1  
00:00:23,510 --> 00:00:14,700

[Music]

2  
00:00:23,520 --> 00:00:31,189

you

3  
00:00:38,810 --> 00:00:33,760

well thanks everybody for coming along

4  
00:00:42,229 --> 00:00:38,820

I'm the guy with the funny accent I hope

5  
00:00:46,160 --> 00:00:42,239

you having a good time and before I get

6  
00:00:47,750 --> 00:00:46,170

to the thrust of the lecture itself I

7  
00:00:53,299 --> 00:00:47,760

thought I'd just sort of say a few

8  
00:00:56,390 --> 00:00:53,309

things about Scott's lecture in relation

9  
00:01:00,590 --> 00:00:56,400

to sort of the weirdest ID of Bigfoots

10  
00:01:03,500 --> 00:01:00,600

and I think like a lot of people who get

11  
00:01:07,670 --> 00:01:03,510

interested in the Bigfoot phenomenon

12  
00:01:10,670 --> 00:01:07,680

they like me you begin to think well you

13  
00:01:13,490 --> 00:01:10,680

know the really asked large ape-like

14

00:01:16,370 --> 00:01:13,500  
animals running around the United States

15

00:01:19,010 --> 00:01:16,380  
Russia China and a number of other

16

00:01:19,999 --> 00:01:19,020  
nations where you get reports of

17

00:01:24,440 --> 00:01:20,009  
Bigfoots

18

00:01:27,710 --> 00:01:24,450  
but over time I found that Bigfoot isn't

19

00:01:31,070 --> 00:01:27,720  
just strange Bigfoot is sort of really

20

00:01:33,919 --> 00:01:31,080  
strange and when for example Scott was

21

00:01:36,910 --> 00:01:33,929  
talking about sort of that the

22

00:01:39,859 --> 00:01:36,920  
telepathic angle of this and the orbs

23

00:01:42,140 --> 00:01:39,869  
that's something you find in a lot of

24

00:01:44,179 --> 00:01:42,150  
places around the United States and

25

00:01:48,350 --> 00:01:44,189  
elsewhere as well

26

00:01:50,090 --> 00:01:48,360

so whatever Bigfoot actually is I do

27

00:01:51,950 --> 00:01:50,100

believe these creatures exist but I

28

00:01:55,219 --> 00:01:51,960

don't believe they're just sort of a

29

00:01:57,679 --> 00:01:55,229

North American equivalent of an African

30

00:01:58,310 --> 00:01:57,689

gorilla I think it's far stranger than

31

00:02:00,679 --> 00:01:58,320

that

32

00:02:03,620 --> 00:02:00,689

particularly when you look in look into

33

00:02:06,880 --> 00:02:03,630

the stories where you have reports of

34

00:02:10,039 --> 00:02:06,890

for example Bigfoot quite literally

35

00:02:12,789 --> 00:02:10,049

vanishing in a flash of light in front

36

00:02:16,160 --> 00:02:12,799

of people's eyes which of course no

37

00:02:19,310 --> 00:02:16,170

regular normal animal has the ability to

38

00:02:22,819 --> 00:02:19,320

do that and I think the other sort of

39

00:02:25,160 --> 00:02:22,829

most glaring aspect is the fact that

40

00:02:29,000 --> 00:02:25,170

we've never caught one we've never got

41

00:02:31,580 --> 00:02:29,010

the body of a creature now if you think

42

00:02:34,460 --> 00:02:31,590

about it the reports as Scott said there

43

00:02:38,030 --> 00:02:34,470

are reports of Bigfoots all across the

44

00:02:40,580 --> 00:02:38,040

United States in every state and these

45

00:02:42,730 --> 00:02:40,590

creatures sort of range from 7 to 8 feet

46

00:02:44,620 --> 00:02:42,740

tall

47

00:02:47,710 --> 00:02:44,630

and we're still not able to catch them

48

00:02:50,860 --> 00:02:47,720

now if Bigfoot the creatures themselves

49

00:02:53,950 --> 00:02:50,870

were just sort of the size of I dunno a

50

00:02:56,410 --> 00:02:53,960

squirrel or Fox I could understand how

51  
00:02:59,920 --> 00:02:56,420  
we would never actually sort of catch

52  
00:03:02,050 --> 00:02:59,930  
one of these things but in saying that I

53  
00:03:06,340 --> 00:03:02,060  
think when we're talking about something

54  
00:03:10,240 --> 00:03:06,350  
a giant creature then we really should

55  
00:03:12,490 --> 00:03:10,250  
have at least one body by now and and

56  
00:03:16,090 --> 00:03:12,500  
again I think that sort of demonstrates

57  
00:03:20,290 --> 00:03:16,100  
that Bigfoot isn't just elusive but it's

58  
00:03:23,500 --> 00:03:20,300  
sort of really elusive now how we

59  
00:03:27,330 --> 00:03:23,510  
explain this I don't know certainly on

60  
00:03:30,430 --> 00:03:27,340  
the the fringe side of Bigfoot research

61  
00:03:32,290 --> 00:03:30,440  
there's a belief system that these

62  
00:03:35,890 --> 00:03:32,300  
creatures are sort of multi-dimensional

63  
00:03:38,490 --> 00:03:35,900

if you like that we only see them when

64

00:03:40,990 --> 00:03:38,500

perhaps they're in our reality now

65

00:03:43,750 --> 00:03:41,000

things like quantum physics for example

66

00:03:47,050 --> 00:03:43,760

are allowing for the existence of

67

00:03:48,190 --> 00:03:47,060

multiple dimensions within our reality

68

00:03:52,090 --> 00:03:48,200

and outside of it

69

00:03:53,920 --> 00:03:52,100

so although that's I would say even I

70

00:03:57,550 --> 00:03:53,930

have to admit that's a very sort of

71

00:04:00,850 --> 00:03:57,560

extreme aspect but I find it very very

72

00:04:04,110 --> 00:04:00,860

difficult to try and explain the

73

00:04:07,420 --> 00:04:04,120

phenomenon away in any other sort of

74

00:04:09,940 --> 00:04:07,430

fashion that we could do it and by that

75

00:04:11,500 --> 00:04:09,950

I mean as I said we should have found

76

00:04:14,110 --> 00:04:11,510

one of these things by now we should

77

00:04:16,720 --> 00:04:14,120

have either found a dead one someone

78

00:04:19,660 --> 00:04:16,730

killed one so want one cross the road

79

00:04:24,130 --> 00:04:19,670

and got hit by a car but it never ever

80

00:04:27,100 --> 00:04:24,140

happens and no other animal operates or

81

00:04:31,780 --> 00:04:27,110

exists like that now most people don't

82

00:04:34,330 --> 00:04:31,790

ever see you know a mountain lion or a

83

00:04:37,150 --> 00:04:34,340

grizzly bear in the woods but people do

84

00:04:41,830 --> 00:04:37,160

and sometimes grizzly bears and mountain

85

00:04:46,090 --> 00:04:41,840

lions do get hit by cars or trucks why

86

00:04:49,780 --> 00:04:46,100

is it that Bigfoot's eludes all of these

87

00:04:54,070 --> 00:04:49,790

scenarios concerning how they might die

88

00:04:57,760 --> 00:04:54,080

Bigfoot eludes these scenarios 100

89

00:05:01,029 --> 00:04:57,770

percent of the time and I just don't see

90

00:05:04,330 --> 00:05:01,039

how a normal animal even if it's a rare

91

00:05:07,330 --> 00:05:04,340

one I don't see how a rare animal could

92

00:05:10,089 --> 00:05:07,340

actually exist like that and never ever

93

00:05:13,270 --> 00:05:10,099

be found so there's a big issue to be

94

00:05:15,909 --> 00:05:13,280

dealt with and if we do find the truth

95

00:05:18,339 --> 00:05:15,919

about these Bigfoot creatures whatever

96

00:05:21,480 --> 00:05:18,349

they might be I think you can have a lot

97

00:05:24,119 --> 00:05:21,490

of a greater bearing on what

98

00:05:27,100 --> 00:05:24,129

cryptozoology actually is now

99

00:05:29,830 --> 00:05:27,110

cryptozoology is the study of unknown

100

00:05:34,029 --> 00:05:29,840

animals sort of chupacabra Bigfoot's

101  
00:05:36,969 --> 00:05:34,039  
Loch Ness monster the Yeti and so on but

102  
00:05:39,850 --> 00:05:36,979  
if it's shown that the Bigfoot creatures

103  
00:05:43,119 --> 00:05:39,860  
are some sort of supernatural type

104  
00:05:45,640 --> 00:05:43,129  
creature rather than just a North

105  
00:05:49,240 --> 00:05:45,650  
American ape then I think it's gonna

106  
00:05:53,170 --> 00:05:49,250  
have a lot of impact upon cryptozoology

107  
00:05:56,550 --> 00:05:53,180  
itself in the sense that are we dealing

108  
00:05:59,950 --> 00:05:56,560  
with flesh-and-blood animals should

109  
00:06:03,930 --> 00:05:59,960  
cryptozoology embrace the supernatural

110  
00:06:05,620 --> 00:06:03,940  
and the paranormal now a lot of longtime

111  
00:06:08,140 --> 00:06:05,630  
researchers in the field of

112  
00:06:10,779 --> 00:06:08,150  
cryptozoology would say well all these

113  
00:06:13,870 --> 00:06:10,789

creatures all these animals all these

114

00:06:15,610 --> 00:06:13,880

unknown monsters are just flesh and

115

00:06:19,809 --> 00:06:15,620

blood things that we haven't found I

116

00:06:23,290 --> 00:06:19,819

think that for me at least is really at

117

00:06:25,330 --> 00:06:23,300

the far end of the of the equation I

118

00:06:28,439 --> 00:06:25,340

think we deal with something much

119

00:06:31,240 --> 00:06:28,449

stranger and as I said I think for

120

00:06:34,629 --> 00:06:31,250

cryptozoology and so-called monster

121

00:06:38,019 --> 00:06:34,639

hunters I think if we do get the answers

122

00:06:41,680 --> 00:06:38,029

it's gonna challenge science and and not

123

00:06:44,019 --> 00:06:41,690

zoo and not just zoology and we may

124

00:06:47,589 --> 00:06:44,029

learn a great deal more if we do find a

125

00:06:52,059 --> 00:06:47,599

Bigfoot one day whether alive or dead if

126

00:06:54,850 --> 00:06:52,069

these things can sort of jump multiple

127

00:06:57,369 --> 00:06:54,860

dimensions and things like that so let's

128

00:07:01,269 --> 00:06:57,379

just sort of melt my thoughts and ideas

129

00:07:04,839 --> 00:07:01,279

and a few concepts on what Bigfoot might

130

00:07:06,730 --> 00:07:04,849

be and the reason I mention that is

131

00:07:08,170 --> 00:07:06,740

because there's also sort of a tie-in

132

00:07:10,530 --> 00:07:08,180

with UFOs

133

00:07:13,960 --> 00:07:10,540

which I'm going to talk about today and

134

00:07:17,560 --> 00:07:13,970

I think again when you have reports of

135

00:07:20,830 --> 00:07:17,570

strange lights in the sky light beaming

136

00:07:23,770 --> 00:07:20,840

down front to the ground and in the same

137

00:07:26,620 --> 00:07:23,780

area and the same timeframe that people

138

00:07:29,650 --> 00:07:26,630

see the Bigfoot creatures I think we're

139

00:07:33,010 --> 00:07:29,660

seeing some sort of connection with UFOs

140

00:07:35,830 --> 00:07:33,020

as well now I don't kind of go down the

141

00:07:38,140 --> 00:07:35,840

path that you know Bigfoot literally

142

00:07:41,050 --> 00:07:38,150

flies a flying saucer you know that

143

00:07:43,750 --> 00:07:41,060

would be just way too bizarre I don't

144

00:07:45,760 --> 00:07:43,760

think it's that simple but when you have

145

00:07:48,370 --> 00:07:45,770

these strange lights in the sky that's

146

00:07:50,860 --> 00:07:48,380

got talked about these balls of light

147

00:07:54,370 --> 00:07:50,870

these energy balls however you want to

148

00:07:56,740 --> 00:07:54,380

term them they are they're a rare aspect

149

00:07:59,680 --> 00:07:56,750

of Bigfoot research but there are enough

150

00:08:02,470 --> 00:07:59,690

reports to demonstrate that there is

151

00:08:05,910 --> 00:08:02,480

this aspect to it and again we don't

152

00:08:10,060 --> 00:08:05,920

know what the phenomenon actually is now

153

00:08:12,930 --> 00:08:10,070

people like John keel for example who

154

00:08:15,340 --> 00:08:12,940

wrote the Mothman Prophecies John keel

155

00:08:17,110 --> 00:08:15,350

started off like me and a lot of other

156

00:08:21,160 --> 00:08:17,120

people thought all of these different

157

00:08:24,160 --> 00:08:21,170

phenomena Bigfoot UFOs ghosts etc we're

158

00:08:26,470 --> 00:08:24,170

all separate phenomena but he came to

159

00:08:29,020 --> 00:08:26,480

believe over time that they were all

160

00:08:32,920 --> 00:08:29,030

kind of interconnected and I think that

161

00:08:36,610 --> 00:08:32,930

is the case when you get Bigfoot you get

162

00:08:39,070 --> 00:08:36,620

UFOs you have strange lights all in that

163

00:08:43,120 --> 00:08:39,080

same area I think we have to sort of

164

00:08:45,370 --> 00:08:43,130

start looking at the the issue of these

165

00:08:47,830 --> 00:08:45,380

creatures and many of these other

166

00:08:51,040 --> 00:08:47,840

creatures as well all being part and

167

00:08:55,080 --> 00:08:51,050

parcel of one phenomenon so that's my

168

00:08:57,430 --> 00:08:55,090

little bit of on Bigfoot and I think

169

00:08:59,940 --> 00:08:57,440

like I said if we do get the answers

170

00:09:03,340 --> 00:08:59,950

then it's going to change and challenge

171

00:09:10,030 --> 00:09:03,350

just about every aspect of science and

172

00:09:13,300 --> 00:09:10,040

zoology now that brings us to today's

173

00:09:15,040 --> 00:09:13,310

lecture from area 51 to Russia what I'm

174

00:09:18,910 --> 00:09:15,050

going to do for you today sort of give

175

00:09:22,080 --> 00:09:18,920

you a background on area 51 the base

176

00:09:26,500 --> 00:09:22,090

itself the history of it how it be

177

00:09:28,780 --> 00:09:26,510

white began and also of course the the

178

00:09:32,500 --> 00:09:28,790

UFO issue which is the one that most

179

00:09:35,020 --> 00:09:32,510

people associate with area 51 and of

180

00:09:38,710 --> 00:09:35,030

course the big questions are to what

181

00:09:43,240 --> 00:09:38,720

extent is area 51 sort of a holding

182

00:09:46,870 --> 00:09:43,250

place for alien technology possibly even

183

00:09:49,320 --> 00:09:46,880

live and dead aliens at area 51 these

184

00:09:51,190 --> 00:09:49,330

are some of the more controversial

185

00:09:53,770 --> 00:09:51,200

statements and claims that have been

186

00:09:56,350 --> 00:09:53,780

made and so what I've tried to do over

187

00:10:00,990 --> 00:09:56,360

the years I've dug quite deeply into the

188

00:10:05,350 --> 00:10:01,000

whole story of area 51 and tried to

189

00:10:07,230 --> 00:10:05,360

determine the the truth from the lies to

190

00:10:11,170 --> 00:10:07,240

the exaggerations and the disinformation

191

00:10:13,780 --> 00:10:11,180

which is put out also to try and confuse

192

00:10:17,170 --> 00:10:13,790

what we know about it or what we don't

193

00:10:19,660 --> 00:10:17,180

know about it but just before I get to

194

00:10:22,750 --> 00:10:19,670

that just sort of give you some idea as

195

00:10:25,420 --> 00:10:22,760

to why and how I got interested in sort

196

00:10:29,950 --> 00:10:25,430

of the more of the conspiratorial side

197

00:10:34,050 --> 00:10:29,960

of UFO research because my it actually

198

00:10:36,520 --> 00:10:34,060

goes back to the 1950s and my father I

199

00:10:39,520 --> 00:10:36,530

should stress I'm one of these people

200

00:10:43,930 --> 00:10:39,530

who's actually never seen a UFO or had

201  
00:10:47,800 --> 00:10:43,940  
an alien encounter I'm someone who's had

202  
00:10:50,440 --> 00:10:47,810  
an experience by being told of an

203  
00:10:53,020 --> 00:10:50,450  
encounter and I think people do tend to

204  
00:10:56,080 --> 00:10:53,030  
fall into two categories when they have

205  
00:10:58,660 --> 00:10:56,090  
or they develop an interest in UFOs you

206  
00:11:01,420 --> 00:10:58,670  
either see something or you know someone

207  
00:11:04,480 --> 00:11:01,430  
who you trust saw something amazing and

208  
00:11:08,430 --> 00:11:04,490  
that gets you involved and certainly for

209  
00:11:11,620 --> 00:11:08,440  
me was the second category my dad was a

210  
00:11:14,470 --> 00:11:11,630  
radar mechanic in the British Royal Air

211  
00:11:18,160 --> 00:11:14,480  
Force which is the equivalent of the US

212  
00:11:21,010 --> 00:11:18,170  
Air Force over here and he was involved

213  
00:11:24,870 --> 00:11:21,020

in three UFO incidents at the height of

214

00:11:27,730 --> 00:11:24,880

a NATO exercise in September 1952 and

215

00:11:28,780 --> 00:11:27,740

that operation was called exercise

216

00:11:32,230 --> 00:11:28,790

Mainbrace

217

00:11:34,260 --> 00:11:32,240

and it involved military personnel from

218

00:11:37,190 --> 00:11:34,270

the US from the UK

219

00:11:40,500 --> 00:11:37,200

from Norway France and it was really

220

00:11:42,840 --> 00:11:40,510

sort of a stand up to the Russians to

221

00:11:46,920 --> 00:11:42,850

say you know if you think you can take

222

00:11:50,610 --> 00:11:46,930

us on well try and so operation

223

00:11:53,070 --> 00:11:50,620

excuse me exercise Mainbrace was created

224

00:11:56,670 --> 00:11:53,080

as a like a show of force to the

225

00:11:59,940 --> 00:11:56,680

Russians but it was also put together to

226  
00:12:02,490 --> 00:11:59,950  
to show how all the the Western Allies

227  
00:12:05,460 --> 00:12:02,500  
could get together in the events of a

228  
00:12:09,060 --> 00:12:05,470  
third world war which thankfully hasn't

229  
00:12:12,769 --> 00:12:09,070  
happened yet but my father was involved

230  
00:12:15,960 --> 00:12:12,779  
in three late-night encounters where

231  
00:12:18,300 --> 00:12:15,970  
radar operators at the military base he

232  
00:12:22,170 --> 00:12:18,310  
was working at on the east coast of

233  
00:12:25,079 --> 00:12:22,180  
England he was on he was on duty and

234  
00:12:27,120 --> 00:12:25,089  
this was sort of to 3 a.m. and the radar

235  
00:12:30,000 --> 00:12:27,130  
operators were tracking these

236  
00:12:32,850 --> 00:12:30,010  
high-flying fast-moving objects in the

237  
00:12:34,769 --> 00:12:32,860  
sky and the first thought was well it's

238  
00:12:38,160 --> 00:12:34,779

got to be the Russians this was as I

239

00:12:41,670 --> 00:12:38,170

said this was 1952 the Cold War was

240

00:12:44,760 --> 00:12:41,680

really taking off and so fighter planes

241

00:12:48,600 --> 00:12:44,770

were scrambled from a nearby air force

242

00:12:51,480 --> 00:12:48,610

base and as the pilots got closer they

243

00:12:54,449 --> 00:12:51,490

were able to see not like bombers or

244

00:12:56,730 --> 00:12:54,459

fighter planes but these large balls of

245

00:12:58,740 --> 00:12:56,740

light and some of the other pilots

246

00:13:03,240 --> 00:12:58,750

reported seeing sort of classic and

247

00:13:06,030 --> 00:13:03,250

classic silvery flying saucers and the

248

00:13:08,460 --> 00:13:06,040

quite naturally the pilots were ordered

249

00:13:11,250 --> 00:13:08,470

to intercept them well that didn't work

250

00:13:13,319 --> 00:13:11,260

what actually happened was that these

251  
00:13:16,860 --> 00:13:13,329  
objects shot away at an incredible speed

252  
00:13:19,410 --> 00:13:16,870  
and eventually the pilots had to return

253  
00:13:21,660 --> 00:13:19,420  
to their bases because they were running

254  
00:13:23,850 --> 00:13:21,670  
low on fuel because these objects were

255  
00:13:26,850 --> 00:13:23,860  
playing almost like a game of

256  
00:13:29,850 --> 00:13:26,860  
cat-and-mouse with the pilots now this

257  
00:13:32,220 --> 00:13:29,860  
went on for three nights and at the end

258  
00:13:34,889 --> 00:13:32,230  
of the third night everybody was taken

259  
00:13:37,650 --> 00:13:34,899  
into a room and told you won't talk

260  
00:13:39,540 --> 00:13:37,660  
about this and everybody was reminded

261  
00:13:42,390 --> 00:13:39,550  
that they'd signed what was called the

262  
00:13:45,449 --> 00:13:42,400  
Official Secrets Act and in the UK the

263  
00:13:47,790 --> 00:13:45,459

Official Secrets Act it's it's a sort of

264

00:13:50,129 --> 00:13:47,800

piece of legislation where if you learn

265

00:13:52,379 --> 00:13:50,139

top secret material in the course of

266

00:13:54,720 --> 00:13:52,389

your work with the military or the

267

00:13:56,729 --> 00:13:54,730

intelligence community you won't talk

268

00:13:59,069 --> 00:13:56,739

about it after you've written after

269

00:14:01,169 --> 00:13:59,079

you've retired now my my dad didn't

270

00:14:03,960 --> 00:14:01,179

actually say anything about this till I

271

00:14:05,939 --> 00:14:03,970

was about probably 12 or 13 something

272

00:14:08,340 --> 00:14:05,949

like that and that really got me

273

00:14:10,379 --> 00:14:08,350

interested and I started reading books

274

00:14:13,499 --> 00:14:10,389

on the subject and you know watching

275

00:14:16,470 --> 00:14:13,509

movies that kind of thing but I did sort

276

00:14:19,169 --> 00:14:16,480

of move more towards like the conspiracy

277

00:14:23,220 --> 00:14:19,179

stuff like area 51 probably because of

278

00:14:25,949 --> 00:14:23,230

my own father's experience and how his

279

00:14:28,139 --> 00:14:25,959

team was told not to talk about this and

280

00:14:30,449 --> 00:14:28,149

I always think that if government's

281

00:14:32,789 --> 00:14:30,459

don't want us to talk about something or

282

00:14:34,499 --> 00:14:32,799

they don't want us to know about it it

283

00:14:37,319 --> 00:14:34,509

usually is something we should know

284

00:14:42,150 --> 00:14:37,329

about he knows so you know I think

285

00:14:44,280 --> 00:14:42,160

that's an important angle to make now of

286

00:14:47,970 --> 00:14:44,290

course when it comes to UFOs there are

287

00:14:50,489 --> 00:14:47,980

numerous aspects to the subject you know

288

00:14:55,139 --> 00:14:50,499

you've got alien abductions contact

289

00:14:58,859 --> 00:14:55,149

cases crop circles lights in the sky

290

00:15:01,769 --> 00:14:58,869

crashed UFOs dead aliens held at

291

00:15:05,609 --> 00:15:01,779

military bases and so on but there's no

292

00:15:09,329 --> 00:15:05,619

doubt that area 51 and the story of it

293

00:15:11,669 --> 00:15:09,339

really stands out in the sense that's in

294

00:15:15,900 --> 00:15:11,679

a way that other aspects of the subject

295

00:15:19,829 --> 00:15:15,910

really don't and by that I mean if you

296

00:15:22,400 --> 00:15:19,839

mention a specific UFO case to the

297

00:15:25,619 --> 00:15:22,410

average person they'll just say huh

298

00:15:29,549 --> 00:15:25,629

don't know what that means but you

299

00:15:32,249 --> 00:15:29,559

mention area 51 just about everybody on

300

00:15:37,730 --> 00:15:32,259

the planet as heard as hazard of area 51

301  
00:15:41,249 --> 00:15:37,740  
and in a strange way area 51 is the most

302  
00:15:44,009 --> 00:15:41,259  
secret military facility on the planet

303  
00:15:49,129 --> 00:15:44,019  
but everybody's heard of it which is

304  
00:15:59,119 --> 00:15:55,009  
and the primary main reason as to why

305  
00:16:01,530 --> 00:15:59,129  
area 51 has become so notorious is

306  
00:16:05,759 --> 00:16:01,540  
because of that incredible

307  
00:16:08,340 --> 00:16:05,769  
secrecy that surrounds it it's just one

308  
00:16:10,949 --> 00:16:08,350  
of these situations where you do not

309  
00:16:14,040 --> 00:16:10,959  
find that in any other any other

310  
00:16:17,280 --> 00:16:14,050  
situation if you look at just about

311  
00:16:19,470 --> 00:16:17,290  
every other military facility in the

312  
00:16:22,650 --> 00:16:19,480  
United States of course they're all

313  
00:16:25,889 --> 00:16:22,660

heavily guarded but none of the guarding

314

00:16:29,069 --> 00:16:25,899

situation comes anywhere near what goes

315

00:16:32,340 --> 00:16:29,079

on at area 51 and and I'll give you some

316

00:16:36,180 --> 00:16:32,350

background as we go along as to how and

317

00:16:39,930 --> 00:16:36,190

why it's proved to be impossible to sort

318

00:16:42,689 --> 00:16:39,940

of access area 51 unless you actually

319

00:16:47,340 --> 00:16:42,699

work there and of course when you've got

320

00:16:50,160 --> 00:16:47,350

this angle of so much secrecy and

321

00:16:54,210 --> 00:16:50,170

security the big question is well why

322

00:16:57,389 --> 00:16:54,220

does that secrecy and security even

323

00:17:00,509 --> 00:16:57,399

exist in the first place why is it that

324

00:17:03,509 --> 00:17:00,519

the base itself is not just guarded in

325

00:17:06,960 --> 00:17:03,519

the exact same way but just about all

326

00:17:09,329 --> 00:17:06,970

the other military bases are and so it

327

00:17:12,270 --> 00:17:09,339

sort of begs the question or what's

328

00:17:16,260 --> 00:17:12,280

going on there and that sort of brings

329

00:17:19,980 --> 00:17:16,270

us to the issue of what has made area 51

330

00:17:25,110 --> 00:17:19,990

so famous or infamous and that's the UFO

331

00:17:27,890 --> 00:17:25,120

connection now although the the work to

332

00:17:31,649 --> 00:17:27,900

to begin the the creation of area 51

333

00:17:35,399 --> 00:17:31,659

didn't begin until the 1950s the the

334

00:17:37,740 --> 00:17:35,409

idea of actually building sort of a

335

00:17:40,620 --> 00:17:37,750

large series of facilities out in Nevada

336

00:17:46,350 --> 00:17:40,630

far away from just about anyone and

337

00:17:48,390 --> 00:17:46,360

everyone actually goes back to 1941 yeah

338

00:17:52,110 --> 00:17:48,400

a lot of people don't realize that the

339

00:17:55,710 --> 00:17:52,120

the origins are the plans to create

340

00:17:58,200 --> 00:17:55,720

something like an area 51 actually goes

341

00:18:01,260 --> 00:17:58,210

back to Pearl Harbor the attack of Pearl

342

00:18:04,289 --> 00:18:01,270

Harbor in December 1941 and that's an

343

00:18:11,710 --> 00:18:04,299

actual photograph of the of the attack

344

00:18:14,680 --> 00:18:11,720

on Pearl Harbor now prior to 9/11

345

00:18:16,930 --> 00:18:14,690

Pearl Harbor was the worst attack on the

346

00:18:18,820 --> 00:18:16,940

United States literally thousands of

347

00:18:22,290 --> 00:18:18,830

people were killed in this sort of

348

00:18:26,170 --> 00:18:22,300

terrible attack from Japanese forces and

349

00:18:27,910 --> 00:18:26,180

the reason why the attack happened and

350

00:18:30,940 --> 00:18:27,920

the reason why so many people were

351  
00:18:33,850 --> 00:18:30,950  
killed was because the the Japanese

352  
00:18:36,130 --> 00:18:33,860  
fleet and the Japanese aircraft were

353  
00:18:40,240 --> 00:18:36,140  
actually able to sort of fly really low

354  
00:18:42,910 --> 00:18:40,250  
across the Pacific and create a surprise

355  
00:18:46,030 --> 00:18:42,920  
attack that's that was the problem that

356  
00:18:47,980 --> 00:18:46,040  
the the surprise angle of it all is what

357  
00:18:50,620 --> 00:18:47,990  
led to sort of the disastrous and

358  
00:18:55,270 --> 00:18:50,630  
terrible killings that were that

359  
00:18:57,010 --> 00:18:55,280  
occurred and after Pearl Harbor the

360  
00:18:59,560 --> 00:18:57,020  
government basically said we can never

361  
00:19:02,310 --> 00:18:59,570  
allow something like that to happen

362  
00:19:05,080 --> 00:19:02,320  
again we can never have some one sort of

363  
00:19:08,760 --> 00:19:05,090

surprise us in such a like a terrible

364

00:19:12,730 --> 00:19:08,770

way and so plans were put together to

365

00:19:16,870 --> 00:19:12,740

create specifically strategic military

366

00:19:19,200 --> 00:19:16,880

bases further inside the country in

367

00:19:23,740 --> 00:19:19,210

other words we would if we had these

368

00:19:28,330 --> 00:19:23,750

facilities created in like Nevada New

369

00:19:30,940 --> 00:19:28,340

Mexico and so on if somebody outside of

370

00:19:33,750 --> 00:19:30,950

the country tried to attack we would

371

00:19:37,510 --> 00:19:33,760

have plenty of time to track them coming

372

00:19:40,090 --> 00:19:37,520

inward into the country so that was the

373

00:19:43,450 --> 00:19:40,100

idea was to sort of build some of the

374

00:19:46,390 --> 00:19:43,460

most strategic bases far as possible

375

00:19:49,570 --> 00:19:46,400

inside the country and also they needed

376

00:19:52,510 --> 00:19:49,580

to be areas where nobody really would be

377

00:19:57,300 --> 00:19:52,520

able to access them and nobody really

378

00:20:01,480 --> 00:19:57,310

know what was going on there so by 1943

379

00:20:05,800 --> 00:20:01,490

1944 out at where area 51 is now they're

380

00:20:08,470 --> 00:20:05,810

actually a number of facilities created

381

00:20:10,780 --> 00:20:08,480

about Gunnar ease and artillery ranges

382

00:20:14,170 --> 00:20:10,790

things like that but it was never at

383

00:20:17,620 --> 00:20:14,180

that time sort of all conciliated into

384

00:20:22,000 --> 00:20:17,630

one particular base that actually didn't

385

00:20:24,400 --> 00:20:22,010

happen until the early 1950s when they

386

00:20:25,120 --> 00:20:24,410

really the government's really decided

387

00:20:28,539 --> 00:20:25,130

to

388

00:20:30,340 --> 00:20:28,549

get down and say well why don't we put

389

00:20:34,210 --> 00:20:30,350

all of these different facilities these

390

00:20:40,330 --> 00:20:34,220

bases together and that's basically what

391

00:20:43,120 --> 00:20:40,340

happened now area 51 that's an area

392

00:20:47,320 --> 00:20:43,130

excuse me an aerial photograph of area

393

00:20:51,180 --> 00:20:47,330

51 taken by a spy satellite and there

394

00:20:53,860 --> 00:20:51,190

aren't that many images of area 51

395

00:20:56,669 --> 00:20:53,870

there's enough for us to make a good

396

00:20:59,230 --> 00:20:56,679

image of what the place looks like but

397

00:21:02,080 --> 00:20:59,240

as you can see there there's a number of

398

00:21:05,230 --> 00:21:02,090

facilities runways and things like that

399

00:21:10,120 --> 00:21:05,240

and for the most part that is pretty

400

00:21:13,570 --> 00:21:10,130

much all we can see at area 51 now it's

401  
00:21:16,870 --> 00:21:13,580  
called area 51 because it's actually

402  
00:21:19,299 --> 00:21:16,880  
just one of many areas on what's called

403  
00:21:22,180 --> 00:21:19,309  
the Nevada Test and Training Range and

404  
00:21:25,360 --> 00:21:22,190  
the the training range itself is

405  
00:21:29,320 --> 00:21:25,370  
gigantic it's even bigger than area 51

406  
00:21:32,380 --> 00:21:29,330  
area 51 is just a small portion and the

407  
00:21:37,270 --> 00:21:32,390  
plan was to have this isolated

408  
00:21:40,870 --> 00:21:37,280  
well-guarded military installation which

409  
00:21:42,880 --> 00:21:40,880  
could be essentially the hub of all the

410  
00:21:45,100 --> 00:21:42,890  
high-tech research that the government

411  
00:21:48,460 --> 00:21:45,110  
wants you to do and which it wanted to

412  
00:21:50,830 --> 00:21:48,470  
keep the Russians away from and so in

413  
00:21:53,770 --> 00:21:50,840

that sense by around about nineteen

414

00:21:56,669 --> 00:21:53,780

fifty fifty-one the concepts and the

415

00:22:05,430 --> 00:21:56,679

idea of creating something like area 51

416

00:22:09,340 --> 00:22:05,440

really started to begin now excuse me

417

00:22:12,250 --> 00:22:09,350

when we get to the the whole angle of

418

00:22:15,549 --> 00:22:12,260

area 51 and what might be going on there

419

00:22:17,320 --> 00:22:15,559

you'll sort of realize that there's a

420

00:22:20,830 --> 00:22:17,330

it's very much like mirrors within

421

00:22:23,529 --> 00:22:20,840

mirrors one person thinks this one past

422

00:22:26,350 --> 00:22:23,539

person says that so it's very kind of

423

00:22:29,680 --> 00:22:26,360

difficult to figure out where the truth

424

00:22:32,740 --> 00:22:29,690

begins and the disinformation begins but

425

00:22:34,419 --> 00:22:32,750

just before I get to that purely

426

00:22:37,930 --> 00:22:34,429

coincidentally I'm sure many of you

427

00:22:38,680 --> 00:22:37,940

might know that just recently this

428

00:22:42,190 --> 00:22:38,690

petition

429

00:22:47,020 --> 00:22:42,200

was put together to sort of basically

430

00:22:48,550 --> 00:22:47,030

storm area 51 and see what actually goes

431

00:22:50,380 --> 00:22:48,560

out there on out there

432

00:22:54,250 --> 00:22:50,390

if any of you heard of that particular

433

00:22:57,790 --> 00:22:54,260

petition that's yeah that's good

434

00:23:00,820 --> 00:22:57,800

the the petition I mean it's a very

435

00:23:05,650 --> 00:23:00,830

controversial situation and I actually

436

00:23:08,290 --> 00:23:05,660

don't endorse it at all the main reason

437

00:23:10,060 --> 00:23:08,300

being if you think about it I think a

438

00:23:12,250 --> 00:23:10,070

lot of people who sign this petition and

439

00:23:13,810 --> 00:23:12,260

who've said you know just a couple of

440

00:23:16,240 --> 00:23:13,820

months from now that they're gonna go

441

00:23:19,330 --> 00:23:16,250

out with thousands of other people and

442

00:23:22,930 --> 00:23:19,340

storm area 51 and try and find the

443

00:23:25,840 --> 00:23:22,940

aliens and so on the way I look it is

444

00:23:27,700 --> 00:23:25,850

like this that if you are going to do

445

00:23:29,470 --> 00:23:27,710

something along those lines

446

00:23:34,060 --> 00:23:29,480

you should realize that you're actually

447

00:23:37,870 --> 00:23:34,070

breaking into a US military base now I'm

448

00:23:40,810 --> 00:23:37,880

sure most of us live within say you know

449

00:23:44,440 --> 00:23:40,820

I know 30 40 miles of a military

450

00:23:46,840 --> 00:23:44,450

installation now if you think about it

451  
00:23:50,200 --> 00:23:46,850  
if you got up tomorrow morning and you

452  
00:23:53,230 --> 00:23:50,210  
saw on the news but 200 people had tried

453  
00:23:55,780 --> 00:23:53,240  
to storm your local military base most

454  
00:23:58,750 --> 00:23:55,790  
people would be appalled by that you

455  
00:24:01,480 --> 00:23:58,760  
know be perceived as a major national

456  
00:24:03,630 --> 00:24:01,490  
security issue if several hundred people

457  
00:24:07,960 --> 00:24:03,640  
had climbed the fence at your local base

458  
00:24:10,480 --> 00:24:07,970  
causing havoc but I think with the area

459  
00:24:12,580 --> 00:24:10,490  
51 angle I think a lot of people are

460  
00:24:13,840 --> 00:24:12,590  
viewing this as just as an adventure

461  
00:24:17,080 --> 00:24:13,850  
this is going to be cool we're gonna

462  
00:24:19,210 --> 00:24:17,090  
break into area 51 but of course you

463  
00:24:21,880 --> 00:24:19,220

have the possibility some of those

464

00:24:24,760 --> 00:24:21,890

people may not be UFO researchers you

465

00:24:26,620 --> 00:24:24,770

know that they could be North Korea you

466

00:24:30,250 --> 00:24:26,630

know they could be Russians we don't

467

00:24:33,010 --> 00:24:30,260

know you infiltrate in that group and of

468

00:24:35,970 --> 00:24:33,020

course you know anyone who sort of tries

469

00:24:38,110 --> 00:24:35,980

to jump the base at a military facility

470

00:24:41,500 --> 00:24:38,120

you're asking for trouble

471

00:24:43,660 --> 00:24:41,510

and and if people do you know they if

472

00:24:45,730 --> 00:24:43,670

they go on this but you know sign this

473

00:24:48,760 --> 00:24:45,740

Panisse petition and they go on that

474

00:24:51,850 --> 00:24:48,770

expedition out there they're asking for

475

00:24:52,600 --> 00:24:51,860

you know the biggest trouble possible so

476  
00:24:54,460 --> 00:24:52,610  
person

477  
00:24:57,760 --> 00:24:54,470  
there's different views and different

478  
00:25:01,530 --> 00:24:57,770  
ideas but personally I don't endorse

479  
00:25:04,240 --> 00:25:01,540  
this at all I think it's dangerous to

480  
00:25:07,240 --> 00:25:04,250  
you know literally have thousands of

481  
00:25:10,600 --> 00:25:07,250  
people breaking into you a US military

482  
00:25:13,450 --> 00:25:10,610  
base and I think it's wrong to condone

483  
00:25:16,210 --> 00:25:13,460  
the idea of breaking into a military

484  
00:25:17,950 --> 00:25:16,220  
base as well so you know you have

485  
00:25:22,630 --> 00:25:17,960  
different people have different views I

486  
00:25:25,780 --> 00:25:22,640  
think we can do good enough research to

487  
00:25:28,600 --> 00:25:25,790  
find out what's going on out at the base

488  
00:25:32,830 --> 00:25:28,610

and what has been going on there without

489

00:25:35,860 --> 00:25:32,840

actually causing chaos and literally

490

00:25:37,780 --> 00:25:35,870

invading a military installation which

491

00:25:40,840 --> 00:25:37,790

as I said no one should really be doing

492

00:25:44,470 --> 00:25:40,850

at all so that's sort of my little piece

493

00:25:47,560 --> 00:25:44,480

on the on this petition and the plans

494

00:25:50,880 --> 00:25:47,570

now it'll be interesting to see what

495

00:25:53,200 --> 00:25:50,890

actually happens if anything happens my

496

00:25:55,930 --> 00:25:53,210

personal view is I think a lot of people

497

00:25:59,080 --> 00:25:55,940

may go out there and just hang out and

498

00:26:02,260 --> 00:25:59,090

then go home I really don't think you're

499

00:26:05,830 --> 00:26:02,270

gonna find American citizens in their

500

00:26:08,110 --> 00:26:05,840

thousands trying to break in to a

501  
00:26:10,900 --> 00:26:08,120  
well-guarded military installation I

502  
00:26:13,090 --> 00:26:10,910  
mean under any other circumstances you

503  
00:26:15,460 --> 00:26:13,100  
know people would be arrested already

504  
00:26:17,890 --> 00:26:15,470  
probably you know by actually saying

505  
00:26:20,230 --> 00:26:17,900  
we're planning to to do this I mean it's

506  
00:26:24,820 --> 00:26:20,240  
kind of like if you imagine somebody

507  
00:26:28,030 --> 00:26:24,830  
says we're gonna sign a petition to jump

508  
00:26:30,010 --> 00:26:28,040  
the fence and invade the Pentagon well

509  
00:26:32,680 --> 00:26:30,020  
those people were probably already by

510  
00:26:35,799 --> 00:26:32,690  
now you know being custody or at least

511  
00:26:38,860 --> 00:26:35,809  
being questioned and I think people

512  
00:26:41,799 --> 00:26:38,870  
aren't necessarily realizing the gravity

513  
00:26:45,490 --> 00:26:41,809

of what they're letting themselves into

514

00:26:47,230 --> 00:26:45,500

so either it's gonna be something

515

00:26:50,799 --> 00:26:47,240

memorable but for all the wrong reasons

516

00:26:53,620 --> 00:26:50,809

or you know the whole thing's gonna be

517

00:26:57,640 --> 00:26:53,630

shut down before it can begin or maybe

518

00:26:59,950 --> 00:26:57,650

people you know will just sort of kind

519

00:27:02,740 --> 00:26:59,960

of walk away from it feeling well maybe

520

00:27:04,870 --> 00:27:02,750

I shouldn't do it after all so but it's

521

00:27:06,080 --> 00:27:04,880

not that far away now so you know we're

522

00:27:12,770 --> 00:27:06,090

gonna find out

523

00:27:15,680 --> 00:27:12,780

what actually will happen now one of the

524

00:27:20,170 --> 00:27:15,690

the primary reasons why it's so

525

00:27:23,270 --> 00:27:20,180

difficult to access area 51 is because

526

00:27:25,130 --> 00:27:23,280

you've got that kind of view there isn't

527

00:27:28,310 --> 00:27:25,140

really much to say other than mountains

528

00:27:30,680 --> 00:27:28,320

and climbing those mountains you know is

529

00:27:32,630 --> 00:27:30,690

very difficult for a lot of people bear

530

00:27:35,330 --> 00:27:32,640

in mind you know the temperatures out in

531

00:27:37,610 --> 00:27:35,340

Nevada as well and in that photograph

532

00:27:41,150 --> 00:27:37,620

you can probably see a few small

533

00:27:43,670 --> 00:27:41,160

buildings and structures and that really

534

00:27:51,800 --> 00:27:43,680

is all that you can actually see for the

535

00:27:54,350 --> 00:27:51,810

most part now the reason why area 51 was

536

00:27:58,880 --> 00:27:54,360

sort of built in this particular part of

537

00:28:02,270 --> 00:27:58,890

Nevada surrounded by mountains was

538

00:28:06,500 --> 00:28:02,280

really was primarily because of this

539

00:28:09,710 --> 00:28:06,510

angle with excuse me with Pearl Harbor

540

00:28:11,540 --> 00:28:09,720

and wanting to build something in the

541

00:28:15,140 --> 00:28:11,550

middle of nowhere which could be very

542

00:28:17,320 --> 00:28:15,150

difficult to access and on top of that

543

00:28:21,710 --> 00:28:17,330

over the years the government has

544

00:28:24,710 --> 00:28:21,720

secured various more and more land in

545

00:28:26,780 --> 00:28:24,720

the area again to keep people away and a

546

00:28:30,560 --> 00:28:26,790

lot of that land that's being grabbed by

547

00:28:33,170 --> 00:28:30,570

the governments actually isn't land that

548

00:28:35,690 --> 00:28:33,180

has become part of area 51 it's that

549

00:28:38,300 --> 00:28:35,700

it's just sort of illegal to actually go

550

00:28:42,020 --> 00:28:38,310

on those parts of the land primarily

551  
00:28:44,630 --> 00:28:42,030  
because you go too close to it then you

552  
00:28:47,450 --> 00:28:44,640  
can actually see parts of the base but

553  
00:28:50,750 --> 00:28:47,460  
by grabbing that land and making it out

554  
00:28:53,300 --> 00:28:50,760  
of bounds that has ensured it's very

555  
00:28:57,590 --> 00:28:53,310  
difficult to see area 51

556  
00:29:01,130 --> 00:28:57,600  
at all now as far as the the history

557  
00:29:03,800 --> 00:29:01,140  
goes what we know for certain is and

558  
00:29:07,670 --> 00:29:03,810  
I'll come to this you know dig to a

559  
00:29:11,180 --> 00:29:07,680  
larger degree later that the primary

560  
00:29:14,240 --> 00:29:11,190  
purpose for building area 51 was to test

561  
00:29:16,220 --> 00:29:14,250  
fly some of the new early radical

562  
00:29:19,370 --> 00:29:16,230  
aircraft that the government was

563  
00:29:19,970 --> 00:29:19,380

planning on creating and flying in the

564

00:29:22,760 --> 00:29:19,980

early to me

565

00:29:24,500 --> 00:29:22,770

1950s and they didn't want anyone to

566

00:29:27,169 --> 00:29:24,510

know what was going on didn't want

567

00:29:30,110 --> 00:29:27,179

anybody you know taking photographs of

568

00:29:32,980 --> 00:29:30,120

these aircraft so that's why they didn't

569

00:29:36,409 --> 00:29:32,990

go with say for example California or

570

00:29:39,310 --> 00:29:36,419

you know New York to test these aircraft

571

00:29:43,039 --> 00:29:39,320

simply because they would easily be seen

572

00:29:45,080 --> 00:29:43,049

so the the angle was well let's try and

573

00:29:47,510 --> 00:29:45,090

build it out of the way somewhere that's

574

00:29:49,850 --> 00:29:47,520

already out of the way and let's make it

575

00:29:53,360 --> 00:29:49,860

even more difficult for people to find

576  
00:29:57,710 --> 00:29:53,370  
out what we're doing there now it's sort

577  
00:30:01,880 --> 00:29:57,720  
of incredible that's with area 51 we

578  
00:30:05,320 --> 00:30:01,890  
have a situation where although it's

579  
00:30:07,669 --> 00:30:05,330  
impossible to access it just about and

580  
00:30:08,150 --> 00:30:07,679  
we don't really know what's going on

581  
00:30:10,610 --> 00:30:08,160  
there

582  
00:30:13,159 --> 00:30:10,620  
the fact is it's actually less than 100

583  
00:30:16,130 --> 00:30:13,169  
miles away from Las Vegas people

584  
00:30:18,740 --> 00:30:16,140  
sometimes get this image that it's

585  
00:30:21,169 --> 00:30:18,750  
really deep into the desert in the

586  
00:30:23,060 --> 00:30:21,179  
middle of nowhere but actually isn't I

587  
00:30:26,240 --> 00:30:23,070  
mean you put your foot down on the

588  
00:30:29,000 --> 00:30:26,250

accelerator from Las Vegas you can be

589

00:30:31,940 --> 00:30:29,010

there in just up over an hour so that

590

00:30:35,240 --> 00:30:31,950

the distance from civilization so to

591

00:30:41,120 --> 00:30:35,250

speaking is not very far the big problem

592

00:30:42,710 --> 00:30:41,130

however is that area 51 is extremely

593

00:30:45,440 --> 00:30:42,720

well guarded as I said at the beginning

594

00:30:49,070 --> 00:30:45,450

of the lecture to the point where

595

00:30:51,830 --> 00:30:49,080

nothing else is like it they have

596

00:30:55,270 --> 00:30:51,840

night-vision equipments helicopters

597

00:30:57,289 --> 00:30:55,280

flying around 24/7 drones flying around

598

00:30:59,510 --> 00:30:57,299

24/7

599

00:31:02,240 --> 00:30:59,520

they've got ground detector equipment

600

00:31:04,970 --> 00:31:02,250

which for example if a person walks

601  
00:31:08,450 --> 00:31:04,980  
across the desert towards area 51 at

602  
00:31:11,600 --> 00:31:08,460  
night or let's say a fox or an armadillo

603  
00:31:14,150 --> 00:31:11,610  
walks across the desert the technology

604  
00:31:17,360 --> 00:31:14,160  
actually allows them to determine if

605  
00:31:23,390 --> 00:31:17,370  
it's a person or if it's a small animal

606  
00:31:26,720 --> 00:31:23,400  
and night vision infrared technology so

607  
00:31:31,039 --> 00:31:26,730  
the chances of actually penetrating area

608  
00:31:33,470 --> 00:31:31,049  
51 are very very small now a lot of

609  
00:31:33,890 --> 00:31:33,480  
people get confused when they've gone

610  
00:31:36,170 --> 00:31:33,900  
out

611  
00:31:38,990 --> 00:31:36,180  
to the base or as close as they can and

612  
00:31:41,930 --> 00:31:39,000  
they say they've been turned away from

613  
00:31:44,810 --> 00:31:41,940

the base where the guards are that's

614

00:31:48,560 --> 00:31:44,820

actually not the case people think get

615

00:31:50,630 --> 00:31:48,570

very mixed up with the the sort of area

616

00:31:53,360 --> 00:31:50,640

the small areas where there are guards

617

00:31:56,030 --> 00:31:53,370

people assume that that is the fringes

618

00:31:58,070 --> 00:31:56,040

of area 51 it actually isn't these are

619

00:32:00,740 --> 00:31:58,080

just sort of small buildings which are

620

00:32:02,300 --> 00:32:00,750

the first level of what happens if you

621

00:32:04,640 --> 00:32:02,310

get trying it out there

622

00:32:06,560 --> 00:32:04,650

the first thing that happens you'll see

623

00:32:08,840 --> 00:32:06,570

the security guards pull up in their

624

00:32:10,850 --> 00:32:08,850

vehicles and probably stay like about a

625

00:32:12,890 --> 00:32:10,860

hundred yards away and just watch you

626

00:32:16,580 --> 00:32:12,900

and if you try and get a little bit

627

00:32:18,980 --> 00:32:16,590

closer then they can detain you or stop

628

00:32:22,100 --> 00:32:18,990

you and they can find you and jail you

629

00:32:25,900 --> 00:32:22,110

for being on government property but

630

00:32:29,000 --> 00:32:25,910

people assume that those sort of little

631

00:32:31,730 --> 00:32:29,010

buildings where the security guards are

632

00:32:34,910 --> 00:32:31,740

that actually is not the perimeter of

633

00:32:38,030 --> 00:32:34,920

area 51 like a lot of people think when

634

00:32:40,280 --> 00:32:38,040

you reach the security personnel even if

635

00:32:43,610 --> 00:32:40,290

you got past that you still have to go

636

00:32:48,460 --> 00:32:43,620

about another 8 or 9 miles across rugged

637

00:32:52,580 --> 00:32:48,470

desert land so that's another reason why

638

00:32:54,560 --> 00:32:52,590

it's proven to be so difficult to to get

639

00:32:59,600 --> 00:32:54,570

to the base because it's there

640

00:33:02,600 --> 00:32:59,610

constantly on guard constantly you know

641

00:33:06,680 --> 00:33:02,610

patrol in the area on the ground and on

642

00:33:10,490 --> 00:33:06,690

the skies as well and so as far as I

643

00:33:13,700 --> 00:33:10,500

know no one has ever got beyond the the

644

00:33:16,580 --> 00:33:13,710

first stage of security personnel the

645

00:33:18,740 --> 00:33:16,590

ones who will turn you back or arrest

646

00:33:23,030 --> 00:33:18,750

you or just make your life hell for the

647

00:33:26,050 --> 00:33:23,040

next 72 hours which quite literally they

648

00:33:30,500 --> 00:33:26,060

have the ability and the law to do that

649

00:33:31,670 --> 00:33:30,510

now I've titled that one Declassified by

650

00:33:36,200 --> 00:33:31,680

mistake

651  
00:33:39,140 --> 00:33:36,210  
because that's a government map of area

652  
00:33:41,330 --> 00:33:39,150  
51 and the area itself and you can see

653  
00:33:44,960 --> 00:33:41,340  
on the right you've got this huge long

654  
00:33:47,539 --> 00:33:44,970  
runway various buildings and so on so it

655  
00:33:49,909 --> 00:33:47,549  
hasn't that that's actual

656  
00:33:53,149 --> 00:33:49,919  
image there that map that goes back

657  
00:33:55,460 --> 00:33:53,159  
decades and although the surface area

658  
00:33:58,249 --> 00:33:55,470  
still pretty much looks like that today

659  
00:34:01,249 --> 00:33:58,259  
you know you can see how how it began

660  
00:34:05,989 --> 00:34:01,259  
and how many developed to what we know

661  
00:34:09,470 --> 00:34:05,999  
it to be today but that particular map

662  
00:34:10,339 --> 00:34:09,480  
is important because as you can see it's

663  
00:34:14,839 --> 00:34:10,349

actually titled

664

00:34:16,490 --> 00:34:14,849

area 51 and now for the most part the

665

00:34:20,750 --> 00:34:16,500

the government has always been very

666

00:34:23,180 --> 00:34:20,760

reticent to refer to it as area 51 even

667

00:34:25,129 --> 00:34:23,190

the name was classified for decades and

668

00:34:28,579 --> 00:34:25,139

actually still is but the fact is

669

00:34:30,319 --> 00:34:28,589

everybody knows about it but that maps

670

00:34:33,289 --> 00:34:30,329

important because it was one of the

671

00:34:35,169 --> 00:34:33,299

first pieces official documentation that

672

00:34:40,760 --> 00:34:35,179

came into the public domain that

673

00:34:43,010 --> 00:34:40,770

mentioned area 51 by name and as I said

674

00:34:44,480 --> 00:34:43,020

you don't actually Declassified under

675

00:34:47,119 --> 00:34:44,490

the Freedom of Information Act by

676  
00:34:49,940 --> 00:34:47,129  
mistake and that does sometimes happen

677  
00:34:51,859 --> 00:34:49,950  
where people use the Freedom of

678  
00:34:54,789 --> 00:34:51,869  
Information Act to try and get hold of

679  
00:34:57,980 --> 00:34:54,799  
documents what it demonstrates is that

680  
00:34:58,400 --> 00:34:57,990  
with area 51 and the Freedom Information

681  
00:35:02,000 --> 00:34:58,410  
Act

682  
00:35:05,359 --> 00:35:02,010  
sometimes material documentation has

683  
00:35:08,000 --> 00:35:05,369  
surfaced and and has been Declassified

684  
00:35:10,520 --> 00:35:08,010  
by mistake now it doesn't happen that

685  
00:35:12,349 --> 00:35:10,530  
often but it has happened on enough

686  
00:35:15,230 --> 00:35:12,359  
times to where we do have a few

687  
00:35:21,410 --> 00:35:15,240  
documents that mention their base by

688  
00:35:22,640 --> 00:35:21,420

name now before we get to the UFO angle

689

00:35:25,900 --> 00:35:22,650

which of course is the one that

690

00:35:29,450 --> 00:35:25,910

everybody wants to hear about and likes

691

00:35:32,839 --> 00:35:29,460

it's worth noting that before the UFO

692

00:35:35,930 --> 00:35:32,849

issue started to surface what we had

693

00:35:38,960 --> 00:35:35,940

before that was the the testing the

694

00:35:43,630 --> 00:35:38,970

secret testing of classified aircraft

695

00:35:47,559 --> 00:35:43,640

and that was an aircraft called the a12

696

00:35:50,690 --> 00:35:47,569

and as you can see that sort of

697

00:35:53,390 --> 00:35:50,700

futuristic looking thing that aircraft

698

00:35:56,839 --> 00:35:53,400

goes back decades that literally decades

699

00:35:59,160 --> 00:35:56,849

and you can also see the desert there

700

00:36:01,980 --> 00:35:59,170

and the surrounding mountain

701  
00:36:04,339 --> 00:36:01,990  
now back then they certainly did that

702  
00:36:07,559 --> 00:36:04,349  
have the highly sophisticated

703  
00:36:10,890 --> 00:36:07,569  
surveillance so it was primarily guards

704  
00:36:13,740 --> 00:36:10,900  
that were just sort of on rotation 24/7

705  
00:36:16,770 --> 00:36:13,750  
trying to keep people away but the the

706  
00:36:18,750 --> 00:36:16,780  
a12 you know he looks like something

707  
00:36:21,630 --> 00:36:18,760  
straight out of a sci-fi movie and

708  
00:36:25,650 --> 00:36:21,640  
certainly if you'd seen that flying in

709  
00:36:28,200 --> 00:36:25,660  
the 1960s over Nevada and and it was

710  
00:36:29,819 --> 00:36:28,210  
seen outside of the confines of the

711  
00:36:32,220 --> 00:36:29,829  
mountains you might actually thought

712  
00:36:35,190 --> 00:36:32,230  
you'd seen some sort of weird alien

713  
00:36:39,720 --> 00:36:35,200

space rockets so you know we do sort of

714

00:36:42,809 --> 00:36:39,730

need to differentiate and determine you

715

00:36:45,390 --> 00:36:42,819

know what kind of UFOs might be ours or

716

00:36:48,000 --> 00:36:45,400

the government's what kind of UFOs might

717

00:36:50,339 --> 00:36:48,010

be something from up there and I think

718

00:36:53,339 --> 00:36:50,349

that's one of the areas that a lot of

719

00:36:57,230 --> 00:36:53,349

people don't necessarily appreciate is

720

00:37:04,230 --> 00:36:57,240

that there could well be our UFOs and

721

00:37:06,420 --> 00:37:04,240

something else is UFOs as well now

722

00:37:11,099 --> 00:37:06,430

that's another one all right I should

723

00:37:15,329 --> 00:37:11,109

say to the m21 and the D to anyone now

724

00:37:19,230 --> 00:37:15,339

the m21 again this sort of sleek black

725

00:37:22,020 --> 00:37:19,240

aircraft that's the m21 and they're on

726

00:37:25,109 --> 00:37:22,030

top of it you got the D to anyone which

727

00:37:27,930 --> 00:37:25,119

is sort of a smaller aircraft we can

728

00:37:29,640 --> 00:37:27,940

detach from the main one and again it

729

00:37:35,640 --> 00:37:29,650

sort of demonstrates some of the weird

730

00:37:38,069 --> 00:37:35,650

stuff that was going on out there that's

731

00:37:40,410 --> 00:37:38,079

a really weird one that's called the

732

00:37:42,329 --> 00:37:40,420

have blue some people think that's just

733

00:37:44,940 --> 00:37:42,339

like a model or a mock-up it actually

734

00:37:48,059 --> 00:37:44,950

isn't they have blue as far as we know

735

00:37:50,190 --> 00:37:48,069

was never really used to any great

736

00:37:53,520 --> 00:37:50,200

degree but it was certainly test flown

737

00:37:55,620 --> 00:37:53,530

and I guess more than any of the the

738

00:37:58,200 --> 00:37:55,630

strange aircraft that was tested out at

739

00:38:02,250 --> 00:37:58,210

area 51 to have blue which was its

740

00:38:04,410 --> 00:38:02,260

codename was a really really strange and

741

00:38:06,599 --> 00:38:04,420

futuristic one it kind of looks like

742

00:38:10,109 --> 00:38:06,609

something you would see like a Star

743

00:38:11,930 --> 00:38:10,119

Wars movie but it was very much like a

744

00:38:14,270 --> 00:38:11,940

stealth type aircraft

745

00:38:18,200 --> 00:38:14,280

and it was it had that strange shape to

746

00:38:22,809 --> 00:38:18,210

sort of deflect radar like the stealth

747

00:38:29,380 --> 00:38:25,970

now we come to sort of the the crux of

748

00:38:34,609 --> 00:38:29,390

the story of area 51 and how it became

749

00:38:40,190 --> 00:38:34,619

so famous and infamous and it all

750

00:38:42,410 --> 00:38:40,200

revolves around this guy Bob Lazar now

751  
00:38:45,529 --> 00:38:42,420  
as I'm sure everybody's heard of Bob

752  
00:38:47,750 --> 00:38:45,539  
Lazar all those people yeah well for

753  
00:38:52,670 --> 00:38:47,760  
people who don't know Bob Lazar is

754  
00:38:56,240 --> 00:38:52,680  
someone who in 1988 he came out of the

755  
00:38:59,240 --> 00:38:56,250  
shadows so to speak and claimed but he'd

756  
00:39:03,799 --> 00:38:59,250  
been working out of a subsidiary at area

757  
00:39:05,980 --> 00:39:03,809  
51 called s4 and he said that out at s4

758  
00:39:08,420 --> 00:39:05,990  
there were a number of recovered or

759  
00:39:12,500 --> 00:39:08,430  
donated have you want to term it UFOs

760  
00:39:14,710 --> 00:39:12,510  
alien spacecraft out at s4 and that the

761  
00:39:17,870 --> 00:39:14,720  
government had a small team that was

762  
00:39:21,140 --> 00:39:17,880  
investigating the technology and trying

763  
00:39:24,559 --> 00:39:21,150

to duplicate the technology and it

764

00:39:28,099 --> 00:39:24,569

really opened the doors to the world of

765

00:39:31,519 --> 00:39:28,109

area 51 and I think regardless of what

766

00:39:34,279 --> 00:39:31,529

you think of Lazar and his story the

767

00:39:36,920 --> 00:39:34,289

fact is that had Lazar not come onto the

768

00:39:40,339 --> 00:39:36,930

scene we probably would not have heard

769

00:39:43,190 --> 00:39:40,349

of area 51 to any great degree for

770

00:39:46,819 --> 00:39:43,200

example if you look into even the

771

00:39:49,460 --> 00:39:46,829

military aircraft magazines of that era

772

00:39:53,089 --> 00:39:49,470

in the eighties there wasn't too much

773

00:39:54,769 --> 00:39:53,099

said about area 51 certainly nobody in

774

00:39:56,720 --> 00:39:54,779

the public for the most part had ever

775

00:39:59,180 --> 00:39:56,730

heard of it and the only people who

776  
00:40:02,660 --> 00:39:59,190  
really bothered about it were the people

777  
00:40:04,609 --> 00:40:02,670  
who live near in Nevada who live

778  
00:40:07,700 --> 00:40:04,619  
relatively close to the base and knew

779  
00:40:10,370 --> 00:40:07,710  
about it for years but certainly when

780  
00:40:13,880 --> 00:40:10,380  
Bob Lazar came out to tell his story

781  
00:40:17,870 --> 00:40:13,890  
that is when people not just made a

782  
00:40:22,780 --> 00:40:17,880  
connection between area 51 and UFOs but

783  
00:40:26,030 --> 00:40:22,790  
when the term area 51 became known and

784  
00:40:29,300 --> 00:40:26,040  
in that sense you know it really did

785  
00:40:32,420 --> 00:40:29,310  
develop front right from there it went

786  
00:40:33,710 --> 00:40:32,430  
from sort of zero to sort of vertical in

787  
00:40:38,240 --> 00:40:33,720  
terms of interest

788  
00:40:43,430 --> 00:40:38,250

now to understand lazarre's story we

789

00:40:46,220 --> 00:40:43,440

have to sort of go back to 1988 Lazar

790

00:40:48,590 --> 00:40:46,230

himself was still easy should say he's a

791

00:40:50,510 --> 00:40:48,600

brilliant scientist very by his own

792

00:40:53,390 --> 00:40:50,520

admission sort of a maverick type

793

00:40:56,780 --> 00:40:53,400

character who sort of thinks outside of

794

00:41:00,760 --> 00:40:56,790

the box and things like that and he said

795

00:41:05,120 --> 00:41:00,770

that in the latter part of 1988 he was

796

00:41:10,420 --> 00:41:05,130

offered a job out at s4 this subsidiary

797

00:41:14,240 --> 00:41:10,430

kind of base at area 51 and at the time

798

00:41:17,510 --> 00:41:14,250

the the job offer came forward Lazar

799

00:41:19,520 --> 00:41:17,520

said that they were very cagey in the

800

00:41:22,010 --> 00:41:19,530

interview you know would you be

801  
00:41:23,720 --> 00:41:22,020  
interested in this program because Lazar

802  
00:41:26,780 --> 00:41:23,730  
was a physicist so he had a an

803  
00:41:29,510 --> 00:41:26,790  
interesting background and he was very

804  
00:41:33,410 --> 00:41:29,520  
you know adept in the world of science

805  
00:41:35,990 --> 00:41:33,420  
and he was approached interviewed he

806  
00:41:38,630 --> 00:41:36,000  
said during the interview not too much

807  
00:41:40,670 --> 00:41:38,640  
was said it was very kind of cagey would

808  
00:41:43,010 --> 00:41:40,680  
you like to work on this program with

809  
00:41:47,780 --> 00:41:43,020  
advanced technologies you might find

810  
00:41:51,710 --> 00:41:47,790  
something really interesting now looking

811  
00:41:53,660 --> 00:41:51,720  
into lazarre's background we find some

812  
00:41:58,310 --> 00:41:53,670  
good things and a couple of red flags

813  
00:42:01,160 --> 00:41:58,320

for example with lazarre's background we

814

00:42:04,730 --> 00:42:01,170

haven't been able to fully confirm all

815

00:42:07,610 --> 00:42:04,740

of his educational backgrounds but he's

816

00:42:09,050 --> 00:42:07,620

claimed to have had so that people are

817

00:42:11,650 --> 00:42:09,060

still looking into that and they've been

818

00:42:14,540 --> 00:42:11,660

looking into that for a long long time

819

00:42:17,210 --> 00:42:14,550

but we do know that he did work at this

820

00:42:21,710 --> 00:42:17,220

particular place which is the Los Alamos

821

00:42:24,920 --> 00:42:21,720

laboratory in New Mexico now the Los

822

00:42:27,110 --> 00:42:24,930

Alamos labs their work goes back to the

823

00:42:30,560 --> 00:42:27,120

Second World War and the developments of

824

00:42:33,920 --> 00:42:30,570

the atomic bomb so in that sense just

825

00:42:36,650 --> 00:42:33,930

like area 51 the Los Alamos labs are

826

00:42:40,490 --> 00:42:36,660

highly classified and well

827

00:42:44,839 --> 00:42:40,500

and when he was working there in one day

828

00:42:47,210 --> 00:42:44,849

one particular day in 1982 Lazar was

829

00:42:50,390 --> 00:42:47,220

mentioned on a front page of one of the

830

00:42:54,079 --> 00:42:50,400

local newspapers now this is important

831

00:42:58,210 --> 00:42:54,089

because P everything we know about Lazar

832

00:43:02,809 --> 00:42:58,220

and UFOs surfaced in 1988 and 1989

833

00:43:06,380 --> 00:43:02,819

onwards but Lazar himself I was actually

834

00:43:09,829 --> 00:43:06,390

in the public domain to a small degree

835

00:43:12,829 --> 00:43:09,839

in 1982 when as I said he was mentioned

836

00:43:16,039 --> 00:43:12,839

in this front-page article in one of the

837

00:43:20,180 --> 00:43:16,049

local newspapers at the time Lazar was

838

00:43:22,339 --> 00:43:20,190

very much into like rocket cars and

839

00:43:24,920 --> 00:43:22,349

things like this and him and his friends

840

00:43:28,250 --> 00:43:24,930

would go out into the into the desert

841

00:43:30,650 --> 00:43:28,260

and literally sort of light up their

842

00:43:31,339 --> 00:43:30,660

cars and zoom across the desert at 200

843

00:43:33,710 --> 00:43:31,349

miles an hour

844

00:43:36,109 --> 00:43:33,720

that's how he used to be was a guy who

845

00:43:38,269 --> 00:43:36,119

sort of really enjoyed you know just

846

00:43:39,890 --> 00:43:38,279

sort of soaring across the desert floor

847

00:43:43,069 --> 00:43:39,900

in these rocket cars which they

848

00:43:46,160 --> 00:43:43,079

converted from regular cars now it turns

849

00:43:50,059 --> 00:43:46,170

out that this particular article in the

850

00:43:53,349 --> 00:43:50,069

newspaper heavily covered lazarre's

851

00:43:56,230 --> 00:43:53,359

background and his interest and in

852

00:44:00,349 --> 00:43:56,240

alternative technologies if you like and

853

00:44:04,400 --> 00:44:00,359

from there it turns out that this man on

854

00:44:06,710 --> 00:44:04,410

the right as President Reagan there that

855

00:44:10,339 --> 00:44:06,720

man is Edward Teller who was one of the

856

00:44:12,760 --> 00:44:10,349

leading scientists within the US

857

00:44:17,809 --> 00:44:12,770

government's and the defense industry

858

00:44:22,120 --> 00:44:17,819

from the 1940s right till his death just

859

00:44:26,809 --> 00:44:22,130

I think in 2003 or thereabouts and

860

00:44:29,630 --> 00:44:26,819

Teller actually read the article that

861

00:44:32,900 --> 00:44:29,640

mentioned Lazar and the two of them met

862

00:44:35,779 --> 00:44:32,910

when Lazar was giving a lecture and they

863

00:44:39,019 --> 00:44:35,789

had a chat for a while and it was

864

00:44:42,019 --> 00:44:39,029

several years after that that Lazar was

865

00:44:44,990 --> 00:44:42,029

approached to work on this program at s4

866

00:44:48,079 --> 00:44:45,000

and if you look at the time line it's

867

00:44:49,380 --> 00:44:48,089

almost certainly the case that the the

868

00:44:52,020 --> 00:44:49,390

meeting he had

869

00:44:56,360 --> 00:44:52,030

the interview chatty had with Edward

870

00:45:00,840 --> 00:44:56,370

Teller almost certainly probably led to

871

00:45:03,510 --> 00:45:00,850

someone deciding to contact Lazar and

872

00:45:05,790 --> 00:45:03,520

probably trying get him onto the program

873

00:45:08,280 --> 00:45:05,800

and I said maybe and probably because we

874

00:45:11,490 --> 00:45:08,290

don't really know the full timeline of

875

00:45:15,360 --> 00:45:11,500

what happened but I don't think had

876

00:45:17,520 --> 00:45:15,370

Lazar not met Edward Teller I doubt he

877

00:45:21,360 --> 00:45:17,530

probably wouldn't have been put forward

878

00:45:24,510 --> 00:45:21,370

for the program now before we sort of

879

00:45:27,690 --> 00:45:24,520

jump too far forward one thing I have to

880

00:45:30,390 --> 00:45:27,700

sort of note is that when Lazar story

881

00:45:33,360 --> 00:45:30,400

came out and he talked about how he'd

882

00:45:35,400 --> 00:45:33,370

met teller and so on well one of the

883

00:45:37,830 --> 00:45:35,410

local news teams actually tracked down

884

00:45:39,600 --> 00:45:37,840

teller and managed to speak to him and

885

00:45:43,860 --> 00:45:39,610

said what do you think about this guy

886

00:45:46,560 --> 00:45:43,870

bubblers eyes talking about you and you

887

00:45:51,200 --> 00:45:46,570

know in relation to this interview and

888

00:45:55,110 --> 00:45:51,210

so on and what happened was that teller

889

00:45:57,630 --> 00:45:55,120

responded in a really weird way oh no if

890

00:46:00,810 --> 00:45:57,640

say for example someone was talking

891

00:46:03,900 --> 00:46:00,820

about any of us in the room and it was

892

00:46:06,180 --> 00:46:03,910

untrue you and you but you were talking

893

00:46:08,610 --> 00:46:06,190

about it on the news on a media and so

894

00:46:11,760 --> 00:46:08,620

on you might be inclined to take legal

895

00:46:13,800 --> 00:46:11,770

action teller didn't do anything like

896

00:46:17,580 --> 00:46:13,810

that what he actually did when he was

897

00:46:20,010 --> 00:46:17,590

approached by the by a TV news team

898

00:46:22,320 --> 00:46:20,020

he sort of fumbled and didn't really

899

00:46:24,870 --> 00:46:22,330

know what to say he kind of said words

900

00:46:25,620 --> 00:46:24,880

like this well I don't remember Bob

901  
00:46:28,560 --> 00:46:25,630  
Lazar

902  
00:46:30,570 --> 00:46:28,570  
maybe I met him maybe I didn't and if

903  
00:46:31,470 --> 00:46:30,580  
but if I did met him I don't remember

904  
00:46:33,630 --> 00:46:31,480  
meeting him

905  
00:46:36,210 --> 00:46:33,640  
it's it was almost like what you would

906  
00:46:38,910 --> 00:46:36,220  
call like lawyer speak you know as if

907  
00:46:42,300 --> 00:46:38,920  
he'd been coached to say something but

908  
00:46:44,820 --> 00:46:42,310  
not to say too much and and again it's

909  
00:46:47,490 --> 00:46:44,830  
very weird that's one of the most

910  
00:46:49,200 --> 00:46:47,500  
primary powerful figures in the

911  
00:46:52,500 --> 00:46:49,210  
scientific community in the US

912  
00:46:55,140 --> 00:46:52,510  
government's would not confirm and more

913  
00:46:57,380 --> 00:46:55,150

importantly would not deny that he'd met

914

00:47:00,750 --> 00:46:57,390

Teller as that he'd met Lazar and

915

00:47:03,150 --> 00:47:00,760

possibly had pushed things forward for

916

00:47:07,560 --> 00:47:03,160

Lazar to actually get this particular

917

00:47:10,440 --> 00:47:07,570

job so to speak so a lot of weird stuff

918

00:47:14,340 --> 00:47:10,450

surrounds Lazar and which is why for me

919

00:47:17,130 --> 00:47:14,350

I keep sort of wide open on his claims

920

00:47:19,950 --> 00:47:17,140

I don't believe personally that he is a

921

00:47:22,500 --> 00:47:19,960

hoax but I'll get as we go on I'll get

922

00:47:25,950 --> 00:47:22,510

to what I think might be the the thrust

923

00:47:27,900 --> 00:47:25,960

of it but to go back to the interview he

924

00:47:31,410 --> 00:47:27,910

had the interview and then he was

925

00:47:33,000 --> 00:47:31,420

connector contacted again and was told

926

00:47:35,400 --> 00:47:33,010

look this is there gonna be a highly

927

00:47:39,000 --> 00:47:35,410

classified program you want to go out

928

00:47:40,830 --> 00:47:39,010

there there's gonna be severe penalties

929

00:47:45,030 --> 00:47:40,840

if you ever talk about this and so on

930

00:47:48,420 --> 00:47:45,040

and Lazar actually didn't spend that

931

00:47:51,120 --> 00:47:48,430

much time out at area 51 as a lot of

932

00:47:55,320 --> 00:47:51,130

people think he first started working

933

00:47:57,180 --> 00:47:55,330

there in 88 he said and by early 89 the

934

00:48:01,700 --> 00:47:57,190

job was over for reasons which will

935

00:48:04,350 --> 00:48:01,710

become clear now according to Lazar

936

00:48:07,170 --> 00:48:04,360

although it was from sort of like I said

937

00:48:09,120 --> 00:48:07,180

late 88 through early 89 so we're

938

00:48:12,060 --> 00:48:09,130

talking about several months he didn't

939

00:48:14,610 --> 00:48:12,070

spend their entire time out of the base

940

00:48:16,920 --> 00:48:14,620

and it was actually just a small time so

941

00:48:18,870 --> 00:48:16,930

it could have been a total of perhaps

942

00:48:22,440 --> 00:48:18,880

several weeks maybe a month or so

943

00:48:25,560 --> 00:48:22,450

altogether but what we have is a

944

00:48:29,880 --> 00:48:25,570

situation where Lazar said he was taken

945

00:48:32,190 --> 00:48:29,890

out and taken to the s4 and was

946

00:48:35,930 --> 00:48:32,200

basically then told we want you to help

947

00:48:38,820 --> 00:48:35,940

working on an advanced technology

948

00:48:40,440 --> 00:48:38,830

propulsion system he didn't really know

949

00:48:43,650 --> 00:48:40,450

what he was getting into at that

950

00:48:45,510 --> 00:48:43,660

particular time he just assumed that the

951  
00:48:48,060 --> 00:48:45,520  
government had developed something

952  
00:48:50,010 --> 00:48:48,070  
radical and revolutionary and they

953  
00:48:52,710 --> 00:48:50,020  
wanted him on board which fellows are

954  
00:48:56,760 --> 00:48:52,720  
was you know was exciting enough in

955  
00:48:57,930 --> 00:48:56,770  
itself but when he was thence shown

956  
00:49:01,200 --> 00:48:57,940  
something else

957  
00:49:05,000 --> 00:49:01,210  
he realized that something bigger was

958  
00:49:09,330 --> 00:49:05,010  
going on for example the team out at s4

959  
00:49:11,970 --> 00:49:09,340  
reportedly showed him a number of what

960  
00:49:14,460 --> 00:49:11,980  
we would call flying saucers held at s4

961  
00:49:16,260 --> 00:49:14,470  
and what's interesting he said that

962  
00:49:18,870 --> 00:49:16,270  
apart from one which had saw

963  
00:49:21,740 --> 00:49:18,880

of a deep dent in the side of the craft

964

00:49:24,330 --> 00:49:21,750

he said apart from that the other

965

00:49:26,940 --> 00:49:24,340

vehicles UFOs whatever you want to call

966

00:49:29,670 --> 00:49:26,950

them the others were intact they seemed

967

00:49:33,120 --> 00:49:29,680

in sort of pristine shape in other words

968

00:49:36,870 --> 00:49:33,130

they weren't like as if they'd crashed

969

00:49:39,450 --> 00:49:36,880

you know in like a Roswell scenario even

970

00:49:42,420 --> 00:49:39,460

speculating could have been donated

971

00:49:44,820 --> 00:49:42,430

where they found he did not actually any

972

00:49:47,370 --> 00:49:44,830

answers to that but when they allowed

973

00:49:50,610 --> 00:49:47,380

him to get inside one of these craft

974

00:49:53,070 --> 00:49:50,620

Lazar said that everything inside was

975

00:49:55,140 --> 00:49:53,080

really small he said the seats were only

976

00:49:59,370 --> 00:49:55,150

the size where you would get like a

977

00:50:01,380 --> 00:49:59,380

four-year-old kid to sit in it and when

978

00:50:04,680 --> 00:50:01,390

he noticed everything there was sort of

979

00:50:06,990 --> 00:50:04,690

fitted out for really small people that

980

00:50:09,480 --> 00:50:07,000

was when if you like the penny dropped

981

00:50:13,140 --> 00:50:09,490

and he was thinking wow you know maybe

982

00:50:15,120 --> 00:50:13,150

these UFOs are not the government's UFOs

983

00:50:17,430 --> 00:50:15,130

after all but there's somebody else's

984

00:50:19,520 --> 00:50:17,440

and we've got them we've got them that

985

00:50:23,010 --> 00:50:19,530

they've become our property so to speak

986

00:50:26,760 --> 00:50:23,020

then he realized from his perspective oh

987

00:50:29,280 --> 00:50:26,770

my god I'm working on a top-secret alien

988

00:50:31,860 --> 00:50:29,290

technology program and of course by that

989

00:50:34,790 --> 00:50:31,870

time he'd signed the contract he was out

990

00:50:37,290 --> 00:50:34,800

there and so in that sense he was now

991

00:50:42,810 --> 00:50:37,300

forced to go ahead there was no turning

992

00:50:45,320 --> 00:50:42,820

back and Lazar worked there he said for

993

00:50:47,670 --> 00:50:45,330

an as I said for a number of months and

994

00:50:50,460 --> 00:50:47,680

one of the most interesting things he

995

00:50:53,220 --> 00:50:50,470

said was that for the most part hardly

996

00:50:55,680 --> 00:50:53,230

any developments or advancements had

997

00:50:58,590 --> 00:50:55,690

been made he said over the years they

998

00:51:02,400 --> 00:50:58,600

bought in various scientists and experts

999

00:51:07,080 --> 00:51:02,410

to try and understand this propulsion

1000

00:51:09,630 --> 00:51:07,090

system of the aliens and but reportedly

1001  
00:51:11,850 --> 00:51:09,640  
they hadn't hardly got anywhere with it

1002  
00:51:13,650 --> 00:51:11,860  
it was just kind of a case of looking at

1003  
00:51:15,960 --> 00:51:13,660  
the UFO and scratching your head and

1004  
00:51:18,630 --> 00:51:15,970  
thinking well who else can we get in to

1005  
00:51:21,440 --> 00:51:18,640  
look into this particular story and how

1006  
00:51:25,290 --> 00:51:21,450  
can we try and understand the technology

1007  
00:51:28,530 --> 00:51:25,300  
so in that way to me that sounds quite

1008  
00:51:29,700 --> 00:51:28,540  
plausible you know the the idea that you

1009  
00:51:32,880 --> 00:51:29,710  
could sort of

1010  
00:51:35,430 --> 00:51:32,890  
have a UFO from another world and alien

1011  
00:51:37,349 --> 00:51:35,440  
technology falling into your lap the

1012  
00:51:39,810 --> 00:51:37,359  
idea that within sort of three months

1013  
00:51:42,599 --> 00:51:39,820

six months you could replicate it and

1014

00:51:46,109 --> 00:51:42,609

duplicate it and so on that doesn't seem

1015

00:51:48,300 --> 00:51:46,119

to me to be very plausible but the idea

1016

00:51:50,940 --> 00:51:48,310

that the best scientists on the planet

1017

00:51:54,480 --> 00:51:50,950

would be baffled to me that does sound

1018

00:51:56,430 --> 00:51:54,490

very plausible and and he said that the

1019

00:51:58,650 --> 00:51:56,440

work was actually really slow going

1020

00:52:01,349 --> 00:51:58,660

because they just did not know what to

1021

00:52:05,790 --> 00:52:01,359

do with it or how to do anything with

1022

00:52:09,180 --> 00:52:05,800

him but nevertheless they let him work

1023

00:52:11,579 --> 00:52:09,190

on the program but he made a big mistake

1024

00:52:14,880 --> 00:52:11,589

or from his perspective and with

1025

00:52:17,550 --> 00:52:14,890

hindsight because Lazar actually can

1026

00:52:20,220 --> 00:52:17,560

find it in a couple of friends as to

1027

00:52:24,480 --> 00:52:20,230

what was going out there and his ex-wife

1028

00:52:28,050 --> 00:52:24,490

also knew as well and so what happened

1029

00:52:29,910 --> 00:52:28,060

from there is that Lazar because he

1030

00:52:32,310 --> 00:52:29,920

started to talk out of turn with his

1031

00:52:34,770 --> 00:52:32,320

friends he started to get worried he

1032

00:52:37,290 --> 00:52:34,780

wondered even if I'm one points you know

1033

00:52:40,920 --> 00:52:37,300

he might go out to the base and never be

1034

00:52:43,800 --> 00:52:40,930

seen again you know and so he decided

1035

00:52:49,410 --> 00:52:43,810

that because he violated the contract

1036

00:52:51,839 --> 00:52:49,420

and was now essentially a big problem to

1037

00:52:53,880 --> 00:52:51,849

the government he decided to go public

1038

00:52:56,790 --> 00:52:53,890

he felt if he was hiding behind the

1039

00:52:59,420 --> 00:52:56,800

shadows anything could happen to him but

1040

00:53:02,760 --> 00:52:59,430

if he actually went public to the media

1041

00:53:05,250 --> 00:53:02,770

then possibly he'd be okay because

1042

00:53:09,000 --> 00:53:05,260

nobody would touch him when his name was

1043

00:53:12,000 --> 00:53:09,010

big news in the media and so on so what

1044

00:53:16,800 --> 00:53:12,010

happened is that he approached George

1045

00:53:20,940 --> 00:53:16,810

Knapp as a well respected journalist in

1046

00:53:23,510 --> 00:53:20,950

Nevada in Las Vegas and George arranged

1047

00:53:26,250 --> 00:53:23,520

to do a number of interviews with Lazar

1048

00:53:27,720 --> 00:53:26,260

basic basically telling the story which

1049

00:53:32,040 --> 00:53:27,730

I'm just taught telling right now

1050

00:53:35,040 --> 00:53:32,050

and at the time Lazar had his name just

1051  
00:53:37,980 --> 00:53:35,050  
under an alias and so nobody really knew

1052  
00:53:40,290 --> 00:53:37,990  
who he was but just a few months after

1053  
00:53:43,550 --> 00:53:40,300  
that Lazar became more comfortable and

1054  
00:53:46,850 --> 00:53:43,560  
started to talk about what was going on

1055  
00:53:49,190 --> 00:53:46,860  
today's fall and how its seen these UFO

1056  
00:53:52,430 --> 00:53:49,200  
type crafts and they didn't seem to be

1057  
00:53:55,840 --> 00:53:52,440  
the kind of things that a six-foot a us

1058  
00:53:58,970 --> 00:53:55,850  
test pilot could fly in and and like

1059  
00:54:02,090 --> 00:53:58,980  
Lazar himself George not realized this

1060  
00:54:05,030 --> 00:54:02,100  
was a huge story now of course the big

1061  
00:54:08,980 --> 00:54:05,040  
question is were these flying saucers

1062  
00:54:12,550 --> 00:54:08,990  
these UFOs ours or somebody else's

1063  
00:54:17,140 --> 00:54:12,560

that's the big question

1064

00:54:21,650 --> 00:54:17,150

now that's an artist impression of a

1065

00:54:24,380 --> 00:54:21,660

1950s UFO that the US military developed

1066

00:54:27,350 --> 00:54:24,390

called the avrocar that's sort of a

1067

00:54:31,430 --> 00:54:27,360

fairly accurate image of what it looked

1068

00:54:34,580 --> 00:54:31,440

like he got the US emblem on flying

1069

00:54:36,770 --> 00:54:34,590

saucer and the one bit that isn't real

1070

00:54:39,440 --> 00:54:36,780

you've got like this cannon coming out

1071

00:54:42,440 --> 00:54:39,450

of the top of the flying saucer but that

1072

00:54:44,690 --> 00:54:42,450

was made like that to demonstrate that

1073

00:54:47,620 --> 00:54:44,700

these the government was thinking of

1074

00:54:52,040 --> 00:54:47,630

making circular aircraft that could be

1075

00:54:55,280 --> 00:54:52,050

essentially a weapon of war now that

1076

00:54:58,310 --> 00:54:55,290

that's a real picture of the avrocar it

1077

00:55:01,790 --> 00:54:58,320

kind of looks impressive but the fact is

1078

00:55:03,350 --> 00:55:01,800

it barely got off the ground and when I

1079

00:55:05,750 --> 00:55:03,360

say barely got off the ground I mean

1080

00:55:09,560 --> 00:55:05,760

like three to four feet and they were

1081

00:55:11,210 --> 00:55:09,570

able to fly it sort of in the air as I

1082

00:55:14,420 --> 00:55:11,220

said about a hyper three or four feet

1083

00:55:16,970 --> 00:55:14,430

for maybe a few hundred yards and it was

1084

00:55:21,580 --> 00:55:16,980

sometimes clang on the ground and so on

1085

00:55:26,810 --> 00:55:21,590

and it really didn't work too well

1086

00:55:30,230 --> 00:55:26,820

that's another one as you can see you've

1087

00:55:33,050 --> 00:55:30,240

got the US Air Force emblems there now

1088

00:55:37,670 --> 00:55:33,060

of course this has gone back to the 50s

1089

00:55:40,520 --> 00:55:37,680

so we're talking 60 years ago now is it

1090

00:55:44,990 --> 00:55:40,530

possible that in the intervening 60

1091

00:55:47,030 --> 00:55:45,000

years since that was created - now or

1092

00:55:51,020 --> 00:55:47,040

even thirty years after which would have

1093

00:55:53,270 --> 00:55:51,030

been 1988 89 when Lazar surfaced it's

1094

00:55:56,030 --> 00:55:53,280

not impossible that we could have

1095

00:55:56,990 --> 00:55:56,040

developed something like that much

1096

00:56:01,100 --> 00:55:57,000

better than the air

1097

00:56:05,720 --> 00:56:01,110

the avrocar and that was in use in 1988

1098

00:56:08,630 --> 00:56:05,730

and and maybe Lazar saw something that

1099

00:56:12,080 --> 00:56:08,640

wasn't a real UFO but was something that

1100

00:56:14,000 --> 00:56:12,090

was actually alien technics qubit wasn't

1101  
00:56:17,060 --> 00:56:14,010  
alien technology but which was actually

1102  
00:56:18,680 --> 00:56:17,070  
something of the government but of

1103  
00:56:20,810 --> 00:56:18,690  
course the big question is why on earth

1104  
00:56:23,030 --> 00:56:20,820  
would the government create something

1105  
00:56:27,740 --> 00:56:23,040  
like that with tiny seats you know that

1106  
00:56:30,740 --> 00:56:27,750  
that just doesn't make much sense that's

1107  
00:56:34,880 --> 00:56:30,750  
actually one of the avro cars that you

1108  
00:56:37,550 --> 00:56:34,890  
can see in in a museum I think it's the

1109  
00:56:41,360 --> 00:56:37,560  
right Patterson Museum and you can see

1110  
00:56:43,970 --> 00:56:41,370  
to be battered and messed up and but you

1111  
00:56:48,680 --> 00:56:43,980  
can you can still see the the basic

1112  
00:56:53,360 --> 00:56:48,690  
shape of it that's another one project

1113  
00:56:55,550 --> 00:56:53,370

why again sort of like a flying saucer

1114

00:56:58,460 --> 00:56:55,560

type craft and and again there was

1115

00:57:02,090 --> 00:56:58,470

nothing particularly spectacular about

1116

00:57:05,120 --> 00:57:02,100

any of these craft at all in the sense

1117

00:57:08,620 --> 00:57:05,130

that they look weird that was about it

1118

00:57:11,590 --> 00:57:08,630

there was no radical advanced technology

1119

00:57:14,060 --> 00:57:11,600

but they did kind of look and read and

1120

00:57:19,760 --> 00:57:14,070

resemble flying saucers as they were

1121

00:57:23,270 --> 00:57:19,770

perceived back in the 1950s and so in

1122

00:57:25,010 --> 00:57:23,280

that sense I think we can certainly make

1123

00:57:30,290 --> 00:57:25,020

a case I think that if we're flying

1124

00:57:33,260 --> 00:57:30,300

things like that and that even just sort

1125

00:57:36,110 --> 00:57:33,270

of to a small degree in the 1950s I

1126

00:57:38,420 --> 00:57:36,120

don't think it's impossible at all that

1127

00:57:45,320 --> 00:57:38,430

we might have something like along those

1128

00:57:50,380 --> 00:57:45,330

lines today now the story gets really

1129

00:57:53,480 --> 00:57:50,390

weird when Lazar said that as well as

1130

00:57:55,670 --> 00:57:53,490

giving him access to the alien

1131

00:57:59,120 --> 00:57:55,680

technology to try and understand the

1132

00:58:01,040 --> 00:57:59,130

propulsion system they also he said gave

1133

00:58:03,800 --> 00:58:01,050

him this huge amount of highly

1134

00:58:07,840 --> 00:58:03,810

classified government material to read

1135

00:58:10,850 --> 00:58:07,850

which basically told the story of the

1136

00:58:12,980 --> 00:58:10,860

human alien interaction that had gone

1137

00:58:18,140 --> 00:58:12,990

for thousands of years and maybe even

1138

00:58:21,950 --> 00:58:18,150

longer and these files talked about how

1139

00:58:24,710 --> 00:58:21,960

the alien supposedly had genetically

1140

00:58:27,650 --> 00:58:24,720

manipulated early primitive people

1141

00:58:30,560 --> 00:58:27,660

possibly millions of years ago and sort

1142

00:58:32,510 --> 00:58:30,570

of made periodical upgrades which is the

1143

00:58:35,470 --> 00:58:32,520

actual wording he said was in the

1144

00:58:38,720 --> 00:58:35,480

documents periodic upgrading of

1145

00:58:43,190 --> 00:58:38,730

primitive humans to where we are today

1146

00:58:46,270 --> 00:58:43,200

and also though in the files there was a

1147

00:58:50,150 --> 00:58:46,280

very strange section almost like a

1148

00:58:52,340 --> 00:58:50,160

sinister aspect of the story where Lazar

1149

00:58:55,070 --> 00:58:52,350

read one particular part of the

1150

00:58:57,800 --> 00:58:55,080

documents that said that the aliens

1151

00:59:01,910 --> 00:58:57,810

viewed us as what they called containers

1152

00:59:03,250 --> 00:59:01,920

and Lazar wondered what does that mean

1153

00:59:07,100 --> 00:59:03,260

you know what does it mean bike

1154

00:59:09,530 --> 00:59:07,110

containers and that more the the delving

1155

00:59:12,500 --> 00:59:09,540

that went into this it appeared to be

1156

00:59:15,830 --> 00:59:12,510

that the containers were were us were

1157

00:59:18,860 --> 00:59:15,840

our physical bodies but the aliens for

1158

00:59:22,160 --> 00:59:18,870

some reason sinister ease and weird

1159

00:59:25,790 --> 00:59:22,170

reason we had a deep interest or

1160

00:59:28,130 --> 00:59:25,800

obsession in the human soul and I said

1161

00:59:31,280 --> 00:59:28,140

this get sort of really weird but

1162

00:59:33,890 --> 00:59:31,290

interesting and the scenario was that

1163

00:59:37,070 --> 00:59:33,900

the aliens didn't care at all really

1164

00:59:40,190 --> 00:59:37,080

about us as physical flesh and blood and

1165

00:59:42,740 --> 00:59:40,200

bone creatures animals people have you

1166

00:59:45,140 --> 00:59:42,750

want to term us but it was this

1167

00:59:48,710 --> 00:59:45,150

obsession with the human soul that they

1168

00:59:51,560 --> 00:59:48,720

had and over time various other saw

1169

00:59:55,100 --> 00:59:51,570

stories came out that the aliens

1170

00:59:59,420 --> 00:59:55,110

themselves the well the scenario that

1171

01:00:01,550 --> 00:59:59,430

that actually that the primary scenario

1172

01:00:04,280 --> 01:00:01,560

that came out was that the so-called

1173

01:00:06,470 --> 01:00:04,290

Grey's these little creatures with the

1174

01:00:09,760 --> 01:00:06,480

large black head a skin large head and

1175

01:00:12,620 --> 01:00:09,770

the black eyes the scenario is that a

1176

01:00:15,140 --> 01:00:12,630

they are not sort of living creatures

1177

01:00:18,710 --> 01:00:15,150

like us but they're sort of a biological

1178

01:00:21,290 --> 01:00:18,720

robot created and sort of like a worker

1179

01:00:25,520 --> 01:00:21,300

drone that kind of thing

1180

01:00:28,250 --> 01:00:25,530

and but the fact that they don't have a

1181

01:00:31,880 --> 01:00:28,260

normal life in the sense that we do that

1182

01:00:36,490 --> 01:00:31,890

they don't have souls and so the theory

1183

01:00:40,280 --> 01:00:36,500

is that the aliens had this obsessive

1184

01:00:42,560 --> 01:00:40,290

obsession with the human soul as a means

1185

01:00:45,980 --> 01:00:42,570

to try and determine if they could

1186

01:00:50,480 --> 01:00:45,990

somehow almost like steal ourselves and

1187

01:00:54,110 --> 01:00:50,490

have infinite life themselves which is a

1188

01:00:56,900 --> 01:00:54,120

really controversial scenario but that

1189

01:01:00,260 --> 01:00:56,910

was basically the outgrowth that certain

1190

01:01:05,000 --> 01:01:00,270

researchers believed when lazar story

1191

01:01:09,050 --> 01:01:05,010

surfaced in relation to you know this

1192

01:01:11,270 --> 01:01:09,060

angle of containers and why the from the

1193

01:01:14,780 --> 01:01:11,280

aliens perspective it was very important

1194

01:01:17,420 --> 01:01:14,790

that we that the the Healy containers

1195

01:01:19,760 --> 01:01:17,430

were protected and not because they

1196

01:01:22,670 --> 01:01:19,770

particularly liked us or cared about us

1197

01:01:27,110 --> 01:01:22,680

but it was what was inside us that they

1198

01:01:31,190 --> 01:01:27,120

actually had this obsession for now if

1199

01:01:34,820 --> 01:01:31,200

that is true you know that would be very

1200

01:01:38,260 --> 01:01:34,830

very very sinister the idea almost as if

1201

01:01:41,270 --> 01:01:38,270

you know the the Earth's like a farm and

1202

01:01:44,000 --> 01:01:41,280

their farming our souls that's one of

1203

01:01:47,240 --> 01:01:44,010

the really controversial theories that

1204

01:01:49,490 --> 01:01:47,250

you can find within certain aspects of

1205

01:01:53,480 --> 01:01:49,500

UFO research there's actually sort of a

1206

01:01:55,880 --> 01:01:53,490

like an underground grope so to speak

1207

01:01:57,920 --> 01:01:55,890

who believe that that's exactly what's

1208

01:02:02,450 --> 01:01:57,930

going on that the earth is sort of like

1209

01:02:07,400 --> 01:02:02,460

a farm and the farming is not physically

1210

01:02:12,530 --> 01:02:07,410

of us but of our souls and that scenario

1211

01:02:15,910 --> 01:02:12,540

actually went on and became a major part

1212

01:02:17,860 --> 01:02:15,920

of alien abduction research for example

1213

01:02:21,620 --> 01:02:17,870

whitley strieber

1214

01:02:24,530 --> 01:02:21,630

dr. john mack various other

1215

01:02:27,830 --> 01:02:24,540

well-respected abduction researchers and

1216

01:02:29,960 --> 01:02:27,840

abductees also talked about that when

1217

01:02:33,170 --> 01:02:29,970

they were abducted on some occasions

1218

01:02:34,880 --> 01:02:33,180

they had sort of out-of-body experiences

1219

01:02:37,579 --> 01:02:34,890

where for example they

1220

01:02:40,039 --> 01:02:37,589

would see themselves looking down on

1221

01:02:44,180 --> 01:02:40,049

their body with all these small bar

1222

01:02:47,180 --> 01:02:44,190

these small creatures around the bed in

1223

01:02:49,609 --> 01:02:47,190

a UFO and yet they're looking down kind

1224

01:02:53,120 --> 01:02:49,619

of like a classic out-of-body experience

1225

01:02:54,650 --> 01:02:53,130

that people have when they you know

1226

01:02:56,779 --> 01:02:54,660

they're in a situation in the hospital

1227

01:02:59,240 --> 01:02:56,789

they've had a heart attack they briefly

1228

01:03:01,430 --> 01:02:59,250

die for a few minutes and when they come

1229

01:03:03,279 --> 01:03:01,440

back they have recollections of looking

1230

01:03:06,740 --> 01:03:03,289

down at the doctors and the nurses

1231

01:03:08,990 --> 01:03:06,750

frantically trying to get them you know

1232

01:03:11,690 --> 01:03:09,000

to kickstart and come back to life again

1233

01:03:15,380 --> 01:03:11,700

and there are a lot of cases like that

1234

01:03:17,420 --> 01:03:15,390

in the abduction field where people felt

1235

01:03:20,809 --> 01:03:17,430

as if their soul had been ripped out of

1236

01:03:24,950 --> 01:03:20,819

them and that somehow the aliens were

1237

01:03:27,460 --> 01:03:24,960

able to almost sort of absorb the soul

1238

01:03:30,380 --> 01:03:27,470

as a means to try and achieve

1239

01:03:34,370 --> 01:03:30,390

immortality if of course you know the

1240

01:03:37,970 --> 01:03:34,380

the soul is immortal so we had a

1241

01:03:41,240 --> 01:03:37,980

situation where all of this began

1242

01:03:45,529 --> 01:03:41,250

fellows are with us if you like as a

1243

01:03:49,519 --> 01:03:45,539

study of alien technology and then it

1244

01:03:53,900 --> 01:03:49,529

leads into this really weird aspects of

1245

01:03:57,740 --> 01:03:53,910

the human soul now so I sometimes wonder

1246

01:04:00,440 --> 01:03:57,750

if you know the the real reason why the

1247

01:04:03,440 --> 01:04:00,450

whole UFO subject is kept secret by the

1248

01:04:07,450 --> 01:04:03,450

governments maybe not just because

1249

01:04:11,059 --> 01:04:07,460

aliens are visiting us not just because

1250

01:04:13,220 --> 01:04:11,069

you know the technology but maybe it's

1251

01:04:15,829 --> 01:04:13,230

something else something so strange

1252

01:04:18,799 --> 01:04:15,839

something like this that the government

1253

01:04:21,980 --> 01:04:18,809

is so fearful about telling us because

1254

01:04:26,630 --> 01:04:21,990

they don't know how to tell us and I

1255

01:04:29,269 --> 01:04:26,640

think that's an important angle the idea

1256

01:04:32,900 --> 01:04:29,279

that you know I think we often assume

1257

01:04:35,150 --> 01:04:32,910

that not only do governments know what's

1258

01:04:37,339 --> 01:04:35,160

going on but they're also on top of

1259

01:04:39,140 --> 01:04:37,349

things they know what they're doing but

1260

01:04:42,470 --> 01:04:39,150

maybe they don't maybe they've uncovered

1261

01:04:44,809 --> 01:04:42,480

something so shocking like this that

1262

01:04:48,590 --> 01:04:44,819

they just don't know how to handle it

1263

01:04:50,920 --> 01:04:48,600

and so they bury it with multi

1264

01:04:53,990 --> 01:04:50,930

pulled disinformation stories and

1265

01:04:57,290 --> 01:04:54,000

psychological warfare programs just to

1266

01:05:01,670 --> 01:04:57,300

keep people away from this weirdest

1267

01:05:04,850 --> 01:05:01,680

story now of course this for the most

1268

01:05:08,270 --> 01:05:04,860

part this part of the story comes from

1269

01:05:11,150 --> 01:05:08,280

the files that Lazar was shown at area

1270

01:05:13,130 --> 01:05:11,160

51 of course the big question is well

1271

01:05:16,010 --> 01:05:13,140

how do we know the files that he saw

1272

01:05:18,530 --> 01:05:16,020

were real how do we know that that

1273

01:05:20,510 --> 01:05:18,540

wasn't part of disinformation as well

1274

01:05:23,770 --> 01:05:20,520

well the answer is we actually don't

1275

01:05:26,780 --> 01:05:23,780

really know all we know for sure is that

1276

01:05:29,900 --> 01:05:26,790

he was given that particular story and

1277

01:05:34,070 --> 01:05:29,910

that containers angle of the story

1278

01:05:36,620 --> 01:05:34,080

really was the highlight for a while in

1279

01:05:40,310 --> 01:05:36,630

terms of that particular aspect of his

1280

01:05:43,370 --> 01:05:40,320

work out there now as I mentioned

1281

01:05:45,020 --> 01:05:43,380

earlier unlike a lot of researchers and

1282

01:05:48,290 --> 01:05:45,030

particularly like the light Stan

1283

01:05:50,630 --> 01:05:48,300

Friedman Stan I was good friends with

1284

01:05:54,650 --> 01:05:50,640

Stan and but we dist definitely

1285

01:05:58,510 --> 01:05:54,660

disappear we just differed on you know

1286

01:06:02,150 --> 01:05:58,520

the whole scenario that Lazar was saying

1287

01:06:04,670 --> 01:06:02,160

Stan's actual words were bonk bonk bonk

1288

01:06:07,280 --> 01:06:04,680

that was he actually said that and that

1289

01:06:09,290 --> 01:06:07,290

was his sort of famous line when he came

1290

01:06:11,840 --> 01:06:09,300

whenever he came to talking about Lazar

1291

01:06:16,160 --> 01:06:11,850

Stan didn't believe any part of the

1292

01:06:19,070 --> 01:06:16,170

story at all now the reason why I don't

1293

01:06:22,310 --> 01:06:19,080

believe that Lazar was a hoaxer was

1294

01:06:25,040 --> 01:06:22,320

because occasionally unfortunately we do

1295

01:06:26,870 --> 01:06:25,050

get people in the UFO field who want to

1296

01:06:29,170 --> 01:06:26,880

fake things you know it's just an

1297

01:06:31,340 --> 01:06:29,180

unfortunate thing it happens and

1298

01:06:35,210 --> 01:06:31,350

hopefully you know if we can figure it

1299

01:06:36,740 --> 01:06:35,220

out and and you know show the hoaxes of

1300

01:06:39,500 --> 01:06:36,750

who they are well that's that's a good

1301

01:06:41,900 --> 01:06:39,510

thing but as I said you know we do get

1302

01:06:44,450 --> 01:06:41,910

hoaxes now and again but typically what

1303

01:06:47,860 --> 01:06:44,460

they do you know the claim they've had

1304

01:06:51,470 --> 01:06:47,870

this experience they get a book deal

1305

01:06:54,980 --> 01:06:51,480

they go on the lecture circuit and they

1306

01:06:57,170 --> 01:06:54,990

on TV and they do this for weeks and

1307

01:06:59,900 --> 01:06:57,180

then months and then years and then the

1308

01:07:02,170 --> 01:06:59,910

story dries up so what do they do well

1309

01:07:05,180 --> 01:07:02,180

they've got used to getting all this

1310

01:07:07,760 --> 01:07:05,190

adoration and money and so on so they

1311

01:07:10,940 --> 01:07:07,770

add a new leather level to the story oh

1312

01:07:12,799 --> 01:07:10,950

I've had another experience and so you

1313

01:07:15,859 --> 01:07:12,809

know I'm gonna write another book and so

1314

01:07:19,190 --> 01:07:15,869

on and so on that's typically what a lot

1315

01:07:22,910 --> 01:07:19,200

of the hoaxes do however Lazar didn't do

1316

01:07:26,059 --> 01:07:22,920

anything like that for example he gave

1317

01:07:28,819 --> 01:07:26,069

his initial interviews to George Knapp

1318

01:07:31,910 --> 01:07:28,829

in Las Vegas as I mentioned he did a few

1319

01:07:35,029 --> 01:07:31,920

radio shows and a few lectures in the

1320

01:07:38,950 --> 01:07:35,039

late 80s and he never wrote a book about

1321

01:07:41,539 --> 01:07:38,960

his experiences never read a movie made

1322

01:07:45,440 --> 01:07:41,549

never went massively on the lecture

1323

01:07:48,500 --> 01:07:45,450

circuit and really didn't gain anything

1324

01:07:51,170 --> 01:07:48,510

from actually coming out and telling

1325

01:07:54,770 --> 01:07:51,180

this story and that's not how your

1326

01:07:58,010 --> 01:07:54,780

average hoaxer works they hoax something

1327

01:07:58,730 --> 01:07:58,020

in in hope of getting something in

1328

01:08:01,339 --> 01:07:58,740

return

1329

01:08:03,620 --> 01:08:01,349

Lazar wasn't even looking for anything

1330

01:08:05,839 --> 01:08:03,630

in return he was basically saying well

1331

01:08:06,319 --> 01:08:05,849

this is the story I've got take it or

1332

01:08:08,960 --> 01:08:06,329

leave it

1333

01:08:11,390 --> 01:08:08,970

and and again whether you buy into his

1334

01:08:14,539 --> 01:08:11,400

story or not the story that he tells

1335

01:08:20,570 --> 01:08:14,549

today is the same one he told thirty-one

1336

01:08:22,130 --> 01:08:20,580

years ago 1988 through 1999 and you

1337

01:08:24,769 --> 01:08:22,140

rarely well I want to say you rarely

1338

01:08:27,459 --> 01:08:24,779

find it I don't think I've ever come

1339

01:08:30,499 --> 01:08:27,469

across another case like lazarre's where

1340

01:08:33,680 --> 01:08:30,509

somebody had such a an incredible story

1341

01:08:36,530 --> 01:08:33,690

to tell but did actually absolutely

1342

01:08:41,479 --> 01:08:36,540

nothing with it and I said as I said I

1343

01:08:45,140 --> 01:08:41,489

don't think that is the sign of a hoaxer

1344

01:08:47,780 --> 01:08:45,150

a hoax it would be really going after

1345

01:08:52,249 --> 01:08:47,790

the money and the dollars and the fame

1346

01:08:54,860 --> 01:08:52,259

and the TV Lazar was really very much in

1347

01:08:57,200 --> 01:08:54,870

the shadows even you know the early

1348

01:08:58,610 --> 01:08:57,210

nineties when he was interviewing B when

1349

01:09:01,789 --> 01:08:58,620

he was interviewed by people like

1350

01:09:04,999 --> 01:09:01,799

Timothy good whose book alien liaison

1351

01:09:09,229 --> 01:09:05,009

covers a lot of the Lazar story but

1352

01:09:13,669 --> 01:09:09,239

again you know it was like well who do

1353

01:09:14,799 --> 01:09:13,679

we believe and I do believe Lazar did

1354

01:09:19,209 --> 01:09:14,809

work out there

1355

01:09:22,209 --> 01:09:19,219

I do believe he saw these craft oh man I

1356

01:09:26,829 --> 01:09:22,219

mean two minds as to whether he actually

1357

01:09:30,099 --> 01:09:26,839

saw alien spacecraft or if he was if he

1358

01:09:34,209 --> 01:09:30,109

was like a patsy if he was being used as

1359

01:09:36,579 --> 01:09:34,219

a means to put a message out to someone

1360

01:09:39,490 --> 01:09:36,589

like the Russians or the Chinese that

1361

01:09:42,160 --> 01:09:39,500

we've got alien technology when maybe we

1362

01:09:45,490 --> 01:09:42,170

haven't or maybe we have I'll explain

1363

01:09:47,919 --> 01:09:45,500

what I mean by that in the late 1980s

1364

01:09:51,459 --> 01:09:47,929

we know this note from the Freedom

1365

01:09:54,760 --> 01:09:51,469

Information Act that even the period

1366

01:09:57,520 --> 01:09:54,770

sort of 84 to about 87 we know that the

1367

01:10:00,580 --> 01:09:57,530

worst sort of like a cabal of Russian

1368

01:10:02,919 --> 01:10:00,590

spies in the United States trying to

1369

01:10:05,709 --> 01:10:02,929

find information on the stealth bomber

1370

01:10:07,299 --> 01:10:05,719

and the stealth fighter which hadn't at

1371

01:10:09,609 --> 01:10:07,309

that time they hadn't been officially

1372

01:10:13,600 --> 01:10:09,619

acknowledged and nobody really had seen

1373

01:10:16,299 --> 01:10:13,610

them and the US was very worried about

1374

01:10:18,580 --> 01:10:16,309

these Russian spies uncovering

1375

01:10:21,459 --> 01:10:18,590

information on all of our top-secret

1376

01:10:24,520 --> 01:10:21,469

aircraft which is understandable but

1377

01:10:28,180 --> 01:10:24,530

what happened from there was we had

1378

01:10:32,560 --> 01:10:28,190

people like Lazar you know being exposed

1379

01:10:37,720 --> 01:10:32,570

to alien technology and so on it makes

1380

01:10:40,240 --> 01:10:37,730

me wonder if the the story of the the

1381

01:10:43,500 --> 01:10:40,250

UFOs and the aliens at area 51 I

1382

01:10:47,529 --> 01:10:43,510

sometimes wonder if this was actually

1383

01:10:49,899 --> 01:10:47,539

created this scenario to try and entice

1384

01:10:53,290 --> 01:10:49,909

these Russian spies almost like a

1385

01:10:55,930 --> 01:10:53,300

dangling carrot you know and have them

1386

01:10:59,200 --> 01:10:55,940

try and find out what's going area 51

1387

01:11:01,810 --> 01:10:59,210

and then the agents our agents could

1388

01:11:03,580 --> 01:11:01,820

jump in and grab them so in other words

1389

01:11:07,120 --> 01:11:03,590

you know we have that we had that

1390

01:11:10,169 --> 01:11:07,130

scenario the idea of a program designed

1391

01:11:12,520 --> 01:11:10,179

to make people think we got

1392

01:11:14,890 --> 01:11:12,530

extraterrestrial technology but as a

1393

01:11:18,879 --> 01:11:14,900

means to try and reel in these Soviet

1394

01:11:21,970 --> 01:11:18,889

spies and then arrest them now that that

1395

01:11:23,379 --> 01:11:21,980

is one scenario but it would be to work

1396

01:11:26,379 --> 01:11:23,389

it would have to be incredibly

1397

01:11:28,479 --> 01:11:26,389

sophisticated because Lazar said he saw

1398

01:11:31,870 --> 01:11:28,489

seven or eight of these circular

1399

01:11:37,959 --> 01:11:31,880

crafts over to area 51 so you know in

1400

01:11:39,759 --> 01:11:37,969

that sense I think we can if that is the

1401

01:11:41,790 --> 01:11:39,769

scenario we can look it from the

1402

01:11:45,850 --> 01:11:41,800

perspective that it was incredibly

1403

01:11:47,410 --> 01:11:45,860

advanced and I'm not sure the even the

1404

01:11:49,810 --> 01:11:47,420

government we've had the ability to go

1405

01:11:52,689 --> 01:11:49,820

that far in terms of building and

1406

01:11:54,970 --> 01:11:52,699

constructing so many of these craft just

1407

01:12:00,759 --> 01:11:54,980

as a means to try and catch a few

1408

01:12:03,069 --> 01:12:00,769

Russian spies by lazarre's own admission

1409

01:12:05,529 --> 01:12:03,079

he said on several occasions that when

1410

01:12:09,700 --> 01:12:05,539

he went out to area 51 and then came

1411

01:12:11,259 --> 01:12:09,710

back home to Las Vegas he said that he

1412

01:12:13,930 --> 01:12:11,269

couldn't remember what had happened

1413

01:12:16,359 --> 01:12:13,940

there's like an entire day would be gone

1414

01:12:18,819 --> 01:12:16,369

or two days would be just blocked out of

1415

01:12:20,790 --> 01:12:18,829

his mind and he came to suspect that

1416

01:12:23,979 --> 01:12:20,800

there being some sort of mind

1417

01:12:27,850 --> 01:12:23,989

manipulation or mind control on him so

1418

01:12:31,989 --> 01:12:27,860

that sort of begs the question how can

1419

01:12:34,959 --> 01:12:31,999

we sort of determine how accurate

1420

01:12:37,390 --> 01:12:34,969

lazarre's memories are when certain

1421

01:12:39,790 --> 01:12:37,400

portions of his memory have been wiped

1422

01:12:42,879 --> 01:12:39,800

out and land that's not like a slur on

1423

01:12:44,890 --> 01:12:42,889

Lazar it's me it's just a case of if

1424

01:12:47,200 --> 01:12:44,900

part of his memory is gone and

1425

01:12:49,390 --> 01:12:47,210

somebody's been playing mind games with

1426

01:12:52,660 --> 01:12:49,400

him how do we actually know what the

1427

01:12:57,160 --> 01:12:52,670

full picture is so the unfortunate side

1428

01:12:59,739 --> 01:12:57,170

of it is that 31 years after Lazar first

1429

01:13:02,009 --> 01:12:59,749

started to talk about this we're still

1430

01:13:07,770 --> 01:13:02,019

asking the same questions that we were

1431

01:13:10,060 --> 01:13:07,780

back in in 1988 and 1989 and as I said

1432

01:13:11,529 --> 01:13:10,070

unlike a lot of people I don't think

1433

01:13:15,250 --> 01:13:11,539

he's a hoax I think he was speaking

1434

01:13:19,359 --> 01:13:15,260

genuine but I'm just not sure what he

1435

01:13:23,529 --> 01:13:19,369

saw and I don't know how much you know

1436

01:13:25,540 --> 01:13:23,539

can be relied in relation to when

1437

01:13:27,279 --> 01:13:25,550

somebody's mind is messed around with

1438

01:13:30,100 --> 01:13:27,289

you know either

1439

01:13:33,640 --> 01:13:30,110

there really are UFOs and aliens at area

1440

01:13:38,410 --> 01:13:33,650

51 or somebody wants us to think they're

1441

01:13:42,009 --> 01:13:38,420

aliens and UFOs at area 51 so that's

1442

01:13:42,490 --> 01:13:42,019

sort of my background and my take on

1443

01:13:43,990 --> 01:13:42,500

area

1444

01:13:48,040 --> 01:13:44,000

fifty-one different people have

1445

01:13:50,320 --> 01:13:48,050

different scenarios other people kind of

1446

01:13:53,800 --> 01:13:50,330

you know blend a few different aspects

1447

01:13:56,610 --> 01:13:53,810

into the phenomenon as well so you know

1448

01:14:01,150 --> 01:13:56,620

I wish I could give you sort of a more

1449

01:14:03,190 --> 01:14:01,160

black-and-white picture you know where

1450

01:14:05,920 --> 01:14:03,200

we can save this and we can say that for

1451

01:14:10,240 --> 01:14:05,930

sure but that's the big problem with the

1452

01:14:13,990 --> 01:14:10,250

whole area 51 story is that everything

1453

01:14:17,350 --> 01:14:14,000

about it is weird strange lies

1454

01:14:19,420 --> 01:14:17,360

disinformation and truth but we don't

1455

01:14:21,940 --> 01:14:19,430

know which one actually falls into which

1456

01:14:23,890 --> 01:14:21,950

category and maybe there are some people

1457

01:14:26,650 --> 01:14:23,900

in government to actually like that they

1458

01:14:30,970 --> 01:14:26,660

like the whole thing in a state of

1459

01:14:33,430 --> 01:14:30,980

mystique primarily because it's the more

1460

01:14:34,840 --> 01:14:33,440

confusion there is the less likelihood

1461

01:14:37,300 --> 01:14:34,850

is that we're going to get the answers

1462

01:14:40,120 --> 01:14:37,310

you know maybe somebody's deliberately

1463

01:14:41,800 --> 01:14:40,130

making us chase our tail down there and

1464

01:14:44,200 --> 01:14:41,810

then down there when we should be

1465

01:14:46,390 --> 01:14:44,210

looking there so the stories are

1466

01:14:49,660 --> 01:14:46,400

fascinating one and there really isn't

1467

01:14:52,060 --> 01:14:49,670

and anything else like area 51

1468

01:14:56,080 --> 01:14:52,070

not just the facility but also the

1469

01:14:58,000 --> 01:14:56,090

history of it as well and maybe one day

1470

01:15:00,340 --> 01:14:58,010

that'll change you know and overnight

1471

01:15:03,790 --> 01:15:00,350

for whatever reason the whole story will

1472

01:15:06,160 --> 01:15:03,800

come out and if that happens you know it

1473

01:15:09,970 --> 01:15:06,170

will be pretty amazing I think whatever

1474

01:15:11,730 --> 01:15:09,980

the answer is and just one last thing

1475

01:15:15,820 --> 01:15:11,740

and we can have a think about 10 minutes

1476

01:15:17,560 --> 01:15:15,830

questions or so I've got a new book out

1477

01:15:19,720 --> 01:15:17,570

right now flying saucers from the

1478

01:15:22,840 --> 01:15:19,730

Kremlin which you might find interesting

1479

01:15:24,850 --> 01:15:22,850

because it actually digs further into

1480

01:15:27,810 --> 01:15:24,860

that angle of government manipulation

1481

01:15:31,240 --> 01:15:27,820

and creating lies and

1482

01:15:33,430 --> 01:15:31,250

counterintelligence programs but this

1483

01:15:35,530 --> 01:15:33,440

one sort of deals with from the Russian

1484

01:15:38,440 --> 01:15:35,540

perspective I use the freedom

1485

01:15:41,260 --> 01:15:38,450

information a lot and got hold of a

1486

01:15:45,210 --> 01:15:41,270

number of interesting files talking

1487

01:15:49,150 --> 01:15:45,220

about how the Russians were spreading

1488

01:15:51,760 --> 01:15:49,160

UFO propaganda best bizarre as it sounds

1489

01:15:53,560 --> 01:15:51,770

in the 1950s as well just one of many

1490

01:15:56,290 --> 01:15:53,570

examples in the book

1491

01:15:59,080 --> 01:15:56,300

they're at the the Russians were

1492

01:16:01,419 --> 01:15:59,090

actually spreading rumors that the in

1493

01:16:04,089 --> 01:16:01,429

the early 1950s with the space brothers

1494

01:16:06,009 --> 01:16:04,099

and the contactees that the so called

1495

01:16:09,160 --> 01:16:06,019

space brothers that were coming to visit

1496

01:16:11,680 --> 01:16:09,170

us and so on were communists now that

1497

01:16:14,430 --> 01:16:11,690

kind of sounds really strange today that

1498

01:16:17,350 --> 01:16:14,440

the Russians back then would try and

1499

01:16:19,569 --> 01:16:17,360

convince the Europe people of the United

1500

01:16:22,149 --> 01:16:19,579

States that the aliens visiting us were

1501

01:16:24,250 --> 01:16:22,159

communists and communism is really good

1502

01:16:27,370 --> 01:16:24,260

that that's was the the message they

1503

01:16:29,410 --> 01:16:27,380

were trying to get across so again what

1504

01:16:31,810 --> 01:16:29,420

this demonstrates is that as well as

1505

01:16:34,720 --> 01:16:31,820

real UFOs you know there's no doubt in

1506

01:16:37,089 --> 01:16:34,730

my mind that there are real UFOs like my

1507

01:16:39,669 --> 01:16:37,099

dad's experience in the 50s that's what

1508

01:16:43,390 --> 01:16:39,679

got me interested we know there's a real

1509

01:16:46,569 --> 01:16:43,400

phenomenon but what's also being going

1510

01:16:50,439 --> 01:16:46,579

on is the creation and the fabrication

1511

01:16:53,319 --> 01:16:50,449

of bogus UFO stories to hide the true

1512

01:16:56,740 --> 01:16:53,329

stories so bet the whole thing becomes

1513

01:17:00,100 --> 01:16:56,750

like very much a detective story and

1514

01:17:03,040 --> 01:17:00,110

mirrors area 51 we know something's

1515

01:17:04,899 --> 01:17:03,050

going on we're not fully sure what the

1516

01:17:08,109 --> 01:17:04,909

the full picture is though and that's

1517

01:17:11,319 --> 01:17:08,119

what we need to try and strive to get so

1518

01:17:13,479 --> 01:17:11,329

in the 15 minutes or so if anybody's got

1519

01:17:16,529 --> 01:17:13,489

any questions if you want to come up to

1520

01:17:19,870 --> 01:17:16,539

the mic we can we can have a little Q&A

1521

01:17:22,089 --> 01:17:19,880

yes I was wondering what your take is on

1522

01:17:24,669 --> 01:17:22,099

the Wilson leak and you know the core

1523

01:17:27,430 --> 01:17:24,679

secrets documents that they're what

1524

01:17:29,950 --> 01:17:27,440

sorry the the Wilson leak that Admiral

1525

01:17:32,529 --> 01:17:29,960

Wilson I don't know if you've seen it

1526

01:17:36,879 --> 01:17:32,539

but a conversation between Eric Davis

1527

01:17:40,660 --> 01:17:36,889

and Admiral Wilson that we have you know

1528

01:17:42,910 --> 01:17:40,670

et technology oh yeah well yeah this is

1529

01:17:45,549 --> 01:17:42,920

sort of one of a number of stories where

1530

01:17:48,700 --> 01:17:45,559

people have come forward claiming to

1531

01:17:53,140 --> 01:17:48,710

have worked or still working on alien

1532

01:17:55,569 --> 01:17:53,150

technology no it sounds incredible but I

1533

01:17:59,529 --> 01:17:55,579

mean these people themselves are

1534

01:18:01,870 --> 01:17:59,539

credible you know and and when you look

1535

01:18:06,160 --> 01:18:01,880

into it you know you've seen scenarios

1536

01:18:07,419 --> 01:18:06,170

where there's no real reason of any gain

1537

01:18:09,490 --> 01:18:07,429

from actually saying

1538

01:18:13,930 --> 01:18:09,500

I mean it's all it's like with the

1539

01:18:17,439 --> 01:18:13,940

philip corso story cut who wrote the day

1540

01:18:20,530 --> 01:18:17,449

after Roswell in 1997 Colonel Corso was

1541

01:18:22,479 --> 01:18:20,540

this guy elderly guy who claimed years

1542

01:18:25,870 --> 01:18:22,489

well actually decades before that he

1543

01:18:31,240 --> 01:18:25,880

worked on technology found Roswell New

1544

01:18:33,430 --> 01:18:31,250

Mexico in 1947 and there's a lot of

1545

01:18:34,270 --> 01:18:33,440

problems with the course our story to

1546

01:18:37,390 --> 01:18:34,280

say the least

1547

01:18:40,120 --> 01:18:37,400

but what's intriguing is that why did he

1548

01:18:44,320 --> 01:18:40,130

even feel the need to write the book at

1549

01:18:47,380 --> 01:18:44,330

83 and he died at 84 not really getting

1550

01:18:49,780 --> 01:18:47,390

anything out of it you know I mean as a

1551

01:18:52,990 --> 01:18:49,790

writer myself you know I can tell you

1552

01:18:55,270 --> 01:18:53,000

for sure that if you write books on UFOs

1553

01:18:57,669 --> 01:18:55,280

you know you're not gonna be living in

1554

01:19:00,430 --> 01:18:57,679

Hollywood Hills and driving a Ferrari

1555

01:19:03,550 --> 01:19:00,440

you know people think that but it's you

1556

01:19:07,149 --> 01:19:03,560

know it's not like that at all and so

1557

01:19:10,330 --> 01:19:07,159

for someone like Corso to say he worked

1558

01:19:13,270 --> 01:19:10,340

on alien technology again he's like what

1559

01:19:15,340 --> 01:19:13,280

what where's the goal you know what's

1560

01:19:17,470 --> 01:19:15,350

the reason and I kind of apply that to

1561

01:19:20,410 --> 01:19:17,480

that story as well it's an interesting

1562

01:19:23,560 --> 01:19:20,420

story some people say it's garbage but

1563

01:19:27,669 --> 01:19:23,570

then it's like well why Cavin save a

1564

01:19:31,060 --> 01:19:27,679

story in the first place you know for

1565

01:19:35,530 --> 01:19:31,070

your speculation and opinion but do you

1566

01:19:37,959 --> 01:19:35,540

think that by coming out with what he

1567

01:19:41,950 --> 01:19:37,969

Bob Lazar came out with it he actually

1568

01:19:43,419 --> 01:19:41,960

saved his life oh yeah yeah yeah I mean

1569

01:19:47,320 --> 01:19:43,429

that's a good question

1570

01:19:50,050 --> 01:19:47,330

did by by Lazar going public did that

1571

01:19:54,040 --> 01:19:50,060

sort of save his life

1572

01:19:56,010 --> 01:19:54,050

there's mothers no doubt at all but when

1573

01:19:59,439 --> 01:19:56,020

Laura Lazar went public

1574

01:20:02,080 --> 01:19:59,449

he went public because he had fears and

1575

01:20:05,290 --> 01:20:02,090

concerns that something might happen to

1576

01:20:08,350 --> 01:20:05,300

him you know area 51 middle of nowhere

1577

01:20:10,479 --> 01:20:08,360

flown out with aircraft with blacked-out

1578

01:20:11,589 --> 01:20:10,489

windows that's basically got him out

1579

01:20:15,399 --> 01:20:11,599

there

1580

01:20:18,820 --> 01:20:15,409

worried something's gonna happen to you

1581

01:20:21,640 --> 01:20:18,830

but maybe no no way back and so that's

1582

01:20:23,500 --> 01:20:21,650

why on the final day when he was

1583

01:20:26,200 --> 01:20:23,510

supposed to go there he actually didn't

1584

01:20:28,450 --> 01:20:26,210

go because he was worried you know no

1585

01:20:31,149 --> 01:20:28,460

one would see him again and he also said

1586

01:20:33,580 --> 01:20:31,159

that on one occasion round about the

1587

01:20:36,370 --> 01:20:33,590

same time one of his tires was shut out

1588

01:20:39,550 --> 01:20:36,380

as well on his car and now whether that

1589

01:20:42,280 --> 01:20:39,560

was deliberate or it was a sign to warn

1590

01:20:44,800 --> 01:20:42,290

him you know I mean if you've got like a

1591

01:20:47,530 --> 01:20:44,810

well-trained assassin they're not gonna

1592

01:20:50,500 --> 01:20:47,540

miss so maybe they deliberately fired at

1593

01:20:53,740 --> 01:20:50,510

the tire not to kill him but just to

1594

01:20:57,160 --> 01:20:53,750

warn him yeah and sometimes you know

1595

01:20:59,530 --> 01:20:57,170

warnings work really well just sort of

1596

01:21:04,240 --> 01:20:59,540

putting the seed of fear in the person's

1597

01:21:08,260 --> 01:21:04,250

mind so yeah I think I think whether it

1598

01:21:10,839 --> 01:21:08,270

was whether it was required or not I

1599

01:21:12,760 --> 01:21:10,849

think he he did fail he was in deep

1600

01:21:14,859 --> 01:21:12,770

danger whether he was or not I don't

1601

01:21:17,859 --> 01:21:14,869

know but I think just a thought in his

1602

01:21:20,350 --> 01:21:17,869

mind made him think you know I need to

1603

01:21:24,160 --> 01:21:20,360

go public otherwise something's gonna

1604

01:21:27,010 --> 01:21:24,170

happen so all right well thanks
