[Music]

2
00:00:23,260 --> 00:00:26,090

you

3
00:00:29,580 --> 00:00:28,609

my name is Lee Spiegel and I'm a

4
00:00:31,720 --> 00:00:29,590

journalist

5
00:00:35,080 --> 00:00:31,730

writer/producer based out of New York

6
00:00:37,480 --> 00:00:35,090

City and I can't believe it for 46 years

7
00:00:39,640 --> 00:00:37,490

now I've been researching and

8
00:00:42,820 --> 00:00:39,650

investigating unidentified flying

9
00:00:46,510 --> 00:00:42,830

objects are more commonly known as UFOs

10
00:00:50,290 --> 00:00:46,520

and what what first caught my eye about

11
00:00:54,220 --> 00:00:50,300

this was back in 1973 while I was in New

12
00:00:57,220 --> 00:00:54,230

York doing other work there was a wave

13
00:00:59,680 --> 00:00:57,230

of sightings across the country that

14

00:01:02,740 --> 00:00:59,690

suddenly for some reason hit the news

15

00:01:05,380 --> 00:01:02,750

media usually scattered UFO sightings

16

00:01:09,280 --> 00:01:05,390

would rarely make you in your 11 o'clock

17

00:01:11,350 --> 00:01:09,290

news because it just simply wasn't as

18

00:01:13,300 --> 00:01:11,360

important or interesting to the news

19

00:01:16,270 --> 00:01:13,310

people but all of a sudden there's so

20

00:01:17,830 --> 00:01:16,280

many sightings across the country it

21

00:01:20,260 --> 00:01:17,840

just caught my attention and so I

22

00:01:22,389 --> 00:01:20,270

started researching I started reading

23

00:01:24,219 --> 00:01:22,399

books about it and the more I read the

24

00:01:27,100 --> 00:01:24,229

more I realized that there's something

25

00:01:30,280 --> 00:01:27,110

really there that's that should not be

26

00:01:32,710 --> 00:01:30,290

promoting ridicule of people who claim

27

00:01:35,889 --> 00:01:32,720

that they've seen certain things and I

28

00:01:38,740 --> 00:01:35,899

came up with an idea to try and approach

29

00:01:42,820 --> 00:01:38,750

a major record company a recording

30

00:01:47,290 --> 00:01:42,830

company in New York City it was new CBS

31

00:01:49,960 --> 00:01:47,300

and at the time they were putting record

32

00:01:53,889 --> 00:01:49,970

albums on television they were selling

33

00:01:56,050 --> 00:01:53,899

albums in early infomercials on TV and I

34

00:01:59,440 --> 00:01:56,060

thought yeah now that's an idea that

35

00:02:02,440 --> 00:01:59,450

because nobody has ever sold a UFO album

36

00:02:05,440 --> 00:02:02,450

on TV and I thought boy if I could if I

37

00:02:07,809 --> 00:02:05,450

could convince them to give me the front

38

00:02:10,570 --> 00:02:07,819

money that I asked for and go around the

39

00:02:13,449 --> 00:02:10,580

country and interview scientists

40

00:02:16,990 --> 00:02:13,459

military people law enforcement people

41

00:02:19,480 --> 00:02:17,000

astronauts a variety of people who were

42

00:02:22,690 --> 00:02:19,490

credible and who either had strong

43

00:02:24,760 --> 00:02:22,700

opinions about UFOs or had had their own

44

00:02:25,180 --> 00:02:24,770

experiences and didn't mind talking

45

00:02:27,910 --> 00:02:25,190

about it

46

00:02:30,460 --> 00:02:27,920

so I had friends in the entertainment

47

00:02:34,330 --> 00:02:30,470

world who had contacts and they got me a

48

00:02:36,430 --> 00:02:34,340

meeting at CBS EMA I pitched them and

49

00:02:39,640 --> 00:02:36,440

they said okay it sounds like an

50

00:02:42,580 --> 00:02:39,650

interesting idea it gave me the money

51
00:02:45,100 --> 00:02:42,590
and and it launched me for my first trip

52
00:02:48,100 --> 00:02:45,110
ever flying and going around the country

53
00:02:51,190 --> 00:02:48,110
with a tape recorder and interviewing

54
00:02:53,410 --> 00:02:51,200
people who I had read about in this one

55
00:02:57,069 --> 00:02:53,420
particular book called beyond Earth

56
00:02:59,289 --> 00:02:57,079
man's contact with UFOs by Ralph and

57
00:03:02,319 --> 00:02:59,299
Judy Blum these people had written a

58
00:03:06,490 --> 00:03:02,329
great book like a primer book on UFOs

59
00:03:09,130 --> 00:03:06,500
and and I and with their help I was then

60
00:03:11,920 --> 00:03:09,140
able to contact the people in the book

61
00:03:13,750 --> 00:03:11,930
that I wanted to talk to her and I came

62
00:03:16,599 --> 00:03:13,760
back to New York with a variety of

63
00:03:18,490 --> 00:03:16,609

interviews and we put this thing

64

00:03:20,710 --> 00:03:18,500

together in the studio I I wrote the

65

00:03:24,190 --> 00:03:20,720

script co-produced it well actually I

66

00:03:27,449 --> 00:03:24,200

wrote the script produced it and it was

67

00:03:31,869 --> 00:03:27,459

called UFOs the credibility factor and

68

00:03:33,580 --> 00:03:31,879

at first CPS didn't like the title they

69

00:03:35,800 --> 00:03:33,590

said what is it what does that mean

70

00:03:37,319 --> 00:03:35,810

what what do you mean credibility what

71

00:03:39,970 --> 00:03:37,329

does that mean I said are you kidding

72

00:03:42,670 --> 00:03:39,980

credibility that means everything about

73

00:03:43,900 --> 00:03:42,680

UFOs that I'm interested in has to have

74

00:03:46,569 --> 00:03:43,910

something to do with credibility

75

00:03:49,030 --> 00:03:46,579

otherwise I'm not interested in touching

76

00:03:52,420 --> 00:03:49,040

it at all and I said okay what do you

77

00:03:54,879 --> 00:03:52,430

mean credibility factor are you kidding

78

00:03:56,800 --> 00:03:54,889

this is the credibility factor of UFOs

79

00:04:01,330 --> 00:03:56,810

it's plain and simple that's the title

80

00:04:03,159 --> 00:04:01,340

and they said okay we'll go far and the

81

00:04:07,229 --> 00:04:03,169

the record album came out we released it

82

00:04:12,129 --> 00:04:07,239

in the beginning of 1976 on television

83

00:04:15,819 --> 00:04:12,139

it was great to see an actual UFO to see

84

00:04:18,849 --> 00:04:15,829

a UFO ad on TV with portions of the

85

00:04:20,920 --> 00:04:18,859

album being listened to and viewed on

86

00:04:24,279 --> 00:04:20,930

the screen it was great that the album

87

00:04:26,920 --> 00:04:24,289

was well received and after I did the

88

00:04:30,430 --> 00:04:26,930

album and had a little bit of notoriety

89

00:04:32,830 --> 00:04:30,440

because of how credible it was I wanted

90

00:04:36,279 --> 00:04:32,840

to do something else to follow it up but

91

00:04:38,589 --> 00:04:36,289

I didn't want to just maintain it to one

92

00:04:41,409 --> 00:04:38,599

thing like an album again I wanted to

93

00:04:44,439 --> 00:04:41,419

reach a bigger audience and and to me

94

00:04:47,500 --> 00:04:44,449

living in New York the biggest audience

95

00:04:49,600 --> 00:04:47,510

that I could find was the United Nations

96

00:04:52,150 --> 00:04:49,610

and I I thought boy if I can get into

97

00:04:55,030 --> 00:04:52,160

the United Nations and do anything there

98

00:04:57,790 --> 00:04:55,040

about UFOs and to bring some of the

99

00:04:59,650 --> 00:04:57,800

people there with me who are on my album

100

00:05:03,460 --> 00:04:59,660

that would be amazing

101
00:05:05,050 --> 00:05:03,470
well I found out very quickly that if

102
00:05:06,670 --> 00:05:05,060
you want to do anything at the United

103
00:05:09,340 --> 00:05:06,680
Nations you can't just walk up and knock

104
00:05:12,040 --> 00:05:09,350
on the door and say hello my name is Lee

105
00:05:15,460 --> 00:05:12,050
Spiegel who do I talk to you about doing

106
00:05:17,260 --> 00:05:15,470
a presentation here about UFOs well how

107
00:05:19,300 --> 00:05:17,270
long after that do you think the United

108
00:05:21,820 --> 00:05:19,310
Nations Security Force would be coming

109
00:05:24,100 --> 00:05:21,830
after me so I looked around I asked her

110
00:05:26,500 --> 00:05:24,110
on and people said to me if you want to

111
00:05:30,070 --> 00:05:26,510
do anything at the UN you have to be

112
00:05:33,310 --> 00:05:30,080
part of a delegation you have to be a

113
00:05:36,220 --> 00:05:33,320

delegate of a country that's interested

114

00:05:41,500 --> 00:05:36,230

in this topic and that wouldn't mind

115

00:05:43,900 --> 00:05:41,510

sponsoring your proposal so in 1977 I

116

00:05:46,540 --> 00:05:43,910

started seeing and hearing about these

117

00:05:49,000 --> 00:05:46,550

speeches that were being made at the UN

118

00:05:52,120 --> 00:05:49,010

by the prime minister of the little

119

00:05:54,070 --> 00:05:52,130

Caribbean country known as Grenada he

120

00:05:57,280 --> 00:05:54,080

was trying to get the UN to create a

121

00:06:00,090 --> 00:05:57,290

committee that would investigate study

122

00:06:02,080 --> 00:06:00,100

and share UFO information

123

00:06:06,190 --> 00:06:02,090

internationally among all the nations

124

00:06:08,770 --> 00:06:06,200

and as it turned out they weren't paying

125

00:06:10,750 --> 00:06:08,780

any attention to him and it even the

126

00:06:12,430 --> 00:06:10,760

media didn't really care what he was

127

00:06:14,290 --> 00:06:12,440

talking about because he's a little he's

128

00:06:16,540 --> 00:06:14,300

a little country a little nation nobody

129

00:06:19,620 --> 00:06:16,550

cared what he was interested in but I

130

00:06:25,540 --> 00:06:19,630

figured hey he's the only game in town

131

00:06:28,240 --> 00:06:25,550

so I i hatched the plan and I called the

132

00:06:31,480 --> 00:06:28,250

ambassadors at the mission the official

133

00:06:35,290 --> 00:06:31,490

Grenada mission in New York and I

134

00:06:37,000 --> 00:06:35,300

introduced myself to them and told them

135

00:06:38,440 --> 00:06:37,010

that I had produced a very credible

136

00:06:40,810 --> 00:06:38,450

record album and I would like to come

137

00:06:42,310 --> 00:06:40,820

through their office and give them a

138

00:06:45,250 --> 00:06:42,320

copy of the album that they could give

139

00:06:47,260 --> 00:06:45,260

as a gift to the prime minister with my

140

00:06:50,860 --> 00:06:47,270

compliments because I think I can help

141

00:06:53,500 --> 00:06:50,870

all of you with your idea of doing UFOs

142

00:06:55,630 --> 00:06:53,510

at the United Nations shortly after I

143

00:06:57,470 --> 00:06:55,640

left my record album in the hands of the

144

00:06:59,750 --> 00:06:57,480

ambassador's at grenade

145

00:07:02,180 --> 00:06:59,760

they called and said that the Prime

146

00:07:05,030 --> 00:07:02,190

Minister was coming to New York and he

147

00:07:08,300 --> 00:07:05,040

was going to be knighted as Sir Eric

148

00:07:11,120 --> 00:07:08,310

gairy in a big ceremony and would I like

149

00:07:13,190 --> 00:07:11,130

to come and and witness the ceremony and

150

00:07:15,800 --> 00:07:13,200

then have a private meeting with the

151
00:07:18,410 --> 00:07:15,810
prime minister to talk about my proposal

152
00:07:21,620 --> 00:07:18,420
I said yes of course I'd love to do that

153
00:07:24,260 --> 00:07:21,630
and I went it was a beautiful evening

154
00:07:26,570 --> 00:07:24,270
lots of lots of flags and people and

155
00:07:28,940 --> 00:07:26,580
great food and international cuisine and

156
00:07:32,180 --> 00:07:28,950
stuff and when it was all over and he

157
00:07:35,620 --> 00:07:32,190
was knighted they they brought me and

158
00:07:38,060 --> 00:07:35,630
him into a room just the two of us and

159
00:07:41,780 --> 00:07:38,070
we shook hands and he said that he

160
00:07:44,300 --> 00:07:41,790
enjoyed all of the album that he

161
00:07:46,700 --> 00:07:44,310
listened to he loved the voices he knew

162
00:07:48,350 --> 00:07:46,710
who these people were but he he had

163
00:07:50,120 --> 00:07:48,360

never thought that even contact them

164

00:07:52,820 --> 00:07:50,130

because he didn't know how to contact

165

00:07:54,340 --> 00:07:52,830

them and so he asked me what my idea was

166

00:07:57,800 --> 00:07:54,350

and I said listen mr. prime minister

167

00:07:59,570 --> 00:07:57,810

with all due respect you've been trying

168

00:08:03,050 --> 00:07:59,580

to get the United Nations to pay

169

00:08:05,060 --> 00:08:03,060

attention to your crusade to get the

170

00:08:07,640 --> 00:08:05,070

United Nations to create an

171

00:08:10,820 --> 00:08:07,650

International Study Committee on UFOs

172

00:08:12,650 --> 00:08:10,830

and for what it's worth and I'm sure you

173

00:08:15,590 --> 00:08:12,660

know this they're not paying attention

174

00:08:19,010 --> 00:08:15,600

to you there's been no movement here I

175

00:08:20,720 --> 00:08:19,020

on the other hand I know people from my

176
00:08:23,000 --> 00:08:20,730
album and now that you know who the

177
00:08:24,470 --> 00:08:23,010
people were who were on the album I can

178
00:08:27,770 --> 00:08:24,480
bring the people who were on my album

179
00:08:30,590 --> 00:08:27,780
the scientists the military astronaut I

180
00:08:33,800 --> 00:08:30,600
can bring these people to the United

181
00:08:36,860 --> 00:08:33,810
Nations if you were to sponsor my

182
00:08:39,409 --> 00:08:36,870
proposal and and we could work on it

183
00:08:42,380 --> 00:08:39,419
together and he thought about and he

184
00:08:47,740 --> 00:08:42,390
said it's an excellent idea let's do it

185
00:08:50,170 --> 00:08:47,750
I said okay and handshake deal

186
00:08:51,929 --> 00:08:50,180
it was it was the beginning of the rest

187
00:08:55,449 --> 00:08:51,939
of the year in 1978

188
00:09:00,100 --> 00:08:55,459

shortly after that happened I received

189

00:09:02,369 --> 00:09:00,110

in in the mail a little yellow card that

190

00:09:05,829 --> 00:09:02,379

was my actual now official

191

00:09:08,110 --> 00:09:05,839

Grenada delegates card which meant I

192

00:09:10,210 --> 00:09:08,120

could take this card go to the United

193

00:09:12,879 --> 00:09:10,220

Nations go to the security desk show it

194

00:09:14,559 --> 00:09:12,889

to them and they let me in with no

195

00:09:17,590 --> 00:09:14,569

problem I didn't have to go and knocking

196

00:09:19,240 --> 00:09:17,600

on the door and I used that card many

197

00:09:21,879 --> 00:09:19,250

times to go there to have meetings with

198

00:09:24,100 --> 00:09:21,889

people going through documents and any

199

00:09:26,740 --> 00:09:24,110

any materials that I wanted to use and

200

00:09:30,400 --> 00:09:26,750

gather for the rest of the year before

201
00:09:32,319 --> 00:09:30,410
the big presentation in November and and

202
00:09:35,410 --> 00:09:32,329
that's that's how the rest of the year

203
00:09:37,389 --> 00:09:35,420
just follow through with my traveling

204
00:09:39,429 --> 00:09:37,399
around and gathering all the material

205
00:09:41,920 --> 00:09:39,439
and the people to put this thing

206
00:09:45,939 --> 00:09:41,930
together and we pulled it off on

207
00:09:47,920 --> 00:09:45,949
November 27th 1978 the media was there

208
00:09:50,590 --> 00:09:47,930
and a lot of the countries were

209
00:09:53,949 --> 00:09:50,600
represented there and my main speakers

210
00:09:57,819 --> 00:09:53,959
at the United Nations were dr. J Allen

211
00:10:00,100 --> 00:09:57,829
Hynek who was the former 20 years

212
00:10:02,350 --> 00:10:00,110
scientific consultant to the Air Force's

213
00:10:05,619 --> 00:10:02,360

Project Blue Book they're big UFO

214

00:10:08,590 --> 00:10:05,629

investigation after high-neck spoke at

215

00:10:12,670 --> 00:10:08,600

dr. Jacques Vallee astrophysicist who

216

00:10:14,889 --> 00:10:12,680

was the real-life scientist who was

217

00:10:17,199 --> 00:10:14,899

portrayed in the movie Close Encounters

218

00:10:19,030 --> 00:10:17,209

of the Third Kind one of the other

219

00:10:21,879 --> 00:10:19,040

participants who couldn't be there at

220

00:10:24,579 --> 00:10:21,889

the meeting because he was he was out of

221

00:10:26,769 --> 00:10:24,589

the country but he wanted to be part of

222

00:10:28,960 --> 00:10:26,779

it was a former astronaut one of

223

00:10:31,809 --> 00:10:28,970

America's first astronauts Gordon Cooper

224

00:10:34,420 --> 00:10:31,819

and so I asked him if he would just put

225

00:10:36,910 --> 00:10:34,430

a letter together and send it to me that

226

00:10:38,410 --> 00:10:36,920

I could then give to Grenada and we

227

00:10:41,379 --> 00:10:38,420

could make a million copies of it

228

00:10:44,410 --> 00:10:41,389

basically outlining his views as a

229

00:10:47,410 --> 00:10:44,420

former test pilot astronaut and and

230

00:10:51,009 --> 00:10:47,420

letting us know what he thinks UFOs are

231

00:10:53,590 --> 00:10:51,019

and and why astronauts in general don't

232

00:10:55,420 --> 00:10:53,600

like talking about UFOs so he put this

233

00:10:57,669 --> 00:10:55,430

beautiful letter together I got it I

234

00:11:00,629 --> 00:10:57,679

passed it on to the Grenada people they

235

00:11:05,639 --> 00:11:00,639

were happy we had all kinds of documents

236

00:11:08,759 --> 00:11:05,649

that really made the case for what I was

237

00:11:13,439 --> 00:11:08,769

thinking was disclosure about UFOs at

238

00:11:15,179 --> 00:11:13,449

the time all the speakers came we did

239

00:11:17,280 --> 00:11:15,189

the presentation we had a morning

240

00:11:19,470 --> 00:11:17,290

session an afternoon session with a

241

00:11:21,569 --> 00:11:19,480

press conference in between and after

242

00:11:23,220 --> 00:11:21,579

the press conference we were back into

243

00:11:26,039 --> 00:11:23,230

the special political committee room

244

00:11:30,749 --> 00:11:26,049

where nuclear physicist Stan Friedman

245

00:11:33,059 --> 00:11:30,759

gave his speech and and told the global

246

00:11:35,669 --> 00:11:33,069

audience that it's his very strong

247

00:11:38,989 --> 00:11:35,679

opinion that there's evidence that

248

00:11:42,689 --> 00:11:38,999

indicates that some UFOs are

249

00:11:45,479 --> 00:11:42,699

interplanetary space vehicles visiting

250

00:11:48,660 --> 00:11:45,489

earth he's always had this opinion but

251
00:11:51,169 --> 00:11:48,670
he's very strong about that and so when

252
00:11:53,400 --> 00:11:51,179
it was all over and all said and done

253
00:11:55,979 --> 00:11:53,410
there were many nations that were

254
00:11:58,559 --> 00:11:55,989
interested at least examining the

255
00:12:01,470 --> 00:11:58,569
proposal and maybe considering a

256
00:12:05,129 --> 00:12:01,480
committee a small committee to look into

257
00:12:08,189 --> 00:12:05,139
this but the United States and the then

258
00:12:10,109 --> 00:12:08,199
Soviet Union veto didn't said they

259
00:12:10,889 --> 00:12:10,119
weren't interested in it and when they

260
00:12:13,079 --> 00:12:10,899
bowed out

261
00:12:16,429 --> 00:12:13,089
other nations started quietly going away

262
00:12:19,499 --> 00:12:16,439
and it just has been laying dormant

263
00:12:21,600 --> 00:12:19,509

there at the United Nations all these

264

00:12:24,119 --> 00:12:21,610

years all these decades for anybody else

265

00:12:26,249 --> 00:12:24,129

to come along and try and do it again

266

00:12:27,780 --> 00:12:26,259

people have asked me over the years why

267

00:12:30,509 --> 00:12:27,790

don't you done do it again why don't you

268

00:12:33,030 --> 00:12:30,519

do it again and I said I I don't have

269

00:12:35,489 --> 00:12:33,040

the energy hey it took so much energy

270

00:12:37,679 --> 00:12:35,499

just to pull it off the first time I

271

00:12:41,460 --> 00:12:37,689

don't think I could go any further with

272

00:12:45,989 --> 00:12:41,470

it however just a case in point

273

00:12:48,359 --> 00:12:45,999

historically today 40 years later after

274

00:12:51,359 --> 00:12:48,369

that presentation there are now many

275

00:12:55,199 --> 00:12:51,369

countries that are very interested in

276

00:12:58,379 --> 00:12:55,209

very outspoken and have open government

277

00:12:59,989 --> 00:12:58,389

investigations into UFOs in fact there

278

00:13:04,079 --> 00:12:59,999

are several countries in South America

279

00:13:05,970 --> 00:13:04,089

whose military organizations from one

280

00:13:09,329 --> 00:13:05,980

country to another they're working

281

00:13:12,329 --> 00:13:09,339

together now to try and figure out the

282

00:13:14,070 --> 00:13:12,339

truth behind this whole UFO thing that's

283

00:13:15,590 --> 00:13:14,080

that's really great to know that

284

00:13:18,210 --> 00:13:15,600

they're actually working together

285

00:13:20,730 --> 00:13:18,220

normally you wouldn't think that the

286

00:13:22,290 --> 00:13:20,740

military of one country would want to

287

00:13:25,980 --> 00:13:22,300

cooperate with the military of another

288

00:13:28,650 --> 00:13:25,990

country but they are France for years

289

00:13:30,390 --> 00:13:28,660
has had their own official UFO

290

00:13:32,910 --> 00:13:30,400
investigation committee for the

291

00:13:36,330 --> 00:13:32,920
government they're very open about it so

292

00:13:38,160 --> 00:13:36,340
if I were to do something again like

293

00:13:41,490 --> 00:13:38,170
that I would go to all these countries

294

00:13:44,190 --> 00:13:41,500
first to say hey look at what I did in

295

00:13:46,680 --> 00:13:44,200
1978 would you be interested in trying

296

00:13:47,810 --> 00:13:46,690
something again with me now but I'm not

297

00:13:51,570 --> 00:13:47,820
sure if I'm gonna go in that direction

298

00:13:53,400 --> 00:13:51,580
we'll see how tired I am tomorrow I just

299

00:13:56,369 --> 00:13:53,410
don't know

300

00:14:00,239 --> 00:13:56,379
I have heard over the years that there

301
00:14:04,949 --> 00:14:00,249
is some alleged love-hate relationship

302
00:14:06,689 --> 00:14:04,959
between UFOs and the media I'm not sure

303
00:14:08,779 --> 00:14:06,699
that I would describe it as a love-hate

304
00:14:15,659 --> 00:14:08,789
relationship I think that what people

305
00:14:17,759 --> 00:14:15,669
don't understand is UFOs appear over all

306
00:14:20,849 --> 00:14:17,769
countries we already know this their

307
00:14:23,159 --> 00:14:20,859
vast databases that indicate it's not

308
00:14:25,710 --> 00:14:23,169
just an American phenomenon these things

309
00:14:29,609 --> 00:14:25,720
are seen everywhere and the thing is

310
00:14:32,399 --> 00:14:29,619
they show up whenever and wherever they

311
00:14:35,669 --> 00:14:32,409
want they know that they're being seen

312
00:14:38,069 --> 00:14:35,679
especially at night there are so many

313
00:14:41,219 --> 00:14:38,079

cases where they'll show up over over

314

00:14:43,979 --> 00:14:41,229

either large populated areas or rural

315

00:14:47,969 --> 00:14:43,989

areas and they'll just put all their

316

00:14:51,569 --> 00:14:47,979

lights on I mean a couple of years ago

317

00:14:53,999 --> 00:14:51,579

my my brother was driving up in New

318

00:14:57,590 --> 00:14:54,009

Hampshire with with one of my nephew's

319

00:14:59,999 --> 00:14:57,600

his son and they thought they saw a UFO

320

00:15:02,639 --> 00:15:00,009

from the car so they pulled over they

321

00:15:05,369 --> 00:15:02,649

get out of the car and they realized

322

00:15:07,710 --> 00:15:05,379

immediately that this thing was was

323

00:15:10,139 --> 00:15:07,720

moving in such a way that it was coming

324

00:15:12,689 --> 00:15:10,149

in for a final approach landing at a

325

00:15:14,429 --> 00:15:12,699

local airport so I know UFO they got

326

00:15:19,349 --> 00:15:14,439

back into the car and kept driving and

327

00:15:23,460 --> 00:15:19,359

my nephew said daddy why do UFOs have

328

00:15:26,699 --> 00:15:23,470

lights and my brother said I don't know

329

00:15:28,769 --> 00:15:26,709

but when we get back to to the house

330

00:15:32,879 --> 00:15:28,779

let's call uncle Lee in New York and

331

00:15:36,329 --> 00:15:32,889

let's ask him so it's what they did and

332

00:15:38,249 --> 00:15:36,339

and Zachary my nephew called and said

333

00:15:40,409 --> 00:15:38,259

uncle Lee we thought we saw a UFO

334

00:15:43,139 --> 00:15:40,419

tonight but it turned out that it wasn't

335

00:15:45,749 --> 00:15:43,149

but but I want to know because you know

336

00:15:49,379 --> 00:15:45,759

about this stuff why do UFOs have lights

337

00:15:52,669 --> 00:15:49,389

and I said well Zachary my my first

338

00:15:56,890 --> 00:15:52,679

impression my initial impression is that

339

00:15:59,829 --> 00:15:56,900

they have lights so that we can see them

340

00:16:01,329 --> 00:15:59,839

this I think they want to be seen they

341

00:16:04,840 --> 00:16:01,339

certainly don't need their lights to

342

00:16:06,100 --> 00:16:04,850

navigate in the air they probably can do

343

00:16:09,070 --> 00:16:06,110

that in the dark because their

344

00:16:11,380 --> 00:16:09,080

technology is is so much further ahead

345

00:16:13,269 --> 00:16:11,390

than ours they don't need lights like we

346

00:16:16,480 --> 00:16:13,279

need lights so that we don't crash into

347

00:16:19,860 --> 00:16:16,490

each other I I think that they want to

348

00:16:23,260 --> 00:16:19,870

be seen and and it's part of a a

349

00:16:25,480 --> 00:16:23,270

gigantic tease a teasing of humanity

350

00:16:29,470 --> 00:16:25,490

that these things and they've been

351
00:16:32,590 --> 00:16:29,480
around for nearly 50,000 years according

352
00:16:35,350 --> 00:16:32,600
to the Air Force I have a document that

353
00:16:39,700 --> 00:16:35,360
indicates that's what the Air Force was

354
00:16:42,460 --> 00:16:39,710
teaching their cadets back in 1968 in a

355
00:16:44,460 --> 00:16:42,470
special science textbook at the Air

356
00:16:47,410 --> 00:16:44,470
Force Academy

357
00:16:50,200 --> 00:16:47,420
chapter 33 called unidentified flying

358
00:16:52,360 --> 00:16:50,210
objects the book itself was a physics

359
00:16:56,010 --> 00:16:52,370
textbook called introductory space

360
00:16:59,170 --> 00:16:56,020
science and there was a chapter about

361
00:17:01,870 --> 00:16:59,180
UFOs and this book in this chapter was

362
00:17:04,240 --> 00:17:01,880
not for publication the public could not

363
00:17:08,290 --> 00:17:04,250

see it it was only for Air Force cadets

364

00:17:11,079 --> 00:17:08,300

the future Air Force pilots and officers

365

00:17:13,809 --> 00:17:11,089

of this country and it's an amazing

366

00:17:16,870 --> 00:17:13,819

document and and I was able to get it

367

00:17:19,030 --> 00:17:16,880

through dr. Hynek and we we made a lot

368

00:17:20,949 --> 00:17:19,040

of copies of it and used it as part of

369

00:17:22,900 --> 00:17:20,959

our evidence at the United Nations but

370

00:17:27,460 --> 00:17:22,910

essentially what the Air Force was

371

00:17:29,350 --> 00:17:27,470

telling their cadets in 1968 here are

372

00:17:31,930 --> 00:17:29,360

some theories this is what we think may

373

00:17:35,220 --> 00:17:31,940

be going on with UFOs the strongest

374

00:17:38,590 --> 00:17:35,230

theory for us is that UFOs are manned or

375

00:17:42,520 --> 00:17:38,600

remote-controlled craft operated by

376

00:17:45,640 --> 00:17:42,530

beings from another planet or more than

377

00:17:48,419 --> 00:17:45,650

one planet this is a difficult concept

378

00:17:53,049 --> 00:17:48,429

to consider but the evidence suggests

379

00:17:55,990 --> 00:17:53,059

that Earth is being visited by several

380

00:17:58,450 --> 00:17:56,000

groups of extraterrestrials maybe three

381

00:18:00,040 --> 00:17:58,460

or four groups at different stages of

382

00:18:02,350 --> 00:18:00,050

development

383

00:18:05,410 --> 00:18:02,360

and and we know from recorded history

384

00:18:08,320 --> 00:18:05,420

that humans have been intermingling with

385

00:18:11,620 --> 00:18:08,330

and seeing strange things in the skies

386

00:18:13,870 --> 00:18:11,630

going back fifty thousand years that's

387

00:18:18,760 --> 00:18:13,880

amazing stuff that they would only tell

388

00:18:21,880 --> 00:18:18,770

the cadets and and so this idea of a

389

00:18:23,980 --> 00:18:21,890

love-hate relationship between it's not

390

00:18:26,530 --> 00:18:23,990

just between the UFOs and the media it's

391

00:18:30,340 --> 00:18:26,540

between UFOs and the people of this

392

00:18:32,980 --> 00:18:30,350

planet I don't think the UFOs or the

393

00:18:37,600 --> 00:18:32,990

intelligence behind them care about the

394

00:18:39,970 --> 00:18:37,610

media whatever their agenda is I don't

395

00:18:41,860 --> 00:18:39,980

think they care about media they know

396

00:18:44,530 --> 00:18:41,870

that being seen they know when they want

397

00:18:46,480 --> 00:18:44,540

to be seen and you would think that they

398

00:18:48,790 --> 00:18:46,490

would just you know show themselves if

399

00:18:51,070 --> 00:18:48,800

you're here show yourselves wherever you

400

00:18:53,680 --> 00:18:51,080

are but they're not doing that that's

401
00:18:55,840 --> 00:18:53,690
done in science fiction movies where

402
00:18:59,500 --> 00:18:55,850
they appear over major cities before

403
00:19:04,270 --> 00:18:59,510
they invade us so it doesn't look like

404
00:19:07,320 --> 00:19:04,280
they're here to eat us and they've been

405
00:19:10,060 --> 00:19:07,330
here for a long time whoever they are

406
00:19:11,080 --> 00:19:10,070
personally I don't care I don't care

407
00:19:13,600 --> 00:19:11,090
where they come from

408
00:19:15,160 --> 00:19:13,610
I don't care where they look like um

409
00:19:17,110 --> 00:19:15,170
maybe I care a little bit I'd like to

410
00:19:19,360 --> 00:19:17,120
see what some of them look like but I

411
00:19:22,990 --> 00:19:19,370
basically don't care it's more important

412
00:19:25,780 --> 00:19:23,000
to me that in the work that I do is to

413
00:19:29,650 --> 00:19:25,790

try and get people to understand that

414

00:19:31,780 --> 00:19:29,660

this whole concept of disclosure people

415

00:19:34,030 --> 00:19:31,790

are always asking me where is where is

416

00:19:36,610 --> 00:19:34,040

the truth why won't there be any

417

00:19:40,240 --> 00:19:36,620

disclosure and my attitude is and in my

418

00:19:42,220 --> 00:19:40,250

presentations now I say to people at the

419

00:19:44,860 --> 00:19:42,230

beginning of a presentation I say to

420

00:19:46,640 --> 00:19:44,870

them please don't believe anything I'm

421

00:19:50,200 --> 00:19:46,650

going to tell you tonight

422

00:19:53,030 --> 00:19:50,210

just tell her because you shouldn't

423

00:19:56,090 --> 00:19:53,040

until you have a really really good

424

00:19:59,570 --> 00:19:56,100

valid opinion about UFOs and what's

425

00:20:01,610 --> 00:19:59,580

going on and I'm hoping to help you with

426

00:20:05,299 --> 00:20:01,620

that opinion tonight and I'm going to

427

00:20:08,630 --> 00:20:05,309

give you many examples of where and why

428

00:20:12,140 --> 00:20:08,640

I believe disclosure has already

429

00:20:14,930 --> 00:20:12,150

happened many many times in our history

430

00:20:17,600 --> 00:20:14,940

it's out there and all you have to do is

431

00:20:20,720 --> 00:20:17,610

look for it spend the time maneuver

432

00:20:23,060 --> 00:20:20,730

through all the crap that's out there

433

00:20:23,750 --> 00:20:23,070

all of the the conspiracy theories that

434

00:20:26,210 --> 00:20:23,760

are out there

435

00:20:28,880 --> 00:20:26,220

the hoaxes and everything else didn't

436

00:20:31,669 --> 00:20:28,890

get through there and find yourself on

437

00:20:35,330 --> 00:20:31,679

the other side of the coin affirm the

438

00:20:37,910 --> 00:20:35,340

black hole of UFOs you will you will

439

00:20:40,970 --> 00:20:37,920

find like oh I didn't realize that

440

00:20:42,590 --> 00:20:40,980

before I didn't know that oh I I'm glad

441

00:20:42,890 --> 00:20:42,600

that I looked up this thing and I'm glad

442

00:20:51,500 --> 00:20:42,900

I

443

00:20:53,840 --> 00:20:51,510

there's so much bad stuff on the

444

00:20:56,360 --> 00:20:53,850

internet and people take advantage of

445

00:20:58,460 --> 00:20:56,370

true believers and they post things and

446

00:21:00,200 --> 00:20:58,470

pictures and ideas there's a lot of

447

00:21:03,830 --> 00:21:00,210

great stuff there too that you can find

448

00:21:05,990 --> 00:21:03,840

if you take the time so I I'm firmly

449

00:21:08,600 --> 00:21:06,000

convinced there's been a lot of

450

00:21:11,480 --> 00:21:08,610

disclosure I've seen it and it's out

451
00:21:16,840 --> 00:21:11,490
there one very strong example of

452
00:21:20,390 --> 00:21:16,850
disclosure certainly for me was the 1978

453
00:21:23,480 --> 00:21:20,400
UFO UN presentation that I produced I

454
00:21:26,180 --> 00:21:23,490
brought a lot of people together to talk

455
00:21:29,600 --> 00:21:26,190
to the nations of the world with with

456
00:21:31,910 --> 00:21:29,610
strong pieces of evidence that that

457
00:21:35,090 --> 00:21:31,920
there should be a scientific

458
00:21:39,470 --> 00:21:35,100
investigation global investigation of

459
00:21:42,740 --> 00:21:39,480
UFOs and and we were very careful not to

460
00:21:44,960 --> 00:21:42,750
not to include the phrase we're being

461
00:21:46,850 --> 00:21:44,970
visited by extraterrestrials let's find

462
00:21:49,790 --> 00:21:46,860
out what these alien ships are all about

463
00:21:52,280 --> 00:21:49,800

never I never I never make a statement

464

00:21:54,860 --> 00:21:52,290

where I say oh yeah I think they're from

465

00:21:56,330 --> 00:21:54,870

the Pleiades or Alpha Centauri or you

466

00:21:59,480 --> 00:21:56,340

you know I think they're living on the

467

00:22:00,230 --> 00:21:59,490

moon I I don't say anything like that

468

00:22:03,470 --> 00:22:00,240

public

469

00:22:04,160 --> 00:22:03,480

because if I can't prove it keep our

470

00:22:06,880 --> 00:22:04,170

mouth shut

471

00:22:10,390 --> 00:22:06,890

it's it's much better to talk about

472

00:22:14,360 --> 00:22:10,400

examples of disclosure so that was one

473

00:22:16,790 --> 00:22:14,370

earlier than that in 1947 there was a

474

00:22:19,400 --> 00:22:16,800

famous memo that was written by

475

00:22:23,260 --> 00:22:19,410

Lieutenant General Nathan twining of the

476
00:22:26,300 --> 00:22:23,270
air material command and and he urged a

477
00:22:28,940 --> 00:22:26,310
major investigation of what they called

478
00:22:31,700 --> 00:22:28,950
the flying discs back then and in it

479
00:22:34,340 --> 00:22:31,710
there's a the very top of the memo which

480
00:22:37,670 --> 00:22:34,350
was top-secret at first he said the

481
00:22:40,720 --> 00:22:37,680
phenomenon that's reported is is real

482
00:22:43,360 --> 00:22:40,730
it's not visionary it's not fictitious

483
00:22:46,190 --> 00:22:43,370
and people shouldn't be ridiculed and

484
00:22:49,490 --> 00:22:46,200
objects are being seen that approximate

485
00:22:52,850 --> 00:22:49,500
the size of manmade aircraft they are

486
00:22:55,580 --> 00:22:52,860
circular some with a dome on top and he

487
00:22:58,220 --> 00:22:55,590
goes on to explain the maneuverability

488
00:23:00,580 --> 00:22:58,230

characteristics of these UFOs and

489

00:23:03,710 --> 00:23:00,590

basically saying we need to really

490

00:23:05,480 --> 00:23:03,720

discover what's behind the phenomenon

491

00:23:07,670 --> 00:23:05,490

and see what we're going to do about

492

00:23:08,600 --> 00:23:07,680

this and if it has implications to our

493

00:23:12,920 --> 00:23:08,610

national security

494

00:23:16,930 --> 00:23:12,930

well that that twining memo then became

495

00:23:19,580 --> 00:23:16,940

the first part of a major Air Force

496

00:23:23,090 --> 00:23:19,590

investigation and it was called Project

497

00:23:26,090 --> 00:23:23,100

sign and then project sign became

498

00:23:28,640 --> 00:23:26,100

project grudge and then after that it

499

00:23:30,770 --> 00:23:28,650

morphed into what we now know as Project

500

00:23:34,100 --> 00:23:30,780

Blue Book and that's how Project Blue

501
00:23:36,470 --> 00:23:34,110
Book came along and now Project

502
00:23:40,130 --> 00:23:36,480
Blue Book spent more than two decades

503
00:23:41,660 --> 00:23:40,140
looking into UFOs there's there's a very

504
00:23:43,430 --> 00:23:41,670
popular television series right now

505
00:23:45,890 --> 00:23:43,440
that's just been renewed for another

506
00:23:49,550 --> 00:23:45,900
season called Project Blue Book based on

507
00:23:54,080 --> 00:23:49,560
the reports and the history of Project

508
00:23:56,240 --> 00:23:54,090
Blue Book and and yet when the pressure

509
00:23:58,370 --> 00:23:56,250
was on the Air Force that

510
00:24:02,120 --> 00:23:58,380
to come up with something to give to the

511
00:24:05,029 --> 00:24:02,130
public in 1969 it was decided to end

512
00:24:08,240 --> 00:24:05,039
Project Blue Book they closed the books

513
00:24:11,539 --> 00:24:08,250

that you should final conclusions about

514

00:24:12,830 --> 00:24:11,549

their UFO studies saying that that in

515

00:24:16,669 --> 00:24:12,840

all the years we've been studying this

516

00:24:18,890 --> 00:24:16,679

more than like 15,000 reports we've come

517

00:24:21,590 --> 00:24:18,900

to the conclusion that there there was

518

00:24:24,529 --> 00:24:21,600

nothing that indicated anything there of

519

00:24:26,659 --> 00:24:24,539

any kind of scientific value nothing

520

00:24:29,180 --> 00:24:26,669

that would indicate dizzy these UFO

521

00:24:31,730 --> 00:24:29,190

things were a threat to our national

522

00:24:33,880 --> 00:24:31,740

security and that there was nothing that

523

00:24:36,950 --> 00:24:33,890

indicated that any of them were

524

00:24:39,770 --> 00:24:36,960

interplanetary alien vehicles so it's

525

00:24:44,480 --> 00:24:39,780

like we're shutting the doors move along

526
00:24:50,480 --> 00:24:44,490
there's nothing more to see here and and

527
00:24:54,950 --> 00:24:50,490
yet that was 1969 but in 68 as I had

528
00:24:57,110 --> 00:24:54,960
mentioned before the Air Force had put

529
00:24:59,060 --> 00:24:57,120
together a whole chapter on UFOs for

530
00:25:00,980 --> 00:24:59,070
their cadets in which they had all the

531
00:25:04,510 --> 00:25:00,990
these other statements in that chapter

532
00:25:08,120 --> 00:25:04,520
that basically screamed of disclosure

533
00:25:10,909 --> 00:25:08,130
screamed of scientific investigation was

534
00:25:14,600 --> 00:25:10,919
needed but then like a year later

535
00:25:17,270 --> 00:25:14,610
Project Blue Book closed and then the

536
00:25:20,090 --> 00:25:17,280
Air Force went in and they revised at

537
00:25:21,950 --> 00:25:20,100
that chapter and it was changed and it

538
00:25:25,159 --> 00:25:21,960

was reprinted for the cadets with new

539

00:25:27,049 --> 00:25:25,169

information just amazing how they could

540

00:25:30,950 --> 00:25:27,059

do things behind the scenes the public

541

00:25:32,899 --> 00:25:30,960

would never know this it's amazing so

542

00:25:38,320 --> 00:25:32,909

those are a couple examples of what I

543

00:25:41,899 --> 00:25:38,330

think are real disclosure of in 2005

544

00:25:45,320 --> 00:25:41,909

former President Bill Clinton was in

545

00:25:47,419 --> 00:25:45,330

Hong Kong giving a speech

546

00:25:51,580 --> 00:25:47,429

one of the members of the audience asked

547

00:25:54,470 --> 00:25:51,590

him to talk about his interest in UFOs

548

00:25:57,139 --> 00:25:54,480

because people had known that he had

549

00:25:58,909 --> 00:25:57,149

tried to investigate some things when he

550

00:26:00,590 --> 00:25:58,919

was president and he said to the

551
00:26:03,379 --> 00:26:00,600
audience and he was very serious about

552
00:26:06,499 --> 00:26:03,389
it he said yeah when I was president I

553
00:26:09,799 --> 00:26:06,509
looked into what may have happened in

554
00:26:13,489 --> 00:26:09,809
Roswell New Mexico in 1947 what was

555
00:26:17,060 --> 00:26:13,499
there a UFO crash there and I also made

556
00:26:19,489 --> 00:26:17,070
some inquiries about area 51 the the

557
00:26:22,369 --> 00:26:19,499
secret base that we have outside of Las

558
00:26:24,919 --> 00:26:22,379
Vegas he said basically I there was

559
00:26:28,249 --> 00:26:24,929
nothing there that was given to me or

560
00:26:30,019 --> 00:26:28,259
told to me of any interest of anything

561
00:26:32,239 --> 00:26:30,029
that related to UFOs or

562
00:26:35,539 --> 00:26:32,249
extraterrestrials and then he said and

563
00:26:37,460 --> 00:26:35,549

you anybody can go on YouTube and look

564

00:26:40,729 --> 00:26:37,470

at this video he says he said look I

565

00:26:44,720 --> 00:26:40,739

would not be the first president who had

566

00:26:48,619 --> 00:26:44,730

been lied to by his underlings who kept

567

00:26:50,779 --> 00:26:48,629

things from him so that they could just

568

00:26:52,639 --> 00:26:50,789

wait him out until he was out of office

569

00:26:54,529 --> 00:26:52,649

and basically wait for the next guy to

570

00:26:56,840 --> 00:26:54,539

come in the next president they could go

571

00:26:59,419 --> 00:26:56,850

the same thing he said there could be a

572

00:27:02,749 --> 00:26:59,429

bureaucratic person out there who's just

573

00:27:06,019 --> 00:27:02,759

waiting and has secret files and and

574

00:27:10,369 --> 00:27:06,029

that it may be part of the system where

575

00:27:14,330 --> 00:27:10,379

this information is not given to elected

576

00:27:15,169 --> 00:27:14,340

presidents he said they said if they

577

00:27:17,509 --> 00:27:15,179

have it

578

00:27:19,820 --> 00:27:17,519

it eluded me they successfully eluded me

579

00:27:23,180 --> 00:27:19,830

and I'm even embarrassed to say that I

580

00:27:25,940 --> 00:27:23,190

tried to look into it and I saw this

581

00:27:28,310 --> 00:27:25,950

video and I thought that's disclosure it

582

00:27:32,359 --> 00:27:28,320

screams of disclosure the fact that he

583

00:27:35,119 --> 00:27:32,369

Clinton president would say would

584

00:27:37,909 --> 00:27:35,129

suggest the possibility that elected

585

00:27:39,950 --> 00:27:37,919

presidents are not given the stuff that

586

00:27:42,889 --> 00:27:39,960

they that he didn't have a need to know

587

00:27:47,839 --> 00:27:42,899

or high enough security clearance to be

588

00:27:50,869 --> 00:27:47,849

told certain things why I mean it raises

589

00:27:52,770 --> 00:27:50,879

the question of who's really in charge

590

00:27:55,290 --> 00:27:52,780

here

591

00:27:58,770 --> 00:27:55,300

if the President of the United States if

592

00:28:02,310 --> 00:27:58,780

the commander-in-chief of our armed

593

00:28:05,100 --> 00:28:02,320

forces doesn't have a clue or is not

594

00:28:09,120 --> 00:28:05,110

told what may be going on then who does

595

00:28:11,870 --> 00:28:09,130

know who's making the decisions and and

596

00:28:15,920 --> 00:28:11,880

again I'll think it's important to stress

597

00:28:20,310 --> 00:28:15,930

it's not just an American situation all

598

00:28:22,950 --> 00:28:20,320

leaders of all countries they know that

599

00:28:27,180 --> 00:28:22,960

there are things flying around in their

600

00:28:29,280 --> 00:28:27,190

skies above their countries that can

601
00:28:30,990 --> 00:28:29,290
come and go as they want and when they

602
00:28:32,540 --> 00:28:31,000
send up their jet fighters to try and

603
00:28:35,400 --> 00:28:32,550
chase these things or force them down

604
00:28:37,080 --> 00:28:35,410
there the fighters are outmaneuvered by

605
00:28:40,710 --> 00:28:37,090
these crafts and by these lights and

606
00:28:42,780 --> 00:28:40,720
whatever most countries that have jet

607
00:28:45,360 --> 00:28:42,790
fighter pilots have the same kind of

608
00:28:47,880 --> 00:28:45,370
stories coming out and and a lot of

609
00:28:51,960 --> 00:28:47,890
these countries now are starting to talk

610
00:28:53,940 --> 00:28:51,970
about it that is disclosure kinking or

611
00:28:58,350 --> 00:28:53,950
around it that the definition of

612
00:29:01,830 --> 00:28:58,360
disclosure by dictionaries is something

613
00:29:04,440 --> 00:29:01,840

that is told that wasn't known before to

614

00:29:06,440 --> 00:29:04,450

disclose something okay when countries

615

00:29:08,610 --> 00:29:06,450

are starting to talk and be open about

616

00:29:11,100 --> 00:29:08,620

what's going on in the skies above

617

00:29:14,280 --> 00:29:11,110

they're above their countries isn't that

618

00:29:16,500 --> 00:29:14,290

disclosure or am I wrong I'm not making

619

00:29:19,230 --> 00:29:16,510

this stuff up my whole attitude these

620

00:29:23,670 --> 00:29:19,240

days is anything that I can find that

621

00:29:25,770 --> 00:29:23,680

even hints of disclosure I think is

622

00:29:28,110 --> 00:29:25,780

worth getting out to people and none of

623

00:29:31,260 --> 00:29:28,120

this none of this has to include the

624

00:29:33,360 --> 00:29:31,270

phrase oh I think that we're being

625

00:29:35,910 --> 00:29:33,370

visited by someone from another planet

626
00:29:38,910 --> 00:29:35,920
you don't need that you don't need to to

627
00:29:41,400 --> 00:29:38,920
make that kind of stuff up whatever

628
00:29:43,800 --> 00:29:41,410
these things are whatever they turn out

629
00:29:47,550 --> 00:29:43,810
to be whatever whatever or whoever

630
00:29:48,930 --> 00:29:47,560
controls them they know what they're

631
00:29:51,180 --> 00:29:48,940
doing

632
00:29:53,100 --> 00:29:51,190
they have their own agenda if they want

633
00:29:56,520 --> 00:29:53,110
to show themselves they can but they're

634
00:29:59,730 --> 00:29:56,530
not doing that in the Bible there are

635
00:30:02,670 --> 00:29:59,740
many instances of a strange circular

636
00:30:07,050 --> 00:30:02,680
craft that was seen in the skies and

637
00:30:10,400 --> 00:30:07,060
painters of the Renaissance and medieval

638
00:30:13,320 --> 00:30:10,410

times would paint incredible pictures of

639

00:30:15,150 --> 00:30:13,330

people and places and things and and

640

00:30:17,820 --> 00:30:15,160

occasionally they would put like a

641

00:30:21,030 --> 00:30:17,830

circular object in the painting in the

642

00:30:23,820 --> 00:30:21,040

sky above above the baby Jesus Christ

643

00:30:25,230 --> 00:30:23,830

and Mary John the Baptist that there was

644

00:30:27,630 --> 00:30:25,240

like this a circular thing sometimes

645

00:30:29,640 --> 00:30:27,640

with beams of light coming out of these

646

00:30:31,920 --> 00:30:29,650

things in paintings that are that are

647

00:30:36,360 --> 00:30:31,930

like hanging in national galleries

648

00:30:39,000 --> 00:30:36,370

around the world my question is why did

649

00:30:42,570 --> 00:30:39,010

the artists include these strange things

650

00:30:45,690 --> 00:30:42,580

in the sky was it just some kind of

651
00:30:49,890 --> 00:30:45,700
religious symbolism and if so what

652
00:30:52,650 --> 00:30:49,900
symbolism who were the things that were

653
00:30:55,230 --> 00:30:52,660
inside these strange craft were the

654
00:30:58,250 --> 00:30:55,240
angels of the Lord I mean what's the

655
00:31:02,160 --> 00:30:58,260
point when there's so many things that

656
00:31:05,550 --> 00:31:02,170
were painted Eve even and I go back even

657
00:31:08,790 --> 00:31:05,560
further in my presentation I show i show

658
00:31:12,480 --> 00:31:08,800
allah stration of cave drawings from

659
00:31:17,160 --> 00:31:12,490
early humans on caves from like

660
00:31:19,650 --> 00:31:17,170
Australia and Africa in Mexico where the

661
00:31:24,510 --> 00:31:19,660
the early the only people who lived in

662
00:31:28,800 --> 00:31:24,520
caves they had no newspapers in in which

663
00:31:30,000 --> 00:31:28,810

to tell their their cave dwellers what

664

00:31:32,610 --> 00:31:30,010

happened to them when they went out to

665

00:31:34,080 --> 00:31:32,620

hunt for food today they they had

666

00:31:36,080 --> 00:31:34,090

nothing to print it on there's no

667

00:31:38,760 --> 00:31:36,090

typewriters and so they had they made

668

00:31:41,160 --> 00:31:38,770

pigmentations and they drew things on

669

00:31:43,710 --> 00:31:41,170

cave walls you can see these these

670

00:31:45,930 --> 00:31:43,720

petroglyphs all over the place on the

671

00:31:49,290 --> 00:31:45,940

internet and in so many of these

672

00:31:51,380 --> 00:31:49,300

illustrations you see illustrations of

673

00:31:53,430 --> 00:31:51,390

the people that were out hunting you see

674

00:31:54,630 --> 00:31:53,440

animals that they were trying to kill

675

00:31:59,090 --> 00:31:54,640

and above them

676

00:32:01,879 --> 00:31:59,100

the circular objects disclosure

677

00:32:04,970 --> 00:32:01,889

I say in my presentation I think that

678

00:32:08,269 --> 00:32:04,980

the New York Times in in New York City

679

00:32:11,779 --> 00:32:08,279

famous newspaper and its motto is all

680

00:32:14,419 --> 00:32:11,789

the news that's fit to print very famous

681

00:32:16,909 --> 00:32:14,429

motto I say they borrowed that motto

682

00:32:19,070 --> 00:32:16,919

from ancient cave dwellers because

683

00:32:21,379 --> 00:32:19,080

ancient cave dwellers painting what they

684

00:32:24,250 --> 00:32:21,389

saw with things in the sky that was all

685

00:32:26,890 --> 00:32:24,260

the news that's fit to paint

686

00:32:28,780 --> 00:32:26,900

you know I often say to people if you if

687

00:32:31,810 --> 00:32:28,790

you take a group of people ten people

688

00:32:34,630 --> 00:32:31,820

line them up and start with the person

689

00:32:36,070 --> 00:32:34,640

on one end and just say that person what

690

00:32:38,770 --> 00:32:36,080

would it take for you to believe that

691

00:32:40,450 --> 00:32:38,780

Earth is being visited by someone what

692

00:32:42,610 --> 00:32:40,460

would it take you to believe blah blah

693

00:32:44,680 --> 00:32:42,620

blah and you can go down the line and

694

00:32:47,590 --> 00:32:44,690

you can get ten different answers one

695

00:32:49,539 --> 00:32:47,600

person might say I would I would like

696

00:32:52,090 --> 00:32:49,549

the news to come out that something just

697

00:32:55,120 --> 00:32:52,100

landed on the White House lawn next

698

00:32:57,940 --> 00:32:55,130

person would say I would like to see a

699

00:33:01,360 --> 00:32:57,950

fleet of ships appear over the city

700

00:33:05,770 --> 00:33:01,370

just like that now the person would say

701
00:33:07,900 --> 00:33:05,780
I would like a an announcement from the

702
00:33:10,120 --> 00:33:07,910
White House the actual President of the

703
00:33:13,990 --> 00:33:10,130
United States holding a press conference

704
00:33:16,360 --> 00:33:14,000
in the press room and announcing that

705
00:33:20,049 --> 00:33:16,370
there is now evidence that we're being

706
00:33:21,150 --> 00:33:20,059
visited another person would say I would

707
00:33:24,580 --> 00:33:21,160
like to see more and more people

708
00:33:29,919 --> 00:33:24,590
abducted or allegedly abducted and have

709
00:33:34,150 --> 00:33:29,929
those stories increase you could get so

710
00:33:37,720 --> 00:33:34,160
many stories and yet the bottom line is

711
00:33:39,820 --> 00:33:37,730
no matter what they say they want that

712
00:33:42,740 --> 00:33:39,830
could convince them it doesn't matter

713
00:33:45,590 --> 00:33:42,750

what people say because

714

00:33:49,340 --> 00:33:45,600

we don't know what the agenda is of

715

00:33:52,130 --> 00:33:49,350

whatever is in control of these UFOs if

716

00:33:55,280 --> 00:33:52,140

they want to show themselves and I'm in

717

00:33:57,770 --> 00:33:55,290

a mass showing over every major city in

718

00:33:58,510 --> 00:33:57,780

the world they'll do it but they don't

719

00:34:02,270 --> 00:33:58,520

do that

720

00:34:05,840 --> 00:34:02,280

why what's what's their purpose oh we

721

00:34:08,330 --> 00:34:05,850

are we some kind of experiment that they

722

00:34:10,970 --> 00:34:08,340

that they dropped here eons ago they

723

00:34:13,730 --> 00:34:10,980

they place humans on this planet to

724

00:34:16,040 --> 00:34:13,740

thrive once the planet became habitable

725

00:34:17,780 --> 00:34:16,050

by humans and now they're kind of coming

726

00:34:21,350 --> 00:34:17,790

back periodically to check on the

727

00:34:23,240 --> 00:34:21,360

experiment I mean I don't know there's

728

00:34:24,800 --> 00:34:23,250

there are too many theories out there

729

00:34:32,810 --> 00:34:24,810

are they coming from

730

00:34:35,000 --> 00:34:32,820

dimensions or other realities in the

731

00:34:38,180 --> 00:34:35,010

universe are they coming from another

732

00:34:42,200 --> 00:34:38,190

universe again that's up to the

733

00:34:44,850 --> 00:34:42,210

scientists to speculate on but even then

734

00:34:48,870 --> 00:34:44,860

it's it's

735

00:34:52,140 --> 00:34:48,880

in the end it's inevitably up to the UFO

736

00:34:54,750 --> 00:34:52,150

intelligence itself to decide what it's

737

00:34:57,870 --> 00:34:54,760

going to do we have nothing to do with

738

00:35:00,330 --> 00:34:57,880

that what we just can't we can't reach

739

00:35:02,970 --> 00:35:00,340

out and say please land we can't reach

740

00:35:06,390 --> 00:35:02,980

the out to them in big announcements and

741

00:35:09,090 --> 00:35:06,400

say please help us we are a world that's

742

00:35:09,660 --> 00:35:09,100

filled with with big problems we need

743

00:35:11,370 --> 00:35:09,670

your help

744

00:35:15,390 --> 00:35:11,380

please help us please save us please

745

00:35:17,940 --> 00:35:15,400

stop the growing climate problem you've

746

00:35:21,300 --> 00:35:17,950

must have the technology to be able to

747

00:35:24,230 --> 00:35:21,310

help us all that stuff just doesn't

748

00:35:30,450 --> 00:35:27,600

whoever is driving these vehicles they

749

00:35:34,980 --> 00:35:30,460

know what they're doing and I don't

750

00:35:37,530 --> 00:35:34,990

believe that I'm going to see the major

751
00:35:40,170 --> 00:35:37,540
announcement or the major disclosure or

752
00:35:41,100 --> 00:35:40,180
the revelation of them I don't think

753
00:35:44,130 --> 00:35:41,110
that that's going to happen in my

754
00:35:46,350 --> 00:35:44,140
lifetime I think we're still not ready

755
00:35:49,230 --> 00:35:46,360
yet as a species I don't think we're

756
00:35:53,040 --> 00:35:49,240
ready to be invited into their galactic

757
00:35:56,460 --> 00:35:53,050
you know Starfleet Federation or or

758
00:36:00,300 --> 00:35:56,470
whatever they we're not ready I think

759
00:36:03,480 --> 00:36:00,310
it's really important that people all of

760
00:36:08,250 --> 00:36:03,490
us remain skeptics but open-minded

761
00:36:11,460 --> 00:36:08,260
skeptics that there is no room in this

762
00:36:13,770 --> 00:36:11,470
field for ridicule of any kind the

763
00:36:17,820 --> 00:36:13,780

ridicule generally comes from the

764

00:36:20,940 --> 00:36:17,830

hard-nosed debunkers whose job it is and

765

00:36:23,970 --> 00:36:20,950

they relish the fact that they'll do

766

00:36:28,130 --> 00:36:23,980

whatever they can to explain away every

767

00:36:31,850 --> 00:36:28,140

single UFO sighting and literally

768

00:36:34,580 --> 00:36:31,860

statistically it's about I'm gonna say

769

00:36:39,170 --> 00:36:34,590

90% maybe a little higher

770

00:36:42,360 --> 00:36:39,180

90% of UFO reports can be explained by

771

00:36:46,820 --> 00:36:42,370

easy things ordinary things just draw

772

00:36:49,800 --> 00:36:46,830

astronomical things whether things and

773

00:36:51,510 --> 00:36:49,810

misidentifications of aircraft I'm not

774

00:36:53,520 --> 00:36:51,520

interested in those I'm only interested

775

00:36:57,290 --> 00:36:53,530

in that smaller four or five percent

776

00:37:00,470 --> 00:36:57,300

that are never properly explained

777

00:37:02,510 --> 00:37:00,480

and it's hard for the debunkers to

778

00:37:04,250 --> 00:37:02,520

attack those because they try and come

779

00:37:06,950 --> 00:37:04,260

up with an explanation of stuff for

780

00:37:08,750 --> 00:37:06,960

something and it does just doesn't

781

00:37:11,570 --> 00:37:08,760

always hold water but they'll do

782

00:37:14,740 --> 00:37:11,580

whatever they can to to kind of force

783

00:37:18,250 --> 00:37:14,750

the issue and end up ridiculing someone

784

00:37:21,860 --> 00:37:18,260

people have have lost their their jobs

785

00:37:23,930 --> 00:37:21,870

their families their friends going back

786

00:37:26,900 --> 00:37:23,940

historically because they dared to speak

787

00:37:30,620 --> 00:37:26,910

out and talk about this thing that they

788

00:37:32,990 --> 00:37:30,630

saw in their backyard you know when I do

789

00:37:34,970 --> 00:37:33,000

a presentation I'll say to people give

790

00:37:36,500 --> 00:37:34,980

me a show of hands how many of you think

791

00:37:39,650 --> 00:37:36,510

that you've seen something unexplained

792

00:37:43,370 --> 00:37:39,660

in the skies during a daytime or

793

00:37:45,620 --> 00:37:43,380

nighttime and like oh a big portion of

794

00:37:50,110 --> 00:37:45,630

the hands grow up and then I'll say to

795

00:37:52,960 --> 00:37:50,120

them how many of you reported it

796

00:37:55,390 --> 00:37:52,970

can you imagine how few hands go up at

797

00:37:57,790 --> 00:37:55,400

that point people have been afraid to

798

00:38:00,670 --> 00:37:57,800

report there's so many more stories out

799

00:38:01,990 --> 00:38:00,680

there to be told people need to know

800

00:38:06,340 --> 00:38:02,000

that they'll there'll be a place where

801
00:38:08,800 --> 00:38:06,350
they can go in safety and to be able to

802
00:38:11,500 --> 00:38:08,810
just tell what happened to them without

803
00:38:13,930 --> 00:38:11,510
fear of ridiculing nobody likes to be

804
00:38:15,640 --> 00:38:13,940
ridiculed nobody it's that's not good

805
00:38:18,550 --> 00:38:15,650
for the psyche for the consciousness and

806
00:38:21,220 --> 00:38:18,560
so there has to be better dialogue

807
00:38:24,160 --> 00:38:21,230
between I think between the powers that

808
00:38:26,890 --> 00:38:24,170
be meaning that the governmental powers

809
00:38:30,430 --> 00:38:26,900
or the military and eyewitnesses and

810
00:38:34,810 --> 00:38:30,440
science science has to let down its

811
00:38:37,690 --> 00:38:34,820
guard and and go into it looking into

812
00:38:40,240 --> 00:38:37,700
things in a scientific method but not to

813
00:38:41,860 --> 00:38:40,250

ridicule people you just can't do it I

814

00:38:44,720 --> 00:38:41,870

just wish that we could all remain

815

00:38:45,980 --> 00:38:44,730

open-minded skeptics

816

00:38:47,839 --> 00:38:45,990

if you're interested in finding out more

817

00:38:53,170 --> 00:38:47,849

about me I've got a website called Lee

818

00:38:55,069 --> 00:38:53,180

Spiegel com it's Li le e Spiegel s Pei

819

00:38:57,829 --> 00:38:55,079

GTL calm

820

00:39:00,560 --> 00:38:57,839

I will also very soon be premiering a

821

00:39:03,490 --> 00:39:00,570

new radio show called edge of reality

822

00:39:07,099 --> 00:39:03,500

radio that's going to be on kgr a

823

00:39:09,410 --> 00:39:07,109

digital my show is going to be on weekly

824

00:39:11,660 --> 00:39:09,420

for two hours and it can be heard all

825

00:39:14,569 --> 00:39:11,670

over the world and I'm going to be

826
00:39:18,380 --> 00:39:14,579
bringing amazing guests on to talk about

827
00:39:20,420 --> 00:39:18,390
amazing things not just UFOs but the

828
00:39:25,670 --> 00:39:20,430
whole realm of UFOs paranormal

829
00:39:28,700 --> 00:39:25,680
unexplained and I want to deliver the

830
00:39:30,920 --> 00:39:28,710
attitude of disclosure very very

831
00:39:33,740 --> 00:39:30,930
important to me Capital D disclosure

832
00:39:36,230 --> 00:39:33,750
that's that's the next thing that I'm

833
00:39:40,190 --> 00:39:36,240
involved with and I'm also near the end

834
00:39:42,500 --> 00:39:40,200
of co producing a new documentary with

835
00:39:45,470 --> 00:39:42,510
the film producer and creator James Fox

836
00:39:47,810 --> 00:39:45,480
and we will unleash that on to the

837
00:39:49,550 --> 00:39:47,820
public as soon as possible and we hope

838
00:39:51,650 --> 00:39:49,560

people will really like it so there's a

839

00:39:54,109 --> 00:39:51,660

lot of stuff going on and I'm anxious to
