[Music]

2
00:00:23,260 --> 00:00:25,940

you

3
00:00:31,840 --> 00:00:29,320

my name's Calvin Parker and

4
00:00:38,290 --> 00:00:31,850

story that dates back to October 11th of

5
00:00:41,440 --> 00:00:38,300

1973 when it all begun so I had all been

6
00:00:43,390 --> 00:00:41,450

working in the oil field and working 16

7
00:00:46,689 --> 00:00:43,400

hours a day seven days a week and I

8
00:00:50,080 --> 00:00:46,699

decided to quit the oil field because I

9
00:00:52,660 --> 00:00:50,090

was engaged to get married in about a

10
00:00:54,880 --> 00:00:52,670

month so I quit and wanted a normal job

11
00:01:00,160 --> 00:00:54,890

I called a friend of mine which was

12
00:01:01,869 --> 00:01:00,170

Charlie Higson so we're now

13
00:01:03,880 --> 00:01:01,879

I called him he said we'll come on down

14

00:01:07,050 --> 00:01:03,890

and go to work so I just rented a room

15

00:01:10,210 --> 00:01:07,060

from Charlie for a little bit of wheat

16

00:01:12,730 --> 00:01:10,220

so we went to work together my first day

17

00:01:16,719 --> 00:01:12,740

there as a ship fitter on the shipyard

18

00:01:20,740 --> 00:01:16,729

at the old dog show peppy Walker's son

19

00:01:23,020 --> 00:01:20,750

shipyard we went to work and it was a

20

00:01:23,670 --> 00:01:23,030

good day but it was hot for an October

21

00:01:26,920 --> 00:01:23,680

day

22

00:01:29,469 --> 00:01:26,930

so when we got off work Charlie asked me

23

00:01:31,420 --> 00:01:29,479

said you want to go fishing and of

24

00:01:33,700 --> 00:01:31,430

course I wanted to go fishing you know

25

00:01:38,740 --> 00:01:33,710

because that's what we did back him for

26

00:01:40,690 --> 00:01:38,750

recreation in 73 so we went got her

27

00:01:43,059 --> 00:01:40,700

fishing equipment loaded up and went to

28

00:01:45,430 --> 00:01:43,069

a place called the shop Peter shipyard

29

00:01:48,850 --> 00:01:45,440

and when we got there I noticed I was

30

00:01:52,690 --> 00:01:48,860

lava debris and all on video

31

00:01:54,850 --> 00:01:52,700

feel out next to us but what I found out

32

00:01:57,760 --> 00:01:54,860

later I thought they was just the base I

33

00:01:59,620 --> 00:01:57,770

found out that oh that washed the end

34

00:02:02,320 --> 00:01:59,630

with a tide and then when the tide went

35

00:02:04,390 --> 00:02:02,330

out I just left it there so we had them

36

00:02:08,830 --> 00:02:04,400

parked and there was a no trespassing

37

00:02:10,719 --> 00:02:08,840

sign and we had a real hard time getting

38

00:02:13,270 --> 00:02:10,729

the wood we were and I kept asking

39

00:02:16,090 --> 00:02:13,280

Charlie I said this is no trespassing

40

00:02:18,400 --> 00:02:16,100

and I don't think we need to be trashed

41

00:02:21,940 --> 00:02:18,410

all I fished here all the time okay

42

00:02:24,670 --> 00:02:21,950

Charlie let's go so I was all game for

43

00:02:28,000 --> 00:02:24,680

it we walked down to the pier we got set

44

00:02:32,080 --> 00:02:28,010

down and as we sat down I was looking

45

00:02:35,110 --> 00:02:32,090

across the river and there was a big

46

00:02:37,840 --> 00:02:35,120

ship a Coast Guard ship or NOAA Ship

47

00:02:40,330 --> 00:02:37,850

anyhow I was a big ship actor and I was

48

00:02:42,130 --> 00:02:40,340

sitting there thinking to myself how

49

00:02:44,800 --> 00:02:42,140

does these things float made out of

50

00:02:47,230 --> 00:02:44,810

steel and then that's when I noticed

51
00:02:49,630 --> 00:02:47,240
some blue hazy lights coming from across

52
00:02:51,610 --> 00:02:49,640
their back and I didn't pay much

53
00:02:54,190 --> 00:02:51,620
attention to start with but then I got

54
00:02:56,560 --> 00:02:54,200
to thinking we'll we're trespassing on

55
00:02:59,590 --> 00:02:56,570
this private property and that's the

56
00:03:03,520 --> 00:02:59,600
same lights at the yo chef department

57
00:03:05,440 --> 00:03:03,530
now uses on their cars then so that got

58
00:03:08,050 --> 00:03:05,450
our attention we stood up turn around

59
00:03:11,770 --> 00:03:08,060
and look at the time we turned around

60
00:03:14,680 --> 00:03:11,780
and looked it was late I mean we've seen

61
00:03:16,870 --> 00:03:14,690
the blue hazy lights and then it must

62
00:03:20,110 --> 00:03:16,880
have been a door opened up on something

63
00:03:22,509 --> 00:03:20,120

on this craft that we had seen and the

64

00:03:24,880 --> 00:03:22,519

lights just got so bright I mean they

65

00:03:27,490 --> 00:03:24,890

was extremely bright there was blinding

66

00:03:29,830 --> 00:03:27,500

almost and before we knew it

67

00:03:32,850 --> 00:03:29,840

Charlie our boat was looking at this

68

00:03:36,060 --> 00:03:32,860

time of before we knew it they was three

69

00:03:39,370 --> 00:03:36,070

creatures and I couldn't describe them

70

00:03:41,440 --> 00:03:39,380

they're facing our right now but they

71

00:03:44,140 --> 00:03:41,450

have just appeared right there who we

72

00:03:46,050 --> 00:03:44,150

were come to find out later they was

73

00:03:48,699 --> 00:03:46,060

floating across the top of the yield

74

00:03:50,910 --> 00:03:48,709

marsh grass and all that's how they made

75

00:03:53,160 --> 00:03:50,920

it that fast but

76
00:03:54,870 --> 00:03:53,170
these three pictures just appeared where

77
00:03:57,630 --> 00:03:54,880
two of them got ahold of child and one

78
00:04:02,059 --> 00:03:57,640
got ahold of myself and immediately I

79
00:04:06,360 --> 00:04:02,069
felt a young puncher wound in my arm and

80
00:04:08,699 --> 00:04:06,370
just got real relaxed I was extra scared

81
00:04:11,220 --> 00:04:08,709
before this happened and wanted to run

82
00:04:13,080 --> 00:04:11,230
but it was nowhere to run but when they

83
00:04:17,340 --> 00:04:13,090
had got ahold of me and I felt that

84
00:04:19,470 --> 00:04:17,350
puncher mark it just relaxed me so later

85
00:04:22,980 --> 00:04:19,480
on at the hospital we found out that

86
00:04:26,730 --> 00:04:22,990
they gave us some kind of injection well

87
00:04:29,280 --> 00:04:26,740
from that point on when they grabbed me

88
00:04:31,409 --> 00:04:29,290

by the one they levitated me up and they

89

00:04:33,659 --> 00:04:31,419

floated me toward the crowd and I

90

00:04:36,480 --> 00:04:33,669

noticed one thing before going inside I

91

00:04:39,960 --> 00:04:36,490

was looking for all where all the lights

92

00:04:41,940 --> 00:04:39,970

was coming from but I couldn't do

93

00:04:45,390 --> 00:04:41,950

nothing but just look straight ahead and

94

00:04:47,610 --> 00:04:45,400

roll my head I couldn't move my body but

95

00:04:50,670 --> 00:04:47,620

it was coming out of the walls it's just

96

00:04:53,640 --> 00:04:50,680

like you painted lights on them on the

97

00:04:55,890 --> 00:04:53,650

walls there and they were bright so we

98

00:04:58,140 --> 00:04:55,900

got there and I kind of look now didn't

99

00:05:01,860 --> 00:04:58,150

see any fixtures anything at the time

100

00:05:04,950 --> 00:05:01,870

and this thing made a left turn and then

101
00:05:07,620 --> 00:05:04,960
it made the immediate right turn and

102
00:05:10,950 --> 00:05:07,630
then it laid me out on me I call it an

103
00:05:14,880 --> 00:05:10,960
examination table on about a 16 degree

104
00:05:17,310 --> 00:05:14,890
angle now I don't know what they called

105
00:05:19,860 --> 00:05:17,320
it but that's what I called it so we was

106
00:05:22,920 --> 00:05:19,870
laying at about a 16 degree angle and

107
00:05:26,310 --> 00:05:22,930
all of a sudden I the Sailor my head on

108
00:05:28,080 --> 00:05:26,320
my back looking up out of the Sailor and

109
00:05:31,440 --> 00:05:28,090
something my size of a deck of cards

110
00:05:34,140 --> 00:05:31,450
that came down and it stopped about a

111
00:05:36,540 --> 00:05:34,150
foot in front of my head and I heard it

112
00:05:38,730 --> 00:05:36,550
clicked one time then he went to the

113
00:05:41,790 --> 00:05:38,740

other side of my head and click there

114

00:05:44,250 --> 00:05:41,800

behind my head and clicked and then it

115

00:05:47,550 --> 00:05:44,260

clipped one more time and just shot back

116

00:05:52,210 --> 00:05:47,560

up into the ceiling so I don't know what

117

00:05:55,070 --> 00:05:52,220

that was and what all that was about but

118

00:05:57,320 --> 00:05:55,080

anyhow it made that clicking noise and

119

00:05:59,240 --> 00:05:57,330

then all of a sudden this big robotic

120

00:06:02,420 --> 00:05:59,250

looking creature that had me and I'm

121

00:06:05,689 --> 00:06:02,430

convinced he was a robot cause he moved

122

00:06:08,930 --> 00:06:05,699

mechanically wise he was about five foot

123

00:06:13,129 --> 00:06:08,940

tall he had looked like mittens on his

124

00:06:17,390 --> 00:06:13,139

hands and also walked he just backed up

125

00:06:19,760 --> 00:06:17,400

to the door and this other feminine

126

00:06:23,240 --> 00:06:19,770

looking creature came out and I'm pretty

127

00:06:26,420 --> 00:06:23,250

sure she was a female because a man can

128

00:06:29,060 --> 00:06:26,430

just sense a female when in a woman

129

00:06:31,070 --> 00:06:29,070

consents a male I know there's times

130

00:06:33,379 --> 00:06:31,080

that I've been to Bourbon Street you

131

00:06:35,840 --> 00:06:33,389

know and you can tell the difference in

132

00:06:39,110 --> 00:06:35,850

the cross-dressers of drag queens now

133

00:06:40,790 --> 00:06:39,120

and a real female and that's the sense

134

00:06:44,060 --> 00:06:40,800

that I heard that this was a female

135

00:06:45,980 --> 00:06:44,070

wherever she was or not I don't know you

136

00:06:49,129 --> 00:06:45,990

know I didn't get to look that far down

137

00:06:52,290 --> 00:06:49,139

to see if she really was but she came

138

00:06:54,960 --> 00:06:52,300

out her fingers was normal

139

00:07:00,140 --> 00:06:54,970

and her two metal fingers was just a

140

00:07:03,000 --> 00:07:00,150

little longer than then her other

141

00:07:06,060 --> 00:07:03,010

fingers are all what our focus would be

142

00:07:07,680 --> 00:07:06,070

and she grabbed me by the cheek and kind

143

00:07:10,860 --> 00:07:07,690

of pitched my cheek a little bit and I

144

00:07:11,850 --> 00:07:10,870

didn't feel any feelings whatsoever when

145

00:07:13,740 --> 00:07:11,860

she done then

146

00:07:16,410 --> 00:07:13,750

but then she grabbed me about a mouth

147

00:07:19,040 --> 00:07:16,420

and prized it open and she run her two

148

00:07:21,690 --> 00:07:19,050

middle fingers down my throat that

149

00:07:24,570 --> 00:07:21,700

behind that little thing that hangs down

150

00:07:27,720 --> 00:07:24,580

is Chyna and I that's when I started

151

00:07:29,790 --> 00:07:27,730

choking and I just got real choked up

152

00:07:32,580 --> 00:07:29,800

and it was I think she was trying to get

153

00:07:35,340 --> 00:07:32,590

into my navel cavity nasal cavity for a

154

00:07:37,950 --> 00:07:35,350

reason but anyhow I started choking it

155

00:07:41,640 --> 00:07:37,960

all and that's when she the only thing

156

00:07:44,610 --> 00:07:41,650

I've heard and her mouth didn't moves

157

00:07:47,280 --> 00:07:44,620

she must have sent a telepathic message

158

00:07:50,970 --> 00:07:47,290

I'm not going we're not gonna hurt you

159

00:07:54,060 --> 00:07:50,980

and she said were not so you know I

160

00:07:56,580 --> 00:07:54,070

understood that anaconda made me feel a

161

00:07:58,710 --> 00:07:56,590

little more at ease but you know by that

162

00:08:01,740 --> 00:07:58,720

time I was already choking and my nose

163

00:08:04,280 --> 00:08:01,750

was started bleeding so she pulled out

164

00:08:07,920 --> 00:08:04,290

and she made a little mumble noise and

165

00:08:10,110 --> 00:08:07,930

that's when the big robotic the big ugly

166

00:08:12,930 --> 00:08:10,120

one what I call her robotic looking

167

00:08:15,600 --> 00:08:12,940

creatures came back over and grabbed me

168

00:08:19,440 --> 00:08:15,610

by the arm again and I heard her hoof

169

00:08:22,740 --> 00:08:19,450

like that and it was another injection

170

00:08:25,530 --> 00:08:22,750

and later on I found out when went to

171

00:08:28,290 --> 00:08:25,540

the hospital it's kind of like a err

172

00:08:31,320 --> 00:08:28,300

needle that's all or that's what they

173

00:08:33,150 --> 00:08:31,330

figured it was out but till you inject

174

00:08:36,240 --> 00:08:33,160

you'd like to do the military you know

175

00:08:41,130 --> 00:08:36,250

by the guards or no they inject

176

00:08:44,730 --> 00:08:41,140

something into you so I automatically

177

00:08:46,650 --> 00:08:44,740

relaxed me when he did this again was

178

00:08:48,480 --> 00:08:46,660

she made another little noise and she

179

00:08:51,900 --> 00:08:48,490

turned around and left I guess she was

180

00:08:54,690 --> 00:08:51,910

through with me so when she left this

181

00:08:57,450 --> 00:08:54,700

big ugly creature grabbed me put me back

182

00:09:00,590 --> 00:08:57,460

out on the river exactly where he picked

183

00:09:02,759 --> 00:09:00,600

me up and my arms were stretched out

184

00:09:05,669 --> 00:09:02,769

facing the river

185

00:09:07,109 --> 00:09:05,679

and that's where my I heard the guy that

186

00:09:10,650 --> 00:09:07,119

was with me Charles Hickson

187

00:09:13,049 --> 00:09:10,660

he said son son you okay and I was

188

00:09:15,720 --> 00:09:13,059

talking to myself no I'm not okay you

189

00:09:17,579 --> 00:09:15,730

know but it will have to be and that's

190

00:09:20,280 --> 00:09:17,589

when we both stood up and turn around

191

00:09:23,280 --> 00:09:20,290

looked and this thing they were back at

192

00:09:25,439 --> 00:09:23,290

the ship by then and they just picked up

193

00:09:27,210 --> 00:09:25,449

a little bit off the ground then they

194

00:09:32,009 --> 00:09:27,220

just more or less disappeared into the

195

00:09:34,530 --> 00:09:32,019

air like a stroke of lightning but uh we

196

00:09:36,900 --> 00:09:34,540

sit there and talked a few minutes

197

00:09:38,730 --> 00:09:36,910

and I told Charlie he said well we need

198

00:09:41,670 --> 00:09:38,740

to tell somebody I said tell somebody

199

00:09:44,640 --> 00:09:41,680

what I wasn't here because I didn't want

200

00:09:47,100 --> 00:09:44,650

nobody to know because I was fixing to

201
00:09:50,880 --> 00:09:47,110
get married and all I wanted in life was

202
00:09:53,580 --> 00:09:50,890
to get married have children buy a house

203
00:09:56,790 --> 00:09:53,590
have grandchildren retire and fish

204
00:09:59,010 --> 00:09:56,800
that's all I wanted so I said no I don't

205
00:10:01,950 --> 00:09:59,020
know anything about it Charlie I wasn't

206
00:10:05,670 --> 00:10:01,960
there so let's just not tell nobody

207
00:10:10,200 --> 00:10:05,680
well okay so we made our way back to the

208
00:10:12,630 --> 00:10:10,210
car when we got to the car I had a 1973

209
00:10:16,050 --> 00:10:12,640
Rimmel Hornet it was a brand-new little

210
00:10:19,110 --> 00:10:16,060
car and the windows was shattered on the

211
00:10:22,110 --> 00:10:19,120
passenger side that's the same side to

212
00:10:24,150 --> 00:10:22,120
craft and landed on and that was just

213
00:10:27,450 --> 00:10:24,160

all shatter didn't in place with that

214

00:10:29,220 --> 00:10:27,460

safety glass so we opened it and the

215

00:10:31,860 --> 00:10:29,230

glass fell out on the drive our

216

00:10:34,890 --> 00:10:31,870

passenger side and I tried to crank the

217

00:10:36,630 --> 00:10:34,900

car they wouldn't hardly crank so I must

218

00:10:39,390 --> 00:10:36,640

have grinded on it for fifteen minutes

219

00:10:42,450 --> 00:10:39,400

to the battery never got weak and I was

220

00:10:44,869 --> 00:10:42,460

often wondered about that finally got it

221

00:10:48,739 --> 00:10:44,879

cranked and we left

222

00:10:50,929 --> 00:10:48,749

so when we left we drove up there was a

223

00:10:53,989 --> 00:10:50,939

store just before we get to Charley's

224

00:10:57,259 --> 00:10:53,999

apartment and we put he said pull up

225

00:10:59,179 --> 00:10:57,269

here well I was wondering why because in

226

00:11:01,879 --> 00:10:59,189

state of Mississippi they have blue laws

227

00:11:04,609 --> 00:11:01,889

and the stores shut down at a certain

228

00:11:07,279 --> 00:11:04,619

time every night when the blue law was

229

00:11:10,219 --> 00:11:07,289

in effect but he's seen a phone there a

230

00:11:13,789 --> 00:11:10,229

payphone back in they didn't have cell

231

00:11:15,650 --> 00:11:13,799

phones they didn't have all computers so

232

00:11:19,129 --> 00:11:15,660

you didn't have to worry about all this

233

00:11:21,439 --> 00:11:19,139

media and stuff so he went to the phone

234

00:11:25,639 --> 00:11:21,449

we hunted a dime he called Keesler Air

235

00:11:28,069 --> 00:11:25,649

Force Base well case our told him he

236

00:11:29,940 --> 00:11:28,079

explained to him what happened case law

237

00:11:31,920 --> 00:11:29,950

said well

238

00:11:34,400 --> 00:11:31,930

we don't deal with this kind of thing

239

00:11:37,740 --> 00:11:34,410

anymore - call your local authorities

240

00:11:40,560 --> 00:11:37,750

Charlie said okay so he came back to the

241

00:11:44,790 --> 00:11:40,570

card he got another dime we had to dig

242

00:11:49,110 --> 00:11:44,800

under the seat to find it and he dropped

243

00:11:52,110 --> 00:11:49,120

it in I heard him talking to somebody at

244

00:11:54,240 --> 00:11:52,120

the Sheriff Department then so when he

245

00:11:56,040 --> 00:11:54,250

told him told him what happened I heard

246

00:11:57,810 --> 00:11:56,050

Charlie say you got to promise me you're

247

00:12:00,569 --> 00:11:57,820

not gonna laugh and I was listening to

248

00:12:03,150 --> 00:12:00,579

one side later on I found out they're

249

00:12:05,759 --> 00:12:03,160

dead laughs he the detective said well

250

00:12:08,040 --> 00:12:05,769

we're not gonna laugh and then though I

251

00:12:11,120 --> 00:12:08,050

seen an interview later on with his

252

00:12:13,650 --> 00:12:11,130

detective he said and I laughed so

253

00:12:15,360 --> 00:12:13,660

anyhow Charlie told him about what's

254

00:12:18,630 --> 00:12:15,370

happened they said you boys sent right

255

00:12:20,100 --> 00:12:18,640

there so we sat in the car waiting on

256

00:12:22,470 --> 00:12:20,110

the shelf Department to get there

257

00:12:24,690 --> 00:12:22,480

because they thought we was drunk or on

258

00:12:27,750 --> 00:12:24,700

drugs or something and they wanted to

259

00:12:31,870 --> 00:12:27,760

come check us out so they got their home

260

00:12:35,170 --> 00:12:31,880

they looked inside the car

261

00:12:38,290 --> 00:12:35,180

side i wanted to say my ID so i showed

262

00:12:41,730 --> 00:12:38,300

her my driver's license an ID and then

263

00:12:45,220 --> 00:12:41,740

they told me to step out of the car and

264

00:12:48,639 --> 00:12:45,230

stand on one leg jump up and down hold

265

00:12:51,490 --> 00:12:48,649

my head back touch my nose close my eyes

266

00:12:55,269 --> 00:12:51,500

and count backwards I thought what a

267

00:12:57,009 --> 00:12:55,279

bunch of idiots yeah they all figured we

268

00:13:00,340 --> 00:12:57,019

was drinking and just trying to have

269

00:13:02,259 --> 00:13:00,350

some fun but then when they got through

270

00:13:04,240 --> 00:13:02,269

with the field sobriety test they said

271

00:13:07,509 --> 00:13:04,250

follow us through the surf Department

272

00:13:09,699 --> 00:13:07,519

and we got there we did we cranked out

273

00:13:12,550 --> 00:13:09,709

and followed them which was about eight

274

00:13:14,920 --> 00:13:12,560

minutes away from there and when we got

275

00:13:16,629 --> 00:13:14,930

there they had a balloon of some kind

276

00:13:19,210 --> 00:13:16,639

they made me blow and they didn't make

277

00:13:20,889 --> 00:13:19,220

charlie blow really but I said to her

278

00:13:23,519 --> 00:13:20,899

and I believe we're not balloon until I

279

00:13:26,980 --> 00:13:23,529

was convinced I hadn't been drinking

280

00:13:28,990 --> 00:13:26,990

so they put put us in separate rooms

281

00:13:30,879 --> 00:13:29,000

they took Charlie in one room and I in

282

00:13:33,730 --> 00:13:30,889

another room and they started

283

00:13:35,590 --> 00:13:33,740

interrogating us separately then all of

284

00:13:38,829 --> 00:13:35,600

a sudden they brought us out and it put

285

00:13:40,780 --> 00:13:38,839

us into a room together and one went

286

00:13:42,699 --> 00:13:40,790

into the room together they had a tape

287

00:13:44,980 --> 00:13:42,709

recorder in her drawer we didn't know

288

00:13:48,730 --> 00:13:44,990

about and that's what they call the

289

00:13:52,150 --> 00:13:48,740

sacred tape now so I didn't get to hear

290

00:13:54,939 --> 00:13:52,160

it up until about a year ago this secret

291

00:13:59,290 --> 00:13:54,949

tape that we talked about we were scared

292

00:14:01,540 --> 00:13:59,300

and what was going on in all this so

293

00:14:03,999 --> 00:14:01,550

that's what really convinced him that we

294

00:14:06,009 --> 00:14:04,009

was telling the truth and they already

295

00:14:11,190 --> 00:14:06,019

proved we weren't drinking because of

296

00:14:14,460 --> 00:14:11,200

they are testing for your blood alcohol

297

00:14:16,740 --> 00:14:14,470

so when they got through the sheriff

298

00:14:20,950 --> 00:14:16,750

came in that make sure if he said go go

299

00:14:23,110 --> 00:14:20,960

home and I would say y'all tomorrow

300

00:14:27,460 --> 00:14:23,120

so we did when I got in a car drove

301
00:14:29,510 --> 00:14:27,470
herself home and then when I got home I

302
00:14:32,360 --> 00:14:29,520
got to thinking

303
00:14:34,540 --> 00:14:32,370
about maybe it's a possibility that we

304
00:14:37,340 --> 00:14:34,550
might have bacterial illness or

305
00:14:40,520 --> 00:14:37,350
radiation so I got too worried about

306
00:14:42,440 --> 00:14:40,530
there other people that was around us

307
00:14:44,390 --> 00:14:42,450
getting something from this I wasn't too

308
00:14:46,910 --> 00:14:44,400
worried about myself having anything but

309
00:14:48,860 --> 00:14:46,920
I was worried about two other people so

310
00:14:50,840 --> 00:14:48,870
when I got to I went to the bathroom

311
00:14:53,090 --> 00:14:50,850
there was a gallon of bleach on the

312
00:14:55,880 --> 00:14:53,100
bathtub I took all my clothes off my

313
00:14:57,680 --> 00:14:55,890

shoes I put them in a paper bag and I

314

00:15:00,380 --> 00:14:57,690

poured this bleach over my head and

315

00:15:04,790 --> 00:15:00,390

washed it all just in case it was some

316

00:15:07,840 --> 00:15:04,800

kind of bacteria now then after I got

317

00:15:10,580 --> 00:15:07,850

through about it I went on to bed I

318

00:15:12,230 --> 00:15:10,590

tried to sleep I didn't sleep into that

319

00:15:15,740 --> 00:15:12,240

night got off about 6:00 the next

320

00:15:20,630 --> 00:15:15,750

morning and Charlie and I left going to

321

00:15:22,790 --> 00:15:20,640

work well Holly got to work it was a lot

322

00:15:26,560 --> 00:15:22,800

of different cars there that shouldn't

323

00:15:30,530 --> 00:15:26,570

have been there and we knew that and but

324

00:15:32,810 --> 00:15:30,540

we didn't we really the sheriff had

325

00:15:35,930 --> 00:15:32,820

promised us that he wasn't gonna tell

326

00:15:39,170 --> 00:15:35,940

anybody so we did really didn't think

327

00:15:41,150 --> 00:15:39,180

about being the press or anything but we

328

00:15:43,160 --> 00:15:41,160

went on to the work station and that's

329

00:15:46,640 --> 00:15:43,170

where the guy that owned the shipyard

330

00:15:49,520 --> 00:15:46,650

called us in and told us to come to the

331

00:15:52,580 --> 00:15:49,530

office and I knew right then that

332

00:15:55,520 --> 00:15:52,590

something was going on he said we cannot

333

00:15:57,890 --> 00:15:55,530

conduct business here our phones are

334

00:15:59,780 --> 00:15:57,900

ringing off the hook I don't know what

335

00:16:03,410 --> 00:15:59,790

happened to you guys but y'all need to

336

00:16:05,750 --> 00:16:03,420

give a press release right now and I'm

337

00:16:08,660 --> 00:16:05,760

going to call my turning in to takes

338

00:16:11,030 --> 00:16:08,670

care of the shipyard business and y'all

339

00:16:12,500 --> 00:16:11,040

tell him and he'd give the press the

340

00:16:16,870 --> 00:16:12,510

release to the press

341

00:16:18,520 --> 00:16:16,880

so we did we talked to the attorney

342

00:16:22,060 --> 00:16:18,530

and I'm still wondering how in the world

343

00:16:23,980 --> 00:16:22,070

did they find out but after talking to

344

00:16:26,770 --> 00:16:23,990

the attorney I told you my concerns

345

00:16:28,570 --> 00:16:26,780

about be you know contaminated with

346

00:16:32,080 --> 00:16:28,580

something and maybe make everybody else

347

00:16:36,100 --> 00:16:32,090

see so he made arrangements take us to

348

00:16:39,270 --> 00:16:36,110

all singing River Hospital right there

349

00:16:42,460 --> 00:16:39,280

and possibly get us a good examination

350

00:16:45,640 --> 00:16:42,470

bloodwork and all this and they said

351

00:16:48,100 --> 00:16:45,650

well y'all look fine and then they

352

00:16:52,540 --> 00:16:48,110

called and said we're waiting for y'all

353

00:16:55,240 --> 00:16:52,550

at Kiesler to do the radiation test well

354

00:16:57,190 --> 00:16:55,250

that was kind of scary itself because

355

00:16:59,560 --> 00:16:57,200

they put us in patrol car turn the

356

00:17:01,870 --> 00:16:59,570

lights on and they drove straight to

357

00:17:03,640 --> 00:17:01,880

Keesler Air Force Base never had to go

358

00:17:06,189 --> 00:17:03,650

through security or nothing they flagged

359

00:17:09,069 --> 00:17:06,199

his own through and we got back there

360

00:17:11,280 --> 00:17:09,079

was six men and hazmat suits and they

361

00:17:14,530 --> 00:17:11,290

come out and check this out

362

00:17:16,240 --> 00:17:14,540

did something rub had some kind of

363

00:17:19,420 --> 00:17:16,250

instrument to check this world

364

00:17:21,490 --> 00:17:19,430

and they said well y'all all clear but

365

00:17:24,610 --> 00:17:21,500

they want to see you inside down the

366

00:17:27,640 --> 00:17:24,620

hall and I thought Oh Lord I've heard

367

00:17:29,920 --> 00:17:27,650

stories of this you know but it went

368

00:17:32,710 --> 00:17:29,930

real well they escorted down the hoenn

369

00:17:36,460 --> 00:17:32,720

there's a lot of military officials it

370

00:17:39,460 --> 00:17:36,470

was on a lot of local officials like

371

00:17:41,650 --> 00:17:39,470

mayors and police chief's and from three

372

00:17:44,620 --> 00:17:41,660

little towns that live right there by

373

00:17:46,840 --> 00:17:44,630

the coast so I guess they was trying to

374

00:17:50,620 --> 00:17:46,850

figure out how to handle situation like

375

00:17:54,040 --> 00:17:50,630

this so the military questions told us

376

00:17:57,000 --> 00:17:54,050

they was all through and we could go so

377

00:18:00,840 --> 00:17:57,010

we drove back to the shipyard

378

00:18:03,870 --> 00:18:00,850

and that same day that we got back dr.

379

00:18:06,780 --> 00:18:03,880

John Allen Hynek had already heard about

380

00:18:09,390 --> 00:18:06,790

this and he was on his way and told him

381

00:18:13,470 --> 00:18:09,400

to what keep us there until the next day

382

00:18:15,450 --> 00:18:13,480

that he wanted to talk to us so I was

383

00:18:17,490 --> 00:18:15,460

actually planning on going home that

384

00:18:19,890 --> 00:18:17,500

night but when they they said he was

385

00:18:22,560 --> 00:18:19,900

down in native time at the time I didn't

386

00:18:25,110 --> 00:18:22,570

know who the how honey was you know he

387

00:18:26,340 --> 00:18:25,120

was just a name I heard doctor in front

388

00:18:29,580 --> 00:18:26,350

of it and you know and that's the where

389

00:18:31,770 --> 00:18:29,590

he must be important so the next morning

390

00:18:32,940 --> 00:18:31,780

when winnie and dr. Hynek and doctor

391

00:18:35,789 --> 00:18:32,950

john allen heimer

392

00:18:38,100 --> 00:18:35,799

harder was there were dr. harder there

393

00:18:42,030 --> 00:18:38,110

was a physical exam he looked at my arm

394

00:18:45,240 --> 00:18:42,040

or we had them punch her Mars he was

395

00:18:47,220 --> 00:18:45,250

going to a regrets hypnosis only but he

396

00:18:49,890 --> 00:18:47,230

had to bring me back out but he did own

397

00:18:51,600 --> 00:18:49,900

Charlie well who are doing that dr.

398

00:18:54,030 --> 00:18:51,610

Heinrich pulled me in a room and asked

399

00:18:57,150 --> 00:18:54,040

me a lot of questions wanted to go to

400

00:18:59,310 --> 00:18:57,160

the site where this happened so you know

401
00:19:03,539 --> 00:18:59,320
I agreed to do that so I could just get

402
00:19:05,760 --> 00:19:03,549
rid of him and go but uh everybody was

403
00:19:09,000 --> 00:19:05,770
extremely nice about it his end

404
00:19:11,310 --> 00:19:09,010
conclusion was well I don't know what

405
00:19:14,270 --> 00:19:11,320
these guys went through but to win

406
00:19:16,680 --> 00:19:14,280
through something traumatic and if they

407
00:19:18,830 --> 00:19:16,690
actors they should be in Hollywood

408
00:19:21,450 --> 00:19:18,840
because they doing a good job at it and

409
00:19:25,080 --> 00:19:21,460
that was the last I seen honey

410
00:19:26,880 --> 00:19:25,090
oh and harder really from what I

411
00:19:28,799 --> 00:19:26,890
understand he went out to the same

412
00:19:30,450 --> 00:19:28,809
investor that he looked around I don't

413
00:19:37,710 --> 00:19:30,460

know what he found or what it didn't

414

00:19:40,080 --> 00:19:37,720

find so well I got back home I meant we

415

00:19:41,669 --> 00:19:40,090

got through there I got my car and I

416

00:19:44,720 --> 00:19:41,679

hailed my butt back to Laurel

417

00:19:48,120 --> 00:19:44,730

Mississippi 105 miles from the coast and

418

00:19:51,780 --> 00:19:48,130

I knew I was gonna have to tell my

419

00:19:53,820 --> 00:19:51,790

family something friends but they never

420

00:19:56,720 --> 00:19:53,830

asked me about it so I never told him

421

00:20:00,330 --> 00:19:56,730

nothing and I kept that up for 45 years

422

00:20:04,230 --> 00:20:00,340

now I later on found out who broke the

423

00:20:06,480 --> 00:20:04,240

story back then people were nosy they

424

00:20:08,150 --> 00:20:06,490

had her nose and everybody's business so

425

00:20:10,520 --> 00:20:08,160

everybody had a scanner

426
00:20:13,279 --> 00:20:10,530
and they scan the place Department and

427
00:20:14,810 --> 00:20:13,289
the fire department and they must have

428
00:20:17,390 --> 00:20:14,820
heard it come over through the chef

429
00:20:20,240 --> 00:20:17,400
department inner cone and that's how the

430
00:20:22,669 --> 00:20:20,250
story actually got out through the

431
00:20:25,669 --> 00:20:22,679
Mississippi press picked it up and then

432
00:20:28,970 --> 00:20:25,679
all the nosy people picked it up and

433
00:20:31,460 --> 00:20:28,980
called in about it and it was hundreds

434
00:20:35,210 --> 00:20:31,470
of reporters there though it went

435
00:20:38,210 --> 00:20:35,220
international for most still going

436
00:20:44,190 --> 00:20:38,220
international this has been going on 45

437
00:20:47,159 --> 00:20:44,200
years so well I just done what

438
00:20:49,860 --> 00:20:47,169

I said I do I kept my mouth shut I tried

439

00:20:53,940 --> 00:20:49,870

not to tell nobody but I tell somebody

440

00:20:56,360 --> 00:20:53,950

you know I got fired I got hired fired

441

00:20:58,860 --> 00:20:56,370

in a physical exam I all on the same day

442

00:21:02,960 --> 00:20:58,870

and that's just about the way it

443

00:21:06,509 --> 00:21:02,970

happened my first day at the shipyard Oh

444

00:21:08,519 --> 00:21:06,519

then I got inducted that day I got fired

445

00:21:11,519 --> 00:21:08,529

that same day because interfering with

446

00:21:15,870 --> 00:21:11,529

shipyard business but I was happy to

447

00:21:17,940 --> 00:21:15,880

leave so I went back home and then when

448

00:21:21,509 --> 00:21:17,950

I got home nobody asked me about it we

449

00:21:25,320 --> 00:21:21,519

didn't talk about it and that November

450

00:21:27,899 --> 00:21:25,330

this happened October 11th of 1973 so

451
00:21:30,690 --> 00:21:27,909
November the 9th which is next month I

452
00:21:33,180 --> 00:21:30,700
got married until this day my wife has

453
00:21:37,769 --> 00:21:33,190
never asked me about it until we started

454
00:21:39,389 --> 00:21:37,779
working on the book so when we was doing

455
00:21:41,700 --> 00:21:39,399
the book you know I answered a few

456
00:21:43,799 --> 00:21:41,710
questions about it and that's really

457
00:21:48,389 --> 00:21:43,809
strange where the book come up because

458
00:21:53,129 --> 00:21:48,399
so we was at her friend's funeral awake

459
00:21:55,350 --> 00:21:53,139
and I signed the register normally I

460
00:21:58,289 --> 00:21:55,360
wouldn't sign my name to the register

461
00:22:01,879 --> 00:21:58,299
and somebody recognized it and I started

462
00:22:04,769 --> 00:22:01,889
asking there's all kind of questions and

463
00:22:06,450 --> 00:22:04,779

that wasn't a place to talk so I said

464

00:22:08,340 --> 00:22:06,460

I'm getting out of that I'm not sure no

465

00:22:10,350 --> 00:22:08,350

disrespect

466

00:22:13,830 --> 00:22:10,360

not necessarily to the man but to his

467

00:22:15,540 --> 00:22:13,840

family so we left and on the way home my

468

00:22:16,430 --> 00:22:15,550

wife said well maybe you're to write a

469

00:22:20,970 --> 00:22:16,440

book

470

00:22:23,040 --> 00:22:20,980

well maybe being uneducated now and I

471

00:22:25,380 --> 00:22:23,050

couldn't really spell my own name when

472

00:22:28,650 --> 00:22:25,390

you get right down to it I said well if

473

00:22:30,330 --> 00:22:28,660

I find a ghostwriter I will and that was

474

00:22:32,130 --> 00:22:30,340

my way of putting her off I knew I

475

00:22:35,370 --> 00:22:32,140

wasn't gonna hunt no ghostwriter

476

00:22:39,120 --> 00:22:35,380

I just wanted her to shut up about it so

477

00:22:43,110 --> 00:22:39,130

well I'll be during the next day Philip

478

00:22:45,360 --> 00:22:43,120

mantle from the UK told well when he

479

00:22:47,370 --> 00:22:45,370

called he was on a complete different

480

00:22:50,070 --> 00:22:47,380

subject it was on a book that Charlie

481

00:22:52,440 --> 00:22:50,080

Higson had wrote well we got to talk him

482

00:22:54,690 --> 00:22:52,450

and he had asked where I'd been I told

483

00:22:57,240 --> 00:22:54,700

him I just didn't get press releases for

484

00:23:00,780 --> 00:22:57,250

nothing but host every time I get one

485

00:23:02,520 --> 00:23:00,790

that would change my story in the press

486

00:23:04,230 --> 00:23:02,530

they would want to make it better than

487

00:23:07,020 --> 00:23:04,240

what it was you know and that's pretty

488

00:23:08,760 --> 00:23:07,030

traumatic what I went through so I

489

00:23:11,160 --> 00:23:08,770

didn't really think you could add to it

490

00:23:13,980 --> 00:23:11,170

he said well why don't you do a book it

491

00:23:16,560 --> 00:23:13,990

will be your legacy then and they can't

492

00:23:19,590 --> 00:23:16,570

change it actually that made a lot of

493

00:23:21,450 --> 00:23:19,600

sense to me when he said that but I

494

00:23:24,450 --> 00:23:21,460

still didn't have no intention to write

495

00:23:26,340 --> 00:23:24,460

the book so I told him well let me think

496

00:23:28,260 --> 00:23:26,350

about I said I feel up I don't have a

497

00:23:30,960 --> 00:23:28,270

education or nothing I don't want to

498

00:23:33,360 --> 00:23:30,970

write no rule I said let me think about

499

00:23:35,910 --> 00:23:33,370

it I figured he would just forget all

500

00:23:37,860 --> 00:23:35,920

about it he told me he'd call back in a

501
00:23:41,040 --> 00:23:37,870
week and a week to that day he called

502
00:23:44,640 --> 00:23:41,050
back and we sat down and talked to her

503
00:23:46,350 --> 00:23:44,650
while I still was real reluctant about

504
00:23:48,659 --> 00:23:46,360
doing a book and I said well Philip the

505
00:23:50,700 --> 00:23:48,669
only way I'll do it

506
00:23:53,489 --> 00:23:50,710
if you don't change nothing in the book

507
00:23:55,799 --> 00:23:53,499
I said I don't have education you don't

508
00:23:58,289 --> 00:23:55,809
correct a misspelled word you don't put

509
00:24:01,109 --> 00:23:58,299
a period or question mark or nothing

510
00:24:03,440 --> 00:24:01,119
into anywhere what I say in the way that

511
00:24:07,590 --> 00:24:03,450
I write it is the way that it should be

512
00:24:10,470 --> 00:24:07,600
he agreed and he stood by that his

513
00:24:12,960 --> 00:24:10,480

agreement 100% and I really admire the

514

00:24:16,349 --> 00:24:12,970

man for doing that and since then we've

515

00:24:18,450 --> 00:24:16,359

become real close friends and I've never

516

00:24:21,330 --> 00:24:18,460

really met him but I'm going to the UK

517

00:24:23,970 --> 00:24:21,340

in August the meeting but we published

518

00:24:26,879 --> 00:24:23,980

them he published the book he didn't

519

00:24:29,940 --> 00:24:26,889

edit it like he said he took a lot of

520

00:24:31,859 --> 00:24:29,950

criticism for not editing it and I would

521

00:24:34,830 --> 00:24:31,869

really have to come to his defense and

522

00:24:38,359 --> 00:24:34,840

that's like I told him he didn't edit it

523

00:24:41,009 --> 00:24:38,369

but cuz I asked him not to edit it so

524

00:24:45,749 --> 00:24:41,019

that's where we standing today we're

525

00:24:47,970 --> 00:24:45,759

selling a few books and going around to

526
00:24:49,320 --> 00:24:47,980
these concerts somebody asked me what

527
00:24:51,899 --> 00:24:49,330
happened I just tell them to read the

528
00:24:54,629 --> 00:24:51,909
book and that's a zero amazing I haven't

529
00:24:58,019 --> 00:24:54,639
set up and explained to him and they all

530
00:25:00,810 --> 00:24:58,029
get the same story at the same place and

531
00:25:02,909 --> 00:25:00,820
still to this day I hadn't talked to

532
00:25:06,659 --> 00:25:02,919
none of my family about it just my wife

533
00:25:09,690 --> 00:25:06,669
when we started off doing the book and I

534
00:25:12,859 --> 00:25:09,700
had said that she looked normal and when

535
00:25:15,930 --> 00:25:12,869
I said that she favored more human being

536
00:25:17,909 --> 00:25:15,940
you know I never really looked at

537
00:25:20,759 --> 00:25:17,919
pictures of aliens or nothing until I

538
00:25:22,649 --> 00:25:20,769

got into this and then I started looking

539

00:25:25,499 --> 00:25:22,659

at some of the pictures that the people

540

00:25:29,369 --> 00:25:25,509

had and some was pretty far out there

541

00:25:32,369 --> 00:25:29,379

and she didn't look nothing like this I

542

00:25:35,909 --> 00:25:32,379

was in I'm in the process now getting an

543

00:25:39,119 --> 00:25:35,919

artist to do a oh I an artist sketch

544

00:25:41,310 --> 00:25:39,129

over from my descriptions it just takes

545

00:25:43,710 --> 00:25:41,320

time to be able to sit down with one you

546

00:25:46,139 --> 00:25:43,720

know but I do have one hard that I'm

547

00:25:49,519 --> 00:25:46,149

going to do that will

548

00:25:55,199 --> 00:25:49,529

but she had facial features she had all

549

00:25:57,359 --> 00:25:55,209

ears nose mouth eyes the only difference

550

00:25:59,759 --> 00:25:57,369

I could see them what Oh

551
00:26:02,369 --> 00:25:59,769
a human will look like her eyes was just

552
00:26:04,319 --> 00:26:02,379
a little smaller and I count that

553
00:26:08,059 --> 00:26:04,329
probably to the bright lights inside

554
00:26:10,829 --> 00:26:08,069
that craft maybe but I've seen these old

555
00:26:13,289 --> 00:26:10,839
big eyed creatures going around on what

556
00:26:16,709 --> 00:26:13,299
they call the greys I've never seen one

557
00:26:18,929 --> 00:26:16,719
of them in life now the big ol ugly

558
00:26:22,469 --> 00:26:18,939
creatures they just machines as far as

559
00:26:25,829 --> 00:26:22,479
I'm concerned what I perceived about to

560
00:26:28,289 --> 00:26:25,839
ship the size of it No the outside was

561
00:26:33,659 --> 00:26:28,299
coming oblong shaped like a football to

562
00:26:36,559 --> 00:26:33,669
me and actually it was probably about 80

563
00:26:40,139 --> 00:26:36,569

or 100 foot long when it landed there oh

564

00:26:41,939 --> 00:26:40,149

and when you get in I don't know for

565

00:26:44,429 --> 00:26:41,949

some reason they just looked bigger and

566

00:26:48,239 --> 00:26:44,439

now the rooms was bigger but I just seen

567

00:26:50,489 --> 00:26:48,249

that hallway in that one room and I was

568

00:26:54,779 --> 00:26:50,499

escorted in and out the door I never

569

00:26:56,969 --> 00:26:54,789

seen any control panels or nothing like

570

00:26:59,939 --> 00:26:56,979

that or nobody else cept for the female

571

00:27:01,180 --> 00:26:59,949

alien but I'm sure they was some in

572

00:27:06,970 --> 00:27:01,190

there

573

00:27:10,750 --> 00:27:06,980

in 1993 I was on a fishing trip and it

574

00:27:14,230 --> 00:27:10,760

was a cat island a six miles from my

575

00:27:18,370 --> 00:27:14,240

house by boat so I told my wife I'm

576

00:27:21,280 --> 00:27:18,380

gonna go fishing and I'll be back before

577

00:27:23,950 --> 00:27:21,290

dark so I got in a boat she picks the

578

00:27:25,960 --> 00:27:23,960

lunch and I went to cat island and I

579

00:27:30,270 --> 00:27:25,970

guess I got to around 11 o'clock that

580

00:27:32,920 --> 00:27:30,280

day and I got my lunch out to eat it and

581

00:27:35,470 --> 00:27:32,930

then the next thing I knew it was

582

00:27:38,080 --> 00:27:35,480

probably 3 4 2 3 4 o'clock in the

583

00:27:41,110 --> 00:27:38,090

morning my lunch was still right there

584

00:27:43,330 --> 00:27:41,120

where it was and I had all this time

585

00:27:46,420 --> 00:27:43,340

missing I couldn't figure out where it

586

00:27:49,210 --> 00:27:46,430

was and that's when I went to see y'all

587

00:27:52,930 --> 00:27:49,220

when I got back into the land I told a

588

00:27:56,170 --> 00:27:52,940

friend of mine and he was extremely

589

00:27:58,420 --> 00:27:56,180

smart because all he even helped

590

00:28:00,220 --> 00:27:58,430

invented the menu graham to detect

591

00:28:04,210 --> 00:28:00,230

breast cancer and also he was in the

592

00:28:07,000 --> 00:28:04,220

medical field and he said look there's a

593

00:28:08,980 --> 00:28:07,010

guy in Tampa Florida speaking right now

594

00:28:10,870 --> 00:28:08,990

and he said the reason I know cuz he

595

00:28:13,840 --> 00:28:10,880

lived in Tampa he just come down for a

596

00:28:16,510 --> 00:28:13,850

visit they wrote a book on missing time

597

00:28:18,790 --> 00:28:16,520

and I said well who was that he said

598

00:28:20,230 --> 00:28:18,800

Budd Hopkins and he said I'd like for

599

00:28:25,360 --> 00:28:20,240

you to go talk to him

600

00:28:28,000 --> 00:28:25,370

I said well I won't talk to him in front

601
00:28:30,640 --> 00:28:28,010
of a crowd if he's at a conference or

602
00:28:33,070 --> 00:28:30,650
anything but I would like to talk to him

603
00:28:35,440 --> 00:28:33,080
so we jumped in the car me and him went

604
00:28:37,620 --> 00:28:35,450
to whoa

605
00:28:40,360 --> 00:28:37,630
Florida which is 12 hours from my house

606
00:28:41,769 --> 00:28:40,370
and I said would you go in and tell him

607
00:28:45,370 --> 00:28:41,779
he said he's speaking here

608
00:28:47,590 --> 00:28:45,380
he's a certainly so well this friend of

609
00:28:48,879 --> 00:28:47,600
mine went in Coburg that I wanted to

610
00:28:51,970 --> 00:28:48,889
talk to him I didn't think Doug would

611
00:28:54,730 --> 00:28:51,980
know be from anybody but apparently he

612
00:28:57,519 --> 00:28:54,740
knew my name and own and who I was and

613
00:29:00,340 --> 00:28:57,529

about past Magoo he said yeah y'all go

614

00:29:03,220 --> 00:29:00,350

to my room I'll be there in about 30 35

615

00:29:05,320 --> 00:29:03,230

40 minutes he sure enough we went to his

616

00:29:08,710 --> 00:29:05,330

room and that's when Budd Hopkins showed

617

00:29:11,740 --> 00:29:08,720

up he introduced himself course so I

618

00:29:13,750 --> 00:29:11,750

introduced mine and I told him my

619

00:29:17,470 --> 00:29:13,760

experience with the missing time that I

620

00:29:22,299 --> 00:29:17,480

had several hours missing so bud wanted

621

00:29:25,060 --> 00:29:22,309

to hypnotize me I said okay I've never

622

00:29:28,269 --> 00:29:25,070

never been hypnotized dr. harder tried

623

00:29:31,419 --> 00:29:28,279

it and didn't have much success said he

624

00:29:32,860 --> 00:29:31,429

he says well let me try it maybe it

625

00:29:36,399 --> 00:29:32,870

would be a little better I'm gonna try

626

00:29:40,090 --> 00:29:36,409

to make it easier so I said there's two

627

00:29:41,550 --> 00:29:40,100

things that I want from you bud number

628

00:29:44,610 --> 00:29:41,560

one

629

00:29:48,510 --> 00:29:44,620

when you hypnotize me I don't want it to

630

00:29:50,190 --> 00:29:48,520

be like a Las Vegas Oh floorshow like

631

00:29:52,680 --> 00:29:50,200

you get out there made me do something

632

00:29:55,370 --> 00:29:52,690

stupid I don't want you to put nothing

633

00:29:58,740 --> 00:29:55,380

in my head and I said to make sure that

634

00:30:00,240 --> 00:29:58,750

this friend of mine I'm gonna give a

635

00:30:02,610 --> 00:30:00,250

ball back to her and he's gonna beat

636

00:30:04,590 --> 00:30:02,620

your brains out if you do and I said

637

00:30:07,110 --> 00:30:04,600

hand me the ball back not take the blame

638

00:30:10,440 --> 00:30:07,120

for of course I was joking with him but

639

00:30:12,960 --> 00:30:10,450

uh he took me real serious there for a

640

00:30:15,770 --> 00:30:12,970

while so we went ahead through the

641

00:30:18,780 --> 00:30:15,780

hypnosis he put a post hypnotic

642

00:30:20,940 --> 00:30:18,790

suggestion in my head that I wouldn't

643

00:30:25,389 --> 00:30:20,950

remember none of it until it was time

644

00:30:28,989 --> 00:30:25,399

for me to remember it so well

645

00:30:32,560 --> 00:30:28,999

when I started writing the book I told

646

00:30:34,509 --> 00:30:32,570

Philip man oh I said we was for some

647

00:30:36,789 --> 00:30:34,519

reason that come up talking about Burt

648

00:30:39,279 --> 00:30:36,799

Hopkins something I said oh yeah bud

649

00:30:41,980 --> 00:30:39,289

tried to hypnotize me and he never was

650

00:30:43,600 --> 00:30:41,990

able to do it he said but Hopkins he

651
00:30:46,440 --> 00:30:43,610
said yeah he said well he's passed away

652
00:30:52,859 --> 00:30:50,340
he's got a tape on it I said okay so we

653
00:30:56,340 --> 00:30:52,869
y'all called dr. Jacobs who goes our

654
00:30:58,799 --> 00:30:56,350
Burt hopkins files and asked you me and

655
00:31:02,340 --> 00:30:58,809
dr. Jacobs said yeah we got the original

656
00:31:05,249 --> 00:31:02,350
tape where this happened with Calvin's

657
00:31:09,800 --> 00:31:05,259
permission I'll send it to you and let

658
00:31:16,940 --> 00:31:12,710
anyhow dr. Jacobs called me and I agreed

659
00:31:21,200 --> 00:31:16,950
you know to let bud do it so he sent the

660
00:31:23,570 --> 00:31:21,210
tape to all Philip mental Philip did the

661
00:31:25,970 --> 00:31:23,580
transcripts from the tape it took him a

662
00:31:29,120 --> 00:31:25,980
few days because it was you know and no

663
00:31:30,980 --> 00:31:29,130

cassette tape and hard to hear so he did

664

00:31:34,070 --> 00:31:30,990

the transcripts and put them in the book

665

00:31:38,540 --> 00:31:34,080

then they sent the transcripts to me per

666

00:31:40,970 --> 00:31:38,550

email and I opened up and no I just read

667

00:31:43,130 --> 00:31:40,980

a little bit of them just right there

668

00:31:45,260 --> 00:31:43,140

and I thought we're done and I was

669

00:31:48,860 --> 00:31:45,270

hypnotized I got up and I went out and I

670

00:31:51,110 --> 00:31:48,870

told my wife I said I was hypnotized

671

00:31:53,570 --> 00:31:51,120

that day believe it or not I don't

672

00:31:57,980 --> 00:31:53,580

believe it but I was actually hypnotized

673

00:32:00,320 --> 00:31:57,990

and we had the transcripts in there said

674

00:32:01,910 --> 00:32:00,330

I don't want to listen to him cuz I

675

00:32:04,820 --> 00:32:01,920

don't want to putting anything in my

676

00:32:07,670 --> 00:32:04,830

head as I want to remember this as I

677

00:32:10,160 --> 00:32:07,680

remember it as it happened I said but

678

00:32:12,830 --> 00:32:10,170

you can go in and listen to them and see

679

00:32:15,080 --> 00:32:12,840

what you think so she went in listening

680

00:32:16,970 --> 00:32:15,090

to the tape and I said don't tell me

681

00:32:21,290 --> 00:32:16,980

nothing about it or anything because I

682

00:32:23,240 --> 00:32:21,300

want to remember it and then to make the

683

00:32:25,730 --> 00:32:23,250

long story short we skipped a little

684

00:32:28,880 --> 00:32:25,740

time down and I had a interview will

685

00:32:31,400 --> 00:32:28,890

lend a Moulton Howe and she had done her

686

00:32:33,740 --> 00:32:31,410

homework and apparently she had listened

687

00:32:36,400 --> 00:32:33,750

we went ahead and put it in the book but

688

00:32:39,800 --> 00:32:36,410

I didn't read it I didn't listen to it

689

00:32:42,230 --> 00:32:39,810

but Linda Moulton Howe had and she

690

00:32:44,660 --> 00:32:42,240

started asking me some personal

691

00:32:47,630 --> 00:32:44,670

questions on that and that triggered my

692

00:32:51,650 --> 00:32:47,640

memory now until this day I had read the

693

00:32:54,890 --> 00:32:51,660

transcripts but I'm remembering as I

694

00:32:57,670 --> 00:32:54,900

remember it so I don't want nothing put

695

00:33:00,980 --> 00:32:57,680

in my head it's not in my head yeah and

696

00:33:02,930 --> 00:33:00,990

that's where I stand on that and I still

697

00:33:03,680 --> 00:33:02,940

got a little bit to remember but it's

698

00:33:06,380 --> 00:33:03,690

coming to me

699

00:33:09,080 --> 00:33:06,390

and when it does I talked to my wife and

700

00:33:12,200 --> 00:33:09,090

she's read the transcript and it's been

701
00:33:16,580 --> 00:33:12,210
working out really after it so far

702
00:33:17,990 --> 00:33:16,590
so in a no bud didn't put nothing in my

703
00:33:20,900 --> 00:33:18,000
head that wasn't supposed to be there

704
00:33:23,870 --> 00:33:20,910
cuz I had a friend that I trusted in the

705
00:33:25,730 --> 00:33:23,880
room where was him and his wife so you

706
00:33:27,410 --> 00:33:25,740
know there was nothing out of the

707
00:33:30,530 --> 00:33:27,420
ordinary putting our wasn't supposed to

708
00:33:34,430 --> 00:33:30,540
be the name of the book is pass pergolas

709
00:33:38,000 --> 00:33:34,440
the closest encounter my story Calvin

710
00:33:40,850 --> 00:33:38,010
Parker and as far as I know Amazon is

711
00:33:43,070 --> 00:33:40,860
the only place to get it now the book

712
00:33:49,820 --> 00:33:43,080
has been getting great reviews

713
00:33:51,560 --> 00:33:49,830

Oh everybody says that you know it's not

714

00:33:53,660 --> 00:33:51,570

like an author would write it it's

715

00:33:55,220 --> 00:33:53,670

different it's like we're sitting down

716

00:34:00,560 --> 00:33:55,230

in front of you and you telling your

717

00:34:02,120 --> 00:34:00,570

story this never come to questioning of

718

00:34:04,750 --> 00:34:02,130

any that was true or not

719

00:34:08,810 --> 00:34:04,760

but I've got all the evidence in the

720

00:34:12,290 --> 00:34:08,820

polygraph test boys stress test our

721

00:34:16,280 --> 00:34:12,300

witnesses so it's all in there and

722

00:34:18,380 --> 00:34:16,290

that's like I tell anybody you get two

723

00:34:20,120 --> 00:34:18,390

witnesses it's in the Bible you get two

724

00:34:22,730 --> 00:34:20,130

witnesses come together you can put

725

00:34:24,620 --> 00:34:22,740

somebody to death for that and that's

726

00:34:28,159 --> 00:34:24,630

the way this is it's got more than that

727

00:34:31,070 --> 00:34:28,169

in it so I would recommend somebody

728

00:34:34,460 --> 00:34:31,080

reading it it's not for all the people

729

00:34:35,870 --> 00:34:34,470

and if somebody believes it that's fine

730

00:34:37,610 --> 00:34:35,880

with me they don't believe it I don't

731

00:34:40,490 --> 00:34:37,620

care they don't believe it that's up to
