

UFO HUB

1
00:00:23,250 --> 00:00:14,330

[Music]

2
00:00:23,260 --> 00:00:26,000

you

3
00:00:32,339 --> 00:00:29,220

my name is ray Hernandez I live in my

4
00:00:36,619 --> 00:00:32,349

in Florida I currently work as an

5
00:00:38,819 --> 00:00:36,629

attorney previous to that I had went to

6
00:00:42,270 --> 00:00:38,829

University of California Berkeley for a

7
00:00:44,700 --> 00:00:42,280

PhD this is back in the 1980s and

8
00:00:47,970 --> 00:00:44,710

previous to that I was in a master's

9
00:00:51,540 --> 00:00:47,980

program at Cornell University I also

10
00:00:52,799 --> 00:00:51,550

taught at our two universities for six

11
00:00:56,369 --> 00:00:52,809

years at the New School for Social

12
00:01:02,729 --> 00:00:56,379

Research and the City University of New

13
00:01:07,800 --> 00:01:02,739

York and before nineteen 2002 I had no

14

00:01:10,290 --> 00:01:07,810

concepts of the paranormal of UFOs all

15

00:01:12,060 --> 00:01:10,300

of these terms at zero interest in this

16

00:01:14,359 --> 00:01:12,070

I would have thought that everyone in

17

00:01:18,270 --> 00:01:14,369

here at this conference uh was a kook

18

00:01:22,740 --> 00:01:18,280

and then in 2012

19

00:01:25,740 --> 00:01:22,750

March 4th of 2012 we my wife and I had

20

00:01:27,690 --> 00:01:25,750

had a joint experience with an energy

21

00:01:31,260 --> 00:01:27,700

being that appeared in our living room

22

00:01:32,969 --> 00:01:31,270

because our 15 year old dog became

23

00:01:35,639 --> 00:01:32,979

totally paralyzed that Jack Russell

24

00:01:39,510 --> 00:01:35,649

Terrier and she was like our first child

25

00:01:42,600 --> 00:01:39,520

and my wife began praying all night she

26

00:01:47,309 --> 00:01:42,610

was a born and raised in Mexico hardcore

27

00:01:50,249 --> 00:01:47,319

Roman Catholic and and lo and behold the

28

00:01:52,320 --> 00:01:50,259

next day this energy being appeared and

29

00:01:54,479 --> 00:01:52,330

it was the same day that we were gonna

30

00:01:55,589 --> 00:01:54,489

be euthanizing our dog so that afternoon

31

00:02:00,059 --> 00:01:55,599

we were gonna be putting her to sleep

32

00:02:01,499 --> 00:02:00,069

and so this energy being appeared my

33

00:02:04,020 --> 00:02:01,509

wife disappeared right in front of me

34

00:02:07,609 --> 00:02:04,030

together with the dog I was put to sleep

35

00:02:11,100 --> 00:02:07,619

and then when I woke up 45 minutes later

36

00:02:12,630 --> 00:02:11,110

the dog was totally healed running

37

00:02:16,890 --> 00:02:12,640

around the living room like a teenager

38

00:02:18,780 --> 00:02:16,900

and mind you before her stroke she was

39

00:02:21,119 --> 00:02:18,790

like a 90 year old person you know with

40

00:02:24,110 --> 00:02:21,129

severe arthritis she was unable to run

41

00:02:26,550 --> 00:02:24,120

she was unable to jump a very sick dog

42

00:02:29,640 --> 00:02:26,560

and now she was like a teenager running

43

00:02:32,940 --> 00:02:29,650

around the living room and my wife I

44

00:02:35,070 --> 00:02:32,950

found out later the term is missing time

45

00:02:39,420 --> 00:02:35,080

she had 45 minutes of missing time and

46

00:02:42,270 --> 00:02:39,430

so then about a month to half later my

47

00:02:42,940 --> 00:02:42,280

wife saw be gigantic UFO right outside

48

00:02:46,330 --> 00:02:42,950

her house

49

00:02:49,420 --> 00:02:46,340

and she always sees these uh this

50

00:02:51,670 --> 00:02:49,430

intelligence as angels as angelic why

51
00:02:55,150 --> 00:02:51,680
because she had been praying all night

52
00:02:58,479 --> 00:02:55,160
for to God and to Christ and for angelic

53
00:03:01,960 --> 00:02:58,489
intervention and it appeared so to her

54
00:03:03,820 --> 00:03:01,970
these are angelic beings that are

55
00:03:05,770 --> 00:03:03,830
interacting with her she then went to

56
00:03:08,860 --> 00:03:05,780
Mexico for an entire month there's a BA

57
00:03:11,440 --> 00:03:08,870
in June so this was about three months

58
00:03:12,580 --> 00:03:11,450
after that initial experience and then

59
00:03:14,650 --> 00:03:12,590
for an entire month

60
00:03:18,039 --> 00:03:14,660
she would call down to see her angels

61
00:03:21,100 --> 00:03:18,049
and guess what showed up UFOs very up

62
00:03:23,559 --> 00:03:21,110
close and one time she saw these three

63
00:03:26,199 --> 00:03:23,569

human looking beings dressed in white

64

00:03:28,960 --> 00:03:26,209

monk's robes that floated right in front

65

00:03:31,960 --> 00:03:28,970

of her and then at a certain point they

66

00:03:35,199 --> 00:03:31,970

disappeared so for my wife these

67

00:03:38,170 --> 00:03:35,209

experiences continued for about six

68

00:03:40,240 --> 00:03:38,180

months or so and then for me my initial

69

00:03:46,180 --> 00:03:40,250

experience pretty much started after

70

00:03:48,759 --> 00:03:46,190

hers finished and and I call down the

71

00:03:51,280 --> 00:03:48,769

the craft that my wife had been seeing

72

00:03:55,930 --> 00:03:51,290

because I wanted to thank them for

73

00:03:57,670 --> 00:03:55,940

healing our dog and at first I was just

74

00:04:00,190 --> 00:03:57,680

killing time because I was waiting for a

75

00:04:02,620 --> 00:04:00,200

friend to give me some papers outside my

76

00:04:04,180 --> 00:04:02,630

house and he was late and so I said I

77

00:04:07,900 --> 00:04:04,190

what the hell let's give it a try let's

78

00:04:09,819 --> 00:04:07,910

try to call the hunter craft and in the

79

00:04:12,250 --> 00:04:09,829

beginning I wasn't very sincere but then

80

00:04:16,569 --> 00:04:12,260

I became very sincere very loving very

81

00:04:19,750 --> 00:04:16,579

caring and 15 minutes later this super

82

00:04:22,150 --> 00:04:19,760

large UAP because this was not a UFO

83

00:04:24,700 --> 00:04:22,160

this was a UAP the size of like a

84

00:04:28,330 --> 00:04:24,710

football stadium filled with all these

85

00:04:31,180 --> 00:04:28,340

complex arrangements of lights appeared

86

00:04:32,980 --> 00:04:31,190

directly five feet from the roof of my

87

00:04:35,469 --> 00:04:32,990

next-door neighbor's house and it was a

88

00:04:38,920 --> 00:04:35,479

hundred meters tall six hundred meters

89

00:04:41,500 --> 00:04:38,930

in width it went all the way back and

90

00:04:43,210 --> 00:04:41,510

then my daughter eventually saw it and

91

00:04:44,860 --> 00:04:43,220

these three frets and there was

92

00:04:48,550 --> 00:04:44,870

telepathic communications that took

93

00:04:52,560 --> 00:04:48,560

place and then after that started about

94

00:04:55,549 --> 00:04:52,570

an entire year more than a year of

95

00:04:58,519 --> 00:04:55,559

paranormal experiences non-stop

96

00:05:01,279 --> 00:04:58,529

it was like every week it was one or two

97

00:05:05,059 --> 00:05:01,289

incidences of non-stop paranormal

98

00:05:07,999 --> 00:05:05,069

experiences and and just how our

99

00:05:11,869 --> 00:05:08,009

organization started is started via a

100

00:05:16,129 --> 00:05:11,879

paranormal experience this was in May of

101
00:05:18,919 --> 00:05:16,139
2013 I was going to work to downtown

102
00:05:20,959 --> 00:05:18,929
Miami at 8:30 in the morning in the

103
00:05:22,999 --> 00:05:20,969
middle of a traffic jam and I was

104
00:05:27,799 --> 00:05:23,009
listening to this radio interview of

105
00:05:32,449 --> 00:05:27,809
this man was doing a documentary on the

106
00:05:34,939 --> 00:05:32,459
fad he was doing fat sculptures from the

107
00:05:36,919 --> 00:05:34,949
liposuction fat that he had taken out so

108
00:05:39,019 --> 00:05:36,929
it was on public radio station I was

109
00:05:41,389 --> 00:05:39,029
listening to this interview and all of a

110
00:05:44,869 --> 00:05:41,399
sudden I'm not my car anymore I didn't

111
00:05:47,299 --> 00:05:44,879
have a body it was just my mind and I

112
00:05:51,049 --> 00:05:47,309
was in some other type of all tidy

113
00:05:53,959 --> 00:05:51,059

mention or reality with nothing around

114

00:05:57,589 --> 00:05:53,969

me I'm just it's just my mind and then

115

00:06:00,919 --> 00:05:57,599

little by little what gets materialized

116

00:06:03,919 --> 00:06:00,929

all around me appeared that I was inside

117

00:06:05,739 --> 00:06:03,929

a big gigantic wheel a huge wheel if he

118

00:06:08,389 --> 00:06:05,749

could imagine like a ferris wheel times

119

00:06:11,029 --> 00:06:08,399

you know 10 that type of thing and I was

120

00:06:14,600 --> 00:06:11,039

inside and they were like spokes to that

121

00:06:17,629 --> 00:06:14,610

ferris wheel and each side each spoke

122

00:06:19,789 --> 00:06:17,639

was what I now call a contact modality

123

00:06:22,519 --> 00:06:19,799

these are all the different ways that

124

00:06:24,859 --> 00:06:22,529

humans are piercing the wheel and having

125

00:06:28,249 --> 00:06:24,869

contact with non-human intelligence so

126
00:06:31,429 --> 00:06:28,259
in one spoke was near-death experiences

127
00:06:32,869 --> 00:06:31,439
another was UFO contact unknown was

128
00:06:35,329 --> 00:06:32,879
out-of-body experiences

129
00:06:37,789 --> 00:06:35,339
another one was remote viewing another

130
00:06:39,559 --> 00:06:37,799
was mediumship and channeling another

131
00:06:42,489 --> 00:06:39,569
one was people that see and communicate

132
00:06:46,809 --> 00:06:42,499
with ghosts and spirits another one was

133
00:06:48,769 --> 00:06:46,819
mystical meditation another one was a

134
00:06:51,739 --> 00:06:48,779
hallucinogenic journeys people that take

135
00:06:54,259 --> 00:06:51,749
ayahuasca or DMT in and psilocybin

136
00:06:56,839 --> 00:06:54,269
mushrooms that sort of thing etc etc the

137
00:06:58,929 --> 00:06:56,849
Tsai phenomenon and so all of these

138
00:07:01,579 --> 00:06:58,939

experiences came out like it videos

139

00:07:03,679 --> 00:07:01,589

where I saw each of these different

140

00:07:06,139 --> 00:07:03,689

sections it was like a video and it

141

00:07:08,359 --> 00:07:06,149

wasn't a voice and it was in a language

142

00:07:09,200 --> 00:07:08,369

but it was like a direct knowing like I

143

00:07:10,700 --> 00:07:09,210

looked at it

144

00:07:13,360 --> 00:07:10,710

and it was like straight information

145

00:07:15,800 --> 00:07:13,370

download like I knew what that was okay

146

00:07:18,409 --> 00:07:15,810

looked at the next one boom I know what

147

00:07:21,050 --> 00:07:18,419

it was so I and then after that took

148

00:07:24,340 --> 00:07:21,060

place that was difficult to gauge time

149

00:07:29,659 --> 00:07:24,350

because time didn't exist in that

150

00:07:31,159 --> 00:07:29,669

reality then all of a sudden again it

151

00:07:36,279 --> 00:07:31,169

wasn't a voice but it was like a

152

00:07:39,379 --> 00:07:36,289

telepathic information and it was

153

00:07:41,689 --> 00:07:39,389

instructions that told me these are all

154

00:07:44,050 --> 00:07:41,699

the different ways that humans are

155

00:07:46,159 --> 00:07:44,060

communicating with us okay

156

00:07:48,110 --> 00:07:46,169

humans are studying each of these

157

00:07:51,939 --> 00:07:48,120

different phenomena as separate and

158

00:07:55,850 --> 00:07:51,949

distinct phenomena but in actuality it's

159

00:07:57,260 --> 00:07:55,860

one phenomena and the glue that's

160

00:08:00,830 --> 00:07:57,270

holding it all together

161

00:08:02,960 --> 00:08:00,840

humans are calling it consciousness but

162

00:08:08,270 --> 00:08:02,970

in fact what it is it's the very fabric

163

00:08:10,520 --> 00:08:08,280

of our reality okay and while this was

164

00:08:12,860 --> 00:08:10,530

all taking place I don't know what the

165

00:08:14,899 --> 00:08:12,870

hell was going on I didn't understand

166

00:08:16,460 --> 00:08:14,909

these messages what they were telling me

167

00:08:18,230 --> 00:08:16,470

this is the first time I was being

168

00:08:21,290 --> 00:08:18,240

introduced to a lot of these topics I

169

00:08:22,730 --> 00:08:21,300

had known about this but then after I

170

00:08:24,730 --> 00:08:22,740

visualized it then it was like an

171

00:08:28,580 --> 00:08:24,740

instant awareness of what it was and

172

00:08:31,760 --> 00:08:28,590

then it says you will need you need to

173

00:08:37,060 --> 00:08:31,770

inform humanity of the relationship

174

00:08:38,850 --> 00:08:37,070

between us consciousness

175

00:08:42,690 --> 00:08:38,860

spirit world

176
00:08:45,570 --> 00:08:42,700
okay you will need help and there's two

177
00:08:48,450 --> 00:08:45,580
criteria for that help this is not about

178
00:08:50,760 --> 00:08:48,460
making money about getting wealthy and

179
00:08:54,300 --> 00:08:50,770
and making a living and living off of

180
00:08:56,130 --> 00:08:54,310
this secondly the people that here to

181
00:09:00,270 --> 00:08:56,140
help you have to be individuals with

182
00:09:02,090 --> 00:09:00,280
minimal ego okay then poof I'm back in

183
00:09:04,500 --> 00:09:02,100
the car in the middle of a traffic jam

184
00:09:09,090 --> 00:09:04,510
listening to this man talking about

185
00:09:12,510 --> 00:09:09,100
doing a documentary about art fat okay

186
00:09:15,690 --> 00:09:12,520
and the interview did not skip a beat it

187
00:09:17,240 --> 00:09:15,700
was like I was taken out of time I was

188
00:09:19,650 --> 00:09:17,250

out there for like four thirty minutes

189

00:09:24,150 --> 00:09:19,660

perceived like more or less and I was

190

00:09:26,490 --> 00:09:24,160

put back without any seconds elapsed so

191

00:09:29,160 --> 00:09:26,500

I was taken out of space time and then I

192

00:09:31,770 --> 00:09:29,170

was like what the hell just happened you

193

00:09:34,380 --> 00:09:31,780

know and I immediately called the only

194

00:09:36,780 --> 00:09:34,390

experiencer that I knew that I was

195

00:09:39,900 --> 00:09:36,790

talking to and she basically calmed me

196

00:09:41,670 --> 00:09:39,910

down and she said yes I've know of other

197

00:09:43,770 --> 00:09:41,680

people that have had not the same

198

00:09:45,600 --> 00:09:43,780

experience you had but people being

199

00:09:49,800 --> 00:09:45,610

taken out and gone to another matrix

200

00:09:51,660 --> 00:09:49,810

reality and brought back and and so she

201

00:09:55,110 --> 00:09:51,670

like settled me down and told me to

202

00:09:57,900 --> 00:09:55,120

relax and and so the important part was

203

00:10:00,120 --> 00:09:57,910

not that experience even though that's a

204

00:10:02,220 --> 00:10:00,130

crazy experience in and of itself it's

205

00:10:05,670 --> 00:10:02,230

what happened immediately afterwards

206

00:10:08,450 --> 00:10:05,680

okay you know mary rod welch is one of

207

00:10:10,620 --> 00:10:08,460

the world's leading researchers on

208

00:10:12,420 --> 00:10:10,630

individuals that I've seen UFOs and have

209

00:10:16,170 --> 00:10:12,430

had contact with non-human intelligence

210

00:10:18,300 --> 00:10:16,180

so back six months earlier in October I

211

00:10:22,430 --> 00:10:18,310

had sent an email to like ten very

212

00:10:26,370 --> 00:10:22,440

famous names people like Stan Freedman

213

00:10:28,020 --> 00:10:26,380

Linda Moulton Howe Grant Cameron Whitley

214

00:10:29,400 --> 00:10:28,030

Strieber you know names like that

215

00:10:31,470 --> 00:10:29,410

because I wanted someone to talk to

216

00:10:33,960 --> 00:10:31,480

because I had no one to talk to which is

217

00:10:36,360 --> 00:10:33,970

very natural now we talk to people every

218

00:10:38,160 --> 00:10:36,370

day the we call most people who send me

219

00:10:40,470 --> 00:10:38,170

emails and I wound up talking to them on

220

00:10:42,660 --> 00:10:40,480

the telephone so I know what that is so

221

00:10:46,380 --> 00:10:42,670

I make my my time available to talk to

222

00:10:48,180 --> 00:10:46,390

people and so Mary Rodwell was one of

223

00:10:50,190 --> 00:10:48,190

these people okay but I never received a

224

00:10:52,530 --> 00:10:50,200

response back from her I only received

225

00:10:55,680 --> 00:10:52,540

the response back from Whitley Strieber

226

00:10:58,200 --> 00:10:55,690

grant Cameron and so the email that may

227

00:11:00,300 --> 00:10:58,210

reset me that very same afternoon that I

228

00:11:03,240 --> 00:11:00,310

had that experience I got home there was

229

00:11:05,190 --> 00:11:03,250

an email from her says dear a I'm sorry

230

00:11:07,530 --> 00:11:05,200

I'm responding to an email that you had

231

00:11:10,760 --> 00:11:07,540

sent me six months ago but it just

232

00:11:15,000 --> 00:11:10,770

popped on my computer screen today and

233

00:11:16,380 --> 00:11:15,010

so I responded back and I said well this

234

00:11:18,150 --> 00:11:16,390

is what's happened over the last six

235

00:11:20,310 --> 00:11:18,160

months all these additional crazy

236

00:11:22,920 --> 00:11:20,320

experiences and this is what happened

237

00:11:23,670 --> 00:11:22,930

today so mev she says oh my god ray you

238

00:11:25,830 --> 00:11:23,680

know We Need to Talk

239

00:11:28,410 --> 00:11:25,840

and so I started you know she showed me

240

00:11:32,100 --> 00:11:28,420

how to use Skype and we were on skype to

241

00:11:33,510 --> 00:11:32,110

like 1:30 in the morning and then I said

242

00:11:35,670 --> 00:11:33,520

Mary I gotta go to work tomorrow you

243

00:11:39,000 --> 00:11:35,680

know can we continue a conversation so

244

00:11:41,610 --> 00:11:39,010

we agreed to continue the very next day

245

00:11:44,430 --> 00:11:41,620

at 9:30 in the morning I got a telephone

246

00:11:47,790 --> 00:11:44,440

call hello is this ray Hernandez said

247

00:11:49,500 --> 00:11:47,800

yes who's this of dr.rudi shields who I

248

00:11:52,950 --> 00:11:49,510

had no idea who this man was

249

00:11:55,920 --> 00:11:52,960

Rudy shields is a an emeritus retired

250

00:11:58,850 --> 00:11:55,930

professor of astrophysics at Harvard

251
00:12:01,530 --> 00:11:58,860
University one of the world's leading

252
00:12:04,290 --> 00:12:01,540
researchers scholars academics on black

253
00:12:06,930 --> 00:12:04,300
holes had been at Harvard for 40

254
00:12:09,090 --> 00:12:06,940
40-something years very close friend of

255
00:12:11,130 --> 00:12:09,100
the late dr. John Mack he was one of the

256
00:12:11,610 --> 00:12:11,140
few academics that defended dr. John

257
00:12:14,310 --> 00:12:11,620
Mack

258
00:12:16,860 --> 00:12:14,320
during his Inquisition at at Harvard

259
00:12:18,270 --> 00:12:16,870
okay also very close friend of Edgar

260
00:12:20,010 --> 00:12:18,280
Mitchell had been working with Edgar

261
00:12:22,890 --> 00:12:20,020
Mitchell and numerous other PhD

262
00:12:25,550 --> 00:12:22,900
physicists to assist Edgar in his

263
00:12:28,890 --> 00:12:25,560

quantum hologram theory of consciousness

264

00:12:31,770 --> 00:12:28,900

so then I told Rudy what happened to me

265

00:12:34,140 --> 00:12:31,780

all the details that he says ray what

266

00:12:36,480 --> 00:12:34,150

you had what your experience was Edgar

267

00:12:38,340 --> 00:12:36,490

Mitch's quantum hologram theory of

268

00:12:41,810 --> 00:12:38,350

consciousness but you were visually

269

00:12:44,580 --> 00:12:41,820

shown that that all of these paranormal

270

00:12:47,940 --> 00:12:44,590

experiences is actually one phenomenon

271

00:12:51,030 --> 00:12:47,950

and the mechanism you know the conscious

272

00:12:54,390 --> 00:12:51,040

mechanism of it had recalled the quantum

273

00:12:57,570 --> 00:12:54,400

hologram okay so you were brought there

274

00:13:00,270 --> 00:12:57,580

and shown all of this and so he then

275

00:13:02,970 --> 00:13:00,280

began to explain the physics of this how

276

00:13:04,950 --> 00:13:02,980

it worked and he tried to you know

277

00:13:06,460 --> 00:13:04,960

downplay it so I be able to understand

278

00:13:09,970 --> 00:13:06,470

it but still I only understood

279

00:13:13,450 --> 00:13:09,980

a part of it and and then towards the

280

00:13:15,130 --> 00:13:13,460

end he says uh ray you need to do

281

00:13:17,860 --> 00:13:15,140

something about what they told you you

282

00:13:20,200 --> 00:13:17,870

know and but I had no idea what they

283

00:13:22,030 --> 00:13:20,210

wanted of me so he says look I'm gonna

284

00:13:23,710 --> 00:13:22,040

call Edgar Mitchell I'm gonna talk to

285

00:13:25,390 --> 00:13:23,720

him and send them an email right away

286

00:13:27,670 --> 00:13:25,400

because he only lives 90 minutes away

287

00:13:28,990 --> 00:13:27,680

from you and then he said I want you to

288

00:13:30,970 --> 00:13:29,000

write down this telephone number and I

289

00:13:33,370 --> 00:13:30,980

wrote it down and he said this is the

290

00:13:36,430 --> 00:13:33,380

telephone number of my mentor and so I

291

00:13:39,400 --> 00:13:36,440

said who's your mentor and he says dr.

292

00:13:43,180 --> 00:13:39,410

Edgar Mitchell and so I knew who he was

293

00:13:44,980 --> 00:13:43,190

very very famous man and so I didn't

294

00:13:47,590 --> 00:13:44,990

have the courage to give him a call I

295

00:13:50,020 --> 00:13:47,600

waited about four hours later and then I

296

00:13:52,750 --> 00:13:50,030

gave him a call and Edgar picked up the

297

00:13:55,660 --> 00:13:52,760

phone and he said that Rudy and he had

298

00:13:58,270 --> 00:13:55,670

already communicated and broody

299

00:14:00,370 --> 00:13:58,280

explained to me the experience that you

300

00:14:02,200 --> 00:14:00,380

had so he said what are you doing

301
00:14:04,750 --> 00:14:02,210
tomorrow morning at at 10 o'clock

302
00:14:07,090 --> 00:14:04,760
I said well or I don't have anything you

303
00:14:08,710 --> 00:14:07,100
know planned that just work so what can

304
00:14:10,450 --> 00:14:08,720
you take the day off tomorrow I said no

305
00:14:10,870 --> 00:14:10,460
problem he says can you get here at 10

306
00:14:14,680 --> 00:14:10,880
o'clock

307
00:14:16,720 --> 00:14:14,690
I said confirmed so he lives and used to

308
00:14:18,970 --> 00:14:16,730
live in Lake Worth Florida before he

309
00:14:22,330 --> 00:14:18,980
passed away which is 90 minutes away

310
00:14:23,770 --> 00:14:22,340
from me so at 10 o'clock in the morning

311
00:14:26,440 --> 00:14:23,780
the very next day

312
00:14:30,550 --> 00:14:26,450
there's only not even two days had

313
00:14:32,830 --> 00:14:30,560

passed I was at Edgar's home and there I

314

00:14:34,360 --> 00:14:32,840

was there for six hours and I was

315

00:14:36,930 --> 00:14:34,370

subsequently at Edgar's home more than

316

00:14:40,510 --> 00:14:36,940

20 times we came very good friends and

317

00:14:43,090 --> 00:14:40,520

he at the end of every heard my story he

318

00:14:46,270 --> 00:14:43,100

then went into his personal experiences

319

00:14:49,450 --> 00:14:46,280

and and he told me so many details about

320

00:14:51,940 --> 00:14:49,460

his life which I won't go into now and

321

00:14:53,860 --> 00:14:51,950

then towards the end of it he says look

322

00:14:56,829 --> 00:14:53,870

right Rudy and I already discussed your

323

00:15:00,040 --> 00:14:56,839

situation we will be your scientific

324

00:15:04,720 --> 00:15:00,050

advisors for the mission that you were

325

00:15:06,460 --> 00:15:04,730

given you he said mandate and and so I

326

00:15:09,010 --> 00:15:06,470

had no idea what he was talking about

327

00:15:11,020 --> 00:15:09,020

you know as a beggar I've got no idea

328

00:15:13,170 --> 00:15:11,030

what I'm supposed to do he says don't

329

00:15:15,750 --> 00:15:13,180

worry

330

00:15:20,130 --> 00:15:15,760

you will find out that's how it always

331

00:15:22,620 --> 00:15:20,140

works okay and so he said we will be

332

00:15:25,040 --> 00:15:22,630

your scientific advisors for whatever he

333

00:15:30,930 --> 00:15:25,050

recommended an organization on nonprofit

334

00:15:33,570 --> 00:15:30,940

for whatever is to be done so then when

335

00:15:36,630 --> 00:15:33,580

I got home I emailed Mary Rodwell and we

336

00:15:39,240 --> 00:15:36,640

did chatted on skype and then I said

337

00:15:41,940 --> 00:15:39,250

would you like to join us so then the

338

00:15:44,490 --> 00:15:41,950

four of us became the co-founders for

339

00:15:46,650 --> 00:15:44,500

this organization that eventually became

340

00:15:51,210 --> 00:15:46,660

to be known as the dr. Edgar Mitchell

341

00:15:53,660 --> 00:15:51,220

free foundation okay and what we wound

342

00:15:57,090 --> 00:15:53,670

up doing was the first ever

343

00:16:00,240 --> 00:15:57,100

comprehensive academic research study of

344

00:16:02,130 --> 00:16:00,250

individuals that had seen UFOs and have

345

00:16:04,200 --> 00:16:02,140

had contact with non-human intelligence

346

00:16:07,560 --> 00:16:04,210

no one had ever done this study before

347

00:16:09,680 --> 00:16:07,570

and so little by little these other

348

00:16:12,510 --> 00:16:09,690

professors Edgar made some phone calls

349

00:16:14,880 --> 00:16:12,520

Rudy had made some phone calls and then

350

00:16:17,370 --> 00:16:14,890

we had a team of many many retired PhD

351

00:16:20,400 --> 00:16:17,380

academics together with lay researchers

352

00:16:24,600 --> 00:16:20,410

and Cathy Martin was one of them dr. Leo

353

00:16:27,270 --> 00:16:24,610

sprinkle Barbara Lam Denise toner to get

354

00:16:29,910 --> 00:16:27,280

together with numerous PhD academics dr.

355

00:16:32,100 --> 00:16:29,920

claw Swanson who's a PhD in physics from

356

00:16:35,310 --> 00:16:32,110

Princeton University dr. Dean Radin

357

00:16:36,690 --> 00:16:35,320

became an adviser to us dr. Bob Davis

358

00:16:40,080 --> 00:16:36,700

who was a retired professor of

359

00:16:42,930 --> 00:16:40,090

neuroscience and many other academics

360

00:16:45,540 --> 00:16:42,940

joined us so what we did is for the

361

00:16:47,610 --> 00:16:45,550

first doctor john clemo he became the

362

00:16:51,990 --> 00:16:47,620

chair of our research committee dr.

363

00:16:54,720 --> 00:16:52,000

clemo had taught psychology as a tenured

364

00:16:57,330 --> 00:16:54,730

professor for more than 45 years he was

365

00:16:58,950 --> 00:16:57,340

one of the few academics to be a tenured

366

00:17:01,170 --> 00:16:58,960

professor focusing mainly on the

367

00:17:04,410 --> 00:17:01,180

paranormal he had written articles and

368

00:17:07,110 --> 00:17:04,420

books on on UFOs near-death experiences

369

00:17:09,930 --> 00:17:07,120

out-of-body experiences channeling you

370

00:17:12,870 --> 00:17:09,940

name it consciousness many were

371

00:17:16,050 --> 00:17:12,880

peer-reviewed academic articles and

372

00:17:17,610 --> 00:17:16,060

several academic books and so he became

373

00:17:20,090 --> 00:17:17,620

the chair of our research committee and

374

00:17:22,920 --> 00:17:20,100

so over a nine-month period this team of

375

00:17:25,689 --> 00:17:22,930

academics with the team of researchers

376

00:17:28,509 --> 00:17:25,699

you know people like Mary rod wall cath

377

00:17:30,759 --> 00:17:28,519

Mardin etc barber lamp we all got

378

00:17:34,029 --> 00:17:30,769

together and we said okay how do you go

379

00:17:36,960 --> 00:17:34,039

about beginning for the first time to do

380

00:17:40,029 --> 00:17:36,970

a comprehensive multi-language

381

00:17:43,090 --> 00:17:40,039

multi-country academic research study of

382

00:17:45,490 --> 00:17:43,100

people that have seen UFOs and have had

383

00:17:47,529 --> 00:17:45,500

contact with non-human intelligence nine

384

00:17:50,289 --> 00:17:47,539

months we spent on the methodology and

385

00:17:53,680 --> 00:17:50,299

we came up with three surveys

386

00:17:56,799 --> 00:17:53,690

two of them were quantitative one of

387

00:17:59,610 --> 00:17:56,809

them was a qualitative survey we wound

388

00:18:03,159 --> 00:17:59,620

up with 600 quantitative questions and

389

00:18:05,980 --> 00:18:03,169

70 written responses to open-ended

390

00:18:07,480 --> 00:18:05,990

questions for the English language

391

00:18:10,570 --> 00:18:07,490

survey because we're doing in multiple

392

00:18:13,000 --> 00:18:10,580

languages we wound up with 4,200

393

00:18:16,330 --> 00:18:13,010

individuals for more than 100 countries

394

00:18:18,639 --> 00:18:16,340

that took our surveys for the

395

00:18:22,090 --> 00:18:18,649

qualitative instrument we've received

396

00:18:24,009 --> 00:18:22,100

more than 10,000 pages of you know

397

00:18:28,269 --> 00:18:24,019

detailed experiences from individuals

398

00:18:30,970 --> 00:18:28,279

and then for three years we wound up

399

00:18:33,820 --> 00:18:30,980

disseminating our survey asking people

400

00:18:36,850 --> 00:18:33,830

to take our survey and I could go into

401
00:18:40,180 --> 00:18:36,860
some of those details but basically we

402
00:18:43,870 --> 00:18:40,190
posted on a weekly basis to over 500

403
00:18:45,460 --> 00:18:43,880
Facebook sites mainly UFO there was the

404
00:18:48,190 --> 00:18:45,470
vast majority of these Facebook sites

405
00:18:49,750 --> 00:18:48,200
and paranormal type of Facebook sites

406
00:18:51,899 --> 00:18:49,760
that talked about out-of-body

407
00:18:54,639 --> 00:18:51,909
experiences ghosts and spirits

408
00:18:58,600 --> 00:18:54,649
near-death experiences consciousness

409
00:19:01,330 --> 00:18:58,610
rate web sites and then we we spoke at

410
00:19:02,980 --> 00:19:01,340
over 100 radio shows and many of the

411
00:19:06,519 --> 00:19:02,990
people in our organization had their own

412
00:19:08,440 --> 00:19:06,529
radio shows grant Cameron Cameron which

413
00:19:10,889 --> 00:19:08,450

was an adviser to us had interviewed us

414

00:19:14,169 --> 00:19:10,899

numerous times mary ellen guiley

415

00:19:16,629 --> 00:19:14,179

who's a member of our board of directors

416

00:19:19,539 --> 00:19:16,639

she every week she talked about our

417

00:19:22,210 --> 00:19:19,549

research study Kathy Martin on a weekly

418

00:19:26,049 --> 00:19:22,220

basis is on these are radio interviews

419

00:19:28,419 --> 00:19:26,059

and Barbara lamb was on numerous radio

420

00:19:30,310 --> 00:19:28,429

shows Leo sprinkle and some of our

421

00:19:32,710 --> 00:19:30,320

academics so it was a constant

422

00:19:34,720 --> 00:19:32,720

bombardment for three years on radio

423

00:19:38,049 --> 00:19:34,730

interviews and then we had a mailing

424

00:19:39,700 --> 00:19:38,059

list of 5,000 names and so many of the

425

00:19:42,130 --> 00:19:39,710

people of our committee

426

00:19:44,020 --> 00:19:42,140

donated their mailing lists and these

427

00:19:46,840 --> 00:19:44,030

are thousands of people's five thousand

428

00:19:49,360 --> 00:19:46,850

people's also we sent to all the MUFON

429

00:19:52,180 --> 00:19:49,370

representatives we had over 250 names in

430

00:19:54,760 --> 00:19:52,190

MUFON so the whole hierarchy from the

431

00:19:56,950 --> 00:19:54,770

top brass to the state directors the

432

00:19:59,590 --> 00:19:56,960

assistant state directors to the star

433

00:20:00,970 --> 00:19:59,600

team members to you know all the

434

00:20:03,730 --> 00:20:00,980

different titles that MUFON that is a

435

00:20:06,100 --> 00:20:03,740

state level these people got a monthly

436

00:20:07,570 --> 00:20:06,110

may email telling them this is a

437

00:20:08,950 --> 00:20:07,580

research study we're doing if you know

438

00:20:11,440 --> 00:20:08,960

anyone that's had these experiences

439

00:20:13,390 --> 00:20:11,450

encourage them to take our survey so

440

00:20:17,050 --> 00:20:13,400

this was done over a three year and we

441

00:20:20,470 --> 00:20:17,060

as I say we collected 4200 responses

442

00:20:23,350 --> 00:20:20,480

from over a hundred countries then we

443

00:20:26,020 --> 00:20:23,360

spent an entire year analyzing that data

444

00:20:28,810 --> 00:20:26,030

we had a PhD statistician that worked

445

00:20:30,700 --> 00:20:28,820

with us dr. Russell's called pone and he

446

00:20:34,080 --> 00:20:30,710

was doing lots of statistical analysis

447

00:20:37,180 --> 00:20:34,090

to it we wound up publishing two

448

00:20:39,600 --> 00:20:37,190

peer-reviewed academic articles one was

449

00:20:42,130 --> 00:20:39,610

in the journal for the Society for

450

00:20:43,750 --> 00:20:42,140

scientific exploration and it's a

451
00:20:46,230 --> 00:20:43,760
journal that Jacques Vallee has

452
00:20:53,920 --> 00:20:46,240
published in numerous times

453
00:20:55,660 --> 00:20:53,930
how put off let me see

454
00:20:58,090 --> 00:20:55,670
several of the scientists and our

455
00:21:00,790 --> 00:20:58,100
organization had published in that

456
00:21:03,940 --> 00:21:00,800
journal I think I mentioned Jack LaLanne

457
00:21:06,250 --> 00:21:03,950
numerous times and so Dean Radin dr.

458
00:21:08,110 --> 00:21:06,260
Dean Radin as well and then in the

459
00:21:09,430 --> 00:21:08,120
Journal of consciousness studies so

460
00:21:14,140 --> 00:21:09,440
these were peer-reviewed academic

461
00:21:21,310 --> 00:21:14,150
reviewed academic journals we then began

462
00:21:28,600 --> 00:21:25,240
beyond UFOs the science of consciousness

463
00:21:32,169 --> 00:21:28,610

and contact with non-human intelligence

464

00:21:36,279 --> 00:21:32,179

this book is 820 pages as you can see

465

00:21:38,320 --> 00:21:36,289

it's a very thick book very very heavy

466

00:21:41,470 --> 00:21:38,330

weighs three and a half pounds this is

467

00:21:44,590 --> 00:21:41,480

the result of five years of research and

468

00:21:47,200 --> 00:21:44,600

as I said before is the first academic

469

00:21:50,590 --> 00:21:47,210

research study of people that have seen

470

00:21:54,100 --> 00:21:50,600

you UFOs and I've had contact with

471

00:21:56,470 --> 00:21:54,110

non-human intelligence now let me go

472

00:21:58,600 --> 00:21:56,480

over some of the research findings from

473

00:22:01,690 --> 00:21:58,610

our book obviously there are hundreds of

474

00:22:03,460 --> 00:22:01,700

our findings to our research study but

475

00:22:07,899 --> 00:22:03,470

let me go over the four major findings

476

00:22:09,490 --> 00:22:07,909

okay we wanted to find out how people

477

00:22:12,249 --> 00:22:09,500

perceive these experiences whether they

478

00:22:14,409 --> 00:22:12,259

were positive negative or neutral and we

479

00:22:16,720 --> 00:22:14,419

asked that question more than twenty

480

00:22:17,799 --> 00:22:16,730

five ways because depending how you ask

481

00:22:20,350 --> 00:22:17,809

a question you'll get different

482

00:22:22,029 --> 00:22:20,360

responses we also asked for the

483

00:22:25,330 --> 00:22:22,039

different types of beings that people

484

00:22:27,730 --> 00:22:25,340

were seeing physical beings how would

485

00:22:31,539 --> 00:22:27,740

they characterize those experiences was

486

00:22:35,019 --> 00:22:31,549

it mainly negative slightly negative

487

00:22:39,519 --> 00:22:35,029

neutral slightly positive or mainly

488

00:22:40,990 --> 00:22:39,529

positive and so then we got lots of

489

00:22:44,490 --> 00:22:41,000

responses to all these questions and

490

00:22:47,769 --> 00:22:44,500

what we determined was that initially

491

00:22:51,720 --> 00:22:47,779

38% of these individuals viewed their

492

00:22:53,120 --> 00:22:51,730

experiences as negative initially but

493

00:22:56,690 --> 00:22:53,130

this was the

494

00:22:58,520 --> 00:22:56,700

initial experiences now now many years

495

00:23:00,890 --> 00:22:58,530

later how you perceive these experiences

496

00:23:05,000 --> 00:23:00,900

now depending on the question between

497

00:23:09,410 --> 00:23:05,010

85% to 95% viewed their experiences as

498

00:23:13,490 --> 00:23:09,420

positive okay which contradicts was

499

00:23:15,680 --> 00:23:13,500

being presented in ufology well we also

500

00:23:17,860 --> 00:23:15,690

found out was that one-third of the

501
00:23:20,900 --> 00:23:17,870
people had abduction experiences

502
00:23:22,610 --> 00:23:20,910
two-thirds never had an abduction but

503
00:23:23,810 --> 00:23:22,620
yet they've had contact experiences

504
00:23:26,240 --> 00:23:23,820
they've seen UFOs

505
00:23:29,720 --> 00:23:26,250
okay now the people that were the most

506
00:23:33,650 --> 00:23:29,730
negative or the logically the abductees

507
00:23:35,900 --> 00:23:33,660
but even then 70% of the people that I

508
00:23:38,960 --> 00:23:35,910
had abduction experiences now call

509
00:23:42,430 --> 00:23:38,970
themselves contact these not abductees

510
00:23:44,950 --> 00:23:42,440
the reason why was because over time

511
00:23:46,910 --> 00:23:44,960
their experiences changed

512
00:23:49,010 --> 00:23:46,920
initially they were very frightful

513
00:23:51,350 --> 00:23:49,020

because you saw these physical beings

514

00:23:54,920 --> 00:23:51,360

you were totally scared or you were on a

515

00:23:57,860 --> 00:23:54,930

paralyzed being examined almost all the

516

00:23:59,600 --> 00:23:57,870

time by a small group and the people that

517

00:24:01,940 --> 00:23:59,610

only had one or two of these experiences

518

00:24:06,500 --> 00:24:01,950

and nothing else they were the most

519

00:24:07,940 --> 00:24:06,510

traumatized individuals okay but for the

520

00:24:10,370 --> 00:24:07,950

vast majority of people they didn't have

521

00:24:12,260 --> 00:24:10,380

one or two experiences okay and they

522

00:24:15,830 --> 00:24:12,270

didn't have enough abduction experiences

523

00:24:18,230 --> 00:24:15,840

for the vast majority of the people 40%

524

00:24:23,380 --> 00:24:18,240

had more than twenty experiences okay

525

00:24:28,430 --> 00:24:23,390

another almost 35% had between 10 to 2

526
00:24:30,620 --> 00:24:28,440
2010 to 20 so almost 80% of these people

527
00:24:33,020 --> 00:24:30,630
were having 10 or more experiences and

528
00:24:35,450 --> 00:24:33,030
what happened was the nature of the

529
00:24:39,110 --> 00:24:35,460
experience changed okay in the beginning

530
00:24:40,580 --> 00:24:39,120
it was these frightful experiences like

531
00:24:42,230 --> 00:24:40,590
whitley strieber willy streamer is a

532
00:24:44,780 --> 00:24:42,240
classic example if you're familiar with

533
00:24:47,600 --> 00:24:44,790
his story in the beginning was frightful

534
00:24:50,570 --> 00:24:47,610
dreaded you know highly highly negative

535
00:24:53,240 --> 00:24:50,580
and now their spiritual experiences for

536
00:24:55,370 --> 00:24:53,250
Whitley okay he's grateful he gives

537
00:24:57,190 --> 00:24:55,380
thanks to God that these beings

538
00:24:59,330 --> 00:24:57,200

interacted with him because it gave him

539

00:25:02,900 --> 00:24:59,340

spirituality totally transformed him

540

00:25:05,360 --> 00:25:02,910

okay into a new total person okay that's

541

00:25:07,669 --> 00:25:05,370

exactly what we found out in a research

542

00:25:12,599 --> 00:25:10,019

just like Whitley Strieber they began

543

00:25:15,570 --> 00:25:12,609

with these physical type of experiences

544

00:25:18,089 --> 00:25:15,580

later on human looking beings begin

545

00:25:21,239 --> 00:25:18,099

interacting with people and then also

546

00:25:23,489 --> 00:25:21,249

energy beings begin interacting with

547

00:25:25,499 --> 00:25:23,499

people and that's where the spiritual

548

00:25:28,080 --> 00:25:25,509

aspects on the spiritual training

549

00:25:30,180 --> 00:25:28,090

okay the Enlightenment people being

550

00:25:33,060 --> 00:25:30,190

brought to matrix realities what we

551
00:25:34,169 --> 00:25:33,070
discovered was that almost almost double

552
00:25:36,570 --> 00:25:34,179
the number of people that have

553
00:25:40,229 --> 00:25:36,580
abductions were brought to matrix

554
00:25:42,509 --> 00:25:40,239
realities okay and and these are almost

555
00:25:44,249 --> 00:25:42,519
all positive experiences and they're

556
00:25:46,430 --> 00:25:44,259
they're taught lessons like like like

557
00:25:48,269 --> 00:25:46,440
for me you know lessons about

558
00:25:52,589 --> 00:25:48,279
spirituality that sort of thing and

559
00:25:56,459 --> 00:25:52,599
other you know concepts and so and again

560
00:25:59,369 --> 00:25:56,469
these are things that UFO mainstream

561
00:26:03,539 --> 00:25:59,379
ufology doesn't discuss why because no

562
00:26:05,909 --> 00:26:03,549
one's ever done this study before and so

563
00:26:08,190 --> 00:26:05,919

that's one topic the the positive

564

00:26:10,109 --> 00:26:08,200

negative or neutral aspect of it that

565

00:26:13,019 --> 00:26:10,119

was these questions the second topic

566

00:26:14,849 --> 00:26:13,029

that we found out was that we asked over

567

00:26:18,450 --> 00:26:14,859

100 questions about paranormal

568

00:26:21,539 --> 00:26:18,460

experiences and people were checking off

569

00:26:24,479 --> 00:26:21,549

all the boxes in tons of boxes for

570

00:26:27,709 --> 00:26:24,489

example 80% of the individuals had

571

00:26:29,279 --> 00:26:27,719

out-of-body experiences the researchers

572

00:26:32,969 --> 00:26:29,289

Kathy Mardon

573

00:26:35,190 --> 00:26:32,979

Barbara lamb Mary rod will sprinkle they

574

00:26:37,079 --> 00:26:35,200

new is a very very high rate but they

575

00:26:39,029 --> 00:26:37,089

never were able to quantify it

576
00:26:40,729 --> 00:26:39,039
you know the percentage-wise well now we

577
00:26:44,190 --> 00:26:40,739
got eighty percent of these people

578
00:26:47,219 --> 00:26:44,200
near-death experiences 37 percent had

579
00:26:50,339 --> 00:26:47,229
near-death experiences okay medical

580
00:26:54,029 --> 00:26:50,349
healings 50 percent of the people had

581
00:26:55,529 --> 00:26:54,039
medical healings huge numbers okay one

582
00:27:01,109 --> 00:26:55,539
of our chapters in our book is about

583
00:27:02,700 --> 00:27:01,119
medical healings okay orbs two-thirds of

584
00:27:05,609 --> 00:27:02,710
the people had physically seen an orb

585
00:27:06,959 --> 00:27:05,619
not via picture okay which is what

586
00:27:09,690 --> 00:27:06,969
circulating on the inside we don't about

587
00:27:11,779 --> 00:27:09,700
people physically seeing orbs telepathic

588
00:27:14,489 --> 00:27:11,789

communications again close to 70%

589

00:27:15,899 --> 00:27:14,499

telepathic communications paranormal

590

00:27:18,810 --> 00:27:15,909

experiences inside their home

591

00:27:19,769 --> 00:27:18,820

95 percent paranormal experiences inside

592

00:27:21,539 --> 00:27:19,779

their home

593

00:27:23,820 --> 00:27:21,549

I mean you name the paranormal

594

00:27:25,680 --> 00:27:23,830

experience ghosts and spirits tons of

595

00:27:29,549 --> 00:27:25,690

people that we're seeing ghosts and

596

00:27:31,619 --> 00:27:29,559

spirits so what we concluded based upon

597

00:27:33,599 --> 00:27:31,629

our survey both the quantitative

598

00:27:35,820 --> 00:27:33,609

questions and the written responses that

599

00:27:39,450 --> 00:27:35,830

these open and the questions was that

600

00:27:41,849 --> 00:27:39,460

the overwhelming majority of the

601
00:27:45,440 --> 00:27:41,859
experiences of these individuals were

602
00:27:49,379 --> 00:27:45,450
not physical but in fact were paranormal

603
00:27:51,690 --> 00:27:49,389
okay again mainstream ufology does not

604
00:27:53,999 --> 00:27:51,700
discuss that okay a lot of these

605
00:27:56,129 --> 00:27:54,009
materialist lecturers are going these

606
00:27:58,440 --> 00:27:56,139
lecture circuits they totally dismiss

607
00:28:00,959 --> 00:27:58,450
this stuff as a whoo-whoop stuff that's

608
00:28:02,099 --> 00:28:00,969
not real you know that's not ufology but

609
00:28:04,109 --> 00:28:02,109
those people are totally clueless

610
00:28:06,269 --> 00:28:04,119
because they don't really know what's

611
00:28:08,820 --> 00:28:06,279
going on at the experience or level we

612
00:28:12,060 --> 00:28:08,830
managed to academically document this

613
00:28:15,839 --> 00:28:12,070

with more than 4,000 people from over a

614

00:28:19,310 --> 00:28:15,849

hundred countries let me retract a

615

00:28:22,019 --> 00:28:19,320

little bit our statistician analyzed our

616

00:28:25,919 --> 00:28:22,029

responses according to different country

617

00:28:28,619 --> 00:28:25,929

groupings he had mainline Europe he had

618

00:28:30,029 --> 00:28:28,629

the United Kingdom he had Canada the

619

00:28:33,269 --> 00:28:30,039

United States and then he grouped

620

00:28:35,279 --> 00:28:33,279

grouped together Australia New Zealand

621

00:28:37,399 --> 00:28:35,289

and then we looked at how the people

622

00:28:40,349 --> 00:28:37,409

responded to each of the questions and

623

00:28:43,489 --> 00:28:40,359

what he determined what our data

624

00:28:46,799 --> 00:28:43,499

revealed was that there was very little

625

00:28:50,339 --> 00:28:46,809

variance in how people responded it was

626
00:28:53,039 --> 00:28:50,349
like 10% variance for all the questions

627
00:28:56,399 --> 00:28:53,049
so that means no matter where you lived

628
00:28:58,049 --> 00:28:56,409
and also in the different languages the

629
00:29:00,119 --> 00:28:58,059
Spanish researchers found out for the

630
00:29:02,820 --> 00:29:00,129
Spanish survey they were answering the

631
00:29:05,489 --> 00:29:02,830
same way consistently to each of these

632
00:29:07,560 --> 00:29:05,499
same questions okay so that's another

633
00:29:09,570 --> 00:29:07,570
revelation that this is valid data

634
00:29:10,950 --> 00:29:09,580
people are answering the same way no

635
00:29:12,749 --> 00:29:10,960
matter whether he lived and what

636
00:29:15,869 --> 00:29:12,759
language they were answering these

637
00:29:17,639 --> 00:29:15,879
surveys now getting back the first one

638
00:29:19,200 --> 00:29:17,649

was that its prime overwhelmingly

639

00:29:22,409 --> 00:29:19,210

positive experiences

640

00:29:24,180 --> 00:29:22,419

number two the overwhelmingly majority

641

00:29:26,639 --> 00:29:24,190

of these experiences were paranormal in

642

00:29:28,229 --> 00:29:26,649

nature they might have seen a UFO they

643

00:29:30,719 --> 00:29:28,239

might have had contact with non-human

644

00:29:33,240 --> 00:29:30,729

intelligence and not just physical

645

00:29:35,120 --> 00:29:33,250

contact we're talking also downloads and

646

00:29:37,440 --> 00:29:35,130

different types of contact experiences

647

00:29:39,540 --> 00:29:37,450

but the vast majority of these

648

00:29:42,630 --> 00:29:39,550

experiences were paranormal like in my

649

00:29:45,840 --> 00:29:42,640

case I've seen an energy being once I

650

00:29:48,750 --> 00:29:45,850

called down UFOs three times twice I was

651
00:29:50,610 --> 00:29:48,760
accessible very close one time thirty

652
00:29:55,950 --> 00:29:50,620
feet like I told you about another

653
00:29:57,930 --> 00:29:55,960
separate time this massive blimp like

654
00:30:01,140 --> 00:29:57,940
twice the size of a school bus that was

655
00:30:03,810 --> 00:30:01,150
colored like the moon flew directly

656
00:30:07,320 --> 00:30:03,820
above myself and three other people at a

657
00:30:09,380 --> 00:30:07,330
very close range and so with no wings no

658
00:30:13,290 --> 00:30:09,390
noise whatsoever so it wasn't any

659
00:30:17,970 --> 00:30:13,300
helicopter a jet plane and so and my

660
00:30:20,790 --> 00:30:17,980
paranormal experiences were for almost

661
00:30:23,820 --> 00:30:20,800
two years non-stop but yet I only had

662
00:30:26,130 --> 00:30:23,830
three physical experiences okay so this

663
00:30:29,640 --> 00:30:26,140

is very temple a typical of experiences

664

00:30:31,230 --> 00:30:29,650

they've had physical but the over one in

665

00:30:34,860 --> 00:30:31,240

the type of experiences were parallel

666

00:30:39,930 --> 00:30:34,870

now the third major finding is we had

667

00:30:41,700 --> 00:30:39,940

borrowed questions from a 1986 academic

668

00:30:44,990 --> 00:30:41,710

research study that near-death

669

00:30:49,080 --> 00:30:45,000

experiencer researcher dr. Kenneth ring

670

00:30:51,360 --> 00:30:49,090

did in 1986 dr. Kenneth ring is now an

671

00:30:53,940 --> 00:30:51,370

emeritus professor of psychology from

672

00:30:55,620 --> 00:30:53,950

the University of Connecticut and he is

673

00:30:58,530 --> 00:30:55,630

one of the world's leading experts on

674

00:31:00,390 --> 00:30:58,540

near-death experiences and what he did

675

00:31:03,630 --> 00:31:00,400

in that research study was that he

676
00:31:06,390 --> 00:31:03,640
compared roughly 85 people who had

677
00:31:09,390 --> 00:31:06,400
near-death experiences with another 85

678
00:31:10,950 --> 00:31:09,400
people that had abduction type of

679
00:31:13,500 --> 00:31:10,960
experiences there were some non

680
00:31:16,350 --> 00:31:13,510
abductees these were contactees but the

681
00:31:18,840 --> 00:31:16,360
vast majority were abductees and so he

682
00:31:21,210 --> 00:31:18,850
focused on three or four different topic

683
00:31:22,560 --> 00:31:21,220
areas but one of those topic areas was

684
00:31:25,500 --> 00:31:22,570
how do these people change

685
00:31:28,720 --> 00:31:25,510
how were they before how are they now

686
00:31:31,539 --> 00:31:28,730
and he asked approximately 60 questions

687
00:31:35,110 --> 00:31:31,549
and what he discovered was that both

688
00:31:40,120 --> 00:31:35,120

groups approximately 85% underwent a

689

00:31:43,860 --> 00:31:40,130

total complete psychological profile

690

00:31:48,799 --> 00:31:43,870

transformation for the positive

691

00:31:50,690 --> 00:31:48,809

let me explain that okay for example

692

00:31:52,670 --> 00:31:50,700

uhh

693

00:31:55,130 --> 00:31:52,680

for your death

694

00:31:59,210 --> 00:31:55,140

the vast majority of people that were

695

00:32:00,770 --> 00:31:59,220

contact experiencers said no okay that

696

00:32:03,890 --> 00:32:00,780

well let me go back to the percentages

697

00:32:07,070 --> 00:32:03,900

what he discovered was that 85% of these

698

00:32:10,250 --> 00:32:07,080

both groups not one both groups that NDE

699

00:32:12,830 --> 00:32:10,260

group the UFO abducting groups totally

700

00:32:15,140 --> 00:32:12,840

changed who they were it was a total

701
00:32:17,540 --> 00:32:15,150
transformation of their personality for

702
00:32:22,100 --> 00:32:17,550
the positive okay so what we did is we

703
00:32:23,540 --> 00:32:22,110
borrowed 85 of those questions not 85

704
00:32:25,280 --> 00:32:23,550
I'm sorry we borrowed 60 of those

705
00:32:28,299 --> 00:32:25,290
questions about how these people changed

706
00:32:31,460 --> 00:32:28,309
we put it in our survey and guess what

707
00:32:33,620 --> 00:32:31,470
same exact finding 85 percent of these

708
00:32:35,870 --> 00:32:33,630
people on the average depending on the

709
00:32:38,090 --> 00:32:35,880
questions that were asked underwent this

710
00:32:41,680 --> 00:32:38,100
total and complete transformation it was

711
00:32:43,520 --> 00:32:41,690
like they started off as a as a worm and

712
00:32:44,930 --> 00:32:43,530
all of a sudden they came out of

713
00:32:47,000 --> 00:32:44,940

butterfly okay

714

00:32:49,220 --> 00:32:47,010

and then some of the questions were for

715

00:32:51,860 --> 00:32:49,230

example do you fear death 85 percent

716

00:32:54,200 --> 00:32:51,870

said no people that were atheist all of

717

00:32:56,150 --> 00:32:54,210

a sudden become very spiritual people

718

00:32:58,700 --> 00:32:56,160

that were very religious all of a sudden

719

00:33:00,110 --> 00:32:58,710

they become very spiritual they might

720

00:33:02,180 --> 00:33:00,120

have gone to church and Mass every

721

00:33:04,970 --> 00:33:02,190

Sunday but they weren't very spiritual

722

00:33:06,380 --> 00:33:04,980

now they were very spiritual and some of

723

00:33:09,080 --> 00:33:06,390

them stole you know maintain their

724

00:33:10,810 --> 00:33:09,090

religious aspects to them they still go

725

00:33:14,169 --> 00:33:10,820

to church but they know it's much more

726

00:33:18,200 --> 00:33:14,179

profound than just you know the church

727

00:33:21,380 --> 00:33:18,210

people became less egotistical they

728

00:33:24,710 --> 00:33:21,390

became more loving okay more

729

00:33:26,510 --> 00:33:24,720

ecologically friendly money money money

730

00:33:29,120 --> 00:33:26,520

money all of a sudden was not important

731

00:33:33,500 --> 00:33:29,130

in life they became more consciously

732

00:33:35,990 --> 00:33:33,510

aware okay that the bigger picture you

733

00:33:38,630 --> 00:33:36,000

know that we're not alone here and they

734

00:33:41,990 --> 00:33:38,640

became more aware of God source whatever

735

00:33:43,280 --> 00:33:42,000

you want to call it and there was 60

736

00:33:46,250 --> 00:33:43,290

different questions was a totally

737

00:33:48,320 --> 00:33:46,260

complete new person and for the positive

738

00:33:51,230 --> 00:33:48,330

someone that you would want as your your

739

00:33:53,150 --> 00:33:51,240

neighbor your spouse how you you want

740

00:33:55,580 --> 00:33:53,160

your children to be to be you know once

741

00:33:56,450 --> 00:33:55,590

they're fully raised someone that you

742

00:33:58,310 --> 00:33:56,460

would want to be your best friend

743

00:34:03,470 --> 00:33:58,320

someone like that okay very

744

00:34:06,170 --> 00:34:03,480

compassionate loving a driven person

745

00:34:08,480 --> 00:34:06,180

but it's only happening to select people

746

00:34:10,610 --> 00:34:08,490

people are being contacted now that's

747

00:34:13,790 --> 00:34:10,620

not everyone as I said before it's only

748

00:34:15,740 --> 00:34:13,800

85% of the people and also there's still

749

00:34:17,659 --> 00:34:15,750

these people that are so traumatized by

750

00:34:19,100 --> 00:34:17,669

these experiences but those are the

751
00:34:21,530 --> 00:34:19,110
people that usually had an abduction

752
00:34:23,899 --> 00:34:21,540
experience and people that only had a

753
00:34:25,879 --> 00:34:23,909
few one or two experiences okay

754
00:34:28,100 --> 00:34:25,889
so they never evolved they never

755
00:34:31,340 --> 00:34:28,110
transcended their experiences never took

756
00:34:34,970 --> 00:34:31,350
off to the next level okay so that group

757
00:34:38,960 --> 00:34:34,980
does exist but it was a small fraction

758
00:34:40,610 --> 00:34:38,970
and again the researchers knew that but

759
00:34:42,260 --> 00:34:40,620
they were never able to quantify it

760
00:34:44,659 --> 00:34:42,270
what were the percentages what were the

761
00:34:46,639 --> 00:34:44,669
statistics and again that's not what you

762
00:34:48,560 --> 00:34:46,649
get a mainstream ufology you go the

763
00:34:52,460 --> 00:34:48,570

internet I know you see of these evil

764

00:34:54,830 --> 00:34:52,470

dreaded small rays and you're sitting

765

00:34:56,600 --> 00:34:54,840

there paralyzed like in fear of Chuck

766

00:34:57,830 --> 00:34:56,610

and all these Grey's around you that's

767

00:34:59,420 --> 00:34:57,840

the image that you get when you go to

768

00:35:02,360 --> 00:34:59,430

the Internet and in many of these

769

00:35:04,220 --> 00:35:02,370

ufology conferences but in reality with

770

00:35:08,480 --> 00:35:04,230

4,000 toward the people have told us is

771

00:35:09,830 --> 00:35:08,490

something very very different okay we

772

00:35:12,530 --> 00:35:09,840

even asked a question for the different

773

00:35:14,960 --> 00:35:12,540

types of beings we had twelve different

774

00:35:16,610 --> 00:35:14,970

types of beings what people are saying

775

00:35:20,600 --> 00:35:16,620

is many many many more but we had like

776
00:35:22,520 --> 00:35:20,610
top 12 categories for example the number

777
00:35:24,530 --> 00:35:22,530
one type of being was the energy being

778
00:35:27,290 --> 00:35:24,540
at 55%

779
00:35:29,630 --> 00:35:27,300
again mainstream ufology doesn't discuss

780
00:35:35,600 --> 00:35:29,640
that the number two type of being was

781
00:35:40,370 --> 00:35:35,610
the human-looking being 52% number three

782
00:35:43,340 --> 00:35:40,380
was a small race 51% and we're not

783
00:35:48,160 --> 00:35:43,350
talking about you know 100 150 people no

784
00:35:51,370 --> 00:35:48,170
we're talking about 1,100 people had

785
00:35:52,690 --> 00:35:51,380
contact with small raise huge numbers

786
00:35:55,150 --> 00:35:52,700
okay

787
00:36:01,660 --> 00:35:55,160
the next number was the ghost and spirit

788
00:36:05,860 --> 00:36:01,670

forms that was 47% okay then after that

789

00:36:10,330 --> 00:36:05,870

was the tall raise 37% then after that

790

00:36:14,080 --> 00:36:10,340

was the the reptilians and I believe

791

00:36:17,410 --> 00:36:14,090

that was I'm not sure exactly but I

792

00:36:19,900 --> 00:36:17,420

believe was 35% and the insect toyed was

793

00:36:22,180 --> 00:36:19,910

about 30% or so you know the people

794

00:36:25,720 --> 00:36:22,190

describe as the praying mantis the

795

00:36:28,750 --> 00:36:25,730

insectoid types and and then we had

796

00:36:31,150 --> 00:36:28,760

other types of categories there but what

797

00:36:32,800 --> 00:36:31,160

we discovered was that for all of these

798

00:36:35,290 --> 00:36:32,810

different types of entities we asked

799

00:36:38,430 --> 00:36:35,300

them was your experiences mainly

800

00:36:41,920 --> 00:36:38,440

negative slightly negative neutral

801
00:36:44,710 --> 00:36:41,930
slightly positive or mainly positive

802
00:36:47,710 --> 00:36:44,720
okay so let's pick this the grays the

803
00:36:49,000 --> 00:36:47,720
small greys in the internet and in these

804
00:36:51,790 --> 00:36:49,010
UFO conference they have these

805
00:36:53,680 --> 00:36:51,800
reputations as being very very negative

806
00:36:56,590 --> 00:36:53,690
people are totally traumatized by this

807
00:36:58,420 --> 00:36:56,600
well guess what only ten and a half

808
00:37:00,730 --> 00:36:58,430
percent of the people viewed their

809
00:37:03,640 --> 00:37:00,740
experiences with the small graces mainly

810
00:37:07,480 --> 00:37:03,650
negative sixty percent said it was

811
00:37:10,090 --> 00:37:07,490
neutral and the rest was positive okay

812
00:37:12,100 --> 00:37:10,100
so that's not perception of what's being

813
00:37:15,640 --> 00:37:12,110

portrayed but yet that's what our

814

00:37:18,040 --> 00:37:15,650

thousand 100 people are saying even for

815

00:37:21,070 --> 00:37:18,050

the evil dreaded reptilians the ones

816

00:37:23,200 --> 00:37:21,080

that had the most vicious reputation the

817

00:37:25,660 --> 00:37:23,210

ones that were you go to the Internet

818

00:37:27,850 --> 00:37:25,670

you hear all the stories they raped your

819

00:37:30,400 --> 00:37:27,860

wife and they ate your children and

820

00:37:33,160 --> 00:37:30,410

Obama's are reptilian you know and so

821

00:37:35,970 --> 00:37:33,170

all of that is sheer nonsense we ask the

822

00:37:38,500 --> 00:37:35,980

question only 22 percent of the people

823

00:37:43,570 --> 00:37:38,510

450 people had reptilian experiences

824

00:37:45,790 --> 00:37:43,580

huge numbers 450 okay one of those 450

825

00:37:48,730 --> 00:37:45,800

people 22% said that their experiences

826

00:37:50,620 --> 00:37:48,740

were negative but then when we went to

827

00:37:53,650 --> 00:37:50,630

phase 3 phase 3 is where people wrote

828

00:37:56,380 --> 00:37:53,660

out the details of their experiences in

829

00:37:59,650 --> 00:37:56,390

writing what did we discover the vast

830

00:38:01,660 --> 00:37:59,660

majority of the people the reason why

831

00:38:04,720 --> 00:38:01,670

they wrote was mainly negative

832

00:38:06,130 --> 00:38:04,730

because they were totally scared once

833

00:38:07,930 --> 00:38:06,140

they saw this being right from them

834

00:38:12,039 --> 00:38:07,940

we're talking about an eight-foot-tall

835

00:38:16,089 --> 00:38:12,049

being 500 pounds like steroid mussels

836

00:38:18,660 --> 00:38:16,099

with a crocodile head you know look like

837

00:38:23,559 --> 00:38:18,670

an alligator rut right in front of you

838

00:38:25,809 --> 00:38:23,569

and you're totally horrified okay but

839

00:38:28,779 --> 00:38:25,819

yet only 22 percent other people said

840

00:38:32,289 --> 00:38:28,789

that and the main reason was as dr. John

841

00:38:34,240 --> 00:38:32,299

Mack said the ontological shock of the

842

00:38:36,400 --> 00:38:34,250

experience because all of a sudden like

843

00:38:37,960 --> 00:38:36,410

Barbara lamb she's in her middle of a

844

00:38:39,880 --> 00:38:37,970

living room cleaning in the living room

845

00:38:41,950 --> 00:38:39,890

and this reptilian being appears right

846

00:38:44,200 --> 00:38:41,960

in front of her but Barbara had been

847

00:38:45,609 --> 00:38:44,210

doing this work for so so many years so

848

00:38:47,980 --> 00:38:45,619

she wasn't totally shocked

849

00:38:50,500 --> 00:38:47,990

she had telepathic communications with

850

00:38:53,759 --> 00:38:50,510

this being and it wasn't negative at all

851

00:38:56,859 --> 00:38:53,769

it was actually very positive okay so

852

00:38:58,809 --> 00:38:56,869

for some people not the vast majority of

853

00:39:00,789 --> 00:38:58,819

them but for some people I would say was

854

00:39:02,440 --> 00:39:00,799

less than a hundred they managed to

855

00:39:04,779 --> 00:39:02,450

continue to have these reptilian

856

00:39:06,819 --> 00:39:04,789

experiences and then later on they lost

857

00:39:09,309 --> 00:39:06,829

the fear and then telepathic

858

00:39:11,650 --> 00:39:09,319

communications began and then it became

859

00:39:13,749 --> 00:39:11,660

very positive these experiences with

860

00:39:17,259 --> 00:39:13,759

these reptilians and I think you had a

861

00:39:19,990 --> 00:39:17,269

speaker last year Nancy Tremaine that

862

00:39:21,910 --> 00:39:20,000

that spoke here last year about her

863

00:39:28,509 --> 00:39:21,920

experiences mainly with with reptilians

864

00:39:30,670 --> 00:39:28,519

and so so so what our data reveals is

865

00:39:32,980 --> 00:39:30,680

that what is being circulated in the

866

00:39:35,559 --> 00:39:32,990

Internet and all these you materialists

867

00:39:37,240 --> 00:39:35,569

ufology speakers that these people are

868

00:39:40,150 --> 00:39:37,250

totally clueless as to what really is

869

00:39:41,890 --> 00:39:40,160

going on with experiencers that our data

870

00:39:45,700 --> 00:39:41,900

reveals that is something so so much

871

00:39:48,549 --> 00:39:45,710

more complex okay so now let's focus on

872

00:39:52,210 --> 00:39:48,559

the the three the the four major aspects

873

00:39:55,509 --> 00:39:52,220

one was that mainly positive mainly

874

00:39:57,730 --> 00:39:55,519

paranormal and people being totally

875

00:40:00,759 --> 00:39:57,740

transformed and that a butterfly was

876

00:40:03,609 --> 00:40:00,769

coming out pretty much totally new human

877

00:40:06,220 --> 00:40:03,619

okay the fourth major experience is what

878

00:40:09,430 --> 00:40:06,230

dr. Jack valet said more than 40 years

879

00:40:12,270 --> 00:40:09,440

ago is that he said more than 40 years

880

00:40:15,030 --> 00:40:12,280

ago he would be surprised

881

00:40:17,700 --> 00:40:15,040

if what it turned out to be whatever

882

00:40:21,330 --> 00:40:17,710

this non-human intelligence was was some

883

00:40:24,870 --> 00:40:21,340

alien from some physical planet okay in

884

00:40:27,090 --> 00:40:24,880

our universe he says that he suspected

885

00:40:28,320 --> 00:40:27,100

that it wasn't that is something much

886

00:40:29,970 --> 00:40:28,330

much more complicated

887

00:40:33,960 --> 00:40:29,980

he's also stated that it's

888

00:40:35,550 --> 00:40:33,970

consciousness-based okay and I mean

889

00:40:37,350 --> 00:40:35,560

privately when he spoken to many many

890

00:40:40,320 --> 00:40:37,360

people he also believed that it might be

891

00:40:42,270 --> 00:40:40,330

multi-dimensional in nature why because

892

00:40:44,070 --> 00:40:42,280

there's a manipulation of space-time and

893

00:40:46,950 --> 00:40:44,080

what he said is that we just don't

894

00:40:49,470 --> 00:40:46,960

understand space-time you know physicist

895

00:40:51,750 --> 00:40:49,480

PhD physicists we still don't understand

896

00:40:54,750 --> 00:40:51,760

you know a lot of the basic elements of

897

00:40:57,000 --> 00:40:54,760

quantum physics so what we determined

898

00:40:59,400 --> 00:40:57,010

was that in the experience for contact

899

00:41:01,560 --> 00:40:59,410

phenomenon undoubtedly there was a

900

00:41:03,180 --> 00:41:01,570

manipulation of space-time for example

901
00:41:06,600 --> 00:41:03,190
the people are being brought to a

902
00:41:08,540 --> 00:41:06,610
contact modalities by a physical being

903
00:41:11,190 --> 00:41:08,550
that appeared in front of them and say

904
00:41:14,190 --> 00:41:11,200
look at none I know you've been thinking

905
00:41:16,860 --> 00:41:14,200
about death lately and this is a this

906
00:41:18,750 --> 00:41:16,870
being physical being like an energy

907
00:41:19,560 --> 00:41:18,760
being or a human-looking being appears

908
00:41:23,040 --> 00:41:19,570
right in front of you

909
00:41:25,350 --> 00:41:23,050
dressed in a Roman tunic okay he said

910
00:41:26,760 --> 00:41:25,360
let me show you what death is like and

911
00:41:30,240 --> 00:41:26,770
so he takes you through a near-death

912
00:41:32,850 --> 00:41:30,250
experience okay the whole gambit of it

913
00:41:34,560 --> 00:41:32,860

and then it might last five or ten

914

00:41:38,160 --> 00:41:34,570

minutes and all of a sudden you're back

915

00:41:40,380 --> 00:41:38,170

in your couch again okay and then the

916

00:41:41,880 --> 00:41:40,390

being is not there so he brought you to

917

00:41:44,520 --> 00:41:41,890

a matrix reality showing you what death

918

00:41:46,410 --> 00:41:44,530

was like so you wouldn't fear it these

919

00:41:48,750 --> 00:41:46,420

are what these high-level experiences

920

00:41:51,330 --> 00:41:48,760

were having you know these type of

921

00:41:52,560 --> 00:41:51,340

that's just an illustration but that

922

00:41:55,230 --> 00:41:52,570

happened to one of my best friends

923

00:41:56,880 --> 00:41:55,240

exactly what I just told you and so so

924

00:41:58,950 --> 00:41:56,890

there's definitely a manipulation of

925

00:42:01,230 --> 00:41:58,960

space-time just like valet said many

926
00:42:02,940 --> 00:42:01,240
many years ago with dr. John Mack said

927
00:42:05,190 --> 00:42:02,950
many many years ago that there's a

928
00:42:07,980 --> 00:42:05,200
manipulation of space-time that people

929
00:42:09,900 --> 00:42:07,990
being brought to other realities dr.

930
00:42:12,450 --> 00:42:09,910
Edgar Mitchell spoke about that many

931
00:42:14,450 --> 00:42:12,460
many times and all of the members of our

932
00:42:17,329 --> 00:42:14,460
board of directors all

933
00:42:19,819 --> 00:42:17,339
okay same thing now the other thing that

934
00:42:22,640 --> 00:42:19,829
all of our board members have in common

935
00:42:23,450 --> 00:42:22,650
is that we believe that all of the

936
00:42:26,299 --> 00:42:23,460
paranormal

937
00:42:28,970 --> 00:42:26,309
is interrelated we call all of these

938
00:42:32,150 --> 00:42:28,980

experiences that I saw inside that wheel

939

00:42:33,829 --> 00:42:32,160

we call it the contact modalities these

940

00:42:35,510 --> 00:42:33,839

are all the different ways that humans

941

00:42:37,730 --> 00:42:35,520

are piercing the wheel and having

942

00:42:39,109 --> 00:42:37,740

contact with non-human intelligence we

943

00:42:42,440 --> 00:42:39,119

believe that all of them are

944

00:42:45,490 --> 00:42:42,450

interrelated why because each of them

945

00:42:48,530 --> 00:42:45,500

involves a manipulation of space-time

946

00:42:50,829 --> 00:42:48,540

near-death experience manipulation of

947

00:42:52,970 --> 00:42:50,839

space-time auto body experiences

948

00:42:56,049 --> 00:42:52,980

manipulation of space-time remote

949

00:42:59,450 --> 00:42:56,059

viewing manipulation of space-time

950

00:43:01,730 --> 00:42:59,460

ghosts and spirits same thing okay so

951
00:43:06,079 --> 00:43:01,740
they all have this commonality then each

952
00:43:09,260 --> 00:43:06,089
and every one of them people are taken

953
00:43:11,059 --> 00:43:09,270
out of their reality and having

954
00:43:13,700 --> 00:43:11,069
communication with non-human

955
00:43:16,130 --> 00:43:13,710
intelligence so that's how they're

956
00:43:19,520 --> 00:43:16,140
interrelated now the key to be able

957
00:43:22,069 --> 00:43:19,530
understand this phenomenon all the

958
00:43:26,599 --> 00:43:22,079
near-death experiences okay all of them

959
00:43:29,809 --> 00:43:26,609
agreeing that consciousness is the key

960
00:43:32,710 --> 00:43:29,819
to be able to understand this okay that

961
00:43:35,809 --> 00:43:32,720
we're dealing with a multi-dimensional

962
00:43:38,299 --> 00:43:35,819
experience involving consciousness and

963
00:43:41,809 --> 00:43:38,309

that somehow whatever this intelligence

964

00:43:44,299 --> 00:43:41,819

is is fully aware of that dynamic that

965

00:43:46,130 --> 00:43:44,309

relationship and they all suspect that

966

00:43:50,030 --> 00:43:46,140

we're dealing with interdimensional

967

00:43:53,900 --> 00:43:50,040

non-human intelligence so I think this

968

00:43:54,650 --> 00:43:53,910

is what this field needs to evolve and

969

00:43:57,710 --> 00:43:54,660

to grow

970

00:44:01,280 --> 00:43:57,720

ufology means to move away from its

971

00:44:04,280 --> 00:44:01,290

materialist mindset nuts-and-bolts

972

00:44:09,860 --> 00:44:04,290

approach of just focusing on a physical

973

00:44:15,050 --> 00:44:12,440

and I have for the audience's how much

974

00:44:18,110 --> 00:44:15,060

has that approach

975

00:44:20,450 --> 00:44:18,120

in humanity over the last 70 years how

976

00:44:23,240 --> 00:44:20,460

much have you learned from that my

977

00:44:25,940 --> 00:44:23,250

response would be very little okay

978

00:44:28,790 --> 00:44:25,950

there's only so many times you could

979

00:44:33,050 --> 00:44:28,800

discuss Roswell in Rendlesham forest and

980

00:44:36,500 --> 00:44:33,060

and and this this latest revelation from

981

00:44:40,340 --> 00:44:36,510

the CIA of this aircraft picture taking

982

00:44:44,060 --> 00:44:40,350

of of a UFO for an experiencer is like

983

00:44:44,990 --> 00:44:44,070

duh you know been there done that give

984

00:44:48,470 --> 00:44:45,000

me something else

985

00:44:51,710 --> 00:44:48,480

okay so Edgar Mitchell Rudy Shields John

986

00:44:54,170 --> 00:44:51,720

Mack Jacques Vallee all of these people

987

00:44:56,780 --> 00:44:54,180

dr. Dean Radin all the people involved

988

00:44:58,100 --> 00:44:56,790

in organization valets not part of our

989

00:44:59,630 --> 00:44:58,110

organization but I just mention his name

990

00:45:01,570 --> 00:44:59,640

because he also had that same

991

00:45:03,740 --> 00:45:01,580

perspective that the experimenter the

992

00:45:07,190 --> 00:45:03,750

people that have had these experiences

993

00:45:09,800 --> 00:45:07,200

is the key to be able to understand this

994

00:45:14,420 --> 00:45:09,810

complicated phenomenon and it's not just

995

00:45:18,410 --> 00:45:14,430

about UFOs like our book said it's

996

00:45:19,610 --> 00:45:18,420

beyond UFOs way beyond UFOs the science

997

00:45:21,680 --> 00:45:19,620

of consciousness because we're dealing

998

00:45:24,260 --> 00:45:21,690

with consciousness and contact with

999

00:45:25,580 --> 00:45:24,270

non-human intelligence okay so what

1000

00:45:27,860 --> 00:45:25,590

we're trying to do in this academic

1001

00:45:30,890 --> 00:45:27,870

research study is to put all the pieces

1002

00:45:32,840 --> 00:45:30,900

together with a new paradigm because

1003

00:45:35,030 --> 00:45:32,850

this this is a new paradigm that we're

1004

00:45:38,510 --> 00:45:35,040

establishing it's a new way of thinking

1005

00:45:40,310 --> 00:45:38,520

a new way of our reality our reality is

1006

00:45:42,560 --> 00:45:40,320

not what we think it is and it's much

1007

00:45:44,450 --> 00:45:42,570

much more complicated than nuts and

1008

00:45:46,580 --> 00:45:44,460

bolts ufology and that's where I think

1009

00:45:49,730 --> 00:45:46,590

this field needs to move into that

1010

00:45:52,010 --> 00:45:49,740

direction as I said we were doing this

1011

00:45:53,630 --> 00:45:52,020

five-year academic research study we

1012

00:45:56,510 --> 00:45:53,640

published the book it's available on

1013

00:45:59,450 --> 00:45:56,520

Amazon the name of the book is beyond

1014

00:46:02,530 --> 00:45:59,460

UFOs the science of consciousness and

1015

00:46:04,760 --> 00:46:02,540

contact with non-human intelligence and

1016

00:46:10,030 --> 00:46:04,770

we're working on two other major

1017

00:46:15,860 --> 00:46:10,040

projects the other is a two-volume a

1018

00:46:16,940 --> 00:46:15,870

theoretical book on on this theme what

1019

00:46:20,960 --> 00:46:16,950

is the relationship between

1020

00:46:23,240 --> 00:46:20,970

consciousness our cosmology

1021

00:46:26,300 --> 00:46:23,250

in contact with non-human intelligence

1022

00:46:28,250 --> 00:46:26,310

via the contact modalities and we will

1023

00:46:32,089 --> 00:46:28,260

have approximately 30 authors to that

1024

00:46:36,320 --> 00:46:32,099

book 15 of them will be phd's academics

1025

00:46:38,690 --> 00:46:36,330

the other half will be experiences that

1026
00:46:41,240 --> 00:46:38,700
are gonna be writing theoretical pieces

1027
00:46:43,849 --> 00:46:41,250
as to what is your opinion as to what is

1028
00:46:46,160 --> 00:46:43,859
going on you've had these experiences or

1029
00:46:48,290 --> 00:46:46,170
you've reached this phenomenon for souls

1030
00:46:50,660 --> 00:46:48,300
for many years what the hell is going on

1031
00:46:51,680 --> 00:46:50,670
you know from your perspective so it's

1032
00:46:54,349 --> 00:46:51,690
different perspectives different

1033
00:46:56,630 --> 00:46:54,359
opinions from people that have had

1034
00:46:59,870 --> 00:46:56,640
different backgrounds one person is a

1035
00:47:01,520 --> 00:46:59,880
neuroscientist another person is a PhD

1036
00:47:03,740 --> 00:47:01,530
physicist another person is an

1037
00:47:06,020 --> 00:47:03,750
astrophysicist another person is

1038
00:47:08,660 --> 00:47:06,030

psychologist another one has studied the

1039

00:47:11,450 --> 00:47:08,670

parapsychology another person has

1040

00:47:12,890 --> 00:47:11,460

focused on the paranormal and then you

1041

00:47:14,510 --> 00:47:12,900

have these experiences these that we're

1042

00:47:17,510 --> 00:47:14,520

talking about out-of-body experiences

1043

00:47:19,430 --> 00:47:17,520

near-death experiences UFO contact

1044

00:47:22,520 --> 00:47:19,440

experiences people that do remote

1045

00:47:24,470 --> 00:47:22,530

viewing for many many many years people

1046

00:47:26,900 --> 00:47:24,480

that do channeling and mediumship work

1047

00:47:29,839 --> 00:47:26,910

so all different perspectives giving

1048

00:47:32,690 --> 00:47:29,849

their opinions as to what is going on

1049

00:47:34,099 --> 00:47:32,700

okay so it's the theoretical ball so the

1050

00:47:39,560 --> 00:47:34,109

time of that book and the tentative

1051
00:47:42,020 --> 00:47:39,570
title is a chapter that Edgar Mitchell

1052
00:47:45,800 --> 00:47:42,030
had in one of his books and the chapter

1053
00:47:49,099 --> 00:47:45,810
of the title was from outer space to

1054
00:47:51,859 --> 00:47:49,109
inner space the science of consciousness

1055
00:47:54,760 --> 00:47:51,869
and contact with non-human intelligence

1056
00:47:57,650 --> 00:47:54,770
so from outer space to inner space and

1057
00:48:01,450 --> 00:47:57,660
so that book will be finished and

1058
00:48:04,640 --> 00:48:01,460
published approximately January of 2020

1059
00:48:06,530 --> 00:48:04,650
we also have a documentary that we're

1060
00:48:09,349 --> 00:48:06,540
putting together it's a science-based

1061
00:48:12,950 --> 00:48:09,359
documentary about the same topic okay

1062
00:48:15,320 --> 00:48:12,960
and that'll be revealed later on in 2020

1063
00:48:17,150 --> 00:48:15,330

probably the fall of 2020 and we've been

1064

00:48:19,730 --> 00:48:17,160

working on this documentary for close to

1065

00:48:21,770 --> 00:48:19,740

two years now where people can find out

1066

00:48:24,770 --> 00:48:21,780

more information about our organization

1067

00:48:26,810 --> 00:48:24,780

or research study our first book or

1068

00:48:29,839 --> 00:48:26,820

second book in our documentary we have a

1069

00:48:33,070 --> 00:48:29,849

website we have two websites one website

1070

00:48:37,300 --> 00:48:33,080

is called consciousness

1071

00:48:40,840 --> 00:48:37,310

contact gorg consciousness and contact

1072

00:48:47,080 --> 00:48:40,850

gorg another website which is our first

1073

00:48:49,240 --> 00:48:47,090

website is experience org experience org

1074

00:48:51,700 --> 00:48:49,250

our website if people want to

1075

00:48:53,320 --> 00:48:51,710

communicate with us and also to get on

1076

00:48:55,600 --> 00:48:53,330

our mailing list because we have a

1077

00:48:58,210 --> 00:48:55,610

mailing list for different events

1078

00:48:59,650 --> 00:48:58,220

different speaking engagements our books

1079

00:49:02,500 --> 00:48:59,660

our documentary things of that sort

1080

00:49:05,290 --> 00:49:02,510

articles that get published we will send

1081

00:49:07,150 --> 00:49:05,300

you chapter one of our book beyond UFOs

1082

00:49:09,340 --> 00:49:07,160

for free eight hundred twenty pages

1083

00:49:12,340 --> 00:49:09,350

we'll send it to you for free we just

1084

00:49:18,090 --> 00:49:12,350

need your email okay so our email is

1085

00:49:21,430 --> 00:49:18,100

info at experiencer dot org info at

1086

00:49:24,430 --> 00:49:21,440

experience org and we will send you

1087

00:49:27,910 --> 00:49:24,440

chapter one of our book which is a

1088

00:49:30,250 --> 00:49:27,920

summary and analysis of our experience

1089

00:49:32,860 --> 00:49:30,260

for research study and again it's for

1090

00:49:35,950 --> 00:49:32,870

free and we will also link you up with

1091

00:49:37,990 --> 00:49:35,960

other chapters from our article i think

1092

00:49:40,630 --> 00:49:38,000

it's two other chapters that we're

1093

00:49:43,560 --> 00:49:40,640

revealing to the public one the chapter

1094

00:49:46,180 --> 00:49:43,570

on medical healings co-written by dr.

1095

00:49:49,570 --> 00:49:46,190

retired medical doctor dr. Joseph Brooks

1096

00:49:51,940 --> 00:49:49,580

and Preston Dennett and the other one is

1097

00:49:53,890 --> 00:49:51,950

the conclusion to our book which was

1098

00:49:56,440 --> 00:49:53,900

written by the late Brad Steiger

1099

00:50:00,730 --> 00:49:56,450

Brad Steiger was pretty much the father

1100

00:50:02,170 --> 00:50:00,740

of the paranormal before he died I think

1101

00:50:06,040 --> 00:50:02,180

he published more than two hundred books

1102

00:50:09,520 --> 00:50:06,050

on all topics of the paranormal so Brad

1103

00:50:11,260 --> 00:50:09,530

wrote that the conclusion pretty much in

1104

00:50:12,070 --> 00:50:11,270

hospice care you know a few weeks before

1105

00:50:15,940 --> 00:50:12,080

he died

1106

00:50:18,820 --> 00:50:15,950

so he's up there with Edgar Mitchell

1107

00:50:21,550 --> 00:50:18,830

they're both guiding our work and I want

1108

00:50:22,750 --> 00:50:21,560

to thank you for for this wonderful

1109

00:50:26,230 --> 00:50:22,760

service that you're providing to
