variety of subjects one in particular

00:00:29,779 --> 00:00:27,599
generally ETS and UFOs so there's a lot

00:00:32,240 --> 00:00:29,789
of information I hope you get a chance

to listen to all of it Joe will be

showing some very interesting footage he

10
00:00:40,729 --> 00:00:38,430
shot regarding the the Sasquatch and

11
00:00:43,310 --> 00:00:40,739
Bigfoot phenomena and I hope you get a

12
00:00:45,529 --> 00:00:43,320
chance to visit this website and and see

13
00:00:47,360 --> 00:00:45,539

that as well the links all will be

14

00:00:50,569 --> 00:00:47,370
posted in the description below

15

00:00:52,970 --> 00:00:50,579
and yeah let's get into it here's Joe

16

00:00:55,250 --> 00:00:52,980
hey Joe welcome to a webcast thanks for

17

00:00:57,260 --> 00:00:55,260
being on hey thank you very much France

18

00:00:59,240 --> 00:00:57,270
me I'm not it's it's a pleasure to see

19

00:01:01,910 --> 00:00:59,250
you again and I know we're gonna have a

20

00:01:04,369 --> 00:01:01,920
good one here because we always do good

21

00:01:05,780 --> 00:01:04,379
to see you as well well the format

22

00:01:07,850 --> 00:01:05,790
usually I'll go through all the

23

00:01:09,649 --> 00:01:07,860
questions and after we're done I'm

24

00:01:12,460 --> 00:01:09,659
pretty sure I'll ask some questions of

25

00:01:14,390 --> 00:01:12,470
my own and figures we'll just get going

26

00:01:18,160 --> 00:01:14,400

sure absolutely

27

00:01:22,999 --> 00:01:18,170

okay so the first question is from hazel

28

00:01:26,240 --> 00:01:23,009

Malaga Spain the the question is in your

29

00:01:29,450 --> 00:01:26,250

opinion do you think there's a way to

30

00:01:33,170 --> 00:01:29,460

get an ET to hear what we are saying to

31

00:01:36,050 --> 00:01:33,180

them second question is I always tell

32

00:01:41,070 --> 00:01:36,060

them that it is okay to visit do you

33

00:01:45,780 --> 00:01:42,930

the last one what is the best way to

34

00:01:47,700 --> 00:01:45,790

communicate with them many things so I

35

00:01:50,700 --> 00:01:47,710

figured I'll leave it up to you which

36

00:01:53,220 --> 00:01:50,710

order you wanted to take this well it

37

00:01:54,480 --> 00:01:53,230

sounds so like a good order as it is so

38

00:01:56,730 --> 00:01:54,490

that's fine

39

00:02:01,590 --> 00:01:56,740

hello hazel thank you for submitting a

40

00:02:05,850 --> 00:02:01,600

question and you broach a very very

41

00:02:11,790 --> 00:02:05,860

interesting subject many people on this

42

00:02:14,580 --> 00:02:11,800

planet have a very strong desire why I'm

43

00:02:20,040 --> 00:02:14,590

not entirely sure but very strong desire

44

00:02:23,880 --> 00:02:20,050

to communicate with other beings and the

45

00:02:28,080 --> 00:02:23,890

trick to that question is that you need

46

00:02:30,120 --> 00:02:28,090

to be very specific about who or what it

47

00:02:32,330 --> 00:02:30,130

is that you want to communicate with and

48

00:02:37,530 --> 00:02:32,340

what your intentions actually are

49

00:02:43,050 --> 00:02:37,540

because if you leave it open you leave

50

00:02:46,470 --> 00:02:43,060

yourself open to any intelligence coming

51
00:02:49,400 --> 00:02:46,480
through whether it's this alien

52
00:02:55,280 --> 00:02:49,410
extraterrestrial from the spirit realm

53
00:02:58,050 --> 00:02:55,290
what what level of consciousness that

54
00:03:00,720 --> 00:02:58,060
may be interested in communicating so

55
00:03:02,729 --> 00:03:00,730
you really need to be specific in what

56
00:03:05,759 --> 00:03:02,739
you're asking for and you always need to

57
00:03:09,949 --> 00:03:05,769
use protection you always need to guard

58
00:03:13,830 --> 00:03:09,959
yourself against lower level entities

59
00:03:17,370 --> 00:03:13,840
that may very much want to break through

60
00:03:20,030 --> 00:03:17,380
and communicate so that would be my my

61
00:03:24,210 --> 00:03:20,040
first response to your questions Tom as

62
00:03:29,090 --> 00:03:24,220
far as are they around and do they hear

63
00:03:33,240 --> 00:03:29,100

your question I would say yeah yeah

64

00:03:36,030 --> 00:03:33,250

now whether whether the consciousness

65

00:03:39,000 --> 00:03:36,040

that's their hearing you wants to

66

00:03:42,210 --> 00:03:39,010

communicate with you you know that's on

67

00:03:44,640 --> 00:03:42,220

there in it's it's like going into your

68

00:03:46,800 --> 00:03:44,650

favorite place public place for coffee

69

00:03:48,539 --> 00:03:46,810

or whatever and standing up and in the

70

00:03:52,199 --> 00:03:48,549

middle of the place and going hey does

71

00:03:53,860 --> 00:03:52,209

anybody want to talk maybe they do maybe

72

00:03:58,869 --> 00:03:53,870

they don't

73

00:04:03,640 --> 00:03:58,879

so does that kind of covered the

74

00:04:04,240 --> 00:04:03,650

questions that were asked by hazel yep I

75

00:04:10,360 --> 00:04:04,250

think so

76

00:04:12,339 --> 00:04:10,370

trying to see feminism okay just be

77

00:04:15,130 --> 00:04:12,349

careful don't just invite anybody to

78

00:04:18,250 --> 00:04:15,140

talk so the second question is from

79

00:04:20,319 --> 00:04:18,260

Anthony from Rayong Thailand he asks

80

00:04:22,570 --> 00:04:20,329

what do you know of the other races of

81

00:04:26,070 --> 00:04:22,580

humans they seem to have coexisted with

82

00:04:28,090 --> 00:04:26,080

us before the last great Cataclysm

83

00:04:30,750 --> 00:04:28,100

affectionately known as the Coneheads

84

00:04:34,659 --> 00:04:30,760

because of their elongated skulls are

85

00:04:37,600 --> 00:04:34,669

they of earthly or alien origin where

86

00:04:40,780 --> 00:04:37,610

they are rulers were they the Giants of

87

00:04:44,170 --> 00:04:40,790

old well first thank you Anthony for

88

00:04:47,800 --> 00:04:44,180

submitting your question and what I will

89

00:04:49,710 --> 00:04:47,810

say is that I personally because of the

90

00:04:53,140 --> 00:04:49,720

way the question is formatted I

91

00:04:56,230 --> 00:04:53,150

personally can't say that I know for

92

00:04:58,990 --> 00:04:56,240

sure anything about these beings it

93

00:05:02,850 --> 00:04:59,000

sounds like maybe you've watched a lot

94

00:05:07,060 --> 00:05:02,860

of ancient aliens on television perhaps

95

00:05:08,820 --> 00:05:07,070

and let me say let me state this for the

96

00:05:11,860 --> 00:05:08,830

viewing audience and in for Anthony

97

00:05:16,379 --> 00:05:11,870

nobody knows for certain you know we're

98

00:05:20,320 --> 00:05:16,389

dealing with a ton of speculation on on

99

00:05:23,279 --> 00:05:20,330

artifacts and inferred knowledge about

100

00:05:26,110 --> 00:05:23,289

these things whether they were the last

101
00:05:31,690 --> 00:05:26,120
Cataclysm or three cataclysms ago we

102
00:05:34,560 --> 00:05:31,700
don't know I do know that from what I've

103
00:05:38,850 --> 00:05:34,570
heard from researchers like the late

104
00:05:41,500 --> 00:05:38,860
Colonel Wendell Stevens the

105
00:05:45,430 --> 00:05:41,510
extraterrestrials that are out there 90%

106
00:05:50,770 --> 00:05:45,440
of them look like us now the question is

107
00:05:57,879 --> 00:05:50,780
referring specifically to artifact

108
00:06:00,520 --> 00:05:57,889
or maybe remains or statues that are

109
00:06:04,540 --> 00:06:00,530
found of beings that have elongated

110
00:06:09,540 --> 00:06:04,550
heads whether they were gods or our

111
00:06:19,480 --> 00:06:13,330
did they rule over us apparently there

112
00:06:21,909 --> 00:06:19,490
are humans that held these beings in

113
00:06:25,030 --> 00:06:21,919

high esteem because they made statues to

114

00:06:26,830 --> 00:06:25,040

them or whatever so it's really

115

00:06:30,670 --> 00:06:26,840

difficult to answer your question with

116

00:06:34,600 --> 00:06:30,680

any certainty so that's the best answer

117

00:06:36,600 --> 00:06:34,610

I can give you okay the next question is

118

00:06:40,390 --> 00:06:36,610

from Agnes and she's from the

119

00:06:43,360 --> 00:06:40,400

Netherlands our sasquatch evolved humans

120

00:06:45,909 --> 00:06:43,370

without alien manipulation do you know

121

00:06:48,610 --> 00:06:45,919

any sites in the Netherlands Germany

122

00:06:52,870 --> 00:06:48,620

Poland region where there is a higher

123

00:06:54,580 --> 00:06:52,880

UFO eg activity well we're just gonna

124

00:06:56,740 --> 00:06:54,590

cover the whole gamut here with this

125

00:07:00,450 --> 00:06:56,750

question aren't we hello Agnes from the

126
00:07:03,610 --> 00:07:00,460
Netherlands appreciate your question and

127
00:07:10,330 --> 00:07:03,620
the first part of the regarding big book

128
00:07:12,430 --> 00:07:10,340
of the Sasquatch only from a friend of

129
00:07:16,360 --> 00:07:12,440
mine who I consider my my Sasquatch

130
00:07:19,710 --> 00:07:16,370
mentor can I begin to broach your

131
00:07:25,600 --> 00:07:19,720
question and that would be that

132
00:07:28,779 --> 00:07:25,610
Sasquatch as addressed to this specific

133
00:07:32,529 --> 00:07:28,789
type of creature that my mentor deals

134
00:07:36,580 --> 00:07:32,539
with Tom we did pose that question how

135
00:07:39,190 --> 00:07:36,590
are they do they are originated from

136
00:07:41,890 --> 00:07:39,200
Earth and the answer that came back was

137
00:07:44,250 --> 00:07:41,900
no they are not originating from the

138
00:07:46,870 --> 00:07:44,260

planet Earth now we didn't get any more

139

00:07:49,210 --> 00:07:46,880

information on that in other words we

140

00:07:52,570 --> 00:07:49,220

don't know we're out there they come

141

00:07:57,820 --> 00:07:52,580

from but they're not originally

142

00:08:01,060 --> 00:07:57,830

terrestrial now again that's from that

143

00:08:02,920 --> 00:08:01,070

particular clan of creature that my

144

00:08:04,930 --> 00:08:02,930

friend has dealt with

145

00:08:09,090 --> 00:08:04,940

could there be other creatures that

146

00:08:12,219 --> 00:08:09,100

resemble sasquatch that maybe are

147

00:08:16,749 --> 00:08:12,229

originated from earth possibly we're

148

00:08:19,950 --> 00:08:16,759

we're still in that in that research and

149

00:08:24,219 --> 00:08:19,960

investigation of which creatures are

150

00:08:28,180 --> 00:08:24,229

similar or not it's almost like we

151
00:08:33,250 --> 00:08:28,190
presume that all primates that are

152
00:08:35,920 --> 00:08:33,260
gorillas or orangutan or monkey some

153
00:08:38,260 --> 00:08:35,930
some subspecies but they all come from

154
00:08:40,540 --> 00:08:38,270
the planet Earth because we can't really

155
00:08:41,800 --> 00:08:40,550
communicate with them maybe they do

156
00:08:43,710 --> 00:08:41,810
maybe they don't

157
00:08:48,130 --> 00:08:43,720
we don't know yet we're still in that

158
00:08:51,640 --> 00:08:48,140
discovery process as far as the other

159
00:08:55,660 --> 00:08:51,650
countries you mentioned and in UFO word

160
00:09:00,060 --> 00:08:55,670
alien activity that's a tricky one too

161
00:09:02,860 --> 00:09:00,070
only because there were only just now

162
00:09:05,800 --> 00:09:02,870
sharing research with other countries in

163
00:09:10,440 --> 00:09:05,810

the past 10-15 years is a very slow

164

00:09:14,560 --> 00:09:10,450

process to know which seeming

165

00:09:18,400 --> 00:09:14,570

extraterrestrials are seen being seen

166

00:09:21,280 --> 00:09:18,410

more in specific countries and there

167

00:09:23,590 --> 00:09:21,290

there's the there's beginning to be a

168

00:09:26,680 --> 00:09:23,600

breakdown according to the reports that

169

00:09:30,730 --> 00:09:26,690

we're getting of what witness eyewitness

170

00:09:32,140 --> 00:09:30,740

testimony are telling us is that broken

171

00:09:34,300 --> 00:09:32,150

down enough for me to be able to

172

00:09:37,449 --> 00:09:34,310

actually answer your question with any

173

00:09:39,519 --> 00:09:37,459

precision I apologize for that but it is

174

00:09:42,340 --> 00:09:39,529

what it is with the communication that

175

00:09:46,199 --> 00:09:42,350

we have around the world and there's

176

00:09:50,560 --> 00:09:46,209

even speculation through some

177

00:09:54,760 --> 00:09:50,570

intelligence that some UFOs are living

178

00:10:00,040 --> 00:09:54,770

beings not just the you know D if you

179

00:10:02,530 --> 00:10:00,050

kick it does it clunk so it's very open

180

00:10:05,230 --> 00:10:02,540

yet I would be very just knowing what

181

00:10:08,290 --> 00:10:05,240

your research and investigation may I

182

00:10:10,420 --> 00:10:08,300

may tell us so if you would maybe you

183

00:10:12,490 --> 00:10:10,430

could communicate that with Agnon and

184

00:10:16,210 --> 00:10:12,500

UFO heaven and share some of your

185

00:10:23,829 --> 00:10:19,869

okay and the last question is from a

186

00:10:26,319 --> 00:10:23,839

gyro North Hills California why are some

187

00:10:31,240 --> 00:10:26,329

critics more prevalent than others and

188

00:10:36,460 --> 00:10:31,250

there are so many here okay in trying to

189

00:10:38,439 --> 00:10:36,470

break down that question why are well I

190

00:10:42,280 --> 00:10:38,449

think probably there's no--there's

191

00:10:46,869 --> 00:10:42,290

critics and in ufology there are

192

00:10:49,800 --> 00:10:46,879

debunkers critics were open to now we

193

00:10:52,569 --> 00:10:49,810

need critical thinking in being able to

194

00:10:57,309 --> 00:10:52,579

understand what the what these things

195

00:10:59,619 --> 00:10:57,319

are that we're experiencing are if we

196

00:11:02,470 --> 00:10:59,629

can even break it down that far because

197

00:11:05,650 --> 00:11:02,480

we are dealing with seemingly advanced

198

00:11:08,499 --> 00:11:05,660

technology and certainly somewhat

199

00:11:11,530 --> 00:11:08,509

advanced beings and some some beings

200

00:11:12,759 --> 00:11:11,540

don't even aren't even involved in any

201
00:11:15,160 --> 00:11:12,769
kind of aircraft at all they're just

202
00:11:18,999 --> 00:11:15,170
consciousness that comes through so it

203
00:11:21,670 --> 00:11:19,009
becomes very tricky for us humans to

204
00:11:24,100 --> 00:11:21,680
analyze and understand and from a

205
00:11:27,610 --> 00:11:24,110
skeptical or critical standpoint you're

206
00:11:31,269 --> 00:11:27,620
applying the logic that those of us who

207
00:11:33,850 --> 00:11:31,279
can do critical thinking are we're

208
00:11:37,290 --> 00:11:33,860
trying to answer it from that aspect why

209
00:11:40,780 --> 00:11:37,300
are they allowed boys why are there more

210
00:11:43,900 --> 00:11:40,790
because I think these subjects in these

211
00:11:47,019 --> 00:11:43,910
areas of interest are gaining a wider

212
00:11:49,240 --> 00:11:47,029
audience I think those people that may

213
00:11:54,809 --> 00:11:49,250

have just said oh that's a bunch of

214

00:11:57,490 --> 00:11:54,819

nonsense you know 25 30 years ago it's

215

00:12:01,090 --> 00:11:57,500

an arm is still in our lives

216

00:12:01,600 --> 00:12:01,100

and these things are even greater in our

217

00:12:03,340 --> 00:12:01,610

lives

218

00:12:07,090 --> 00:12:03,350

they are penetrating into more and more

219

00:12:11,290 --> 00:12:07,100

people's lives people who never gave a

220

00:12:13,990 --> 00:12:11,300

thought to UFOs or aliens it's it's

221

00:12:15,639 --> 00:12:14,000

there they can't ignore it anymore so

222

00:12:19,840 --> 00:12:15,649

they're they're lending their voice to

223

00:12:22,960 --> 00:12:19,850

it they're going well because I think it

224

00:12:27,300 --> 00:12:22,970

scares them personally I think it scares

225

00:12:31,230 --> 00:12:27,310

the logical mind because it doesn't read

226

00:12:33,660 --> 00:12:31,240

fit into people's lives even though it

227

00:12:38,600 --> 00:12:33,670

is in people's lives and even people who

228

00:12:41,700 --> 00:12:38,610

are open to the idea it's disconcerting

229

00:12:43,260 --> 00:12:41,710

they don't know where to put it I have

230

00:12:45,690 --> 00:12:43,270

some very dear friends that I've met

231

00:12:49,290 --> 00:12:45,700

through this sort of thing and they will

232

00:12:51,450 --> 00:12:49,300

often call me asking me questions very

233

00:12:56,970 --> 00:12:51,460

similar to what you're asking because

234

00:13:00,560 --> 00:12:56,980

they haven't yet fitted into their lives

235

00:13:03,000 --> 00:13:00,570

and it is disruptive to human lives

236

00:13:04,980 --> 00:13:03,010

and that's why I amended this whole

237

00:13:08,820 --> 00:13:04,990

thing trying to understand what's going

238

00:13:10,710 --> 00:13:08,830

on so I can help my friends even even in

239

00:13:14,970 --> 00:13:10,720

my own I'm good with things that I've

240

00:13:17,120 --> 00:13:14,980

experienced and what I've seen I have no

241

00:13:23,160 --> 00:13:17,130

problem fitting them into my life

242

00:13:25,110 --> 00:13:23,170

because they were there I can't I cannot

243

00:13:28,470 --> 00:13:25,120

do to myself with some other people can

244

00:13:30,630 --> 00:13:28,480

do I can't say that didn't really happen

245

00:13:33,840 --> 00:13:30,640

that didn't exist bla bla bla I can't

246

00:13:36,960 --> 00:13:33,850

because I know my mind well enough it's

247

00:13:40,829 --> 00:13:36,970

like and and let me add this to this is

248

00:13:42,930 --> 00:13:40,839

I think important where I experience

249

00:13:46,340 --> 00:13:42,940

something that seems out of the norm

250

00:13:48,570 --> 00:13:46,350

whether it's a UFO or

251
00:13:50,550 --> 00:13:48,580
the aliens are pretty good at covering

252
00:13:54,930 --> 00:13:50,560
their tracks and you don't really think

253
00:13:57,150 --> 00:13:54,940
a lot about that when I have whatever

254
00:14:01,410 --> 00:13:57,160
kind of encounter it is whether it's

255
00:14:05,220 --> 00:14:01,420
spirit UFO sighting Bigfoot whatever my

256
00:14:08,430 --> 00:14:05,230
mind is also still taking in everything

257
00:14:11,100 --> 00:14:08,440
else and that has always been my

258
00:14:13,140 --> 00:14:11,110
checkpoints like okay everything else I

259
00:14:17,430 --> 00:14:13,150
centered this one item that I'm seeing

260
00:14:21,840 --> 00:14:17,440
is falls into the category of normal you

261
00:14:25,380 --> 00:14:21,850
know even if my my bed were to start

262
00:14:27,690 --> 00:14:25,390
levitating it's like okay my computer's

263
00:14:31,010 --> 00:14:27,700

still here my table is still here

264

00:14:35,090 --> 00:14:31,020

my shelf of everything else is normal

265

00:14:38,430 --> 00:14:35,100

this is the only thing that is seemingly

266

00:14:40,199 --> 00:14:38,440

abnormal so that allows me and my mind

267

00:14:40,920 --> 00:14:40,209

to say okay this is real because

268

00:14:44,540 --> 00:14:40,930

everything else

269

00:14:48,269 --> 00:14:44,550

around me Israel this is the only oddity

270

00:14:52,320 --> 00:14:48,279

so let me take in as much of this oddity

271

00:14:58,350 --> 00:14:52,330

as I can with with all of my senses so

272

00:15:00,240 --> 00:14:58,360

that later I can take an objective and I

273

00:15:02,160 --> 00:15:00,250

know people have an issue with this well

274

00:15:06,420 --> 00:15:02,170

you you experienced it has got to be

275

00:15:09,300 --> 00:15:06,430

subjective I seemingly have a gift

276
00:15:12,410 --> 00:15:09,310
because I don't have an agenda with it I

277
00:15:16,019 --> 00:15:12,420
want to look at it if I can explain it

278
00:15:18,570 --> 00:15:16,029
then I explain it it's a done deal if I

279
00:15:21,019 --> 00:15:18,580
can't explain it then it's not a done

280
00:15:24,680 --> 00:15:21,029
deal and I put that into a category

281
00:15:28,199 --> 00:15:24,690
psychology was to say that you can't be

282
00:15:31,400 --> 00:15:28,209
objective if you're involved I disagree

283
00:15:35,519 --> 00:15:31,410
with that and while we're on that

284
00:15:37,500 --> 00:15:35,529
concept let me say that there are I am

285
00:15:41,480 --> 00:15:37,510
in a position in my life I've been doing

286
00:15:46,470 --> 00:15:41,490
this all my life I am in a position of

287
00:15:49,579 --> 00:15:46,480
challenging current thought I've had ten

288
00:15:55,019 --> 00:15:49,589

years study of metaphysics and

289

00:15:59,490 --> 00:15:55,029

parapsychology and I I challenge a lot

290

00:16:03,240 --> 00:15:59,500

of what's considered guidelines and all

291

00:16:06,660 --> 00:16:03,250

of this stuff I would I would I don't

292

00:16:08,850 --> 00:16:06,670

care if it's a named person or somebody

293

00:16:10,530 --> 00:16:08,860

brand new on the scene if I disagree

294

00:16:12,570 --> 00:16:10,540

with their concept I'm going to

295

00:16:14,730 --> 00:16:12,580

challenge it and I'm going to give an

296

00:16:18,329 --> 00:16:14,740

explanation as to why I'm challenging

297

00:16:22,040 --> 00:16:18,339

and that's what we all need to do if it

298

00:16:25,100 --> 00:16:22,050

doesn't make sense to you challenge it

299

00:16:27,590 --> 00:16:25,110

but be prepared to back up why you're

300

00:16:29,780 --> 00:16:27,600

challenging it don't do it arbitrarily

301

00:16:31,819 --> 00:16:29,790

don't do it just to be well I'm gonna

302

00:16:35,129 --> 00:16:31,829

take the opposite side of the table you

303

00:16:43,769 --> 00:16:38,129

my challenge to all the quote debunkers

304

00:16:47,389 --> 00:16:43,779

out there okay if you want to just as a

305

00:16:52,559 --> 00:16:47,399

quick example of stupid debunking I

306

00:16:55,139 --> 00:16:52,569

think it was in the early eighties there

307

00:16:58,079 --> 00:16:55,149

was a Japanese Japanese airliner that

308

00:17:02,280 --> 00:16:58,089

flew across the continental US at the

309

00:17:08,399 --> 00:17:02,290

border of Canada on the plane itself

310

00:17:10,549 --> 00:17:08,409

there was visual witness to this UFO

311

00:17:14,250 --> 00:17:10,559

outside the plane following the plane

312

00:17:17,779 --> 00:17:14,260

onboard radar picked it up and a Royal

313

00:17:22,230 --> 00:17:17,789

Canadian Air Force radar picked it up

314

00:17:27,449 --> 00:17:22,240

they picked up an object shaped like a

315

00:17:31,080 --> 00:17:27,459

walnut and the size get this the size of

316

00:17:32,549 --> 00:17:31,090

seven aircraft carriers now most people

317

00:17:35,039 --> 00:17:32,559

in know anything about aircraft carriers

318

00:17:37,560 --> 00:17:35,049

say they are such a sizer or simply and

319

00:17:41,820 --> 00:17:37,570

of themselves this thing was seven times

320

00:17:45,029 --> 00:17:41,830

that and the late Philip class one of

321

00:17:46,830 --> 00:17:45,039

the main debunkers in ufology went on I

322

00:17:50,460 --> 00:17:46,840

think it was on 20/20 television show

323

00:17:52,289 --> 00:17:50,470

and said that well it's obvious that

324

00:17:57,570 --> 00:17:52,299

what they were seeing was the planet

325

00:17:59,750 --> 00:17:57,580

Jupiter now I don't want you guys but

326

00:18:02,549 --> 00:17:59,760

really we've got ground radar an

327

00:18:07,649 --> 00:18:02,559

airplane radar that picks up the planet

328

00:18:11,070 --> 00:18:07,659

Jupiter now that's that's well worthy of

329

00:18:13,860 --> 00:18:11,080

a challenge I challenged anybody out

330

00:18:17,879 --> 00:18:13,870

there to show me a radar system ground

331

00:18:23,700 --> 00:18:17,889

radar system designed and that will pick

332

00:18:25,259 --> 00:18:23,710

up any planet in the solar system so you

333

00:18:27,049 --> 00:18:25,269

gotta be will you got to listen very

334

00:18:28,489 --> 00:18:27,059

carefully

335

00:18:30,200 --> 00:18:28,499

and you've got to pick it apart and you

336

00:18:33,259 --> 00:18:30,210

got to be ready to challenge what's

337

00:18:36,980 --> 00:18:33,269

being said okay thanks for that Joe I

338

00:18:39,169 --> 00:18:36,990

wanted to ask what what would be best to

339

00:18:40,869 --> 00:18:39,179

go into because you covered a variety of

340

00:18:43,610 --> 00:18:40,879

different subjects for example

341

00:18:46,970 --> 00:18:43,620

Chupacabra Bigfoot as well and alienists

342

00:18:49,519 --> 00:18:46,980

we've just heard and so do you mind if

343

00:18:52,249 --> 00:18:49,529

we go into a segment to talking a little

344

00:18:55,970 --> 00:18:52,259

bit about Chupacabra and because I know

345

00:18:59,019 --> 00:18:55,980

you were on a crew back in the 90s going

346

00:19:01,220 --> 00:18:59,029

down to South America to do some filming

347

00:19:03,109 --> 00:19:01,230

especially during that time when this

348

00:19:05,570 --> 00:19:03,119

was said at its height if I'm not

349

00:19:08,029 --> 00:19:05,580

mistaken so I wanted to get a little bit

350

00:19:09,889 --> 00:19:08,039

into that and maybe some of the others

351
00:19:12,830 --> 00:19:09,899
other subjects that that does that sound

352
00:19:14,930 --> 00:19:12,840
okay with you that sounds terrific that

353
00:19:16,759 --> 00:19:14,940
sounds terrific and I'm glad that we're

354
00:19:21,999 --> 00:19:16,769
doing this about the chupacabra because

355
00:19:27,230 --> 00:19:22,009
there's so much misinformation out there

356
00:19:30,289 --> 00:19:27,240
it was February 1996 when we went to

357
00:19:32,869 --> 00:19:30,299
Puerto Rico not South America so many

358
00:19:35,210 --> 00:19:32,879
people think that it was South America I

359
00:19:36,980 --> 00:19:35,220
know yeah it was pretty Rico that was

360
00:19:41,119 --> 00:19:36,990
the height of the Chupacabra activity

361
00:19:44,960 --> 00:19:41,129
and actually the Chupacabra activity had

362
00:19:48,580 --> 00:19:44,970
been going on in Puerto Rico for a year

363
00:19:53,239 --> 00:19:48,590

before we went and this is partly how

364

00:19:56,269 --> 00:19:53,249

information came out and I we had what

365

00:19:59,180 --> 00:19:56,279

really got me intrigued was the fact

366

00:20:02,239 --> 00:19:59,190

that TV show Inside Edition did a small

367

00:20:06,830 --> 00:20:02,249

piece on the chupacabra Wall Street

368

00:20:10,129 --> 00:20:06,840

Journal about a paragraph in The Wall

369

00:20:11,680 --> 00:20:10,139

Street Journal this was written up about

370

00:20:20,509 --> 00:20:11,690

the chupacabra

371

00:20:22,879 --> 00:20:20,519

and according to dr. Carlos Soto a

372

00:20:26,269 --> 00:20:22,889

veterinarian who did me cropsey's on the

373

00:20:28,480 --> 00:20:26,279

animal victims of this creature I think

374

00:20:33,940 --> 00:20:28,490

he called it perfectly he said it's an

375

00:20:37,580 --> 00:20:33,950

unknown predatory creature sums it up

376

00:20:43,580 --> 00:20:40,880

you know in Puerto Rico there's there

377

00:20:48,380 --> 00:20:43,590

there's a lot of agriculture there's a

378

00:20:51,519 --> 00:20:48,390

lot of you know agricultural animals and

379

00:20:54,560 --> 00:20:51,529

domestic animals both for being here and

380

00:20:58,430 --> 00:20:54,570

you know when you wake up and you've got

381

00:21:03,680 --> 00:20:58,440

your prize \$2,500 or \$5,000 or whatever

382

00:21:05,269 --> 00:21:03,690

prize bull dead in the field assuming

383

00:21:08,029 --> 00:21:05,279

that these puncture wounds that were on

384

00:21:11,539 --> 00:21:08,039

it was did it he just lost a big amount

385

00:21:14,240 --> 00:21:11,549

of money and this is part of the reason

386

00:21:17,810 --> 00:21:14,250

that the government of Puerto Rico

387

00:21:20,330 --> 00:21:17,820

got involved in the article in The New

388

00:21:24,500 --> 00:21:20,340

York Times was in their Wall Street

389

00:21:29,720 --> 00:21:24,510

Journal because it was becoming an

390

00:21:33,470 --> 00:21:29,730

economic hardship on the people so this

391

00:21:35,960 --> 00:21:33,480

came this information came to me through

392

00:21:38,000 --> 00:21:35,970

a MUFON meeting for those of you who are

393

00:21:43,210 --> 00:21:38,010

not familiar with me upon its things for

394

00:21:46,100 --> 00:21:43,220

the mutual UFO network the longest

395

00:21:47,659 --> 00:21:46,110

civilian effort to research and

396

00:21:53,120 --> 00:21:47,669

investigate from a scientific standpoint

397

00:21:55,039 --> 00:21:53,130

the this UFO phenomena and we were in

398

00:21:57,409 --> 00:21:55,049

Collinsville Illinois and here in the

399

00:22:00,830 --> 00:21:57,419

United States and a late friend of mine

400

00:22:04,789 --> 00:22:00,840

Bob buck brought the faxed illustration

401
00:22:10,010 --> 00:22:04,799
of this creature and as he passed it

402
00:22:13,310 --> 00:22:10,020
around there was a lot of going on and I

403
00:22:16,010 --> 00:22:13,320
got a hold of it and to me given that I

404
00:22:18,019 --> 00:22:16,020
have a moviemaking background to me I

405
00:22:21,799 --> 00:22:18,029
immediately thought this looks like it's

406
00:22:26,409 --> 00:22:21,809
from a cheap bad b-movie you know it's

407
00:22:30,399 --> 00:22:26,419
like this thing shouldn't exist and

408
00:22:37,010 --> 00:22:30,409
eyewitness testimony says that it has

409
00:22:40,399 --> 00:22:37,020
scales hair and feathers biologically

410
00:22:42,080 --> 00:22:40,409
that should not happen you know it's

411
00:22:47,260 --> 00:22:42,090
like this this creature should not be

412
00:22:49,880 --> 00:22:47,270
able to exist it also has some sort of

413
00:22:50,960 --> 00:22:49,890

quill like appendages from the crown of

414

00:22:53,990 --> 00:22:50,970

its head

415

00:22:57,830 --> 00:22:54,000

all the way down it's fact and these

416

00:23:00,049 --> 00:22:57,840

things are rather like and when the

417

00:23:02,360 --> 00:23:00,059

chupacabra has been seen to get

418

00:23:03,590 --> 00:23:02,370

seemingly get excited please stand up

419

00:23:07,149 --> 00:23:03,600

off its back

420

00:23:14,810 --> 00:23:07,159

stand up horizontally and flutter

421

00:23:18,770 --> 00:23:14,820

horizontally in a rainbow of colors has

422

00:23:23,480 --> 00:23:18,780

three fingers with claws as Madeline

423

00:23:28,760 --> 00:23:23,490

Tolentino talks about and three toes on

424

00:23:30,710 --> 00:23:28,770

each foot with claws and I would I I was

425

00:23:36,520 --> 00:23:30,720

asked to be the official videographer on

426

00:23:39,140 --> 00:23:36,530

this trip and in February 96 and I went

427

00:23:44,210 --> 00:23:39,150

we did a number of interviews with

428

00:23:47,029 --> 00:23:44,220

police officers eyewitnesses and in fact

429

00:23:48,320 --> 00:23:47,039

maybe maybe at the bottom here or

430

00:23:52,190 --> 00:23:48,330

somewhere where you guys are watching

431

00:23:54,260 --> 00:23:52,200

this we can put a link to my webpage for

432

00:23:58,220 --> 00:23:54,270

viewing of the documentary that I did

433

00:24:00,740 --> 00:23:58,230

too yeah we'll have that my documentary

434

00:24:02,810 --> 00:24:00,750

pieces of my documentary and I've been

435

00:24:04,970 --> 00:24:02,820

on camera for Monster quest

436

00:24:08,600 --> 00:24:04,980

something called para natural and the

437

00:24:10,820 --> 00:24:08,610

National Geographic Channel and monsters

438

00:24:15,200 --> 00:24:10,830

and mysteries in America on destination

439

00:24:21,320 --> 00:24:15,210

America channel and they all three got

440

00:24:25,460 --> 00:24:21,330

it raw I don't know how or why but the

441

00:24:27,919 --> 00:24:25,470

the crux of the matter is it's not what

442

00:24:32,810 --> 00:24:27,929

television has led viewers to believe

443

00:24:33,590 --> 00:24:32,820

it's not a canine looking dog looking

444

00:24:36,620 --> 00:24:33,600

creature

445

00:24:43,650 --> 00:24:36,630

it's not what this is this is a very

446

00:24:49,650 --> 00:24:48,750

dinosaurus creature that it doesn't eat

447

00:24:56,760 --> 00:24:49,660

the animals

448

00:24:58,020 --> 00:24:56,770

I'll give you one item out because I

449

00:25:03,570 --> 00:24:58,030

want you guys to watch the documentary

450

00:25:05,880 --> 00:25:03,580

to get all of it when this creature okay

451
00:25:08,310 --> 00:25:05,890
one of the things that intrigued me with

452
00:25:11,880 --> 00:25:08,320
dr. solos commentary was that within the

453
00:25:16,680 --> 00:25:11,890
puncture wounds he found no sign of any

454
00:25:18,570 --> 00:25:16,690
saliva and I'm because it because from

455
00:25:20,160 --> 00:25:18,580
the get-go everybody was saying that

456
00:25:22,080 --> 00:25:20,170
this thing was like a vampire and I

457
00:25:24,970 --> 00:25:22,090
drained the blood and blah blah blah

458
00:25:28,810 --> 00:25:24,980
it didn't drain the blood

459
00:25:30,640 --> 00:25:28,820
he said that there was either the normal

460
00:25:33,100 --> 00:25:30,650
amount or a little bit less than the

461
00:25:37,360 --> 00:25:33,110
normal amount but the animals were not

462
00:25:38,410 --> 00:25:37,370
drained of blood so it's like okay what

463
00:25:40,810 --> 00:25:38,420

in the world

464

00:25:45,240 --> 00:25:40,820

why is there no saliva and it finally

465

00:25:47,890 --> 00:25:45,250

occurred to me claws on fingers cause

466

00:25:49,870 --> 00:25:47,900

the thing was grabbing the animals and

467

00:25:52,750 --> 00:25:49,880

puncturing that's where the puncture

468

00:25:56,470 --> 00:25:52,760

wounds came from was from the claws now

469

00:25:59,230 --> 00:25:56,480

this being has some sort of a very much

470

00:26:01,090 --> 00:25:59,240

like an ant eater a tongue that you know

471

00:26:07,440 --> 00:26:01,100

comes out mean long gates and all that

472

00:26:11,909 --> 00:26:08,549

but its tongue into one of these

473

00:26:13,440 --> 00:26:11,919

puncture wounds and then the tongue

474

00:26:15,750 --> 00:26:13,450

would be searching through the body now

475

00:26:17,879 --> 00:26:15,760

this is a strange well how this thing

476
00:26:21,930 --> 00:26:17,889
goes the anatomy of all the animals that

477
00:26:26,120 --> 00:26:21,940
it deals with is questionable

478
00:26:28,590 --> 00:26:26,130
I mean how that's like your dog knowing

479
00:26:30,690 --> 00:26:28,600
where your liver is and going after your

480
00:26:34,529 --> 00:26:30,700
liver the dog doesn't have any idea of

481
00:26:36,539 --> 00:26:34,539
your Anatomy now one of your other

482
00:26:39,480 --> 00:26:36,549
interviews cat Hughes might disagree

483
00:26:40,889 --> 00:26:39,490
with me on that part you know maybe she

484
00:26:42,210 --> 00:26:40,899
could talk to some and I want to find

485
00:26:44,700 --> 00:26:42,220
out what they do know anything about

486
00:26:48,810 --> 00:26:44,710
Anatomy so y'all are there watching this

487
00:26:55,110 --> 00:26:48,820
go check out cat Hughes interview to the

488
00:26:58,620 --> 00:26:55,120

animal communicator so yeah the inner

489

00:27:02,100 --> 00:26:58,630

organs they're wood from one puncture

490

00:27:04,919 --> 00:27:02,110

wound he would peel back epidermis

491

00:27:09,870 --> 00:27:04,929

letters and he might find four other

492

00:27:12,269 --> 00:27:09,880

holes with no outer means of outer you

493

00:27:13,860 --> 00:27:12,279

know trauma and he followed that one

494

00:27:15,960 --> 00:27:13,870

hole and might lead down to the heart

495

00:27:20,009 --> 00:27:15,970

and the heart would have two or three

496

00:27:22,289 --> 00:27:20,019

strips of tissue removed follow it maybe

497

00:27:27,120 --> 00:27:22,299

to a kidney same thing maybe to his

498

00:27:30,690 --> 00:27:27,130

stomach same thing and it's like how

499

00:27:34,649 --> 00:27:30,700

this is even possible so no this is a

500

00:27:37,169 --> 00:27:34,659

very very strange creature and in the

501
00:27:40,529 --> 00:27:37,179
last I'll say six months I've heard from

502
00:27:42,419 --> 00:27:40,539
a new friend in Puerto Rico who says the

503
00:27:45,659 --> 00:27:42,429
activity started up again now remember

504
00:27:47,570 --> 00:27:45,669
when I was there it was 1996 so we're

505
00:27:52,759 --> 00:27:47,580
talking with uh

506
00:27:55,669 --> 00:27:52,769
six 16 18 22 years ago

507
00:27:59,009 --> 00:27:55,679
and now it seems to be starting up again

508
00:28:01,080 --> 00:27:59,019
so I'm hoping to get a production

509
00:28:02,310 --> 00:28:01,090
company interested and going back down

510
00:28:03,659 --> 00:28:02,320
there and doing an update on the

511
00:28:06,029 --> 00:28:03,669
chupacabra that would be very

512
00:28:09,570 --> 00:28:06,039
interesting and I would love for anybody

513
00:28:12,610 --> 00:28:09,580

watching this to submit questions about

514

00:28:16,990 --> 00:28:14,560

so do you have any more questions on

515

00:28:20,049 --> 00:28:17,000

this I do were there any speculations at

516

00:28:22,570 --> 00:28:20,059

that time and maybe since then we're

517

00:28:25,240 --> 00:28:22,580

what this or at least where this thing

518

00:28:28,690 --> 00:28:25,250

is from you know is it's just another

519

00:28:32,060 --> 00:28:28,700

subspecies of some sort of animal or or

520

00:28:38,480 --> 00:28:36,260

you you know you ask an ideal question

521

00:28:42,080 --> 00:28:38,490

and it's the same question that's been

522

00:28:49,810 --> 00:28:42,090

asked about the Bigfoot creature about

523

00:28:57,460 --> 00:28:54,070

similarity with these two the answer to

524

00:29:02,100 --> 00:29:01,269

we have no idea it shows up does its

525

00:29:05,139 --> 00:29:02,110

thing

526

00:29:07,690 --> 00:29:05,149

nobody well is speculated there was a

527

00:29:09,610 --> 00:29:07,700

homicide detective on the last day that

528

00:29:12,369 --> 00:29:09,620

we were in Puerto Rico we were in

529

00:29:16,919 --> 00:29:12,379

Merrick the mayor canal Vanessa's office

530

00:29:23,769 --> 00:29:20,549

right right now his name escapes me but

531

00:29:25,779 --> 00:29:23,779

this story that we heard was that this

532

00:29:28,119 --> 00:29:25,789

guy was getting ready to go to work in

533

00:29:31,299 --> 00:29:28,129

the morning he had a pet Doberman

534

00:29:33,970 --> 00:29:31,309

Pinscher that was in the garage and he

535

00:29:37,799 --> 00:29:33,980

heard it howling he went out there and

536

00:29:40,389 --> 00:29:37,809

there is this quote bat-like creature

537

00:29:47,710 --> 00:29:40,399

over earth trying to grab it

538

00:29:49,389 --> 00:29:47,720

absolument pincher detective Rivera I

539

00:29:51,369 --> 00:29:49,399

think was this thing he goes back in the

540

00:29:54,060 --> 00:29:51,379

house gets his service revolver who's

541

00:29:57,369 --> 00:29:54,070

back out to the garage and point-blank

542

00:29:59,019 --> 00:29:57,379

shoots this thing several times blood

543

00:30:02,100 --> 00:29:59,029

splatters up on the wall of the garage

544

00:30:06,789 --> 00:30:02,110

it rolls backwards tumbles backwards

545

00:30:09,730 --> 00:30:06,799

takes a bound bound up over the fence

546

00:30:13,180 --> 00:30:09,740

onto a I believe that was a palm tree

547

00:30:16,440 --> 00:30:13,190

and then disappeared this thing was shot

548

00:30:20,830 --> 00:30:16,450

point-blank for the service revolver and

549

00:30:22,330 --> 00:30:20,840

kept going this homicide detective that

550

00:30:24,789 --> 00:30:22,340

knows about crime scenes and the

551

00:30:28,389 --> 00:30:24,799

preservation of a crime scene was so

552

00:30:31,840 --> 00:30:28,399

unnerved he got the hose he washed all

553

00:30:34,419 --> 00:30:31,850

the blood off of the garage wall then he

554

00:30:39,100 --> 00:30:34,429

got some primer paint out and painted

555

00:30:40,899 --> 00:30:39,110

over how are you a homicide detective

556

00:30:45,730 --> 00:30:40,909

knowing how to preserve a crime scene

557

00:30:50,710 --> 00:30:45,740

and you do that it must have completely

558

00:30:52,360 --> 00:30:50,720

freaked him out so

559

00:30:55,360 --> 00:30:52,370

well I mean based on the description it

560

00:30:58,299 --> 00:30:55,370

didn't look human so it's not like you

561

00:31:01,870 --> 00:30:58,309

could have mistaken it for or maybe I

562

00:31:06,310 --> 00:31:01,880

just killed somebody you know out of you

563

00:31:07,380 --> 00:31:06,320

know as this reaction react you know so

564

00:31:13,779 --> 00:31:07,390

yeah that's confusing

565

00:31:16,240 --> 00:31:13,789

yeah yeah but that's if we could talk to

566

00:31:20,169 --> 00:31:16,250

the light but Hopkins who's considered a

567

00:31:25,180 --> 00:31:20,179

a major pioneer in alien human abduction

568

00:31:29,610 --> 00:31:25,190

research he would tell you that all of

569

00:31:32,710 --> 00:31:29,620

these things were talking about they

570

00:31:35,560 --> 00:31:32,720

they have no prejudice they they're

571

00:31:38,169 --> 00:31:35,570

equal opportunity whether you're on

572

00:31:41,080 --> 00:31:38,179

unemployment or you are Bill Gates and

573

00:31:42,880 --> 00:31:41,090

make a bazillion dollars a year does it

574

00:31:44,169 --> 00:31:42,890

matter to it if it's going to appear

575

00:31:50,560 --> 00:31:44,179

into your life that's going to appear

576
00:31:53,350 --> 00:31:50,570
into your life so yeah we don't know now

577
00:31:55,299 --> 00:31:53,360
going back to those similarity and I

578
00:31:57,789 --> 00:31:55,309
found this out from my sasquatch mentor

579
00:32:00,580 --> 00:31:57,799
okay one of the first things that I

580
00:32:03,310 --> 00:32:00,590
found out about the chupacabra it

581
00:32:08,740 --> 00:32:03,320
projects light from its eyes like a

582
00:32:10,450 --> 00:32:08,750
flashlight that was starting in

583
00:32:13,180 --> 00:32:10,460
last I'm gonna say five years I'm

584
00:32:17,020 --> 00:32:13,190
talking with my Bigfoot mentor what

585
00:32:19,600 --> 00:32:17,030
question you know the question is about

586
00:32:21,630 --> 00:32:19,610
the ice particularly is it more so you

587
00:32:24,970 --> 00:32:21,640
said like a flashlight or is there more

588
00:32:28,000 --> 00:32:24,980

strength to that beam to words more

589

00:32:30,640 --> 00:32:28,010

projecting more like now I wouldn't say

590

00:32:33,690 --> 00:32:30,650

laser-like but more of a projected beam

591

00:32:37,570 --> 00:32:33,700

are you saying they're just glowing red

592

00:32:41,440 --> 00:32:37,580

no they're not going well there's I mean

593

00:32:45,250 --> 00:32:41,450

you can see the eyes themselves are red

594

00:32:48,940 --> 00:32:45,260

but there's one witness described it

595

00:32:51,520 --> 00:32:48,950

like a flashlight of red but in the

596

00:32:54,700 --> 00:32:51,530

center like maybe where you're you

597

00:32:57,379 --> 00:32:54,710

people would be a strong yellow light

598

00:33:00,899 --> 00:32:57,389

like a laser

599

00:33:03,389 --> 00:33:00,909

there's speculation that there's

600

00:33:05,849 --> 00:33:03,399

something about this light something

601
00:33:09,539 --> 00:33:05,859
about the eyes that sort of hypnotizes

602
00:33:12,839 --> 00:33:09,549
the animal because the animals just go

603
00:33:19,099 --> 00:33:12,849
neutral and this and this creature does

604
00:33:21,899 --> 00:33:19,109
what it does now it it has had to chase

605
00:33:24,810 --> 00:33:21,909
Bulls we know that least one case in

606
00:33:28,889 --> 00:33:24,820
where a bull was chased in the corral it

607
00:33:33,869 --> 00:33:28,899
was in and chased down and killed by the

608
00:33:36,320 --> 00:33:33,879
at least one Chupacabra and along the

609
00:33:39,719 --> 00:33:36,330
wall I'm thinking about chupacabra

610
00:33:42,289 --> 00:33:39,729
Spanish translated means goat sucker

611
00:33:44,669 --> 00:33:42,299
because goats were the first animals

612
00:33:48,810 --> 00:33:44,679
found that were victims of this thing

613
00:33:52,799 --> 00:33:48,820

but it goes after anything now I do not

614

00:33:55,320 --> 00:33:52,809

accept people to say yeah man the

615

00:33:58,799 --> 00:33:55,330

chupacabra attacked me I don't buy it

616

00:34:01,080 --> 00:33:58,809

I fear if if you're if you had the

617

00:34:03,359 --> 00:34:01,090

ability to chase down 2500 pound bull

618

00:34:05,820 --> 00:34:03,369

and kill it a human being is not going

619

00:34:09,000 --> 00:34:05,830

to be challenged a human being is not

620

00:34:10,950 --> 00:34:09,010

going to escape you and I haven't heard

621

00:34:13,260 --> 00:34:10,960

with madeline Tolentino one of the

622

00:34:17,549 --> 00:34:13,270

people that we interviewed in my

623

00:34:21,659 --> 00:34:17,559

documentary when she encountered the

624

00:34:26,010 --> 00:34:21,669

chupacabra face to face sort of it was

625

00:34:28,349 --> 00:34:26,020

like four feet from her it made no move

626
00:34:30,599 --> 00:34:28,359
whatsoever torture now regarding the

627
00:34:33,960 --> 00:34:30,609
eyes again during the day the

628
00:34:38,069 --> 00:34:33,970
chupacabras eyes are jet-black

629
00:34:42,899 --> 00:34:38,079
pull need at night does it through this

630
00:34:45,960 --> 00:34:42,909
projecting of light as will the

631
00:34:51,000 --> 00:34:45,970
sasquatch creature the Sasquatch

632
00:34:53,279 --> 00:34:51,010
creature can make its eyes different

633
00:34:56,789 --> 00:34:53,289
colors at the same time or all the same

634
00:35:02,560 --> 00:34:56,799
color like all blue or all green or all

635
00:35:06,290 --> 00:35:02,570
yellow but it will also

636
00:35:12,230 --> 00:35:09,680
I find that very interesting so before

637
00:35:15,740 --> 00:35:12,240
we go into sasquatch I just want to ask

638
00:35:19,100 --> 00:35:15,750

one more question and kind of finish up

639

00:35:23,090 --> 00:35:19,110

with the Chupacabra segment so sure any

640

00:35:25,190 --> 00:35:23,100

particular forgive me if I've somehow

641

00:35:28,490 --> 00:35:25,200

totally missed this was where they was

642

00:35:32,359 --> 00:35:28,500

in a description about its its skin and

643

00:35:34,040 --> 00:35:32,369

and the way this is a kind of adapted to

644

00:35:35,690 --> 00:35:34,050

its to the environment to where it's

645

00:35:40,370 --> 00:35:35,700

difficult to see who does it stand out

646

00:35:42,620 --> 00:35:40,380

if you were to see it well that's hard

647

00:35:47,350 --> 00:35:42,630

to say because there's only been a few

648

00:35:49,930 --> 00:35:47,360

actual quote man hunts going after it

649

00:36:02,880 --> 00:35:49,940

the

650

00:36:05,500 --> 00:36:02,890

stings has been compared to a pig farm

651
00:36:09,099 --> 00:36:05,510
rotten eggs

652
00:36:11,140 --> 00:36:09,109
a very strong stench which interestingly

653
00:36:15,640 --> 00:36:11,150
it up and this hits what I was about to

654
00:36:18,940 --> 00:36:15,650
say anyway Sasquatch is said to render

655
00:36:20,730 --> 00:36:18,950
the same kind of odor now in any of the

656
00:36:23,859 --> 00:36:20,740
research I've ever done and either

657
00:36:25,720 --> 00:36:23,869
online on-site investigation and actual

658
00:36:31,390 --> 00:36:25,730
encounters with these things I've never

659
00:36:34,089 --> 00:36:31,400
experienced any odor but that was simply

660
00:36:35,680 --> 00:36:34,099
my experience that you know I can't

661
00:36:39,609 --> 00:36:35,690
negate the experience of other people at

662
00:36:42,160 --> 00:36:39,619
reporters but I doubt seriously that the

663
00:36:44,680 --> 00:36:42,170

history of people that had reported

664

00:36:47,559 --> 00:36:44,690

Sasquatch encounters and the history of

665

00:36:49,569 --> 00:36:47,569

people that have reported chupacabra

666

00:36:53,349 --> 00:36:49,579

encounters have any knowledge of each

667

00:36:54,970 --> 00:36:53,359

other so it's not like well you know I

668

00:36:56,529 --> 00:36:54,980

heard the Bigfoot does the you know

669

00:37:01,960 --> 00:36:56,539

smells bad so I'm just gonna say the

670

00:37:05,400 --> 00:37:01,970

chupacabra smells bad no I did I don't

671

00:37:08,589 --> 00:37:05,410

see any way possible if that's going on

672

00:37:12,779 --> 00:37:08,599

but the beams of light coming out of

673

00:37:21,599 --> 00:37:17,279

they both I would venture to speculate

674

00:37:27,609 --> 00:37:21,609

have an interdimensional quality to them

675

00:37:32,620 --> 00:37:27,619

we know that the Sasquatch can cloak and

676
00:37:34,660 --> 00:37:32,630
the interdimensional we know that the

677
00:37:36,400 --> 00:37:34,670
chupacabra it's speculated a because

678
00:37:38,710 --> 00:37:36,410
nobody no one can track this thing down

679
00:37:40,029 --> 00:37:38,720
very much like the Sasquatch they

680
00:37:41,380 --> 00:37:40,039
compared their quality it could be

681
00:37:44,589 --> 00:37:41,390
standing right next to you and you not

682
00:37:46,480 --> 00:37:44,599
know it because it's closer or gone you

683
00:37:51,400 --> 00:37:46,490
know to a different frequency different

684
00:37:53,950 --> 00:37:51,410
vibration so next question sir so I

685
00:37:56,920 --> 00:37:53,960
guess so let's get into Sasquatch or or

686
00:37:58,740 --> 00:37:56,930
do you prefer Bigfoot do you is there a

687
00:38:00,990 --> 00:37:58,750
consensus there

688
00:38:04,339 --> 00:38:01,000

it depends on what language you're

689

00:38:08,250 --> 00:38:04,349

talking in sasquatches are actually from

690

00:38:11,160 --> 00:38:08,260

given Indian tribes Bigfoot is what just

691

00:38:15,390 --> 00:38:11,170

general Americans call it or when the

692

00:38:18,329 --> 00:38:15,400

Himalayas is the Yeti down in Florida is

693

00:38:20,400 --> 00:38:18,339

the skunk ape so if I'm using those

694

00:38:20,849 --> 00:38:20,410

terms interchangeably you're not gonna

695

00:38:25,309 --> 00:38:20,859

mind

696

00:38:29,450 --> 00:38:25,319

no okay all right how did you get into

697

00:38:32,190 --> 00:38:29,460

Bo into I guess studying Bigfoot and

698

00:38:35,040 --> 00:38:32,200

based on all the the research that you

699

00:38:36,750 --> 00:38:35,050

were able to find because I don't know

700

00:38:38,520 --> 00:38:36,760

if you want to discuss some of the

701
00:38:40,230 --> 00:38:38,530
information and thinks that you've shown

702
00:38:42,030 --> 00:38:40,240
me in the past which are pretty amazing

703
00:38:45,210 --> 00:38:42,040
so I don't know if if you've gone public

704
00:38:47,400 --> 00:38:45,220
with that yet but can you just start out

705
00:38:50,130 --> 00:38:47,410
how you got into into this what what

706
00:38:52,770 --> 00:38:50,140
brought you to start studying Bigfoot

707
00:38:57,660 --> 00:38:52,780
and then generally what you found about

708
00:39:02,040 --> 00:38:57,670
that okay well essentially what got me

709
00:39:04,650 --> 00:39:02,050
into studying Bigfoot given that my life

710
00:39:07,380 --> 00:39:04,660
had already been full of paranormal but

711
00:39:11,329 --> 00:39:07,390
when I started finding out about the

712
00:39:15,660 --> 00:39:11,339
concept of Bigfoot it intrigued me and

713
00:39:18,349 --> 00:39:15,670

there was a a movie in the early 70s

714

00:39:22,130 --> 00:39:18,359

called creature from Black Lake and

715

00:39:24,480 --> 00:39:22,140

there was that one and there was a The

716

00:39:26,609 --> 00:39:24,490

Legend of Boggy Creek there was a -

717

00:39:28,829 --> 00:39:26,619

those are the two movies that really got

718

00:39:33,930 --> 00:39:28,839

me interested in Bigfoot and then

719

00:39:35,940 --> 00:39:33,940

September 14th and 15th of 1976 in st.

720

00:39:41,550 --> 00:39:35,950

Louis County Missouri in creve coeur

721

00:39:43,290 --> 00:39:41,560

Park I had and I hesitate to call it in

722

00:39:46,650 --> 00:39:43,300

an encounter but I don't know what else

723

00:39:52,740 --> 00:39:46,660

to call it with what was likely a

724

00:39:56,700 --> 00:39:52,750

Bigfoot and given that the park was

725

00:39:59,839 --> 00:39:56,710

nearby and given that I actually could

726

00:40:03,770 --> 00:39:59,849

say hey there's something there that

727

00:40:06,059 --> 00:40:03,780

started me off on a 5-year venture of

728

00:40:09,230 --> 00:40:06,069

investigating the park trying to find

729

00:40:12,370 --> 00:40:09,240

any signs of the Bigfoot creature and

730

00:40:16,120 --> 00:40:12,380

that led into

731

00:40:19,930 --> 00:40:16,130

blood samples being found being analyzed

732

00:40:21,660 --> 00:40:19,940

by a local vet that actually the blood

733

00:40:26,430 --> 00:40:21,670

samples we found were a mixture of

734

00:40:30,339 --> 00:40:26,440

canine and an unknown and when the back

735

00:40:34,029 --> 00:40:30,349

discovered that this one was unknown he

736

00:40:36,069 --> 00:40:34,039

essentially said I don't want any more

737

00:40:38,170 --> 00:40:36,079

to do with this and if you tell anybody

738

00:40:41,160 --> 00:40:38,180

that I looked at this or analyzed it I

739

00:40:44,650 --> 00:40:41,170

will kill you with my own hands

740

00:40:50,109 --> 00:40:44,660

that's a threat that's yeah that's you

741

00:40:52,599 --> 00:40:50,119

know and along the way it's led to I

742

00:40:55,930 --> 00:40:52,609

went to Lindenwood colleges in the late

743

00:40:57,969 --> 00:40:55,940

70s and I think Neil friend of mine and

744

00:41:01,059 --> 00:40:57,979

I guess what I'm helping I'll do my

745

00:41:03,609 --> 00:41:01,069

research he indicated that in a law

746

00:41:06,299 --> 00:41:03,619

library at Washington University she

747

00:41:09,450 --> 00:41:06,309

came across a book talking about an

748

00:41:12,719 --> 00:41:09,460

experiment that the government had done

749

00:41:16,509 --> 00:41:12,729

and trying to create super soldiers

750

00:41:18,759 --> 00:41:16,519

essentially and the result of those

751
00:41:20,739 --> 00:41:18,769
experiments which interesting leaned up

752
00:41:24,400 --> 00:41:20,749
on finding some support for what she

753
00:41:27,459 --> 00:41:24,410
told me back then some of these beings

754
00:41:30,489 --> 00:41:27,469
escaped and that these are alleged to be

755
00:41:32,829 --> 00:41:30,499
the Bigfoot now that gets into what we

756
00:41:35,170 --> 00:41:32,839
were talking about earlier in regarding

757
00:41:38,069 --> 00:41:35,180
Bigfoot you may come across a creature

758
00:41:42,069 --> 00:41:38,079
that physically fits a given description

759
00:41:45,900 --> 00:41:42,079
it might be a sasquatch it might not be

760
00:41:49,089 --> 00:41:45,910
a sasquatch maybe it is an actual alien

761
00:41:52,209 --> 00:41:49,099
where we as human beings are quick to

762
00:41:53,979 --> 00:41:52,219
try to identify something nice why so

763
00:41:55,569 --> 00:41:53,989

mind-boggling to us when we come across

764

00:41:58,420 --> 00:41:55,579

something that we've never been

765

00:42:00,009 --> 00:41:58,430

told about or encountered and we're

766

00:42:04,959 --> 00:42:00,019

trying to figure out how does this fit

767

00:42:09,519 --> 00:42:04,969

in my life but yeah within my five years

768

00:42:11,380 --> 00:42:09,529

of Bigfoot research for Kruger Park we

769

00:42:14,829 --> 00:42:11,390

wound up sending set the rest of

770

00:42:17,650 --> 00:42:14,839

remaining blood samples to a friend of a

771

00:42:22,329 --> 00:42:17,660

friend at an animal research center in

772

00:42:23,650 --> 00:42:22,339

Arizona and he got all excited they got

773

00:42:25,870 --> 00:42:23,660

all excited because they couldn't

774

00:42:28,120 --> 00:42:25,880

identify it we were told

775

00:42:30,670 --> 00:42:28,130

that they were going to send the samples

776

00:42:36,190 --> 00:42:30,680

off the rest of them off to Washington

777

00:42:40,120 --> 00:42:36,200

DC for a worldwide examining but that

778

00:42:42,070 --> 00:42:40,130

was worldwide database I guess in fact a

779

00:42:45,010 --> 00:42:42,080

bad time we're talking about computers

780

00:42:47,470 --> 00:42:45,020

that ran on the old cards the program

781

00:42:50,730 --> 00:42:47,480

was done by punctures and the cards that

782

00:42:58,650 --> 00:42:50,740

go through so it was it was still slow

783

00:43:01,540 --> 00:42:58,660

but last we knew was this guy was fired

784

00:43:04,360 --> 00:43:01,550

from the institution he worked for for

785

00:43:08,050 --> 00:43:04,370

or using the equipment without proper

786

00:43:10,990 --> 00:43:08,060

authorization and initially the the

787

00:43:13,600 --> 00:43:11,000

people here were all excited and wanted

788

00:43:17,080 --> 00:43:13,610

to arrange funding for them to come and

789

00:43:19,810 --> 00:43:17,090

do field research and then about two

790

00:43:22,300 --> 00:43:19,820

weeks later we were told he was fired no

791

00:43:25,750 --> 00:43:22,310

reason you know given well the use of

792

00:43:27,820 --> 00:43:25,760

using the equipment so this guy made

793

00:43:29,410 --> 00:43:27,830

copies of all the paperwork that had

794

00:43:32,200 --> 00:43:29,420

been done so far was on his way up here

795

00:43:36,340 --> 00:43:32,210

to st. Louis stop by his mom's house in

796

00:43:42,150 --> 00:43:36,350

Texas never arrived

797

00:43:47,040 --> 00:43:42,160

and this is my first lesson in media and

798

00:43:49,150 --> 00:43:47,050

paranormal if you will I told my

799

00:43:52,980 --> 00:43:49,160

interestingly enough my car insurance

800

00:43:57,390 --> 00:43:52,990

guy about what happened and he knew a

801
00:43:59,800 --> 00:43:57,400
reporter channel 4 so he contacted them

802
00:44:03,040 --> 00:43:59,810
arranged a meeting I learnt and talked

803
00:44:07,420 --> 00:44:03,050
with a taxpayer's reporter Steve shift

804
00:44:12,220 --> 00:44:07,430
and just local sinless local st. Louis

805
00:44:14,710 --> 00:44:12,230
CBS affiliate yeah and they were very

806
00:44:19,000 --> 00:44:14,720
fascinated by the story but I didn't

807
00:44:21,850 --> 00:44:19,010
have any visual evidence to support what

808
00:44:25,300 --> 00:44:21,860
I've been through so they couldn't do a

809
00:44:27,850 --> 00:44:25,310
story on it the guy the guy at that time

810
00:44:30,220 --> 00:44:27,860
I was working with how to contacted

811
00:44:34,780 --> 00:44:30,230
channel 2 KTVI here in st. Louis local

812
00:44:37,120 --> 00:44:34,790
ABC affiliate at that point and got a

813
00:44:40,150 --> 00:44:37,130

special assignment reporter Molly

814

00:44:41,830 --> 00:44:40,160

McKittrick to come out and try to do the

815

00:44:45,070 --> 00:44:41,840

story the story never aired although she

816

00:44:48,970 --> 00:44:45,080

did come out to cream core part and do

817

00:44:51,790 --> 00:44:48,980

some recording with with me hey why is

818

00:44:55,240 --> 00:44:51,800

such a I guess all these new people

819

00:44:57,040 --> 00:44:55,250

losing their jobs and and told not to

820

00:44:59,020 --> 00:44:57,050

talk about I mean what what were that

821

00:45:01,930 --> 00:44:59,030

what was this potential threat here I

822

00:45:04,000 --> 00:45:01,940

mean I'm pretty sure there's still some

823

00:45:07,930 --> 00:45:04,010

things on the planet that we just

824

00:45:10,210 --> 00:45:07,940

haven't really forget I don't know about

825

00:45:13,300 --> 00:45:10,220

discover but haven't really identified

826

00:45:15,670 --> 00:45:13,310

fully so other than just having an

827

00:45:19,720 --> 00:45:15,680

extensive library of unidentified things

828

00:45:22,600 --> 00:45:19,730

why such a brouhaha over this well I

829

00:45:24,310 --> 00:45:22,610

think your your concept things we have

830

00:45:26,560 --> 00:45:24,320

discovered is very true we're

831

00:45:30,910 --> 00:45:26,570

discovering all kinds of new life in the

832

00:45:32,800 --> 00:45:30,920

oceans everyday you know and we haven't

833

00:45:35,620 --> 00:45:32,810

come near to exploring all of the

834

00:45:39,070 --> 00:45:35,630

landmass on this planet or the caves

835

00:45:39,790 --> 00:45:39,080

that we have cave systems that's a whole

836

00:45:44,490 --> 00:45:39,800

other story

837

00:45:50,339 --> 00:45:47,220

I think what we need to consider is

838

00:45:54,170 --> 00:45:50,349

things that involve the paranoia whether

839

00:45:56,849 --> 00:45:54,180

it's Bigfoot chupacabra or whatever

840

00:45:59,130 --> 00:45:56,859

there are certain segments of world

841

00:46:03,150 --> 00:45:59,140

governments that have been investigating

842

00:46:07,980 --> 00:46:03,160

this stuff as well and I think if we get

843

00:46:12,540 --> 00:46:07,990

too close to getting X amount of

844

00:46:16,490 --> 00:46:12,550

information then we're also on the

845

00:46:20,730 --> 00:46:16,500

precipice of getting involved in other

846

00:46:25,230 --> 00:46:20,740

national security information that they

847

00:46:27,150 --> 00:46:25,240

absolutely do not want out Stanton

848

00:46:30,359 --> 00:46:27,160

Friedman nuclear physicist Stanton

849

00:46:32,760 --> 00:46:30,369

Friedman who's been a quote professional

850

00:46:34,770 --> 00:46:32,770

ufologist for as long as I've been bored

851
00:46:40,710 --> 00:46:34,780
he started 1958 that was the year I was

852
00:46:44,400 --> 00:46:40,720
born in 1985 at the me funds symposium

853
00:46:46,319 --> 00:46:44,410
held here and say Lewis he said that one

854
00:46:47,790 --> 00:46:46,329
of the reasons people ask this all the

855
00:46:50,640 --> 00:46:47,800
time what why doesn't the government

856
00:46:53,339 --> 00:46:50,650
want us to know about this he speculated

857
00:46:57,410 --> 00:46:53,349
that after the discovery of the Foo

858
00:47:02,579 --> 00:46:57,420
Fighters I think that was world war two

859
00:47:07,170 --> 00:47:02,589
that the varying countries came together

860
00:47:09,059 --> 00:47:07,180
and you know America asked the Soviets

861
00:47:11,670 --> 00:47:09,069
what in the world was that you had up

862
00:47:13,920 --> 00:47:11,680
there and they're here and they're

863
00:47:15,599 --> 00:47:13,930

asking us what it was we had up here so

864

00:47:17,819 --> 00:47:15,609

all the countries going little the

865

00:47:20,190 --> 00:47:17,829

locals were they were buzzing all of our

866

00:47:21,960 --> 00:47:20,200

planes they were out flying this you

867

00:47:23,520 --> 00:47:21,970

know doing 10,000 miles an hour and

868

00:47:25,140 --> 00:47:23,530

making a right-angle turn above above a

869

00:47:27,559 --> 00:47:25,150

bus well everybody thought everybody

870

00:47:31,980 --> 00:47:27,569

else had this secret weapon and

871

00:47:35,790 --> 00:47:31,990

allegedly there was a deal struck saying

872

00:47:39,660 --> 00:47:35,800

okay this is bigger than all of us we

873

00:47:43,410 --> 00:47:39,670

need to support ourselves if any of us

874

00:47:46,079 --> 00:47:43,420

come across down

875

00:47:48,809 --> 00:47:46,089

craft information technology whatever

876

00:47:52,410 --> 00:47:48,819

that we need to share it

877

00:47:59,900 --> 00:47:52,420

you mean including pub potentially dad

878

00:48:05,069 --> 00:47:59,910

to DNA samples you guys had mmm maybe

879

00:48:06,780 --> 00:48:05,079

maybe you know the let me finish just

880

00:48:11,660 --> 00:48:06,790

thought that I'll go to DNA samples like

881

00:48:16,289 --> 00:48:11,670

you're talking about so while the

882

00:48:20,520 --> 00:48:16,299

varying countries government's agreed to

883

00:48:25,260 --> 00:48:20,530

it on top of the table we have to

884

00:48:27,780 --> 00:48:25,270

remember that here on earth until we

885

00:48:31,650 --> 00:48:27,790

come up with a different system we live

886

00:48:35,970 --> 00:48:31,660

in a capitalistic society and everybody

887

00:48:37,710 --> 00:48:35,980

is well defense minded now you and I

888

00:48:39,960 --> 00:48:37,720

both mean martial arts we understand

889

00:48:44,760 --> 00:48:39,970

self-defense but we're talking about

890

00:48:48,270 --> 00:48:44,770

grand scale defense the military and if

891

00:48:51,890 --> 00:48:48,280

any country comes across the alien

892

00:48:54,329 --> 00:48:51,900

technology that could make them dominant

893

00:48:56,030 --> 00:48:54,339

militaristically they're not going to

894

00:48:57,930 --> 00:48:56,040

share with anybody

895

00:48:59,870 --> 00:48:57,940

otherwise they're giving away their

896

00:49:02,840 --> 00:48:59,880

power

897

00:49:05,690 --> 00:49:02,850

you know it's like you know you're

898

00:49:08,780 --> 00:49:05,700

you're packing a gun and you come across

899

00:49:10,670 --> 00:49:08,790

some thug with a stick the club that

900

00:49:14,390 --> 00:49:10,680

wants to rob you that's like you saying

901

00:49:16,280 --> 00:49:14,400

well I've got this 357 but I'd say I'm

902

00:49:17,660 --> 00:49:16,290

gonna share this with you here you you

903

00:49:20,570 --> 00:49:17,670

want to rob me somebody give you my gun

904

00:49:24,260 --> 00:49:20,580

I ain't gonna happen not if they're

905

00:49:26,390 --> 00:49:24,270

smart so that's the speculation in the

906

00:49:28,880 --> 00:49:26,400

varying reports regarding alien

907

00:49:31,460 --> 00:49:28,890

technology they don't want the other guy

908

00:49:37,100 --> 00:49:31,470

to get it so as long as they're in

909

00:49:39,320 --> 00:49:37,110

public denial right well so that's why

910

00:49:42,350 --> 00:49:39,330

I'm trying to because my question was

911

00:49:46,250 --> 00:49:42,360

about why such a brouhaha over let's

912

00:49:48,230 --> 00:49:46,260

just say this DNA and you I guess by

913

00:49:50,750 --> 00:49:48,240

listening to your story you then trying

914

00:49:54,290 --> 00:49:50,760

to say that because of these pacts and

915

00:49:56,540 --> 00:49:54,300

agreements that maybe this sample that

916

00:49:58,880 --> 00:49:56,550

was submitted would fall under that that

917

00:50:01,280 --> 00:49:58,890

something unknown has come up it's

918

00:50:03,010 --> 00:50:01,290

important enough to squelch it and keep

919

00:50:09,230 --> 00:50:03,020

it on the down-low

920

00:50:12,080 --> 00:50:09,240

yeah okay sure yeah because you you have

921

00:50:16,490 --> 00:50:12,090

to be forward-thinking okay and I know

922

00:50:19,420 --> 00:50:16,500

you are we're DNA sample that doesn't

923

00:50:25,700 --> 00:50:19,430

mention anything get sent to Washington

924

00:50:28,130 --> 00:50:25,710

they analyzed it you know this is public

925

00:50:30,020 --> 00:50:28,140

creature that we are trying to keep

926
00:50:32,960 --> 00:50:30,030
under wraps in Republic whether it was

927
00:50:38,480 --> 00:50:32,970
sasquatch whether it was a wolf creature

928
00:50:40,700 --> 00:50:38,490
a dog man or other types of aliens that

929
00:50:42,370 --> 00:50:40,710
might be out there in the woods that we

930
00:50:47,300 --> 00:50:42,380
don't know about

931
00:50:49,880 --> 00:50:47,310
they can't have transparency because if

932
00:50:51,980 --> 00:50:49,890
if it says okay let's say that the blood

933
00:50:57,050 --> 00:50:51,990
sample wasn't Bigfoot let's say that it

934
00:50:59,030 --> 00:50:57,060
was of some Indian then if we go forward

935
00:51:02,180 --> 00:50:59,040
with this then we are having to admit

936
00:51:04,280 --> 00:51:02,190
that we have information on aliens and

937
00:51:08,720 --> 00:51:04,290
all of our fellow countries are going to

938
00:51:12,020 --> 00:51:08,730

be either clamoring at us or spying on

939

00:51:13,460 --> 00:51:12,030

us or infiltrating to try to find out

940

00:51:18,550 --> 00:51:13,470

what we know

941

00:51:22,760 --> 00:51:18,560

we have to remember that area 51 was not

942

00:51:26,660 --> 00:51:22,770

publicly known until Soviet recognizance

943

00:51:29,810 --> 00:51:26,670

satellites went over and cut you know

944

00:51:32,960 --> 00:51:29,820

from from space got satellite pictures

945

00:51:34,790 --> 00:51:32,970

of it and that made the news and then

946

00:51:36,320 --> 00:51:34,800

our government finally had to admit oh

947

00:51:39,170 --> 00:51:36,330

yeah yeah

948

00:51:41,720 --> 00:51:39,180

there is already 51 we was like how do

949

00:51:45,890 --> 00:51:41,730

we cover this up they've got satellite

950

00:51:50,330 --> 00:51:45,900

pictures of the place yes our 71 was not

951
00:51:52,250 --> 00:51:50,340
admitted to being real until one crashed

952
00:51:55,490 --> 00:51:52,260
then they couldn't deny it

953
00:51:58,100 --> 00:51:55,500
okay well we'll get into the alien craft

954
00:51:59,930 --> 00:51:58,110
and an alien in the third segment so I

955
00:52:03,260 --> 00:51:59,940
just would like to if you could please

956
00:52:06,830 --> 00:52:03,270
continue then after that experience and

957
00:52:09,650 --> 00:52:06,840
what else I guess how how yours research

958
00:52:14,240 --> 00:52:09,660
into Bigfoot continued to develop sure

959
00:52:15,980 --> 00:52:14,250
sure so again while is it Leonard

960
00:52:20,120 --> 00:52:15,990
while I was at limited with it was very

961
00:52:22,880 --> 00:52:20,130
much on my mind and I would tell people

962
00:52:25,550 --> 00:52:22,890
my story and it spread I was also the

963
00:52:27,380 --> 00:52:25,560

guy on campus that got kept from falling

964

00:52:29,660 --> 00:52:27,390

down the steps in Sibley Hall by mrs.

965

00:52:31,760 --> 00:52:29,670

Sibley this the ghost of mrs. Sibley so

966

00:52:37,490 --> 00:52:31,770

I had already developed a paranormal

967

00:52:39,650 --> 00:52:37,500

reputation at the college so a couple of

968

00:52:41,270 --> 00:52:39,660

friends of mine you know one of them

969

00:52:43,370 --> 00:52:41,280

being a gallery was dating another gal

970

00:52:44,990 --> 00:52:43,380

that was a continuing the United student

971

00:52:47,930 --> 00:52:45,000

and the guy I was working with at the

972

00:52:50,570 --> 00:52:47,940

time Ripper cam all decided to go out

973

00:52:53,180 --> 00:52:50,580

and this this is the forerunner to the

974

00:52:55,730 --> 00:52:53,190

modern McKittrick coming out I'm doing

975

00:52:58,400 --> 00:52:55,740

trying to do a story we were out to Cape

976
00:53:01,190 --> 00:52:58,410
core part to try to find any kind of

977
00:53:03,230 --> 00:53:01,200
cave any kind of any area that Bigfoot

978
00:53:09,470 --> 00:53:03,240
might be able to be here and while we

979
00:53:11,300 --> 00:53:09,480
were doing that one came up on us I

980
00:53:13,640 --> 00:53:11,310
always the only one of us forward they

981
00:53:17,060 --> 00:53:13,650
didn't get to see it his we found a

982
00:53:19,910 --> 00:53:17,070
place at the bluffs and opening not big

983
00:53:22,760 --> 00:53:19,920
enough to crawl in but definitely an

984
00:53:24,530 --> 00:53:22,770
opening into the bluffs and Rick had

985
00:53:26,819 --> 00:53:24,540
sent me up top to see if there was an

986
00:53:30,439 --> 00:53:26,829
opening up top of the formation

987
00:53:32,299 --> 00:53:30,449
so I went up there and I always probably

988
00:53:34,650 --> 00:53:32,309

walkie-talkies with me

989

00:53:40,890 --> 00:53:34,660

this is before they were cell phones of

990

00:53:43,679 --> 00:53:40,900

course I'm old so there was no opening

991

00:53:45,929 --> 00:53:43,689

that I could see i radioed back down to

992

00:53:47,819 --> 00:53:45,939

Rick I said email hey there's no

993

00:53:51,660 --> 00:53:47,829

openings what's going on down there over

994

00:53:53,669 --> 00:53:51,670

I got no response i radioed again the

995

00:53:56,579 --> 00:53:53,679

same message I got no response and then

996

00:53:58,930 --> 00:53:56,589

I noticed around me the air was really

997

00:54:00,760 --> 00:53:58,940

still

998

00:54:04,450 --> 00:54:00,770

there was no wind there was no rustling

999

00:54:07,450 --> 00:54:04,460

in the trees I couldn't hear anything it

1000

00:54:09,730 --> 00:54:07,460

was like being in a vacuum it's like

1001

00:54:13,780 --> 00:54:09,740

there is something wrong I need to go

1002

00:54:18,099 --> 00:54:13,790

back down so I'm heading back down and I

1003

00:54:19,480 --> 00:54:18,109

get halfway down and I hear something

1004

00:54:22,740 --> 00:54:19,490

running in the woods and I looked up and

1005

00:54:25,829 --> 00:54:22,750

there's Rick all six-foot-four 275,000

1006

00:54:29,440 --> 00:54:25,839

haulin ass out into the woods

1007

00:54:33,300 --> 00:54:29,450

what is going on and I get on down to

1008

00:54:36,040 --> 00:54:33,310

the bottom and there's Brehme and Beth

1009

00:54:39,069 --> 00:54:36,050

15-gallon I was dating at the time Burma

1010

00:54:43,809 --> 00:54:39,079

full-blooded Indian looking as pale as

1011

00:54:47,440 --> 00:54:43,819

you it's like what happened she said she

1012

00:54:48,819 --> 00:54:47,450

saw it so what and I get this look from

1013

00:54:52,270 --> 00:54:48,829

both of them like what do you think red

1014

00:54:58,000 --> 00:54:52,280

you're looking for you saw it

1015

00:55:01,120 --> 00:54:58,010

yeah a reclaim after it and probably

1016

00:55:03,490 --> 00:55:01,130

five minutes later Rick came back out of

1017

00:55:05,829 --> 00:55:03,500

breath and say man that thing can move

1018

00:55:09,700 --> 00:55:05,839

fast and I asked him what happened he

1019

00:55:11,829 --> 00:55:09,710

said Burma Beth and Rick were trying to

1020

00:55:15,430 --> 00:55:11,839

look in this hole at the bottom of blood

1021

00:55:17,620 --> 00:55:15,440

I'm up top Burma's bored so she takes

1022

00:55:19,720 --> 00:55:17,630

her field glasses out her binoculars and

1023

00:55:21,910 --> 00:55:19,730

she's doing one of these things you know

1024

00:55:24,160 --> 00:55:21,920

kind of scanning the area and at one

1025

00:55:26,829 --> 00:55:24,170

point all of her vision goes black I

1026
00:55:29,680 --> 00:55:26,839
said what was that she comes back and

1027
00:55:33,790 --> 00:55:29,690
she brings the glasses down and it's a

1028
00:55:38,109 --> 00:55:33,800
sasquatch that had come like within 50

1029
00:55:40,390 --> 00:55:38,119
feet and it turned and bolted

1030
00:55:42,130 --> 00:55:40,400
she said that's actually what seeing the

1031
00:55:44,770 --> 00:55:42,140
creature wasn't was scared is that

1032
00:55:49,089 --> 00:55:44,780
something that big could move that fast

1033
00:55:51,160 --> 00:55:49,099
and Rick said he chased effort as long

1034
00:55:53,570 --> 00:55:51,170
as he couldn't he said I don't know what

1035
00:55:57,730 --> 00:55:53,580
happened to it was just gone

1036
00:56:00,290 --> 00:55:57,740
just gone that's a very important point

1037
00:56:04,180 --> 00:56:00,300
especially and your listeners are going

1038
00:56:08,000 --> 00:56:04,190

to pick up what I said earlier I think

1039

00:56:09,950 --> 00:56:08,010

so it was quiet for a while I would

1040

00:56:12,620 --> 00:56:09,960

periodically go to out out there only

1041

00:56:16,430 --> 00:56:12,630

during the day you would never catch me

1042

00:56:19,190 --> 00:56:16,440

in creve coeur Park at night and then I

1043

00:56:22,850 --> 00:56:19,200

went years and years and years and years

1044

00:56:26,180 --> 00:56:22,860

and years not finding anything else not

1045

00:56:29,870 --> 00:56:26,190

getting any other information and then I

1046

00:56:33,140 --> 00:56:29,880

met my online on Facebook through

1047

00:56:37,820 --> 00:56:33,150

facebook my sasquatch mentor who

1048

00:56:39,710 --> 00:56:37,830

answered so many questions when she told

1049

00:56:43,640 --> 00:56:39,720

me I don't receive him because she's

1050

00:56:46,550 --> 00:56:43,650

retired recently she said you know take

1051
00:56:48,830 --> 00:56:46,560
the information I've given you and use

1052
00:56:51,760 --> 00:56:48,840
it just do it anonymously I don't want

1053
00:56:56,330 --> 00:56:51,770
because apparently in the Bigfoot world

1054
00:56:59,660 --> 00:56:56,340
it is so competitive everybody wants to

1055
00:57:01,700 --> 00:56:59,670
be number one everybody wants to say my

1056
00:57:04,640 --> 00:57:01,710
information is right your information is

1057
00:57:08,180 --> 00:57:04,650
wrong blah blah blah and folks I

1058
00:57:11,320 --> 00:57:08,190
can tell you I've spent time with this

1059
00:57:15,830 --> 00:57:11,330
person I've gotten on video I actually

1060
00:57:19,790 --> 00:57:15,840
got one of these creatures on camera and

1061
00:57:21,560 --> 00:57:19,800
I'll get her done the link to it so he

1062
00:57:25,970 --> 00:57:21,570
can do it for honking share with you

1063
00:57:28,250 --> 00:57:25,980

guys and hey I know you saw it yeah what

1064

00:57:30,080 --> 00:57:28,260

what do you give us your thoughts on

1065

00:57:31,730 --> 00:57:30,090

that first when you first showed it to

1066

00:57:34,580 --> 00:57:31,740

me we were just sitting there we're

1067

00:57:37,430 --> 00:57:34,590

about to start we're at the Steak and

1068

00:57:39,440 --> 00:57:37,440

Shake right if I'm not mistaken and you

1069

00:57:41,450 --> 00:57:39,450

just turned a laptop around and we're

1070

00:57:44,210 --> 00:57:41,460

showing me the footage and so I'm

1071

00:57:46,190 --> 00:57:44,220

watching and I kind of you haven't told

1072

00:57:49,940 --> 00:57:46,200

me much so I figured okay you guys are

1073

00:57:53,030 --> 00:57:49,950

out recording things and the way the

1074

00:57:55,040 --> 00:57:53,040

trees were broken off and and I guess

1075

00:57:57,740 --> 00:57:55,050

formed in a certain certain way that

1076

00:57:59,870 --> 00:57:57,750

just didn't look natural and that's when

1077

00:58:02,630 --> 00:57:59,880

I guess that the shot

1078

00:58:04,970 --> 00:58:02,640

Wilda frame that I remember kind of hand

1079

00:58:06,840 --> 00:58:04,980

back and forth and I look at you I

1080

00:58:09,840 --> 00:58:06,850

looked down I said

1081

00:58:13,860 --> 00:58:09,850

how many words there and you said three

1082

00:58:16,830 --> 00:58:13,870

of you one in the car and two I guess

1083

00:58:18,630 --> 00:58:16,840

you guys were talking so you're talking

1084

00:58:21,039 --> 00:58:18,640

about a story I told you that's not the

1085

00:58:27,009 --> 00:58:24,039

the video are out in the woods right

1086

00:58:31,870 --> 00:58:27,019

wait will you pan the camera right I did

1087

00:58:33,039 --> 00:58:31,880

I and I'm talking and I thought that's

1088

00:58:34,599 --> 00:58:33,049

what I'm referring to

1089

00:58:36,759 --> 00:58:34,609

well there were two or three or four

1090

00:58:39,849 --> 00:58:36,769

unless you saw something that I know no

1091

00:58:41,889 --> 00:58:39,859

no no I'm talking about you a friend of

1092

00:58:44,889 --> 00:58:41,899

yours and a gallon to card that's what I

1093

00:58:46,689 --> 00:58:44,899

was asking how many oh right that's what

1094

00:58:49,389 --> 00:58:46,699

I meant how many people were there as I

1095

00:58:51,130 --> 00:58:49,399

was trying to to see okay could this be

1096

00:58:52,779 --> 00:58:51,140

someone else I said well if you're

1097

00:58:55,269 --> 00:58:52,789

talking to the guy and the Gallus in the

1098

00:58:57,009 --> 00:58:55,279

car who's this and then you just kind of

1099

00:58:58,809 --> 00:58:57,019

smiled and nodded you how cuz it was

1100

00:59:01,029 --> 00:58:58,819

that that brown figure correct

1101

00:59:02,529 --> 00:59:01,039

right right right it's been a while

1102

00:59:04,659 --> 00:59:02,539

since I've seen it but yeah that was

1103

00:59:06,370 --> 00:59:04,669

pretty amazing and then I asked you so

1104

00:59:11,699 --> 00:59:06,380

why didn't you continue filming and then

1105

00:59:16,179 --> 00:59:11,709

you said it was purely advice

1106

00:59:20,620 --> 00:59:16,189

happenstance I my cameras all the way

1107

00:59:22,389 --> 00:59:20,630

over there anyway I've learned that when

1108

00:59:26,949 --> 00:59:22,399

we're talking something paranormal where

1109

00:59:29,249 --> 00:59:26,959

they're talking Bigfoot spirit UFO

1110

00:59:34,059 --> 00:59:29,259

whatever it happens in its own time you

1111

00:59:35,859 --> 00:59:34,069

know Here I am and then gone so if you

1112

00:59:36,489 --> 00:59:35,869

don't have something running you're

1113

00:59:39,219 --> 00:59:36,499

gonna miss it

1114

00:59:41,139 --> 00:59:39,229

so I'd make a habit of I'm always got

1115

00:59:44,889 --> 00:59:41,149

that camera running and that's what I

1116

00:59:47,859 --> 00:59:44,899

was doing I just recorded a twisted tree

1117

00:59:50,349 --> 00:59:47,869

limb that is a sign of Sasquatch the

1118

00:59:52,689 --> 00:59:50,359

sponson foot mirror and they'll do that

1119

00:59:55,949 --> 00:59:52,699

they've got structures they've got

1120

00:59:59,319 --> 00:59:55,959

almost a sign language thing that they

1121

01:00:02,799 --> 00:59:59,329

used between them to send messages to

1122

01:00:04,719 --> 01:00:02,809

each other and to their young but I just

1123

01:00:07,419 --> 01:00:04,729

gotten through recording that I kept the

1124

01:00:09,849 --> 01:00:07,429

camera running I bring it down and I'm

1125

01:00:11,799 --> 01:00:09,859

I'm I'm not even paying attention over

1126
01:00:14,259 --> 01:00:11,809
saying and I'm walking through brush

1127
01:00:16,749 --> 01:00:14,269
walking through some I don't think I ran

1128
01:00:19,959 --> 01:00:16,759
across stickers but you hear me on

1129
01:00:21,519 --> 01:00:19,969
camera say I need to start having that

1130
01:00:24,839 --> 01:00:21,529
direction where David is over by the

1131
01:00:27,230 --> 01:00:24,849
teepee structure like a like a wooden

1132
01:00:30,440 --> 01:00:27,240
teepee structure

1133
01:00:34,940 --> 01:00:30,450
it is I start to go that way I bring my

1134
01:00:37,099 --> 01:00:34,950
arm up to to go over some brush and in

1135
01:00:38,930 --> 01:00:37,109
that in that moment I stop and then I

1136
01:00:43,670 --> 01:00:38,940
start to swing the camera over in that

1137
01:00:48,470 --> 01:00:43,680
one moment I got you know maybe two

1138
01:00:52,250 --> 01:00:48,480

seconds maybe of the distance and in

1139

01:00:57,880 --> 01:00:52,260

that two seconds there's that prompt

1140

01:01:00,260 --> 01:00:57,890

that you're probably 50 60 70 feet away

1141

01:01:02,930 --> 01:01:00,270

completely still I did not know this

1142

01:01:06,079 --> 01:01:02,940

until we finished doing what we were

1143

01:01:09,680 --> 01:01:06,089

doing even we went back to the house I'm

1144

01:01:11,210 --> 01:01:09,690

really interested to see what if a chant

1145

01:01:12,859 --> 01:01:11,220

you know if the people get a chance to

1146

01:01:15,380 --> 01:01:12,869

see that because I will have the link

1147

01:01:17,530 --> 01:01:15,390

hopefully in the description so they can

1148

01:01:19,790 --> 01:01:17,540

see this for themselves because

1149

01:01:22,099 --> 01:01:19,800

especially what I like about you you

1150

01:01:23,570 --> 01:01:22,109

know even even if if in your heart you

1151

01:01:26,060 --> 01:01:23,580

feel like I'm pretty sure I know what I

1152

01:01:28,640 --> 01:01:26,070

got you still keep that the skeptical

1153

01:01:31,010 --> 01:01:28,650

mind going you know and you know that

1154

01:01:34,550 --> 01:01:31,020

this is you know I don't want to put

1155

01:01:37,849 --> 01:01:34,560

words in your mouth but that this still

1156

01:01:41,720 --> 01:01:37,859

would require some analysis and an other

1157

01:01:42,680 --> 01:01:41,730

I guess looking into oh okay is you know

1158

01:01:49,370 --> 01:01:42,690

what this was

1159

01:01:56,990 --> 01:01:49,380

captured for anybody else

1160

01:01:59,290 --> 01:01:57,000

yeah can I say definitively but it was

1161

01:02:03,550 --> 01:01:59,300

Bigfoot

1162

01:02:07,130 --> 01:02:03,560

how in any of this do we say anything

1163

01:02:08,720 --> 01:02:07,140

definitively which is what I think we

1164

01:02:13,180 --> 01:02:08,730

let off with with this interview with

1165

01:02:16,440 --> 01:02:13,190

that one question there are no experts

1166

01:02:19,859 --> 01:02:16,450

you know if you understand the term

1167

01:02:24,700 --> 01:02:19,869

expert that means that you have

1168

01:02:25,900 --> 01:02:24,710

knowledge all that is in that we're

1169

01:02:28,980 --> 01:02:25,910

still investigating we're still

1170

01:02:32,109 --> 01:02:28,990

researching but there is no absolute

1171

01:02:34,329 --> 01:02:32,119

knowledge that we can refer to we can we

1172

01:02:37,750 --> 01:02:34,339

can go back to anecdotal and we can see

1173

01:02:45,400 --> 01:02:37,760

a picture forming of information and

1174

01:02:48,670 --> 01:02:45,410

data but we can't say for sure and Dave

1175

01:02:50,859 --> 01:02:48,680

the guy was I was out [h__h] with he's

1176

01:02:54,339 --> 01:02:50,869

the one that actually discovered this

1177

01:02:57,579 --> 01:02:54,349

dave has a hearing issue he's partially

1178

01:02:59,980 --> 01:02:57,589

deaf or mostly deaf so his eyes have

1179

01:03:04,390 --> 01:02:59,990

compensated for his his deafness and

1180

01:03:06,789 --> 01:03:04,400

when we got that back to the house I may

1181

01:03:09,730 --> 01:03:06,799

I promise these guys I'm anything I shot

1182

01:03:13,240 --> 01:03:09,740

did get a copy of so we're transferring

1183

01:03:16,240 --> 01:03:13,250

to their computer system and his

1184

01:03:17,950 --> 01:03:16,250

computer monitor was huge it's like even

1185

01:03:21,150 --> 01:03:17,960

a third larger than mine is right now

1186

01:03:23,890 --> 01:03:21,160

and we're running it and he's looking

1187

01:03:26,049 --> 01:03:23,900

aces blame him blame him back it up

1188

01:03:27,670 --> 01:03:26,059

and I backed it up and he placed in the

1189

01:03:35,559 --> 01:03:27,680

screen what's that and I'm looking a

1190

01:03:40,750 --> 01:03:35,569

psyche holy crap oh my god this has

1191

01:03:46,440 --> 01:03:40,760

gotta be it's humanoid its bipedal dark

1192

01:03:49,440 --> 01:03:46,450

brown bulky right here and it's big

1193

01:03:51,609 --> 01:03:49,450

there was nobody else out there with us

1194

01:03:54,819 --> 01:03:51,619

literally at that time it appeared

1195

01:03:58,089 --> 01:03:54,829

female because it almost if it felt like

1196

01:04:00,220 --> 01:03:58,099

or base under the image as if that I

1197

01:04:03,400 --> 01:04:00,230

guess the fur was covering up I guess

1198

01:04:06,039 --> 01:04:03,410

the bumps were breasts would go and you

1199

01:04:07,720 --> 01:04:06,049

know what my Bigfoot mentor said the

1200

01:04:11,070 --> 01:04:07,730

same thing that's what she saw I know

1201

01:04:14,700 --> 01:04:11,080

you gotta have super peepers

1202

01:04:18,210 --> 01:04:14,710

to see the stuff I guess you got you've

1203

01:04:23,000 --> 01:04:18,220

got those super peepers because I I

1204

01:04:25,400 --> 01:04:23,010

don't necessarily see that but

1205

01:04:30,800 --> 01:04:25,410

said not only was a female but it was

1206

01:04:33,470 --> 01:04:30,810

carrying at least one baby Bigfoot well

1207

01:04:35,120 --> 01:04:33,480

sure I'm sure everyone will you know

1208

01:04:36,800 --> 01:04:35,130

they'll have a chance to see it I

1209

01:04:38,990 --> 01:04:36,810

actually would like to get get through a

1210

01:04:41,960 --> 01:04:39,000

few more subjects with you if you don't

1211

01:04:44,060 --> 01:04:41,970

mind I'm wanting to kind of I think

1212

01:04:46,550 --> 01:04:44,070

we've got a pretty good story how you

1213

01:04:51,530 --> 01:04:46,560

started out and and thinks thinks you've

1214

01:04:53,960 --> 01:04:51,540

done so based on between now and maybe I

1215

01:04:56,570 --> 01:04:53,970

guess from that moment until now what

1216

01:04:58,400 --> 01:04:56,580

are the things I guess

1217

01:05:00,530 --> 01:04:58,410

did you guys because this cover is

1218

01:05:04,730 --> 01:05:00,540

especially like the the story when you

1219

01:05:05,450 --> 01:05:04,740

would keep talking about visit them what

1220

01:05:10,040 --> 01:05:05,460

is it called

1221

01:05:15,080 --> 01:05:10,050

us versus certain term you used they

1222

01:05:18,490 --> 01:05:15,090

they have the capacity to change the

1223

01:05:23,460 --> 01:05:18,500

overall color of their eyes okay and

1224

01:05:25,380 --> 01:05:23,470

they glow it's they call it

1225

01:05:29,420 --> 01:05:25,390

some people call it eyes shine and that

1226

01:05:31,680 --> 01:05:29,430

shined okay I'm sorry I shine a sign

1227

01:05:33,950 --> 01:05:31,690

because when you say when you say I

1228

01:05:38,010 --> 01:05:33,960

shine people immediately think of

1229

01:05:40,250 --> 01:05:38,020

animals reflecting light and this is not

1230

01:05:42,320 --> 01:05:40,260

what this is this is me rice are

1231

01:05:47,000 --> 01:05:42,330

self-illuminating

1232

01:05:48,530 --> 01:05:47,010

and they will they I don't want to say

1233

01:05:50,930 --> 01:05:48,540

Morse code because I'm sure it's not

1234

01:05:54,890 --> 01:05:50,940

Morse code is their own language they

1235

01:05:57,310 --> 01:05:54,900

will they will blink independent eyes

1236

01:06:01,010 --> 01:05:57,320

are together whatever and they can also

1237

01:06:05,270 --> 01:06:01,020

say for example make this ILO and this

1238

01:06:08,060 --> 01:06:05,280

eye green and that's a language

1239

01:06:12,230 --> 01:06:08,070

so they communicate a lot between each

1240

01:06:13,910 --> 01:06:12,240

other with their eyes and how I mean

1241

01:06:15,590 --> 01:06:13,920

this is based on the information you

1242

01:06:19,010 --> 01:06:15,600

mentor gave you or something else you

1243

01:06:20,030 --> 01:06:19,020

guys discovered based on information my

1244

01:06:25,010 --> 01:06:20,040

mentor gave me

1245

01:06:31,250 --> 01:06:25,020

they are also telepathic if if you if

1246

01:06:38,990 --> 01:06:35,690

the psychic world it's been said for

1247

01:06:41,630 --> 01:06:39,000

every day everybody is psychic you just

1248

01:06:45,590 --> 01:06:41,640

have to exercise that muscle right

1249

01:06:51,700 --> 01:06:45,600

psychic muscle so everybody is psychic

1250

01:06:55,460 --> 01:06:51,710

to varying degrees okay when my mentor

1251
01:06:58,340 --> 01:06:55,470
started dealing with these beings when

1252
01:07:01,640 --> 01:06:58,350
she and her brother were 14 and 15 and

1253
01:07:04,850 --> 01:07:01,650
as she says both accomplished martial

1254
01:07:07,750 --> 01:07:04,860
artists in their own right and there was

1255
01:07:11,270 --> 01:07:07,760
stuff going on on in their mom's yard

1256
01:07:13,220 --> 01:07:11,280
they would dress themselves up a ninja

1257
01:07:14,990 --> 01:07:13,230
they would be all in black and go out

1258
01:07:17,360 --> 01:07:15,000
there to you know fight the good ninja

1259
01:07:19,940 --> 01:07:17,370
fight and be tossed around like nobody's

1260
01:07:23,600 --> 01:07:19,950
business they it's like what is doing

1261
01:07:29,600 --> 01:07:23,610
this to us and it wasn't until she was

1262
01:07:33,650 --> 01:07:29,610
35 that she communication that's when

1263
01:07:37,640 --> 01:07:33,660

she discovered the Sasquatch and that

1264

01:07:40,490 --> 01:07:37,650

there are clams there are they have a

1265

01:07:44,780 --> 01:07:40,500

family structure a nice I don't want to

1266

01:07:50,440 --> 01:07:44,790

say civilization like ours but they they

1267

01:07:52,820 --> 01:07:50,450

marry they have children they educate I

1268

01:07:54,380 --> 01:07:52,830

guess almost what you could say is all

1269

01:08:03,500 --> 01:07:54,390

of the good traits that you would find

1270

01:08:09,140 --> 01:08:03,510

in humans they do okay what else this is

1271

01:08:11,690 --> 01:08:09,150

the I guess just a large body structure

1272

01:08:14,690 --> 01:08:11,700

and fur a common commonality in

1273

01:08:20,240 --> 01:08:14,700

Sasquatch Bigfoot or is that just a

1274

01:08:24,260 --> 01:08:20,250

particular offshoot I would say a

1275

01:08:26,809 --> 01:08:24,270

commonality and the one that I saw in

1276

01:08:30,140 --> 01:08:26,819

Creek or Park I would say it moved

1277

01:08:33,320 --> 01:08:30,150

between two trees and I was there was a

1278

01:08:36,170 --> 01:08:33,330

knot on one of the trees in his head

1279

01:08:38,390 --> 01:08:36,180

chopped off at that knot so I was able

1280

01:08:42,030 --> 01:08:38,400

to go back and measure it was 10 feet

1281

01:08:47,670 --> 01:08:42,040

tall my says

1282

01:08:51,900 --> 01:08:47,680

mentor has seen Sasquatch that are 20

1283

01:08:54,270 --> 01:08:51,910

feet tall 30 feet tall they are big they

1284

01:08:57,450 --> 01:08:54,280

there is no indication that they are

1285

01:09:01,079 --> 01:08:57,460

what's referred to as Nephilim okay a

1286

01:09:04,620 --> 01:09:01,089

lot of people out there are trying to

1287

01:09:08,099 --> 01:09:04,630

say they are the Nephilim there is no

1288

01:09:11,340 --> 01:09:08,109

indication that they are okay now at

1289

01:09:14,039 --> 01:09:11,350

that same time there's not necessarily

1290

01:09:17,280 --> 01:09:14,049

an indication that there are not this is

1291

01:09:19,620 --> 01:09:17,290

where we run into a huge issue

1292

01:09:23,340 --> 01:09:19,630

in these realms that we're trying to get

1293

01:09:27,059 --> 01:09:23,350

to know about because for example in

1294

01:09:29,760 --> 01:09:27,069

ufology with the greys the one

1295

01:09:33,090 --> 01:09:29,770

consistency thing seems to be that they

1296

01:09:34,410 --> 01:09:33,100

are deceitful and I think this is part

1297

01:09:36,690 --> 01:09:34,420

of the reason that some people want to

1298

01:09:41,430 --> 01:09:36,700

say well you know they're really demons

1299

01:09:44,039 --> 01:09:41,440

I hold demons in this category and greys

1300

01:09:46,500 --> 01:09:44,049

and a whole other category but people

1301

01:09:50,670 --> 01:09:46,510

weren't quick-fix I was like you know

1302

01:09:55,740 --> 01:09:50,680

how do we evidence anything so did so

1303

01:09:58,500 --> 01:09:55,750

did you guys find or was there something

1304

01:10:04,080 --> 01:09:58,510

that gave you an indication that there

1305

01:10:07,260 --> 01:10:04,090

might be a et Sasquatch link as some

1306

01:10:08,850 --> 01:10:07,270

people have I guess kind of suspected in

1307

01:10:10,290 --> 01:10:08,860

the past or whatever what are your

1308

01:10:17,220 --> 01:10:10,300

thoughts on that

1309

01:10:21,630 --> 01:10:17,230

people that have claimed to seen Bigfoot

1310

01:10:24,300 --> 01:10:21,640

come up alien craft saw some creature

1311

01:10:27,030 --> 01:10:24,310

that looks a lot like sasquatch

1312

01:10:31,740 --> 01:10:27,040

but I don't think it is a sasquatch I

1313

01:10:34,830 --> 01:10:31,750

think it's some other alien type my

1314

01:10:36,780 --> 01:10:34,840

Sasquatch mentor has told me based on

1315

01:10:40,850 --> 01:10:36,790

her communications with the one she

1316

01:10:45,470 --> 01:10:43,820

and this may be hard for those of you

1317

01:10:47,900 --> 01:10:45,480

out there that have a hard time

1318

01:10:51,530 --> 01:10:47,910

accepting the idea of humans being

1319

01:10:53,770 --> 01:10:51,540

abducted by aliens your heads gonna spin

1320

01:10:57,310 --> 01:10:53,780

when I tell you that there are

1321

01:11:02,960 --> 01:10:57,320

assessments that get abducted by aliens

1322

01:11:07,250 --> 01:11:02,970

that my mentor has witnessed Sasquatch

1323

01:11:11,030 --> 01:11:07,260

near her home running for cover when a

1324

01:11:12,890 --> 01:11:11,040

UFO comes overhead they're not happy

1325

01:11:17,380 --> 01:11:12,900

with that situation sheet on the

1326

01:11:20,300 --> 01:11:17,390

property that they've had their has been

1327

01:11:23,060 --> 01:11:20,310

reptilians in fact this is a fun one

1328

01:11:25,130 --> 01:11:23,070

when I was up there and going down a

1329

01:11:27,050 --> 01:11:25,140

highway with them during the day she got

1330

01:11:31,610 --> 01:11:27,060

an urge to take pictures out the side

1331

01:11:33,230 --> 01:11:31,620

and she took some pictures and and and

1332

01:11:35,150 --> 01:11:33,240

she knows and this is something

1333

01:11:36,620 --> 01:11:35,160

important for everybody to know if

1334

01:11:41,720 --> 01:11:36,630

you're going to document something

1335

01:11:47,650 --> 01:11:41,730

you're seeing please use video on your

1336

01:11:50,360 --> 01:11:47,660

phone and please get comparison footage

1337

01:11:52,250 --> 01:11:50,370

that helps a great deal if you if you

1338

01:11:54,830 --> 01:11:52,260

see something in the video let's say

1339

01:11:56,540 --> 01:11:54,840

that you're taking your kid to school at

1340

01:11:58,490 --> 01:11:56,550

8 o'clock in the morning wherever you're

1341

01:12:00,140 --> 01:11:58,500

at but all the way back do you think you

1342

01:12:01,460 --> 01:12:00,150

see something you whip your camera out

1343

01:12:03,770 --> 01:12:01,470

and you get it on camera

1344

01:12:05,510 --> 01:12:03,780

the next day you take your kid to school

1345

01:12:07,250 --> 01:12:05,520

but at the same time in that same place

1346

01:12:10,370 --> 01:12:07,260

taking another picture take more video

1347

01:12:12,110 --> 01:12:10,380

and compare the two if you don't see the

1348

01:12:13,820 --> 01:12:12,120

same thing you got in the first video in

1349

01:12:16,310 --> 01:12:13,830

the second video chances are you got

1350

01:12:17,900 --> 01:12:16,320

something if you see the same thing

1351

01:12:22,550 --> 01:12:17,910

chances are it's natural to the

1352

01:12:24,020 --> 01:12:22,560

environment uphold the electric pole you

1353

01:12:26,470 --> 01:12:24,030

didn't know was there or likely didn't

1354

01:12:32,480 --> 01:12:26,480

it was there you never paid attention to

1355

01:12:34,610 --> 01:12:32,490

but in this picture and it's clear but I

1356

01:12:38,800 --> 01:12:34,620

was like oh my god look what you've got

1357

01:12:48,390 --> 01:12:42,750

watch and a gray

1358

01:12:50,370 --> 01:12:48,400

kind of near each other near this sign

1359

01:12:52,290 --> 01:12:50,380

that said something about you know

1360

01:12:54,510 --> 01:12:52,300

electrical cable down or something like

1361

01:12:58,550 --> 01:12:54,520

that she will share that picture what

1362

01:13:05,870 --> 01:13:02,960

ask her I don't know I don't know but

1363

01:13:09,020 --> 01:13:05,880

yeah I saw it I was like do you realize

1364

01:13:10,550 --> 01:13:09,030

what you've got here only because it

1365

01:13:13,670 --> 01:13:10,560

stood out enough from the environment

1366

01:13:15,590 --> 01:13:13,680

that I was able to see it like I said

1367

01:13:18,620 --> 01:13:15,600

without David I would I probably would

1368

01:13:20,840 --> 01:13:18,630

never seen the worm off from a distance

1369

01:13:24,530 --> 01:13:20,850

so just to I guess wrap up the the

1370

01:13:26,510 --> 01:13:24,540

Bigfoot a segment what would you

1371

01:13:29,630 --> 01:13:26,520

recommend for people that are either

1372

01:13:33,770 --> 01:13:29,640

I guess wanting to either go out and

1373

01:13:35,600 --> 01:13:33,780

film or trying to communicate whether it

1374

01:13:38,840 --> 01:13:35,610

would be telepathically or any otherwise

1375

01:13:42,620 --> 01:13:38,850

what would you recommend someone who who

1376

01:13:46,160 --> 01:13:42,630

I guess as it has been in the field for

1377

01:13:48,710 --> 01:13:46,170

a long time and maybe didn't know didn't

1378

01:13:50,810 --> 01:13:48,720

think of this process or someone who is

1379

01:13:54,650 --> 01:13:50,820

brand new and to give them something to

1380

01:13:58,600 --> 01:13:54,660

start out with you must approach with a

1381

01:14:02,060 --> 01:13:58,610

pure heart with no ill intent whatsoever

1382

01:14:09,050 --> 01:14:02,070

towards them okay that's number one

1383

01:14:17,180 --> 01:14:12,890

assuring respect is not fearing you have

1384

01:14:22,440 --> 01:14:19,710

when I was trying to prefer my friends

1385

01:14:24,420 --> 01:14:22,450

to go out to Creek or Park in case we

1386

01:14:26,250 --> 01:14:24,430

would come across the creature they used

1387

01:14:29,040 --> 01:14:26,260

to tell them you need to take time go to

1388

01:14:32,970 --> 01:14:29,050

the zoo and observe the gorillas and

1389

01:14:37,170 --> 01:14:32,980

observe the Bears is the kind of a cross

1390

01:14:43,140 --> 01:14:37,180

between them so you're ready visually if

1391

01:14:47,820 --> 01:14:43,150

you were to come across a sasquatch be

1392

01:14:49,710 --> 01:14:47,830

aware of how you're feeling because the

1393

01:14:51,990 --> 01:14:49,720

face they can sense you they can sense

1394

01:14:57,480 --> 01:14:52,000

you a mile away okay

1395

01:14:59,370 --> 01:14:57,490

they're very psychic and there's this is

1396

01:15:00,660 --> 01:14:59,380

speculated and there's been a number of

1397

01:15:04,440 --> 01:15:00,670

people that have talked about feeling

1398

01:15:08,220 --> 01:15:04,450

this my advice mentor as well if they

1399

01:15:11,040 --> 01:15:08,230

like you and don't mind you being in the

1400

01:15:13,970 --> 01:15:11,050

air they're very territorial so if they

1401

01:15:20,220 --> 01:15:13,980

don't mind you being there they may even

1402

01:15:23,430 --> 01:15:20,230

project to you a ultrasound which will

1403

01:15:27,330 --> 01:15:23,440

make you feel comfortable and good if

1404

01:15:30,530 --> 01:15:27,340

they don't like you they don't by

1405

01:15:33,300 --> 01:15:30,540

projecting what they think is infrasound

1406

01:15:35,310 --> 01:15:33,310

then they can start giving you a

1407

01:15:37,500 --> 01:15:35,320

headache making you feel nauseous making

1408

01:15:41,100 --> 01:15:37,510

you feel like you want to pass out leave

1409

01:15:43,890 --> 01:15:41,110

the area that's being respectful

1410

01:15:46,350 --> 01:15:43,900

that's like saying okay okay you don't

1411

01:15:48,530 --> 01:15:46,360

want me here okay I get it I'm leaving

1412

01:15:54,690 --> 01:15:48,540

I'm sorry I did not mean to intrude

1413

01:15:58,040 --> 01:15:54,700

ultimate respect is required and what's

1414

01:16:02,640 --> 01:15:58,050

really important is to recognize the

1415

01:16:04,160 --> 01:16:02,650

structures that they've put in and this

1416

01:16:08,550 --> 01:16:04,170

is the best way to know if you're in

1417

01:16:13,860 --> 01:16:08,560

Bigfoot territory the treats watch the

1418

01:16:17,990 --> 01:16:13,870

trees especially for branches that from

1419

01:16:21,600 --> 01:16:18,000

a height of 8 or 10 feet limbs that are

1420

01:16:24,630 --> 01:16:21,610

seem to be not just broken but twisted

1421

01:16:27,560 --> 01:16:24,640

and broken now that's a sign that

1422

01:16:28,770 --> 01:16:27,570

something's grabbed it and twisted it a

1423

01:16:30,629 --> 01:16:28,780

bear's

1424

01:16:32,279 --> 01:16:30,639

I'm gonna do that there isn't anything

1425

01:16:37,879 --> 01:16:32,289

we have in the woods that's going to do

1426

01:16:44,149 --> 01:16:37,889

that except the size watch watch for

1427

01:16:53,100 --> 01:16:48,200

watch for teepees

1428

01:16:55,859 --> 01:16:53,110

made of wooden branches and the way that

1429

01:16:58,080 --> 01:16:55,869

you distinguish these branches and trees

1430

01:17:02,040 --> 01:16:58,090

and the teepees are that they are

1431

01:17:04,500 --> 01:17:02,050

typically made up of limbs from trees

1432

01:17:06,899 --> 01:17:04,510

that are not found in the immediate area

1433

01:17:08,850 --> 01:17:06,909

you know most of us if we go out to the

1434

01:17:11,850 --> 01:17:08,860

woods and a park or whatever worked out

1435

01:17:14,250 --> 01:17:11,860

traipsing through we've seen you know

1436

01:17:16,290 --> 01:17:14,260

branches that may have broken up off the

1437

01:17:18,660 --> 01:17:16,300

tree from up and then fallen and gotten

1438

01:17:22,680 --> 01:17:18,670

caught in the tree and that's what we

1439

01:17:27,029 --> 01:17:22,690

assume all of this is but if you are

1440

01:17:31,649 --> 01:17:27,039

observant and if you do a study of trees

1441

01:17:35,459 --> 01:17:31,659

bought me and you see a tree that has a

1442

01:17:39,959 --> 01:17:35,469

different barking covering to it than

1443

01:17:42,149 --> 01:17:39,969

the tree it's in a skew that doesn't

1444

01:17:43,470 --> 01:17:42,159

look like a piece of that tree and maybe

1445

01:17:46,589 --> 01:17:43,480

you'll find two or three or four

1446

01:17:49,140 --> 01:17:46,599

different kinds of tree limbs in that

1447

01:17:53,609 --> 01:17:49,150

same tree chances are you've got

1448

01:17:54,720 --> 01:17:53,619

Sasquatch doing something okay so first

1449

01:17:57,569 --> 01:17:54,730

you need to be aware of your

1450

01:18:02,450 --> 01:17:57,579

surroundings be aware of how you feel

1451

01:18:06,569 --> 01:18:02,460

and be respectful and pure of heart

1452

01:18:09,169 --> 01:18:06,579

now there's the trick and this is part

1453

01:18:11,270 --> 01:18:09,179

of the reason that I have not

1454

01:18:18,229 --> 01:18:11,280

finish the seminars this used to do

1455

01:18:21,620 --> 01:18:18,239

online because her whole purpose for a

1456

01:18:25,229 --> 01:18:21,630

while was to make you able to connect

1457

01:18:28,350 --> 01:18:25,239

with the Sasquatch people

1458

01:18:32,850 --> 01:18:28,360

the problem that you have if they accept

1459

01:18:35,320 --> 01:18:32,860

you if they accept you is family me casa

1460

01:18:37,720 --> 01:18:35,330

su casa

1461

01:18:40,360 --> 01:18:37,730

they they're fine with you being in

1462

01:18:42,580 --> 01:18:40,370

their territory in their home you have

1463

01:18:45,670 --> 01:18:42,590

to be fine with sharing your home with

1464

01:18:48,400 --> 01:18:45,680

them they are capable don't come onto

1465

01:18:54,610 --> 01:18:48,410

your property they will come into your

1466

01:18:57,040 --> 01:18:54,620

house and play around mess around if you

1467

01:19:01,000 --> 01:18:57,050

have food that they like so take your

1468

01:19:02,830 --> 01:19:01,010

food meter don't it this happened with

1469

01:19:04,410 --> 01:19:02,840

David one time he had gotten a whole

1470

01:19:08,590 --> 01:19:04,420

case of cream soda

1471

01:19:10,210 --> 01:19:08,600

he got up one morning and decided he was

1472

01:19:12,760 --> 01:19:10,220

going to go and get himself a cream soda

1473

01:19:14,800 --> 01:19:12,770

he had a case of it in the refrigerator

1474

01:19:18,580 --> 01:19:14,810

and willing to get it and it was all

1475

01:19:21,280 --> 01:19:18,590

gone and he accused the child in the

1476

01:19:23,270 --> 01:19:21,290

house his drummer what the hell ever -

1477

01:19:27,710 --> 01:19:23,280

my cream soda

1478

01:19:31,160 --> 01:19:27,720

and she said look please bring his soda

1479

01:19:37,180 --> 01:19:31,170

back and half of it came back I have

1480

01:19:41,300 --> 01:19:37,190

been hidden up and drink do not do not

1481

01:19:44,930 --> 01:19:41,310

try to leave gifts for the big trip if

1482

01:19:47,830 --> 01:19:44,940

they have not accepted you they look at

1483

01:19:53,549 --> 01:19:49,479

it's not pure apartment you're trying to

1484

01:19:56,910 --> 01:19:53,559

bribe them they don't like that

1485

01:19:59,069 --> 01:19:56,920

so I mean if you're gonna do what you're

1486

01:20:02,089 --> 01:19:59,079

gonna do it but the advice is do not do

1487

01:20:05,640 --> 01:20:02,099

it if you never want to get a true real

1488

01:20:08,399 --> 01:20:05,650

good relationship with the clan that

1489

01:20:09,359 --> 01:20:08,409

that is around you and there are also

1490

01:20:12,120 --> 01:20:09,369

renegades

1491

01:20:15,870 --> 01:20:12,130

there are also Sasquatch that have

1492

01:20:17,640 --> 01:20:15,880

violated the rules of that particular

1493

01:20:21,930 --> 01:20:17,650

planner of that society and have been

1494

01:20:23,330 --> 01:20:21,940

kicked out like like giving the scarlet

1495

01:20:25,560 --> 01:20:23,340

letter

1496

01:20:27,810 --> 01:20:25,570

do you want it you want to break the

1497

01:20:29,310 --> 01:20:27,820

rules you go live on your own yeah I

1498

01:20:31,169 --> 01:20:29,320

think there's something that most people

1499

01:20:34,979 --> 01:20:31,179

don't consider because we always think

1500

01:20:37,290 --> 01:20:34,989

they're all live only in one particular

1501
01:20:40,200 --> 01:20:37,300
way but then when you look at humans you

1502
01:20:42,930 --> 01:20:40,210
don't know who you're talking to right

1503
01:20:47,250 --> 01:20:42,940
exactly exactly and they have observed

1504
01:20:51,720 --> 01:20:47,260
humans right and when I when when my

1505
01:20:54,620 --> 01:20:51,730
mentor and I were first talking she got

1506
01:20:58,979 --> 01:20:54,630
thrilled with the idea that I do video

1507
01:21:03,959 --> 01:20:58,989
because she had been communicated to in

1508
01:21:07,589 --> 01:21:03,969
that they there's a split right now now

1509
01:21:11,790 --> 01:21:07,599
this is god when was that there was back

1510
01:21:14,010 --> 01:21:11,800
in 14 that was four years ago that half

1511
01:21:17,810 --> 01:21:14,020
of the Sasquatch population wanted to

1512
01:21:20,189 --> 01:21:17,820
reveal themselves to humans half did not

1513
01:21:24,180 --> 01:21:20,199

because they're aware of something

1514

01:21:28,439 --> 01:21:24,190

coming and they want to help us some of

1515

01:21:32,970 --> 01:21:28,449

them some of them are like keep those in

1516

01:21:37,260 --> 01:21:32,980

theirs away from me uh uh so in the last

1517

01:21:42,120 --> 01:21:37,270

that I heard was that there's still a

1518

01:21:46,350 --> 01:21:42,130

split they there is this they feel a

1519

01:21:49,020 --> 01:21:46,360

need to slowly reveal themselves so I

1520

01:21:50,430 --> 01:21:49,030

think very much like aliens and UFOs I

1521

01:21:53,729 --> 01:21:50,440

think that's going to be on a very much

1522

01:21:55,350 --> 01:21:53,739

an individual basis and though since you

1523

01:21:58,859 --> 01:21:55,360

first before they reveal themselves to

1524

01:22:04,470 --> 01:21:58,869

you do not make the mistake of taking a

1525

01:22:06,790 --> 01:22:04,480

gun with you I even used to speculate

1526

01:22:09,320 --> 01:22:06,800

when I'm going to cream core part of

1527

01:22:12,770 --> 01:22:09,330

well I wonder if a tranquilizer gun

1528

01:22:15,020 --> 01:22:12,780

would be an option the only problem with

1529

01:22:16,010 --> 01:22:15,030

that is you don't know what animal

1530

01:22:17,540 --> 01:22:16,020

you're dealing you don't know where

1531

01:22:19,610 --> 01:22:17,550

sasquatches you don't know the weight

1532

01:22:22,430 --> 01:22:19,620

you don't know the effect of the

1533

01:22:25,280 --> 01:22:22,440

whatever chemical the tranquilizers

1534

01:22:29,120 --> 01:22:25,290

built up so that wouldn't work I

1535

01:22:31,600 --> 01:22:29,130

eventually got to the point because this

1536

01:22:35,120 --> 01:22:31,610

is back when I knew nothing bad man I

1537

01:22:38,870 --> 01:22:35,130

have sewn into my my field jacket

1538

01:22:40,700 --> 01:22:38,880

pockets for the old road flares the kind

1539

01:22:44,170 --> 01:22:40,710

that you would take the plastic cap off

1540

01:22:47,330 --> 01:22:44,180

Club ignite at the tip and in fire

1541

01:22:49,790 --> 01:22:47,340

because I asked my my biology teacher at

1542

01:22:51,830 --> 01:22:49,800

Lindenwood I said if you had to go into

1543

01:22:53,840 --> 01:22:51,840

the woods and you couldn't take any

1544

01:22:55,220 --> 01:22:53,850

firearms you couldn't take a bow and

1545

01:22:56,780 --> 01:22:55,230

arrow you couldn't take anything like

1546

01:22:59,090 --> 01:22:56,790

that what would she take to protect

1547

01:23:00,650 --> 01:22:59,100

yourself and she thought for a moment

1548

01:23:03,830 --> 01:23:00,660

she said fire

1549

01:23:05,900 --> 01:23:03,840

I said fire she goes yeah anything

1550

01:23:10,250 --> 01:23:05,910

living is made of protoplasm and

1551
01:23:16,460 --> 01:23:12,560
so road flares and not considered

1552
01:23:18,350 --> 01:23:16,470
weapons except of course to the Bigfoot

1553
01:23:21,500 --> 01:23:18,360
that they can read your mind and they

1554
01:23:26,300 --> 01:23:21,510
have this image of you doing that and

1555
01:23:28,880 --> 01:23:26,310
this is where the trust and the pure of

1556
01:23:30,620 --> 01:23:28,890
heart comes in and they'll and don't

1557
01:23:32,150 --> 01:23:30,630
texted the young ones especially will

1558
01:23:35,360 --> 01:23:32,160
test you the young ones are very curious

1559
01:23:40,070 --> 01:23:35,370
I got to see a young one in cuivre River

1560
01:23:41,690 --> 01:23:40,080
State Park here in Missouri and I was I

1561
01:23:43,400 --> 01:23:41,700
ever able to talk to you about that I

1562
01:23:46,220 --> 01:23:43,410
don't know I don't remember if I did or

1563
01:23:48,740 --> 01:23:46,230

not um I don't think so I don't remember

1564

01:23:51,050 --> 01:23:48,750

that conversation I was up there with my

1565

01:23:54,020 --> 01:23:51,060

mentor she was preparing to introduce

1566

01:23:59,660 --> 01:23:54,030

her cousin to the clan that was in in

1567

01:24:03,530 --> 01:23:59,670

Crete in cuivre River and I was their

1568

01:24:07,100 --> 01:24:03,540

first time at night in a park since

1569

01:24:10,040 --> 01:24:07,110

creeper farm but I had you know David

1570

01:24:13,250 --> 01:24:10,050

was there a friend of theirs named Rick

1571

01:24:14,720 --> 01:24:13,260

was there and she'll and her cousin

1572

01:24:17,590 --> 01:24:14,730

disappeared down into the woods

1573

01:24:20,300 --> 01:24:17,600

that was when shell saw the 30 foot

1574

01:24:24,860 --> 01:24:20,310

sasquatch the one that spoke for the

1575

01:24:27,590 --> 01:24:24,870

leader and we're back up by the car and

1576

01:24:30,110 --> 01:24:27,600

just chitchat and I see movement

1577

01:24:36,040 --> 01:24:30,120

peripherally I train my eyes and I see

1578

01:24:39,440 --> 01:24:36,050

something bipedal kind of kind of oh

1579

01:24:43,190 --> 01:24:39,450

what's the word I'm looking for

1580

01:24:46,130 --> 01:24:43,200

moves real quick and then stop and then

1581

01:24:48,920 --> 01:24:46,140

mover quick and then stop they're like

1582

01:24:51,110 --> 01:24:48,930

guys I'm seeing something right down

1583

01:24:52,820 --> 01:24:51,120

here that I'm describing this doing in

1584

01:24:54,350 --> 01:24:52,830

Rick says oh yeah that's a juvenile

1585

01:24:57,890 --> 01:24:54,360

they're very curious and that's how they

1586

01:24:58,750 --> 01:24:57,900

move and it might have been five or six

1587

01:25:01,400 --> 01:24:58,760

foot tall

1588

01:25:04,280 --> 01:25:01,410

hey night with Mike just like I'm on

1589

01:25:08,220 --> 01:25:04,290

your eyes right now I'm looking at this

1590

01:25:10,970 --> 01:25:08,230

thing and all of a sudden it's gone

1591

01:25:16,410 --> 01:25:10,980

it didn't lay down it didn't back up

1592

01:25:19,860 --> 01:25:16,420

didn't go left or right just golf and it

1593

01:25:21,590 --> 01:25:19,870

either cloaked or wet dimensional so I'm

1594

01:25:24,630 --> 01:25:21,600

here to tell you I witnessed this

1595

01:25:28,860 --> 01:25:24,640

this isn't anecdotal I freaking seen

1596

01:25:30,840 --> 01:25:28,870

this and that's what they'll do they'll

1597

01:25:32,970 --> 01:25:30,850

cloak themselves and they will toy with

1598

01:25:34,710 --> 01:25:32,980

you they'll get up in the darker course

1599

01:25:40,680 --> 01:25:34,720

where you can't see anything go get up

1600

01:25:42,810 --> 01:25:40,690

right next year good distance is there

1601
01:25:44,790 --> 01:25:42,820
suggesting that I guess they can pop in

1602
01:25:46,380 --> 01:25:44,800
and out no matter where they're at

1603
01:25:48,450 --> 01:25:46,390
it doesn't necessarily always just have

1604
01:25:53,060 --> 01:25:48,460
to be the woods but I'm sure there would

1605
01:25:57,030 --> 01:25:53,070
feel more confident not being so yeah

1606
01:25:59,490 --> 01:25:57,040
all through Chicago City Chicago and

1607
01:26:04,520 --> 01:25:59,500
they'll go travel at night when they're

1608
01:26:07,470 --> 01:26:04,530
less likely to be seen but they'll build

1609
01:26:10,080 --> 01:26:07,480
you know the the big trash dumps that

1610
01:26:13,530 --> 01:26:10,090
the restaurants have built race dumped I

1611
01:26:17,550 --> 01:26:13,540
don't find food and those anywhere they

1612
01:26:24,330 --> 01:26:17,560
can find to the forage so yeah they're

1613
01:26:27,470 --> 01:26:24,340

they're very human-like but you don't

1614

01:26:31,650 --> 01:26:27,480

want to cross them yeah that's for sure

1615

01:26:36,840 --> 01:26:31,660

well so - I guess tie indeed the third

1616

01:26:39,180 --> 01:26:36,850

and last segment here regarding 80s UFOs

1617

01:26:41,730 --> 01:26:39,190

and whatever other aspects of that

1618

01:26:45,180 --> 01:26:41,740

phenomena you want to cover what do you

1619

01:26:46,830 --> 01:26:45,190

think they might've meant with you know

1620

01:26:49,500 --> 01:26:46,840

with there's something coming are they

1621

01:26:52,740 --> 01:26:49,510

more referring to something et related

1622

01:27:00,920 --> 01:26:52,750

or just something different I guess

1623

01:27:04,320 --> 01:27:00,930

they'll affect the planet because my

1624

01:27:06,440 --> 01:27:04,330

working theory I you know I've been

1625

01:27:10,920 --> 01:27:06,450

studying these stuff a long time and

1626
01:27:13,260 --> 01:27:10,930
years ago I came across a magazine I

1627
01:27:16,350 --> 01:27:13,270
don't remember the name of it but it

1628
01:27:19,290 --> 01:27:16,360
talked about Earth and its travel

1629
01:27:21,270 --> 01:27:19,300
through space and our Sun I didn't know

1630
01:27:25,380 --> 01:27:21,280
through most of my life that our son was

1631
01:27:28,200 --> 01:27:25,390
moving through space so in effect we are

1632
01:27:33,990 --> 01:27:28,210
never in the same place in space at any

1633
01:27:37,620 --> 01:27:34,000
one time we've got that you know 250,000

1634
01:27:43,320 --> 01:27:37,630
year run that we're doing around our

1635
01:27:45,930 --> 01:27:43,330
central Sun and we are approaching or we

1636
01:27:51,000 --> 01:27:45,940
may even be in male I don't know what's

1637
01:27:54,000 --> 01:27:51,010
called the null zone okay there are I

1638
01:27:56,460 --> 01:27:54,010

wish I could do a visual on this well I

1639

01:28:00,330 --> 01:27:56,470

kind of sort of am if you if you look at

1640

01:28:03,600 --> 01:28:00,340

my head and say that my my head

1641

01:28:08,040 --> 01:28:03,610

represents the majority of the travel of

1642

01:28:11,190 --> 01:28:08,050

space of the going around okay when we

1643

01:28:14,580 --> 01:28:11,200

reach a point where we've got this place

1644

01:28:17,160 --> 01:28:14,590

in space where the the dark area on the

1645

01:28:21,660 --> 01:28:17,170

wall back there is that's what's called

1646

01:28:24,030 --> 01:28:21,670

a null zone or a zone of white when we

1647

01:28:26,280 --> 01:28:24,040

enter that the entire planet and the

1648

01:28:30,200 --> 01:28:26,290

entire solar system for that collector

1649

01:28:34,050 --> 01:28:30,210

back is bathed in a different energy

1650

01:28:35,820 --> 01:28:34,060

that I think is where depending on where

1651
01:28:40,530 --> 01:28:35,830
your consciousness is is where you're

1652
01:28:42,750 --> 01:28:40,540
going to elevate move into instead of

1653
01:28:46,110 --> 01:28:42,760
elevate necessarily but move into fourth

1654
01:28:48,300 --> 01:28:46,120
and fifth dimensional thinking processes

1655
01:28:51,810 --> 01:28:48,310
where some people claim that we're

1656
01:28:53,730 --> 01:28:51,820
already there okay whether we are you

1657
01:28:55,920 --> 01:28:53,740
know maybe we've entered enough of the

1658
01:29:02,190 --> 01:28:55,930
null zone for some of us to already be

1659
01:29:04,320 --> 01:29:02,200
there and I it's logical sense that the

1660
01:29:08,310 --> 01:29:04,330
beings and consciousness is out there

1661
01:29:11,520 --> 01:29:08,320
that I refer to as dark who do not want

1662
01:29:13,920 --> 01:29:11,530
to see this evolve because they feed on

1663
01:29:16,980 --> 01:29:13,930

our energy as we are third dimensional

1664

01:29:21,990 --> 01:29:16,990

beings will do everything in their power

1665

01:29:27,260 --> 01:29:22,000

to keep us from achieving that and I

1666

01:29:30,380 --> 01:29:27,270

think the sasquatch know about this so

1667

01:29:33,770 --> 01:29:30,390

in an effort to help those of us who are

1668

01:29:36,860 --> 01:29:33,780

ready to make that that move in

1669

01:29:38,990 --> 01:29:36,870

consciousness that limits when the time

1670

01:29:43,100 --> 01:29:39,000

is right they will be there to help us

1671

01:29:45,530 --> 01:29:43,110

do that maybe help ward off the dark

1672

01:29:47,860 --> 01:29:45,540

consciousness whether it be alien or

1673

01:29:51,530 --> 01:29:47,870

lower energy beings or whatever it is I

1674

01:29:53,540 --> 01:29:51,540

do believe that they have our for those

1675

01:29:56,060 --> 01:29:53,550

who care have our best intention at

1676

01:29:58,430 --> 01:29:56,070

heart and that's why we want to pay

1677

01:30:01,940 --> 01:29:58,440

respect and they are not the only beings

1678

01:30:05,000 --> 01:30:01,950

out there we're gonna be seeing and

1679

01:30:08,390 --> 01:30:05,010

witnessing more and more what we call

1680

01:30:09,950 --> 01:30:08,400

paranormal beings happened we're going

1681

01:30:13,760 --> 01:30:09,960

to see more and more communication with

1682

01:30:17,090 --> 01:30:13,770

the spirit realm from your perspective

1683

01:30:19,490 --> 01:30:17,100

then is all these supernatural things I

1684

01:30:23,120 --> 01:30:19,500

mean everything in include included

1685

01:30:26,990 --> 01:30:23,130

basically here for su I guess described

1686

01:30:30,860 --> 01:30:27,000

for our shift then for our consciousness

1687

01:30:35,510 --> 01:30:30,870

shift so in other words it's kind of

1688

01:30:37,610 --> 01:30:35,520

like a a a prequel in a melding of these

1689

01:30:39,980 --> 01:30:37,620

different dimensions and we're starting

1690

01:30:42,260 --> 01:30:39,990

to start getting glimpses of of

1691

01:30:44,000 --> 01:30:42,270

different things that are I guess in

1692

01:30:46,760 --> 01:30:44,010

some sense have always been here but

1693

01:30:49,130 --> 01:30:46,770

with us changing our perception and

1694

01:30:50,900 --> 01:30:49,140

perspective I guess we would we would be

1695

01:30:54,680 --> 01:30:50,910

becoming more aware of that would you

1696

01:30:56,990 --> 01:30:54,690

say that I would say that yes I would

1697

01:30:59,120 --> 01:30:57,000

say that I would say that if it's it's

1698

01:31:01,880 --> 01:30:59,130

unfortunate that has taken this long for

1699

01:31:05,330 --> 01:31:01,890

us to get here because there could have

1700

01:31:09,020 --> 01:31:05,340

been a lot of a lot of death prevented

1701
01:31:10,910 --> 01:31:09,030
in the Salem witch trials you know when

1702
01:31:14,210 --> 01:31:10,920
when we were in the Dark Ages and we

1703
01:31:17,230 --> 01:31:14,220
believed that anything out of our norm

1704
01:31:21,170 --> 01:31:17,240
or what the church called norm was

1705
01:31:25,250 --> 01:31:21,180
witchcraft was dark was the devil well

1706
01:31:27,440 --> 01:31:25,260
you got to kill the devil from a

1707
01:31:29,750 --> 01:31:27,450
metaphysical standpoint and I think even

1708
01:31:32,750 --> 01:31:29,760
from a scientific standpoint we can all

1709
01:31:35,060 --> 01:31:32,760
agree that if it exists it's here for a

1710
01:31:37,730 --> 01:31:35,070
reason now back to us

1711
01:31:40,640 --> 01:31:37,740
we have to participate in it you know

1712
01:31:42,410 --> 01:31:40,650
and that's a debate that I have with

1713
01:31:45,200 --> 01:31:42,420

some friends of mine about light and

1714

01:31:48,740 --> 01:31:45,210

dark well but you have to embrace the

1715

01:31:52,460 --> 01:31:48,750

dark side of you it's like you have to

1716

01:31:54,680 --> 01:31:52,470

acknowledge the dark side of you and in

1717

01:31:58,750 --> 01:31:54,690

my opinion work to overcome the dark

1718

01:32:01,850 --> 01:31:58,760

side of you but the term embrace to me

1719

01:32:07,720 --> 01:32:01,860

means well I'm going to embrace it and

1720

01:32:10,400 --> 01:32:07,730

love it I can't don't go don't go dark

1721

01:32:13,250 --> 01:32:10,410

I'm not you know and I've been very

1722

01:32:17,060 --> 01:32:13,260

fortunate in my life at the time I grew

1723

01:32:19,460 --> 01:32:17,070

up late 60s early seventies and that was

1724

01:32:23,890 --> 01:32:19,470

a time of a lot of experimentation a lot

1725

01:32:28,910 --> 01:32:23,900

of drugs a lot of cult activity a lot of

1726

01:32:31,640 --> 01:32:28,920

bad juju and I was very lucky with all

1727

01:32:33,980 --> 01:32:31,650

the people that I have met in my life is

1728

01:32:37,310 --> 01:32:33,990

almost like I had some some guiding

1729

01:32:41,960 --> 01:32:37,320

force making sure that I got involved in

1730

01:32:43,460 --> 01:32:41,970

like-minded people I think this is a

1731

01:32:49,400 --> 01:32:43,470

kind of a fun Side Story

1732

01:32:51,950 --> 01:32:49,410

I think my dad was taken out by whatever

1733

01:32:54,740 --> 01:32:51,960

forces that knew that I have a greater

1734

01:32:56,570 --> 01:32:54,750

purpose in life I don't want to say that

1735

01:32:59,870 --> 01:32:56,580

use necessarily of the dark but he was

1736

01:33:02,480 --> 01:32:59,880

probably a narcissist before anybody

1737

01:33:06,350 --> 01:33:02,490

really knew what narcissism was and it

1738

01:33:12,670 --> 01:33:06,360

wasn't until he died that my mother told

1739

01:33:19,780 --> 01:33:16,130

and I just I know in my heart of hearts

1740

01:33:22,790 --> 01:33:19,790

that had he lived I was 12 when he died

1741

01:33:26,870 --> 01:33:22,800

had he going on and lived and I had gone

1742

01:33:29,660 --> 01:33:26,880

on and grown up and I witnessed him

1743

01:33:32,780 --> 01:33:29,670

trying to hurt my mother it would have

1744

01:33:37,640 --> 01:33:32,790

been bad news cuz I was stuck between

1745

01:33:43,209 --> 01:33:37,650

them and I said and if he wanted to

1746

01:33:47,770 --> 01:33:43,219

fight ok Katie bar the door

1747

01:33:48,900 --> 01:33:47,780

so that could be so something I opted to

1748

01:33:53,680 --> 01:33:48,910

take him out

1749

01:33:55,450 --> 01:33:53,690

you're writing it right so John I'm

1750

01:34:00,310 --> 01:33:55,460

sorry I don't mean to change the subject

1751
01:34:03,520 --> 01:34:00,320
so could you then I guess cover some of

1752
01:34:06,880 --> 01:34:03,530
the examples and experiences actually

1753
01:34:08,380 --> 01:34:06,890
more and more so of what you found if

1754
01:34:11,050 --> 01:34:08,390
you can go a little bit of into the

1755
01:34:13,420 --> 01:34:11,060
experiences themselves but mainly what

1756
01:34:16,000 --> 01:34:13,430
what you found kind of like a list that

1757
01:34:19,470 --> 01:34:16,010
you gave me with with Bigfoot regarding

1758
01:34:22,689 --> 01:34:19,480
a UFOs aliens and all that in general

1759
01:34:24,400 --> 01:34:22,699
like what is what is your take on all

1760
01:34:26,020 --> 01:34:24,410
this because obviously we're talking

1761
01:34:28,959 --> 01:34:26,030
about this because we're all assuming

1762
01:34:31,959 --> 01:34:28,969
here and those interested it we are

1763
01:34:37,420 --> 01:34:31,969

being visited they play some kind of

1764

01:34:40,330 --> 01:34:37,430

role but what is it that you found what

1765

01:34:42,220 --> 01:34:40,340

I have found and where I formed my

1766

01:34:44,740 --> 01:34:42,230

opinions on right now and it's all

1767

01:34:46,930 --> 01:34:44,750

opinion if I said in the early part

1768

01:34:50,860 --> 01:34:46,940

nobody knows everything and we hardly

1769

01:34:55,270 --> 01:34:50,870

know anything honestly we have gone from

1770

01:35:00,070 --> 01:34:55,280

a couple of civilian groups in the late

1771

01:35:06,820 --> 01:35:00,080

50s and 60s and the timeline that we've

1772

01:35:10,810 --> 01:35:06,830

got with the apology lights craft some

1773

01:35:15,640 --> 01:35:10,820

beings okay no it takes us like 10 years

1774

01:35:17,729 --> 01:35:15,650

to absorb that and starting with my

1775

01:35:22,720 --> 01:35:17,739

first sighting when I was 3 years old of

1776

01:35:24,610 --> 01:35:22,730

a craft that was landed just down to the

1777

01:35:27,970 --> 01:35:24,620

side of the building that we lived in

1778

01:35:32,380 --> 01:35:27,980

that silently rose up and then took off

1779

01:35:38,199 --> 01:35:32,390

near to all of the encounters that I've

1780

01:35:43,279 --> 01:35:38,209

had where

1781

01:35:46,400 --> 01:35:43,289

fifteen 20 years behind the times okay

1782

01:35:51,060 --> 01:35:46,410

it's more than

1783

01:35:52,410 --> 01:35:51,070

extraterrestrial or alien craft maybe

1784

01:35:53,730 --> 01:35:52,420

there was probably Italian back in the

1785

01:36:00,210 --> 01:35:53,740

eighteen hundreds when that was all it

1786

01:36:03,870 --> 01:36:00,220

was but as we as a population begin to

1787

01:36:09,260 --> 01:36:03,880

absorb more revealed detailed

1788

01:36:11,870 --> 01:36:09,270

information we discovered that besides

1789

01:36:16,290 --> 01:36:11,880

only being alien or extraterrestrial

1790

01:36:18,660 --> 01:36:16,300

that some of them are from back

1791

01:36:21,570 --> 01:36:18,670

engineered alien craft and they're our

1792

01:36:25,200 --> 01:36:21,580

craft that's what the speculation is

1793

01:36:29,760 --> 01:36:25,210

with the triangular craft if you have

1794

01:36:31,410 --> 01:36:29,770

kept up with the concept that the

1795

01:36:33,690 --> 01:36:31,420

reptilians got involved with Adolf

1796

01:36:37,950 --> 01:36:33,700

Hitler and the Nazis and they actually

1797

01:36:42,450 --> 01:36:37,960

had quote alien craft flying saucers of

1798

01:36:44,970 --> 01:36:42,460

sort even before the World War they got

1799

01:36:46,830 --> 01:36:44,980

involved with and that they took

1800

01:36:51,630 --> 01:36:46,840

everything and started building under

1801
01:36:52,830 --> 01:36:51,640
Antarctica and that they have some sort

1802
01:36:58,340 --> 01:36:52,840
of allegiance with their reptilian

1803
01:37:02,000 --> 01:36:58,350
creatures we're in a very expansive time

1804
01:37:06,330 --> 01:37:02,010
with what we're discovering in ufology

1805
01:37:08,580 --> 01:37:06,340
we have aliens that I reported all over

1806
01:37:11,400 --> 01:37:08,590
the planet but the most important thing

1807
01:37:15,360 --> 01:37:11,410
I can say about this is you can't just

1808
01:37:17,820 --> 01:37:15,370
say what do the aliens want or where are

1809
01:37:20,580 --> 01:37:17,830
the aliens from you have to remember

1810
01:37:23,430 --> 01:37:20,590
there's an S appeal in that word when

1811
01:37:26,760 --> 01:37:23,440
you say what do they want well which one

1812
01:37:29,430 --> 01:37:26,770
are you talking about degrees are you

1813
01:37:31,020 --> 01:37:29,440

talking about the zero Reticulans are

1814

01:37:34,110 --> 01:37:31,030

you talking about the reptilians are you

1815

01:37:39,180 --> 01:37:34,120

talking about the Draco are you talking

1816

01:37:44,790 --> 01:37:39,190

about the mantas or the Nordics Victor

1817

01:37:49,050 --> 01:37:44,800

alien and then even that you know it's

1818

01:37:55,650 --> 01:37:49,060

it's it's going to be a huge challenge

1819

01:37:57,480 --> 01:37:55,660

for us who only think locally I can't

1820

01:38:00,210 --> 01:37:57,490

tell you much about for example the

1821

01:38:02,760 --> 01:38:00,220

state of Montana or the state of Florida

1822

01:38:06,360 --> 01:38:02,770

or any other state in this country that

1823

01:38:08,730 --> 01:38:06,370

I'm in because my experience is here in

1824

01:38:11,630 --> 01:38:08,740

Missouri and some in Illinois but that's

1825

01:38:16,020 --> 01:38:11,640

that's my experience and knowledge base

1826

01:38:17,880 --> 01:38:16,030

so we are being positioned because of

1827

01:38:19,020 --> 01:38:17,890

you ecology this is what I love about

1828

01:38:21,780 --> 01:38:19,030

you ecology

1829

01:38:23,540 --> 01:38:21,790

if you're going to get into ufology if

1830

01:38:26,430 --> 01:38:23,550

you're going to talk about aliens

1831

01:38:30,180 --> 01:38:26,440

you were talking there psychology

1832

01:38:32,940 --> 01:38:30,190

there's sociology what makes them tick

1833

01:38:36,810 --> 01:38:32,950

what what is their government structure

1834

01:38:40,470 --> 01:38:36,820

so you bring the governmental concepts

1835

01:38:42,960 --> 01:38:40,480

in do they have any medical what do we

1836

01:38:45,990 --> 01:38:42,970

do with the abductees they have implants

1837

01:38:48,360 --> 01:38:46,000

and okay we got to know about human

1838

01:38:49,950 --> 01:38:48,370

anatomy which in fact the implants the

1839

01:38:52,650 --> 01:38:49,960

research on implants are helping us

1840

01:38:56,720 --> 01:38:52,660

understand more and more about the human

1841

01:38:59,520 --> 01:38:56,730

anatomy it will take you into

1842

01:39:02,400 --> 01:38:59,530

[Music]

1843

01:39:04,080 --> 01:39:02,410

knowledge of your life and world that

1844

01:39:06,030 --> 01:39:04,090

you know when you were in high school

1845

01:39:08,010 --> 01:39:06,040

you deflate about when you were in high

1846

01:39:10,110 --> 01:39:08,020

school and partying have a good time

1847

01:39:11,850 --> 01:39:10,120

unless you want to go to college then

1848

01:39:12,870 --> 01:39:11,860

you did all your study to get the good

1849

01:39:15,570 --> 01:39:12,880

grades and blah blah

1850

01:39:17,330 --> 01:39:15,580

this blows college out of the freaking

1851

01:39:20,240 --> 01:39:17,340

water

1852

01:39:25,400 --> 01:39:20,250

okay you have to be open-minded and

1853

01:39:30,730 --> 01:39:25,410

ready to absorb knowledge seriously deep

1854

01:39:33,610 --> 01:39:30,740

knowledge researcher grant Cameron who

1855

01:39:36,650 --> 01:39:33,620

first came to light is being a

1856

01:39:42,140 --> 01:39:36,660

researcher of what all the US presidents

1857

01:39:44,270 --> 01:39:42,150

knew or know about UFOs and aliens the

1858

01:39:49,060 --> 01:39:44,280

last time I heard him talk we had him on

1859

01:39:51,350 --> 01:39:49,070

skype at one of our MUFON meetings

1860

01:39:54,740 --> 01:39:51,360

Derby's iggle my are Missouri State

1861

01:39:57,650 --> 01:39:54,750

Director for me fun and where he left

1862

01:40:02,060 --> 01:39:57,660

off his talk to us was that if you truly

1863

01:40:02,650 --> 01:40:02,070

want to understand about UFOs and about

1864

01:40:06,680 --> 01:40:02,660

aliens

1865

01:40:11,810 --> 01:40:06,690

you must learn about consciousness talk

1866

01:40:15,370 --> 01:40:11,820

to your abductees and that's where it

1867

01:40:17,420 --> 01:40:15,380

all leads that's what it's all about as

1868

01:40:24,410 --> 01:40:17,430

you and I have had many discussions

1869

01:40:28,180 --> 01:40:24,420

about so yeah all of my experiences and

1870

01:40:31,100 --> 01:40:28,190

all my interviews and all my research

1871

01:40:33,920 --> 01:40:31,110

passwords taking and there's so much of

1872

01:40:37,850 --> 01:40:33,930

the population that doesn't even know

1873

01:40:42,770 --> 01:40:37,860

what a UFO is we have a long way to go

1874

01:40:46,690 --> 01:40:42,780

and this is why I'm very thankful and

1875

01:40:50,510 --> 01:40:48,890

because without programs like yours

1876
01:40:53,090 --> 01:40:50,520
hopefully the programs I get to produce

1877
01:40:58,640 --> 01:40:53,100
as well the more people that see your

1878
01:41:00,530 --> 01:40:58,650
programs my programs there's there's got

1879
01:41:03,050 --> 01:41:00,540
to be an overall human consciousness

1880
01:41:06,580 --> 01:41:03,060
growth thank you Jeff I shade that I

1881
01:41:09,800 --> 01:41:06,590
mean it it all almost seems like it's

1882
01:41:12,500 --> 01:41:09,810
without all of us understanding what

1883
01:41:16,270 --> 01:41:12,510
exactly we're doing this for one thing

1884
01:41:19,940 --> 01:41:16,280
is for certain those that are the most

1885
01:41:21,950 --> 01:41:19,950
interested the most I guess driven to

1886
01:41:24,350 --> 01:41:21,960
understand the subject always end up

1887
01:41:26,480 --> 01:41:24,360
doing something related to what you do

1888
01:41:29,660 --> 01:41:26,490

what I do and others or they write a

1889

01:41:30,570 --> 01:41:29,670

book about or something that takes that

1890

01:41:33,600 --> 01:41:30,580

information

1891

01:41:37,080 --> 01:41:33,610

makes it public it's almost as - I guess

1892

01:41:39,210 --> 01:41:37,090

create some kind of base library of

1893

01:41:41,160 --> 01:41:39,220

what's going on so that there's

1894

01:41:44,130 --> 01:41:41,170

information available if and when

1895

01:41:46,410 --> 01:41:44,140

something happens they can revert to

1896

01:41:48,840 --> 01:41:46,420

that information so that they're not as

1897

01:41:50,970 --> 01:41:48,850

confused or you know to say because

1898

01:41:54,270 --> 01:41:50,980

sometimes it's so weird you know even if

1899

01:41:56,190 --> 01:41:54,280

let's say I don't know even if you go

1900

01:41:57,180 --> 01:41:56,200

into the most difficult thing just

1901

01:41:59,370 --> 01:41:57,190

knowing that there's some information

1902

01:42:00,330 --> 01:41:59,380

that somebody could just relay their

1903

01:42:03,840 --> 01:42:00,340

story to you

1904

01:42:06,570 --> 01:42:03,850

almost alleviates the fear you know and

1905

01:42:08,790 --> 01:42:06,580

yeah and it's just just so that you can

1906

01:42:10,860 --> 01:42:08,800

say I can I can there's someone out

1907

01:42:14,700 --> 01:42:10,870

there they can relate to me or they

1908

01:42:16,770 --> 01:42:14,710

understand and it's not a you know thing

1909

01:42:18,900 --> 01:42:16,780

that only they are going through which

1910

01:42:20,820 --> 01:42:18,910

kind of sucks for the rest of us because

1911

01:42:22,860 --> 01:42:20,830

we all have been going through this

1912

01:42:25,680 --> 01:42:22,870

before anyone else understood what's

1913

01:42:29,360 --> 01:42:25,690

going on you know and only what in the

1914

01:42:32,130 --> 01:42:29,370

last 50 years or so enough information

1915

01:42:34,890 --> 01:42:32,140

has been coming out and involving

1916

01:42:37,500 --> 01:42:34,900

because it doesn't just stop at lights

1917

01:42:41,070 --> 01:42:37,510

in the sky flying real fast you know it

1918

01:42:43,650 --> 01:42:41,080

went you know it evolved not because of

1919

01:42:44,790 --> 01:42:43,660

a while world board so let's just make

1920

01:42:47,870 --> 01:42:44,800

up some kind of story

1921

01:42:51,330 --> 01:42:47,880

no because information and and and

1922

01:42:54,630 --> 01:42:51,340

witness stories and experiences have

1923

01:42:57,810 --> 01:42:54,640

happened to where now it elaborates on

1924

01:43:02,130 --> 01:42:57,820

those fast flying lights in the sky you

1925

01:43:05,160 --> 01:43:02,140

know and yeah and to us it's it's I mean

1926

01:43:07,530 --> 01:43:05,170

sometimes say I like to just kind of sit

1927

01:43:09,480 --> 01:43:07,540

back and observe my quote-unquote normal

1928

01:43:11,190 --> 01:43:09,490

friends as when we have a conversation

1929

01:43:15,450 --> 01:43:11,200

and there's no judgment there I just

1930

01:43:18,240 --> 01:43:15,460

like to see what when I talk about

1931

01:43:21,600 --> 01:43:18,250

things matter if actually and start to

1932

01:43:23,490 --> 01:43:21,610

talk about you know to people that

1933

01:43:27,270 --> 01:43:23,500

they're just all they know is just a

1934

01:43:29,610 --> 01:43:27,280

day-to-day normal things and so to to go

1935

01:43:31,560 --> 01:43:29,620

into in-depth stories of well I was

1936

01:43:33,510 --> 01:43:31,570

conveyed this and I was told that well

1937

01:43:35,790 --> 01:43:33,520

there's these races there's no races

1938

01:43:37,320 --> 01:43:35,800

they just did it's almost like they

1939

01:43:39,720 --> 01:43:37,330

don't know where to start you know it's

1940

01:43:42,900 --> 01:43:39,730

like you know the computer froze up and

1941

01:43:44,129 --> 01:43:42,910

can't compute you know that's their look

1942

01:43:45,779 --> 01:43:44,139

in the faceless

1943

01:43:48,659 --> 01:43:45,789

you know and but the point is to not

1944

01:43:50,310 --> 01:43:48,669

have any judgement to just keep talking

1945

01:43:52,859 --> 01:43:50,320

about this and just can't become that

1946

01:43:56,129 --> 01:43:52,869

crazy person you know because when

1947

01:43:58,589 --> 01:43:56,139

something happens they would know oh I

1948

01:44:01,589 --> 01:43:58,599

know someone who I can go talk to you

1949

01:44:03,509 --> 01:44:01,599

know and and the best thing we can do is

1950

01:44:05,429 --> 01:44:03,519

just kind of make our presence known you

1951

01:44:08,339 --> 01:44:05,439

know no matter how difficult the

1952

01:44:10,979 --> 01:44:08,349

challenging in an angry being full of

1953

01:44:12,659 --> 01:44:10,989

that anger but frustration it is you

1954

01:44:14,580 --> 01:44:12,669

know to have it have to deal with all

1955

01:44:18,000 --> 01:44:14,590

kinds of people because I've had people

1956

01:44:20,370 --> 01:44:18,010

just you know I've had this lady once

1957

01:44:22,949 --> 01:44:20,380

and we were talking and I guess she

1958

01:44:24,959 --> 01:44:22,959

somehow she knew I was into UFOs and she

1959

01:44:27,330 --> 01:44:24,969

just came straight to him he said well I

1960

01:44:29,159 --> 01:44:27,340

don't believe in aliens and I was like

1961

01:44:30,569 --> 01:44:29,169

okay you know and I was just kind of

1962

01:44:31,469 --> 01:44:30,579

looking at this so I was like what do

1963

01:44:33,509 --> 01:44:31,479

you have to say about that

1964

01:44:36,149 --> 01:44:33,519

I said well would you believe in then

1965

01:44:38,040 --> 01:44:36,159

you know it just happened oh my gosh you

1966

01:44:40,350 --> 01:44:38,050

thought that I was just gonna off the

1967

01:44:42,179 --> 01:44:40,360

sudden be the total opposite angle well

1968

01:44:43,409 --> 01:44:42,189

why not start an argument with her or

1969

01:44:45,120 --> 01:44:43,419

something I think that's what she was

1970

01:44:46,770 --> 01:44:45,130

thinking I said I'm not here to force

1971

01:44:49,199 --> 01:44:46,780

you you know it's like what I have to

1972

01:44:51,330 --> 01:44:49,209

say that's what I have to say you can

1973

01:44:53,639 --> 01:44:51,340

either relate to it or or don't you know

1974

01:44:55,529 --> 01:44:53,649

and that's where I have to leave it you

1975

01:44:57,659 --> 01:44:55,539

know it's like I can you look at all the

1976

01:44:59,520 --> 01:44:57,669

arguments we've all had about you know

1977

01:45:01,799 --> 01:44:59,530

God and I don't really want to get into

1978

01:45:04,229 --> 01:45:01,809

that subject right now you know and but

1979

01:45:06,600 --> 01:45:04,239

these are you know although very

1980

01:45:10,669 --> 01:45:06,610

advanced from all the stories told and

1981

01:45:15,600 --> 01:45:10,679

and and things witness you know you know

1982

01:45:18,659 --> 01:45:15,610

the you know there's still all that

1983

01:45:20,669 --> 01:45:18,669

mystique about it you know because it's

1984

01:45:22,620 --> 01:45:20,679

almost like like this conversation

1985

01:45:25,589 --> 01:45:22,630

you're not you and I are having you can

1986

01:45:27,540 --> 01:45:25,599

have this conversation and you are sure

1987

01:45:29,250 --> 01:45:27,550

we had it you want you to remember me

1988

01:45:31,350 --> 01:45:29,260

asking you questions hearing me

1989

01:45:35,639 --> 01:45:31,360

everything else and you walk away and

1990

01:45:38,819 --> 01:45:35,649

for some weird reason let's say da you

1991

01:45:41,189 --> 01:45:38,829

my account on your skype is deleted you

1992

01:45:43,919 --> 01:45:41,199

know and any trace of this conversation

1993

01:45:47,520 --> 01:45:43,929

is just gone you know a it can drive

1994

01:45:49,620 --> 01:45:47,530

somebody nuts trying to you know convey

1995

01:45:52,770 --> 01:45:49,630

to somebody no I really did have his

1996

01:45:54,449 --> 01:45:52,780

conversation you know I I really did sit

1997

01:45:56,520 --> 01:45:54,459

right here and this is where it happened

1998

01:45:57,520 --> 01:45:56,530

you know but people were civil worse to

1999

01:45:59,290 --> 01:45:57,530

prove I'm like

2000

01:46:01,240 --> 01:45:59,300

have it I don't know how it disappeared

2001

01:46:03,160 --> 01:46:01,250

and that's I think how most of us are

2002

01:46:04,930 --> 01:46:03,170

dealing with it's like we know what we

2003

01:46:07,750 --> 01:46:04,940

just see what just happened what we just

2004

01:46:09,460 --> 01:46:07,760

experienced and there's certain things

2005

01:46:11,290 --> 01:46:09,470

that were supposed to be our experience

2006

01:46:14,260 --> 01:46:11,300

learn from it

2007

01:46:16,810 --> 01:46:14,270

of course retell the story but we can't

2008

01:46:20,080 --> 01:46:16,820

have that proof yet to where we hold

2009

01:46:21,820 --> 01:46:20,090

that that Grail you know in the hand and

2010

01:46:23,980 --> 01:46:21,830

say well here here's your proof you know

2011

01:46:25,750 --> 01:46:23,990

whatever or picture or video whoa

2012

01:46:27,220 --> 01:46:25,760

and even then people are gonna be like

2013

01:46:29,260 --> 01:46:27,230

what this is fake and this is

2014

01:46:31,000 --> 01:46:29,270

photoshopped so you know unless they

2015

01:46:33,460 --> 01:46:31,010

have that personal experience I don't

2016

01:46:35,680 --> 01:46:33,470

know what else can be really accepted as

2017

01:46:39,040 --> 01:46:35,690

proof to any of the skeptics or anyone

2018

01:46:41,710 --> 01:46:39,050

that that's curious but doesn't want to

2019

01:46:46,360 --> 01:46:41,720

you know go full fledge out as a

2020

01:46:49,680 --> 01:46:46,370

believer mm-hmm well you did on so many

2021

01:46:52,450 --> 01:46:49,690

things in that I I wanted to say that

2022

01:46:55,660 --> 01:46:52,460

what you're talking about is about

2023

01:46:59,230 --> 01:46:55,670

people wanting to not think there alone

2024

01:47:01,870 --> 01:46:59,240

is probably the primary thing with

2025

01:47:04,620 --> 01:47:01,880

people who come to me with their reports

2026

01:47:07,930 --> 01:47:04,630

I remember so distinctly a couple in

2027

01:47:09,910 --> 01:47:07,940

Saint Charles Missouri that reported to

2028

01:47:14,170 --> 01:47:09,920

me fog and I got assigned the case and I

2029

01:47:17,140 --> 01:47:14,180

contacted them and they had a sighting

2030

01:47:20,080 --> 01:47:17,150

of some kind of craft that's not what

2031

01:47:23,530 --> 01:47:20,090

bothered them what bothered them was

2032

01:47:26,650 --> 01:47:23,540

they got home turned the TV on turn the

2033

01:47:29,050 --> 01:47:26,660

radio on bought it you know every news

2034

01:47:32,800 --> 01:47:29,060

source possible throughout the night

2035

01:47:35,440 --> 01:47:32,810

think and they're like who we can't be

2036

01:47:37,360 --> 01:47:35,450

the only people that saw this oh my god

2037

01:47:39,460 --> 01:47:37,370

how could we there's nothing on the news

2038

01:47:40,930 --> 01:47:39,470

there's nothing nobody's reporting this

2039

01:47:45,790 --> 01:47:40,940

oh are we crazy

2040

01:47:47,920 --> 01:47:45,800

I said no of course you're not crazy you

2041

01:47:52,690 --> 01:47:47,930

know you were just you know any number

2042

01:47:54,430 --> 01:47:52,700

of speculations number one you were had

2043

01:47:55,960 --> 01:47:54,440

you happen to be looking in the right

2044

01:47:59,950 --> 01:47:55,970

place at the right time that's why you

2045

01:48:03,910 --> 01:47:59,960

saw this number two if there's more

2046

01:48:06,420 --> 01:48:03,920

involved to the sighting word whoever

2047

01:48:09,570 --> 01:48:06,430

was in charge of this craft were they

2048

01:48:12,330 --> 01:48:09,580

tuning in on you

2049

01:48:15,000 --> 01:48:12,340

because there's been a number of reports

2050

01:48:17,040 --> 01:48:15,010

through the years of people driving down

2051

01:48:19,890 --> 01:48:17,050

through a crowded city street in all

2052

01:48:22,470 --> 01:48:19,900

this and there's this you oppose it

2053

01:48:24,300 --> 01:48:22,480

right there above them you know through

2054

01:48:26,400 --> 01:48:24,310

five or six blocks with heavy traffic

2055

01:48:28,320 --> 01:48:26,410

and they're looking around and everybody

2056

01:48:30,150 --> 01:48:28,330

else is just you know driving around

2057

01:48:33,660 --> 01:48:30,160

singing in their car or smoking or

2058

01:48:37,410 --> 01:48:33,670

whatever drinking or so it's like don't

2059

01:48:42,540 --> 01:48:37,420

you people see this what I've seen that

2060

01:48:45,810 --> 01:48:42,550

not everybody is aware not everybody is

2061

01:48:49,380 --> 01:48:45,820

ready to accept seeing on something like

2062

01:48:52,500 --> 01:48:49,390

that there's a variety of reasons if

2063

01:48:58,050 --> 01:48:52,510

you've had an experience and I include

2064

01:48:59,790 --> 01:48:58,060

sightings as an experience then there's

2065

01:49:01,440 --> 01:48:59,800

the door you're going to walk through it

2066

01:49:02,100 --> 01:49:01,450

or you're gonna close and pretend it

2067

01:49:04,440 --> 01:49:02,110

didn't happen

2068

01:49:07,410 --> 01:49:04,450

my personality is I cannot pretend it

2069

01:49:09,210 --> 01:49:07,420

didn't happen you know I remember so

2070

01:49:11,880 --> 01:49:09,220

well I was working at Everett Jones and

2071

01:49:14,640 --> 01:49:11,890

company financial services company in

2072

01:49:18,000 --> 01:49:14,650

the video Department and that year I had

2073

01:49:20,760 --> 01:49:18,010

enough money to go to a symposium and I

2074

01:49:22,800 --> 01:49:20,770

was all excited and telling our office

2075

01:49:28,980 --> 01:49:22,810

secretary about it and she was an older

2076

01:49:31,320 --> 01:49:28,990

lady probably about my age older so I

2077

01:49:34,140 --> 01:49:31,330

was going on and on about it

2078

01:49:36,840 --> 01:49:34,150

and she finally burst out laughing her

2079

01:49:43,350 --> 01:49:36,850

name is Maureen she and she looked at me

2080

01:49:47,310 --> 01:49:43,360

laughing she goes who cares aliens who

2081

01:49:50,640 --> 01:49:47,320

cares if there's UFOs I make my paycheck

2082

01:49:52,500 --> 01:49:50,650

I go home I have my loving husband I

2083

01:49:55,950 --> 01:49:52,510

have we have our family dinner I got my

2084

01:50:01,680 --> 01:49:55,960

grandkids that doesn't have any bearing

2085

01:50:07,350 --> 01:50:01,690

on my life I thought hmm I have to

2086

01:50:09,210 --> 01:50:07,360

acknowledge that yeah so in relation to

2087

01:50:11,870 --> 01:50:09,220

what I said earlier it may not have a

2088

01:50:17,670 --> 01:50:11,880

heavy bearing on her life at that point

2089

01:50:19,570 --> 01:50:17,680

but as our consciousness expands it's

2090

01:50:22,390 --> 01:50:19,580

going to

2091

01:50:24,790 --> 01:50:22,400

it's like when you're a baby you don't

2092

01:50:26,740 --> 01:50:24,800

know how to cook your food but at some

2093

01:50:28,390 --> 01:50:26,750

point your taxes can fix it in you're

2094

01:50:32,260 --> 01:50:28,400

big enough you can actually cook your

2095

01:50:34,780 --> 01:50:32,270

own food and feed yourself that's kind

2096

01:50:39,580 --> 01:50:34,790

of what we're talking about you know

2097

01:50:41,950 --> 01:50:39,590

except it's a vast vast greater amount

2098

01:50:44,200 --> 01:50:41,960

of knowledge and our consciousness has

2099

01:50:46,120 --> 01:50:44,210

to expand in order to be able to take in

2100

01:50:48,100 --> 01:50:46,130

that knowledge I was going to say we're

2101
01:50:49,690 --> 01:50:48,110
talking about sources of information

2102
01:50:54,400 --> 01:50:49,700
wouldn't it be fun to know what the

2103
01:50:59,770 --> 01:50:54,410
Vatican's got his faults right regarding

2104
01:51:03,370 --> 01:50:59,780
you know just a quick side note

2105
01:51:06,580 --> 01:51:03,380
something that I had but that has been

2106
01:51:09,940 --> 01:51:06,590
brought up to me by several people it

2107
01:51:12,970 --> 01:51:09,950
was regarding regarding the people I've

2108
01:51:16,390 --> 01:51:12,980
interviewed and something they said kind

2109
01:51:17,980 --> 01:51:16,400
of just got hit home and they said well

2110
01:51:21,190 --> 01:51:17,990
have you mapped out where all their

2111
01:51:22,630 --> 01:51:21,200
sightings happen and I said no it's not

2112
01:51:24,640 --> 01:51:22,640
something that's something I generally

2113
01:51:26,650 --> 01:51:24,650

did I mean I follow up on questions and

2114

01:51:29,050 --> 01:51:26,660

things like that and she said I think

2115

01:51:31,270 --> 01:51:29,060

you'll be interested to see what you

2116

01:51:34,900 --> 01:51:31,280

find that all the people you have

2117

01:51:38,350 --> 01:51:34,910

interviewed and kind of put a little pin

2118

01:51:40,330 --> 01:51:38,360

on a map and then next person put a pin

2119

01:51:44,950 --> 01:51:40,340

on a map where their sighting happened

2120

01:51:47,290 --> 01:51:44,960

that something would be there I guess

2121

01:51:49,390 --> 01:51:47,300

that some kind of pattern would would

2122

01:51:51,100 --> 01:51:49,400

emerge that would I guess that I would

2123

01:51:52,690 --> 01:51:51,110

find interesting I have not done that

2124

01:51:55,360 --> 01:51:52,700

yeah but there was something I was told

2125

01:51:58,720 --> 01:51:55,370

and so I have so many things going on

2126
01:52:01,180 --> 01:51:58,730
right now in my life and so you know I'm

2127
01:52:01,600 --> 01:52:01,190
sure I'm sure one of these days I'll do

2128
01:52:03,730 --> 01:52:01,610
that

2129
01:52:06,610 --> 01:52:03,740
you know because right now the the thing

2130
01:52:10,330 --> 01:52:06,620
is that it's especially given were the

2131
01:52:13,300 --> 01:52:10,340
field of ufology is and generally what

2132
01:52:15,580 --> 01:52:13,310
the energy that I feel you know with

2133
01:52:18,190 --> 01:52:15,590
what's happening there's it's not that

2134
01:52:21,010 --> 01:52:18,200
urgent yet but I feel like within the

2135
01:52:23,260 --> 01:52:21,020
next seven six seven years you know it

2136
01:52:25,360 --> 01:52:23,270
would it would be more urgent you know

2137
01:52:28,300 --> 01:52:25,370
that we're still kind of in this still

2138
01:52:31,330 --> 01:52:28,310

in this gap of information age regarding

2139

01:52:33,390 --> 01:52:31,340

this and that sooner or later you know I

2140

01:52:34,980 --> 01:52:33,400

wouldn't be surprised if even

2141

01:52:37,680 --> 01:52:34,990

certain parts of government start

2142

01:52:39,180 --> 01:52:37,690

calling in some of the experiences and

2143

01:52:41,280 --> 01:52:39,190

just like okay tell us what do you know

2144

01:52:43,440 --> 01:52:41,290

because now it's getting to the point to

2145

01:52:47,490 --> 01:52:43,450

where we need to look at this and this

2146

01:52:50,820 --> 01:52:47,500

oh they're right I mean no I meant I

2147

01:52:53,100 --> 01:52:50,830

meant I'm not right that's why I meant I

2148

01:52:55,500 --> 01:52:53,110

meant blatantly to where there would be

2149

01:52:58,950 --> 01:52:55,510

something that they would even go as far

2150

01:53:00,600 --> 01:52:58,960

as publicly acknowledge it and say we

2151
01:53:02,490 --> 01:53:00,610
need more information you need more

2152
01:53:04,230 --> 01:53:02,500
looking into it now most of us have been

2153
01:53:07,170 --> 01:53:04,240
into this know they've been into this

2154
01:53:10,280 --> 01:53:07,180
since you know way before the 40s if not

2155
01:53:13,920 --> 01:53:10,290
soon you know earlier but you know

2156
01:53:17,130 --> 01:53:13,930
that's that's something that I feel is a

2157
01:53:19,680 --> 01:53:17,140
potential I guess potential

2158
01:53:22,890 --> 01:53:19,690
quote-unquote official world disclosure

2159
01:53:24,960 --> 01:53:22,900
you know to were I guess for some reason

2160
01:53:27,180 --> 01:53:24,970
people always so hold that government as

2161
01:53:29,310 --> 01:53:27,190
the barometer of how where we're at

2162
01:53:31,350 --> 01:53:29,320
where we stand and it's almost as if if

2163
01:53:33,060 --> 01:53:31,360

the government doesn't acknowledge it we

2164

01:53:35,850 --> 01:53:33,070

don't have to acknowledge it you know

2165

01:53:38,100 --> 01:53:35,860

the second that changes you know the

2166

01:53:40,800 --> 01:53:38,110

second government gives you a hint then

2167

01:53:43,290 --> 01:53:40,810

everyone else will be so to say almost

2168

01:53:46,170 --> 01:53:43,300

on their toes and say okay what's what's

2169

01:53:48,990 --> 01:53:46,180

up with this you know do you mean you

2170

01:53:50,910 --> 01:53:49,000

know movies there's something to the

2171

01:53:52,730 --> 01:53:50,920

movies they've been showing us you know

2172

01:53:55,650 --> 01:53:52,740

and things like that

2173

01:53:59,010 --> 01:53:55,660

well there's a regarding that particular

2174

01:54:01,890 --> 01:53:59,020

item there's right now there's a a hot

2175

01:54:06,990 --> 01:54:01,900

topic with YouTube talking about the

2176
01:54:09,480 --> 01:54:07,000
parallels of the planet serpo exchange

2177
01:54:10,670 --> 01:54:09,490
program and Close Encounters of the

2178
01:54:19,620 --> 01:54:10,680
Third Kind

2179
01:54:20,970 --> 01:54:19,630
and I I'd heard it years ago when Close

2180
01:54:24,330 --> 01:54:20,980
Encounters of the Third Kind

2181
01:54:28,260 --> 01:54:24,340
premiered there was a special showing at

2182
01:54:29,850 --> 01:54:28,270
the White House and allegedly Ronald

2183
01:54:33,270 --> 01:54:29,860
Reagan was supposed to have leaned over

2184
01:54:38,030 --> 01:54:33,280
to Steven Spielberg the director and

2185
01:54:39,780 --> 01:54:38,040
said if they only knew how real this is

2186
01:54:43,680 --> 01:54:39,790
if they only knew

2187
01:54:46,800 --> 01:54:43,690
I personally don't ever see disclosure

2188
01:54:51,660 --> 01:54:46,810

all that nature happen

2189

01:54:53,880 --> 01:54:51,670

um only because once you make the public

2190

01:54:58,260 --> 01:54:53,890

or work once you become aware of

2191

01:55:00,020 --> 01:54:58,270

something you have the ability to fend

2192

01:55:03,620 --> 01:55:00,030

off

2193

01:55:07,299 --> 01:55:03,630

your choice so it's you know and as long

2194

01:55:10,729 --> 01:55:07,309

as they can keep doubts in people's mind

2195

01:55:15,410 --> 01:55:10,739

they can make people feel they're afraid

2196

01:55:23,180 --> 01:55:15,420

number one which paralyzes you

2197

01:55:25,790 --> 01:55:23,190

or disbelieving and unable to use their

2198

01:55:30,140 --> 01:55:25,800

own power and I'm talking spiritual

2199

01:55:32,959 --> 01:55:30,150

power to fend off any aliens oh I'm

2200

01:55:34,810 --> 01:55:32,969

sorry to interrupt Joe uh si just a tie

2201

01:55:36,860 --> 01:55:34,820

in early what you said about

2202

01:55:39,459 --> 01:55:36,870

consciousness and some of those women

2203

01:55:41,870 --> 01:55:39,469

that didn't know I'm very much into

2204

01:55:47,570 --> 01:55:41,880

understanding this conscious shift of

2205

01:55:51,430 --> 01:55:47,580

contact and consciousness and government

2206

01:55:54,500 --> 01:55:51,440

you know one thing that I learned was

2207

01:55:59,240 --> 01:55:54,510

that that was conveyed to me is that the

2208

01:56:01,910 --> 01:55:59,250

government is a creation of our of us

2209

01:56:05,390 --> 01:56:01,920

you know and I've often said this and

2210

01:56:08,689 --> 01:56:05,400

then one of my other videos you know we

2211

01:56:10,370 --> 01:56:08,699

have fears so the government said don't

2212

01:56:12,530 --> 01:56:10,380

worry we'll protect you

2213

01:56:15,110 --> 01:56:12,540

you know we we perceive ourselves as

2214

01:56:16,880 --> 01:56:15,120

weak so the government said you know I

2215

01:56:20,090 --> 01:56:16,890

will build you and build an army and

2216

01:56:22,700 --> 01:56:20,100

make you strong you know and what I what

2217

01:56:26,470 --> 01:56:22,710

I mean is is that through bio these

2218

01:56:29,360 --> 01:56:26,480

emotional collective emotional

2219

01:56:30,979 --> 01:56:29,370

shortcomings we've allowed the

2220

01:56:34,340 --> 01:56:30,989

establishment of such thing as

2221

01:56:38,180 --> 01:56:34,350

government so it's there to really keep

2222

01:56:40,640 --> 01:56:38,190

doing what we say we cannot so of course

2223

01:56:43,160 --> 01:56:40,650

if off the sudden something happens

2224

01:56:44,689 --> 01:56:43,170

that's such drastically different it's

2225

01:56:46,459 --> 01:56:44,699

only natural for the first thing to

2226
01:56:47,840 --> 01:56:46,469
happen is that government step inside in

2227
01:56:49,250 --> 01:56:47,850
an in a don't worry everything's just

2228
01:56:52,990 --> 01:56:49,260
fine nothing to see here

2229
01:56:55,340 --> 01:56:53,000
you know I will protect you you know and

2230
01:56:58,770 --> 01:56:55,350
I'm sorry

2231
01:57:03,270 --> 01:56:58,780
yeah it's just it was just right right

2232
01:57:07,530 --> 01:57:03,280
right and so that's what what what gets

2233
01:57:11,669 --> 01:57:07,540
me is that the government you know it's

2234
01:57:14,160 --> 01:57:11,679
almost like we talk about it as if it's

2235
01:57:15,930 --> 01:57:14,170
this thing on its own but it's basically

2236
01:57:19,050 --> 01:57:15,940
a collection of people that then

2237
01:57:21,479 --> 01:57:19,060
resonate based on our shortcomings you

2238
01:57:24,930 --> 01:57:21,489

know so people you know will go and work

2239

01:57:27,419 --> 01:57:24,940

be you know anywhere anywhere from clerk

2240

01:57:30,570 --> 01:57:27,429

to all the way up to soldier you know

2241

01:57:33,720 --> 01:57:30,580

and presidents and and all these people

2242

01:57:36,090 --> 01:57:33,730

that generally are attracted to be quote

2243

01:57:38,700 --> 01:57:36,100

unquote public servants are all people

2244

01:57:42,930 --> 01:57:38,710

that will you know always act in such

2245

01:57:45,419 --> 01:57:42,940

ways to where they would I guess what's

2246

01:57:47,550 --> 01:57:45,429

your call it to try to make us you know

2247

01:57:49,919 --> 01:57:47,560

feel safe even though if they're you

2248

01:57:53,280 --> 01:57:49,929

know even though they're lies you know

2249

01:57:55,919 --> 01:57:53,290

and so by recognizing that I can't

2250

01:57:57,479 --> 01:57:55,929

almost like I have to stop constantly

2251

01:57:59,729 --> 01:57:57,489

pointing outwards and blaming the

2252

01:58:02,220 --> 01:57:59,739

government I just have to say you know

2253

01:58:04,080 --> 01:58:02,230

what it is that I'm not doing to tell

2254

01:58:06,360 --> 01:58:04,090

the government it's okay for you to tell

2255

01:58:08,939 --> 01:58:06,370

me the truth you know and not just me as

2256

01:58:11,399 --> 01:58:08,949

an individual but let's say for an

2257

01:58:14,520 --> 01:58:11,409

example in America for have what was it

2258

01:58:17,370 --> 01:58:14,530

350 million people that live here for

2259

01:58:20,220 --> 01:58:17,380

everyone to say hey you can tell me now

2260

01:58:22,470 --> 01:58:20,230

I'm not afraid to know you know it's

2261

01:58:23,760 --> 01:58:22,480

okay for you to tell me and and don't

2262

01:58:25,919 --> 01:58:23,770

worry I will not

2263

01:58:27,930 --> 01:58:25,929

you know punish you in return because I

2264

01:58:31,169 --> 01:58:27,940

understand you did this for my

2265

01:58:36,240 --> 01:58:31,179

protection for me feeling safe you know

2266

01:58:37,560 --> 01:58:36,250

and um and I can't like I can't expect

2267

01:58:40,590 --> 01:58:37,570

people believe that point of view

2268

01:58:43,100 --> 01:58:40,600

because it's only happened to me after

2269

01:58:45,570 --> 01:58:43,110

I've had my own experiences and

2270

01:58:47,820 --> 01:58:45,580

revelations and things explained to me

2271

01:58:50,550 --> 01:58:47,830

the you know only then made it made that

2272

01:58:52,410 --> 01:58:50,560

perfect sense to constantly stop making

2273

01:58:54,149 --> 01:58:52,420

a straw man out of the government and

2274

01:58:56,640 --> 01:58:54,159

look at government as a collection of

2275

01:58:59,189 --> 01:58:56,650

all these individuals you know and and

2276

01:59:01,740 --> 01:58:59,199

appeal to them whatever change we want

2277

01:59:04,830 --> 01:59:01,750

to appeal to them as these workers that

2278

01:59:07,410 --> 01:59:04,840

maintain it you know to to say you know

2279

01:59:09,179 --> 01:59:07,420

it's okay it's time for change let's

2280

01:59:12,219 --> 01:59:09,189

let's change

2281

01:59:15,489 --> 01:59:12,229

yeah yeah I remember very distinctly

2282

01:59:19,540 --> 01:59:15,499

here in Missouri where there was a an

2283

01:59:22,719 --> 01:59:19,550

attempt to force the governor's office

2284

01:59:26,619 --> 01:59:22,729

to release everything it knew about UFOs

2285

01:59:28,509 --> 01:59:26,629

and I remember when it was going on it

2286

01:59:30,790 --> 01:59:28,519

was gonna be by signature you have to

2287

01:59:34,330 --> 01:59:30,800

have X number of signatures to get on a

2288

01:59:38,560 --> 01:59:34,340

ballot ba-ba-ba-ba long story short I

2289

01:59:40,839 --> 01:59:38,570

thought what makes you think the

2290

01:59:44,589 --> 01:59:40,849

governor's office has any knowledge

2291

01:59:47,259 --> 01:59:44,599

whatsoever about this stuff you know you

2292

01:59:49,389 --> 01:59:47,269

have to ask the right person the right

2293

01:59:53,259 --> 01:59:49,399

question to get the answer you're

2294

01:59:55,119 --> 01:59:53,269

looking for and that's true at any level

2295

01:59:57,790 --> 01:59:55,129

that you want to go to if I'm doing an

2296

01:59:59,589 --> 01:59:57,800

interview with an eyewitness and I don't

2297

02:00:08,139 --> 01:59:59,599

ask the right questions I'm not going to

2298

02:00:09,609 --> 02:00:08,149

get all the story so who you talked

2299

02:00:11,889 --> 02:00:09,619

about so much in the last two minutes

2300

02:00:14,429 --> 02:00:11,899

that I could just go on for days about

2301
02:00:16,989 --> 02:00:14,439
government sorry I got you home

2302
02:00:19,719 --> 02:00:16,999
hi I work for the city of st. Charles

2303
02:00:20,889 --> 02:00:19,729
government for 8 years and I know just

2304
02:00:24,729 --> 02:00:20,899
at that level

2305
02:00:26,409 --> 02:00:24,739
not even a county level a city level all

2306
02:00:27,909 --> 02:00:26,419
the ins and outs that they're going with

2307
02:00:28,540 --> 02:00:27,919
that stuff then you take it up to the

2308
02:00:32,649 --> 02:00:28,550
White House

2309
02:00:35,349 --> 02:00:32,659
oh lord have mercy there that's why I

2310
02:00:38,649 --> 02:00:35,359
say you're we are never going to see

2311
02:00:41,849 --> 02:00:38,659
disclosure like we think we're going to

2312
02:00:45,129 --> 02:00:41,859
see it because there's too much at risk

2313
02:00:46,449 --> 02:00:45,139

there's way too much at risk you know

2314

02:00:49,060 --> 02:00:46,459

you've got some people out there

2315

02:00:50,469 --> 02:00:49,070

purporting to be after it we want

2316

02:00:52,029 --> 02:00:50,479

disclosure because we know there's

2317

02:00:54,989 --> 02:00:52,039

technology they had that can help

2318

02:01:00,919 --> 02:00:57,719

really

2319

02:01:04,890 --> 02:01:00,929

I think y'all are too full your ego

2320

02:01:06,899 --> 02:01:04,900

because you won your name so-and-so made

2321

02:01:10,199 --> 02:01:06,909

this breakthrough with the governments

2322

02:01:10,649 --> 02:01:10,209

of blah blah blah y'all are in it for

2323

02:01:13,410 --> 02:01:10,659

the money

2324

02:01:18,479 --> 02:01:13,420

y'all are not in it to help fellow human

2325

02:01:21,479 --> 02:01:18,489

beings I'm sorry to interrupt I guess he

2326

02:01:24,000 --> 02:01:21,489
