

UFO HUB

1
00:00:23,510 --> 00:00:14,700

[Music]

2
00:00:37,090 --> 00:00:30,970

you

3
00:00:39,580 --> 00:00:37,100

as a volunteer

4
00:00:41,260 --> 00:00:39,590

I'm not going to one thing I'm not going

5
00:00:43,180 --> 00:00:41,270

to talk about is my abduction

6
00:00:46,780 --> 00:00:43,190

experiences I'm not going to tell that

7
00:00:48,700 --> 00:00:46,790

story I've told that a lot most of you

8
00:00:50,979 --> 00:00:48,710

hopefully have already seen or heard the

9
00:00:52,960 --> 00:00:50,989

video on UFO hub in some of the other

10
00:00:55,630 --> 00:00:52,970

places so I didn't want to rehash that

11
00:00:59,350 --> 00:00:55,640

and when I originally agreed to do this

12
00:01:02,350 --> 00:00:59,360

talk Adnan won it a title and a

13
00:01:04,689 --> 00:01:02,360

description for the talk and I usually

14

00:01:06,900 --> 00:01:04,699

don't know what I'm going to say until

15

00:01:08,920 --> 00:01:06,910

right before I go to the conference and

16

00:01:10,930 --> 00:01:08,930

sometimes I don't know until I step up

17

00:01:12,820 --> 00:01:10,940

on the stage that was the way I always

18

00:01:16,440 --> 00:01:12,830

did it before when I was doing more of

19

00:01:18,640 --> 00:01:16,450

these lectures so I gave him a title

20

00:01:20,200 --> 00:01:18,650

that I thought was going to work which

21

00:01:22,180 --> 00:01:20,210

is the mission my life is a light

22

00:01:23,730 --> 00:01:22,190

warrior I thought I was going to talk

23

00:01:26,260 --> 00:01:23,740

about what I've been through

24

00:01:31,920 --> 00:01:26,270

since my book came out my book came out

25

00:01:34,540 --> 00:01:31,930

in 2012 and since that time it's been

26

00:01:36,520 --> 00:01:34,550

interesting to say the least my life is

27

00:01:39,040 --> 00:01:36,530

not anything like I would have expected

28

00:01:41,020 --> 00:01:39,050

it to be there's been a lot of

29

00:01:43,960 --> 00:01:41,030

challenges so I was going to talk about

30

00:01:47,050 --> 00:01:43,970

that but you know I I just don't want to

31

00:01:48,660 --> 00:01:47,060

talk about negativity there's enough of

32

00:01:50,859 --> 00:01:48,670

that going on in the world out there I

33

00:01:55,419 --> 00:01:50,869

prefer to try to stay on something

34

00:01:58,290 --> 00:01:55,429

positive so the title is called the

35

00:02:01,090 --> 00:01:58,300

mission my life is a light warrior and

36

00:02:02,620 --> 00:02:01,100

I'm just going to tell you kind of

37

00:02:06,219 --> 00:02:02,630

stories from my life is what I'm going

38

00:02:08,830 --> 00:02:06,229

to do that that highlight and show what

39

00:02:10,270 --> 00:02:08,840

it's like to be a volunteer because a

40

00:02:13,180 --> 00:02:10,280

lot of people they hear the term

41

00:02:15,460 --> 00:02:13,190

volunteer or light worker or light

42

00:02:16,690 --> 00:02:15,470

warrior or star seed all those different

43

00:02:19,360 --> 00:02:16,700

terms that we use but we don't really

44

00:02:23,800 --> 00:02:19,370

understand what it means to possibly be

45

00:02:25,030 --> 00:02:23,810

a light worker or a volunteer excuse me

46

00:02:31,390 --> 00:02:25,040

I'm gonna have to do this quite often I

47

00:02:36,010 --> 00:02:31,400

think here so I'm just going to tell

48

00:02:38,500 --> 00:02:36,020

stories that kind of emphasize why a

49

00:02:42,100 --> 00:02:38,510

light workers life might be a little bit

50

00:02:43,380 --> 00:02:42,110

different than the norm the title is

51
00:02:49,830 --> 00:02:43,390
from

52
00:02:54,090 --> 00:02:49,840
a day when I was struggling with things

53
00:02:55,530 --> 00:02:54,100
in my life and I was complaining and if

54
00:02:58,650 --> 00:02:55,540
for those of you who know me you know

55
00:03:00,690 --> 00:02:58,660
that I refer to my guys my guys those

56
00:03:01,230 --> 00:03:00,700
are I work with three different et

57
00:03:03,480 --> 00:03:01,240
groups

58
00:03:06,030 --> 00:03:03,490
my whole life I've had contact with them

59
00:03:08,280 --> 00:03:06,040
and when I talk about my guys I'm

60
00:03:12,390 --> 00:03:08,290
usually referring to the main guy which

61
00:03:14,250 --> 00:03:12,400
is someone that I called da da da I gave

62
00:03:16,620 --> 00:03:14,260
him that name when I was a little girl

63
00:03:18,660 --> 00:03:16,630

and he's the one that I mainly

64

00:03:20,520 --> 00:03:18,670

communicate with there's gonna be a lot

65

00:03:21,780 --> 00:03:20,530

of weirdness just gonna warn you my

66

00:03:23,850 --> 00:03:21,790

stories are gonna have a lot of

67

00:03:26,310 --> 00:03:23,860

components that are weird and strange so

68

00:03:29,280 --> 00:03:26,320

if this is your first time hearing me

69

00:03:32,010 --> 00:03:29,290

speaking you're gonna it might push some

70

00:03:33,810 --> 00:03:32,020

buttons or it might because I'm gonna

71

00:03:37,229 --> 00:03:33,820

talk a lot about talking to people that

72

00:03:40,410 --> 00:03:37,239

aren't there that you can't see so you

73

00:03:42,240 --> 00:03:40,420

know you can believe it or you don't

74

00:03:44,460 --> 00:03:42,250

so that's my disclaimer that my disclaimer

75

00:03:46,710 --> 00:03:44,470

here so I'm okay if you don't believe it

76

00:03:48,060 --> 00:03:46,720

but that's my life so I talked to da

77

00:03:49,560 --> 00:03:48,070

sometimes when I feel his presence

78

00:03:52,350 --> 00:03:49,570

around me and this one day I was

79

00:03:54,570 --> 00:03:52,360

complaining because I wasn't feeling

80

00:03:57,000 --> 00:03:54,580

good and I haven't felt good for a long

81

00:03:59,670 --> 00:03:57,010

time and I said just kind of tired of it

82

00:04:03,449 --> 00:03:59,680

and I said something like to the effect

83

00:04:06,000 --> 00:04:03,459

you know this is hard this is not what I

84

00:04:08,009 --> 00:04:06,010

thought it was going to be this is this

85

00:04:11,699 --> 00:04:08,019

is being a light worker thing it's just

86

00:04:16,400 --> 00:04:11,709

not not not what I thought it expected

87

00:04:19,920 --> 00:04:16,410

it to be like and I heard go he goes

88

00:04:22,409 --> 00:04:19,930

yeah he said he said what is that what

89

00:04:24,690 --> 00:04:22,419

is this you're unhappy with or something

90

00:04:27,990 --> 00:04:24,700

and I said being a light worker I said

91

00:04:32,010 --> 00:04:28,000

it's hard I said like that and he went

92

00:04:33,150 --> 00:04:32,020

ha which he's never done that before it

93

00:04:35,400 --> 00:04:33,160

I thought that was really cute that he

94

00:04:36,659 --> 00:04:35,410

went huh he's done that now he did it

95

00:04:38,969 --> 00:04:36,669

one other time since then I can't

96

00:04:41,520 --> 00:04:38,979

remember when but he went ha and he goes

97

00:04:44,640 --> 00:04:41,530

light work or he said you are a light

98

00:04:47,219 --> 00:04:44,650

warrior make no mistake about it cheri

99

00:04:51,030 --> 00:04:47,229

he said this is a battle between light

100

00:04:55,850 --> 00:04:51,040

and dark and you dear are on the front

101
00:04:58,580 --> 00:04:55,860
line and I wanted to give a

102
00:05:02,270 --> 00:04:58,590
my dance answer to that I wanted to say

103
00:05:03,589 --> 00:05:02,280
to him would you look at me look at me

104
00:05:08,719 --> 00:05:03,599
do I look like I belong on the front

105
00:05:12,050 --> 00:05:08,729
line but I didn't I just got quiet

106
00:05:15,709 --> 00:05:12,060
because the truth is is that I knew that

107
00:05:18,409 --> 00:05:15,719
what he said was absolutely true I had

108
00:05:19,700 --> 00:05:18,419
been and I am on the front line there is

109
00:05:22,459 --> 00:05:19,710
a battle going on between light and

110
00:05:24,700 --> 00:05:22,469
darkness those of us who are volunteers

111
00:05:27,890 --> 00:05:24,710
or light workers starseeds whatever

112
00:05:30,830 --> 00:05:27,900
label you attached to yourself or to

113
00:05:34,339 --> 00:05:30,840

your mission you know that and there's a

114

00:05:36,320 --> 00:05:34,349

lot of us millions of us I certainly am

115

00:05:40,369 --> 00:05:36,330

NOT special to be here calling myself a

116

00:05:41,290 --> 00:05:40,379

volunteer I don't feel special quite the

117

00:05:43,640 --> 00:05:41,300

contrary

118

00:05:45,499 --> 00:05:43,650

so don't think that that's what I'm

119

00:05:47,570 --> 00:05:45,509

trying to do I'm just saying that this

120

00:05:50,179 --> 00:05:47,580

is very real what's going on on the

121

00:05:52,159 --> 00:05:50,189

planet is very real we are well into it

122

00:05:56,450 --> 00:05:52,169

and it has been a battle between light

123

00:06:01,550 --> 00:05:56,460

and dark the light is and will win but

124

00:06:03,200 --> 00:06:01,560

it is a battle so it's going to be my

125

00:06:05,029 --> 00:06:03,210

talk is going to center around that and

126

00:06:07,159 --> 00:06:05,039

now I have to remember which way to go

127

00:06:10,070 --> 00:06:07,169

here aha

128

00:06:12,879 --> 00:06:10,080

volunteer is what I am Flores cannon

129

00:06:16,519 --> 00:06:12,889

coined that phrase and that's exactly

130

00:06:19,129 --> 00:06:16,529

correct I referred to myself as a

131

00:06:21,170 --> 00:06:19,139

participant in a program prior to

132

00:06:23,329 --> 00:06:21,180

hearing her term volunteer and I

133

00:06:25,519 --> 00:06:23,339

switched from from that to calling

134

00:06:30,230 --> 00:06:25,529

myself a volunteer so I came here freely

135

00:06:32,390 --> 00:06:30,240

as millions did as volunteers to come on

136

00:06:35,510 --> 00:06:32,400

to Planet Earth at this time to help

137

00:06:38,839 --> 00:06:35,520

raise the frequency so that the what I

138

00:06:41,510 --> 00:06:38,849

refer to as the native human Earth Souls

139

00:06:43,399 --> 00:06:41,520

that's what I call them the native human

140

00:06:47,059 --> 00:06:43,409

earth souls are those who in my opinion

141

00:06:49,189 --> 00:06:47,069

have been here on the recycling of the

142

00:06:51,860 --> 00:06:49,199

whole program that was set up on the

143

00:06:54,260 --> 00:06:51,870

planet to keep the souls of the planet

144

00:06:57,589 --> 00:06:54,270

Earth from ascending which was their

145

00:07:01,670 --> 00:06:57,599

natural right to do instead you've been

146

00:07:07,969 --> 00:07:01,680

trapped here and with that whole game of

147

00:07:09,620 --> 00:07:07,979

karma and not allowed to to go up the

148

00:07:13,790 --> 00:07:09,630

ladder of life as we call

149

00:07:15,230 --> 00:07:13,800

so we came in to be of assistance so

150

00:07:17,540 --> 00:07:15,240

that the planet could ascend so the

151
00:07:20,000 --> 00:07:17,550
souls could get out of that trap so it's

152
00:07:23,180 --> 00:07:20,010
kind of like yeah yeah it's not a

153
00:07:24,610 --> 00:07:23,190
mission to save there's no saving the

154
00:07:26,870 --> 00:07:24,620
only one who can save you is yourself

155
00:07:29,150 --> 00:07:26,880
and there you really don't even need

156
00:07:30,650 --> 00:07:29,160
saving but you don't you it's not right

157
00:07:34,430 --> 00:07:30,660
that you'd be trapped in that in that

158
00:07:36,470 --> 00:07:34,440
cycle so it's like like a liberation we

159
00:07:39,290 --> 00:07:36,480
came in here to do to liberate the

160
00:07:42,320 --> 00:07:39,300
planet liberate the souls and break

161
00:07:45,860 --> 00:07:42,330
break the back of the of the Dark One's

162
00:07:48,860 --> 00:07:45,870
who had control of this planet so as a

163
00:07:52,580 --> 00:07:48,870

volunteer coming in those of us who are

164

00:07:54,020 --> 00:07:52,590

volunteers we don't have to we we have

165

00:07:56,350 --> 00:07:54,030

to play by the rules of the planet which

166

00:07:58,730 --> 00:07:56,360

is that we come in behind the veil of

167

00:08:00,050 --> 00:07:58,740

non remembrance so we don't remember who

168

00:08:02,030 --> 00:08:00,060

we are where we come from that's the

169

00:08:05,090 --> 00:08:02,040

whole set up on planet Earth is that you

170

00:08:08,780 --> 00:08:05,100

come here to forget who you are and

171

00:08:10,280 --> 00:08:08,790

experience separation so that's the game

172

00:08:12,200 --> 00:08:10,290

that was originally put in place here

173

00:08:13,340 --> 00:08:12,210

and so you are separate from your

174

00:08:16,700 --> 00:08:13,350

creator yours which means you are

175

00:08:19,400 --> 00:08:16,710

separate from yourself as a volunteer we

176

00:08:19,880 --> 00:08:19,410

come in and we most of us don't remember

177

00:08:22,670 --> 00:08:19,890

who we are

178

00:08:25,190 --> 00:08:22,680

I've met a few volunteers who came in

179

00:08:27,140 --> 00:08:25,200

and actually brought with them the

180

00:08:28,520 --> 00:08:27,150

memory of who they are and that might

181

00:08:31,790 --> 00:08:28,530

have been a pretty cool thing to do but

182

00:08:34,219 --> 00:08:31,800

I myself didn't want to do it I remember

183

00:08:37,190 --> 00:08:34,229

very clearly before I came here that I

184

00:08:41,840 --> 00:08:37,200

decided that I wanted to experience a

185

00:08:43,670 --> 00:08:41,850

human life as a human I didn't want to

186

00:08:45,170 --> 00:08:43,680

come in and and remember who I was I

187

00:08:47,870 --> 00:08:45,180

wanted to have the whole human

188

00:08:50,840 --> 00:08:47,880

experience because like a lot of your

189

00:08:54,290 --> 00:08:50,850

cosmic cousins who are out there I was

190

00:08:58,310 --> 00:08:54,300

one of them observing the earth and very

191

00:09:01,780 --> 00:08:58,320

intrigued by the by the humans on planet

192

00:09:06,380 --> 00:09:01,790

Earth very intrigued I wanted to know

193

00:09:08,870 --> 00:09:06,390

why do they do what they do why do they

194

00:09:14,600 --> 00:09:08,880

make the decisions they make because as

195

00:09:15,710 --> 00:09:14,610

I observed the planet you know it was it

196

00:09:19,280 --> 00:09:15,720

was baffling to us

197

00:09:21,260 --> 00:09:19,290

I remember being baffled as to why the

198

00:09:22,810 --> 00:09:21,270

humans did not claim their power and

199

00:09:25,000 --> 00:09:22,820

just

200

00:09:27,130 --> 00:09:25,010

not followed the control system that was

201
00:09:29,470 --> 00:09:27,140
here I didn't understand why they didn't

202
00:09:31,420 --> 00:09:29,480
tap into who they were because everyone

203
00:09:34,150 --> 00:09:31,430
knows that the earth humans are powerful

204
00:09:36,130 --> 00:09:34,160
beings except it seems that the earth

205
00:09:37,540 --> 00:09:36,140
humans didn't know that but we didn't

206
00:09:40,720 --> 00:09:37,550
know why you know I couldn't figure it

207
00:09:45,220 --> 00:09:40,730
out and I had planted visited the planet

208
00:09:47,890 --> 00:09:45,230
in my and not in as a human and had

209
00:09:53,350 --> 00:09:47,900
walked among the humans and totally

210
00:09:57,580 --> 00:09:53,360
intrigued by them the earth humans are

211
00:10:00,040 --> 00:09:57,590
known as fascinating creatures because

212
00:10:01,750 --> 00:10:00,050
they they have resilience that's what I

213
00:10:03,310 --> 00:10:01,760

remember think about them they have

214

00:10:04,810 --> 00:10:03,320

resilience they have this they get

215

00:10:06,970 --> 00:10:04,820

knocked down and they just keep coming

216

00:10:12,450 --> 00:10:06,980

back they get up over and over again and

217

00:10:20,080 --> 00:10:15,570

adventuresome and creative and

218

00:10:24,430 --> 00:10:20,090

intelligent and they are resilience is

219

00:10:26,020 --> 00:10:24,440

what amazed me the most and we just

220

00:10:28,030 --> 00:10:26,030

wanted to I just want to know what made

221

00:10:29,560 --> 00:10:28,040

them tick I was frustrated with them too

222

00:10:31,360 --> 00:10:29,570

because I did not like the way they

223

00:10:34,030 --> 00:10:31,370

plant they treated their planet in

224

00:10:35,770 --> 00:10:34,040

general once you're here you see it all

225

00:10:37,930 --> 00:10:35,780

together different you realize the

226

00:10:41,460 --> 00:10:37,940

control and the domination that's that's

227

00:10:44,350 --> 00:10:41,470

there and how you are totally

228

00:10:45,970 --> 00:10:44,360

brainwashed from the time you come onto

229

00:10:49,180 --> 00:10:45,980

the planet and you're born under the

230

00:10:52,770 --> 00:10:49,190

planet and right away the control system

231

00:10:54,940 --> 00:10:52,780

kicks in and you are kept in distraction

232

00:10:56,290 --> 00:10:54,950

so you don't have time to remember who

233

00:10:58,150 --> 00:10:56,300

you are you don't have time to think

234

00:11:01,120 --> 00:10:58,160

about it you're busy trying to make

235

00:11:03,010 --> 00:11:01,130

money and to feed your family and do all

236

00:11:05,380 --> 00:11:03,020

the things that you do in the 3d life

237

00:11:07,450 --> 00:11:05,390

that was never intended to be the way

238

00:11:09,400 --> 00:11:07,460

that it was on the planet but that's how

239

00:11:12,070 --> 00:11:09,410

it evolved so once you're here you see

240

00:11:14,890 --> 00:11:12,080

it from a different perspective and and

241

00:11:17,950 --> 00:11:14,900

you see how easy it is to forget your

242

00:11:21,160 --> 00:11:17,960

divinity and you know I can say that

243

00:11:24,160 --> 00:11:21,170

that even that happened with me coming

244

00:11:26,350 --> 00:11:24,170

in I mean I fell into the whole trap of

245

00:11:28,270 --> 00:11:26,360

needing to make money and get ahead and

246

00:11:31,210 --> 00:11:28,280

and you just you forget your connection

247

00:11:34,900 --> 00:11:31,220

to source the main thing that I noticed

248

00:11:36,030 --> 00:11:34,910

when I came here is the separation it

249

00:11:40,350 --> 00:11:36,040

manifests in me

250

00:11:42,840 --> 00:11:40,360

as such homesickness just very homesick

251
00:11:44,879 --> 00:11:42,850
because you cut off from your Creator

252
00:11:48,210 --> 00:11:44,889
and you cut off from your own divine

253
00:11:51,710 --> 00:11:48,220
self and I talked to another volunteer

254
00:11:54,240 --> 00:11:51,720
who said that you know she totally

255
00:11:56,809 --> 00:11:54,250
related to that but then she said the

256
00:11:58,710 --> 00:11:56,819
way I always put it sherry is that I

257
00:12:01,230 --> 00:11:58,720
always felt like there was somebody

258
00:12:02,490 --> 00:12:01,240
missing from my life there's somebody

259
00:12:05,970 --> 00:12:02,500
who's like supposed to be right here

260
00:12:08,759 --> 00:12:05,980
with me who I love intensely and who

261
00:12:10,470 --> 00:12:08,769
loves me and I don't know where they are

262
00:12:13,290 --> 00:12:10,480
they're gone and every day I miss them

263
00:12:15,600 --> 00:12:13,300

and I said that's a better description

264

00:12:18,420 --> 00:12:15,610

than that homesick because that is how

265

00:12:21,620 --> 00:12:18,430

it is for me every morning of every day

266

00:12:25,829 --> 00:12:21,630

of my life I have woken up and I always

267

00:12:27,809 --> 00:12:25,839

think to myself who's missing there's

268

00:12:29,189 --> 00:12:27,819

someone missing I do it even now even

269

00:12:31,650 --> 00:12:29,199

though I know the answer to it I still

270

00:12:33,059 --> 00:12:31,660

might thoughts still go there when

271

00:12:34,860 --> 00:12:33,069

you're in this state of separation when

272

00:12:36,660 --> 00:12:34,870

you're cut off from your Creator it is

273

00:12:39,240 --> 00:12:36,670

the most painful

274

00:12:42,509 --> 00:12:39,250

I think lonely experience a soul can

275

00:12:44,670 --> 00:12:42,519

have so my heart breaks for the earth

276

00:12:47,129 --> 00:12:44,680

humans who have been stuck here on that

277

00:12:48,540 --> 00:12:47,139

recycling thing for so long because

278

00:12:50,430 --> 00:12:48,550

you're bound to forget the truth of who

279

00:12:53,210 --> 00:12:50,440

you are which is why it's been such a

280

00:12:54,870 --> 00:12:53,220

task to try to awaken the earth humans

281

00:12:59,610 --> 00:12:54,880

because they don't even know they're

282

00:13:02,400 --> 00:12:59,620

asleep and that's really tough so coming

283

00:13:06,509 --> 00:13:02,410

in as a volunteer there were some things

284

00:13:08,220 --> 00:13:06,519

that had to be a little bit different

285

00:13:10,650 --> 00:13:08,230

about my situation and those of us who

286

00:13:12,689 --> 00:13:10,660

came in for the one and only time on the

287

00:13:15,540 --> 00:13:12,699

planet for me this is my first time here

288

00:13:18,449 --> 00:13:15,550

is a incarnated human and that's true of

289

00:13:21,150 --> 00:13:18,459

most of us who are volunteers so I came

290

00:13:24,809 --> 00:13:21,160

in and I don't have any karma I don't I

291

00:13:27,269 --> 00:13:24,819

didn't bring in any karma and karma is

292

00:13:28,439 --> 00:13:27,279

part of the trap and I've said this in

293

00:13:30,360 --> 00:13:28,449

other lectures and I'm not going to go

294

00:13:33,389 --> 00:13:30,370

into it a lot but karma has been used

295

00:13:36,870 --> 00:13:33,399

against you karma exists in its purest

296

00:13:40,559 --> 00:13:36,880

sense what it is is simply energy that

297

00:13:42,059 --> 00:13:40,569

needs to be balanced and so the way the

298

00:13:45,900 --> 00:13:42,069

controllers use it against you was to

299

00:13:47,040 --> 00:13:45,910

say that if you hurt someone and I

300

00:13:48,910 --> 00:13:47,050

always use the example if you kill

301

00:13:51,669 --> 00:13:48,920

somebody in this life

302

00:13:52,960 --> 00:13:51,679

after you die you go you know it's

303

00:13:55,090 --> 00:13:52,970

pointed out to you that you know that

304

00:13:57,129 --> 00:13:55,100

you have to come back and pay for that

305

00:13:58,689 --> 00:13:57,139

karma so you come back to balance that

306

00:14:00,939 --> 00:13:58,699

karma and what happens to you is you

307

00:14:03,549 --> 00:14:00,949

know supposedly you have you get killed

308

00:14:05,559 --> 00:14:03,559

or whatever however and that's not how

309

00:14:06,879 --> 00:14:05,569

your balanced karma I mean that doesn't

310

00:14:08,139 --> 00:14:06,889

even make sense if you think about it

311

00:14:10,119 --> 00:14:08,149

what about the person who kills you then

312

00:14:12,729 --> 00:14:10,129

it just perpetuates it which is really

313

00:14:15,639 --> 00:14:12,739

part of the whole program so karma is

314

00:14:17,619 --> 00:14:15,649

about is about balancing energy and the

315

00:14:19,359 --> 00:14:17,629

way that you balance energy is to

316

00:14:20,769 --> 00:14:19,369

neutralize it and you neutralize it by

317

00:14:23,799 --> 00:14:20,779

unconditional love and forgiveness

318

00:14:26,379 --> 00:14:23,809

without judgment you realize you see it

319

00:14:29,590 --> 00:14:26,389

for what it is I'm not saying that

320

00:14:31,869 --> 00:14:29,600

killing somebody is not bad I'm just

321

00:14:34,929 --> 00:14:31,879

saying that on this planet this is a

322

00:14:36,609 --> 00:14:34,939

planet of projection and perception it's

323

00:14:40,509 --> 00:14:36,619

a planet that is an illusion

324

00:14:42,669 --> 00:14:40,519

and so there is no out there so we're

325

00:14:45,639 --> 00:14:42,679

playing a game much like a video game

326

00:14:49,150 --> 00:14:45,649

and so it's wrong to kill somebody but

327

00:14:52,749 --> 00:14:49,160

to balance the energy is by looking at

328

00:14:53,319 --> 00:14:52,759

it recognizing that what you did was not

329

00:14:56,319 --> 00:14:53,329

right

330

00:14:59,639 --> 00:14:56,329

and forgiving yourself for for doing

331

00:15:02,889 --> 00:14:59,649

what you did and loving yourself and

332

00:15:04,539 --> 00:15:02,899

that's how you balance karma neutral is

333

00:15:05,919 --> 00:15:04,549

what you want to do the pendulum swings

334

00:15:07,809 --> 00:15:05,929

back and forth you don't want it on the

335

00:15:10,809 --> 00:15:07,819

positive or the negative you want it

336

00:15:12,159 --> 00:15:10,819

neutral in the middle so I came in with

337

00:15:17,049 --> 00:15:12,169

no Karma so I didn't have to deal with

338

00:15:19,539 --> 00:15:17,059

that and the second thing is I when I

339

00:15:22,479 --> 00:15:19,549

came in I planned my life as a volunteer

340

00:15:24,909 --> 00:15:22,489

I was given certain tasks that I was

341

00:15:26,559 --> 00:15:24,919

supposed to do there were certain things

342

00:15:29,429 --> 00:15:26,569

in my minute what's called the mission

343

00:15:31,619 --> 00:15:29,439

and the mission is everything to my guys

344

00:15:33,609 --> 00:15:31,629

the ones that I'm in contact with

345

00:15:36,189 --> 00:15:33,619

everything comes down to the mission the

346

00:15:36,759 --> 00:15:36,199

mission comes first so I don't there's

347

00:15:40,929 --> 00:15:36,769

no free will

348

00:15:42,489 --> 00:15:40,939

for me I might get to pick what I want

349

00:15:44,559 --> 00:15:42,499

for dinner but other than that my life

350

00:15:48,249 --> 00:15:44,569

went very specifically according to a

351

00:15:53,439 --> 00:15:48,259

plan that was laid out and I had no

352

00:15:55,210 --> 00:15:53,449

deviation from that none and freewill is

353

00:15:56,229 --> 00:15:55,220

another one of those things that on

354

00:16:00,039 --> 00:15:56,239

planet Earth

355

00:16:02,970 --> 00:16:00,049

I'm amused by it because there are a lot

356

00:16:08,080 --> 00:16:02,980

of people who believe that free will

357

00:16:10,420 --> 00:16:08,090

is a really good thing and I'm gonna try

358

00:16:12,220 --> 00:16:10,430

to explain this just my perception that

359

00:16:14,140 --> 00:16:12,230

again it doesn't matter if you know if

360

00:16:16,450 --> 00:16:14,150

it resonates with you or not but free

361

00:16:17,950 --> 00:16:16,460

will is well let's look at the

362

00:16:19,780 --> 00:16:17,960

definition here I looked it up and I was

363

00:16:22,150 --> 00:16:19,790

surprised to see this definition it says

364

00:16:24,220 --> 00:16:22,160

freedom of humans to make choices that

365

00:16:27,160 --> 00:16:24,230

are not determined by prior causes or by

366

00:16:29,590 --> 00:16:27,170

divine intervention and right there

367

00:16:31,510 --> 00:16:29,600

that's a from I think it's the Merriam

368

00:16:33,760 --> 00:16:31,520

dictionary I was really surprised to see

369

00:16:36,670 --> 00:16:33,770

that because that's that's absolutely

370

00:16:38,260 --> 00:16:36,680

true if you're a human you can make a

371

00:16:40,780 --> 00:16:38,270

choice and you don't have to consider

372

00:16:43,750 --> 00:16:40,790

what's what the divine in you would

373

00:16:45,610 --> 00:16:43,760

choose so it means you're choosing other

374

00:16:46,840 --> 00:16:45,620

than what is in your highest and best

375

00:16:48,430 --> 00:16:46,850

interest and the highest and best

376

00:16:50,920 --> 00:16:48,440

interest of all concerned you're

377

00:16:54,900 --> 00:16:50,930

choosing other than what the Creator

378

00:16:57,100 --> 00:16:54,910

within you would have you choose so if

379

00:17:01,090 --> 00:16:57,110

you have freewill

380

00:17:02,710 --> 00:17:01,100

it means you're choosing from the part

381

00:17:06,400 --> 00:17:02,720

of you that is not aligned with the

382

00:17:07,449 --> 00:17:06,410

divine so you've got the divine which is

383

00:17:09,220 --> 00:17:07,459

the truth of who you are and then you've

384

00:17:12,760 --> 00:17:09,230

got what they call the ego which is just

385

00:17:15,550 --> 00:17:12,770

your little self the small self the side

386

00:17:18,040 --> 00:17:15,560

of you that is not aligned with the with

387

00:17:19,840 --> 00:17:18,050

the Creator say it's kind of like the

388

00:17:20,949 --> 00:17:19,850

devil on one shoulder and the angel on

389

00:17:22,630 --> 00:17:20,959

the other which one are you gonna listen

390

00:17:24,730 --> 00:17:22,640

to if you're to if you're going to go

391

00:17:25,929 --> 00:17:24,740

with freewill a lot of times you didn't

392

00:17:29,770 --> 00:17:25,939

listen to the little devil

393

00:17:32,230 --> 00:17:29,780

and that's why freewill is actually a

394

00:17:35,320 --> 00:17:32,240

big problem with what went wrong on

395

00:17:37,360 --> 00:17:35,330

planet Earth the humans human souls who

396

00:17:41,800 --> 00:17:37,370

are here asked collectively asked for

397

00:17:42,970 --> 00:17:41,810

freewill and the Creator granted that it

398

00:17:44,710 --> 00:17:42,980

was an experiment to see what would

399

00:17:47,440 --> 00:17:44,720

happen if if they were given free will

400

00:17:49,510 --> 00:17:47,450

well what happened was it just spiraled

401
00:17:52,240 --> 00:17:49,520
too much into fear and so we have the

402
00:17:54,010 --> 00:17:52,250
mess on planet Earth that we have by

403
00:17:56,290 --> 00:17:54,020
people choosing using their free will

404
00:17:58,900 --> 00:17:56,300
instead of what is divine their divine

405
00:18:02,110 --> 00:17:58,910
guidance would have them do that's just

406
00:18:04,210 --> 00:18:02,120
me that's my that's the way that I look

407
00:18:07,090 --> 00:18:04,220
at it but anyway I have no free will

408
00:18:08,560 --> 00:18:07,100
I gave I surrender that when I came in

409
00:18:10,810 --> 00:18:08,570
every decision a major decision

410
00:18:14,710 --> 00:18:10,820
everything in my life has been

411
00:18:16,120 --> 00:18:14,720
controlled either I'm pushed or I just

412
00:18:19,660 --> 00:18:16,130
innately know what I was

413
00:18:23,200 --> 00:18:19,670

to do but mostly I'm just told all my

414

00:18:24,580 --> 00:18:23,210

life I'm told everything who I was

415

00:18:27,130 --> 00:18:24,590

supposed to marry and have children with

416

00:18:30,010 --> 00:18:27,140

I was told who all my relationships I

417

00:18:32,590 --> 00:18:30,020

was told my career everything was chosen

418

00:18:34,720 --> 00:18:32,600

for me well well it's not really chosen

419

00:18:37,090 --> 00:18:34,730

for me that would be the truth of it is

420

00:18:40,870 --> 00:18:37,100

chosen by my Higher Self the one that I

421

00:18:43,240 --> 00:18:40,880

refer to as da is I believe an aspect of

422

00:18:45,490 --> 00:18:43,250

me on a higher level and so it's

423

00:18:48,010 --> 00:18:45,500

actually my Higher Self so when I say I

424

00:18:49,660 --> 00:18:48,020

have no free will I'm in alignment with

425

00:18:51,460 --> 00:18:49,670

what's my highest and best interests and

426
00:18:55,390 --> 00:18:51,470
highest and best interest for my mission

427
00:18:57,520 --> 00:18:55,400
as a volunteer here so I freely agreed

428
00:19:01,540 --> 00:18:57,530
to that so we could say I use my free

429
00:19:05,260 --> 00:19:01,550
will to to not have free will so I'm

430
00:19:07,600 --> 00:19:05,270
going to tell the story about getting

431
00:19:08,970 --> 00:19:07,610
the book and if any of you've read my

432
00:19:16,000 --> 00:19:08,980
book or if you're familiar with my story

433
00:19:18,420 --> 00:19:16,010
you know that it was in 2010 that after

434
00:19:21,010 --> 00:19:18,430
20 years almost 20 years of my guys

435
00:19:22,900 --> 00:19:21,020
keeping a low profile in my life they

436
00:19:25,090 --> 00:19:22,910
weren't coming around only once in a

437
00:19:27,040 --> 00:19:25,100
while to tweak my body and keep me in

438
00:19:29,440 --> 00:19:27,050

good health other than that I had 20

439

00:19:31,450 --> 00:19:29,450

years of being what I want which was

440

00:19:33,640 --> 00:19:31,460

they granted me 20 years of being its

441

00:19:35,800 --> 00:19:33,650

normal a human as you can as I could be

442

00:19:37,720 --> 00:19:35,810

and I really relished that and those

443

00:19:40,720 --> 00:19:37,730

were 20 really great years in my life

444

00:19:42,730 --> 00:19:40,730

but at the end of that it was 2012 2010

445

00:19:45,700 --> 00:19:42,740

when in the middle of the night my guys

446

00:19:49,330 --> 00:19:45,710

came in came in and he told me that the

447

00:19:50,920 --> 00:19:49,340

planet Earth was now he told me about

448

00:19:52,180 --> 00:19:50,930

the great earth changes and he said that

449

00:19:56,620 --> 00:19:52,190

great earth changes are well underway

450

00:20:00,310 --> 00:19:56,630

now and I there's work to be done and I

451
00:20:02,800 --> 00:20:00,320
said okay my vacation was over time to

452
00:20:05,590 --> 00:20:02,810
get to work and he told me I had to

453
00:20:09,820 --> 00:20:05,600
write a book and I said okay that I

454
00:20:12,640 --> 00:20:09,830
would do that and I was to write the

455
00:20:14,380 --> 00:20:12,650
book about my experiences with them my

456
00:20:17,590 --> 00:20:14,390
contact experiences abductions as they

457
00:20:18,730 --> 00:20:17,600
were called and I thought well write the

458
00:20:21,970 --> 00:20:18,740
book but I don't know what I'm gonna say

459
00:20:23,800 --> 00:20:21,980
about it I I was mostly unaware I had

460
00:20:26,110 --> 00:20:23,810
some conscious memories but a lot of my

461
00:20:28,570 --> 00:20:26,120
memories were buried but I said okay

462
00:20:29,980 --> 00:20:28,580
I'll write the book so I interviewed Don

463
00:20:34,630 --> 00:20:29,990

Schmidt who was the investor

464

00:20:38,140 --> 00:20:34,640

on my case and I prepared to get ready

465

00:20:39,790 --> 00:20:38,150

to write a book and then one day I just

466

00:20:42,130 --> 00:20:39,800

thought why would I do that

467

00:20:44,799 --> 00:20:42,140

why would I write a book about this and

468

00:20:47,770 --> 00:20:44,809

out myself and face all the ridicule and

469

00:20:49,810 --> 00:20:47,780

everything that goes along with that so

470

00:20:52,720 --> 00:20:49,820

I put it on the shelf I decided I'm not

471

00:20:56,430 --> 00:20:52,730

writing the book and I went off to

472

00:20:58,690 --> 00:20:56,440

Arizona with my dad for the winter and

473

00:21:02,740 --> 00:20:58,700

while I was down there one day

474

00:21:04,570 --> 00:21:02,750

I just came awake I don't know I was

475

00:21:07,090 --> 00:21:04,580

just it just came out of darkness and I

476

00:21:10,419 --> 00:21:07,100

was sitting at the table and I was

477

00:21:13,930 --> 00:21:10,429

typing away on my keyboard and I was

478

00:21:15,730 --> 00:21:13,940

writing a book and I didn't know that's

479

00:21:18,910 --> 00:21:15,740

what I was doing I I had never used my

480

00:21:20,350 --> 00:21:18,920

computer to just write like that so I

481

00:21:22,150 --> 00:21:20,360

didn't know for sure what I was doing

482

00:21:24,669 --> 00:21:22,160

and I read part of it to see what I was

483

00:21:27,580 --> 00:21:24,679

writing and I saw it was the book and I

484

00:21:30,310 --> 00:21:27,590

said oh no I'm not I'm not doing this

485

00:21:33,490 --> 00:21:30,320

and I heard his voice and he said it is

486

00:21:35,020 --> 00:21:33,500

time he likes to say that it is time and

487

00:21:37,450 --> 00:21:35,030

I said I don't care I said I'm not

488

00:21:41,110 --> 00:21:37,460

writing the book and he goes it is time

489

00:21:42,970 --> 00:21:41,120

sherry and I said not doing it but out

490

00:21:45,130 --> 00:21:42,980

of curiosity I went back I was on page

491

00:21:47,020 --> 00:21:45,140

three it turns out of the book beginning

492

00:21:49,419 --> 00:21:47,030

of this book and I started I read it and

493

00:21:53,230 --> 00:21:49,429

I could see that I was writing things

494

00:21:55,870 --> 00:21:53,240

that were buried memories for me and so

495

00:21:59,350 --> 00:21:55,880

I was intrigued by it I have I got I got

496

00:22:03,520 --> 00:21:59,360

suckered into it and so I along with

497

00:22:05,890 --> 00:22:03,530

them we wrote the book together seems

498

00:22:07,870 --> 00:22:05,900

like that makes me weak minded but

499

00:22:09,160 --> 00:22:07,880

actually I mean I was very I was very

500

00:22:11,470 --> 00:22:09,170

curious because I got a lot of answers

501
00:22:13,390 --> 00:22:11,480
to what had been going on in my life so

502
00:22:14,890 --> 00:22:13,400
I wrote the book but then see I thought

503
00:22:16,930 --> 00:22:14,900
I had the last laugh because I went back

504
00:22:20,640 --> 00:22:16,940
to Wisconsin and I didn't do anything

505
00:22:23,020 --> 00:22:20,650
with the manuscript I just sat on it

506
00:22:27,160 --> 00:22:23,030
because I didn't want to publish the

507
00:22:28,960 --> 00:22:27,170
book get it published so I was being

508
00:22:32,290 --> 00:22:28,970
pushed to send it to a publisher and I

509
00:22:34,150 --> 00:22:32,300
just was ignoring it but I should have

510
00:22:36,040 --> 00:22:34,160
well at that point I was pretty new in

511
00:22:41,409 --> 00:22:36,050
this so I didn't really realize I didn't

512
00:22:42,630 --> 00:22:41,419
have any say in it one day I went to get

513
00:22:46,470 --> 00:22:42,640

some Reiki

514

00:22:48,330 --> 00:22:46,480

and my guy will always enjoyed when I

515

00:22:49,950 --> 00:22:48,340

would come in because when he would do

516

00:22:53,399 --> 00:22:49,960

Reiki on me the room would fill up with

517

00:22:55,950 --> 00:22:53,409

usually my my guys my ETS and he eyes

518

00:22:57,389 --> 00:22:55,960

got a kick out of that and afterwards he

519

00:22:59,549 --> 00:22:57,399

would always tell me you know what he

520

00:23:00,630 --> 00:22:59,559

experienced by that and sometimes there

521

00:23:02,730 --> 00:23:00,640

were messages and was always pretty

522

00:23:07,350 --> 00:23:02,740

interesting for both of us so this time

523

00:23:09,419 --> 00:23:07,360

I went to him and he after the Reiki was

524

00:23:11,220 --> 00:23:09,429

over he was pretty excited and he said

525

00:23:12,690 --> 00:23:11,230

boy you'll never guess the cherry

526

00:23:13,620 --> 00:23:12,700

instead of your et friends they said

527

00:23:15,899 --> 00:23:13,630

there were a few of them there but the

528

00:23:18,629 --> 00:23:15,909

room was packed and he said around the

529

00:23:20,129 --> 00:23:18,639

table were all angels and he said there

530

00:23:21,090 --> 00:23:20,139

were like six angels in there six or

531

00:23:23,310 --> 00:23:21,100

seven angels he said they're all

532

00:23:25,950 --> 00:23:23,320

surrounding the table which it was not

533

00:23:27,289 --> 00:23:25,960

uncommon for me to open my eyes while I

534

00:23:30,180 --> 00:23:27,299

was getting Reiki because I could feel

535

00:23:31,500 --> 00:23:30,190

many sets of hands on me often up to

536

00:23:33,720 --> 00:23:31,510

five different sets of hands and I'd

537

00:23:36,450 --> 00:23:33,730

always was opening my eyes to see what

538

00:23:38,460 --> 00:23:36,460

was going on and this was one of those

539

00:23:39,720 --> 00:23:38,470

times that that had happened and he said

540

00:23:41,310 --> 00:23:39,730

you know the Angels you said I

541

00:23:43,169 --> 00:23:41,320

acknowledged them all and I said before

542

00:23:45,330 --> 00:23:43,179

we get started everyone should introduce

543

00:23:47,720 --> 00:23:45,340

themselves so he went around the table

544

00:23:50,159 --> 00:23:47,730

and he said there was this one

545

00:23:52,919 --> 00:23:50,169

impressive angel standing up by my head

546

00:23:56,519 --> 00:23:52,929

and he said we got to his to him and he

547

00:23:58,049 --> 00:23:56,529

said he was Gabriel and we all said well

548

00:24:00,090 --> 00:23:58,059

you wouldn't happen to be Archangel

549

00:24:02,519 --> 00:24:00,100

Gabriel would you and he said an answer

550

00:24:04,320 --> 00:24:02,529

he started to unfurl his wings and he

551
00:24:07,860 --> 00:24:04,330
said no that's okay you don't have to

552
00:24:10,500 --> 00:24:07,870
and he said Archangel Gabriel came and

553
00:24:12,230 --> 00:24:10,510
he said he has a message for you and I

554
00:24:14,820 --> 00:24:12,240
said really

555
00:24:17,159 --> 00:24:14,830
that kind of made me nervous

556
00:24:20,190 --> 00:24:17,169
and I was a little bit in awe of that

557
00:24:23,009 --> 00:24:20,200
and I said what was the message and he

558
00:24:24,720 --> 00:24:23,019
said well he said you wrote a book and

559
00:24:27,180 --> 00:24:24,730
he said you're supposed to hit get it

560
00:24:29,190 --> 00:24:27,190
published and I said what are you

561
00:24:31,470 --> 00:24:29,200
kidding me Archangel Gabriel came to

562
00:24:34,049 --> 00:24:31,480
tell you that yes yeah you have to get

563
00:24:36,029 --> 00:24:34,059

that book published you got a good scent

564

00:24:37,710 --> 00:24:36,039

off and it'll get published and then

565

00:24:41,310 --> 00:24:37,720

you're going to be publicly speaking and

566

00:24:44,399 --> 00:24:41,320

then it will be made into a movie and I

567

00:24:47,190 --> 00:24:44,409

said no we're really and he said yeah he

568

00:24:49,649 --> 00:24:47,200

said I'm just giving you the message so

569

00:24:54,149 --> 00:24:49,659

I didn't know how to feel about it I was

570

00:24:55,010 --> 00:24:54,159

a little bit angry I didn't want to do

571

00:24:57,530 --> 00:24:55,020

it

572

00:25:03,110 --> 00:24:57,540

but I went home and I googled our gange

573

00:25:07,100 --> 00:25:03,120

of Gabrielle and the definition that I

574

00:25:08,900 --> 00:25:07,110

found came close to this one where he's

575

00:25:10,190 --> 00:25:08,910

thought to be a Messenger of God and

576
00:25:13,460 --> 00:25:10,200
regarded as a strong and most powerful

577
00:25:14,960 --> 00:25:13,470
angel in the angelic realm but Gabrielle

578
00:25:16,870 --> 00:25:14,970
is the angel that works the closest with

579
00:25:20,330 --> 00:25:16,880
mankind making him the patron saint of

580
00:25:22,100 --> 00:25:20,340
communication workers that's the part

581
00:25:23,510 --> 00:25:22,110
that impressed me he's the angel of

582
00:25:26,480 --> 00:25:23,520
strength and protection and a ways to

583
00:25:28,640 --> 00:25:26,490
help you with communicating the

584
00:25:30,830 --> 00:25:28,650
definition I read went on to say that he

585
00:25:33,110 --> 00:25:30,840
assists like in movies and in books and

586
00:25:37,130 --> 00:25:33,120
in writing articles and it was all about

587
00:25:40,130 --> 00:25:37,140
communication and I thought man that

588
00:25:44,660 --> 00:25:40,140

just that's pretty interesting

589

00:25:47,660 --> 00:25:44,670

so I did angrily I guess with some

590

00:25:49,790 --> 00:25:47,670

resentment but I did sit down at the and

591

00:25:52,340 --> 00:25:49,800

I googled how to how to get a book

592

00:25:56,320 --> 00:25:52,350

published and I and I sent the book off

593

00:25:58,190 --> 00:25:56,330

to five or six different publishers I

594

00:26:00,290 --> 00:25:58,200

think two of them were out of business

595

00:26:02,870 --> 00:26:00,300

and then I got an acceptance by three

596

00:26:06,680 --> 00:26:02,880

and so the book ended up getting

597

00:26:08,990 --> 00:26:06,690

published and that's it right there and

598

00:26:12,200 --> 00:26:09,000

it's just a little book you wouldn't

599

00:26:15,080 --> 00:26:12,210

think that it was any big deal it's not

600

00:26:17,780 --> 00:26:15,090

a big deal but apparently because the

601
00:26:20,630 --> 00:26:17,790
book came through me there is something

602
00:26:25,280 --> 00:26:20,640
about the frequency in the book that

603
00:26:26,450 --> 00:26:25,290
does cause the book to be I hand up and

604
00:26:27,860 --> 00:26:26,460
they actually end up in the hands of

605
00:26:30,380 --> 00:26:27,870
those who are ready to hear the message

606
00:26:33,020 --> 00:26:30,390
it helps to trigger an awakening in them

607
00:26:34,250 --> 00:26:33,030
of their experiences to the extent that

608
00:26:38,390 --> 00:26:34,260
they are ready to remember their

609
00:26:40,220 --> 00:26:38,400
experiences and as far as the book being

610
00:26:42,200 --> 00:26:40,230
made into a movie that is in the works

611
00:26:43,970 --> 00:26:42,210
we'll see what happens

612
00:26:46,100 --> 00:26:43,980
it's in the pipeline it's been for a

613
00:26:50,030 --> 00:26:46,110

long time but it's very aggressively now

614

00:26:54,230 --> 00:26:50,040

just recently it's supposed to be

615

00:26:56,510 --> 00:26:54,240

there's a manual or a screenplay I guess

616

00:26:58,070 --> 00:26:56,520

being written and we've got some I guess

617

00:27:01,610 --> 00:26:58,080

some studios interested we'll see I

618

00:27:04,610 --> 00:27:01,620

guess if the Archangels want it and the

619

00:27:06,330 --> 00:27:04,620

ETS want it and if there's enough power

620

00:27:09,060 --> 00:27:06,340

behind them to make it happen I guess

621

00:27:14,279 --> 00:27:09,070

and we'll see but for me the whole

622

00:27:15,060 --> 00:27:14,289

takeaway on this experience is if you're

623

00:27:16,740 --> 00:27:15,070

here on a mission

624

00:27:18,990 --> 00:27:16,750

and you took about to perform and

625

00:27:21,630 --> 00:27:19,000

complete certain tasks you'll be held to

626

00:27:23,789 --> 00:27:21,640

those vows even if you don't want it to

627

00:27:25,500 --> 00:27:23,799

and I really did not want to publish

628

00:27:28,649 --> 00:27:25,510

this book and I get emails from people

629

00:27:31,200 --> 00:27:28,659

every day thanking me for my courage and

630

00:27:34,620 --> 00:27:31,210

my bravery for doing what I'm doing and

631

00:27:37,049 --> 00:27:34,630

I always say I'm not courageous and I'm

632

00:27:38,610 --> 00:27:37,059

not brave I was shoved into doing this

633

00:27:40,200 --> 00:27:38,620

you know I volunteered to do it before I

634

00:27:42,419 --> 00:27:40,210

came here before I realized how hard it

635

00:27:44,010 --> 00:27:42,429

was going to be and I have to honor the

636

00:27:46,139 --> 00:27:44,020

vow and the promise that I made to do

637

00:27:49,740 --> 00:27:46,149

this to complete this mission so I'm

638

00:27:51,029 --> 00:27:49,750

doing that but it probably doesn't it

639

00:27:54,090 --> 00:27:51,039

doesn't make me brave what it makes me

640

00:27:56,220 --> 00:27:54,100

as probably naive you know I was I was

641

00:27:58,529 --> 00:27:56,230

naive before I came here and didn't know

642

00:28:01,560 --> 00:27:58,539

what I was what I was I kind of bit off

643

00:28:03,180 --> 00:28:01,570

too much I think the second takeaway

644

00:28:05,630 --> 00:28:03,190

from this whole experience is that the

645

00:28:08,039 --> 00:28:05,640

ETS and the angelic realm work together

646

00:28:09,240 --> 00:28:08,049

Whitley Strieber I heard him at contact

647

00:28:11,430 --> 00:28:09,250

in the desert the last time I was well

648

00:28:14,430 --> 00:28:11,440

enough to go to that he was talking

649

00:28:16,169 --> 00:28:14,440

about that same thing and that

650

00:28:18,389 --> 00:28:16,179

definitely proves to me that our

651
00:28:19,710 --> 00:28:18,399
Archangel Gabriel was there to push me

652
00:28:22,049 --> 00:28:19,720
into getting that book published means

653
00:28:25,590 --> 00:28:22,059
there's communication going on in all

654
00:28:27,630 --> 00:28:25,600
realms it's all it's all for the highest

655
00:28:30,000 --> 00:28:27,640
the best interests for the planet that's

656
00:28:32,279 --> 00:28:30,010
what they're all working for people on

657
00:28:34,409 --> 00:28:32,289
this planet have no idea what an

658
00:28:37,110 --> 00:28:34,419
auspicious time this is and what's

659
00:28:39,600 --> 00:28:37,120
really happening it's huge there's never

660
00:28:42,600 --> 00:28:39,610
been anything happened on this planet

661
00:28:44,880 --> 00:28:42,610
that's anywhere near the level of what's

662
00:28:47,190 --> 00:28:44,890
happening now not even close to it

663
00:28:50,820 --> 00:28:47,200

nothing has come close to what's going

664

00:28:52,500 --> 00:28:50,830

down it's very interesting so I'm going

665

00:28:54,180 --> 00:28:52,510

to share another story and I threw this

666

00:28:56,820 --> 00:28:54,190

one in just because I like it it amuses

667

00:28:59,070 --> 00:28:56,830

me so I hope you enjoy it but it's kind

668

00:29:00,600 --> 00:28:59,080

of a fun and it's it's one that I have

669

00:29:02,760 --> 00:29:00,610

tons of these stories because my life is

670

00:29:05,850 --> 00:29:02,770

everyday it's just a weirder than hell

671

00:29:08,700 --> 00:29:05,860

so I can you just pull out anything from

672

00:29:10,470 --> 00:29:08,710

anywhere you know and just lots of

673

00:29:12,990 --> 00:29:10,480

stories so this one is one of my

674

00:29:18,810 --> 00:29:13,000

favorites it just happened in the summer

675

00:29:19,950 --> 00:29:18,820

of 2017 my guys told me I needed to go

676
00:29:21,210 --> 00:29:19,960
to the desert

677
00:29:23,760 --> 00:29:21,220
for the winter they wanted me down in

678
00:29:25,140 --> 00:29:23,770
Arizona for the winter and I thought

679
00:29:31,310 --> 00:29:25,150
that sounded really nice because I love

680
00:29:38,430 --> 00:29:33,720
but I didn't respond I just listened to

681
00:29:42,330 --> 00:29:38,440
him and after a couple weeks they came

682
00:29:43,800 --> 00:29:42,340
back in again and said you're not making

683
00:29:45,780 --> 00:29:43,810
plans you have to go to the desert for

684
00:29:48,540 --> 00:29:45,790
the winter we want you in the desert for

685
00:29:51,180 --> 00:29:48,550
the winter and I said you know do I have

686
00:29:53,550 --> 00:29:51,190
to explain this to you you know this is

687
00:29:58,140 --> 00:29:53,560
the world of money and you know I lost

688
00:30:02,220 --> 00:29:58,150

everything in 2010 I was wiped out

689

00:30:05,730 --> 00:30:02,230

financially and I said I can't afford to

690

00:30:07,860 --> 00:30:05,740

go to the desert and it takes a lot of

691

00:30:09,420 --> 00:30:07,870

money to rent a place plus it means I'll

692

00:30:11,790 --> 00:30:09,430

be gone from work and if I'm gone from

693

00:30:13,200 --> 00:30:11,800

work I don't have the opportunity to

694

00:30:15,180 --> 00:30:13,210

make money and I'm really struggling

695

00:30:16,560 --> 00:30:15,190

making a living because you know what it

696

00:30:18,950 --> 00:30:16,570

turns out that people don't like to do

697

00:30:23,550 --> 00:30:18,960

business with people who claim to have

698

00:30:26,430 --> 00:30:23,560

well to frolic with ETS you know so yeah

699

00:30:29,280 --> 00:30:26,440

you know they think you're crazy so my

700

00:30:31,530 --> 00:30:29,290

business is down 80 percent I mean I

701
00:30:34,470 --> 00:30:31,540
never worked as hard as I'm working now

702
00:30:36,810 --> 00:30:34,480
I I'm in real estate and so I made the

703
00:30:39,150 --> 00:30:36,820
connection and I show properties to

704
00:30:41,130 --> 00:30:39,160
people and I go so far as to have them I

705
00:30:42,360 --> 00:30:41,140
just had one recently say thanks for

706
00:30:43,260 --> 00:30:42,370
showing us that property we love it

707
00:30:45,330 --> 00:30:43,270
we're going to buy it but we're not

708
00:30:48,180 --> 00:30:45,340
using you you know they Google me and

709
00:30:51,050 --> 00:30:48,190
they find out my connection they see the

710
00:30:53,300 --> 00:30:51,060
videos they see the book they see the

711
00:30:56,490 --> 00:30:53,310
whole connection to the aliens and

712
00:30:59,790 --> 00:30:56,500
scares the bejesus out of them so they

713
00:31:01,950 --> 00:30:59,800

can't run away fast enough so I'm

714

00:31:05,010 --> 00:31:01,960

struggling financially you know and so

715

00:31:07,410 --> 00:31:05,020

and I'm not well enough to make a living

716

00:31:10,470 --> 00:31:07,420

by going around lecturing like this

717

00:31:12,420 --> 00:31:10,480

either so I'm stuck between a rock and a

718

00:31:14,520 --> 00:31:12,430

hard place so I got a little to see with

719

00:31:15,870 --> 00:31:14,530

my guys and I said you know that sounds

720

00:31:17,460 --> 00:31:15,880

really nice but I can't go because I

721

00:31:19,680 --> 00:31:17,470

don't have the money and this is why and

722

00:31:23,820 --> 00:31:19,690

that was the end of it they didn't even

723

00:31:27,000 --> 00:31:23,830

respond so at some point and I don't

724

00:31:29,400 --> 00:31:27,010

know timewise because but maybe a week

725

00:31:32,180 --> 00:31:29,410

it was or two weeks I'm not sure but it

726
00:31:33,870 --> 00:31:32,190
was sometime in August I believe of 2017

727
00:31:36,860 --> 00:31:33,880
when I was

728
00:31:39,690 --> 00:31:36,870
falling asleep at night and I was

729
00:31:41,880 --> 00:31:39,700
focused my thoughts before I policy if

730
00:31:44,430 --> 00:31:41,890
I've always trained myself to to go to

731
00:31:46,320 --> 00:31:44,440
my happy place which is to go think

732
00:31:49,710 --> 00:31:46,330
about my my Creator and think about

733
00:31:54,930 --> 00:31:49,720
oneness and and fall asleep and a high

734
00:31:56,250 --> 00:31:54,940
level of high vibration and I was doing

735
00:32:00,000 --> 00:31:56,260
that and I was just about to fall asleep

736
00:32:01,590 --> 00:32:00,010
when all of a sudden you know they give

737
00:32:05,010 --> 00:32:01,600
you this screen if you've heard me talk

738
00:32:06,690 --> 00:32:05,020

before or any contacts contact these

739

00:32:08,790 --> 00:32:06,700

they put a screen in front of your eyes

740

00:32:10,140 --> 00:32:08,800

and it's just it just encompasses your

741

00:32:12,210 --> 00:32:10,150

whole vision for the most part they've

742

00:32:13,830 --> 00:32:12,220

done it while I've been driving they

743

00:32:15,360 --> 00:32:13,840

once did it while I was driving it so

744

00:32:16,980 --> 00:32:15,370

you can actually kind of see around it

745

00:32:18,330 --> 00:32:16,990

or through it but you actually it's like

746

00:32:19,920 --> 00:32:18,340

having a movie you open up right in

747

00:32:21,390 --> 00:32:19,930

front of your eyes so I was falling

748

00:32:25,620 --> 00:32:21,400

asleep and they opened up this vision

749

00:32:27,900 --> 00:32:25,630

and of all things I was in a casino I

750

00:32:31,560 --> 00:32:27,910

was sitting at my favorite video poker

751

00:32:34,740 --> 00:32:31,570

machine yes and so which was really

752

00:32:36,960 --> 00:32:34,750

weird so I'm seeing at a game that's

753

00:32:38,100 --> 00:32:36,970

called hot roll poker and I'm just gonna

754

00:32:40,830 --> 00:32:38,110

take a second to explain it to you

755

00:32:43,680 --> 00:32:40,840

because it's relevant so in the hot roll

756

00:32:45,390 --> 00:32:43,690

poker you get it's either it's a five

757

00:32:48,690 --> 00:32:45,400

card draw poker so your Delta in hand

758

00:32:50,190 --> 00:32:48,700

and if you're playing three hands or

759

00:32:52,230 --> 00:32:50,200

five hands or ten hands you have your

760

00:32:53,880 --> 00:32:52,240

choice I always just play three because

761

00:32:56,340 --> 00:32:53,890

I didn't pour and I can't afford to pay

762

00:32:59,130 --> 00:32:56,350

any like I used to so I played three

763

00:33:01,710 --> 00:32:59,140

four quarters so whatever you get dealt

764

00:33:05,340 --> 00:33:01,720

on that hand is shows up on the other

765

00:33:07,440 --> 00:33:05,350

hands and then and then another feature

766

00:33:09,570 --> 00:33:07,450

of this game is that as random times

767

00:33:12,090 --> 00:33:09,580

throughout the game dice come out and

768

00:33:14,580 --> 00:33:12,100

that will multiply your winnings

769

00:33:16,980 --> 00:33:14,590

so the dice will roll either snake-eyes

770

00:33:20,640 --> 00:33:16,990

to or up to twelve and that'll be what

771

00:33:22,110 --> 00:33:20,650

what you win so if you win \$1000 and it

772

00:33:24,390 --> 00:33:22,120

rolls out of twelve you get twelve

773

00:33:24,990 --> 00:33:24,400

thousand dollars you don't see that very

774

00:33:28,500 --> 00:33:25,000

often

775

00:33:30,840 --> 00:33:28,510

but that's how it works so I'm sitting

776

00:33:33,960 --> 00:33:30,850

I'm all of a sudden seeing this video

777

00:33:36,330 --> 00:33:33,970

poker game in front of me just like I'm

778

00:33:38,280 --> 00:33:36,340

in the casino and I don't think anything

779

00:33:42,810 --> 00:33:38,290

of it I'm used to weird stuff and I just

780

00:33:45,270 --> 00:33:42,820

like okay and I get dealt the game kicks

781

00:33:46,700 --> 00:33:45,280

in and it deals me a royal which is what

782

00:33:47,899 --> 00:33:46,710

you always want to see

783

00:33:50,840 --> 00:33:47,909

as a gambler you want to see get

784

00:33:52,460 --> 00:33:50,850

yourself get dealt Arroyo and it's in

785

00:33:53,750 --> 00:33:52,470

spades and I'm looking at it and I hear

786

00:33:55,820 --> 00:33:53,760

this voice and I don't know who this is

787

00:33:57,919 --> 00:33:55,830

I've not heard this woman before she had

788

00:34:00,590 --> 00:33:57,929

their sweetest voice but she was not my

789

00:34:03,529 --> 00:34:00,600

regular communicators and she said to me

790

00:34:05,419 --> 00:34:03,539

do you like this and I said sure

791

00:34:10,339 --> 00:34:05,429

yes and she said what would you change

792

00:34:13,250 --> 00:34:10,349

and I said well should be hearts so it

793

00:34:16,399 --> 00:34:13,260

instantly was changed hearts and then

794

00:34:17,869 --> 00:34:16,409

the dice start coming out and she

795

00:34:22,310 --> 00:34:17,879

freezes them and she says what would you

796

00:34:25,010 --> 00:34:22,320

like and I say and I don't know why I

797

00:34:28,310 --> 00:34:25,020

said this I didn't say at 12 I said at

798

00:34:30,919 --> 00:34:28,320

least a nine and I don't get to see what

799

00:34:32,690 --> 00:34:30,929

comes out I fall asleep I just pass out

800

00:34:35,000 --> 00:34:32,700

and I don't remember the rest I don't

801
00:34:36,800 --> 00:34:35,010
see the rest of it in the morning I

802
00:34:38,300 --> 00:34:36,810
think about it but I don't even mention

803
00:34:40,040 --> 00:34:38,310
I don't even mention it to Jim I don't

804
00:34:41,270 --> 00:34:40,050
mention it to anybody I just it's one of

805
00:34:44,480 --> 00:34:41,280
those weird things that happens and I

806
00:34:46,070 --> 00:34:44,490
just get on with things two nights later

807
00:34:48,409 --> 00:34:46,080
not that night but then the next night

808
00:34:49,970 --> 00:34:48,419
happens again I'm falling asleep same

809
00:34:52,339 --> 00:34:49,980
thing only this time I get dealt the

810
00:34:54,230 --> 00:34:52,349
Royal get it dealt in hearts and same

811
00:34:55,250 --> 00:34:54,240
voice she goes do you like this and I

812
00:34:58,130 --> 00:34:55,260
said yeah and she's what would you

813
00:34:59,720 --> 00:34:58,140

change I didn't I said it's it's good

814

00:35:01,010 --> 00:34:59,730

and she goes and then the dice come out

815

00:35:04,310 --> 00:35:01,020

same thing freezes it what would you

816

00:35:07,370 --> 00:35:04,320

like I say at least a nine so you know

817

00:35:09,740 --> 00:35:07,380

where this is going right so the next

818

00:35:12,079 --> 00:35:09,750

week yeah next week my girlfriend she

819

00:35:15,829 --> 00:35:12,089

calls me she's like I have Friday off

820

00:35:17,720 --> 00:35:15,839

let's go to the casino I say sure so we

821

00:35:20,240 --> 00:35:17,730

go to the casino I'm not thinking about

822

00:35:23,180 --> 00:35:20,250

the vision not at all not thinking about

823

00:35:26,420 --> 00:35:23,190

it when we get to the casino this guy

824

00:35:31,490 --> 00:35:26,430

opens the door for us and holds it open

825

00:35:32,780 --> 00:35:31,500

as we walk through he says good morning

826

00:35:34,849 --> 00:35:32,790

ladies are you here to bring them to

827

00:35:35,480 --> 00:35:34,859

their knees and my girlfriend laughs and

828

00:35:38,599 --> 00:35:35,490

says Yeah right

829

00:35:40,760 --> 00:35:38,609

and I hear myself say I'm not leaving

830

00:35:42,470 --> 00:35:40,770

here with less than 20 grand and I was

831

00:35:43,730 --> 00:35:42,480

embarrassed that I said that I didn't

832

00:35:45,800 --> 00:35:43,740

say that I don't know who said that but

833

00:35:47,450 --> 00:35:45,810

it came out of my mouth but it came out

834

00:35:49,130 --> 00:35:47,460

real softly I don't know if anybody even

835

00:35:51,290 --> 00:35:49,140

heard me but I was embarrassed by that

836

00:35:52,570 --> 00:35:51,300

and a little bit baffled by it because I

837

00:35:56,540 --> 00:35:52,580

don't play big stakes

838

00:35:58,190 --> 00:35:56,550

so we walk in and we always go into the

839

00:35:59,970 --> 00:35:58,200

side entrance into the no-smoking area

840

00:36:03,270 --> 00:35:59,980

don't go into the main part of the

841

00:36:06,240 --> 00:36:03,280

don't ever smoke you part so we walk in

842

00:36:08,070 --> 00:36:06,250

and there's that game that machine if

843

00:36:10,490 --> 00:36:08,080

there's only one of them and it's empty

844

00:36:13,890 --> 00:36:10,500

it's open so I sit down to play it and

845

00:36:15,630 --> 00:36:13,900

I'm playing it and it's not winning so

846

00:36:18,150 --> 00:36:15,640

at one point I'm looking back over my

847

00:36:19,020 --> 00:36:18,160

shoulder and thinking where am I gonna

848

00:36:21,750 --> 00:36:19,030

move I'm gonna move to a different

849

00:36:24,660 --> 00:36:21,760

machine and the guy next to me makes

850

00:36:26,099 --> 00:36:24,670

this funny grunty sound and I turned to

851
00:36:27,210 --> 00:36:26,109
see what he's looking at he's looked and

852
00:36:28,560 --> 00:36:27,220
he's looking at what's going on he's

853
00:36:29,670 --> 00:36:28,570
looking at my machine and I turned to

854
00:36:32,280 --> 00:36:29,680
look at and sure enough there's the

855
00:36:33,840 --> 00:36:32,290
Royal dealt to me in hearts and I'm

856
00:36:36,060 --> 00:36:33,850
looking at and that's when I remember

857
00:36:37,710 --> 00:36:36,070
the vision and I'm like oh that's what

858
00:36:39,870 --> 00:36:37,720
this was about it's like how could I not

859
00:36:42,240 --> 00:36:39,880
have thought of that but then before I

860
00:36:43,320 --> 00:36:42,250
can go is the dice gonna come out - the

861
00:36:45,510 --> 00:36:43,330
dice were coming out and I was like oh

862
00:36:47,490 --> 00:36:45,520
god it's gonna be a nine sure enough it

863
00:36:49,500 --> 00:36:47,500

was a nine because I didn't think to ask

864

00:36:52,170 --> 00:36:49,510

for it well because I didn't know this

865

00:36:57,030 --> 00:36:52,180

is what gonna happen with it so I ended

866

00:37:01,230 --> 00:36:57,040

up winning \$27,000 playing quarters I

867

00:37:03,349 --> 00:37:01,240

played three hands and so each hand paid

868

00:37:07,440 --> 00:37:03,359

nine thousand times three so got paid

869

00:37:12,810 --> 00:37:07,450

\$27,000 I took \$25,000 in the check and

870

00:37:15,720 --> 00:37:12,820

\$2,000 in cash and I was still under

871

00:37:18,690 --> 00:37:15,730

some strange influence because I got up

872

00:37:22,109 --> 00:37:18,700

with that \$2,000 and I walked back to

873

00:37:24,270 --> 00:37:22,119

high-rollers and I had never been to

874

00:37:26,070 --> 00:37:24,280

high rollers before in this casino I

875

00:37:29,820 --> 00:37:26,080

don't play in high rollers usually and

876

00:37:31,950 --> 00:37:29,830

so this casino was under construction at

877

00:37:33,720 --> 00:37:31,960

the time and he had to walk this and I

878

00:37:36,359 --> 00:37:33,730

don't walk very good but I had to walk

879

00:37:37,740 --> 00:37:36,369

all the way back through there and sat

880

00:37:39,750 --> 00:37:37,750

down and high rollers sat down at a

881

00:37:41,730 --> 00:37:39,760

machine five dollar machine which I

882

00:37:44,880 --> 00:37:41,740

never pay play but that's what I play

883

00:37:49,440 --> 00:37:44,890

played that day and instantly got a

884

00:37:51,240 --> 00:37:49,450

twenty thousand dollar jackpot well if I

885

00:37:53,370 --> 00:37:51,250

started to get freaked out a little bit

886

00:37:56,340 --> 00:37:53,380

it was kind of just I don't know it's

887

00:37:59,400 --> 00:37:56,350

just kind of spooky and I texted my

888

00:38:01,470 --> 00:37:59,410

girlfriend and she came to find me and I

889

00:38:03,870 --> 00:38:01,480

said you got to get me out of here now I

890

00:38:06,359 --> 00:38:03,880

don't know looking back there's a lot of

891

00:38:07,470 --> 00:38:06,369

mistakes that I made you know I maybe

892

00:38:09,390 --> 00:38:07,480

probably should have played the mega

893

00:38:11,220 --> 00:38:09,400

bucks or something or I should whatever

894

00:38:12,940 --> 00:38:11,230

but I'm grateful for that I walked out

895

00:38:15,400 --> 00:38:12,950

of the casino with 49,000

896

00:38:18,070 --> 00:38:15,410

and cash that day because I played while

897

00:38:21,310 --> 00:38:18,080

I was waiting for my friend I think that

898

00:38:22,810 --> 00:38:21,320

was the amount that I was meant to get

899

00:38:28,390 --> 00:38:22,820

it certainly was more than enough to

900

00:38:29,710 --> 00:38:28,400

allow me to to go to Arizona when we got

901

00:38:32,260 --> 00:38:29,720

we left right away we had only been

902

00:38:33,550 --> 00:38:32,270

there about an hour and a half at most I

903

00:38:36,670 --> 00:38:33,560

think we weren't there very long at all

904

00:38:41,320 --> 00:38:36,680

and as we left the casino my friend

905

00:38:44,500 --> 00:38:41,330

Brenda was driving and we weren't even a

906

00:38:46,450 --> 00:38:44,510

mile from the casino when I heard that

907

00:38:48,510 --> 00:38:46,460

sweet ladies that sweet voice lady I

908

00:38:52,210 --> 00:38:48,520

don't know I got to give her a name but

909

00:38:55,600 --> 00:38:52,220

she said to me now can you go to Arizona

910

00:38:57,310 --> 00:38:55,610

for the winter and I said is that what

911

00:38:59,410 --> 00:38:57,320

this is all about and she just laughed

912

00:39:02,470 --> 00:38:59,420

she has this really pretty laugh and she

913

00:39:07,690 --> 00:39:02,480

giggled and so sure enough I went to

914

00:39:10,000 --> 00:39:07,700

Arizona for the winter and so the

915

00:39:12,640 --> 00:39:10,010

takeaway on that for me is there's

916

00:39:14,230 --> 00:39:12,650

support available at times if it's

917

00:39:17,070 --> 00:39:14,240

needed to assure completion of your

918

00:39:19,390 --> 00:39:17,080

mission they wanted me in Arizona and

919

00:39:21,400 --> 00:39:19,400

even my not having money wasn't going to

920

00:39:23,080 --> 00:39:21,410

keep me from that going when they want

921

00:39:26,710 --> 00:39:23,090

you to do something or be somewhere

922

00:39:28,410 --> 00:39:26,720

whatever you do it so they supplied me

923

00:39:31,180 --> 00:39:28,420

with the money to go there I thought

924

00:39:32,740 --> 00:39:31,190

that I was going down to write a book I

925

00:39:34,840 --> 00:39:32,750

thought I was gonna write a book about

926

00:39:37,330 --> 00:39:34,850

what I've gone through since the first

927

00:39:40,570 --> 00:39:37,340

book came out because that story in my

928

00:39:42,970 --> 00:39:40,580

mind is more way more amazing than the

929

00:39:44,920 --> 00:39:42,980

story I tell in the first book but

930

00:39:49,300 --> 00:39:44,930

that's not what they wanted me down

931

00:39:51,880 --> 00:39:49,310

there for first of all they wanted me

932

00:39:53,950 --> 00:39:51,890

down there alone Jim drove me down and

933

00:39:56,620 --> 00:39:53,960

then he flew back to Wisconsin he

934

00:39:59,410 --> 00:39:56,630

couldn't stay and that felt right to me

935

00:40:04,300 --> 00:39:59,420

at the time I went down with just my dog

936

00:40:05,470 --> 00:40:04,310

my Pookie went with me and I was gonna

937

00:40:07,810 --> 00:40:05,480

be there I don't remember I was there

938

00:40:09,850 --> 00:40:07,820

for two months or three months and I

939

00:40:11,110 --> 00:40:09,860

invited four friends to come down to

940

00:40:12,820 --> 00:40:11,120

visit me because I thought well I'm

941

00:40:16,360 --> 00:40:12,830

gonna be down there alone you know all

942

00:40:17,680 --> 00:40:16,370

this time first friend said she couldn't

943

00:40:19,180 --> 00:40:17,690

make it she couldn't get off work second

944

00:40:21,220 --> 00:40:19,190

friend said it doesn't resonate with me

945

00:40:23,260 --> 00:40:21,230

doesn't feel right and by time she said

946

00:40:25,000 --> 00:40:23,270

that I was like yeah that's right

947

00:40:25,680 --> 00:40:25,010

then I was wishing I wouldn't invited

948

00:40:28,500 --> 00:40:25,690

the other two

949

00:40:31,829 --> 00:40:28,510

but I knew that was not gonna be a

950

00:40:33,450 --> 00:40:31,839

problem because the third person she was

951
00:40:35,460 --> 00:40:33,460
in Canada and she just couldn't afford

952
00:40:37,589 --> 00:40:35,470
to fly down there it was over holidays

953
00:40:39,809 --> 00:40:37,599
and and I said no problem no problem

954
00:40:41,460 --> 00:40:39,819
and I again it just felt right not that

955
00:40:45,900 --> 00:40:41,470
I don't love my friends and want to see

956
00:40:48,089 --> 00:40:45,910
them but just didn't feel right the

957
00:40:49,620 --> 00:40:48,099
fourth one was interesting the fourth

958
00:40:51,870 --> 00:40:49,630
friend I was in California she actually

959
00:40:56,279 --> 00:40:51,880
booked her flight and she was coming to

960
00:40:59,010 --> 00:40:56,289
visit and we were on the phone talking

961
00:41:00,089 --> 00:40:59,020
about it and I follow queue I don't know

962
00:41:01,920 --> 00:41:00,099
if you even know who queue is what I

963
00:41:04,559 --> 00:41:01,930

thought oh cute and that day I was kind

964

00:41:05,910 --> 00:41:04,569

of excited about it because queue had

965

00:41:10,589 --> 00:41:05,920

put up some news that was pretty

966

00:41:15,420 --> 00:41:10,599

exciting to me and don't know what that

967

00:41:17,190 --> 00:41:15,430

is that rumbling and I shared with her

968

00:41:18,510 --> 00:41:17,200

it was something to do with I'm in

969

00:41:20,549 --> 00:41:18,520

Arkansas I know but it's something to do

970

00:41:23,130 --> 00:41:20,559

with the Clintons and I was kind of

971

00:41:25,680 --> 00:41:23,140

excited about it and turns out that she

972

00:41:28,140 --> 00:41:25,690

didn't agree with my opinion there and

973

00:41:30,990 --> 00:41:28,150

which was fine and I said that's fine

974

00:41:33,150 --> 00:41:31,000

you know that's fine we disagree on this

975

00:41:36,000 --> 00:41:33,160

and we don't have to talk about it and

976

00:41:36,569 --> 00:41:36,010

she said no she said I can never speak

977

00:41:39,329 --> 00:41:36,579

to you again

978

00:41:41,789 --> 00:41:39,339

she hung up the phone we've been friends

979

00:41:44,190 --> 00:41:41,799

for 15 years or more I don't know how

980

00:41:47,309 --> 00:41:44,200

long and I have never never heard from

981

00:41:49,500 --> 00:41:47,319

her again so that was interesting that

982

00:41:51,750 --> 00:41:49,510

that's how that one went so I spent the

983

00:41:54,930 --> 00:41:51,760

winter alone in Arizona

984

00:41:56,609 --> 00:41:54,940

I didn't hardly leave the house except

985

00:42:00,049 --> 00:41:56,619

to go get groceries and then every day I

986

00:42:02,460 --> 00:42:00,059

would walk as best I could with my dog

987

00:42:07,589 --> 00:42:02,470

my dog can't walk very good either so I

988

00:42:10,559 --> 00:42:07,599

put him in a little stroller and so I

989

00:42:13,319 --> 00:42:10,569

was very much there alone and I was good

990

00:42:16,170 --> 00:42:13,329

with it it was very is a healing time

991

00:42:18,450 --> 00:42:16,180

but the reason they wanted me there was

992

00:42:21,839 --> 00:42:18,460

yeah I needed the rest I needed the

993

00:42:24,359 --> 00:42:21,849

sunshine I needed the down time but they

994

00:42:27,349 --> 00:42:24,369

wanted me there for my mission for what

995

00:42:29,670 --> 00:42:27,359

I did at night and I have always had

996

00:42:31,740 --> 00:42:29,680

another life that runs parallel to this

997

00:42:33,660 --> 00:42:31,750

life we all do you know we're

998

00:42:34,990 --> 00:42:33,670

multi-dimensional so we are having lots

999

00:42:36,670 --> 00:42:35,000

of lives going on at the same time

1000

00:42:39,880 --> 00:42:36,680

I'm not gonna get in that whole

1001
00:42:42,160 --> 00:42:39,890
conversation but what I mean is I have

1002
00:42:44,490 --> 00:42:42,170
another life running parallel to this

1003
00:42:47,350 --> 00:42:44,500
life in this on this timeline and that

1004
00:42:49,510 --> 00:42:47,360
is the life that I have at night or when

1005
00:42:51,610 --> 00:42:49,520
I'm sleeping or even sometimes when I'm

1006
00:42:55,750 --> 00:42:51,620
not it's just it's what I would call my

1007
00:42:58,780 --> 00:42:55,760
probably my et life so they wanted me

1008
00:43:01,300 --> 00:42:58,790
there because at night I was going out

1009
00:43:06,760 --> 00:43:01,310
on these missions and it was very

1010
00:43:08,410 --> 00:43:06,770
intense it was really intense and I mean

1011
00:43:12,400 --> 00:43:08,420
I think I came home with post-traumatic

1012
00:43:15,550 --> 00:43:12,410
stress disorder even it was very I have

1013
00:43:18,220 --> 00:43:15,560

memories of it I know that I I mean I'm

1014

00:43:19,720 --> 00:43:18,230

still well I even last night I guess Jim

1015

00:43:21,730 --> 00:43:19,730

said I was I don't know if I was

1016

00:43:26,020 --> 00:43:21,740

screaming I scream at night a lot now

1017

00:43:27,970 --> 00:43:26,030

and I wake myself up crying out and you

1018

00:43:30,610 --> 00:43:27,980

know what I went through down there it

1019

00:43:33,640 --> 00:43:30,620

was a battle it felt very much like a

1020

00:43:36,250 --> 00:43:33,650

military mission and there's always been

1021

00:43:37,780 --> 00:43:36,260

this military aspect to some of the

1022

00:43:40,840 --> 00:43:37,790

goings-on with my guys I wouldn't say

1023

00:43:42,880 --> 00:43:40,850

military so much as um other than the

1024

00:43:45,070 --> 00:43:42,890

mill lamps that I've had but otherwise

1025

00:43:47,710 --> 00:43:45,080

with my guys who are benevolent beings

1026

00:43:50,590 --> 00:43:47,720

it does have a little more of a

1027

00:43:52,270 --> 00:43:50,600

political feel to it than what you would

1028

00:43:54,040 --> 00:43:52,280

think it's kind of like the whole idea

1029

00:43:55,360 --> 00:43:54,050

of them being working with the Angels

1030

00:43:57,820 --> 00:43:55,370

it's kind of the same thing it's like oh

1031

00:43:59,950 --> 00:43:57,830

really but when you stop and look at

1032

00:44:05,110 --> 00:43:59,960

what's going on this whole mission to

1033

00:44:06,310 --> 00:44:05,120

assist the planet it makes sense but I

1034

00:44:08,800 --> 00:44:06,320

never put it together until just

1035

00:44:11,200 --> 00:44:08,810

recently when a friend of mine emailed

1036

00:44:13,600 --> 00:44:11,210

me and he said would you say that

1037

00:44:16,990 --> 00:44:13,610

because he thought I was cute also is

1038

00:44:19,930 --> 00:44:17,000

that part of the Alliance and I said

1039

00:44:23,530 --> 00:44:19,940

yeah actually he is he would have to be

1040

00:44:24,430 --> 00:44:23,540

and then I said then I I put it down in

1041

00:44:28,090 --> 00:44:24,440

writing and it's first time I ever

1042

00:44:30,310 --> 00:44:28,100

verbalized it but you see it has to be

1043

00:44:32,740 --> 00:44:30,320

that the politics on the planet Earth

1044

00:44:37,030 --> 00:44:32,750

are a part of the Great Awakening on the

1045

00:44:39,820 --> 00:44:37,040

planet is my friend even Q cause at the

1046

00:44:40,800 --> 00:44:39,830

Great Awakening because it's all folds

1047

00:44:43,630 --> 00:44:40,810

in together

1048

00:44:45,580 --> 00:44:43,640

humanity's Awakening on the planet is

1049

00:44:47,840 --> 00:44:45,590

tied directly to the choices they make

1050

00:44:50,640 --> 00:44:47,850

politically

1051

00:44:53,070 --> 00:44:50,650

and I'm going to get into an area that

1052

00:44:56,460 --> 00:44:53,080

this is gonna be Jim said don't go there

1053

00:45:00,480 --> 00:44:56,470

but I haven't gonna have to go there the

1054

00:45:02,370 --> 00:45:00,490

last election was whether you know your

1055

00:45:03,660 --> 00:45:02,380

supporter or not and I'm not gonna get

1056

00:45:07,170 --> 00:45:03,670

into that I'm just gonna say that the

1057

00:45:09,810 --> 00:45:07,180

last election which whatever but the

1058

00:45:14,400 --> 00:45:09,820

fact that humanity the majority of the

1059

00:45:16,620 --> 00:45:14,410

collective voted for a president who is

1060

00:45:19,070 --> 00:45:16,630

not a deep state player who was not part

1061

00:45:22,530 --> 00:45:19,080

of the old regime the old control system

1062

00:45:25,140 --> 00:45:22,540

the fact that that happened showed that

1063

00:45:28,230 --> 00:45:25,150

humanity was declaring their sovereign

1064

00:45:31,860 --> 00:45:28,240

tree when you declare your sovereign

1065

00:45:34,140 --> 00:45:31,870

tree that means you say I do not want to

1066

00:45:37,830 --> 00:45:34,150

be controlled anymore I do not agree

1067

00:45:39,300 --> 00:45:37,840

anymore with being a victim and that's

1068

00:45:41,400 --> 00:45:39,310

exactly what happened

1069

00:45:42,690 --> 00:45:41,410

and I'm not talking politically I'm just

1070

00:45:45,120 --> 00:45:42,700

talking and I'm not talking about the

1071

00:45:47,670 --> 00:45:45,130

person I'm just talking that the

1072

00:45:49,470 --> 00:45:47,680

collective in the United States made the

1073

00:45:50,970 --> 00:45:49,480

decision and it's happening around the

1074

00:45:53,040 --> 00:45:50,980

world in Germany and France and all the

1075

00:45:54,810 --> 00:45:53,050

other countries are Australia they are

1076

00:45:56,700 --> 00:45:54,820

they are rebelling against the control

1077

00:46:00,560 --> 00:45:56,710

system of the old that has come down

1078

00:46:02,730 --> 00:46:00,570

through the ages it goes way back

1079

00:46:04,740 --> 00:46:02,740

humanity has allowed themselves to be

1080

00:46:06,690 --> 00:46:04,750

controlled through their passiveness

1081

00:46:09,750 --> 00:46:06,700

through their through their just

1082

00:46:12,540 --> 00:46:09,760

allowing them allowing themselves to to

1083

00:46:15,830 --> 00:46:12,550

not get involved and just to kind of go

1084

00:46:18,270 --> 00:46:15,840

along with whatever you're told to do by

1085

00:46:20,640 --> 00:46:18,280

the Great Awakening it means you start

1086

00:46:22,800 --> 00:46:20,650

to think for yourself and you start to

1087

00:46:24,570 --> 00:46:22,810

question things and you no longer are

1088

00:46:26,340 --> 00:46:24,580

willing to settle for someone else

1089

00:46:27,570 --> 00:46:26,350

making the decisions for you and you

1090

00:46:29,810 --> 00:46:27,580

don't want to be a slave anymore

1091

00:46:34,130 --> 00:46:29,820

you don't want to work your whole life

1092

00:46:37,320 --> 00:46:34,140

to have elite take it from you

1093

00:46:39,060 --> 00:46:37,330

so that's what happened so that's why

1094

00:46:41,370 --> 00:46:39,070

the politics actually folds in to the

1095

00:46:43,880 --> 00:46:41,380

whole awakening on the planet and that's

1096

00:46:46,350 --> 00:46:43,890

why my guys were always they were always

1097

00:46:48,900 --> 00:46:46,360

they would keep track of what was going

1098

00:46:51,030 --> 00:46:48,910

on and they would they would comment on

1099

00:46:53,030 --> 00:46:51,040

what was going on politically in the

1100

00:46:55,800 --> 00:46:53,040

country there have been other

1101
00:46:56,250 --> 00:46:55,810
opportunities for America to make that

1102
00:46:58,020 --> 00:46:56,260
decision

1103
00:47:00,180 --> 00:46:58,030
and one one of the most prevalent

1104
00:47:03,270 --> 00:47:00,190
because was of course Kennedy

1105
00:47:05,760 --> 00:47:03,280
and we saw what happened to him because

1106
00:47:07,520 --> 00:47:05,770
he would have freed humanity also it

1107
00:47:12,539 --> 00:47:07,530
just can start like that as a snowball

1108
00:47:14,160 --> 00:47:12,549
but the deep state uses fear you know

1109
00:47:16,140 --> 00:47:14,170
and when they assassinated him and then

1110
00:47:17,760 --> 00:47:16,150
his brother and Martin Luther King and

1111
00:47:19,460 --> 00:47:17,770
that's what that is still a lot of fear

1112
00:47:23,160 --> 00:47:19,470
and humanity and it put us in our place

1113
00:47:25,380 --> 00:47:23,170

at least according to them it they give

1114

00:47:27,690 --> 00:47:25,390

you that fear so you don't want to you

1115

00:47:29,279 --> 00:47:27,700

just go back to living your life you

1116

00:47:32,760 --> 00:47:29,289

know going to your nine-to-five job and

1117

00:47:35,370 --> 00:47:32,770

just settling for whatever Kennedy would

1118

00:47:38,160 --> 00:47:35,380

have brought great changes and those

1119

00:47:40,799 --> 00:47:38,170

changes in our economy going to the gold

1120

00:47:42,240 --> 00:47:40,809

standard and and taking down the Fed and

1121

00:47:44,400 --> 00:47:42,250

all the other parts of that that's all

1122

00:47:48,450 --> 00:47:44,410

part of the awakening process giving

1123

00:47:50,609 --> 00:47:48,460

power back to you the people and taking

1124

00:47:53,490 --> 00:47:50,619

it out of the hands of the controllers

1125

00:48:00,089 --> 00:47:53,500

and that's that's just plays into the

1126

00:48:02,130 --> 00:48:00,099

whole system so where am I at here when

1127

00:48:04,950 --> 00:48:02,140

I was in Arizona after I had gone

1128

00:48:08,130 --> 00:48:04,960

through all that those battles at night

1129

00:48:10,859 --> 00:48:08,140

and that horrible stuff I was getting

1130

00:48:15,000 --> 00:48:10,869

ready to leave and Jim was coming down

1131

00:48:17,400 --> 00:48:15,010

to drive me back and one day I said to

1132

00:48:19,740 --> 00:48:17,410

me out of the blue he said you know

1133

00:48:21,359 --> 00:48:19,750

sherry the world you are residing in the

1134

00:48:23,390 --> 00:48:21,369

world you are residing in is most

1135

00:48:27,450 --> 00:48:23,400

likened to a computer-simulated program

1136

00:48:29,099 --> 00:48:27,460

and I thought yeah why are you telling

1137

00:48:30,569 --> 00:48:29,109

me that I already know that so I

1138

00:48:33,599 --> 00:48:30,579

pondered that for a really long time

1139

00:48:36,390 --> 00:48:33,609

because I always know that the world is

1140

00:48:41,460 --> 00:48:36,400

an illusion it's a dream world we're not

1141

00:48:43,049 --> 00:48:41,470

really living it's a dream world so I

1142

00:48:44,370 --> 00:48:43,059

thought that was interesting today he

1143

00:48:46,769 --> 00:48:44,380

said that and then I noticed that I

1144

00:48:48,809 --> 00:48:46,779

started hearing that Greg Brayton talks

1145

00:48:52,680 --> 00:48:48,819

about it gets did a whole lecture series

1146

00:48:53,849 --> 00:48:52,690

on Gaia and there's a lot of people

1147

00:48:56,490 --> 00:48:53,859

starting to talk about how we're in a

1148

00:48:59,510 --> 00:48:56,500

computer I think even the guy with the

1149

00:49:01,799 --> 00:48:59,520

Tesla what's that guy he talks about how

1150

00:49:06,569 --> 00:49:01,809

we're part of a we are part of a

1151
00:49:08,849 --> 00:49:06,579
computer reality and the more I thought

1152
00:49:10,559 --> 00:49:08,859
about it because I knew they don't tell

1153
00:49:12,120 --> 00:49:10,569
me anything just randomly there's a

1154
00:49:14,040 --> 00:49:12,130
reason why it's oh I was meant to

1155
00:49:18,660 --> 00:49:14,050
about it and I did and as I thought

1156
00:49:20,910 --> 00:49:18,670
about it I realized I started to think

1157
00:49:23,040 --> 00:49:20,920
of it in terms of us being here in a

1158
00:49:26,490 --> 00:49:23,050
computer like like I just visited my

1159
00:49:29,220 --> 00:49:26,500
grandson and he plays video games where

1160
00:49:32,610 --> 00:49:29,230
he takes on an avatar and he's sitting

1161
00:49:35,040 --> 00:49:32,620
in his chair and he's playing as that

1162
00:49:37,860 --> 00:49:35,050
avatar on the screen and when I think of

1163
00:49:40,500 --> 00:49:37,870

it in terms of that that is what's going

1164

00:49:43,350 --> 00:49:40,510

on here you know we have a higher what

1165

00:49:46,320 --> 00:49:43,360

we call our higher self or our true self

1166

00:49:49,950 --> 00:49:46,330

our divine self or whatever that is like

1167

00:49:52,140 --> 00:49:49,960

him sitting in the chair watching the

1168

00:49:53,940 --> 00:49:52,150

avatar plane on the screen and facing

1169

00:49:56,400 --> 00:49:53,950

all the challenges that are going on and

1170

00:49:58,680 --> 00:49:56,410

and kind of sending in you know

1171

00:50:00,840 --> 00:49:58,690

influencing it but allowing the avatar

1172

00:50:03,120 --> 00:50:00,850

to have the experience in the game and

1173

00:50:05,820 --> 00:50:03,130

that's what's going on here this world

1174

00:50:07,140 --> 00:50:05,830

is a game world and I've always in my in

1175

00:50:09,030 --> 00:50:07,150

my presentations I always say that

1176

00:50:12,390 --> 00:50:09,040

reality

1177

00:50:14,700 --> 00:50:12,400

illusion I'll be at a very persistent

1178

00:50:16,380 --> 00:50:14,710

one and that's absolutely true but I

1179

00:50:18,060 --> 00:50:16,390

kind of like the computer simulator

1180

00:50:19,790 --> 00:50:18,070

program even more because I think that

1181

00:50:22,260 --> 00:50:19,800

that is exactly what's going on here

1182

00:50:25,380 --> 00:50:22,270

certainly seems to me that it pertains

1183

00:50:28,500 --> 00:50:25,390

to my life anyway because I most

1184

00:50:32,070 --> 00:50:28,510

definitely have up there sitting in the

1185

00:50:33,660 --> 00:50:32,080

chair watching and influencing and

1186

00:50:35,760 --> 00:50:33,670

causing me to do go this way and not

1187

00:50:37,740 --> 00:50:35,770

that way kind of thing I think we all

1188

00:50:39,360 --> 00:50:37,750

have that to some extent I just not sure

1189

00:50:42,480 --> 00:50:39,370

that everybody is aware of it to the

1190

00:50:43,950 --> 00:50:42,490

extent that I am but certainly there are

1191

00:50:47,460 --> 00:50:43,960

those who know more than I do about this

1192

00:50:50,670 --> 00:50:47,470

but that's just speaking for me so I'm

1193

00:50:52,020 --> 00:50:50,680

going to go on to my next story which I

1194

00:50:55,350 --> 00:50:52,030

threw in here also because I like it

1195

00:50:57,240 --> 00:50:55,360

this is all about me you know so I just

1196

00:50:58,860 --> 00:50:57,250

wanted to tell the stories that I like

1197

00:51:00,870 --> 00:50:58,870

all my stories but this is one that I

1198

00:51:05,070 --> 00:51:00,880

don't think I've shared I don't think

1199

00:51:08,550 --> 00:51:05,080

I've shared this one is from 2006 I

1200

00:51:11,700 --> 00:51:08,560

think it was back when I was before the

1201
00:51:13,260 --> 00:51:11,710
book came out before I had done that I

1202
00:51:16,290 --> 00:51:13,270
was living it still living kind of

1203
00:51:17,820 --> 00:51:16,300
somewhat in the illusion my dog and I

1204
00:51:19,860 --> 00:51:17,830
would go for a walk every day we'd walk

1205
00:51:21,990 --> 00:51:19,870
at least three miles a day usually six

1206
00:51:24,030 --> 00:51:22,000
if I had time so we were down on the

1207
00:51:25,140 --> 00:51:24,040
road below my house walking and it's a

1208
00:51:28,500 --> 00:51:25,150
really pretty

1209
00:51:30,299 --> 00:51:28,510
rohde gas stream that goes up along the

1210
00:51:32,880 --> 00:51:30,309
road here on the side with trees and

1211
00:51:35,549 --> 00:51:32,890
they cannot be over to the hillside on

1212
00:51:36,809 --> 00:51:35,559
this side with the trees grow up and it

1213
00:51:38,910 --> 00:51:36,819

just creates his canopy it's just

1214

00:51:40,890 --> 00:51:38,920

beautiful road to walk on I was out

1215

00:51:42,660 --> 00:51:40,900

there walking on that road one morning 7

1216

00:51:45,299 --> 00:51:42,670

o'clock in the morning with my little 7

1217

00:51:47,700 --> 00:51:45,309

pound Maltese and he walks for a while

1218

00:51:49,440 --> 00:51:47,710

and trots along and then I pick him up

1219

00:51:50,940 --> 00:51:49,450

and carry him for a while and then he

1220

00:51:53,700 --> 00:51:50,950

walks again and it was always just a

1221

00:51:56,220 --> 00:51:53,710

really sweet time very quiet it was my

1222

00:51:58,559 --> 00:51:56,230

time to commune as a meditative kind of

1223

00:52:00,510 --> 00:51:58,569

a walk for me I was always community and

1224

00:52:02,760 --> 00:52:00,520

communion with my Creator at that time

1225

00:52:05,160 --> 00:52:02,770

and I was doing that when I came around

1226
00:52:07,260 --> 00:52:05,170
the bend and up in the road ahead of me

1227
00:52:08,819 --> 00:52:07,270
quite a distance away like at least the

1228
00:52:10,650 --> 00:52:08,829
football field or more he was quite a

1229
00:52:15,900 --> 00:52:10,660
ways away there was a family of wolves

1230
00:52:18,839 --> 00:52:15,910
and it was a father wolf clearly it was

1231
00:52:20,730 --> 00:52:18,849
a father wolf and the baby wolf were

1232
00:52:21,900 --> 00:52:20,740
playing and the mother wolf what I

1233
00:52:23,789 --> 00:52:21,910
perceived to be the mother or if I know

1234
00:52:26,460 --> 00:52:23,799
he cause she was medium-sized she was

1235
00:52:28,500 --> 00:52:26,470
sitting there watching them and the

1236
00:52:30,269 --> 00:52:28,510
father wolf was chasing the bait that

1237
00:52:33,870 --> 00:52:30,279
come around and they were I think they

1238
00:52:35,099 --> 00:52:33,880

called a cub and just so cute and I just

1239

00:52:37,620 --> 00:52:35,109

stood there looking at them and I just

1240

00:52:40,980 --> 00:52:37,630

feeling just feeling love and gratitude

1241

00:52:43,829 --> 00:52:40,990

for being able to see this when all of a

1242

00:52:45,630 --> 00:52:43,839

sudden the mother she noticed me and she

1243

00:52:48,829 --> 00:52:45,640

zeroed in on me and right away the

1244

00:52:52,440 --> 00:52:48,839

father turned to look and just so fast

1245

00:52:55,109 --> 00:52:52,450

the mother and the baby ran off into the

1246

00:52:58,410 --> 00:52:55,119

field dump or into the toward the creek

1247

00:53:01,380 --> 00:52:58,420

down below into the trees and the father

1248

00:53:03,660 --> 00:53:01,390

the big wolf started coming toward me

1249

00:53:08,220 --> 00:53:03,670

and he looked just like that he was

1250

00:53:11,970 --> 00:53:08,230

coming for me and my dog and I don't

1251

00:53:14,010 --> 00:53:11,980

know I was just in this state where I

1252

00:53:16,440 --> 00:53:14,020

didn't I just had been feeling so much

1253

00:53:19,349 --> 00:53:16,450

love actually honestly and I didn't feel

1254

00:53:20,700 --> 00:53:19,359

any fear whatsoever I knew I had a

1255

00:53:21,870 --> 00:53:20,710

perception of what he was going to do he

1256

00:53:23,160 --> 00:53:21,880

was going to come in when he got close

1257

00:53:26,789 --> 00:53:23,170

enough to me he was gonna grab my dog

1258

00:53:29,670 --> 00:53:26,799

and kill that kill him first and then

1259

00:53:34,079 --> 00:53:29,680

maybe attack me I didn't know I picked

1260

00:53:36,180 --> 00:53:34,089

up Pookie and held him in my arms and as

1261

00:53:39,110 --> 00:53:36,190

I did that I felt this shield come down

1262

00:53:41,620 --> 00:53:39,120

around me it felt like a big

1263

00:53:45,350 --> 00:53:41,630

a glass really thick and I felt totally

1264

00:53:49,070 --> 00:53:45,360

protected I turned my back to the wolf

1265

00:53:50,570 --> 00:53:49,080

and I hunched over to protect my dog as

1266

00:53:51,920 --> 00:53:50,580

best I could because I he was going to

1267

00:53:53,840 --> 00:53:51,930

get there and he was going to jump up

1268

00:53:56,570 --> 00:53:53,850

and he was going to try to knock me down

1269

00:53:58,970 --> 00:53:56,580

or you know somehow get I just knew he

1270

00:54:02,540 --> 00:53:58,980

wanted to get to my dog that's what I

1271

00:54:04,760 --> 00:54:02,550

felt anyway but I felt totally safe and

1272

00:54:06,350 --> 00:54:04,770

I just knew it was going to be okay but

1273

00:54:07,820 --> 00:54:06,360

I didn't know how that was going to be

1274

00:54:10,490 --> 00:54:07,830

except I had that shield come down but

1275

00:54:12,140 --> 00:54:10,500

you know I never know that but I didn't

1276
00:54:14,360 --> 00:54:12,150
have time to think about it when all of

1277
00:54:17,960 --> 00:54:14,370
a sudden there was this loud roaring

1278
00:54:19,520 --> 00:54:17,970
sound it didn't come in from the

1279
00:54:20,900 --> 00:54:19,530
distance it didn't like slowly bill it

1280
00:54:22,880 --> 00:54:20,910
was just all of a sudden right there it

1281
00:54:24,380 --> 00:54:22,890
was just it sounded like a 747 was

1282
00:54:26,960 --> 00:54:24,390
landing on the road or something it was

1283
00:54:29,810 --> 00:54:26,970
very loud sound I had no idea what it

1284
00:54:32,720 --> 00:54:29,820
was and so I had been hunched over my

1285
00:54:34,430 --> 00:54:32,730
dog kind of as best I could and I lifted

1286
00:54:35,510 --> 00:54:34,440
my head up to see what in the world

1287
00:54:40,820 --> 00:54:35,520
could be making that sound

1288
00:54:45,130 --> 00:54:40,830

when around the bend came this it was a

1289

00:54:48,050 --> 00:54:45,140

school bus it was a cartoon school bus

1290

00:54:51,650 --> 00:54:48,060

it looks very much like the school bus

1291

00:54:54,740 --> 00:54:51,660

on the slide it had big balloon tires it

1292

00:54:57,140 --> 00:54:54,750

was bouncing off of the road it was a

1293

00:55:00,530 --> 00:54:57,150

cartoon school bus and I started to

1294

00:55:02,710 --> 00:55:00,540

laugh because it was so ridiculous as it

1295

00:55:05,810 --> 00:55:02,720

came toward me in driving the school bus

1296

00:55:08,480 --> 00:55:05,820

was a school bus driver who I believe

1297

00:55:10,310 --> 00:55:08,490

had an engineer cap on and I just

1298

00:55:12,200 --> 00:55:10,320

started he was just laughing at it I

1299

00:55:14,000 --> 00:55:12,210

just watching him and as he came by as

1300

00:55:16,880 --> 00:55:14,010

it got closer and closer to me every

1301
00:55:19,970 --> 00:55:16,890
millisecond the school bus became more

1302
00:55:21,830 --> 00:55:19,980
and more 3d it became more real so it

1303
00:55:25,070 --> 00:55:21,840
was slowly transforming into a real bus

1304
00:55:26,870 --> 00:55:25,080
and I watched that the school bus driver

1305
00:55:29,450 --> 00:55:26,880
as he went by and I swear he was like

1306
00:55:31,100 --> 00:55:29,460
bouncing in the seat and I think he had

1307
00:55:32,540 --> 00:55:31,110
a corncob pipe in it out of his mouth

1308
00:55:34,910 --> 00:55:32,550
and I just watched him go by and I just

1309
00:55:37,370 --> 00:55:34,920
laughed and then I remembered the wolf

1310
00:55:40,160 --> 00:55:37,380
and I turned to see what was going on

1311
00:55:41,990 --> 00:55:40,170
with him and he was almost right there

1312
00:55:44,330 --> 00:55:42,000
and he peeled off right in front of the

1313
00:55:48,800 --> 00:55:44,340

school bus and ran down into the into

1314

00:55:50,420 --> 00:55:48,810

the woods down below so didn't get

1315

00:55:51,740 --> 00:55:50,430

attacked by the wolf that day but had

1316

00:55:54,080 --> 00:55:51,750

that magical experience

1317

00:55:58,460 --> 00:55:54,090

that cartel and school bus coming down

1318

00:56:00,920 --> 00:55:58,470

the road and I think about this or I did

1319

00:56:02,030 --> 00:56:00,930

I don't anymore so much but I used to

1320

00:56:03,230 --> 00:56:02,040

think about that for a few years

1321

00:56:06,140 --> 00:56:03,240

afterwards I thought about it quite

1322

00:56:09,740 --> 00:56:06,150

often it was one of those magical times

1323

00:56:12,880 --> 00:56:09,750

and I didn't know I don't know why it

1324

00:56:14,810 --> 00:56:12,890

showed up as a cartoon School Bus

1325

00:56:17,120 --> 00:56:14,820

sometimes I think they didn't have time

1326

00:56:18,170 --> 00:56:17,130

to bring it into a 3d reality and they

1327

00:56:20,000 --> 00:56:18,180

just did the best they could

1328

00:56:21,980 --> 00:56:20,010

Oh Sherry's in trouble we better and

1329

00:56:25,070 --> 00:56:21,990

let's do a school for some cakes and

1330

00:56:27,230 --> 00:56:25,080

there it is cartoon but the takeaway for

1331

00:56:29,330 --> 00:56:27,240

me on that is that not only is our

1332

00:56:33,620 --> 00:56:29,340

reality illusory in nature but it is

1333

00:56:36,830 --> 00:56:33,630

also malleable and I use the word

1334

00:56:39,410 --> 00:56:36,840

malleable because I feel like we are the

1335

00:56:42,260 --> 00:56:39,420

architects of our reality we have the

1336

00:56:44,990 --> 00:56:42,270

power within us to control what we

1337

00:56:46,490 --> 00:56:45,000

experience and so whether that came from

1338

00:56:49,580 --> 00:56:46,500

my guys which is really just another

1339

00:56:52,700 --> 00:56:49,590

aspect of me or from myself it just

1340

00:56:58,520 --> 00:56:52,710

shows that we can create our reality

1341

00:57:05,480 --> 00:56:58,530

however we want to and I actually got a

1342

00:57:06,790 --> 00:57:05,490

definition of Malibu Malibu is capable

1343

00:57:10,010 --> 00:57:06,800

of being altered or controlled by

1344

00:57:14,840 --> 00:57:10,020

outside forces or influences having a

1345

00:57:18,050 --> 00:57:14,850

capacity for adaptive change and I like

1346

00:57:20,510 --> 00:57:18,060

I like that because it it gives the

1347

00:57:26,200 --> 00:57:20,520

power back to us and I do believe that

1348

00:57:32,180 --> 00:57:28,790

so from there I'm gonna go to another

1349

00:57:35,630 --> 00:57:32,190

story that talk that kind of defines

1350

00:57:38,840 --> 00:57:35,640

also how this realities is is a

1351

00:57:42,560 --> 00:57:38,850

malleable reality and it also highlights

1352

00:57:46,160 --> 00:57:42,570

how the life of a volunteer I'm not sure

1353

00:57:47,720 --> 00:57:46,170

I mean maybe maybe my friends don't have

1354

00:57:48,890 --> 00:57:47,730

stories like this I used to think that

1355

00:57:50,630 --> 00:57:48,900

everybody had this kind of stuff

1356

00:57:54,110 --> 00:57:50,640

happening in their life but it turns out

1357

00:57:56,990 --> 00:57:54,120

they don't and since I've been in a

1358

00:57:59,000 --> 00:57:57,000

relationship with Jim who is very 3d at

1359

00:58:01,340 --> 00:57:59,010

times and he points out to me how weird

1360

00:58:04,010 --> 00:58:01,350

I am then I it helps me to understand

1361

00:58:07,490 --> 00:58:04,020

that not because a lot of times you

1362

00:58:09,680 --> 00:58:07,500

- I guess I just thought everybody's

1363

00:58:12,830 --> 00:58:09,690

life was like this but it turns out that

1364

00:58:14,540 --> 00:58:12,840

it's not so the next one is an

1365

00:58:17,090 --> 00:58:14,550

interesting story is one that I did a

1366

00:58:20,120 --> 00:58:17,100

video on Adnan was actually kind enough

1367

00:58:22,490 --> 00:58:20,130

to come to my house when he was up in my

1368

00:58:24,920 --> 00:58:22,500

area and we did a video about this I was

1369

00:58:26,750 --> 00:58:24,930

definitely sick that day but we did it

1370

00:58:30,590 --> 00:58:26,760

anyway because I wanted to get the word

1371

00:58:33,080 --> 00:58:30,600

out there on chemtrails and because I

1372

00:58:34,780 --> 00:58:33,090

had been upset by the chemtrails from

1373

00:58:38,150 --> 00:58:34,790

the moment I first learned of them

1374

00:58:41,870 --> 00:58:38,160

nothing throws you into a state of being

1375

00:58:46,280 --> 00:58:41,880

a victim like being sprayed with poison

1376

00:58:47,930 --> 00:58:46,290

so I kept questioning and asking why are

1377

00:58:50,120 --> 00:58:47,940

we experiencing these chemtrails and

1378

00:58:51,740 --> 00:58:50,130

what's what's the higher purpose behind

1379

00:58:56,060 --> 00:58:51,750

them because everything has a higher

1380

00:58:59,030 --> 00:58:56,070

purpose right so this story starts with

1381

00:59:00,770 --> 00:58:59,040

me again going on a walk with my dog got

1382

00:59:04,580 --> 00:59:00,780

in the car and drove to the trailhead

1383

00:59:05,180 --> 00:59:04,590

and parked my car and when I got out of

1384

00:59:07,370 --> 00:59:05,190

the car

1385

00:59:10,790 --> 00:59:07,380

well even as I was pulling up I could

1386

00:59:12,320 --> 00:59:10,800

clearly see that to the south side of

1387

00:59:14,300 --> 00:59:12,330

the road you could walk that direction

1388

00:59:16,880 --> 00:59:14,310

or you could walk north the trailhead it

1389

00:59:18,380 --> 00:59:16,890

crossed the road there to the south the

1390

00:59:20,540 --> 00:59:18,390

sky was covered crisscross with

1391

00:59:22,280 --> 00:59:20,550

chemtrails just like those just a

1392

00:59:24,020 --> 00:59:22,290

checkerboard just thick with chemtrails

1393

00:59:26,270 --> 00:59:24,030

they stopped right at the road where I

1394

00:59:28,640 --> 00:59:26,280

was parked on the north side of the road

1395

00:59:30,980 --> 00:59:28,650

it was a clear blue sky not a cloud in

1396

00:59:34,430 --> 00:59:30,990

the sky just brilliant blue it was just

1397

00:59:37,870 --> 00:59:34,440

so defined that I got suspicious and I

1398

00:59:39,770 --> 00:59:37,880

thought okay this is this is not natural

1399

00:59:42,440 --> 00:59:39,780

so there's something going to hat

1400

00:59:43,940 --> 00:59:42,450

there's something going on here but I

1401

00:59:45,380 --> 00:59:43,950

got out of the car and of course I

1402

00:59:47,510 --> 00:59:45,390

decided to walk north I wasn't going to

1403

00:59:50,050 --> 00:59:47,520

walk underneath the sprain so I headed

1404

00:59:52,550 --> 00:59:50,060

north and the trail I was going to take

1405

00:59:55,190 --> 00:59:52,560

go straight for quite a distance and

1406

00:59:56,450 --> 00:59:55,200

then it curved to the right and then it

1407

00:59:59,240 --> 00:59:56,460

goes into a tunnel

1408

01:00:01,370 --> 00:59:59,250

and I usually walk up to the tunnel

1409

01:00:04,430 --> 01:00:01,380

which is about a mile and a half or so

1410

01:00:06,260 --> 01:00:04,440

on then back again so three miles I just

1411

01:00:09,400 --> 01:00:06,270

step onto the trail and start walking

1412

01:00:12,650 --> 01:00:09,410

when I hear a plane flying coming in and

1413

01:00:14,870 --> 01:00:12,660

it's really loud and I turn to look in

1414

01:00:16,510 --> 01:00:14,880

the plane is fairly low it's a jet and

1415

01:00:19,160 --> 01:00:16,520

it just doesn't look right

1416

01:00:20,900 --> 01:00:19,170

it wasn't quite a cartoon but it just it

1417

01:00:21,320 --> 01:00:20,910

wasn't right either but I watched it for

1418

01:00:23,390 --> 01:00:21,330

a while

1419

01:00:25,850 --> 01:00:23,400

and it wasn't spraying anything and I

1420

01:00:29,780 --> 01:00:25,860

thought okay so I start walking down the

1421

01:00:33,490 --> 01:00:29,790

trail and it comes right overhead and it

1422

01:00:36,980 --> 01:00:33,500

starts spraying immediately over my head

1423

01:00:39,320 --> 01:00:36,990

and I was stopped walking and I watch it

1424

01:00:40,970 --> 01:00:39,330

it follows the trail that I'm about to

1425

01:00:43,670 --> 01:00:40,980

walk and it follows and it lays down a

1426
01:00:45,710 --> 01:00:43,680
path of chem trail right above the trail

1427
01:00:48,320 --> 01:00:45,720
even where the road where the trail

1428
01:00:51,590 --> 01:00:48,330
turns and then it ends where it goes

1429
01:00:54,580 --> 01:00:51,600
into the tunnel and the and the jet just

1430
01:00:57,950 --> 01:00:54,590
flies off and I was like what the hell

1431
01:01:00,140 --> 01:00:57,960
it laid down a path right under where

1432
01:01:03,950 --> 01:01:00,150
I'm gonna walk and I just stood there

1433
01:01:05,810 --> 01:01:03,960
and I knew okay why is this going on

1434
01:01:08,360 --> 01:01:05,820
what does this mean I had been asking

1435
01:01:10,150 --> 01:01:08,370
and asking for answers and help to

1436
01:01:13,070 --> 01:01:10,160
figure out what's with the chemtrails

1437
01:01:16,070 --> 01:01:13,080
and I knew that this was the answer but

1438
01:01:19,730 --> 01:01:16,080

I damned if I knew other than it came to

1439

01:01:21,740 --> 01:01:19,740

me well obviously I'm creating this

1440

01:01:26,410 --> 01:01:21,750

because I have a fear of chemtrails and

1441

01:01:29,150 --> 01:01:26,420

fear makes things like this happened so

1442

01:01:32,360 --> 01:01:29,160

you know I did this that was my

1443

01:01:33,790 --> 01:01:32,370

conclusion was that I did this but I

1444

01:01:35,420 --> 01:01:33,800

didn't know what to do about it I

1445

01:01:37,760 --> 01:01:35,430

couldn't walk anymore

1446

01:01:39,800 --> 01:01:37,770

I just I was I said I need to go home so

1447

01:01:43,760 --> 01:01:39,810

we got back in the car and we went home

1448

01:01:45,050 --> 01:01:43,770

when I got home I went to my Course in

1449

01:01:47,390 --> 01:01:45,060

Miracles book because that's where I

1450

01:01:50,150 --> 01:01:47,400

usually could find my answers when I

1451

01:01:51,710 --> 01:01:50,160

just didn't know how to deal with this

1452

01:01:53,840 --> 01:01:51,720

and I should have known I've been a

1453

01:01:56,210 --> 01:01:53,850

Course in Miracles teacher for a long

1454

01:01:57,680 --> 01:01:56,220

time but I instead I sat down with my

1455

01:02:00,950 --> 01:01:57,690

Course in Miracles book and I was in my

1456

01:02:02,570 --> 01:02:00,960

office which I have never since and

1457

01:02:04,640 --> 01:02:02,580

never before though so wondering time I

1458

01:02:05,840 --> 01:02:04,650

did my Course in Miracles reading I

1459

01:02:07,940 --> 01:02:05,850

don't even know what the book was doing

1460

01:02:10,220 --> 01:02:07,950

in the office how it got there but I

1461

01:02:12,500 --> 01:02:10,230

just sat in the chair in there and read

1462

01:02:18,320 --> 01:02:12,510

the book opened it up randomly and of

1463

01:02:21,800 --> 01:02:18,330

course it said that fear attracts fear

1464

01:02:26,270 --> 01:02:21,810

will make fearful a fearful projection

1465

01:02:28,160 --> 01:02:26,280

and so you project what you fear and I

1466

01:02:30,090 --> 01:02:28,170

have this I don't have a fear of

1467

01:02:31,710 --> 01:02:30,100

chemtrails but I haven't I

1468

01:02:33,330 --> 01:02:31,720

why would get triggered with anger and

1469

01:02:38,490 --> 01:02:33,340

they disgust me

1470

01:02:40,940 --> 01:02:38,500

and so that fit but the answer to it is

1471

01:02:43,350 --> 01:02:40,950

of course unconditional love

1472

01:02:46,500 --> 01:02:43,360

unconditional love and seeing it the

1473

01:02:47,880 --> 01:02:46,510

truth of what it is so the chemtrails

1474

01:02:49,680 --> 01:02:47,890

are an illusion because they come from

1475

01:02:51,510 --> 01:02:49,690

fear and anything that comes from fear

1476

01:02:54,030 --> 01:02:51,520

is not real the only thing that Israel

1477

01:02:55,710 --> 01:02:54,040

comes from love so the answer to the

1478

01:02:58,650 --> 01:02:55,720

solute the solution to chemtrails is to

1479

01:03:01,170 --> 01:02:58,660

send love is to see it through the eyes

1480

01:03:02,580 --> 01:03:01,180

of truth and to see the innocence in all

1481

01:03:05,930 --> 01:03:02,590

of it and know that everything is safe

1482

01:03:08,900 --> 01:03:05,940

everything is good that there is nothing

1483

01:03:13,530 --> 01:03:08,910

truly terrible taking place not in truth

1484

01:03:17,640 --> 01:03:13,540

so I got that message and as soon as I

1485

01:03:20,910 --> 01:03:17,650

got it I glanced out my window to the

1486

01:03:21,600 --> 01:03:20,920

east and of course there's a jet coming

1487

01:03:27,270 --> 01:03:21,610

toward the house

1488

01:03:28,530 --> 01:03:27,280

spraying chemtrails and I look at it and

1489

01:03:31,530 --> 01:03:28,540

I see it different through different

1490

01:03:33,090 --> 01:03:31,540

eyes I see it as being something that's

1491

01:03:38,970 --> 01:03:33,100

just part of the illusion it's not real

1492

01:03:42,210 --> 01:03:38,980

and so what I did is I envisioned the

1493

01:03:43,920 --> 01:03:42,220

pilot in that jet and I envisioned the

1494

01:03:47,190 --> 01:03:43,930

person who gave the orders to that pilot

1495

01:03:51,480 --> 01:03:47,200

to spray those toxic fumes on the planet

1496

01:03:53,760 --> 01:03:51,490

and I just saw them as innocent and not

1497

01:03:55,380 --> 01:03:53,770

knowing any better I saw them for the

1498

01:03:59,010 --> 01:03:55,390

truth of who they are which is just like

1499

01:04:01,380 --> 01:03:59,020

we are divine creatures created out of

1500

01:04:03,600 --> 01:04:01,390

love and they're just lost in the

1501

01:04:05,220 --> 01:04:03,610

illusion and their fear their fear has

1502

01:04:07,230 --> 01:04:05,230

got the best of them otherwise they

1503

01:04:10,080 --> 01:04:07,240

wouldn't be doing this and so I just

1504

01:04:11,370 --> 01:04:10,090

sent love to them and forgiveness which

1505

01:04:12,870 --> 01:04:11,380

is not forgiveness like you're doing

1506

01:04:14,070 --> 01:04:12,880

something wrong and so I forgive you but

1507

01:04:16,200 --> 01:04:14,080

forgiveness is and you don't know any

1508

01:04:19,620 --> 01:04:16,210

better and so I hold the truth for you

1509

01:04:24,420 --> 01:04:19,630

and so I did that and when I opened my

1510

01:04:26,010 --> 01:04:24,430

eyes the chemtrail was gone not all the

1511

01:04:28,140 --> 01:04:26,020

way back but all the way back to where I

1512

01:04:30,120 --> 01:04:28,150

had first seen the jet when I first came

1513

01:04:31,650 --> 01:04:30,130

into view and the chemtrail that it had

1514

01:04:36,630 --> 01:04:31,660

been spewing as it came toward my house

1515

01:04:41,849 --> 01:04:36,640

was all gone and I was very humbled by

1516

01:04:44,880 --> 01:04:41,859

that and it moved me a lot to have that

1517

01:04:45,959 --> 01:04:44,890

because it's so very real and I didn't

1518

01:04:49,680 --> 01:04:45,969

have time to think much of it because

1519

01:04:51,559 --> 01:04:49,690

out the window to the north out of the

1520

01:04:55,349 --> 01:04:51,569

office I saw another plane coming

1521

01:04:57,599 --> 01:04:55,359

spewing out really thick chemtrail

1522

01:04:58,979 --> 01:04:57,609

really one of those really big fat ones

1523

01:05:02,219 --> 01:04:58,989

you know you see them when they come

1524

01:05:03,449 --> 01:05:02,229

they just ugly and I stood up and I went

1525

01:05:04,890 --> 01:05:03,459

to that window and I did the same thing

1526

01:05:08,039 --> 01:05:04,900

and I pictured the pilot and this time

1527

01:05:10,739 --> 01:05:08,049

it was a woman flying that jet and I

1528

01:05:13,589 --> 01:05:10,749

just sent love to her and acceptance and

1529

01:05:16,410 --> 01:05:13,599

saw her for the truth of who she was and

1530

01:05:18,690 --> 01:05:16,420

I opened my eyes the whole chemtrail was

1531

01:05:20,849 --> 01:05:18,700

gone and it had gone way back as far way

1532

01:05:22,499 --> 01:05:20,859

back because I can I'm on a hill and you

1533

01:05:26,930 --> 01:05:22,509

can see a long way and I that whole

1534

01:05:30,380 --> 01:05:26,940

chemtrail was gone and again it was very

1535

01:05:33,180 --> 01:05:30,390

humbling and it was very validating and

1536

01:05:35,370 --> 01:05:33,190

I didn't have to wait too long it was

1537

01:05:37,170 --> 01:05:35,380

probably about an hour later I kept my

1538

01:05:39,089 --> 01:05:37,180

ears open for another plane because I

1539

01:05:40,759 --> 01:05:39,099

was excited now I was gonna bring down

1540

01:05:44,069 --> 01:05:40,769

these chemtrails one at a time you know

1541

01:05:45,539 --> 01:05:44,079

but another plane started coming from

1542

01:05:48,569 --> 01:05:45,549

the south toward my house so I went

1543

01:05:50,969 --> 01:05:48,579

outside on my patio and it was coming

1544

01:05:54,509 --> 01:05:50,979

closer it was again it was flying kind

1545

01:05:55,979 --> 01:05:54,519

of low and it was loud and I just looked

1546

01:05:58,799 --> 01:05:55,989

at it and I did the same thing I closed

1547

01:06:00,660 --> 01:05:58,809

my eyes and stood out on the patio and I

1548

01:06:02,579 --> 01:06:00,670

became aware that the sound of the

1549

01:06:05,489 --> 01:06:02,589

airplane flying over had suddenly

1550

01:06:07,969 --> 01:06:05,499

stopped and so I over my eyes quick

1551
01:06:10,920 --> 01:06:07,979
because it was just right overhead and

1552
01:06:12,989 --> 01:06:10,930
the plane was gone and the chemtrails

1553
01:06:15,509 --> 01:06:12,999
were gone all the chemtrails were gone

1554
01:06:20,160 --> 01:06:15,519
from my sky my sky was blue clear blue

1555
01:06:22,439 --> 01:06:20,170
and I got freaked out by that I'll admit

1556
01:06:24,359 --> 01:06:22,449
it it creeped me out to have a jet that

1557
01:06:26,759 --> 01:06:24,369
was so big and solid flying overhead

1558
01:06:29,910 --> 01:06:26,769
suddenly just disappear I ran around the

1559
01:06:31,499 --> 01:06:29,920
house to make sure that it wasn't still

1560
01:06:33,630 --> 01:06:31,509
there and I just wasn't hearing it that

1561
01:06:35,249 --> 01:06:33,640
it was gone but it of course I knew it

1562
01:06:37,739 --> 01:06:35,259
wasn't there it had just happened so

1563
01:06:41,219 --> 01:06:37,749

fast so the whole jet disappeared all

1564

01:06:43,769 --> 01:06:41,229

the chemtrails disappeared and I did run

1565

01:06:46,979 --> 01:06:43,779

in the house I texted my girlfriend and

1566

01:06:49,049 --> 01:06:46,989

we talked a little bit and of course

1567

01:06:50,160 --> 01:06:49,059

what I realized had happened was that I

1568

01:06:51,479 --> 01:06:50,170

had moved

1569

01:06:52,150 --> 01:06:51,489

I had altered myself into a high our

1570

01:06:55,990 --> 01:06:52,160

timeline

1571

01:07:00,160 --> 01:06:56,000

so I was at a higher frequency where

1572

01:07:01,630 --> 01:07:00,170

there was no chemtrails and so that was

1573

01:07:03,160 --> 01:07:01,640

the answer to the chemtrail thing and

1574

01:07:05,290 --> 01:07:03,170

that's why I needed to do that video

1575

01:07:07,630 --> 01:07:05,300

since then that videos been up and I

1576

01:07:09,970 --> 01:07:07,640

have gotten tons and tons and tons of

1577

01:07:11,440 --> 01:07:09,980

emails from people around the world who

1578

01:07:13,840 --> 01:07:11,450

have seen it who have used the same

1579

01:07:16,360 --> 01:07:13,850

technique and they've been very

1580

01:07:18,310 --> 01:07:16,370

successful with it and it's not as hard

1581

01:07:20,230 --> 01:07:18,320

as you think it is that the only thing

1582

01:07:21,850 --> 01:07:20,240

is is that you have to really understand

1583

01:07:23,980 --> 01:07:21,860

and know that what you're seeing is an

1584

01:07:26,590 --> 01:07:23,990

illusion and that the person who's doing

1585

01:07:29,140 --> 01:07:26,600

it truly does not know any better they

1586

01:07:30,910 --> 01:07:29,150

are acting out of fear and fear is not

1587

01:07:33,520 --> 01:07:30,920

real anything that comes from fear

1588

01:07:35,020 --> 01:07:33,530

simply isn't real so we only make it

1589

01:07:36,460 --> 01:07:35,030

real because of our acceptance of it

1590

01:07:39,990 --> 01:07:36,470

because we joined with them in the fear

1591

01:07:42,700 --> 01:07:40,000

so that's why the chemtrails are huge

1592

01:07:44,920 --> 01:07:42,710

they're nasty business but that's the

1593

01:07:47,650 --> 01:07:44,930

the controller's of the planet use those

1594

01:07:50,830 --> 01:07:47,660

to keep us in mind and to keep us in

1595

01:07:52,290 --> 01:07:50,840

fear so it's a powerful tool if you

1596

01:07:56,950 --> 01:07:52,300

didn't turn the tables on them and

1597

01:07:58,260 --> 01:07:56,960

instead of being triggered and getting

1598

01:08:00,580 --> 01:07:58,270

angry when you see the chemtrails

1599

01:08:01,600 --> 01:08:00,590

instead you actually reminds you of the

1600

01:08:03,970 --> 01:08:01,610

truth of who you are

1601

01:08:07,980 --> 01:08:03,980

and the truth of who they are and they

1602

01:08:10,390 --> 01:08:07,990

hate that so you send love to them and

1603

01:08:13,420 --> 01:08:10,400

that's that's the most powerful thing

1604

01:08:15,940 --> 01:08:13,430

that you can do and the chemtrails would

1605

01:08:18,610 --> 01:08:15,950

stop if we would all enough of us would

1606

01:08:20,710 --> 01:08:18,620

know to do that the chemtrails did stop

1607

01:08:23,190 --> 01:08:20,720

for a while did you notice that the

1608

01:08:25,630 --> 01:08:23,200

Alliance took out the chemtrail

1609

01:08:27,520 --> 01:08:25,640

operation took it down probably eighty

1610

01:08:29,170 --> 01:08:27,530

or ninety percent and so he didn't have

1611

01:08:29,980 --> 01:08:29,180

chemtrails almost for the entire month

1612

01:08:32,170 --> 01:08:29,990

of July

1613

01:08:35,110 --> 01:08:32,180

they've started up again apparently they

1614

01:08:36,790 --> 01:08:35,120

found a new facility but I have no doubt

1615

01:08:39,870 --> 01:08:36,800

that they'll take him out again

1616

01:08:44,140 --> 01:08:39,880

hopefully for good it's nasty business

1617

01:08:47,140 --> 01:08:44,150

so the takeaway on that experience was

1618

01:08:48,520 --> 01:08:47,150

that we the collective and individually

1619

01:08:50,380 --> 01:08:48,530

are responsible for the world we

1620

01:08:52,750 --> 01:08:50,390

experienced we can either make it to the

1621

01:08:56,110 --> 01:08:52,760

projection of fear or create it by

1622

01:08:59,230 --> 01:08:56,120

extending love and those are that's the

1623

01:09:00,760 --> 01:08:59,240

basic teachings of the course of

1624

01:09:03,760 --> 01:09:00,770

miracles and it's the basic teachings of

1625

01:09:05,019 --> 01:09:03,770

my guys the three groups of ETS that I

1626

01:09:08,499 --> 01:09:05,029

work with who come from high

1627

01:09:10,779 --> 01:09:08,509

dimensions they understand how our world

1628

01:09:12,669 --> 01:09:10,789

works so when I found the course of

1629

01:09:15,370 --> 01:09:12,679

miracles that resonated very strongly

1630

01:09:16,990 --> 01:09:15,380

with me as to being the truth of what I

1631

01:09:20,859 --> 01:09:17,000

had been taught as a child and all my

1632

01:09:24,249 --> 01:09:20,869

life by the the ETS the

1633

01:09:25,930 --> 01:09:24,259

higher-dimensional ETS so I big I'm a

1634

01:09:29,430 --> 01:09:25,940

big proponent of the course of miracles

1635

01:09:32,709 --> 01:09:29,440

which is now there's actually a new a

1636

01:09:34,299 --> 01:09:32,719

new book that is more relevant to the

1637

01:09:36,430 --> 01:09:34,309

times we're living in these great times

1638

01:09:38,649 --> 01:09:36,440

that we're living through which is the

1639

01:09:41,140 --> 01:09:38,659

course of love which my study group

1640

01:09:43,329 --> 01:09:41,150

we've studied that and we just love that

1641

01:09:45,399 --> 01:09:43,339

book it doesn't doesn't challenge you as

1642

01:09:47,079 --> 01:09:45,409

much as the Course in Miracles says it's

1643

01:09:49,899 --> 01:09:47,089

powerful powerful book I'm gonna

1644

01:09:52,510 --> 01:09:49,909

recommend it strongly to everyone oh I

1645

01:09:55,120 --> 01:09:52,520

just wanted to thank you for I'm

1646

01:09:58,390 --> 01:09:55,130

mentioning Q because I had had a

1647

01:10:00,279 --> 01:09:58,400

question to the universe I kind of know

1648

01:10:04,089 --> 01:10:00,289

some of the who some of the people

1649

01:10:06,220 --> 01:10:04,099

behind Q or what that is but I prayed

1650

01:10:09,729 --> 01:10:06,230

for some reason I want to know who was

1651

01:10:15,010 --> 01:10:09,739

behind those people 3d people just

1652

01:10:16,779 --> 01:10:15,020

humans and it it just sent me but when I

1653

01:10:21,459 --> 01:10:16,789

just asked the question it said so much

1654

01:10:23,620 --> 01:10:21,469

love I just burst into tears fall and it

1655

01:10:27,939 --> 01:10:23,630

was off planet being sir don't mention

1656

01:10:29,290 --> 01:10:27,949

else yes yes yeah they don't know that

1657

01:10:31,120 --> 01:10:29,300

if they knew that you know that's too

1658

01:10:33,189 --> 01:10:31,130

much for a lot of people to know but the

1659

01:10:35,350 --> 01:10:33,199

whole operation the whole thing has been

1660

01:10:37,750 --> 01:10:35,360

divinely guided and I know it's a hot

1661

01:10:39,549 --> 01:10:37,760

topic because there's a lot of emotion

1662

01:10:41,379 --> 01:10:39,559

involved with the politics and all that

1663

01:10:43,240 --> 01:10:41,389

and with the players but you have to

1664

01:10:45,399 --> 01:10:43,250

look beyond the personality of the

1665

01:10:47,140 --> 01:10:45,409

players and look at what's being

1666

01:10:50,260 --> 01:10:47,150

accomplished that there is this battle

1667

01:10:53,970 --> 01:10:50,270

going on and it's fascinating and I

1668

01:10:56,709 --> 01:10:53,980

really I feel badly for those who are a

1669

01:10:58,689 --> 01:10:56,719

asleep and not even aware of what's

1670

01:11:01,089 --> 01:10:58,699

playing out on the big screen of life

1671

01:11:04,120 --> 01:11:01,099

because they're missing out on this

1672

01:11:06,220 --> 01:11:04,130

amazing amazing thing but then I also

1673

01:11:08,560 --> 01:11:06,230

feel bad for those who are caught up in

1674

01:11:10,209 --> 01:11:08,570

their anger there's a lot of people who

1675

01:11:11,979 --> 01:11:10,219

are really polarized by the whole

1676

01:11:13,589 --> 01:11:11,989

political thing because of the

1677

01:11:15,669 --> 01:11:13,599

personalities involved and all that and

1678

01:11:17,500 --> 01:11:15,679

there mister

1679

01:11:20,470 --> 01:11:17,510

that's too bad because they're missing

1680

01:11:22,540 --> 01:11:20,480

out on the real story of what's going on

1681

01:11:25,780 --> 01:11:22,550

but that's part of the awakening process

1682

01:11:27,370 --> 01:11:25,790

as they come to to understand that did

1683

01:11:30,220 --> 01:11:27,380

any other questions yeah you want to

1684

01:11:33,189 --> 01:11:30,230

answer ask a question sure yeah you got

1685

01:11:35,680 --> 01:11:33,199

to go to the microphone otherwise for

1686

01:11:44,439 --> 01:11:35,690

the people listening to the video yeah

1687

01:11:46,209 --> 01:11:44,449

very frustrating okay that's fine okay

1688

01:11:51,160 --> 01:11:46,219

oh you're not gonna slip through that

1689

01:11:54,160 --> 01:11:51,170

whole thing okay you mentioned that you

1690

01:11:57,640 --> 01:11:54,170

kind of selected your husband before

1691

01:12:00,100 --> 01:11:57,650

coming here is that correct yeah he it

1692

01:12:02,020 --> 01:12:00,110

was done as a as a collective between

1693

01:12:04,660 --> 01:12:02,030

them and me it was mainly based on his

1694

01:12:07,240 --> 01:12:04,670

DNA because part of my mission for

1695

01:12:10,030 --> 01:12:07,250

coming here the first phase of my

1696

01:12:13,990 --> 01:12:10,040

mission it was to be part of the the

1697

01:12:16,630 --> 01:12:14,000

hybrid program so so he was chosen for

1698

01:12:17,169 --> 01:12:16,640

that and just for certain aspects of who

1699

01:12:19,660 --> 01:12:17,179

he was

1700

01:12:21,780 --> 01:12:19,670

so yeah they chose me I've had a series

1701
01:12:24,580 --> 01:12:21,790
of relationships throughout my life and

1702
01:12:26,860 --> 01:12:24,590
they dictated who because they studied

1703
01:12:30,160 --> 01:12:26,870
they what they told me as they wanted to

1704
01:12:32,890 --> 01:12:30,170
study relationship love mm-hmm

1705
01:12:34,060 --> 01:12:32,900
and so they I cut a deal with them it's

1706
01:12:35,500 --> 01:12:34,070
a complicated story but I cut a deal

1707
01:12:36,520 --> 01:12:35,510
with him that I would I would stay here

1708
01:12:39,160 --> 01:12:36,530
and they would do that

1709
01:12:41,290 --> 01:12:39,170
I would allow them to do that so the

1710
01:12:43,300 --> 01:12:41,300
most they dictated who I was to be with

1711
01:12:44,860 --> 01:12:43,310
each step of the way the one that they

1712
01:12:46,270 --> 01:12:44,870
were primarily interested in was the

1713
01:12:48,760 --> 01:12:46,280

last one that I had with that guy back

1714

01:12:51,520 --> 01:12:48,770

in the corner with Jim I've been with

1715

01:12:55,600 --> 01:12:51,530

him since the book came out and it was

1716

01:12:57,669 --> 01:12:55,610

critical they were very very pushy for

1717

01:13:00,459 --> 01:12:57,679

me to get with him and him with me and

1718

01:13:02,709 --> 01:13:00,469

they forced us into a relationship I

1719

01:13:04,870 --> 01:13:02,719

mean it's it it it seems somewhat

1720

01:13:05,860 --> 01:13:04,880

organic except that they forced me to go

1721

01:13:08,709 --> 01:13:05,870

to the place where I was going to meet

1722

01:13:09,939 --> 01:13:08,719

him that day and it turns out I did I

1723

01:13:11,470 --> 01:13:09,949

told him I didn't want to be in another

1724

01:13:13,870 --> 01:13:11,480

relationship I was worn out it's tired

1725

01:13:15,970 --> 01:13:13,880

that's old too old for all that but it

1726

01:13:17,020 --> 01:13:15,980

turns out had I not been with him I

1727

01:13:19,750 --> 01:13:17,030

would not be here now

1728

01:13:22,750 --> 01:13:19,760

he has kept me alive through the through

1729

01:13:25,990 --> 01:13:22,760

the attacks that have happened on me and

1730

01:13:29,590 --> 01:13:26,000

so yeah it was critical and he he has no

1731

01:13:33,190 --> 01:13:29,600

fear he being with me he has

1732

01:13:34,390 --> 01:13:33,200

and experience things that would most

1733

01:13:36,970 --> 01:13:34,400

people would have a lot of trouble

1734

01:13:39,460 --> 01:13:36,980

dealing with but he's he has no fear

1735

01:13:42,640 --> 01:13:39,470

when those ETS come in he's like they

1736

01:13:44,620 --> 01:13:42,650

you know he's all good with it so yeah

1737

01:13:48,130 --> 01:13:44,630

the second thing I wanted to ask you

1738

01:13:54,190 --> 01:13:48,140

about he you said I'm working with three

1739

01:13:58,420 --> 01:13:54,200

groups my and they're light during the

1740

01:14:01,840 --> 01:13:58,430

light they're good yeah so have you had

1741

01:14:04,930 --> 01:14:01,850

contact with the dark oh yeah

1742

01:14:06,880 --> 01:14:04,940

and there are beings of they have beings

1743

01:14:09,610 --> 01:14:06,890

as well right yeah there are dark

1744

01:14:11,290 --> 01:14:09,620

unfortunately I you know I didn't want

1745

01:14:13,560 --> 01:14:11,300

to believe that actually I was like I

1746

01:14:16,450 --> 01:14:13,570

said I was quite naive when I came in

1747

01:14:17,620 --> 01:14:16,460

but yeah I've encountered very dark

1748

01:14:19,660 --> 01:14:17,630

forces I've had you know the men in

1749

01:14:21,850 --> 01:14:19,670

black which are not really et's they're

1750

01:14:23,080 --> 01:14:21,860

more construct so I've had the men in

1751

01:14:25,450 --> 01:14:23,090

black they are the ones who warned me

1752

01:14:34,240 --> 01:14:25,460

not to talk about you know my life

1753

01:14:36,820 --> 01:14:34,250

when I did anyway that I so I have

1754

01:14:40,780 --> 01:14:36,830

encountered I guess I'm just gonna say

1755

01:14:44,620 --> 01:14:40,790

that probably probably none as fearful

1756

01:14:48,820 --> 01:14:44,630

as our own military at the time so the

1757

01:14:54,940 --> 01:14:48,830

meal laps are quite awful I've

1758

01:14:59,470 --> 01:14:54,950

encountered the Draco and they were at

1759

01:15:02,980 --> 01:14:59,480

my house quite a bit and there's

1760

01:15:06,250 --> 01:15:02,990

different opinions as to my opinion of

1761

01:15:08,230 --> 01:15:06,260

them was that they they came in and they

1762

01:15:09,910 --> 01:15:08,240

did ask Jim and I if we would work with

1763

01:15:12,130 --> 01:15:09,920

them that they wanted to there was a

1764

01:15:13,930 --> 01:15:12,140

group of five of them and they asked if

1765

01:15:16,300 --> 01:15:13,940

we would work with them during this time

1766

01:15:17,890 --> 01:15:16,310

of Ascension because they wanted to go

1767

01:15:21,160 --> 01:15:17,900

from service to self to service to

1768

01:15:23,560 --> 01:15:21,170

others and we agreed to let them come in

1769

01:15:26,100 --> 01:15:23,570

and so they did come in and work with us

1770

01:15:28,840 --> 01:15:26,110

doing Reiki and that sort of thing

1771

01:15:30,520 --> 01:15:28,850

some have said that I was fooled and

1772

01:15:32,890 --> 01:15:30,530

tricked because that said that that's

1773

01:15:36,100 --> 01:15:32,900

when the attacks on me happened so I'm

1774

01:15:38,970 --> 01:15:36,110

not sure I mean I am i can read energy

1775

01:15:42,180 --> 01:15:38,980

and I can discern high and low energy I

1776

01:15:43,770 --> 01:15:42,190

just I'm not sure if I was fooled or not

1777

01:15:46,080 --> 01:15:43,780

how that went but yeah I've encountered

1778

01:15:52,760 --> 01:15:46,090

definitely encountered some pretty dark

1779

01:15:58,680 --> 01:15:52,770

energy yeah and the other thing was I

1780

01:16:01,830 --> 01:15:58,690

can find it if you could just kind of

1781

01:16:04,370 --> 01:16:01,840

expound a little more oh I'm trying to

1782

01:16:08,970 --> 01:16:04,380

get a hard here I'm trying to figure out

1783

01:16:10,890 --> 01:16:08,980

I heard you mention creator yeah but I

1784

01:16:13,560 --> 01:16:10,900

also heard you mention higher self

1785

01:16:15,900 --> 01:16:13,570

mm-hmm is that one in this thing we are

1786

01:16:18,150 --> 01:16:15,910

all the creator we are all one with the

1787

01:16:19,890 --> 01:16:18,160

Creator my guys taught me from the time

1788

01:16:21,660 --> 01:16:19,900

I was very little what they call the

1789

01:16:22,830 --> 01:16:21,670

three important things to know and the

1790

01:16:24,780 --> 01:16:22,840

number one most important thing to know

1791

01:16:26,820 --> 01:16:24,790

is that we are all one with the Creator

1792

01:16:28,530 --> 01:16:26,830

so you refer to the Creator which is

1793

01:16:30,990 --> 01:16:28,540

like the prime creator there is this

1794

01:16:34,860 --> 01:16:31,000

source this energy that creates life and

1795

01:16:37,140 --> 01:16:34,870

extends life through love and is its

1796

01:16:43,080 --> 01:16:37,150

throughout the multiverse and that is

1797

01:16:45,750 --> 01:16:43,090

all life all life that is of love is the

1798

01:16:48,390 --> 01:16:45,760

Creator anything that is not the creator

1799

01:16:49,800 --> 01:16:48,400

of the Creator of love it's not real

1800

01:16:52,160 --> 01:16:49,810

it's part of the illusion so this world

1801

01:16:54,870 --> 01:16:52,170

is an illusion anything that's a form

1802

01:16:57,209 --> 01:16:54,880

and can suffer like you do on this

1803

01:16:59,729 --> 01:16:57,219

planet you suffer with sickness with

1804

01:17:01,439 --> 01:16:59,739

your body with everything that's all the

1805

01:17:03,720 --> 01:17:01,449

Aleut that's all built out of fear

1806

01:17:06,240 --> 01:17:03,730

that's all that our Creator did not

1807

01:17:09,150 --> 01:17:06,250

create our bodies we created our bodies

1808

01:17:10,830 --> 01:17:09,160

to have the experience of separation we

1809

01:17:12,870 --> 01:17:10,840

wanted the idea we wanted to experience

1810

01:17:14,880 --> 01:17:12,880

being separate from ourself and knowing

1811

01:17:18,510 --> 01:17:14,890

ourselves as other than just pure love

1812

01:17:22,709 --> 01:17:18,520

and so we created separation we broke

1813

01:17:25,860 --> 01:17:22,719

free and out of that came a body because

1814

01:17:27,840 --> 01:17:25,870

we projected that to really solidify if

1815

01:17:29,880 --> 01:17:27,850

you wouldn't use that word to solidify

1816

01:17:32,640 --> 01:17:29,890

and make real the idea that we are

1817

01:17:34,050 --> 01:17:32,650

separate because there it appears that

1818

01:17:36,420 --> 01:17:34,060

you are standing there as a separate

1819

01:17:37,920 --> 01:17:36,430

person from me and there are people

1820

01:17:40,080 --> 01:17:37,930

sitting out there who appeared to be

1821

01:17:41,850 --> 01:17:40,090

separate because it fulfills the

1822

01:17:45,540 --> 01:17:41,860

illusion that makes it very real to us

1823

01:17:48,840 --> 01:17:45,550

it's not real you're a part of me we're

1824

01:17:51,300 --> 01:17:48,850

all a part we're all one but yeah so

1825

01:17:53,489 --> 01:17:51,310

there as far as a hierarchy there is no

1826

01:17:55,649 --> 01:17:53,499

higher here they're just as oneness

1827

01:17:58,109 --> 01:17:55,659

and we just have these little these

1828

01:18:01,709 --> 01:17:58,119

individual dreams going on because we're

1829

01:18:03,540 --> 01:18:01,719

eternal beans time doesn't exist but we

1830

01:18:05,790 --> 01:18:03,550

just need a entertainer so we just we're

1831

01:18:07,469 --> 01:18:05,800

just experiencing different aspects of

1832

01:18:09,239 --> 01:18:07,479

who we are through the challenges of

1833

01:18:11,189 --> 01:18:09,249

being a three-dimensional being for

1834

01:18:13,080 --> 01:18:11,199

instance on this planet you all came

1835

01:18:15,870 --> 01:18:13,090

here to begin with because you wanted to

1836

01:18:18,270 --> 01:18:15,880

know yourself as who you are when you

1837

01:18:21,239 --> 01:18:18,280

are confronted with fear and confront it

1838

01:18:24,330 --> 01:18:21,249

with suffering and that's why it's here

1839

01:18:28,919 --> 01:18:24,340

it's because you asked for that and so

1840

01:18:31,560 --> 01:18:28,929

that's what you got and and from there

1841

01:18:35,009 --> 01:18:31,570

we have higher self we have aliens and

1842

01:18:38,219 --> 01:18:35,019

then angels separate entities well again

1843

01:18:40,259 --> 01:18:38,229

separate only in the illusion okay you

1844

01:18:42,390 --> 01:18:40,269

know so that's why I don't know why well

1845

01:18:44,759 --> 01:18:42,400

I was I was kind of a 3d person myself

1846

01:18:46,259 --> 01:18:44,769

and you know before I awakened to my

1847

01:18:47,939 --> 01:18:46,269

experiences and even once I awakened to

1848

01:18:51,180 --> 01:18:47,949

my experiences in my connection with my

1849

01:18:54,419 --> 01:18:51,190

with my guys you still if you're in this

1850

01:18:57,270 --> 01:18:54,429

world it's really hard to live on a 5 or

1851
01:18:58,049 --> 01:18:57,280
6 D level you know that's where we're

1852
01:19:00,359 --> 01:18:58,059
going right now

1853
01:19:01,950 --> 01:19:00,369
but you can you can remember that you

1854
01:19:04,649 --> 01:19:01,960
know I would remember what it was like

1855
01:19:06,029 --> 01:19:04,659
before I came here and oneness I can

1856
01:19:08,669 --> 01:19:06,039
remember all that but you still have to

1857
01:19:10,229 --> 01:19:08,679
live in this world of separation you

1858
01:19:11,850 --> 01:19:10,239
still have to make the money to pay for

1859
01:19:13,169 --> 01:19:11,860
the house to pay for the food you still

1860
01:19:15,000 --> 01:19:13,179
have to go to the doctor because your

1861
01:19:17,520 --> 01:19:15,010
body hurts you so it keeps you really

1862
01:19:20,069 --> 01:19:17,530
anchored in the illusion and in the game

1863
01:19:21,629 --> 01:19:20,079

and that's such a big distraction that's

1864

01:19:24,569 --> 01:19:21,639

why the whole control system on the

1865

01:19:26,910 --> 01:19:24,579

planet is based on distraction you know

1866

01:19:29,129 --> 01:19:26,920

look here don't look there it's what's

1867

01:19:30,810 --> 01:19:29,139

playing out right now you know you know

1868

01:19:32,189 --> 01:19:30,820

the media is gonna tell you what the

1869

01:19:34,140 --> 01:19:32,199

truth is no don't look over here what's

1870

01:19:35,640 --> 01:19:34,150

really true we're going to tell you

1871

01:19:37,200 --> 01:19:35,650

what's true you know we're gonna tell

1872

01:19:38,910 --> 01:19:37,210

you this is what's what's happening and

1873

01:19:41,160 --> 01:19:38,920

this is who this person is don't look at

1874

01:19:43,709 --> 01:19:41,170

who they really are and what's really

1875

01:19:45,270 --> 01:19:43,719

happening so yeah the whole it's just a

1876

01:19:47,310 --> 01:19:45,280

big game and you have to remember that

1877

01:19:49,169 --> 01:19:47,320

so there's no hierarchy there's just at

1878

01:19:51,120 --> 01:19:49,179

the end of the day there's and it

1879

01:19:52,140 --> 01:19:51,130

doesn't happen when you die that's the

1880

01:19:54,209 --> 01:19:52,150

other thing people think that when you

1881

01:19:55,830 --> 01:19:54,219

die and leave this planet you leave

1882

01:19:56,910 --> 01:19:55,840

behind your body and then you're gonna

1883

01:19:58,290 --> 01:19:56,920

have all the answers and you're gonna

1884

01:20:00,270 --> 01:19:58,300

know the truth of who you who you are

1885

01:20:02,129 --> 01:20:00,280

and all that know that the control

1886

01:20:03,870 --> 01:20:02,139

system on this planet was so big and so

1887

01:20:05,890 --> 01:20:03,880

deep and prevalent that even when you

1888

01:20:08,649 --> 01:20:05,900

die they trap you

1889

01:20:10,660 --> 01:20:08,659

and you were brought back through that's

1890

01:20:12,399 --> 01:20:10,670

why we all came in to liberate the

1891

01:20:13,930 --> 01:20:12,409

planet to stop that from happening

1892

01:20:15,550 --> 01:20:13,940

because you're not your soul is not

1893

01:20:18,070 --> 01:20:15,560

progressing the way it was meant to and

1894

01:20:19,839 --> 01:20:18,080

when you originally agreed to come here

1895

01:20:21,760 --> 01:20:19,849

you came here to have the experience of

1896

01:20:23,830 --> 01:20:21,770

separation that's why the earth humans

1897

01:20:25,720 --> 01:20:23,840

are so fascinating they're so

1898

01:20:28,060 --> 01:20:25,730

fascinating to us because what's so I

1899

01:20:29,560 --> 01:20:28,070

would not be here I would not have come

1900

01:20:30,760 --> 01:20:29,570

here to experience separation why would

1901

01:20:32,800 --> 01:20:30,770

I want to experience separation that's

1902

01:20:35,439 --> 01:20:32,810

painful why would I put myself through

1903

01:20:38,229 --> 01:20:35,449

that but you are not you necessary but

1904

01:20:39,910 --> 01:20:38,239

those who they were you know the the

1905

01:20:42,939 --> 01:20:39,920

human souls on the planet the native

1906

01:20:45,700 --> 01:20:42,949

earth humans you chose that experience I

1907

01:20:48,669 --> 01:20:45,710

think you're incredibly brave or stupid

1908

01:20:51,100 --> 01:20:48,679

but no no escape

1909

01:20:52,959 --> 01:20:51,110

thanks I'm sorry you're incredibly brave

1910

01:20:55,209 --> 01:20:52,969

for doing that you know I mean who does

1911

01:20:56,410 --> 01:20:55,219

that you know it's this is a painful

1912

01:20:57,640 --> 01:20:56,420

place to be but you want to test

1913

01:21:00,820 --> 01:20:57,650

yourself you just want to experience

1914

01:21:02,470 --> 01:21:00,830

something other than love and light so

1915

01:21:05,140 --> 01:21:02,480

now I know what that's like to be human

1916

01:21:06,790 --> 01:21:05,150

and it's it's exciting it's an

1917

01:21:20,169 --> 01:21:06,800

interesting but I don't want to do it

1918

01:21:24,060 --> 01:21:20,179

again so anyway if it was going to be

1919

01:21:26,859 --> 01:21:24,070

foreboding and bad what's going down

1920

01:21:30,510 --> 01:21:26,869

what's going down is humanity the

1921

01:21:33,370 --> 01:21:30,520

collective on planet Earth planet Earth

1922

01:21:36,189 --> 01:21:33,380

said that she was going to ascend during

1923

01:21:37,629 --> 01:21:36,199

this time of the great alignment so

1924

01:21:39,430 --> 01:21:37,639

there's been other times in the history

1925

01:21:41,080 --> 01:21:39,440

of the planet where she could ascend and

1926

01:21:44,229 --> 01:21:41,090

go into the higher frequencies which is

1927

01:21:46,870 --> 01:21:44,239

the natural evolution of star systems

1928

01:21:49,930 --> 01:21:46,880

right of all life but she held back her

1929

01:21:51,790 --> 01:21:49,940

ascension because the humans who resided

1930

01:21:54,040 --> 01:21:51,800

on the planet were not of a high enough

1931

01:21:55,750 --> 01:21:54,050

frequency they were too based in free in

1932

01:21:57,939 --> 01:21:55,760

fear so they were not high enough

1933

01:22:00,580 --> 01:21:57,949

frequency to go with her into the higher

1934

01:22:04,330 --> 01:22:00,590

into fifth dimension fifth density so

1935

01:22:06,100 --> 01:22:04,340

she's held that back for eons in 1945

1936

01:22:09,430 --> 01:22:06,110

when you detonated the atomic bomb

1937

01:22:10,629 --> 01:22:09,440

she said okay I'm getting that you know

1938

01:22:12,760 --> 01:22:10,639

I'm moving on with her without my

1939

01:22:16,750 --> 01:22:12,770

children and that's when we knew that

1940

01:22:19,479 --> 01:22:16,760

something had to be done to rescue if we

1941

01:22:21,250 --> 01:22:19,489

could or assist the

1942

01:22:22,839 --> 01:22:21,260

earth souls who had been trapped here

1943

01:22:23,620 --> 01:22:22,849

because the deck had been stacked

1944

01:22:25,839 --> 01:22:23,630

against you

1945

01:22:29,529 --> 01:22:25,849

the control system had come in long long

1946

01:22:31,270 --> 01:22:29,539

time ago and that allowed you to to

1947

01:22:32,890 --> 01:22:31,280

experience the awakening like you were

1948

01:22:38,649 --> 01:22:32,900

meant to because you've been kept

1949

01:22:39,759 --> 01:22:38,659

controlled and distracted so now I

1950

01:22:45,069 --> 01:22:39,769

forgot the question what was the

1951

01:22:47,799 --> 01:22:45,079

question what oh yeah what's going to

1952

01:22:49,680 --> 01:22:47,809

happen so yeah so nobody because so now

1953

01:22:53,410 --> 01:22:49,690

the human collective the big thing was

1954

01:22:55,209 --> 01:22:53,420

the big thing was we didn't have the

1955

01:22:59,229 --> 01:22:55,219

higher frequency on the planet that we

1956

01:23:01,270 --> 01:22:59,239

needed when I came in in 1950 almost

1957

01:23:02,560 --> 01:23:01,280

none of none of the souls almost none of

1958

01:23:05,739 --> 01:23:02,570

the souls were going to were ready to

1959

01:23:09,339 --> 01:23:05,749

ascend okay by the time the harmonic

1960

01:23:11,410 --> 01:23:09,349

convergence happened in 1987 that was

1961

01:23:13,509 --> 01:23:11,420

huge the harmonic convergence was huge

1962

01:23:16,979 --> 01:23:13,519

it was just huge what happened that day

1963

01:23:19,089 --> 01:23:16,989

this great awakening was triggered and

1964

01:23:21,370 --> 01:23:19,099

it's been happening ever since and the

1965

01:23:24,160 --> 01:23:21,380

star seeds and the light workers and the

1966

01:23:25,899 --> 01:23:24,170

volunteers have been here pulling the

1967

01:23:30,609 --> 01:23:25,909

frequency up just by being who they are

1968

01:23:31,750 --> 01:23:30,619

and it pulls everybody up and so it's up

1969

01:23:34,660 --> 01:23:31,760

to the collective though but when the

1970

01:23:36,399 --> 01:23:34,670

collective at the last election made the

1971

01:23:37,899 --> 01:23:36,409

choice they made and I'm sorry but even

1972

01:23:40,330 --> 01:23:37,909

dye came in three days before the

1973

01:23:43,359 --> 01:23:40,340

election and told me and he said it will

1974

01:23:46,419 --> 01:23:43,369

be Trump I almost went to my knees and

1975

01:23:48,160 --> 01:23:46,429

it was like oh no no no but then I

1976

01:23:50,319 --> 01:23:48,170

thought about the alternative and then I

1977

01:23:51,939 --> 01:23:50,329

thought but it's a no-win situation well

1978

01:23:54,600 --> 01:23:51,949

I didn't know I didn't have an inside

1979

01:23:57,520 --> 01:23:54,610

track but he was very excited and

1980

01:23:59,529 --> 01:23:57,530

because it was someone outside of the

1981

01:24:01,299 --> 01:23:59,539

control system that we had normally had

1982

01:24:04,149 --> 01:24:01,309

and that was the collective making that

1983

01:24:07,979 --> 01:24:04,159

decision so that was a huge moment on

1984

01:24:10,899 --> 01:24:07,989

the planet as far as the awakening now

1985

01:24:13,089 --> 01:24:10,909

they're watching it as it goes and in

1986

01:24:15,819 --> 01:24:13,099

the queue thing to try to trigger people

1987

01:24:17,680 --> 01:24:15,829

and awaken them so everybody

1988

01:24:20,020 --> 01:24:17,690

individually will make the choice if

1989

01:24:21,669 --> 01:24:20,030

they're going to awaken or not get but

1990

01:24:23,529 --> 01:24:21,679

what I mean by awaken is get your

1991

01:24:25,779 --> 01:24:23,539

frequency up to the point where you can

1992

01:24:28,450 --> 01:24:25,789

go with the planet into the fifth

1993

01:24:29,950 --> 01:24:28,460

density and that's what is happening now

1994

01:24:32,720 --> 01:24:29,960

I mean there's chaos out there because

1995

01:24:34,730 --> 01:24:32,730

everything is being held up to the light

1996

01:24:36,350 --> 01:24:34,740

and I had told me that when he came in

1997

01:24:38,180 --> 01:24:36,360

in 2010 everything will be held up to

1998

01:24:41,920 --> 01:24:38,190

the light and he said anything that is

1999

01:24:44,600 --> 01:24:41,930

not based in love is going to crumble

2000

01:24:47,840 --> 01:24:44,610

governments will fall he said financial

2001

01:24:50,270 --> 01:24:47,850

systems banks companies leaders of the

2002

01:24:51,680 --> 01:24:50,280

world leaders of corporations everybody

2003

01:24:53,300 --> 01:24:51,690

is everything and everyone it will be

2004

01:24:55,760 --> 01:24:53,310

shown for what they are and that's

2005

01:24:58,850 --> 01:24:55,770

certainly what's coming out all of the

2006

01:25:01,520 --> 01:24:58,860

dark nasty business that's been going on

2007

01:25:03,980 --> 01:25:01,530

is being those lights means shined on it

2008

01:25:06,110 --> 01:25:03,990

and so that's what's happening

2009

01:25:08,480 --> 01:25:06,120

so how that's going to play out will be

2010

01:25:11,270 --> 01:25:08,490

up to the collective we can go easy or

2011

01:25:12,890 --> 01:25:11,280

we can go hard you know some will make

2012

01:25:14,780 --> 01:25:12,900

it some won't but even those who don't

2013

01:25:16,070 --> 01:25:14,790

make it it's fine because all that means

2014

01:25:19,010 --> 01:25:16,080

is that they'll continue on their

2015

01:25:20,600 --> 01:25:19,020

journey on another 3d planet but it

2016

01:25:22,550 --> 01:25:20,610

probably won't be one of a control

2017

01:25:26,300 --> 01:25:22,560

system like this one they will be free

2018

01:25:30,560 --> 01:25:26,310

to wake up and remember and get back on

2019

01:25:32,510 --> 01:25:30,570

this on the cycle back home so so it'll

2020

01:25:33,650 --> 01:25:32,520

be good it's gonna be amazing I think

2021

01:25:36,050 --> 01:25:33,660

it's gonna be awesome however it plays

2022

01:25:40,670 --> 01:25:36,060

out I'm all for it it's better than

2023

01:25:44,060 --> 01:25:40,680

what's going on so okay I think that's
