## WEBCAST

WITH  
ADNAN ADEMOVIC

NIKKI PATTILLO

1  
00:00:11,959 --> 00:00:10,419

[Music]

2  
00:00:13,610 --> 00:00:11,969

hey everyone

3  
00:00:15,650 --> 00:00:13,620

today's guest is going to be Nikki

4  
00:00:17,630 --> 00:00:15,660

Pattillo and we'll be discussing the

5  
00:00:19,760 --> 00:00:17,640

different star children they have been

6  
00:00:22,700 --> 00:00:19,770

born on the planet in this past several

7  
00:00:25,460 --> 00:00:22,710

decades sometimes known as crystal

8  
00:00:28,220 --> 00:00:25,470

children rainbow children and will be

9  
00:00:30,890 --> 00:00:28,230

generally discussing the effects that

10  
00:00:33,560 --> 00:00:30,900

they are supposed to have on the earth

11  
00:00:36,290 --> 00:00:33,570

in general on societies and what they

12  
00:00:36,560 --> 00:00:36,300

would bring to the table so let's get to

13  
00:00:38,780 --> 00:00:36,570

it

14

00:00:44,090 --> 00:00:38,790

hey Nikki thanks for being wrong good to

15

00:00:46,459 --> 00:00:44,100

see you well I appreciate you taking the

16

00:00:49,130 --> 00:00:46,469

time to to talk to me and I figured

17

00:00:51,740 --> 00:00:49,140

we'll go straight into the the question

18

00:00:53,750 --> 00:00:51,750

and answer section and then we'll follow

19

00:00:56,180 --> 00:00:53,760

up I guess with some more questions from

20

00:00:58,580 --> 00:00:56,190

myself and I figure we'll go from there

21

00:01:03,939 --> 00:00:58,590

what do you think wonderful thanks okay

22

00:01:07,550 --> 00:01:03,949

so the first person here that I got is a

23

00:01:09,830 --> 00:01:07,560

jro from Northeast California and the

24

00:01:12,370 --> 00:01:09,840

question is how or when can star

25

00:01:17,810 --> 00:01:12,380

children be of service to others

26

00:01:19,910 --> 00:01:17,820

hi Jiro that's a great question star

27

00:01:22,219 --> 00:01:19,920

children we say the word children but

28

00:01:24,710 --> 00:01:22,229

they're actually teenagers young adults

29

00:01:28,870 --> 00:01:24,720

and adults they go from every age

30

00:01:31,929 --> 00:01:28,880

possible and they are in service by

31

00:01:35,179 --> 00:01:31,939

finding out the truth of things I

32

00:01:38,630 --> 00:01:35,189

wouldn't say that we're all right

33

00:01:42,560 --> 00:01:38,640

fighters but we have this sort of sort

34

00:01:45,889 --> 00:01:42,570

of truth we're in service of humanity so

35

00:01:50,090 --> 00:01:45,899

I find even the smallest of light

36

00:01:53,780 --> 00:01:50,100

workers that do meals on wheels or any

37

00:01:56,980 --> 00:01:53,790

sort of service community projects are

38

00:02:00,560 --> 00:01:56,990

all light workers helping our earth and

39

00:02:01,999 --> 00:02:00,570

helping anything anything living or

40

00:02:04,130 --> 00:02:02,009

nonliving if you're working in the

41

00:02:06,770 --> 00:02:04,140

environment or donating money to the

42

00:02:08,779 --> 00:02:06,780

environment or time that's also a part

43

00:02:09,320 --> 00:02:08,789

of being a light worker and helping this

44

00:02:12,470 --> 00:02:09,330

servant

45

00:02:13,170 --> 00:02:12,480

okay thanks for that Nikki so second

46

00:02:15,630 --> 00:02:13,180

question is

47

00:02:17,759 --> 00:02:15,640

from my brother I did not know he was

48

00:02:20,039 --> 00:02:17,769

going to submit this one he literally

49

00:02:21,509 --> 00:02:20,049

did about 15 minutes ago hearing you

50

00:02:24,149 --> 00:02:21,519

talk about these different types of

51  
00:02:26,490 --> 00:02:24,159  
children and when they were arriving

52  
00:02:30,050 --> 00:02:26,500  
here on earth are you seeing a new type

53  
00:02:34,259 --> 00:02:30,060  
of children showing up on earth today

54  
00:02:36,300 --> 00:02:34,269  
yes I am and I have honestly found in

55  
00:02:39,119 --> 00:02:36,310  
the last 10 years

56  
00:02:42,750 --> 00:02:39,129  
the that some of the years that I

57  
00:02:45,449 --> 00:02:42,760  
thought that like Indigo's were born or

58  
00:02:49,039 --> 00:02:45,459  
crystals were born or rainbows were born

59  
00:02:55,129 --> 00:02:49,049  
are a little bit blurred but I am seeing

60  
00:02:58,319 --> 00:02:55,139  
octrarine children and I'm also seeing

61  
00:03:01,559 --> 00:02:58,329  
various amounts of different types of

62  
00:03:03,539 --> 00:03:01,569  
light workers you know we want to put

63  
00:03:05,640 --> 00:03:03,549

things into boxes like if you were born

64

00:03:07,679 --> 00:03:05,650

here you're this or if these are your

65

00:03:10,080 --> 00:03:07,689

characteristics you're this and I'm

66

00:03:13,080 --> 00:03:10,090

finding that's not true anymore there

67

00:03:15,720 --> 00:03:13,090

are hundreds of different light workers

68

00:03:17,430 --> 00:03:15,730

who have agreed to come to our earth on

69

00:03:20,849 --> 00:03:17,440

this a group mission to help all living

70

00:03:25,649 --> 00:03:20,859

and non-living things and they they run

71

00:03:27,689 --> 00:03:25,659

the gamut so it's not just the star

72

00:03:29,789 --> 00:03:27,699

children that I speak about I'm seeing

73

00:03:33,119 --> 00:03:29,799

all different types of light workers

74

00:03:37,110 --> 00:03:33,129

being born at this time okay well that

75

00:03:39,240 --> 00:03:37,120

concludes our questions I hope the one

76  
00:03:41,580 --> 00:03:39,250  
submitting those will get the answers so

77  
00:03:45,780 --> 00:03:41,590  
I'd like to follow-ups with some other

78  
00:03:48,300 --> 00:03:45,790  
questions so I don't want to make this

79  
00:03:50,640 --> 00:03:48,310  
political ever you know regarding what I

80  
00:03:53,759 --> 00:03:50,650  
do but when you notice some of the

81  
00:03:56,990 --> 00:03:53,769  
things happening now with the especially

82  
00:04:00,960 --> 00:03:57,000  
the oncologists and and the youth

83  
00:04:03,899 --> 00:04:00,970  
basically kind of speaking their mind

84  
00:04:07,409 --> 00:04:03,909  
speaking of you know their voice is

85  
00:04:09,839 --> 00:04:07,419  
finally finally heard do you do you

86  
00:04:12,659 --> 00:04:09,849  
think that generation is falling into

87  
00:04:15,629 --> 00:04:12,669  
this new category or is this from one of

88  
00:04:21,569 --> 00:04:15,639

the previous generations of these tall

89

00:04:24,570 --> 00:04:21,579

children I think that this is previous

90

00:04:25,680 --> 00:04:24,580

lightworkers I think that these young

91

00:04:27,840 --> 00:04:25,690

light workers that are

92

00:04:31,620 --> 00:04:27,850

and call it that are in their late teens

93

00:04:35,730 --> 00:04:31,630

and 20s are still light workers and I

94

00:04:39,810 --> 00:04:35,740

talked quite a bit about the Angels

95

00:04:42,690 --> 00:04:39,820

trying to create a new earth this sort

96

00:04:45,440 --> 00:04:42,700

of conscious evolution of the human

97

00:04:48,750 --> 00:04:45,450

species that were going through and

98

00:04:51,720 --> 00:04:48,760

these light workers that you see that

99

00:04:54,960 --> 00:04:51,730

are speaking out are trying to find the

100

00:04:56,910 --> 00:04:54,970

truth of things you know we've hemmed

101  
00:04:59,610 --> 00:04:56,920  
ourselves into these systems that no

102  
00:05:02,880 --> 00:04:59,620  
longer serve the good of humanity

103  
00:05:06,000 --> 00:05:02,890  
outdated systems of healthcare of

104  
00:05:10,020 --> 00:05:06,010  
psychology of the government and I am

105  
00:05:12,870 --> 00:05:10,030  
I'm proud that these these youth are

106  
00:05:15,510 --> 00:05:12,880  
strong and they're speaking out trying

107  
00:05:18,210 --> 00:05:15,520  
to find the truth trying to help the

108  
00:05:20,820 --> 00:05:18,220  
truth and trying to fix it I think my

109  
00:05:21,060 --> 00:05:20,830  
generation was not strong enough to do

110  
00:05:23,940 --> 00:05:21,070  
that

111  
00:05:27,060 --> 00:05:23,950  
although we did see in the sixties you

112  
00:05:29,070 --> 00:05:27,070  
know that sort of whole movement but I'm

113  
00:05:30,030 --> 00:05:29,080

proud of these kids I'm proud of how

114

00:05:32,280 --> 00:05:30,040

strong they are

115

00:05:34,290 --> 00:05:32,290

and I'll say you'll heal this word over

116

00:05:37,380 --> 00:05:34,300

and over about finding out the truth of

117

00:05:40,620 --> 00:05:37,390

things and how important that is and of

118

00:05:43,020 --> 00:05:40,630

course in the political arena could it

119

00:05:45,270 --> 00:05:43,030

not be any more important finding out

120

00:05:47,360 --> 00:05:45,280

the truth of things so good for those

121

00:05:50,300 --> 00:05:47,370

kids that are standing up for themselves

122

00:05:54,720 --> 00:05:50,310

standing up for what's really right and

123

00:05:57,870 --> 00:05:54,730

I find the things that they are outing

124

00:06:01,830 --> 00:05:57,880

and are talking about are things that

125

00:06:06,360 --> 00:06:01,840

are good for everyone not just for

126  
00:06:09,690 --> 00:06:06,370  
themselves they're sort of making this

127  
00:06:11,790 --> 00:06:09,700  
arena about oneness you know about

128  
00:06:14,520 --> 00:06:11,800  
living by this law of one how we're all

129  
00:06:16,170 --> 00:06:14,530  
connected to each other so you know if

130  
00:06:18,390 --> 00:06:16,180  
they're trying to find out something it

131  
00:06:21,270 --> 00:06:18,400  
could affect someone in China or in

132  
00:06:23,100 --> 00:06:21,280  
Africa or South America they are so

133  
00:06:25,320 --> 00:06:23,110  
enlightened about this universal

134  
00:06:28,200 --> 00:06:25,330  
consciousness it's really amazing so

135  
00:06:31,350 --> 00:06:28,210  
before we continue into greater details

136  
00:06:32,850 --> 00:06:31,360  
just for for those that get to watch

137  
00:06:34,500 --> 00:06:32,860  
this may for the first time they might

138  
00:06:36,390 --> 00:06:34,510

not have seen the previous interview

139

00:06:38,760 --> 00:06:36,400

that you and I have done

140

00:06:42,600 --> 00:06:38,770

can you just kind of cover the different

141

00:06:44,760 --> 00:06:42,610

spectrums of which I guess years and who

142

00:06:47,370 --> 00:06:44,770

would fall into which group if you know

143

00:06:51,180 --> 00:06:47,380

if you don't mind you've got it so I

144

00:06:54,540 --> 00:06:51,190

talk first about indigo kids and the

145

00:06:58,529 --> 00:06:54,550

first big wave of in Chico's came around

146

00:07:00,900 --> 00:06:58,539

the 1990s although earlier there were

147

00:07:05,129 --> 00:07:00,910

some that came earlier than that but the

148

00:07:09,420 --> 00:07:05,139

first big wave is the 1990s and indigo

149

00:07:15,510 --> 00:07:09,430

children are very brave I call them our

150

00:07:18,870 --> 00:07:15,520

warriors their purpose is to cut down

151  
00:07:21,480 --> 00:07:18,880  
these outdated systems they're here to

152  
00:07:24,900 --> 00:07:21,490  
say this isn't right and we're going to

153  
00:07:26,939 --> 00:07:24,910  
change it I find indigo children very

154  
00:07:29,310 --> 00:07:26,949  
angry and they're still indigo children

155  
00:07:30,900 --> 00:07:29,320  
being born today so don't get get in

156  
00:07:33,390 --> 00:07:30,910  
your mind that it's just it's born in

157  
00:07:35,760 --> 00:07:33,400  
the 1990s that I find that that is not

158  
00:07:38,339 --> 00:07:35,770  
true any longer I still see indigo

159  
00:07:41,640 --> 00:07:38,349  
children today and they're just the

160  
00:07:46,200 --> 00:07:41,650  
Warriors they they offer suffer from

161  
00:07:49,110 --> 00:07:46,210  
depression they know that our systems

162  
00:07:51,120 --> 00:07:49,120  
are not right they get very frustrated I

163  
00:07:54,120 --> 00:07:51,130

find that true for a lot of light

164

00:07:56,520 --> 00:07:54,130

workers light workers have come from all

165

00:07:59,029 --> 00:07:56,530

over the universe to help our earth and

166

00:08:01,290 --> 00:07:59,039

they get very frustrated with our

167

00:08:03,270 --> 00:08:01,300

three-dimensional ways that we do things

168

00:08:06,629 --> 00:08:03,280

especially the outdated ways the

169

00:08:09,330 --> 00:08:06,639

Indigo's just want to cut things down

170

00:08:13,469 --> 00:08:09,340

they want to say that's not right we're

171

00:08:15,659 --> 00:08:13,479

not doing this anymore and I often say I

172

00:08:18,360 --> 00:08:15,669

know psychologists say well you

173

00:08:20,939 --> 00:08:18,370

shouldn't be angry and I have a tough

174

00:08:24,240 --> 00:08:20,949

time with that because Indigo's are

175

00:08:27,450 --> 00:08:24,250

angry kids and I tell these parents

176

00:08:30,240 --> 00:08:27,460

they're supposed to be angry they're

177

00:08:33,750 --> 00:08:30,250

here for a purpose and being angry as

178

00:08:36,300 --> 00:08:33,760

part of their job what's not okay is

179

00:08:39,120 --> 00:08:36,310

it's not to get angry and hurt anyone

180

00:08:40,769 --> 00:08:39,130

and I find most Indigo's don't go down

181

00:08:44,040 --> 00:08:40,779

that line they just get angry because

182

00:08:48,240 --> 00:08:44,050

they get frustrated and they're pretty

183

00:08:49,380 --> 00:08:48,250

spectacular after them came the crystal

184

00:08:56,460 --> 00:08:49,390

children

185

00:08:59,010 --> 00:08:56,470

about the year 2000 they're quite

186

00:09:03,410 --> 00:08:59,020

amazing crystal children are very

187

00:09:08,460 --> 00:09:03,420

connected to the earth they are highly

188

00:09:11,550 --> 00:09:08,470

affectionate individuals very loving in

189

00:09:15,120 --> 00:09:11,560

fact if I were to use one term with

190

00:09:17,850 --> 00:09:15,130

Indigo's it would be angry one term with

191

00:09:21,270 --> 00:09:17,860

crystals I would say is love they have

192

00:09:25,160 --> 00:09:21,280

the most loving inviting personalities

193

00:09:29,310 --> 00:09:25,170

they are very connected to animals and

194

00:09:34,950 --> 00:09:29,320

nature they're empathetic and

195

00:09:39,570 --> 00:09:34,960

sympathetic they have a very forgiving

196

00:09:43,740 --> 00:09:39,580

and generous nature the purpose of the

197

00:09:46,260 --> 00:09:43,750

crystals is sort of to rebuild the

198

00:09:48,840 --> 00:09:46,270

outdated system that the indigo starts

199

00:09:51,540 --> 00:09:48,850

lashing down so the indigo stare it down

200

00:09:55,140 --> 00:09:51,550

and the crystals are here to start

201  
00:09:59,150 --> 00:09:55,150  
reassembling these different areas of

202  
00:10:01,260 --> 00:09:59,160  
health care of psychology of government

203  
00:10:04,080 --> 00:10:01,270  
they're pretty amazing

204  
00:10:06,060 --> 00:10:04,090  
children when you see them eight for me

205  
00:10:09,720 --> 00:10:06,070  
they almost glow they're just

206  
00:10:13,010 --> 00:10:09,730  
spectacular and later on after that the

207  
00:10:16,650 --> 00:10:13,020  
rainbow children started coming now

208  
00:10:19,680 --> 00:10:16,660  
before 2010 I didn't see very many

209  
00:10:24,090 --> 00:10:19,690  
rainbow children after 2010 I started

210  
00:10:30,680 --> 00:10:24,100  
seeing a lot more rainbow children are

211  
00:10:34,050 --> 00:10:30,690  
very psychic they have very strong wills

212  
00:10:36,090 --> 00:10:34,060  
they do not live in area grey they know

213  
00:10:40,010 --> 00:10:36,100

right is right and wrong is wrong

214

00:10:43,890 --> 00:10:40,020

there's absolutely no gray area for them

215

00:10:51,170 --> 00:10:43,900

they have an amazing ability to read

216

00:10:55,410 --> 00:10:51,180

people's feelings and they they tend to

217

00:10:58,230 --> 00:10:55,420

incarnate into families who have already

218

00:10:59,910 --> 00:10:58,240

have lightworkers so maybe the parents

219

00:11:02,170 --> 00:10:59,920

are also light workers or their other

220

00:11:04,600 --> 00:11:02,180

siblings are also light workers

221

00:11:10,060 --> 00:11:04,610

but they tend to be very stable very

222

00:11:13,090 --> 00:11:10,070

level-headed and very psychic can you

223

00:11:15,880 --> 00:11:13,100

define what's what's a light worker for

224

00:11:19,930 --> 00:11:15,890

those who might not know a light worker

225

00:11:23,680 --> 00:11:19,940

is a soul that is agreed to come here

226

00:11:26,260 --> 00:11:23,690

from various parts of the universe to

227

00:11:32,740 --> 00:11:26,270

help our earth including all living and

228

00:11:36,580 --> 00:11:32,750

nonliving things on it they don't they

229

00:11:39,910 --> 00:11:36,590

tend not to be gregarious and I get so

230

00:11:42,070 --> 00:11:39,920

many emails about these different light

231

00:11:45,850 --> 00:11:42,080

workers saying I'm so disgusted with

232

00:11:48,010 --> 00:11:45,860

this world I hate people like that all

233

00:11:49,420 --> 00:11:48,020

the time and I encourage them you know

234

00:11:51,280 --> 00:11:49,430

you have to love people you have to

235

00:11:52,750 --> 00:11:51,290

forgive them you have to connect them

236

00:11:57,190 --> 00:11:52,760

you need to find the truth you need to

237

00:11:59,050 --> 00:11:57,200

connect the love but light workers come

238

00:12:01,120 --> 00:11:59,060

from all areas of the universe there's

239

00:12:03,370 --> 00:12:01,130

also light workers that have

240

00:12:05,410 --> 00:12:03,380

reincarnated on earth over and over

241

00:12:08,980 --> 00:12:05,420

again and have decided to join the cause

242

00:12:10,720 --> 00:12:08,990

and they've done this because they've

243

00:12:13,180 --> 00:12:10,730

been chosen because they are souls that

244

00:12:16,300 --> 00:12:13,190

are brave enough and strong enough to

245

00:12:17,710 --> 00:12:16,310

take on this 3-dimensional earth like I

246

00:12:21,400 --> 00:12:17,720

said earlier the first part of the

247

00:12:24,640 --> 00:12:21,410

interview our angels are sort of trying

248

00:12:27,400 --> 00:12:24,650

to create this new earth that I talked

249

00:12:30,640 --> 00:12:27,410

about this new earth where we live

250

00:12:34,360 --> 00:12:30,650

in systems of truth and in systems of

251  
00:12:36,190 --> 00:12:34,370  
love and in systems where we understand

252  
00:12:38,650 --> 00:12:36,200  
that we are all one that we are all

253  
00:12:41,050 --> 00:12:38,660  
connected to each other it's very

254  
00:12:44,200 --> 00:12:41,060  
important because we've hemmed ourselves

255  
00:12:46,480 --> 00:12:44,210  
into outdated beliefs and that has got

256  
00:12:53,500 --> 00:12:46,490  
to change or we are going to fail as a

257  
00:12:56,230 --> 00:12:53,510  
civilization Nikki I find often that we

258  
00:12:58,090 --> 00:12:56,240  
just for example you mentioned angels

259  
00:13:00,370 --> 00:12:58,100  
and some people would often talk about

260  
00:13:02,350 --> 00:13:00,380  
aliens and how they're here to do

261  
00:13:04,480 --> 00:13:02,360  
certain things and I don't know exactly

262  
00:13:07,060 --> 00:13:04,490  
where you're standing where you believe

263  
00:13:08,920 --> 00:13:07,070

system is and that but from from your

264

00:13:10,420 --> 00:13:08,930

point of view can you also define and I

265

00:13:12,340 --> 00:13:10,430

don't want to go off too much because

266

00:13:14,440 --> 00:13:12,350

I'd like to stay on track with

267

00:13:15,460 --> 00:13:14,450

discussing more these details about

268

00:13:18,280 --> 00:13:15,470

these these

269

00:13:21,160 --> 00:13:18,290

generations coming in but just to get a

270

00:13:24,970 --> 00:13:21,170

better base and understanding for myself

271

00:13:27,700 --> 00:13:24,980

and for those watching what is the

272

00:13:30,550 --> 00:13:27,710

definition of angels to you and and

273

00:13:32,950 --> 00:13:30,560

could also this have any connection with

274

00:13:38,490 --> 00:13:32,960

some of the claims of extraterrestrials

275

00:13:41,200 --> 00:13:38,500

or just spirit guides in general ok so

276

00:13:43,270 --> 00:13:41,210

spiritual gods and angels to me are two

277

00:13:44,230 --> 00:13:43,280

different things when I think of an

278

00:13:46,480 --> 00:13:44,240

angel

279

00:13:49,870 --> 00:13:46,490

I think of workers that are the

280

00:13:52,180 --> 00:13:49,880

right-hand side of I'll say God or a

281

00:13:54,430 --> 00:13:52,190

higher power most of us believe in a

282

00:13:55,810 --> 00:13:54,440

higher power although I find a lot of

283

00:13:59,830 --> 00:13:55,820

people may not believe in God but they

284

00:14:03,520 --> 00:13:59,840

believe in angels but they are workers

285

00:14:06,730 --> 00:14:03,530

of a higher power I find our own

286

00:14:08,740 --> 00:14:06,740

personal guardian angels and we all have

287

00:14:11,560 --> 00:14:08,750

a guardian angel that is with us in this

288

00:14:14,230 --> 00:14:11,570

life and often for several lives often

289

00:14:16,660 --> 00:14:14,240

our guardian angels sometimes it's one

290

00:14:20,920 --> 00:14:16,670

or two are with us for many many lives

291

00:14:23,050 --> 00:14:20,930

and then we also have angels that come

292

00:14:24,790 --> 00:14:23,060

and go as we learn our spiritual

293

00:14:27,070 --> 00:14:24,800

experiences because that's what we're

294

00:14:29,410 --> 00:14:27,080

here for we're here for this sort of

295

00:14:31,690 --> 00:14:29,420

spiritual evolution and we have

296

00:14:34,750 --> 00:14:31,700

spiritual experiences that go with that

297

00:14:37,840 --> 00:14:34,760

so the sum of our angels are actually

298

00:14:40,750 --> 00:14:37,850

created from the own essence of who we

299

00:14:45,520 --> 00:14:40,760

are that's how they are so connected to

300

00:14:47,650 --> 00:14:45,530

us and everybody has angels even rapists

301  
00:14:51,940 --> 00:14:47,660  
and murderers rapists and murderers also

302  
00:14:55,090 --> 00:14:51,950  
have angels and angels are so loving and

303  
00:14:57,820 --> 00:14:55,100  
forgiving it doesn't matter who you are

304  
00:15:00,700 --> 00:14:57,830  
and what you've done your angels still

305  
00:15:03,640 --> 00:15:00,710  
love you and they are still trying to

306  
00:15:06,490 --> 00:15:03,650  
get you on the right track trying to

307  
00:15:08,680 --> 00:15:06,500  
learn these spiritual lessons so we can

308  
00:15:11,560 --> 00:15:08,690  
advance in our in our spiritual

309  
00:15:15,040 --> 00:15:11,570  
evolution but they are a part of us

310  
00:15:18,940 --> 00:15:15,050  
um it's I call it our team we all have

311  
00:15:22,120 --> 00:15:18,950  
these teams of angels and we can have

312  
00:15:24,190 --> 00:15:22,130  
our guardian angel one or two we can

313  
00:15:26,170 --> 00:15:24,200

have angels that are with us our whole

314

00:15:28,480 --> 00:15:26,180

life that could be three four five six

315

00:15:30,250 --> 00:15:28,490

angels and then we have other

316

00:15:34,920 --> 00:15:30,260

those that come and go out of our lives

317

00:15:39,040 --> 00:15:34,930

as we go through specific experiences

318

00:15:40,660 --> 00:15:39,050

you can also order an angel and I've

319

00:15:43,630 --> 00:15:40,670

done this many times before and they've

320

00:15:46,210 --> 00:15:43,640

shown themselves to me you can order it

321

00:15:49,660 --> 00:15:46,220

it sounds so silly you can order a

322

00:15:51,370 --> 00:15:49,670

parking angel at Christmas time you if

323

00:15:55,090 --> 00:15:51,380

you're fighting with your spouse you can

324

00:15:57,880 --> 00:15:55,100

order a relationship angel to come help

325

00:15:59,340 --> 00:15:57,890

you with communication and help give

326

00:16:03,460 --> 00:15:59,350

peace to you

327

00:16:05,920 --> 00:16:03,470

you cannot order an angel for someone

328

00:16:09,880 --> 00:16:05,930

else I find that people have to order

329

00:16:12,340 --> 00:16:09,890

their own angels I think it is and on I

330

00:16:16,870 --> 00:16:12,350

believe it's tied in with the law of

331

00:16:19,510 --> 00:16:16,880

free will so I I may try and order an

332

00:16:21,040 --> 00:16:19,520

angel for you or wish you well and wish

333

00:16:23,440 --> 00:16:21,050

you an angel if you're traveling

334

00:16:26,170 --> 00:16:23,450

somewhere to help keep you safe but it's

335

00:16:32,350 --> 00:16:26,180

much better if you order your own angel

336

00:16:36,819 --> 00:16:32,360

and again they're these fantastic beings

337

00:16:40,329 --> 00:16:36,829

of energy that work with our if I stayed

338

00:16:42,310 --> 00:16:40,339

a creator or a higher consciousness I

339

00:16:44,620 --> 00:16:42,320

don't like using the word God that tends

340

00:16:46,720 --> 00:16:44,630

to put people off but if I say a greater

341

00:16:50,319 --> 00:16:46,730

being of higher consciousness maybe

342

00:16:51,519 --> 00:16:50,329

that'll connect with people better I'm

343

00:16:52,449 --> 00:16:51,529

sure I just got off track so I was

344

00:16:54,730 --> 00:16:52,459

thinking there's something else I want

345

00:16:56,160 --> 00:16:54,740

to tell you about angels I was walking

346

00:16:59,889 --> 00:16:56,170

through the hospital

347

00:17:02,980 --> 00:16:59,899

four days ago friend of mine was on her

348

00:17:06,720 --> 00:17:02,990

husband was on life support and I walked

349

00:17:09,939 --> 00:17:06,730

by this room and there's a

350

00:17:12,100 --> 00:17:09,949

african-american man laying there hooked

351  
00:17:15,100 --> 00:17:12,110  
up to I don't know how many different

352  
00:17:17,319 --> 00:17:15,110  
machines and I just I wanted to go in

353  
00:17:19,569 --> 00:17:17,329  
and say a prayer for him but I didn't

354  
00:17:22,240 --> 00:17:19,579  
because it's TV it's a real special I

355  
00:17:23,559 --> 00:17:22,250  
see you it's like transplant patients

356  
00:17:26,770 --> 00:17:23,569  
and stuff like that so I didn't want to

357  
00:17:28,810 --> 00:17:26,780  
contaminate anything and then later that

358  
00:17:32,440 --> 00:17:28,820  
evening when I was leaving the hospital

359  
00:17:35,860 --> 00:17:32,450  
as I approached his room and it's these

360  
00:17:38,560 --> 00:17:35,870  
glass walls so you can see in I said you

361  
00:17:40,780 --> 00:17:38,570  
know I pray for this man because the

362  
00:17:44,020 --> 00:17:40,790  
energy didn't feel well and I

363  
00:17:48,310 --> 00:17:44,030

look in there and for the first time I

364

00:17:50,200 --> 00:17:48,320

saw someone else's guardian angel and I

365

00:17:52,600 --> 00:17:50,210

can oh that's what I wanted to tell you

366

00:17:55,060 --> 00:17:52,610

about how angels or different different

367

00:17:58,270 --> 00:17:55,070

ways so this man's guardian angel I

368

00:18:01,200 --> 00:17:58,280

could see sort of a distorted human face

369

00:18:06,280 --> 00:18:01,210

if I could put it that way

370

00:18:10,210 --> 00:18:06,290

thick white smoke and sort of this

371

00:18:13,570 --> 00:18:10,220

billowing out section behind him and he

372

00:18:16,300 --> 00:18:13,580

had he was literally over the man and he

373

00:18:19,960 --> 00:18:16,310

had his hands on his face and he was

374

00:18:23,770 --> 00:18:19,970

probably six inches from him and I could

375

00:18:27,460 --> 00:18:23,780

see he was telling this man you're

376

00:18:29,110 --> 00:18:27,470

coming to me and he died that night the

377

00:18:31,510 --> 00:18:29,120

next morning I went and he had passed

378

00:18:32,820 --> 00:18:31,520

away so it was one of the most beautiful

379

00:18:35,920 --> 00:18:32,830

things I've ever seen

380

00:18:39,040 --> 00:18:35,930

so yes we have guardian angels now

381

00:18:42,580 --> 00:18:39,050

having said that I've had an angel that

382

00:18:47,530 --> 00:18:42,590

has come to me my whole life and I think

383

00:18:50,560 --> 00:18:47,540

angels present to you the way that you

384

00:18:52,660 --> 00:18:50,570

aren't able to see them if you see them

385

00:18:55,270 --> 00:18:52,670

like in a biblical sense or how they

386

00:18:58,420 --> 00:18:55,280

portray them on TV with the robes and

387

00:19:01,870 --> 00:18:58,430

the halo and the wings that's how you're

388

00:19:05,320 --> 00:19:01,880

gonna see them I'm open to seeing my

389

00:19:07,390 --> 00:19:05,330

angels the way that they are so when I

390

00:19:10,540 --> 00:19:07,400

am sad like if someone in my family has

391

00:19:12,970 --> 00:19:10,550

passed or if I had a beloved animal that

392

00:19:16,030 --> 00:19:12,980

has passed away this angel has come to

393

00:19:18,520 --> 00:19:16,040

me my whole life and she is female

394

00:19:20,320 --> 00:19:18,530

energy because a angels can be

395

00:19:24,310 --> 00:19:20,330

androgynous or they could be female or

396

00:19:27,010 --> 00:19:24,320

male ish she looks like a glob of liquid

397

00:19:29,530 --> 00:19:27,020

mercury that's when my angel looks like

398

00:19:32,380 --> 00:19:29,540

and she's got sparkling lights in her

399

00:19:35,590 --> 00:19:32,390

and I would say she's about two foot

400

00:19:40,450 --> 00:19:35,600

across and about four foot long but she

401  
00:19:43,450 --> 00:19:40,460  
comes over me and zaps me with I can

402  
00:19:47,200 --> 00:19:43,460  
only describe it as a crooked fuzzy

403  
00:19:50,260 --> 00:19:47,210  
lightning bolt and it hits me near my

404  
00:19:52,750 --> 00:19:50,270  
bellybutton and every time I come up off

405  
00:19:54,190 --> 00:19:52,760  
the bed and I can't tell you it doesn't

406  
00:19:58,660 --> 00:19:54,200  
hurt but it doesn't feel

407  
00:20:03,060 --> 00:19:58,670  
good either but within a nanosecond I

408  
00:20:07,090 --> 00:20:03,070  
have this feeling of utter and complete

409  
00:20:09,640 --> 00:20:07,100  
bliss and peace for everything in the

410  
00:20:12,190 --> 00:20:09,650  
universe I think that's the feeling you

411  
00:20:13,900 --> 00:20:12,200  
feel when you pass away I think that's

412  
00:20:15,730 --> 00:20:13,910  
how you feel there's like forgiveness

413  
00:20:18,070 --> 00:20:15,740

and there's nothing but love they say it

414

00:20:20,680 --> 00:20:18,080

comes all down to love but just coming

415

00:20:22,960 --> 00:20:20,690

back around to your topic angels can

416

00:20:25,420 --> 00:20:22,970

look different ways they're not always

417

00:20:26,110 --> 00:20:25,430

with the halos and the wings and the

418

00:20:29,820 --> 00:20:26,120

robes

419

00:20:34,060 --> 00:20:29,830

have you seen an angel had not have you

420

00:20:37,390 --> 00:20:34,070

experienced that at all no personally I

421

00:20:39,490 --> 00:20:37,400

have not it's for me the experiences

422

00:20:42,190 --> 00:20:39,500

that I've had especially I know you and

423

00:20:44,530 --> 00:20:42,200

I haven't talked for quite a while but

424

00:20:47,590 --> 00:20:44,540

I've had an experience of my own where I

425

00:20:50,470 --> 00:20:47,600

had a near-death experience and for me

426

00:20:54,070 --> 00:20:50,480

it was all there was always this guiding

427

00:20:56,080 --> 00:20:54,080

force there it always explains things as

428

00:20:58,210 --> 00:20:56,090

things are happening and they kind of

429

00:20:59,560 --> 00:20:58,220

just just to tell you everything's all

430

00:21:02,820 --> 00:20:59,570

right you know don't worried it's

431

00:21:06,160 --> 00:21:02,830

supposed to be this way you know but I

432

00:21:10,360 --> 00:21:06,170

the my experiences have always been more

433

00:21:12,940 --> 00:21:10,370

of these feelings and understanding so

434

00:21:14,920 --> 00:21:12,950

were a lot of things when I would have

435

00:21:17,410 --> 00:21:14,930

an experience it would be people would

436

00:21:21,790 --> 00:21:17,420

say I see this or I heard this for me

437

00:21:25,210 --> 00:21:21,800

it's I felt this you know and that's why

438

00:21:27,910 --> 00:21:25,220

I can't necessarily this is where I'm

439

00:21:30,760 --> 00:21:27,920

still in my process to keep exploring

440

00:21:33,070 --> 00:21:30,770

because I might not have seen it but I

441

00:21:36,070 --> 00:21:33,080

know for example something was there or

442

00:21:37,810 --> 00:21:36,080

you know I was this is the other part

443

00:21:40,540 --> 00:21:37,820

where things are conveyed through

444

00:21:42,970 --> 00:21:40,550

feelings so you can even my experience

445

00:21:45,220 --> 00:21:42,980

receive entire concepts of images

446

00:21:48,070 --> 00:21:45,230

through feelings which is a weird thing

447

00:21:52,780 --> 00:21:48,080

to say in this reality in this world you

448

00:21:56,380 --> 00:21:52,790

know and so I like I said I only had

449

00:21:58,960 --> 00:21:56,390

more of the experiences of et related

450

00:22:02,260 --> 00:21:58,970

things where they act very much of what

451  
00:22:03,670 --> 00:22:02,270  
you were describing as well because it

452  
00:22:06,970 --> 00:22:03,680  
all depends on based on your belief

453  
00:22:07,750 --> 00:22:06,980  
system they might appear one way and

454  
00:22:09,250 --> 00:22:07,760  
then

455  
00:22:11,170 --> 00:22:09,260  
if you have a different belief system

456  
00:22:12,610 --> 00:22:11,180  
they'll appear the other way it's almost

457  
00:22:14,470 --> 00:22:12,620  
as if it doesn't matter how they

458  
00:22:17,170 --> 00:22:14,480  
appeared as long as you got the point

459  
00:22:18,360 --> 00:22:17,180  
so as you got the message and that has

460  
00:22:22,690 --> 00:22:18,370  
been that has been my experience

461  
00:22:25,000 --> 00:22:22,700  
regarding that and I find so many people

462  
00:22:26,800 --> 00:22:25,010  
if I had a quarter for every time I've

463  
00:22:30,520 --> 00:22:26,810

been at a party and someone has said

464

00:22:33,370 --> 00:22:30,530

I've never told anyone this but you know

465

00:22:37,260 --> 00:22:33,380

I saw this or it was my grandmother or

466

00:22:40,420 --> 00:22:37,270

something so you got it as a feeling and

467

00:22:42,670 --> 00:22:40,430

they can convey things to you they

468

00:22:45,520 --> 00:22:42,680

download they can download images that

469

00:22:47,440 --> 00:22:45,530

can download feelings I often find

470

00:22:48,370 --> 00:22:47,450

myself if I'm driving down the road and

471

00:22:51,670 --> 00:22:48,380

I get lost

472

00:22:52,930 --> 00:22:51,680

I open my mind and allow my angels to

473

00:22:55,540 --> 00:22:52,940

come in and talk to me

474

00:22:57,730 --> 00:22:55,550

and I tell people it often feels like

475

00:23:01,000 --> 00:22:57,740

your own thoughts I feel like I'm saying

476  
00:23:02,890 --> 00:23:01,010  
to myself you need to exit the very next

477  
00:23:04,060 --> 00:23:02,900  
exit and it feels like I'm talking to

478  
00:23:06,940 --> 00:23:04,070  
myself but it's not

479  
00:23:08,680 --> 00:23:06,950  
that's my angels talking to me I feel

480  
00:23:11,350 --> 00:23:08,690  
like I'm sorry to interrupt since you

481  
00:23:14,740 --> 00:23:11,360  
just kind of jotted a memory here well

482  
00:23:16,660 --> 00:23:14,750  
it did you know the way everyone knows

483  
00:23:19,000 --> 00:23:16,670  
the way they talk to themselves in their

484  
00:23:20,530 --> 00:23:19,010  
head and I don't think that there's a

485  
00:23:23,710 --> 00:23:20,540  
person on the planet that doesn't know

486  
00:23:25,480 --> 00:23:23,720  
that and you know at the same time when

487  
00:23:28,330 --> 00:23:25,490  
something else happens outside of your

488  
00:23:30,970 --> 00:23:28,340

regular thought process that even though

489

00:23:32,410 --> 00:23:30,980

it feels wrapped in your energy for lack

490

00:23:35,290 --> 00:23:32,420

of a better word that it sounds like

491

00:23:36,940 --> 00:23:35,300

something you would say when it comes

492

00:23:39,640 --> 00:23:36,950

out it's like a whole concept for

493

00:23:41,650 --> 00:23:39,650

example or a nudge into a certain

494

00:23:42,430 --> 00:23:41,660

direction where you go why do I need to

495

00:23:44,140 --> 00:23:42,440

go this way

496

00:23:47,530 --> 00:23:44,150

you know but you don't quite understand

497

00:23:50,010 --> 00:23:47,540

and that's what I find funny you know

498

00:23:52,480 --> 00:23:50,020

especially you know that part that

499

00:23:55,990 --> 00:23:52,490

people don't trust that enough that that

500

00:23:57,340 --> 00:23:56,000

was a nudge a message you know whatever

501  
00:24:00,700 --> 00:23:57,350  
it is that you needed at that time

502  
00:24:04,840 --> 00:24:00,710  
that's right and it comes in so many

503  
00:24:10,720 --> 00:24:04,850  
different ways just a couple of weeks

504  
00:24:13,870 --> 00:24:10,730  
ago I'm not promoting guns but I often

505  
00:24:16,170 --> 00:24:13,880  
hike by myself in New Mexico hayashi the

506  
00:24:18,310 --> 00:24:16,180  
hiking and I always take a gun with me

507  
00:24:20,800 --> 00:24:18,320  
sometimes it's my dog and I there's

508  
00:24:21,420 --> 00:24:20,810  
about mines there's bear you're scary

509  
00:24:23,670 --> 00:24:21,430  
people

510  
00:24:27,630 --> 00:24:23,680  
you know so I always take a gun with me

511  
00:24:29,310 --> 00:24:27,640  
and I had lost a gun and my husband was

512  
00:24:30,870 --> 00:24:29,320  
like you need to find that gun if we

513  
00:24:33,680 --> 00:24:30,880

don't find the gun we got a reported

514

00:24:37,950 --> 00:24:33,690

stolen or a big trouble above a bluff I

515

00:24:39,840 --> 00:24:37,960

shook this house up and down and one

516

00:24:42,200 --> 00:24:39,850

morning I woke up I get up about 5:00

517

00:24:46,110 --> 00:24:42,210

a.m. I was looking at the blinds and

518

00:24:49,260 --> 00:24:46,120

just like I am speaking to you it wasn't

519

00:24:52,710 --> 00:24:49,270

even a thought in my head someone said

520

00:24:55,440 --> 00:24:52,720

your gun is in your hiking backpack and

521

00:24:58,170 --> 00:24:55,450

I jumped up right in there jumped out my

522

00:25:00,510 --> 00:24:58,180

hiking backpack and there was the gun so

523

00:25:04,950 --> 00:25:00,520

I find it I'm still trying to figure out

524

00:25:06,420 --> 00:25:04,960

a denaun why do some people physically

525

00:25:09,870 --> 00:25:06,430

hear it

526

00:25:12,570 --> 00:25:09,880

some people get as emotions some people

527

00:25:14,100 --> 00:25:12,580

see it I'm getting all of it I'm

528

00:25:15,420 --> 00:25:14,110

experiencing all of it I think I

529

00:25:17,970 --> 00:25:15,430

experienced all of it because I write

530

00:25:19,500 --> 00:25:17,980

about it they want me to feel and see

531

00:25:23,250 --> 00:25:19,510

these different things so I can tell

532

00:25:24,750 --> 00:25:23,260

other people about it so I find that

533

00:25:27,150 --> 00:25:24,760

interesting that you got it is an

534

00:25:30,030 --> 00:25:27,160

emotion not as something you heard or a

535

00:25:32,210 --> 00:25:30,040

thought or that you saw I mean

536

00:25:34,650 --> 00:25:32,220

personally it's it it's more of a

537

00:25:36,990 --> 00:25:34,660

everyone would know this emotion to

538

00:25:39,960 --> 00:25:37,000

because it's it's the emotion that you

539

00:25:41,310 --> 00:25:39,970

know let's say even now you don't know

540

00:25:43,500 --> 00:25:41,320

you have a thought that okay I would

541

00:25:45,660 --> 00:25:43,510

like to go get a drink and then you have

542

00:25:47,400 --> 00:25:45,670

this feeling everyone has it but we just

543

00:25:49,320 --> 00:25:47,410

take it for granted we all just get up

544

00:25:51,720 --> 00:25:49,330

and go you know but it's it's almost

545

00:25:54,180 --> 00:25:51,730

like you know if you pay close attention

546

00:25:56,100 --> 00:25:54,190

to what's happening you feel the you

547

00:25:58,290 --> 00:25:56,110

know I need to go and open the door to

548

00:26:00,630 --> 00:25:58,300

the fridge or you know go get that

549

00:26:02,490 --> 00:26:00,640

remote or get a drink or get some food

550

00:26:05,040 --> 00:26:02,500

you know I'm not talking about the the

551  
00:26:06,840 --> 00:26:05,050  
the need of the body I'm talking about

552  
00:26:11,640 --> 00:26:06,850  
this other portion that just kind of

553  
00:26:14,490 --> 00:26:11,650  
moves you you know and that is just when

554  
00:26:16,800 --> 00:26:14,500  
that emotion matches with what you're

555  
00:26:19,380 --> 00:26:16,810  
wanting you don't think about it right

556  
00:26:21,420 --> 00:26:19,390  
but when you're not having a thought you

557  
00:26:23,550 --> 00:26:21,430  
know about I need to go get something to

558  
00:26:26,040 --> 00:26:23,560  
eat or I need to go talk to somebody and

559  
00:26:28,350 --> 00:26:26,050  
this emotion just solve sundry [h\_\_h] you

560  
00:26:30,510 --> 00:26:28,360  
just get up and walk two steps ahead you

561  
00:26:32,190 --> 00:26:30,520  
know that's when we notice and go what

562  
00:26:34,920 --> 00:26:32,200  
the world just happened why is this

563  
00:26:36,990 --> 00:26:34,930

happening is this me is this something

564

00:26:38,730 --> 00:26:37,000

am I going crazy and all these other

565

00:26:42,450 --> 00:26:38,740

things but the more you pay attention to

566

00:26:44,790 --> 00:26:42,460

it I find that you start to get in touch

567

00:26:47,970 --> 00:26:44,800

with something more about yourself that

568

00:26:51,000 --> 00:26:47,980

I think only over time do you learn and

569

00:26:52,980 --> 00:26:51,010

understand what that is all about you

570

00:26:56,310 --> 00:26:52,990

know just personally by the way I don't

571

00:27:01,050 --> 00:26:56,320

know I don't wish to digress so do go

572

00:27:03,210 --> 00:27:01,060

off top right well what I wanted to what

573

00:27:05,400 --> 00:27:03,220

I personally wanted to regarding indigo

574

00:27:07,020 --> 00:27:05,410

children so we keep talking about them

575

00:27:10,650 --> 00:27:07,030

bringing in this new energy and these

576

00:27:13,500 --> 00:27:10,660

changes now of course these changes and

577

00:27:15,840 --> 00:27:13,510

any kind of change can can most the time

578

00:27:18,150 --> 00:27:15,850

be disruptive and sometimes just changes

579

00:27:23,000 --> 00:27:18,160

and nobody you know bats an eyelash and

580

00:27:26,010 --> 00:27:23,010

so for somebody who I guess would

581

00:27:28,770 --> 00:27:26,020

associate or why should I say someone

582

00:27:31,710 --> 00:27:28,780

who would relate to a category that you

583

00:27:34,590 --> 00:27:31,720

mentioned earlier can you possibly give

584

00:27:36,150 --> 00:27:34,600

some steps of what they can do to let's

585

00:27:39,780 --> 00:27:36,160

say get some help let's say somebody is

586

00:27:41,490 --> 00:27:39,790

very angry and our natural response is

587

00:27:43,590 --> 00:27:41,500

to well go to a psychiatrist you know

588

00:27:45,360 --> 00:27:43,600

they'll help you or talk to a friend I

589

00:27:47,370 --> 00:27:45,370

mean is there something that can be more

590

00:27:49,200 --> 00:27:47,380

productive without them thinking that

591

00:27:51,420 --> 00:27:49,210

there's something wrong with them only

592

00:27:53,640 --> 00:27:51,430

to just kind of help them gather their

593

00:27:56,040 --> 00:27:53,650

thoughts and then start the process of

594

00:27:58,710 --> 00:27:56,050

truly becoming who they are because some

595

00:28:00,300 --> 00:27:58,720

of these children I'm sure I know from

596

00:28:02,940 --> 00:28:00,310

my own and I don't know about you or

597

00:28:04,740 --> 00:28:02,950

your child but they need structure in

598

00:28:06,930 --> 00:28:04,750

some way you know it's like not to be

599

00:28:09,390 --> 00:28:06,940

controlled but to just kind of be taught

600

00:28:11,700 --> 00:28:09,400

okay well this is how people do things

601  
00:28:14,190 --> 00:28:11,710  
if you thinks it needs to be done

602  
00:28:15,870 --> 00:28:14,200  
differently change it but you know this

603  
00:28:17,610 --> 00:28:15,880  
would be considered a polite way to

604  
00:28:19,890 --> 00:28:17,620  
change it you see what I mean because

605  
00:28:21,960 --> 00:28:19,900  
it's kind of trying to convey a little

606  
00:28:23,430 --> 00:28:21,970  
bit of a structure there not to say well

607  
00:28:27,090 --> 00:28:23,440  
you can't do this because nobody has

608  
00:28:29,370 --> 00:28:27,100  
ever done it you know but as a parent or

609  
00:28:31,320 --> 00:28:29,380  
someone who maybe might not have that

610  
00:28:33,750 --> 00:28:31,330  
parent in their lives what can they do

611  
00:28:37,230 --> 00:28:33,760  
to kind of help them gather their

612  
00:28:39,630 --> 00:28:37,240  
thoughts and kind of to to best play out

613  
00:28:42,330 --> 00:28:39,640

the role for forever they fall into be

614

00:28:45,120 --> 00:28:42,340

the rainbow rainbow child or crystal

615

00:28:47,400 --> 00:28:45,130

child and whatnot that's right and it

616

00:28:48,660 --> 00:28:47,410

can be difficult parenting when it

617

00:28:51,720 --> 00:28:48,670

these children expect especially

618

00:28:55,230 --> 00:28:51,730

Indigo's who are angry and offers them

619

00:28:58,890 --> 00:28:55,240

Austin suffer from a DD or ADHD but the

620

00:29:03,000 --> 00:28:58,900

first thing I tell parents is I tell

621

00:29:06,000 --> 00:29:03,010

them you may not remember but you agreed

622

00:29:08,190 --> 00:29:06,010

to be the parent of this special child

623

00:29:10,710 --> 00:29:08,200

that's the first thing they need to know

624

00:29:13,770 --> 00:29:10,720

and it is not an easy road

625

00:29:15,720 --> 00:29:13,780

it is tough it is rocky you know you

626

00:29:17,670 --> 00:29:15,730

want to lock them in a closet and let

627

00:29:20,160 --> 00:29:17,680

them out when they go to college it's

628

00:29:24,030 --> 00:29:20,170

not easy but first thing is to stay

629

00:29:26,010 --> 00:29:24,040

focused and remember that you agreed to

630

00:29:28,020 --> 00:29:26,020

nurture this soul you know we call them

631

00:29:31,530 --> 00:29:28,030

our children and I oscillate between

632

00:29:34,290 --> 00:29:31,540

calling my daughter who's a crystal my

633

00:29:36,630 --> 00:29:34,300

my daughter or you know this soul that I

634

00:29:39,180 --> 00:29:36,640

agreed to come into my life and to

635

00:29:41,520 --> 00:29:39,190

nurture her and to get her to a point

636

00:29:43,950 --> 00:29:41,530

where she can help other people as well

637

00:29:48,560 --> 00:29:43,960

so yeah there's a few things you can do

638

00:29:51,960 --> 00:29:48,570

adding on the biggest thing with these

639

00:29:55,310 --> 00:29:51,970

three specific types of lightworkers is

640

00:29:59,250 --> 00:29:55,320

you have got to connect them to nature

641

00:30:01,950 --> 00:29:59,260

they need to be outside they need to

642

00:30:02,610 --> 00:30:01,960

feel the earth they need to see the

643

00:30:06,150 --> 00:30:02,620

birds

644

00:30:09,120 --> 00:30:06,160

it helps ground them and speaking of

645

00:30:11,070 --> 00:30:09,130

grounding grounding meditations help as

646

00:30:13,080 --> 00:30:11,080

well and there's a million different

647

00:30:15,240 --> 00:30:13,090

grounding meditation you can look on

648

00:30:17,520 --> 00:30:15,250

YouTube they've got all sorts of

649

00:30:18,900 --> 00:30:17,530

meditations they walk you through it you

650

00:30:20,850 --> 00:30:18,910

don't have to go to a class or buy

651

00:30:24,540 --> 00:30:20,860

anything there's a lot of free stuff on

652

00:30:27,330 --> 00:30:24,550

the web for grounding meditations the

653

00:30:33,180 --> 00:30:27,340

third most important thing is you need

654

00:30:35,400 --> 00:30:33,190

to love your child and again these three

655

00:30:37,740 --> 00:30:35,410

specific types of lightworkers all have

656

00:30:40,560 --> 00:30:37,750

different characteristics and sometimes

657

00:30:45,210 --> 00:30:40,570

they're hard to love crystal children

658

00:30:48,000 --> 00:30:45,220

are very hyperactive I've had um so many

659

00:30:50,280 --> 00:30:48,010

pieces of fan mail saying my kid is

660

00:30:52,770 --> 00:30:50,290

gifted like she knows things other

661

00:30:55,430 --> 00:30:52,780

people don't know she or he sees things

662

00:30:59,100 --> 00:30:55,440

that other people don't see or hear but

663

00:31:01,620 --> 00:30:59,110

they're bouncing off the walls get

664

00:31:05,549 --> 00:31:01,630

outside let them write outside let them

665

00:31:08,280 --> 00:31:05,559

stay connected to nature grounding

666

00:31:09,710 --> 00:31:08,290

meditations love them let them know that

667

00:31:17,070 --> 00:31:09,720

they're loved

668

00:31:20,310 --> 00:31:17,080

forth these kids I I can't say that

669

00:31:22,230 --> 00:31:20,320

they're smart I should just say that

670

00:31:24,450 --> 00:31:22,240

they're spiritually advanced they're

671

00:31:26,789 --> 00:31:24,460

wise I think that's a difference because

672

00:31:28,890 --> 00:31:26,799

maybe they can't change a light bulb but

673

00:31:31,909 --> 00:31:28,900

they know about spiritual consciousness

674

00:31:37,020 --> 00:31:31,919

right like two different things

675

00:31:40,620 --> 00:31:37,030

know that they are wise that they have

676

00:31:42,600 --> 00:31:40,630

this wisdom and you need to stay open to

677

00:31:46,560 --> 00:31:42,610

the wisdom and the things that they're

678

00:31:48,360 --> 00:31:46,570

saying to you and often I hate to say

679

00:31:50,220 --> 00:31:48,370

this but they may know more than you

680

00:31:52,409 --> 00:31:50,230

because they're psychic like maybe they

681

00:31:54,570 --> 00:31:52,419

know we shouldn't go here we're gonna

682

00:32:00,030 --> 00:31:54,580

get a flat tire or you know something

683

00:32:04,980 --> 00:32:00,040

may happen so be open to giving your

684

00:32:07,140 --> 00:32:04,990

children options okay a B and C another

685

00:32:10,620 --> 00:32:07,150

thing that you need to do as a parent

686

00:32:15,659 --> 00:32:10,630

the sixth thing is don't just say no

687

00:32:19,710 --> 00:32:15,669

because I told you so and you know hello

688

00:32:25,049 --> 00:32:19,720

I'm raising my hand here America's new

689

00:32:28,140 --> 00:32:25,059

consciousness it's true you have to give

690

00:32:32,340 --> 00:32:28,150

them a reason so go that extra step and

691

00:32:34,530 --> 00:32:32,350

say no because look mommy's really tired

692

00:32:37,409 --> 00:32:34,540

today I've been up since 5:00 o'clock

693

00:32:41,220 --> 00:32:37,419

you know and here's option B could we do

694

00:32:43,260 --> 00:32:41,230

it on Saturday so listen to them they

695

00:32:46,200 --> 00:32:43,270

are paralyzed kids give them other

696

00:32:49,620 --> 00:32:46,210

options so any anything along those

697

00:32:53,190 --> 00:32:49,630

lines and I explained parents know what

698

00:32:55,370 --> 00:32:53,200

to do they they just know they're guided

699

00:32:58,890 --> 00:32:55,380

I think they're angels are guiding them

700

00:33:00,360 --> 00:32:58,900

and we got off the subject we also have

701

00:33:03,150 --> 00:33:00,370

spiritual guides which are different

702

00:33:05,580 --> 00:33:03,160

from angels but I find people spiritual

703

00:33:08,520 --> 00:33:05,590

guides also guide them with what to do

704

00:33:11,669 --> 00:33:08,530

with these special children but first

705

00:33:12,810 --> 00:33:11,679

and foremost know that you agreed to

706

00:33:14,940 --> 00:33:12,820

nurture this soul

707

00:33:16,560 --> 00:33:14,950

have this soul in your life and love

708

00:33:19,010 --> 00:33:16,570

them I could think those are the two

709

00:33:22,140 --> 00:33:19,020

most important things

710

00:33:24,990 --> 00:33:22,150

Nikki you mentioned you said there was a

711

00:33:27,330 --> 00:33:25,000

new generation coming up and you said a

712

00:33:27,780 --> 00:33:27,340

name I do I can't recall what was that

713

00:33:30,990 --> 00:33:27,790

again

714

00:33:33,870 --> 00:33:31,000

if the octarine children and I haven't

715

00:33:37,040 --> 00:33:33,880

channeled a lot about them because I

716

00:33:40,530 --> 00:33:37,050

sort of gone on to other things and

717

00:33:42,750 --> 00:33:40,540

realized even way back when when I was

718

00:33:45,600 --> 00:33:42,760

channeling about until crystal rainbow

719

00:33:47,880 --> 00:33:45,610

and octarine children that there are so

720

00:33:51,300 --> 00:33:47,890

many other different types of light

721

00:33:52,890 --> 00:33:51,310

workers these children and no no I am

722

00:33:56,010 --> 00:33:52,900

Telling You I think there's hundreds

723

00:33:58,440 --> 00:33:56,020

hundreds I do readings for people and

724

00:34:01,290 --> 00:33:58,450

readings for their children and I find

725

00:34:02,940 --> 00:34:01,300

oh my gosh this is a new energy source I

726

00:34:04,740 --> 00:34:02,950

don't even know what to call this type

727

00:34:07,050 --> 00:34:04,750

of energy so you're saying hundreds

728

00:34:09,450 --> 00:34:07,060

meaning not that many there is that what

729

00:34:13,820 --> 00:34:09,460

you're trying to impress violence okay

730

00:34:16,620 --> 00:34:13,830

also a lot of different types not just

731

00:34:20,130 --> 00:34:16,630

pigeon holding into these three or four

732

00:34:22,770 --> 00:34:20,140

different types and I guess one day I'll

733

00:34:25,020 --> 00:34:22,780

have to go back and revisit that and

734

00:34:26,730 --> 00:34:25,030

again you know we're human beings we

735

00:34:29,760 --> 00:34:26,740

want to call it something and put it in

736

00:34:33,530 --> 00:34:29,770

a box I want to do that and I'll have to

737

00:34:37,860 --> 00:34:33,540

go back and I like to call it like an

738

00:34:41,070 --> 00:34:37,870

energy essence like this group of kids

739

00:34:42,090 --> 00:34:41,080

has this specific energy essence you

740

00:34:44,610 --> 00:34:42,100

know they're going to be working with

741

00:34:47,100 --> 00:34:44,620

the environment and these are the ticks

742

00:34:50,159 --> 00:34:47,110

for that well look at this energy

743

00:34:51,630 --> 00:34:50,169

essence these old group of kids are

744

00:34:55,650 --> 00:34:51,640

going to go into the political field

745

00:34:58,230 --> 00:34:55,660

because this is the energy they have so

746

00:35:00,480 --> 00:34:58,240

when it's hard even for me to put a

747

00:35:03,030 --> 00:35:00,490

label on that I just call it in energy

748

00:35:04,770 --> 00:35:03,040

essence at this point and there are so

749

00:35:07,920 --> 00:35:04,780

many different kinds and it is

750

00:35:10,980 --> 00:35:07,930

spectacular for me to see it spectacular

751

00:35:14,250 --> 00:35:10,990

to see all the different light workers

752

00:35:16,970 --> 00:35:14,260

and my angel show me they're dropping

753

00:35:20,160 --> 00:35:16,980

like I see flowers white flowers

754

00:35:21,810 --> 00:35:20,170

specifically almost like lotus flowers

755

00:35:24,180 --> 00:35:21,820

you know they talk about like you've

756

00:35:26,060 --> 00:35:24,190

eaten the lotus lotus flower or

757

00:35:28,250 --> 00:35:26,070

something like that but

758

00:35:30,890 --> 00:35:28,260

it's interesting they've given me that

759

00:35:33,320 --> 00:35:30,900

visual but all over the globe these

760

00:35:40,070 --> 00:35:33,330

light workers these special children are

761

00:35:42,470 --> 00:35:40,080

dropping everywhere so what so basically

762

00:35:44,390 --> 00:35:42,480

these children that's just I guess

763

00:35:46,910 --> 00:35:44,400

compared to the whole world it's just a

764

00:35:51,560 --> 00:35:46,920

handful if not even you know just a

765

00:35:53,750 --> 00:35:51,570

finger you know what so is this just

766

00:35:56,120 --> 00:35:53,760

basically bringing in more of a

767

00:35:58,280 --> 00:35:56,130

different kind of energy to to help

768

00:36:00,320 --> 00:35:58,290

change your collective or are they the

769

00:36:06,200 --> 00:36:00,330

ones are gonna be specifically doing

770

00:36:09,530 --> 00:36:06,210

something yes collective consciousness

771

00:36:11,329 --> 00:36:09,540

among all light workers there will

772

00:36:15,290 --> 00:36:11,339

always be this collective consciousness

773

00:36:18,290 --> 00:36:15,300

but also different types of light

774

00:36:21,320 --> 00:36:18,300

workers have different duties here on

775

00:36:24,260 --> 00:36:21,330

this earth you know yours is to spread

776

00:36:26,120 --> 00:36:24,270

the truth and open people to new ideas

777

00:36:27,890 --> 00:36:26,130

and like you know if you looked at this

778

00:36:28,520 --> 00:36:27,900

look at these UFO is this is really

779

00:36:30,410 --> 00:36:28,530

happening

780

00:36:33,290 --> 00:36:30,420

open your mind to this you're spreading

781

00:36:35,320 --> 00:36:33,300

information so that's this whole sort of

782

00:36:39,290 --> 00:36:35,330

group the spreading information

783

00:36:41,990 --> 00:36:39,300

consciousness but also individually

784

00:36:43,550 --> 00:36:42,000

they'll be doing specific things I'm

785

00:36:45,890 --> 00:36:43,560

sorry I lost track at the end of your

786

00:36:48,500 --> 00:36:45,900

question Adnan just basically asking

787

00:36:50,240 --> 00:36:48,510

that was would it be is it more to just

788

00:36:53,780 --> 00:36:50,250

change the collective mindset of

789

00:36:56,450 --> 00:36:53,790

humanity or to be let's say to be I hate

790

00:36:59,540 --> 00:36:56,460

to use this word to be the chosen to say

791

00:37:03,609 --> 00:36:59,550

to be the next president in in 20 years

792

00:37:07,970 --> 00:37:03,619

or something you know or whatever okay

793

00:37:11,780 --> 00:37:07,980

sure but before our soul comes into the

794

00:37:14,000 --> 00:37:11,790

body to the baby we sort of have agreed

795

00:37:16,550 --> 00:37:14,010

with our angels and guides what we're

796

00:37:19,099 --> 00:37:16,560

gonna do while we're here who we're

797

00:37:20,660 --> 00:37:19,109

gonna meet what our job is gonna be this

798

00:37:23,290 --> 00:37:20,670

is gonna be your family this is gonna be

799

00:37:26,089 --> 00:37:23,300

your friends it's all pre-arranged so

800

00:37:28,220 --> 00:37:26,099

presidents sort of prearranged

801  
00:37:30,950 --> 00:37:28,230  
you know all that is already have been

802  
00:37:33,920 --> 00:37:30,960  
pre agreed to but the Angels have told

803  
00:37:37,550 --> 00:37:33,930  
me for quite some time and it's true for

804  
00:37:39,589 --> 00:37:37,560  
these psychic children that we seem to

805  
00:37:43,729 --> 00:37:39,599  
be going through these energy

806  
00:37:46,460 --> 00:37:43,739  
portals so our earth got into a lot of

807  
00:37:49,339 --> 00:37:46,470  
trouble and we hemmed ourselves into

808  
00:37:51,859 --> 00:37:49,349  
this horrible energy and we can't seem

809  
00:37:55,400 --> 00:37:51,869  
to get through to the next stage the

810  
00:37:58,069 --> 00:37:55,410  
higher level of consciousness so that's

811  
00:37:59,870 --> 00:37:58,079  
why these light workers started to come

812  
00:38:02,479 --> 00:37:59,880  
why these babies these children these

813  
00:38:05,269 --> 00:38:02,489

young adults to help raise the

814

00:38:07,509 --> 00:38:05,279

vibrational frequency on this earth and

815

00:38:11,269 --> 00:38:07,519

as we raise the vibrational frequency

816

00:38:14,870 --> 00:38:11,279

were more open to a universal

817

00:38:19,249 --> 00:38:14,880

consciousness a more way of living as

818

00:38:21,019 --> 00:38:19,259

the law of one and a better way to learn

819

00:38:24,109 --> 00:38:21,029

our spiritual lessons in our spiritual

820

00:38:28,279 --> 00:38:24,119

evolution so yes these special children

821

00:38:30,410 --> 00:38:28,289

are coming in ways as groups to help get

822

00:38:37,279 --> 00:38:30,420

us through these energy portals to get

823

00:38:39,799 --> 00:38:37,289

us to higher consciousness so do you

824

00:38:41,779 --> 00:38:39,809

still think even though they do come in

825

00:38:44,630 --> 00:38:41,789

with these with these great

826

00:38:47,289 --> 00:38:44,640

understandings that they still have to

827

00:38:50,900 --> 00:38:47,299

in a way learn how to then speak the

828

00:38:52,430 --> 00:38:50,910

normal everyday language I guess for

829

00:38:56,839 --> 00:38:52,440

lack of better words so that they can

830

00:38:58,549 --> 00:38:56,849

convey it because they're so there's a

831

00:39:01,160 --> 00:38:58,559

few it's a few things I've just been

832

00:39:03,440 --> 00:39:01,170

watching out there having living where I

833

00:39:05,180 --> 00:39:03,450

live now the only access I have to news

834

00:39:07,549 --> 00:39:05,190

is the different YouTube channels that

835

00:39:09,559 --> 00:39:07,559

cover things mainstream media not so

836

00:39:11,690 --> 00:39:09,569

much you know not to be hating on them

837

00:39:13,700 --> 00:39:11,700

if they just have a each each channel

838

00:39:15,859 --> 00:39:13,710

has their specific view and and I

839

00:39:17,450 --> 00:39:15,869

realized I recognize that now so I'm

840

00:39:20,059 --> 00:39:17,460

always looking outside of there to see

841

00:39:22,609 --> 00:39:20,069

okay what else did I not see what else

842

00:39:24,890 --> 00:39:22,619

was I not shown you know to consider in

843

00:39:27,739 --> 00:39:24,900

my conclusions and my I guess my own

844

00:39:31,170 --> 00:39:27,749

little you know personal judgments about

845

00:39:33,690 --> 00:39:31,180

things but you know

846

00:39:37,320 --> 00:39:33,700

it seems like that a lot of day you know

847

00:39:39,750 --> 00:39:37,330

even though an idea might feel good it

848

00:39:42,330 --> 00:39:39,760

might not be best in you know to be

849

00:39:44,550 --> 00:39:42,340

something practical you know and that

850

00:39:46,560 --> 00:39:44,560

that would still have to be in and you

851  
00:39:49,860 --> 00:39:46,570  
know discovered or or as you say

852  
00:39:51,780 --> 00:39:49,870  
explored to how best translate this

853  
00:39:53,310 --> 00:39:51,790  
feel-good feeling that feels good

854  
00:39:54,930 --> 00:39:53,320  
whatever you know because everyone wants

855  
00:39:56,910 --> 00:39:54,940  
to help by others everyone wants to

856  
00:39:59,070 --> 00:39:56,920  
change things so that everyone is more

857  
00:40:01,110 --> 00:39:59,080  
inclusive but something more practical

858  
00:40:06,810 --> 00:40:01,120  
has to come out of that feel-good

859  
00:40:09,270 --> 00:40:06,820  
feeling yes so these three specific

860  
00:40:14,190 --> 00:40:09,280  
types of lightworkers you're talking

861  
00:40:17,040 --> 00:40:14,200  
overtly about speaking yes they have to

862  
00:40:20,400 --> 00:40:17,050  
learn to assimilate with this very dense

863  
00:40:23,910 --> 00:40:20,410

3d world we live in and quite a few of

864

00:40:26,960 --> 00:40:23,920

them have a really hard time so I I take

865

00:40:29,610 --> 00:40:26,970

speaking and I'm using this term loosely

866

00:40:32,010 --> 00:40:29,620

they have a hard time speaking or

867

00:40:34,380 --> 00:40:32,020

connecting with our earth they're

868

00:40:37,230 --> 00:40:34,390

horrified we're killing each other like

869

00:40:39,750 --> 00:40:37,240

it's just horrifying to them and it's

870

00:40:41,760 --> 00:40:39,760

hard for them to connect and speak out

871

00:40:44,090 --> 00:40:41,770

and actually find their purpose in life

872

00:40:48,920 --> 00:40:44,100

I find a lot of these light workers

873

00:40:51,510 --> 00:40:48,930

struggle with finding their purpose and

874

00:40:54,510 --> 00:40:51,520

once they find their purpose speaking

875

00:40:58,070 --> 00:40:54,520

about you know educating others but I

876

00:41:00,240 --> 00:40:58,080

tell this story often non especially to

877

00:41:01,770 --> 00:41:00,250

teenagers when I do these little

878

00:41:05,600 --> 00:41:01,780

lectures or these little group

879

00:41:09,060 --> 00:41:05,610

meditations that I do for teenagers that

880

00:41:11,360 --> 00:41:09,070

lightworkers indigo crystal rainbow or

881

00:41:14,490 --> 00:41:11,370

whatever type of light worker you are

882

00:41:17,700 --> 00:41:14,500

are here and they have a higher

883

00:41:20,550 --> 00:41:17,710

vibrational frequency so if I took a

884

00:41:24,290 --> 00:41:20,560

guitar and strummed

885

00:41:27,390 --> 00:41:24,300

a single guitar string within a

886

00:41:29,910 --> 00:41:27,400

millisecond the other guitar strings

887

00:41:33,780 --> 00:41:29,920

began to vibrate at that higher

888

00:41:38,010 --> 00:41:33,790

frequency so you talk about speaking and

889

00:41:41,250 --> 00:41:38,020

I often tell lightworkers just by being

890

00:41:44,520 --> 00:41:41,260

who you are and a higher vibrational

891

00:41:46,530 --> 00:41:44,530

frequency you affect others around you

892

00:41:49,530 --> 00:41:46,540

just like strumming that one guitar

893

00:41:52,740 --> 00:41:49,540

string see you Adnan as a higher

894

00:41:55,530 --> 00:41:52,750

vibrational frequency sending out your

895

00:41:58,230 --> 00:41:55,540

podcast you're affecting others even

896

00:42:01,380 --> 00:41:58,240

physically being physically being in a

897

00:42:03,870 --> 00:42:01,390

room with other people you are raising

898

00:42:07,740 --> 00:42:03,880

their vibrational frequency it's an

899

00:42:10,280 --> 00:42:07,750

amazing thing so speak can mean many

900

00:42:12,930 --> 00:42:10,290

things like can you be talking or just

901  
00:42:14,970 --> 00:42:12,940  
to me it's your vibrational frequency

902  
00:42:20,520 --> 00:42:14,980  
and affecting those around you

903  
00:42:22,290 --> 00:42:20,530  
I see and so what about different belief

904  
00:42:24,210 --> 00:42:22,300  
systems because I'm sure different

905  
00:42:27,360 --> 00:42:24,220  
agreements as you mentioned have been

906  
00:42:29,300 --> 00:42:27,370  
made so some would be born into

907  
00:42:32,880 --> 00:42:29,310  
different families that have different

908  
00:42:38,190 --> 00:42:32,890  
belief systems religions and whatnot how

909  
00:42:42,840 --> 00:42:38,200  
does that work out for them okay because

910  
00:42:45,300 --> 00:42:42,850  
I go to church get on my psychic no I

911  
00:42:49,110 --> 00:42:45,310  
don't believe in Adam and Eve I believe

912  
00:42:53,040 --> 00:42:49,120  
we developed from apes and that you know

913  
00:42:56,790 --> 00:42:53,050

we go to we die our spirit passes on we

914

00:42:59,340 --> 00:42:56,800

come back so here's the big secret I

915

00:43:02,280 --> 00:42:59,350

have been told there's only one higher

916

00:43:04,920 --> 00:43:02,290

power and I asked my Angels all the time

917

00:43:06,600 --> 00:43:04,930

is there two gods and you're not telling

918

00:43:08,160 --> 00:43:06,610

us what's the big secret here I feel

919

00:43:10,740 --> 00:43:08,170

like there's a big secret is there for

920

00:43:12,300 --> 00:43:10,750

God's is there four different universes

921

00:43:14,960 --> 00:43:12,310

and all you guys are competing with each

922

00:43:17,190 --> 00:43:14,970

other you know who can get more people

923

00:43:21,600 --> 00:43:17,200

spiritually advanced in these different

924

00:43:23,580 --> 00:43:21,610

universes sometimes the Angels just roll

925

00:43:26,730 --> 00:43:23,590

their eyes at me it's something I keep

926  
00:43:29,940 --> 00:43:26,740  
tapping into but in the end the Angels

927  
00:43:31,980 --> 00:43:29,950  
just tell me there's one source that's

928  
00:43:36,840 --> 00:43:31,990  
the word I hear specifically there is

929  
00:43:39,810 --> 00:43:36,850  
one source and they show me this train

930  
00:43:42,390 --> 00:43:39,820  
and it's like we're on this spiritual

931  
00:43:44,910 --> 00:43:42,400  
evolution and the source is at the front

932  
00:43:48,120 --> 00:43:44,920  
of the train so we're not trying to work

933  
00:43:50,850 --> 00:43:48,130  
our way up a hierarchy we're simply

934  
00:43:53,370 --> 00:43:50,860  
trying to spiritually advanced to the

935  
00:43:57,210 --> 00:43:53,380  
front of the Train to be one with the

936  
00:43:58,109 --> 00:43:57,220  
source so I know there's so many

937  
00:44:02,069 --> 00:43:58,119  
different beliefs

938  
00:44:05,430 --> 00:44:02,079

sout there and part of the some of the

939

00:44:08,239 --> 00:44:05,440

things that angels say to me that we

940

00:44:12,930 --> 00:44:08,249

need to learn to respect the

941

00:44:18,960 --> 00:44:12,940

similarities and differences between us

942

00:44:21,329 --> 00:44:18,970

between our religion and be tolerant we

943

00:44:23,999 --> 00:44:21,339

must be tolerant of each other

944

00:44:24,299 --> 00:44:24,009

I cannot say to you you're wrong and I'm

945

00:44:28,739 --> 00:44:24,309

right

946

00:44:30,690 --> 00:44:28,749

I can't say that we must live and loving

947

00:44:33,599 --> 00:44:30,700

tolerance and this is from the Angels

948

00:44:36,900 --> 00:44:33,609

there are so many different beliefs just

949

00:44:38,819 --> 00:44:36,910

sit and loving tolerance of everyone's

950

00:44:40,950 --> 00:44:38,829

different beliefs because honestly

951  
00:44:43,349 --> 00:44:40,960  
there's only one source it's like

952  
00:44:45,989 --> 00:44:43,359  
there's one road but there's many paths

953  
00:44:48,900 --> 00:44:45,999  
to get to that one road so it doesn't

954  
00:44:50,849 --> 00:44:48,910  
really matter which path you're on to me

955  
00:44:53,029 --> 00:44:50,859  
that means it doesn't matter what

956  
00:44:55,559 --> 00:44:53,039  
religion you are what you believe in

957  
00:44:59,970 --> 00:44:55,569  
everyone wants to get to the main road

958  
00:45:03,569 --> 00:44:59,980  
to the source so from the Angels please

959  
00:45:06,690 --> 00:45:03,579  
live in loving tolerance and of course

960  
00:45:10,229 --> 00:45:06,700  
I'm horrified when I see people walking

961  
00:45:12,120 --> 00:45:10,239  
into a Jewish temple and shooting people

962  
00:45:14,729 --> 00:45:12,130  
that happened on the news just a few

963  
00:45:20,239 --> 00:45:14,739

months ago that's horrible I'm horrified

964

00:45:22,799 --> 00:45:20,249

as a light worker so loving tolerance so

965

00:45:25,319 --> 00:45:22,809

just to do regarding children and so

966

00:45:28,680 --> 00:45:25,329

what would this mean that they would

967

00:45:30,749 --> 00:45:28,690

kind of learn to beam these two worlds

968

00:45:33,019 --> 00:45:30,759

like like you mentioned yourself to

969

00:45:35,640 --> 00:45:33,029

still be religious but yet have these

970

00:45:38,009 --> 00:45:35,650

different thoughts and and what would be

971

00:45:40,979 --> 00:45:38,019

considered I guess for lack of a better

972

00:45:45,420 --> 00:45:40,989

word a new age would or would they just

973

00:45:47,249 --> 00:45:45,430

kind of do away with any kind of base

974

00:45:49,410 --> 00:45:47,259

belief system that's been here on the

975

00:45:54,029 --> 00:45:49,420

planet before and just kind of do their

976

00:45:58,979 --> 00:45:54,039

own thing I find it truly spiritual

977

00:46:02,549 --> 00:45:58,989

advanced Souls don't go to a church or a

978

00:46:06,779 --> 00:46:02,559

temple or do not pray to a higher being

979

00:46:10,769 --> 00:46:06,789

and honestly unknown they don't need you

980

00:46:11,890 --> 00:46:10,779

they live their peace they live their

981

00:46:14,529 --> 00:46:11,900

love

982

00:46:18,430 --> 00:46:14,539

spread their peace they spread their

983

00:46:21,579 --> 00:46:18,440

love they do not need to go to a

984

00:46:23,339 --> 00:46:21,589

brick-and-mortar place or you know get

985

00:46:28,089 --> 00:46:23,349

on their knees and bow their heads

986

00:46:31,059 --> 00:46:28,099

because they're living it so yes it's

987

00:46:34,510 --> 00:46:31,069

truly spiritual advanced beings don't go

988

00:46:36,789 --> 00:46:34,520

to church they are a church I don't know

989

00:46:38,710 --> 00:46:36,799

how else to say that but yes what you're

990

00:46:41,910 --> 00:46:38,720

saying is true advanced beings don't

991

00:46:46,710 --> 00:46:41,920

even need to pray to a higher power I

992

00:46:51,130 --> 00:46:46,720

say yeah I can I can see that so just

993

00:46:53,650 --> 00:46:51,140

going back to I guess and I don't know I

994

00:46:56,170 --> 00:46:53,660

guess for the next let's say ten years

995

00:47:00,160 --> 00:46:56,180

what do you foresee happening with all

996

00:47:03,700 --> 00:47:00,170

these children graduating college guests

997

00:47:05,440 --> 00:47:03,710

getting into the workforce through you

998

00:47:07,660 --> 00:47:05,450

know and in society in general whether

999

00:47:10,150 --> 00:47:07,670

you know whatever it is that they're

1000

00:47:11,769 --> 00:47:10,160

doing what kind of changes it's almost I

1001  
00:47:14,559 --> 00:47:11,779  
become it's almost like I'm asking you

1002  
00:47:16,299 --> 00:47:14,569  
what do you predict with the changes

1003  
00:47:18,400 --> 00:47:16,309  
coming up with all these new children

1004  
00:47:20,260 --> 00:47:18,410  
this new energy coming in for the next

1005  
00:47:23,680 --> 00:47:20,270  
ten years what kind of changes are we

1006  
00:47:26,819 --> 00:47:23,690  
looking looking to see well I see

1007  
00:47:29,680 --> 00:47:26,829  
changes in every part of government

1008  
00:47:31,870 --> 00:47:29,690  
changes in the healthcare and we're

1009  
00:47:34,599 --> 00:47:31,880  
already beginning to see it I'm seeing

1010  
00:47:36,670 --> 00:47:34,609  
many new senators there was a new

1011  
00:47:39,519 --> 00:47:36,680  
senator or it was a woman I think she

1012  
00:47:41,620 --> 00:47:39,529  
was 29 like no I'm sorry she wasn't

1013  
00:47:44,620 --> 00:47:41,630

quite that good but she was very young

1014

00:47:46,930 --> 00:47:44,630

I'm so excited to see this because I

1015

00:47:50,859 --> 00:47:46,940

think this younger generation is more

1016

00:47:53,849 --> 00:47:50,869

connected I think they're more open so I

1017

00:47:57,160 --> 00:47:53,859

see a lot of changes happening in

1018

00:47:59,440 --> 00:47:57,170

everything that we see in every aspect

1019

00:48:02,109 --> 00:47:59,450

of our lives and as more and more light

1020

00:48:03,930 --> 00:48:02,119

workers come and raise the vibrational

1021

00:48:06,849 --> 00:48:03,940

frequency and universal consciousness

1022

00:48:10,269 --> 00:48:06,859

better changes will come but I'm

1023

00:48:12,519 --> 00:48:10,279

definitely seeing that we are and I know

1024

00:48:14,019 --> 00:48:12,529

it doesn't feel like it odd none to me

1025

00:48:15,460 --> 00:48:14,029

some days I feel like we're going to

1026

00:48:17,230 --> 00:48:15,470

hell in a handbasket

1027

00:48:18,420 --> 00:48:17,240

like I can't even turn on the news it's

1028

00:48:22,170 --> 00:48:18,430

absolutely for

1029

00:48:24,180 --> 00:48:22,180

but believe it or not things are getting

1030

00:48:26,250 --> 00:48:24,190

better with more and more of these

1031

00:48:29,250 --> 00:48:26,260

psychic children and these light workers

1032

00:48:31,589 --> 00:48:29,260

coming changes are slowly slowly

1033

00:48:33,480 --> 00:48:31,599

happening for the better and that will

1034

00:48:35,730 --> 00:48:33,490

continue to progress for the next ten

1035

00:48:37,529 --> 00:48:35,740

years it may not feel like it but it is

1036

00:48:41,700 --> 00:48:37,539

and will continue to move through these

1037

00:48:44,370 --> 00:48:41,710

better energy portals well so then I

1038

00:48:46,400 --> 00:48:44,380

would I would think that because of this

1039

00:48:50,880 --> 00:48:46,410

different way of thinking would they

1040

00:48:54,059 --> 00:48:50,890

start establishing entirely new let's

1041

00:48:56,519 --> 00:48:54,069

say schools for example or even take

1042

00:48:58,220 --> 00:48:56,529

different approach when it comes to

1043

00:49:01,049 --> 00:48:58,230

medicine and things like that

1044

00:49:04,380 --> 00:49:01,059

yes and I'm already seeing that I have

1045

00:49:07,260 --> 00:49:04,390

been contacted by people across this

1046

00:49:10,799 --> 00:49:07,270

earth that have started home schools

1047

00:49:12,329 --> 00:49:10,809

that are more spiritual based and so you

1048

00:49:17,970 --> 00:49:12,339

know they work on reading writing

1049

00:49:21,210 --> 00:49:17,980

arithmetic but also how to channel your

1050

00:49:25,470 --> 00:49:21,220

angels like you are like new-age things

1051

00:49:26,760 --> 00:49:25,480

that we would kind of say I'm sorry

1052

00:49:27,960 --> 00:49:26,770

we're talking about schools and

1053

00:49:30,240 --> 00:49:27,970

something else I can't remember the

1054

00:49:32,160 --> 00:49:30,250

other things but yes also saying

1055

00:49:33,660 --> 00:49:32,170

medicine for example so if they have

1056

00:49:35,700 --> 00:49:33,670

this new way of thinking would they

1057

00:49:37,349 --> 00:49:35,710

bring about this new understanding and

1058

00:49:41,670 --> 00:49:37,359

knowledge of God in that field for you

1059

00:49:43,859 --> 00:49:41,680

yeah let's say I'm seeing it now I have

1060

00:49:46,319 --> 00:49:43,869

this vet a very good friend of mine her

1061

00:49:48,930 --> 00:49:46,329

name is happy babish and happy does

1062

00:49:52,620 --> 00:49:48,940

Eastern and Western medicine on animals

1063

00:49:56,220 --> 00:49:52,630

and I think you go into any major city

1064

00:49:58,829 --> 00:49:56,230

and there are write Reiki masters so

1065

00:50:03,599 --> 00:49:58,839

people like me and maybe people like you

1066

00:50:07,710 --> 00:50:03,609

will I'm sorry a cat excuse me

1067

00:50:11,250 --> 00:50:07,720

do both eastern and western medicine so

1068

00:50:13,680 --> 00:50:11,260

we may get strep throat or the flu and

1069

00:50:15,960 --> 00:50:13,690

need to go get a flu shot or get some

1070

00:50:19,799 --> 00:50:15,970

medicine but we will also go get

1071

00:50:22,470 --> 00:50:19,809

acupuncture we will also get our chakras

1072

00:50:25,319 --> 00:50:22,480

balanced we will also go get Reiki so

1073

00:50:27,809 --> 00:50:25,329

yes there will continue to be a mixture

1074

00:50:30,150 --> 00:50:27,819

of that and my angels have given me a

1075

00:50:31,430 --> 00:50:30,160

little glimpse of my daughter and my

1076

00:50:33,920 --> 00:50:31,440

daughter is meant to go

1077

00:50:37,069 --> 00:50:33,930

into the medical profession so she will

1078

00:50:39,799 --> 00:50:37,079

be a medical doctor that she will also

1079

00:50:44,720 --> 00:50:39,809

do Eastern medicine on people as well

1080

00:50:47,690 --> 00:50:44,730

and I think that's a wonderful mixture

1081

00:50:51,589 --> 00:50:47,700

that's a wonderful mixture at this point

1082

00:50:54,170 --> 00:50:51,599

only some people can heal themselves I

1083

00:50:56,480 --> 00:50:54,180

have met people which I'm with a much

1084

00:50:58,670 --> 00:50:56,490

higher vibrational frequency that never

1085

00:51:00,799 --> 00:50:58,680

take medicine they're able to heal

1086

00:51:03,799 --> 00:51:00,809

themselves with their own energy but

1087

00:51:07,579 --> 00:51:03,809

until then we're going to kind of need a

1088

00:51:10,700 --> 00:51:07,589

mixture so we are working ever so

1089

00:51:13,450 --> 00:51:10,710

slightly it's like a little inchworm

1090

00:51:16,789 --> 00:51:13,460

going along right we are slightly

1091

00:51:20,359 --> 00:51:16,799

introducing Eastern medicine into our

1092

00:51:23,750 --> 00:51:20,369

Western medicine world well I find

1093

00:51:25,940 --> 00:51:23,760

what's very interesting I mean never

1094

00:51:27,559 --> 00:51:25,950

anyone did because I've recently also

1095

00:51:29,900 --> 00:51:27,569

started to speak and have been more

1096

00:51:32,270 --> 00:51:29,910

vocal about my experiences and I always

1097

00:51:34,250 --> 00:51:32,280

describe our religion always gave it up

1098

00:51:36,740 --> 00:51:34,260

early you know not hating on anyone to

1099

00:51:38,960 --> 00:51:36,750

want to continue that it just I felt it

1100

00:51:41,150 --> 00:51:38,970

for what I needed to do what I needed to

1101  
00:51:43,490 --> 00:51:41,160  
understand and learn it was holding me

1102  
00:51:45,920 --> 00:51:43,500  
back and it did not give me the answers

1103  
00:51:49,339 --> 00:51:45,930  
that I needed at that time and even now

1104  
00:51:51,950 --> 00:51:49,349  
but what I find interesting about let's

1105  
00:51:53,930 --> 00:51:51,960  
say some new concepts some new things

1106  
00:51:55,789 --> 00:51:53,940  
you know since we're talking about

1107  
00:51:57,980 --> 00:51:55,799  
having to you know convey new

1108  
00:52:01,609 --> 00:51:57,990  
information to some of these children

1109  
00:52:03,980 --> 00:52:01,619  
and and and and whatnot let's say it's

1110  
00:52:05,930 --> 00:52:03,990  
something as a new New Age concept like

1111  
00:52:08,150 --> 00:52:05,940  
the law of attraction everybody is heard

1112  
00:52:10,010 --> 00:52:08,160  
this been talked about you know and

1113  
00:52:13,250 --> 00:52:10,020

hearing about energies and all these

1114

00:52:15,109 --> 00:52:13,260

different things it sounds you know so

1115

00:52:17,870 --> 00:52:15,119

weird for some people and don't want to

1116

00:52:21,380 --> 00:52:17,880

accept that which which is fine but it

1117

00:52:23,620 --> 00:52:21,390

almost reminds me of this you know you

1118

00:52:26,120 --> 00:52:23,630

have the scientific way you know and

1119

00:52:28,960 --> 00:52:26,130

when somebody's nervous about something

1120

00:52:31,519 --> 00:52:28,970

or they they're scared or they're afraid

1121

00:52:33,260 --> 00:52:31,529

science would say okay well this is

1122

00:52:35,029 --> 00:52:33,270

what's going on in your body so take

1123

00:52:36,289 --> 00:52:35,039

these pills take that and this is going

1124

00:52:39,200 --> 00:52:36,299

to help you calm you down you're gonna

1125

00:52:40,789 --> 00:52:39,210

feel good and so on when sometimes all

1126

00:52:43,430 --> 00:52:40,799

you need is another human being to say

1127

00:52:45,100 --> 00:52:43,440

hey it's gonna be all right don't worry

1128

00:52:48,340 --> 00:52:45,110

everything will be okay

1129

00:52:50,230 --> 00:52:48,350

you know and and nothing else was needed

1130

00:52:52,540 --> 00:52:50,240

you know no external things other than

1131

00:52:54,760 --> 00:52:52,550

just to have that assurance you know so

1132

00:52:57,790 --> 00:52:54,770

that right there tells you that we as

1133

00:53:00,940 --> 00:52:57,800

beings are a very complex you know that

1134

00:53:04,030 --> 00:53:00,950

we have the ability to heal ourselves

1135

00:53:07,720 --> 00:53:04,040

you know whether it be physical physical

1136

00:53:09,550 --> 00:53:07,730

psychological and so I'm thinking that a

1137

00:53:11,110 --> 00:53:09,560

lot of these children and this is what

1138

00:53:14,470 --> 00:53:11,120

I'm trying to get at in this longer

1139

00:53:17,950 --> 00:53:14,480

byway well I think in a way pick pick

1140

00:53:21,340 --> 00:53:17,960

that up and hopefully start learning how

1141

00:53:23,770 --> 00:53:21,350

to convey this to this arcane system

1142

00:53:28,750 --> 00:53:23,780

that something different can happen

1143

00:53:30,160 --> 00:53:28,760

without having to be it be painful you

1144

00:53:32,140 --> 00:53:30,170

know because a lot of us you know what

1145

00:53:33,910 --> 00:53:32,150

it's like you know if we don't have

1146

00:53:35,560 --> 00:53:33,920

governments there'll be anarchy you know

1147

00:53:38,080 --> 00:53:35,570

and everything's gonna you know

1148

00:53:40,570 --> 00:53:38,090

everyone's gonna go crazy there's always

1149

00:53:42,670 --> 00:53:40,580

gonna be some kind of structure but

1150

00:53:44,590 --> 00:53:42,680

sooner or later like with everything in

1151

00:53:47,650 --> 00:53:44,600

life we have to see what works what

1152

00:53:50,140 --> 00:53:47,660

doesn't and then if even if it has to be

1153

00:53:54,100 --> 00:53:50,150

small incremental steps you know because

1154

00:53:57,040 --> 00:53:54,110

I'll somehow this this idea that I felt

1155

00:53:59,290 --> 00:53:57,050

has developed lately and actually been

1156

00:54:01,240 --> 00:53:59,300

going on for a while then if we're gonna

1157

00:54:03,790 --> 00:54:01,250

change into something this better be

1158

00:54:06,520 --> 00:54:03,800

perfect and working the way we needed to

1159

00:54:08,290 --> 00:54:06,530

from the get-go and if I look back in

1160

00:54:11,020 --> 00:54:08,300

history nothing has ever worked that way

1161

00:54:13,270 --> 00:54:11,030

we've only made changes and learned by

1162

00:54:17,020 --> 00:54:13,280

you know hundreds of mistakes and

1163

00:54:20,680 --> 00:54:17,030

unfortunately lives upon the hundreds

1164

00:54:23,200 --> 00:54:20,690

dead you know in testing how how would

1165

00:54:25,510 --> 00:54:23,210

the best rocket work to get us to the

1166

00:54:27,370 --> 00:54:25,520

moon you know what technology would work

1167

00:54:29,590 --> 00:54:27,380

best and all those people trying to help

1168

00:54:31,510 --> 00:54:29,600

and have unfortunately lost their lives

1169

00:54:35,830 --> 00:54:31,520

but that proves right there that we

1170

00:54:38,590 --> 00:54:35,840

cannot have something perfect working

1171

00:54:40,810 --> 00:54:38,600

from the get-go and because it can't be

1172

00:54:43,120 --> 00:54:40,820

that way there's this analogy in these

1173

00:54:45,040 --> 00:54:43,130

against governmental systems now they

1174

00:54:47,050 --> 00:54:45,050

just block everything out you know they

1175

00:54:49,570 --> 00:54:47,060

say well this doesn't look like it's

1176  
00:54:51,280 --> 00:54:49,580  
safe for this doesn't look like you know

1177  
00:54:53,050 --> 00:54:51,290  
it's working perfectly the way we need

1178  
00:54:54,880 --> 00:54:53,060  
it right now so therefore shut it out

1179  
00:54:55,750 --> 00:54:54,890  
altogether and I think that's very

1180  
00:54:58,050 --> 00:54:55,760  
unfortunate

1181  
00:55:01,010 --> 00:54:58,060  
and you're right

1182  
00:55:05,040 --> 00:55:01,020  
it's nothing is perfect from the get-go

1183  
00:55:08,040 --> 00:55:05,050  
it's all about evolving and changing and

1184  
00:55:09,810 --> 00:55:08,050  
it's probably part of our spiritual

1185  
00:55:12,090 --> 00:55:09,820  
lessons that everything isn't perfect

1186  
00:55:14,340 --> 00:55:12,100  
adnan we wouldn't need to be here

1187  
00:55:18,330 --> 00:55:14,350  
anymore if we were spiritually perfect

1188  
00:55:20,430 --> 00:55:18,340

so I see that a lot to do with our

1189

00:55:23,370 --> 00:55:20,440

spiritual growth and our spiritual

1190

00:55:27,840 --> 00:55:23,380

lessons but I believe things are

1191

00:55:31,610 --> 00:55:27,850

changing because in back in the 70s when

1192

00:55:35,460 --> 00:55:31,620

I was talking to my parents about seeing

1193

00:55:38,190 --> 00:55:35,470

ghosts and angels and I saw next our

1194

00:55:42,210 --> 00:55:38,200

neighbors dead mother and they were like

1195

00:55:44,220 --> 00:55:42,220

oh my gosh no don't talk about that you

1196

00:55:46,290 --> 00:55:44,230

are not they will put you in a little

1197

00:55:49,290 --> 00:55:46,300

white thing and put you in a rubber room

1198

00:55:52,530 --> 00:55:49,300

right but look at now look at we are

1199

00:55:54,510 --> 00:55:52,540

3040 years later and people want to hear

1200

00:55:56,640 --> 00:55:54,520

about the Angels they want to hear about

1201  
00:56:01,700 --> 00:55:56,650  
their family members that are passed on

1202  
00:56:03,840 --> 00:56:01,710  
so yes nothing perfect out of the get-go

1203  
00:56:06,330 --> 00:56:03,850  
increments things are coming in

1204  
00:56:10,410 --> 00:56:06,340  
increments and I just made a little note

1205  
00:56:13,530 --> 00:56:10,420  
here about spiritual babies sometimes I

1206  
00:56:17,520 --> 00:56:13,540  
see people acting naughty and my angels

1207  
00:56:20,330 --> 00:56:17,530  
remind me that they're as far as their

1208  
00:56:24,990 --> 00:56:20,340  
spiritual evolution there's still

1209  
00:56:26,760 --> 00:56:25,000  
spiritual babies so you have to be kind

1210  
00:56:28,830 --> 00:56:26,770  
to them like you would be to a naughty

1211  
00:56:30,690 --> 00:56:28,840  
little three-year-old you know if

1212  
00:56:34,470 --> 00:56:30,700  
they're stealing whatever they're doing

1213  
00:56:39,270 --> 00:56:34,480

they just have not spiritually advanced

1214

00:56:41,190 --> 00:56:39,280

um group scene things yes so we must

1215

00:56:45,350 --> 00:56:41,200

continue I'm sorry my little notes here

1216

00:56:48,090 --> 00:56:45,360

we must get a turret to evoke change and

1217

00:56:50,010 --> 00:56:48,100

isn't that interesting why isn't

1218

00:56:52,440 --> 00:56:50,020

everything perfect like why can't these

1219

00:56:54,840 --> 00:56:52,450

kids that are coming get it right but

1220

00:56:56,820 --> 00:56:54,850

the angels they know it's just like you

1221

00:56:59,160 --> 00:56:56,830

said it's gotta be in increments

1222

00:57:02,870 --> 00:56:59,170

it's like failures not allowed that's

1223

00:57:06,120 --> 00:57:02,880

right right yes well we we are failing

1224

00:57:10,770 --> 00:57:06,130

we're failing on it on a global level

1225

00:57:11,670 --> 00:57:10,780

and that the reason why the angels are

1226

00:57:14,309 --> 00:57:11,680

getting the

1227

00:57:16,680 --> 00:57:14,319

advanced beings to come to our earth to

1228

00:57:18,870 --> 00:57:16,690

try and help us and try to evoke this

1229

00:57:22,010 --> 00:57:18,880

change whoa

1230

00:57:24,210 --> 00:57:22,020

you know regarding children and just

1231

00:57:26,099 --> 00:57:24,220

something that I'd like to ask a

1232

00:57:29,809 --> 00:57:26,109

question about this but I'd like to note

1233

00:57:32,819 --> 00:57:29,819

about something about that first so ooh

1234

00:57:35,069 --> 00:57:32,829

just looking back and how I was raised

1235

00:57:37,710 --> 00:57:35,079

and the way my wife and I choosing to

1236

00:57:40,380 --> 00:57:37,720

raise our children now it's beyond day

1237

00:57:43,829 --> 00:57:40,390

and night difference in the way it did

1238

00:57:45,839 --> 00:57:43,839

the approach and so obviously that

1239

00:57:48,359 --> 00:57:45,849

change happened whether it would be

1240

00:57:50,130 --> 00:57:48,369

because we've had bad experiences

1241

00:57:51,930 --> 00:57:50,140

ourselves and say I will not do this to

1242

00:57:53,099 --> 00:57:51,940

my child and I will change things the

1243

00:57:57,230 --> 00:57:53,109

way they would the way they're being

1244

00:57:59,880 --> 00:57:57,240

done you know what I what I find

1245

00:58:03,299 --> 00:57:59,890

interesting is that did that change has

1246

00:58:05,400 --> 00:58:03,309

been already happening but not a lot of

1247

00:58:07,290 --> 00:58:05,410

us have realized that a lot of us have

1248

00:58:09,329 --> 00:58:07,300

recognized that it's it's happening

1249

00:58:11,220 --> 00:58:09,339

we're still waiting for this big boom

1250

00:58:12,780 --> 00:58:11,230

event it's like starting from this

1251  
00:58:14,880 --> 00:58:12,790  
moment on the change is going to be

1252  
00:58:17,700 --> 00:58:14,890  
happening instead we'll kind of been

1253  
00:58:19,920 --> 00:58:17,710  
halfway through you know dip this

1254  
00:58:21,809 --> 00:58:19,930  
process and we're still sitting there

1255  
00:58:23,130 --> 00:58:21,819  
waiting for something to happen and then

1256  
00:58:24,299 --> 00:58:23,140  
all of a sudden realize it's been

1257  
00:58:26,609 --> 00:58:24,309  
already happening

1258  
00:58:29,490 --> 00:58:26,619  
we just haven't caught on to it yet so

1259  
00:58:33,450 --> 00:58:29,500  
you brought up a great point you know we

1260  
00:58:36,569 --> 00:58:33,460  
live in this spiritual in this social

1261  
00:58:38,670 --> 00:58:36,579  
media age where everything is now I

1262  
00:58:40,349 --> 00:58:38,680  
click a button I bought something on

1263  
00:58:43,020 --> 00:58:40,359

Amazon it'll be on my door tomorrow

1264

00:58:45,660 --> 00:58:43,030

right we're on Facebook we're on Twitter

1265

00:58:49,470 --> 00:58:45,670

we're on all these social media is where

1266

00:58:53,130 --> 00:58:49,480

things happen so quickly but if we step

1267

00:58:56,750 --> 00:58:53,140

back and take a look um as far as

1268

00:59:01,829 --> 00:58:56,760

consciousness and beliefs from our

1269

00:59:05,809 --> 00:59:01,839

parents to us there's huge changes huge

1270

00:59:10,109 --> 00:59:05,819

changes and on just in one generation so

1271

00:59:13,770 --> 00:59:10,119

I see it almost like a house of cards or

1272

00:59:18,299 --> 00:59:13,780

a rolling snowball as more there's more

1273

00:59:21,030 --> 00:59:18,309

and more going with it it's picking up

1274

00:59:24,359 --> 00:59:21,040

speed bigger changes will come so I

1275

00:59:25,700 --> 00:59:24,369

think between us and our children

1276

00:59:27,680 --> 00:59:25,710

God just think

1277

00:59:29,450 --> 00:59:27,690

years from now what they'll be teaching

1278

00:59:31,940 --> 00:59:29,460

their children right they're gonna be

1279

00:59:35,690 --> 00:59:31,950

making fun of us oh my god they didn't

1280

00:59:38,270 --> 00:59:35,700

believe in this right yeah at least I'm

1281

00:59:41,630 --> 00:59:38,280

like my parents do yelled at me they

1282

00:59:46,610 --> 00:59:41,640

were loud you know and I'm thinking well

1283

00:59:51,200 --> 00:59:46,620

my generation was you think that's right

1284

00:59:54,590 --> 00:59:51,210

I want to get into it now but anyway but

1285

00:59:57,430 --> 00:59:54,600

yeah so I guess in conclusion Nikki if

1286

00:59:59,510 --> 00:59:57,440

you would like to is there some

1287

01:00:01,640 --> 00:59:59,520

concluding statement you'd like to make

1288

01:00:02,960 --> 01:00:01,650

and I'd like to then ask you about your

1289

01:00:05,210 --> 01:00:02,970

website and your books you've written

1290

01:00:07,130 --> 01:00:05,220

and possibly some things you have coming

1291

01:00:08,690 --> 01:00:07,140

up if you would like to talk about that

1292

01:00:12,380 --> 01:00:08,700

and we'll conclude with it I've

1293

01:00:15,020 --> 01:00:12,390

channeled something with my angels the

1294

01:00:18,200 --> 01:00:15,030

last couple of days to end our interview

1295

01:00:21,380 --> 01:00:18,210

with I always try and have a strong

1296

01:00:23,420 --> 01:00:21,390

impact to help people because I feel

1297

01:00:25,310 --> 01:00:23,430

like I'm a helper or a little helper

1298

01:00:28,220 --> 01:00:25,320

angel that's my purpose here on this

1299

01:00:30,560 --> 01:00:28,230

earth to help other people understand

1300

01:00:33,410 --> 01:00:30,570

their gifts and to accept their gifts

1301

01:00:37,040 --> 01:00:33,420

and to share their gifts so my Angela

1302

01:00:40,400 --> 01:00:37,050

and I talked about as lightworkers it's

1303

01:00:43,700 --> 01:00:40,410

important to hold the light not only on

1304

01:00:46,690 --> 01:00:43,710

ourselves but also on those who will not

1305

01:00:49,100 --> 01:00:46,700

or don't know how to change their energy

1306

01:00:51,200 --> 01:00:49,110

we all sort of made this agreement

1307

01:00:53,690 --> 01:00:51,210

before we were born as to what our

1308

01:00:55,430 --> 01:00:53,700

purpose would be in this world and how

1309

01:00:58,910 --> 01:00:55,440

we were going to live out our lives and

1310

01:01:01,220 --> 01:00:58,920

achieve this purpose and help humanity

1311

01:01:03,650 --> 01:01:01,230

because I honestly feel like there's not

1312

01:01:07,400 --> 01:01:03,660

one person out of seven billion people

1313

01:01:09,170 --> 01:01:07,410

that can't help it's that they won't

1314

01:01:11,360 --> 01:01:09,180

help or maybe they don't know how to

1315

01:01:14,840 --> 01:01:11,370

help maybe they need to be shown how to

1316

01:01:18,410 --> 01:01:14,850

help we don't know what these agreements

1317

01:01:21,190 --> 01:01:18,420

are for others and it's important from

1318

01:01:24,350 --> 01:01:21,200

the angels standpoint that we all know

1319

01:01:26,690 --> 01:01:24,360

don't judge someone else we don't know

1320

01:01:28,520 --> 01:01:26,700

their life's purpose we don't know what

1321

01:01:31,400 --> 01:01:28,530

spiritual lessons they are meant to

1322

01:01:32,540 --> 01:01:31,410

experience in their lives so we don't

1323

01:01:34,790 --> 01:01:32,550

know what these agreements are for

1324

01:01:37,910 --> 01:01:34,800

others or what role they choose to play

1325

01:01:39,010 --> 01:01:37,920

in the divine plan of things so be

1326

01:01:43,600 --> 01:01:39,020

careful not to

1327

01:01:46,210 --> 01:01:43,610

Jenny one be kind show kindness be loved

1328

01:01:48,370 --> 01:01:46,220

be the light and spread your light

1329

01:01:50,200 --> 01:01:48,380

because we every single one of us has

1330

01:01:53,230 --> 01:01:50,210

the most beautiful light within our

1331

01:01:55,800 --> 01:01:53,240

souls within our spirits that's meant to

1332

01:01:59,740 --> 01:01:55,810

be shared with others thank you for that

1333

01:02:04,180 --> 01:01:59,750

thank you and then well just so can you

1334

01:02:06,400 --> 01:02:04,190

please give us your website and where

1335

01:02:07,960 --> 01:02:06,410

people could possibly go and and read

1336

01:02:15,840 --> 01:02:07,970

more about you and find out more

1337

01:02:45,460 --> 01:02:42,940

[www.antakungfu.com](http://www.antakungfu.com) info if you'd like to

1338

01:02:47,980 --> 01:02:45,470

learn more about light workers in

1339

01:02:50,740 --> 01:02:47,990

general indigo crystal rainbow children

1340

01:02:52,150 --> 01:02:50,750

and maybe you have one of those children

1341

01:02:54,520 --> 01:02:52,160

you're a parent or one of those children

1342

01:02:56,140 --> 01:02:54,530

there's a lot of questions answered on

1343

01:02:59,830 --> 01:02:56,150

there I share a lot of information from

1344

01:03:04,360 --> 01:02:59,840

my book on that website I have my book

1345

01:03:07,360 --> 01:03:04,370

out star children advice for parents and

1346

01:03:11,320 --> 01:03:07,370

star children I have a book called a

1347

01:03:15,430 --> 01:03:11,330

spiritual evolution loved that book and

1348

01:03:18,070 --> 01:03:15,440

I have a third book out called a day in

1349

01:03:20,350 --> 01:03:18,080

spirit and again you can if you google

1350

01:03:23,590 --> 01:03:20,360

Nikki Pattillo you can get all of these

1351

01:03:25,720 --> 01:03:23,600

books on Amazon and a day in spirit I'm

1352

01:03:29,950 --> 01:03:25,730

very proud of this book is actually

1353

01:03:32,650 --> 01:03:29,960

quite spectacular it's for teens it

1354

01:03:35,650 --> 01:03:32,660

could be for anyone and it's just little

1355

01:03:39,250 --> 01:03:35,660

daily spiritual messages not religious

1356

01:03:41,620 --> 01:03:39,260

spiritual messages and a crystal

1357

01:03:44,560 --> 01:03:41,630

spectrum publication did a fantastic job

1358

01:03:46,000 --> 01:03:44,570

with this book the colors it's just

1359

01:03:49,240 --> 01:03:46,010

spectacular every month a different

1360

01:03:52,210 --> 01:03:49,250

color and it's a wonderful book so

1361

01:03:53,270 --> 01:03:52,220

please go to Amazon Google Nikki

1362

01:03:56,930 --> 01:03:53,280

Pattillo and check

1363

01:03:58,790 --> 01:03:56,940

books out awesome well Nikki thanks very

1364

01:04:00,940 --> 01:03:58,800

much thanks again for being on I

1365

01:04:03,770 --> 01:04:00,950

appreciate you doing what you do and

1366

01:04:05,780 --> 01:04:03,780

well we'll talk again soon and done

1367

01:04:08,630 --> 01:04:05,790

thank you so much thank you for this

1368

01:04:11,390 --> 01:04:08,640

experience today and um spreading your

1369

01:04:13,040 --> 01:04:11,400

work as you do thank you so much you're
