CATHERINE HUGHES

1
00:00:11,810 --> 00:00:10,270

[Music]

2
00:00:13,759 --> 00:00:11,820

hey everyone

3
00:00:16,039 --> 00:00:13,769

today's guest is going to be Katherine

4
00:00:17,750 --> 00:00:16,049

Hughes she say animal communicator and

5
00:00:19,189 --> 00:00:17,760

I'm going to be asking her all the

6
00:00:22,370 --> 00:00:19,199

questions that you guys have submitted

7
00:00:24,620 --> 00:00:22,380

and hopefully getting a chance to talk

8
00:00:28,189 --> 00:00:24,630

to her in general about what it is like

9
00:00:29,870 --> 00:00:28,199

being a psychic so let's get started

10
00:00:32,810 --> 00:00:29,880

hey Katherine welcome to the webcast

11
00:00:33,880 --> 00:00:32,820

nice to have you on hi and then thank

12
00:00:37,580 --> 00:00:33,890

you for having me

13
00:00:39,319 --> 00:00:37,590

well I figured we'll get straight to the

14

00:00:40,940 --> 00:00:39,329

questions and I'm pretty sure when we're

15

00:00:44,840 --> 00:00:40,950

done I'll ask you some questions on my

16

00:00:48,310 --> 00:00:44,850

own and you know let's I guess we'll get

17

00:00:51,470 --> 00:00:48,320

going okay thank you for it well the

18

00:00:54,319 --> 00:00:51,480

lisara with the longest question here so

19

00:00:58,010 --> 00:00:54,329

get that out of the way this one is from

20

00:00:59,810 --> 00:00:58,020

Agnes from MN Netherlands and the

21

00:01:02,840 --> 00:00:59,820

question is I know there's a difference

22

00:01:05,270 --> 00:01:02,850

between animal species in how conscious

23

00:01:07,910 --> 00:01:05,280

they are about what is happening around

24

00:01:10,760 --> 00:01:07,920

them energetically and what is happening

25

00:01:12,350 --> 00:01:10,770

energetically with a human being can you

26

00:01:14,600 --> 00:01:12,360

say something about the difference

27

00:01:15,810 --> 00:01:14,610

between species and how we can connect

28

00:01:23,220 --> 00:01:15,820

with them

29

00:01:25,230 --> 00:01:23,230

oh wow boy so it sounds like she's

30

00:01:30,270 --> 00:01:25,240

asking if they realize that they have a

31

00:01:33,660 --> 00:01:30,280

higher cell I think I'm thinking it's

32

00:01:37,380 --> 00:01:33,670

it's a question about I guess between

33

00:01:39,150 --> 00:01:37,390

animal species and humans okay and the

34

00:01:40,890 --> 00:01:39,160

different energies between them if I'm

35

00:01:43,170 --> 00:01:40,900

not mistaken I'm a hammam hope I'm not

36

00:01:46,950 --> 00:01:43,180

taking okay this question out of context

37

00:01:49,980 --> 00:01:46,960

well so well and I hope I'm

38

00:01:52,770 --> 00:01:49,990

understanding it right - whenever I

39

00:01:56,520 --> 00:01:52,780

communicate with animals they seem to

40

00:01:58,380 --> 00:01:56,530

have a greater knowing like a greater

41

00:02:01,469 --> 00:01:58,390

sense of why they're here and what their

42

00:02:03,930 --> 00:02:01,479

purpose is and so many of them feel that

43

00:02:09,150 --> 00:02:03,940

the main reason for their being here is

44

00:02:12,350 --> 00:02:09,160

to help us in so many ways they feel so

45

00:02:16,260 --> 00:02:12,360

much wiser so much smarter than than us

46

00:02:17,070 --> 00:02:16,270

the things that they come through that

47

00:02:20,820 --> 00:02:17,080

they tell me

48

00:02:23,460 --> 00:02:20,830

during the readings it just really blows

49

00:02:26,820 --> 00:02:23,470

my mind a lot of times the things that

50

00:02:30,570 --> 00:02:26,830

they come up with so I don't know if

51
00:02:33,720 --> 00:02:30,580
that answers the question out but and

52
00:02:36,090 --> 00:02:33,730
and they they do have a greater

53
00:02:39,090 --> 00:02:36,100
understanding - of how they're connected

54
00:02:40,949 --> 00:02:39,100
and how how you know like like the

55
00:02:42,870 --> 00:02:40,959
animals know that they need to eat an

56
00:02:44,640 --> 00:02:42,880
ancestor diet and they know that they

57
00:02:47,160 --> 00:02:44,650
need the plants they know that they need

58
00:02:49,350 --> 00:02:47,170
to be outside they need they know that

59
00:02:52,140 --> 00:02:49,360
they need sunlight things like that and

60
00:02:54,479 --> 00:02:52,150
so many times they're craving it they're

61
00:02:58,789 --> 00:02:54,489
craving the animal protein they're

62
00:03:01,410 --> 00:02:58,799
craving the sunlight dogs for instance

63
00:03:04,830 --> 00:03:01,420

they know that they need to walk in

64

00:03:08,390 --> 00:03:04,840

order to keep them mentally alert and on

65

00:03:10,289 --> 00:03:08,400

top of things if that makes sense so

66

00:03:13,229 --> 00:03:10,299

again I don't know if that really

67

00:03:15,870 --> 00:03:13,239

answers the question out but well also I

68

00:03:19,380 --> 00:03:15,880

think she was also referring to I guess

69

00:03:21,600 --> 00:03:19,390

as humans how do we connect I guess - to

70

00:03:24,090 --> 00:03:21,610

the animals or maybe our pets in general

71

00:03:26,490 --> 00:03:24,100

because she's asking the difference

72

00:03:28,730 --> 00:03:26,500

between species so now we can connect

73

00:03:33,020 --> 00:03:28,740

with it how we can connect

74

00:03:35,930 --> 00:03:33,030

because you do that in your own way yeah

75

00:03:39,050 --> 00:03:35,940

so we're all energy we're all connected

76

00:03:43,030 --> 00:03:39,060

by that energy anyway and it's just a

77

00:03:46,640 --> 00:03:43,040

matter of quieting your mind and and

78

00:03:48,220 --> 00:03:46,650

just sending them you know loving

79

00:03:50,630 --> 00:03:48,230

messages

80

00:03:52,550 --> 00:03:50,640

it's just mentally asking them a

81

00:03:55,430 --> 00:03:52,560

question and then waiting for the

82

00:03:57,980 --> 00:03:55,440

response and then trusting what what you

83

00:04:00,140 --> 00:03:57,990

get what'd you hear what you feel what

84

00:04:01,460 --> 00:04:00,150

you might see you might get an image in

85

00:04:05,840 --> 00:04:01,470

your head of something and that might be

86

00:04:07,670 --> 00:04:05,850

your answer it's it's all it's all

87

00:04:10,250 --> 00:04:07,680

energy so we're all connected by that

88

00:04:13,250 --> 00:04:10,260

energy so it's basically a variety of

89

00:04:15,500 --> 00:04:13,260

things it could be I mean can it

90

00:04:19,310 --> 00:04:15,510

sometimes be voice so it's what the

91

00:04:23,030 --> 00:04:19,320

pictures voice and feelings in general

92

00:04:26,450 --> 00:04:23,040

right right and it's different for

93

00:04:27,680 --> 00:04:26,460

everybody and and also people they want

94

00:04:30,530 --> 00:04:27,690

to try and do it with their their own

95

00:04:33,170 --> 00:04:30,540

animals and a lot of times too I tell

96

00:04:35,450 --> 00:04:33,180

people try it first with an animal that

97

00:04:38,270 --> 00:04:35,460

you don't know anything about try it

98

00:04:40,580 --> 00:04:38,280

with you know maybe you know a

99

00:04:43,310 --> 00:04:40,590

neighbor's dog or something like that

100

00:04:45,980 --> 00:04:43,320

first because we're a little too close

101
00:04:47,420 --> 00:04:45,990
to our own animals and and you tend to

102
00:04:49,430 --> 00:04:47,430
want to second-guess yourself when

103
00:04:51,890 --> 00:04:49,440
you're trying to connect with them so

104
00:04:55,850 --> 00:04:51,900
try it with other animals first like

105
00:04:58,550 --> 00:04:55,860
I'll have people go out to a park and

106
00:05:00,710 --> 00:04:58,560
try to connect with squirrels or you

107
00:05:04,310 --> 00:05:00,720
know try to get a squirrel to to come a

108
00:05:07,340 --> 00:05:04,320
little closer to you and they will you

109
00:05:11,890 --> 00:05:07,350
know try to get maybe birds to come a

110
00:05:14,090 --> 00:05:11,900
little closer or you know do something

111
00:05:17,770 --> 00:05:14,100
so that you know that you've connected

112
00:05:20,690 --> 00:05:17,780
with them if that makes sense

113
00:05:24,320 --> 00:05:20,700

so it does okay

114

00:05:26,930 --> 00:05:24,330

so I I always suggest that you start

115

00:05:32,300 --> 00:05:26,940

with an animal that you don't know very

116

00:05:35,420 --> 00:05:32,310

well and then as you as you see the

117

00:05:37,430 --> 00:05:35,430

evidence there as you get confirmation

118

00:05:39,890 --> 00:05:37,440

that you're actually connecting with

119

00:05:41,790 --> 00:05:39,900

those animals then start working with

120

00:05:44,700 --> 00:05:41,800

your own animals and

121

00:05:47,309 --> 00:05:44,710

and really just trust what what you're

122

00:05:49,589 --> 00:05:47,319

getting I believe that this is that the

123

00:05:51,719 --> 00:05:49,599

way I communicate with animals is the

124

00:05:53,879 --> 00:05:51,729

way we've always connected you know

125

00:05:56,040 --> 00:05:53,889

we've always been doing this and I feel

126

00:05:57,409 --> 00:05:56,050

that everybody has the capability of

127

00:06:00,420 --> 00:05:57,419

doing it it's just a matter of

128

00:06:03,330 --> 00:06:00,430

relearning how to do it and and learning

129

00:06:05,369 --> 00:06:03,340

how to just quiet your mind and and that

130

00:06:07,249 --> 00:06:05,379

question that try to put your own ego or

131

00:06:11,369 --> 00:06:07,259

your own thoughts into it just trust

132

00:06:15,839 --> 00:06:11,379

trust what you get and go with it it's

133

00:06:17,700 --> 00:06:15,849

simple enough yeah this one is from

134

00:06:20,760 --> 00:06:17,710

Christie of course my wife she had to

135

00:06:23,219 --> 00:06:20,770

put in or sneak in a question there

136

00:06:25,439 --> 00:06:23,229

especially when she found out it was

137

00:06:27,990 --> 00:06:25,449

going to be you Oh

138

00:06:30,149 --> 00:06:28,000

the question is are animals aware of

139

00:06:32,580 --> 00:06:30,159

their higher selves their guides or

140

00:06:34,830 --> 00:06:32,590

their purpose of being here well it's

141

00:06:37,320 --> 00:06:34,840

kind of like humans

142

00:06:41,610 --> 00:06:37,330

I don't know that we're always aware

143

00:06:43,950 --> 00:06:41,620

that we have a higher self but you know

144

00:06:46,339 --> 00:06:43,960

when I when I connect with an animal I

145

00:06:49,469 --> 00:06:46,349

feel like I'm not just talking with

146

00:06:52,379 --> 00:06:49,479

their physical being I feel like I'm

147

00:06:56,550 --> 00:06:52,389

connected with their higher self and a

148

00:07:00,050 --> 00:06:56,560

lot of times I feel like they will just

149

00:07:04,680 --> 00:07:00,060

let their higher self talk for them or

150

00:07:06,450 --> 00:07:04,690

communicate for them because that's so

151
00:07:10,170 --> 00:07:06,460
many times I'm able to connect with an

152
00:07:13,050 --> 00:07:10,180
animal that's sleeping there they're not

153
00:07:17,820 --> 00:07:13,060
or an animal that's just not physically

154
00:07:20,969 --> 00:07:17,830
in the same room with me and you know

155
00:07:24,360 --> 00:07:20,979
when they're sleeping their physical

156
00:07:27,170 --> 00:07:24,370
being is not directly communicating with

157
00:07:30,450 --> 00:07:27,180
me I feel like it's their higher self so

158
00:07:32,219 --> 00:07:30,460
but whether or not that dog knows that

159
00:07:35,790 --> 00:07:32,229
it's the higher self that's talking to

160
00:07:40,800 --> 00:07:35,800
me I don't know to be honest I don't I

161
00:07:44,040 --> 00:07:40,810
don't know and what about guides oh yeah

162
00:07:47,490 --> 00:07:44,050
I believe that they have guardian angels

163
00:07:49,620 --> 00:07:47,500

they have guides just like we do they

164

00:07:52,279 --> 00:07:49,630

have guides that are guiding them to the

165

00:07:55,560 --> 00:07:52,289

human that they're supposed to be with

166

00:07:57,660 --> 00:07:55,570

just like we have a guide that's guy

167

00:08:02,250 --> 00:07:57,670

to the right animal that we're supposed

168

00:08:04,440 --> 00:08:02,260

to to have so yeah I feel like you know

169

00:08:06,570 --> 00:08:04,450

I don't I don't feel that the animals

170

00:08:07,980 --> 00:08:06,580

are any different than then we are I

171

00:08:10,110 --> 00:08:07,990

just feel like they're in a different

172

00:08:15,290 --> 00:08:10,120

body that's really the only difference

173

00:08:17,940 --> 00:08:15,300

we all have souls we all have feelings

174

00:08:20,280 --> 00:08:17,950

everything is the same except the

175

00:08:22,290 --> 00:08:20,290

physical appearance so in that regard

176

00:08:24,630 --> 00:08:22,300

that wouldn't necessarily be aware of

177

00:08:28,470 --> 00:08:24,640

their purpose for being here just right

178

00:08:31,230 --> 00:08:28,480

oh right yeah a lot of times they don't

179

00:08:35,969 --> 00:08:31,240

know that and when I'm doing a reading

180

00:08:39,120 --> 00:08:35,979

with them I feel like when when I'm

181

00:08:41,670 --> 00:08:39,130

getting messages about yes tell-tell my

182

00:08:45,030 --> 00:08:41,680

human that we used to be in a past life

183

00:08:47,100 --> 00:08:45,040

together that dog that's right in front

184

00:08:48,720 --> 00:08:47,110

of them right then and there doesn't

185

00:08:50,880 --> 00:08:48,730

really know that they had a past life

186

00:08:53,910 --> 00:08:50,890

it's their higher self that's talking to

187

00:08:56,520 --> 00:08:53,920

me and telling me yeah I used to you

188

00:09:02,670 --> 00:08:56,530

know I was I was a boy friend of yours

189

00:09:06,510 --> 00:09:02,680

in a past life that kind of thing okay

190

00:09:09,510 --> 00:09:06,520

well this question is from Karolina and

191

00:09:11,520 --> 00:09:09,520

she's in Denmark and I'm not even going

192

00:09:12,930 --> 00:09:11,530

to try to pronounce the city because I

193

00:09:15,450 --> 00:09:12,940

know for sure I'm going to butcher it

194

00:09:18,630 --> 00:09:15,460

but the question is have you been in

195

00:09:20,820 --> 00:09:18,640

contact with aliens so I don't feel that

196

00:09:24,330 --> 00:09:20,830

an alien has ever reached out and

197

00:09:27,840 --> 00:09:24,340

connected with me but I have talked with

198

00:09:29,250 --> 00:09:27,850

different alien groups I've done

199

00:09:31,380 --> 00:09:29,260

readings for people where they've asked

200

00:09:34,200 --> 00:09:31,390

me to connect with the Palladian so the

201
00:09:36,900 --> 00:09:34,210
Arcturians with Sasquatch with the

202
00:09:40,080 --> 00:09:36,910
Hathor's so I've done readings for

203
00:09:42,180 --> 00:09:40,090
people where they've I've connected with

204
00:09:44,010 --> 00:09:42,190
them the Palladian so let's say and

205
00:09:47,550 --> 00:09:44,020
they've given me information for that

206
00:09:50,580 --> 00:09:47,560
person so that those are times when I've

207
00:09:52,950 --> 00:09:50,590
talked with aliens and that's pretty

208
00:09:54,480 --> 00:09:52,960
much the only time basically you don't

209
00:09:57,030 --> 00:09:54,490
necessarily feel like you have had a

210
00:09:59,910 --> 00:09:57,040
connection yourself right it's me

211
00:10:01,520 --> 00:09:59,920
reaching out to them they may have

212
00:10:03,990 --> 00:10:01,530
connected with me and given me

213
00:10:06,750 --> 00:10:04,000

information without me asking for it but

214

00:10:09,450 --> 00:10:06,760

I the only times I really no one can say

215

00:10:12,030 --> 00:10:09,460

for sure that I've talked with them

216

00:10:14,790 --> 00:10:12,040

when I've asked to be specifically

217

00:10:17,670 --> 00:10:14,800

connected with them the the next

218

00:10:20,670 --> 00:10:17,680

question is from Sean uh from Winnipeg

219

00:10:23,519 --> 00:10:20,680

Manitoba Canada have you ever been in a

220

00:10:25,050 --> 00:10:23,529

UFO so I figured since you don't did you

221

00:10:27,840 --> 00:10:25,060

have not been in contact with the only

222

00:10:32,070 --> 00:10:27,850

is probably not know I can't say that I

223

00:10:34,380 --> 00:10:32,080

have okay I guess he saw they saw the I

224

00:10:36,210 --> 00:10:34,390

guess for this being UFO how the dad to

225

00:10:38,820 --> 00:10:36,220

be some alien questions right and that's

226

00:10:42,360 --> 00:10:38,830

fine maybe one of these days I will

227

00:10:45,720 --> 00:10:42,370

claim that's it right this one is from

228

00:10:47,930 --> 00:10:45,730

Amanda from Litchfield Illinois what

229

00:10:52,889 --> 00:10:47,940

inspired you to do the work that you do

230

00:10:55,590 --> 00:10:52,899

boy it just started happening I just

231

00:10:58,829 --> 00:10:55,600

started hearing animals connect with me

232

00:11:01,920 --> 00:10:58,839

and when I started hearing their stories

233

00:11:04,800 --> 00:11:01,930

and seeing what was going on with

234

00:11:07,260 --> 00:11:04,810

animals I felt like this is a way that I

235

00:11:10,230 --> 00:11:07,270

can not only help them but help their

236

00:11:13,440 --> 00:11:10,240

humans and it's something I had been

237

00:11:16,710 --> 00:11:13,450

kind of asking for and praying about for

238

00:11:19,530 --> 00:11:16,720

a long time because I didn't know I felt

239

00:11:21,690 --> 00:11:19,540

like there was more that I was supposed

240

00:11:25,019 --> 00:11:21,700

to do with my life other than just work

241

00:11:28,410 --> 00:11:25,029

as an insurance agent or a realtor so I

242

00:11:33,170 --> 00:11:28,420

just I wanted to kind of serve humanity

243

00:11:36,449 --> 00:11:33,180

and I'm very passionate about that and

244

00:11:38,190 --> 00:11:36,459

then ever since the animals started

245

00:11:40,890 --> 00:11:38,200

talking to me and I started doing this

246

00:11:43,199 --> 00:11:40,900

just kind of went on from there and just

247

00:11:45,240 --> 00:11:43,209

become even more passionate about it and

248

00:11:48,390 --> 00:11:45,250

I just feel totally blessed that I'm

249

00:11:52,079 --> 00:11:48,400

being that I'm able to do this it's I

250

00:11:54,060 --> 00:11:52,089

feel like it's my sole purpose that's it

251
00:11:55,980 --> 00:11:54,070
regarding questions I hope that people

252
00:11:58,829 --> 00:11:55,990
have been nice have received their

253
00:12:00,870 --> 00:11:58,839
answers so I guess I would like to ask a

254
00:12:02,280 --> 00:12:00,880
follow-up question could you maybe talk

255
00:12:04,740 --> 00:12:02,290
a little bit about how this first

256
00:12:06,980 --> 00:12:04,750
happened for you when you first realize

257
00:12:09,990 --> 00:12:06,990
that you could communicate with animals

258
00:12:11,670 --> 00:12:10,000
well the first the first time that it

259
00:12:17,069 --> 00:12:11,680
ever happened was when I was dog sitting

260
00:12:21,840 --> 00:12:17,079
and I was taking care of some greyhounds

261
00:12:25,140 --> 00:12:21,850
for some people and just

262
00:12:28,320 --> 00:12:25,150
so I was fixing their food and I started

263
00:12:29,940 --> 00:12:28,330

hearing them talk to me and I didn't

264

00:12:32,910 --> 00:12:29,950

know that there was such a thing as

265

00:12:36,690 --> 00:12:32,920

animal communication it just kind of

266

00:12:37,470 --> 00:12:36,700

freaked me out at first but I just kind

267

00:12:42,630 --> 00:12:37,480

of went along with it

268

00:12:44,520 --> 00:12:42,640

and and then what happened was I'd be at

269

00:12:45,810 --> 00:12:44,530

a different house different dog I would

270

00:12:49,320 --> 00:12:45,820

hear something different from that

271

00:12:52,620 --> 00:12:49,330

animal and just kept kind of going on

272

00:12:54,930 --> 00:12:52,630

from there and it wasn't until I was

273

00:12:57,180 --> 00:12:54,940

introduced just out of the blue a friend

274

00:12:58,980 --> 00:12:57,190

of mine just mentioned a book called

275

00:13:03,050 --> 00:12:58,990

straight from the horse's mouth by

276

00:13:06,150 --> 00:13:03,060

Amelia Kincaid and it's all about her

277

00:13:07,890 --> 00:13:06,160

journey and her experience with animal

278

00:13:10,890 --> 00:13:07,900

communication with animals talking with

279

00:13:14,910 --> 00:13:10,900

her she just looked into it a little bit

280

00:13:18,030 --> 00:13:14,920

further and figured out that this is

281

00:13:20,940 --> 00:13:18,040

possible and she just talked more and

282

00:13:23,460 --> 00:13:20,950

more about it in her book and she talked

283

00:13:25,050 --> 00:13:23,470

she towards the end of the book kind of

284

00:13:27,330 --> 00:13:25,060

teaches you how to do it so I started

285

00:13:28,950 --> 00:13:27,340

practicing her techniques and then I

286

00:13:30,660 --> 00:13:28,960

finally got brave and started telling a

287

00:13:33,960 --> 00:13:30,670

few people that you know I think I could

288

00:13:36,330 --> 00:13:33,970

do this and I'd have people co-workers

289

00:13:39,780 --> 00:13:36,340

bring in pictures of their animals I'd

290

00:13:42,120 --> 00:13:39,790

go home sit on my bed and connect with

291

00:13:44,580 --> 00:13:42,130

the animal and just write everything I

292

00:13:47,070 --> 00:13:44,590

all the information that the animal gave

293

00:13:48,900 --> 00:13:47,080

me and I'd take it back to to them and

294

00:13:52,830 --> 00:13:48,910

say you know well this is what your dog

295

00:13:55,110 --> 00:13:52,840

told me and they would read what I wrote

296

00:13:56,640 --> 00:13:55,120

in the end they were just like you've

297

00:13:58,620 --> 00:13:56,650

never been in my house you've never met

298

00:14:00,570 --> 00:13:58,630

my dog yet you know the color of their

299

00:14:02,700 --> 00:14:00,580

food bowl where they like to sleep and

300

00:14:06,570 --> 00:14:02,710

that kind of thing how do you know that

301
00:14:08,790 --> 00:14:06,580
and it's always auditory for you or does

302
00:14:12,780 --> 00:14:08,800
it I guess it's a variety of things like

303
00:14:15,900 --> 00:14:12,790
you mentioned early about it is I I see

304
00:14:17,340 --> 00:14:15,910
hear and feel things so I can feel if

305
00:14:19,410 --> 00:14:17,350
they're happy I can feel if they're sad

306
00:14:22,680 --> 00:14:19,420
if they're right for right front paw

307
00:14:24,960 --> 00:14:22,690
hurts my right hand hurts and then if

308
00:14:26,850 --> 00:14:24,970
they want me to see an image if they

309
00:14:29,640 --> 00:14:26,860
want me to send see a piece of meat that

310
00:14:32,730 --> 00:14:29,650
they want I'll get an image of it and

311
00:14:34,740 --> 00:14:32,740
then also I hear their voice and I might

312
00:14:35,730 --> 00:14:34,750
get I'm I might get one word I might get

313
00:14:37,110 --> 00:14:35,740

full sentences

314

00:14:39,330 --> 00:14:37,120

then you just kind of come out I don't

315

00:14:42,720 --> 00:14:39,340

hold anything back I just say it as I

316

00:14:44,520 --> 00:14:42,730

get it yeah and then and it's not just

317

00:14:49,100 --> 00:14:44,530

animals that are living it's also

318

00:14:53,100 --> 00:14:49,110

animals that are living in spirit so

319

00:14:56,310 --> 00:14:53,110

okay and I guess the do you can you tell

320

00:14:58,230 --> 00:14:56,320

immediately when an owner comes to you

321

00:14:59,580 --> 00:14:58,240

and and you're not quite sure if they're

322

00:15:02,940 --> 00:14:59,590

the pet that's passed

323

00:15:04,650 --> 00:15:02,950

okay can you tell since you said you you

324

00:15:07,770 --> 00:15:04,660

are kind of connecting to their higher

325

00:15:09,570 --> 00:15:07,780

selves anyway yeah what does that

326

00:15:12,450 --> 00:15:09,580

process like for you that's a good

327

00:15:15,360 --> 00:15:12,460

question um a lot of times I I can't

328

00:15:19,380 --> 00:15:15,370

tell if the animal is living or living

329

00:15:24,120 --> 00:15:19,390

in spirit I I like for the human to tell

330

00:15:28,040 --> 00:15:24,130

me that you know my animals living or my

331

00:15:30,860 --> 00:15:28,050

animal is deceased because I feel like

332

00:15:33,570 --> 00:15:30,870

there's not anything it's not really

333

00:15:36,300 --> 00:15:33,580

anything different that I have to do

334

00:15:39,360 --> 00:15:36,310

it's it's just the animals that are

335

00:15:43,530 --> 00:15:39,370

living in spirit still still feel very

336

00:15:48,360 --> 00:15:43,540

much alive to me so but they're not

337

00:15:50,750 --> 00:15:48,370

hurting but you know I still feel them

338

00:15:55,680 --> 00:15:50,760

in my body if they're happy I'm happy

339

00:15:57,270 --> 00:15:55,690

the thirst sad I'm sad and they still

340

00:15:59,120 --> 00:15:57,280

send me images and I still hear their

341

00:16:01,260 --> 00:15:59,130

voice it's it's all pretty much the same

342

00:16:04,350 --> 00:16:01,270

so but I just kind of like to know ahead

343

00:16:06,960 --> 00:16:04,360

of time is the animal living or living

344

00:16:11,390 --> 00:16:06,970

in spirit now when I'm working with a

345

00:16:13,770 --> 00:16:11,400

lost animal I can I can usually tell

346

00:16:18,500 --> 00:16:13,780

right away if that animal is still

347

00:16:21,960 --> 00:16:18,510

living or if that animal is deceased so

348

00:16:24,690 --> 00:16:21,970

can you elaborate a little bit is it if

349

00:16:28,590 --> 00:16:24,700

you're sensing an energy or it's really

350

00:16:30,450 --> 00:16:28,600

it's it's mostly just it's mostly

351
00:16:33,390 --> 00:16:30,460
because they told me it's mostly because

352
00:16:36,300 --> 00:16:33,400
they'll send me an image of how they

353
00:16:41,670 --> 00:16:36,310
passed you know getting hit by a car or

354
00:16:45,360 --> 00:16:41,680
something like that so it it's mostly if

355
00:16:48,660 --> 00:16:45,370
it's still as far as feeling it still

356
00:16:54,270 --> 00:16:48,670
feels pretty much the same like there's

357
00:16:56,760 --> 00:16:54,280
here uh but they're really not so it's

358
00:16:58,770 --> 00:16:56,770
always it's they always have to tell me

359
00:17:00,990 --> 00:16:58,780
okay

360
00:17:04,620 --> 00:17:01,000
is there any way you could maybe go a

361
00:17:08,940 --> 00:17:04,630
little bit into the process of how this

362
00:17:11,070 --> 00:17:08,950
this state I guess how do you prepare to

363
00:17:13,260 --> 00:17:11,080

get into this state to do the reading

364

00:17:15,270 --> 00:17:13,270

maybe if you could share some details so

365

00:17:17,880 --> 00:17:15,280

that quite possibly someone who is also

366

00:17:18,960 --> 00:17:17,890

interested in this could use this as a

367

00:17:21,810 --> 00:17:18,970

guidance

368

00:17:25,440 --> 00:17:21,820

oh sure to make this for them okay so

369

00:17:27,690 --> 00:17:25,450

yeah I usually just I'll usually spend

370

00:17:29,880 --> 00:17:27,700

about ten or fifteen minutes before I do

371

00:17:32,250 --> 00:17:29,890

a reading with just trying to get into a

372

00:17:35,670 --> 00:17:32,260

meditative state it's really important

373

00:17:38,580 --> 00:17:35,680

that we try to quiet our minds as best

374

00:17:41,460 --> 00:17:38,590

we can not have any distractions around

375

00:17:43,470 --> 00:17:41,470

although you know I do these now at

376

00:17:46,820 --> 00:17:43,480

fairs and other places where there are a

377

00:17:49,230 --> 00:17:46,830

lot of distractions but when a lot of

378

00:17:52,170 --> 00:17:49,240

when I'm doing these phone readings that

379

00:17:55,020 --> 00:17:52,180

I do quite a bit I really try to make

380

00:17:57,750 --> 00:17:55,030

sure that the fewer there's distractions

381

00:18:00,450 --> 00:17:57,760

the better I feel like I can concentrate

382

00:18:03,420 --> 00:18:00,460

more and even get more information when

383

00:18:06,390 --> 00:18:03,430

I'm doing the phone readings I and I

384

00:18:09,680 --> 00:18:06,400

really just ask my guides to take my ego

385

00:18:13,800 --> 00:18:09,690

take my thoughts take everything away

386

00:18:16,200 --> 00:18:13,810

while I'm doing this reading and I just

387

00:18:18,990 --> 00:18:16,210

asked that I be given divine what I call

388

00:18:21,450 --> 00:18:19,000

divine truth and that every bit

389

00:18:23,430 --> 00:18:21,460

everything that I'm about to do be for

390

00:18:27,060 --> 00:18:23,440

the highest good of everyone involved

391

00:18:31,500 --> 00:18:27,070

including myself and and so then and

392

00:18:34,710 --> 00:18:31,510

then I open up I ask to be connected

393

00:18:37,140 --> 00:18:34,720

with the animal and what happens is I I

394

00:18:41,970 --> 00:18:37,150

feel like a slight shift in my body I

395

00:18:44,820 --> 00:18:41,980

can kind of feel them there and a lot of

396

00:18:49,380 --> 00:18:44,830

times I can they'll send me an image to

397

00:18:50,880 --> 00:18:49,390

of of where they are like if they're if

398

00:18:55,140 --> 00:18:50,890

they're living a lot of times they'll

399

00:18:57,840 --> 00:18:55,150

send me an image of them being you know

400

00:18:59,880 --> 00:18:57,850

with their I'm doubt you know I'm laying

401
00:19:02,580 --> 00:18:59,890
next to my human or I'm down at their

402
00:19:05,610 --> 00:19:02,590
feet or things like that so I can

403
00:19:07,380 --> 00:19:05,620
they'll send me images so I'm really

404
00:19:09,060 --> 00:19:07,390
trying to quiet my mind and kind of

405
00:19:12,720 --> 00:19:09,070
trying to pay attention to any image

406
00:19:15,510 --> 00:19:12,730
that I get I want to kind of like hold

407
00:19:17,460 --> 00:19:15,520
that image that they're showing me while

408
00:19:20,220 --> 00:19:17,470
I'm talking like like I've got an image

409
00:19:23,010 --> 00:19:20,230
of you right now that then I'm focused

410
00:19:24,660 --> 00:19:23,020
on and I feel like it's easier for me to

411
00:19:27,330 --> 00:19:24,670
have a conversation with someone that

412
00:19:30,030 --> 00:19:27,340
I'm that I'm looking directly at you

413
00:19:32,040 --> 00:19:30,040

know what I mean and doing these

414

00:19:34,230 --> 00:19:32,050

readings I can't do that so I like for

415

00:19:35,520 --> 00:19:34,240

them to send me an image of where

416

00:19:37,440 --> 00:19:35,530

they're at now or what they look like

417

00:19:39,780 --> 00:19:37,450

because I can kind of hold it image in

418

00:19:43,080 --> 00:19:39,790

my head while I'm talking to them so is

419

00:19:45,240 --> 00:19:43,090

that a process that's learned quickly or

420

00:19:48,210 --> 00:19:45,250

does that take some some practice I

421

00:19:49,680 --> 00:19:48,220

guess would you consider that like with

422

00:19:52,110 --> 00:19:49,690

everything else the more you practice

423

00:19:55,080 --> 00:19:52,120

the better you get at it yeah it's the

424

00:19:57,800 --> 00:19:55,090

more you practice the better you get it

425

00:20:00,690 --> 00:19:57,810

wasn't always like this

426
00:20:03,630 --> 00:20:00,700
when it when I first started sometimes I

427
00:20:06,930 --> 00:20:03,640
would just hear things other times I

428
00:20:09,990 --> 00:20:06,940
would I would just feel things but then

429
00:20:12,570 --> 00:20:10,000
but then it seemed like the more I did

430
00:20:14,550 --> 00:20:12,580
it then everything happened all at once

431
00:20:16,050 --> 00:20:14,560
and I was happening to really pay

432
00:20:18,210 --> 00:20:16,060
attention to everything that's going on

433
00:20:21,420 --> 00:20:18,220
with me in order to interpret what I get

434
00:20:23,790 --> 00:20:21,430
I'd have to pay attention to the images

435
00:20:27,270 --> 00:20:23,800
that I had and kind of match it with the

436
00:20:31,440 --> 00:20:27,280
the feelings that I was getting and the

437
00:20:33,960 --> 00:20:31,450
words that I was hearing so it does take

438
00:20:38,220 --> 00:20:33,970

some concentration and it it does wear

439

00:20:38,760 --> 00:20:38,230

me out after a while so yeah I can

440

00:20:40,920 --> 00:20:38,770

imagine

441

00:20:43,740 --> 00:20:40,930

I mean just out of curiosity how many

442

00:20:45,930 --> 00:20:43,750

can you do per day readings before it

443

00:20:48,780 --> 00:20:45,940

starts getting to get into you I guess

444

00:20:53,160 --> 00:20:48,790

well like I just did a I do parties

445

00:20:57,390 --> 00:20:53,170

every once in a while and I did a party

446

00:21:00,060 --> 00:20:57,400

on Sunday where I did nine people one

447

00:21:02,370 --> 00:21:00,070

right after the other and by that ninth

448

00:21:06,000 --> 00:21:02,380

one I was starting to get kind of tired

449

00:21:08,730 --> 00:21:06,010

but but then I've done fairs where I've

450

00:21:10,830 --> 00:21:08,740

you know fairs usually run from 10:00 in

451
00:21:13,320 --> 00:21:10,840
the morning until 6:00 and six or seven

452
00:21:15,360 --> 00:21:13,330
in the evening and I'm I'm doing them

453
00:21:16,170 --> 00:21:15,370
one right after the other usually had a

454
00:21:19,290 --> 00:21:16,180
fair with

455
00:21:21,660 --> 00:21:19,300
very few breaks so and and there's

456
00:21:23,280 --> 00:21:21,670
something about that just being it

457
00:21:25,140 --> 00:21:23,290
they're fun for me the parties are fun

458
00:21:28,350 --> 00:21:25,150
the fairs are fun so it's really kind of

459
00:21:31,050 --> 00:21:28,360
energizing so it's like I never really

460
00:21:32,720 --> 00:21:31,060
realized how worn out I am until it's

461
00:21:35,610 --> 00:21:32,730
all over

462
00:21:38,760 --> 00:21:35,620
so it's really kind of like I said

463
00:21:40,620 --> 00:21:38,770

energizing so yeah because I guess I

464

00:21:43,290 --> 00:21:40,630

have a little disclosure because I

465

00:21:45,030 --> 00:21:43,300

didn't necessarily mention because I

466

00:21:48,420 --> 00:21:45,040

know you well and you've been a friend

467

00:21:50,460 --> 00:21:48,430

of mine for a long time and obviously

468

00:21:53,430 --> 00:21:50,470

you were invited to the wedding when

469

00:21:56,400 --> 00:21:53,440

Chrissy and I got married yeah we

470

00:21:58,560 --> 00:21:56,410

obviously invited us our friend but just

471

00:22:01,290 --> 00:21:58,570

for those watching right now it's it was

472

00:22:03,120 --> 00:22:01,300

almost impossible for her to get any

473

00:22:05,220 --> 00:22:03,130

free time or enjoy yourself because the

474

00:22:07,020 --> 00:22:05,230

second the word got out everybody wanted

475

00:22:08,820 --> 00:22:07,030

to ask questions and just wondered what

476

00:22:11,190 --> 00:22:08,830

about this what about that because I

477

00:22:14,340 --> 00:22:11,200

know a few friends of mine that came by

478

00:22:17,010 --> 00:22:14,350

and because we didn't have that we

479

00:22:18,840 --> 00:22:17,020

didn't have a chance to talk long right

480

00:22:24,330 --> 00:22:18,850

I do know for those that ran by me

481

00:22:25,890 --> 00:22:24,340

Kathryn is awesome yeah and so and then

482

00:22:28,350 --> 00:22:25,900

they loved it even more do they found

483

00:22:31,950 --> 00:22:28,360

out you lived in San Luis what they did

484

00:22:34,920 --> 00:22:31,960

so yeah yeah yeah that was so much fun

485

00:22:38,100 --> 00:22:34,930

yeah I'm glad I just felt bad because

486

00:22:40,800 --> 00:22:38,110

you you know I wanted you there's a

487

00:22:47,790 --> 00:22:40,810

friend not complain entertain the crowd

488

00:22:50,220 --> 00:22:47,800

with psychic readings yeah so uh what I

489

00:22:53,730 --> 00:22:50,230

wanted to ask could you maybe share some

490

00:22:56,910 --> 00:22:53,740

stories with from from from the pre

491

00:23:00,020 --> 00:22:56,920

passed readings you've done that I guess

492

00:23:03,360 --> 00:23:00,030

something that you find important that

493

00:23:06,450 --> 00:23:03,370

again be it might be good to know or

494

00:23:09,330 --> 00:23:06,460

something that the animal spirits have

495

00:23:10,590 --> 00:23:09,340

told you well let's see there's I don't

496

00:23:14,490 --> 00:23:10,600

even know where to start because there's

497

00:23:15,870 --> 00:23:14,500

been so so many different things and you

498

00:23:17,460 --> 00:23:15,880

know we've been talking a lot about me

499

00:23:21,120 --> 00:23:17,470

communicating with animals that's how I

500

00:23:24,630 --> 00:23:21,130

started but from there you know like I

501
00:23:26,430 --> 00:23:24,640
said it it it went from me learning that

502
00:23:29,070 --> 00:23:26,440
I can communicate with animals that are

503
00:23:32,820 --> 00:23:29,080
living in spirit then from there

504
00:23:35,280 --> 00:23:32,830
I started realizing that I can also

505
00:23:38,580 --> 00:23:35,290
communicate with humans that are in

506
00:23:43,110 --> 00:23:38,590
spirit with people's angels and guides

507
00:23:44,880 --> 00:23:43,120
and and then people like Arcturians and

508
00:23:48,390 --> 00:23:44,890
played ian's and things like that and

509
00:23:51,230 --> 00:23:48,400
then someone came to me and asked if I

510
00:23:56,100 --> 00:23:51,240
could communicate with their autistic

511
00:23:57,150 --> 00:23:56,110
little girl and I you know I told her

512
00:24:01,590 --> 00:23:57,160
I've never done anything like that

513
00:24:06,630 --> 00:24:01,600

before but I thought well I'll try it

514

00:24:09,150 --> 00:24:06,640

and we did a foam reading and as soon as

515

00:24:10,830 --> 00:24:09,160

I connected I got an image of this

516

00:24:14,400 --> 00:24:10,840

little girl walking around eating a

517

00:24:16,530 --> 00:24:14,410

cucumber and I it was kind of odd to me

518

00:24:18,660 --> 00:24:16,540

bee and I I asked the mom I said you

519

00:24:22,500 --> 00:24:18,670

know I'm getting this image you know

520

00:24:23,790 --> 00:24:22,510

this is what she's doing and you know

521

00:24:27,299 --> 00:24:23,800

she was eating a cucumber the way I

522

00:24:28,620 --> 00:24:27,309

would eat an apple and she said well

523

00:24:31,820 --> 00:24:28,630

that's her favorite food that's what she

524

00:24:36,270 --> 00:24:31,830

does and she told me later on that

525

00:24:37,980 --> 00:24:36,280

because of me getting that image are you

526
00:24:39,660 --> 00:24:37,990
know telling her about that I mean there

527
00:24:41,100 --> 00:24:39,670
was no way for me to know that I've

528
00:24:43,830 --> 00:24:41,110
never been in her house I'd never met

529
00:24:46,130 --> 00:24:43,840
the girl before she listened to

530
00:24:49,410 --> 00:24:46,140
everything then that the girl said and

531
00:24:51,480 --> 00:24:49,420
this is where I feel like the angels and

532
00:24:53,910 --> 00:24:51,490
her higher self stepped in because what

533
00:24:58,470 --> 00:24:53,920
she did was she first of all she told me

534
00:25:00,960 --> 00:24:58,480
that for the first two years of her life

535
00:25:04,049 --> 00:25:00,970
she was fine she was talking fine and

536
00:25:08,669 --> 00:25:04,059
everything like that and it was when her

537
00:25:13,740 --> 00:25:08,679
mom took her and her sister in for their

538
00:25:17,370 --> 00:25:13,750

shots she ended up getting her shot and

539

00:25:21,180 --> 00:25:17,380

they accidentally gave her her her twin

540

00:25:24,720 --> 00:25:21,190

sisters shot and almost immediately

541

00:25:26,610 --> 00:25:24,730

after that is when she lost all she was

542

00:25:28,350 --> 00:25:26,620

no longer potty-trained she'd lost her

543

00:25:31,200 --> 00:25:28,360

vocabulary all that kind of stuff and

544

00:25:36,320 --> 00:25:31,210

her sister never got the shot her mom

545

00:25:38,909 --> 00:25:36,330

took them both out and just left and the

546

00:25:41,040 --> 00:25:38,919

little and her mom and I didn't know

547

00:25:42,480 --> 00:25:41,050

when I did this that she had a twin

548

00:25:44,400 --> 00:25:42,490

sister either

549

00:25:47,570 --> 00:25:44,410

her mom confirmed it all and said yes

550

00:25:49,740 --> 00:25:47,580

that's what happened and so then I

551
00:25:52,080 --> 00:25:49,750
started getting all this information

552
00:25:53,940 --> 00:25:52,090
about mom I need to detox from the

553
00:25:55,260 --> 00:25:53,950
aluminum I need to detox from this and

554
00:25:57,750 --> 00:25:55,270
this and this and I needed

555
00:26:00,120 --> 00:25:57,760
I need this first and I need that for

556
00:26:02,420 --> 00:26:00,130
she gave us all the remedies so her mom

557
00:26:05,010 --> 00:26:02,430
went out got all the remedies and

558
00:26:06,510 --> 00:26:05,020
followed the whole protocol and about

559
00:26:08,280 --> 00:26:06,520
six weeks later she's calling me up

560
00:26:10,710 --> 00:26:08,290
saying you're never gonna believe it but

561
00:26:14,730 --> 00:26:10,720
she just said her first word and her

562
00:26:16,440 --> 00:26:14,740
first word was cucumber and I'll just

563
00:26:18,770 --> 00:26:16,450

never forget that so that kind of led me

564

00:26:21,450 --> 00:26:18,780

on a whole nother path with

565

00:26:25,080 --> 00:26:21,460

communicating with autistic kids which

566

00:26:27,720 --> 00:26:25,090

is such a blessing and I have like story

567

00:26:31,530 --> 00:26:27,730

after story with regards to that and

568

00:26:33,720 --> 00:26:31,540

then about a month or so ago I did

569

00:26:35,490 --> 00:26:33,730

something I never knew I could do and

570

00:26:36,180 --> 00:26:35,500

was wasn't I didn't know it was even

571

00:26:38,370 --> 00:26:36,190

possible

572

00:26:41,520 --> 00:26:38,380

but I had someone contact me and asked

573

00:26:45,360 --> 00:26:41,530

if I could talk with their sister who

574

00:26:49,830 --> 00:26:45,370

was in a coma and I connected with her

575

00:26:54,630 --> 00:26:49,840

and they asked if if she could tell me

576

00:26:58,830 --> 00:26:54,640

how the accident happened and I get

577

00:27:02,010 --> 00:26:58,840

images of her driving in a car and then

578

00:27:05,970 --> 00:27:02,020

I got an image of her like her eyes were

579

00:27:08,280 --> 00:27:05,980

closed and she was saying I got I was

580

00:27:10,050 --> 00:27:08,290

distracted I wasn't paying attention and

581

00:27:13,890 --> 00:27:10,060

then when I realized that there was

582

00:27:17,250 --> 00:27:13,900

another car coming she over corrected

583

00:27:19,590 --> 00:27:17,260

and ended up in a ditch she never hit

584

00:27:21,720 --> 00:27:19,600

that other car but she ended up damaging

585

00:27:24,750 --> 00:27:21,730

the car and ended up in the hospital

586

00:27:27,600 --> 00:27:24,760

because of then what happened in the

587

00:27:31,950 --> 00:27:27,610

ditch and they said yeah that's that's

588

00:27:33,540 --> 00:27:31,960

exactly I didn't know that a car had

589

00:27:35,850 --> 00:27:33,550

been in a ditch or anything but they

590

00:27:37,230 --> 00:27:35,860

confirmed it and said yeah that's that's

591

00:27:40,950 --> 00:27:37,240

how they found her the car was in the

592

00:27:45,240 --> 00:27:40,960

ditch and she's been in so that in the

593

00:27:47,070 --> 00:27:45,250

coma ever since but so that I just I

594

00:27:49,440 --> 00:27:47,080

just thought well if I can maybe help

595

00:27:54,630 --> 00:27:49,450

people like that too because what it was

596

00:27:55,800 --> 00:27:54,640

was she had been in an argument with her

597

00:27:58,680 --> 00:27:55,810

husband before

598

00:28:01,650 --> 00:27:58,690

she had gotten in the car and her

599

00:28:03,960 --> 00:28:01,660

husband felt like well he just wanted to

600

00:28:06,030 --> 00:28:03,970

know you know was it because of the

601
00:28:07,590 --> 00:28:06,040
argument was she upset and she's just

602
00:28:09,750 --> 00:28:07,600
like no it has not

603
00:28:11,730 --> 00:28:09,760
that accident didn't have anything to do

604
00:28:13,650 --> 00:28:11,740
with you it had to do with me not paying

605
00:28:16,890 --> 00:28:13,660
attention and being totally distracted

606
00:28:19,170 --> 00:28:16,900
and so I'm told that that knowing that

607
00:28:21,780 --> 00:28:19,180
that helped the husband because he was

608
00:28:24,420 --> 00:28:21,790
he had a lot of guilt over her accident

609
00:28:25,590 --> 00:28:24,430
and that so so anyway I don't know if

610
00:28:30,330 --> 00:28:25,600
that answers your question

611
00:28:32,280 --> 00:28:30,340
but it does can you maybe share just a

612
00:28:35,520 --> 00:28:32,290
little bit more what she might have told

613
00:28:37,830 --> 00:28:35,530

you so the other thing was she was she

614

00:28:41,670 --> 00:28:37,840

started telling me how she's been

615

00:28:42,870 --> 00:28:41,680

getting better that apparently and I

616

00:28:47,990 --> 00:28:42,880

don't I didn't know a whole lot about

617

00:28:51,900 --> 00:28:48,000

this I guess they when you're in a coma

618

00:28:55,950 --> 00:28:51,910

they I don't know what could I say it

619

00:28:57,510 --> 00:28:55,960

where she was like when she was first in

620

00:29:00,060 --> 00:28:57,520

the coma there wasn't a whole lot of

621

00:29:04,230 --> 00:29:00,070

hope or whatever of her coming out of it

622

00:29:06,150 --> 00:29:04,240

or and but then she starts she was

623

00:29:07,920 --> 00:29:06,160

telling me how she started coming kind

624

00:29:09,300 --> 00:29:07,930

of coming around and was a little bit

625

00:29:13,320 --> 00:29:09,310

better even though she was still in the

626

00:29:15,840 --> 00:29:13,330

coma they could tell that I guess the

627

00:29:22,260 --> 00:29:15,850

rest of her body was starting to kind of

628

00:29:25,890 --> 00:29:22,270

get better and she showed me how the

629

00:29:27,750 --> 00:29:25,900

doctors there's one doctor and a couple

630

00:29:30,330 --> 00:29:27,760

of nurses that seem to really take a

631

00:29:33,630 --> 00:29:30,340

special interest in her and that they

632

00:29:38,520 --> 00:29:33,640

apparently had gone above and beyond as

633

00:29:41,100 --> 00:29:38,530

far as their care with her and just just

634

00:29:43,860 --> 00:29:41,110

paying a lot of extra attention to her

635

00:29:46,890 --> 00:29:43,870

and kind of like was making it their

636

00:29:49,020 --> 00:29:46,900

mission to to help her and and help her

637

00:29:54,060 --> 00:29:49,030

recover and eventually get out of this

638

00:29:55,830 --> 00:29:54,070

coma and he he confirmed that yeah

639

00:29:58,890 --> 00:29:55,840

they've been all everybody who's been

640

00:30:02,190 --> 00:29:58,900

commenting on how this doctor and these

641

00:30:03,810 --> 00:30:02,200

nurses have been treating her and

642

00:30:06,030 --> 00:30:03,820

everything they're just like you know

643

00:30:07,980 --> 00:30:06,040

we've kind of experienced similar things

644

00:30:09,710 --> 00:30:07,990

before we've never seen a doctor and

645

00:30:13,460 --> 00:30:09,720

nurses go above and be

646

00:30:15,590 --> 00:30:13,470

like this like they are with her and so

647

00:30:19,820 --> 00:30:15,600

that kind of confirmed things and then

648

00:30:23,119 --> 00:30:19,830

also I found out she had a dog that they

649

00:30:27,350 --> 00:30:23,129

have a daughter that is living in spirit

650

00:30:28,909 --> 00:30:27,360

and she was telling me that she sees the

651
00:30:30,740 --> 00:30:28,919
daughter and that the daughter keeps

652
00:30:33,070 --> 00:30:30,750
telling her that it's not her time yet

653
00:30:36,200 --> 00:30:33,080
and that she's got to get better and

654
00:30:39,649 --> 00:30:36,210
apparently she's been kind of saying the

655
00:30:42,590 --> 00:30:39,659
daughter's name during this coma and and

656
00:30:44,990 --> 00:30:42,600
kind of acting as if as if she sees the

657
00:30:47,720 --> 00:30:45,000
daughter so so I thought that was pretty

658
00:30:51,320 --> 00:30:47,730
good too so I felt like that kind of

659
00:30:53,299 --> 00:30:51,330
gave him confirmation that you know not

660
00:30:54,980 --> 00:30:53,309
only did I know about the accident

661
00:30:56,840 --> 00:30:54,990
I knew different things that were going

662
00:30:59,450 --> 00:30:56,850
on with her then have there been any

663
00:31:02,080 --> 00:30:59,460

kind of what about any kind of stories

664

00:31:04,610 --> 00:31:02,090

that let's say while you were doing

665

00:31:06,169 --> 00:31:04,620

animal reading that they might have told

666

00:31:10,190 --> 00:31:06,179

you something too totally surprised

667

00:31:11,029 --> 00:31:10,200

the owners um gosh I know I'm putting

668

00:31:12,980 --> 00:31:11,039

you on the spot

669

00:31:24,139 --> 00:31:12,990

yeah let me see I'm just trying to mind

670

00:31:27,110 --> 00:31:24,149

of some recent ones something so there

671

00:31:34,899 --> 00:31:27,120

was there's a reading that I did the

672

00:31:38,470 --> 00:31:34,909

other night for for somebody and they

673

00:31:44,360 --> 00:31:38,480

apparently the dog was coming home

674

00:31:48,830 --> 00:31:44,370

acting really unusual and the the dog

675

00:31:51,169 --> 00:31:48,840

said yeah it's that third it's that

676

00:31:53,240 --> 00:31:51,179

third house that I go to that I don't

677

00:31:57,200 --> 00:31:53,250

like and there's there's too many

678

00:32:00,049 --> 00:31:57,210

animals at that house and therefore I

679

00:32:01,549 --> 00:32:00,059

don't get enough attention and I want to

680

00:32:03,680 --> 00:32:01,559

be able to go to the other two places

681

00:32:06,649 --> 00:32:03,690

instead of that third one I don't want

682

00:32:11,450 --> 00:32:06,659

to go back to that third one and right

683

00:32:14,330 --> 00:32:11,460

away they they were really kind of

684

00:32:16,129 --> 00:32:14,340

surprised that I even knew that

685

00:32:19,970 --> 00:32:16,139

apparently the dog goes to three

686

00:32:22,220 --> 00:32:19,980

different daycares and it didn't like

687

00:32:23,540 --> 00:32:22,230

the third one that it goes to and the

688

00:32:25,549 --> 00:32:23,550

third one was the newest

689

00:32:30,230 --> 00:32:25,559

so that's kind of how they knew which

690

00:32:32,390 --> 00:32:30,240

one and then they also said to that yeah

691

00:32:34,220 --> 00:32:32,400

that they know that that third one has

692

00:32:36,590 --> 00:32:34,230

way too many animals and it was also a

693

00:32:37,940 --> 00:32:36,600

concern of theirs so so now that dog

694

00:32:39,770 --> 00:32:37,950

doesn't have to go to that third day

695

00:32:42,080 --> 00:32:39,780

care anymore because it doesn't like it

696

00:32:46,270 --> 00:32:42,090

there's there's too many

697

00:32:50,260 --> 00:32:46,280

there's too many animals there another

698

00:32:52,460 --> 00:32:50,270

another one just came to mind where I

699

00:32:57,320 --> 00:32:52,470

communicated with some horses that are

700

00:32:59,060 --> 00:32:57,330

in Canada and right away when I

701
00:33:01,370 --> 00:32:59,070
connected with this horse he started

702
00:33:07,130 --> 00:33:01,380
showing me his teeth and talking about

703
00:33:11,690 --> 00:33:07,140
how it hurts to to bite down and to to

704
00:33:14,299 --> 00:33:11,700
really chew anything and and the human

705
00:33:16,220 --> 00:33:14,309
said yeah that's one of the reasons why

706
00:33:18,560 --> 00:33:16,230
they contacted me is because they

707
00:33:20,720 --> 00:33:18,570
noticed it too she brought some carrots

708
00:33:23,390 --> 00:33:20,730
or something out to him and he couldn't

709
00:33:25,190 --> 00:33:23,400
chew him it looked like it hurt to chew

710
00:33:28,700 --> 00:33:25,200
him so he was saying that he he had

711
00:33:30,410 --> 00:33:28,710
something wrong with his teeth so the

712
00:33:32,270 --> 00:33:30,420
follow-up to that is they got somebody

713
00:33:35,500 --> 00:33:32,280

out there and I think they're they're

714

00:33:38,060 --> 00:33:35,510

having somebody look into it but just

715

00:33:40,760 --> 00:33:38,070

it's just always little things like that

716

00:33:43,060 --> 00:33:40,770

where an animal will tell me something

717

00:33:45,530 --> 00:33:43,070

and the human will say yeah that's right

718

00:33:47,510 --> 00:33:45,540

you know yeah that happens but but

719

00:33:51,799 --> 00:33:47,520

you're wanting to know are you wanting

720

00:33:54,860 --> 00:33:51,809

to know like something more spiritual

721

00:33:56,990 --> 00:33:54,870

what anything you like anything like

722

00:34:00,799 --> 00:33:57,000

just basically just to give a overall

723

00:34:03,560 --> 00:34:00,809

picture of how how people because I'm

724

00:34:06,830 --> 00:34:03,570

sure even people calling you

725

00:34:08,149 --> 00:34:06,840

sometimes they're skeptics and I figured

726

00:34:09,980 --> 00:34:08,159

if you're telling them something that

727

00:34:11,899 --> 00:34:09,990

they did not know before it could only

728

00:34:14,720 --> 00:34:11,909

have happened if you were there that

729

00:34:19,070 --> 00:34:14,730

that might change your mind I may assume

730

00:34:22,250 --> 00:34:19,080

yeah yeah that's why I was asking to

731

00:34:24,619 --> 00:34:22,260

have you share certain stories that okay

732

00:34:28,280 --> 00:34:24,629

just kind of blew them away that you

733

00:34:30,740 --> 00:34:28,290

would have known that yeah well I just

734

00:34:33,710 --> 00:34:30,750

remember the people with the sister in

735

00:34:35,810 --> 00:34:33,720

the coma you know there was no way I

736

00:34:37,220 --> 00:34:35,820

could have researched that ahead of time

737

00:34:39,680 --> 00:34:37,230

I didn't know

738

00:34:42,290 --> 00:34:39,690

anything about this I didn't even know

739

00:34:43,099 --> 00:34:42,300

her name or anything until I was on the

740

00:34:46,490 --> 00:34:43,109

phone with them

741

00:34:48,530 --> 00:34:46,500

and you know I there was no way of me

742

00:34:50,810 --> 00:34:48,540

knowing that her car ended up in a ditch

743

00:34:52,250 --> 00:34:50,820

but yet Here I am telling them that yeah

744

00:34:53,930 --> 00:34:52,260

the car ended up in a ditch and they're

745

00:34:56,839 --> 00:34:53,940

like yeah that's exactly right that's

746

00:35:01,130 --> 00:34:56,849

where her car was so so some things like

747

00:35:05,090 --> 00:35:01,140

that so I'm sure you have four other

748

00:35:07,430 --> 00:35:05,100

readings that you've done is do

749

00:35:11,720 --> 00:35:07,440

especially for how you connect to them

750

00:35:14,810 --> 00:35:11,730

is there some kind of a animal spirit

751
00:35:17,510 --> 00:35:14,820
collective that kind of has something to

752
00:35:19,460 --> 00:35:17,520
say about how we live our lives as

753
00:35:21,140 --> 00:35:19,470
humans on the planet and interacting

754
00:35:24,590 --> 00:35:21,150
with with the animals and pets we have

755
00:35:27,010 --> 00:35:24,600
or if you ever had something like that

756
00:35:30,830 --> 00:35:27,020
come through I've never really had any

757
00:35:31,490 --> 00:35:30,840
any like collective or anything come

758
00:35:33,350 --> 00:35:31,500
through

759
00:35:36,890 --> 00:35:33,360
although that is something I'd like to

760
00:35:41,500 --> 00:35:36,900
I'm sure it's out there I I'm open to

761
00:35:49,010 --> 00:35:44,360
they just they don't come through with a

762
00:35:53,890 --> 00:35:49,020
lot of judgment they mostly come through

763
00:35:56,360 --> 00:35:53,900

with just information wanting to help us

764

00:35:58,610 --> 00:35:56,370

help us understand them a little and

765

00:36:02,270 --> 00:35:58,620

understand what we're doing to them and

766

00:36:05,840 --> 00:36:02,280

how we're kind of messing things up with

767

00:36:08,810 --> 00:36:05,850

the food that we give them with the all

768

00:36:09,290 --> 00:36:08,820

the shots and the drugs and things like

769

00:36:11,120 --> 00:36:09,300

that

770

00:36:13,370 --> 00:36:11,130

well can you can you maybe talk a little

771

00:36:16,880 --> 00:36:13,380

bit about that especially the food and

772

00:36:19,310 --> 00:36:16,890

sort of shots as you mentioned so um so

773

00:36:20,930 --> 00:36:19,320

I can't tell you how many times when I

774

00:36:25,090 --> 00:36:20,940

connect with an animal they're asking me

775

00:36:28,550 --> 00:36:25,100

for ancestor food and they they like

776

00:36:31,400 --> 00:36:28,560

literally laugh at us for calling it

777

00:36:35,600 --> 00:36:31,410

people food they're just like that food

778

00:36:37,820 --> 00:36:35,610

was here before you were so how can you

779

00:36:39,770 --> 00:36:37,830

call it people food that's the that's

780

00:36:42,800 --> 00:36:39,780

the food my ancestors ate I need people

781

00:36:45,740 --> 00:36:42,810

food I mean I need I need people food I

782

00:36:48,080 --> 00:36:45,750

need food that my ancestors ate the and

783

00:36:49,900 --> 00:36:48,090

they always ask for the cleaner the

784

00:36:53,480 --> 00:36:49,910

better and it's the same thing we need

785

00:36:56,270 --> 00:36:53,490

you know they don't want glyphosate in

786

00:37:00,140 --> 00:36:56,280

their body and mercury and aluminum and

787

00:37:03,830 --> 00:37:00,150

all that other stuff and then you know

788

00:37:06,680 --> 00:37:03,840

like if it's a dog well even a cat -

789

00:37:10,520 --> 00:37:06,690

they're they're carnivores they they're

790

00:37:16,010 --> 00:37:10,530

meat eaters they the more meat they can

791

00:37:18,890 --> 00:37:16,020

get the better and and they seem to know

792

00:37:22,190 --> 00:37:18,900

- when you know what they

793

00:37:26,539 --> 00:37:22,200

need and what kind of remedies they need

794

00:37:29,029 --> 00:37:26,549

like a lot of times after they after

795

00:37:30,620 --> 00:37:29,039

they get back from from a vet's office

796

00:37:33,260 --> 00:37:30,630

where they've just been given a

797

00:37:36,859 --> 00:37:33,270

vaccination they're out in the yard

798

00:37:41,870 --> 00:37:36,869

eating grass and eating dirt and are

799

00:37:43,609 --> 00:37:41,880

even eating feces and the reason for

800

00:37:49,130 --> 00:37:43,619

that is because they're trying to detox

801
00:37:50,630 --> 00:37:49,140
the the grass has chlorophyll in it the

802
00:37:54,140 --> 00:37:50,640
chlorophyll cleans the blood and makes

803
00:37:56,359 --> 00:37:54,150
the body more alkaline the dirt kind of

804
00:37:58,880 --> 00:37:56,369
works like a clay like bentonite clay or

805
00:38:01,220 --> 00:37:58,890
diatomaceous earth they're always asking

806
00:38:03,710 --> 00:38:01,230
for something like diatomaceous earth to

807
00:38:07,490 --> 00:38:03,720
help pull toxins from the their body in

808
00:38:09,589 --> 00:38:07,500
order to get healthy so that that's the

809
00:38:12,799 --> 00:38:09,599
kind of things that I get from them are

810
00:38:15,529 --> 00:38:12,809
any of the shots beneficial or is pretty

811
00:38:18,589 --> 00:38:15,539
much would you just recommend to just

812
00:38:23,299 --> 00:38:18,599
stay away I would recommend to stay away

813
00:38:26,210 --> 00:38:23,309

I believe me I mean from every all the

814

00:38:30,260 --> 00:38:26,220

research that I've done and that it like

815

00:38:35,000 --> 00:38:30,270

rabies is it's a hoax there's really no

816

00:38:39,109 --> 00:38:35,010

rabies I don't know how to explain it

817

00:38:41,690 --> 00:38:39,119

it's just if you go to your individual

818

00:38:44,660 --> 00:38:41,700

state website you can see how many

819

00:38:46,250 --> 00:38:44,670

animals they're testing each year and

820

00:38:48,950 --> 00:38:46,260

how many of them they're finding

821

00:38:52,250 --> 00:38:48,960

actually finding rabies in these animals

822

00:38:55,549 --> 00:38:52,260

it's very low it's not even a risk

823

00:38:58,760 --> 00:38:55,559

anymore and to be injecting these

824

00:39:00,950 --> 00:38:58,770

animals with the rabies virus it ends up

825

00:39:03,760 --> 00:39:00,960

causing what they're trying to prevent

826

00:39:07,870 --> 00:39:03,770

it ends up causing aggressive behavior

827

00:39:13,120 --> 00:39:07,880

it ends up causing the animals to bite

828

00:39:15,859 --> 00:39:13,130

that you know you have a perfectly happy

829

00:39:19,010 --> 00:39:15,869

dog that wasn't aggressive and wasn't

830

00:39:21,500 --> 00:39:19,020

biting until he gets this third round of

831

00:39:26,890 --> 00:39:21,510

a rabies shot or whatever and suddenly

832

00:39:32,089 --> 00:39:30,349

there's he that animal didn't just all

833

00:39:33,230 --> 00:39:32,099

of a sudden decide to bite someone you

834

00:39:36,020 --> 00:39:33,240

know

835

00:39:38,660 --> 00:39:36,030

and we're causing all kinds of illnesses

836

00:39:41,360 --> 00:39:38,670

cancer and and all kinds of autoimmune

837

00:39:43,550 --> 00:39:41,370

diseases in these animals that they

838

00:39:46,400 --> 00:39:43,560

never used to have before they don't get

839

00:39:48,410 --> 00:39:46,410

these diseases in the wild so you have

840

00:39:51,590 --> 00:39:48,420

to kind of look at what's causing it did

841

00:39:54,950 --> 00:39:51,600

the bag kind of food that they sell in

842

00:39:56,870 --> 00:39:54,960

stores that's not something I guess

843

00:39:59,270 --> 00:39:56,880

based on what you've been told would

844

00:40:02,750 --> 00:39:59,280

recommend for them to eat yeah all the

845

00:40:07,100 --> 00:40:02,760

time or just sometimes a lot of that

846

00:40:09,230 --> 00:40:07,110

what I call what kibble that kind of

847

00:40:15,610 --> 00:40:09,240

stuff when you look at the ingredients

848

00:40:21,500 --> 00:40:15,620

it's just so unnatural it's it's the

849

00:40:26,270 --> 00:40:21,510

byproducts it's full of toxins it's I

850

00:40:29,210 --> 00:40:26,280

don't know how to it's it's not what

851
00:40:33,350 --> 00:40:29,220
they what their body needs their body is

852
00:40:36,110 --> 00:40:33,360
a to processed it yeah it really is to

853
00:40:39,650 --> 00:40:36,120
to processed it's and it's full of

854
00:40:41,000 --> 00:40:39,660
antibiotics which affects their gut they

855
00:40:43,450 --> 00:40:41,010
need things that are going to give them

856
00:40:47,120 --> 00:40:43,460
natural probiotics instead of the

857
00:40:49,550 --> 00:40:47,130
antibiotics so it's it's full of

858
00:40:52,550 --> 00:40:49,560
pesticides antibiotics it's just not

859
00:40:53,720 --> 00:40:52,560
natural food and and the body doesn't

860
00:40:55,880 --> 00:40:53,730
know what to do with that and those

861
00:40:58,610 --> 00:40:55,890
toxins end up in the brain end up

862
00:41:01,400 --> 00:40:58,620
adhering to the the muscles the joints

863
00:41:04,640 --> 00:41:01,410

and then they have hip dysplasia things

864

00:41:05,930 --> 00:41:04,650

like that yes interesting so is ooh is

865

00:41:08,120 --> 00:41:05,940

there anything else you would like to

866

00:41:09,980 --> 00:41:08,130

share in general about what is it what

867

00:41:11,780 --> 00:41:09,990

it is that you do or anything else you

868

00:41:14,030 --> 00:41:11,790

would like to say well I'm just one

869

00:41:15,290 --> 00:41:14,040

other thing about the food I can't tell

870

00:41:19,700 --> 00:41:15,300

you how many times when I connect with

871

00:41:22,760 --> 00:41:19,710

an animal mostly a dog or a cat when I

872

00:41:25,070 --> 00:41:22,770

get an image of a chicken coop and they

873

00:41:27,110 --> 00:41:25,080

always say mom if I were out in the wild

874

00:41:29,810 --> 00:41:27,120

and I came across this chicken coop I'd

875

00:41:31,850 --> 00:41:29,820

be eating the chicken I'd be eating the

876

00:41:34,730 --> 00:41:31,860

eggs I'd eat the shell and I wouldn't be

877

00:41:37,550 --> 00:41:34,740

cooking at first so more of them are

878

00:41:40,010 --> 00:41:37,560

just they're craving that protein and

879

00:41:45,230 --> 00:41:40,020

everything and then they're there

880

00:41:47,180 --> 00:41:45,240

they're also wanting it raw raw is so

881

00:41:50,210 --> 00:41:47,190

much better for them

882

00:41:52,700 --> 00:41:50,220

so that that's it kind of about the food

883

00:41:54,260 --> 00:41:52,710

like I feel like it kind of said it it's

884

00:41:58,280 --> 00:41:54,270

just the cleaner the better is what they

885

00:42:01,730 --> 00:41:58,290

asked for and then anything you said

886

00:42:05,150 --> 00:42:01,740

anything else that sure whatever you

887

00:42:07,370 --> 00:42:05,160

some you mind just I just want people to

888

00:42:10,070 --> 00:42:07,380

know that there they really are no

889

00:42:12,170 --> 00:42:10,080

different than we are they're they're

890

00:42:15,440 --> 00:42:12,180

just in a different body they they have

891

00:42:19,460 --> 00:42:15,450

feelings their feelings do get hurt when

892

00:42:23,570 --> 00:42:19,470

you call it stupid they they know what

893

00:42:28,580 --> 00:42:23,580

that means and they they know that

894

00:42:30,320 --> 00:42:28,590

they're really here for us you know I

895

00:42:32,150 --> 00:42:30,330

you know there's a lot of people say

896

00:42:33,860 --> 00:42:32,160

you've seen where people say yeah I

897

00:42:36,560 --> 00:42:33,870

rescued this dog but this dog really

898

00:42:39,410 --> 00:42:36,570

rescued me and that's so true that and

899

00:42:44,270 --> 00:42:39,420

and they're they're happy happy to do

900

00:42:49,400 --> 00:42:44,280

that they they want so much to help us

901
00:42:51,830 --> 00:42:49,410
and and and they want to teach us too so

902
00:42:54,830 --> 00:42:51,840
they feel like that's why they're here I
