

UFO HUB

WEBCAST

WITH
ADNAN ADEMOVIC

DONNA LYNN

1
00:00:13,190 --> 00:00:10,509

[Music]

2
00:00:15,890 --> 00:00:13,200

welcome to the very first UFO hub

3
00:00:18,980 --> 00:00:15,900

webcast my today's guest is going to be

4
00:00:21,140 --> 00:00:18,990

Donna Lynn she has been a long time et

5
00:00:23,480 --> 00:00:21,150

contactee and that's written a book

6
00:00:25,490 --> 00:00:23,490

called from fear to love some of you

7
00:00:28,490 --> 00:00:25,500

have submitted some questions for me to

8
00:00:31,700 --> 00:00:28,500

ask Donna today and without any further

9
00:00:33,560 --> 00:00:31,710

ado here she is hi Donna how are you

10
00:00:34,400 --> 00:00:33,570

thanks for being on the show I

11
00:00:37,850 --> 00:00:34,410

appreciate it

12
00:00:40,490 --> 00:00:37,860

I am doing well thanks and I appreciate

13
00:00:43,369 --> 00:00:40,500

you asking me yeah I'm excited that you

14

00:00:45,529 --> 00:00:43,379

were able to to respond and be one of

15

00:00:48,470 --> 00:00:45,539

the first ones to be on the very first

16

00:00:51,650 --> 00:00:48,480

UFO hub webcast so I'm certainly excited

17

00:00:55,610 --> 00:00:51,660

and we have we've quite a few questions

18

00:00:58,099 --> 00:00:55,620

for for it being the very first one we

19

00:01:02,180 --> 00:00:58,109

have about 10 questions or so so I

20

00:01:05,570 --> 00:01:02,190

figured you not have talked on camera

21

00:01:08,060 --> 00:01:05,580

off camera many times so now guess I'm

22

00:01:09,740 --> 00:01:08,070

handing the mic over to some other

23

00:01:11,510 --> 00:01:09,750

voices so I figured I'll just start with

24

00:01:13,460 --> 00:01:11,520

the first question and we'll go for

25

00:01:18,590 --> 00:01:13,470

there okay sounds good

26

00:01:20,210 --> 00:01:18,600

alright so um if this first person I'm

27

00:01:25,399 --> 00:01:20,220

not quite sure how to pronounce the name

28

00:01:28,249 --> 00:01:25,409

is Gidget and they were having a bit

29

00:01:30,649 --> 00:01:28,259

difficulty submitting the the questions

30

00:01:32,569 --> 00:01:30,659

on the regular form so they emailed it

31

00:01:35,330 --> 00:01:32,579

so I don't know where they're from I

32

00:01:40,130 --> 00:01:35,340

probably have a city and state for the

33

00:01:43,060 --> 00:01:40,140

others but the question was I'm just

34

00:01:47,359 --> 00:01:43,070

very curious if there have ever been

35

00:01:50,569 --> 00:01:47,369

abductions experiments harvesting etc on

36

00:01:53,179 --> 00:01:50,579

other races other than white one are

37

00:01:57,380 --> 00:01:53,189

they themselves creating a new world

38

00:02:00,560 --> 00:01:57,390

order with only a supreme rates oh no I

39

00:02:03,260 --> 00:02:00,570

don't get that impression at all in fact

40

00:02:04,850 --> 00:02:03,270

in the very first opening chapter of my

41

00:02:08,150 --> 00:02:04,860

book I described sitting in one of the

42

00:02:10,010 --> 00:02:08,160

rooms after having been taken and kind

43

00:02:11,660 --> 00:02:10,020

of waiting for them to do whatever

44

00:02:13,680 --> 00:02:11,670

they're going to do with this and I look

45

00:02:18,570 --> 00:02:13,690

around the room and I see all

46

00:02:20,940 --> 00:02:18,580

ages and races and you know people of

47

00:02:23,310 --> 00:02:20,950

different old people young people even

48

00:02:26,970 --> 00:02:23,320

little kids which that really upsets me

49

00:02:29,490 --> 00:02:26,980

but no I've seen you know people of

50

00:02:31,200 --> 00:02:29,500

different races but for some reason it

51
00:02:32,820 --> 00:02:31,210
seems like it's mostly that's white

52
00:02:36,420 --> 00:02:32,830
people that come out and talk about it

53
00:02:37,890 --> 00:02:36,430
and to the conferences and people that

54
00:02:41,580 --> 00:02:37,900
have contacted me have been like from

55
00:02:43,050 --> 00:02:41,590
Germany and Australia so I don't

56
00:02:44,640 --> 00:02:43,060
understand about that although I do

57
00:02:49,560 --> 00:02:44,650
understand the Native American people

58
00:02:51,300 --> 00:02:49,570
they claim that their star nations that

59
00:02:53,820 --> 00:02:51,310
their ancestors came from the stars

60
00:02:58,770 --> 00:02:53,830
specifically the Lakota talked about

61
00:03:00,480 --> 00:02:58,780
that but yes it is interesting that

62
00:03:03,870 --> 00:03:00,490
there aren't more people that come

63
00:03:05,700 --> 00:03:03,880

forward that are of color so but I don't

64

00:03:08,100 --> 00:03:05,710

get the impression at all that the

65

00:03:10,140 --> 00:03:08,110

aliens want to create some kind of white

66

00:03:13,020 --> 00:03:10,150

supremacy race or anything they're very

67

00:03:14,880 --> 00:03:13,030

all-encompassing and they they love

68

00:03:18,390 --> 00:03:14,890

everybody and they always encourage me

69

00:03:21,210 --> 00:03:18,400

to look past the differences and to

70

00:03:23,280 --> 00:03:21,220

appreciate each individual person for

71

00:03:26,010 --> 00:03:23,290

who they are as an individual regarding

72

00:03:27,720 --> 00:03:26,020

their you know despite their age or

73

00:03:30,180 --> 00:03:27,730

their differences that they might have

74

00:03:32,699 --> 00:03:30,190

with me with politics or religion or

75

00:03:34,650 --> 00:03:32,709

anything like that they treasure each

76

00:03:37,290 --> 00:03:34,660

one of us as an individual as far as

77

00:03:39,210 --> 00:03:37,300

I've been able to understand I think

78

00:03:41,699 --> 00:03:39,220

this is the first time I had a question

79

00:03:43,830 --> 00:03:41,709

to ask somebody this but usually on in

80

00:03:46,979 --> 00:03:43,840

comments and other emails I get on the

81

00:03:49,229 --> 00:03:46,989

channel have been several questions you

82

00:03:51,780 --> 00:03:49,239

know if there were any other races other

83

00:03:54,090 --> 00:03:51,790

than white yeah I don't know well I

84

00:03:55,770 --> 00:03:54,100

don't know why it just turns out that

85

00:03:57,750 --> 00:03:55,780

way and I don't I don't think that

86

00:04:00,270 --> 00:03:57,760

there's this great conspiracy conspiracy

87

00:04:02,610 --> 00:04:00,280

either no I don't get that impression at

88

00:04:05,100 --> 00:04:02,620

all and also the Maori people I believe

89

00:04:07,199 --> 00:04:05,110
of the South Pacific they go back

90

00:04:10,979 --> 00:04:07,209
generations talking about the Dreamtime

91

00:04:13,890 --> 00:04:10,989
which they believe is a reality just as

92

00:04:15,289 --> 00:04:13,900
real as this reality which is basically

93

00:04:17,610 --> 00:04:15,299
what I've been saying two of the

94

00:04:21,060 --> 00:04:17,620
experiences I have are just as real as

95

00:04:23,370 --> 00:04:21,070
this reality we have right here and I

96

00:04:24,960 --> 00:04:23,380
haven't really read a whole lot about

97

00:04:26,700 --> 00:04:24,970
them but I do know that that's one of

98

00:04:30,420 --> 00:04:26,710
their beliefs or it was in

99

00:04:32,550 --> 00:04:30,430
old times okay well me I'm gonna move

100

00:04:33,779 --> 00:04:32,560
forward with with the bigger longer

101

00:04:36,629 --> 00:04:33,789

questions here

102

00:04:40,320 --> 00:04:36,639

here's one from Rick San Luis Missouri

103

00:04:43,080 --> 00:04:40,330

as have the aliens explained why it is

104

00:04:44,939 --> 00:04:43,090

that people who are not caretakers of

105

00:04:48,089 --> 00:04:44,949

the earth rise to power and maintain

106

00:04:50,430 --> 00:04:48,099

control over those of us who do want to

107

00:04:53,490 --> 00:04:50,440

take care of the earth why is it that

108

00:04:56,460 --> 00:04:53,500

seemingly ill willed intended people run

109

00:04:58,290 --> 00:04:56,470

things that's a really good question

110

00:05:01,320 --> 00:04:58,300

and I have wondered that a lot myself

111

00:05:03,270 --> 00:05:01,330

too because it it's kind of like the old

112

00:05:06,150 --> 00:05:03,280

Bible quote the meek shall inherit the

113

00:05:08,670 --> 00:05:06,160

earth and it's like well when because

114

00:05:11,279 --> 00:05:08,680

the people that are vicious and cruel

115

00:05:13,469 --> 00:05:11,289

and and self-centered seem to be the

116

00:05:17,520 --> 00:05:13,479

ones in charge and they're destroying

117

00:05:19,560 --> 00:05:17,530

the earth and ruining things and I don't

118

00:05:22,320 --> 00:05:19,570

really have a direct answer about that

119

00:05:24,839 --> 00:05:22,330

it is something I've wondered and it's

120

00:05:27,510 --> 00:05:24,849

obvious for those of us that look at it

121

00:05:29,879 --> 00:05:27,520

that it's happening that way and I don't

122

00:05:34,640 --> 00:05:29,889

know if it's because we are supposed to

123

00:05:40,860 --> 00:05:34,650

be gaining strength getting together and

124

00:05:42,629 --> 00:05:40,870

overcoming those people yeah I don't

125

00:05:47,490 --> 00:05:42,639

really have a specific answer for that

126

00:05:51,270 --> 00:05:47,500

sorry okay here's one from Michelle

127

00:05:53,490 --> 00:05:51,280

Houston Texas she asks since they speak

128

00:05:56,189 --> 00:05:53,500

to you telepathically do you use that in

129

00:06:00,180 --> 00:05:56,199

your everyday life if so what can I do

130

00:06:02,070 --> 00:06:00,190

to improve my telepathy yes it's

131

00:06:05,490 --> 00:06:02,080

actually become kind of a part of my

132

00:06:08,520 --> 00:06:05,500

everyday life if I'm doing dishes I

133

00:06:10,709 --> 00:06:08,530

might get a message in my ear or it's

134

00:06:12,240 --> 00:06:10,719

just it used to be only when I was

135

00:06:14,249 --> 00:06:12,250

asleep that they would approach me but

136

00:06:16,589 --> 00:06:14,259

now that I've been able to recognize

137

00:06:19,350 --> 00:06:16,599

them and acknowledge them and work with

138

00:06:21,240 --> 00:06:19,360

them now they you know can come to me at

139

00:06:26,999 --> 00:06:21,250

anytime and speak to me telepathically

140

00:06:30,029 --> 00:06:27,009

and yes sometimes you know they help

141

00:06:31,560 --> 00:06:30,039

they might say go to this one place and

142

00:06:33,600 --> 00:06:31,570

I'll go there and I'll meet someone that

143

00:06:36,870 --> 00:06:33,610

wants to talk to me about aliens or

144

00:06:40,469 --> 00:06:36,880

something so they are watching over but

145

00:06:42,659 --> 00:06:40,479

as far as you being able to do that

146

00:06:45,149 --> 00:06:42,669

the best thing is to work on things like

147

00:06:47,850 --> 00:06:45,159

meditation there's great YouTube videos

148

00:06:50,579 --> 00:06:47,860

where you can have a guided meditations

149

00:06:52,200 --> 00:06:50,589

to get to learn to be deeper into

150

00:06:55,230 --> 00:06:52,210

yourself and to learn to get in touch

151
00:06:57,299 --> 00:06:55,240
with your inner self and the main thing

152
00:06:59,850 --> 00:06:57,309
too is just to trust your gut instincts

153
00:07:01,920 --> 00:06:59,860
because for so many years I would get a

154
00:07:04,079 --> 00:07:01,930
gut instinct to do something or not do

155
00:07:05,429 --> 00:07:04,089
something and I would ignore it and find

156
00:07:08,070 --> 00:07:05,439
out later that I should have done it

157
00:07:10,559 --> 00:07:08,080
that it was correct and so now when I

158
00:07:13,459 --> 00:07:10,569
get a gut instinct for something I do it

159
00:07:17,369 --> 00:07:13,469
if I possibly can and that's another way

160
00:07:20,459 --> 00:07:17,379
either they're connecting with us or

161
00:07:22,709 --> 00:07:20,469
speaking with us when they connect with

162
00:07:26,459 --> 00:07:22,719
those gut instincts trust yourself trust

163
00:07:29,459 --> 00:07:26,469

your own instincts and ask for signs you

164

00:07:31,379 --> 00:07:29,469

can ask for signs because they do value

165

00:07:34,589 --> 00:07:31,389

our free will so they won't impose

166

00:07:36,899 --> 00:07:34,599

themselves on you so you ask either out

167

00:07:39,119 --> 00:07:36,909

loud or in your mind to say you know

168

00:07:40,980 --> 00:07:39,129

please come talk to me and ask them

169

00:07:43,230 --> 00:07:40,990

questions sometimes they answer

170

00:07:45,389 --> 00:07:43,240

sometimes they don't sometimes the

171

00:07:49,139 --> 00:07:45,399

answer comes in the form of a book or a

172

00:07:51,989 --> 00:07:49,149

movie or a conversation you overhear it

173

00:07:54,659 --> 00:07:51,999

might come in different means not always

174

00:07:56,790 --> 00:07:54,669

just - telepathic answer in your ear but

175

00:08:00,480 --> 00:07:56,800

the more you pay attention and the more

176

00:08:02,279 --> 00:08:00,490

you ask and ask for signs and focus on

177

00:08:05,129 --> 00:08:02,289

going within at least one time a day

178

00:08:06,839 --> 00:08:05,139

even just for five minutes that should

179

00:08:10,499 --> 00:08:06,849

help with your perception of

180

00:08:12,899 --> 00:08:10,509

understanding them just that one quick

181

00:08:16,679 --> 00:08:12,909

follow-up question especially for some

182

00:08:20,639 --> 00:08:16,689

of those that I guess new to this field

183

00:08:23,100 --> 00:08:20,649

in general and what for example say you

184

00:08:24,989 --> 00:08:23,110

know I would I would assume they could

185

00:08:27,510 --> 00:08:24,999

they could ask things like how do you

186

00:08:29,909 --> 00:08:27,520

know the difference that what's in your

187

00:08:32,809 --> 00:08:29,919

mind and what's an idea as opposed to a

188

00:08:35,459 --> 00:08:32,819

message being given to you from them

189

00:08:37,949 --> 00:08:35,469

that's a really good one - for the

190

00:08:39,779 --> 00:08:37,959

longest time I thought I was just

191

00:08:41,819 --> 00:08:39,789

talking to myself because sometimes it

192

00:08:46,350 --> 00:08:41,829

does come in your own voice sometimes it

193

00:08:48,210 --> 00:08:46,360

comes in a different voice but after a

194

00:08:49,889 --> 00:08:48,220

while you realize it's something that

195

00:08:52,170 --> 00:08:49,899

comes to you that you would not have

196

00:08:53,790 --> 00:08:52,180

thought of or like I gave the example

197

00:08:54,130 --> 00:08:53,800

when I was asked to speak at the last

198

00:08:56,440 --> 00:08:54,140

year

199

00:08:58,240 --> 00:08:56,450

a conference I was waiting for them to

200

00:09:00,400 --> 00:08:58,250

send me a message for what to write

201
00:09:01,900 --> 00:09:00,410
about or what to talk about and it

202
00:09:04,750 --> 00:09:01,910
didn't come and it didn't come and I was

203
00:09:06,820 --> 00:09:04,760
wandering in a kitchen saying when are

204
00:09:08,440 --> 00:09:06,830
you gonna give me a message something to

205
00:09:10,540 --> 00:09:08,450
write about and I heard very very

206
00:09:13,480 --> 00:09:10,550
clearly in my right ear a male voice

207
00:09:15,010 --> 00:09:13,490
that was not my own and it said we do

208
00:09:18,700 --> 00:09:15,020
not yet know who will be in attendance

209
00:09:21,310 --> 00:09:18,710
and for one thing I don't talk that way

210
00:09:24,040 --> 00:09:21,320
it's kind of a stilted English so they

211
00:09:26,530 --> 00:09:24,050
they often talk like in a very

212
00:09:27,760 --> 00:09:26,540
old-fashioned kind of manner and they

213
00:09:29,440 --> 00:09:27,770

might use words that you wouldn't

214

00:09:31,000 --> 00:09:29,450

normally use or a thought that you

215

00:09:33,040 --> 00:09:31,010

wouldn't I would never have had that

216

00:09:35,230 --> 00:09:33,050

thought that I was waiting to see who

217

00:09:37,660 --> 00:09:35,240

would be attending I was more focused on

218

00:09:40,630 --> 00:09:37,670

what I was going to say so if it's

219

00:09:42,370 --> 00:09:40,640

something that isn't normally your mode

220

00:09:44,560 --> 00:09:42,380

of thinking or something you would have

221

00:09:46,390 --> 00:09:44,570

thought about or presented to you in a

222

00:09:49,720 --> 00:09:46,400

way that your brain normally thinks

223

00:09:52,450 --> 00:09:49,730

that's a good indication then it's

224

00:09:54,550 --> 00:09:52,460

coming from elsewhere and and again you

225

00:09:57,810 --> 00:09:54,560

can ask for a sign I still do even after

226

00:09:59,920 --> 00:09:57,820

all these years I ask for signs a lot

227

00:10:02,650 --> 00:09:59,930

you know and then they come to you in

228

00:10:06,100 --> 00:10:02,660

the form of synchronicity you know

229

00:10:07,870 --> 00:10:06,110

you'll see 11:11 on the clock or you'll

230

00:10:11,610 --> 00:10:07,880

hear a line in a movie that you just

231

00:10:14,880 --> 00:10:11,620

know that clicked or something like that

232

00:10:19,150 --> 00:10:14,890

here's here's a question that from Ryan

233

00:10:21,040 --> 00:10:19,160

in Chicago Illinois and it's I guess you

234

00:10:25,020 --> 00:10:21,050

in a way you have answered this question

235

00:10:28,260 --> 00:10:25,030

but in you know I guess in a Virtanen

236

00:10:31,930 --> 00:10:28,270

was how do you come into contact with

237

00:10:33,880 --> 00:10:31,940

experiences locally also can non

238

00:10:39,220 --> 00:10:33,890

experiences to learn to invite the

239

00:10:41,500 --> 00:10:39,230

visitations yes in fact that's one of

240

00:10:43,180 --> 00:10:41,510

the big messages the aliens have given

241

00:10:45,460 --> 00:10:43,190

me in the last five years is that they

242

00:10:50,020 --> 00:10:45,470

want to reach out to more and more and

243

00:10:52,630 --> 00:10:50,030

more people so they want you know

244

00:10:54,670 --> 00:10:52,640

they've reached some of us woohoo people

245

00:10:56,410 --> 00:10:54,680

that have been talking about aliens and

246

00:10:58,690 --> 00:10:56,420

UFOs but now they want to reach even a

247

00:11:00,400 --> 00:10:58,700

wider expanse of people maybe with more

248

00:11:02,050 --> 00:11:00,410

different backgrounds and different

249

00:11:04,690 --> 00:11:02,060

experiences because each one of us

250

00:11:07,860 --> 00:11:04,700

filters we get the messages and then it

251
00:11:10,380 --> 00:11:07,870
filters through our rxp

252
00:11:12,150 --> 00:11:10,390
our education level our expectations and

253
00:11:15,030 --> 00:11:12,160
then we translate it into this reality

254
00:11:16,440 --> 00:11:15,040
and talk about it so someone who has a

255
00:11:18,180 --> 00:11:16,450
completely different background than me

256
00:11:20,310 --> 00:11:18,190
might get basically the same message but

257
00:11:23,040 --> 00:11:20,320
might interpret it differently in a

258
00:11:25,470 --> 00:11:23,050
better way maybe so they do want more

259
00:11:28,260 --> 00:11:25,480
people and if you've never had contact

260
00:11:31,170 --> 00:11:28,270
like I said they they very much honor

261
00:11:33,480 --> 00:11:31,180
our free will so they want you to ask

262
00:11:36,000 --> 00:11:33,490
they they'd like you to ask because they

263
00:11:38,040 --> 00:11:36,010

don't want to invade which kind of goes

264

00:11:39,780 --> 00:11:38,050

contrary to a lot of the abduction

265

00:11:42,180 --> 00:11:39,790

stories but I've come to learn that

266

00:11:44,790 --> 00:11:42,190

those of us that were abducted seemingly

267

00:11:47,070 --> 00:11:44,800

against our will there was a sole

268

00:11:49,680 --> 00:11:47,080

agreement way back probably before birth

269

00:11:52,050 --> 00:11:49,690

so they do honor free will and if you

270

00:11:55,680 --> 00:11:52,060

ask them you know hopefully they will

271

00:11:58,350 --> 00:11:55,690

come and I'm so local meeting local

272

00:11:59,850 --> 00:11:58,360

people I really haven't and I'm in

273

00:12:01,950 --> 00:11:59,860

Southern California where you'd think

274

00:12:04,860 --> 00:12:01,960

there would be a lot of you know people

275

00:12:06,930 --> 00:12:04,870

with this kind of experience but when I

276

00:12:09,330 --> 00:12:06,940

lived in Florida I met some it was

277

00:12:12,390 --> 00:12:09,340

surprising it was much more spiritual

278

00:12:15,750 --> 00:12:12,400

there and the main places are

279

00:12:20,580 --> 00:12:15,760

metaphysical bookstores and rock shops

280

00:12:22,890 --> 00:12:20,590

where they sell crystals and those kind

281

00:12:25,710 --> 00:12:22,900

of places where you know people are

282

00:12:28,920 --> 00:12:25,720

already looking into the supernatural or

283

00:12:32,190 --> 00:12:28,930

the mysterious or astrology or things

284

00:12:33,870 --> 00:12:32,200

that are just a little unusual and

285

00:12:36,870 --> 00:12:33,880

that's usually a good way to meet

286

00:12:38,610 --> 00:12:36,880

like-minded people and even if they

287

00:12:39,900 --> 00:12:38,620

don't know someone they usually have a

288

00:12:43,140 --> 00:12:39,910

bulletin board or something where you

289

00:12:45,450 --> 00:12:43,150

could put up a notice so that seems like

290

00:12:48,360 --> 00:12:45,460

this way to meet people that's how I met

291

00:12:50,250 --> 00:12:48,370

people in the past yeah I remember when

292

00:12:53,670 --> 00:12:50,260

I was first looking for somebody in San

293

00:12:55,790 --> 00:12:53,680

Luis and it was such a it was so spoken

294

00:12:59,550 --> 00:12:55,800

in such a hushed tones so it's like

295

00:13:02,160 --> 00:12:59,560

somebody people beating about talking

296

00:13:04,830 --> 00:13:02,170

about aliens and ghosts and stuff and it

297

00:13:07,050 --> 00:13:04,840

turns out San Luis you know as many

298

00:13:08,940 --> 00:13:07,060

groups there but for someone who's new

299

00:13:11,850 --> 00:13:08,950

it's like there's no sort of shortage

300

00:13:14,250 --> 00:13:11,860

that's for sure yeah yeah but it's still

301

00:13:16,470 --> 00:13:14,260

kind of a little taboo in society so

302

00:13:19,110 --> 00:13:16,480

it's like you don't go out and say hey

303

00:13:21,420 --> 00:13:19,120

who wants to talk about aliens because

304

00:13:23,189 --> 00:13:21,430

and all people are afraid to or afraid

305

00:13:24,840 --> 00:13:23,199

of the stigma but there it's just

306

00:13:27,389 --> 00:13:24,850

surprising and and the people that you

307

00:13:31,110 --> 00:13:27,399

do me are not the ones you'd expect you

308

00:13:33,059 --> 00:13:31,120

know they look like you know they don't

309

00:13:35,850 --> 00:13:33,069

look unusual or weird or anything

310

00:13:40,170 --> 00:13:35,860

they're just regular people okay I got

311

00:13:42,929 --> 00:13:40,180

another question is this is from Beth

312

00:13:45,900 --> 00:13:42,939

maybe Richmond Virginia the question is

313

00:13:49,980 --> 00:13:45,910

other men malevolent aliens that visit

314

00:13:51,869 --> 00:13:49,990

earth are they in our universe for the

315

00:13:53,639 --> 00:13:51,879

longest time I didn't want to believe

316

00:13:57,239 --> 00:13:53,649

that because the ones I'm in contact

317

00:14:00,600 --> 00:13:57,249

with are so wonderful and so benevolent

318

00:14:03,449 --> 00:14:00,610

and loving and healing and you know I've

319

00:14:05,369 --> 00:14:03,459

never given me any indication of being

320

00:14:07,799 --> 00:14:05,379

bad never told me to hurt anybody or

321

00:14:11,160 --> 00:14:07,809

hurt myself or do anything against my

322

00:14:13,139 --> 00:14:11,170

morals but in reality when you look

323

00:14:15,179 --> 00:14:13,149

around at the world today and things

324

00:14:18,179 --> 00:14:15,189

that are going on and I didn't really

325

00:14:20,309 --> 00:14:18,189

want to buy into that whole those in the

326

00:14:21,689 --> 00:14:20,319

UFO community who say that reptilians

327

00:14:24,509 --> 00:14:21,699

are controlling the government and that

328

00:14:27,749 --> 00:14:24,519

I was like no no no that's not right but

329

00:14:29,759 --> 00:14:27,759

the way the world is today I think I

330

00:14:32,309 --> 00:14:29,769

have to accept that if there are such

331

00:14:34,860 --> 00:14:32,319

positive and benevolent aliens there

332

00:14:37,889 --> 00:14:34,870

probably are others that aren't so good

333

00:14:40,110 --> 00:14:37,899

and that are maybe possibly working with

334

00:14:44,160 --> 00:14:40,120

the people in our world who aren't so

335

00:14:47,489 --> 00:14:44,170

good but that's why I I'm a Christian so

336

00:14:49,919 --> 00:14:47,499

I if I have a contact that I don't know

337

00:14:53,189 --> 00:14:49,929

I'm not unfamiliar with I always say if

338

00:14:54,720 --> 00:14:53,199

you come in the name of Jesus I welcome

339

00:14:56,910 --> 00:14:54,730

you if you do not I demand that you

340

00:14:58,129 --> 00:14:56,920

leave and I say that three times and I

341

00:15:02,040 --> 00:14:58,139

don't know if that's just a superstition

342

00:15:04,169 --> 00:15:02,050

but only one time did I have presence

343

00:15:06,239 --> 00:15:04,179

come to me that it was unfamiliar and I

344

00:15:08,249 --> 00:15:06,249

said that and it just immediately

345

00:15:11,460 --> 00:15:08,259

disappeared and never came back

346

00:15:13,199 --> 00:15:11,470

so you know that's for a Christian it it

347

00:15:15,780 --> 00:15:13,209

would work for people of other faiths

348

00:15:18,389 --> 00:15:15,790

I'm sure if you come for the highest and

349

00:15:20,400 --> 00:15:18,399

best good of all I welcome you if you do

350

00:15:22,259 --> 00:15:20,410

not a demand that you leave because we

351

00:15:24,809 --> 00:15:22,269

do have the free will so you have the

352

00:15:26,730 --> 00:15:24,819

free will to send them away if you sense

353

00:15:28,559 --> 00:15:26,740

that they're not good but I only had

354

00:15:30,329 --> 00:15:28,569

that happen one time in all the

355

00:15:31,079 --> 00:15:30,339

thousands of times that I've been

356

00:15:34,769 --> 00:15:31,089

approached

357

00:15:39,809 --> 00:15:34,779

so and oh and another thing is if you

358

00:15:43,199 --> 00:15:39,819

keep your own mind as positive you know

359

00:15:46,589 --> 00:15:43,209

do good for others pick up trash be kind

360

00:15:48,779 --> 00:15:46,599

to the homeless person on the street try

361

00:15:50,429 --> 00:15:48,789

to keep yourself elevated with the

362

00:15:53,189 --> 00:15:50,439

meditation again that raises your

363

00:15:55,319 --> 00:15:53,199

vibration a little and focus on things

364

00:15:57,779 --> 00:15:55,329

that are positive try to stay away from

365

00:16:01,859 --> 00:15:57,789

negative toxic people as much as you can

366

00:16:04,219 --> 00:16:01,869

then you will attract more positive

367

00:16:06,869 --> 00:16:04,229

entities towards you like attracts like

368

00:16:09,539 --> 00:16:06,879

so that's a big part of it too

369

00:16:10,949 --> 00:16:09,549

trying to stay positive and focus on

370

00:16:13,979 --> 00:16:10,959

what's good in the world and what's

371

00:16:16,619 --> 00:16:13,989

beautiful the beautiful sunsets the

372

00:16:19,409 --> 00:16:16,629

things like that and that will attract

373

00:16:21,719 --> 00:16:19,419

to you the more positive and benevolent

374

00:16:26,699 --> 00:16:21,729

beings quick question do did you ever

375

00:16:28,979 --> 00:16:26,709

find did you ever find that for example

376

00:16:30,899 --> 00:16:28,989

like you said you said you're Christian

377

00:16:33,689 --> 00:16:30,909

and did you ever find that having these

378

00:16:36,479 --> 00:16:33,699

experiences and then I'm sure also being

379

00:16:37,949 --> 00:16:36,489

exposed more to portal chord I guess for

380

00:16:41,009 --> 00:16:37,959

lack of a better word these are new-age

381

00:16:43,409 --> 00:16:41,019

terms about things did you find in

382

00:16:46,709 --> 00:16:43,419

conflict there or how did that work for

383

00:16:48,449 --> 00:16:46,719

you yeah I did I I had a real hard time

384

00:16:51,809 --> 00:16:48,459

my sister is really into the New Age

385

00:16:52,919 --> 00:16:51,819

movement and I guess I'm hanging back

386

00:16:55,769 --> 00:16:52,929

and I'm still more with the

387

00:16:57,209 --> 00:16:55,779

old-fashioned beliefs you know she

388

00:17:00,359 --> 00:16:57,219

believes in that you create your own

389

00:17:03,299 --> 00:17:00,369

reality and I I tried all that for the

390

00:17:05,009 --> 00:17:03,309

longest time and I realized no I'm I'm

391

00:17:06,989 --> 00:17:05,019

not that powerful and and the people

392

00:17:10,409 --> 00:17:06,999

that say in the New Age movement I am

393

00:17:13,439 --> 00:17:10,419

God I I'm not God you know I don't

394

00:17:15,539 --> 00:17:13,449

create things but I can see where where

395

00:17:17,669 --> 00:17:15,549

they're coming from like when they say I

396

00:17:20,399 --> 00:17:17,679

am God each one of us has a little spark

397

00:17:21,929 --> 00:17:20,409

of God inside of us and that's probably

398

00:17:25,169 --> 00:17:21,939

what they're saying and it's like I'm

399

00:17:29,730 --> 00:17:25,179

like a drop of water in the ocean which

400

00:17:31,409 --> 00:17:29,740

is God but no I had a hard time I tried

401
00:17:33,269 --> 00:17:31,419
like I said I read a lot of the books

402
00:17:35,700 --> 00:17:33,279
and did some of the exercises but I

403
00:17:38,380 --> 00:17:35,710
ended up going back to just more of the

404
00:17:40,750 --> 00:17:38,390
traditional Christianity

405
00:17:43,600 --> 00:17:40,760
which sounds odd because it seems like

406
00:17:46,900 --> 00:17:43,610
it would be a conflict with connecting

407
00:17:48,580 --> 00:17:46,910
with aliens but they believe as far as I

408
00:17:52,120 --> 00:17:48,590
understand they do believe that there is

409
00:17:56,230 --> 00:17:52,130
a supreme creator that's intelligent

410
00:17:57,760 --> 00:17:56,240
infinity and loves everything and they

411
00:17:59,740 --> 00:17:57,770
don't really understand why we fight

412
00:18:01,630 --> 00:17:59,750
about religions that's one of the things

413
00:18:03,549 --> 00:18:01,640

that are intrigued about with earth is

414

00:18:05,650 --> 00:18:03,559

we have these wars and these fights in

415

00:18:08,140 --> 00:18:05,660

this hatred and over religion whereas

416

00:18:12,430 --> 00:18:08,150

for them it's just accepted that there

417

00:18:20,610 --> 00:18:12,440

is a loving creator and why fight about

418

00:18:25,480 --> 00:18:20,620

it here's the question from Brent from

419

00:18:29,100 --> 00:18:25,490

Greensboro North Carolina the question

420

00:18:31,630 --> 00:18:29,110

is why were you chosen to be a contactee

421

00:18:33,460 --> 00:18:31,640

that's something I've asked for many

422

00:18:35,020 --> 00:18:33,470

many years especially as a child when I

423

00:18:38,770 --> 00:18:35,030

would scream and yell and tell them to

424

00:18:40,870 --> 00:18:38,780

go away and leave me alone and they

425

00:18:43,830 --> 00:18:40,880

haven't been real specific but I do

426

00:18:47,140 --> 00:18:43,840

understand they follow certain family

427

00:18:49,930 --> 00:18:47,150

lineages and it was just a couple years

428

00:18:54,490 --> 00:18:49,940

ago that one of the beings at econo came

429

00:18:55,720 --> 00:18:54,500

to me and I up until recently I thought

430

00:18:56,950 --> 00:18:55,730

she was the ghost of one of my

431

00:18:59,140 --> 00:18:56,960

grandmother's because she didn't look

432

00:19:01,690 --> 00:18:59,150

the traditional alien she's pure white

433

00:19:03,820 --> 00:19:01,700

and she's translucent she has the big

434

00:19:05,770 --> 00:19:03,830

black eyes which could have been a hint

435

00:19:07,090 --> 00:19:05,780

but I just thought she was the ghost of

436

00:19:09,760 --> 00:19:07,100

one of my grandmother's because she's

437

00:19:15,190 --> 00:19:09,770

very gentle and nurturing and loving but

438

00:19:17,080 --> 00:19:15,200

she came to me one night and said she's

439

00:19:19,000 --> 00:19:17,090

a geneticist and that's when I realized

440

00:19:22,570 --> 00:19:19,010

she's not my grandmother and she's

441

00:19:24,549 --> 00:19:22,580

interested in the DNA of Earth because

442

00:19:26,620 --> 00:19:24,559

it's so varied and so beautiful and

443

00:19:29,950 --> 00:19:26,630

different from any of the other planets

444

00:19:32,650 --> 00:19:29,960

and she looked right at me with those

445

00:19:35,230 --> 00:19:32,660

big you know monstrous alien eyes and

446

00:19:39,130 --> 00:19:35,240

said and we're interested in you for

447

00:19:41,500 --> 00:19:39,140

your DNA which kind of blew my mind

448

00:19:46,419 --> 00:19:41,510

because I'm not anything or anyone

449

00:19:48,549 --> 00:19:46,429

unusual that I know of so or maybe it's

450

00:19:50,909 --> 00:19:48,559

going to be one of my descendants you

451
00:19:52,090 --> 00:19:50,919
know I have grandchildren now maybe it's

452
00:19:54,340 --> 00:19:52,100
some

453
00:19:56,650 --> 00:19:54,350
that's going to be in my family line 300

454
00:19:58,830 --> 00:19:56,660
years from now because time is the

455
00:20:02,080 --> 00:19:58,840
experience time differently than us and

456
00:20:04,900 --> 00:20:02,090
I've been on ships where I've seen

457
00:20:06,880 --> 00:20:04,910
people dressed in period clothing that

458
00:20:10,210 --> 00:20:06,890
looks like maybe France from the 1700s

459
00:20:13,480 --> 00:20:10,220
or Native Americans from hundreds of

460
00:20:14,860 --> 00:20:13,490
years ago or you know so I think they go

461
00:20:17,560 --> 00:20:14,870
around and they pick up people from

462
00:20:21,370 --> 00:20:17,570
various times as well as various places

463
00:20:23,650 --> 00:20:21,380

and so time isn't the same for them so

464

00:20:24,940 --> 00:20:23,660

they might be able to be in contact with

465

00:20:27,760 --> 00:20:24,950

one of my descendants from five hundred

466

00:20:29,620 --> 00:20:27,770

years from now for all I know we even

467

00:20:32,560 --> 00:20:29,630

been on the same ship together or even

468

00:20:35,830 --> 00:20:32,570

met but wouldn't know it so but there is

469

00:20:38,520 --> 00:20:35,840

they do say they're interested in me for

470

00:20:41,649 --> 00:20:38,530

my DNA so I guess there are certain

471

00:20:44,169 --> 00:20:41,659

parts of DNA that they're interested in

472

00:20:45,940 --> 00:20:44,179

or my team is my team has specifically

473

00:20:48,279 --> 00:20:45,950

said they're geneticists and they're

474

00:20:50,039 --> 00:20:48,289

working with DNA I'm sure there's other

475

00:20:53,890 --> 00:20:50,049

teams that are working with different

476
00:20:58,720 --> 00:20:53,900
projects and different interests do you

477
00:21:01,899 --> 00:20:58,730
think it's may be trying to hone in I

478
00:21:03,940 --> 00:21:01,909
guess just the right because a lot of

479
00:21:05,890 --> 00:21:03,950
people you know the door into this they

480
00:21:09,460 --> 00:21:05,900
understand it there there's t hybrids

481
00:21:11,110 --> 00:21:09,470
and a hybrid race being created and I

482
00:21:13,779 --> 00:21:11,120
know you and I have often talked about

483
00:21:15,549 --> 00:21:13,789
this too regarding this these different

484
00:21:17,380 --> 00:21:15,559
vibrations between their reality and

485
00:21:21,070 --> 00:21:17,390
ours do you think this is just kind of

486
00:21:24,340 --> 00:21:21,080
bridging that gap by I guess trying to

487
00:21:27,580 --> 00:21:24,350
create create I guess a being that can

488
00:21:30,730 --> 00:21:27,590

just be right in that and that pushin

489

00:21:33,130 --> 00:21:30,740

that makes a lot of sense because I know

490

00:21:35,260 --> 00:21:33,140

I have begged them to just come and

491

00:21:37,930 --> 00:21:35,270

materialize in my living room so I could

492

00:21:41,140 --> 00:21:37,940

call a news crew it would make things so

493

00:21:43,330 --> 00:21:41,150

much easier and they they won't but I

494

00:21:46,029 --> 00:21:43,340

also understand that they can't it's

495

00:21:48,549 --> 00:21:46,039

very very hard for them because we do

496

00:21:52,110 --> 00:21:48,559

vibrate or you know move at a different

497

00:21:54,370 --> 00:21:52,120

level than their reality and it's

498

00:21:56,620 --> 00:21:54,380

difficult if not impossible for them to

499

00:21:59,590 --> 00:21:56,630

do that and also for them to bring us up

500

00:22:02,649 --> 00:21:59,600

so that makes a lot of sense that

501
00:22:04,120 --> 00:22:02,659
they're working with making beings that

502
00:22:05,860 --> 00:22:04,130
can be like a bridge like an

503
00:22:08,350 --> 00:22:05,870
intermediary between the two

504
00:22:09,850 --> 00:22:08,360
we can see because so many humans won't

505
00:22:12,760 --> 00:22:09,860
believe until there's something tangible

506
00:22:14,620 --> 00:22:12,770
that they can see and touch and then

507
00:22:17,560 --> 00:22:14,630
they'll say okay now I believe that

508
00:22:22,289 --> 00:22:17,570
aliens exist so that could well be what

509
00:22:26,140 --> 00:22:22,299
they're doing I have this question is

510
00:22:29,680 --> 00:22:26,150
from Christie there's my wife she is

511
00:22:32,440 --> 00:22:29,690
helping me out with getting working on

512
00:22:34,090 --> 00:22:32,450
these little snippets for these

513
00:22:35,890 --> 00:22:34,100

different videos I've already done and

514

00:22:38,110 --> 00:22:35,900

so she looked over your videos and

515

00:22:39,700 --> 00:22:38,120

wanted to submit some questions I said

516

00:22:41,470 --> 00:22:39,710

well it wouldn't be fair if I submit all

517

00:22:44,560 --> 00:22:41,480

your questions since everyone was only

518

00:22:48,029 --> 00:22:44,570

able to submit maybe one or two so

519

00:22:52,120 --> 00:22:48,039

anyway one of her first questions was

520

00:22:55,450 --> 00:22:52,130

this is that the disaster the aliens

521

00:22:57,730 --> 00:22:55,460

were showing you of the earth coincide

522

00:23:01,840 --> 00:22:57,740

with the Nostradamus prophecies offered

523

00:23:04,710 --> 00:23:01,850

do you think the aliens were able to

524

00:23:07,630 --> 00:23:04,720

shift the consciousness enough off

525

00:23:11,500 --> 00:23:07,640

enough people to change the fate of our

526

00:23:15,399 --> 00:23:11,510

planet I do believe that because I was

527

00:23:17,260 --> 00:23:15,409

really convinced in the 1990s that

528

00:23:18,669 --> 00:23:17,270

something really awful was going to

529

00:23:20,320 --> 00:23:18,679

happen and it was going to kill a lot of

530

00:23:23,110 --> 00:23:20,330

people and caused a lot of destruction

531

00:23:26,490 --> 00:23:23,120

and that I believe that's what

532

00:23:30,100 --> 00:23:26,500

Nostradamus was talking about also and

533

00:23:32,399 --> 00:23:30,110

it was averted it's you know we did have

534

00:23:34,570 --> 00:23:32,409

some bad hurricanes and some bad

535

00:23:36,570 --> 00:23:34,580

earthquakes and volcanoes and things

536

00:23:40,210 --> 00:23:36,580

like that but nothing on a massive scale

537

00:23:42,370 --> 00:23:40,220

that would I think the purpose of those

538

00:23:46,240 --> 00:23:42,380

was to try to get human consciousness to

539

00:23:48,460 --> 00:23:46,250

wake up and see the light so to say but

540

00:23:49,990 --> 00:23:48,470

I think maybe even with the invention of

541

00:23:52,269 --> 00:23:50,000

the internet and more and more people

542

00:23:54,360 --> 00:23:52,279

are able to connect and find things on

543

00:23:56,919 --> 00:23:54,370

YouTube that answer their questions and

544

00:23:59,889 --> 00:23:56,929

raise their vibration enough for their

545

00:24:02,980 --> 00:23:59,899

consciousness I think we reached a

546

00:24:06,630 --> 00:24:02,990

tipping point and we actually went on

547

00:24:09,610 --> 00:24:06,640

the right direction sometime around

548

00:24:11,769 --> 00:24:09,620

1999-2000 maybe it was even a period of

549

00:24:14,740 --> 00:24:11,779

time up to 2012 because that was a big

550

00:24:17,020 --> 00:24:14,750

marker - for a lot of people but I

551
00:24:19,750 --> 00:24:17,030
really they've stopped showing me any

552
00:24:22,000 --> 00:24:19,760
signs of disruption and

553
00:24:23,800 --> 00:24:22,010
they've shown me real positive signs of

554
00:24:28,090 --> 00:24:23,810
people working together small

555
00:24:31,360 --> 00:24:28,100
communities sharing working together all

556
00:24:33,820 --> 00:24:31,370
for you know taking care of the earth a

557
00:24:36,370 --> 00:24:33,830
lot better than we did it seems like we

558
00:24:38,680 --> 00:24:36,380
have a long way to go still but we

559
00:24:40,570 --> 00:24:38,690
didn't have a massive disaster and

560
00:24:43,060 --> 00:24:40,580
they're not showing me or telling me

561
00:24:45,190 --> 00:24:43,070
that we're going to have one yeah that's

562
00:24:46,600 --> 00:24:45,200
quite interesting especially there must

563
00:24:50,650 --> 00:24:46,610

have been some kind of shift because

564

00:24:54,820 --> 00:24:50,660

almost most stories especially David

565

00:24:57,790 --> 00:24:54,830

Jacobs books with with the D doing the

566

00:25:00,280 --> 00:24:57,800

regressions and all these things and of

567

00:25:02,830 --> 00:25:00,290

course then Dolores cannon had more

568

00:25:05,350 --> 00:25:02,840

books that explained more of the

569

00:25:09,220 --> 00:25:05,360

backstory of okay you got to get deeper

570

00:25:11,380 --> 00:25:09,230

below that fear and they've been videos

571

00:25:13,300 --> 00:25:11,390

of being I guess not videos but these

572

00:25:16,030 --> 00:25:13,310

projections shown to them about all

573

00:25:19,360 --> 00:25:16,040

these disasters that should have been

574

00:25:22,900 --> 00:25:19,370

happening against that scale and either

575

00:25:25,810 --> 00:25:22,910

have happened but in a very minor way

576
00:25:28,720 --> 00:25:25,820
based on what was predicted you know or

577
00:25:32,260 --> 00:25:28,730
not at all so something some change

578
00:25:34,540 --> 00:25:32,270
definitely has occurred yes it did I

579
00:25:37,150 --> 00:25:34,550
don't know if the aliens intervened if

580
00:25:41,020 --> 00:25:37,160
it was divine intervention or if humans

581
00:25:43,180 --> 00:25:41,030
themselves actually enough of us got it

582
00:25:46,780 --> 00:25:43,190
you know got the idea that we need to be

583
00:25:49,600 --> 00:25:46,790
more loving and less hostile and and

584
00:25:52,240 --> 00:25:49,610
more accepting something I think

585
00:25:54,130 --> 00:25:52,250
something averted a really bad disaster

586
00:25:56,260 --> 00:25:54,140
that could have possibly sent us back to

587
00:25:58,300 --> 00:25:56,270
like Stone Age living right over giving

588
00:26:01,150 --> 00:25:58,310

me images of that you know learning how

589

00:26:03,760 --> 00:26:01,160

to make a fire and and catch my own fish

590

00:26:05,140 --> 00:26:03,770

and that was kind of scary to think that

591

00:26:10,660 --> 00:26:05,150

we were gonna have to live that way but

592

00:26:15,070 --> 00:26:10,670

I'm not seeing that anymore I hope the

593

00:26:18,040 --> 00:26:15,080

next question is from Daisy corn groom

594

00:26:21,400 --> 00:26:18,050

Scotland I'm sorry from butchering these

595

00:26:24,580 --> 00:26:21,410

things that game of these of the cities

596

00:26:28,070 --> 00:26:24,590

the question is pretty funny the

597

00:26:31,019 --> 00:26:28,080

question is what to do alien smell like

598

00:26:33,149 --> 00:26:31,029

that is a good question because as far

599

00:26:35,700 --> 00:26:33,159

as I know the aliens bodies themselves

600

00:26:38,820 --> 00:26:35,710

don't seem to have a smell but the ships

601
00:26:44,219 --> 00:26:38,830
definitely do it's it's like musty and

602
00:26:46,680 --> 00:26:44,229
it's kind of like sour vegetables not

603
00:26:48,359 --> 00:26:46,690
really unpleasant like like sauerkraut I

604
00:26:51,659 --> 00:26:48,369
find very unpleasant it's not quite that

605
00:26:55,409 --> 00:26:51,669
bad but it's kind of like a sour

606
00:27:00,649 --> 00:26:55,419
vegetable smell kind of not not real

607
00:27:02,549 --> 00:27:00,659
Pleasant okay this one is from

608
00:27:07,379 --> 00:27:02,559
honeysuckle sand

609
00:27:09,659 --> 00:27:07,389
Alvin's United Kingdom and but the

610
00:27:15,779 --> 00:27:09,669
question is how can I improve my chances

611
00:27:17,849 --> 00:27:15,789
of seeing a UFO I actually have not seen

612
00:27:20,009 --> 00:27:17,859
that many among my interactions haven't

613
00:27:22,909 --> 00:27:20,019

been more of a personal nature but I

614

00:27:26,930 --> 00:27:22,919

have seen a few a few you know red and

615

00:27:29,700 --> 00:27:26,940

orange glowing lights in the sky and I

616

00:27:32,609 --> 00:27:29,710

think intention setting your intention

617

00:27:35,940 --> 00:27:32,619

is a big one again the free will you ask

618

00:27:37,680 --> 00:27:35,950

them ask them to show themselves and set

619

00:27:40,259 --> 00:27:37,690

the intention that I'm gonna see this

620

00:27:42,479 --> 00:27:40,269

I'm gonna see them and maybe bring your

621

00:27:45,989 --> 00:27:42,489

camera with you when you go outside and

622

00:27:47,580 --> 00:27:45,999

be listening for a little hint or a gut

623

00:27:49,739 --> 00:27:47,590

feeling go outside

624

00:27:51,089 --> 00:27:49,749

my sister has actually done really well

625

00:27:54,419 --> 00:27:51,099

with this since she moved out in the

626

00:27:56,460 --> 00:27:54,429

country in Arizona she'll get a feeling

627

00:27:58,589 --> 00:27:56,470

go outside right now and she'll take her

628

00:28:00,330 --> 00:27:58,599

camera and go outside and she's getting

629

00:28:03,419 --> 00:28:00,340

pictures of what she calls cloud ships

630

00:28:05,759 --> 00:28:03,429

there are clouds but it's pretty obvious

631

00:28:08,039 --> 00:28:05,769

that there's a ship hiding behind it or

632

00:28:09,810 --> 00:28:08,049

the shape or an outline of a ship and

633

00:28:13,169 --> 00:28:09,820

I've heard that happens with quite a few

634

00:28:15,889 --> 00:28:13,179

people and with others it happens at at

635

00:28:18,389 --> 00:28:15,899

nighttime where they get a feeling or

636

00:28:20,700 --> 00:28:18,399

just something impels them to go outside

637

00:28:22,369 --> 00:28:20,710

and look up in a certain area and

638

00:28:25,019 --> 00:28:22,379

they'll see it I'll see some orange

639

00:28:27,960 --> 00:28:25,029

flashing lights or something so just

640

00:28:29,820 --> 00:28:27,970

keep asking and and keep believing and

641

00:28:30,690 --> 00:28:29,830

and set the intention that you will be

642

00:28:33,690 --> 00:28:30,700

will see them

643

00:28:35,729 --> 00:28:33,700

I think this seems to be the bomb the

644

00:28:38,190 --> 00:28:35,739

biggest misconception when it comes to

645

00:28:40,769 --> 00:28:38,200

communication with ETS in general people

646

00:28:41,760 --> 00:28:40,779

always expect communication to occur the

647

00:28:45,299 --> 00:28:41,770

way we talk

648

00:28:48,000 --> 00:28:45,309

you know to to hear the voices and you

649

00:28:51,360 --> 00:28:48,010

know and somebody telling you hey go do

650

00:28:53,310 --> 00:28:51,370

this go do that you know and it's you

651
00:28:56,160 --> 00:28:53,320
know weird kind of way it's more subtle

652
00:28:58,650 --> 00:28:56,170
than that obviously much more subtle

653
00:29:02,130 --> 00:28:58,660
like it's yeah second you stop giving up

654
00:29:05,370 --> 00:29:02,140
the stop insisting on the idea that it

655
00:29:07,200 --> 00:29:05,380
has to be we are looking being standing

656
00:29:10,290 --> 00:29:07,210
in front of you speaking to you you know

657
00:29:12,180 --> 00:29:10,300
it kind of changes your perspective and

658
00:29:14,070 --> 00:29:12,190
then allows some communication to get

659
00:29:15,630 --> 00:29:14,080
through think a lot of times which is

660
00:29:17,100 --> 00:29:15,640
kind of hindered by blocking it out

661
00:29:18,630 --> 00:29:17,110
because we said what can't be

662
00:29:21,169 --> 00:29:18,640
there's nobody here talking to me so

663
00:29:23,850 --> 00:29:21,179

therefore you know it's not happening

664

00:29:27,330 --> 00:29:23,860

right I actually had someone write to me

665

00:29:28,980 --> 00:29:27,340

and say I want contact so bad and I keep

666

00:29:31,080 --> 00:29:28,990

getting these synchronicities but I'm

667

00:29:33,150 --> 00:29:31,090

not seeing the aliens and I said I

668

00:29:35,310 --> 00:29:33,160

believe that your synchronicities are

669

00:29:37,950 --> 00:29:35,320

the aliens reaching out to you you know

670

00:29:39,960 --> 00:29:37,960

that whether you're seeing 11:11 every

671

00:29:41,700 --> 00:29:39,970

time you look at the clock or you're

672

00:29:44,220 --> 00:29:41,710

thinking of someone and they call you on

673

00:29:47,310 --> 00:29:44,230

the phone or just synchronicities that's

674

00:29:49,380 --> 00:29:47,320

you're listening to your inner self and

675

00:29:53,490 --> 00:29:49,390

and that's who they're talking to is

676

00:29:55,410 --> 00:29:53,500

your inner self and learn to listen and

677

00:29:59,280 --> 00:29:55,420

pay attention to your gut feelings and

678

00:30:02,010 --> 00:29:59,290

and things you get hunches and

679

00:30:04,080 --> 00:30:02,020

intuitions don't just write it off as

680

00:30:08,160 --> 00:30:04,090

nonsense maybe follow through on it and

681

00:30:14,340 --> 00:30:08,170

see what happens right the next question

682

00:30:16,830 --> 00:30:14,350

is from Bonta leus from true roll United

683

00:30:22,410 --> 00:30:16,840

Kingdom and the question is why do the

684

00:30:24,270 --> 00:30:22,420

grace call us containers hmm as far as I

685

00:30:28,370 --> 00:30:24,280

know I haven't been called a container

686

00:30:34,230 --> 00:30:28,380

but they might say that behind my back

687

00:30:36,000 --> 00:30:34,240

they they see us as as a soul that the

688

00:30:39,120 --> 00:30:36,010

one of the biggest gifts they've given

689

00:30:41,520 --> 00:30:39,130

me is I don't fear death at all anymore

690

00:30:44,340 --> 00:30:41,530

because they have taken me out of my

691

00:30:46,710 --> 00:30:44,350

body and so I know I exist outside of

692

00:30:49,290 --> 00:30:46,720

this body so they may just see our

693

00:30:52,290 --> 00:30:49,300

bodies as as containers or some people

694

00:30:54,480 --> 00:30:52,300

call the meat suits just it's it's

695

00:30:54,870 --> 00:30:54,490

something that our souls live in in

696

00:30:57,630 --> 00:30:54,880

order to

697

00:31:05,850 --> 00:30:57,640

carry out our life on earth but were

698

00:31:09,200 --> 00:31:05,860

much more than that the world souls but

699

00:31:11,880 --> 00:31:09,210

this one is from Gucci Houston Texas

700

00:31:14,600 --> 00:31:11,890

I've heard some strange stories that

701
00:31:18,060 --> 00:31:14,610
your force might your force might

702
00:31:23,340 --> 00:31:18,070
biological or might be biological could

703
00:31:25,230 --> 00:31:23,350
you elaborate on that yes I whenever I

704
00:31:28,590 --> 00:31:25,240
see the Hollywood movies like Star Wars

705
00:31:30,270 --> 00:31:28,600
and that it's it's like no no no that's

706
00:31:33,050 --> 00:31:30,280
not what their spaceships look like at

707
00:31:35,280 --> 00:31:33,060
all the ones I've been in they are very

708
00:31:38,220 --> 00:31:35,290
biological some people have said they

709
00:31:40,470 --> 00:31:38,230
they're living which it's possible they

710
00:31:43,290 --> 00:31:40,480
are because they move and they almost

711
00:31:44,640 --> 00:31:43,300
have a breathing whooshing kind of sound

712
00:31:48,450 --> 00:31:44,650
but I don't know if maybe that's just

713
00:31:51,810 --> 00:31:48,460

the the oxygen or whatever flowing

714

00:31:54,030 --> 00:31:51,820

through them but there are more like I

715

00:31:56,250 --> 00:31:54,040

would say more like a terrarium or an

716

00:31:59,580 --> 00:31:56,260

aquarium than then the ships with the

717

00:32:02,960 --> 00:31:59,590

long metal hallways like Hollywood shows

718

00:32:06,480 --> 00:32:02,970

us because they use plants for

719

00:32:09,570 --> 00:32:06,490

oxygenation and they use waterfalls I've

720

00:32:11,820 --> 00:32:09,580

seen that being used for purifying their

721

00:32:15,630 --> 00:32:11,830

water and and also that you know adds

722

00:32:19,290 --> 00:32:15,640

humidity to their atmosphere and they

723

00:32:22,650 --> 00:32:19,300

work with nature whether earth nature or

724

00:32:26,040 --> 00:32:22,660

their nature rather than against it the

725

00:32:28,560 --> 00:32:26,050

way our technology seems to you know

726

00:32:32,490 --> 00:32:28,570

work in spite of nature whereas their

727

00:32:36,450 --> 00:32:32,500

technology seems to work with nature so

728

00:32:39,000 --> 00:32:36,460

so so are you saying that some of them

729

00:32:41,970 --> 00:32:39,010

was it mainly used for example like

730

00:32:46,050 --> 00:32:41,980

liquid was it mainly useful consumption

731

00:32:49,740 --> 00:32:46,060

or for more of a function to help build

732

00:32:51,930 --> 00:32:49,750

up the I guess the environment yeah it

733

00:32:54,480 --> 00:32:51,940

seems like the liquid is almost a part

734

00:32:56,910 --> 00:32:54,490

of their environment and there have been

735

00:33:00,420 --> 00:32:56,920

instances where I have been forced to

736

00:33:01,880 --> 00:33:00,430

breathe in liquid that started when I

737

00:33:04,890 --> 00:33:01,890

was really young being taken to this

738

00:33:07,440 --> 00:33:04,900

terrible scary black swimming pool where

739

00:33:10,620 --> 00:33:07,450

they would hold my head underwater

740

00:33:12,690 --> 00:33:10,630

six or seven years old and until I was

741

00:33:14,759 --> 00:33:12,700

drowning literally and had to breathe in

742

00:33:18,269 --> 00:33:14,769

but as soon as I breathed in I was fine

743

00:33:19,769 --> 00:33:18,279

and it was their preparation for me to

744

00:33:22,649 --> 00:33:19,779

be on these ships where you're actually

745

00:33:24,659 --> 00:33:22,659

breathing a liquid environment and I

746

00:33:28,019 --> 00:33:24,669

have an ex brother-in-law who works in

747

00:33:29,580 --> 00:33:28,029

aerospace and he asked for me to send

748

00:33:33,210 --> 00:33:29,590

him a book which surprised me because

749

00:33:34,950 --> 00:33:33,220

he's very analytical minded and he after

750

00:33:37,560 --> 00:33:34,960

he read it he wrote me and he said you

751
00:33:39,210 --> 00:33:37,570
do know that astronauts use a form of

752
00:33:41,279 --> 00:33:39,220
liquid oxygen and they're looking into

753
00:33:44,340 --> 00:33:41,289
using that for long-term spaceflight and

754
00:33:47,899 --> 00:33:44,350
no I didn't know that and and it kind of

755
00:33:50,549 --> 00:33:47,909
confirmed my experiences so their

756
00:33:52,560 --> 00:33:50,559
atmosphere is kind of a liquid not

757
00:33:54,960 --> 00:33:52,570
always though not not in every ship each

758
00:33:57,769 --> 00:33:54,970
ship is different but in some of the

759
00:34:00,269 --> 00:33:57,779
ships you do actually breathe that and

760
00:34:02,070 --> 00:34:00,279
they don't eat or drink

761
00:34:03,509 --> 00:34:02,080
well they might drink but they don't eat

762
00:34:07,520 --> 00:34:03,519
the way we do I don't believe they have

763
00:34:10,230 --> 00:34:07,530

digestive systems like we do but they

764

00:34:12,599 --> 00:34:10,240

explain some of them evolved from plants

765

00:34:15,649 --> 00:34:12,609

and use more like a photosynthesis

766

00:34:18,659 --> 00:34:15,659

process to get their nutritional needs

767

00:34:22,109 --> 00:34:18,669

so that could also be why they need

768

00:34:25,559 --> 00:34:22,119

plants and water um some of it is hard

769

00:34:28,050 --> 00:34:25,569

for me to understand right there said

770

00:34:30,480 --> 00:34:28,060

the movie abyss and there's a little bit

771

00:34:33,200 --> 00:34:30,490

of the first time I've ever seen it and

772

00:34:35,700 --> 00:34:33,210

for the longest time I thought there was

773

00:34:37,710 --> 00:34:35,710

science fiction maybe at that time it

774

00:34:41,639 --> 00:34:37,720

was there might not have developed it

775

00:34:44,790 --> 00:34:41,649

but at that time but it said oxygenated

776

00:34:47,879 --> 00:34:44,800

liquid that you basically fill your

777

00:34:50,669 --> 00:34:47,889

lungs with it and you extract the oxygen

778

00:34:54,359 --> 00:34:50,679

from from that which would be kind of

779

00:34:56,040 --> 00:34:54,369

weird to be inhaling it was terrifying

780

00:34:57,750 --> 00:34:56,050

because I thought I was drowning I had

781

00:35:00,930 --> 00:34:57,760

nightmares of drowning for years and

782

00:35:03,240 --> 00:35:00,940

years until I realized it's not hurting

783

00:35:05,910 --> 00:35:03,250

me in fact it's kind of pleasant because

784

00:35:07,380 --> 00:35:05,920

it's not dry you know like in the winter

785

00:35:09,420 --> 00:35:07,390

time we have our heater on and your

786

00:35:10,770 --> 00:35:09,430

sinuses get dry and that but that

787

00:35:13,859 --> 00:35:10,780

doesn't happen when you're breathing

788

00:35:16,400 --> 00:35:13,869

this this liquid atmosphere well I mean

789

00:35:19,470 --> 00:35:16,410

I think it doesn't matter even even

790

00:35:20,600 --> 00:35:19,480

abducting adult full-on adults they're

791

00:35:21,830 --> 00:35:20,610

still

792

00:35:26,420 --> 00:35:21,840

misunderstanding and miscommunication

793

00:35:28,760 --> 00:35:26,430

about things cuz I can only imagine my

794

00:35:32,420 --> 00:35:28,770

youngest one is one and the Gaborik itis

795

00:35:33,980 --> 00:35:32,430

and so he has to there's that inhaler

796

00:35:37,040 --> 00:35:33,990

that they give him just helps him

797

00:35:38,660 --> 00:35:37,050

breathe better but he's not terrified of

798

00:35:40,880 --> 00:35:38,670

it but just doesn't doesn't like it and

799

00:35:42,800 --> 00:35:40,890

I have to count hold him down and then

800

00:35:44,930 --> 00:35:42,810

you don't press that spray and have him

801
00:35:46,760 --> 00:35:44,940
inhale it at least a few times and then

802
00:35:48,920 --> 00:35:46,770
you know so that he can get that dose

803
00:35:50,420 --> 00:35:48,930
but I'm thinking back I'm looking at my

804
00:35:52,610 --> 00:35:50,430
wife like he's probably gonna remember

805
00:35:53,930 --> 00:35:52,620
this as torture or something and what

806
00:35:56,030 --> 00:35:53,940
we're trying to do is help him out

807
00:35:58,250 --> 00:35:56,040
because otherwise he won't sit still or

808
00:36:00,680 --> 00:35:58,260
won't you know won't accept it you know

809
00:36:03,170 --> 00:36:00,690
so since you mentioned you know you said

810
00:36:04,490 --> 00:36:03,180
says six you were six one wouldn't that

811
00:36:06,260 --> 00:36:04,500
happen and the first time I remember

812
00:36:08,950 --> 00:36:06,270
right especially that act of somebody

813
00:36:11,570 --> 00:36:08,960

holding your head underneath you know

814

00:36:13,640 --> 00:36:11,580

liquid which would it's generally a

815

00:36:17,270 --> 00:36:13,650

terrifying experience for you know for

816

00:36:19,550 --> 00:36:17,280

humans and living on earth so yeah yeah

817

00:36:22,010 --> 00:36:19,560

and and it's interesting you say you're

818

00:36:24,650 --> 00:36:22,020

one year old because I think that's kind

819

00:36:26,990 --> 00:36:24,660

of how we are compared to the aliens

820

00:36:28,520 --> 00:36:27,000

they know so much more than us and

821

00:36:31,370 --> 00:36:28,530

there's so much more advanced and they

822

00:36:33,200 --> 00:36:31,380

know this is good for us to learn to do

823

00:36:35,240 --> 00:36:33,210

this but we're fighting and kicking and

824

00:36:38,210 --> 00:36:35,250

screaming the whole way but they're

825

00:36:39,560 --> 00:36:38,220

trying to show us that this this is a

826

00:36:43,280 --> 00:36:39,570

good thing and this will probably be

827

00:36:45,530 --> 00:36:43,290

part of our future so but they can't

828

00:36:49,670 --> 00:36:45,540

really explain it to us so they just

829

00:36:52,820 --> 00:36:49,680

force us sometimes I guess right I think

830

00:36:53,990 --> 00:36:52,830

it's a lot of times well I'm not blaming

831

00:36:58,910 --> 00:36:54,000

anyone that's ever been in that

832

00:37:02,240 --> 00:36:58,920

situation but I think if if people don't

833

00:37:04,460 --> 00:37:02,250

easily go along with with quote/unquote

834

00:37:07,940 --> 00:37:04,470

strangers you know especially if they

835

00:37:09,680 --> 00:37:07,950

look strange you use that you know

836

00:37:13,250 --> 00:37:09,690

somebody trying to give you some

837

00:37:15,170 --> 00:37:13,260

directions although no matter how you

838

00:37:19,430 --> 00:37:15,180

know good-willed it is it's still gonna

839

00:37:23,000 --> 00:37:19,440

make you hesitant you know I definitely

840

00:37:25,160 --> 00:37:23,010

change thing we had that we're kind of

841

00:37:27,560 --> 00:37:25,170

we're through with our questions you

842

00:37:29,720 --> 00:37:27,570

know and you know I appreciate you

843

00:37:32,660 --> 00:37:29,730

taking the time my hope people watching

844

00:37:34,550 --> 00:37:32,670

would get their answers and if you would

845

00:37:37,640 --> 00:37:34,560

like to try to be longer we can

846

00:37:40,250 --> 00:37:37,650

you if you got a go then I certainly do

847

00:37:43,670 --> 00:37:40,260

appreciate your time and you know we'll

848

00:37:46,580 --> 00:37:43,680

we can continue to some other time no I

849

00:37:49,490 --> 00:37:46,590

I have some free time now good if you

850

00:37:52,310 --> 00:37:49,500

had any questions or what why not use

851

00:37:54,410 --> 00:37:52,320

the opportunity to okay maybe cover some

852

00:37:57,410 --> 00:37:54,420

things that a lot of times people don't

853

00:38:00,770 --> 00:37:57,420

don't talk about mom hmm

854

00:38:02,870 --> 00:38:00,780

certainly this webcast it's not about me

855

00:38:05,360 --> 00:38:02,880

but since some people might know about

856

00:38:07,130 --> 00:38:05,370

my experiences be asking you some

857

00:38:09,140 --> 00:38:07,140

questions based on what I have

858

00:38:11,140 --> 00:38:09,150

experienced or what do you view would

859

00:38:13,070 --> 00:38:11,150

have been on this but I noticed them

860

00:38:15,560 --> 00:38:13,080

especially when it comes to screen

861

00:38:18,590 --> 00:38:15,570

memories people have often talked about

862

00:38:20,810 --> 00:38:18,600

screen memories and saying that they

863

00:38:24,470 --> 00:38:20,820

were imposed on them and in my personal

864

00:38:27,170 --> 00:38:24,480

experience is that I found that because

865

00:38:29,330 --> 00:38:27,180

of my lack of understanding and

866

00:38:31,610 --> 00:38:29,340

especially for our reality being a

867

00:38:35,510 --> 00:38:31,620

certain way with his own set of rules

868

00:38:38,120 --> 00:38:35,520

and all our own definitions sometimes we

869

00:38:40,910 --> 00:38:38,130

can't interpret certain things so a lot

870

00:38:43,490 --> 00:38:40,920

of the screen memories are even I guess

871

00:38:46,520 --> 00:38:43,500

done by ourselves just to have something

872

00:38:49,130 --> 00:38:46,530

familiar something we can match to you

873

00:38:51,860 --> 00:38:49,140

know because I know a lot of times where

874

00:38:55,190 --> 00:38:51,870

I thought I was looking at the tree or

875

00:38:58,190 --> 00:38:55,200

at a certain being that that's not who

876

00:39:00,560 --> 00:38:58,200

they really were but I really my mind

877

00:39:05,990 --> 00:39:00,570

and the way the human mind works wants

878

00:39:08,600 --> 00:39:06,000

to have a enclosed defined object to

879

00:39:11,620 --> 00:39:08,610

interact with so that's what came about

880

00:39:13,730 --> 00:39:11,630

and it wasn't that they were trying to

881

00:39:16,310 --> 00:39:13,740

misrepresent themselves or hide

882

00:39:19,610 --> 00:39:16,320

something from and what do you think

883

00:39:22,070 --> 00:39:19,620

about that that's the conclusion I've

884

00:39:24,710 --> 00:39:22,080

come to not not too long ago I used to

885

00:39:28,670 --> 00:39:24,720

think it was them imposing their will on

886

00:39:30,740 --> 00:39:28,680

me making me think I was in a glass

887

00:39:32,570 --> 00:39:30,750

elevator in a very tall building and

888

00:39:34,580 --> 00:39:32,580

then you know after I woke up and

889

00:39:37,070 --> 00:39:34,590

thought about it I realized that was not

890

00:39:39,980 --> 00:39:37,080

a glass elevator that was a UFO and

891

00:39:42,290 --> 00:39:39,990

things like that but yes I have come to

892

00:39:42,839 --> 00:39:42,300

realize more and more as I know them now

893

00:39:46,049 --> 00:39:42,849

and I know

894

00:39:47,579 --> 00:39:46,059

there they're actually very gentle and

895

00:39:49,679 --> 00:39:47,589

loving and they wouldn't want to

896

00:39:53,219 --> 00:39:49,689

forcefully impose things on us unless

897

00:39:56,309 --> 00:39:53,229

they absolutely have to that it probably

898

00:39:58,499 --> 00:39:56,319

was my own brain filling in I was found

899

00:40:00,479 --> 00:39:58,509

myself flying through the sky and being

900

00:40:02,579 --> 00:40:00,489

able to look down and look around and

901
00:40:04,969 --> 00:40:02,589
going way too fast so I knew it wasn't

902
00:40:07,859 --> 00:40:04,979
an airplane so my brain probably

903
00:40:09,719 --> 00:40:07,869
concocted a glass elevator that I

904
00:40:12,719 --> 00:40:09,729
remember from being in and in a tall

905
00:40:15,809 --> 00:40:12,729
building in a city once so yeah I think

906
00:40:18,599 --> 00:40:15,819
a lot of it is is our own brains not so

907
00:40:21,630 --> 00:40:18,609
much them it's just things that are just

908
00:40:23,880 --> 00:40:21,640
so far beyond what we can comprehend our

909
00:40:27,479 --> 00:40:23,890
brains just fill in the gaps right and

910
00:40:30,089 --> 00:40:27,489
uh so have you had any contact recently

911
00:40:33,209 --> 00:40:30,099
or anything that occurred to you that

912
00:40:34,199 --> 00:40:33,219
you would like to share not as much

913
00:40:37,169 --> 00:40:34,209

recently

914

00:40:38,549 --> 00:40:37,179

no it's like after I wrote the book and

915

00:40:40,349 --> 00:40:38,559

got it published and went out and did

916

00:40:44,489 --> 00:40:40,359

some talks and did some interviews it's

917

00:40:47,609 --> 00:40:44,499

like they've kind of I feel like yes you

918

00:40:50,099 --> 00:40:47,619

might yeah exactly my alias

919

00:40:52,469 --> 00:40:50,109

seven-foot-tall praying mantis alien who

920

00:40:55,529 --> 00:40:52,479

I was always close to ever since I was a

921

00:40:57,809 --> 00:40:55,539

little girl I feel like he's out there

922

00:41:00,419 --> 00:40:57,819

working with other people now and

923

00:41:01,919 --> 00:41:00,429

connecting with other people and it's

924

00:41:04,949 --> 00:41:01,929

odd because there's no sense of jealousy

925

00:41:07,199 --> 00:41:04,959

like there would be with human kind of

926
00:41:09,749 --> 00:41:07,209
relationship I'm I'm happy and I'm

927
00:41:12,569 --> 00:41:09,759
excited that he's out working with more

928
00:41:16,049 --> 00:41:12,579
people and I know that I'm still in

929
00:41:18,630 --> 00:41:16,059
their consciousness and I still do have

930
00:41:21,689 --> 00:41:18,640
you know brief interactions in dreams

931
00:41:24,959 --> 00:41:21,699
and actually what they're showing me

932
00:41:28,289 --> 00:41:24,969
more now is dreams of working together

933
00:41:30,719 --> 00:41:28,299
with small groups of people different

934
00:41:32,429 --> 00:41:30,729
different agent kind of like the groups

935
00:41:35,419 --> 00:41:32,439
that I see assembled inside the ships

936
00:41:38,039 --> 00:41:35,429
different ages different races different

937
00:41:40,349 --> 00:41:38,049
time periods even but we're all working

938
00:41:41,880 --> 00:41:40,359

together towards a common goal whether

939

00:41:44,969 --> 00:41:41,890

we're helping each other climb up a hill

940

00:41:48,749 --> 00:41:44,979

or we're walking a long path with

941

00:41:50,609 --> 00:41:48,759

donkeys and dogs and chickens and but

942

00:41:52,290 --> 00:41:50,619

it's like we're working together and

943

00:41:55,110 --> 00:41:52,300

we're going somewhere

944

00:41:56,820 --> 00:41:55,120

and we don't talk much but we know we

945

00:42:02,400 --> 00:41:56,830

know we're all going towards this common

946

00:42:04,110 --> 00:42:02,410

goal and I feel that that's symbolic for

947

00:42:06,900 --> 00:42:04,120

what they're doing now now they're

948

00:42:10,860 --> 00:42:06,910

reaching maybe more people and getting

949

00:42:13,290 --> 00:42:10,870

us all to be together as kindred spirits

950

00:42:16,380 --> 00:42:13,300

and then we'll work together to some

951
00:42:19,770 --> 00:42:16,390
future goal which they have not told me

952
00:42:22,680 --> 00:42:19,780
at what it is but I believe that's kind

953
00:42:24,210 --> 00:42:22,690
of what the project is right now boy

954
00:42:25,620 --> 00:42:24,220
thing kinda gathering together wasn't

955
00:42:28,440 --> 00:42:25,630
along with what we were talking about

956
00:42:30,990 --> 00:42:28,450
earlier I think that's that's the best

957
00:42:34,080 --> 00:42:31,000
way to look at it because even like I

958
00:42:37,440 --> 00:42:34,090
was saying even this adult I find it

959
00:42:40,890 --> 00:42:37,450
that I don't know I don't mean to kind

960
00:42:43,680 --> 00:42:40,900
of kind of make us humans look so you

961
00:42:46,590 --> 00:42:43,690
know primitive and dumb but the way they

962
00:42:48,690 --> 00:42:46,600
look at thinks are way ahead way ahead

963
00:42:51,810 --> 00:42:48,700

of things I mean we're talking you know

964

00:42:54,300 --> 00:42:51,820

cosmic movements of and predictions of

965

00:42:57,810 --> 00:42:54,310

things so you know when something is

966

00:43:00,660 --> 00:42:57,820

happening and you know I only see five

967

00:43:03,330 --> 00:43:00,670

minutes at a time you know and so of

968

00:43:05,700 --> 00:43:03,340

course you know constantly keep looking

969

00:43:06,990 --> 00:43:05,710

you know I had so what was my contact

970

00:43:09,870 --> 00:43:07,000

where is this happening why they stopped

971

00:43:12,930 --> 00:43:09,880

and so on but you know things have all

972

00:43:14,700 --> 00:43:12,940

you have their purpose because it's hmm

973

00:43:17,190 --> 00:43:14,710

you know in my experience it was a lot

974

00:43:19,200 --> 00:43:17,200

easier when I was by myself living in

975

00:43:21,450 --> 00:43:19,210

the woods to have these experiences and

976

00:43:22,980 --> 00:43:21,460

learn all that I needed to learn when it

977

00:43:25,200 --> 00:43:22,990

was time to start a family you don't

978

00:43:27,900 --> 00:43:25,210

like were like well you you do you know

979

00:43:29,790 --> 00:43:27,910

now this is the path I needed to go now

980

00:43:32,370 --> 00:43:29,800

now recently things have picked up a bit

981

00:43:35,780 --> 00:43:32,380

again but you know the that's that I

982

00:43:38,460 --> 00:43:35,790

guess to to give an explanation to this

983

00:43:39,750 --> 00:43:38,470

childish human mind go you know why did

984

00:43:41,610 --> 00:43:39,760

they leave me you know I might not

985

00:43:43,320 --> 00:43:41,620

important enough anymore you know not

986

00:43:44,940 --> 00:43:43,330

that I ever thought but generally people

987

00:43:47,760 --> 00:43:44,950

would think that you know everything

988

00:43:49,740 --> 00:43:47,770

revolves around what we perceive is like

989

00:43:51,960 --> 00:43:49,750

if something is happening it's happening

990

00:43:54,350 --> 00:43:51,970

for a reason if it's not happening it's

991

00:43:59,970 --> 00:43:54,360

happening for a reason you know

992

00:44:01,800 --> 00:43:59,980

exhaustion let it be because because we

993

00:44:04,920 --> 00:44:01,810

all know we don't understand everything

994

00:44:06,030 --> 00:44:04,930

so why you keep insisting that we must

995

00:44:08,220 --> 00:44:06,040

get every

996

00:44:10,920 --> 00:44:08,230

Ingle part of their plan that's going on

997

00:44:12,930 --> 00:44:10,930

you know cuz sometimes thinks you know

998

00:44:14,940 --> 00:44:12,940

can only happen until we've achieved

999

00:44:17,310 --> 00:44:14,950

certain things in life and gotten to a

1000

00:44:19,740 --> 00:44:17,320

certain point you know for the things to

1001
00:44:21,630 --> 00:44:19,750
evolve and take the next step but that's

1002
00:44:24,750 --> 00:44:21,640
just that's where the the lessons and

1003
00:44:27,840 --> 00:44:24,760
patients would come you know would be or

1004
00:44:29,520 --> 00:44:27,850
want us to learn in order to evolve and

1005
00:44:32,480 --> 00:44:29,530
the thing is I think it's important to

1006
00:44:35,940 --> 00:44:32,490
remember I mean we're not this is not a

1007
00:44:38,100 --> 00:44:35,950
you know closed group thing that you

1008
00:44:40,740 --> 00:44:38,110
know only the chosen ones get to have

1009
00:44:43,260 --> 00:44:40,750
contact it's open for everybody I don't

1010
00:44:44,970 --> 00:44:43,270
know how you know how if you ever gotten

1011
00:44:47,430 --> 00:44:44,980
to that realization or that

1012
00:44:48,990 --> 00:44:47,440
understanding but it's all right there

1013
00:44:51,480 --> 00:44:49,000

for you to know everything you need to

1014

00:44:53,340 --> 00:44:51,490

know if you're open-minded enough if

1015

00:44:55,590 --> 00:44:53,350

you're if you're not and it's not in

1016

00:44:58,860 --> 00:44:55,600

your path it's gonna be a lot a lot more

1017

00:45:01,200 --> 00:44:58,870

challenging you know to you know to make

1018

00:45:04,410 --> 00:45:01,210

that transition to make contact you know

1019

00:45:06,420 --> 00:45:04,420

but if you are truly willing and they're

1020

00:45:09,420 --> 00:45:06,430

willing to communicate with anyone you

1021

00:45:11,700 --> 00:45:09,430

know that it's available yes yeah

1022

00:45:14,190 --> 00:45:11,710

that's what I think and and yeah as far

1023

00:45:16,860 --> 00:45:14,200

as dumb humans I sometimes feel like

1024

00:45:19,350 --> 00:45:16,870

they look on us as we might look on a

1025

00:45:21,990 --> 00:45:19,360

little brain-damaged puppy you know

1026
00:45:24,480 --> 00:45:22,000
that's how far beyond they understand

1027
00:45:26,460 --> 00:45:24,490
things and they see things we love it

1028
00:45:28,980 --> 00:45:26,470
and we were gonna take care of it and

1029
00:45:30,720 --> 00:45:28,990
we're gonna protect it but I think it's

1030
00:45:32,580 --> 00:45:30,730
it's fast I don't mean it at an

1031
00:45:35,100 --> 00:45:32,590
insulting way it's just I don't know how

1032
00:45:37,590 --> 00:45:35,110
else to describe it that such a gap

1033
00:45:41,280 --> 00:45:37,600
between mindset and understanding you

1034
00:45:43,230 --> 00:45:41,290
know that no because if we say oh they

1035
00:45:46,260 --> 00:45:43,240
are to us then what we are to the ants

1036
00:45:48,240 --> 00:45:46,270
or human mind thinks oh so they're tiny

1037
00:45:50,040 --> 00:45:48,250
so they can just destroy us it's like no

1038
00:45:52,470 --> 00:45:50,050

that's not what I'm trying to get it you

1039

00:45:56,640 --> 00:45:52,480

know the point here is that there's such

1040

00:45:58,560 --> 00:45:56,650

a what vast gap between you know the

1041

00:46:02,550 --> 00:45:58,570

understanding the the the mental

1042

00:46:05,700 --> 00:46:02,560

capacity the the power I guess for lack

1043

00:46:08,250 --> 00:46:05,710

of a better word you know that there's

1044

00:46:10,880 --> 00:46:08,260

no way nowhere no other way to describe

1045

00:46:15,660 --> 00:46:10,890

it but to use these silly analogies that

1046

00:46:17,280 --> 00:46:15,670

have their own tag dawn you know tagged

1047

00:46:17,850 --> 00:46:17,290

on belief system that has to be

1048

00:46:20,250 --> 00:46:17,860

clarified

1049

00:46:21,990 --> 00:46:20,260

you know like such a load of terms I

1050

00:46:23,400 --> 00:46:22,000

should say the same thing with God you

1051

00:46:25,470 --> 00:46:23,410

know God means different things to

1052

00:46:28,110 --> 00:46:25,480

different people but you know everyone

1053

00:46:29,610 --> 00:46:28,120

depends on who you are where you from

1054

00:46:31,460 --> 00:46:29,620

you're gonna take take a different

1055

00:46:36,870 --> 00:46:31,470

understanding when hearing that word

1056

00:46:39,690 --> 00:46:36,880

that's right yeah yeah so but they see

1057

00:46:43,020 --> 00:46:39,700

the potential in us they they know that

1058

00:46:45,270 --> 00:46:43,030

we have the potential so that's why they

1059

00:46:48,450 --> 00:46:45,280

have such patience with this and such

1060

00:46:50,490 --> 00:46:48,460

tolerance and keep on working with us

1061

00:46:52,350 --> 00:46:50,500

even though we're probably really

1062

00:46:54,210 --> 00:46:52,360

difficult to work with most of the time

1063

00:46:55,020 --> 00:46:54,220

and we just don't get it

1064

00:46:57,420 --> 00:46:55,030

it's like when you're trying to explain

1065

00:46:57,960 --> 00:46:57,430

a point to someone and they just don't

1066

00:46:59,910 --> 00:46:57,970

get it

1067

00:47:02,190 --> 00:46:59,920

you know I guess they probably feel that

1068

00:47:03,840 --> 00:47:02,200

way with us quite a bit but they don't

1069

00:47:05,460 --> 00:47:03,850

give up then they'll change their

1070

00:47:08,820 --> 00:47:05,470

tactics and try to explain it in a

1071

00:47:10,560 --> 00:47:08,830

different way do you would you like to

1072

00:47:12,870 --> 00:47:10,570

talk about a little bit about your state

1073

00:47:16,350 --> 00:47:12,880

of mind when you are generally in

1074

00:47:19,620 --> 00:47:16,360

contact it's time and space still the

1075

00:47:22,230 --> 00:47:19,630

same for you you know and any of the

1076
00:47:24,570 --> 00:47:22,240
differences I guess that there are very

1077
00:47:27,990 --> 00:47:24,580
unique to contact that is different from

1078
00:47:30,450 --> 00:47:28,000
what we consider our reality yeah well

1079
00:47:32,190 --> 00:47:30,460
that's why I still call it dreams even

1080
00:47:34,260 --> 00:47:32,200
though I know it's not dreams I mean I

1081
00:47:37,410 --> 00:47:34,270
have dreams and they're so different but

1082
00:47:40,860 --> 00:47:37,420
this is a it's a dream that's just as

1083
00:47:43,500 --> 00:47:40,870
real as this reality you see to you know

1084
00:47:47,970 --> 00:47:43,510
see hear taste touch and smell just as

1085
00:47:50,370 --> 00:47:47,980
much as you do here but it's there's a

1086
00:47:52,770 --> 00:47:50,380
it's very peaceful it's it's once you

1087
00:47:55,620 --> 00:47:52,780
get past that primal fear which is

1088
00:47:58,110 --> 00:47:55,630

coming from yourself they don't create

1089

00:48:01,260 --> 00:47:58,120

the fear they're trying to approach us

1090

00:48:03,600 --> 00:48:01,270

as pleasantly as they know how if their

1091

00:48:06,120 --> 00:48:03,610

fear and the screaming and all that

1092

00:48:09,600 --> 00:48:06,130

comes from our own primal reactions but

1093

00:48:12,810 --> 00:48:09,610

once I got past that then it was just

1094

00:48:14,490 --> 00:48:12,820

like but it took a long time and from

1095

00:48:18,150 --> 00:48:14,500

years from your point of view from what

1096

00:48:21,270 --> 00:48:18,160

I understand years many years decades no

1097

00:48:24,120 --> 00:48:21,280

decades okay cuz it started when I was

1098

00:48:24,870 --> 00:48:24,130

six as far as I remember with the

1099

00:48:26,580 --> 00:48:24,880

screaming

1100

00:48:29,280 --> 00:48:26,590

the night terrors and through my teenage

1101
00:48:32,190 --> 00:48:29,290
years and I think it was my late 20s

1102
00:48:34,260 --> 00:48:32,200
when I finally began thinking this might

1103
00:48:39,090 --> 00:48:34,270
be real and then in my 30s when I

1104
00:48:40,590 --> 00:48:39,100
realized this is real and I tried to do

1105
00:48:42,600 --> 00:48:40,600
it back and forth communication with

1106
00:48:45,210 --> 00:48:42,610
them and it took a long time to learn

1107
00:48:48,540 --> 00:48:45,220
how to do that so yeah it took a long

1108
00:48:50,580 --> 00:48:48,550
time but they I think they were kind of

1109
00:48:52,950 --> 00:48:50,590
experimenting with humans in the 50s and

1110
00:48:54,540 --> 00:48:52,960
60s with approaching us in the middle of

1111
00:48:56,070 --> 00:48:54,550
the night and terrifying us and they've

1112
00:48:58,230 --> 00:48:56,080
learned from people like me and the

1113
00:48:59,760 --> 00:48:58,240

hundreds or thousands of others like me

1114

00:49:02,250 --> 00:48:59,770

that they approached that that wasn't

1115

00:49:03,870 --> 00:49:02,260

the best way so now when they approach

1116

00:49:05,820 --> 00:49:03,880

people they're learning to do it in a

1117

00:49:08,270 --> 00:49:05,830

more gentle way in a more acceptable way

1118

00:49:11,280 --> 00:49:08,280

like telepathy in your ear or

1119

00:49:12,930 --> 00:49:11,290

synchronicity or things like that so

1120

00:49:15,330 --> 00:49:12,940

that people won't be so traumatized and

1121

00:49:17,370 --> 00:49:15,340

it won't take them 30 years to accept

1122

00:49:18,900 --> 00:49:17,380

that this is happening no no I don't

1123

00:49:20,970 --> 00:49:18,910

remember if I ever asked you but have

1124

00:49:23,280 --> 00:49:20,980

you heard of Darrel anchor channeling

1125

00:49:24,840 --> 00:49:23,290

Bashar yes

1126

00:49:27,090 --> 00:49:24,850

I've watched some of his youtubes but

1127

00:49:29,310 --> 00:49:27,100

what's interesting regarding that this

1128

00:49:31,980 --> 00:49:29,320

was years ago now but it's a clip I

1129

00:49:35,010 --> 00:49:31,990

remembered very well he was talking

1130

00:49:37,470 --> 00:49:35,020

about that even you know in in their

1131

00:49:39,840 --> 00:49:37,480

wisdom they had to change their tactics

1132

00:49:41,640 --> 00:49:39,850

and approach things differently because

1133

00:49:43,280 --> 00:49:41,650

of like you were mentioned in early an

1134

00:49:45,450 --> 00:49:43,290

interview about

1135

00:49:49,020 --> 00:49:45,460

agreements being made ahead of time

1136

00:49:51,750 --> 00:49:49,030

before we were born and they never

1137

00:49:54,300 --> 00:49:51,760

really leaving that reality to them that

1138

00:49:57,210 --> 00:49:54,310

agreement you know is something this

1139

00:50:00,300 --> 00:49:57,220

they obviously remember consciously

1140

00:50:01,410 --> 00:50:00,310

whereas we don't so they just you know

1141

00:50:04,140 --> 00:50:01,420

kind of come down

1142

00:50:08,160 --> 00:50:04,150

stop proceeding with the process because

1143

00:50:10,770 --> 00:50:08,170

they move agree to it you know and but

1144

00:50:12,690 --> 00:50:10,780

we don't remember so of course you know

1145

00:50:14,360 --> 00:50:12,700

they could they kind of based on he was

1146

00:50:16,770 --> 00:50:14,370

saying they had to adjust their

1147

00:50:19,380 --> 00:50:16,780

techniques and kind of realize okay they

1148

00:50:22,950 --> 00:50:19,390

kind of have to approach it in a more

1149

00:50:27,300 --> 00:50:22,960

I guess human way to kind of yeah to us

1150

00:50:29,850 --> 00:50:27,310

explain things and and and go about that

1151

00:50:31,440 --> 00:50:29,860

but I never um it was very interesting

1152

00:50:36,170 --> 00:50:31,450

because I knew something had changed

1153

00:50:38,700 --> 00:50:36,180

because my experiences have always been

1154

00:50:41,670 --> 00:50:38,710

respectful it was always the

1155

00:50:44,280 --> 00:50:41,680

never anything that I did not want to do

1156

00:50:46,050 --> 00:50:44,290

it was all about mainly them showing

1157

00:50:48,720 --> 00:50:46,060

agreed to restrain impatience and their

1158

00:50:50,520 --> 00:50:48,730

and because of that fear you know that

1159

00:50:52,320 --> 00:50:50,530

it doesn't matter how much you want to

1160

00:50:55,800 --> 00:50:52,330

contact and I know a lot of people like

1161

00:50:58,620 --> 00:50:55,810

to fantasize and dream about contact

1162

00:51:01,170 --> 00:50:58,630

it's such a weird experience and change

1163

00:51:03,360 --> 00:51:01,180

in your own consciousness that when that

1164

00:51:05,490 --> 00:51:03,370

starts happening you just want to get

1165

00:51:07,230 --> 00:51:05,500

out of it you just want to get out of it

1166

00:51:09,180 --> 00:51:07,240

make it stop you know because of that

1167

00:51:11,490 --> 00:51:09,190

transition in these I guess between

1168

00:51:14,280 --> 00:51:11,500

their their dimension and ours

1169

00:51:16,560 --> 00:51:14,290

there's so much that gets involved in in

1170

00:51:18,750 --> 00:51:16,570

that in that process of contact that

1171

00:51:19,770 --> 00:51:18,760

it's not just you know hold out your

1172

00:51:23,280 --> 00:51:19,780

hand saying hello

1173

00:51:24,990 --> 00:51:23,290

you know nice to meet you right so right

1174

00:51:27,060 --> 00:51:25,000

and and yeah if you're looking around

1175

00:51:28,800 --> 00:51:27,070

and you see things that just don't make

1176

00:51:31,230 --> 00:51:28,810

any sense and your brain is trying

1177

00:51:33,750 --> 00:51:31,240

desperately to fill in the gaps and

1178

00:51:35,520 --> 00:51:33,760

that's exhaust why that's one thing that

1179

00:51:40,190 --> 00:51:35,530

that's I think it's important to

1180

00:51:42,750 --> 00:51:40,200

understand maybe maybe maybe put like a

1181

00:51:44,940 --> 00:51:42,760

most of you know maybe that's something

1182

00:51:46,680 --> 00:51:44,950

you know I could do get it get in touch

1183

00:51:49,290 --> 00:51:46,690

with all the different contact decent

1184

00:51:51,630 --> 00:51:49,300

put a contact II you know handbook 101

1185

00:51:53,280 --> 00:51:51,640

together you know something like that

1186

00:51:55,950 --> 00:51:53,290

because that's that's one thing that

1187

00:51:58,650 --> 00:51:55,960

that's very obvious the brain will cling

1188

00:52:01,590 --> 00:51:58,660

on to anything anything that looks

1189

00:52:03,600 --> 00:52:01,600

remotely familiar to something they'll

1190

00:52:05,910 --> 00:52:03,610

they'll happen that that you're familiar

1191

00:52:08,730 --> 00:52:05,920

with in your reality so that you can

1192

00:52:11,700 --> 00:52:08,740

apply that image because sometimes these

1193

00:52:13,320 --> 00:52:11,710

energies are so different that I think

1194

00:52:15,780 --> 00:52:13,330

if you would just looked at them in this

1195

00:52:18,780 --> 00:52:15,790

raw filter that there would just be a

1196

00:52:21,060 --> 00:52:18,790

glowing ball of light you know with no

1197

00:52:23,060 --> 00:52:21,070

definite shape or anything like that

1198

00:52:25,320 --> 00:52:23,070

it's just my assumption you know that

1199

00:52:27,240 --> 00:52:25,330

immediately when when we see something

1200

00:52:30,390 --> 00:52:27,250

like that it's like no this has to be a

1201
00:52:34,950 --> 00:52:30,400
person or or or fog or or or something

1202
00:52:37,740 --> 00:52:34,960
you know to give a detention right right

1203
00:52:40,020 --> 00:52:37,750
like even crota praying mantis I don't

1204
00:52:42,900 --> 00:52:40,030
know that that's his real form that

1205
00:52:45,180 --> 00:52:42,910
might just be something I grew up in

1206
00:52:47,670 --> 00:52:45,190
Nova Scotia when I was really little and

1207
00:52:50,670 --> 00:52:47,680
I there were praying mantises around and

1208
00:52:51,820 --> 00:52:50,680
I like them and I remember letting him

1209
00:52:54,190 --> 00:52:51,830
walk on my hand and

1210
00:52:56,350 --> 00:52:54,200
stuff so who knows maybe he took that

1211
00:52:59,110 --> 00:52:56,360
memory out of my brain and made himself

1212
00:53:01,690 --> 00:52:59,120
look like a praying mantis to be more

1213
00:53:06,250 --> 00:53:01,700

acceptable in my eyes maybe that's not

1214

00:53:11,260 --> 00:53:06,260

what he looks like at all so it's it's

1215

00:53:15,340 --> 00:53:11,270

just bizarre well Donna thank you you

1216

00:53:18,460 --> 00:53:15,350

know I think a think is a good good

1217

00:53:21,460 --> 00:53:18,470

amount of information and I think

1218

00:53:24,490 --> 00:53:21,470

required covered quite quite a spectrum

1219

00:53:26,380 --> 00:53:24,500

here too and like I said I certainly

1220

00:53:28,630 --> 00:53:26,390

appreciate you taking time to talk to me

1221

00:53:31,510 --> 00:53:28,640

and answering these questions and how

1222

00:53:34,630 --> 00:53:31,520

people find these useful I guess in

1223

00:53:37,330 --> 00:53:34,640

conclusion I wanted to just if you could

1224

00:53:42,220 --> 00:53:37,340

please tell everyone about your book and

1225

00:53:45,640 --> 00:53:42,230

a website maybe and you know and I guess

1226
00:53:47,560 --> 00:53:45,650
we'll conclude with that okay my book is

1227
00:53:50,260 --> 00:53:47,570
published by Ozark Mountain publishing

1228
00:53:52,450 --> 00:53:50,270
which is Dolores canons publisher which

1229
00:53:56,410 --> 00:53:52,460
is who the aliens told me to send it to

1230
00:53:59,250 --> 00:53:56,420
and it's called from fear to love my

1231
00:54:03,340 --> 00:53:59,260
private journey and it's basically

1232
00:54:05,890 --> 00:54:03,350
journals over the years to keep myself

1233
00:54:07,630 --> 00:54:05,900
sane when I woke up in the morning and I

1234
00:54:10,300 --> 00:54:07,640
had all this craziness in my head I

1235
00:54:12,340 --> 00:54:10,310
would just write down whether I would

1236
00:54:14,890 --> 00:54:12,350
make sketches or write down comments or

1237
00:54:16,150 --> 00:54:14,900
write down full pages of stuff just so

1238
00:54:18,550 --> 00:54:16,160

that I could get it out of my head so

1239

00:54:21,460 --> 00:54:18,560

that then I could go on with life and be

1240

00:54:23,980 --> 00:54:21,470

a mom and an employee in a normal person

1241

00:54:25,810 --> 00:54:23,990

and I would stuff them away because I

1242

00:54:29,470 --> 00:54:25,820

thought it was too weird at the time and

1243

00:54:31,840 --> 00:54:29,480

then in about the 90s or the early 2000s

1244

00:54:33,430 --> 00:54:31,850

I decided to pull them out and see if I

1245

00:54:35,800 --> 00:54:33,440

could consolidate them and they kind of

1246

00:54:38,610 --> 00:54:35,810

came together pretty well and that's

1247

00:54:41,530 --> 00:54:38,620

basically what the book is I wrote

1248

00:54:43,270 --> 00:54:41,540

paragraphs and pages linking and what

1249

00:54:45,670 --> 00:54:43,280

happened in between and that but a lot

1250

00:54:48,700 --> 00:54:45,680

of it is just the journal entries over

1251

00:54:53,050 --> 00:54:48,710

the years and how I processed from

1252

00:54:56,880 --> 00:54:53,060

extreme fear into now love I recognize

1253

00:55:01,780 --> 00:54:56,890

the aliens of love and my website is

1254

00:55:03,880 --> 00:55:01,790

Donal in dreams calm and like I said I

1255

00:55:05,590 --> 00:55:03,890

it's not really dreams but I still call

1256

00:55:07,660 --> 00:55:05,600

them dreams that's the closest

1257

00:55:09,910 --> 00:55:07,670

explanation I can come to what happens

1258

00:55:11,470 --> 00:55:09,920

when I interact with them especially at

1259

00:55:13,930 --> 00:55:11,480

night all right

1260

00:55:15,490 --> 00:55:13,940

and I'm on Facebook as Donna Lynn dreams

1261

00:55:17,710 --> 00:55:15,500

also good deal

1262

00:55:21,280 --> 00:55:17,720

all right well Donna thank you very much
