

**UFO** **HUB**

1  
00:00:23,250 --> 00:00:14,330

[Music]

2  
00:00:23,260 --> 00:00:26,179

you

3  
00:00:31,159 --> 00:00:28,609

my name is la Mar Azul II I'm an author

4  
00:00:32,780 --> 00:00:31,169

researcher film maker I penned 13 books

5  
00:00:34,729 --> 00:00:32,790

were working on the 14th that's in the

6  
00:00:37,369 --> 00:00:34,739

oven right now we've I've either

7  
00:00:39,020 --> 00:00:37,379

produced or co-produced 15 films we're

8  
00:00:41,509 --> 00:00:39,030

working on a new series called Alma

9  
00:00:43,040 --> 00:00:41,519

trail of a Nephilim which has two

10  
00:00:45,319 --> 00:00:43,050

installments out we're working on

11  
00:00:48,350 --> 00:00:45,329

episode three and post-production a very

12  
00:00:51,560 --> 00:00:48,360

vigorous travel schedule starting in

13  
00:00:53,299 --> 00:00:51,570

Europe in June and ending in July will

14

00:00:54,469 --> 00:00:53,309

be going to many different sites and the

15

00:00:56,479 --> 00:00:54,479

reason why we're doing this is because

16

00:00:59,149 --> 00:00:56,489

we feel that that a lot of this

17

00:01:01,460 --> 00:00:59,159

information has been couched a a certain

18

00:01:05,329 --> 00:01:01,470

way with a certain paradigm and we have

19

00:01:07,490 --> 00:01:05,339

a different paradigm than most people we

20

00:01:10,130 --> 00:01:07,500

what I'm looking for basically is sort

21

00:01:12,050 --> 00:01:10,140

of a unified theory if I can actually

22

00:01:15,020 --> 00:01:12,060

use that or borrow that term in the

23

00:01:17,120 --> 00:01:15,030

sense that all of this seems to be

24

00:01:20,240 --> 00:01:17,130

connected in other words what did the

25

00:01:22,219 --> 00:01:20,250

elongated skulls in Peru have to do with

26

00:01:24,859 --> 00:01:22,229

the Great Circle mountain in Newark Ohio

27

00:01:26,810 --> 00:01:24,869

and what is the great octagon mound of

28

00:01:29,060 --> 00:01:26,820

the Octagon now which is part of the

29

00:01:31,489 --> 00:01:29,070

North earthworks in Ohio have to do with

30

00:01:34,249 --> 00:01:31,499

UFO activity and what does UFO activity

31

00:01:36,319 --> 00:01:34,259

have to do with demonic possession so in

32

00:01:38,330 --> 00:01:36,329

my opinion everything dovetails together

33

00:01:41,660 --> 00:01:38,340

and it's a question of what we're really

34

00:01:45,379 --> 00:01:41,670

looking at here what's going on and I'm

35

00:01:47,929 --> 00:01:45,389

a a a student of ancient biblical texts

36

00:01:50,779 --> 00:01:47,939

the Dead Sea Scrolls in particular the

37

00:01:52,340 --> 00:01:50,789

judeo-christian Bible and I find these

38

00:01:54,499 --> 00:01:52,350

ancient prophetic attacks absolutely

39

00:01:57,370 --> 00:01:54,509

fascinating because they're calling out

40

00:02:00,949 --> 00:01:57,380

with great specificity by the way events

41

00:02:03,469 --> 00:02:00,959

that will happen let's say thousands of

42

00:02:07,219 --> 00:02:03,479

years before they were written so

43

00:02:09,290 --> 00:02:07,229

someone some thing is dwelling outside

44

00:02:11,900 --> 00:02:09,300

space time as we know it and I find that

45

00:02:13,640 --> 00:02:11,910

absolutely incredible and so I think I

46

00:02:16,309 --> 00:02:13,650

know who that is and in my own belief

47

00:02:17,960 --> 00:02:16,319

system I've have labels for other people

48

00:02:20,330 --> 00:02:17,970

not might not be comfortable with those

49

00:02:23,900 --> 00:02:20,340

labels and that's fine but to me I think

50

00:02:25,580 --> 00:02:23,910

that what we are looking at is a cosmic

51  
00:02:27,320 --> 00:02:25,590  
war which has been raging in another

52  
00:02:30,050 --> 00:02:27,330  
dimension and spilling out over to ours

53  
00:02:32,690 --> 00:02:30,060  
for a millennium and continues to do so

54  
00:02:34,790 --> 00:02:32,700  
and I'll just give you a tease with one

55  
00:02:36,860 --> 00:02:34,800  
of these prophecies this was written by

56  
00:02:39,350 --> 00:02:36,870  
a guy called Daniel about 2500 years ago

57  
00:02:43,130 --> 00:02:39,360  
and it says in the latter days

58  
00:02:45,260 --> 00:02:43,140  
paraphrasing here men mankind men we

59  
00:02:47,180 --> 00:02:45,270  
will run to and fro over the face of the

60  
00:02:49,280 --> 00:02:47,190  
earth and knowledge will increase well

61  
00:02:50,960 --> 00:02:49,290  
if we chart that twenty five twenty five

62  
00:02:53,270 --> 00:02:50,970  
million years ago to the present day

63  
00:02:55,430 --> 00:02:53,280

it's basically flatlined nothing happens

64

00:02:57,800 --> 00:02:55,440

Gutenberg's printing press whoa blip

65

00:02:59,390 --> 00:02:57,810

that's a blip that's a huge deal for the

66

00:03:01,610 --> 00:02:59,400

most part it's pretty much flatline

67

00:03:04,190 --> 00:03:01,620

throughout the last twenty five million

68

00:03:05,960 --> 00:03:04,200

years until modernity and all of a

69

00:03:08,090 --> 00:03:05,970

sudden the curve goes up like this and

70

00:03:09,860 --> 00:03:08,100

then through the roof knowledge has

71

00:03:13,910 --> 00:03:09,870

increased exponentially

72

00:03:15,950 --> 00:03:13,920

men run to in floral over the face of

73

00:03:17,810 --> 00:03:15,960

the earth which is absolutely incredible

74

00:03:19,820 --> 00:03:17,820

prophecy written twenty-five hundred

75

00:03:23,360 --> 00:03:19,830

years ago we're living in it now that

76

00:03:26,660 --> 00:03:23,370

same prophet Daniel states that their

77

00:03:29,180 --> 00:03:26,670

seed will mingle with the seed of men

78

00:03:32,720 --> 00:03:29,190

but they shall not cleave to them now

79

00:03:35,060 --> 00:03:32,730

that's a very cryptic passage but yet as

80

00:03:36,830 --> 00:03:35,070

a student of the biblical prophetic

81

00:03:40,160 --> 00:03:36,840

narrative it really isn't because it's

82

00:03:42,470 --> 00:03:40,170

talking about who is they it can't be

83

00:03:44,060 --> 00:03:42,480

men their seed will mingle with the seed

84

00:03:46,009 --> 00:03:44,070

of men so it's got to be something other

85

00:03:48,500 --> 00:03:46,019

than the seed of them and then it says a

86

00:03:50,210 --> 00:03:48,510

the kicker but they shall not cleave to

87

00:03:52,759 --> 00:03:50,220

them and this is the work of Jim William

88

00:03:54,650 --> 00:03:52,769

said it is a study on the word cleave we

89

00:03:56,570 --> 00:03:54,660

go back to an ancient manuscript in

90

00:04:00,050 --> 00:03:56,580

Genesis and we find out that the sons of

91

00:04:02,150 --> 00:04:00,060

God took wives from whoever they wish

92

00:04:05,240 --> 00:04:02,160

and went into them and created this race

93

00:04:08,000 --> 00:04:05,250

of hybrid entities known as the Nephilim

94

00:04:08,900 --> 00:04:08,010

which is the basis of my research for

95

00:04:12,229 --> 00:04:08,910

the last thirty years

96

00:04:14,650 --> 00:04:12,239

on the trail of a Nephilim so what we

97

00:04:17,710 --> 00:04:14,660

find interesting is their seed is

98

00:04:20,990 --> 00:04:17,720

creating a hybrid entity in modernity

99

00:04:23,210 --> 00:04:21,000

which is exactly in my opinion dovetails

100

00:04:25,700 --> 00:04:23,220

with the present-day so-called breeding

101

00:04:29,150 --> 00:04:25,710

program dr. David Jacobs talks about

102

00:04:30,950 --> 00:04:29,160

John Mac talks about dr. Roger Leir and

103

00:04:33,260 --> 00:04:30,960

I had many discussions about this before

104

00:04:35,990 --> 00:04:33,270

he passed away so something is going on

105

00:04:37,760 --> 00:04:36,000

it's question of who's behind it and of

106

00:04:39,670 --> 00:04:37,770

course I believe that these are

107

00:04:42,980 --> 00:04:39,680

nefarious interdimensional entities

108

00:04:44,540 --> 00:04:42,990

which are incredible in power and this

109

00:04:47,870 --> 00:04:44,550

is why when they do appear and they do

110

00:04:50,930 --> 00:04:47,880

interface with us we kind of I call it

111

00:04:52,429 --> 00:04:50,940

UFO brain fog or entity brain fog so

112

00:04:55,489 --> 00:04:52,439

what's interesting here is the

113

00:04:57,019 --> 00:04:55,499

will mingle mix with the seed of men but

114

00:04:59,119 --> 00:04:57,029

there's no marriage contract like there

115

00:05:01,999 --> 00:04:59,129

was thousands of years ago instead what

116

00:05:04,459 --> 00:05:02,009

we see in modernity is exactly that we

117

00:05:07,070 --> 00:05:04,469

see sperm being taken we see ovum being

118

00:05:10,100 --> 00:05:07,080

taken and we see a hybrid race of beings

119

00:05:13,219 --> 00:05:10,110

being created I'll close that with this

120

00:05:15,859 --> 00:05:13,229

that Graham Hancock when he does

121

00:05:18,079 --> 00:05:15,869

multiple high Alaska which of course is

122

00:05:20,149 --> 00:05:18,089

is breaking into and never dimension

123

00:05:22,549 --> 00:05:20,159

using it as a springboard by the way

124

00:05:24,229 --> 00:05:22,559

illegally to get to another dimension

125

00:05:27,229 --> 00:05:24,239

he sees the greys there and he's kind of

126

00:05:28,879 --> 00:05:27,239

going why are they here I'm here for

127

00:05:29,959 --> 00:05:28,889

enlightenment and I'm seeing Gray's it

128

00:05:31,399 --> 00:05:29,969

doesn't make any sense to him he's

129

00:05:33,619 --> 00:05:31,409

perplexed by that and I would get that

130

00:05:36,139 --> 00:05:33,629

but that's the whole unified theory

131

00:05:37,939 --> 00:05:36,149

thing again the shaman is getting

132

00:05:40,459 --> 00:05:37,949

knowledge from somewhere how does he get

133

00:05:42,019 --> 00:05:40,469

that one he gets it through illicit ways

134

00:05:44,239 --> 00:05:42,029

usually and in order to become a shaman

135

00:05:46,609 --> 00:05:44,249

you have to kill a family member I was

136

00:05:48,619 --> 00:05:46,619

told this by Asha in action a man who

137

00:05:50,389 --> 00:05:48,629

was studied to be a shaman I'm a Navajo

138

00:05:52,639 --> 00:05:50,399

Reservation and when he found that he

139

00:05:53,709 --> 00:05:52,649

had to do that he ran and and didn't

140

00:05:56,239 --> 00:05:53,719

want anything to do with it so

141

00:05:59,449 --> 00:05:56,249

unfortunately there is no marriage

142

00:06:01,189 --> 00:05:59,459

contract like there was back thousands

143

00:06:03,980 --> 00:06:01,199

of years ago and I find that prophecy

144

00:06:05,719 --> 00:06:03,990

incredibly specific and very telling and

145

00:06:09,499 --> 00:06:05,729

pregnant with meaning because in my

146

00:06:11,209 --> 00:06:09,509

opinion it shows us and reflects what is

147

00:06:12,829 --> 00:06:11,219

happening that we hear from the

148

00:06:14,689 --> 00:06:12,839

experiences from the abductees when

149

00:06:17,959 --> 00:06:14,699

sperm enola mistaken and they are

150

00:06:19,720 --> 00:06:17,969

creating a race of hybrid beings which I

151

00:06:21,640 --> 00:06:19,730

find fascinating

152

00:06:23,230 --> 00:06:21,650

I think they're both I think that there

153

00:06:25,660 --> 00:06:23,240

are nuts and bolts to these crafts

154

00:06:27,370 --> 00:06:25,670

absolutely there is technology we read

155

00:06:30,460 --> 00:06:27,380

about technology and ancient prophetic

156

00:06:33,640 --> 00:06:30,470

text if you want example we know from

157

00:06:37,750 --> 00:06:33,650

the Book of Ezekiel which is which is

158

00:06:39,940 --> 00:06:37,760

fascinating that these these two angelic

159

00:06:42,010 --> 00:06:39,950

entities are loosed into Jerusalem and

160

00:06:43,960 --> 00:06:42,020

they have slaughter weapons in their

161

00:06:46,300 --> 00:06:43,970

hands now we're not told what those

162

00:06:48,070 --> 00:06:46,310

slaughter weapons are but then there's

163

00:06:49,840 --> 00:06:48,080

another man that goes with them has an

164

00:06:51,910 --> 00:06:49,850

ink cornered a writing utensil that's

165

00:06:53,470 --> 00:06:51,920

what they call it and he's making a mark

166

00:06:55,030 --> 00:06:53,480

on the people that the slaughter weapons

167

00:06:57,310 --> 00:06:55,040

are not supposed to touch that's

168

00:06:59,590 --> 00:06:57,320

technology when we look at the Book of

169

00:07:00,190 --> 00:06:59,600

Enoch which is found on the Dead Sea

170

00:07:02,560 --> 00:07:00,200

Scrolls

171

00:07:04,810 --> 00:07:02,570

okay the Book of Enoch tells us that

172

00:07:06,640 --> 00:07:04,820

these nefarious interdimensional

173

00:07:08,650 --> 00:07:06,650

entities I'll use that terminology

174

00:07:11,010 --> 00:07:08,660

because that's one that people can

175

00:07:13,330 --> 00:07:11,020

basically accept these nefarious

176

00:07:17,680 --> 00:07:13,340

interdimensional entities came down and

177

00:07:19,590 --> 00:07:17,690

gave knowledge to mankind mathematics

178

00:07:22,750 --> 00:07:19,600

knowledge of precession art of

179

00:07:24,820 --> 00:07:22,760

metalworking and weapon making show the

180

00:07:26,890 --> 00:07:24,830

women how to make themselves up and be

181

00:07:29,470 --> 00:07:26,900

beautiful by painting the eyelids and it

182

00:07:32,530 --> 00:07:29,480

goes on I mean this is all written in

183

00:07:34,840 --> 00:07:32,540

the Book of Enoch this knowledge is it's

184

00:07:37,240 --> 00:07:34,850

just just come it's a download it's a

185

00:07:39,400 --> 00:07:37,250

free download mankind doesn't know any

186

00:07:41,860 --> 00:07:39,410

of this stuff and we see this and this

187

00:07:44,350 --> 00:07:41,870

is basically the Nexus of my work that

188

00:07:46,300 --> 00:07:44,360

we see this over and over and over again

189

00:07:48,190 --> 00:07:46,310

and all these ancient sites scattered

190

00:07:49,480 --> 00:07:48,200

all over the planet so the nuts and

191

00:07:52,330 --> 00:07:49,490

bolts

192

00:07:54,340 --> 00:07:52,340

there's physicality and yet they're

193

00:07:55,780 --> 00:07:54,350

interdimensional

194

00:07:58,900 --> 00:07:55,790

and they're not they're not either/or

195

00:08:01,150 --> 00:07:58,910

they're both end the Primmer for me

196

00:08:03,390 --> 00:08:01,160

would be the cosmic chess match because

197

00:08:06,580 --> 00:08:03,400

what that does is it delves into the

198

00:08:08,560 --> 00:08:06,590

biblical prophetic narrative and in and

199

00:08:10,930 --> 00:08:08,570

it shows the move kind of move move kind

200

00:08:13,960 --> 00:08:10,940

of moved by these two opposing forces we

201  
00:08:16,030 --> 00:08:13,970  
are in what we are at war and it shows

202  
00:08:17,980 --> 00:08:16,040  
what has happened in the past and what

203  
00:08:20,250 --> 00:08:17,990  
is happening now and what will happen in

204  
00:08:23,860 --> 00:08:20,260  
the future but then it ties it into

205  
00:08:25,540 --> 00:08:23,870  
let's say Edgar Cayce Edgar Cayce a lot

206  
00:08:27,370 --> 00:08:25,550  
of people believe in his stuff and some

207  
00:08:29,770 --> 00:08:27,380  
of its accurate but the cosmic chess

208  
00:08:31,270 --> 00:08:29,780  
match shows us and tells us why he's not

209  
00:08:32,740 --> 00:08:31,280  
a hundred percent accurate a hundred

210  
00:08:34,960 --> 00:08:32,750  
percent of the time he's got a decent

211  
00:08:36,700 --> 00:08:34,970  
track record 50 to 60 percent maybe and

212  
00:08:40,839 --> 00:08:36,710  
I'm being generous here but why is he

213  
00:08:42,880 --> 00:08:40,849

off and it's because um Cayce was they

214

00:08:45,010 --> 00:08:42,890

trance medium that's what he was he

215

00:08:47,410 --> 00:08:45,020

would lay down on a couch loosen his tie

216

00:08:50,700 --> 00:08:47,420

go into a trance and another entity

217

00:08:53,110 --> 00:08:50,710

would come in to him that's that's

218

00:08:55,780 --> 00:08:53,120

that's an occult practice which is

219

00:08:59,080 --> 00:08:55,790

thousands of years old how do we why

220

00:09:01,960 --> 00:08:59,090

would anyone trust what that entity has

221

00:09:03,910 --> 00:09:01,970

to say in other words if someone knocks

222

00:09:05,650 --> 00:09:03,920

it that your door in your room here at

223

00:09:08,290 --> 00:09:05,660

this hotel at 2:30 in the morning are

224

00:09:09,670 --> 00:09:08,300

you gonna let them in without knowing

225

00:09:12,010 --> 00:09:09,680

who they are what they are what they

226

00:09:13,030 --> 00:09:12,020

want show me some credentials and what

227

00:09:15,190 --> 00:09:13,040

are you doing or 2:30 in the morning

228

00:09:17,920 --> 00:09:15,200

can't this wait till 9:00 so with that

229

00:09:21,370 --> 00:09:17,930

in mind why would anyone like a Kirk AC

230

00:09:24,160 --> 00:09:21,380

allow a entity to inhabit his body to

231

00:09:25,420 --> 00:09:24,170

speak or write through him and we risk

232

00:09:27,570 --> 00:09:25,430

for its presence in you know

233

00:09:29,860 --> 00:09:27,580

specifically forbidden to do this

234

00:09:33,490 --> 00:09:29,870

forbidden to do this because that entity

235

00:09:35,590 --> 00:09:33,500

comes in and is gonna give us some

236

00:09:36,880 --> 00:09:35,600

information which is correct but then

237

00:09:38,770 --> 00:09:36,890

it's gonna give us a whole lot of

238

00:09:41,560 --> 00:09:38,780

information that's not correct and how

239

00:09:43,600 --> 00:09:41,570

do we choose between the two so it's a

240

00:09:45,640 --> 00:09:43,610

real slippery slope once you let it in

241

00:09:47,770 --> 00:09:45,650

then it's in and now we have the egg

242

00:09:50,260 --> 00:09:47,780

rikishi foundation and some people have

243

00:09:52,000 --> 00:09:50,270

devoted their entire lives to and people

244

00:09:53,890 --> 00:09:52,010

go well he healed this person healed

245

00:09:56,680 --> 00:09:53,900

that person so so what that doesn't mean

246

00:09:58,000 --> 00:09:56,690

it's what's the endgame here what's the

247

00:10:01,180 --> 00:09:58,010

end game the end game is always

248

00:10:02,890 --> 00:10:01,190

deception is to pull people away from

249

00:10:05,590 --> 00:10:02,900

the truth what I believe is the truth

250

00:10:07,210 --> 00:10:05,600

and concoct this whole other paradigm

251  
00:10:07,620 --> 00:10:07,220  
and these people fall for it these

252  
00:10:10,020 --> 00:10:07,630  
people

253  
00:10:12,630 --> 00:10:10,030  
immersed in it and so edgar cayce was a

254  
00:10:15,720 --> 00:10:12,640  
transmedia blossom Goodchild we get I

255  
00:10:17,910 --> 00:10:15,730  
get her her readings from white cloud

256  
00:10:20,310 --> 00:10:17,920  
every week or whoever she's channeling

257  
00:10:22,710 --> 00:10:20,320  
and I've interviewed her I said blossom

258  
00:10:24,720 --> 00:10:22,720  
you know the the Galactic Federation

259  
00:10:26,580 --> 00:10:24,730  
lied to you well I don't want to use

260  
00:10:28,770 --> 00:10:26,590  
that word but they did you asked him

261  
00:10:30,630 --> 00:10:28,780  
over and over and over again is anything

262  
00:10:32,880 --> 00:10:30,640  
really gonna happen on October 13th and

263  
00:10:34,380 --> 00:10:32,890

they assured you that it would that the

264

00:10:36,600 --> 00:10:34,390

UFO would appear in the southern

265

00:10:38,490 --> 00:10:36,610

hemisphere yada yada yadi blossom it

266

00:10:40,410 --> 00:10:38,500

didn't happen and they gave you some

267

00:10:43,470 --> 00:10:40,420

lame duck excuse when you when you when

268

00:10:45,480 --> 00:10:43,480

you ask them you know and and and she

269

00:10:48,000 --> 00:10:45,490

had no answer for that and I said you

270

00:10:50,400 --> 00:10:48,010

know when I use the word lie that's

271

00:10:52,410 --> 00:10:50,410

accurate because they did lying is

272

00:10:55,320 --> 00:10:52,420

something you say something could

273

00:10:56,940 --> 00:10:55,330

deceive someone to present another to

274

00:10:58,830 --> 00:10:56,950

steer them in a direction that you want

275

00:11:00,840 --> 00:10:58,840

them to go in which is precisely what

276

00:11:02,100 --> 00:11:00,850

they did the blossom good child so the

277

00:11:04,290 --> 00:11:02,110

question is where's she getting the

278

00:11:06,390 --> 00:11:04,300

source of his information where is the

279

00:11:08,940 --> 00:11:06,400

source of the information and that's the

280

00:11:12,600 --> 00:11:08,950

basis of my research and I believe the

281

00:11:14,700 --> 00:11:12,610

source is malevolent highly malevolent

282

00:11:17,430 --> 00:11:14,710

and I know a lot of people don't want to

283

00:11:19,740 --> 00:11:17,440

hear that but I asked audiences and I'll

284

00:11:21,060 --> 00:11:19,750

ask the audience today how many of you

285

00:11:22,860 --> 00:11:21,070

think it's okay to abduct a

286

00:11:25,410 --> 00:11:22,870

five-year-old against her parents wishes

287

00:11:26,580 --> 00:11:25,420

anybody in the room and maybe there's

288

00:11:30,330 --> 00:11:26,590

one or two people who have completely

289

00:11:32,070 --> 00:11:30,340

checked out any type of moral absolutes

290

00:11:33,900 --> 00:11:32,080

or anything and say well I guess it's

291

00:11:35,730 --> 00:11:33,910

okay because their ways are higher than

292

00:11:37,590 --> 00:11:35,740

ours let me say this again would you

293

00:11:39,510 --> 00:11:37,600

allow your five-year-old to be taken by

294

00:11:41,130 --> 00:11:39,520

someone that you don't know well that's

295

00:11:43,890 --> 00:11:41,140

what that's what you're signing up for

296

00:11:44,790 --> 00:11:43,900

here so why would why did they wait

297

00:11:45,960 --> 00:11:44,800

these entities

298

00:11:47,970 --> 00:11:45,970

they're quite are the way for the

299

00:11:49,770 --> 00:11:47,980

darkness of night why do they come in

300

00:11:51,480 --> 00:11:49,780

when everyone else is asleep why do they

301  
00:11:53,430 --> 00:11:51,490  
do it illegally why do they take the

302  
00:11:55,260 --> 00:11:53,440  
five year old of a six year old or vote

303  
00:11:56,850 --> 00:11:55,270  
annual against their will and against

304  
00:11:58,350 --> 00:11:56,860  
their parents well it's not a good thing

305  
00:12:00,780 --> 00:11:58,360  
so when you really stretch you know

306  
00:12:02,460 --> 00:12:00,790  
delving into this thing we can check our

307  
00:12:04,980 --> 00:12:02,470  
minds above door and say well anything

308  
00:12:06,120 --> 00:12:04,990  
goes welcome to Jim Jones land where you

309  
00:12:08,460 --> 00:12:06,130  
know people were drinking the kool-aid

310  
00:12:10,500 --> 00:12:08,470  
at that point or we can understand that

311  
00:12:13,680 --> 00:12:10,510  
that what we're looking at these are

312  
00:12:16,920 --> 00:12:13,690  
nefarious entities which have one goal

313  
00:12:18,570 --> 00:12:16,930

in line actually to deception is their

314

00:12:20,140 --> 00:12:18,580

calling card but their end game is they

315

00:12:23,470 --> 00:12:20,150

want to be worshipped

316

00:12:25,540 --> 00:12:23,480

when when Ichi finally shows up they

317

00:12:27,730 --> 00:12:25,550

will give us two things they will give

318

00:12:30,550 --> 00:12:27,740

us the free energy which turns the

319

00:12:33,250 --> 00:12:30,560

planet upside down because now we have

320

00:12:34,780 --> 00:12:33,260

an unlimited source of energy and two

321

00:12:37,060 --> 00:12:34,790

they will give us what they will call a

322

00:12:40,019 --> 00:12:37,070

DNA upgrade they will present themselves

323

00:12:42,220 --> 00:12:40,029

as our progenitors as our creators and

324

00:12:43,570 --> 00:12:42,230

the neo Darwinists they're already

325

00:12:45,850 --> 00:12:43,580

looking in that direction the neo

326

00:12:48,610 --> 00:12:45,860

Darwinists they're already embracing

327

00:12:50,530 --> 00:12:48,620

that viewpoint they're looking to the

328

00:12:52,960 --> 00:12:50,540

stars in other words that we were we

329

00:12:54,730 --> 00:12:52,970

were seated here panspermia by a rate

330

00:12:56,470 --> 00:12:54,740

advanced race of extraterrestrials but

331

00:12:58,720 --> 00:12:56,480

as circular reasoning where did they

332

00:13:01,600 --> 00:12:58,730

come from and with the complexity of a

333

00:13:04,240 --> 00:13:01,610

deoxyribonucleic spiral of life the DNA

334

00:13:06,130 --> 00:13:04,250

we now know that this is a very complex

335

00:13:09,460 --> 00:13:06,140

coding system which hasn't happened by

336

00:13:11,050 --> 00:13:09,470

chance someone created this somewhere so

337

00:13:12,370 --> 00:13:11,060

the neo-darwinism looking to the

338

00:13:13,960 --> 00:13:12,380

extra-terrestrial but where did the

339

00:13:16,300 --> 00:13:13,970

extra-terrestrial so-called actually the

340

00:13:18,280 --> 00:13:16,310

rest of DNA come from and around and

341

00:13:20,769 --> 00:13:18,290

around we go in fact it's nobody knows

342

00:13:23,710 --> 00:13:20,779

but the again a biblical prophetic

343

00:13:25,329 --> 00:13:23,720

narrative which state of that and

344

00:13:26,650 --> 00:13:25,339

there's a scripture that in the

345

00:13:29,860 --> 00:13:26,660

beginning was the word and the Word was

346

00:13:31,600 --> 00:13:29,870

with God and the Word was God he created

347

00:13:34,390 --> 00:13:31,610

all things and through him nothing that

348

00:13:37,300 --> 00:13:34,400

was made it's not made so we can believe

349

00:13:39,579 --> 00:13:37,310

that or we can fantasize and theorize

350

00:13:42,400 --> 00:13:39,589

about other other concepts if we have

351  
00:13:45,040 --> 00:13:42,410  
this one incredible entity which seems

352  
00:13:47,170 --> 00:13:45,050  
to be benevolent and loving telling us

353  
00:13:50,079 --> 00:13:47,180  
that he in fact created everything spoke

354  
00:13:53,199 --> 00:13:50,089  
it into existence which to us sounds

355  
00:13:54,940 --> 00:13:53,209  
incredible but what if that's true then

356  
00:13:56,560 --> 00:13:54,950  
how do we deal with that what if the

357  
00:13:59,470 --> 00:13:56,570  
universe is just nothing more than a

358  
00:14:00,699 --> 00:13:59,480  
holographic representation what if what

359  
00:14:02,079 --> 00:14:00,709  
if this whole thing is going to get

360  
00:14:04,750 --> 00:14:02,089  
rolled up like one of the ancient

361  
00:14:07,090 --> 00:14:04,760  
prophecy states like a scroll is that a

362  
00:14:09,340 --> 00:14:07,100  
metaphor or is that something real so

363  
00:14:10,720 --> 00:14:09,350

it's very complex and you know a lot of

364

00:14:12,460 --> 00:14:10,730

people look at this stuff but you know

365

00:14:14,470 --> 00:14:12,470

I've I've been around demon-possessed

366

00:14:16,750 --> 00:14:14,480

people and I know what that feels like

367

00:14:18,670 --> 00:14:16,760

and I know that you know I know who it

368

00:14:21,860 --> 00:14:18,680

is when when they're when they come at

369

00:14:27,449 --> 00:14:24,569

the supernatural world is very real all

370

00:14:29,579 --> 00:14:27,459

too real and demon-possession is is all

371

00:14:31,920 --> 00:14:29,589

too real and entities which come in and

372

00:14:34,379 --> 00:14:31,930

possess like they did edgar cayce or

373

00:14:36,480 --> 00:14:34,389

they do with blossom good job or some

374

00:14:41,910 --> 00:14:36,490

people at this conference very dangerous

375

00:14:45,259 --> 00:14:41,920

area to expose oneself to basically with

376

00:14:47,970 --> 00:14:45,269

it with the cosmic chess match in mind

377

00:14:51,210 --> 00:14:47,980

I'll just give you an another prophecy

378

00:14:53,490 --> 00:14:51,220

which is in my opinion incredible it

379

00:14:55,439 --> 00:14:53,500

says in the latter days I will regather

380

00:14:58,410 --> 00:14:55,449

Israel from the four corners of the

381

00:15:01,350 --> 00:14:58,420

earth and and re-establish them in their

382

00:15:03,720 --> 00:15:01,360

ancient homeland now Hitler who I

383

00:15:05,610 --> 00:15:03,730

believe was a type of Antichrist was

384

00:15:08,220 --> 00:15:05,620

raised up and he was obsessed with

385

00:15:09,900 --> 00:15:08,230

destroying the Jews there's a reason for

386

00:15:12,660 --> 00:15:09,910

that because if he could destroy a

387

00:15:15,090 --> 00:15:12,670

Jewish race then the rest of the

388

00:15:16,680 --> 00:15:15,100

prophecies specifically that the Jews

389

00:15:18,750 --> 00:15:16,690

will be regathered into their own land

390

00:15:22,139 --> 00:15:18,760

that what would happen that doesn't

391

00:15:25,259 --> 00:15:22,149

happen then God is a liar follow me see

392

00:15:28,230 --> 00:15:25,269

the dragon is his nefarious the dragon

393

00:15:31,079 --> 00:15:28,240

has an agenda and that agenda is to be

394

00:15:33,930 --> 00:15:31,089

worshipped and we know from prophecy

395

00:15:36,750 --> 00:15:33,940

that he will sit his man the Antichrist

396

00:15:38,670 --> 00:15:36,760

in the rebuilt Temple in Jerusalem on

397

00:15:40,319 --> 00:15:38,680

that Temple Mount and he will declare

398

00:15:42,540 --> 00:15:40,329

himself God and he will declare himself

399

00:15:44,730 --> 00:15:42,550

to be worshipped when you go to any

400

00:15:46,290 --> 00:15:44,740

ancient site where the rich tio2 becan

401

00:15:49,319 --> 00:15:46,300

chorale and Peru

402

00:15:51,720 --> 00:15:49,329

the great circle Mound Stonehenge these

403

00:15:54,600 --> 00:15:51,730

entities which come down and give this

404

00:15:59,309 --> 00:15:54,610

knowledge to humankind have one goal

405

00:16:02,280 --> 00:15:59,319

they want to be worshipped so when when

406

00:16:03,660 --> 00:16:02,290

each he finally shows up they will want

407

00:16:05,790 --> 00:16:03,670

to be worshiped they will give us the

408

00:16:08,129 --> 00:16:05,800

free energy but the second thing that

409

00:16:10,350 --> 00:16:08,139

they will give us and this is what I

410

00:16:11,910 --> 00:16:10,360

find incredibly pernicious which ties

411

00:16:14,790 --> 00:16:11,920

back again into the biblical prophetic

412

00:16:17,730 --> 00:16:14,800

narrative they will give us some sort of

413

00:16:20,040 --> 00:16:17,740

an implant that they will say will

414

00:16:22,740 --> 00:16:20,050

extend our lifespan three to five

415

00:16:24,059 --> 00:16:22,750

hundred years disease-free the line for

416

00:16:26,280 --> 00:16:24,069

that will go around the block people

417

00:16:27,120 --> 00:16:26,290

line up for it they'll want the won't

418

00:16:28,920 --> 00:16:27,130

this

419

00:16:31,800 --> 00:16:28,930

live at disease free for 3 to 500 years

420

00:16:33,180 --> 00:16:31,810

where do I sign up the implants that we

421

00:16:35,670 --> 00:16:33,190

have taken out and I'll talk about this

422

00:16:37,590 --> 00:16:35,680

this afternoon the implants that we have

423

00:16:39,780 --> 00:16:37,600

taken out with the help of dr. Roger

424

00:16:43,440 --> 00:16:39,790

Leir it was his work and we were able to

425

00:16:45,660 --> 00:16:43,450

piggyback on that for one patient known

426

00:16:49,380 --> 00:16:45,670

as patient 17 it was the last patient

427

00:16:52,950 --> 00:16:49,390

that dr. Leir took the implant out of

428

00:16:56,340 --> 00:16:52,960

and high strangeness happened in that

429

00:17:01,140 --> 00:16:56,350

operating room I believe these implants

430

00:17:03,750 --> 00:17:01,150

are the the precursors of what is known

431

00:17:05,880 --> 00:17:03,760

as the mark of the beast that is the

432

00:17:07,890 --> 00:17:05,890

implant that that it says in prophetic

433

00:17:09,870 --> 00:17:07,900

literature that no this is written

434

00:17:11,429 --> 00:17:09,880

thousands of years ago that no one won't

435

00:17:13,860 --> 00:17:11,439

be able to buy sell or train without

436

00:17:16,829 --> 00:17:13,870

this mark if I told you that 200 years

437

00:17:18,420 --> 00:17:16,839

ago you'd look at me and laugh now we

438

00:17:20,550 --> 00:17:18,430

know with this little plastic card and

439

00:17:22,710 --> 00:17:20,560

the chip bits in it I can buy sell or

440

00:17:24,900 --> 00:17:22,720

trade anywhere what if that chip moves

441

00:17:27,240 --> 00:17:24,910

from the card to something underneath

442

00:17:28,050 --> 00:17:27,250

your skin prophecy is written thousands

443

00:17:30,300 --> 00:17:28,060

of years ago

444

00:17:33,770 --> 00:17:30,310

is being fulfilled what was written will

445

00:17:35,940 --> 00:17:33,780

come to pass what was foretold is

446

00:17:38,190 --> 00:17:35,950

unfolding right in front of our faces

447

00:17:40,770 --> 00:17:38,200

for those who have eyes to see and ears

448

00:17:42,330 --> 00:17:40,780

to hear and have studied the ancient

449

00:17:45,900 --> 00:17:42,340

biblical prophetic narrative

450

00:17:48,240 --> 00:17:45,910

we're blown away by what we see even 40

451  
00:17:50,700 --> 00:17:48,250  
or 50 years ago the idea of this implant

452  
00:17:52,740 --> 00:17:50,710  
never would have been thought of now we

453  
00:17:54,930 --> 00:17:52,750  
took one out and that implant was put in

454  
00:17:57,060 --> 00:17:54,940  
a five-year-old boy from 40 years ago he

455  
00:17:59,910 --> 00:17:57,070  
was 45 when we talked we took it out it

456  
00:18:03,200 --> 00:17:59,920  
was an earlier model and since then they

457  
00:18:05,490 --> 00:18:03,210  
have rapidly progressed into these

458  
00:18:08,130 --> 00:18:05,500  
implants which you can only cut with a

459  
00:18:11,220 --> 00:18:08,140  
laser beam this one we could cut with a

460  
00:18:14,310 --> 00:18:11,230  
razor knife the one number 16 was can

461  
00:18:18,090 --> 00:18:14,320  
only be cut with a with a with a laser

462  
00:18:20,790 --> 00:18:18,100  
beam in a laboratory so when we were

463  
00:18:24,390 --> 00:18:20,800

taking the implant out we had looked at

464

00:18:26,300 --> 00:18:24,400

it with under an electric scanner well

465

00:18:31,170 --> 00:18:26,310

no we looked at it through x-ray first

466

00:18:34,110 --> 00:18:31,180

we went to a cat scan we did a test with

467

00:18:36,900 --> 00:18:34,120

a stud finder yes it was metallic yes we

468

00:18:39,430 --> 00:18:36,910

saw it it was we took a Gauss meter it

469

00:18:41,680 --> 00:18:39,440

was reading I think

470

00:18:43,570 --> 00:18:41,690

on the Gauss meter this little implant

471

00:18:45,669 --> 00:18:43,580

how could it possibly do that it's

472

00:18:48,190 --> 00:18:45,679

giving off a radio frequency so we knew

473

00:18:51,039 --> 00:18:48,200

where it was when we went to x-ray it or

474

00:18:53,169 --> 00:18:51,049

ultrasound it dr. matrisciana found that

475

00:18:54,520 --> 00:18:53,179

within a couple of minutes boom he went

476  
00:18:57,100 --> 00:18:54,530  
he just went like that oh there it is

477  
00:18:58,779 --> 00:18:57,110  
and it showed up on the monitor so the

478  
00:19:00,640 --> 00:18:58,789  
day of the operation we're in there

479  
00:19:02,620 --> 00:19:00,650  
there's three camera crews there's

480  
00:19:04,390 --> 00:19:02,630  
monitors is a big hub of we're all

481  
00:19:06,820 --> 00:19:04,400  
looking at this stuff and what was

482  
00:19:08,560 --> 00:19:06,830  
interesting was dr. matrisciana

483  
00:19:10,510 --> 00:19:08,570  
could not find it he is looking at the

484  
00:19:12,070 --> 00:19:10,520  
x-ray he put a little dot on the

485  
00:19:13,240 --> 00:19:12,080  
patient's leg to where the implant was

486  
00:19:15,159 --> 00:19:13,250  
it couldn't find it it was like the

487  
00:19:17,830 --> 00:19:15,169  
thing advantaged this goes on for an

488  
00:19:19,630 --> 00:19:17,840

hour and 20 minutes an hour and 20

489

00:19:21,820 --> 00:19:19,640

minutes so he at which point he goes to

490

00:19:24,460 --> 00:19:21,830

dr. Leir maybe we should get another

491

00:19:26,950 --> 00:19:24,470

x-ray and dr. Leir says we know it's

492

00:19:29,080 --> 00:19:26,960

there we've seen it multiple times at

493

00:19:32,710 --> 00:19:29,090

this point I get a tap on the shoulder

494

00:19:34,450 --> 00:19:32,720

and I'll use the word or our terminology

495

00:19:36,669 --> 00:19:34,460

which your viewers will be able to

496

00:19:39,100 --> 00:19:36,679

accept and after I'm done telling the

497

00:19:40,720 --> 00:19:39,110

story I'll tell you I'm not trying to be

498

00:19:42,520 --> 00:19:40,730

deceitful here I'm just trying to

499

00:19:45,130 --> 00:19:42,530

present it in a language which you'll

500

00:19:47,049 --> 00:19:45,140

understand and accept if I say something

501  
00:19:50,950 --> 00:19:47,059  
else you'll immediately back off and say

502  
00:19:53,409 --> 00:19:50,960  
no so my spirit guide okay my spirit

503  
00:19:55,600 --> 00:19:53,419  
guide taps me on the shoulder and he

504  
00:19:58,580 --> 00:19:55,610  
says you need to take authority over

505  
00:20:00,460 --> 00:19:58,590  
this and you need to do it now

506  
00:20:03,470 --> 00:20:00,470  
so I'm full of a room full of people

507  
00:20:04,789 --> 00:20:03,480  
doctors nurses camera people and I go

508  
00:20:07,669 --> 00:20:04,799  
this is gonna sound really weird guys

509  
00:20:08,499 --> 00:20:07,679  
but I'm going to pray and I'm going and

510  
00:20:11,330 --> 00:20:08,509  
do it now

511  
00:20:13,489 --> 00:20:11,340  
and I don't wait for permission and I

512  
00:20:16,789 --> 00:20:13,499  
just said I said Father if there are

513  
00:20:19,999 --> 00:20:16,799

forces cloaking this device I ask that

514

00:20:22,460 --> 00:20:20,009

you would remove that and let us see and

515

00:20:26,029 --> 00:20:22,470

do it soon and let us see what's there

516

00:20:28,759 --> 00:20:26,039

within two minutes the implant shows up

517

00:20:30,739 --> 00:20:28,769

on the monitor and everybody goes oh my

518

00:20:33,200 --> 00:20:30,749

gosh what's that and doctor matrisciana

519

00:20:35,299 --> 00:20:33,210

goes that's the implant and he takes the

520

00:20:37,369 --> 00:20:35,309

wand and he taps it like this it looks

521

00:20:39,109 --> 00:20:37,379

at it blows on it puts it back on

522

00:20:40,700 --> 00:20:39,119

there's the implant takes it off he does

523

00:20:43,239 --> 00:20:40,710

this about a half a dozen time he

524

00:20:46,159 --> 00:20:43,249

doesn't understand why all of a sudden

525

00:20:49,100 --> 00:20:46,169

that they can see the implant now I'm

526

00:20:51,470 --> 00:20:49,110

looking at my my partner in the in The

527

00:20:53,539 --> 00:20:51,480

Watcher series a director Richard Shaw

528

00:20:55,639 --> 00:20:53,549

co-producer we were both co-produced it

529

00:20:57,169 --> 00:20:55,649

he's the director and we just start

530

00:21:01,159 --> 00:20:57,179

laughing because we know exactly what's

531

00:21:02,720 --> 00:21:01,169

happened now my spirit guide is what the

532

00:21:05,810 --> 00:21:02,730

biblical prophetic narrative would call

533

00:21:08,930 --> 00:21:05,820

the spirit of a living God and as a

534

00:21:10,730 --> 00:21:08,940

born-again spiritual believer that's

535

00:21:14,779 --> 00:21:10,740

what I'm that's what I'm filled with

536

00:21:17,570 --> 00:21:14,789

okay and so when I took authority over

537

00:21:20,029 --> 00:21:17,580

the room everything changed the dynamic

538

00:21:23,720 --> 00:21:20,039

change the power that was there that

539

00:21:27,680 --> 00:21:23,730

held this thing and cloaked this thing

540

00:21:30,139 --> 00:21:27,690

was broken power was broken by a power

541

00:21:32,509 --> 00:21:30,149

not my power by a power of far greater

542

00:21:34,519 --> 00:21:32,519

than the power cloaking that device

543

00:21:36,950 --> 00:21:34,529

what's interesting is this was on a

544

00:21:38,810 --> 00:21:36,960

Saturday Monday we were in seal lab is

545

00:21:40,850 --> 00:21:38,820

the last time I ever saw dr. Roger Leir

546

00:21:43,039 --> 00:21:40,860

I took him out in the hallway just the

547

00:21:44,960 --> 00:21:43,049

two of us and I say Roger I hope you

548

00:21:47,509 --> 00:21:44,970

understand what happened in that

549

00:21:50,570 --> 00:21:47,519

operating room and he looked at me and

550

00:21:53,350 --> 00:21:50,580

his eyes got really big and he said LA I

551  
00:21:56,960 --> 00:21:53,360  
now believe there's a supernatural

552  
00:21:59,210 --> 00:21:56,970  
dynamic to the abduction phenomenon to

553  
00:22:01,340 --> 00:21:59,220  
the UFO phenomena and I'm gonna tell

554  
00:22:03,529 --> 00:22:01,350  
what these people were about it and a

555  
00:22:05,620 --> 00:22:03,539  
month later two months later he dropped

556  
00:22:06,430 --> 00:22:05,630  
out of a heart attack

557  
00:22:10,840 --> 00:22:06,440  
you're interested in more information

558  
00:22:13,450 --> 00:22:10,850  
you can go to wwl a Marzulli net le

559  
00:22:16,000 --> 00:22:13,460  
Marzulli net and avail yourself of all

560  
00:22:18,490 --> 00:22:16,010  
sorts of products where our new series

561  
00:22:20,320 --> 00:22:18,500  
is on the trail of a nepheline we have

562  
00:22:22,450 --> 00:22:20,330  
two installments three I'm working on in

563  
00:22:24,610 --> 00:22:22,460

post the Watchers series there's there's

564

00:22:27,010 --> 00:22:24,620

ten installments there I've written 13

565

00:22:28,540 --> 00:22:27,020

books all on the Nephilim UFOs all sorts
