of course

686

00:31:38,120 --> 00:31:35,460

there's thousands of other experiences

687

00:31:40,820 --> 00:31:38,130

but the point was that very thing that

688

00:31:43,170 --> 00:31:40,830

has happened whether it be a Bigfoot

689

00:31:45,300 --> 00:31:43,180

a UFO a ghost

690

00:31:48,510 --> 00:31:45,310

all of this is there for you to finally

691

00:31:50,970 --> 00:31:48,520

start going into that direction now that

692

00:31:52,770 --> 00:31:50,980

direction could simply be as far as

693

00:31:54,660 --> 00:31:52,780

reading a book about ghosts

694

00:31:57,060 --> 00:31:54,670

and that's maybe that's all you'll ever

695

00:32:01,050 --> 00:31:57,070

do in your life or you become so

696

00:32:04,440 --> 00:32:01,060

obsessed and such avid researcher I

697

00:32:10,710 --> 00:32:04,450

guess to truly go about figuring out

698

00:32:14,430 --> 00:32:10,720

what all that was so anyway so when you

699

00:32:16,530 --> 00:32:14,440

at anytime you have something weird like

700

00:32:18,960 --> 00:32:16,540

that happened to you just understand

701
00:32:22,010 --> 00:32:18,970
that this is different frequency levels

702
00:32:24,930 --> 00:32:22,020
like the example of ice water and steam

703
00:32:27,360 --> 00:32:24,940
they're all within this reality but we

704
00:32:30,390 --> 00:32:27,370
perceive him in different ways and so

705
00:32:32,730 --> 00:32:30,400
that's just one spectrum and so your

706
00:32:35,670 --> 00:32:32,740
eyes are designed to keep you level in

707
00:32:38,070 --> 00:32:35,680
this spectrum it's from this to that

708
00:32:40,410 --> 00:32:38,080
these are all the colors you know from

709
00:32:43,110 --> 00:32:40,420
this to that this is all that's physical

710
00:32:45,600 --> 00:32:43,120
this is all you know that's non-physical

711
00:32:50,790 --> 00:32:45,610
you know gases atoms all these other

712
00:32:52,740 --> 00:32:50,800
things so so try try to kind of see it

713
00:32:55,980 --> 00:32:52,750

from that perspective that it's there

714

00:32:57,360 --> 00:32:55,990

just to tell you that something happens

715

00:32:59,610 --> 00:32:57,370

you know you don't necessarily

716

00:33:04,950 --> 00:32:59,620

immediately have to grab a camera or get

717

00:33:06,390 --> 00:33:04,960

your other gear with you and going out

718

00:33:08,220 --> 00:33:06,400

there and trying to measure this trying

719

00:33:12,570 --> 00:33:08,230

to measure that try to understand it's

720

00:33:15,750 --> 00:33:12,580

about you and so something silly but try

721

00:33:19,200 --> 00:33:15,760

for example meditating you want to go

722

00:33:22,710 --> 00:33:19,210

and let's say go investigate someplace

723

00:33:26,220 --> 00:33:22,720

try to meditate to calm yourself to get

724

00:33:29,730 --> 00:33:26,230

yourself in a certain calm level calm

725

00:33:31,860 --> 00:33:29,740

state because that then allows you to if

726

00:33:33,930 --> 00:33:31,870

there's any kind of energy around that

727

00:33:35,970 --> 00:33:33,940

is slightly different to adapt to it

728

00:33:38,760 --> 00:33:35,980

which then will help your eyes work

729

00:33:42,090 --> 00:33:38,770

better to perceive a ghost or whatever

730

00:33:43,770 --> 00:33:42,100

else might be out there otherwise most

731

00:33:46,080 --> 00:33:43,780

of you know this if you go there and

732

00:33:48,290 --> 00:33:46,090

you're kind of closed off most of people

733

00:33:51,210 --> 00:33:48,300

have always just felt a very strong

734

00:33:52,650 --> 00:33:51,220

chill down their spine like I got

735

00:33:54,390 --> 00:33:52,660

freaked out I didn't want to go down

736

00:33:57,030 --> 00:33:54,400

this hall I just knew something was

737

00:33:59,040 --> 00:33:57,040

there well that's your body's

738

00:34:02,940 --> 00:33:59,050

reaction to this different shift in

739

00:34:06,540 --> 00:34:02,950

energies I've done it often enough many

740

00:34:08,250 --> 00:34:06,550

times over to realize that really when

741

00:34:10,620 --> 00:34:08,260

you really comes down to it that's all

742

00:34:13,890 --> 00:34:10,630

it is is that there's a different energy

743

00:34:15,990 --> 00:34:13,900

different from you and so instead of you

744

00:34:18,060 --> 00:34:16,000

calming down and adjusting so that you

745

00:34:19,770 --> 00:34:18,070

can receive it better we immediately

746

00:34:21,120 --> 00:34:19,780

freaked out because it's so different

747

00:34:24,570 --> 00:34:21,130

you know and then we just turn around

748

00:34:26,370 --> 00:34:24,580

and run you know so I'm not judging

749

00:34:28,770 --> 00:34:26,380

anybody but I'm just explaining it that

750

00:34:30,900 --> 00:34:28,780

we've done it often enough now we just

751

00:34:35,940 --> 00:34:30,910

recommend to do these different things

752

00:34:39,030 --> 00:34:35,950

in that in that way do you have any

753

00:34:48,510 --> 00:34:39,040

other questions maybe anything in my job

754

00:34:52,050 --> 00:34:48,520

doctor memory okay 15 more minutes when

755

00:34:54,930 --> 00:34:52,060

I was regarding UFOs and what I've just

756

00:34:56,580 --> 00:34:54,940

explained they have this different

757

00:35:00,600 --> 00:34:56,590

energy and this different level of

758

00:35:02,610 --> 00:35:00,610

existence so naturally because of what I

759

00:35:04,050 --> 00:35:02,620

explained to you earlier with my parents

760

00:35:06,150 --> 00:35:04,060

understanding that we all have an

761

00:35:08,460 --> 00:35:06,160

agreement have agreements and things

762

00:35:12,150 --> 00:35:08,470

that we play out that's what we're doing

763

00:35:14,040 --> 00:35:12,160

worldwide and so we all have these

764

00:35:16,380 --> 00:35:14,050

different games that have to be played

765

00:35:19,290 --> 00:35:16,390

out for some people it might take him

766

00:35:21,650 --> 00:35:19,300

ten years five years or even their whole

767

00:35:24,210 --> 00:35:21,660

lifetime to play out the certain certain

768

00:35:27,570 --> 00:35:24,220

event or path that they have in their

769

00:35:29,990 --> 00:35:27,580

lives and so these different beings that

770

00:35:32,730 --> 00:35:30,000

own these different vibrational levels

771

00:35:34,890 --> 00:35:32,740

not not trying to focus too much on

772

00:35:37,620 --> 00:35:34,900

direction but looking down they can see

773

00:35:39,540 --> 00:35:37,630

that we're playing these games and it

774

00:35:40,650 --> 00:35:39,550

would be very disruptive if they just

775

00:35:43,350 --> 00:35:40,660

showed up

776

00:35:46,380 --> 00:35:43,360

try to imagine being being on in a

777

00:35:48,200 --> 00:35:46,390

theater and you're on stage and let's

778

00:35:51,600 --> 00:35:48,210

say on the stage you're playing out a

779

00:35:52,860 --> 00:35:51,610

play that somebody killed somebody and

780

00:35:56,250 --> 00:35:52,870

they're trying to figure out who it is

781

00:35:59,910 --> 00:35:56,260

you know and so they're basically that's

782

00:36:03,090 --> 00:35:59,920

the premises of this of this play and so

783

00:36:05,310 --> 00:36:03,100

it would be them showing up it would be

784

00:36:07,110 --> 00:36:05,320

a silly ass you from the audience

785

00:36:08,790 --> 00:36:07,120

getting up on stage and telling the

786

00:36:10,440 --> 00:36:08,800

other actors say he did it he did it

787

00:36:12,150 --> 00:36:10,450

he's the one that's done it you

788

00:36:14,910 --> 00:36:12,160

and all the actors they go yes we know

789

00:36:17,760 --> 00:36:14,920

which is playing and so it would be an

790

00:36:19,859 --> 00:36:17,770

equivalent similar to that that we are

791

00:36:22,079 --> 00:36:19,869

basically playing out these certain

792

00:36:24,390 --> 00:36:22,089

rules and laws that we have set up for

793

00:36:27,990 --> 00:36:24,400

ourselves here and they have to finish

794

00:36:31,950 --> 00:36:28,000

and so there will be a time where things

795

00:36:34,410 --> 00:36:31,960

would be more I guess more conducive for

796

00:36:36,690 --> 00:36:34,420

contact as we would like it with ships

797

00:36:38,870 --> 00:36:36,700

showing up and things like that but for

798

00:36:43,410 --> 00:36:38,880

right now it's just going to be

799

00:36:46,020 --> 00:36:43,420

individual basis and occasional footage

800

00:36:47,880 --> 00:36:46,030

and pictures that we've seen as we have

801
00:36:50,880 --> 00:36:47,890
throughout all you know throughout all

802
00:36:53,099 --> 00:36:50,890
these years until enough of us have

803
00:36:56,069 --> 00:36:53,109
finished up with our path and our games

804
00:36:58,589 --> 00:36:56,079
that we play to where now it's finally

805
00:37:04,020 --> 00:36:58,599
the time and for them to just come on

806
00:37:07,829 --> 00:37:04,030
down and say hello and so that's kind of

807
00:37:12,720 --> 00:37:07,839
in short regarding UFOs same thing with

808
00:37:15,359 --> 00:37:12,730
with ghosts is that goes to us because

809
00:37:18,390 --> 00:37:15,369
of these different frequency levels it's

810
00:37:21,960 --> 00:37:18,400
two different to immediately accept it

811
00:37:24,870 --> 00:37:21,970
because we as a society and playing a

812
00:37:28,020 --> 00:37:24,880
game as a society it's it's something

813
00:37:30,630 --> 00:37:28,030

easier for us to comprehend so naturally

814

00:37:32,880 --> 00:37:30,640

our change in consciousness would

815

00:37:35,849 --> 00:37:32,890

naturally happen as in oh another

816

00:37:39,539 --> 00:37:35,859

civilization coming from outer space to

817

00:37:42,299 --> 00:37:39,549

visit that mortal physical minds is is

818

00:37:45,569 --> 00:37:42,309

acceptable if we off the sudden went

819

00:37:47,370 --> 00:37:45,579

from the you know non-existent invisible

820

00:37:49,650 --> 00:37:47,380

thing to we're off the sudden appearing

821

00:37:52,670 --> 00:37:49,660

all over the place it will be too

822

00:37:56,400 --> 00:37:52,680

judgmental to our state of minds so

823

00:37:59,700 --> 00:37:56,410

again there's these levels of paths and

824

00:38:03,690 --> 00:37:59,710

games that are happening on multiple

825

00:38:06,420 --> 00:38:03,700

levels so on individual level societal

826

00:38:08,210 --> 00:38:06,430

governmental so all these things just

827

00:38:10,799 --> 00:38:08,220

have to kind of align just right

828

00:38:13,920 --> 00:38:10,809

everyone concluding all the games are

829

00:38:17,160 --> 00:38:13,930

playing for finally for the next step to

830

00:38:20,819 --> 00:38:17,170

move forward now of course like December

831

00:38:24,359 --> 00:38:20,829

21st 2012 was one of those demarcation

832

00:38:25,650 --> 00:38:24,369

periods because a lot of people were

833

00:38:27,029 --> 00:38:25,660

who are afraid of that you know the

834

00:38:29,039 --> 00:38:27,039

world is going to end and things like

835

00:38:31,769 --> 00:38:29,049

that when you really think about it the

836

00:38:35,660 --> 00:38:31,779

world did end at that time the world as

837

00:38:38,819 --> 00:38:35,670

we knew it because it was a point to her

838

00:38:41,999 --> 00:38:38,829

we've gotten to a point where we played

839

00:38:45,150 --> 00:38:42,009

enough of our games to where more things

840

00:38:48,509 --> 00:38:45,160

could happen and change and then look

841

00:38:49,979 --> 00:38:48,519

just at this time level from 2012 how

842

00:38:51,809 --> 00:38:49,989

many more things came out about

843

00:38:54,349 --> 00:38:51,819

governments how many more things came

844

00:38:57,599 --> 00:38:54,359

out about what governments really know

845

00:39:02,160 --> 00:38:57,609

thinks about our political system thinks

846

00:39:03,870 --> 00:39:02,170

about ourselves as a society what we

847

00:39:05,910 --> 00:39:03,880

find acceptable what we don't find

848

00:39:08,039 --> 00:39:05,920

acceptable and just simply look at all

849

00:39:10,529 --> 00:39:08,049

that turmoil that has come out since

850

00:39:12,900 --> 00:39:10,539

then now most of us can look at that as

851
00:39:15,029 --> 00:39:12,910
you know a chaos that something to fear

852
00:39:16,670 --> 00:39:15,039
or just realize that all those things

853
00:39:19,920 --> 00:39:16,680
have finally come up to the surface

854
00:39:22,680 --> 00:39:19,930
about racism about all these different

855
00:39:25,650 --> 00:39:22,690
things about ourselves a society have

856
00:39:28,739 --> 00:39:25,660
come up to basically show us and so it's

857
00:39:31,319 --> 00:39:28,749
there for us to work on trying to figure

858
00:39:33,509 --> 00:39:31,329
out because we've always had these

859
00:39:37,289 --> 00:39:33,519
things I mean if you look at 60s and you

860
00:39:39,450 --> 00:39:37,299
have the forgive me if it were 60 or 70s

861
00:39:42,269 --> 00:39:39,460
you had the sexual revolution and then

862
00:39:44,489 --> 00:39:42,279
the about how we all perceived women and

863
00:39:47,219 --> 00:39:44,499

workplace and all these other things as

864

00:39:48,839 --> 00:39:47,229

a society we looked started looking at

865

00:39:50,910 --> 00:39:48,849

the holy stinks that didn't work for us

866

00:39:53,969 --> 00:39:50,920

you know and so that will naturally

867

00:39:57,479 --> 00:39:53,979

progress it's not going to stop but it

868

00:40:00,329 --> 00:39:57,489

will progress to each change is going to

869

00:40:02,489 --> 00:40:00,339

positively change our vibration bit by

870

00:40:05,309 --> 00:40:02,499

bit to where now it's going to make it a

871

00:40:07,890 --> 00:40:05,319

lot easier for us to interact with other

872

00:40:09,599 --> 00:40:07,900

beings that now I'm going to bring more

873

00:40:12,779 --> 00:40:09,609

information than what we've already

874

00:40:15,239 --> 00:40:12,789

known more understanding more points of

875

00:40:25,710 --> 00:40:15,249

view or to look at certain things than

876

00:40:31,290 --> 00:40:27,720

everyone needs to hear different things

877

00:40:34,980 --> 00:40:31,300

in different ways I encourage every

878

00:40:37,250 --> 00:40:34,990

every Avenue that is there because some

879

00:40:39,660 --> 00:40:37,260

people need information or need to be

880

00:40:41,670 --> 00:40:39,670

conveyed information in that way

881

00:40:44,010 --> 00:40:41,680

others need it in different ways so

882

00:40:46,290 --> 00:40:44,020

there is no right or wrong it's just

883

00:40:51,480 --> 00:40:46,300

because we're so different everyone has

884

00:40:55,560 --> 00:40:51,490

a certain approaches so you know other

885

00:40:57,450 --> 00:40:55,570

than hoping that for them to just bring

886

00:40:59,550 --> 00:40:57,460

an understanding to those people on that

887

00:41:13,859 --> 00:40:59,560

level to as many as possible that's all

888

00:41:17,370 --> 00:41:13,869

I can I can say regarding that right

889

00:41:20,120 --> 00:41:17,380

well let me let me let me tell you

890

00:41:24,990 --> 00:41:20,130

something else regarding governments and

891

00:41:30,030 --> 00:41:25,000

try to understand it this way we as a

892

00:41:33,150 --> 00:41:30,040

society have fears so we needed a

893

00:41:36,420 --> 00:41:33,160

government to protect us we as a society

894

00:41:39,450 --> 00:41:36,430

see ourselves this week so we needed a

895

00:41:43,859 --> 00:41:39,460

government to make us strong so you have

896

00:41:45,510 --> 00:41:43,869

to understand as much of negativity or

897

00:41:47,370 --> 00:41:45,520

whatever definition you want to put on

898

00:41:49,609 --> 00:41:47,380

governments understand that it is

899

00:41:53,250 --> 00:41:49,619

something we've created from the get-go

900

00:41:56,190 --> 00:41:53,260

because of our basically our weakness in

901
00:41:58,650 --> 00:41:56,200
our consciousness and physicality so if

902
00:42:00,540 --> 00:41:58,660
you want to bring about change as they

903
00:42:04,339 --> 00:42:00,550
say be the change you want to see in the

904
00:42:07,620 --> 00:42:04,349
world so instead of blaming someone for

905
00:42:09,359 --> 00:42:07,630
only being because look at how many

906
00:42:11,010 --> 00:42:09,369
things that we don't want to know about

907
00:42:12,599 --> 00:42:11,020
look at how many things that we're

908
00:42:14,099 --> 00:42:12,609
afraid of so now if the sudden

909
00:42:16,050 --> 00:42:14,109
governments are looking into all these

910
00:42:20,339 --> 00:42:16,060
things and behind closed doors and

911
00:42:22,230 --> 00:42:20,349
secret projects and black books black

912
00:42:25,079 --> 00:42:22,240
book operations and things like that

913
00:42:28,140 --> 00:42:25,089

they're only doing what we've said

914

00:42:31,349 --> 00:42:28,150

enough to do when we as a single

915

00:42:33,960 --> 00:42:31,359

individual prove that were grown up

916

00:42:37,140 --> 00:42:33,970

enough mature enough to handle our own

917

00:42:39,450 --> 00:42:37,150

lives in our own certain way believe it

918

00:42:42,210 --> 00:42:39,460

or not those things will simply cease to

919

00:42:44,520 --> 00:42:42,220

to cease to serve the purpose that they

920

00:42:47,070 --> 00:42:44,530

have so far because they're only there

921

00:42:51,990 --> 00:42:47,080

because of our our need of protection

922

00:42:53,730 --> 00:42:52,000

and so these these projects these

923

00:42:55,560 --> 00:42:53,740

different things that are being you know

924

00:42:58,320 --> 00:42:55,570

coming about and government has given

925

00:42:59,550 --> 00:42:58,330

you a little bit here and there they're

926
00:43:02,010 --> 00:42:59,560
not giving you anything

927
00:43:04,260 --> 00:43:02,020
it's basically enough Society or

928
00:43:06,900 --> 00:43:04,270
societal level enough energy has changed

929
00:43:08,570 --> 00:43:06,910
to where now the government can now do

930
00:43:11,850 --> 00:43:08,580
all these different things release

931
00:43:14,040 --> 00:43:11,860
information bit by bit because before

932
00:43:16,770 --> 00:43:14,050
they couldn't we were too fearful but

933
00:43:19,320 --> 00:43:16,780
now with our mind and our energy change

934
00:43:22,410 --> 00:43:19,330
now they can it can come out in the

935
00:43:25,230 --> 00:43:22,420
manner that it has so whether you're a

936
00:43:27,960 --> 00:43:25,240
fan of government or not I'm just giving

937
00:43:30,150 --> 00:43:27,970
you my perspective of of energy exchange

938
00:43:32,280 --> 00:43:30,160

of this remember I was saying earlier

939

00:43:34,590 --> 00:43:32,290

everything is just energy and you have

940

00:43:38,310 --> 00:43:34,600

to kind of see how that energy interacts

941

00:43:40,170 --> 00:43:38,320

with itself so that's that's my my take

942

00:43:42,480 --> 00:43:40,180

on these different government

943

00:43:46,770 --> 00:43:42,490

disclosures and and things like that and

944

00:43:49,080 --> 00:43:46,780

think about it on societal level people

945

00:43:51,480 --> 00:43:49,090

need that if you think about somebody

946

00:43:53,580 --> 00:43:51,490

that all they've ever known is just I

947

00:43:55,680 --> 00:43:53,590

don't mean anything bad by this just you

948

00:43:57,900 --> 00:43:55,690

know baseball games football games

949

00:43:59,490 --> 00:43:57,910

hanging out with friends playing cards

950

00:44:02,340 --> 00:43:59,500

and things like that just a normal life

951
00:44:03,840 --> 00:44:02,350
to all the sudden be hit with all this

952
00:44:05,640 --> 00:44:03,850
information that's been here this whole

953
00:44:08,820 --> 00:44:05,650
time it's too much

954
00:44:11,940 --> 00:44:08,830
but when government releasing bit by bit

955
00:44:14,130 --> 00:44:11,950
it gets their attention so that way it's

956
00:44:16,020 --> 00:44:14,140
also helping them on their little step

957
00:44:20,700 --> 00:44:16,030
of understanding and going into the

958
00:44:24,840 --> 00:44:20,710
direction that it eventually goes so I

959
00:44:28,140 --> 00:44:24,850
hope that helps okay well one last

960
00:44:30,210 --> 00:44:28,150
question otherwise thank you very much

961
00:44:34,040 --> 00:44:30,220
for coming thanks for listening I hope

962
00:44:40,740 --> 00:44:37,170
so no questions okay good deal

963
00:44:44,130 --> 00:44:40,750

bye bye my table I have some free books

964

00:44:46,560 --> 00:44:44,140

and please take as many as you want

965

00:44:48,600 --> 00:44:46,570

they're on different subjects courtesy

966

00:44:51,060 --> 00:44:48,610

of our mom Publishing I used to work

967

00:44:53,100 --> 00:44:51,070

there so they hooked me up with cases in

968

00:44:55,410 --> 00:44:53,110

cases of books so

969

00:44:59,340 --> 00:44:55,420

yet they have different subjects on that

970

00:45:02,160 --> 00:44:59,350

show whichever one you feel drawn to go
